Forward-looking statements relate to expectations, beliefs, projections, future plans and strategies, anticipated events or trends and similar expressions concerning matters that are not historical facts, such as statements regarding our future financial condition or results of operations, our prospects and strategies for future growth, the development and introduction of new products, and the implementation of our marketing and branding strategies. RISK FACTORS

Investing in our common stock involves risks. Before deciding to invest in our common stock, you should carefully consider the discussion of risks and uncertainties under the heading “Risk Factors” contained in any applicable prospectus supplement and in the documents that are incorporated by reference in this prospectus. See the sections entitled “Where You Can Find More Information” and “Incorporation by Reference” on pages 11 and 12. The occurrence of any of these risks might cause you to lose all or part of your investment in the offered securities.

USE OF PROCEEDS

Except as otherwise set forth in a prospectus supplement, we intend to use the net proceeds from any sale of our common stock by this prospectus for our general corporate purposes. The net proceeds may be invested temporarily in short-term marketable securities or applied to repay short-term debt until they are used for their stated purpose.

Unless otherwise set forth in a prospectus supplement, we will not receive any proceeds from any sale of our common stock by a selling stockholder.

DESCRIPTION OF COMMON STOCK

The following is a description of the material terms of our third amended and restated certificate of incorporation (the “Certificate of Incorporation”) and second amended and restated bylaws (the “Bylaws”) as they are in effect as of May 18, 2015. This description may not contain all of the information that is important to you. To understand them fully, you should read our Certificate of Incorporation and Bylaws, copies of which are filed as exhibits to the registration statement of which this prospectus forms part, as well as the relevant portions of the Delaware General Corporation Law, as amended (“DGCL”).

For purposes of calculating the Principal Stockholders’ share ownership thresholds described under “—Anti-Takeover Effects of Provisions of Our Certificate of Incorporation and Our Bylaws,” the shares of common stock owned by Sovereign Co-Invest will be deemed to be owned by the Principal Stockholders for purposes of such calculations so long as these shares are owned directly by Sovereign Co-Invest or the managing member of Sovereign Co-Invest has been granted a proxy for purposes of voting such shares.

Common Stock

General. Our Certificate of Incorporation authorizes the issuance of up to 1 billion shares of common stock, par value \$0.01. On April 30, 2015, there were 271,555,117 shares of common stock outstanding. None of our outstanding common stock has been designated as non-voting.

Voting Rights. Holders of common stock are entitled to one vote for each share held on all matters submitted to a vote of stockholders and do not have cumulative voting rights. Accordingly, holders of a majority of the shares of common stock entitled to vote in any election of directors may elect all of the directors standing for election. Except for the election of directors, if a quorum is present, an action on a matter is approved if the votes cast favoring the action or matter exceed the votes cast against the action or matter, unless the vote of a greater number is required by applicable law, the DGCL, our Certificate of Incorporation or our Bylaws. The election of directors will be determined by a plurality of the votes cast in respect of the shares present in person or represented by proxy at the meeting and entitled to vote, meaning that the nominees with the greatest number of votes cast, even if less than a majority, will be elected. The rights, preferences and privileges of holders of common stock are subject to, and may be impacted by, the rights of the holders of shares of any series of preferred stock that we may designate and issue in the future.

Dividends. Holders of our common stock are entitled to receive ratably those dividends, if any, as may be declared by the board of directors out of legally available funds.

Liquidation, Dissolution, and Winding Up. Upon our liquidation, dissolution or winding up, the holders of our common stock will be entitled to share ratably in the net assets legally available for distribution to stockholders after the payment of all of our debts and other liabilities.

Preemptive Rights. Holders of our common stock have no preemptive or conversion rights or other subscription rights, and there are no redemption or sinking funds provisions applicable to our common stock.

Assessment. All outstanding shares of our common stock are fully paid and nonassessable.

Preferred Stock

Our Certificate of Incorporation authorizes the issuance of up to 225 million shares of preferred stock. Under our Certificate of Incorporation, our board of directors may issue additional shares of preferred stock, without stockholder approval, in such series and with such designations, preferences, conversion or other rights, powers, including voting powers, and qualifications, limitations or restrictions thereof, as the board of directors deems appropriate. The board of directors could, without stockholder approval, issue shares of preferred stock

[Table of Contents](#)

with voting, conversion and other rights that could adversely affect the voting power and impact other rights of the holders of the common stock. Our board of directors may issue shares of preferred stock as an anti-takeover measure without any further action by the holders of common stock. This may have the effect of delaying, deferring or preventing a change of control of our company by increasing the number of shares necessary to gain control of the company. There are no shares of preferred stock outstanding as of May 18, 2015.

Anti-Takeover Effects of Provisions of Our Certificate of Incorporation and Our Bylaws

Our Certificate of Incorporation and our Bylaws contain provisions that may delay, defer or discourage another party from acquiring control of us. We expect that these provisions will discourage coercive takeover practices or inadequate takeover bids. These provisions are also designed to encourage persons seeking to acquire control of us to first negotiate with the board of directors, which we believe may result in an improvement of the terms of any such acquisition in favor of our stockholders. However, they may also discourage acquisitions that some stockholders may favor. These provisions include:

Classified Board. Our Certificate of Incorporation provides that our board of directors is divided into three classes of directors, with the classes as nearly equal in number as possible. As a result, approximately one-third of our board of directors is elected each year. The classification of directors has the effect of making it more difficult for stockholders to change the composition of our board. Our Certificate of Incorporation also provides that, subject to any rights of holders of preferred stock to elect additional directors under specified circumstances, the number of directors is fixed exclusively pursuant to a resolution adopted by the board of directors, provided that, the board of directors shall consist of not fewer than five directors, nor more than eleven directors; provided, however, prior to the time when the Principal Stockholders beneficially own, collectively, less than 40% of the outstanding shares of our common stock, the board of directors shall not consist of more than nine directors. Our board of directors is currently comprised of eight directors.

Authorized but Unissued or Undesignated Capital Stock. Our authorized capital stock consists of 1 billion shares of common stock and 225 million shares of preferred stock. A large quantity of authorized but unissued shares may deter potential takeover attempts because of the ability of our board of directors to authorize the issuance of some or all of these shares to a friendly party, or to the public, which would make it more difficult for a potential acquirer to obtain control of us. This possibility may encourage persons seeking to acquire control of us to negotiate first with our board of directors. The authorized but unissued stock may be issued by the board of directors in one or more transactions. In this regard, our Certificate of Incorporation grants the board of directors broad power to establish the rights and preferences of authorized and unissued preferred stock. The issuance of shares of preferred stock pursuant to the board of directors' authority described above could decrease the amount of earnings and assets available for distribution to holders of common stock and adversely affect the rights and powers, including voting rights, of such holders and may have the effect of delaying, deferring or preventing a change of control. The preferred stock could also be used in connection with the issuance of a shareholder rights plan, sometimes referred to as a "poison pill." Our board of directors is able to implement a shareholder rights plan without further action by our stockholders. The board of directors does not intend to seek stockholder approval prior to any issuance of preferred stock, unless otherwise required by law.

Action by Written Consent. Our Certificate of Incorporation provides that stockholder action can be taken only at an annual meeting or special meeting of stockholders and cannot be taken by written consent in lieu of a meeting once the Principal Stockholders cease to beneficially own, collectively, more than 40% of the outstanding shares of our common stock.

Special Meetings of Stockholders. Our Certificate of Incorporation provides that special meetings of our stockholders may be called only by our board of directors or the chairman of the board of directors; provided, however, at any time when the Principal Stockholders beneficially own, collectively, at least 40% of the outstanding shares of our common stock, special meetings of our stockholders may also be called by the board of directors, the chairman of the board of directors or the board of directors or the chairman of the board at the

[Table of Contents](#)

request of either the Silver Lake Funds or the TPG Funds. Our Bylaws prohibit the conduct of any business at a special meeting other than as specified in the notice for such meeting.

Advance Notice Procedures. Our Bylaws establish advance notice procedures with respect to stockholder proposals and the nomination of candidates for election as directors, other than nominations made by or at the direction of the board of directors. In order for any matter to be “properly brought” before a meeting, a stockholder will have to comply with advance notice requirements and provide us with certain information. Generally, to be timely, a stockholder’s notice must be received at our principal executive offices not earlier than the opening of business 120 days prior, and not later than the close of business 90 days before, the first anniversary date of the immediately preceding annual meeting of stockholders. Our Bylaws also specify requirements as to the form and content of a stockholder’s notice. Under our Bylaws, the board of directors may adopt by resolution the rules and regulations for the conduct of meetings. These advance notice provisions do not apply to the Silver Lake Funds or the TPG Funds so long as the Stockholders’ Agreement remains in effect. Except to the extent inconsistent with such rules and regulations adopted by the board of directors, the chairman of the meeting of stockholders shall have the right to adopt rules and regulations for the conduct of meetings, which may have the effect of precluding the conduct of certain business at a meeting if the rules and regulations are not followed. These provisions may also defer, delay or discourage a potential acquirer from conducting a solicitation of proxies to elect the acquirer’s own slate of directors or otherwise attempting to influence or obtain control of us.

Super Majority Approval Requirements. Our Certificate of Incorporation and Bylaws provide that the board of directors is expressly authorized to adopt, make, alter, amend or repeal our Bylaws without a stockholder vote in any matter not inconsistent with the laws of the State of Delaware. For as long as the Principal Stockholders beneficially own, collectively, at least 40% of the outstanding shares of our common stock, any adoption, alteration, amendment or repeal of our Bylaws by our stockholders requires the affirmative vote of the holders of a majority of the voting power of our outstanding common stock. At any time when the Principal Stockholders beneficially own, collectively, less than 40% of the outstanding shares of our common stock, any adoption, alteration, amendment, or repeal of our Bylaws by our stockholders requires the affirmative vote of holders of at least 75% of the voting power of our outstanding common stock.

The DGCL provides generally that the affirmative vote of a majority of the outstanding shares then entitled to vote is required to amend a corporation’s certificate of incorporation, unless the certificate of incorporation requires a greater percentage. Our Certificate of Incorporation provides that at any time when the Principal Stockholders beneficially own, collectively, less than 40% of the outstanding shares of our common stock, certain specified provisions in our Certificate of Incorporation, including those relating to actions by written consent of stockholders, calling of special meetings by stockholders, a classified board, the requirements for the number and removal of directors and amendment of the Certificate of Incorporation and Bylaws, may be amended only by a vote of at least 75% of the voting power of our outstanding common stock.

The combination of the classification of our board of directors, the lack of cumulative voting and the supermajority voting requirements make it more difficult for our existing stockholders to replace our board of directors as well as for another party to obtain control of us by replacing our board of directors. Because our board of directors has the power to retain and discharge our officers, these provisions could also make it more difficult for existing stockholders or another party to effect a change in management.

These provisions may have the effect of deterring hostile takeovers or delaying or preventing changes in control of our management or of us, such as a merger, reorganization or tender offer. These provisions are intended to enhance the likelihood of continued stability in the composition of our board of directors and its policies and to discourage certain types of transactions that may involve an actual or threatened acquisition of us. These provisions are designed to reduce our vulnerability to an unsolicited acquisition proposal. The provisions are also intended to discourage certain tactics that may be used in proxy fights. However, such provisions could

[Table of Contents](#)

have the effect of discouraging others from making tender offers for our shares and, as a consequence, they may also inhibit fluctuations in the market price of our shares of common stock that could result from actual or rumored takeover attempts.

Removal of Directors. Until the point in time at which the Principal Stockholders no longer beneficially own shares representing, collectively, at least 40% of the outstanding shares of our common stock, any director may be removed from office at any time, with or without cause, by holders of a majority of the voting power of our outstanding common stock. Our Certificate of Incorporation provides that, after the point in time at which the Principal Stockholders no longer beneficially own shares representing, collectively, at least 40% of the outstanding shares of our common stock, our directors may be removed only for cause by the affirmative vote of at least 75% of the voting power of our outstanding common stock. This requirement of a supermajority vote to remove directors could enable a minority of our stockholders to prevent a change in the composition of our board.

Business Combinations with Interested Stockholders

Pursuant to our Certificate of Incorporation, we have opted out of the provisions of Section 203 of the DGCL, which regulates business combinations with “interested stockholders,” but only until the first date on which each of the Principal Stockholders and their affiliates no longer meets the requirements to be an “interested stockholder” as defined by Section 203 of the DGCL, but excluding for purposes thereof, clause (ii) of such definition of “interested stockholder.”

Corporate Opportunities

Our Certificate of Incorporation provides that we renounce, to the fullest extent permitted by applicable law, any interest or expectancy in the business opportunities of our Principal Stockholders and their affiliates. In addition our Certificate of Incorporation provides that the Principal Stockholders have no obligation to offer us or even communicate to us an opportunity to participate in business opportunities presented to such Principal Stockholder or its respective affiliates even if the opportunity is one that we might reasonably have pursued (and therefore may be free to compete with us in the same business or similar businesses of which we or our affiliates now engage or propose to engage) and that, to the fullest extent permitted by applicable law, neither the Principal Stockholders nor their respective affiliates will be liable to us or our stockholders for breach of any duty by reason of any such activities described immediately above. Stockholders are deemed to have notice of and consented to this provision of our Certificate of Incorporation.

Limitation of Liability and Indemnification of Officers and Directors

Our Certificate of Incorporation provides that no director shall be personally liable to us or any of our stockholders for monetary damages for breach of fiduciary duty as a director, except to the extent such exemption from liability or limitation thereof is not permitted under the DGCL. Our Bylaws provide that we will indemnify, to the fullest extent permitted by the DGCL, any person made or threatened to be made a party to any action or is involved in a proceeding by reason of the fact that the person is or was our director or officer, or our director or officer who, while a director or officer, is or was serving at the request of Sabre as a director, officer, employee, agent or manager of another corporation, partnership, limited liability company, joint venture, trust or other enterprise or non-profit entity, including service with respect to an employee benefit plan. Our Bylaws also provide that, subject to applicable law, we may, by action of our board of directors, grant rights to indemnification and advancement of expenses to persons other than our directors and officers with such scope and effect as the board of directors may then determine. We have entered into customary indemnification agreements with each of our directors that provide them, in general, with customary indemnification in connection with their service to us or on our behalf.

[Table of Contents](#)

Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the SEC such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.

Choice of Forum

Our Certificate of Incorporation provides that unless we consent to the selection of an alternate forum, the Court of Chancery of the State of Delaware is the sole and exclusive forum for any derivative action or proceeding brought on our behalf; any action asserting a breach of fiduciary duty; any action asserting a claim against us arising pursuant to the DGCL, our Certificate of Incorporation or Bylaws; or any action asserting a claim against us that is governed by the internal affairs doctrine. Any person or entity purchasing or otherwise acquiring any interest in our shares of common stock shall be deemed to have notice of and consented to the forum provisions in our Certificate of Incorporation.

Transfer Agent and Registrar

American Stock Transfer & Trust Company, LLC is the transfer agent and registrar for our common stock.

Stockholders' Agreement

We are a party to a Stockholders' Agreement (as amended and restated, the "Stockholders' Agreement") with the Silver Lake Funds, the TPG Funds and Sovereign Co-Invest. The Stockholders' Agreement provides that the Silver Lake Funds and the TPG Funds will have certain nomination rights to designate candidates for nomination to our board of directors and, subject to any restrictions under applicable law or the NASDAQ rules, the ability to appoint members to each board committee.

As set forth in the Stockholders' Agreement, for so long as the Silver Lake Funds collectively own at least 22 million shares of our common stock, they will be entitled to designate for nomination two of the seats on our board of directors. Thereafter, the Silver Lake Funds will be entitled to designate for nomination one director so long as they own at least 7 million shares of our common stock. Further, for so long as the TPG Funds collectively own at least 44 million shares of our common stock, they will be entitled to designate for nomination three of the seats on our board of directors. When the TPG Funds collectively own less than 44 million shares of our common stock, but at least 22 million shares of our common stock, the TPG Funds will be entitled to designate for nomination two directors. Thereafter, the TPG Funds will be entitled to designate for nomination one director so long as they own at least 7 million shares of our common stock.

In addition, the Silver Lake Funds and the TPG Funds also jointly have the right to designate for nomination one additional director (the "Joint Designee"), who must qualify as independent under the NASDAQ rules and must meet the independence requirements of Rule 10A-3 of the Exchange Act, so long as the Silver Lake Funds and the TPG Funds collectively own at least 10% of their collective shares of our common stock held by them at the closing of our initial public offering (the "Closing Date Shares"). However, if the Silver Lake Funds and the TPG Funds collectively own at least 10% of their collective Closing Date Shares and either individually owns less than 5% of its individual Closing Date Shares, then the Joint Designee shall be designated for nomination solely by the entity that owns more than 5% of its individual Closing Date Shares.

We are required, to the extent permitted by applicable law, to take all necessary action (as defined in the Stockholders' Agreement) to cause the board of directors and the governance and nominating committee to include such persons designated by the Silver Lake Funds or the TPG Funds, as applicable, in the slate of director nominees recommended by the board of directors for election by the stockholders and solicit proxies and consents in favor of such director nominees. Subject to the terms of the Stockholders' Agreement, each Principal Stockholder agrees to vote its shares in favor of the election of the director nominees designated by the Silver Lake Funds and the TPG Funds.

In accordance with the Stockholders' Agreement, the TPG Funds have appointed Mr. Bravante, Mr. Kusin and Mr. Peterson to our board of directors and the Silver Lake Funds have appointed Mr. Mondre and Mr. Osnoss to our board of directors.

In addition, the Stockholders' Agreement contains agreements among the parties, including with respect to transfer restrictions, tag-along rights, drag-along rights and rights of first refusal. The Stockholders' Agreement also provides that, so long as the Silver Lake Funds and the TPG Funds collectively own at least 40% of their collective Closing Date Shares, approval of at least a majority of the board of directors, including at least one director nominated for designation by the Silver Lake Funds and one director nominated by the TPG Funds must be obtained before we are permitted to take any of the following actions:

- any merger, consolidation or sale of all or substantially all of the assets of Sabre or any of its subsidiaries;
- any voluntary liquidation, winding up or dissolution of Sabre or any of its subsidiaries or the initiation of any actions related to a voluntary bankruptcy, reorganization or recapitalization of Sabre or any of its subsidiaries;
- acquisitions or dispositions, or a related series of acquisitions or dispositions, of assets with a value in excess of \$50 million or the entering into of a joint venture requiring a capital contribution in excess of \$50 million by either Sabre or any of its subsidiaries;
- any fundamental change in Sabre's or its subsidiaries' existing lines of business or the entry by Sabre or any of its subsidiaries into a new significant line of business;
- any amendment to the Certificate of Incorporation or Bylaws of Sabre or Sabre Holdings;
- incurrence by Sabre or any of its subsidiaries of any indebtedness or derivatives liability, or any series of indebtedness or derivative liabilities in an aggregate amount in excess of \$150 million or amending in any material respect the terms of existing or future indebtedness or derivatives liability in excess of \$150 million; and
- hiring and termination of our CEO.

In the case of a vacancy on our board of directors created by the removal or resignation of a director designated by the Silver Lake Funds or the TPG Funds, as applicable, the Stockholders' Agreement requires us to nominate an individual designated by such entity for election to fill the vacancy.

Registration Rights

On March 30, 2007, we entered into a registration rights agreement (the "Registration Rights Agreement") with the TPG Funds, the Silver Lake Funds and Sovereign Co-Invest, which was amended and restated in connection with the completion of our initial public offering in April 2014. This Registration Rights Agreement provides the Silver Lake Funds and the TPG Funds with demand and shelf registration rights following the expiration of any lock-up period relating to the initial public offering and Sovereign Co-Invest with the right to participate in such demand and shelf registrations. In addition, the Registration Rights Agreement also provides the Principal Stockholders with piggyback registration rights on any registration statement, other than on

[Table of Contents](#)

Forms S-4, S-8 or any other successor form, to be filed by us. These registration rights are subject to certain conditions and limitations, including the right of the underwriters to limit the number of shares to be included in a registration statement and our right to delay a registration statement under certain circumstances.

Under the Registration Rights Agreement, we have agreed to pay certain expenses related to any such registration to indemnify the Principal Stockholders against certain liabilities that may arise under the Securities Act.

Management Services Agreement

On March 30, 2007, we entered into a management services agreement (the “MSA”) with affiliates of TPG and Silver Lake (the “Managers”) to provide us with management, advisory and consulting services. Pursuant to the MSA, we have been required to pay to the Managers monitoring fees, payable quarterly in arrears, totaling to between \$5 million to \$7 million per year, the actual amount of which is calculated based upon 1% of Adjusted EBITDA, as defined in the MSA, earned by Sabre in such fiscal year up to a maximum of \$7 million. During the years ended December 31, 2014, 2013 and 2012, the annual monitoring fee paid to the Managers was \$2 million, \$7 million and \$7 million, respectively, in each year. Additionally, we reimbursed the Managers for all out-of-pocket expenses incurred by them or their affiliates in connection with services provided to us pursuant to the MSA. For the year ended December 31, 2014 these amounts were not material. For the years ended December 31, 2013 and 2012 the amount reimbursed in expenses was \$2 million and \$1 million, respectively. In connection with the completion our initial public offering in April 2014 and in contemplation of providing continued services to Sabre after the initial public offering, the Managers received a fee payable pursuant to the MSA in an amount equal to, in the aggregate, \$21 million plus other unpaid fees and expenses and, thereafter, the MSA was terminated. The MSA included customary exculpation and indemnification provisions in favor of the affiliates of TPG and Silver Lake.

Management Stockholders’ Agreement

We and certain stockholders, including certain executive officers and directors, have entered into a management stockholders agreement (the “Management Stockholders’ Agreement”) with certain stockholders, which group of stockholders excludes our Principal Stockholders. The Management Stockholders’ Agreement contains certain agreements among the parties including with respect to call rights in certain specified situations for shares of common stock then-currently owned, drag along rights, tag along rights and transfer restrictions. The Management Stockholders’ Agreement provides these stockholders with piggyback registration rights to participate on a pro rata basis in any registered offering in which the TPG Funds or the Silver Lake Funds are registering shares of common stock. Except with respect to the piggyback registration rights described immediately prior, the Management Stockholders’ Agreement terminates if our common stock is registered and if at least 20% of our total outstanding common stock trades regularly in, on or through the facilities of a securities exchange and/or inter-dealer quotation system or any designated offshore securities market. These conditions have been met.

Exchange

Our common stock is listed on the NASDAQ under the symbol “SABR.”

PLAN OF DISTRIBUTION

We or the selling stockholders may offer and sell from time to time, together or separately, shares of our common stock covered by this prospectus in one or more or any combination of the following transactions:

- on the NASDAQ, in the over-the-counter market or on any other national securities exchange on which our shares are listed or traded;
- in privately negotiated transactions;
- in underwritten transactions;
- in a block trade in which a broker-dealer will attempt to sell the offered shares as agent but may position and resell a portion of the block as principal to facilitate the transaction;
- through purchases by a broker-dealer as principal and resale by the broker-dealer for its account pursuant to this prospectus; and
- through any other method permitted by applicable law.

We or the selling stockholders may sell our common stock at prices then prevailing or related to the then current market price or at negotiated prices. The offering price of our common stock from time to time will be determined by us or the selling stockholders, as applicable, and, at the time of the determination, may be higher or lower than the market price of our common stock on the NASDAQ or any other exchange or market.

Our common stock may be offered to the public, from time to time, through broker-dealers acting as agent or principal, including through underwriting syndicates represented by one or more managing underwriters or directly by one or more of such firms in one or more transactions, including negotiated transactions, at a fixed public offering price or at varying prices determined at the time of sale. The obligations of the underwriters to purchase the shares of common stock will be subject to the conditions set forth in the applicable underwriting agreement. Any public offering price and any discounts or concessions allowed or reallocated or paid by underwriters or dealers to other dealers may be changed from time to time. The underwriters will be obligated to purchase all of the offered shares if they purchase any of the offered shares.

In connection with an underwritten offering, underwriters or agents may receive compensation in the form of discounts, concessions or commissions from us or the selling stockholders, as applicable, or from purchasers of the offered shares for whom they may act as agents. In addition, underwriters may sell our common stock to or through dealers, and those dealers may receive compensation in the form of discounts, concessions or commissions from the underwriters and/or commissions from the purchasers for whom they may act as agents. The selling stockholders and any underwriters, dealers or agents participating in a distribution of our common stock may be deemed to be “underwriters” within the meaning of the Securities Act, and any profit on the sale of the shares by the selling stockholders and any commissions received by broker-dealers may be deemed to be underwriting commissions under the Securities Act.

We and the selling stockholders each may agree to indemnify an underwriter, broker-dealer or agent against certain liabilities related to the selling of our common stock, including liabilities arising under the Securities Act.

At any time a particular offer of shares of common stock covered by this prospectus is made, a revised prospectus or prospectus supplement, if required, will set forth the aggregate amount of shares of common stock covered by this prospectus being offered and the terms of the offering, including the name or names of any underwriters, dealers, brokers or agents. In addition, to the extent required, any discounts, commissions, concessions and other items constituting underwriters’ or agents’ compensation, as well as any discounts, commissions or concessions allowed or reallocated or paid to dealers, will be set forth in such revised prospectus or prospectus supplement. Any such required prospectus or prospectus supplement, and, if necessary, a post-

[Table of Contents](#)

effective amendment to the registration statement of which this prospectus is a part, will be filed with the SEC to reflect the disclosure of additional information with respect to the distribution of our common stock covered by this prospectus.

To facilitate the offering of shares covered by this prospectus, certain persons participating in the offering may engage in transactions that stabilize, maintain or otherwise affect the price of our common stock. This may include over-allotments or short sales of our common stock, which involve the sale by persons participating in the offering of more common stock than we or the selling stockholders sold to them. In these circumstances, these persons would cover such over-allotments or short positions by making purchases in the open market or by exercising their over-allotment option, if any. In addition, these persons may stabilize or maintain the price of our common stock by bidding for or purchasing our common stock in the open market or by imposing penalty bids, whereby selling concessions allowed to dealers participating in the offering may be reclaimed if our common stock sold by them is repurchased in connection with stabilization transactions. The effect of these transactions may be to stabilize or maintain the market price of our common stock at a level above that which might otherwise prevail in the open market. These transactions may be discontinued at any time.

The specific terms of any lock-up provisions in respect of any given offering will be described in the applicable prospectus supplement.

In the ordinary course of their business activities, any underwriter, broker-dealer or agent and their respective affiliates may make or hold a broad array of investments and actively trade debt and equity securities (or related derivative securities) and financial instruments (including bank loans) for their own account and for the accounts of their customers and may at any time hold long and short positions in such securities and instruments. Such investment and securities activities may involve our securities and other instruments. Any underwriter, broker-dealer or agent and their respective affiliates may also engage in transactions with or perform services for us or provide other types of financing to us in the ordinary course of their business.

To the extent required, this prospectus may be amended and/or supplemented from time to time to describe a specific plan of distribution.

To comply with applicable state securities laws, our common stock covered by this prospectus will be sold, if necessary, in such jurisdictions only through registered or licensed brokers or dealers. In addition, our common stock may not be sold in some states absent registration or pursuant to an exemption from applicable state securities laws.

Item 15. Indemnification of Directors and Officers.

Section 102 of the DGCL allows a corporation to eliminate or limit the personal liability of directors to a corporation or its stockholders for monetary damages for breach of fiduciary duty as a director, except where the director breached his duty of loyalty, failed to act in good faith, engaged in intentional misconduct or knowingly violated a law, authorized the payment of a dividend or approved a stock repurchase or redemption in violation of Delaware corporate law or engaged in a transaction from which the director obtained an improper personal benefit.

Section 145 of the DGCL provides, among other things, that a corporation may indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding (other than an action by or in the right of the corporation) by reason of the fact that the person is or was a director, officer, employee or agent of the corporation, or is or was serving at the corporation's request as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise, against expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred by the person in connection with the action, suit or proceeding. The power to indemnify applies if (i) such person acted in good faith and in a manner he or she reasonably believed to be in or not opposed to the best interests of the corporation, and with respect to any criminal action or proceeding, had no reasonable cause to believe his conduct was unlawful or, (ii) to the extent that such person is a present or former director or officer of a corporation, such person is successful on the merits or otherwise in defense of any action, suit or proceeding. The power to indemnify applies to actions brought by or in the right of the corporation as well, but only to the extent of defense expenses (including attorneys' fees but excluding amounts paid in settlement) actually and reasonably incurred and not to any satisfaction of judgment or settlement of the claim itself, and with the further limitation that in such actions no indemnification shall be made in the event such person is adjusted to be liable to the corporation, unless a court determines that in light of all the circumstances indemnification should apply.

Section 174 of the DGCL provides, among other things, that a director who willfully and negligently approves of an unlawful payment of dividends or an unlawful stock purchase or redemption may be held liable for such actions to the full amount of the dividend unlawfully paid or the purchase or redemption of the

[Table of Contents](#)

corporation's stock, with interest from the time such liability accrued. A director who was either absent when the unlawful actions were approved or dissented at the time may avoid liability by causing his or her dissent to such actions to be entered on the books containing the minutes of the meetings of the board of directors at the time the action occurred or immediately after the absent director receives notice of the unlawful acts.

Our Certificate of Incorporation provides that no director shall be personally liable to us or any of our stockholders for monetary damages for breach of fiduciary duty as a director, except to the extent such exemption from liability or limitation thereof is not permitted under the DGCL.

Our Bylaws provide that we will indemnify, to the fullest extent permitted by the DGCL, any person made or threatened to be made a party to any action or is involved in a proceeding by reason of the fact that the person is or was our director or officer, or our director or officer who, while a director or officer, is or was serving at the request of Sabre as a director, officer, employee, agent or manager of another corporation, partnership, limited liability company, joint venture, trust or other enterprise or non-profit entity, including service with respect to an employee benefit plan. Expenses incurred by a director or officer in defending against such legal proceedings are payable before the final disposition of the action, provided that the director or officer undertakes to repay us if it is later determined that he or she is not entitled to indemnification. Our Bylaws also provide that, subject to applicable law, we may, by action of our board of directors, grant rights to indemnification and advancement of expenses to persons other than our directors and officers with such scope and effect as the board of directors may then determine.

We have entered into customary indemnification agreements with each of our directors that provide them, in general, with customary indemnification in connection with their service to us or on our behalf.

Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers or persons controlling us pursuant to the foregoing provisions, we have been informed that, in the opinion of the SEC, such indemnification is against public policy as expressed in the Securities Act and is therefore unenforceable.

We maintain standard policies of insurance under which coverage is provided (a) to our directors and officers against loss rising from claims made by reason of breach of duty or other wrongful act, and (b) to us with respect to payments which we may make to such officers and directors pursuant to the above indemnification provision or otherwise as a matter of law for a privately held company.

The form of underwriting agreement to be filed by post-effective amendment or pursuant to a Current Report on Form 8-K and incorporated herein by reference as Exhibit 1.1 and the form of underwriting agreement to be filed by post-effective amendment or pursuant to a Current Report on Form 8-K and incorporated herein by reference as Exhibit 1.2 to this registration statement, may provide for indemnification, under certain circumstances, by the underwriters of us and our officers and directors for certain liabilities arising under the Securities Act or otherwise.

Item 16. Exhibits.

See the "Exhibit Index," which follows the signature page to this registration statement and is herein incorporated by reference.

Item 17. Undertakings.

(a) The undersigned registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act;

Table of Contents

(ii) To reflect in the prospectus any facts or events arising after the effective date of this registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in this registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the SEC pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than 20% change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective registration statement; and

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;

provided, however, that paragraphs (a)(1)(i), (a)(1)(ii) and (a)(1)(iii) do not apply if the registration statement is on Form S-3 and the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the Commission by the registrant pursuant to section 13 or section 15(d) of the Exchange Act that are incorporated by reference in the registration statement, or is contained in a form of prospectus filed pursuant to Rule 424(b) that is part of the registration statement.

(2) That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(4) That, for the purpose of determining liability under the Securities Act to any purchaser:

(i) Each prospectus filed by the registrant pursuant to Rule 424(b)(3) shall be deemed to be part of the registration statement as of the date the filed prospectus was deemed part of and included in the registration statement; and

(ii) Each prospectus required to be filed pursuant to Rule 424(b)(2), (b)(5) or (b)(7) as part of the registration statement in reliance on Rule 430B relating to an offering made pursuant to Rule 415(a)(1)(i), (vii) or (x) for the purpose of providing the information required by Section 10(a) of the Securities Act shall be deemed to be part of and included in the registration statement as of the earlier of the date such form of prospectus is first used after effectiveness or the date of the first contract of sale of securities in the offering described in the prospectus. As provided in Rule 430B, for liability purposes of the issuer and any person that is at that date an underwriter, such date shall be deemed to be a new effective date of the registration statement relating to the securities in the registration statement to which the *prospectus* relates, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof. *Provided, however*, that no statement made in a registration statement or prospectus that is part of the registration statement or made in a document incorporated or deemed incorporated by reference into the registration statement or prospectus that is part of the registration statement will, as to a purchaser with a time of contract of sale prior to such effective date, supersede or modify any statement that was made in the registration statement or prospectus that was part of the registration statement or made in any such document immediately prior to such effective date.

(5) That, for the purpose of determining liability of the registrant under the Securities Act to any purchaser in the initial distribution of the securities, the undersigned registrant undertakes that in a primary offering of securities of the undersigned registrant pursuant to this registration statement, regardless of the underwriting method used to sell the securities to the purchaser, if the securities are offered or sold to such

Table of Contents

purchaser by means of any of the following communications, the undersigned registrant will be a seller to the purchaser and will be considered to offer or sell such securities to such purchaser:

- (i) Any preliminary prospectus or prospectus of the undersigned registrant relating to the offering required to be filed pursuant to Rule 424;
- (ii) Any free writing prospectus relating to the offering prepared by or on behalf of the undersigned registrant or used or referred to by the undersigned registrant;
- (iii) The portion of any other free writing prospectus relating to the offering containing material information about the undersigned registrant or its securities provided by or on behalf of the undersigned registrant; and
- (iv) Any other communication that is an offer in the offering made by the undersigned registrant to the purchaser.

(b) The undersigned registrant hereby undertakes that, for purposes of determining any liability under the Securities Act, each filing of the registrant's annual report pursuant to Section 13(a) or 15(d) of the Exchange Act (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Exchange Act) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

(c) Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the SEC such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.
