(l) The sale of the Shares to be sold by the Selling Stockholders and the compliance by the Company with this Agreement and the consummation of the transactions herein contemplated will not (A) conflict with or result in a breach or violation of any of the terms or provisions of, or constitute a default under any indenture, mortgage, deed of trust, loan agreement, lease or other agreement or instrument to which the Company or any of its subsidiaries is a party or by which the Company or any of its subsidiaries is bound or to which any of the property or assets of the Company or any of its subsidiaries is subject, (B) conflict with or result in any violations of any provision of the certificate of incorporation or by-laws of the Company or any of its subsidiaries, or (C) conflict with or result in any violations of any

(r) The Company maintains a system of internal accounting controls that are sufficient to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles (it being understood that this subsection shall not require the Company to comply with Section 404 of the Sarbanes Oxley Act of 2002 as of an earlier date than it would otherwise be required to so comply under applicable law), including, but not limited to, internal accounting controls sufficient to provide reasonable assurance that (i) transactions are executed in accordance with management’s general or specific authorizations, (ii) transactions are recorded as necessary to permit preparation of financial statements in conformity with generally accepted accounting principles and to maintain asset accountability, (iii) access to assets is permitted only in accordance with management’s general or specific authorization, (iv) the recorded accountability for assets is compared with the existing assets at reasonable intervals and appropriate action is taken with respect to any differences and (v) the interactive data in eXtensible Business Reporting Language, if any, included or incorporated by reference in the Registration Statement is accurate to the extent required. (w) Except as set forth in the Pricing Prospectus or would not result in a Material Adverse Effect, (i) the Company and each of its subsidiaries own, possess or otherwise have the right to use sufficient intellectual property rights, including, without limitation, trademarks, service marks, trade names, patent rights, copyrights, trade secrets and all other similar rights (collectively, the “Intellectual Property Rights”) reasonably necessary to conduct their business as now conducted and (ii) neither the Company nor any of its subsidiaries has received any written notice of infringements or conflict with asserted Intellectual Property Rights of others in the past two years;

(x) The Company and each of its subsidiaries possess such valid and current certificates, authorizations or permits issued by the appropriate U.S. federal, state or foreign regulatory agencies or bodies necessary to conduct their respective businesses in the manner described in the Pricing Prospectus, except where failure to have such certificates, authorizations or permits would not, individually or in the aggregate, result in a Material Adverse Effect. Neither the Company nor any of its subsidiaries has received any written notice of proceedings relating to the revocation or modification of, or noncompliance with, any such certificate, authorization or permit which, singly or in the aggregate, if the subject of an unfavorable decision, ruling or finding, would result in a Material Adverse Effect;

Neither the Company nor any of its subsidiaries has any reason to believe that it will not be able to (i) renew its existing insurance coverage as and when such policies expire or (ii) to obtain comparable coverage from similar institutions as may be reasonably necessary or appropriate to conduct its business as now conducted and at a cost that would not reasonably be expected to result in a Material Adverse Effect;

(aa) Except as would not, individually or in the aggregate, result in a Material Adverse Effect: (i) neither the Company nor any of its subsidiaries is in violation of any applicable U.S. federal, state, local or foreign law (including common law), regulation, rule, requirement, decision or order relating to pollution or protection of human health, the environment (including, without limitation, ambient air, surface water, groundwater, land surface or subsurface strata), natural resources, or wildlife, including, without limitation, laws and regulations relating to emissions, discharges, releases or threatened releases of chemicals, pollutants, contaminants, wastes, toxic substances, hazardous substances, petroleum and petroleum products (collectively, "Materials of Environmental Concern"), or otherwise relating to the manufacture, processing, distribution, use, treatment, storage, disposal, transport handling, or exposure to, of Materials of Environmental Concern (collectively, "Environmental

(bb) The Company and each of its subsidiaries and any “employee benefit plan” (as defined under Section 3(3) of the Employee Retirement Security Act of 1974, as amended, and the regulations and published interpretations thereunder (collectively, “ERISA”)) established or maintained by the Company or its ERISA Affiliates (as defined below) are in compliance in all material respects with ERISA. “ERISA Affiliate” means, with respect to the Company, any member of any group of organizations described in Section 414 of the Internal Revenue Code of 1986, as amended, and the regulations and published interpretations thereunder (the “Code”) of which the Company is a member. No “reportable event” (as defined under ERISA), other than a reportable event for which notice has been waived, has occurred or is reasonably expected to occur with respect to any “employee benefit plan” established or maintained by the Company or any of its ERISA Affiliates. Except as would not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect, neither the Company nor any of its ERISA Affiliates has incurred or reasonably expects to incur any liability under (i) Title IV of ERISA with respect to termination of, or withdrawal from, any “employee benefit plan”; or (ii) Sections 412, 4971, 4975 or 4980B of the Code. With respect to each “employee benefit plan” subject to Title IV of ERISA, there has been no failure to satisfy the minimum funding standard of Sections 302 and 303 of ERISA or Sections 412 and 430 of the Code (whether or not waived in accordance with Section 412(c) of the Code or Section 302(c) of ERISA) and no failure to make by its due date a required installment under Section 430(j) of the Code with respect to any “employee benefit plan” or the failure to make any required contribution to a “multiemployer plan” within the meaning of Section 4001(c)(3) of

ERISA (“Multiemployer Plan”). The aggregate amount of the underfunding under all “employee benefit plans,” as disclosed in the actuarial valuation report as of December 31, 2014, was approximately \$90.1 million. Each “employee benefit plan” established or maintained by the Company or any of its ERISA Affiliates that is intended to be qualified under Section 401 of the Code has received a determination letter from the Internal Revenue Service stating that it is so qualified, and nothing has occurred, whether by action or failure to act, which would cause the loss of such qualification;

(cc) Except as provided pursuant to any indebtedness of the Company referenced under the caption “Dividend Policy” in the Pricing Prospectus and the Prospectus, as of the Time of Delivery, no subsidiary of the Company will be prohibited, directly or indirectly, from paying any dividends to the Company, from making any other distribution on such subsidiary’s capital stock, from repaying to the Company any loans or advances to such subsidiary from the Company or from transferring any of such subsidiary’s property or assets to the Company or any other subsidiary of the Company, except as would not, individually or in the aggregate, reasonably be expected to result in a Material Adverse Effect;

(dd) Neither the Company nor any of its subsidiaries is a party to any contract, agreement or understanding with any person (other than this Agreement) that would give rise to a valid claim against any of them or the Underwriter for a brokerage commission, finder’s fee or like payment in connection with the offering and sale of the Shares;

(ee) Since the date of the most recent balance sheet of the Company included or incorporated by reference in the Pricing Prospectus, (i) the Company has not been advised of or become aware of (A) any material weaknesses or significant deficiencies (both within the meaning of Rule 1-02 of Regulation S-X under the Act) in the design or operation of internal controls, that could adversely affect the ability of the Company or any of its subsidiaries to record, process, summarize and report financial data or any other material weaknesses or significant deficiencies in internal controls, or (B) any fraud, whether or not material, that involves management or other employees who have a significant role in the internal controls of the Company and each of its subsidiaries and (ii) there have been no changes in internal controls or in other factors that could materially affect internal controls, including any corrective actions with regard to material weaknesses and significant deficiencies;

(ff) The historical financial statements included or incorporated by reference in the Pricing Prospectus present fairly in all material respects the consolidated financial position of the Company and its consolidated subsidiaries as of and at the dates indicated and the results of their operations and cash flows for the periods specified. Such historical financial statements have been prepared in conformity with generally accepted accounting principles as applied in the United States, applied on a consistent basis throughout the periods involved;

(gg) Neither the Company, nor any of its subsidiaries or controlled affiliates, nor, to the knowledge of the Company, any of the directors, officers, employees, non-controlled affiliates or agents of the Company or representatives of the Company, its subsidiaries or its affiliates or other person associated with or acting on behalf of the Company or any of their subsidiaries has (i) taken any unlawful action in furtherance of an offer, payment, promise to pay, or authorization or approval of the payment or giving of money, property, gifts or anything else of value, directly or indirectly, to any “government official” (including any officer or employee of a government or government-owned or controlled entity or of a public international organization, or any person acting in an official capacity for or on behalf of any of the foregoing, or any

political party or party official or candidate for political office); (ii) used any corporate funds for any unlawful contribution, gift, entertainment or other unlawful expense relating to political activity; (iii) made any direct or indirect unlawful payment to any foreign or domestic government official or employee from corporate funds; (iv) violated or is in violation of any provision of the Foreign Corrupt Practices Act of 1977; (v) violated or is in violation of any provision of the Bribery Act 2010 of the United Kingdom; or (vi) made any bribe, rebate, payoff, influence payment, kickback or other unlawful payment; and the Company and its subsidiaries have instituted and maintain and will continue to maintain policies and procedures reasonably designed to promote and achieve compliance with applicable anti-corruption laws and with the representation and warranty contained herein;

(m) At the Time of Delivery, the Underwriter shall have received a written certificate executed by the Chief Financial Officer of the Company in a form and substance satisfactory to you.

9. (a) The Company will indemnify and hold harmless the Underwriter from and against any losses, claims, damages or liabilities, joint or several, to which the Underwriter may become subject, under the Act or otherwise, insofar as such losses, claims, damages or liabilities (or actions in respect thereof) arise out of or are based upon an untrue statement or alleged untrue statement of a material fact contained in the Registration Statement, the Basic Prospectus, any Preliminary Prospectus, the Pricing Prospectus or the Prospectus, or any amendment or supplement thereto, any materials or information provided to investors by, or with the approval of, the Company in connection with the marketing of the offering of the Shares, including any road show or investor presentations made to investors by the Company Issuer Free Writing Prospectus or any "issuer information" filed or required to be filed pursuant to Rule 433(d) under the Act or arise out of or are based upon the omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein not misleading, and will reimburse the Underwriter for any legal or other expenses reasonably incurred by the Underwriter in connection with investigating or defending any such action or claim as such expenses are incurred; provided, however, that the Company shall not be liable in any such case to the extent that any such loss, claim, damage or liability arises out of or is based upon an untrue statement or alleged untrue statement or omission or alleged omission made in the Registration Statement, the Basic Prospectus, any Preliminary Prospectus, the Pricing Prospectus or the Prospectus, or any amendment or supplement thereto, or any Issuer Free Writing Prospectus in reliance upon and in conformity with written information furnished to the Company by the Underwriter expressly for use therein.

(b) Each of the Selling Stockholders, severally and not jointly, will indemnify and hold harmless the Underwriter from and against any losses, claims, damages or liabilities, joint or several, to which the Underwriter may become subject, under the Act or otherwise, insofar as such losses, claims, damages or liabilities (or actions in respect thereof) arise out of or are based upon an untrue statement or alleged untrue statement of a material fact contained in the Registration Statement, the Basic Prospectus, any Preliminary Prospectus, the Pricing Prospectus or the Prospectus, or any amendment or supplement thereto, any materials or information provided to investors by, or with the approval of, the Company in connection with the marketing of the offering of the Shares, including any road show or investor presentations made to investors by the Company (whether in person or electronically), any Issuer Free Writing Prospectus filed or arise out of or are based upon the omission

or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein not misleading, in each case to the extent, but only to the extent, that such untrue statement or alleged untrue statement or omission or alleged omission was made in the Registration Statement, the Basic Prospectus, any Preliminary Prospectus, the Pricing Prospectus or the Prospectus, or any amendment or supplement thereto, any Issuer Free Writing Prospectus in reliance upon and in conformity with the Selling Stockholder Information furnished by such Selling Stockholder expressly for use therein; and will reimburse the Underwriter for any legal or other expenses reasonably incurred by the Underwriter in connection with investigating or defending any such action or claim as such expenses are incurred; provided, however, that such Selling Stockholder shall not be liable in any such case to the extent that any such loss, claim, damage or liability arises out of or is based upon an untrue statement or alleged untrue statement or omission or alleged omission made in the Registration Statement, any Preliminary Prospectus, the Pricing Prospectus or the Prospectus or any amendment or supplement thereto or any Issuer Free Writing Prospectus in reliance upon and in conformity with written information furnished to the Company by the Underwriter expressly for use therein; provided, further, however, that the aggregate liability of a Selling Stockholder under this Section 9(b) shall not exceed the aggregate gross proceeds after underwriting commissions and discounts but before deducting expenses received by such Selling Stockholder from the Underwriter for the sale of its Shares hereunder.

(c) The Underwriter will indemnify and hold harmless the Company and each Selling Stockholder against any losses, claims, damages or liabilities to which the Company or such Selling Stockholder may become subject, under the Act or otherwise, insofar as such losses, claims, damages or liabilities (or actions in respect thereof) arise out of or are based upon an untrue statement or alleged untrue statement of a material fact contained in the Registration Statement, any Preliminary Prospectus, the Pricing Prospectus or the Prospectus, or any amendment or supplement thereto or any Issuer Free Writing Prospectus, or arise out of or are based upon the omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein not misleading, in each case to the extent, but only to the extent, that such untrue statement or alleged untrue statement or omission or alleged omission was made in the Registration Statement, any Preliminary Prospectus, the Pricing Prospectus or the Prospectus, or any amendment or supplement thereto, or any Issuer Free Writing Prospectus, in reliance upon and in conformity with written information furnished to the Company by the Underwriter expressly for use therein; and will reimburse the Company and each Selling Stockholder for any legal or other expenses reasonably incurred by the Company or such Selling Stockholder in connection with investigating or defending any such action or claim as such expenses are incurred.

(d) Promptly after receipt by an indemnified party under subsection (a), (b) or (c) of this Section 9 of notice of the commencement of any action, such indemnified party shall, if a claim in respect thereof is to be made against the indemnifying party under such subsection, notify the indemnifying party in writing of the commencement thereof; but the omission so to notify the indemnifying party shall not relieve it from any liability which it may have to any indemnified party otherwise than under such subsection unless the indemnifying party has been materially prejudiced thereby. In case any such action shall be brought against any indemnified party and it shall notify the indemnifying party of the commencement thereof, the indemnifying party shall be entitled to participate therein and, to the extent that it shall wish, jointly with any other indemnifying party similarly notified, to assume the defense thereof, with counsel satisfactory to such indemnified party (who shall not, except with the consent of the indemnified party, be counsel to the indemnifying party), and, after notice from the indemnifying party to such indemnified party of its election so to assume the defense thereof, the indemnifying party shall not be liable to such indemnified party under such

subsection for any legal expenses of other counsel or any other expenses, in each case subsequently incurred by such indemnified party, in connection with the defense thereof other than reasonable costs of investigation. No indemnifying party shall, without the written consent of the indemnified party, effect the settlement or compromise of, or consent to the entry of any judgment with respect to, any pending or threatened action or claim in respect of which indemnification or contribution may be sought hereunder (whether or not the indemnified party is an actual or potential party to such action or claim) unless such settlement, compromise or judgment (i) includes an unconditional release of the indemnified party from all liability arising out of such action or claim and (ii) does not include a statement as to or an admission of fault, culpability or a failure to act, by or on behalf of any indemnified party;

(e) If the indemnification provided for in this Section 9 is unavailable to or insufficient to hold harmless an indemnified party under subsection (a), (b) or (c) above in respect of any losses, claims, damages or liabilities (or actions in respect thereof) referred to therein, then each indemnifying party shall contribute to the amount paid or payable by such indemnified party as a result of such losses, claims, damages or liabilities (or actions in respect thereof) in such proportion as is appropriate to reflect the relative benefits received by the Company and the Selling Stockholders, as the case may be, on the one hand, and the Underwriter, on the other hand, from the offering of the Shares. If, however, the allocation provided by the immediately preceding sentence is not permitted by applicable law or if the indemnified party failed to give the notice required under subsection (d) above, then each indemnifying party shall contribute to such amount paid or payable by such indemnified party in such proportion as is appropriate to reflect not only such relative benefits but also the relative fault of the Company and the Selling Stockholders, as the case may be, on the one hand, and the Underwriter, on the other hand, in connection with the statements or omissions which resulted in such losses, claims, damages or liabilities (or actions in respect thereof), as well as any other relevant equitable considerations. The relative benefits received by the Company and the Selling Stockholders, as the case may be, on the one hand, and the Underwriter, on the other hand, shall be deemed to be in the same proportion as the total net proceeds from the offering (before deducting expenses) received by the Company and the Selling Stockholders, as the case may be, bear to the total underwriting discounts and commissions received by the Underwriter, in each case as set forth in the table on the cover page of the Prospectus. The relative fault shall be determined by reference to, among other things, whether the untrue or alleged untrue statement of a material fact or the omission or alleged omission to state a material fact relates to information supplied by the Company or the Selling Stockholders, as the case may be, on the one hand or the Underwriter, on the other hand, and the parties' relative intent, knowledge, access to information and opportunity to correct or prevent such statement or omission. The Company, each of the Selling Stockholders and the Underwriter agree that it would not be just and equitable if contribution pursuant to this subsection (e) were determined by pro rata allocation or by any other method of allocation which does not take account of the equitable considerations referred to above in this subsection (e). The amount paid or payable by an indemnified party as a result of the losses, claims, damages or liabilities (or actions in respect thereof) referred to above in this subsection (e) shall be deemed to include any legal or other expenses reasonably incurred and documented by such indemnified party in connection with investigating or defending any such action or claim. Notwithstanding the provisions of this subsection (d), the Underwriter shall not be required to contribute any amount in excess of the amount by which the total price at which the Shares underwritten by it and distributed to the public were offered to the public exceeds the amount of any damages which the Underwriter has otherwise been required to pay by reason of such untrue or alleged untrue statement or omission or alleged omission. In no event shall the aggregate liability of a Selling Stockholder under Section 9(b) and Section 9(e) exceed the

limit set forth in Section 9(b). No person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Act) shall be entitled to contribution from any person who was not guilty of such fraudulent misrepresentation. The Underwriter's obligations in this subsection (e) to contribute are several in proportion to their respective underwriting obligations and not joint.

(f) The obligations of the Company and the Selling Stockholders under this Section 9 shall be in addition to any liability which the Company and the Selling Stockholders may otherwise have and shall extend, upon the same terms and conditions, to each officer and director of the Underwriter and each person, if any, who controls the Underwriter within the meaning of the Act and each affiliate of the Underwriter; and the obligations of the Underwriter under this Section 9 shall be in addition to any liability which the Underwriter may otherwise have and shall extend, upon the same terms and conditions, to each officer and director of the Company (including any person who, with his or her consent, is named in the Registration Statement as about to become a director of the Company) and to each person, if any, who controls the Company or any Selling Stockholder within the meaning of the Act. The provisions of this Section 9 shall not affect any agreement among the Company and the Selling Stockholders with respect to indemnification and contribution.

10. [Reserved]

11. The respective indemnities, agreements, representations, warranties and other statements of the Company, the Selling Stockholders and the Underwriter, as set forth in this Agreement or made by or on behalf of them, respectively, pursuant to this Agreement, shall remain in full force and effect, regardless of any investigation (or any statement as to the results thereof) made by or on behalf of the Underwriter or any controlling person of the Underwriter, or the Company, or of any Selling Stockholder, or any officer or director or controlling person of the Company, or any controlling person of any Selling Stockholder, and shall survive delivery of and payment for the Shares.

12. If this Agreement shall be terminated (other than by operation of Section 8(h)(i), (iii), (iv) or (v)) any Shares are not delivered by or on behalf of the Selling Stockholders as provided herein, the Company will reimburse the Underwriter through you for all out-of-pocket expenses approved in writing by you, including reasonably incurred and documented fees and disbursements of counsel for the Underwriter in making preparations for the purchase, sale and delivery of the Shares not so delivered, but the Company and the Selling Stockholders shall then be under no further liability to the Underwriter except as provided in Sections 7 and 9 hereof.

13. In all dealings hereunder, you shall act on behalf of the Underwriter, and the parties hereto shall be entitled to act and rely upon any statement, request, notice or agreement on behalf of the Underwriter made or given by you; and in all dealings with any Selling Stockholder hereunder, you and the Company shall be entitled to act and rely upon any statement, request, notice or agreement on behalf of such Selling Stockholder.

All statements, requests, notices and agreements hereunder shall be in writing, and if to the Underwriter shall be delivered or sent by mail to Goldman, Sachs & Co., 200 West Street, New York, New York 10282, Attention: Registration Department; if to any Selling Stockholder shall be delivered or sent by mail, telex or facsimile transmission to counsel for such Selling Stockholder at its address set forth in Schedule II hereto; if to the Company shall be delivered or sent by mail, telex or facsimile transmission to the address of the Company set forth on the cover of the Registration Statement, Attention: General Counsel and Corporate Secretary; and if to any stockholder that has delivered a lock-up letter described in Section 8(j) hereof shall be delivered or sent by mail to his or her respective address provided in Schedule IV hereto or such other address as such stockholder provides in writing

to the Company; provided, however, that any notice to the Underwriter pursuant to Section 9(d) hereof shall be delivered or sent by mail, telex or facsimile transmission to the Underwriter at its address set forth in its Underwriter's Questionnaire or telex constituting such Questionnaire, which address will be supplied to the Company or the Selling Stockholders by you on request; provided further that notices under subsection 5(g) shall be in writing, and if to the Underwriter shall be delivered or sent by mail, telex or facsimile transmission to you as you at Goldman, Sachs & Co., 200 West Street, New York, New York 10282, Attention: Registration Department. Any such statements, requests, notices or agreements shall take effect upon receipt thereof.

In accordance with the requirements of the USA Patriot Act (Title III of Pub. L. 107-56 (signed into law October 26, 2001)), the Underwriter is required to obtain, verify and record information that identifies their respective clients, including the Company and the Selling Stockholders, which information may include the name and address of their respective clients, as well as other information that will allow the Underwriter to properly identify their respective clients.

14. This Agreement shall be binding upon, and inure solely to the benefit of, the Underwriter, the Company and the Selling Stockholders and, to the extent provided in Sections 9 and 11 hereof, the officers and directors of the Company and each person who controls the Company, any Selling Stockholder or the Underwriter, and their respective heirs, executors, administrators, successors and assigns, and no other person shall acquire or have any right under or by virtue of this Agreement. No purchaser of any of the Shares from the Underwriter shall be deemed a successor or assign by reason merely of such purchase.

15. Time shall be of the essence of this Agreement. As used herein, the term "business day" shall mean any day when the Commission's office in Washington, D.C. is open for business.

16. The Company and the Selling Stockholders acknowledge and agree that (i) the purchase and sale of the Shares pursuant to this Agreement is an arm's-length commercial transaction between the Selling Stockholders, on the one hand, and the Underwriter, on the other, (ii) in connection therewith and with the process leading to such transaction the Underwriter is acting solely as a principal and not the agent or fiduciary of the Company or any Selling Stockholder, (iii) the Underwriter has not assumed an advisory or fiduciary responsibility in favor of the Company or any Selling Stockholder with respect to the offering contemplated hereby or the process leading thereto (irrespective of whether the Underwriter has advised or is currently advising the Company or any Selling Stockholder on other matters) or any other obligation to the Company or any Selling Stockholder except the obligations expressly set forth in this Agreement and (iv) the Company and each Selling Stockholder has consulted its own legal and financial advisors to the extent it deemed appropriate. The Company and each Selling Stockholder agrees that it will not claim that the Underwriter has rendered advisory services of any nature or respect, or owes a fiduciary or similar duty to the Company or any Selling Stockholder, in connection with such transaction or the process leading thereto.

17. This Agreement supersedes all prior agreements and understandings (whether written or oral) between the Company, the Selling Stockholders and the Underwriter, or any of them, with respect to the subject matter hereof.

18. The parties hereto acknowledge and agree that the only information provided by the Underwriter to the Company specifically for use in the Registration Statement, Pricing Disclosure Package or Prospectus shall be the statements contained in the (i) second to last sentence of the text on the cover page of the Prospectus concerning the expected delivery date of the Shares, (ii) the name set forth on the cover page of the Prospectus, (iii) the name set forth in the table after the first paragraph of text under "Underwriting" in the Prospectus and (iv) the third, tenth and fifteenth paragraphs under the heading "Underwriting."

19. THIS AGREEMENT AND ANY MATTERS RELATED TO THIS TRANSACTION SHALL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF NEW YORK WITHOUT REGARD TO PRINCIPLES OF CONFLICT OF LAWS THAT WOULD RESULT IN THE APPLICATION OF ANY LAW OTHER THAN THE LAWS OF THE STATE OF NEW YORK. The Company and each Selling Stockholder agrees that any suit or proceeding arising in respect of this Agreement or our engagement will be tried exclusively in the U.S. District Court for the Southern District of New York or, if that court does not have subject matter jurisdiction, in any state court located in The City and County of New York and the Company agrees to submit to the jurisdiction of, and to venue in, such courts.

20. The Company, each Selling Stockholder and the Underwriter hereby irrevocably waives, to the fullest extent permitted by applicable law, any and all right to trial by jury in any legal proceeding arising out of or relating to this Agreement or the transactions contemplated hereby.

21. This Agreement may be executed by any one or more of the parties hereto in any number of counterparts, each of which shall be deemed to be an original, but all such respective counterparts shall together constitute one and the same instrument.

22. Notwithstanding anything herein to the contrary, the Company and the Selling Stockholders are authorized to disclose to any and all persons the tax treatment and tax structure of the potential transaction and all materials of any kind (including tax opinions and other tax analyses) provided to the Company and the Selling Stockholders relating to that treatment and structure, without the Underwriter imposing any limitation of any kind. However, any information relating to the tax treatment and tax structure shall remain confidential (and the foregoing sentence shall not apply) to the extent necessary to enable any person to comply with securities laws. For this purpose, "tax treatment" means U.S. federal and state income tax treatment, and "tax structure" is limited to any facts that may be relevant to that treatment.

If the foregoing is in accordance with your understanding, please sign and return to us counterparts hereof, and upon the acceptance hereof by you, on behalf of the Underwriter, this letter and such acceptance hereof shall constitute a binding agreement among the Underwriter, the Company and each of the Selling Stockholders. It is understood that your acceptance of this letter on behalf of the Underwriter is pursuant to the authority set forth in a form of Agreement among the Underwriter, the form of which shall be submitted to the Company and the Selling Stockholders for examination, upon request, but without warranty on your part as to the authority of the signers thereof.

COMFORT LETTER DELIVERED PRIOR TO EXECUTION OF THIS AGREEMENT

Sabre Corporation

and

Goldman, Sachs & Co.
200 West Street
New York, New York 10282

We have audited the consolidated balance sheets of Sabre Corporation and its consolidated subsidiaries (the Company) as of December 31, 2014 and 2013 and the related consolidated statements of operations, comprehensive income (loss), temporary equity and stockholders' equity (deficit), and cash flows for each of the three years in the period ended December 31, 2014, and the related schedule, all included in the Company's Annual Report on Form 10-K for the year ended December 31, 2014 and incorporated by reference in the Registration Statement (No. 333-204267) on Form S-3 filed by the Company under the Securities Act of 1933 (the "Act"); our report with respect thereto is also incorporated by reference in such Registration Statement and in the preliminary prospectus dated August 5, 2015, collectively referred to herein as the "Registration Statement."

In connection with the Registration Statement:

1. We are an independent registered public accounting firm with respect to the Company within the meaning of the Act and the applicable rules and regulations thereunder adopted by the Securities and Exchange Commission (SEC) and the Public Company Accounting Oversight Board (United States) (PCAOB).
2. In our opinion, the consolidated financial statements and financial statement schedule audited by us and included in the Company's Annual Report on Form 10-K at December 31, 2014 and incorporated by reference in the Registration Statement comply as to form in all material respects with the applicable accounting requirements of the Act and the Securities and Exchange Act of 1934 (the "Exchange Act") and the related rules and regulations adopted by the SEC.
3. We have not audited any financial statements of the Company as of any date or for any period subsequent to December 31, 2014. The purpose (and therefore the scope) of our audit for the year ended December 31, 2014 was to enable us to express our opinion on the consolidated financial statements as of December 31, 2014, and for the year then ended, but not on the financial statements for any interim period within that year. Therefore, we are unable to and do not express an opinion on: the unaudited condensed consolidated balance sheets at March 31, 2015 and June 30, 2015; the unaudited condensed consolidated statements of operations and comprehensive income (loss) for the three-month periods

ended March 31, 2015 and 2014, and June 30, 2015 and 2014, and the six-month periods ended June 30, 2015 and 2014; or the unaudited condensed consolidated statements of cash flows for the three-month periods ended March 31, 2015 and 2014 and the six-month periods ended June 30, 2015 and 2014, all incorporated by reference in the Registration Statement from the Company's Quarterly Reports on Form 10-Q for the quarters ended March 31 and June 30, 2015; or on the financial position, results of operations or cash flows as of any date or for any period subsequent to December 31, 2014.

4. For purposes of this letter, we have read the 2015 minutes of meetings of the Board of Directors, Audit Committee, Governance and Nominating Committee, Compensation Committee, Executive Committee, Technology Committee and Stockholders of the Company and its various principal subsidiaries as set forth in the minute books through August 4, 2015; officials of the Company having advised us that the minutes of all such meetings through that date were set forth therein, except for the following meetings, for which minutes have not been approved:

Technology Committee	May 26, 2015
Board of Directors	May 28, 2015
Compensation Committee	May 28, 2015
Audit Committee	May 28, 2015
Governance and Nominating Committee	May 28, 2015
Annual Meeting of Stockholders	May 28, 2015
Technology Committee	July 23, 2015
Board of Directors	July 28, 2015
Compensation Committee	July 28, 2015
Audit Committee	July 28, 2015
Governance and Nominating Committee	July 28, 2015
Executive Committee	August 2, 2015

With respect to the meetings mentioned above which do not have approved minutes, we have obtained and reviewed draft minutes, from the Corporate Secretary of the Company, of the topics discussed at the meeting. We obtained copies of the agendas detailing the topics discussed at the meetings for which draft minutes were not yet available. We also have carried out other procedures to August 4, 2015 as follows (our work did not extend to August 5, 2015 inclusive):

- a. With respect to the three-month periods ended March 31 and June 30, 2015 and 2014 and the six-month periods ended June 30, 2015 and 2014, we have:
 - i. performed the procedures specified by the PCAOB for a review of interim financial information as described in AU 722, *Interim Financial Information*, on the unaudited condensed consolidated financial statements for these periods, described in 3. above, included in the Company's quarterly report on Form 10-Q for the quarters ended March 31, 2015 and June 30, 2015, incorporated by reference in the Registration Statement; and

- ii. inquired of certain officials of the Company who have responsibility for financial and accounting matters as to whether the unaudited condensed consolidated financial statements referred to under 4a.(i) comply as to form in all material respects with the applicable accounting requirements of the Exchange Act as it applies to Form 10-Q and the related rules and regulations adopted by the SEC.

The foregoing procedures do not constitute an audit conducted in accordance with the standards of the PCAOB. Also, they would not necessarily reveal matters of significance with respect to the comments in the following paragraph. Accordingly, we make no representations as to the sufficiency of the foregoing procedures for your purposes.

5. Nothing came to our attention as a result of the foregoing procedures that caused us to believe that:
 - a. any material modifications should be made to the unaudited condensed consolidated financial statements described in 3. above, incorporated by reference in the Registration Statement, for them to be in conformity with US generally accepted accounting principles; or
 - b. the unaudited condensed consolidated financial statements described in 3. above do not comply as to form in all material respects with the applicable accounting requirements of the Exchange Act as it applies to Form 10-Q and the related rules and regulations adopted by the SEC.
6. Company officials have advised us that no consolidated financial statements as of any date or for any period subsequent to June 30, 2015, are available. Officials of the Company have advised us that since consolidated financial statements prepared in accordance with U.S. generally accepted accounting principles in conjunction with the Company's financial statement close process are not available subsequent to June 30, 2015, they are not able to respond to our inquiries about such changes, increases or decreases.
