

Sabre Corporation Announces Settlement of the Exchange Offers for Certain Senior Secured Debt Securities Due 2025 and Issuance of New Notes Due 2027

09/07/23

SOUTHLAKE, Texas, Sept. 7, 2023 /PRNewswire/ -- Sabre Corporation ("Sabre") (NASDAQ: SABR) today announced the settlement of the previously announced exchange offers (each, an "Exchange Offer" and together, the "Exchange Offers") by Sabre GLBL Inc. ("Sabre GLBL"), a wholly-owned subsidiary of Sabre, for any and all of its outstanding 7.375% Senior Secured Notes due 2025 (the "September 2025 Notes") and 9.250% Senior Secured Notes due 2025 (the "April 2025 Notes" and, together with the September 2025 Notes, the "Existing Notes" and each of them a "series" of Existing Notes), and the issuance of Sabre GLBL's new 8.625% Senior Secured Notes due 2027 (the "New Notes" and together with the Existing Notes, the "Securities").

The Exchange Offers expired at 5:00 p.m., New York City time, on September 5, 2023 (the "Expiration Date"). Approximately \$776 million and \$66 million of September 2025 Notes and April 2025 Notes, respectively, were validly tendered and not validly withdrawn as of the early exchange date and withdrawal deadline, which expired at 5:00 p.m., New York City time, on August 18, 2023, and a further approximately \$11 million and \$0.1 million of September 2025 Notes and April 2025 Notes, respectively, were validly tendered as of the Expiration Date. In total, approximately \$787 million and \$66 million of September 2025 Notes and April 2025 Notes, respectively, were exchanged by Sabre GLBL on September 7, 2023 (the "Settlement Date").

On the Settlement Date, Sabre GLBL issued approximately \$853 million in New Notes and paid approximately \$115 million in cash to Eligible Holders (as defined below) whose Existing Notes were accepted for exchange in the Exchange Offers. Holders whose Existing Notes were accepted for exchange also received a cash payment representing interest that has accrued from the most recent interest payment date in respect of the relevant series of Existing Notes up to, but not including, the Settlement Date.

The transaction strengthens Sabre's balance sheet by refinancing more than 89% of its consolidated 2025 debt maturities (excluding its account receivables facility and outstanding senior exchangeable notes).

"We are extremely pleased that this transaction, along with the recently completed cash tender offer, have successfully reduced our 2025 maturities by over \$1.5 billion. We believe this will provide us meaningful flexibility as we continue to focus on executing our growth strategies and delivering on our priorities," said Mike Randolfi, Executive Vice President and CFO of Sabre.

The New Notes will mature on June 1, 2027 and will bear interest at a rate per annum equal to 8.625%. The New Notes will first be redeemable, at Sabre GLBL's option, starting on March 1, 2025, at 104.313% of their outstanding principal amount, plus accrued interest, and under certain other circumstances.

The New Notes and the guarantees thereof will be senior secured indebtedness and will rank equal in right of payment with all of the existing and future senior secured indebtedness of Sabre GLBL and the guarantors. The New Notes are jointly and severally, irrevocably and unconditionally guaranteed by Sabre Holdings Corporation ("Sabre Holdings") and all of Sabre GLBL's current and future restricted subsidiaries that are borrowers under or guarantee Sabre GLBL's senior secured credit facilities under certain of its existing credit agreements or certain other secured indebtedness. The New Notes and the guarantees thereof will be secured, subject to permitted liens, by a first-priority security interest in substantially all present and hereinafter acquired assets of Sabre GLBL and each of the guarantors (other than certain excluded assets).

The Exchange Offers were made only to holders of Existing Notes that have certified, by submitting an instruction to the clearing system, that they are either (i) "qualified institutional buyers" as defined in Rule 144A ("Rule 144A") under the Securities Act of 1933, as amended (the "Securities Act") or (ii) are not "U.S. persons" as defined in Rule 902 under the Securities Act and are located outside the United States (such holders, "Eligible Holders").

BofA Securities, Inc., Citigroup Global Markets Inc. and Perella Weinberg Partners LP served as dealer managers, and Davis Polk & Wardwell LLP served as legal counsel to Sabre on this transaction. Latham & Watkins LLP served as legal counsel to the dealer managers. D.F. King & Co., Inc. served as the exchange agent on this transaction.

This press release is for informational purposes only and is neither an offer to buy nor a solicitation of an offer to sell any of the New Notes or any other securities. The New Notes have not been and will not be registered under the Securities Act and may not be offered or sold in the United States absent registration or an applicable exemption from the registration requirements. The New Notes have not been approved or disapproved by any regulatory authority, nor has any such authority passed upon the accuracy or adequacy of the offering circular relating to the Exchange Offers and the New Notes.
