Item 7.01. Regulation FD Disclosure.

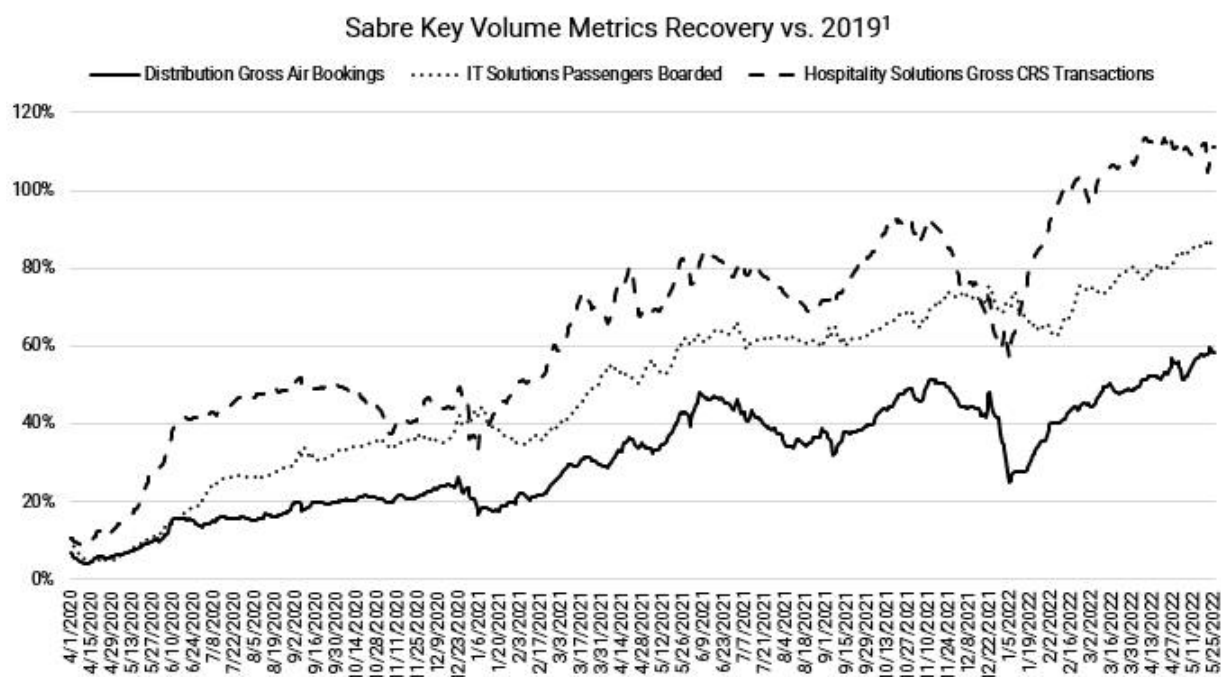

On June 2, 2022, Sabre Corporation (“Sabre,” “we,” “us,” or “our”) provided the following key volume metrics update:

In May 2022 (through May 26, 2022), versus the same period in 2019:

- Our gross air bookings recovered to approximately 56%,
- Net air bookings recovered to approximately 58%,
- Passengers boarded recovered to approximately 86%, and
- Gross hotel central reservation system transactions recovered to approximately 110%.

We are encouraged by the breadth of the overall recovery as international and corporate bookings have continued to strengthen. Geographically, the recovery in air bookings has continued around the world, with all major regions showing significant improvement from the first quarter 2022.

The recovery in our key volume metrics versus 2019 levels is summarized in the chart below.

¹ 7-Day moving average; calendar shifted; CRS transactions are community model only; data through May 26th, 2022.

Forward-looking statements

Certain statements herein are forward-looking statements about trends, future events, uncertainties and our plans and expectations of what may happen in the future. Any statements that are not historical or current facts are forward-looking statements.
