Sabre to Host 2026 Investor Day Today

11/17/2026

Company to outline strategy for sustainable growth and shareholder value creation, including 2027 financial guidance and longer-term outlook through 2030

SOUTHLAKE, Texas, Nov. 17, 2026 /PRNewswire/ -- Sabre Corporation ("Sabre") (NASDAQ: SABR), a leading global travel technology company, will host its 2026 Investor Day today in New York City, beginning at 8:30 a.m. ET.

President and Chief Executive Officer Kurt Ekert, Chief Financial Officer Mike Randolfi, and other members of the senior leadership team will provide an in-depth review of the Company's strategic priorities, growth opportunities, and continued transformation, including its leadership position in agentic AI, as well as share long-term financial projections. The event will include formal presentations and Q&A sessions with the senior leadership team.

"Today, we are excited to share our strategy to strengthen Sabre's position as the intelligent backbone of global travel commerce," said Kurt Ekert, President and Chief Executive Officer. "Building on our strong execution and growing momentum, we believe our differentiated technology platform and more efficient operating model position us well to accelerate growth and capitalize on emerging opportunities, including agentic AI. Our multi-year outlook reflects our confidence in driving sustainable growth, expanding profitability and generating meaningful free cash flow — creating a compelling opportunity to deleverage and unlock long-term shareholder value."

Webcast Information

The presentation materials for Sabre's 2026 Investor Day are available on the Sabre Investor Relations website at investors.sabre.com. A live webcast of the event will begin at 8:30 a.m. ET on November 17, 2026. An archived replay of the webcast will be available at the same location following the conclusion of the event and will remain accessible for at least 90 days.

About Sabre

Powering the agentic revolution in travel. Sabre is an AI-native technology leader, backed by one of the world's largest travel data clouds. With AI at its core and operating at unparalleled scale, Sabre transforms insights into innovation, empowering airlines, hoteliers, agencies and other partners to retail, distribute and fulfill travel worldwide. Sabre is built on an open, modular, cloud-native architecture and serves as the backbone for both established leaders and bold, new disruptors, guiding them to the next age of travel retailing through intelligent, connected, and personalized experiences. Website Information

Sabre routinely posts important information for investors on the Investor Relations section of its website, investors.sabre.com, on its LinkedIn account, and on its X account, @Sabre_Corp. The Company intends to use the Investor Relations section of its website, its LinkedIn account, and its X account as a means of disclosing material, non-public information and for complying with disclosure obligations under Regulation FD. Accordingly, investors should monitor the Investor Relations section of Sabre's website, its LinkedIn account and its X account, in addition to following its press releases, SEC filings, public conference calls, presentations and webcasts. The information contained on, or that may be accessed through, Sabre's website, its LinkedIn account or its X account is not incorporated by reference into, and is not a part of, this document.

Forward-Looking Statements

Certain statements herein are forward-looking statements within the meaning of the Private Securities Litigation Reform Act of 1995. These forward-looking statements include, without limitation, statements about trends, future events, uncertainties and our plans and expectations of what may happen in the future, including regarding Sabre's strategy for long-term growth and the impact and timing of geopolitical events. Any statements that are not historical or current facts are forward-looking statements and in many cases, you can identify forward-looking statements by terms such as "outlook," "targets," "pathway," "guidance," "pro forma," "believe," "expect," "objectives," "momentum," "expect," "trends," "strategic," "opportunity," "positioned," "confident," "traction," "investment," "investment," "anticipate," "intend," "growth," "plan," "well-positioned," "sustained," "focus," "optimistic," "will," "long-term," "leading," "accelerate," "potential," "goal," "estimate," "commitment," "temporary," "continue," "progress," "possible," "outcome," "assume," "challenge," "enhance," "on track," "objective," "target," "pipeline," "trajectory," "future," "benefit," "forecast," "estimate," "project," "may," "should," "would," or the negative of these terms, where applicable, or other comparable terminology. Forward-looking statements involve known and unknown risks, uncertainties and other factors that may cause Sabre's actual results, performance or achievements to be materially different from any future results, performances or achievements expressed or implied by the forward-looking statements. The potential risks and uncertainties include, among others, the effects of the Middle East and other conflicts and fuel prices, the results and effects of technological advancements, including AI, and the ability to implement these advancements, dependency on transaction volumes in the global travel industry, particularly air travel transaction volumes, the implementation and effects of our growth strategies, the completion and effects of travel platforms, exposure to pricing pressure from travel suppliers, changes affecting travel supplier customers, maintenance of the integrity of our systems and infrastructure and the effect of any security incidents, our ability to recruit, train and retain employees, competition in the travel distribution industry and solutions industry, implementation of software solutions, implementation and effects of new, amended or renewed agreements and strategic partnerships, dependence on establishing, maintaining and renewing contracts with customers and other counterparties and collecting amounts due to us under these agreements, dependence on relationships with travel buyers, the ability to achieve our cost savings and efficiency goals and the effects of these goals, our collection, processing, storage, use and transmission of personal data and risks associated with PCI compliance, the effects of cost savings initiatives, the effects of new legislation or regulations or the failure to comply with regulations or other legal requirements, use of third-party distributor partners, the financial and business results and effects of acquisitions and divestitures of businesses or business operations, reliance on the value of our brands, reliance on third parties to provide information technology services and the effects of these services, the effects of any profit enhancing measures we implement, the effects of any litigation, regulatory reviews and investigations, adverse global and regional economic and political conditions, risks related to global conflicts, risks arising from global operations, risks related to our significant amount of indebtedness, including increases in interest rates and our ability to refinance our debt, and tax-related matters.

More information about potential risks and uncertainties that could affect our business and results of operations is included in the "Risk Factors" and "Forward-Looking Statements" sections in our Quarterly Report on Form 10-Q filed with the SEC on November 5, 2026, in our Annual Report on Form

10-K filed with the SEC on February 18, 2026 and in our other filings with the SEC. Although we believe that the expectations reflected in the forward-looking statements are reasonable, we cannot guarantee future events, outlook, guidance, results, actions, levels of activity, performance or achievements. Readers are cautioned not to place undue reliance on these forward-looking statements. Unless required by law, Sabre undertakes no obligation to publicly update or revise any forward-looking statements to reflect circumstances or events after the date they are made.
