

Sabre Responds to Recent News Story

July 27, 2020

SOUTHLAKE, Texas, July 27, 2020 /PRNewswire/ -- Sabre Corporation (NASDAQ: SABR), has received a number of inquiries related to a highly speculative article recently published in the news. In response, the Company issued this important statement today to clear up misconceptions reflected in that article.

First, Sabre has not been asked to participate in any projects related to COVID-19 tracking or tracking of populations as suggested in the article. Second, Sabre, as with all companies, responds to lawful process according to applicable law. Sabre closely examines any requests and only complies with court orders, subpoenas or other requests that are legally valid. The article may leave the perception that Sabre receives a large number of such requests. This is wholly inaccurate.
