Within the limits of each Lender's Revolving Credit Commitments, and subject to the other terms and conditions hereof, the Borrower may borrow under this Section 2.01(b), prepay under Section 2.05, and reborrow under this Section 2.01(b). Subject to Section 2.02(c), Revolving Credit Loans may be Base Rate Loans or Eurocurrency Rate Loans, as further provided herein; *provided* that Revolving Credit Loans denominated in Alternative Currency must be Eurocurrency Rate Loans.

SECTION 2.02 Borrowings, Conversions and Continuations of Loans.

(a) Each Term Borrowing, each Revolving Credit Borrowing (other than Swing Line Borrowings with respect to which this Section 2.02 shall not apply) each conversion of Loans of a given Class from one Type to the other, and each continuation of Eurocurrency Rate Loans shall be made upon the Borrower's irrevocable notice to the Administrative Agent, which may be given by telephone. Each such notice must be received by the Administrative Agent not later than 1:00 p.m. (New York time) (i) three (3) Business Days prior to the requested date of any Borrowing or continuation of Eurocurrency Rate Loans or any conversion of Base

Rate Loans to Eurocurrency Rate Loans, in each case, denominated in Dollars, Sterling, Euros and Canadian Dollars, (ii) four (4) Business Days prior to the requested date of any Borrowing or continuation of Eurocurrency Rate Loans or any conversion of Base Rate Loans to Eurocurrency Rate Loans, in each case, denominated in Australian Dollars and Yen, and (iii) one (1) Business Day before the requested date of any Borrowing of Base Rate Loans; *provided* that such notice may be delivered not later than 9:00 a.m. (New York time) on the Closing Date in the case of the initial Credit Extensions. Each telephonic notice by the Borrower pursuant to this Section 2.02(a) must be confirmed promptly by delivery to the Administrative Agent of a written Committed Loan Notice, appropriately completed and signed by a Responsible Officer of the Borrower. Each Borrowing of, conversion to or continuation of Eurocurrency Rate Loans shall be in a principal Dollar Amount of \$2,500,000 or a whole multiple of the Dollar Amount of \$500,000 in excess thereof in the case of Term Loans or Revolving Credit Loans. Except as provided in Sections 2.03(c) and 2.04(c), each Borrowing of or conversion to Base Rate Loans shall be in a principal amount of \$500,000 or a whole multiple of \$100,000 in excess thereof. Each Committed Loan Notice (whether telephonic or written) shall specify:

- (i) the Class of the Borrowing requested and whether the Borrower is requesting the making of new Loans of the respective Class, a conversion of Loans (of a given Class) from one Type to the other, or a continuation of Eurocurrency Rate Loans,

- (iii) the principal amount of Loans to be borrowed, converted or continued,
- (iv) the currency in which the Loans to be borrowed are to be denominated,
- (v) the Type of Loans to be borrowed or to which existing Loans are to be converted, and
- (vi) if applicable, the duration of the Interest Period with respect thereto.

If, with respect to Loans denominated in Dollars, the Borrower fails to specify a Type of Loan in a Committed Loan Notice or fails to give a timely notice requesting a conversion or continuation, then the applicable Loans shall be made as, or converted to, Base Rate Loans. Any such automatic conversion to Base Rate Loans shall be effective as of the last day of the Interest Period then in effect with respect to the applicable Eurocurrency Rate Loans. If the Borrower requests a Borrowing of, conversion to, or continuation of Eurocurrency Rate Loans in any such Committed Loan Notice, but fails to specify an Interest Period (or fails to give a timely notice requesting a continuation of Eurocurrency Rate Loans denominated in an Alternative Currency), it will be deemed to have specified an Interest Period of one month. If no currency is specified, the requested Borrowing shall be in Dollars.

(b) Following receipt of a Committed Loan Notice, the Administrative Agent shall promptly notify each Lender of the amount of its Pro Rata Share of the applicable Class of Loans, and if no timely notice of a conversion or continuation is provided by the Borrower, the Administrative Agent shall notify each Lender of the details of any automatic conversion to Base

Rate Loans or continuation described in Section 2.02(a). In the case of each Borrowing, each Appropriate Lender shall make the amount of its Loan available to the Administrative Agent in Same Day Funds at the Administrative Agent's Office for the applicable currency not later than 1:00 p.m., in the case of any Loan denominated in Dollars, and not later than 1:00 p.m. (London time) in the case of any Loan denominated in an Alternative Currency, in each case on the Business Day specified in the applicable Committed Loan Notice. Upon satisfaction of the applicable conditions set forth in Section 4.02 (and if such Borrowing is the initial Credit Extension, Section 4.01), the Administrative Agent shall make all funds so received available to the Borrower in like funds as received by the Administrative Agent either by (i) crediting the account of the Borrower on the books of the Administrative Agent with the amount of such funds or (ii) wire transfer of such funds, in each case in accordance with instructions provided to (and reasonably acceptable to) the Administrative Agent by the Borrower; *provided* that if, on the date the Committed Loan Notice with respect to such Borrowing is given by the Borrower, there are Swing Line Loans or L/C Borrowings outstanding, then the proceeds of such Borrowing shall be applied, first, to the payment in full of any such L/C Borrowings, second, to the payment in full of any such Swing Line Loans, and third, to the Borrower as provided above.

(c) Except as otherwise provided herein, a Eurocurrency Rate Loan may be continued or converted only on the last day of an Interest Period for such Eurocurrency Rate Loan unless the Borrower pays the amount due, if any, under Section 3.05 in connection therewith. During the existence of an Event of Default, the Administrative Agent or the Required Lenders may require that no Loans may be converted to or continued as Eurocurrency Rate Loans.

(d) The Administrative Agent shall promptly notify the Borrower and the Lenders of the interest rate applicable to any Interest Period for Eurocurrency Rate Loans upon determination of such interest rate. The determination of the Eurocurrency Rate by the Administrative Agent shall be conclusive in the absence of manifest error. At any time that Base Rate Loans are outstanding, the Administrative Agent shall notify the Borrower and the Lenders of any change in the Administrative Agent's prime rate used in determining the Base Rate promptly following the public announcement of such change.

(e) After giving effect to all Borrowings, all conversions of Loans of a given Class from one Type to the other, and all continuations of Loans of a given Class as the same Type, there shall not be more than fifteen (15) Interest Periods in effect unless otherwise agreed between the Borrower and the Administrative Agent; *provided* that after the establishment of any new Class of Term Loans as permitted under this Agreement, the number of Interest Periods otherwise permitted by this Section 2.02(e) shall increase by three (3) for each applicable Class so established.

(f) The failure of any Lender to make the Loan to be made by it as part of any Borrowing shall not relieve any other Lender of its obligation, if any, hereunder to make its Loan on the date of such Borrowing, but no Lender shall be responsible for the failure of any other Lender to make the Loan to be made by such other Lender on the date of any Borrowing.

(g) Unless the Administrative Agent shall have received notice from a Lender prior to the date of any Borrowing that such Lender will not make available to the

Administrative Agent such Lender's portion of such Borrowing, the Administrative Agent may assume that such Lender has made such portion available to the Administrative Agent on the date of such Borrowing in accordance with paragraph (b) above, and the Administrative Agent may, in reliance upon such assumption, make available to the Borrower on such date a corresponding amount. If the Administrative Agent shall have so made funds available, then, to the extent that such Lender shall not have made such portion available to the Administrative Agent, each of such Lender and the Borrower severally agrees to repay to the Administrative Agent forthwith on demand such corresponding amount together with interest thereon, for each day from the date such amount is made available to the Borrower until the date such amount is repaid to the Administrative Agent at (i) in the case of the Borrower, the interest rate applicable at the time to the Loans comprising such Borrowing and (ii) in the case of such Lender, the greater of the Federal Funds Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation. A certificate of the Administrative Agent submitted to any Lender with respect to any amounts owing under this Section 2.02(g) shall be conclusive in the absence of manifest error. If such Lender's portion of such Borrowing is not made available to the Administrative Agent by such Lender within three Business Days after such the date of such Borrowing, the Administrative Agent shall also be entitled to recover such amount with interest thereon accruing from the date on which the Administrative Agent made the funds available to the Borrower at the rate per annum applicable to Base Rate Loans under the relevant Facility, on demand, from the Borrower. If such Lender shall repay to the Administrative Agent such corresponding amount, such amount shall constitute such Lender's Loan as part of such Borrowing for purposes of this Agreement, and the Borrower's obligation to repay the Administrative Agent such corresponding amount pursuant to this Section 2.02(g) shall cease.

SECTION 2.03 Letters of Credit.

(a) *The Letter of Credit Commitments.*

(i) Subject to the terms and conditions set forth herein, (A) each L/C Issuer agrees, in reliance upon the agreements of the other Revolving Credit Lenders set forth in this Section 2.03, (1) (x) from time to time on any Business Day during the period from the Closing Date until the Letter of Credit Expiration Date, in the case of any L/C Issuer other than Deutsche Bank, to issue Letters of Credit denominated in Dollars or any Alternative Currency, Singapore Dollars, HK Dollars, Danish Kroner or Norwegian Kroner, or any other freely tradable foreign currency reasonably requested by the Borrower from time to time and in which an L/C Issuer may, in accordance with its policies and procedures in effect at such time, issue Letters of Credit, for the account of the Borrower (*provided* that any Letter of Credit may be for the benefit of any Subsidiary of the Borrower or any Business Successor (so long as the Borrower is the applicant or co-applicant therefor and subject to compliance with Section 7.02)) and (y) from time to time on any Business Day during the period from the Closing Date until the Letter of Credit Expiration Date (except in the case of Existing Letters of Credit, from the Closing Date until the date that is forty-five (45) days after the Closing Date), to amend or renew Letters of Credit previously issued by it, in accordance with Section 2.03(b) (*provided* that no such amendment or renewal of an Existing Letter of Credit may increase the stated amount thereof), and (2) to honor drafts under the Letters of Credit and (B) the

Revolving Credit Lenders severally agree to participate in Letters of Credit issued pursuant to this Section 2.03; *provided* that L/C Issuers shall not be obligated to make L/C Credit Extensions with respect to Letters of Credit, and Lenders shall not be obligated to participate in Letters of Credit if as of the date of the applicable L/C Credit Extension, if (x) the Revolving Credit Exposure of any Lender would exceed such Lender's Revolving Credit Commitment, (y) the Outstanding Amount of the L/C Obligations would exceed the Revolving Credit Commitments then in effect, or (z) the Letter of Credit giving rise to such L/C Credit Extension has a stated expiry date after any Maturity Date with respect to any Revolving Credit Commitments then in effect and the aggregate stated amount of all Letters of Credit having stated expiry dates after such Maturity Date would exceed the aggregate amount of the Revolving Credit Commitments which will remain in effect after such Maturity Date. Within the foregoing limits, and subject to the terms and conditions hereof, the Borrower's ability to obtain Letters of Credit shall be fully revolving, and accordingly the Borrower may, during the foregoing period, obtain Letters of Credit to replace Letters of Credit that have expired or that have been drawn upon and reimbursed. All Letters of Credit shall be issued on "sight-basis" only which, for the avoidance of doubt, means that any Letter of Credit shall be honored for payment by the relevant L/C Issuer at the time the Letter of Credit is presented for payment and not at a later date or time.

(ii) An L/C Issuer shall be under no obligation to issue any Letter of Credit if:

(A) any order, judgment or decree of any Governmental Authority or arbitrator shall by its terms purport to enjoin or restrain such L/C Issuer from issuing such Letter of Credit, or any Law applicable to such L/C Issuer or any directive (whether or not having the force of law) from any Governmental Authority with jurisdiction over such L/C Issuer shall prohibit, or direct that such L/C Issuer refrain from, the issuance of letters of credit generally or such Letter of Credit in particular or shall impose upon such L/C Issuer with respect to such Letter of Credit any restriction, reserve or capital requirement (for which such L/C Issuer is not otherwise compensated hereunder) not in effect on the Closing Date, or shall impose upon such L/C Issuer any unreimbursed loss, cost or expense which was not applicable on the Closing Date (for which such L/C Issuer is not otherwise compensated hereunder);

(B) subject to Section 2.03(b)(iii), the expiry date of such requested Letter of Credit (other than the Letters of Credit listed on Schedule 2.03(a)(ii)(B)) would occur more than twelve months after the date of issuance or last renewal, unless otherwise agreed by the L/C Issuer and the Administrative Agent;

(C) the expiry date of such requested Letter of Credit would occur after the applicable Letter of Credit Expiration Date, unless (x) all the Revolving Credit Lenders have approved such expiry date or (y) the Outstanding Amount of the L/C Obligations in respect of such requested Letter of Credit has been Cash Collateralized in an amount equal to at least 101% of the Outstanding Amount of such L/C Obligations;

(D) the issuance of such Letter of Credit would violate any Laws binding upon such L/C Issuer and/or the issuance of such Letters of Credit would violate any policies of the L/C Issuer applicable to Letters of Credit generally; or

(E) any Revolving Credit Lender, as applicable, is a Defaulting Lender at such time, unless such L/C Issuer has entered into arrangements reasonably satisfactory to it and the Borrower to eliminate such L/C Issuer's risk with respect to the participation in Letters of Credit by such Defaulting Lender, including by cash collateralizing such Defaulting Lender's Pro Rata Share of the L/C Obligations.

(iii) An L/C Issuer shall be under no obligation to amend any Letter of Credit if (A) such L/C Issuer would have no obligation at such time to issue such Letter of Credit in its amended form under the terms hereof, or (B) the beneficiary of such Letter of Credit does not accept the proposed amendment to such Letter of Credit.

(b) Procedures for Issuance and Amendment of Letters of Credit; Auto-Renewal Letters of Credit.

(i) Each Letter of Credit shall be issued or amended, as the case may be, upon the request of the Borrower delivered to an L/C Issuer (with a copy to the Administrative Agent) in the form of a Letter of Credit Application, appropriately completed and signed by a Responsible Officer of the Borrower. Such Letter of Credit Application must be received by the relevant L/C Issuer and the Administrative Agent not later than 12:00 p.m. at least three (3) Business Days prior to the proposed issuance date or date of amendment, as the case may be; or, in each case, such later date and time as the relevant L/C Issuer may agree in a particular instance in its sole discretion. In the case of a request for an initial issuance of a Letter of Credit, such Letter of Credit Application shall specify in form and detail reasonably satisfactory to the relevant L/C Issuer: (a) the proposed issuance date of the requested Letter of Credit (which shall be a Business Day); (b) the amount thereof; (c) the expiry date thereof; (d) the name and address of the beneficiary thereof; (e) the documents to be presented by such beneficiary in case of any drawing thereunder; (f) the full text of any certificate to be presented by such beneficiary in case of any drawing thereunder; (g) the currency in which the requested Letter of Credit will be denominated; and (h) such other matters as the relevant L/C Issuer may reasonably request. In the case of a request for an amendment of any outstanding Letter of Credit, such Letter of Credit Application shall specify in form and detail reasonably satisfactory to the relevant L/C Issuer (1) the Letter of Credit to be amended; (2) the proposed date of amendment thereof (which shall be a Business Day); (3) the nature of the proposed amendment; and (4) such other matters as the relevant L/C Issuer may reasonably request.

(ii) Promptly after receipt of any Letter of Credit Application, the relevant L/C Issuer will confirm with the Administrative Agent (by telephone or in writing) that the Administrative Agent has received a copy of such Letter of Credit Application from the Borrower and, if not, such L/C Issuer will provide the Administrative Agent with a copy thereof. Upon receipt by the relevant L/C Issuer of confirmation from the Administrative

Agent that the requested issuance or amendment is permitted in accordance with the terms hereof, then, subject to the terms and conditions hereof, such L/C Issuer shall, on the requested date, issue a Letter of Credit for the account of the Borrower (*provided* that any Letter of Credit may be for the benefit of any Subsidiary of the Borrower or any Business Successor (so long as the Borrower is the applicant or co-applicant therefor and subject to compliance with Section 7.02)) or enter into the applicable amendment, as the case may be. Immediately upon the issuance of (each Letter of Credit, each Revolving Credit Lender shall be deemed to, and hereby irrevocably and unconditionally agrees to, acquire from the relevant L/C Issuer a risk participation in such Letter of Credit in an amount equal to the product of such Revolving Credit Lender's Pro Rata Share times the amount of such Letter of Credit.

(iii) If the Borrower so requests in any applicable Letter of Credit Application, the relevant L/C Issuer shall agree to issue a Letter of Credit that has automatic renewal provisions (each, an "**Auto-Renewal Letter of Credit**"); *provided* that any such Auto-Renewal Letter of Credit must permit the relevant L/C Issuer to prevent any such renewal at least once in each twelve-month period (commencing with the date of issuance of such Letter of Credit) by giving prior notice to the beneficiary thereof not later than a day (the "**Non-Extension Notice Date**") in each such twelve-month period to be agreed upon at the time such Letter of Credit is issued. Unless otherwise directed by the relevant L/C Issuer, the Borrower shall not be required to make a specific request to the relevant L/C Issuer for any such renewal. Once an Auto-Renewal Letter of Credit has been issued, the applicable Lenders shall be deemed to have authorized (but may not require) the relevant L/C Issuer to permit the renewal of such Letter of Credit at any time to an expiry date not later than the applicable Letter of Credit Expiration Date; *provided* that the relevant L/C Issuer shall not permit any such renewal if (A) the relevant L/C Issuer has determined that it would have no obligation at such time to issue such Letter of Credit in its renewed form under the terms hereof (by reason of the provisions of Section 2.03(a) or otherwise), or (B) it has received notice (which may be by telephone or in writing) on or before the day that is five (5) Business Days before the Non-Extension Notice Date from the Administrative Agent or any Revolving Credit Lender, as applicable, or the Borrower that one or more of the applicable conditions specified in Section 4.02 is not then satisfied.

(iv) Promptly after its delivery of any Letter of Credit or any amendment to a Letter of Credit to an advising bank with respect thereto or to the beneficiary thereof, the relevant L/C Issuer will also deliver to the Borrower and the Administrative Agent a true and complete copy of such Letter of Credit or amendment.

(c) *Drawings and Reimbursements; Funding of Participations.*

(i) Upon receipt from the beneficiary of any Letter of Credit of any notice of a drawing under such Letter of Credit, the relevant L/C Issuer shall notify promptly the Borrower and the Administrative Agent thereof. No later than one Business Day following (x) the Business Day on which the Borrower shall have received notice of any payment by an L/C Issuer under a Letter of Credit or (y) if the Borrower shall have received such notice later than 10:00 a.m. on any Business Day, the immediately

following Business Day (each such date, a “**Required Reimbursement Date**”), the Borrower shall reimburse such L/C Issuer through the Administrative Agent in an amount equal to the amount of such drawing in Dollars, together with interest on the amount so paid or disbursed by such L/C Issuer, to the extent not reimbursed on the date of such payment of disbursement. Notwithstanding the foregoing, if on the date of any drawing on any Letter of Credit, a Default exists with respect to the Borrower under Section 9.01(f) or (g), the Required Reimbursement Date in respect of such Letter of Credit shall be the Business Day following such drawing without the requirement that any notice be delivered to the Borrower. If the Borrower fails to so reimburse such L/C Issuer by such time, the Administrative Agent shall promptly notify each Appropriate Lender of the Required Reimbursement Date, the amount of the unreimbursed drawing (expressed in Dollars in the Dollar Amount thereof in the case of an Alternative Currency) (the “**Unreimbursed Amount**”), and the amount of such Appropriate Lender’s Pro Rata Share thereof. In such event, the Borrower shall be deemed to have requested a Revolving Credit Borrowing of Eurocurrency Rate Loans (or Base Rate Loans in the case of a Letter of Credit denominated in Dollars), in each case to be disbursed on the Required Reimbursement Date in an amount equal to the Unreimbursed Amount, without regard to the minimum and multiples specified in Section 2.02 for the principal amount of Eurocurrency Rate Loans or Base Rate Loans, but subject to the amount of the unutilized portion of the Revolving Credit Commitments of the Appropriate Lenders and subject to the conditions set forth in Section 4.02 (other than the delivery of a Committed Loan Notice). Any notice given by an L/C Issuer or the Administrative Agent pursuant to this Section 2.03(c)(i) may be given by telephone if immediately confirmed in writing; *provided* that the lack of such an immediate confirmation shall not affect the conclusiveness or binding effect of such notice.

(ii) Each Revolving Credit Lender (including any such Lender acting as an L/C Issuer) shall upon any notice pursuant to Section 2.03(c)(i) make funds available to the Administrative Agent for the account of the relevant L/C Issuer at the Administrative Agent’s Office for payments in an amount equal to its Pro Rata Share of any Unreimbursed Amount in respect of a Letter of Credit not later than 1:00 p.m. on the Business Day specified in such notice by the Administrative Agent, whereupon, subject to the provisions of Section 2.03(c)(iii), each Revolving Credit Lender that so makes funds available shall be deemed to have made a Revolving Credit Loan in the form of a Eurocurrency Rate Loan (or Base Rate Loan in the case of a Letter of Credit denominated in Dollars) to the Borrower in such amount. The Administrative Agent shall remit the funds so received to the relevant L/C Issuer.

(iii) With respect to any Unreimbursed Amount in respect of a Letter of Credit that is not fully refinanced by a Revolving Credit Borrowing of Eurocurrency Rate Loans (or Base Rate Loans in the case of a Letter of Credit denominated in Dollars) because the conditions set forth in Section 4.02 cannot be satisfied or for any other reason, the Borrower shall be deemed to have incurred from the relevant L/C Issuer an L/C Borrowing in the amount of the Unreimbursed Amount that is not so refinanced, which L/C Borrowing shall be due and payable on demand (together with interest) and shall bear interest at the Default Rate. In such event, each Revolving Credit Lender’s payment to the Administrative Agent for the account of the relevant L/C Issuer pursuant to

Section 2.03(c)(ii) shall be deemed payment in respect of its participation in such L/C Borrowing and shall constitute an L/C Advance from such Lender in satisfaction of its participation obligation under this Section 2.03.

(iv) Until each Revolving Credit Lender funds its Revolving Credit Loan or L/C Advance pursuant to this Section 2.03(c) to reimburse the relevant L/C Issuer for any amount drawn under any Letter of Credit, interest in respect of such Lender's Pro Rata Share of such amount shall be solely for the account of the relevant L/C Issuer.

(v) Each Revolving Credit Lender's obligation to make Revolving Credit Loans or L/C Advances to reimburse an L/C Issuer for amounts drawn under Letters of Credit, as contemplated by this Section 2.03(c), shall be absolute and unconditional and shall not be affected by any circumstance, including (A) any setoff, counterclaim, recoupment, defense or other right which such Lender may have against the relevant L/C Issuer, the Borrower or any other Person for any reason whatsoever; (B) the occurrence or continuance of a Default; or (C) any other occurrence, event or condition, whether or not similar to any of the foregoing; *provided* that, each Revolving Credit Lender's obligation to make Revolving Credit Loans pursuant to this Section 2.03(c) is subject to the conditions set forth in Section 4.02 (other than delivery by the Borrower of a Committed Loan Notice). No such making of an L/C Advance shall relieve or otherwise impair the obligation of the Borrower to reimburse the relevant L/C Issuer for the amount of any payment made by such L/C Issuer under any Letter of Credit, together with interest as provided herein.

(vi) If any Revolving Credit Lender fails to make available to the Administrative Agent for the account of the relevant L/C Issuer any amount required to be paid by such Lender pursuant to the foregoing provisions of this Section 2.03(c) by the time specified in Section 2.03(c)(ii), such L/C Issuer shall be entitled to recover from such Lender (acting through the Administrative Agent), on demand, such amount with interest thereon for the period from the date such payment is required to the date on which such payment is immediately available to such L/C Issuer at a rate per annum equal to the applicable Overnight Rate from time to time in effect. A certificate of the relevant L/C Issuer submitted to any Revolving Credit Lender (through the Administrative Agent) with respect to any amounts owing under this Section 2.03(c)(vi) shall be conclusive absent manifest error.

(vii) If, at any time after an L/C Issuer has made a payment under any Letter of Credit and has received from any Revolving Credit Lender such Lender's L/C Advance in respect of such payment in accordance with this Section 2.03(c), the Administrative Agent receives for the account of such L/C Issuer any payment in respect of the related Unreimbursed Amount or interest thereon (whether directly from the Borrower or otherwise, including proceeds of Cash Collateral applied thereto by the Administrative Agent), the Administrative Agent will distribute to such Lender its Pro Rata Share thereof (appropriately adjusted, in the case of interest payments, to reflect the period of time during which such Lender's L/C Advance was outstanding) in the same funds as those received by the Administrative Agent.

(viii) If any payment received by the Administrative Agent for the account of an L/C Issuer pursuant to Section 2.03(c)(i) is required to be returned under any of the circumstances described in Section 11.06 (including pursuant to any settlement entered into by such L/C Issuer in its discretion), each Revolving Credit Lender shall pay to the Administrative Agent for the account of such L/C Issuer its Pro Rata Share thereof on demand of the Administrative Agent, plus interest thereon from the date of such demand to the date such amount is returned by such Lender, at a rate per annum equal to the Federal Funds Rate from time to time in effect.

(d) *Obligations Absolute.* The Borrower's obligation to reimburse the relevant L/C Issuer for each drawing under each Letter of Credit issued by it and to repay each L/C Borrowing shall be absolute, unconditional and irrevocable, and shall be paid strictly in accordance with the terms of this Agreement under all circumstances, including the following:

(i) any lack of validity or enforceability of such Letter of Credit, this Agreement, or any other agreement or instrument relating thereto;

(ii) the existence of any claim, counterclaim, setoff, defense or other right that any Loan Party may have at any time against any beneficiary or any transferee of such Letter of Credit (or any Person for whom any such beneficiary or any such transferee may be acting), the relevant L/C Issuer or any other Person, whether in connection with this Agreement, the transactions contemplated hereby or by such Letter of Credit or any agreement or instrument relating thereto, or any unrelated transaction;

(iii) any draft, demand, certificate or other document presented under such Letter of Credit proving to be forged, fraudulent, invalid or insufficient in any respect or any statement therein being untrue or inaccurate in any respect; or any loss or delay in the transmission or otherwise of any document required in order to make a drawing under such Letter of Credit;

(iv) any payment by the relevant L/C Issuer under such Letter of Credit against presentation of a draft or certificate that does not strictly comply with the terms of such Letter of Credit; or any payment made by the relevant L/C Issuer under such Letter of Credit to any Person purporting to be a trustee in bankruptcy, debtor-in-possession, assignee for the benefit of creditors, liquidator, receiver or other representative of or successor to any beneficiary or any transferee of such Letter of Credit, including any arising in connection with any proceeding under any Debtor Relief Law;

(v) any exchange, release or nonperfection of any Collateral, or any release or amendment or waiver of or consent to departure from the Guaranty or any other guarantee, for all or any of the Obligations any Loan Party in respect of such Letter of Credit; or

(vi) any other circumstance or happening whatsoever, whether or not similar to any of the foregoing, including any other circumstance that might otherwise constitute a defense available to, or a discharge of, any Loan Party.

provided that the foregoing shall not excuse any L/C Issuer from liability to the Borrower to the extent of any direct damages (as opposed to consequential damages, claims in respect of which are waived by the Borrower to the extent permitted by applicable Law) suffered by the Borrower that are caused by acts or omissions by such L/C Issuer constituting gross negligence or willful misconduct when determining whether drafts and other documents presented under a Letter of Credit comply with the terms thereof on the part of such L/C Issuer.

(e) *Role of L/C Issuers.* Each Lender and the Borrower agree that, in paying any drawing under a Letter of Credit, the relevant L/C Issuer shall not have any responsibility to obtain any document (other than any sight draft, certificates and documents expressly required by the Letter of Credit) or to ascertain or inquire as to the validity or accuracy of any such document or the authority of the Person executing or delivering any such document. None of the L/C Issuers, any Agent-Related Person nor any of the respective correspondents, participants or assignees of any L/C Issuer shall be liable to any Lender for (i) any action taken or omitted in connection herewith at the request or with the approval of the Lenders or the Required Lenders, as applicable; (ii) any action taken or omitted in the absence of gross negligence or willful misconduct; or (iii) the due execution, effectiveness, validity or enforceability of any document or instrument related to any Letter of Credit or Letter of Credit Application. The Borrower hereby assumes all risks of the acts or omissions of any beneficiary or transferee with respect to its use of any Letter of Credit; *provided* that this assumption is not intended to, and shall not, preclude the Borrower's pursuing such rights and remedies as it may have against the beneficiary or transferee at law or under any other agreement. None of the L/C Issuers, any Agent-Related Person, nor any of the respective correspondents, participants or assignees of any L/C Issuer, shall be liable or responsible for any of the matters described in clauses (i) through (vi) of Section 2.03(d) or clauses (i) through (iii) of this Section 2.03(e); *provided* that anything in such clauses to the contrary notwithstanding, the Borrower may have a claim against an L/C Issuer, and such L/C Issuer may be liable to the Borrower, to the extent, but only to the extent, of any direct, as opposed to consequential or exemplary, damages suffered by the Borrower that were caused by such L/C Issuer's willful misconduct or gross negligence or such L/C Issuer's willful or grossly negligent failure to pay under any Letter of Credit after the presentation to it by the beneficiary of a sight draft and certificate(s) strictly complying with the terms and conditions of a Letter of Credit. In furtherance and not in limitation of the foregoing, each L/C Issuer may accept documents that appear on their face to be in order, without responsibility for further investigation, regardless of any notice or information to the contrary, and no L/C Issuer shall be responsible for the validity or sufficiency of any instrument transferring or assigning or purporting to transfer or assign a Letter of Credit or the rights or benefits thereunder or proceeds thereof, in whole or in part, which may prove to be invalid or ineffective for any reason.

(f) *Cash Collateral.* If (i) any Event of Default occurs and is continuing and the Required Lenders or the Required Revolving Credit Lenders, as the case may be, require the Borrower to Cash Collateralize its L/C Obligations pursuant to Section 9.02(a) or (ii) an Event of Default set forth under Section 9.01(f) occurs and is continuing, then the Borrower shall Cash Collateralize the then Outstanding Amount of all L/C Obligations (in an amount equal to such Outstanding Amount determined as of the date of such Event of Default), and shall do so not later than 2:00 p.m. New York City time on (x) in the case of the immediately preceding clause (i), (1) the Business Day that the Borrower receives notice thereof, if such notice is received on such day prior to 12:00 Noon New York City time or (2) if clause (1) above does not apply, the

Business Day immediately following the day that the Borrower receives such notice and (y) in the case of the immediately preceding clause (ii), the Business Day on which an Event of Default set forth under Section 9.01(f) occurs or, if such day is not a Business Day, the Business Day immediately succeeding such day. For purposes hereof, “**Cash Collateralize**” means to pledge and deposit with or deliver to the Administrative Agent, for the benefit of the relevant L/C Issuer and the Revolving Credit Lenders, as collateral for the L/C Obligations, cash or deposit account balances in the respective currency or currencies in which the applicable L/C Obligations are denominated (“**Cash Collateral**”) pursuant to documentation in form and substance reasonably satisfactory to the Administrative Agent and the relevant L/C Issuer (which documents are hereby consented to by the Revolving Credit Lenders). Derivatives of such term have corresponding meanings. The Borrower hereby grants to the Administrative Agent, for the benefit of the L/C Issuers and the Revolving Credit Lenders, a security interest in all such cash, deposit accounts and all balances therein and all proceeds of the foregoing. Cash Collateral shall be maintained in blocked accounts at the Administrative Agent and may be invested in readily available Cash Equivalents. If at any time the Administrative Agent determines that any funds held as Cash Collateral are subject to any right or claim of any Person other than the Administrative Agent (on behalf of the Secured Parties) or that the total amount of such funds is less than the aggregate Outstanding Amount of all L/C Obligations, the Borrower will, forthwith upon demand by the Administrative Agent, pay to the Administrative Agent, as additional funds to be deposited and held in the deposit accounts at the Administrative Agent as aforesaid, an amount equal to the excess of (a) such aggregate Outstanding Amount over (b) the total amount of funds, if any, then held as Cash Collateral that the Administrative Agent reasonably determines to be free and clear of any such right and claim. Upon the drawing of any Letter of Credit for which funds are on deposit as Cash Collateral, such funds shall be applied, to the extent permitted under applicable Law, to reimburse the relevant L/C Issuer. To the extent the amount of any Cash Collateral exceeds the then Outstanding Amount of such L/C Obligations and so long as no Event of Default has occurred and is continuing, the excess shall be refunded to the Borrower. To the extent any Event of Default giving rise to the requirement to Cash Collateralize any Letter of Credit pursuant to this Section 2.03(f) is cured or otherwise waived by the Required Lenders or the Required Revolving Credit Lenders, as the case may be, then so long as no other Event of Default has occurred and is then occurring and continuing, the amount of any Cash Collateral pledged to Cash Collateralize such Letter of Credit shall be refunded to the Borrower.

(g) *Applicability of ISP and UCP.* Unless otherwise expressly agreed by the relevant L/C Issuer and the Borrower when a Letter of Credit is issued, (i) the rules of the ISP shall apply to each standby Letter of Credit, and (ii) the rules of the UCP shall apply to each commercial Letter of Credit.

(h) *Letter of Credit Fees.* The Borrower shall pay to the Administrative Agent (i) for the account of each Revolving Credit Lender in accordance with its Pro Rata Share a Letter of Credit fee for each Letter of Credit issued pursuant to this Agreement equal to the Applicable Rate times the daily maximum amount then available to be drawn under such Letter of Credit (whether or not (1) such maximum amount is then in effect under such Letter of Credit, if such maximum amount increases periodically pursuant to the terms of such Letter of Credit or (2) the conditions to drawing under such Letter of Credit can then be satisfied) less the fronting fee paid with respect to such Letter of Credit under Section 2.03(i) below. Such letter of credit

fees shall be computed on a quarterly basis in arrears. Such letter of credit fees shall be due and payable in Dollars on the first Business Day after the end of each March, June, September and December, commencing with the first such date to occur after the issuance of such Letter of Credit, on any relevant Maturity Date (for any applicable Revolving Credit Commitments then expiring) or the Letter of Credit Expiration Date and thereafter on demand. If there is any change in the Applicable Rate during any quarter, the daily maximum amount of each Letter of Credit shall be computed and multiplied by the Applicable Rate separately for each period during such quarter that such Applicable Rate was in effect.

(i) *Fronting Fee and Documentary and Processing Charges Payable to L/C Issuers.* The Borrower shall pay directly to each L/C Issuer for its own account a fronting fee with respect to each Letter of Credit issued by it equal to 0.125% per annum of the daily maximum amount then available to be drawn under such Letter of Credit (whether or not (1) such maximum amount is then in effect under such Letter of Credit, if such maximum amount increases periodically pursuant to the terms of such Letter of Credit or (2) the conditions to drawing under such Letter of Credit can then be satisfied); *provided* that in no event shall the annual amount of fronting fees payable with respect to any Letter of Credit be less than \$500. Such fronting fees shall be computed on a quarterly basis in arrears. Such fronting fees shall be due and payable on the first Business Day after the end of each March, June, September and December, commencing with the first such date to occur after the issuance of such Letter of Credit, on the Letter of Credit Expiration Date and thereafter on demand. In addition, the Borrower shall pay directly to each L/C Issuer for its own account the customary issuance, presentation, amendment and other processing fees, and other standard costs and charges, of such L/C Issuer relating to letters of credit as from time to time in effect. Such customary fees and standard costs and charges are due and payable within ten (10) Business Days of demand and are nonrefundable.

(j) *Conflict with Letter of Credit Application.* Notwithstanding anything else to the contrary in this Agreement, in the event of any conflict between the terms hereof and the terms of any Letter of Credit Application, the terms hereof shall control.

(k) *Addition of an L/C Issuer.* A Revolving Credit Lender may become an additional L/C Issuer hereunder pursuant to a written agreement among the Borrower, the Administrative Agent and such Revolving Credit Lender. The Administrative Agent shall notify the Revolving Credit Lenders under the applicable Facility of any additional L/C Issuer under such Facility.

(l) *Multiple Classes of Revolving Credit Commitments.* If the Maturity Date in respect of any Class of Revolving Credit Commitments occurs prior to the expiration of any Letter of Credit, then (i) if one or more other Classes of Revolving Credit Commitments in respect of which the Maturity Date shall not have occurred are then in effect, such Letters of Credit shall automatically be deemed to have been issued (including for purposes of the obligations of the Revolving Credit Lenders to purchase participations therein and to make Revolving Credit Loans and payments in respect thereof pursuant to Section 2.03(c)) under (and ratably participated in by Lenders pursuant to) the Revolving Credit Commitments in respect of such non-terminating Revolving Credit Commitments up to an aggregate amount not to exceed the aggregate amount of the unutilized Revolving Credit Commitments thereunder at such time

(it being understood that no partial face amount of any Letter of Credit may be so reallocated) and (ii) to the extent not reallocated pursuant to immediately preceding clause (i), the Borrower shall Cash Collateralize any such Letter of Credit in accordance with Section 2.03(f).

(m) *Existing Letters of Credit.* The Borrower has provided to the Administrative Agent and the L/C Issuers a list of letters of credit that were originally issued by Deutsche Bank pursuant to the Original Credit Agreement and which remain outstanding on the Closing Date (the “**Existing Letters of Credit**”) (and setting forth, with respect to each such letter of credit, (i) the name of the issuing lender, (ii) the letter of credit number, (iii) the name(s) of the account party or account parties, (iv) the stated amount, (v) the currency in which the letter of credit is denominated, (vi) the name of the beneficiary, (vii) the expiry date and (viii) whether such letter of credit constitutes a standby letter of credit or a commercial letter of credit). Each Existing Letter of Credit which remains outstanding on the Closing Date, including any extension or renewal thereof in accordance with Section 2.03(a)(i), shall constitute a Letter of Credit for all purposes of this Agreement and shall be deemed issued on the Closing Date for the account of the Borrower.

SECTION 2.04 Swing Line Loans.

(a) *The Swing Line.*

(i) Subject to the terms and conditions set forth herein, the Swing Line Lender agrees to make loans in Dollars (each such loan, a “**Swing Line Loan**”) to the Borrower from time to time on any Business Day (other than the Closing Date) until the latest Maturity Date applicable to any Revolving Credit Facility as of the date the Swing Line Loan is drawn, in an aggregate amount not to exceed at any time outstanding the amount of the Swing Line Sublimit, notwithstanding the fact that such Swing Line Loans, when aggregated with the Pro Rata Share of the Outstanding Amount of Revolving Credit Loans and L/C Obligations of the Lender acting as Swing Line Lender, may exceed the amount of such Lender’s Revolving Credit Commitment; *provided that*, (i) after giving effect to any Swing Line Loan, the aggregate Outstanding Amount of the Revolving Credit Loans of any Lender, plus such Lender’s Pro Rata Share of the Outstanding Amount of all L/C Obligations plus such Lender’s Pro Rata Share of the Outstanding Amount of all Swing Line Loans shall not exceed such Lender’s Revolving Credit Commitment then in effect, and (ii) notwithstanding the foregoing, the Swing Line Lender shall not be obligated to make any Swing Line Loans at a time when a Revolving Credit Lender is a Defaulting Lender, unless the Swing Line Lender has entered into arrangements reasonably satisfactory to it and the Borrower to eliminate the Swing Line Lender’s risk with respect to the Defaulting Lender’s participation in such Swing Line Loans, including by Cash Collateralizing such Defaulting Lender’s Pro Rata Share of the outstanding amount of Swing Line Loans; *provided, further that*, the Borrower shall not use the proceeds of any Swing Line Loan to refinance any outstanding Swing Line Loan. Within the foregoing limits, and subject to the other terms and conditions hereof, the Borrower may borrow under this Section 2.04, prepay under Section 2.05, and reborrow under this Section 2.04. Each Swing Line Loan shall be a Base Rate Loan. Swing Line Loans shall only be denominated in Dollars. Immediately upon the making of a Swing Line Loan, each Revolving Credit Lender shall be deemed to, and hereby irrevocably and

unconditionally agrees to, purchase from the Swing Line Lender a risk participation in such Swing Line Loan in an amount equal to the product of such Lender's Pro Rata Share times the amount of such Swing Line Loan.

(ii) If the Maturity Date shall have occurred in respect of any Class of Revolving Credit Commitments at a time when another Class of Revolving Credit Commitments is in effect with a later Maturity Date, then on the earliest occurring Maturity Date all then outstanding Swing Line Loans shall be repaid in full on such date (and there shall be no adjustment to the participations in such Swing Line Loans as a result of the occurrence of such Maturity Date); *provided, however*, that if on the occurrence of such earliest Maturity Date (after giving effect to any repayments of Revolving Credit Loans and any reallocation of Letter of Credit participations as contemplated in Section 2.03(1)), there shall exist sufficient unutilized Revolving Credit Commitments so that the respective outstanding Swing Line Loans could be incurred pursuant the Revolving Credit Commitments that will remain in effect after the occurrence of such Maturity Date, then there shall be an automatic adjustment on such date of the participations in such Swing Line Loans and same shall be deemed to have been incurred solely pursuant to the relevant Revolving Credit Commitments that will remain in effect, and such Swing Line Loans shall not be so required to be repaid in full on such earliest Maturity Date.

(b) *Borrowing Procedures.* Each Swing Line Borrowing shall be made upon the Borrower's irrevocable notice to the Swing Line Lender and the Administrative Agent, which may be given by telephone. Each such notice must be received by the Swing Line Lender and the Administrative Agent not later than 1:00 p.m. on the requested borrowing date, and shall specify (i) the amount to be borrowed, which shall be a minimum of \$100,000 (and any amount in excess of \$100,000 shall be an integral multiple of \$25,000) and (ii) the requested borrowing date, which shall be a Business Day. Each such telephonic notice must be confirmed promptly by delivery to the Swing Line Lender and the Administrative Agent of a written Swing Line Loan Notice, appropriately completed and signed by a Responsible Officer of the Borrower. Promptly after receipt by the Swing Line Lender of any telephonic Swing Line Loan Notice, the Swing Line Lender will confirm with the Administrative Agent (by telephone or in writing) that the Administrative Agent has also received such Swing Line Loan Notice and, if not, the Swing Line Lender will notify the Administrative Agent (by telephone or in writing) of the contents thereof. Unless the Swing Line Lender has received notice (by telephone or in writing) from the Administrative Agent (including at the request of any Revolving Credit Lender) prior to 2:00 p.m. on the date of the proposed Swing Line Borrowing (A) directing the Swing Line Lender not to make such Swing Line Loan as a result of the limitations set forth in the first proviso to the first sentence of Section 2.04(a) or (B) that one or more of the applicable conditions specified in Section 4.02 is not then satisfied, then, subject to the terms and conditions hereof, the Swing Line Lender will, not later than 3:00 p.m. on the borrowing date specified in such Swing Line Loan Notice, make the amount of its Swing Line Loan available to the Borrower.

(c) *Refinancing of Swing Line Loans.*

(i) The Swing Line Lender at any time in its sole and absolute discretion may request, on behalf of the Borrower (who hereby irrevocably authorizes the applicable Swing Line Lender to so request on its behalf), that each Revolving Credit Lender make a Revolving Credit Loan in the form of a Base Rate Loan in an amount equal to such Lender's Pro Rata Share of the amount of Swing Line Loans then outstanding. Such request shall be made in writing (which written request shall be deemed to be a Committed Loan Notice for purposes hereof) and in accordance with the requirements of Section 2.02, without regard to the minimum and multiples specified therein for the principal amount of Base Rate Loans but subject to the unutilized portion of the aggregate Revolving Credit Commitments and the conditions set forth in Section 4.02. The Swing Line Lender shall furnish the Borrower with a copy of the applicable Committed Loan Notice promptly after delivering such notice to the Administrative Agent. Each Revolving Credit Lender shall make an amount equal to its Pro Rata Share of the amount specified in such Committed Loan Notice available to the Administrative Agent in Same Day Funds for the account of the Swing Line Lender at the Administrative Agent's Office not later than 1:00 p.m. on the day specified in such Committed Loan Notice, whereupon, subject to Section 2.04(c)(ii), each Revolving Credit Lender that so makes funds available shall be deemed to have made a Base Rate Loan to the Borrower in such amount. The Administrative Agent shall remit the funds so received to the Swing Line Lender.

(ii) If for any reason any Swing Line Loan cannot be refinanced by such a Revolving Credit Borrowing in accordance with Section 2.04(c)(i), the request for Base Rate Loans submitted by the Swing Line Lender as set forth herein shall be deemed to be a request by the Swing Line Lender that each of the Revolving Credit Lenders fund its risk participation in the Swing Line Loan and each Revolving Credit Lender's payment to the Administrative Agent for the account of the Swing Line Lender pursuant to Section 2.04(c)(i) shall be deemed payment in respect of such participation.

(iii) If any Revolving Credit Lender fails to make available to the Administrative Agent for the account of the Swing Line Lender any amount required to be paid by such Lender pursuant to the foregoing provisions of this Section 2.04(c) by the time specified in Section 2.04(c)(i), the Swing Line Lender shall be entitled to recover from such Lender (acting through the Administrative Agent), on demand, such amount with interest thereon for the period from the date such payment is required to the date on which such payment is immediately available to the Swing Line Lender at a rate per annum equal to the applicable Overnight Rate from time to time in effect. A certificate of the Swing Line Lender submitted to any Lender (through the Administrative Agent) with respect to any amounts owing under this clause (iii) shall be conclusive absent manifest error.

(iv) Each Revolving Credit Lender's obligation to make Revolving Credit Loans or to purchase and fund risk participations in Swing Line Loans pursuant to this Section 2.04(c) shall, subject to the express provisions of Section 2.06(e) (to the extent applicable), be absolute and unconditional and shall not be affected by any circumstance,

including (A) any setoff, counterclaim, recoupment, defense or other right which such Lender may have against the Swing Line Lender, the Borrower or any other Person for any reason whatsoever, (B) the occurrence or continuance of a Default, or (C) any other occurrence, event or condition, whether or not similar to any of the foregoing; *provided* that each Revolving Credit Lender's obligation to make Revolving Credit Loans (but not to purchase and fund risk participations in Swing Line Loans) pursuant to this Section 2.04(c) is subject to the conditions set forth in Section 4.02. No such funding of risk participations shall relieve or otherwise impair the obligation of the Borrower to repay Swing Line Loans, together with interest as provided herein.

(d) *Repayment of Participations.*

(i) At any time after any Revolving Credit Lender has purchased and funded a risk participation in a Swing Line Loan, if the Swing Line Lender receives any payment on account of such Swing Line Loan, the Swing Line Lender will distribute to such Lender its Pro Rata Share of such payment (appropriately adjusted, in the case of interest payments, to reflect the period of time during which such Lender's risk participation was funded) in the same funds as those received by the Swing Line Lender.

(ii) If any payment received by the Swing Line Lender in respect of principal or interest on any Swing Line Loan is required to be returned by the Swing Line Lender under any of the circumstances described in Section 11.06 (including pursuant to any settlement entered into by the Swing Line Lender in its discretion), each Revolving Credit Lender shall pay to the Swing Line Lender its Pro Rata Share thereof on demand of the Administrative Agent, plus interest thereon from the date of such demand to the date such amount is returned, at a rate per annum equal to the applicable Overnight Rate. The Administrative Agent will make such demand upon the request of the Swing Line Lender.

(e) *Interest for Account of Swing Line Lender.* The Swing Line Lender shall be responsible for invoicing the Borrower for interest on the Swing Line Loans. Until each Revolving Credit Lender funds its Base Rate Loan or risk participation pursuant to this Section 2.04 to refinance such Lender's Pro Rata Share of any Swing Line Loan, interest in respect of such Pro Rata Share shall be solely for the account of the Swing Line Lender.

(f) *Payments Directly to Swing Line Lender.* The Borrower shall make all payments of principal and interest in respect of its Swing Line Loans directly to the Swing Line Lender.

SECTION 2.05 Prepayments.

(a) *Optional.*

(i) *Term Loans; Revolving Credit Loans.* The Borrower may, upon irrevocable notice to the Administrative Agent, at any time or from time to time voluntarily prepay Term Loans of any Class and Revolving Credit Loans of any Class in whole or in part without premium or penalty (except as set forth in Section 2.05(c) below); *provided* that (1) such notice must be received by the Administrative Agent not

later than 12:00 p.m. (New York time) (A) two (2) Business Days prior to any date of prepayment of Eurocurrency Rate Loans denominated in Dollars, (B) three (3) Business Days prior to any date of prepayment of Eurocurrency Rate Loans denominated in an Alternative Currency and (C) on the date of prepayment of Base Rate Loans; (2) any prepayment of Eurocurrency Rate Loans shall be in a principal Dollar Amount of \$2,500,000 or a whole multiple of the Dollar Amount of \$500,000 in excess thereof in the case of Term Loans or Revolving Credit Loans; and (3) any prepayment of Base Rate Loans shall be in a minimum principal amount of \$500,000 or a whole multiple of \$100,000 in excess thereof or, in each case, if less, the entire principal amount thereof then outstanding (it being understood that Base Rate Loans shall be denominated in Dollars only). Each such notice shall specify the date and amount of such prepayment and the Class(es) and Type(s) of Loans to be prepaid and the payment amount specified in such notice shall be due and payable on the date specified therein. The Administrative Agent will promptly notify each Appropriate Lender of its receipt of each such notice, and of the amount of such Lender's Pro Rata Share of such prepayment. Any prepayment of a Eurocurrency Rate Loan shall be accompanied by all accrued interest thereon, together with any additional amounts required pursuant to Section 3.05. Each prepayment of principal of, and interest on, Revolving Credit Loans shall be made in Dollars or the relevant Alternative Currency, as applicable (even if the Borrower is required to convert currency to do so). Each prepayment of the Loans of a given Class pursuant to this Section 2.05(a) shall be paid to the Appropriate Lenders in accordance with their respective Pro Rata Shares.

(ii) *Swing Line Loans*. The Borrower may, upon notice to the Swing Line Lender (with a copy to the Administrative Agent), at any time or from time to time, voluntarily prepay Swing Line Loans in whole or in part without premium or penalty; *provided* that (1) such notice must be received by the Swing Line Lender and the Administrative Agent not later than 1:00 p.m. on the date of the prepayment, and (2) any such prepayment shall be in a minimum principal amount of \$100,000 or a whole multiple of \$100,000 in excess thereof or, if less, the entire principal amount thereof then outstanding. Each such notice shall specify the date and amount of such prepayment and the payment amount specified in such notice shall be due and payable on the date specified therein.

(iii) Notwithstanding anything to the contrary contained in this Agreement, any notice of prepayment of Term Loans or Revolving Credit Loans (unless denominated in an Alternative Currency) may state that it is conditioned on the occurrence or non-occurrence of any event specified therein (including the effectiveness of other credit facilities) and can be revoked if such condition is not satisfied.

(iv) Voluntary prepayments of Term Loans shall be applied to each Class of Term Loans at the discretion of the Borrower and within a Class of Term Loans to the remaining scheduled installments of principal of such Class of Term Loans thereof pursuant to Section 2.07(a) in a manner determined at the discretion of the Borrower (although in all cases on a pro rata basis to the respective Lenders of the relevant Class) and specified in the notice of prepayment; *provided* that, if the Borrower fails to give such notice at the time of such prepayment or in the event such notice fails to specify the

manner in which the respective prepayment of such Class of Term Loans shall be applied to repayments thereof required pursuant to Section 2.07(a), such prepayment of such Class of Term Loans shall be applied in direct order of maturity to repayments thereof required pursuant to Section 2.07(a). Notwithstanding the foregoing, the Borrower may not repay Extended Term Loans of any Class unless such prepayment is accompanied by a pro rata repayment of the Existing Term Loans from which such Extended Term Loans were converted (or such Existing Term Loans have otherwise been repaid in full).

(b) *Mandatory.*

(i) *Excess Cash Flow.* Within ten (10) Business Days after financial statements have been delivered pursuant to Section 6.01(a) and the related Compliance Certificate has been delivered pursuant to Section 6.02(a) (or, if later, after the date on which such financial statements and Compliance Certificate are required to be delivered), the Borrower shall offer to prepay, subject to clauses (vi) and (vii) of this Section 2.05(b), an aggregate principal amount of Term Loans equal to (A) 50% (such percentage as it may be reduced as described below, the “**ECF Percentage**”) of Excess Cash Flow, if any, for the fiscal year covered by such financial statements (commencing with the fiscal year ended December 31, 2013) minus (B) the sum of (i) all voluntary prepayments of Term Loans during such fiscal year and (ii) all voluntary prepayments of Revolving Credit Loans during such fiscal year to the extent the Revolving Credit Commitments are permanently reduced by the amount of such payments, in the case of each of the immediately preceding clauses (i) and (ii), to the extent such prepayments are not funded with the proceeds of Indebtedness; *provided* that (x) the ECF Percentage shall be 25% if the Senior Secured First-Lien Net Leverage Ratio for the fiscal year covered by such financial statements was less than 4.0:1.0 and greater than or equal to 3.5:1.0 and (y) the ECF Percentage shall be 0% if the Senior Secured First-Lien Net Leverage Ratio for the fiscal year covered by such financial statements was less than 3.5:1.0.

(ii) *Dispositions and Casualty Events.*

If (1)(x) the Borrower or any of the Restricted Subsidiaries Disposes of any property or assets (other than any Disposition of any property or assets permitted by Section 7.05(a), (b), (c), (d), (e) (other than Section 7.05(e)(iii)), (f), (g), (j), (l), (n) and (o)) or (y) any Casualty Event occurs which results in the realization or receipt by the Borrower or such Restricted Subsidiary of Net Cash Proceeds and (2) the Senior Secured First-Lien Net Leverage Ratio for the Test Period immediately preceding such Disposition or Casualty Event is equal to greater than 4.0:1.0 (calculated on a Pro Forma Basis), the Borrower shall offer to prepay on or prior to the date which is ten (10) Business Days after the date of the realization or receipt of such Net Cash Proceeds, subject to clauses (v), (vi) and (vii) of this Section 2.05(b), an aggregate principal amount of Term Loans equal to 100% (such percentage as it may be reduced as described below, the “**Disposition Prepayment Percentage**”) of all Net Cash Proceeds realized or received; *provided* that (x) the Disposition Prepayment Percentage shall be 50% if the Senior Secured First-Lien Net Leverage Ratio for the Test Period immediately preceding such Disposition or Casualty Event was less than 4.0:1.0 and greater

than or equal to 3.5:1.0 and (y) the Disposition Prepayment Percentage shall be 0% if the Senior Secured First-Lien Net Leverage Ratio for the Test Period immediately preceding such Disposition or Casualty Event was less than 3.5:1.0; *provided further* that no prepayment shall be required pursuant to this Section 2.05(b)(ii)(A) with respect to such portion of such Net Cash Proceeds that the Borrower shall have, on or prior to such date, given written notice to the Administrative Agent of its intent to reinvest in accordance with Section 2.05(b)(ii)(B) (which notice may be provided only if no Event of Default has occurred and is then continuing;

(A) With respect to any Net Cash Proceeds realized or received with respect to any Disposition (other than any Disposition specifically excluded from the application of Section 2.05(b)(ii)(A)) or any Casualty Event, at the option of the Borrower, the Borrower may reinvest all or any portion of such Net Cash Proceeds in assets useful for its business within (x) fifteen (15) months following receipt of such Net Cash Proceeds or (y) if the Borrower enters into a legally binding commitment to reinvest such Net Cash Proceeds within fifteen (15) months following receipt thereof, within the later of (1) fifteen (15) months following receipt thereof or (2) one hundred and eighty (180) days of the date of such legally binding commitment; *provided* that (i) so long as an Event of Default shall have occurred and be continuing, the Borrower (x) shall not be permitted to make any such reinvestments (other than pursuant to a legally binding commitment that the Borrower entered into at a time when no Event of Default is continuing) and (y) shall not be required to apply such Net Cash Proceeds which have been previously applied to prepay Revolving Credit Loans to the prepayment of Term Loans until such time as the relevant reinvestment period has expired and no Event of Default is continuing and (ii) if any Net Cash Proceeds are no longer intended to be or cannot be so reinvested at any time after delivery of a notice of reinvestment election, and subject to clauses (v) and (vii) of this Section 2.05, an amount equal to any such Net Cash Proceeds shall be applied within five (5) Business Days after the Borrower reasonably determines that such Net Cash Proceeds are no longer intended to be or cannot be so reinvested to the prepayment of the Term Loans as set forth in this Section 2.05.

(iii) *Incurrence of Indebtedness.* If the Borrower or any Restricted Subsidiary incurs or issues any Indebtedness not expressly permitted to be incurred or issued pursuant to Section 7.03 (but subject to Section 7.03(z)), the Borrower shall offer to prepay, subject to clauses (v) and (vii) of this Section 2.05(b), an aggregate principal amount of Term Loans equal to 100% of all Net Cash Proceeds received therefrom on or prior to the date which is five (5) Business Days after the receipt of such Net Cash Proceeds.

(iv) *Revolving Credit Exposure.* If for any reason the aggregate Revolving Credit Exposures at any time exceeds the aggregate Revolving Credit Commitments then in effect (including as a result of the termination of any Revolving Credit Commitments on the Maturity Date thereof), the Borrower shall at such time prepay Revolving Credit Loans, prepay Swing Line Loans and/or Cash Collateralize the L/C Obligations in an

aggregate amount equal to such excess; *provided* that the Borrower shall not be required to Cash Collateralize the L/C Obligations pursuant to this Section 2.05(b)(iv) unless after the prepayment in full of the Revolving Credit Loans and Swing Line Loans, such remaining aggregate Revolving Credit Exposure exceeds the aggregate Revolving Credit Commitments then in effect.

(v) (X) Each prepayment of Term Loans pursuant to this Section 2.05(b) shall, except as otherwise provided in following clause (viii), be applied pro rata to each Class of Term Loans and within each Class to the remaining scheduled installments of principal thereof pursuant to Section 2.07(a) in a manner determined at the discretion of the Borrower and specified to the Administrative Agent (it being understood that if the Borrower fails to specify such application at the time of such prepayment, then such prepayment shall be so applied to the remaining scheduled installments of principal in direct order of maturity); and (Y) each such prepayment shall be paid to the Lenders in accordance with their respective Pro Rata Shares subject to clause (vi) of this Section 2.05(b).

(vi) The Borrower shall notify the Administrative Agent in writing of any mandatory prepayment of Term Loans required to be made pursuant to clauses (i) through (iii) of this Section 2.05(b) at least three (3) Business Days prior to the date of such prepayment. Each such notice shall specify the date of such prepayment and provide a reasonably detailed calculation of the amount of such prepayment. The Administrative Agent will promptly notify each Appropriate Lender of the contents of the Borrower's prepayment notice and of such Appropriate Lender's Pro Rata Share of the prepayment. Each Appropriate Lender may reject all or a portion of its Pro Rata Share of any mandatory prepayment (such declined amounts, the "**Declined Proceeds**") of Term Loans required to be made pursuant to clauses (i) through (iii) of this Section 2.05(b) by providing written notice (each, a "**Rejection Notice**") to the Administrative Agent and the Borrower no later than 5:00 p.m. (New York time) one Business Day after the date of such Lender's receipt of notice from the Administrative Agent regarding such prepayment. Each Rejection Notice from a given Lender shall specify the principal amount of the mandatory repayment of Term Loans to be rejected by such Lender. If a Lender fails to deliver a Rejection Notice to the Administrative Agent within the time frame specified above or such Rejection Notice fails to specify the principal amount of the Term Loans to be rejected, any such failure will be deemed an acceptance of the total amount of such mandatory prepayment of Term Loans. Any Declined Proceeds shall be retained by the Borrower ("**Retained Declined Proceeds**"). Notwithstanding the foregoing, no Term Lender shall be permitted to issue a Rejection Notice with respect to any mandatory prepayment made pursuant to Section 2.05(b)(viii).

(vii) Notwithstanding any other provisions of this Section 2.05(b), (i) to the extent that any of or all the Net Cash Proceeds of any Disposition by a Foreign Subsidiary giving rise to a prepayment event pursuant to Section 2.05(b)(ii) (a "**Foreign Disposition**"), the Net Cash Proceeds of any Casualty Event from a Foreign Subsidiary (a "**Foreign Casualty Event**"), or Excess Cash Flow are prohibited, restricted or delayed by applicable local law from being repatriated to the United States, the portion of such Net Cash Proceeds or Excess Cash Flow so affected will not be required to be applied to

repay Term Loans at the times provided in this Section 2.05(b) but may be retained by the applicable Foreign Subsidiary so long, but only so long, as the applicable local law will not permit repatriation to the United States (the Borrower hereby agreeing to cause the applicable Foreign Subsidiary to promptly take all actions reasonably required by the applicable local law to permit such repatriation), and once such repatriation of any of such affected Net Cash Proceeds or Excess Cash Flow is permitted under the applicable local law, such repatriation will be immediately effected and such repatriated Net Cash Proceeds or Excess Cash Flow will be promptly (and in any event not later than two Business Days after such repatriation) applied (net of additional taxes payable or reserved against as a result thereof to the extent not taken into account in the definition of Net Cash Proceeds) to the repayment of the Term Loans pursuant to this Section 2.05(b) to the extent provided herein and (ii) to the extent that the Borrower has determined in good faith that repatriation of any of or all the Net Cash Proceeds of any Foreign Disposition, any Foreign Casualty Event or Excess Cash Flow would have a material adverse tax cost consequence with respect to such Net Cash Proceeds or Excess Cash Flow, the Net Cash Proceeds or Excess Cash Flow so affected may be retained by the applicable Foreign Subsidiary, *provided* that, in the case of this clause (ii), on or before the date on which any Net Cash Proceeds so retained would otherwise have been required to be applied to reinvestments or prepayments pursuant to this Section 2.05(b) (or such Excess Cash Flow would have been so required if it were Net Cash Proceeds), (x) the Borrower applies an amount equal to such Net Cash Proceeds or Excess Cash Flow to such reinvestments or prepayments as if such Net Cash Proceeds or Excess Cash Flow had been received by the Borrower rather than such Foreign Subsidiary, less the amount of additional taxes that would have been payable or reserved against (to the extent not taken into account in the definition of Net Cash Proceeds) if such Net Cash Proceeds or Excess Cash Flow had been repatriated (or, if less, the Net Cash Proceeds or Excess Cash Flow that would be calculated if received by such Foreign Subsidiary) or (y) such Net Cash Proceeds or Excess Cash Flow are applied to the repayment of Indebtedness of a Foreign Subsidiary.

(viii) If the Borrower incurs or issues any Credit Agreement Refinancing Indebtedness to refinance Term Loans, the Borrower shall prepay an aggregate principal amount of Term Loans in an amount equal to 100% of the Net Cash Proceeds of such Credit Agreement Refinancing Indebtedness within three (3) Business Days of the date such Credit Agreement Refinancing Indebtedness is incurred or issued; provided that each prepayment of Term Loans required by this clause (viii) shall be applied to any Class of Term Loans at the discretion of the Borrower and within a Class of Term Loans to the remaining scheduled installments of principal of such Class of Term Loans thereof pursuant to Section 2.07(a) in a manner determined at the discretion of the Borrower and specified in the notice of prepayment (but in any event, applied pro rata to the Lenders of such Class); *provided* that, if the Borrower fails to give such notice at the time of such prepayment or in the event such notice fails to specify the manner in which the respective prepayment of such Class of Term Loans shall be applied to repayments thereof required pursuant to Section 2.07(a), such prepayment of such Class of Term Loans shall be applied in direct order of maturity to repayments thereof required pursuant to Section 2.07(a)

(ix) Notwithstanding anything to the contrary contained in this Agreement, the Borrower may rescind or amend any notice of prepayment issued in connection with Section 2.05(b)(viii) if such prepayment is conditioned on an issuance of Credit Agreement Refinancing Indebtedness, which issuance shall not be consummated or shall otherwise be delayed.

(c) *Repricing Premium.* Any prepayment of the Term B Loans or the Term C Loans pursuant to Section 2.05(a)(i), Section 2.05(b)(iii) or Section 2.05(b)(viii) in connection with a Repricing Event shall be accompanied by the payment of the Repricing Premium, for the ratable account of the Appropriate Lenders with such Term B Loans or Term C Loans that are either repaid, converted or subjected to a pricing reduction in connection with such Repricing Event.

(d) *Interest, Funding Losses, Etc.* All prepayments under this Section 2.05 shall be accompanied by all accrued interest thereon, together with, in the case of any such prepayment of a Eurocurrency Rate Loan on a date other than the last day of an Interest Period therefor, any amounts owing in respect of such Eurocurrency Rate Loan pursuant to Section 3.05.

If all Term Lenders of a Class elect to accept a mandatory prepayment described above, then, with respect to such mandatory prepayment, the amount of such mandatory prepayment shall be applied first to Term Loans of such Class that are Base Rate Loans to the full extent thereof before application to Term Loans of such Class that are Eurocurrency Rate Loans and, in any event, in a manner that is designed to minimize the amount of any payments required to be made by the Borrower pursuant to Section 3.05; *provided, however*, that, if at the time of any prepayment pursuant to Section 2.05(b) there shall be Term Borrowings of different Types or Eurocurrency Rate Term Borrowings of the applicable Class with different Interest Periods, and if some but not all Term Lenders of the applicable Class shall have accepted such mandatory prepayment, then the aggregate amount of such mandatory prepayment shall be allocated ratably to each outstanding applicable Term Borrowing of the accepting Term Lenders.

Notwithstanding any of the other provisions of this Section 2.05, so long as no Event of Default shall have occurred and be continuing, if any prepayment of Eurocurrency Rate Loans is required to be made under this Section 2.05 prior to the last day of the Interest Period therefor, in lieu of making any payment pursuant to this Section 2.05 in respect of any such Eurocurrency Rate Loan prior to the last day of the Interest Period therefor, the Borrower may, in its sole discretion, deposit the amount of any such prepayment otherwise required to be made thereunder into a cash collateral account until the last day of such Interest Period, at which time the Administrative Agent shall be authorized (without any further action by or notice to or from the Borrower or any other Loan Party) to apply such amount to the prepayment of such Loans in accordance with this Section 2.05. Upon the occurrence and during the continuance of any Event of Default, the Administrative Agent shall also be authorized (without any further action by or notice to or from the Borrower or any other Loan Party) to apply such amount to the prepayment of the outstanding Loans in accordance with the relevant provisions of this Section 2.05.

SECTION 2.06 Termination or Reduction of Commitments.

(a) *Optional.* The Borrower may, upon written notice to the Administrative Agent, terminate the unused Commitments of any Class, or from time to time permanently reduce the unused Commitments of any Class, in each case without premium or penalty; *provided* that (i) any such notice shall be received by the Administrative Agent one (1) Business Day prior to the date of termination or reduction, (ii) any such partial reduction shall be in an aggregate amount of \$500,000 or any whole multiple of \$100,000 in excess thereof and (iii) if, after giving effect to any reduction of the Commitments, the Swing Line Sublimit exceeds the amount of the Revolving Credit Facility, then in any such case the Swing Line Sublimit shall be automatically reduced by the amount of such excess. Any such notice of termination or reduction of commitments pursuant to this Section 2.06(a) may state that it is conditioned upon the occurrence or non-occurrence of any event specified therein (including the effectiveness of other credit facilities), in which case such notice may be revoked by the Borrower if such condition is not satisfied.

(b) *Mandatory.* The Term Commitment of each Term Lender shall be automatically and permanently reduced to \$0 upon the making of such Term Lender's Term Loans pursuant to Section 2.01(a). The Revolving Credit Commitments shall terminate on the applicable Maturity Date for each such Facility.

(c) *Application of Commitment Reductions; Payment of Fees.* The Administrative Agent will promptly notify the Revolving Credit Lenders of any termination or reduction of unused portions of the Swing Line Sublimit and all Lenders of the termination or reduction of unused Commitments of any Class under this Section 2.06. Upon any reduction of unused Commitments of any Class, the Commitment of each Lender of such Class shall be reduced by such Lender's Pro Rata Share of the amount by which such Commitments are reduced (other than the termination of the Commitment of any Lender as provided in Section 3.07). All commitment fees accrued until the effective date of any termination of any Revolving Credit Commitments shall be paid on the effective date of such termination.

(d) *Revolving Credit Commitment Terminations in connection with Refinancing Amendments.* On the date of the effectiveness of any Refinancing Amendment relating to Revolving Credit Commitments, the amount of the commitments which became so effective shall be required to reduce commitments pursuant to the then outstanding Revolving Credit Commitments, as elected by the Borrower, and at such time repayments of outstandings pursuant to the respective Revolving Credit Facilities shall be made to the extent needed so that the provisions Section 2.05(b)(iv) are complied with. In addition, at the time of any incurrence of Credit Agreement Refinancing Indebtedness in respect of existing Revolving Credit Commitments, an amount equal to the Net Cash Proceeds thereof (or, if greater, the total commitments with respect thereto) shall be applied to permanently reduce outstanding Revolving Credit Commitments and at such time repayments of outstandings pursuant to the respective Revolving Credit Facilities shall be made so that the provisions of Section 2.05(b)(iv) are complied with. All reductions to the Revolving Credit Commitments pursuant to this clause (d) shall be applied to any Class of Revolving Credit Commitments at the discretion of the Borrower and pro rata within a Class of Revolving Credit Commitments.

(e) *Termination of the Revolving Credit Commitments.* On the Maturity Date of any Class of Revolving Credit Commitments, such Revolving Credit Commitments will terminate and the respective Lenders who held such terminated Commitments will have no obligation to make, or participate in, extensions of credit (whether the making of Loans or the issuance of Letters of Credit) made pursuant to such Commitments after such Maturity Date; provided that, except as expressly provided in the immediately succeeding sentence, (x) the foregoing shall not release any Revolving Credit Lender from liability it may have for its failure to fund Revolving Credit Loans, L/C Advances or participations in Swing Line Loans that was required to be performed by it on or prior to such Maturity Date and (y) the foregoing will not release any Revolving Credit Lender from any obligation to fund its portion of L/C Advances or participations in Swing Line Loans with respect to Letters of Credit issued or Swing Line Loans made prior to such Maturity Date.

SECTION 2.07 Repayment of Loans.

(a) *Term Loans.* The Borrower shall repay to the Administrative Agent for the ratable account of the Appropriate Lenders:

(i) on the last Business Day of each March, June, September and December, commencing with the last Business Day of March 2013, an aggregate Dollar Amount equal to 0.25% of the aggregate Dollar Amount of all Term B Loans outstanding on the Closing Date (as such repayment amount shall be reduced as a result of the application of prepayments as directed by the Borrower pursuant to Section 2.05).

(ii) on each date set forth below (or, if not a Business Day, the immediately preceding Business Day), an aggregate Dollar Amount equal to (x) the percentage set forth below opposite such date multiplied by (y) the aggregate Dollar Amount of all Term C Loans outstanding on the Closing Date (as such repayment amount shall be reduced as a result of the application of prepayments as directed by the Borrower pursuant to Section 2.05):

(b) *Revolving Credit Loans*. The Borrower shall repay to the Administrative Agent for the ratable account of the Appropriate Lenders on the relevant Maturity Date the aggregate principal amount of all of its Revolving Credit Loans of such Class outstanding on such date.

(c) *Swing Line Loans*. The Borrower shall repay each Swing Line Loan on the earlier to occur of (i) the date ten (10) Business Days after such Loan is made and (ii) the earliest Revolving Credit Maturity Date then in effect (although Swing Line Loans may thereafter be reborrowed in accordance with the terms and conditions hereof, if there are one or more Classes of Revolving Credit Commitments which remain in effect).

(d) For the avoidance of doubt, all Loans shall be repaid, whether pursuant to this Section 2.07 or otherwise, in the currency in which they were made.

SECTION 2.08 Interest.

(a) Subject to the provisions of Section 2.08(b), (i) each Eurocurrency Rate Loan shall bear interest on the outstanding principal amount thereof for each Interest Period at a rate per annum equal to the Eurocurrency Rate for such Interest Period plus the Applicable Rate plus (in the case of a Eurocurrency Rate Loan of any Lender which is lent from a Lending Office in the United Kingdom or a Participating Member State) the Mandatory Cost; (ii) each Base Rate Loan shall bear interest on the outstanding principal amount thereof from the applicable borrowing date at a rate per annum equal to the Base Rate plus the Applicable Rate and (iii) each Swing Line Loan shall bear interest on the outstanding principal amount thereof from the applicable borrowing date at a rate per annum equal to the Base Rate plus the Applicable Rate for Revolving Credit Loans. For the avoidance of doubt, each Revolving Credit Loan denominated in an Alternative Currency shall be a Eurocurrency Rate Loan.

(b) The Borrower shall pay interest on past due amounts hereunder at a fluctuating interest rate per annum at all times equal to the Default Rate to the fullest extent permitted by applicable Laws. Accrued and unpaid interest on past due amounts (including interest on past due interest) shall be due and payable upon demand.

(c) Interest on each Loan shall be due and payable in arrears on each Interest Payment Date applicable thereto and at such other times as may be specified herein. Interest hereunder shall be due and payable in accordance with the terms hereof before and after judgment, and before and after the commencement of any proceeding under any Debtor Relief Law.

(d) Interest on each Loan shall be payable in the currency in which each Loan was made.

(e) All computations of interest hereunder shall be made in accordance with Section 2.10.

SECTION 2.09 Fees. In addition to certain fees described in Sections 2.03(h) and (i):

(a) *Commitment Fee*. With respect to the Revolving Credit Facility, the Borrower shall pay to the Administrative Agent, for the account of each Revolving Credit Lender in accordance with its Pro Rata Share, a commitment fee equal to the Applicable Rate with respect to commitment fees then in effect for the applicable Class of Revolving Credit Commitments times the actual daily amount by which the aggregate Revolving Credit Commitments for such Facility exceed the sum of (x) the Outstanding Amount of Revolving Credit Loans under such Facility and (y) the Outstanding Amount of L/C Obligations for such Facility; *provided* that any commitment fee accrued with respect to any of the Revolving Credit Commitments under such Facility of a Defaulting Lender during the period prior to the time such Lender became a Defaulting Lender and unpaid at such time shall not be payable by the Borrower so long as such Lender shall be a Defaulting Lender except to the extent that such commitment fee shall otherwise have been due and payable by the Borrower prior to such time; and *provided further* that no commitment fee shall accrue on any of the Revolving Credit

Commitments of a Defaulting Lender so long as such Lender shall be a Defaulting Lender. The commitment fees for the Revolving Credit Facility shall accrue at all times from the Closing Date until the relevant Maturity Date, including at any time during which one or more of the conditions in Article IV is not met, and shall be due and payable quarterly in arrears on the last Business Day of each March, June, September and December, commencing with the first such date to occur after the Closing Date, and on the Maturity Date for such Facility. The commitment fee shall be calculated quarterly in arrears, and if there is any change in the Applicable Rate during any quarter, the actual daily amount shall be computed and multiplied by the Applicable Rate separately for each period during such quarter that such Applicable Rate was in effect.

(b) *Upfront Fees.*

(i) The Borrower agrees to pay on the Closing Date to each Term B Lender party to this Agreement as a Term B Lender on the Closing Date, as fee compensation for the funding of such Term B Lender's Term B Loan, a closing fee in an amount equal to 0.50% of the stated principal amount of such Term B Lender's Term B Loan. Such fees shall be payable to each Term B Lender out of the proceeds of such Term B Lender's Term Loan as and when funded on the Closing Date and shall be treated (and reported) by the Borrower and such Term B Lenders as a reduction in issue price of such Term B Loans for U.S. federal, state and local income tax purposes.

(ii) The Borrower agrees to pay on the Closing Date to each Term C Lender party to this Agreement as a Term C Lender on the Closing Date, as fee compensation for the funding of such Term C Lender's Term C Loan, a closing fee in an amount equal to 0.25% of the stated principal amount of such Term B Lender's Term C Loan. Such fees shall be payable to each Term C Lender out of the proceeds of such Term C Lender's Term Loan as and when funded on the Closing Date and shall be treated (and reported) by the Borrower and such Term C Lenders as a reduction in issue price of such Term C Loans for U.S. federal, state and local income tax purposes.

(c) *Other Fees.* The Borrower shall pay to the Agents such fees as shall have been separately agreed upon in writing in the amounts and at the times so specified. Such fees shall be fully earned when paid and shall not be refundable for any reason whatsoever (except as expressly agreed between the Borrower and the applicable Agent).

SECTION 2.10 Computation of Interest and Fees. All computations of interest for Base Rate Loans shall be made on the basis of a year of three hundred and sixty-five (365) days or three hundred and sixty-six (366) days, as applicable, and actual days elapsed. All computations of interest for Revolving Credit Loans denominated in Sterling shall be made on the basis of a year of three hundred and sixty-five (365) days and actual days elapsed. All other computations of fees and interest shall be made on the basis of a three hundred and sixty (360) day year and actual days elapsed. Interest shall accrue on each Loan for the day on which the Loan is made, and shall not accrue on a Loan, or any portion thereof, for the day on which the Loan or such portion is paid; *provided* that any Loan that is repaid on the same day on which it is made shall, subject to Section 2.12(a), bear interest for one (1) day. Each determination by the Administrative Agent of an interest rate or fee hereunder shall be conclusive and binding for all purposes, absent manifest error.

SECTION 2.11 Evidence of Indebtedness.

(a) The Credit Extensions made by each Lender shall be evidenced by one or more accounts or records maintained by such Lender and evidenced by one or more entries in the Register maintained by the Administrative Agent, acting solely for purposes of Treasury Regulation Section 5f.103-1(c), as agent for the Borrower, in each case in the ordinary course of business. The accounts or records maintained by the Administrative Agent and each Lender shall be prima facie evidence absent manifest error of the amount of the Credit Extensions made by the Lenders to the Borrower and the interest and payments thereon. Any failure to so record or any error in doing so shall not, however, limit or otherwise affect the obligation of the Borrower hereunder to pay any amount owing with respect to the Obligations. In the event of any conflict between the accounts and records maintained by any Lender and the accounts and records of the Administrative Agent in respect of such matters, the accounts and records of the Administrative Agent shall control in the absence of manifest error. Upon the request of any Lender made through the Administrative Agent, the Borrower shall execute and deliver to such Lender (through the Administrative Agent) a Note or Notes payable to such Lender, which shall evidence such Lender's Loans of the applicable Class or Classes in addition to such accounts or records. Each Lender may attach schedules to its Note and endorse thereon the date, Type (if applicable), amount and maturity of its Loans and payments with respect thereto.

(b) In addition to the accounts and records referred to in Section 2.11(a), each Lender and the Administrative Agent shall maintain in accordance with its usual practice accounts or records and, in the case of the Administrative Agent, entries in the Register, evidencing the purchases and sales by such Lender of participations in Letters of Credit and Swing Line Loans. In the event of any conflict between the accounts and records maintained by the Administrative Agent and the accounts and records of any Lender in respect of such matters, the accounts and records of the Administrative Agent shall control in the absence of manifest error.

(c) Entries made in good faith by the Administrative Agent in the Register pursuant to Sections 2.11(a) and (b), and by each Lender in its account or accounts pursuant to Sections 2.11(a) and (b), shall be prima facie evidence of the amount of principal and interest due and payable or to become due and payable from the Borrower to, in the case of the Register, each Lender and, in the case of such account or accounts, such Lender, under this Agreement and the other Loan Documents, absent manifest error; *provided* that the failure of the Administrative Agent or such Lender to make an entry, or any finding that an entry is incorrect, in the Register or such account or accounts shall not limit or otherwise affect the obligations of the Borrower under this Agreement and the other Loan Documents.

SECTION 2.12 Payments Generally.

(a) All payments to be made by the Borrower shall be made without condition or deduction for any counterclaim, defense, recoupment or setoff. Except as otherwise expressly provided herein and except with respect to payments in an Alternative Currency, all

payments by the Borrower hereunder shall be made to the Administrative Agent, for the account of the respective Lenders to which such payment is owed, at the applicable Administrative Agent's Office for payment in Dollars and in Same Day Funds not later than 2:00 p.m. on the date specified herein. Except as otherwise expressly provided herein, all payments by the Borrower hereunder in an Alternative Currency shall be made to the Administrative Agent, for the account of the respective Lenders to which such payment is owed, at the applicable Administrative Agent's Office in such Alternative Currency and in Same Day Funds not later than 2:00 p.m. (London time) on the dates specified herein. If, for any reason, the Borrower is prohibited by any Law from making any required payment hereunder in an Alternative Currency, the Borrower shall make such payment in Dollars in the Dollar Amount of the Alternative Currency payment amount. The Administrative Agent will promptly distribute to each Lender its Pro Rata Share (or other applicable share as provided herein) of such payment in like funds as received by wire transfer to such Lender's Lending Office. All payments received by the Administrative Agent (i) after 2:00 p.m., New York City time in the case of payments in Dollars, or (ii) after 2:00 p.m. (London time) in the case of payments in an Alternative Currency, shall in each case be deemed received on the next succeeding Business Day and any applicable interest or fee shall continue to accrue.

(b) If any payment to be made by the Borrower shall come due on a day other than a Business Day, payment shall be made on the next following Business Day, and such extension of time shall be reflected in computing interest or fees, as the case may be; *provided* that, if such extension would cause payment of interest on or principal of Eurocurrency Rate Loans to be made in the next succeeding calendar month, such payment shall be made on the immediately preceding Business Day.

(c) Unless the Borrower or any Lender has notified the Administrative Agent, prior to the date any payment is required to be made by it to the Administrative Agent hereunder, that the Borrower or such Lender, as the case may be, will not make such payment, the Administrative Agent may assume that the Borrower or such Lender, as the case may be, has timely made such payment and may (but shall not be so required to), in reliance thereon, make available a corresponding amount to the Person entitled thereto. If and to the extent that such payment was not in fact made to the Administrative Agent in Same Day Funds, then:

(i) if the Borrower failed to make such payment, each Lender shall forthwith on demand repay to the Administrative Agent the portion of such assumed payment that was made available to such Lender in Same Day Funds, together with interest thereon in respect of each day from and including the date such amount was made available by the Administrative Agent to such Lender to the date such amount is repaid to the Administrative Agent in Same Day Funds at the applicable Overnight Rate from time to time in effect; and

(ii) if any Lender failed to make such payment, such Lender shall forthwith on demand pay to the Administrative Agent the amount thereof in Same Day Funds, together with interest thereon for the period from the date such amount was made available by the Administrative Agent to the Borrower to the date such amount is recovered by the Administrative Agent (the "**Compensation Period**") at a rate per annum equal to the applicable Overnight Rate from time to time in effect. When such Lender makes

payment to the Administrative Agent (together with all accrued interest thereon), then such payment amount (excluding the amount of any interest which may have accrued and been paid in respect of such late payment) shall constitute such Lender's Loan included in the applicable Borrowing. If such Lender does not pay such amount forthwith upon the Administrative Agent's demand therefor, the Administrative Agent may make a demand therefor upon the Borrower, and the Borrower shall pay such amount to the Administrative Agent, together with interest thereon for the Compensation Period at a rate per annum equal to the rate of interest applicable to the applicable Borrowing. Nothing herein shall be deemed to relieve any Lender from its obligation to fulfill its Commitment or to prejudice any rights that the Administrative Agent or the Borrower may have against any Lender as a result of any default by such Lender hereunder.

A notice of the Administrative Agent to any Lender or the Borrower with respect to any amount owing under this Section 2.12(c) shall be conclusive, absent manifest error.

(d) If any Lender makes available to the Administrative Agent funds for any Loan to be made by such Lender as provided in the foregoing provisions of this Article II, and such funds are not made available to the Borrower by the Administrative Agent because the conditions to the applicable Credit Extension set forth in Article IV are not satisfied or waived in accordance with the terms hereof, the Administrative Agent shall return such funds (in like funds as received from such Lender) to such Lender, without interest.

(e) The obligations of the Lenders hereunder to make Loans and to fund participations in Letters of Credit and Swing Line Loans are several and not joint. The failure of any Lender to make any Loan or to fund any such participation on any date required hereunder shall not relieve any other Lender of its corresponding obligation to do so on such date, and no Lender shall be responsible for the failure of any other Lender to so make its Loan or purchase its participation.

(f) Nothing herein shall be deemed to obligate any Lender to obtain the funds for any Loan in any particular place or manner or to constitute a representation by any Lender that it has obtained or will obtain the funds for any Loan in any particular place or manner.

(g) Whenever any payment received by the Administrative Agent under this Agreement or any of the other Loan Documents is insufficient to pay in full all amounts due and payable to the Administrative Agent and the Lenders under or in respect of this Agreement and the other Loan Documents on any date, such payment shall be distributed by the Administrative Agent and applied by the Administrative Agent and the Lenders in the order of priority set forth in Section 9.03. If the Administrative Agent receives funds for application to the Obligations of the Loan Parties under or in respect of the Loan Documents under circumstances for which the Loan Documents do not specify the manner in which such funds are to be applied, the Administrative Agent may, but shall not be obligated to, elect to distribute such funds to each of the Lenders in accordance with such Lender's Pro Rata Share of the sum of (a) the Outstanding Amount of all Loans outstanding at such time and (b) the Outstanding Amount of all L/C Obligations outstanding at such time, in repayment or prepayment of such of the outstanding Loans or other Obligations then owing to such Lender.

SECTION 2.13 Sharing of Payments. If, other than as expressly provided elsewhere herein, any Lender shall obtain on account of the Loans made by it, or the participations in L/C Obligations and Swing Line Loans held by it, any payment (whether voluntary, involuntary, through the exercise of any right of setoff, or otherwise) in excess of its ratable share (or other share contemplated hereunder) thereof, such Lender shall immediately (a) notify the Administrative Agent of such fact, and (b) purchase from the other Lenders such participations in the Loans made by them and/or such subparticipations in the participations in L/C Obligations or Swing Line Loans held by them, as the case may be, as shall be necessary to cause such purchasing Lender to share the excess payment in respect of such Loans or such participations, as the case may be, pro rata with each of them; *provided* that if all or any portion of such excess payment is thereafter recovered from the purchasing Lender under any of the circumstances described in Section 11.06 (including pursuant to any settlement entered into by the purchasing Lender in its discretion), such purchase shall to that extent be rescinded and each other Lender shall repay to the purchasing Lender the purchase price paid therefor, together with an amount equal to such paying Lender's ratable share (according to the proportion of (i) the amount of such paying Lender's required repayment to (ii) the total amount so recovered from the purchasing Lender) of any interest or other amount paid or payable by the purchasing Lender in respect of the total amount so recovered, without further interest thereon. The Borrower agrees that any Lender so purchasing a participation from another Lender may, to the fullest extent permitted by applicable Law, exercise all its rights of payment (including the right of setoff, but subject to Section 11.09) with respect to such participation as fully as if such Lender were the direct creditor of the Borrower in the amount of such participation. The Administrative Agent will keep records (which shall be conclusive and binding in the absence of manifest error) of participations purchased under this Section 2.13 and will in each case notify the Lenders following any such purchases or repayments. Each Lender that purchases a participation pursuant to this Section 2.13 shall from and after such purchase have the right to give all notices, requests, demands, directions and other communications under this Agreement with respect to the portion of the Obligations purchased to the same extent as though the purchasing Lender were the original owner of the Obligations purchased.

SECTION 2.14 Incremental Credit Extensions. (i) At any time and from time to time after the Closing Date, subject to the terms and conditions set forth herein, the Borrower may, by notice to the Administrative Agent (whereupon the Administrative Agent shall promptly make such notice available to each of the Lenders), request to effect one or more additional tranches of revolving credit commitments ("**Incremental Revolving Credit Commitments**") and any related revolving credit loans thereunder, "**Incremental Revolving Credit Loans**") or increases in the aggregate amount of the Revolving Credit Commitments under any existing Class (each such increase, a "**Revolving Credit Commitment Increase**"; together with the Incremental Revolving Credit Loans, "**Incremental Revolving Credit Facilities**") from Additional Revolving Credit Lenders; *provided* that at the time of each such request and upon the effectiveness of each Incremental Revolving Credit Facility Amendment, (A) no Event of Default shall result therefrom, (B) the aggregate principal amount of all Incremental Revolving Credit Facilities, Incremental Term Facilities and Additional Notes incurred after the Closing Date would not exceed (x) \$500,000,000 plus (y) an additional amount to the extent that the Senior Secured First-Lien Net Leverage Ratio (treating all such Incremental Revolving Credit Facilities, Incremental Term Facilities and Additional Notes as Senior

Secured First-Lien Indebtedness solely for purposes of calculating such Senior Secured First-Lien Net Leverage Ratio even if such Indebtedness would not otherwise constitute Senior Secured First-Lien Indebtedness) on a Pro Forma Basis after giving effect to the incurrence of any such proposed Incremental Revolving Credit Facilities and any related transactions (treating any proposed Incremental Revolving Credit Facilities and Additional Notes that are “revolving” in nature as fully drawn, but not including the proceeds of any proposed Incremental Revolving Credit Facilities, Incremental Term Facilities and Additional Notes in the amount of cash to be netted in calculating such ratio) would be less than or equal to 4.0:1.0 as of the end of the most recently ended Test Period, (C) the Borrower shall be in compliance on a Pro Forma Basis (treating any proposed Incremental Revolving Credit Facility as fully drawn, but not including the proceeds of any such deemed draw in the amount of cash to be netted in calculating such ratio) with the Financial Performance Covenant as of the end of the most recent Test Period (regardless of whether such Financial Performance Covenant is applicable at such time), (D) (i) in the case of any Incremental Revolving Credit Loans, the maturity date thereof shall be no earlier than the Revolving Credit Maturity Date, such Incremental Revolving Credit Loans shall require no scheduled amortization or mandatory commitment reduction prior to the Revolving Credit Maturity Date and (ii) any Revolving Credit Commitment Increase shall be on the same terms (and pursuant to the same documentation) governing the Revolving Credit Commitments pursuant to this Agreement (including upfront fees, but excluding customary arranger fees), (E) the interest rate margins and, subject to clause (D), the amortization schedule applicable to any Incremental Revolving Credit Loans shall be determined by the Borrower and the Lenders thereunder; *provided* that in the event that the Effective Yield for any Incremental Revolving Credit Loans is higher than the Effective Yield for the Revolving Credit Loans by more than 50 basis points, then the Effective Yield for the Revolving Credit Loans shall be increased to the extent necessary so that such Effective Yield is equal to the Effective Yield for such Incremental Revolving Credit Loans minus 50 basis points; *provided, further*, that, in determining the Effective Yield applicable to the Incremental Revolving Credit Loans incurred pursuant to such Incremental Revolving Credit Facility and the Revolving Credit Loans, (x) OID or upfront fees (which shall be deemed to constitute like amounts of OID for purposes of this determination) payable by the Borrower to the Revolving Credit Lenders or any Additional Revolving Credit Lenders (with OID being equated to interest based on assumed four-year life to maturity) shall be included, (y) customary arrangement or commitment fees payable to the Joint Bookrunners (or their Affiliates) in connection with this Agreement or to one or more arrangers (or their Affiliates) of any Incremental Revolving Credit Loans shall be excluded and (z) if the Incremental Revolving Credit Loan includes an interest rate floor greater than the interest rate floor applicable to the Revolving Credit Loans, such increased amount shall be equated to interest margin for purposes of determining whether an increase to the applicable interest margin for the Revolving Credit Loans shall be required, to the extent an increase in the interest rate floor in the Revolving Credit Loans would cause an increase in the interest rate then in effect, and in such case the interest rate floor applicable to the Revolving Credit Loans shall be increased by such increased amount and (F) any Incremental Revolving Credit Facility Amendment entered into after the Closing Date shall be on the terms and pursuant to documentation to be determined

by the Borrower and the Additional Revolving Credit Lenders with the applicable Incremental Revolving Credit Facilities; *provided* that to the extent such terms and documentation are not consistent with this Agreement (except to the extent permitted by clauses (D) and (E) above), they shall be reasonably satisfactory to the Administrative Agent; *provided further* that no L/C Issuer or Swing Line Lender shall be required to act as “issuing bank” or “swingline lender” under any such Incremental Revolving Credit Facility without its written consent. Each Incremental Revolving Credit Facility shall be in a minimum principal amount of \$5,000,000 and integral multiples of \$1,000,000 in excess thereof unless such amount represents all the remaining availability under the aggregate principal amount of Incremental Revolving Credit Facilities set forth above.

(ii) At any time and from time to time after the Closing Date, subject to the terms and conditions set forth herein, the Borrower may, by notice to the Administrative Agent (whereupon the Administrative Agent shall promptly make a copy of such notice available to each of the Lenders), request to effect one or more additional tranches of term loans hereunder (“**Incremental Term Loans**”) or increases in the aggregate amount of the Term Commitments of any existing Class, which shall take the form of an additional tranche of term loans hereunder (each such increase, a “**Term Commitment Increase**”); together with the Incremental Term Loans, the “**Incremental Term Facilities**”) from one or more Additional Term Lenders; *provided* that at the time of each such request and upon the effectiveness of each Incremental Term Facility Amendment, (A) no Event of Default shall result therefrom, (B) the aggregate principal amount of all Incremental Revolving Credit Facilities, Incremental Term Facilities and Additional Notes incurred after the Closing Date would not exceed (x) \$500,000,000 plus (y) an additional amount to the extent that the Senior Secured First-Lien Net Leverage Ratio (treating all such Incremental Revolving Credit Facilities, Incremental Term Facilities and Additional Notes as Senior Secured First-Lien Indebtedness solely for purposes of calculating such Senior Secured First-Lien Net Leverage Ratio even if such Indebtedness would not otherwise constitute Senior Secured First-Lien Indebtedness) on a Pro Forma Basis after giving effect to the incurrence of any such proposed Incremental Term Facility and any related transactions (treating any proposed Incremental Revolving Credit Facilities and Additional Notes that are “revolving” in nature as fully drawn, but not including the proceeds of any proposed Incremental Revolving Credit Facilities, Incremental Term Facilities and Additional Notes in the amount of cash to be netted in calculating such ratio) would be less than or equal to 4.0:1.0 as of the end of the most recently ended Test Period, (C) the Borrower shall be in compliance on a Pro Forma Basis with the Financial Performance Covenant as of the end of the most recent Test Period (regardless of whether such Financial Performance Covenant is applicable at such time), (D) the maturity date of any such Incremental Term Facility shall not be earlier than the Term B Maturity Date, (E) the Weighted Average Life to Maturity of any such Incremental Term Facility shall not be shorter than the remaining Weighted Average Life to Maturity of the Term B Loans, (F) the interest rate margins and, subject to clause (E), the amortization schedule for any Incremental Term Facility shall be determined by the Borrower and the Additional Term Lenders thereunder; *provided* that in the event that the Effective Yield for any Incremental Term Facility is higher than the Effective Yield for the Term B Loans by more than 50 basis points, then the Effective Yield for the Term B Loans shall be increased to the extent necessary so that such Effective Yield is equal to

the Effective Yield for such Incremental Term Facility minus 50 basis points; *provided, further*, that, in determining the Effective Yield applicable to the Incremental Term Facility and the Term B Loans (x) OID or upfront fees (which shall be deemed to constitute like amounts of OID) payable by Borrower to the Term B Lenders or any Additional Term Lenders in the initial primary syndication thereof (with OID being equated to interest based on assumed four-year life to maturity) shall be included, (y) customary arrangement or commitment fees payable to the Joint Bookrunners (or their Affiliates) in connection with this Agreement or to one or more arrangers (or their Affiliates) of any Incremental Term Facility shall be excluded and (z) if the Incremental Term Facility includes an interest rate floor greater than the interest rate floor applicable to the Term B Loans, such increased amount shall be equated to interest margin for purposes of determining whether an increase to the applicable interest margin for the Term B Loans shall be required, to the extent an increase in the interest rate floor in the Term B Loans would cause an increase in the interest rate then in effect, and in such case the interest rate floor (but not the interest rate margin) applicable to the Term B Loans shall be increased by such increased amount and (G) any Incremental Term Facility Amendment entered into after the Closing Date shall be on the terms and pursuant to documentation to be determined by the Borrower and the Additional Term Lenders with the applicable Incremental Term Facilities; *provided* that to the extent such terms and documentation are not consistent with this Agreement (except to the extent permitted by clause (F) above), they shall be reasonably satisfactory to the Administrative Agent. Each Incremental Term Facility incurred after the Closing Date shall be in a minimum principal amount of \$10,000,000 and, except with respect to the Term Commitment Increase, integral multiples of \$1,000,000 in excess thereof unless such amount represents all the remaining availability under the aggregate principal amount of Incremental Term Facilities set forth above.

(b) (i) Each notice from the Borrower pursuant to this Section shall set forth the requested amount of the relevant Incremental Revolving Credit Loan, Revolving Credit Commitment Increase, Incremental Term Loan or Term Commitment Increase.

(ii) Commitments in respect of any Incremental Revolving Credit Loan or Revolving Credit Commitment Increase incurred after the Closing Date shall become Commitments (or in the case of any Revolving Credit Commitment Increase to be provided after the Closing Date by an existing Revolving Credit Lender, an increase in such Revolving Credit Lender's Revolving Credit Commitment) under this Agreement pursuant to an amendment (an "**Incremental Revolving Credit Facility Amendment**") to this Agreement and, as appropriate, the other Loan Documents, executed by the Borrower, such Additional Revolving Credit Lenders and the Administrative Agent. Incremental Revolving Credit Loans and Revolving Credit Commitment Increases may be provided, subject to the prior written consent of the Borrower (not to be unreasonably withheld), by any existing Lender (it being understood that no existing Lender shall have the right to participate in any Incremental Revolving Credit Facility or, unless it agrees, be obligated to provide any Incremental Revolving Credit Loan or Revolving Credit Commitment Increase) or by any other Additional Revolving Credit Lender. An Incremental Revolving Credit Facility Amendment may, without the consent of any other Lenders, effect such amendments to any Loan Documents as may be necessary or

appropriate, in the reasonable opinion of the Administrative Agent, to effect the provisions of this Section. The effectiveness of any Incremental Revolving Credit Facility Amendment shall, unless otherwise agreed to by the Administrative Agent and the Additional Revolving Credit Lenders, be subject to the satisfaction on the date thereof (each, an “**Incremental Revolving Credit Facility Closing Date**”) of each of the conditions set forth in Section 4.02 (it being understood that all references to “the date of such Credit Extension” in Section 4.02 shall be deemed to refer to the Incremental Revolving Credit Facility Closing Date) and, to the extent reasonably requested by the Administrative Agent, receipt by the Administrative Agent of legal opinions, board resolutions, officers’ certificates and/or reaffirmation agreements consistent with those delivered on the Closing Date under Section 4.01 (other than changes to such legal opinions resulting from a change in law, change in fact or change to counsel’s form of opinion reasonably satisfactory to the Administrative Agent).

(iii) Commitments in respect of any Incremental Term Facility shall become Commitments under this Agreement pursuant to an amendment (an “**Incremental Term Facility Amendment**”) to this Agreement and, as appropriate, the other Loan Documents, executed by the Borrower, such Additional Term Lenders and the Administrative Agent. Incremental Term Facilities may be provided, subject to the prior written consent of the Borrower (not to be unreasonably withheld), by any existing Lender (it being understood that no existing Lender shall have any right to participate in any Incremental Term Facility or, unless it agrees, be obligated to provide any Incremental Term Loan or Term Commitment Increase thereunder) or by any other Additional Term Lender. An Incremental Term Facility Amendment may, without the consent of any other Lenders, effect such amendments to any Loan Documents as may be necessary or appropriate, in the reasonable opinion of the Administrative Agent, to effect the provisions of this Section. The effectiveness of any Incremental Term Facility Amendment shall, unless otherwise agreed to by the Administrative Agent and the Additional Term Lenders, be subject to the satisfaction on the date thereof (each, an “**Incremental Term Facility Closing Date**”) of each of the conditions set forth in Section 4.02 (it being understood that all references to “the date of such Borrowing” in Section 4.02 shall be deemed to refer to the Incremental Term Facility Closing Date) and, to the extent reasonably requested by the Administrative Agent, receipt by the Administrative Agent of legal opinions, board resolutions, officers’ certificates and/or reaffirmation agreements consistent with those delivered on the Closing Date under Section 4.01 (other than changes to such legal opinions resulting from a change in law, change in fact or change to counsel’s form of opinion reasonably satisfactory to the Administrative Agent).

(c) (i) Upon effectiveness of each Revolving Credit Commitment Increase pursuant to this Section, each Revolving Credit Lender immediately prior to such increase will automatically and without further act be deemed to have assigned to each Additional Revolving Credit Lender providing a portion of such Revolving Credit Commitment Increase (each a “**Revolving Credit Commitment Increase Lender**”), and each such Revolving Credit Commitment Increase Lender will automatically and without further act be deemed to have assumed, a portion of such Revolving Credit Lender’s participations hereunder in outstanding Letters of Credit and Swing Line Loans such that,

after giving effect to such Revolving Credit Commitment Increase and each such deemed assignment and assumption of participations, the percentage of the aggregate outstanding (A) participations hereunder in Letters of Credit and (B) participations hereunder in Swing Line Loans held by each Revolving Credit Lender (including each such Revolving Credit Commitment Increase Lender) will equal such Revolving Credit Lender's Pro Rata Share. Any Revolving Credit Loans outstanding immediately prior to the date of such Revolving Credit Commitment Increase that are Eurocurrency Loans will (except to the extent otherwise repaid in accordance herewith) continue to be held by, and all interest thereon will continue to accrue for the accounts of, the Revolving Credit Lenders holding such Loans immediately prior to the date of such Revolving Credit Commitment Increase, in each case until the last day of the then-current Interest Period applicable to any such Loan, at which time it will be repaid or refinanced with new Revolving Credit Loans made pursuant to Section 2.01 in accordance with the Pro Rata Shares of the Revolving Credit Lenders after giving effect to the Revolving Credit Commitment Increase; *provided, however*, that upon the occurrence of any Event of Default, each Revolving Credit Commitment Increase Lender will promptly purchase (for cash at face value) assignments of portions of such outstanding Revolving Credit Loans of other Revolving Credit Lenders so that, after giving effect thereto, all Revolving Credit Loans that are Eurocurrency Loans are held by the Revolving Credit Lenders in accordance with their then-current Pro Rata Shares. Any such assignments shall be effected in accordance with the provisions of Section 11.07; *provided* that the parties hereto hereby consent to such assignments and the minimum assignment amounts and processing and recordation fee set forth in Section 11.07(b)(ii) shall not apply thereto. If there are any Base Rate Revolving Credit Loans outstanding on the date of such Revolving Credit Commitment Increase, such Loans shall either be prepaid by the Borrower on such date or refinanced on such date (subject to satisfaction of applicable borrowing conditions) with Revolving Credit Loans made on such date by the Revolving Credit Lenders (including the Revolving Credit Commitment Increase Lenders) in accordance with their Pro Rata Shares. In order to effect any such refinancing, (i) each Revolving Credit Commitment Increase Lender will make Base Rate Revolving Credit Loans to the Borrower by transferring funds to the Administrative Agent in an amount equal to the aggregate outstanding amount of such Loans of such Type times a percentage obtained by dividing the amount of such Revolving Credit Commitment Increase Lender's Revolving Credit Commitment Increase by the aggregate amount of the Revolving Credit Commitments (after giving effect to the Revolving Credit Commitment Increase on such date) and (ii) such funds will be applied to the prepayment of outstanding Base Rate Revolving Credit Loans held by the Revolving Credit Lenders other than the Revolving Credit Commitment Increase Lenders, and transferred by the Administrative Agent to the Revolving Credit Lenders other than the Revolving Credit Commitment Increase Lenders, in such amounts so that, after giving effect thereto, all Base Rate Revolving Credit Loans will be held by the Revolving Credit Lenders in accordance with their then-current Pro Rata Shares. On the date of such Revolving Credit Commitment Increase, the Borrower will pay to the Administrative Agent, for the accounts of the Revolving Credit Lenders receiving such prepayments, accrued and unpaid interest on the principal amounts of their Revolving Credit Loans being prepaid. The Administrative Agent and the Lenders hereby agree that the minimum borrowing, pro rata borrowing and pro rata payment requirements contained elsewhere in this Agreement shall not apply to the transactions effected pursuant to the immediately preceding sentence.

(ii) Upon effectiveness of each Incremental Term Facility pursuant to this Section, each Additional Term Lender shall make an additional term loan to the Borrower in a principal amount equal to such Lender's Incremental Term Facility. Any such term loan shall be a "Term Loan" for all purposes of this Agreement and the other Loan Documents.

(d) This Section 2.14 shall supersede any provisions in Section 2.13 or Section 11.01 to the contrary.

SECTION 2.15 Refinancing Amendments.

(a) At any time after the Closing Date, the Borrower may obtain, from any Lender or any Additional Lender, Credit Agreement Refinancing Indebtedness in respect of (i) all or any portion of the Term Loans then outstanding under this Agreement (which for purposes of this clause (i) will be deemed to include any then outstanding Other Term Loans) or (ii) all or any portion of the Revolving Credit Loans (or unused Revolving Credit Commitments) under this Agreement (which for purposes of this clause (ii) will be deemed to include any then outstanding Other Revolving Credit Loans and Other Revolving Credit Commitments), in each case, in the form of either (x) Other Term Loans or Other Term Commitments or (y) Other Revolving Credit Loans or Other Revolving Credit Commitments and, in each case, pursuant to a Refinancing Amendment; *provided* that such Credit Agreement Refinancing Indebtedness (i) will be unsecured or will rank pari passu or junior (and subordinate) in right of payment and of security with the other Loans and Commitments hereunder, (ii) will have such pricing and optional prepayment terms as may be agreed by the Borrower and the Lenders thereof, (iii) (x) with respect to any Other Revolving Credit Loans or Other Revolving Credit Commitments, will have a maturity date that is not prior to the maturity date of Loans (or unused Commitments) being refinanced and (y) with respect to any Other Term Loans or Other Term Commitments, will have a maturity date that is not prior to the maturity date of, and will have a Weighted Average Life to Maturity that is not shorter than, the Loans being refinanced and (iv) will have terms and conditions (other than pricing, optional prepayment and subordination terms) that are, taken as a whole, not materially more favorable to the investors providing such Credit Agreement Refinancing Indebtedness than, the Refinanced Debt (except for covenants or other provisions applicable exclusively to periods commencing after the Latest Maturity Date at the time such Indebtedness is incurred); *provided, further*, that the terms and conditions applicable to such Credit Agreement Refinancing Indebtedness may provide for any additional or different financial or other covenants or other provisions that are agreed between the Borrower and the Lenders thereof and applicable only during periods after the Latest Maturity Date that is in effect on the date such Credit Agreement Refinancing Indebtedness is issued, incurred or obtained. The effectiveness of any Refinancing Amendment shall be subject to the satisfaction on the date thereof of each of the conditions set forth in Section 4.02 and, to the extent reasonably requested by the Administrative Agent, receipt by the Administrative Agent of legal opinions, board resolutions, officers' certificates and/or reaffirmation agreements consistent with those delivered on the Closing Date under Section 4.01 (other than changes to such legal opinions resulting from a change in law, change in fact or change to counsel's form of opinion reasonably satisfactory to

the Administrative Agent). Each Class of Credit Agreement Refinancing Indebtedness incurred under this Section 2.15 shall be in an aggregate principal amount that is (x) not less than \$25,000,000 in the case of Other Term Loans or \$10,000,000 in the case of Other Revolving Credit Loans and (y) an integral multiple of \$1,000,000 in excess thereof unless such amount represents the total outstanding amount of the Refinanced Debt. Any Refinancing Amendment may provide for the issuance of Letters of Credit, or the provision to the Borrower of Swing Line Loans, pursuant to any Other Revolving Credit Commitments established thereby, in each case on terms substantially equivalent to the terms applicable to Letters of Credit and Swing Line Loans under the Revolving Credit Commitments. The Administrative Agent shall promptly notify each Lender as to the effectiveness of each Refinancing Amendment. Each of the parties hereto hereby agrees that, upon the effectiveness of any Refinancing Amendment, this Agreement shall be deemed amended to the extent (but only to the extent) necessary to reflect the existence and terms of the Credit Agreement Refinancing Indebtedness incurred pursuant thereto (including any amendments necessary to treat the Loans and Commitments subject thereto as Other Term Loans, Other Revolving Credit Loans, Other Revolving Credit Commitments and/or Other Term Commitments). Any Refinancing Amendment may, without the consent of any other Lenders, effect such amendments to this Agreement and the other Loan Documents as may be necessary or appropriate, in the reasonable opinion of the Administrative Agent and the Borrower, to effect the provisions of this Section. In addition, if so provided in the relevant Refinancing Amendment and with the consent of each L/C Issuer, participations in Letters of Credit expiring on or after the Revolving Credit Maturity Date shall be reallocated from Lenders holding Revolving Credit Commitments to Lenders holding extended revolving commitments in accordance with the terms of such Refinancing Amendment; *provided, however*, that such participation interests shall, upon receipt thereof by the relevant Lenders holding Revolving Credit Commitments, be deemed to be participation interests in respect of such Revolving Credit Commitments and the terms of such participation interests (including, without limitation, the commission applicable thereto) shall be adjusted accordingly.

(b) This Section 2.15 shall supersede any provisions in Section 2.13 or Section 11.01 to the contrary.

SECTION 2.16 Extended Loans.

(a) The Borrower may at any time and from time to time, by making an offer on a pro rata basis to each of the Lenders of the applicable Class, request that all or a portion of the Term Loans of any Class (for any such Class, the “**Existing Term Loans**”) be converted to extend the scheduled maturity date(s) of any payment of principal with respect to all or a portion of any principal amount of such Existing Term Loans (any such Existing Term Loans which have been so converted, the “**Extended Term Loans**”) and to provide for other terms consistent with this Section 2.16. In order to establish any Extended Term Loans, the Borrower shall provide a notice to the Administrative Agent (whereupon the Administrative Agent shall promptly make a copy of such notice available to each of the Lenders of such Existing Term Loans) (a “**Term Extension Request**”) setting forth the proposed terms of the Extended Term Loans to be established, which shall be substantially similar to the Existing Term Loans from which they are to be converted, except that (i) the scheduled final maturity date shall be extended and all or any of the scheduled amortization payments of principal of the Extended Term Loans may be delayed to dates later than the scheduled amortization date of such Existing Term Loans

(with any such delay resulting in a corresponding adjustment to the scheduled amortization payments reflected in Section 2.07, the Incremental Term Facility Amendment, or the Refinancing Amendment, as the case may be, with respect to such Existing Term Loans, in each case as set forth in paragraph (d) of this Section 2.16 below), (ii) the interest margins with respect to the Extended Term Loans may be higher or lower than the interest margins for such Existing Term Loans and (iii) additional fees may be payable to the Lenders providing such Extended Term Loans in addition to or in lieu of any increased margins contemplated by the preceding clause (ii), in each case, to the extent provided in the applicable Extension Amendment. No Lender shall have any obligation to agree to have any of its Existing Term Loans converted into Extended Term Loans pursuant to any Extension Request. The Extended Term Loans shall constitute a separate Class of Term Loans from the Existing Term Loans from which they were converted.

(b) The Borrower may at any time and from time to time request, by making an offer on a pro rata basis to each of the Lenders of the applicable Class, that all or a portion of the Revolving Credit Commitments of any Class (for any such Class, the “**Existing Revolving Credit Commitments**” and any related Class of revolving credit loans thereunder, the “**Existing Revolving Credit Loans**”) be converted to extend the termination date thereof and the scheduled maturity date(s) of any payment of principal with respect to all or a portion of any principal amount of Loans related to such Existing Revolving Credit Commitments (any such Existing Revolving Credit Commitments which have been so extended, “**Extended Revolving Credit Commitments**” and any related Loans, “**Extended Revolving Credit Loans**”) and to provide for other terms consistent with this Section 2.16. In order to establish any Extended Revolving Credit Commitments, the Borrower shall provide a notice to the Administrative Agent (whereupon the Administrative Agent shall promptly make a copy of such notice available to each of the Lenders of such Existing Revolving Credit Commitments) (a “**Revolving Credit Extension Request**”) setting forth the proposed terms of the Extended Revolving Credit Commitments to be established, which terms shall be substantially similar to those applicable to the Existing Revolving Credit Commitments from which they are to be converted, except that (i) all or any of the final maturity dates of the Extended Revolving Credit Commitments may be delayed to dates later than the final maturity dates of such Existing Revolving Credit Commitments, (ii) the interest margins with respect to the Extended Revolving Credit Commitments may be higher or lower than the interest margins for such Existing Revolving Credit Commitments, (iii) additional fees may be payable to the Lenders providing such Extended Revolving Credit Commitments in addition to or in lieu of any increased margins contemplated by the preceding clause (ii) and (iv) the commitment fee with respect to the Extended Revolving Credit Commitments may be higher or lower than the commitment fee for such Existing Revolving Credit Commitments, in each case, to the extent provided in the applicable Extension Amendment; *provided* that, notwithstanding anything to the contrary in this Section 2.16 or otherwise, (A) borrowings, voluntary prepayments and voluntary commitment reductions (other than in connection with a permanent repayment and termination of commitments at the final stated maturity of any shorter tenored Revolving Credit Commitment) of Loans with respect to any Extended Revolving Credit Commitments shall be made on a pro rata basis with all other Revolving Credit Commitments, (B) assignments and participations of the Extended Revolving Credit Commitments and the Extended Revolving Credit Loans shall be governed by Section 11.07 and (C) subject to the provisions of Section 2.03(l) and Section 2.04(a)(ii), all Swing Line Loans and Letters of Credit shall be participated on a pro rata basis by

all Revolving Credit Lenders in accordance with their Pro Rata Share of the Revolving Credit Commitments. No Lender shall have any obligation to agree to have any of its Existing Revolving Credit Loans or Existing Revolving Credit Commitments converted into Extended Revolving Credit Loans or Extended Revolving Credit Commitments pursuant to any Revolving Credit Extension Request. Any Extended Revolving Credit Commitments shall constitute a separate Class of Revolving Credit Commitments from the Existing Revolving Credit Commitments from which they were converted.

(c) The Borrower shall provide the applicable Extension Request at least three (3) Business Days (or such shorter time period as the Administrative Agent shall reasonably agree) prior to the date on which Lenders under the applicable Existing Loans are requested to respond. Any Lender (an “**Extending Lender**”) wishing to have all or a portion of its Existing Loans subject to such Extension Request converted into Extended Loans shall notify the Administrative Agent (an “**Extension Election**”) on or prior to the date specified in such Extension Request of the amount of such Existing Loans that it has elected to convert into Extended Loans. In the event that the aggregate amount of any Class of Existing Loans subject to such Extension Election exceeds the amount of the applicable Extended Loans requested pursuant to the Extension Request, such Existing Loans shall be converted to Extended Loans on a pro rata basis (subject to rounding by the Administrative Agent, which shall be conclusive) based on the aggregate amount of Existing Loans included in each such Extension Election.

(d) Extended Loans shall be established pursuant to an amendment (an “**Extension Amendment**”) to this Agreement among the Borrower, the Loan Parties, the Administrative Agent and each Extending Term Lender providing an Extended Loan thereunder (which, except to the extent expressly contemplated by the last sentence of this Section 2.16(d) and notwithstanding anything to the contrary set forth in Section 11.01, shall not require the consent of any Lender other than the Extending Lenders with respect to the Extended Loans, as applicable, established thereby) executed by the Borrower, the Administrative Agent and the Extending Lenders. No Extension Amendment shall provide for any tranche of Extended Loans in an aggregate principal amount that is less than \$50,000,000 unless such amount represents the total outstanding amount of the Existing Loans of the applicable Class. In addition to any terms and changes required or permitted by Section 2.16(a), each Extension Amendment (x) with respect to the Existing Term Loans from which the Extended Term Loans were converted, shall amend the scheduled amortization payments required pursuant to Section 2.07, the Incremental Term Facility Amendment or the Refinancing Amendment, as applicable, to reduce each scheduled repayment amount for such Existing Term Loans in the same proportion as the amount of such Existing Term Loans to be converted pursuant to such Extension Amendment (it being understood that any repayment amount with respect to any such individual Existing Term Loan that is not an Extended Term Loan shall not be reduced as a result thereof), (y) may, but shall not be required to, impose additional requirements (not inconsistent with the provisions of this Agreement in effect at such time) with respect to the final maturity and weighted average life to maturity of Incremental Term Loans incurred following the Extension Date for such Extension Amendment and (z) effect such other amendments to this Agreement and the other Loan Documents as may be necessary or appropriate, in the reasonable opinion of the Administrative Agent and the Borrower, to effect the provisions of this Section 2.16 and the terms and conditions applicable to the Extended Loans.

(e) Notwithstanding anything to the contrary contained herein, (i) on any date on which any Existing Loans are converted to Extended Loans (each such date, an “**Extension Date**”), (A) in the case of any Class of Existing Term Loans of each Extending Term Lender of such Class, the aggregate principal amount of such Existing Term Loans of such Class shall be deemed reduced by an amount equal to the aggregate principal amount of Extended Term Loans so converted by such Lender on such date, and the Extended Term Loans shall be established as a separate Class of Term Loans from such Existing Term Loans and (B) in the case of any Class of Existing Revolving Credit Commitments of each Extending Revolving Lender, the aggregate principal amount of such Existing Revolving Credit Commitments of such Class shall be deemed reduced by an amount equal to the aggregate principal amount of Extended Revolving Credit Commitments so converted by such Lender on such date, and such Extended Revolving Credit Commitments shall be established as a separate Class of Revolving Credit Commitments from such Existing Revolving Credit Commitments and (ii) if, on any Extension Date, any Existing Revolving Credit Loans of any Extending Lender are outstanding under the applicable Existing Revolving Credit Commitments, such Existing Revolving Credit Loans (and any related participations) shall be deemed to be allocated as Extended Revolving Credit Loans (and related participations) and Existing Revolving Credit Loans (and related participations) in the same proportion as such Extending Lender’s Existing Revolving Credit Commitments to Extended Revolving Credit Commitments.

(f) At any time following the establishment of any Extended Loans, the Borrower may offer to any Lender (without being required to make the same offer to any or all other Lenders) holding the Existing Loans from which such Extended Loans were converted and who did not to make a Extension Election in respect of any portion of such Existing Loans on or prior to the date specified in the Extension Request relating to such Extended Loans the right to convert all or any portion of such Existing Loans into Extended Loans of the same Class; *provided* that (A) such offer and any related acceptance (x) shall be in accordance with such procedures, if any, as may be reasonably requested by, or acceptable to, the Administrative Agent and (y) shall be on identical terms (including as to the proposed interest rates and fees payable, but excluding any arrangement, structuring or other fees payable in connection therewith that are not generally shared with other Extending Lenders) to those previously offered to the Extending Lenders who agreed to convert their Existing Loans into Extended Loans of such Class, (B) any Lender which agrees to an extension pursuant to this clause (f) shall enter into a joinder agreement to the respective Extension Amendment in form and substance reasonably satisfactory to the Administrative Agent and executed by such Lender, the Administrative Agent and the Borrower (and the Required Lenders hereby irrevocably authorize the Administrative Agent to enter into any such joinder agreement) and (C) the Existing Loans of any such Lender that are converted pursuant to this clause (f) shall be in an aggregate principal amount that is not less than a Dollar Amount of \$1,000,000 (or, if such Lender’s outstanding Loans of such Class amount to less than a Dollar Amount of \$1,000,000, such lesser amount), unless each of the Borrower and the Administrative Agent otherwise consents.

(g) In the event that the Administrative Agent determines in its sole discretion that the allocation of Extended Revolving Credit Commitments to a given Lender was incorrectly determined as a result of manifest administrative error in the receipt and processing of an Extension Election by any Lender to extend all or a portion of its Existing Revolving Credit Commitments timely submitted by any such Lender in accordance with the procedures set

forth in the Revolving Credit Extension Request, then the Administrative Agent, the Borrower and such affected Lender may (and hereby are authorized to), in their sole discretion and without the consent of any other Lender, enter into an amendment to this Agreement and, if necessary, the other Loan Documents (each, a “**Corrective Revolving Credit Extension Amendment**”) within 15 days following the applicable Extension Date, which Corrective Revolving Credit Extension Amendment shall (i) provide for the conversion and extension of the applicable Extended Revolving Credit Commitments in the amount such Lender would have held had such administrative error not occurred and had such Lender received the minimum allocation of the applicable Loans or Commitments to which it was entitled under the terms of such Extension in the absence of such error, (ii) be subject to the satisfaction of such conditions as the Administrative Agent, the Borrower and such Lender may agree, and (iii) effect such other amendments to this Agreement and the other Loan Documents as may be necessary or appropriate, in the reasonable opinion of the Administrative Agent and the Borrower, to effect the provisions of this Section 2.16.

(h) In the event that the Administrative Agent determines in its sole discretion that the allocation of Extended Term Loans to a given Lender was incorrectly determined as a result of manifest administrative error in the receipt and processing of an Extension Election by any Lender to extend all or a portion of its Existing Term Loans timely submitted by any such Lender in accordance with the procedures set forth in the Term Extension Request, then the Administrative Agent, the Borrower and such affected Lender may (and hereby are authorized to), in their sole discretion and without the consent of any other Lender, enter into an amendment to this Agreement and, if necessary, the other Loan Documents (each, a “**Corrective Term Loan Extension Amendment**”) within 15 days following the applicable Extension Date, which Corrective Term Loan Extension Amendment shall (i) provide for the conversion and extension of the applicable Extended Term Loans in the amount such Lender would have held had such administrative error not occurred and had such Lender received the minimum allocation of the applicable Loans or Commitments to which it was entitled under the terms of such Extension in the absence of such error, (ii) be subject to the satisfaction of such conditions as the Administrative Agent, the Borrower and such Lender may agree, and (iii) effect such other amendments to this Agreement and the other Loan Documents as may be necessary or appropriate, in the reasonable opinion of the Administrative Agent and the Borrower, to effect the provisions of this Section 2.16.

(i) This Section 2.16 shall supersede any provisions in Section 2.13 or Section 11.01 to the contrary. For the avoidance of doubt, no conversion of Existing Loans pursuant to any Extension Amendment in accordance with this Section 2.16 shall constitute a voluntary or mandatory payment or prepayment for purposes of this Agreement.

SECTION 2.17 Currency Equivalents.

(a) The Administrative Agent shall determine the Dollar Amount of each Revolving Credit Loan and L/C Obligation in respect of Letters of Credit denominated in an Alternative Currency (i) as of the first day of each Interest Period applicable thereto and (ii) as of the end of each fiscal quarter of the Borrower, and shall promptly notify the Borrower and the Lenders of each Dollar Amount so determined by it. Each such determination shall be based on the Exchange Rate (x) on the date of the related Committed Loan Notice for purposes of the

initial such determination for any applicable Revolving Credit Loan and (y) on the fourth Business Day prior to the date as of which such Dollar Amount is to be determined, for purposes of any subsequent determination.

(b) If after giving effect to any such determination of a Dollar Amount, the sum of the aggregate Outstanding Amount of the Revolving Credit Loans and the L/C Obligations exceeds the aggregate Revolving Credit Commitments then in effect by 5% or more, the Borrower shall, within five (5) Business Days of receipt of notice thereof from the Administrative Agent setting forth such calculation in reasonable detail, prepay the applicable outstanding Revolving Credit Loans or take other action as the Administrative Agent, in its discretion, may direct (including Cash Collateralization of the applicable L/C Obligations in amounts from time to time equal to such excess) to the extent necessary to eliminate any such excess.

SECTION 2.18 Defaulting Lenders, Adjustments. Notwithstanding anything to the contrary contained in this Agreement, if any Lender becomes a Defaulting Lender, then, until such time as that Lender is no longer a Defaulting Lender, to the extent permitted by applicable Law:

(i) Waivers and Amendments. That Defaulting Lender's right to approve or disapprove any amendment, waiver or consent with respect to this Agreement shall be restricted as set forth in Section 11.01.

(ii) Reallocation of Payments. Any payment of principal, interest, fees or other amounts received by the Administrative Agent for the account of that Defaulting Lender (whether voluntary or mandatory, at maturity, pursuant to Article IX or otherwise), shall be applied at such time or times as may be determined by the Administrative Agent as follows: *first*, to the payment of any amounts owing by that Defaulting Lender to the Administrative Agent hereunder; *second*, to the payment on a pro rata basis of any amounts owing by that Defaulting Lender to the L/C Issuers or Swing Line Lender hereunder; *third*, if so determined by the Administrative Agent or requested by an L/C Issuer or Swing Line Lender, to be held as Cash Collateral for future funding obligations of that Defaulting Lender of any participation in any Swing Line Loan or Letter of Credit; *fourth*, as the Borrower may request (so long as no Default or Event of Default has occurred and is continuing), to the funding of any Loan in respect of which that Defaulting Lender has failed to fund its portion thereof as required by this Agreement, as determined by the Administrative Agent; *fifth*, if so determined by the Administrative Agent and the Borrower, to be held in a non-interest bearing deposit account and released in order to satisfy obligations of that Defaulting Lender to fund Loans under this Agreement; *sixth*, to the payment of any amounts owing to the Lenders, the L/C Issuer or Swing Line Lender as a result of any judgment of a court of competent jurisdiction obtained by any Lender, the L/C Issuers or Swing Line Lender against that Defaulting Lender as a result of that Defaulting Lender's breach of its obligations under this Agreement; *seventh*, so long as no Default or Event of Default has occurred and is continuing, to the payment of any amounts owing to the Borrower as a result of any judgment of a court of competent jurisdiction obtained by the Borrower against that Defaulting Lender as a result of that Defaulting Lender's breach of its obligations under

this Agreement; and *eighth*, to that Defaulting Lender or as otherwise directed by a court of competent jurisdiction; *provided* that if (x) such payment is a payment of the principal amount of any Loans or L/C Borrowings in respect of which that Defaulting Lender has not fully funded its appropriate share and (y) such Loans or L/C Borrowings were made at a time when the conditions set forth in Section 4.02 were satisfied or waived, such payment shall be applied solely to pay the Loans of, and L/C Borrowings owed to, all Non-Defaulting Lenders on a pro rata basis prior to being applied to the payment of any Loans of, or L/C Borrowings owed to, that Defaulting Lender. Any payments, prepayments or other amounts paid or payable to a Defaulting Lender that are applied (or held) to pay amounts owed by a Defaulting Lender or to post Cash Collateral pursuant to this Section 2.18(a)(ii) shall be deemed paid to and redirected by that Defaulting Lender, and each Lender irrevocably consents hereto.

(iii) Certain Fees. That Defaulting Lender (x) shall not be entitled to receive any commitment fee pursuant to Section 2.09(a) for any period during which that Lender is a Defaulting Lender (and the Borrower shall not be required to pay any such fee that otherwise would have been required to have been paid to that Defaulting Lender) and (y) shall be limited in its right to receive Letter of Credit fees as provided in Section 2.03(h).

(iv) Reallocation of Pro Rata Share to Reduce Fronting Exposure. During any period in which there is a Defaulting Lender, for purposes of computing the amount of the obligation of each Non-Defaulting Lender to acquire, refinance or fund participations in Letters of Credit or Swing Line Loans pursuant to Sections 2.03 and 2.04, the "Pro Rata Share" of each Non-Defaulting Lender's Revolving Credit Loans and L/C Obligations shall be computed without giving effect to the Commitment of that Defaulting Lender; *provided* that (i) each such reallocation shall be given effect only if, at the date the applicable Lender becomes a Defaulting Lender, no Default or Event of Default has occurred and is continuing; and (ii) the aggregate obligation of each Non-Defaulting Lender to acquire, refinance or fund participations in Letters of Credit and Swing Line Loans shall not exceed the positive difference, if any, of (1) the Commitment of that Non-Defaulting Lender minus (2) the aggregate Outstanding Amount of the Loans of that Non-Defaulting Lender.

(b) *Defaulting Lender Cure*. If the Borrower, the Administrative Agent, Swing Line Lender and the L/C Issuers agree in writing in their sole discretion that a Defaulting Lender should no longer be deemed to be a Defaulting Lender, the Administrative Agent will so notify the parties hereto, whereupon as of the effective date specified in such notice and subject to any conditions set forth therein (which may include arrangements with respect to any Cash Collateral), that Lender will, to the extent applicable, purchase that portion of outstanding Loans of the other Lenders or take such other actions as the Administrative Agent may determine to be necessary to cause the Revolving Credit Loans of the applicable Facility and funded and unfunded participations in Letters of Credit and Swing Line Loans to be held on a pro rata basis by the Lenders in accordance with their Pro Rata Share of the applicable Facility (without giving effect to Section 2.18(a)(iv)), whereupon that Lender will cease to be a Defaulting Lender; *provided* that no adjustments will be made retroactively with respect to fees accrued or payments made by or on behalf of the Borrower while that Lender was a Defaulting Lender; and *provided*

further that except to the extent otherwise expressly agreed by the affected parties, no change hereunder from Defaulting Lender to Lender will constitute a waiver or release of any claim of any party hereunder arising from that Lender's having been a Defaulting Lender.

ARTICLE III

Taxes, Increased Costs Protection and Illegality

SECTION 3.01 Taxes.

(a) Except as required by law, any and all payments by the Borrower (the term Borrower under Article III being deemed to include any Subsidiary for whose account a Letter of Credit is issued) or any Guarantor to or for the account of any Agent or any Lender under any Loan Document shall be made free and clear of and without deduction for any and all present or future taxes, duties, levies, imposts, deductions, assessments, fees, withholdings or similar charges, and all liabilities (including additions to tax, penalties and interest) with respect thereto, excluding, in the case of each Agent and each Lender, (i) taxes imposed on or measured by its net income (however denominated, and including branch profits and similar taxes), (ii) taxes imposed solely by reason of any connection between it and any jurisdiction other than by executing or entering into any Loan Document, receiving payments thereunder or having been a party to, performed its obligations under, or enforced, any Loan Document, (iii) franchise (and similar) taxes imposed on it in lieu of net income taxes, (iv) any taxes imposed in respect of an Assignee or other transferee pursuant to an assignment, participation or other transfer under Section 11.07 to the extent that, under applicable Laws in effect on the date of transfer, such tax is in excess of the tax that would have been applicable and indemnifiable by Borrower hereunder had such transferor not assigned its interest arising under any Loan Document (unless such assignment, transfer or participation is at the express written request of the Borrower), (v) U.S. federal withholding tax imposed pursuant to FATCA, (vi) amounts excluded pursuant to Section 3.01(f) hereto and (vii) any taxes imposed as a result of the failure of any Agent or Lender to comply with either the provisions of Section 3.01(b) and (c) (in the case of any Foreign Lender, as defined below) or the provisions of Section 3.01(e) (in the case of any U.S. Lender, as defined below) (all such non-excluded taxes, duties, levies, imposts, deductions, assessments, fees, withholdings or similar charges and liabilities being hereinafter referred to as "Taxes"). If the Borrower is required by any Laws to deduct any Taxes or Other Taxes (as defined below) from or in respect of any sum payable under any Loan Document to any Agent or any Lender, (i) the sum payable shall be increased as necessary so that after making all required deductions (including deductions applicable to additional sums payable under this Section 3.01(a)), each of such Agent and such Lender receives an amount equal to the sum it would have received had no such deductions been made, (ii) the Borrower shall make such deductions, (iii) the Borrower shall pay the full amount deducted to the relevant taxing authority, and (iv) within thirty (30) days after the date of such payment (or, if receipts or evidence are not available within thirty (30) days, as soon as practicable thereafter), the Borrower shall furnish to such Agent or Lender (as the case may be) the original or a facsimile copy of a receipt evidencing payment thereof to the extent such a receipt has been made available to the Borrower, or such other evidence of payment as is reasonably acceptable to such Agent or Lender. If the Borrower fails to pay any

Taxes or Other Taxes when due to the appropriate taxing authority or fails to remit to any Agent or any Lender the required receipts or other required documentary evidence that has been made available to the Borrower, the Borrower shall indemnify such Agent and such Lender for any incremental taxes, interest or penalties that may become payable by such Agent or such Lender arising out of such failure (excluding, however, any such incremental taxes, interest or penalties incurred as a result of the gross negligence or willful misconduct of the relevant Agent or Lender (as determined by a court of competent jurisdiction in a final and non-appealable judgment)). If the Borrower reasonably believes that any Taxes or Other Taxes it pays under this Section 3.01(a) were not correctly or legally imposed, the Agent and/or each affected Lender will use reasonable efforts to cooperate with the Borrower in pursuing a refund of such Taxes or Other Taxes so long as such efforts would not, in the sole determination of the Administrative Agent or affected Lender exercised in good faith, result in any additional costs, expenses or risks or be otherwise disadvantageous to it.

(b) Each Agent or Lender (including an Assignee to which a Lender assigns its interest in accordance with Section 11.07) that is not a “United States person” within the meaning of Section 7701(a)(30) of the Code (each a “**Foreign Lender**”) agrees to complete and deliver to the Borrower and the Administrative Agent prior to the date on which the first payment is due to it hereunder, unless it is unable to do so solely as a result of a change in applicable Law after the initial Credit Extension on the Closing Date, an accurate, complete and original signed (i) Internal Revenue Service Form W-8BEN or successor form certifying that it is entitled to benefits under an income tax treaty to which the United States is a party that reduces the rate of withholding tax on payments of interest to zero; (ii) Internal Revenue Service Form W-8ECI or successor form certifying that the income receivable pursuant to any Loan Document is effectively connected with the conduct of a trade or business in the United States; or (iii) if the Foreign Lender is not (A) a bank described in Section 881(c)(3)(A) of the Code, (B) a 10-percent shareholder described in Section 871(h)(3)(B) of the Code, or (C) a controlled foreign corporation related to the Borrower within the meaning of Section 864(d) of the Code, an Internal Revenue Service Form W-8BEN or successor form certifying that the Foreign Lender is not a United States person and a separate certification in the form attached hereto at Exhibit J that interest received by the Foreign Lender under any Loan Document qualifies as “portfolio interest” within the meaning of Section 881(c)(2) of the Code.

(c) Thereafter and from time to time, each such Foreign Lender shall, unless it is unable to do so solely as a result of a change in applicable Law after the initial Credit Extension on the Closing Date (other than in the case of clause (B) below) (i) promptly submit to the Borrower and the Administrative Agent such additional duly completed and signed copies of one or more of such forms or certificates (or such successor forms or certificates as shall be adopted from time to time by the relevant United States taxing authorities) as may then be available to secure an exemption from or reduction in the rate of U.S. withholding tax (A) on or before the date that any such form, certificate or other evidence expires or becomes obsolete, (B) after the occurrence of a change in the Foreign Lender’s circumstances requiring a change in the most recent form, certificate or evidence previously delivered by it to the Borrower and the Administrative Agent, and (C) from time to time thereafter if reasonably requested by the Borrower or the Administrative Agent, and (ii) promptly notify the Borrower and the Administrative Agent of any change in the Foreign Lender’s circumstances which would modify or render invalid or inaccurate any claimed exemption or reduction.

(d) Each Agent and Lender (including, for the avoidance of doubt, “U.S. Lenders,” as defined below) agrees to all reasonable requests of the Borrower that each comply with any certification, identification, information, documentation or other reporting requirement if such compliance is required by Law, regulation, administrative practice or an applicable treaty as a precondition to exemption from, or reduction in the rate of deduction or withholding of any Taxes or Other Taxes for which a Lender or Agent receives indemnity payments or additional amounts pursuant to this Section 3.01; *provided* that no such Agent or Lender shall be required to comply unless (i) it is not prohibited by any applicable Law from complying, (ii) such compliance will not result in any prejudice to its interest (other than any *de minimis* prejudice), (iii) Borrower has provided the required forms or documentation to such Agent or Lender reasonably in advance of the deadline for the filing or submission of such forms or other documentation with such forms duly completed by the Borrower with such information available to the Borrower, and (iv) Borrower shall be responsible for all reasonable costs and expenses incurred by such Agent or Lender in connection with such compliance.

(e) Each Agent or Lender (including an Assignee to which a Lender assigns its interest in accordance with Section 11.07) that is a “United States person” (within the meaning of Section 7701(a)(3) of the Code) (each a “**U.S. Lender**”) agrees to complete and deliver to the Borrower and the Administrative Agent an accurate, complete and original signed Internal Revenue Service Form W-9 or successor form certifying that such Agent or Lender is not subject to United States federal backup withholding tax (i) on or prior to the Closing Date (or on or prior to the date on which it becomes a party to this Agreement), (ii) on or before the date on which such form expires or becomes obsolete, (iii) after the occurrence of a change in the Agent’s or Lender’s circumstances requiring a change in the most recent form previously delivered by it to the Borrower and the Administrative Agent, and (iv) from time to time thereafter if reasonably requested by the Borrower or the Administrative Agent.

(f) Notwithstanding anything else herein to the contrary and for the avoidance of doubt, if a Lender or an Agent is subject to United States federal withholding tax at a rate in excess of zero percent at the time when such Lender or such Agent first becomes a party to this Agreement (or changes its place of organization or its place of doing business, or designates a new Lending Office other than at the written request of the Borrower to change such Lending Office), such withholding tax (including additions to tax, penalties and interest imposed with respect to such withholding tax) shall be considered excluded from Taxes. Further, the Borrower shall not be required pursuant to this Section 3.01 to pay any additional amount to, or to indemnify, any Lender or Agent, as the case may be, to the extent that such Lender or such Agent becomes subject to Taxes subsequent to the Closing Date (or, if later, the date such Lender or Agent becomes a party to this Agreement) as a result of a change in the place of organization or place of doing business of such Lender or Agent or a change in the Lending Office of such Lender (other than at the written request of the Borrower to change such Lending Office).

(g) Notwithstanding anything else herein, the Borrower shall not be required pursuant to this Section 3.01 to pay any additional amount for or on an account of any United States tax imposed under FATCA, in respect of a payment made hereunder after December 31, 2013 that would not have been imposed but for a failure by the Lender or any other legal or beneficial holder or any foreign financial institution through which payments under this Agreement are made to comply with any applicable certification, documentation, information or other reporting requirement if such compliance is required by FATCA as a precondition to relief or exemption from such United States tax.

(h) The Borrower agrees to pay any and all present or future stamp, court or documentary taxes and any other excise, property, intangible or mortgage recording taxes or charges or similar levies which arise from any payment made under any Loan Document or from the execution, delivery, performance, enforcement or registration of, or otherwise with respect to, any Loan Document excluding, in each case, such amounts that result from an Assignment and Assumption, grant of a Participation, transfer or assignment to or designation of a new applicable Lending Office or other office for receiving payments under any Loan Document, except to the extent that any such change is requested or required in writing by the Borrower (all such non-excluded taxes described in this Section 3.01(h) being hereinafter referred to as “**Other Taxes**”).

(i) If any Taxes or Other Taxes are directly asserted against any Agent or Lender with respect to any payment received by such Agent or Lender in respect of any Loan Document, such Agent or Lender may pay such Taxes or Other Taxes and the Borrower will promptly pay such additional amounts so that each of such Agent and such Lender receives an amount equal to the sum that it would have received had no such Taxes or Other Taxes been asserted. Payments under this Section 3.01(i) shall be made within fifteen (15) Business Days after the date on which the Borrower receives written demand for payment from such Agent or Lender, such written demand shall include a copy of the notice of assessment or other evidence of the requirement to pay such amount received from the relevant taxing authority.

(j) An Assignee or Participant shall not be entitled to receive any greater payment under Section 3.01 than the applicable Lender would have been entitled to receive with respect to the interest subject to the Assignment or the participation sold to such Participant at the time of the Assignment or the sale of the Participation, unless the Assignment or the sale of the participation to such Participant is made with the Borrower’s prior written consent.

(k) If any Lender or Agent determines, in its sole good faith discretion, that it has received or realized any refund, whether directly or through any reduction of, or credit against its tax liabilities due to such refund, which refund, reduction or credit is attributable to (in the good faith judgment of such Lender or Agent) Taxes or Other Taxes as to which indemnification or additional amounts have been paid to it pursuant to this Section 3.01, such Lender or Agent shall promptly remit an amount equal to such refund or reduction or credit (but only to the extent of indemnity payments made, or additional amounts paid to the Lender or Agent under this Section 3.01 with respect to the Taxes or Other Taxes giving rise to such refund, reduction or credit plus any interest included in such amount by the relevant taxing authority attributable thereto) to the Borrower, net of all reasonable, documented out of pocket expenses of the Lender or Agent, as the case may be, and without interest (other than any interest paid by the relevant taxing authority with respect to such amount); *provided* that the Borrower, upon the request of the Lender or Agent, as the case may be, agrees promptly to return such amount to such party in the event such party is required to repay such amount to the relevant taxing authority. Such Lender or Agent, as the case may be, shall provide the Borrower with a copy of any notice of assessment or other evidence of the requirement to repay such amount received from the relevant taxing authority (*provided* that such Lender or Agent may delete any

information therein that such Lender or Agent deems confidential in its reasonable discretion). The parties hereto agree that any position taken on the tax returns of the Lender and Agent shall be within their sole good faith discretion and neither the Lender nor Agent shall be under any obligation to disclose any tax return or filing or related document to anyone as a result of this Section 3.01(k).

(l) Each Lender agrees that, upon the occurrence of any event giving rise to the operation of Section 3.01(a) or (h) with respect to such Lender it will, if requested by the Borrower, use commercially reasonable efforts (subject to legal and regulatory restrictions) to mitigate the effect of any such event, including by designating another Lending Office for any Loan or Letter of Credit affected by such event and by completing and delivering or filing any tax related forms which would reduce or eliminate any amount of Taxes or Other Taxes required to be deducted or withheld or paid by Borrower; *provided* that such efforts are made on terms that, in the sole good faith judgment of such Lender, cause such Lender and its Lending Office(s) to suffer no economic, legal or regulatory disadvantage unless such disadvantage is *de minimis*, and *provided further* that nothing in this Section 3.01(l) shall affect or postpone any of the Obligations of the Borrower or the rights of such Lender pursuant to Section 3.01(a) or (h).

(m) The Borrower and Administrative Agent may deduct and withhold any taxes required by any Laws to be deducted and withheld from any payment under any of the Loan Documents.

(n) The agreements in this Section 3.01 shall survive the termination of this Agreement and the payment of the Loans and all other amounts payable hereunder.

SECTION 3.02 Illegality. If after the Closing Date, any Lender reasonably determines that any Law has made it unlawful, or that any Governmental Authority has asserted that it is unlawful, for any Lender or its applicable Lending Office to make, maintain or fund any Eurocurrency Rate Loans, or to determine or charge interest rates based upon the applicable Eurocurrency Rate, then, on notice thereof by such Lender to the Borrower through the Administrative Agent, any obligation of such Lender to make or continue any affected Eurocurrency Rate Loans or to convert Base Rate Loans to such Eurocurrency Rate Loans shall be suspended until such Lender notifies the Administrative Agent and the Borrower that the circumstances giving rise to such determination no longer exist. Upon receipt of such notice, the Borrower may revoke any pending request for a Borrowing of, conversion to or continuation of Eurocurrency Rate Loans (subject to Section 3.05) and shall upon demand from such Lender (with a copy to the Administrative Agent), prepay or, (i) if applicable, convert all then outstanding affected Eurocurrency Rate Loans of such Lender to Base Rate Loans (the interest rate on which Base Rate Loans of such Lender shall, if necessary to avoid such illegality, be determined by the Administrative Agent without reference to the Eurocurrency Rate component of the Base Rate) or (II) if applicable and such Loans are denominated in an Alternative Currency, to the extent the applicable Borrower and all Appropriate Lenders agree, convert such Loans to Loans bearing interest at an alternative rate mutually acceptable to the applicable Borrower and all of the Appropriate Lenders, in each case, either on the last day of the Interest Period therefor, if such Lender may lawfully continue to maintain such Eurocurrency Rate Loans to such day, or promptly, if such Lender may not lawfully continue to maintain such Eurocurrency Rate Loans. Upon any such prepayment or conversion, the Borrower shall also

pay accrued interest on the amount so prepaid or converted and all amounts due, if any, in connection with such prepayment or conversion under Section 3.05. Each Lender agrees to designate a different Lending Office if such designation will avoid the need for such notice and will not, in the good faith judgment of such Lender, otherwise be materially disadvantageous to such Lender.

SECTION 3.03 Inability to Determine Rates. If the Required Lenders reasonably determine, in connection with any request for a Eurocurrency Rate Loan or a conversion to or continuation thereof, that by reason of any changes affecting the applicable interbank Eurocurrency market adequate and fair means do not exist for determining the Eurocurrency Rate for any requested Interest Period with respect to a proposed Eurocurrency Rate Loan, or that the Eurocurrency Rate for any requested Interest Period with respect to a proposed Eurocurrency Rate Loan does not adequately and fairly reflect the cost to such Lenders of funding such Loan, or that deposits are not being offered to banks in the relevant interbank market for the applicable amount and the Interest Period of such Eurocurrency Rate Loan, in each case due to circumstances arising on or after the date hereof, the Administrative Agent will promptly so notify the Borrower and each Lender. Thereafter, the obligation of the Lenders to make or maintain any affected Eurocurrency Rate Loans in the affected currency or currencies shall be suspended until the Administrative Agent (upon the instruction of the Required Lenders) revokes such notice. Upon receipt of such notice, subject to Section 3.05, the Borrower may revoke any pending request for a Borrowing of, conversion to or continuation of Eurocurrency Rate Loans or, failing that, will be deemed to have converted such request into a request for a Borrowing of Base Rate Loans in the amount specified therein (or, in the case of a pending request for a Loan denominated in an Alternative Currency, the Borrower and the Lenders may establish a mutually acceptable alternative rate).

SECTION 3.04 Increased Cost and Reduced Return; Capital Adequacy; Reserves on Eurocurrency Rate Loans.

(a) If any Lender reasonably determines that as a result of the introduction of or any change in or in the interpretation of any Law, in each case after the date hereof, or such Lender's compliance therewith, there shall be any increase in the cost to such Lender of make or making, funding or maintaining Eurocurrency Rate Loans or issuing or participating in Letters of Credit, or a reduction in the amount received or receivable by such Lender in connection with any of the foregoing (excluding for purposes of this Section 3.04(a) any such increased costs or reduction in amount resulting from (i) Taxes or Other Taxes covered by Section 3.01, or which would have been so covered but for an exclusion included therein, (ii) the imposition of, or any change in the rate of, any taxes payable by such Lender, (iii) reserve requirements contemplated by Section 3.04(c) and (iv) the requirements of the Bank of England and the Financial Services Authority or the European Central Bank reflected in the Mandatory Cost, other than as set forth below) or the Mandatory Cost, as calculated hereunder, does not represent the cost to such Lender of complying with the requirements of the Bank of England and/or the Financial Services Authority or the European Central Bank in relation to its making, funding or maintaining of Eurocurrency Rate Loans, then from time to time within fifteen (15) days after demand by such Lender setting forth in reasonable detail such increased costs (with a copy of such demand to the Administrative Agent given in accordance with Section 3.06), the Borrower shall pay to such Lender such additional amounts as will compensate such Lender for such increased costs

actually incurred or reduction actually suffered or, if applicable, the portion of such cost that is not represented by the Mandatory Cost. At any time that any Eurocurrency Rate Loan is affected by the circumstances described in this Section 3.04(a), the Borrower may, subject to Section 3.05, either (i) if the affected Eurocurrency Rate Loan is then being made pursuant to a Borrowing, cancel such Borrowing by giving the Administrative Agent telephonic notice (confirmed promptly in writing) thereof on the same date that the Borrower receives any such demand from such Lender or (ii) if the affected Eurocurrency Rate Loan is then outstanding, upon at least three Business Days' notice to the Administrative Agent, require the affected Lender to convert such Eurocurrency Rate Loan into a Base Rate Loan, if applicable.

(b) If any Lender reasonably determines that the introduction of any Law regarding capital adequacy or any change therein or in the interpretation thereof, in each case after the date hereof, or compliance by such Lender (or its Lending Office) therewith, has the effect of reducing the rate of return on the capital of such Lender or any corporation controlling such Lender as a consequence of such Lender's obligations hereunder to a level below that which such Lender or such corporation controlling such Lender could have achieved but for such introduction or change (taking into consideration its policies with respect to capital adequacy), then from time to time upon demand of such Lender setting forth in reasonable detail the charge and the calculation of such reduced rate of return (with a copy of such demand to the Administrative Agent given in accordance with Section 3.06), the Borrower shall promptly pay to such Lender such additional amounts as will reasonably compensate such Lender for such reduction actually suffered.

(c) The Borrower shall pay to each Lender, (i) as long as such Lender shall be required to maintain reserves with respect to liabilities or assets consisting of or including Eurocurrency funds or deposits, additional interest on the unpaid principal amount of each Eurocurrency Rate Loan equal to the actual costs of such reserves allocated to such Loan by such Lender (as determined by such Lender in good faith, which determination shall be conclusive in the absence of manifest error), and (ii) as long as such Lender shall be required to comply with any reserve ratio requirement or analogous requirement of any other central banking or financial regulatory authority imposed in respect of the maintenance of the Commitments or the funding of the Eurocurrency Rate Loans, such additional costs (expressed as a percentage per annum and rounded upwards, if necessary, to the nearest five decimal places) equal to the actual costs allocated to such Commitment or Loan by such Lender (as determined by such Lender in good faith, which determination shall be conclusive absent manifest error) which in each case shall be due and payable on each date on which interest is payable on such Loan, *provided* that the Borrower shall have received at least fifteen (15) days' prior notice (with a copy to the Administrative Agent) of such additional interest or cost from such Lender. If a Lender fails to give notice fifteen (15) days prior to the relevant Interest Payment Date, such additional interest or cost shall be due and payable fifteen (15) days from receipt of such notice. Notwithstanding the foregoing, the Borrower shall not be required to compensate a Lender pursuant to this Section 3.04 for any increased costs incurred or reductions suffered more than one-hundred and twenty (120) days prior to the date that such Lender notifies the Borrower of such increased costs or reductions; *provided* that, if the Law giving rise to such increased costs or reductions is retroactive, then the one-hundred and twenty-day (120-day) period referred to above shall be extended to include the period of retroactive effect thereof.

(d) If any Lender requests compensation under this Section 3.04, then such Lender will, if requested by the Borrower, use commercially reasonable efforts to designate another Lending Office for any Loan or Letter of Credit affected by such event; *provided* that such efforts are made on terms that, in the reasonable judgment of such Lender, cause such Lender and its Lending Office(s) to suffer no material economic, legal or regulatory disadvantage, and *provided further* that nothing in this Section 3.04(d) shall affect or postpone any of the Obligations of the Borrower or the rights of such Lender pursuant to Section 3.04(a), (b), (c) or (d).

(e) Notwithstanding any other provision of this Section 3.04, no Lender shall demand compensation for any increased costs under this Section 3.04 if it shall not be the general policy or practice of such Lender to demand such compensation in similar circumstances and unless such demand is generally consistent with such Lender's treatment of comparable borrowers of such Lender in the United States with respect to similarly affected commitments or loans.

(f) Notwithstanding anything in this Agreement to the contrary, (x) the Dodd-Frank Wall Street Reform and Consumer Protection Act and all requests, rules, guidelines or directives thereunder or issued in connection therewith and (y) all requests, rules, guidelines or directives promulgated by the Bank for International Settlements, the Basel Committee on Banking Supervision (or any successor or similar authority) or the United States regulatory authorities, in each case pursuant to Basel III, shall in each case be deemed to be a change after the Closing Date in a requirement or interpretation of law or governmental rule, regulation or order, regardless of the date enacted, adopted, issued or implemented for all purposes under or in connection with this Agreement (including this Section 3.04 and Section 3.05).

SECTION 3.05 Funding Losses. Upon written demand of any Lender (with a copy to the Administrative Agent) from time to time, which demand shall set forth in reasonable detail the basis for requesting such amount, the Borrower shall promptly compensate such Lender for and hold such Lender harmless from any loss, cost or expense incurred by it as a result of:

(a) any continuation, conversion, payment or prepayment of any Eurocurrency Rate Loan on a day other than the last day of the Interest Period for such Loan; or

(b) any failure by the Borrower (for a reason other than the failure of such Lender to make a Loan) to prepay, borrow, continue or convert any Eurocurrency Rate Loan on the date or in the amount notified by the Borrower;

including any loss or expense (excluding loss of anticipated profits) actually incurred by reason of the liquidation or reemployment of funds obtained by it to maintain such Eurocurrency Rate Loan or from fees payable to terminate the deposits from which such funds were obtained.

SECTION 3.06 Matters Applicable to All Requests for Compensation.

(a) Any Agent or Lender claiming compensation under this Article III shall deliver a certificate to the Borrower setting forth the additional amount or amounts to be paid to it hereunder which shall be conclusive in the absence of manifest error. In determining such amount, such Agent or Lender may use any reasonable averaging and attribution methods.

(b) With respect to any Lender's claim for compensation under Sections 3.01, 3.02, 3.03 or 3.04, the Borrower shall not be required to compensate such Lender for any amount incurred more than one hundred and eighty (180) days prior to the date that such Lender notifies the Borrower of the event that gives rise to such claim; *provided* that, if the circumstance giving rise to such claim is retroactive, then such 180-day period referred to above shall be extended to include the period of retroactive effect thereof. If any Lender requests compensation by the Borrower under Section 3.04, the Borrower may, by notice to such Lender (with a copy to the Administrative Agent), suspend the obligation of such Lender to make or continue from one Interest Period to another Eurocurrency Rate Loans, or to convert Base Rate Loans into Eurocurrency Rate Loans, until the event or condition giving rise to such request ceases to be in effect (in which case the provisions of Section 3.06(c) shall be applicable); *provided* that such suspension shall not affect the right of such Lender to receive the compensation so requested.

(c) If the obligation of any Lender to make or continue from one Interest Period to another any Eurocurrency Rate Loan, or to convert Base Rate Loans into Eurocurrency Rate Loans shall be suspended pursuant to Section 3.06(b) hereof, such Lender's Eurocurrency Rate Loans shall be automatically converted into Base Rate Loans on the last day(s) of the then current Interest Period(s) for such Eurocurrency Rate Loans (or, in the case of an immediate conversion required by Section 3.02, on such earlier date as required by Law) and, unless and until such Lender gives notice as provided below that the circumstances specified in Section 3.01, 3.02, 3.03 or 3.04 hereof that gave rise to such conversion no longer exist:

(i) to the extent that such Lender's Eurocurrency Rate Loans have been so converted, all payments and prepayments of principal that would otherwise be applied to such Lender's Eurocurrency Rate Loans shall be applied instead to its Base Rate Loans; and

(ii) all Loans that would otherwise be made or continued from one Interest Period to another by such Lender as Eurocurrency Rate Loans shall be made or continued instead as Base Rate Loans, and all Base Rate Loans of such Lender that would otherwise be converted into Eurocurrency Rate Loans shall remain as Base Rate Loans.

(d) If any Lender gives notice to the Borrower (with a copy to the Administrative Agent) that the circumstances specified in Section 3.01, 3.02, 3.03 or 3.04 hereof that gave rise to the conversion of such Lender's Eurocurrency Rate Loans pursuant to this Section 3.06 no longer exist (which such Lender agrees to do promptly upon such circumstances ceasing to exist) at a time when Eurocurrency Rate Loans made by other Lenders are outstanding, such Lender's Base Rate Loans shall be automatically converted, on the first day(s) of the next succeeding Interest Period(s) for such outstanding Eurocurrency Rate Loans, to the extent necessary so that, after giving effect thereto, all Loans held by the Lenders holding Eurocurrency Rate Loans and by such Lender are held pro rata (as to principal amounts, interest rate basis, and Interest Periods) in accordance with their respective Commitments.

SECTION 3.07 Replacement of Lenders under Certain Circumstances.

(a) If at any time (i) any Lender requests reimbursement for amounts owing pursuant to Section 3.01 or 3.04 as a result of any condition described in such Sections or any Lender ceases to make Eurocurrency Rate Loans as a result of any condition described in Section 3.02 or Section 3.04, (ii) any Lender becomes a Defaulting Lender or (iii) any Lender becomes a Non-Consenting Lender, then the Borrower may, on ten (10) Business Days' prior written notice to the Administrative Agent and such Lender, replace such Lender by causing such Lender to (and such Lender shall be obligated to) assign pursuant to Section 11.07(b) (at the sole cost and expense of the Borrower, including the payment of any processing or recordation fee by the Borrower in each instance) all of its rights and obligations under this Agreement (or, with respect to clause (iii) above, all of its rights and obligations with respect to the Class of Loans or Commitments that is the subject of the related consent, waiver or amendment) to one or more Eligible Assignees; *provided* that neither the Administrative Agent nor any Lender shall have any obligation to the Borrower to find a replacement Lender or other such Person; and *provided further* that (A) in the case of such assignment resulting from a claim for compensation under Section 3.04 or payments required to be made pursuant to Section 3.01, such assignment will result in a reduction in such compensation or payment and (B) in the case of any such assignment resulting from a Lender becoming a Non-Consenting Lender, the applicable Eligible Assignees shall have agreed to the applicable departure, waiver or amendment of the Loan Documents. No such replacement shall be deemed to be a waiver of any rights that the Borrower, the Administrative Agent or any other Lender shall have against the replaced Lender.

(b) Any Lender being replaced pursuant to Section 3.07(a) above shall (i) execute and deliver an Assignment and Assumption with respect to such Lender's Commitment and outstanding Loans and participations in L/C Obligations and Swing Line Loans, and (ii) deliver any Notes evidencing such Loans to the Borrower or Administrative Agent (or a lost or destroyed note indemnity in lieu thereof). Pursuant to such Assignment and Assumption, (A) the assignee Lender shall acquire all or a portion, as the case may be, of the assigning Lender's Commitment and outstanding Loans and participations in L/C Obligations and Swing Line Loans, (B) all obligations of the Borrower owing to the assigning Lender relating to the Loans and participations so assigned shall be paid in full by the assignee Lender to such assigning Lender concurrently with such assignment and assumption and (C) upon such payment and, if so requested by the assignee Lender, delivery to the assignee Lender of the appropriate Note or Notes executed by the Borrower, the assignee Lender shall become a Lender hereunder and the assigning Lender shall cease to constitute a Lender hereunder with respect to such assigned Loans, Commitments and participations, except with respect to indemnification provisions under this Agreement, which shall survive as to such assigning Lender.

(c) Notwithstanding anything to the contrary contained above, any Lender that acts as a L/C Issuer may not be replaced hereunder at any time that it has any Letter of Credit outstanding hereunder unless arrangements reasonably satisfactory to such L/C Issuer (including the furnishing of a back-up standby letter of credit in form and substance, and issued by an issuer reasonably satisfactory to such L/C Issuer or the depositing of cash collateral into a cash collateral account in amounts and pursuant to arrangements reasonably satisfactory to such L/C Issuer) have been made with respect to each such outstanding Letter of Credit and the Lender that acts as the Administrative Agent may not be replaced hereunder except in accordance with the terms of Section 10.09.

(d) In the event that (i) the Borrower or the Administrative Agent has requested that the Lenders consent to a departure or waiver of any provisions of the Loan Documents or agree to any amendment thereto, (ii) the consent, waiver or amendment in question requires the agreement of all affected Lenders in accordance with the terms of Section 11.01 or all the Lenders with respect to a certain Class or Classes of the Loans and (iii) the Required Lenders (or, in the case of any such consent, waiver or amendment requiring the agreement of all the Lenders with respect to a certain Class of Loans, the Majority Lenders with respect to such Class) have agreed to such consent, waiver or amendment, then any Lender who does not agree to such consent, waiver or amendment shall be deemed a “**Non-Consenting Lender**”; *provided* that the term “Non-Consenting Lender” shall also include (x) any Lender that rejects (or is deemed to reject) an Extension Request under Section 2.16, which Extension Request has been accepted under Section 2.16 by at least the Majority Lenders of the respective Class of Existing Loans which are to be extended pursuant to such Extension Request and (y) any Lender that does not elect to become a Lender in respect of any Credit Agreement Refinancing Indebtedness pursuant to Section 2.15.

SECTION 3.08 Survival. All of the Borrower’s obligations under this Article III shall survive termination of the Aggregate Commitments and repayment of all other Obligations hereunder.

ARTICLE IV

Conditions Precedent to Credit Extensions

SECTION 4.01 Conditions to Initial Credit Extension. The obligation of each Lender to make a Credit Extension hereunder on the Closing Date is subject to satisfaction of the following conditions precedent, except as otherwise agreed between the Borrower and the Administrative Agent or as provided in Schedule 6.12 (notwithstanding the provisions of Section 11.01):

(v) (i) an opinion from Cleary Gottlieb Steen & Hamilton LLP, New York counsel to the Loan Parties substantially in the form of Exhibit H-1 and (ii) an opinion from Young Conaway Stargatt & Taylor, LLP, Delaware counsel to the Loan Parties substantially in the form of Exhibit H-2;

(vii) evidence that all insurance required to be maintained pursuant to the Loan Documents has been obtained and is in effect and that the Administrative Agent has been named as loss payee and/or additional insured, as applicable, under each insurance policy with respect to such insurance as to which the Administrative Agent shall have requested to be so named;

(viii) a Committed Loan Notice and/or Letter of Credit Application, as applicable, relating to the initial Credit Extensions;

(b) All fees and expenses required to be paid to the Lenders and the Agents hereunder and invoiced on or before the Closing Date shall have been paid in full in cash or directed by the Borrower to be paid with the proceeds of the Term Loans or Revolving Credit Loans made on the Closing Date.

(c) The Joint Lead Arrangers shall have received on or prior to the Closing Date all documentation and other information reasonably requested in writing by them at least five Business Days prior to the Closing Date in order to allow the Arrangers and the Lenders to comply with applicable “know your customer” and anti-money laundering rules and regulations, including the USA PATRIOT Act.

SECTION 4.02 Conditions to All Credit Extensions. The obligation of each Lender to honor any Request for Credit Extension (other than a Committed Loan Notice requesting only a conversion of Loans to the other Type, or a continuation of Eurocurrency Rate Loans) is subject to the following conditions precedent:

(a) The representations and warranties of the Borrower and each other Loan Party contained in Article V or any other Loan Document shall be true and correct in all material respects on and as of the date of such Credit Extension; *provided* that, to the extent that such representations and warranties specifically refer to an earlier date, they shall be true and correct in all material respects as of such earlier date; *provided, further* that, any representation and warranty that is qualified as to “materiality,” “Material Adverse Effect” or similar language shall be true and correct (after giving effect to any qualification therein) in all respects on such respective dates.

(b) No Default shall exist, or would result from such proposed Credit Extension or from the application of the proceeds therefrom.

(c) The Administrative Agent and, if applicable, the relevant L/C Issuer or the Swing Line Lender shall have received a Request for Credit Extension in accordance with the requirements hereof.

Each Request for Credit Extension (other than a Committed Loan Notice requesting only a conversion of Loans to the other Type or a continuation of Eurocurrency Rate Loans) submitted by a Borrower shall be deemed to be a representation and warranty that the conditions specified in Sections 4.02(a) and (b) have been satisfied on and as of the date of the applicable Credit Extension.

ARTICLE V

Representations and Warranties

The Borrower represents and warrants to the Agents and the Lenders that:

SECTION 5.01 Existence, Qualification and Power; Compliance with Laws. Each Loan Party and each of its Material Subsidiaries that are Restricted Subsidiaries (a) is a Person duly organized or formed, validly existing and in good standing (to the extent such concept exists), under the Laws of the jurisdiction of its incorporation or organization, (b) has all corporate or other organizational power and authority to (i) own its assets and carry on its business as currently conducted and (ii) execute, deliver and perform its obligations under the Loan Documents to which it is a party, (c) is duly qualified and in good standing (to the extent such concept exists) under the Laws of each jurisdiction where its ownership, lease or operation of properties or the conduct of its business requires such qualification, (d) is in material compliance with all applicable Laws (including the USA Patriot Act, the FCPA and OFAC Regulations), writs, injunctions and orders, except in such instances in which such Law, writ, injunction or order is being contested in good faith by appropriate proceedings diligently conducted, and (e) has all requisite governmental licenses, authorizations, consents and approvals to operate its business as currently conducted; except in each case (other than clause (a) as it relates to the good standing of the Borrower) to the extent that failure to do so would not reasonably be expected to have a Material Adverse Effect.

SECTION 5.02 Authorization; No Contravention. The execution, delivery and performance by each Loan Party of each Loan Document to which such Person is a party are within such Loan Party's corporate and other powers and have been duly authorized by all necessary corporate or other organizational action. Neither the execution, delivery and performance by each Loan Party of each Loan Document to which such Person is a party will (a) contravene the terms of any of such Person's Organization Documents or (b) violate any applicable material Law; except in the case of this clause (b) to the extent that such violation or contravention would not reasonably be expected to have a Material Adverse Effect.

SECTION 5.03 Governmental Authorization. No material approval, consent, exemption, authorization, or other action by, or notice to, or filing with, any Governmental Authority is necessary or required in connection with the execution, delivery or performance by, or enforcement against, any Loan Party of this Agreement or any other Loan Document, except for (i) filings and registrations necessary to perfect the Liens on the Collateral granted by the Loan Parties in favor of the Secured Parties, (ii) the approvals, consents, exemptions, authorizations, notices, filings or other actions which have been duly obtained, taken, given or made and are in full force and effect and (iii) those approvals, consents, exemptions, authorizations, notices, filings or other actions, the failure of which to obtain, take, give or make would not reasonably be expected to have a Material Adverse Effect.

SECTION 5.04 Binding Effect. This Agreement and each other Loan Document has been duly executed and delivered by each Loan Party that is party thereto. This Agreement and each other Loan Document constitutes a legal, valid and binding obligation of such Loan Party, enforceable against such Loan Party that is party thereto in accordance with its terms,

except as such enforceability may be limited by (i) Debtor Relief Laws and by general principles of equity, (ii) the need for filings and registrations necessary to create or perfect the Liens on the Collateral granted by the Loan Parties in favor of the Secured Parties and (iii) the effect of foreign Laws, rules and regulations as they relate to pledges of Equity Interests in Foreign Subsidiaries (*provided* that, for the avoidance of doubt, no Loan Party shall have any obligation to create or perfect the Liens under foreign Laws).

SECTION 5.05 Financial Statements; No Material Adverse Effect.

(b) Since December 31, 2011, there has been no event or circumstance, either individually or in the aggregate, that has had or would reasonably be expected to have a Material Adverse Effect.

(c) The forecast financial information of Holdings and its Subsidiaries for each fiscal year ending after the Closing Date until year end 2016, included in diligence and lender presentations provided to Administrative Agent prior to the Closing Date, have been prepared in good faith on the basis of the assumptions believed to be reasonable at the time made, it being understood that projections as to future events are not to be viewed as facts and actual results may vary materially from such forecasts.

SECTION 5.06 Litigation. The foregoing shall not restrict in any way any conversion of a corporation, a limited liability company or any other entity to a different legal form at any time.

SECTION 6.06 Maintenance of Properties. (i) declare the commitment of each Lender to make Loans and any obligation of the L/C Issuers to make L/C Credit Extensions to be terminated, whereupon such commitments and obligation shall be terminated;

(ii) declare the unpaid principal amount of all outstanding Loans, all interest accrued and unpaid thereon, and all other amounts owing or payable hereunder or under any other Loan Document to be immediately due and payable, without presentment, demand, protest or other notice of any kind, all of which are hereby expressly waived by the Borrower;

(iii) require that the Borrower Cash Collateralize the L/C Obligations (in an amount equal to the then Outstanding Amount thereof); and

(iv) exercise on behalf of itself and the Lenders all rights and remedies available to it and the Lenders under the Loan Documents or applicable Law;

provided that, upon the occurrence of an actual or deemed entry of an order for relief with respect to the Borrower under the Bankruptcy Code of the United States, the obligation of each Lender to make Loans and any obligation of the L/C Issuers to make L/C Credit Extensions shall automatically terminate, the unpaid principal amount of all outstanding Loans and all interest and other amounts as aforesaid shall automatically become due and payable, and the obligation of the Borrower to Cash Collateralize the L/C Obligations as aforesaid shall automatically become effective, in each case without further act of the Administrative Agent or any Lender.

(b) Subject to the proviso in Section 9.02(a), if any Event of Default under Section 9.01(b)(ii) occurs and is continuing, the Administrative Agent shall, at the request of the Required Revolving Credit Lenders, take any or all of the following actions:

(iii) require that the Borrower Cash Collateralize the then Outstanding Amount of all L/C Obligations; and

(iv) exercise on behalf of itself and the Revolving Credit Lenders all rights and remedies available to it and the Revolving Credit Lenders under the Loan Documents or applicable Law, in each case under or in respect of the Revolving Credit Facilities.

SECTION 9.03 Application of Funds. (a) After any exercise of remedies provided for in Section 9.02 (or after the Loans have automatically become immediately due and payable and the L/C Obligations have automatically been required to be Cash Collateralized as set forth in the proviso to Section 9.02(a)), any amounts received on account of the Secured Obligations shall be applied by the Administrative Agent in the following order:

First, to payment of that portion of the Secured Obligations constituting fees, indemnities, expenses and other amounts (other than principal and interest, but including Attorney Costs payable under Section 11.04 and amounts payable under Article III) payable to the Administrative Agent in its capacity as such;

Second, to payment of that portion of the Secured Obligations constituting fees, indemnities and other amounts (other than principal and interest) payable to the Lenders (including Attorney Costs payable under Section 11.05 and amounts payable under Article III), ratably among them in proportion to the amounts described in this clause Second payable to them;

Third, to payment of that portion of the Secured Obligations constituting accrued and unpaid interest on the Loans and L/C Borrowings, ratably among the Lenders in proportion to the respective amounts described in this clause Third payable to them;

Fourth, to payment of that portion of the Secured Obligations constituting unpaid principal of the Loans and L/C Borrowings, the Swap Termination Value under Secured Hedge Agreements and the Cash Management Obligations, ratably among the Secured Parties in proportion to the respective amounts described in this clause Fourth held by them;

Fifth, to the Administrative Agent for the account of the L/C Issuers, to Cash Collateralize that portion of L/C Obligations comprised of the aggregate undrawn amount of Letters of Credit;

Sixth, to the payment of all other Secured Obligations of the Loan Parties and Guarantors that are due and payable to the Administrative Agent and the other Secured Parties on such date, ratably based upon the respective aggregate amounts of all such Secured Obligations owing to the Administrative Agent and the other Secured Parties on such date; and

Last, the balance, if any, after all of the Secured Obligations have been indefeasibly paid in full, to the Borrower or as otherwise required by Law; provided, in each case, that for the avoidance of doubt, in no event shall the proceeds of any Collateral pledged by a Guarantor be applied to payment of any Excluded Swap Obligations (as defined in the Security Agreement) of such Guarantor.

(b) Subject to Section 2.03(c), amounts used to Cash Collateralize the aggregate undrawn amount of Letters of Credit pursuant to clause Fifth in Section 9.03(a) above shall be applied to satisfy drawings under such Letters of Credit as they occur. If any amount remains on deposit as Cash Collateral after all Letters of Credit have either been fully drawn or expired, such remaining amount shall be applied to the other Obligations, if any, in the order set forth in Section 9.03(a) above and, if no Obligations remain outstanding, to the Borrower.

SECTION 9.04. Right to Cure. (a) Notwithstanding anything to the contrary contained in Section 9.01, in the event that the Borrower fails (or, but for the operation of this Section 9.04, would fail) to comply with the financial covenant set forth in Article VIII and until the expiration of the tenth (10th) Business Day after the date on which financial statements are required to be delivered pursuant to Section 6.01(a) or (b), as applicable, with respect to the applicable fiscal quarter (or the fiscal year ended on the last day of such fiscal quarter) hereunder (such date, the “**Cure Expiration Date**”), the Borrower may engage in a Permitted Equity Issuance and apply the amount of the net cash proceeds thereof to increase Consolidated EBITDA with respect to such applicable quarter; *provided* that such net cash proceeds (i) are actually received by the Borrower no later than ten (10) Business Days after the date on which financial statements are required to be delivered with respect to such fiscal quarter hereunder, (ii) are Not Otherwise Applied and disregarded for purposes of calculating the Available Amount, (iii) do not exceed the aggregate amount necessary to comply with Article VIII for any applicable period, and (iv) shall not result in any *pro forma* reduction in Indebtedness for the purposes of determining compliance with the financial covenant set forth in Article VIII for the fiscal quarter in which such Permitted Equity Issuance is made. If, after giving effect to the foregoing increase to Consolidated EBITDA, the Borrower shall then be in compliance with the requirements of Article VIII, the Borrower shall be deemed to have satisfied such requirements as of the relevant date of determination with the same effect as though there had been (or would have been) no failure to comply therewith at such date, and the failure to comply that occurred (or would have occurred) shall be deemed cured for purposes of this Agreement. The parties hereby acknowledge that this Section 9.04(a) may not be relied on for purposes of calculating any financial ratios other than as applicable to Article VIII and shall not result in any adjustment to any amounts (including, without limitation, Consolidated Senior Secured First-Lien Indebtedness) other than the amount of the Consolidated EBITDA referred to in the immediately preceding sentence.

(b) In each period of four fiscal quarters, (i) there shall be at least two (2) fiscal quarters in which no cure set forth in Section 9.04(a) is made and (ii) during the term of this Agreement, the cure set forth in Section 9.04(a) shall not be exercised more than five times.

(c) Notwithstanding anything to the contrary contained in Section 9.01, in the event that the Borrower fails (or, but for the operation of this Section 9.04, would fail) to comply with the financial covenant set forth in Article VIII, the Borrower may cure such failure by repaying Revolving Credit Loans and Swing Line Loans and Cash Collateralizing 101% of the Outstanding Amount of all L/C Obligations no later than ten (10) Business Days after the date on which financial statements are required to be delivered with respect to such fiscal quarter hereunder. Upon the effectiveness of such repayment and/or Cash Collateralization (i) the failure to comply with the financial covenant set forth in Article VIII that occurred (or would have occurred) shall be deemed cured for purposes of this Agreement and (ii) if prior to such time the Revolving Credit Lenders have declared all outstanding obligations under the Revolving Credit Facilities to be immediately due and payable solely as a result of such failure to comply with Article VIII, such declaration shall be deemed to be automatically rescinded at such time.

ARTICLE X

Administrative Agent and Other Agents

SECTION 10.01 Appointment and Authorization of Agents.

(a) Each Lender and each L/C Issuer hereby irrevocably appoints, designates and authorizes the Administrative Agent to take such action on its behalf under the provisions of this Agreement and each other Loan Document and to exercise such powers and perform such duties as are expressly delegated to it by the terms of this Agreement or any other Loan Document, together with such powers as are reasonably incidental thereto. Notwithstanding any provision to the contrary contained elsewhere herein or in any other Loan Document, the Administrative Agent shall have no duties or responsibilities, except those expressly set forth herein, nor shall the Administrative Agent have or be deemed to have any fiduciary relationship with any Lender or participant, and no implied covenants, functions, responsibilities, duties, obligations or liabilities shall be read into this Agreement or any other Loan Document or otherwise exist against the Administrative Agent. Without limiting the generality of the foregoing sentence, the use of the term “agent” herein and in the other Loan Documents with reference to any Agent is not intended to connote any fiduciary or other implied (or express) obligations arising under agency doctrine of any applicable Law. Instead, such term is used merely as a matter of market custom, and is intended to create or reflect only an administrative relationship between independent contracting parties.

(b) Each L/C Issuer shall act on behalf of the Lenders with respect to any Letters of Credit issued by it and the documents associated therewith, and each such L/C Issuer shall have all of the benefits and immunities (i) provided to the Agents in this Article X with respect to any acts taken or omissions suffered by such L/C Issuer in connection with Letters of Credit issued by it or proposed to be issued by it and the applications and agreements for letters of credit pertaining to such Letters of Credit as fully as if the term “Agent” as used in this Article X and in the definition of “Agent-Related Person” included such L/C Issuer with respect to such acts or omissions, and (ii) as additionally provided herein with respect to such L/C Issuer.

(c) The Administrative Agent shall also act as the “collateral agent” under the Loan Documents, and each of the Lenders (in its capacities as a Lender, Swing Line Lender (if applicable), L/C Issuer (if applicable) and a potential Hedge Bank and/or Cash Management Bank) hereby irrevocably appoints and authorizes the Administrative Agent to act as the agent of (and to hold any security interest created by the Collateral Documents for and on behalf of or on trust for) such Lender for purposes of acquiring, holding and enforcing (if then in effect, subject to the terms of any Intercreditor Agreement) any and all Liens on Collateral granted by any of the Loan Parties to secure any of the Obligations, together with such powers and discretion as are reasonably incidental thereto. In this connection, the Administrative Agent, as “collateral agent” (and any co-agents, sub-agents and attorneys-in-fact appointed by the Administrative Agent pursuant to Section 10.02 for purposes of holding or enforcing any Lien on the Collateral (or any portion thereof) granted under the Collateral Documents, or for exercising any rights and remedies thereunder at the direction of the Administrative Agent), shall be entitled to the benefits of all provisions of this Article X (including Section 10.07, as though such co-agents, sub-agents and attorneys-in-fact were the “collateral agent” under the Loan Documents) as if set forth in full

herein with respect thereto. Without limiting the generality of the foregoing, the Lenders hereby expressly authorize the Agents to execute any and all documents (including releases) with respect to the Collateral and the rights of the Secured Parties with respect thereto, as contemplated by and in accordance with the provisions of this Agreement and the Collateral Documents and acknowledge and agree that any such action by any Agent shall bind the Lenders.

SECTION 10.02 Delegation of Duties. The Administrative Agent may execute any of its duties under this Agreement or any other Loan Document (including for purposes of holding or enforcing any Lien on the Collateral (or any portion thereof) granted under the Collateral Documents or of exercising any rights and remedies thereunder) by or through agents, employees or attorneys-in-fact including for the purpose of any Borrowing or payment in Alternative Currencies, such sub-agents as shall be deemed necessary by the Administrative Agent and shall be entitled to advice of counsel and other consultants or experts concerning all matters pertaining to such duties. The exculpatory provisions of this Article shall apply to any such sub-agent and to any Agent-Related Person, and shall apply to their respective activities in connection with the syndication of the credit facilities provided for herein as well as activities as Administrative Agent. The Administrative Agent shall not be responsible for the negligence or misconduct of any agent or sub-agent or attorney-in-fact that it selects in the absence of gross negligence or willful misconduct (as determined in the final judgment of a court of competent jurisdiction).

SECTION 10.03 Liability of Agents.

(a) No Agent-Related Person shall (x) be liable for any action taken or omitted to be taken by any of them under or in connection with this Agreement or any other Loan Document or the transactions contemplated hereby (except for its own gross negligence or willful misconduct, as determined by the final judgment of a court of competent jurisdiction, in connection with its duties expressly set forth herein), (y) be liable for any action taken or not taken by it with the consent or at the request of the Required Lenders (or such other number or percentage of the Lenders as shall be necessary, or as the Administrative Agent shall believe in good faith shall be necessary, under the circumstances as provided in Section 11.01 or (z) be responsible in any manner to any Lender or participant for any recital, statement, representation or warranty made by any Loan Party, any Guarantor or any officer thereof, contained herein or in any other Loan Document, or in any certificate, report, statement or other document referred to or provided for in, or received by the Administrative Agent under or in connection with, this Agreement or any other Loan Document, or the validity, effectiveness, genuineness, enforceability or sufficiency of this Agreement or any other Loan Document, or the perfection or priority of any Lien or security interest created or purported to be created under the Collateral Documents, or for any failure of any Loan Party or any other party to any Loan Document to perform its obligations hereunder or thereunder.

(b) No Agent-Related Person shall be under any obligation to any Lender or participant to ascertain or to inquire as to the observance or performance of any of the agreements contained in, or conditions of, this Agreement or any other Loan Document, or to inspect the properties, books or records of any Loan Party or any Affiliate thereof.

(c) No Agent-Related Person shall have any duty to take any discretionary action or exercise any discretionary powers, except discretionary rights and powers expressly contemplated hereby or by the other Loan Documents that the Administrative Agent is required to exercise as directed in writing by the Required Lenders (or such other number or percentage of the Lenders as shall be expressly provided for herein or in the other Loan Documents), *provided* that the Administrative Agent shall not be required to take any action that, in its opinion or the opinion of its counsel, may expose the Administrative Agent to liability or that is contrary to any Loan Document or applicable law, including for the avoidance of doubt any action that may be in violation of the automatic stay under any Debtor Relief Law or that may effect a forfeiture, modification or termination of property of a Defaulting Lender in violation of any Debtor Relief Law.

(d) No Agent-Related Person shall, except as expressly set forth herein and in the other Loan Documents, have any duty to disclose, and shall not be liable for the failure to disclose, any information relating to any of the Borrower or any of their respective Affiliates that is communicated to or obtained by the Person serving as the Administrative Agent or any of its Affiliates in any capacity.

(e) No Agent-Related Person shall be subject to any fiduciary or other implied duties, regardless of whether a Default has occurred and is continuing.

SECTION 10.04 Reliance by Agents.

(a) Each Agent shall be entitled to rely, and shall be fully protected in relying, upon any writing, communication, signature, resolution, representation, notice, consent, certificate, affidavit, letter, telegram, facsimile, telex or telephone message, electronic mail message, statement or other document or conversation believed by it to be genuine and correct and to have been signed, sent or made by the proper Person or Persons, and upon advice and statements of legal counsel (including counsel to any Loan Party), independent accountants and other experts selected by such Agent. Each Agent shall be fully justified in failing or refusing to take any action under any Loan Document unless it shall first receive such advice or concurrence of the Required Lenders as it deems appropriate and, if it so requests, it shall first be indemnified to its satisfaction by the Lenders against any and all liability and expense which may be incurred by it by reason of taking or continuing to take any such action. Each Agent shall in all cases be fully protected in acting, or in refraining from acting, under this Agreement or any other Loan Document in accordance with a request or consent of the Required Lenders (or such greater number of Lenders as may be expressly required hereby in any instance) and such request and any action taken or failure to act pursuant thereto shall be binding upon all the Lenders.

(b) For purposes of determining compliance with the conditions specified in Section 4.01, each Lender that has signed this Agreement shall be deemed to have consented to, approved or accepted or to be satisfied with, each document or other matter required thereunder to be consented to or approved by or acceptable or satisfactory to a Lender unless the Administrative Agent shall have received notice from such Lender prior to the proposed Closing Date specifying its objection thereto.

SECTION 10.05 Notice of Default. The Administrative Agent shall not be deemed to have knowledge or notice of the occurrence of any Default, except with respect to defaults in the payment of principal, interest and fees required to be paid to the Administrative Agent for the account of the Lenders, unless the Administrative Agent shall have received written notice from a Lender or the Borrower referring to this Agreement, describing such Default and stating that such notice is a "notice of default." The Administrative Agent will notify the Lenders of its receipt of any such notice. The Administrative Agent shall take such action with respect to any Event of Default as may be directed by the Required Lenders in accordance with Article IX; *provided* that unless and until the Administrative Agent has received any such direction, the Administrative Agent may (but shall not be obligated to) take such action, or refrain from taking such action, with respect to such Event of Default as it shall deem advisable or in the best interest of the Lenders.

SECTION 10.06 Credit Decision; Disclosure of Information by Agents. Each Lender acknowledges that no Agent-Related Person has made any representation or warranty to it, and that no act by any Agent hereafter taken, including any consent to and acceptance of any assignment or review of the affairs of any Loan Party or any Affiliate thereof, shall be deemed to constitute any representation or warranty by any Agent-Related Person to any Lender as to any matter, including whether Agent-Related Persons have disclosed material information in their possession. Each Lender represents to each Agent that it has, independently and without reliance upon any Agent-Related Person and based on such documents and information as it has deemed appropriate, made its own appraisal of an investigation into the business, prospects, operations, property, financial and other condition and creditworthiness of the Loan Parties and their respective Subsidiaries, and all applicable bank or other regulatory Laws relating to the transactions contemplated hereby, and made its own decision to enter into this Agreement and to extend credit to the Borrower and the other Loan Parties hereunder. Each Lender also represents that it will, independently and without reliance upon any Agent-Related Person and based on such documents and information as it shall deem appropriate at the time, continue to make its own credit analysis, appraisals and decisions in taking or not taking action under this Agreement and the other Loan Documents, and to make such investigations as it deems necessary to inform itself as to the business, prospects, operations, property, financial and other condition and creditworthiness of the Borrower and the other Loan Parties. Except for notices, reports and other documents expressly required to be furnished to the Lenders by any Agent herein, such Agent shall not have any duty or responsibility to provide any Lender with any credit or other information concerning the business, prospects, operations, property, financial and other condition or creditworthiness of any of the Loan Parties or any of their respective Affiliates which may come into the possession of any Agent-Related Person.

SECTION 10.07 Indemnification of Agents. Whether or not the transactions contemplated hereby are consummated, the Lenders shall indemnify upon demand each Agent-Related Person (to the extent not reimbursed by or on behalf of any Loan Party and without limiting the obligation of any Loan Party to do so), pro rata, and hold harmless each Agent-Related Person from and against any and all Indemnified Liabilities incurred by it; *provided* that no Lender shall be liable for the payment to any Agent-Related Person of any portion of such Indemnified Liabilities resulting from such Agent-Related Person's own gross negligence or willful misconduct, as determined by the final judgment of a court of competent jurisdiction; *provided* that no action taken in accordance with the directions of the Required Lenders (or such

other number or percentage of the Lenders as shall be required by the Loan Documents) shall be deemed to constitute gross negligence or willful misconduct for purposes of this Section 10.07. In the case of any investigation, litigation or proceeding giving rise to any Indemnified Liabilities, this Section 10.07 applies whether any such investigation, litigation or proceeding is brought by any Lender or any other Person. Without limitation of the foregoing, each Lender shall reimburse the Administrative Agent upon demand for its ratable share of any costs or out-of-pocket expenses (including Attorney Costs) incurred by the Administrative Agent in connection with the preparation, execution, delivery, administration, modification, amendment or enforcement (whether through negotiations, legal proceedings or otherwise) of, or legal advice in respect of rights or responsibilities under, this Agreement, any other Loan Document, or any document contemplated by or referred to herein, to the extent that the Administrative Agent is not reimbursed for such expenses by or on behalf of the Borrower, *provided* that such reimbursement by the Lenders shall not affect the Borrower's continuing reimbursement obligations with respect thereto. The undertaking in this Section 10.07 shall survive termination of the Aggregate Commitments, the payment of all other Obligations and the resignation of the Administrative Agent.

SECTION 10.08 Agents in their Individual Capacities. Bank of America and its Affiliates may make loans to, issue letters of credit for the account of, accept deposits from, acquire Equity Interests in and generally engage in any kind of banking, trust, financial advisory, underwriting or other business with each of the Loan Parties, the Guarantors and their respective Affiliates as though Bank of America were not the Administrative Agent or an L/C Issuer hereunder and without notice to or consent of the Lenders. The Lenders acknowledge that, pursuant to such activities, Bank of America or its Affiliates may receive information regarding any Loan Party, any Guarantor or any of their Affiliates (including information that may be subject to confidentiality obligations in favor of such Loan Party, such Guarantor or such Affiliate) and acknowledge that the Administrative Agent shall be under no obligation to provide such information to them. With respect to its Loans, Bank of America shall have the same rights and powers under this Agreement as any other Lender and may exercise such rights and powers as though it were not the Administrative Agent or an L/C Issuer, and the terms "Lender" and "Lenders" include Bank of America in its individual capacity.

SECTION 10.09 Successor Agents. The Administrative Agent may resign as the Administrative Agent upon at least thirty (30) days' prior written notice to the Lenders and the Borrower. If the Administrative Agent is in material breach of its obligations hereunder as Administrative Agent, then the Administrative Agent may be removed as the Administrative Agent at the request of the Required Lenders. If at any time, the Administrative Agent is a Defaulting Lender, the Administrative Agent may be removed as the Administrative Agent hereunder by the Borrower upon fifteen (15) days' notice to the Lenders. Such removal shall take effect upon the appointment of a successor Administrative Agent as provided below.

Upon receipt of any such notice of resignation or upon such removal, the Required Lenders shall appoint from among the Lenders a successor agent for the Lenders, which successor agent shall be (a) a bank with an office in the United States or an Affiliate of any such bank with an office in the United States, and (b) consented to by the Borrower at all times other than during the existence of an Event of Default under Section 9.01(f) or (g) (which consent of the Borrower shall not be unreasonably withheld or delayed).

If no successor agent is appointed prior to the effective date of the resignation of the Administrative Agent, then the retiring Administrative Agent may appoint, after consulting with the Lenders and with the consent of the Borrower (which consent shall not be unreasonably withheld or delayed, provided that the Borrower's consent shall not be required during the existence of an Event of Default under Section 9.01(f) or (g)), a successor agent, which shall be a bank with an office in the United States or an Affiliate of any such bank with an office in the United States, from among the Lenders.

Upon the acceptance of its appointment as successor agent hereunder, the Person acting as such successor agent shall succeed to all the rights, powers and duties of the retiring Administrative Agent (except for any indemnity payments or other amounts then owed to the retiring or removed Administrative Agent) and the term "Administrative Agent," shall mean such successor administrative agent and/or supplemental administrative agent, as the case may be, and the retiring Administrative Agent's appointment, powers and duties as the Administrative Agent shall be terminated. After the retiring Administrative Agent's resignation hereunder as the Administrative Agent, the provisions of this Article X and Sections 11.04 and 11.05 shall inure to its benefit as to any actions taken or omitted to be taken by it while it was the Administrative Agent under this Agreement.

If no successor agent has accepted appointment as the Administrative Agent by the date which is thirty (30) Business Days following the retiring Administrative Agent's notice of resignation, the retiring Administrative Agent's resignation shall nevertheless thereupon become effective (except that in the case of any collateral security held by the Administrative Agent on behalf of the Lenders or the L/C Issuer under any of the Loan Documents, the retiring Administrative Agent shall continue to hold such collateral security as nominee until such time as a successor Administrative Agent is appointed) and the Required Lenders shall perform all of the duties of the Administrative Agent hereunder until such time, if any, as the Required Lenders appoint a successor agent as provided for above.

Upon the acceptance of any successor's appointment as the Administrative Agent hereunder and upon the execution and filing or recording of such financing statements, or amendments thereto, and such amendments or supplements to the Mortgages, and such other instruments or notices, as may be necessary or desirable, or as the Required Lenders may request, in order to (a) continue the perfection of the Liens granted or purported to be granted by the Collateral Documents or (b) otherwise ensure that the Collateral and Guarantee Requirement is satisfied, such successor shall thereupon succeed to and become vested with all the rights, powers, discretion, privileges, and duties of the retiring Administrative Agent, and the retiring (or retired) Administrative Agent shall be discharged from its duties and obligations under the Loan Documents.

The fees payable by the Borrower to a successor Administrative Agent shall be the same as those payable to its predecessor unless otherwise agreed between the Borrower and such successor. After the retiring Administrative Agent's resignation hereunder as the Administrative Agent, the provisions of this Article X shall continue in effect for its benefit, its sub-agents and their respective Agent-Related Persons in respect of any actions taken or omitted to be taken by it while it was acting as the Administrative Agent.

Any resignation by Bank of America as Administrative Agent pursuant to this Section 10.09 shall also constitute its resignation as L/C Issuer and Swing Line Lender. Upon the acceptance of a successor's appointment as Administrative Agent hereunder, (i) such successor shall succeed to and become vested with all of the rights, powers, privileges and duties of the retiring L/C Issuer and Swing Line Lender, (ii) the retiring L/C Issuer and Swing Line Lender shall be discharged from all of their respective duties and obligations hereunder or under the other Loan Documents, and (iii) the successor L/C Issuer shall issue letters of credit in substitution for the Letters of Credit, if any, outstanding at the time of such succession or make other arrangements satisfactory to the retiring L/C Issuer to effectively assume the obligations of the retiring L/C Issuer with respect to such Letters of Credit.

SECTION 10.10 Administrative Agent May File Proofs of Claim. In case of the pendency of any receivership, insolvency, liquidation, bankruptcy, reorganization, arrangement, adjustment, composition or other judicial proceeding relative to any Loan Party, the Administrative Agent (irrespective of whether the principal of any Loan or L/C Obligation shall then be due and payable as herein expressed or by declaration or otherwise and irrespective of whether the Administrative Agent shall have made any demand on the Borrower) shall be entitled and empowered, by intervention in such proceeding or otherwise:

(a) to file and prove a claim for the whole amount of the principal and interest owing and unpaid in respect of the Loans, L/C Obligations and all other Obligations that are owing and unpaid and to file such other documents as may be necessary or advisable in order to have the claims of the Lenders and the Administrative Agent (including any claim for the reasonable compensation, expenses, disbursements and advances of the Lenders and the Administrative Agent and their respective agents and counsel and all other amounts due the Lenders and the Administrative Agent under Sections 2.03(h) and (i), 2.09 and 11.04) allowed in such judicial proceeding; and

(b) to collect and receive any monies or other property payable or deliverable on any such claims and to distribute the same;

and any custodian, receiver, assignee, trustee, liquidator, sequestrator or other similar official in any such judicial proceeding is hereby authorized by each Lender to make such payments to the Administrative Agent and, in the event that the Administrative Agent shall consent to the making of such payments directly to the Lenders, to pay to the Administrative Agent any amount due for the reasonable compensation, expenses, disbursements and advances of the Agents and their respective agents and counsel, and any other amounts due the Administrative Agent under Sections 2.09 and 11.04.

Nothing contained herein shall be deemed to authorize the Administrative Agent to authorize or consent to or accept or adopt on behalf of any Lender any plan of reorganization, arrangement, adjustment or composition affecting the Obligations or the rights of any Lender or to authorize the Administrative Agent to vote in respect of the claim of any Lender in any such proceeding.

SECTION 10.11 [Reserved]

SECTION 10.12 Other Agents; Arrangers and Managers. None of the Lenders or other Persons identified on the facing page or signature pages of this Agreement as a “syndication agent,” “co-documentation agent,” “joint bookrunner,” “joint lead arranger” or “co-manager” shall have any right, power, obligation, liability, responsibility or duty under this Agreement other than those applicable to all Lenders as such. Without limiting the foregoing, none of the Lenders or other Persons so identified shall have or be deemed to have any fiduciary relationship with any Lender. Each Lender acknowledges that it has not relied, and will not rely, on any of the Lenders or other Persons so identified in deciding to enter into this Agreement or in taking or not taking action hereunder.

SECTION 10.13 Appointment of Supplemental Administrative Agents.

(a) It is the purpose of this Agreement and the other Loan Documents that there shall be no violation of any Law of any jurisdiction denying or restricting the right of banking corporations or associations to transact business as agent or trustee in such jurisdiction. It is recognized that in case of litigation under this Agreement or any of the other Loan Documents, and in particular in case of the enforcement of any of the Loan Documents, or in case the Administrative Agent deems that by reason of any present or future Law of any jurisdiction it may not exercise any of the rights, powers or remedies granted herein or in any of the other Loan Documents or take any other action which may be desirable or necessary in connection therewith, the Administrative Agent is hereby authorized to appoint an additional individual or institution selected by the Administrative Agent in its sole discretion as a separate trustee, co-trustee, administrative agent, collateral agent, administrative sub-agent or administrative co-agent (any such additional individual or institution being referred to herein individually as a “**Supplemental Administrative Agent**” and collectively as “**Supplemental Administrative Agents**”).

(b) In the event that the Administrative Agent appoints a Supplemental Administrative Agent with respect to any Collateral, (i) each and every right, power, privilege or duty expressed or intended by this Agreement or any of the other Loan Documents to be exercised by or vested in or conveyed to the Administrative Agent with respect to such Collateral shall be exercisable by and vest in such Supplemental Administrative Agent to the extent, and only to the extent, necessary to enable such Supplemental Administrative Agent to exercise such rights, powers and privileges with respect to such Collateral and to perform such duties with respect to such Collateral, and every covenant and obligation contained in the Loan Documents and necessary to the exercise or performance thereof by such Supplemental Administrative Agent shall run to and be enforceable by either the Administrative Agent or such Supplemental Administrative Agent, and (ii) the provisions of this Article X and of Sections 11.04 and 11.05 that refer to the Administrative Agent shall inure to the benefit of such Supplemental Administrative Agent and all references therein to the Administrative Agent shall be deemed to be references to the Administrative Agent and/or such Supplemental Administrative Agent, as the context may require.

(c) Should any instrument in writing from any Loan Party be required by any Supplemental Administrative Agent so appointed by the Administrative Agent for more fully and certainly vesting in and confirming to him or it such rights, powers, privileges and duties, the Borrower or Holdings, as applicable, shall, or shall cause such Loan Party to, execute, acknowledge and deliver any and all such instruments promptly upon request by the Administrative Agent. In case any Supplemental Administrative Agent, or a successor thereto, shall die, become incapable of acting, resign or be removed, all the rights, powers, privileges and duties of such Supplemental Administrative Agent, to the extent permitted by Law, shall vest in and be exercised by the Administrative Agent until the appointment of a new Supplemental Administrative Agent.

ARTICLE XI

Miscellaneous

SECTION 11.01 Amendments, Etc. Except as otherwise set forth in this Agreement, no amendment, modification, supplement or waiver of any provision of this Agreement or any other Loan Document, and no consent to any departure by the Borrower or any other Loan Party therefrom, shall be effective unless in writing signed by the Required Lenders (or, with the written consent of the Required Lenders, the Administrative Agent) and the Borrower or the applicable Loan Party, as the case may be, and acknowledged by the Administrative Agent and each such waiver, amendment, modification, supplement or consent shall be effective only in the specific instance and for the specific purpose for which given; *provided* that, no such amendment, modification, supplement, waiver or consent shall:

(a) extend or increase the Commitment of any Lender without the written consent of such Lender (it being understood that a waiver of any condition precedent set forth in Section 4.02 or the waiver of any Default, mandatory prepayment or mandatory reduction of the Commitments shall not constitute an extension or increase of any Commitment of any Lender);

(b) postpone any date scheduled for, or reduce the amount of, any payment of principal or interest under Section 2.07 or 2.08 to any Lender without the written consent of such Lender directly and adversely affected thereby, it being understood that the waiver of (or amendment to the terms of) any mandatory prepayment of the Term Loans shall not constitute a postponement of any date scheduled for the payment of principal or interest;

(c) reduce or forgive the principal of, or the rate of interest specified herein on, any Loan or L/C Borrowing, or (subject to clause (iii) of the second proviso to this Section 11.01) any fees or other amounts payable hereunder or under any other Loan Document to any Lender without the written consent of such Lender directly and adversely affected thereby, it being understood that any change to the definitions of Interest Coverage Ratio, Total Net Leverage Ratio, Senior Secured Net Leverage Ratio or Senior Secured First-Lien Net Leverage Ratio or, in each case, in the component definitions thereof shall not constitute a reduction in the rate of interest; *provided* that, only the consent of the Required Lenders shall be necessary to amend the definition of "Default Rate" or to waive any obligation of the Borrower to pay interest at the Default Rate;

(d) change the definition of “Required Lenders” without the written consent of each Lender; change any provision of this Section 11.01, the definition of “Pro Rata Share” or Section 2.05(b)(v)(Y), 2.06(c), 2.13 or 9.03 without the written consent of each Lender directly and adversely affected thereby;

(e) other than in a transaction permitted under Section 7.04 or Section 7.05, or as permitted under Section 11.15 or any Collateral Document, release all or substantially all of the Collateral in any transaction or series of related transactions, without the written consent of each Lender (other than a Defaulting Lender);

(f) other than in a transaction permitted under Section 7.04 or Section 7.05, or as permitted under Section 11.15 or any Collateral Document, release all or substantially all of the aggregate value of the Guarantees without the written consent of each Lender (other than a Defaulting Lender);

(g) change the currency in which any Loan is denominated without the written consent of the Lender holding such Loans; or

(h) require any Lender to make available Interest Periods longer than six months without the written consent of each Lender.

and *provided further* that (i) no amendment, waiver or consent shall, unless in writing and signed by each L/C Issuer in addition to the Lenders required above, affect the rights or duties of an L/C Issuer under this Agreement or any Letter of Credit Application relating to any Letter of Credit issued or to be issued by it; (ii) no amendment, waiver or consent shall, unless in writing and signed by the Swing Line Lenders in addition to the Lenders required above, affect the rights or duties of the Swing Line Lenders under this Agreement; (iii) no amendment, waiver or consent shall, unless in writing and signed by the Administrative Agent in addition to the Lenders required above, affect the rights or duties of, or any fees or other amounts payable to, the Administrative Agent under this Agreement or any other Loan Document; (iv) Section 11.07(h) may not be amended, waived or otherwise modified without the consent of each Granting Lender all or any part of whose Loans are being funded by an SPC at the time of such amendment, waiver or other modification; (v) the consent of Lenders holding more than 50% of any Class of Commitments shall be required with respect to any amendment that by its terms adversely affects the rights of such Class in respect of payments hereunder in a manner different than such amendment affects other Classes; and (vi) only the consent of the Required Revolving Credit Lenders shall be necessary to amend the definition of “Required Revolving Credit Lenders” or amend or waive the terms and provisions (and related definitions) of Article VIII or waive, amend, terminate or otherwise modify Article VIII with respect to the occurrence of an Event of Default. Any such waiver and any such amendment, modification or supplement in accordance with the terms of this Section 11.01 shall apply equally to each of the Lenders and shall be binding on the Loan Parties, the Lenders, the Agents and all future holders of the Loans and Commitments. Notwithstanding anything to the contrary herein, no Defaulting Lender shall have any right to approve or disapprove any amendment, waiver or consent hereunder, except that the Commitment of such Lender may not be increased or extended without the consent of such Lender (it being understood that any Commitments or Loans held or deemed held by any Defaulting Lender shall be excluded for a vote of the Lenders hereunder requiring any consent of the Lenders).

Notwithstanding the foregoing, this Agreement may be amended (or amended and restated) with the written consent of the Required Lenders, the Administrative Agent and the Borrower (a) to add one or more additional credit facilities to this Agreement and to permit the extensions of credit from time to time outstanding thereunder and the accrued interest and fees in respect thereof to share ratably in the benefits of this Agreement and the other Loan Documents with the Term Loans and the Revolving Credit Loans and the accrued interest and fees in respect thereof and (b) to include appropriately the Lenders holding such credit facilities in any determination of the Required Lenders. Furthermore, notwithstanding anything to the contrary contained in this Section 11.01, the Administrative Agent and the Borrower may amend any Loan Document to correct technical administrative or manifest errors or omissions, or to effect administrative changes that are not adverse to any Lender; *provided, however*, that no such amendment shall become effective until the fifth Business Day after it has been posted to the Lenders, and then only if the Required Lenders have not objected in writing thereto within such five (5) Business Day period.

Notwithstanding the foregoing, any Intercreditor Agreement may be amended (or amended and restated, with only the written consent of the Administrative Agent, any Senior Representatives thereunder and the Borrower, and without the consent of any Lenders to add the Senior Representatives of any Permitted First Priority Refinancing Debt or any Permitted Second Priority Refinancing Debt as parties to such Intercreditor Agreement, it being understood that any such amendment, modification or supplement may make such other changes to the applicable Intercreditor Agreement as, in the good faith determination of the Administrative Agent, are required to effectuate the foregoing; provided, that such other changes are not adverse, in any material respect, to the interests of the Lenders, and provided further that no such agreement shall amend, modify or otherwise affect the rights or duties of the Administrative Agent hereunder or under any other Loan Document without the prior written consent of the Administrative Agent.

Notwithstanding anything to the contrary contained in Section 11.01, guarantees, collateral security documents and related documents executed by Subsidiaries in connection with this Agreement may be in a form reasonably determined by the Administrative Agent and may be, together with this Agreement, amended and waived with the consent of the Administrative Agent at the request of the Borrower without the need to obtain the consent of any other Lender if such amendment or waiver is delivered in order (i) to comply with local Law or advice of local counsel, (ii) to cure ambiguities or defects, (iii) to cause such guarantee, collateral security document or other document to be consistent with this Agreement and the other Loan Documents, (iv) to include "parallel debt" or similar provisions, and any authorizations or granting of powers by the Lenders and the other Secured Parties in favor of the Administrative Agent, in each case required to create in favor of the Administrative Agent any security interest contemplated to be created under this Agreement, or to perfect any such security interest, where the Administrative Agent shall have been advised by its counsel that such provisions are necessary or advisable under local law for such purpose.

SECTION 11.02 Notices and Other Communications; Facsimile Copies.

(a) *General.* Unless otherwise expressly provided herein, all notices and other communications provided for hereunder or under any other Loan Document shall be in writing (including by facsimile transmission). All such written notices shall be mailed, faxed or delivered to the applicable address, facsimile number or electronic mail address, and all notices and other communications expressly permitted hereunder to be given by telephone shall be made to the applicable telephone number, as follows:

(i) if to the Borrower, the Administrative Agent, an L/C Issuer or the Swing Line Lender, to the address, facsimile number, electronic mail address or telephone number specified for such Person on Schedule 11.02 or to such other address, facsimile number, electronic mail address or telephone number as shall be designated by such party in a notice to the other parties; and

(ii) if to any other Lender, to the address, facsimile number, electronic mail address or telephone number specified in its Administrative Questionnaire or to such other address, facsimile number, electronic mail address or telephone number as shall be designated by such party in a notice to the Borrower, the Administrative Agent, the L/C Issuers and the Swing Line Lender.

All such notices and other communications shall be deemed to be given or made upon the earlier to occur of (i) actual receipt by the relevant party hereto and (ii) (A) if delivered by hand or by courier, when signed for by or on behalf of the relevant party hereto; (B) if delivered by mail, four (4) Business Days after deposit in the mails, postage prepaid; (C) if delivered by facsimile, when sent and receipt has been confirmed by telephone; and (D) if delivered by electronic mail (which form of delivery is subject to the provisions of Section 11.02(c)), when delivered; *provided* that notices and other communications to the Administrative Agent, the L/C Issuers and the Swing Line Lender pursuant to Article II shall not be effective until actually received by such Person. In no event shall a voice mail message be effective as a notice, communication or confirmation hereunder.

(b) *Effectiveness of Facsimile Documents and Signatures.* Loan Documents may be transmitted and/or signed by facsimile or other electronic communication. The effectiveness of any such documents and signatures shall, subject to applicable Law, have the same force and effect as manually signed originals and shall be binding on all Loan Parties, the Agents and the Lenders.

(c) *Reliance by Agents and Lenders.* The Administrative Agent and the Lenders shall be entitled to rely and act upon any notices (including telephonic Committed Loan Notices and Swing Line Loan Notices) purportedly given by or on behalf of the Borrower even if (i) such notices were not made in a manner specified herein, were incomplete or were not preceded or followed by any other form of notice specified herein, or (ii) the terms thereof, as understood by the recipient, varied from any confirmation thereof. The Borrower shall indemnify each Agent-Related Person and each Lender from all losses, costs, expenses and liabilities resulting from the reliance by such Person on each notice purportedly given by or on behalf of the Borrower in the absence of gross negligence or willful misconduct. All telephonic notices to the Administrative Agent may be recorded by the Administrative Agent, and each of the parties hereto hereby consents to such recording.

SECTION 11.03 No Waiver; Cumulative Remedies. No failure by any Lender or the Administrative Agent to exercise, and no delay by any such Person in exercising, any right, remedy, power or privilege hereunder or under any other Loan Document shall operate as a waiver thereof; nor shall any single or partial exercise of any right, remedy, power or privilege hereunder preclude any other or further exercise thereof or the exercise of any other right, remedy, power or privilege. The rights, remedies, powers and privileges herein provided, and provided under each other Loan Document, are cumulative and not exclusive of any rights, remedies, powers and privileges provided by Law.

SECTION 11.04 Attorney Costs and Expenses. The Borrower agrees (a) if the Closing Date occurs, to pay or reimburse the Administrative Agent, the Syndication Agent, each Co-Documentation Agent and the Joint Lead Arrangers for all reasonable and documented out of pocket costs and expenses incurred in connection with the preparation, negotiation, syndication and execution of this Agreement and the other Loan Documents and any amendment, waiver, consent or other modification of the provisions hereof and thereof (whether or not the transactions contemplated thereby are consummated), and the consummation and administration of the transactions contemplated hereby and thereby, including all Attorney Costs of White & Case LLP and one local and foreign counsel in each relevant jurisdiction and, in the case of an actual conflict of interest, one additional counsel to the affected parties taken as a whole, and (b) to pay or reimburse the Administrative Agent, each other Agent and each Lender for all reasonable and documented out-of-pocket costs and expenses incurred in connection with the enforcement of any rights or remedies under this Agreement or the other Loan Documents (including all such costs and expenses incurred during any legal proceeding, including any proceeding under any Debtor Relief Law, and including all Attorney Costs of counsel to the Administrative Agent). The foregoing costs shall include all reasonable search, filing, recording and title insurance charges and fees related thereto, and other documented out-of-pocket expenses incurred by any Agent. The agreements in this Section 11.04 shall survive the termination of the Aggregate Commitments and repayment of all other Obligations. All amounts due under this Section 11.04 shall be paid promptly following receipt by the Borrower of an invoice relating thereto setting forth such expenses in reasonable detail. If any Loan Party fails to pay when due any costs, expenses or other amounts payable by it hereunder or under any Loan Document, such amount may be paid on behalf of such Loan Party or such Guarantor by the Administrative Agent in its sole discretion.

SECTION 11.05 Indemnification by the Borrower. The Borrower shall indemnify and hold harmless the Administrative Agent, each Lender, the Joint Lead Arrangers, the Joint Bookrunners and their respective Affiliates, directors, officers, employees, agents, trustees or advisors (collectively the “**Indemnitees**”) from and against any and all liabilities, obligations, losses, damages, penalties, claims, demands, actions, judgments, suits, costs, reasonable and documented or invoiced out-of-pocket fees and expenses, and disbursements (including Attorney Costs) of any kind or nature whatsoever which may at any time be imposed on, incurred by or asserted against any such Indemnitee in any way relating to or arising out of or in connection with (but limited, in the case of Attorney Costs, to the reasonable and documented out-of-pocket fees, disbursements and other charges of one counsel to all Indemnitees taken as a

whole and, if reasonably necessary, a single local counsel for all Indemnitees taken as a whole in each relevant jurisdiction, and solely in the case of a conflict of interest, one additional counsel in each relevant jurisdiction to each group of affected Indemnitees similarly situated taken as a whole) (a) the execution, delivery, enforcement, performance or administration of any Loan Document or any other agreement, letter or instrument delivered in connection with the transactions contemplated thereby or the consummation of the transactions contemplated thereby, including the Administrative Agent's performance of duties under Section 2.11, (b) any Commitment, Loan or Letter of Credit or the use or proposed use of the proceeds therefrom (including any refusal by an L/C Issuer to honor a demand for payment under a Letter of Credit if the documents presented in connection with such demand do not strictly comply with the terms of such Letter of Credit), or (c) any actual or alleged presence or release of Hazardous Materials on or from any property currently or formerly owned or operated by the Borrower, any Subsidiary or any other Loan Party, or any Environmental Liability arising out of the activities or operations of the Borrower, any Subsidiary or any other Loan Party, or (d) any actual or prospective claim, litigation, investigation or proceeding relating to any of the foregoing, whether based on contract, tort or any other theory (including any investigation of, preparation for, or defense of any pending or threatened claim, investigation, litigation or proceeding) (all the foregoing, collectively, the "**Indemnified Liabilities**"); *provided* that such indemnity shall not, as to any Indemnatee, be available to the extent that such liabilities, obligations, losses, damages, penalties, claims, demands, actions, judgments, suits, costs, expenses or disbursements resulted from (x) the gross negligence, bad faith or willful misconduct of such Indemnatee or Related Indemnified Person, as determined by a court of competent jurisdiction in a final and non-appealable judgment, (y) a material breach of any obligations under any Loan Document by such Indemnatee or Related Indemnified Person, as determined by a court of competent jurisdiction in a final and non-appealable judgment, or (z) any dispute that is among Indemnitees (other than any dispute involving claims against the Administrative Agent, any Arranger or any other Agent, the Swing Line Lender or any L/C Issuer, in each case in their respective capacities as such) that a court of competent jurisdiction has determined in a final and non-appealable judgment did not involve actions or omissions of any direct or indirect parent or controlling person of the Borrower or their Subsidiaries. No Indemnatee shall be liable for any damages arising from the use by others of any information or other materials obtained through IntraLinks or other similar information transmission systems in connection with this Agreement unless determined by a court of competent jurisdiction in a final and non-appealable judgment to have resulted from the gross negligence, bad faith or willful misconduct of such Indemnatee, nor shall any Indemnatee or any Loan Party have any liability for any special, punitive, indirect or consequential damages relating to this Agreement or any other Loan Document or arising out of its activities in connection herewith or therewith (whether before or after the Closing Date). In the case of an investigation, litigation or other proceeding to which the indemnity in this Section 11.05 applies, such indemnity shall be effective whether or not such investigation, litigation or proceeding is brought by any Loan Party, its directors, stockholders or creditors or an Indemnatee or any other Person, whether or not any Indemnatee is otherwise a party thereto and whether or not any of the transactions contemplated hereunder or under any of the other Loan Documents is consummated. All amounts due under this Section 11.05 shall be paid within 30 days after written demand therefor; *provided, however*, that such Indemnatee shall promptly refund such amount to the extent that there is a final, non-appealable judgment of a court of competent jurisdiction that such Indemnatee was not entitled to indemnification or contribution rights with respect to such

payment pursuant to the express terms of this Section 11.05. The agreements in this Section 11.05 shall survive the resignation of the Administrative Agent, the replacement of any Lender, the termination of the Aggregate Commitments and the repayment, satisfaction or discharge of all the other Obligations.

SECTION 11.06 Payments Set Aside. To the extent that any payment by or on behalf of the Borrower is made to any Agent or any Lender, or any Agent or any Lender exercises its right of setoff, and such payment or the proceeds of such setoff or any part thereof is subsequently invalidated, declared to be fraudulent or preferential, set aside or required (including pursuant to any settlement entered into by such Agent or such Lender in its discretion) to be repaid to a trustee, receiver or any other party, in connection with any proceeding under any Debtor Relief Law or otherwise, then (a) to the extent of such recovery, the obligation or part thereof originally intended to be satisfied shall be revived and continued in full force and effect as if such payment had not been made or such setoff had not occurred, and (b) each Lender severally agrees to pay to the Administrative Agent upon demand its applicable share of any amount so recovered from or repaid by any Agent, plus interest thereon from the date of such demand to the date such payment is made at a rate per annum equal to the applicable Overnight Rate from time to time in effect.

SECTION 11.07 Successors and Assigns.

(a) The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns permitted hereby, except that neither the Borrower nor Holdings may, except as permitted by Section 7.04, assign or otherwise transfer any of its rights or obligations hereunder without the prior written consent of each Lender and no Lender may assign or otherwise transfer any of its rights or obligations hereunder except in accordance with this Section 11.07 (and any other attempted assignment or transfer by any party hereto shall be null and void); *provided, however*, that notwithstanding the foregoing, no Lender may assign or transfer by participation any of its rights or obligations hereunder to (i) any Person that is a Defaulting Lender, or any Person who, upon becoming a Lender hereunder, would constitute any of the foregoing Persons described in this clause (i) or (ii) a natural person. Nothing in this Agreement, expressed or implied, shall be construed to confer upon any Person (other than the parties hereto, their respective successors and assigns permitted hereby, Participants to the extent provided in Section 11.07(e) and, to the extent expressly contemplated hereby, the Indemnitees) any legal or equitable right, remedy or claim under or by reason of this Agreement.

(b) (i) Subject to the conditions set forth in paragraph (b)(ii) below, any Lender may assign to one or more assignees (“**Assignees**”) all or a portion of its rights and obligations under this Agreement (including all or a portion of its Commitment and the Loans (including for purposes of this Section 11.07(b), participations in L/C Obligations and in Swing Line Loans) at the time owing to it) with the prior written consent (such consent (except with respect to assignments to competitors of the Borrower) not to be unreasonably withheld or delayed, it being understood that the Borrower shall have the right to delay or withhold its consent if, in order for such assignment to comply with applicable Law, the Borrower would be required to obtain the consent of, or make a filing or registration with, a Governmental Agency) of:

(A) the Borrower, *provided* that no consent of the Borrower shall be required (i) for an assignment of all or a portion of the Term Loans to a Lender, an Affiliate of a Lender, an Approved Fund or (ii) if an Event of Default under Section 9.01(a) or, solely with respect to the Borrower, Section 9.01(f) or (g) has occurred and is continuing, any Assignee;

(B) the Administrative Agent; *provided* that no consent of the Administrative Agent shall be required for an assignment of all or any portion of a Term Loan to another Lender, an Affiliate of a Lender or an Approved Fund;

(C) each Principal L/C Issuer at the time of such assignment, *provided* that no consent of the Principal L/C Issuers shall be required for any assignment not related to Revolving Credit Commitments or Revolving Credit Exposure or any assignment to an Agent or an Affiliate of an Agent; and

(D) in the case of any assignment of any of the Revolving Credit Facility, the Swing Line Lender; *provided* that no consent of the Swing Line Lender shall be required for any assignment to an Agent or an Affiliate of an Agent.

Notwithstanding anything in this Section 11.07 to the contrary, if the Borrower has not given the Administrative Agent written notice of its objection to an assignment within ten (10) Business Days after written notice of such assignment, the Borrower shall be deemed to have consented to such assignment.

(ii) Assignments shall be subject to the following additional conditions:

(A) except in the case of an assignment to a Lender or an Affiliate of a Lender or an Approved Fund or an assignment of the entire remaining amount of the assigning Lender's Commitment or Loans of any Class, the amount of the Commitment or Loans of the assigning Lender subject to each such assignment (determined as of the date the Assignment and Assumption with respect to such assignment is delivered to the Administrative Agent) shall not be less than a Dollar Amount of \$5,000,000 (in the case of the Revolving Credit Facilities) or a Dollar Amount of \$1,000,000 (in the case of a Term Loan) unless each of the Borrower and the Administrative Agent otherwise consents; *provided* that (i) simultaneous assignments to or by two or more Approved Funds shall be aggregated for purposes of complying with such minimum assignment amount and (ii) such amounts shall be aggregated in respect of each Lender and its Affiliates or Approved Funds, if any;

(B) the parties to each assignment shall execute and deliver to the Administrative Agent an Assignment and Assumption, together with a processing and recordation fee of \$3,500; *provided* that only one such fee shall be payable in the event of simultaneous assignments from any Lender or its Approved Funds to one or more other Approved Funds; *provided* further that the Administrative Agent, in its sole discretion, may elect to waive such processing and recordation fee in the case of any assignment;

(C) the Assignee, if it shall not be a Lender, shall deliver to the Administrative Agent an Administrative Questionnaire;

(D) the Assignee shall comply with Section 3.01(b) and (c) or Section 3.01(d) and (e), as applicable; and

(E) any assignment to Holdings, the Borrower, any Subsidiary or an Affiliated Lender shall also be subject to the requirements of Section 11.07(k).

This paragraph (b) shall not prohibit any Lender from assigning all or a portion of its rights and obligations among separate Classes of Loans or Commitments on a non-pro rata basis.

(c) Subject to acceptance and recording thereof by the Administrative Agent pursuant to Section 11.07(d), from and after the effective date specified in each Assignment and Assumption, the Eligible Assignee thereunder shall be a party to this Agreement and, to the extent of the interest assigned by such Assignment and Assumption, have the rights and obligations of a Lender under this Agreement, and the assigning Lender thereunder shall, to the extent of the interest assigned by such Assignment and Assumption, be released from its obligations under this Agreement (and, in the case of an Assignment and Assumption covering all of the assigning Lender's rights and obligations under this Agreement, such Lender shall cease to be a party hereto but shall continue to be entitled to the benefits of Sections 3.01, 3.04, 3.05, 11.04 and 11.05 with respect to facts and circumstances occurring prior to the effective date of such assignment). Upon request, and the surrender by the assigning Lender of its Note, the Borrower (at its expense) shall execute and deliver a Note to the assignee Lender. In no event shall any assignment be effective if the assigning Lender is the payee of any Note and such Note is not assigned and delivered to the Assignee or surrendered to the Borrower unless, in the event such Note is lost, the assigning Lender affirms in writing to the Borrower that such Note is lost. Any assignment or transfer by a Lender of rights or obligations under this Agreement that does not comply with this clause (c) shall be treated for purposes of this Agreement as a sale by such Lender of a participation in such rights and obligations in accordance with Section 11.07(e).

(d) The Administrative Agent, acting solely for this purpose as an agent of the Borrower, shall maintain at the Administrative Agent's Office a copy of each Assignment and Assumption delivered to it and a register for the recordation of the names and addresses of the Lenders, and the Commitments of, and principal amounts (and related interest amounts) of the Loans, L/C Obligations (specifying the Unreimbursed Amounts), L/C Borrowings and amounts due under Section 2.03, owing to, each Lender pursuant to the terms hereof from time to time (the "**Register**"). The entries in the Register shall be conclusive, absent manifest error, and the Borrower, the Agents and the Lenders shall treat each Person whose name is recorded in the Register pursuant to the terms hereof as a Lender hereunder for all purposes of this Agreement, notwithstanding notice to the contrary. The Register shall be available for inspection by the Borrower, any Agent and, with respect to its own Loans, any Lender, at any reasonable time and from time to time upon reasonable prior notice.

(e) Any Lender may at any time, without the consent of, or notice to, the Borrower or the Administrative Agent, sell participations to any Person (other than a natural person, a Person that the Administrative Agent has identified in a notice to the Lenders as a Defaulting Lender) (each, a “**Participant**”) in all or a portion of such Lender’s rights and/or obligations under this Agreement (including all or a portion of its Commitment and/or the Loans (including such Lender’s participations in L/C Obligations and/or Swing Line Loans) owing to it); *provided* that (i) such Lender’s obligations under this Agreement shall remain unchanged, (ii) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations and (iii) the Borrower, the Agents and the other Lenders shall continue to deal solely and directly with such Lender in connection with such Lender’s rights and obligations under this Agreement. Any agreement or instrument pursuant to which a Lender sells such a participation shall provide that such Lender shall retain the sole right to enforce this Agreement and the other Loan Documents and to approve any amendment, modification or waiver of any provision of this Agreement or the other Loan Documents; *provided* that such agreement or instrument may provide that such Lender will not, without the consent of the Participant, agree to any amendment, waiver or other modification described in the first proviso to Section 11.01 that directly affects such Participant. Subject to Section 11.07(f), the Borrower agrees that each Participant shall be entitled to the benefits of Sections 3.01 (and for the avoidance of doubt, shall have no direct rights against the Borrower) (subject to the requirements of Section 3.01(b) and (c) or Section 3.01(d), as applicable, as though it were a Lender), 3.04 and 3.05 to the same extent as if it were a Lender and had acquired its interest by assignment pursuant to Section 11.07(c) . To the extent permitted by applicable Law, each Participant also shall be entitled to the benefits of Section 11.09 as though it were a Lender; *provided* that such Participant agrees to be subject to Section 2.13 as though it were a Lender. If a Lender (or any of its registered assigns) sells a participation pursuant to this Section 11.07(e), the Lender (or its registered assign, as the case may be), acting solely for this purpose as a non-fiduciary agent of the Borrower, shall maintain a register on which it enters the name and address of each participant and the principal amounts (and stated interest) of each participant’s interest under this Agreement or any Loans or other obligations under the Loan Documents (the “**Participant Register**”); *provided* that such Lender (or its registered assign, as the case may be) shall have no obligation to disclose all or any portion of the Participant Register (including the identity of any participant or any information relating to a participant’s interest in any commitments, loans, letters of credit or its other obligations under any Loan Document) to any Person except to the extent that such disclosure is necessary to establish that such commitment, loan, letter of credit or other obligation is in registered form under Section 5f.103-1(c) of the United States Treasury Regulations. The entries in the Participant Register shall be conclusive absent manifest error, and such Lender (or the registered assign, as the case may be) shall treat each Person whose name is recorded in the Participant Register as the owner of such participation for all purposes of this Agreement notwithstanding any notice to the contrary.

(f) An Assignee or a Participant shall not be entitled to receive any greater payment under Section 3.01, 3.04 or 3.05 than the applicable Lender would have been entitled to receive with respect to the interest subject to the Assignment or the participation sold to such Participant at the time of the Assignment or sale of the participation, unless the sale of the participation to such Participant is made with the Borrower’s prior written consent. A Participant shall not be entitled to the benefits of Section 3.01 unless such Participant agrees, for the benefit of the Borrower, to comply with Section 3.01 as though it were a Lender and deliver the forms required by Section 3.01 to such Participant’s participating Lender unless the sale of the participation to such Participant is made with the prior written consent of the Borrower.

(g) Any Lender may at any time pledge or assign a security interest in all or any portion of its rights under this Agreement (including under its Note, if any) (other than to a natural person) to secure obligations of such Lender, including any pledge or assignment to secure obligations to a Federal Reserve Bank or any central bank having jurisdiction over such Lender; *provided* that no such pledge or assignment shall release such Lender from any of its obligations hereunder or substitute any such pledgee or assignee for such Lender as a party hereto.

(h) Notwithstanding anything to the contrary contained herein, any Lender (a “**Granting Lender**”) may grant to a special purpose funding vehicle identified as such in writing from time to time by the Granting Lender to the Administrative Agent and the Borrower (an “**SPC**”) the option to provide all or any part of any Loan that such Granting Lender would otherwise be obligated to make pursuant to this Agreement; provided that (i) nothing herein shall constitute a commitment by any SPC to fund any Loan, (ii) if an SPC elects not to exercise such option or otherwise fails to make all or any part of such Loan, the Granting Lender shall be obligated to make such Loan pursuant to the terms hereof and (iii) such SPC and the applicable Loan or any applicable part thereof shall be appropriately reflected in the Participant Register. Each party hereto hereby agrees that (i) neither the grant to any SPC nor the exercise by any SPC of such option shall increase the costs or expenses or otherwise increase or change the obligations of the Borrower under this Agreement (including its obligations under Section 3.01, 3.04 or 3.05), (ii) no SPC shall be liable for any indemnity or similar payment obligation under this Agreement for which a Lender would be liable, and (iii) the Granting Lender shall for all purposes, including the approval of any amendment, waiver or other modification of any provision of any Loan Document, remain the lender of record hereunder. Other than as expressly provided in this Section 11.07(h), (A) such Granting Lender’s obligations under this Agreement shall remain unchanged, (B) such Granting Lender shall remain solely responsible to the other parties hereto for the performance of such obligations and (C) the Borrower, the Agents and the other Lenders shall continue to deal solely and directly with such Granting Lender in connection with such Granting Lender’s rights and obligations under this Agreement. The making of a Loan by an SPC hereunder shall utilize the Commitment of the Granting Lender to the same extent, and as if, such Loan were made by such Granting Lender. Notwithstanding anything to the contrary contained herein, any SPC may (i) with notice to, but without prior consent of the Borrower and the Administrative Agent and with the payment of a processing fee of \$3,500 (which processing fee may be waived by the Administrative Agent in its sole discretion), assign all or any portion of its right to receive payment with respect to any Loan to the Granting Lender and (ii) disclose on a confidential basis any non-public information relating to its funding of Loans to any rating agency, commercial paper dealer or provider of any surety or Guarantee or credit or liquidity enhancement to such SPC.

(i) Notwithstanding anything to the contrary contained herein, (1) any Lender may in accordance with applicable Law create a security interest in all or any portion of the Loans owing to it and the Note, if any, held by it and (2) any Lender that is a Fund may create a security interest in all or any portion of the Loans owing to it and the Note, if any, held by it to the trustee for holders of obligations owed, or securities issued, by such Fund as security

for such obligations or securities; *provided* that unless and until such trustee actually becomes a Lender in compliance with the other provisions of this Section 11.07, (i) no such pledge shall release the pledging Lender from any of its obligations under the Loan Documents and (ii) such trustee shall not be entitled to exercise any of the rights of a Lender under the Loan Documents even though such trustee may have acquired ownership rights with respect to the pledged interest through foreclosure or otherwise.

(j) Notwithstanding anything to the contrary contained herein, any L/C Issuer or the Swing Line Lender may, upon thirty (30) days' notice to the Borrower and the Lenders, resign as a L/C Issuer or the Swing Line Lender, respectively; *provided* that on or prior to the expiration of such 30-day period with respect to such resignation, the relevant L/C Issuer or the Swing Line Lender shall have identified, in consultation with the Borrower, a successor L/C Issuer or Swing Line Lender willing to accept its appointment as successor L/C Issuer or Swing Line Lender, as applicable, and the effectiveness of such resignation shall be conditioned upon such successor assuming the rights and duties of the L/C Issuer or Swing Line Lender, as applicable. In the event of any such resignation of a L/C Issuer or the Swing Line Lender, the Borrower shall be entitled to appoint from among the Lenders willing to accept such appointment a successor L/C Issuer or Swing Line Lender hereunder; *provided* that no failure by the Borrower to appoint any such successor shall affect the resignation of the relevant L/C Issuer or Swing Line Lender, as the case may be. If a L/C Issuer resigns as a L/C Issuer, it shall retain all the rights and obligations of a L/C Issuer hereunder with respect to all Letters of Credit outstanding as of the effective date of its resignation as a L/C Issuer and all L/C Obligations with respect thereto (including the right to require the Lenders to make Loans or fund risk participations in Unreimbursed Amounts pursuant to Section 2.03(c)). If the Swing Line Lender resigns as the Swing Line Lender, it shall retain all the rights of the Swing Line Lender provided for hereunder with respect to Swing Line Loans made by it and outstanding as of the effective date of such resignation, including the right to require the Lenders to make Loans or fund risk participations in outstanding Swing Line Loans pursuant to Section 2.04(c). Upon the appointment of a successor L/C Issuer and/or Swing Line Lender, (A) such successor shall succeed to and become vested with all of the rights, powers, privileges and duties of the retiring L/C Issuer or Swing Line Lender, as the case may be, and (B) the successor L/C Issuer shall issue letters of credit in substitution for the Letters of Credit, if any, outstanding at the time of such succession or make other arrangements satisfactory to the retiring L/C Issuer to effectively assume the obligations of the retiring L/C Issuer with respect to such Letters of Credit.

(k) Notwithstanding anything to the contrary contained herein, (x) any Lender may, at any time, assign all or a portion of its rights and obligations under this Agreement in respect of its Term Loans to Holdings, the Borrower, any Subsidiary or an Affiliated Lender and (y) so long as no Default or Event of Default exists, Holdings, the Borrower and any Subsidiary may, from time to time, purchase or prepay Term Loans, in each case, on a non-pro rata basis through (x) Dutch auction procedures open to all applicable Lenders on a pro rata basis in accordance with customary procedures to be agreed between Holdings or the Borrower and the Administrative Agent (or other applicable agent managing such auction) or (y) open market purchases; *provided* that:

(i) any Term Loans acquired by Holdings, the Borrower or any Subsidiary shall be retired and cancelled promptly upon the acquisition thereof;

(ii) such Term Loans are not acquired with the proceeds of a Borrowing under the Revolving Credit Facility;

(iii) by its acquisition of Term Loans, an Affiliated Lender shall be deemed to have acknowledged and agreed that:

(A) it shall not have any right to (i) attend (including by telephone) any meeting or discussions (or portion thereof) among the Administrative Agent or any Lender to which representatives of the Borrower are not then present, (ii) receive any information or material prepared by the Administrative Agent or any Lender or any communication by or among Administrative Agent and one or more Lenders, except to the extent such information or materials have been made available to the Borrower or its representatives (and in any case, other than the right to receive notices of prepayments and other administrative notices in respect of its Loans required to be delivered to Lenders pursuant to Article II), or (iii) make or bring (or participate in, other than as a passive participant in or recipient of its pro rata benefits of) any claim, in its capacity as a Lender, against Administrative Agent, the Collateral Agent or any other Lender with respect to any duties or obligations or alleged duties or obligations of such Agent or any other such Lender under the Loan Documents;

(B) except with respect to any amendment, waiver, modification of any Loan Document or any plan of reorganization pursuant to the U.S. Bankruptcy Code, that in either case requires the consent of each Lender or each affected Lenders or that adversely affects such Affiliated Lender in any material respect as compared to other Lenders that are not Affiliated Lenders, Affiliated Lenders will be deemed to have voted in respect to its Loans in the same proportion as the Lenders that are not Affiliated Lenders voting on such matter; and

(C) if a case under Title 11 of the United States Code is commenced against any Credit Party, such Credit Party shall seek (and each Affiliated Lender shall consent) to provide that the vote of any Affiliated Lender (in its capacity as a Lender) with respect to any plan of reorganization of such Credit Party shall not be counted except that such Affiliated Lender's vote (in its capacity as a Lender) may be counted to the extent any such plan of reorganization proposes to treat the Obligations held by such Affiliated Lender in a manner that is less favorable to such Affiliated Lender than the proposed treatment of similar Obligations held by Lenders that are not Affiliates of the Borrower; each Affiliated Lender hereby irrevocably appoints the Administrative Agent (such appointment being coupled with an interest) as such Affiliated Lender's attorney-in-fact, with full authority in the place and stead of such Affiliated Lender and in the name of such Affiliated Lender (solely in respect of Loans and participations therein and not in respect of any other claim or status such Affiliated Lender may otherwise have), from time to time in the Administrative Agent's discretion to take any action and to execute any instrument that the Administrative Agent may deem reasonably necessary to carry out the provisions of this clause (C);

(iv) the aggregate principal amount of Term Loans held at any one time by Affiliated Lenders may not exceed 25% of the aggregate principal amount of all Term Loans outstanding at such time under this Agreement;

(v) any such Term Loans acquired by an Affiliated Lender may, with the consent of the Borrower, be contributed to the Borrower and exchanged for debt or equity securities that are otherwise permitted to be issued at such time and any such Term Loans contributed to the Borrower shall be retired and cancelled promptly;

(vi) Affiliated Lenders will be required to identify themselves as such to the respective assignor or seller in the relevant assignment documentation; and

(vii) as a condition to each assignment pursuant to this subsection (k), the Administrative Agent and the Borrower shall have been provided a notice from the respective assignee or purchaser in the form of Exhibit E-2 to this Agreement in connection with each assignment to an Affiliated Lender or a Person that upon effectiveness of such assignment would constitute an Affiliated Lender, pursuant to which such assignee or purchaser shall waive any right to bring any action in connection with such Term Loans against the Administrative Agent, in its capacity as such.

For avoidance of doubt, the foregoing limitations shall not be applicable to Debt Fund Affiliates; *provided* that for any "Required Lender" vote, Debt Fund Affiliates may not, in the aggregate, account for more than 49.99% of the amounts included in determining whether the "Required Lenders" have consented to any amendment, waiver or other action pursuant to Section 11.01.

SECTION 11.08 Confidentiality. Each of the Agents, the Lenders, the Joint Lead Arrangers and the Joint Bookrunners agrees to maintain the confidentiality of the Information and to not use or disclose such information, except that Information may be disclosed (a) to its Affiliates and its and its Affiliates' directors, officers, employees, trustees, investment advisors and agents, including accountants, legal counsel and other advisors (it being understood that the Persons to whom such disclosure is made will be informed of the confidential nature of such Information and instructed to keep such Information confidential); (b) to the extent requested by any Governmental Authority or any self-regulatory authority; (c) to the extent required by applicable Laws or regulations or by any subpoena or similar legal process; (d) to any other party to this Agreement; (e) subject to an agreement containing provisions substantially the same as those of this Section 11.08 (or as may otherwise be reasonably acceptable to the Borrower), to any pledgee referred to in Section 11.07(g), counterparty to a Swap Contract, Eligible Assignee of or Participant in, or any prospective Eligible Assignee of or Participant in, any of its rights or obligations under this Agreement; (f) with the written consent of the Borrower; (g) to the extent such Information becomes publicly available other than as a result of a breach of this Section 11.08; (h) to any Governmental Authority or examiner (including the National Association of Insurance Commissioners or any other similar organization) regulating any Lender or its Affiliates; (i) to any rating agency when required by it (it being understood that, prior to any such disclosure, such rating agency shall

undertake to preserve the confidentiality of any Information relating to the Loan Parties received by it from such Lender); or (j) in connection with the exercise of any remedies hereunder or under any other Loan Document or any action or proceeding relating to this Agreement or any other Loan Document or the enforcement of rights hereunder or thereunder. For the purposes of this Section 11.08, “**Information**” means all information received from any Loan Party or its Affiliates or its Affiliates’ directors, officers, employees, trustees, investment advisors or agents, relating to Holdings, the Borrower or any of their subsidiaries or its business, other than any such information that is publicly available to any Agent or any Lender prior to disclosure by any Loan Party other than as a result of a breach of this Section 11.08; *provided* that, in the case of information received from a Loan Party after the date hereof, such information is clearly identified at the time of delivery as confidential or (ii) is delivered pursuant to Section 6.01, 6.02 or 6.03 hereof. Each of the Agents, the Lenders, the Joint Lead Arrangers and the Joint Bookrunners acknowledges that (a) the Information may include material non-public information concerning the Borrower or a Subsidiary, as the case may be, (b) it has developed compliance procedures regarding the use of material non-public information and (c) it will handle such material non-public information in accordance with applicable Law, including United States Federal and state securities Laws.

SECTION 11.09 Setoff. In addition to any rights and remedies of the Lenders provided by Law, upon the occurrence and during the continuance of any Event of Default, each Lender and its Affiliates and each L/C Issuer and its Affiliates is authorized at any time and from time to time, without prior notice to the Borrower or any other Loan Party, any such notice being waived by the Borrower (on its own behalf and on behalf of each Loan Party and its Subsidiaries) to the fullest extent permitted by applicable Law, to set off and apply any and all deposits (general or special, time or demand, provisional or final) at any time held by, and other Indebtedness at any time owing by, such Lender and its Affiliates or such L/C Issuer and its Affiliates, as the case may be, to or for the credit or the account of the respective Loan Parties and their Subsidiaries against any and all Obligations owing to such Lender and its Affiliates or such L/C Issuer and its Affiliates hereunder or under any other Loan Document, now or hereafter existing, irrespective of whether or not such Agent or such Lender or Affiliate shall have made demand under this Agreement or any other Loan Document and although such Obligations may be contingent or unmatured or denominated in a currency different from that of the applicable deposit or Indebtedness. Notwithstanding anything to the contrary contained herein, no Lender or its Affiliates and no L/C Issuer or its Affiliates shall have a right to set off and apply any deposits held or other Indebtedness owing by such Lender or its Affiliates or such L/C Issuer or its Affiliates, as the case may be, to or for the credit or the account of any Subsidiary of a Loan Party which is not a “United States person” within the meaning of Section 7701(a)(30) of the Code unless such Subsidiary is not a direct or indirect subsidiary of Holdings. Each Lender and L/C Issuer agrees promptly to notify the Borrower and the Administrative Agent after any such set off and application made by such Lender or L/C Issuer, as the case may be; *provided* that the failure to give such notice shall not affect the validity of such setoff and application. The rights of the Administrative Agent, each Lender and each L/C Issuer under this Section 11.09 are in addition to other rights and remedies (including other rights of setoff) that the Administrative Agent, such Lender and such L/C Issuer may have.

SECTION 11.10 Interest Rate Limitation. Notwithstanding anything to the contrary contained in any Loan Document, the interest paid or agreed to be paid under the Loan Documents shall not exceed the maximum rate of non-usurious interest permitted by applicable Law (the “**Maximum Rate**”). If any Agent or any Lender shall receive interest in an amount that exceeds the Maximum Rate, the excess interest shall be applied to the principal of the Loans or, if it exceeds such unpaid principal, refunded to the Borrower. In determining whether the interest contracted for, charged, or received by an Agent or a Lender exceeds the Maximum Rate, such Person may, to the extent permitted by applicable Law, (a) characterize any payment that is not principal as an expense, fee, or premium rather than interest, (b) exclude voluntary prepayments and the effects thereof, and (c) amortize, prorate, allocate, and spread in equal or unequal parts the total amount of interest throughout the contemplated term of the Obligations hereunder.

SECTION 11.11 Counterparts. This Agreement and each other Loan Document may be executed in one or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument. Delivery by telecopier of an executed counterpart of a signature page to this Agreement and each other Loan Document shall be effective as delivery of an original executed counterpart of this Agreement and such other Loan Document. The Agents may also require that any such documents and signatures delivered by telecopier be confirmed by a manually signed original thereof; *provided* that the failure to request or deliver the same shall not limit the effectiveness of any document or signature delivered by telecopier.

SECTION 11.12 Integration. This Agreement, together with the other Loan Documents, comprises the complete and integrated agreement of the parties on the subject matter hereof and thereof and supersedes all prior agreements, written or oral, on such subject matter. In the event of any conflict between the provisions of this Agreement and those of any other Loan Document, the provisions of this Agreement shall control; *provided* that the inclusion of supplemental rights or remedies in favor of the Agents or the Lenders in any other Loan Document shall not be deemed a conflict with this Agreement.

SECTION 11.13 Survival of Representations and Warranties. All representations and warranties made hereunder and in any other Loan Document or other document delivered pursuant hereto or thereto or in connection herewith or therewith shall survive the execution and delivery hereof and thereof. Such representations and warranties have been or will be relied upon by each Agent and each Lender, regardless of any investigation made by any Agent or any Lender or on their behalf and notwithstanding that any Agent or any Lender may have had notice or knowledge of any Default at the time of any Credit Extension and shall continue in full force and effect as long as any Loan or any other Obligation hereunder shall remain unpaid or unsatisfied or any Letter of Credit shall remain outstanding (unless the Outstanding Amount of the L/C Obligations related thereto has been Cash Collateralized).

SECTION 11.14 Severability. If any provision of this Agreement or the other Loan Documents is held to be illegal, invalid or unenforceable, the legality, validity and enforceability of the remaining provisions of this Agreement and the other Loan Documents shall not be affected or impaired thereby. The invalidity of a provision in a particular jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

SECTION 11.15 Termination and Release of Collateral. The Lenders hereby irrevocably agree that (i) the Liens on any Collateral granted to the Administrative Agent by the Loan Parties shall be released as permitted under and pursuant to the Security Agreement and (ii) any Guarantor shall be released from its obligations under the applicable Guaranty as permitted under and pursuant to the applicable Guaranty.

(b) Any such release under clause (a) shall not in any manner discharge, affect, or impair the Obligations or any Liens (other than those being released) upon (or obligations (other than those being released) of the Loan Parties in respect of) all interests retained by the Loan Parties, including the proceeds of any sale, all of which shall continue to constitute part of the Collateral except to the extent otherwise released in accordance with the provisions of the Loan Documents.

(c) The Lenders hereby authorize the Administrative Agent to execute and deliver any instruments, documents, and agreements necessary or desirable to evidence and confirm the release of any Guarantor or Collateral pursuant to the foregoing provisions of this Section 11.15, all without the further consent or joinder of any Lender.

SECTION 11.16 GOVERNING LAW.

(a) THIS AGREEMENT AND EACH OTHER LOAN DOCUMENT SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAW OF THE STATE OF NEW YORK (EXCEPT AS OTHERWISE EXPRESSLY PROVIDED THEREIN).

(b) ANY LEGAL ACTION OR PROCEEDING ARISING UNDER ANY LOAN DOCUMENT OR IN ANY WAY CONNECTED WITH OR RELATED OR INCIDENTAL TO THE DEALINGS OF THE PARTIES HERETO OR ANY OF THEM WITH RESPECT TO ANY LOAN DOCUMENT, OR THE TRANSACTIONS RELATED THERETO, IN EACH CASE WHETHER NOW EXISTING OR HEREAFTER ARISING, MAY BE BROUGHT IN THE COURTS OF THE STATE OF NEW YORK SITTING IN NEW YORK CITY (IN THE BOROUGH OF MANHATTAN) OR OF THE UNITED STATES FOR THE SOUTHERN DISTRICT OF SUCH STATE, AND BY EXECUTION AND DELIVERY OF THIS AGREEMENT, THE BORROWER, HOLDINGS, EACH AGENT AND EACH LENDER CONSENTS, FOR ITSELF AND IN RESPECT OF ITS PROPERTY, TO THE EXCLUSIVE JURISDICTION OF THOSE COURTS AND AGREES NOT TO COMMENCE ANY SUCH LEGAL ACTION OR PROCEEDING IN ANY OTHER JURISDICTION, TO THE EXTENT PERMITTED BY APPLICABLE LAW. THE BORROWER, HOLDINGS, EACH AGENT AND EACH LENDER IRREVOCABLY WAIVES ANY OBJECTION, INCLUDING ANY OBJECTION TO THE LAYING OF VENUE OR BASED ON THE GROUNDS OF FORUM NON CONVENIENS, WHICH IT MAY NOW OR HEREAFTER HAVE TO THE BRINGING OF ANY ACTION OR PROCEEDING IN SUCH JURISDICTION IN RESPECT OF ANY LOAN DOCUMENT OR OTHER DOCUMENT RELATED THERETO.

SECTION 11.17 WAIVER OF RIGHT TO TRIAL BY JURY. EACH PARTY TO THIS AGREEMENT HEREBY EXPRESSLY WAIVES ANY RIGHT TO TRIAL BY JURY OF ANY CLAIM, DEMAND, ACTION OR CAUSE OF ACTION ARISING UNDER ANY LOAN DOCUMENT OR IN ANY WAY CONNECTED WITH OR RELATED OR INCIDENTAL TO THE DEALINGS OF THE PARTIES HERETO OR ANY OF THEM WITH RESPECT TO ANY LOAN DOCUMENT, OR THE TRANSACTIONS RELATED THERETO, IN EACH CASE WHETHER NOW EXISTING OR HEREAFTER ARISING, AND WHETHER FOUNDED IN CONTRACT OR TORT OR OTHERWISE; AND EACH PARTY HEREBY AGREES AND CONSENTS THAT ANY SUCH CLAIM, DEMAND, ACTION OR CAUSE OF ACTION SHALL BE DECIDED BY COURT TRIAL WITHOUT A JURY, AND THAT ANY PARTY TO THIS AGREEMENT MAY FILE AN ORIGINAL COUNTERPART OR A COPY OF THIS SECTION 11.17 WITH ANY COURT AS WRITTEN EVIDENCE OF THE CONSENT OF THE SIGNATORIES HERETO TO THE WAIVER OF THEIR RIGHT TO TRIAL BY JURY.

SECTION 11.18 Binding Effect. This Agreement shall become effective when it shall have been executed by the Borrower and Holdings and the Administrative Agent shall have been notified by each Lender, Swing Line Lender and L/C Issuer that each such Lender, Swing Line Lender and L/C Issuer has executed it and thereafter shall be binding upon and inure to the benefit of the Borrower and Holdings, each Agent and each Lender and their respective successors and assigns.

SECTION 11.19 Judgment Currency. If, for the purposes of obtaining judgment in any court, it is necessary to convert a sum due hereunder or any other Loan Document in one currency into another currency, the rate of exchange used shall be that at which in accordance with normal banking procedures the Administrative Agent could purchase the first currency with such other currency on the Business Day preceding that on which final judgment is given. The obligation of the Borrower in respect of any such sum due from it to the Administrative Agent or the Lenders hereunder or under the other Loan Documents shall, notwithstanding any judgment in a currency (the "**Judgment Currency**") other than that in which such sum is denominated in accordance with the applicable provisions of this Agreement (the "**Agreement Currency**"), be discharged only to the extent that on the Business Day following receipt by the Administrative Agent of any sum adjudged to be so due in the Judgment Currency, the Administrative Agent may in accordance with normal banking procedures purchase the Agreement Currency with the Judgment Currency. If the amount of the Agreement Currency so purchased is less than the sum originally due to the Administrative Agent from the Borrower in the Agreement Currency, the Borrower agrees, as a separate obligation and notwithstanding any such judgment, to indemnify the Administrative Agent or the Person to whom such obligation was owing against such loss. If the amount of the Agreement Currency so purchased is greater than the sum originally due to the Administrative Agent in such currency, the Administrative Agent agrees to return the amount of any excess to the Borrower (or to any other Person who may be entitled thereto under applicable Law).

SECTION 11.20 Lender Action. Each Lender agrees that it shall not take or institute any actions or proceedings, judicial or otherwise, for any right or remedy against any Loan Party or any other obligor under any of the Loan Documents or the Secured Hedge Agreements (including the exercise of any right of setoff, rights on account of any banker's lien

or similar claim or other rights of self-help), or institute any actions or proceedings, or otherwise commence any remedial procedures, with respect to any Collateral or any other property of any such Loan Party, without the prior written consent of the Administrative Agent. The provision of this Section 11.20 are for the sole benefit of the Lenders and shall not afford any right to, or constitute a defense available to, any Loan Party.

SECTION 11.21 USA PATRIOT Act. Each Lender hereby notifies the Borrower that pursuant to the requirements of the USA PATRIOT Act, it is required to obtain, verify and record information that identifies the Borrower, which information includes the name and address of the Borrower and other information that will allow such Lender to identify the Borrower in accordance with the USA PATRIOT Act.

SECTION 11.22 Intercreditor Agreements. EACH LENDER AUTHORIZES AND INSTRUCTS THE ADMINISTRATIVE AGENT TO ENTER INTO ANY INTERCREDITOR AGREEMENT ON BEHALF OF SUCH LENDER, AND TO TAKE ALL ACTIONS (AND EXECUTE ALL DOCUMENTS) REQUIRED (OR DEEMED ADVISABLE) BY IT IN ACCORDANCE WITH THE TERMS OF ANY INTERCREDITOR AGREEMENT.

(b) THE LENDERS HEREBY ACKNOWLEDGE THAT (A) NOTWITHSTANDING ANYTHING TO THE CONTRARY IN THE COLLATERAL DOCUMENTS, THE RIGHTS, OBLIGATIONS AND REMEDIES OF THE ADMINISTRATIVE AGENT AND THE SECURED PARTIES UNDER SUCH COLLATERAL DOCUMENTS WILL BE, UPON EXECUTION BY THE ADMINISTRATIVE AGENT, SUBJECT TO THE PROVISIONS OF EACH INTERCREDITOR AGREEMENT AND (B) IN THE EVENT OF ANY CONFLICT OR INCONSISTENCY BETWEEN THE PROVISIONS OF ANY INTERCREDITOR AGREEMENT AND THIS AGREEMENT, THE PROVISIONS OF SUCH INTERCREDITOR AGREEMENT SHALL CONTROL. THE LENDERS HEREBY AUTHORIZE THE ADMINISTRATIVE AGENT, AS APPLICABLE, TO TAKE SUCH ACTIONS, INCLUDING MAKING FILINGS AND ENTERING INTO AGREEMENTS AND ANY AMENDMENTS OR SUPPLEMENTS TO ANY COLLATERAL DOCUMENT, AS MAY BE NECESSARY OR DESIRABLE TO REFLECT THE INTENT OF THIS SECTION 11.22(b).

(c) THE PROVISIONS OF THIS SECTION 11.22 ARE NOT INTENDED TO SUMMARIZE ALL RELEVANT PROVISIONS OF ANY INTERCREDITOR AGREEMENT, WHICH WILL BE IN THE FORM APPROVED BY AND REASONABLY SATISFACTORY TO THE ADMINISTRATIVE AGENT AND THE BORROWER AS PERMITTED BY THIS AGREEMENT. REFERENCE MUST BE MADE TO ANY INTERCREDITOR AGREEMENT ITSELF TO UNDERSTAND ALL TERMS AND CONDITIONS THEREOF. EACH LENDER IS RESPONSIBLE FOR MAKING ITS OWN ANALYSIS AND REVIEW OF ANY INTERCREDITOR AGREEMENT AND THE TERMS AND PROVISIONS THEREOF, AND NO AGENT (AND NONE OF ITS AFFILIATES) MAKES ANY REPRESENTATION TO ANY LENDER AS TO THE SUFFICIENCY OR ADVISABILITY OF THE PROVISIONS CONTAINED IN ANY INTERCREDITOR AGREEMENT.

SCHEDULE 1.01D
Mandatory Cost Formulae

1. The Mandatory Cost is an addition to the interest rate to compensate Lenders for the cost of compliance with (a) the requirements of the Bank of England and/or the Financial Services Authority (or, in either case, any other authority which replaces all or any of its functions) or (b) the requirements of the European Central Bank.
2. On the first day of each Interest Period (or as soon as possible thereafter) the Administrative Agent shall calculate, as a percentage rate, a rate (the "Additional Cost Rate") for each Lender, in accordance with the paragraphs set out below. The Mandatory Cost will be calculated by the Administrative Agent as a weighted average of the Lenders' Additional Cost Rates (weighted in proportion to the percentage participation of each Lender in the relevant Loan) and will be expressed as a percentage rate per annum.
3. The Additional Cost Rate for any Lender lending from a Facility Office in a Participating Member State will be the percentage notified by that Lender to the Administrative Agent. This percentage will be certified by that Lender in its notice to the Administrative Agent to be its reasonable determination of the cost (expressed as a percentage of that Lender's participation in all Loans made from that Facility Office) of complying with the minimum reserve requirements of the European Central Bank in respect of loans made from that Facility Office.

4. The Additional Cost Rate for any Lender lending from a Facility Office in the United Kingdom will be calculated by the Administrative Agent as follows:

- (a) in relation to a sterling Loan:

$$\frac{AB + C(B - D) + E \times 0.01}{100 - (A + C)} \quad \text{percent per annum}$$

- (b) in relation to a Loan in any currency other than sterling:

$$\frac{E \times 0.01}{300} \quad \text{percent per annum.}$$

Where:

- A is the percentage of Eligible Liabilities (assuming these to be in excess of any stated minimum) which that Lender is from time to time required to maintain as an interest free cash ratio deposit with the Bank of England to comply with cash ratio requirements.
- B is the percentage rate of interest (excluding the Applicable Rate and the Mandatory Cost and, if the Loan is an Unpaid Sum, the additional rate of interest specified in paragraph (b) of Section 2.08) payable for the relevant Interest Period on the Loan.
- C is the percentage (if any) of Eligible Liabilities which that Lender is required from time to time to maintain as interest bearing Special Deposits with the Bank of England.
- D is the percentage rate per annum payable by the Bank of England to the Administrative Agent on interest bearing Special Deposits.
- E is designed to compensate Lenders for amounts payable under the Fees Rules and is calculated by the Administrative Agent as being the average of the most recent rates of charge supplied by the Reference Banks to the Administrative Agent pursuant to paragraph 7 below and expressed in pounds per £1,000,000.

5. For the purposes of this Schedule:

- (a) “Eligible Liabilities” and “Special Deposits” have the meanings given to them from time to time under or pursuant to the Bank of England Act 1998 or (as may be appropriate) by the Bank of England;
- (b) “Facility Office” means the office or offices notified by a Lender to the Administrative Agent in writing on or before the date that it becomes a Lender (or, following that date, by not less than five Business days’ written notice) as the office or offices through which it will perform its obligations under the Agreement.
- (c) “Fees Rules” means the rules on periodic fees contained in the FSA Supervision Manual or such other law or regulation as may be in force from time to time in respect of the payment of fees for the acceptance of deposits;
- (d) “Fee Tariffs” means the fee tariffs specified in the Fees Rules under the activity group A.1 Deposit acceptors (ignoring any minimum fee or zero rated fee required pursuant to the Fees Rules but taking into account any applicable discount rate); and
- (e) “Participating Member State” means any member state of the European Communities that adopts or has adopted the Euro as its lawful currency in accordance with legislation of the European Community relating to Economic and Monetary Union.
- (f) “Reference Banks” means such banks or other financial institutions the Administrative Agent may select from time to time.
- (g) “Tariff Base” has the meaning given to it in, and will be calculated in accordance with, the Fees Rules.

6. In application of the above formulae, A, B, C and D will be included in the formulae as percentages (i.e. 5 percent will be included in the formula as 5 and not as 0.05). A negative result obtained by subtracting D from B shall be taken as zero. The resulting figures shall be rounded to four decimal places.

7. If requested by the Administrative Agent, each Reference Bank shall, as soon as practicable after publication by the Financial Services Authority, supply to the Administrative Agent, the rate of charge payable by that Reference Bank to the Financial Services Authority pursuant to the Fees Rules in respect of the relevant financial year of the Financial Services Authority (calculated for this purpose by that Reference Bank as being the average of the Fee Tariffs applicable to that Reference Bank for that financial year) and expressed in pounds per £1,000,000 of the Tariff Base of that Reference Bank.

8. Each Lender shall supply any information required by the Administrative Agent for the purpose of calculating its Additional Cost Rate. In particular, but without limitation, each Lender shall supply the following information on or prior to the date on which it becomes a Lender:

- (h) the jurisdiction of its Facility Office; and
- (i) any other information that the Administrative Agent may reasonably require for such purpose.

Each Lender shall promptly notify the Administrative Agent of any change to the information provided by it pursuant to this paragraph.

9. The percentages of each Lender for the purpose of A and C above and the rates of charge of each Reference Bank for the purpose of E above shall be determined by the Administrative Agent based upon the information supplied to it pursuant to paragraphs 7 and 8 above and on the assumption that, unless a Lender notifies the Administrative Agent to the contrary, each Lender's obligations in relation to cash ratio deposits and Special Deposits are the same as those of a typical bank from its jurisdiction of incorporation with a Facility Office in the same jurisdiction as its Facility Office.

10. The Administrative Agent shall have no liability to any person if such determination results in an Additional Cost Rate which over or under compensates any Lender and shall be entitled to assume that the information provided by any Lender or Reference Bank pursuant to paragraphs 3, 7 and 8 above is true and correct in all respects.

11. The Administrative Agent shall distribute the additional amounts received as a result of the Mandatory Cost to the Lenders on the basis of the Additional Cost Rate for each Lender based on the information provided by each Lender and each Reference Bank pursuant to paragraphs 3, 7 and 8 above.

12. Any determination by the Administrative Agent pursuant to this Schedule in relation to a formula, the Mandatory Cost, an Additional Cost Rate or any amount payable to a Lender shall, in the absence of manifest error, be conclusive and binding on all Parties.

13. The Administrative Agent may from time to time, after consultation with the Borrower and the Lenders, determine and notify to all Parties any amendments which are required to be made to this Schedule in order to comply with any change in law, regulation or any requirements from time to time imposed by the Bank of England, the Financial Services Authority or the European Central Bank (or, in any case, any other authority which replaces all or any of its functions) and any such determination shall, in the absence of manifest error, be conclusive and binding on all Parties.

collection, and waives any right to require that any resort be had by the Administrative Agent or any other Secured Party to any security held for the payment of the Guaranteed Obligations, or to any balance of any deposit account or credit on the books of the Administrative Agent or any other Secured Party in favor of the Borrower or any other Person.

SECTION 2.03. No Limitations. (a) Except for termination of a Guarantor's obligations hereunder as expressly provided in Section 4.12, the obligations of each Guarantor hereunder shall not be subject to any reduction, limitation, impairment or termination for any reason, including any claim of waiver, release, surrender, alteration or compromise, and shall not be subject to any defense or set-off, counterclaim, recoupment or termination whatsoever by reason of the invalidity, illegality or unenforceability of the Guaranteed Obligations, or otherwise. Without limiting the generality of the foregoing, the obligations of each Guarantor hereunder shall not be discharged or impaired or otherwise affected by (i) the failure of the Administrative Agent or any other Secured Party to assert any claim or demand or to enforce any right or remedy under the provisions of any Loan Document or otherwise; (ii) any rescission, waiver, amendment or modification of, or any release from any of the terms or provisions of, any Loan Document or any other agreement, including with respect to any other Guarantor under this Agreement; (iii) the release of any security held by the Collateral Agent or any other Secured Party for the Guaranteed Obligations; (iv) any default, failure or delay, willful or otherwise, in the performance of the Guaranteed Obligations; or (v) any other act or omission that may or might in any manner or to any extent vary the risk of any Guarantor or otherwise operate as a discharge of any Guarantor as a matter of law or equity (other than the indefeasible payment in full in cash of all the Guaranteed Obligations). Each Guarantor expressly authorizes the Secured Parties to take and hold security for the payment and performance of the Guaranteed Obligations, to exchange, waive or release any or all such security (with or without consideration), to enforce or apply such security and direct the order and manner of any sale thereof in their sole discretion or to release or substitute any one or more other guarantors or obligors upon or in respect of the Guaranteed Obligations, all in accordance with the Security Agreement and other Loan Documents and all without affecting the obligations of any Guarantor hereunder.

(b) To the fullest extent permitted by applicable law, each Guarantor waives any defense based on or arising out of any defense of any Guaranty Party or the unenforceability of the Guaranteed Obligations, or any part thereof from any cause, or the cessation from any cause of the liability of any Guaranty Party, other than the indefeasible payment in full in cash of all the Guaranteed Obligations. The Administrative Agent and the other Secured Parties may, in accordance with the terms of the Collateral Documents and at their election, foreclose on any security held by one or more of them by one or more judicial or nonjudicial sales, accept an assignment of any such security in lieu of foreclosure, compromise or adjust any part of the Guaranteed Obligations, make any other accommodation with any Guaranty Party or exercise any other right or remedy available to them against any Guaranty Party, without affecting or impairing in any way the liability of any Guarantor hereunder except to the extent the Guaranteed Obligations have been fully and indefeasibly paid in full in cash. To the fullest extent permitted by applicable law, each Guarantor waives any defense arising out of any such election even though such election operates, pursuant to applicable law, to impair or to extinguish any right of reimbursement or subrogation or other right or remedy of such Guarantor against any Guaranty Party, as the case may be, or any security.

SECTION 2.04. Reinstatement. Each of the Guarantors agrees that its guaranty hereunder shall continue to be effective or be reinstated, as the case may be, if at any time payment, or any part thereof, of any Guaranteed Obligation, is rescinded, invalidated or must otherwise be restored by the Administrative Agent or any other Secured Party upon the bankruptcy or reorganization of any Guaranty Party or otherwise.

SECTION 2.05. Agreement To Pay; Subrogation. In furtherance of the foregoing and not in limitation of any other right that the Administrative Agent or any other Secured Party has at law or in equity against any Guarantor by virtue hereof, upon the failure of any Guaranty Party to pay any Guaranteed Obligation when and as the same shall become due, whether at maturity, by acceleration, after notice of prepayment or otherwise, each Guarantor hereby promises to and will forthwith pay, or cause to be paid, to the Administrative Agent for distribution to the Secured Parties in cash the amount of such unpaid Guaranteed Obligation. Upon payment by any Guarantor of any sums to the Administrative Agent as provided above, all rights of such Guarantor against any Guaranty Party arising as a result thereof by way of right of subrogation, contribution, reimbursement, indemnity or otherwise shall in all respects be subject to Article III herein.

SECTION 2.06. Information. Each Guarantor assumes all responsibility for being and keeping itself informed of each Guaranty Party's financial condition and assets, and of all other circumstances bearing upon the risk of nonpayment of the Guaranteed Obligations, and the nature, scope and extent of the risks that such Guarantor assumes and incurs hereunder, and agrees that none of the Administrative Agent or the other Secured Parties will have any duty to advise such Guarantor of information known to it or any of them regarding such circumstances or risks.

SECTION 2.07. Keepwell. Each Qualified ECP Guarantor hereby jointly and severally absolutely, unconditionally and irrevocably undertakes to provide such funds or other support as may be needed from time to time by each other Guarantor to honor all of its obligations under this Agreement in respect of Swap Obligations (provided, however, that each Qualified ECP Guarantor shall only be liable under this Section 2.07 for the maximum amount of such liability that can be hereby incurred without rendering its obligations under this Section 2.07, or otherwise under this Agreement, voidable under applicable law relating to fraudulent conveyance or fraudulent transfer, and not for any greater amount). The obligations of each Qualified ECP Guarantor under this Section 2.07 shall remain in full force and effect until the termination of this Agreement and the Guaranties made hereunder pursuant to Section 4.12. Each Qualified ECP Guarantor intends that this Section 2.07 constitute, and this Section 2.07 shall be deemed to constitute, a "keepwell, support, or other agreement" for the benefit of each other Loan Party for all purposes of Section 1a(18)(A)(v)(II) of the Commodity Exchange Act.

ARTICLE III

INDEMNITY, SUBROGATION AND SUBORDINATION

SECTION 3.01. Indemnity and Subrogation. In addition to all such rights of indemnity and subrogation as the Guarantors may have under applicable law (but subject to Section 3.03), the Borrower agrees that in the event a payment of an obligation shall be made by any Guarantor under this Agreement, the Borrower shall indemnify such Guarantor for the full amount of such payment and such Guarantor shall be subrogated to the rights of the Person to whom such payment shall have been made to the extent of such payment.

SECTION 3.02. Contribution and Subrogation. Each Guarantor (a “**Contributing Party**”) agrees (subject to Section 3.03) that, in the event a payment shall be made by any other Guarantor hereunder in respect of any Guaranteed Obligation and such other Guarantor (the “**Claiming Party**”) shall not have been fully indemnified by the Borrower as provided in Section 3.01, the Contributing Party shall indemnify the Claiming Party in an amount equal to the amount of such payment, in each case multiplied by a fraction of which the numerator shall be the net worth of the Contributing Party on the date hereof and the denominator shall be the aggregate net worth of all the Contributing Parties together with the net worth of the Claiming Party on the date hereof (or, in the case of any Guarantor becoming a party hereto pursuant to Section 4.13, the date of the Guaranty Supplement hereto executed and delivered by such Guarantor). Any Contributing Party making any payment to a Claiming Party pursuant to this Section 3.02 shall be subrogated to the rights of such Claiming Party to the extent of such payment. Each Guarantor recognizes and acknowledges that the rights to contribution arising hereunder shall constitute an asset in favor of the party entitled to such contribution. In this connection, each Guarantor has the right to waive, to the fullest extent permitted by applicable law, its contribution right against any other Guarantor to the extent that after giving effect to such waiver such Guarantor would remain solvent, in the determination of the Lenders.

SECTION 3.03. Subordination. (a) Notwithstanding any provision of this Agreement to the contrary, all rights of the Guarantors under Sections 3.01 and 3.02 and all other rights of indemnity, contribution or subrogation under applicable law or otherwise shall be fully subordinated to the indefeasible payment in full in cash of the Guaranteed Obligations; *provided* that if any amount shall be paid to such Guarantor on account of such subrogation rights at any time prior to the irrevocable payment in full of the Guaranteed Obligations, such amount shall be held in trust for the benefit of the Secured Parties and shall forthwith be paid to the Administrative Agent to be credited and applied against the Guaranteed Obligations, whether matured or unmatured, in connection with Section 9.03 of the Credit Agreement. No failure on the part of the Borrower or any Guarantor to make the payments required by Sections 3.01 and 3.02 (or any other payments required under applicable law or otherwise) shall in any respect limit the obligations and liabilities of any Guarantor with respect to its obligations hereunder, and each Guarantor shall remain liable for the full amount of the obligations of such Guarantor hereunder.

ARTICLE IV

MISCELLANEOUS

SECTION 4.01. Notices. All communications and notices hereunder shall (except as otherwise expressly permitted herein) be in writing and given as provided in Section 11.02 of the Credit Agreement. All communications and notices hereunder to any Guarantor shall be given to it in care of the Borrower as provided in Section 11.02 of the Credit Agreement.

SECTION 4.02. Waivers; Amendment. (a) No failure or delay by the Administrative Agent, any L/C Issuer or any Lender in exercising any right or power hereunder or under any other Loan Document shall operate as a waiver thereof, nor shall any single or partial exercise of any such right or power, or any abandonment or discontinuance of steps to enforce such a right or power, preclude any other or further exercise thereof or the exercise of any other right or power. The rights and remedies of the Administrative Agent, the L/C Issuers and the Lenders hereunder and under the other Loan Documents are cumulative and are not exclusive of any rights or remedies that they would otherwise have. No waiver of any provision of this Agreement or consent to any departure by any Guaranty Party therefrom shall in any event be effective unless the same shall be permitted by paragraph (b) of this Section 4.02, and then such waiver or consent shall be effective only in the specific instance and for the purpose for which given. Without limiting the generality of the foregoing, the making of a Loan or issuance of a Letter of Credit shall not be construed as a waiver of any Default, regardless of whether the Administrative Agent, any Lender or any L/C Issuer may have had notice or knowledge of such Default at the time. No notice or demand on any Guaranty Party in any case shall entitle any Guaranty Party to any other or further notice or demand in similar or other circumstances.

(b) Neither this Agreement nor any provision hereof may be waived, amended or modified except pursuant to an agreement or agreements in writing entered into by the Administrative Agent and the Guaranty Party or Guaranty Parties with respect to which such waiver, amendment or modification is to apply, subject to any consent required in accordance with Section 11.01 of the Credit Agreement.

SECTION 4.03. Administrative Agent's Fees and Expenses, Indemnification. (a) The parties hereto agree that the Administrative Agent shall be entitled to reimbursement of its expenses incurred hereunder as provided in Section 11.04 of the Credit Agreement.

(b) Without limitation of its indemnification obligations under the other Loan Documents, the Borrower agrees to indemnify the Administrative Agent and the other Indemnitees (as defined in Section 11.05 of the Credit Agreement) against, and hold each Indemnitee harmless from, any and all losses, claims, damages, liabilities and related expenses, including the reasonable fees, charges and disbursements of any counsel for any Indemnitee, incurred by or asserted against any Indemnitee arising out of, in connection with, or as a result of, the execution, delivery or performance of this Agreement or any claim, litigation, investigation or proceeding relating to any of the foregoing agreements or instruments contemplated hereby, whether or not any Indemnitee is a party thereto; *provided* that such

indemnity shall not, as to any Indemnitee, be available to the extent that such losses, claims, damages, liabilities or related expenses are determined by a court of competent jurisdiction by final and nonappealable judgment to have resulted from the gross negligence or wilful misconduct of such Indemnitee or Related Indemnified Person of such Indemnitee.

(c) Any such amounts payable as provided hereunder shall be additional Guaranteed Obligations secured hereby and by the other Collateral Documents. The provisions of this Section 4.03 shall remain operative and in full force and effect regardless of the termination of this Agreement or any other Loan Document, the consummation of the transactions contemplated hereby, the repayment of any of the Guaranteed Obligations, the invalidity or unenforceability of any term or provision of this Agreement or any other Loan Document, or any investigation made by or on behalf of the Administrative Agent or any other Secured Party. All amounts due under this Section 4.03 shall be payable within 10 days of written demand therefor.

SECTION 4.04. Survival of Agreement. All representations and warranties made hereunder and in any other Loan Document or other document delivered pursuant hereto or thereto or in connection herewith or therewith shall survive the execution and delivery hereof and thereof. Such representations and warranties have been or will be relied upon by the Administrative Agent and each Lender, regardless of any investigation made by the Administrative Agent or any Lender or on their behalf and notwithstanding that the Administrative Agent or any Lender may have had notice or knowledge of any Default at the time of any Credit Extension and shall continue in full force and effect as long as any Loan or any other Guaranteed Obligation hereunder shall remain unpaid or unsatisfied or any Letter of Credit shall remain outstanding (unless the Outstanding Amount of the L/C Obligations related thereto has been Cash Collateralized).

SECTION 4.05. Counterparts; Effectiveness; Successors and Assigns; Several Agreement. This Agreement may be executed in one or more counterparts, each of which shall be deemed an original, but all of which together shall constitute a one and the same instrument. Delivery by facsimile transmission or other electronic communication of an executed counterpart of a signature page to this Agreement shall be effective as delivery of an original executed counterpart of this Agreement. The Agents may also require that any such documents and signatures delivered by facsimile transmission or other electronic communication be confirmed by a manually signed original thereof; *provided* that the failure to request or deliver the same shall not limit the effectiveness of any document or signature delivered by facsimile transmission or other electronic communication. This Agreement shall become effective as to any Guaranty Party when a counterpart hereof executed on behalf of such Guaranty Party shall have been delivered to the Administrative Agent and a counterpart hereof shall have been executed on behalf of the Administrative Agent, and thereafter shall be binding upon such Guaranty Party and the Administrative Agent and their respective successors and assigns permitted thereby, and shall inure to the benefit of such Guaranty Party, the Administrative Agent and the other Secured Parties and their respective successors and assigns permitted thereby, except that no Guaranty Party shall have the right to assign or transfer its rights or obligations hereunder or any interest herein (and any such assignment or transfer shall be void) except as expressly contemplated by this Agreement or the other Loan Documents. This Agreement shall be construed as a separate agreement with respect to each Guaranty Party and

may be amended, restated, modified, supplemented, waived or released with respect to any Guaranty Party without the approval of any other Guaranty Party and without affecting the obligations of any other Guaranty Party hereunder.

SECTION 4.06. Severability. If any provision of this Agreement or the other Loan Documents is held to be illegal, invalid or unenforceable, the legality, validity and enforceability of the remaining provisions of this Agreement and the other Loan Documents shall not be affected or impaired thereby. The invalidity of a provision in a particular jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

SECTION 4.07. Right of Set-Off. In addition to any rights and remedies of the Lenders provided by Law, upon the occurrence and during the continuance of any Event of Default, each Lender and its Affiliates and each L/C Issuer and its Affiliates is authorized at any time and from time to time, without prior notice to any Guarantor, any such notice being waived by the Borrower (on its own behalf and on behalf of each Guarantor and its Subsidiaries) to the fullest extent permitted by applicable Law, to set off and apply any and all deposits (general or special, time or demand, provisional or final) at any time held by, and other Indebtedness at any time owing by, such Lender and its Affiliates or such L/C Issuer and its Affiliates, as the case may be, to or for the credit or the account of the respective Loan Parties and their Subsidiaries against any and all Guaranteed Obligations owing to such Lender and its Affiliates or such L/C Issuer and its Affiliates hereunder or under any other Loan Document, now or hereafter existing, irrespective of whether or not such Agent or such Lender or Affiliate shall have made demand under this Agreement or any other Loan Document and although such Guaranteed Obligations may be contingent or unmatured or denominated in a currency different from that of the applicable deposit or Indebtedness. Notwithstanding anything to the contrary contained herein, no Lender or its Affiliates and no L/C Issuer or its Affiliates shall have a right to set off and apply any deposits held or other Indebtedness owing by such Lender or its Affiliates or such L/C Issuer or its Affiliates, as the case may be, to or for the credit or the account of any Subsidiary of a Loan Party which is not a "United States person" within the meaning of Section 7701(a)(30) of the Code unless such Subsidiary is not a direct or indirect subsidiary of Holdings. Each Lender and L/C Issuer agrees promptly to notify the Borrower and the Administrative Agent after any such set off and application made by such Lender or L/C Issuer, as the case may be; *provided*, that the failure to give such notice shall not affect the validity of such set off and application. The rights of the Administrative Agent, each Lender and each L/C Issuer under this Section 4.07 are in addition to other rights and remedies (including other rights of set off) that the Administrative Agent, such Lender and such L/C Issuer may have.

SECTION 4.08. Governing Law; Jurisdiction; Consent to Service of Process. (a) THIS AGREEMENT SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAW OF THE STATE OF NEW YORK.

(b) ANY LEGAL ACTION OR PROCEEDING ARISING UNDER THIS AGREEMENT OR IN ANY WAY CONNECTED WITH OR RELATED OR INCIDENTAL TO THE DEALINGS OF THE PARTIES HERETO OR ANY OF THEM WITH RESPECT TO THIS AGREEMENT, OR THE TRANSACTIONS RELATED THERETO, IN EACH CASE WHETHER NOW EXISTING OR HEREAFTER ARISING, MAY BE BROUGHT IN THE COURTS OF THE STATE OF NEW YORK SITTING IN NEW YORK CITY OR OF THE

UNITED STATES FOR THE SOUTHERN DISTRICT OF SUCH STATE, AND BY EXECUTION AND DELIVERY OF THIS AGREEMENT, EACH OF HOLDINGS, EACH OTHER GUARANTOR AND THE ADMINISTRATIVE AGENT CONSENTS, FOR ITSELF AND IN RESPECT OF ITS PROPERTY, TO THE EXCLUSIVE JURISDICTION OF THOSE COURTS. EACH OF HOLDINGS, EACH OTHER GUARANTOR AND THE ADMINISTRATIVE AGENT IRREVOCABLY WAIVES ANY OBJECTION, INCLUDING ANY OBJECTION TO THE LAYING OF VENUE OR BASED ON THE GROUNDS OF FORUM NON CONVENIENS, WHICH IT MAY NOW OR HEREAFTER HAVE TO THE BRINGING OF ANY ACTION OR PROCEEDING IN SUCH JURISDICTION IN RESPECT OF ANY LOAN DOCUMENT OR OTHER DOCUMENT RELATED THERETO.

(c) Each party to this Agreement irrevocably consents to service of process in the manner provided for notices in Section 4.01. Nothing in this Agreement will affect the right of any party to this Agreement to serve process in any other manner permitted by law.

SECTION 4.09. WAIVER OF JURY TRIAL. EACH PARTY TO THIS AGREEMENT HEREBY EXPRESSLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT TO TRIAL BY JURY OF ANY CLAIM, DEMAND, ACTION OR CAUSE OF ACTION ARISING UNDER THIS AGREEMENT OR IN ANY WAY CONNECTED WITH OR RELATED OR INCIDENTAL TO THE DEALINGS OF THE PARTIES HERETO OR ANY OF THEM WITH RESPECT TO THIS AGREEMENT, OR THE TRANSACTIONS RELATED THERETO, IN EACH CASE WHETHER NOW EXISTING OR HEREAFTER ARISING, AND WHETHER FOUNDED IN CONTRACT OR TORT OR OTHERWISE; AND EACH PARTY HEREBY AGREES AND CONSENTS THAT ANY SUCH CLAIM, DEMAND, ACTION OR CAUSE OF ACTION SHALL BE DECIDED BY COURT TRIAL WITHOUT A JURY, AND THAT ANY PARTY TO THIS AGREEMENT MAY FILE AN ORIGINAL COUNTERPART OR A COPY OF THIS SECTION 4.09 WITH ANY COURT AS WRITTEN EVIDENCE OF THE CONSENT OF THE SIGNATORIES HERETO TO THE WAIVER OF THEIR RIGHT TO TRIAL BY JURY.

SECTION 4.10. Headings. Article and Section headings and the Table of Contents used herein are for convenience of reference only, are not part of this Agreement and are not to affect the construction of, or to be taken into consideration in interpreting, this Agreement.

SECTION 4.11. Guaranty Absolute. To the fullest extent permitted by applicable law, all rights of the Administrative Agent hereunder and all obligations of each Guarantor hereunder shall be absolute and unconditional irrespective of (a) any lack of validity or enforceability of the Credit Agreement, any other Loan Document, any agreement with respect to any of the Guaranteed Obligations or any other agreement or instrument relating to any of the foregoing, (b) any change in the time, manner or place of payment of, or in any other term of, all or any of the Guaranteed Obligations, or any other amendment or waiver of or any consent to any departure from the Credit Agreement, any other Loan Document, or any other agreement or instrument, (c) any exchange, release or non-perfection of any Lien on other collateral, or any release or amendment or waiver of or consent under or departure from any guaranty securing or guaranteeing all or any of the Guaranteed Obligations or (d) any other circumstance that might otherwise constitute a defense available to, or a discharge of, any Guarantor in respect of the Guaranteed Obligations or this Agreement.

SECTION 4.12. Termination or Release. (a) This Agreement and the Guaranties made herein shall terminate with respect to all Guaranteed Obligations when all the outstanding Guaranteed Obligations (other than (x) obligations under Secured Hedge Agreements not yet due and payable, (y) Cash Management Obligations not yet due and payable and (z) contingent indemnification obligations not yet accrued and payable) have been indefeasibly paid in full and the Lenders have no further commitment to lend under the Credit Agreement, the Outstanding Amount of L/C Obligations have been either reduced to zero or Cash Collateralized and the L/C Issuers have no further obligations to issue Letters of Credit under the Credit Agreement.

(b) A Guarantor shall automatically be released from its obligations hereunder upon the consummation of any transaction permitted by the Credit Agreement as a result of which such Guarantor ceases to be a Subsidiary or is designated as an Unrestricted Subsidiary of Borrower pursuant to the terms of the Credit Agreement; *provided* that the Lenders shall have consented to such transaction (to the extent required by the Credit Agreement) and the terms of such consent did not provide otherwise.

(c) A Guarantor (other than Holdings) shall automatically be released from its obligations hereunder if such Guarantor ceases to be a Restricted Subsidiary pursuant to the terms of the Credit Agreement.

(d) In connection with any termination or release pursuant to paragraph (a), (b) or (c) of this Section 4.12, the Administrative Agent shall execute and deliver to any Guarantor, at such Guarantor's expense, all documents that such Guarantor shall reasonably request to evidence such termination or release. Any execution and delivery of documents pursuant to this Section 4.12 shall be without recourse to or warranty by the Administrative Agent.

(e) At any time that the Borrower desires that the Administrative Agent take any of the actions described in immediately preceding paragraph (d), it shall, upon request of the Administrative Agent, deliver to the Administrative Agent an officer's certificate certifying that the release of the respective Guarantor is permitted pursuant to paragraph (a), (b) or (c). The Administrative Agent shall have no liability whatsoever to any Guarantor as a result of any release of any Guarantor by it as permitted (or which the Administrative Agent in good faith believes to be permitted) by this Section 4.12.

(f) Notwithstanding anything to the contrary set forth in this Agreement, each Cash Management Bank and each Hedge Bank, by the acceptance of the benefits under this Agreement hereby acknowledge and agree that (i) the obligations of the Borrower or any Subsidiary under any Secured Hedge Agreement and the Cash Management Obligations (in each case, other than any Excluded Swap Obligation) shall be guaranteed pursuant to this Agreement only to the extent that, and for so long as, the other Guaranteed Obligations are so guaranteed and (ii) any release of a Guarantor effected in the manner permitted by this Agreement shall not require the consent of any Hedge Bank or Cash Management Bank.

SECTION 4.13. Additional Restricted Subsidiaries. Pursuant to Section 6.11 of the Credit Agreement, certain Restricted Subsidiaries of Borrower that were not in existence, not Restricted Subsidiaries or were Excluded Subsidiaries on the date of the Credit Agreement are required to enter in this Agreement as Guarantors upon becoming Restricted Subsidiaries or upon ceasing to be Excluded Subsidiaries by execution and delivery of a Guaranty Supplement by the Administrative Agent and such Restricted Subsidiary shall become a Guarantor hereunder with the same force and effect as if originally named as a Guarantor herein. The execution and delivery of any such instrument shall not require the consent of any other Guaranty Party hereunder. The rights and obligations of each Guaranty Party hereunder shall remain in full force and effect notwithstanding the addition of any new Guaranty Party as a party to this Agreement.

SECTION 4.14. Limitation on Guaranteed Obligations. Each Guarantor and each Secured Party (by its acceptance of the benefits of this Agreement) hereby confirms that it is its intention that this Agreement not constitute a fraudulent transfer or conveyance for purposes of any Debtor Relief Laws (including the Bankruptcy Code, the Uniform Fraudulent Conveyance Act or any similar Federal or state law). To effectuate the foregoing intention, each Guarantor and each Secured Party (by its acceptance of the benefits of this Agreement) hereby irrevocably agrees that the Guaranteed Obligations owing by such Guarantor under this Agreement shall be limited to such amount as will, after giving effect to such maximum amount and all other (contingent or otherwise) liabilities of such Guarantor that are relevant under such Debtor Relief Laws and after giving effect to any rights to contribution and/or subrogation pursuant to any agreement providing for an equitable contribution and/or subrogation among such Guarantor and the other Guarantors, result in the Guaranteed Obligations of such Guarantor in respect of such maximum amount not constituting a fraudulent transfer or conveyance.

A. Reference is made to (i) the Amended and Restated Credit Agreement dated as of February 19, 2013 (as amended, restated, supplemented or otherwise modified from time to time, the "**Credit Agreement**"), among SABRE INC. (the "**Borrower**"), Holdings, BANK OF AMERICA, N.A., as Administrative Agent, Swing Line Lender and L/C Issuer, DEUTSCHE BANK AG NEW YORK BRANCH, as an L/C Issuer and each lender from time to time party thereto (collectively, the "**Lenders**" and individually, a "**Lender**"), (ii) the Amended and Restated Guaranty dated as of February 19, 2013 among Holdings, certain Subsidiaries of the Borrower from time to time party thereto and BANK OF AMERICA, N.A., as Administrative Agent (as amended, restated, supplemented or otherwise modified from time to time, the "**Guaranty**"), (iii) each Secured Hedge Agreement (as defined in the Credit Agreement) and (iv) the Cash Management Obligations (as defined in the Credit Agreement).

B. Capitalized terms used herein and not otherwise defined herein shall have the meanings assigned to such terms in the Credit Agreement.

C. The Guarantors have entered into the Guaranty in order to induce (x) the Lenders to make Loans and the L/C Issuers to issue Letters of Credit, (y) the Hedge Banks to enter into and/or maintain Secured Hedge Agreements and (z) the Cash Management Banks to provide Cash Management Services. Section 4.13 of the Guaranty provides that additional Restricted Subsidiaries of the Borrower that are not Excluded Subsidiaries may become Guarantors under the Guaranty by execution and delivery of an instrument in the form of this Supplement. The undersigned Restricted Subsidiary (the "**New Subsidiary**") is executing this Supplement in accordance with the requirements of the Credit Agreement to become a Guarantor under the Guaranty in order to induce (x) the Lenders to make additional Loans and the L/C Issuers to issue additional Letters of Credit, (y) the Hedge Banks to enter into and/or maintain Secured Hedge Agreements and (z) the Cash Management Banks to provide Cash Management Services and as consideration for (x) Loans previously made and Letters of Credit previously issued, (y) Secured Hedge Agreements previously entered into and/or maintained and (z) Cash Management Services previously provided.

Accordingly, the Administrative Agent and the New Subsidiary agree as follows:

SECTION 1. In accordance with Section 4.13 of the Guaranty, the New Subsidiary by its signature below becomes a Guarantor under the Guaranty with the same force and effect as if originally named therein as a Guarantor and the New Subsidiary hereby (a) agrees to all the terms and provisions of the Guaranty applicable to it as a Guarantor and Guarantor thereunder and (b) represents and warrants that the representations and warranties made by it as a Guarantor thereunder are true and correct on and as of the date hereof. In furtherance of the foregoing, the New Subsidiary, as security for the payment and performance in full of the Guaranteed Obligations does hereby, for the benefit of the Secured Parties, their

EXHIBIT I

successors and assigns, irrevocably, absolutely and unconditionally guaranty, jointly with the other Guarantors and severally, the due and punctual payment and performance of the Guaranteed Obligations. Each reference to a “**Guarantor**” in the Guaranty shall be deemed to include the New Subsidiary. The Guaranty is hereby incorporated herein by reference.

SECTION 2. The New Subsidiary represents and warrants to the Administrative Agent and the Secured Parties that this Supplement has been duly authorized, executed and delivered by it and constitutes its legal, valid and binding obligation, enforceable against it in accordance with its terms, except as such enforceability may be limited by Debtor Relief Laws and by general principles of equity.

SECTION 3. This Supplement may be executed in counterparts (and by different parties hereto on different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract. This Supplement shall become effective when the Administrative Agent shall have received a counterpart of this Supplement that bears the signature of the New Subsidiary, and the Administrative Agent has executed a counterpart hereof. Delivery of an executed signature page to this Supplement by facsimile transmission or other electronic communication shall be as effective as delivery of a manually signed counterpart of this Supplement.

SECTION 4. Except as expressly supplemented hereby, the Guaranty shall remain in full force and effect.

SECTION 5. THIS SUPPLEMENT SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF NEW YORK.

SECTION 6. If any provision contained in this Supplement is held to be invalid, illegal or unenforceable, the legality, validity, and enforceability of the remaining provisions contained herein and in the Guaranty shall not be affected or impaired thereby. The invalidity of a provision in a particular jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

SECTION 7. All communications and notices hereunder shall be in writing and given as provided in Section 4.01 of the Guaranty.

SECTION 8. The New Subsidiary agrees to reimburse the Administrative Agent for its reasonable out-of-pocket expenses in connection with the execution and delivery of this Supplement, including the reasonable fees, other charges and disbursements of counsel for the Administrative Agent.

EXHIBIT I

IN WITNESS WHEREOF, the New Subsidiary and the Administrative Agent have duly executed this Supplement to the Guaranty as of the day and year first above written.

(a) Each Grantor agrees to deliver or cause to be delivered as promptly as practicable to the Administrative Agent, for the benefit of the Secured Parties, any and all Pledged Securities (other than any uncertificated securities, but only for so long as such securities remain uncertificated) to the extent such Pledged Securities, in the case of promissory notes or other instruments evidencing Indebtedness, are required to be delivered pursuant to paragraph (b) of this Section 2.02.

(d) except for restrictions and limitations imposed by the Loan Documents or securities laws generally and except as described in the Perfection Certificate, the Pledged Collateral is and will continue to be freely transferable and assignable, and none of the Pledged Collateral is or will be subject to any option, right of first refusal, shareholders agreement, charter or by-law provisions or contractual restriction of any nature that might prohibit, impair, delay or otherwise affect in any manner material and adverse to the Secured Parties the pledge of such Pledged Collateral hereunder, the sale or disposition thereof pursuant hereto or the exercise by the Administrative Agent of rights and remedies hereunder;

(h) the pledge effected hereby is effective to vest in the Administrative Agent, for the benefit of the Secured Parties, the rights of the Administrative Agent in the Pledged Collateral as set forth herein.

SECTION 2.04. Certification of Limited Liability Company and Limited Partnership Interests. Any limited liability company and any limited partnership controlled by any Grantor shall either (a) not have in its operative documents any provision that any Equity Interests in such limited liability company or such limited partnership be a “security” as defined under Article 8 of the Uniform Commercial Code, or (b) certificate any Equity Interests in any such limited liability company or such limited partnership. To the extent an interest in any limited liability company or limited partnership controlled by any Grantor and pledged under Section 2.01 is certificated or becomes certificated, each such certificate shall be delivered to the Administrative Agent, pursuant to Section 2.02(a) and such Grantor shall fulfill all other requirements under Section 2.02 applicable in respect thereof.

SECTION 2.05. Registration in Nominee Name; Denominations. If an Event of Default shall occur and be continuing, (a) the Administrative Agent, on behalf of the Secured Parties, shall have the right (in its sole and absolute discretion) to hold the Pledged Securities in its own name as pledgee, the name of its nominee (as pledgee or as sub-agent) or the name of the applicable Grantor, endorsed or assigned in blank or in favor of the Administrative Agent, and each Grantor will promptly give to the Administrative Agent copies of any notices or other communications received by it with respect to Pledged Securities registered in the name of such Grantor and (b) the Administrative Agent shall have the right to exchange the certificates representing Pledged Securities for certificates of smaller or larger denominations for any purpose consistent with this Agreement; provided, that the Administrative Agent shall give the Borrower prior notice of its intent to exercise such rights unless a Bankruptcy Event of Default shall have occurred and be continuing in which case no notice shall be required.

SECTION 2.06. Voting Rights; Dividends and Interest. (a) Unless and until an Event of Default shall have occurred and be continuing and the Administrative Agent shall have notified the Borrower that the rights of the Grantors under this Section 2.06 are being suspended:

(i) Each Grantor shall be entitled to exercise any and all voting and/or other consensual rights and powers inuring to an owner of Pledged Securities or any part thereof for any purpose consistent with the terms of this Agreement, the Credit Agreement and the other Loan Documents; *provided* that such rights and powers shall not be exercised in any manner, except as may be expressly permitted under this Agreement, the Credit Agreement or the other Loan Documents, that would materially and adversely affect the rights inuring to a holder of any Pledged Securities or the rights and remedies of any of the Administrative Agent or the other Secured Parties under this Agreement, the Credit Agreement or any other Loan Document or the ability of the Secured Parties to exercise the same.

(ii) The Administrative Agent shall execute and deliver to each Grantor, or cause to be executed and delivered to each Grantor, all such proxies, powers of attorney and other instruments as each Grantor may reasonably request for the purpose of enabling such Grantor to exercise the voting and/or consensual rights and powers it is entitled to exercise pursuant to subparagraph (i) above.

(iii) Each Grantor shall be entitled to receive and retain any and all dividends, interest, principal and other distributions paid on or distributed in respect of the Pledged Securities to the extent and only to the extent that such dividends, interest, principal and other distributions are permitted by, and otherwise paid or distributed in accordance with, the terms and conditions of the Credit Agreement, the other Loan Documents and applicable Laws; *provided* that any non-cash (and non-cash equivalent) dividends, interest, principal or other distributions that would constitute Pledged Equity or Pledged Debt, whether resulting from a subdivision, combination or reclassification of the outstanding Equity Interests of the issuer of any Pledged Securities or received in exchange for Pledged Securities or any part thereof, or in redemption thereof, or as a result of any merger, consolidation, acquisition or other exchange of assets to which such issuer may be a party or otherwise, shall be and become part of the Pledged Collateral, and, if received by any Grantor, shall not be commingled by such Grantor with any of its other funds or property but shall be held separate and apart therefrom, shall be held in trust for the benefit of the Administrative Agent and the Secured Parties and shall be forthwith delivered to the Administrative Agent in the same form as so received (with any necessary endorsement reasonably requested by the Administrative Agent).

(b) Upon the occurrence and during the continuance of an Event of Default, after the Administrative Agent shall have notified the Borrower of the suspension of the rights of the Grantors under paragraph (a)(iii) of this Section 2.06, then all rights of any Grantor to dividends, interest, principal or other distributions that such Grantor is authorized to receive pursuant to paragraph (a)(iii) of this Section 2.06 shall cease, and all such rights shall thereupon become vested in the Administrative Agent, which shall have the sole and exclusive right and authority to receive and retain such dividends, interest, principal or other distributions. All dividends, interest, principal or other distributions received by any Grantor contrary to the provisions of this Section 2.06 shall be held in trust for the benefit of the Administrative Agent, shall be segregated from other property or funds of such Grantor and shall be forthwith delivered to the Administrative Agent upon demand in the same form as so received (with any necessary endorsement reasonably requested by the Administrative Agent). Any and all money and other property paid over to or received by the Administrative Agent pursuant to the provisions of this paragraph (b) shall be retained by the Administrative Agent in an account to be established by the Administrative Agent upon receipt of such money or other property and shall be applied in accordance with the provisions of Section 4.02 hereof. After all Events of Default have been cured or waived, the Administrative Agent shall promptly repay to each Grantor (without interest) all dividends, interest, principal or other distributions that such Grantor would otherwise be permitted to retain pursuant to the terms of paragraph (a)(iii) of this Section 2.06 and that remain in such account.

(c) Upon the occurrence and during the continuance of an Event of Default, after the Administrative Agent shall have notified the Borrower of the suspension of the rights of the Grantors under paragraph (a)(i) of this Section 2.06, then all rights of any Grantor to exercise the voting and consensual rights and powers it is entitled to exercise pursuant to paragraph (a)(i) of this Section 2.06, and the obligations of the Administrative Agent under paragraph (a)(ii) of this Section 2.06, shall cease, and all such rights shall thereupon become vested in the Administrative Agent, which shall have the sole and exclusive right and authority to exercise such voting and consensual rights and powers; *provided* that, unless otherwise directed by the Required Lenders, the Administrative Agent shall have the right from time to time following and during the continuance of an Event of Default to permit the Grantors to exercise such rights at the discretion of the Administrative Agent. After all Events of Default have been cured or waived, each Grantor shall have the exclusive right to exercise the voting and/or consensual rights and powers that such Grantor would otherwise be entitled to exercise pursuant to the terms of paragraph (a)(i) of this Section 2.06.

(d) Any notice given by the Administrative Agent to the Borrower suspending the rights of the Grantors under paragraph (a) of this Section 2.06 (i) shall be given in writing, (ii) may be given with respect to one or more of the Grantors at the same or different times and (iii) may suspend the rights of the Grantors under paragraph (a)(i) or paragraph (a)(iii) of this Section 2.06 in part without suspending all such rights (as specified by the Administrative Agent in its sole and absolute discretion) and without waiving or otherwise affecting the Administrative Agent's rights to give additional notices from time to time suspending other rights so long as an Event of Default has occurred and is continuing.

SECTION 2.07. Administrative Agent Not a Partner or Limited Liability Company Member. Nothing contained in this Agreement shall be construed to make the Administrative Agent or any other Secured Party liable as a member of any limited liability company or as a partner of any partnership and neither the Administrative Agent nor any other Secured Party by virtue of this Agreement or otherwise (except as referred to in the following sentence) shall have any of the duties, obligations or liabilities of a member of any limited liability company or as a partner in any partnership. The parties hereto expressly agree that, unless the Administrative Agent shall become the absolute owner of Pledged Equity consisting of a limited liability company interest or a partnership interest pursuant hereto or to any other Loan Document, this Agreement shall not be construed as creating a partnership or joint venture among the Administrative Agent, any other Secured Party, any Grantor and/or any other Person.

ARTICLE III

Security Interests in Personal Property

SECTION 3.01. Security Interest. (a) As security for the payment or performance, as the case may be, in full of the Secured Obligations, including the Guaranteed Obligations, each Grantor hereby grants to the Administrative Agent, its successors and assigns, for the benefit of the Secured Parties, a security interest (the “**Security Interest**”) in all right, title or interest in or to any and all of the following assets and properties now owned or at any time hereafter acquired by such Grantor or in which such Grantor now has or at any time in the future may acquire any right, title or interest (collectively, the “**Article 9 Collateral**”):

- (i) all Accounts;
- (ii) all Chattel Paper;
- (iii) all Commercial Tort Claims listed on Schedule II hereto;
- (iv) all Deposit Accounts;
- (v) all Documents;
- (vi) all Equipment;
- (vii) all General Intangibles;
- (viii) all Goods;
- (ix) all Instruments;
- (x) all Inventory;
- (xi) all Investment Property;
- (xii) all books and records pertaining to the Article 9 Collateral; and

(xiii) to the extent not otherwise included, all Proceeds and products of any and all of the foregoing and all supporting obligations, collateral security and guarantees given by any Person with respect to any of the foregoing;

provided that notwithstanding anything to the contrary in this Agreement, this Agreement shall not constitute a grant of a security interest in any Excluded Asset.

(b) Each Grantor hereby irrevocably authorizes the Administrative Agent for the benefit of the Secured Parties at any time and from time to time to file in any relevant jurisdiction any initial financing statements (including fixture filings) with respect to the Article 9 Collateral or any part thereof and amendments thereto that (i) indicate the Collateral as all assets of such Grantor or words of similar effect as being of an equal or lesser scope or with greater detail, and (ii) contain the information required by Article 9 of the Uniform Commercial Code or the analogous legislation of each applicable jurisdiction for the filing of any financing statement or amendment, including (A) whether such Grantor is an organization, the type of organization and, if required, any organizational identification number issued

to such Grantor and (B) in the case of a financing statement filed as a fixture filing, a sufficient description of the real property to which such Article 9 Collateral relates. Each Grantor agrees to provide such information to the Administrative Agent promptly upon any reasonable request.

(c) The Security Interest is granted as security only and shall not subject the Administrative Agent or any other Secured Party to, or in any way alter or modify, any obligation or liability of any Grantor with respect to or arising out of the Article 9 Collateral.

(d) The Administrative Agent is authorized to file with the USPTO or the USCO (or any successor office or any similar office in any other country) such documents as may be necessary or advisable for the purpose of perfecting, confirming, continuing, enforcing or protecting the Security Interest in United States Intellectual Property granted by each Grantor, without the signature of any Grantor, and naming any Grantor or the Grantor as debtors and the Administrative Agent as secured party.

(e) Notwithstanding anything to the contrary in the Loan Documents, none of the Grantors shall be required to enter into any deposit account control agreement or securities account control agreement with respect to any deposit account or securities account.

SECTION 3.02. Representations and Warranties. Holdings and the Borrower jointly and severally represent and warrant, as to themselves and the other Grantors, to the Administrative Agent and the Secured Parties that:

(a) Each Grantor has good and valid rights in and title to the material Article 9 Collateral with respect to which it has purported to grant a Security Interest hereunder and has full power and authority to grant to the Administrative Agent the Security Interest in such Article 9 Collateral pursuant hereto and to execute, deliver and perform its obligations in accordance with the terms of this Agreement, without the consent or approval of any other Person other than any consent or approval that has been obtained.

(b) The information set forth in the Perfection Certificate, including the exact legal name of each Grantor, is correct and complete in all material respects as of the Closing Date. The Uniform Commercial Code financing statements (including fixture filings, as applicable) or other appropriate filings, recordings or registrations prepared by the Administrative Agent based upon the information provided to the Administrative Agent in the Perfection Certificate for filing in each governmental, municipal or other office specified in Schedule 6 to the Perfection Certificate (or specified by notice from the Borrower to the Administrative Agent after the Closing Date in the case of filings, recordings or registrations (other than filings required to be made in the USPTO and the USCO in order to perfect the Security Interest in Article 9 Collateral consisting of United States Patents, Trademarks and Copyrights) required by Section 6.11 of the Credit Agreement), are all the filings, recordings and registrations that are necessary to establish a legal, valid and perfected security interest in favor of the Administrative Agent (for the benefit of the Secured Parties) in respect of all Article 9 Collateral in which the Security Interest may be perfected by filing, recording or registration in the United States (or any political subdivision thereof) and its territories and possessions, and no further or subsequent filing, refiling, recording, rerecording, registration or reregistration is necessary in any such jurisdiction, except as provided under applicable law with respect to the filing of continuation statements.

(c) Each Grantor represents and warrants that short-form Intellectual Property Security Agreements containing a description of all Article 9 Collateral consisting of United States Patents, United States registered Trademarks (and Trademarks for which United States registration applications are pending, unless it constitutes an Excluded Asset) and United States registered

Copyrights, respectively, have been delivered to the Administrative Agent for recording by the USPTO and the USCO pursuant to 35 U.S.C. § 261, 15 U.S.C. § 1060 or 17 U.S.C. § 205 and the regulations thereunder, as applicable, as may be necessary to establish a valid and perfected security interest in favor of the Administrative Agent (for the benefit of the Secured Parties) in respect of all Article 9 Collateral consisting of Patents, Trademarks and Copyrights in which a security interest may be perfected by filing, recording or registration in the United States (or any political subdivision thereof) and its territories and possessions under the Federal intellectual property laws, and no further or subsequent filing, refile, recording, rerecording, registration or reregistration is necessary (other than (i) such filings and actions as are necessary to perfect the Security Interest with respect to any Article 9 Collateral consisting of Patents, Trademarks and Copyrights (or registration or application for registration thereof) acquired or developed by any Grantor after the date hereof, (ii) as may be required under the laws of jurisdictions outside the United States with respect to Article 9 Collateral created under such laws, and (iii) the UCC financing and continuation statements contemplated in Section 3.02(b)).

(d) The Security Interest constitutes (i) a legal and valid security interest in all the Article 9 Collateral securing the payment and performance of the Secured Obligations; (ii) subject to the filings described in Section 3.02(b), a perfected security interest in all Article 9 Collateral in which a security interest may be perfected by filing, recording or registering a financing statement or analogous document in the United States (or any political subdivision thereof) and its territories and possessions pursuant to the Uniform Commercial Code in the relevant jurisdiction and (iii) subject to the filings described in Section 3.02(c), a perfected security interest in all Intellectual Property in which a security interest may be perfected upon the receipt and recording of fully executed short-form Intellectual Property Security Agreements with the USPTO and the USCO, as applicable. The Security Interest is and shall be prior to any other Lien on any of the Article 9 Collateral, other than (i) any nonconsensual Lien that is expressly permitted pursuant to Section 7.01 of the Credit Agreement and has priority as a matter of law and (ii) Liens expressly permitted pursuant to Section 7.01 of the Credit Agreement.

(e) The material Article 9 Collateral is owned by the Grantors free and clear of any Lien, except for Liens permitted pursuant to Section 7.01 of the Credit Agreement. None of the Grantors has filed or consented to the filing of (i) any financing statement or analogous document under the New York UCC or any other applicable United States laws covering any Article 9 Collateral, (ii) any assignment in which any Grantor assigns any Article 9 Collateral or any security agreement or similar instrument covering any Article 9 Collateral with the USPTO or the USCO or (iii) any assignment in which any Grantor assigns any Article 9 Collateral or any security agreement or similar instrument covering any Article 9 Collateral with any foreign governmental, municipal or other office, which financing statement or analogous document, assignment, security agreement or similar instrument is still in effect, except, in each case, for Liens permitted pursuant to Section 7.01 of the Credit Agreement.

SECTION 3.03. Covenants. (a) The Borrower agrees promptly (and in any event within 60 days of such change) to notify the Administrative Agent in writing of any change in (i) the legal name, (ii) the identity or type of organization or corporate structure, (iii) the jurisdiction of organization, (iv) the chief executive office or (v) the organizational identification number, of any Grantor. In addition, if any Grantor does not have an organizational identification number on the Closing Date (or the date such Grantor becomes a party to this Agreement) and later obtains one, the Borrower shall promptly (and in any event within 60 days of such change) thereafter notify the Administrative Agent of such organizational identification number and shall take all actions reasonably requested by the Administrative Agent to the extent necessary to maintain the security interests (and the priority thereof) of the Administrative Agent in the Article 9 Collateral intended to be granted hereby fully perfected and in full force and effect.

(b) Upon becoming aware of any defect in the security interests (and the priority thereof, except as expressly permitted pursuant to Section 7.01 of the Credit Agreement) of the Administrative Agent in the Article 9 Collateral intended to be granted hereby, the Borrower agrees promptly (and in any event within 60 days of such knowledge) to notify the Administrative Agent in writing of such defect.

(c) Each year, at the time of delivery of annual financial statements with respect to the preceding fiscal year pursuant to Section 6.01 of the Credit Agreement, the Borrower shall deliver to the Administrative Agent an updated Perfection Certificate executed by the chief financial officer or the chief legal officer of each of Holdings and the Borrower, setting forth any information required therein that has changed or confirming that there has been no change in such information since the date of such certificate or the date of the most recent certificate delivered pursuant to this Section 3.03(c) and certifying that all UCC financing statements, Intellectual Property Security Agreements and other appropriate filings, recordings or registrations have been filed of record in each governmental, municipal or other appropriate office in each jurisdiction necessary to protect and perfect the Security Interests and Liens in the United States under this Agreement.

(d) The Borrower agrees, on its own behalf and on behalf of each other Grantor, at its own expense, to execute, acknowledge, deliver and cause to be duly filed all such further instruments and documents and take all such actions as the Administrative Agent may from time to time reasonably request to better assure, preserve, protect and perfect the Security Interest and the rights and remedies created hereby, including the payment of any fees and taxes required in connection with the execution and delivery of this Agreement, the granting of the Security Interest and the filing of any financing statements (including fixture filings) or other documents in connection herewith or therewith.

(e) At its option, the Administrative Agent may discharge past due taxes, assessments, charges, fees, Liens, security interests or other encumbrances at any time levied or placed on the Article 9 Collateral and not permitted pursuant to Section 7.01 of the Credit Agreement, and may pay for the maintenance and preservation of the Article 9 Collateral to the extent any Grantor fails to do so as required by the Credit Agreement or this Agreement and within a reasonable period of time after the Administrative Agent has requested that it do so, and each Grantor jointly and severally agrees to reimburse the Administrative Agent within 10 Business Days after demand for any payment made or any reasonable expense incurred by the Administrative Agent pursuant to the foregoing authorization; *provided, however*, Grantors shall not be obligated to reimburse the Administrative Agent with respect to any Article 9 Collateral consisting of Intellectual Property which any Grantor has failed to maintain or pursue, or otherwise allowed to lapse, terminate or be put into the public domain, in accordance with Section 3.03(i)(ix). Nothing in this paragraph shall be interpreted as excusing any Grantor from the performance of, or imposing any obligation on the Administrative Agent or any Secured Party to cure or perform, any covenants or other promises of any Grantor with respect to taxes, assessments, charges, fees, Liens, security interests or other encumbrances and maintenance as set forth herein, in the other Loan Documents.

(f) If at any time any Grantor shall take a security interest in any property of an Account Debtor or any other Person, the value of which is in excess of \$10,000,000, to secure payment and performance of an Account, such Grantor shall promptly assign such security interest to the Administrative Agent for the benefit of the Secured Parties. Such assignment need not be filed of public record unless necessary to continue the perfected status of the security interest against creditors of and transferees from the Account Debtor or other Person granting the security interest.

(g) Each Grantor (rather than the Administrative Agent or any Secured Party) shall remain liable (as between itself and any relevant counterparty) to observe and perform all the conditions

and obligations to be observed and performed by it under each contract, agreement or instrument relating to the Article 9 Collateral, all in accordance with the terms and conditions thereof, and each Grantor jointly and severally agrees to indemnify and hold harmless the Administrative Agent and the Secured Parties from and against any and all liability for such performance.

(h) If any Grantor shall at any time hold or acquire a Commercial Tort Claim with a value in excess of \$10,000,000 and for which such Grantor (or predecessor in interest) has filed a complaint in a court of competent jurisdiction, such Grantor shall promptly notify the Administrative Agent in writing signed by such Grantor of the brief details thereof and grant to the Administrative Agent a security interest therein and in the Proceeds thereof, all upon the terms of this Agreement pursuant to a document in form and substance reasonably satisfactory to the Administrative Agent.

(i) Intellectual Property Covenants, Representations and Warranties:

(i) Other than to the extent permitted herein or in the Credit Agreement or with respect to registration and applications no longer used, and except to the extent failure to act would not, as deemed by the Borrower in its reasonable business judgment, be reasonably expected to have a Material Adverse Effect, with respect to registration or pending application of each item of its Article 9 Collateral consisting of Intellectual Property for which such Grantor has standing to do so, each Grantor agrees to take, at its expense, all reasonable steps, including, without limitation, in the USPTO, the USCO and any other governmental authority located in the United States, to diligently pursue the registration and maintenance of each Patent, Trademark, or Copyright registration or application and shall not abandon any such application prior to exhaustion of all administrative and judicial remedies, now or hereafter included in such Article 9 Collateral consisting of Intellectual Property of such Grantor where reasonable to do so. Each Grantor shall take all reasonable steps to maintain its trade secrets under applicable law and to preserve the secrecy of its confidential information.

(ii) Other than to the extent permitted herein or in the Credit Agreement, or with respect to registration and applications no longer used, or except as would not, as deemed by the Borrower in its reasonable business judgment, be reasonably expected to have a Material Adverse Effect, no Grantor shall do or permit any act or knowingly omit to do any act whereby any of its Article 9 Collateral consisting of Intellectual Property may lapse, be terminated, or become invalid or unenforceable or placed in the public domain (or in the case of a trade secret, becomes publicly known).

(iii) Other than as excluded or as permitted herein or in the Credit Agreement, or with respect to Patents, Copyrights or Trademarks which are no longer used or useful in the Grantor's business operations or except where failure to do so would not, as deemed by the applicable Grantor in its reasonable business judgment, be reasonably expected to have a Material Adverse Effect, each Grantor shall take all reasonable steps to preserve and protect each item of its Article 9 Collateral consisting of Intellectual Property, including, without limitation, maintaining the quality of any and all products or services used or provided in connection with any of the Trademarks, consistent with the quality of the products and services as of the date hereof, and taking all reasonable steps necessary to ensure that all licensed users of any of the Trademarks abide by the applicable license's terms with respect to the standards of quality and using the Trademarks which are material to such Grantor's business in interstate commerce during the time in which this Agreement is in effect and to take all reasonable steps to preserve such Trademarks under the laws of relevant jurisdiction. Each Grantor agrees to renew those of its domain name registrations that are material to such Grantor's business.

(iv) Each Grantor represents and warrants that it is the lawful owner of all material Article 9 Collateral consisting of Intellectual Property, including (i) the Patents listed in the Perfection Certificate for such Grantor and that said Patents include all the material United States patents and applications that such Grantor owns as of the date hereof, and (ii) the Copyrights listed in the Perfection Certificate for such Grantor and that said Copyrights include all the United States copyrights registered and applied for with the USCO for material United States copyrights that such Grantor owns as of the date hereof.

(v) Each Grantor further represents and warrants that the Trademarks and domain names listed in the Perfection Certificate include all material United States registered marks and applications for United States registered marks in the USPTO and all material domain names that such Grantor owns in connection with its business as of the date hereof. Each Grantor represents and warrants that it is the lawful owner of all U.S. trademark registrations and applications and domain name registrations listed in the Perfection Certificate and that said registrations are subsisting and have not been canceled, and that such Grantor has not received any written third-party claim that any of said registrations is invalid or unenforceable, other than as would not, either individually or in the aggregate, in the Grantor's reasonable opinion, be reasonably expected to have a Material Adverse Effect.

(vi) Each Grantor agrees, promptly upon learning thereof, to notify the Collateral Agent in writing of the name and address of, and to furnish such pertinent information that may be available with respect to, any party who such Grantor learns is likely to be infringing, contributorily infringing, actively inducing infringement, misappropriating or otherwise violating any of such Grantor's rights in and to any Intellectual Property in any manner that would, in the Grantor's reasonable opinion, reasonably be expected to have a Material Adverse Effect, or with respect to any party claiming that such Grantor's use of any Intellectual Property material to such Grantor's business violates in any material respect any property right of such party. Each Grantor further agrees to take appropriate actions diligently against, including, but not limited to prosecution of, in accordance with reasonable business practices, any Person infringing any Intellectual Property right in any manner that would, in the Grantor's reasonable opinion, reasonably be expected to, either individually or in the aggregate, have a Material Adverse Effect.

(vii) If any Grantor acquires, makes an application for, or is issued a registration for Intellectual Property before the USPTO, the USCO, or an equivalent thereof in any state of the United States, such Grantor shall, at its own expense, deliver to the Administrative Agent a grant of a security interest in such application or registration, within sixty (60) days of the submission of such application or receipt of registration (twenty (20) days in the case of Copyrights) confirming the grant of a security interest in such Intellectual Property to the Administrative Agent hereunder. Such security interest must be substantially in the form of Exhibit III hereto in the case of Patents, Exhibit IV hereto in the case of Trademarks, or Exhibit V hereto in the case of Copyrights, or in such other form as may be reasonably satisfactory to the Administrative Agent.

(viii) Concurrently with the delivery of the Perfection Certificate pursuant to Section 3.03(c), and upon reasonable request by the Administrative Agent (but in any event, not more than three times per fiscal year), if a United States Patent or an application for a United States Patent, a registered Copyright, or an application for a United States Copyright is issued or acquired by a Grantor, the relevant Grantor shall deliver to the Administrative Agent a copy of said Copyright or Patent, or certificate or registration of, or application therefor, as the case may be, and shall update, through amendment or by other written document executed by and reasonably acceptable to Administrative Agent and such Grantor, the relevant schedules of any Intellectual Property Security Agreement filed with the USPTO pursuant to this Agreement, such that any such update may be filed with the USPTO.

(ix) Nothing in this Agreement or any other Loan Document prevents any Grantor from disposing of, discontinuing the use or maintenance of, failing to pursue, or otherwise allowing to lapse, terminate or be put into the public domain, any of its Article 9 Collateral consisting of Intellectual Property to the extent permitted by the Credit Agreement if such Grantor determines in its reasonable business judgment that such discontinuance is desirable in the conduct of its business.

(x) Subject to Sections 3.02 and 3.03(i) above, the Grantors shall use commercially reasonable efforts to correct all currently known chain of title issues regarding the Article 9 Collateral constituting Intellectual Property collateral listed on Schedule 12 of the Perfection Certificate within sixty (60) days following the Closing Date (or such later date as agreed by the Administrative Agent in its sole discretion) and; provided, however, that if despite such efforts, Grantors cannot correct these issues within sixty (60) days, they shall remain obligated to continue such efforts until the issues are resolved or it is reasonably determined by the Administrative Agent that it is no longer commercially reasonable to continue such efforts.

SECTION 3.04. Other Actions. In order to further insure the attachment, perfection and priority of, and the ability of the Administrative Agent to enforce, the Security Interest, each Grantor agrees, in each case at such Grantor's own expense, to take the following actions with respect to the following Article 9 Collateral:

(a) *Instruments*. If any Grantor shall at any time hold or acquire any Instruments constituting Article 9 Collateral and evidencing an amount in excess of \$10,000,000, such Grantor shall forthwith endorse, assign and deliver the same to the Administrative Agent for the benefit of the Secured Parties, accompanied by such instruments of transfer or assignment duly executed in blank as the Administrative Agent may from time to time reasonably request.

(b) *Investment Property*. Except to the extent otherwise provided in Article II, if any Grantor shall at any time hold or acquire any certificated securities, such Grantor shall forthwith endorse, assign and deliver the same to the Administrative Agent for the benefit of the Secured Parties, accompanied by such instruments of transfer or assignment duly executed in blank as the Administrative Agent may from time to time reasonably request. If any securities now or hereafter acquired by any Grantor are uncertificated and are issued to such Grantor or its nominee directly by the issuer thereof, following the occurrence of an Event of Default such Grantor shall promptly notify the Administrative Agent thereof and, at the Administrative Agent's reasonable request, pursuant to an agreement in form and substance reasonably satisfactory to the Administrative Agent, either (i) cause the issuer to agree to comply with instructions from the Administrative Agent as to such securities, without further consent of any Grantor or such nominee, or (ii) arrange for the Administrative Agent to become the registered owner of such securities. If any securities, whether certificated or uncertificated, or other investment property are held by any Grantor or its nominee through a securities intermediary or commodity intermediary, following the occurrence of an Event of Default, such Grantor shall immediately notify the Administrative Agent thereof and at the Administrative Agent's request and option, pursuant to an agreement in form and substance reasonably satisfactory to the Administrative Agent shall either (i) cause such securities intermediary or (as the case may be) commodity intermediary to agree to comply with entitlement orders or other instructions from the Administrative Agent to such securities intermediary as to such security entitlements, or (as the case may be) to apply any value distributed on account of any commodity contract as directed by the Administrative Agent to such commodity intermediary, in each case without further consent of any Grantor or such nominee, or (ii) in the case of financial assets or other

Investment Property held through a securities intermediary, arrange for the Administrative Agent to become the entitlement holder with respect to such Investment Property, with the Grantor being permitted, only with the consent of the Administrative Agent, to exercise rights to withdraw or otherwise deal with such Investment Property. The Administrative Agent agrees with each of the Grantors that the Administrative Agent shall not give any such entitlement orders or instructions or directions to any such issuer, securities intermediary or commodity intermediary, and shall not withhold its consent to the exercise of any withdrawal or dealing rights by any Grantor, unless an Event of Default has occurred and is continuing. The provisions of this paragraph shall not apply to any financial assets credited to a securities account for which the Administrative Agent is the securities intermediary.

ARTICLE IV

Remedies

SECTION 4.01. Remedies upon Default. Upon the occurrence and during the continuance of an Event of Default, it is agreed that the Administrative Agent shall have the right to exercise any and all rights afforded to a secured party with respect to the Secured Obligations under the Uniform Commercial Code or other applicable law and also may (i) require each Grantor to, and each Grantor agrees that it will at its expense and upon request of the Administrative Agent forthwith, assemble all or part of the Collateral as directed by the Administrative Agent and make it available to the Administrative Agent at a place and time to be designated by the Administrative Agent that is reasonably convenient to both parties; (ii) occupy any premises owned or, to the extent lawful and permitted, leased by any of the Grantors where the Collateral or any part thereof is assembled or located for a reasonable period in order to effectuate its rights and remedies hereunder or under law, without obligation to such Grantor in respect of such occupancy; *provided* that the Administrative Agent shall provide the applicable Grantor with notice thereof prior to or promptly after such occupancy; (iii) declare the entire right, title, and interest of such Grantor in each of the Patents, Trademarks, domain names and Copyrights vested in the Administrative Agent for the benefit of the Secured Parties (in which event such right, title, and interest shall immediately vest in the Administrative Agent for the benefit of the Secured Parties, and the Administrative Agent shall be entitled to exercise the power of attorney referred to below in Section 4.03 hereof to execute, cause to be acknowledged and notarized and to record said absolute assignment with the applicable agency); (iv) exercise any and all rights and remedies of any of the Grantors under or in connection with the Collateral, or otherwise in respect of the Collateral; *provided* that the Administrative Agent shall provide the applicable Grantor with notice thereof prior to or promptly after such exercise; and (v) subject to the mandatory requirements of applicable law and the notice requirements described below, sell or otherwise dispose of all or any part of the Collateral securing the Secured Obligations at a public or private sale or at any broker's board or on any securities exchange, for cash, upon credit or for future delivery as the Administrative Agent shall deem appropriate. The Administrative Agent shall be authorized at any such sale of securities (if it deems it advisable to do so) to restrict the prospective bidders or purchasers to Persons who will represent and agree that they are purchasing the Collateral for their own account for investment and not with a view to the distribution or sale thereof, and upon consummation of any such sale the Administrative Agent shall have the right to assign, transfer and deliver to the purchaser or purchasers thereof the Collateral so sold. Each such purchaser at any sale of Collateral shall hold the property sold absolutely, free from any claim or right on the part of any Grantor, and each Grantor hereby waives (to the extent permitted by law) all rights of redemption, stay and appraisal which such Grantor now has or may at any time in the future have under any rule of law or statute now existing or hereafter enacted. Upon the occurrence and during the continuance of an Event of Default, the Grantors agree to execute such further documents as the Administrative Agent may reasonably request to transfer ownership of the Patents, Trademarks, domain names and Copyrights to the Administrative Agent for the benefit of the Secured Parties.

The Administrative Agent shall give the applicable Grantors 10 days' written notice (which each Grantor agrees is reasonable notice within the meaning of Section 9-611 of the New York UCC or its equivalent in other jurisdictions) of the Administrative Agent's intention to make any sale of Collateral. Such notice, in the case of a public sale, shall state the time and place for such sale and, in the case of a sale at a broker's board or on a securities exchange, shall state the board or exchange at which such sale is to be made and the day on which the Collateral, or portion thereof, will first be offered for sale at such board or exchange. Any such public sale shall be held at such time or times within ordinary business hours and at such place or places as the Administrative Agent may fix and state in the notice (if any) of such sale. At any such sale, the Collateral, or portion thereof, to be sold may be sold in one lot as an entirety or in separate parcels, as the Administrative Agent may (in its sole and absolute discretion) determine. The Administrative Agent shall not be obligated to make any sale of any Collateral if it shall determine not to do so, regardless of the fact that notice of sale of such Collateral shall have been given. The Administrative Agent may, without notice or publication, adjourn any public or private sale or cause the same to be adjourned from time to time by announcement at the time and place fixed for sale, and such sale may, without further notice, be made at the time and place to which the same was so adjourned. In case any sale of all or any part of the Collateral is made on credit or for future delivery, the Collateral so sold may be retained by the Administrative Agent until the sale price is paid by the purchaser or purchasers thereof, but the Administrative Agent shall not incur any liability in case any such purchaser or purchasers shall fail to take up and pay for the Collateral so sold and, in case of any such failure, such Collateral may be sold again upon like notice. At any public (or, to the extent permitted by law, private) sale made pursuant to this Agreement, any Secured Party may bid for or purchase, free (to the extent permitted by law) from any right of redemption, stay, valuation or appraisal on the part of any Grantor (all said rights being also hereby waived and released to the extent permitted by law), the Collateral or any part thereof offered for sale and may make payment on account thereof by using any claim then due and payable to such Secured Party from any Grantor as a credit against the purchase price, and such Secured Party may, upon compliance with the terms of sale, hold, retain and dispose of such property without further accountability to any Grantor therefor. For purposes hereof, a written agreement to purchase the Collateral or any portion thereof shall be treated as a sale thereof; the Administrative Agent shall be free to carry out such sale pursuant to such agreement and no Grantor shall be entitled to the return of the Collateral or any portion thereof subject thereto, notwithstanding the fact that after the Administrative Agent shall have entered into such an agreement all Events of Default shall have been remedied and the Secured Obligations paid in full. As an alternative to exercising the power of sale herein conferred upon it, the Administrative Agent may proceed by a suit or suits at law or in equity to foreclose this Agreement and to sell the Collateral or any portion thereof pursuant to a judgment or decree of a court or courts having competent jurisdiction or pursuant to a proceeding by a court appointed receiver. Any sale pursuant to the provisions of this Section 4.01 shall be deemed to conform to the commercially reasonable standards as provided in Section 9-610(b) of the New York UCC or its equivalent in other jurisdictions.

Each Grantor irrevocably makes, constitutes and appoints the Administrative Agent (and all officers, employees or agents designated by the Administrative Agent) as such Grantor's true and lawful agent (and attorney-in-fact) during the continuance of an Event of Default and after notice to the Borrower of its intent to exercise such rights, for the purpose of (i) making, settling and adjusting claims in respect of Article 9 Collateral under policies of insurance, endorsing the name of such Grantor on any check, draft, instrument or other item of payment for the proceeds of such policies of insurance, (ii) making all determinations and decisions with respect thereto and (iii) obtaining or maintaining the policies of insurance required by Section 6.07 of the Credit Agreement or paying any premium in whole or in part relating thereto.

SECTION 4.02. Application of Proceeds. (a) The Administrative Agent shall apply the proceeds of any collection or sale of Collateral, including any Collateral consisting of cash, in accordance with Section 9.03 of the Credit Agreement.

(b) The Administrative Agent shall have absolute discretion as to the time of application of any such proceeds, moneys or balances in accordance with this Agreement and the Credit Agreement. Upon any sale of Collateral by the Administrative Agent (including pursuant to a power of sale granted by statute or under a judicial proceeding), the receipt of the Administrative Agent or of the officer making the sale shall be a sufficient discharge to the purchaser or purchasers of the Collateral so sold and such purchaser or purchasers shall not be obligated to see to the application of any part of the purchase money paid over to the Administrative Agent or such officer or be answerable in any way for the misapplication thereof.

(c) In making the determinations and allocations required by this Section 4.02, the Administrative Agent may conclusively rely upon information supplied by the Administrative Agent as to the amounts of unpaid principal and interest and other amounts outstanding with respect to the Secured Obligations, and the Administrative Agent shall have no liability to any of the Secured Parties for actions taken in reliance on such information, *provided* that nothing in this sentence shall prevent any Grantor from contesting any amounts claimed by any Secured Party in any information so supplied. All distributions made by the Administrative Agent pursuant to this Section 4.02 shall be (subject to any decree of any court of competent jurisdiction) final (absent manifest error), and the Administrative Agent shall have no duty to inquire as to the application by the Administrative Agent of any amounts distributed to it. It is understood and agreed that the Grantors shall remain jointly and severally liable to the extent of any deficiency between the amount of the proceeds of the Collateral and the aggregate amount of the Secured Obligations.

SECTION 4.03. Grant of License to Use Intellectual Property; Power of Attorney. For the exclusive purpose of enabling the Administrative Agent to exercise rights and remedies under this Agreement at such time as the Administrative Agent shall be lawfully entitled to exercise such rights and remedies, each Grantor shall, upon prior written request by the Administrative Agent at any time after and during the continuance of an Event of Default, grant to the Administrative Agent a non-exclusive, irrevocable, royalty-free, limited license (until the termination or cure of the Event of Default) to use, license or sublicense any of the Article 9 Collateral consisting of Intellectual Property now owned or hereafter acquired by such Grantor, and wherever the same may be located, and including in such license reasonable access to all media in which any of the licensed items may be recorded or stored and to all computer software and programs used for the compilation or printout thereof; *provided, however*, that nothing in this Section 4.03 shall require Grantors to grant any license that is prohibited by any rule of law, statute or regulation, or is prohibited by, or constitutes a breach or default under or results in the termination of any contract, license, agreement, instrument or other document evidencing, giving rise to or theretofore granted, to the extent permitted by the Credit Agreement, with respect to such property or otherwise unreasonably prejudices the value thereof to the relevant Grantor; *provided, further*, that such licenses to be granted hereunder with respect to Trademarks shall be subject to the maintenance of quality standards with respect to the goods and services on which such Trademarks are used sufficient to preserve the validity of such Trademarks. For the avoidance of doubt, the use of such license by the Administrative Agent may be exercised, at the option of the Administrative Agent, only during the continuation of an Event of Default. Furthermore, each Grantor hereby grants to the Administrative Agent an absolute power of attorney to sign, upon the occurrence and during the continuance of any Event of Default, any document which may be required by the USPTO or the USCO in order to effect an absolute assignment of all right, title and interest in each Patent, Trademark or Copyright, and to record the same.

ARTICLE V

Indemnity, Subrogation and Subordination

SECTION 5.01. Indemnity. In addition to all such rights of indemnity and subrogation as the Grantors may have under applicable law (but subject to Section 5.03), the Borrower agrees that, in the event any assets of any Grantor shall be sold pursuant to this Agreement or any other Collateral Document to satisfy in whole or in part a Secured Obligation owed to any Secured Party, the Borrower shall indemnify such Grantor in an amount equal to the greater of the book value or the fair market value of the assets so sold.

SECTION 5.02. Contribution and Subrogation. Each Grantor (a “**Contributing Party**”) agrees (subject to Section 5.03) that, in the event assets of any other Grantor shall be sold pursuant to any Collateral Document to satisfy any Secured Obligation owed to any Secured Party, and such other Grantor (the “**Claiming Party**”) shall not have been fully indemnified by the Borrower as provided in Section 5.01, the Contributing Party shall indemnify the Claiming Party in an amount equal to the greater of the book value or the fair market value of such assets, in each case multiplied by a fraction of which the numerator shall be the net worth of the Contributing Party on the date hereof and the denominator shall be the aggregate net worth of all the Contributing Parties together with the net worth of the Claiming Party on the date hereof (or, in the case of any Grantor becoming a party hereto pursuant to Section 6.15, the date of the Security Agreement Supplement hereto executed and delivered by such Grantor). Any Contributing Party making any payment to a Claiming Party pursuant to this Section 5.02 shall be subrogated to the rights of such Claiming Party to the extent of such payment.

SECTION 5.03. Subordination. Notwithstanding any provision of this Agreement to the contrary, all rights of the Grantors under Sections 5.01 and 5.02 and all other rights of indemnity, contribution or subrogation under applicable law or otherwise shall be fully subordinated to the indefeasible payment in full in cash of the Secured Obligations, *provided* that if any amount shall be paid to such Grantor on account of such subrogation rights at any time prior to the irrevocable payment in full in cash of all the Secured Obligations, such amount shall be held in trust for the benefit of the Secured Parties and shall forthwith be paid to the Administrative Agent to be credited and applied against the Secured Obligations, whether matured or unmatured, in accordance with Section 9.03 of the Credit Agreement. No failure on the part of the Borrower or any Grantor to make the payments required by Sections 5.01 and 5.02 (or any other payments required under applicable law or otherwise) shall in any respect limit the obligations and liabilities of any Grantor with respect to its obligations hereunder, and each Grantor shall remain liable for the full amount of the obligations of such Grantor hereunder.

ARTICLE VI

Miscellaneous

SECTION 6.01. Notices. All communications and notices hereunder shall (except as otherwise expressly permitted herein) be in writing and given as provided in Section 11.02 of the Credit Agreement. All communications and notices hereunder to any Grantor shall be given to it in care of the Borrower as provided in Section 11.02 of the Credit Agreement.

SECTION 6.02. Waivers; Amendment. (a) No failure or delay by the Administrative Agent, any L/C Issuer or any Lender in exercising any right or power hereunder or under any other Loan Document shall operate as a waiver thereof, nor shall any single or partial exercise of any such right or power, or any abandonment or discontinuance of steps to enforce such a right or power, preclude any other or further exercise thereof or the exercise of any other right or power. The rights and

remedies of the Administrative Agent, the L/C Issuers and the Lenders hereunder and under the other Loan Documents are cumulative and are not exclusive of any rights or remedies that they would otherwise have. No waiver of any provision of this Agreement or consent to any departure by any Grantor therefrom shall in any event be effective unless the same shall be permitted by paragraph (b) of this Section 6.02, and then such waiver or consent shall be effective only in the specific instance and for the purpose for which given. Without limiting the generality of the foregoing, the making of a Loan or issuance of a Letter of Credit shall not be construed as a waiver of any Default, regardless of whether the Administrative Agent, any Lender or any L/C Issuer may have had notice or knowledge of such Default at the time. No notice or demand on any Grantor in any case shall entitle any Grantor to any other or further notice or demand in similar or other circumstances.

(b) Neither this Agreement nor any provision hereof may be waived, amended or modified except pursuant to an agreement or agreements in writing entered into by the Administrative Agent and the Grantor or Grantors with respect to which such waiver, amendment or modification is to apply, subject to any consent required in accordance with Section 11.01 of the Credit Agreement.

SECTION 6.03. Administrative Agent's Fees and Expenses. (a) The parties hereto agree that the Administrative Agent shall be entitled to reimbursement of its expenses incurred hereunder as provided in Section 11.04 of the Credit Agreement.

(b) Without limitation of its indemnification obligations under the other Loan Documents, the Borrower agrees to indemnify the Administrative Agent and the other Indemnitees (as defined in Section 11.05 of the Credit Agreement) against, and hold each Indemnitee harmless from, any and all losses, claims, damages, liabilities and related expenses, including the reasonable fees, charges and disbursements of any counsel for any Indemnitee, incurred by or asserted against any Indemnitee arising out of, in connection with, or as a result of, the execution, delivery or performance of this Agreement or any claim, litigation, investigation or proceeding relating to any of the foregoing agreements or instruments contemplated hereby, whether or not any Indemnitee is a party thereto; *provided* that such indemnity shall not, as to any Indemnitee, be available to the extent that such losses, claims, damages, liabilities or related expenses are determined by a court of competent jurisdiction by final and nonappealable judgment to have resulted from the gross negligence or wilful misconduct of such Indemnitee or Related Indemnified Person of such Indemnitee.

(c) Any such amounts payable as provided hereunder shall be additional Secured Obligations secured hereby and by the other Collateral Documents. The provisions of this Section 6.03 shall remain operative and in full force and effect regardless of the termination of this Agreement or any other Loan Document, the consummation of the transactions contemplated hereby, the repayment of any of the Secured Obligations, the invalidity or unenforceability of any term or provision of this Agreement or any other Loan Document, or any investigation made by or on behalf of the Administrative Agent or any other Secured Party. All amounts due under this Section 6.03 shall be payable within 10 days of written demand therefor.

SECTION 6.04. Successors and Assigns. Whenever in this Agreement any of the parties hereto is referred to, such reference shall be deemed to include the permitted successors and assigns of such party; and all covenants, promises and agreements by or on behalf of any Grantor or the Administrative Agent that are contained in this Agreement shall bind and inure to the benefit of their respective successors and assigns, to the extent permitted under Section 11.07 of the Credit Agreement.

SECTION 6.05. Survival of Agreement. All representations and warranties made hereunder and in any other Loan Document or other document delivered pursuant hereto or thereto or in connection herewith or therewith shall survive the execution and delivery hereof and thereof. Such

representations and warranties have been or will be relied upon by the Administrative Agent and each Lender, regardless of any investigation made by the Administrative Agent or any Lender or on their behalf and notwithstanding that the Administrative Agent or any Lender may have had notice or knowledge of any Default at the time of any Credit Extension and shall continue in full force and effect as long as any Loan or any other Secured Obligation hereunder shall remain unpaid or unsatisfied or any Letter of Credit shall remain outstanding (unless the Outstanding Amount of the L/C Obligations related thereto has been Cash Collateralized).

SECTION 6.06. Counterparts; Effectiveness; Successors and Assigns; Several Agreement. This Agreement and each other Loan Document may be executed in one or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument. Delivery by facsimile transmission or other electronic communication of an executed counterpart of a signature page to this Agreement and each other Loan Document shall be effective as delivery of an original executed counterpart of this Agreement and such other Loan Document. The Agents may also require that any such documents and signatures delivered by facsimile transmission or other electronic communication be confirmed by a manually signed original thereof; *provided* that the failure to request or deliver the same shall not limit the effectiveness of any document or signature delivered by facsimile transmission or other electronic communication. This Agreement shall become effective as to any Grantor when a counterpart hereof executed on behalf of such Grantor shall have been delivered to the Administrative Agent and a counterpart hereof shall have been executed on behalf of the Administrative Agent, and thereafter shall be binding upon such Grantor and the Administrative Agent and their respective successors and assigns permitted thereby, and shall inure to the benefit of such Grantor, the Administrative Agent and the other Secured Parties and their respective successors and assigns permitted thereby, except that no Grantor shall have the right to assign or transfer its rights or obligations hereunder or any interest herein or in the Collateral (and any such assignment or transfer shall be void) except as expressly contemplated by this Agreement or the other Loan Documents. This Agreement shall be construed as a separate agreement with respect to each Grantor and may be amended, modified, supplemented, waived or released with respect to any Grantor without the approval of any other Grantor and without affecting the obligations of any other Grantor hereunder.

SECTION 6.07. Severability. If any provision of this Agreement or the other Loan Documents is held to be illegal, invalid or unenforceable, the legality, validity and enforceability of the remaining provisions of this Agreement and the other Loan Documents shall not be affected or impaired thereby. The invalidity of a provision in a particular jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

SECTION 6.08. Right of Set-Off. In addition to any rights and remedies of the Lenders provided by Law, upon the occurrence and during the continuance of any Event of Default, each Lender and its Affiliates and each L/C Issuer and its Affiliates is authorized at any time and from time to time, without prior notice to any Grantor, any such notice being waived by the Borrower (on its own behalf and on behalf of each Grantor and its Subsidiaries) to the fullest extent permitted by applicable Law, to set off and apply any and all deposits (general or special, time or demand, provisional or final) at any time held by, and other Indebtedness at any time owing by, such Lender and its Affiliates or such L/C Issuer and its Affiliates, as the case may be, to or for the credit or the account of the respective Loan Parties and their Subsidiaries against any and all Secured Obligations owing to such Lender and its Affiliates or such L/C Issuer and its Affiliates hereunder or under any other Loan Document, now or hereafter existing, irrespective of whether or not such Agent or such Lender or Affiliate shall have made demand under this Agreement or any other Loan Document and although such Secured Obligations may be contingent or unmatured or denominated in a currency different from that of the applicable deposit or Indebtedness. Notwithstanding anything to the contrary contained herein, no Lender or its Affiliates and no L/C Issuer or its Affiliates shall have a right to set off and apply any deposits held or other

Indebtedness owing by such Lender or its Affiliates or such L/C Issuer or its Affiliates, as the case may be, to or for the credit or the account of any Subsidiary of a Loan Party which is not a "United States person" within the meaning of Section 7701(a)(30) of the Code unless such Subsidiary is not a direct or indirect subsidiary of Holdings. Each Lender and L/C Issuer agrees promptly to notify the Borrower and the Administrative Agent after any such set off and application made by such Lender or L/C Issuer, as the case may be; *provided*, that the failure to give such notice shall not affect the validity of such setoff and application. The rights of the Administrative Agent, each Lender and each L/C Issuer under this Section 6.08 are in addition to other rights and remedies (including other rights of setoff) that the Administrative Agent, such Lender and such L/C Issuer may have.

SECTION 6.09. Governing Law; Jurisdiction; Consent to Service of Process. (a) THIS AGREEMENT AND EACH OTHER LOAN DOCUMENT SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAW OF THE STATE OF NEW YORK (EXCEPT AS OTHERWISE EXPRESSLY PROVIDED THEREIN).

(b) ANY LEGAL ACTION OR PROCEEDING ARISING UNDER ANY LOAN DOCUMENT OR IN ANY WAY CONNECTED WITH OR RELATED OR INCIDENTAL TO THE DEALINGS OF THE PARTIES HERETO OR ANY OF THEM WITH RESPECT TO ANY LOAN DOCUMENT, OR THE TRANSACTIONS RELATED THERETO, IN EACH CASE WHETHER NOW EXISTING OR HEREAFTER ARISING, MAY BE BROUGHT IN THE COURTS OF THE STATE OF NEW YORK SITTING IN NEW YORK CITY OR OF THE UNITED STATES FOR THE SOUTHERN DISTRICT OF SUCH STATE, AND BY EXECUTION AND DELIVERY OF THIS AGREEMENT, EACH OF THE BORROWER, HOLDINGS, EACH GRANTOR AND THE ADMINISTRATIVE AGENT CONSENTS, FOR ITSELF AND IN RESPECT OF ITS PROPERTY, TO THE EXCLUSIVE JURISDICTION OF THOSE COURTS. EACH OF THE BORROWER, HOLDINGS, EACH GRANTOR AND THE ADMINISTRATIVE AGENT IRREVOCABLY WAIVES ANY OBJECTION, INCLUDING ANY OBJECTION TO THE LAYING OF VENUE OR BASED ON THE GROUNDS OF FORUM NON CONVENIENS, WHICH IT MAY NOW OR HEREAFTER HAVE TO THE BRINGING OF ANY ACTION OR PROCEEDING IN SUCH JURISDICTION IN RESPECT OF ANY LOAN DOCUMENT OR OTHER DOCUMENT RELATED THERETO.

(c) Each party to this Agreement irrevocably consents to service of process in the manner provided for notices in Section 6.01. Nothing in this Agreement or any other Loan Document will affect the right of any party to this Agreement to serve process in any other manner permitted by law.

SECTION 6.10. WAIVER OF RIGHT TO TRIAL BY JURY. EACH PARTY TO THIS AGREEMENT HEREBY EXPRESSLY WAIVES ANY RIGHT TO TRIAL BY JURY OF ANY CLAIM, DEMAND, ACTION OR CAUSE OF ACTION ARISING UNDER ANY LOAN DOCUMENT OR IN ANY WAY CONNECTED WITH OR RELATED OR INCIDENTAL TO THE DEALINGS OF THE PARTIES HERETO OR ANY OF THEM WITH RESPECT TO ANY LOAN DOCUMENT, OR THE TRANSACTIONS RELATED THERETO, IN EACH CASE WHETHER NOW EXISTING OR HEREAFTER ARISING, AND WHETHER FOUNDED IN CONTRACT OR TORT OR OTHERWISE; AND EACH PARTY HEREBY AGREES AND CONSENTS THAT ANY SUCH CLAIM, DEMAND, ACTION OR CAUSE OF ACTION SHALL BE DECIDED BY COURT TRIAL WITHOUT A JURY, AND THAT ANY PARTY TO THIS AGREEMENT MAY FILE AN ORIGINAL COUNTERPART OR A COPY OF THIS SECTION 6.10 WITH ANY COURT AS WRITTEN EVIDENCE OF THE CONSENT OF THE SIGNATORIES HERETO TO THE WAIVER OF THEIR RIGHT TO TRIAL BY JURY.

SECTION 6.11. Headings. Article and Section headings and the Table of Contents used herein are for convenience of reference only, are not part of this Agreement and are not to affect the construction of, or to be taken into consideration in interpreting, this Agreement.

SECTION 6.12. Security Interest Absolute. All rights of the Administrative Agent hereunder, the Security Interest, the grant of a security interest in the Collateral and all obligations of each Grantor hereunder shall be absolute and unconditional irrespective of (a) any lack of validity or enforceability of the Credit Agreement, any other Loan Document, any agreement with respect to any of the Secured Obligations or any other agreement or instrument relating to any of the foregoing, (b) any change in the time, manner or place of payment of, or in any other term of, all or any of the Secured Obligations, or any other amendment or waiver of or any consent to any departure from the Credit Agreement, any other Loan Document or any other agreement or instrument, (c) any exchange, release or non-perfection of any Lien on other collateral, or any release or amendment or waiver of or consent under or departure from any guarantee, securing or guaranteeing all or any of the Secured Obligations or (d) any other circumstance that might otherwise constitute a defense available to, or a discharge of, any Grantor in respect of the Secured Obligations or this Agreement.

SECTION 6.13. Collateral Sharing. Pursuant to Sections 7.01(ee) and 7.01(ii) of the Credit Agreement, the Administrative Agent acknowledges and agrees that it shall execute and deliver any collateral sharing agreements with one or more of the Grantors and other secured parties that may extend indebtedness thereunder to such Grantor or Grantors. Notwithstanding anything herein to the contrary, the lien and security interest granted to the Administrative Agent, for the benefit of the Secured Parties, pursuant to this Agreement and the exercise of any right or remedy by the Administrative Agent and the other Secured Parties hereunder shall be subject to the provisions of any collateral sharing agreement executed in furtherance of Sections 7.01(ee) and 7.01(ii) of the Credit Agreement. In the event of any conflict or inconsistency between a provision of such collateral sharing agreement and this Agreement relating to the foregoing in this Section 6.13, the provisions of such collateral sharing agreement shall control; *provided* that, for the avoidance of doubt, in no event shall the proceeds of any Collateral pledged by a Guarantor or any payments made by a Guarantor be applied to payment of any Excluded Swap Obligations of such Guarantor.

SECTION 6.14. Termination or Release. (a) This Agreement, the Security Interest and all other security interests granted hereby shall terminate with respect to all Secured Obligations and any Liens arising therefrom shall be automatically released when all the outstanding Secured Obligations (in each case other than (x) obligations under Secured Hedge Agreements not yet due and payable, (y) Cash Management Obligations not yet due and payable and (z) contingent indemnification obligations not yet accrued and payable) have been indefeasibly paid in full and the Lenders have no further commitment to lend under the Credit Agreement, the Outstanding Amount of L/C Obligations have been either reduced to zero or Cash Collateralized and the L/C Issuers have no further obligations to issue Letters of Credit under the Credit Agreement.

(b) A Grantor shall automatically be released from its obligations hereunder and the Security Interest in the Collateral of such Grantor shall be automatically released upon the consummation of any transaction permitted by the Credit Agreement as a result of which such Grantor ceases to be a Subsidiary or is designated as an Unrestricted Subsidiary of Borrower.

(c) Upon any disposition by any Grantor of any Collateral that is not prohibited by the Credit Agreement or upon the effectiveness of any written consent to the release of the security interest granted hereby in any Collateral pursuant to Section 11.01 of the Credit Agreement, the security interest of such Grantor in such Collateral shall be automatically released.

(d) A Grantor (other than Holdings and the Borrower) shall automatically be released from its obligations hereunder and the Security Interest in the Collateral of such Grantor shall be automatically released if such Grantor ceases to be a Restricted Subsidiary pursuant to the terms of the Credit Agreement.

(e) In connection with any termination or release pursuant to paragraph (a), (b), (c) or (d) of this Section 6.14, the Administrative Agent shall execute and deliver to any Grantor, at such Grantor's expense, all documents that such Grantor shall reasonably request to evidence such termination or release. Any execution and delivery of documents pursuant to this Section 6.14 shall be without recourse to or warranty by the Administrative Agent.

(f) At any time that the respective Grantor desires that the Administrative Agent take any action described in the immediately preceding paragraph (e), it shall, upon request of the Administrative Agent, deliver to the Administrative Agent an officer's certificate certifying that the release of the respective Collateral is permitted pursuant to paragraph (a), (b), (c) or (d). The Administrative Agent shall have no liability whatsoever to any Secured Party as a result of any release of Collateral by it as permitted (or which the Administrative Agent in good faith believes to be permitted) by this Section 6.14.

(g) Notwithstanding anything to the contrary set forth in this Agreement, each Cash Management Bank and each Hedge Bank by the acceptance of the benefits under this Agreement hereby acknowledge and agree that (i) the obligations of the Borrower or any Subsidiary under any Secured Hedge Agreement and the Cash Management Obligations (in each case, other than any Excluded Swap Obligation) shall be secured pursuant to this Agreement only to the extent that, and for so long as, the other Secured Obligations are so secured and (ii) any release of Collateral effected in the manner permitted by this Agreement shall not require the consent of any Hedge Bank or Cash Management Bank.

SECTION 6.15. Additional Restricted Subsidiaries. Pursuant to Section 6.11 of the Credit Agreement, certain Restricted Subsidiaries of Borrower that were not in existence, were not Restricted Subsidiaries or were Excluded Subsidiaries on the date of the Credit Agreement are required to enter in this Agreement as Grantors upon becoming Restricted Subsidiaries or upon ceasing to be Excluded Subsidiaries by execution and delivery of a Security Agreement Supplement in the form of Exhibit I hereto by the Administrative Agent and such Restricted Subsidiary. Upon such execution and delivery, such Restricted Subsidiary shall become a Grantor hereunder with the same force and effect as if originally named as a Grantor herein. The execution and delivery of any such instrument shall not require the consent of any other Grantor hereunder. The rights and obligations of each Grantor hereunder shall remain in full force and effect notwithstanding the addition of any new Grantor as a party to this Agreement.

SECTION 6.16. Administrative Agent Appointed Attorney-in-Fact. Each Grantor hereby appoints the Administrative Agent the attorney-in-fact of such Grantor for the purpose of carrying out the provisions of this Agreement and taking any action and executing any instrument that the Administrative Agent may deem necessary or advisable to accomplish the purposes hereof at any time after and during the continuance of an Event of Default, which appointment is irrevocable (until termination of the Credit Agreement) and coupled with an interest. Without limiting the generality of the foregoing, the Administrative Agent shall have the right, upon the occurrence and during the continuance of an Event of Default and notice by the Administrative Agent to the Borrower of its intent to exercise such rights, with full power of substitution either in the Administrative Agent's name or in the name of such Grantor (a) to receive, endorse, assign and/or deliver any and all notes, acceptances, checks, drafts, money orders or other evidences of payment relating to the Collateral or any part thereof; (b) to demand, collect, receive payment of, give receipt for and give discharges and releases of all or any of the

Collateral; (c) to sign the name of any Grantor on any invoice or bill of lading relating to any of the Collateral; (d) to send verifications of Accounts to any Account Debtor; (e) to commence and prosecute any and all suits, actions or proceedings at law or in equity in any court of competent jurisdiction to collect or otherwise realize on all or any of the Collateral or to enforce any rights in respect of any Collateral; (f) to settle, compromise, compound, adjust or defend any actions, suits or proceedings relating to all or any of the Collateral; (g) to notify, or to require any Grantor to notify, Account Debtors to make payment directly to the Administrative Agent; (h) to make, settle and adjust claims in respect of Article 9 Collateral under policies of insurance, including endorsing the name of any Grantor on any check, draft, instrument or other item of payment for the proceeds of such policies of insurance, making all determinations and decisions with respect thereto and obtaining or maintaining the policies of insurance required by Section 6.07 of the Credit Agreement or paying any premium in whole or in part relating thereto; and (i) to use, sell, assign, transfer, pledge, make any agreement with respect to or otherwise deal with all or any of the Collateral, and to do all other acts and things necessary to carry out the purposes of this Agreement, as fully and completely as though the Administrative Agent were the absolute owner of the Collateral for all purposes; *provided* that nothing herein contained shall be construed as requiring or obligating the Administrative Agent to make any commitment or to make any inquiry as to the nature or sufficiency of any payment received by the Administrative Agent, or to present or file any claim or notice, or to take any action with respect to the Collateral or any part thereof or the moneys due or to become due in respect thereof or any property covered thereby. The Administrative Agent and the other Secured Parties shall be accountable only for amounts actually received as a result of the exercise of the powers granted to them herein, and neither they nor their officers, directors, employees or agents shall be responsible to any Grantor for any act or failure to act hereunder, except for their own gross negligence or willful misconduct or that of any of their Affiliates, directors, officers, employees, counsel, agents or attorneys-in-fact. All sums disbursed by the Administrative Agent in connection with this paragraph, including reasonable attorneys' fees, court costs, expenses and other charges relating thereto, shall be payable, within 10 days of demand, by the Grantors to the Administrative Agent and shall be additional Secured Obligations secured hereby.

SECTION 6.17. General Authority of the Administrative Agent. By acceptance of the benefits of this Agreement and any other Collateral Documents, each Secured Party (whether or not a signatory hereto) shall be deemed irrevocably (a) to consent to the appointment of the Administrative Agent as its agent hereunder and under such other Collateral Documents, (b) to confirm that the Administrative Agent shall have the authority to act as the exclusive agent of such Secured Party for the enforcement of any provisions of this Agreement and such other Collateral Documents against any Grantor, the exercise of remedies hereunder or thereunder and the giving or withholding of any consent or approval hereunder or thereunder relating to any Collateral or any Grantor's obligations with respect thereto, (c) to agree that it shall not take any action to enforce any provisions of this Agreement or any other Collateral Document against any Grantor, to exercise any remedy hereunder or thereunder or to give any consents or approvals hereunder or thereunder except as expressly provided in this Agreement or any other Collateral Document and (d) to agree to be bound by the terms of this Agreement and any other Collateral Documents.

SECTION 6.18. Recourse; Limited Obligations. This Agreement is made with full recourse to each Grantor and pursuant to and upon all the warranties, representations, covenants and agreements on the part of such Grantor contained herein, in the Loan Documents and the Secured Hedge Agreements and otherwise in writing in connection herewith or therewith. It is the desire and intent of each Grantor and the Secured Parties that this Agreement shall be enforced against each Grantor to the fullest extent permissible under the laws applied in each jurisdiction in which enforcement is sought. Notwithstanding anything to the contrary contained herein, and in furtherance of the foregoing, it is noted that the obligations of each Grantor that is a Guarantor have been limited as expressly provided in the Guaranty and are limited hereunder as and to the same extent provided therein.

IN WITNESS WHEREOF, the parties hereto have duly executed this Agreement as of the day and year first above written.

C. Capitalized terms used herein and not otherwise defined herein shall have the meanings assigned to such terms in the Credit Agreement and the Security Agreement, as applicable.

D. The Grantors have entered into the Security Agreement in order to induce (x) the Lenders to make Loans and the L/C Issuers to issue Letters of Credit, (y) the Hedge Banks to enter into and/or maintain Secured Hedge Agreements and (z) the Cash Management Banks to provide Cash Management Services. Section 6.15 of the Security Agreement provides that additional Restricted Subsidiaries of the Borrower may become Grantors under the Security Agreement by execution and delivery of an instrument in the form of this Supplement. The undersigned Restricted Subsidiary (the “**New Subsidiary**”) is executing this Supplement in accordance with the requirements of the Credit Agreement to become a Grantor under the Security Agreement in order to induce (x) the Lenders to make additional Loans and the L/C Issuers to issue additional Letters of Credit, (y) the Hedge Banks to enter into and/or maintain Secured Hedge Agreements and (z) the Cash Management Banks to provide Cash Management Services and as consideration for (x) Loans previously made and Letters of Credit previously issued, (y) Secured Hedge Agreements previously entered into and/or maintained and (z) Cash Management Services previously provided.

Accordingly, the Administrative Agent and the New Subsidiary agree as follows:

SECTION 1. In accordance with Section 6.15 of the Security Agreement, the New Subsidiary by its signature below becomes a Grantor under the Security Agreement with the same force and effect as if originally named therein as a Grantor and the New Subsidiary hereby (a) agrees to all the terms and provisions of the Security Agreement applicable to it as a Grantor and Grantor thereunder and (b) represents and warrants that the representations and warranties made by it as a Grantor thereunder are true and correct on and as of the date hereof. In furtherance of the foregoing, the New Subsidiary, as security for the payment and performance in full of the Secured Obligations does hereby create and grant to the Administrative Agent, its successors and assigns, for the benefit of the Secured Parties, their successors and assigns, a security interest in and lien on all of the New Subsidiary’s right, title and interest in and to the Collateral (as defined in the Security Agreement) of the New Subsidiary. Each reference to a “**Grantor**” in the Security Agreement shall be deemed to include the New Subsidiary. The Security Agreement is hereby incorporated herein by reference.

SECTION 2. The New Subsidiary represents and warrants to the Administrative Agent and the other Secured Parties that this Supplement has been duly authorized, executed and delivered by it and constitutes its legal, valid and binding obligation, enforceable against it in accordance with its terms, except as such enforceability may be limited by Debtor Relief Laws and by general principles of equity.

SECTION 3. This Supplement may be executed in counterparts (and by different parties hereto on different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract. This Supplement shall become effective when the Administrative Agent shall have received a counterpart of this Supplement that bears the signature of the New Subsidiary, and the Administrative Agent has executed a counterpart hereof. Delivery of an executed signature page to this Supplement by facsimile transmission or other electronic communication shall be as effective as delivery of a manually signed counterpart of this Supplement.

SECTION 4. The New Subsidiary hereby represents and warrants that (a) set forth on Schedule I attached hereto is a true and correct schedule of the location of any and all Collateral of the New Subsidiary and (b) set forth under its signature hereto is the true and correct legal name of the New Subsidiary, its jurisdiction of formation and the location of its chief executive office. Schedule I shall be incorporated into, and after the date hereof be deemed part of, the Perfection Certificate.

SECTION 5. Except as expressly supplemented hereby, the Security Agreement shall remain in full force and effect.

SECTION 6. THIS SUPPLEMENT SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF NEW YORK.

SECTION 7. If any provision of this Supplement is held to be illegal, invalid or unenforceable, the legality, validity and enforceability of the remaining provisions of this Supplement and the other Loan Documents shall not be affected or impaired thereby. The invalidity of a provision in a particular jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

SECTION 8. All communications and notices hereunder shall be in writing and given as provided in Section 6.01 of the Security Agreement.

SECTION 9. The New Subsidiary agrees to reimburse the Administrative Agent for its reasonable out-of-pocket expenses in connection with the execution and delivery of this Supplement, including the reasonable fees, other charges and disbursements of counsel for the Administrative Agent.

In addition, we have made such investigations of law, as we have deemed appropriate as a basis for the opinions expressed below.

In rendering the opinions expressed below, we have assumed the authenticity of all documents submitted to us as originals and the conformity to the originals of all documents submitted to us as copies. In addition, we have assumed and have not verified the accuracy as to factual matters of each document we have reviewed (including, without limitation, the accuracy of the representations and warranties of the Credit Parties in the Amendment Documents or the Restated Credit Agreement).

Based on the foregoing, and subject to the further assumptions and qualifications set forth below, it is our opinion that:

1. Each of the Amendment Documents to which any Credit Party is a party has been duly executed and delivered by such Credit Party.
2. Each of the Amendment Documents and the Restated Credit Agreement to which any Credit Party is a party is a valid, binding and enforceable agreement of such Credit Party.
3. Except for such filings and other actions as may be required to perfect the Liens in favor of the Administrative Agent that the Amendment Documents and the Restated Credit Agreement purport to create, the execution and delivery of the Amendment Documents by each of the Credit Parties do not, and the performance by each of the Credit Parties of its obligations in each of the Amendment Documents and the Restated Credit Agreement to which it is a party will not, (a) require any consent, approval, authorization, registration or qualification of or with any governmental authority of the United States of America or the State of New York that in our experience normally would be applicable to general business entities with respect to such execution, delivery and performance (but we express no opinion relating to the United States federal securities laws or any state securities or Blue Sky laws), (b) result in a breach of any of the terms and provisions of, or constitute a default under, any of the agreements of such Credit Party identified in Exhibit C hereto, or (c) result in a violation of any United States federal or New York State law or published rule or regulation that in our experience normally would be applicable to general business entities with respect to such execution, delivery and performance (but we express no opinion relating to the United States federal securities laws or any state securities or Blue Sky laws).
4. The Borrower is not required to be registered as an investment company under the U.S. Investment Company Act of 1940, as amended.

5. The Restated Security Agreement creates in favor of the Administrative Agent, for the benefit of the Secured Parties as security for the Secured Obligations, a valid security interest in each Grantor's (as defined in the Restated Security Agreement) rights in the Collateral described therein to the extent that a security interest in such Collateral can be created under Article 9 of the Uniform Commercial Code as in effect in the State of New York (the "NYUCC") (the "Article 9 Collateral"), except that a security interest in any Collateral constituting a Commercial Tort Claim (as defined in the Restated Security Agreement) will only be created when a sufficient description thereof (within the meaning of Section 9-108 of the NYUCC) is provided on Schedule II of the Restated Security Agreement in accordance with Section 3.01 of the Restated Security Agreement.

6. With respect to that portion of the Collateral consisting of Pledged Collateral (as defined in the Restated Security Agreement) constituting "securities" or "instruments" within the meaning of the New York UCC, upon delivery of certificates or instruments representing such Pledged Collateral to the Administrative Agent in the State of New York, the Administrative Agent for the benefit of the Secured Parties will have a perfected security interest in such Pledged Collateral, which will remain a perfected security interest for as long as the Administrative Agent continuously maintains possession of such certificates and instruments in the State of New York.

In arriving at the opinion expressed above in numbered paragraph 5, we have assumed that the relevant Credit Parties have rights in the subject Collateral (and we express no opinion with respect thereto) and we note that, with respect to Collateral in which such Credit Parties have no present rights, the Restated Security Agreement will create the security interest referred to in numbered paragraph 5 only when such Credit Parties acquire such rights.

We have also assumed compliance with any restrictions on or procedures applicable to any transfer of interests in the Collateral.

Insofar as the foregoing opinions relate to the validity, binding effect or enforceability of any agreement or obligation of any of the Credit Parties or the creation or transfer of an interest in property, (a) we have assumed that such Credit Party and each other party to such agreement or obligation has satisfied those legal requirements that are applicable to it to the extent necessary to make such agreement or obligation enforceable against it (except that no such assumption is made as to any of the Credit Parties regarding matters of the federal law of the United States of America or the law of the State of New York that in our experience normally would be applicable to general business entities with respect to such agreement or obligation) and (b) such opinions are subject to applicable bankruptcy, insolvency and similar laws affecting creditors' rights generally and to general principles of equity.

In addition, certain of the remedial provisions of the Collateral Documents may be further limited or rendered unenforceable by other applicable laws or judicially adopted principles which, however, in our judgment do not make the remedies provided for therein (taken as a whole) inadequate for the practical realization of the principal benefits purported to be afforded thereby (except for the economic consequences of procedural or other delay). Insofar as provisions contained in any of the Amendment Documents or the Restated Credit Agreement provide for indemnification, the enforcement thereof may be limited by public policy considerations.

With respect to Section 11 of the Amendment Agreement, Section 11.16(b) of the Restated Credit Agreement, Section 6.09(b) of the Restated Security Agreement and Section 4.08(b) of the Restated Guaranty, we express no opinion as to the subject matter jurisdiction of any United States federal court to adjudicate any action relating to such agreements where jurisdiction based on diversity of citizenship under 28 U.S.C. §1332 does not exist.

We note that the designation in Section 11 of the Amendment Agreement, Section 11.16(b) of the Restated Credit Agreement, Section 6.09(b) of the Restated Security Agreement and Section 4.08(b) of the Restated Guaranty of the U.S. federal courts for the Southern District of New York as the venue for actions or proceedings relating to such agreements is (notwithstanding the waivers in Section 11 of the Amendment Agreement, Section 11.16(b) of the Restated Credit Agreement, Section 6.09(b) of the Restated Security Agreement and Section 4.08(b) of the Restated Guaranty Agreement) subject to the power of such courts to transfer actions pursuant to 28 U.S.C. §1404(a) or to dismiss such actions or proceedings on the grounds that such a federal court is an inconvenient forum for such an action or proceeding.

We note that by statute New York provides that a judgment or decree rendered in a currency other than the currency of the United States shall be converted into U.S. dollars at the rate of exchange prevailing on the date of entry of the judgment or decree. There is no corresponding Federal statute and no controlling Federal court decision on this issue. Accordingly, we express no opinion as to whether a Federal court would award a judgment in a currency other than U.S. dollars or, if it did so, whether it would order conversion of the judgment into U.S. dollars. In addition, we express no opinion as to the enforceability of Section 11.19 of the Restated Credit Agreement relating to currency indemnity.

The foregoing opinions are limited to the federal law of the United States of America and the law of the State of New York.

We are furnishing this opinion letter to you solely for your benefit in connection with the Amendment Documents and the Restated Credit Agreement. This opinion letter is not to be relied on by or furnished to any other person or used, circulated, quoted or otherwise referred to for any other purpose. Notwithstanding the foregoing, a copy of this opinion letter may be furnished to, and relied upon by, any of your permitted assignees of the Loans under the Restated Credit Agreement that becomes a Lender on or prior to the 45th day after the date of this opinion letter. The opinions expressed herein are, however, rendered on and as of the date hereof, and we assume no obligation to advise you or any such assignee or any other person, or to make any investigations, as to any legal developments or factual matters arising subsequent to the date hereof that might affect the opinions expressed herein.

Very truly yours,

CLEARY GOTTlieb STEEN & HAMILTON LLP

JURISDICTION OF
ORGANIZATION

Section 1.01. Subordination of Liabilities. Each Person set forth on Schedule A to the promissory note (the “Note”) to which this Annex A is attached in its capacity as a payor (each such party a “Payor”), for itself, its successors and assigns, covenants and agrees, and each holder of the Note by its acceptance thereof likewise covenants and agrees, that the payment of the principal of, and interest on, and all other amounts owing in respect of, the Note is hereby expressly subordinated, to the extent and in the manner hereinafter set forth, to the prior payment in full in cash of all Senior Indebtedness (as defined in Section 1.07 of this Annex A). The provisions of this Annex A shall constitute a continuing offer to all Persons or other entities who, in reliance upon such provisions, become holders of, or continue to hold, Senior Indebtedness, and such provisions are made for the benefit of the holders of Senior Indebtedness, and such holders are hereby made obligees hereunder the same as if their names were written herein as such, and they and/or each of them may proceed to enforce such provisions.

Section 1.02. Payors Not to Make Payments with Respect to Note in Certain Circumstances. (a) Upon the maturity of any Senior Indebtedness (including interest thereon or fees or any other amounts owing in respect thereof), whether at stated maturity, by acceleration or otherwise, all Obligations (as defined in Section 1.07 of this Annex A) due and owing in respect thereof shall first be paid in full in cash before any payment of any kind or character (whether in cash, property, securities or otherwise) is made on account of the principal of (including installments thereof), or interest on, or any other amount otherwise owing in respect of, the Note. No Payor may, directly or indirectly (and no Person or other entity on behalf of any Payor may), make any payment of any principal of, and interest on, or any other amount owing in respect of, the Note and may not acquire all or any part of the Note for cash, property or securities until all Senior Indebtedness has been paid in full in cash if any Default or Event of Default (each as defined below) is then in existence or would result therefrom. Each holder of the Note hereby agrees that, so long as any Default or Event of Default in respect of any Senior Indebtedness exists, it will not ask, demand, sue for, or otherwise take, accept or receive, any amounts owing in respect of the Note. As used herein, the terms “Default” and “Event of Default” shall mean any Default or Event of Default (or similar term), respectively, under and as defined in, the relevant documentation governing any Senior Indebtedness and in any event shall include any payment default with respect to any Senior Indebtedness.

(b) In the event that, notwithstanding the provisions of the preceding subsection (a) of this Section 1.02, any payment shall be made (or any holder of the Note shall receive any payment) on account of the principal of, or interest on, or other amounts otherwise owing in respect of, the Note, at a time when payment is not permitted by the terms of the Note or by said subsection (a), such payment shall be held by such holder of the Note, in trust for the benefit of, and shall be paid forthwith over and delivered to, the holders of Senior Indebtedness or their representative or representatives under the agreements pursuant to which the Senior Indebtedness may have been issued, as their respective interests may appear, for application pro rata to the payment of all Senior Indebtedness remaining unpaid, to the extent necessary to pay all Senior Indebtedness in full in cash in accordance with the terms of such Senior Indebtedness, after giving effect to any

concurrent payment or distribution to or for the holders of Senior Indebtedness. Without in any way modifying the provisions of this Annex A or affecting the subordination effected hereby if such notice is not given, each Payor shall give each holder of the Note prompt written notice of any maturity of Senior Indebtedness after which such Senior Indebtedness remains unsatisfied.

Section 1.03. Note Subordinated to Prior Payment of All Senior Indebtedness on Dissolution, Liquidation or Reorganization of any Payor. Upon any distribution of assets of any Payor upon any dissolution, winding up, liquidation or reorganization of such Payor (whether in bankruptcy, insolvency or receivership proceedings or upon an assignment for the benefit of creditors or otherwise), except as otherwise permitted or provided under the Credit Agreement:

(a) the holders of all Senior Indebtedness shall first be entitled to receive payment in full in cash of all Senior Indebtedness (including, without limitation, post-petition interest at the rate provided in the documentation with respect to the respective Senior Indebtedness, whether or not such post-petition interest is an allowed claim against the debtor in any bankruptcy or similar proceeding) before any holder of the Note is entitled to receive any payment of any kind or character on account of the principal of or interest on or any other amount owing in respect of the Note;

(b) any payment or distribution of assets of any Payor of any kind or character, whether in cash, property or securities, to which any holder of the Note would be entitled except for the provisions of this Annex A, shall be paid by the liquidating trustee or agent or other Person making such payment or distribution, whether a trustee in bankruptcy, a receiver or liquidating trustee or other trustee or agent, directly to the holders of Senior Indebtedness or their representative or representatives under the agreements pursuant to which the Senior Indebtedness may have been issued, to the extent necessary to make payment in full in cash of all Senior Indebtedness remaining unpaid after giving effect to any concurrent payment or distribution to the holders of such Senior Indebtedness; and

(c) in the event that, notwithstanding the foregoing provisions of this Section 1.03, any payment or distribution of assets of any Payor of any kind or character, whether in cash, property or securities, shall be received by any holder of the Note on account of principal of, or interest or other amounts due on, the Note before all Senior Indebtedness is paid in full in cash, such payment or distribution shall be received and held in trust for and shall forthwith be paid over to the holders of the Senior Indebtedness remaining unpaid or their representative or representatives under the agreements pursuant to which the Senior Indebtedness may have been issued, for application to the payment of such Senior Indebtedness until all such Senior Indebtedness shall have been paid in full in cash, after giving effect to any concurrent payment or distribution to the holders of such Senior Indebtedness.

If any holder of the Note does not file a proper claim or proof of debt in the form required in any proceeding or other action referred to in the introduction paragraph of this Section 1.03 prior to 30 days before the expiration of the time to file such claim or claims, then any of the holders of the Senior Indebtedness or their representative is hereby authorized to file an appropriate claim for and on behalf of any holder of the Note.

Without in any way modifying the provisions of this Annex A or affecting the subordination effected hereby if such notice is not given, each Payor shall give prompt written notice to each holder of the Note of any dissolution, winding up, liquidation or reorganization of such Payor (whether in bankruptcy, insolvency or receivership proceedings or upon assignment for the benefit of creditors or otherwise).

Section 1.04. Subrogation. Subject to the prior payment in full in cash of all Senior Indebtedness, each holder of the Note shall be subrogated to the rights of the holders of Senior Indebtedness to receive payments or distributions of assets of each Payor applicable to the Senior Indebtedness until all amounts owing on the Note shall be paid in full, and for the purpose of such subrogation no payments or distributions to the holders of the Senior Indebtedness by or on behalf of any Payor or by or on behalf of any holder of the Note by virtue of this Annex A which otherwise would have been made to any holder of the Note shall, as between each Payor, its creditors other than the holders of Senior Indebtedness, and each holder of the Note, be deemed to be payment by such Payor to or on account of the Senior Indebtedness, it being understood that the provisions of this Annex A are and are intended solely for the purpose of defining the relative rights of each holder of the Note, on the one hand, and the holders of the Senior Indebtedness, on the other hand.

Section 1.05. Obligation of the Payor Unconditional. Nothing contained in this Annex A or in the Note is intended to or shall impair, as between each Payor and each holder of the Note, the obligation of such Payor, which is absolute and unconditional, to pay to such holder of the Note the principal of and interest on the Note as and when the same shall become due and payable in accordance with their terms, or is intended to or shall affect the relative rights of any holder of the Note and creditors of each Payor, other than the holders of the Senior Indebtedness, nor shall anything herein or therein, except as expressly provided herein, prevent any holder of the Note from exercising all remedies otherwise permitted by applicable law, subject to the rights, if any, under this Annex A of the holders of Senior Indebtedness in respect of cash, property, or securities of any Payor received upon the exercise of any such remedy. Upon any distribution of assets of any Payor referred to in this Annex A, each holder of the Note shall be entitled to rely upon any order or decree made by any court of competent jurisdiction in which such dissolution, winding up, liquidation or reorganization proceedings are pending, or a certificate of the liquidating trustee or agent or other Person making any distribution to any holder of the Note, for the purpose of ascertaining the Persons entitled to participate in such distribution, the holders of the Senior Indebtedness and other indebtedness of each Payor, the amount thereof or payable thereon, the amount or amounts paid or distributed thereon and all other facts pertinent thereto or to this Annex A.

Section 1.06. Subordination Rights Not Impaired by Acts or Omissions of any Payor or Holders of Senior Indebtedness. No right of any present or future holders of any Senior Indebtedness to enforce subordination as herein provided shall at any time in any way be prejudiced or impaired by any act or failure to act on the part of any Payor or by any act or failure to act by any such holder, or by any noncompliance by any Payor with the terms and provisions of the Note, regardless of any knowledge thereof which any such holder may have or be otherwise charged with. The holders of the Senior Indebtedness may, without in any way affecting the obligations of any holder of the Note with respect hereto, at any time or from time to time and in their absolute discretion, change the manner, place or terms of payment of, change or extend the time

of payment of, or renew or alter, any Senior Indebtedness, or amend, modify or supplement any agreement or instrument governing or evidencing such Senior Indebtedness or any other document referred to therein, or exercise or refrain from exercising any other of their rights under the Senior Indebtedness including, without limitation, the waiver of default thereunder and the release of any collateral securing such Senior Indebtedness, all without notice to or assent from any holder of the Note.

Section 1.07. Definitions. As used in this Annex, the terms set forth below shall have the respective meanings provided below:

“Obligation” shall mean any principal, interest, premium, penalties, fees, indemnities and other liabilities and obligations (including any guaranty of the foregoing) payable under the documentation governing any indebtedness (including, without limitation, all interest on or after the commencement of any bankruptcy, insolvency, receivership or similar proceeding at the rate provided in the governing documentation, whether or not such interest is an allowed claim in such proceeding).

“Senior Indebtedness” shall mean all Obligations of a Payor under, or in respect of, (i) the Credit Agreement and each other Loan Document (as defined in the Credit Agreement) to which such Payor is a party, and any renewal, extension, restatement, refinancing or refunding of any thereof and (ii) each Secured Hedge Agreement (as defined in the Credit Agreement), in each case including any guaranty thereof under the Guaranty (as defined in the Credit Agreement) of any Payor that is a Guarantor (as defined in the Credit Agreement).

Section 1.08. Miscellaneous. If, at any time, all or part of any payment with respect to Senior Indebtedness theretofore made by any Payor or any other Person or entity is rescinded or must otherwise be returned by the holders of Senior Indebtedness for any reason whatsoever (including, without limitation, the insolvency, bankruptcy or reorganization of any Payor or such other Person or entity), the subordination provisions set forth herein shall continue to be effective or be reinstated, as the case may be, all as though such payment had not been made.

FIRST LIEN OBLIGATIONS

The Credit Agreement Obligations and the Additional First Lien Debt Obligations described above.

PRIORITY OF LIENS:

The Liens securing the Credit Agreement Obligations and the Liens securing the Additional First Lien Debt Obligations shall be of equal priority.

REMEDIES:

The Applicable Collateral Agent (as defined below), acting only on the instructions of the Applicable Authorized Representative (as defined below), shall control all decisions related to the exercise of remedies with respect to all or any portion of the Collateral and so long as the Administrative Agent is the Applicable Collateral Agent, no Additional First Lien Secured Party shall seek to exercise any right or remedy with respect to the Collateral.

Notwithstanding the equal priority of the Liens securing each series of the First Lien Obligations, until the Discharge of Credit Agreement Obligations Date (as defined below), the Applicable Collateral Agent may deal with the Collateral as if the Credit Agreement Secured Parties have a Lien senior to the Additional First Lien Secured Parties.

“**Applicable Collateral Agent**” means, until the earlier of (x) the Discharge of Credit Agreement Obligations Date and (y) the Non-Controlling Authorized Representative Enforcement Date, the Administrative Agent, and thereafter, a collateral agent representing the Additional First Lien Secured Parties at such time.

“**Applicable Authorized Representative**” means, until the earlier of (x) the Discharge of Credit Agreement Obligations Date and (y) the Non-Controlling Authorized Representative Enforcement Date, the Administrative Agent and thereafter, an authorized representative of the series of the Additional First Lien Debt Obligations constituting the largest outstanding principal amount of any then outstanding series of Additional First Lien Debt Obligations (such series, the “**Largest Additional First Lien Debt Obligations**”).

“**Discharge of Credit Agreement Obligations Date**” means the date on which the Credit Agreement Obligations are no longer secured by any of the Collateral.

“**Non-Controlling Authorized Representative Enforcement Date**” means a period to be agreed (but in any event not less than 90 days) after the acceleration of the Largest Additional First Lien Debt Obligations; provided that such date shall be stayed and shall not occur if (1) the Administrative Agent has commenced and is diligently pursuing any enforcement action with respect to the Collateral or (2) the Loan Party which has granted a security interest in the Collateral is then a debtor subject to an insolvency or liquidation proceedings.

**PROHIBITION ON
CONTESTING LIENS:**

No First Lien Secured Party will contest, or support any other person in contesting the priority, validity or enforceability of a Lien on Collateral held by or on behalf of any of the First Lien Secured Parties.

**ADDITIONAL FIRST LIEN
DEBT OBLIGATIONS
GUARANTIES AND
COLLATERAL:**

If for any reason, the guaranties of, or Collateral securing, Additional First Lien Debt Obligations are less extensive than those guarantying or securing, as the case may be, the Credit Agreement Obligations, then (a) with regard to Collateral securing Credit Agreement Obligations only, such Collateral shall not be shared with the Additional First Lien Secured Parties and the provisions below under the heading "Application of Proceeds/Turnover" shall not apply to such Collateral or the proceeds thereof and (b) with regard to any amounts received by the Credit Agreement Secured Parties pursuant to the respective guaranties, such amounts shall not be shared with the Additional First Lien Secured Parties and the provisions below under the heading "Application of Proceeds/Turnover" shall not apply to such amounts.

**APPLICATION OF
PROCEEDS/TURN- OVER:**

The proceeds of any liquidation, foreclosure, enforcement or similar action related to the Collateral will be applied in the following order of priority:

First, to pay agent fees, expenses and indemnities;

Second, on a pro rata basis, to pay the First Lien Obligations in accordance with the terms of the applicable documents relating to each series of such First Lien Obligations; and

Third, to the Borrower or as a court of competent jurisdiction may direct. Until the discharge of each of the First Lien Obligations, any Collateral or proceeds thereof received by any First Lien Secured Party shall be segregated and held in trust and shall be transferred to the Applicable Collateral Agent for the benefit of the First Lien Secured Parties in the same form as received, with any necessary endorsements.

Notwithstanding the foregoing and in addition to the provisions described above under the heading "Additional First Lien Debt Obligations Guaranties and Collateral", each First Lien Secured Party shall bear the risk of (x) any failure to perfect (or to create) any Liens securing its respective First Lien Obligations and (y) any intervening Liens created after the perfection of Liens securing prior perfected First Lien Obligations and before the perfection of Liens securing subsequently incurred First Lien Obligations.

RELEASES:

In the event that the Applicable Collateral Agent exercises remedies against all or a portion of the Collateral resulting in a sale or disposition thereof, then Liens on such Collateral in favor of any First Lien Secured Party shall be automatically released.

BANKRUPTCY:

In connection with any insolvency proceeding of any Loan Party:

DIP Financing: If (1) such Loan Party, as debtor-in-possession, moves for approval of debtor-in-possession financing (a “**DIP Financing**”) and (2) the Applicable Authorized Representative does not object to such DIP Financing, then (i) to the extent such DIP Financing Liens are senior to the Liens on any Collateral for the benefit of the First Lien Secured Parties, each of the Non-Controlling Secured Parties (as defined below) shall subordinate its Liens with respect to such Collateral on the same terms as the Liens of the Controlling Secured Parties (as defined below) (other than any Liens of any First Lien Secured Party constituting DIP Financing Liens) are subordinated thereto and (ii) to the extent that such DIP Financing Liens rank pari passu with the Liens on any Collateral, each Non-Controlling Secured Party will confirm the priorities with respect to such Collateral, in each case so long as (A) the First Lien Secured Parties retain the benefit of their Liens on such Collateral pledged to the DIP Financing lenders, (B) the First Lien Secured Parties are granted Liens on any additional collateral pledged to any other First Lien Secured Party as adequate protection or otherwise, (C) if any amount of such DIP Financing or cash collateral is applied to repay any of the First Lien Obligations, such amount is applied in accordance with the terms of the First Lien Intercreditor Agreement and (D) if any First Lien Secured Parties are granted adequate protection, in connection with such DIP Financing or cash collateral, the proceeds of such adequate protection are applied in accordance with the terms of the First Lien Intercreditor Agreement.

“**Controlling Secured Parties**” means, at any time when the Administrative Agent is the Applicable Collateral Agent, the Credit Agreement Secured Parties, and at any other time, the First Lien Secured Parties whose authorized representative is the Applicable Authorized Representative at such time.

“**Non-Controlling Secured Parties**” means, at any time, the First Lien Secured Parties which are not at such time Controlling Secured Parties.

Adequate Protection: no First Lien Secured Party receiving adequate protection shall object to any other First Lien Secured Party receiving adequate protection comparable to any adequate protection granted to such First Lien Secured Party in connection with a DIP Financing or use of cash collateral.

AMENDMENTS:

The First Lien Credit Documents may be amended, refinanced etc. without notice to, or the consent of, any Junior Lien Secured Party.

No Junior Lien Debt Documents may be amended, modified or supplemented to the extent such amendment, modification or supplement would be prohibited by or inconsistent with the terms of the Junior Lien Intercreditor Agreement or any then effective First Lien Credit Document.

Any amendments, modifications or waivers of the Junior Lien Intercreditor Agreement must be signed in writing by each representative of the First Lien Secured Parties and the Junior Lien

Secured Parties; provided that (x) each representative of the First Lien Secured Parties may, without the written consent of any representative of the Junior Lien Secured Parties, agree to modifications of the Junior Lien Intercreditor Agreement for the purpose of securing additional First Lien Obligations and adding new creditors as First Lien Secured Parties and (y) additional Loan Parties may be added as parties to the First Lien Intercreditor Agreement in accordance with the provisions thereof without consent of any representative of the Junior Lien Secured Parties; provided further that such amendment, modification or waiver will require the Borrower's consent if it amends, modifies or waives the rights, interests or liabilities, or directly affects the privileges of, the Borrower or any Loan Party.

BANKRUPTCY:

In connection with any insolvency proceeding of any Loan Party:

Filing of Motions: The Junior Lien Secured Parties shall not file any motion, take any position in any proceeding, or take any other action in respect of the Collateral (including any motion seeking relief from the automatic stay) except filing of a proof of claim or responsive or defensive pleadings in opposition to any motion or pleading seeking the disallowance of the claims of the Junior Lien Secured Parties.

The Administrative Agent shall notify the Borrower and the Lenders of the Amendment No. 1 Effective Date, and such notice shall be conclusive and binding.

SECTION 5. **Reaffirmation of Guaranty and Security.** The Borrower and each other Loan Party, by its signature below, hereby (a) agrees that, notwithstanding the effectiveness of this Amendment or the Credit Agreement, after giving effect to this Amendment, the Collateral Documents continue to be in full force and effect and (b) affirms and confirms all of its obligations and liabilities under the Credit Agreement and each other Loan Document, in each case after giving effect to this Amendment, including its guarantee of the Obligations and the pledge of and/or grant of a security interest in its assets as Collateral pursuant to the Collateral Documents to secure such Obligations, all as provided in the Collateral Documents as originally executed, and acknowledges and agrees that such obligations, liabilities, guarantee, pledge and grant continue in full force and effect in respect of, and to secure, such Obligations under the Credit Agreement and the other Loan Documents, in each case after giving effect to this Amendment.

SECTION 6. **Reference to Agreement.** From and after the Amendment No. 1 Effective Date, the terms "Agreement", "this Agreement", "herein", "hereinafter", "hereto", "hereof" and words of similar import, as used in the Credit Agreement, shall, unless the context otherwise requires, refer to the Credit Agreement as amended hereby, and the term "Credit Agreement", as used in the other Loan Documents, shall mean the Credit Agreement as amended hereby and as may be further amended, supplemented or otherwise modified from time to time. For the avoidance of doubt, any references to "the date hereof" in the Credit Agreement shall refer to February 19, 2013.

SECTION 7. **Counterparts.** This Amendment may be executed in any number of counterparts and by different parties hereto in separate counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument. Delivery by telecopy or other electronic image scan transmission of an executed counterpart of a signature page to this Amendment shall be effective as delivery of an original executed counterpart of this Amendment. The Administrative Agent may also require that any such documents and signatures delivered by telecopy or other electronic image scan transmission be confirmed by a manually signed original thereof; *provided* that the failure to request or deliver the same shall not limit the effectiveness of any document or signature delivered by telecopy or other electronic image scan transmission.

SECTION 8. **Governing Law.** THIS AMENDMENT SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAW OF THE STATE OF NEW YORK.

SECTION 9. **Jurisdiction.** ANY LEGAL ACTION OR PROCEEDING ARISING UNDER THIS AMENDMENT OR IN ANY WAY CONNECTED WITH OR RELATED OR INCIDENTAL TO THE DEALINGS OF THE PARTIES HERETO OR ANY OF THEM WITH RESPECT TO THIS AMENDMENT, OR THE TRANSACTIONS RELATED THERETO, IN

EACH CASE WHETHER NOW EXISTING OR HEREAFTER ARISING, MAY BE BROUGHT IN THE COURTS OF THE STATE OF NEW YORK SITTING IN NEW YORK CITY (IN THE BOROUGH OF MANHATTAN) OR OF THE UNITED STATES FOR THE SOUTHERN DISTRICT OF SUCH STATE, AND BY EXECUTION AND DELIVERY OF THIS AMENDMENT, THE BORROWER, HOLDINGS, EACH OTHER GUARANTOR, THE ADMINISTRATIVE AGENT AND EACH LENDER PARTY HERETO CONSENTS, FOR ITSELF AND IN RESPECT OF ITS PROPERTY, TO THE EXCLUSIVE JURISDICTION OF THOSE COURTS AND AGREES NOT TO COMMENCE ANY SUCH LEGAL ACTION OR PROCEEDING IN ANY OTHER JURISDICTION, TO THE EXTENT PERMITTED BY APPLICABLE LAW. THE BORROWER, HOLDINGS, EACH OTHER LOAN PARTY, THE ADMINISTRATIVE AGENT AND EACH LENDER PARTY HERETO IRREVOCABLY WAIVES ANY OBJECTION, INCLUDING ANY OBJECTION TO THE LAYING OF VENUE OR BASED ON THE GROUNDS OF FORUM NON CONVENIENS, WHICH IT MAY NOW OR HEREAFTER HAVE TO THE BRINGING OF ANY ACTION OR PROCEEDING IN SUCH JURISDICTION IN RESPECT OF THIS AMENDMENT OR OTHER DOCUMENT RELATED THERETO.

SECTION 10. **Headings.** The headings of this Amendment are for purposes of reference only and shall not limit or otherwise affect the meaning hereof.

SECTION 11. **No Novation.** This Amendment shall not extinguish the Obligations for the payment of money outstanding under the Credit Agreement or discharge or release the lien or priority of any Loan Document or any other security therefor or any guarantee thereof, and the liens and security interests existing immediately prior to the Amendment No. 1 Effective Date in favor of the Administrative Agent for the benefit of the Secured Parties securing payment of the Obligations are in all respects continuing and in full force and effect with respect to all Obligations. Nothing herein contained shall be construed as a substitution or novation, or a payment and reborrowing, or a termination, of the Obligations outstanding under the Credit Agreement or instruments guaranteeing or securing the same, which shall remain in full force and effect, except as modified hereby or by instruments executed concurrently herewith. Nothing expressed or implied in this Amendment or any other document contemplated hereby or thereby shall be construed as a release or other discharge of the Borrower under the Credit Agreement or the Borrower or any other Loan Party under any Loan Document from any of its obligations and liabilities thereunder, and such obligations are in all respects continuing with only the terms being modified as provided in this Amendment. The Credit Agreement and each of the other Loan Documents shall remain in full force and effect, until and except as modified hereby. This Amendment shall constitute a "Loan Document" for all purposes of the Credit Agreement. Each Guarantor further agrees that nothing in the Credit Agreement, this Amendment or any other Loan Document shall be deemed to require the consent of such Guarantor to any future amendment to the Credit Agreement.

SECTION 12. **Notices.** All communications and notices hereunder shall be given as provided in the Credit Agreement.

SECTION 13. **Severability.** If any provision of this Amendment is held to be illegal, invalid or unenforceable, the legality, validity and enforceability of the remaining provisions of this Amendment and the other Loan Documents shall not be affected or impaired thereby. The invalidity of a provision in a particular jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

SECTION 14. **Successors.** The terms of this Amendment shall be binding upon, and shall inure for the benefit of, the parties hereto and their respective successors and assigns.

SECTION 15. **No Waiver.** Except as expressly set forth herein, this Amendment shall not by implication or otherwise limit, impair, constitute a waiver of or otherwise affect the rights and remedies of the Lenders or the Agents under the Credit Agreement or any other Loan Document, and shall not alter, modify, amend or in any way affect any of the terms, conditions, obligations, covenants or agreements contained in the Credit Agreement or any other provision of the Credit Agreement or of any other Loan Document, all of which are ratified and affirmed in all respects and shall continue in full force and effect. Nothing herein shall be deemed to entitle the Borrower to receive a consent to, or a waiver, amendment, modification or other change of, any of the terms, conditions, obligations, covenants or agreements contained in the Credit Agreement or any other Loan Document in similar or different circumstances.

("BANA"), administrative agent (the "Administrative Agent") and the Revolving Credit Lenders party hereto (each an "Extending Lender" and collectively, the "Extending Lenders").

WHEREAS, the Borrower, Holdings, the Lenders and the Administrative Agent are parties to that certain Amended and Restated Credit Agreement dated as of February 19, 2013 (as amended, amended and restated, modified and/or supplemented through and including the date hereof (but not including pursuant to this Revolver Extension Amendment), the "Credit Agreement"), pursuant to which the Lenders have extended credit to the Borrower;

WHEREAS, pursuant to Section 2.16(b) of the Credit Agreement, the Borrower may from time to time request that all or a portion of the Revolving Credit Commitments of a given Class (and related Revolving Credit Loans) be converted to extend the scheduled maturity date with respect to all or a portion of such Revolving Credit Commitments and the Revolving Loans thereunder, subject to the terms and conditions set forth therein;

WHEREAS, pursuant to a Revolving Credit Extension Request dated February 14, 2014 (the "Revolving Credit Extension Request"), the Borrower has requested an extension of the termination date and the scheduled maturity date of the Class of Revolving Credit Commitments set forth in clause (i) of the definition of "Revolving Credit Commitment" (the "Existing Revolving Credit Commitments") and the related Class of revolving credit loans thereunder, the "Existing Revolving Credit Loans") and the scheduled maturity date of any payment of principal with respect to all or a portion of any principal amount of the Existing Revolving Credit Loans;

WHEREAS, each Extending Lender, subject to the terms and conditions contained herein, has agreed to the Revolving Credit Extension Request and has elected to convert its Existing Revolving Credit Commitments into a new and separate Class of Extended Revolving Credit Commitments (the "2014 Extended Revolving Credit Commitments") and the related Class of revolving credit loans thereunder, the "2014 Extended Revolving Credit Loans");

NOW, THEREFORE, in consideration of the mutual agreements herein contained and other good and valuable consideration, the sufficiency and receipt of which are hereby acknowledged, the parties hereto hereby agree as follows:

SECTION 1. **Defined Terms.** Capitalized terms used but not defined herein shall have the meanings assigned to such terms in the Credit Agreement.

SECTION 2. **Extension.** (a) For the avoidance of doubt, (i) this Revolver Extension Amendment constitutes an "Extension Amendment" pursuant to which a new Class of Extended Revolving Credit Commitments is created pursuant to Section 2.16 of the Credit Agreement, (ii) each Revolving Credit Lender that has executed and delivered a counterpart to this Revolver Extension Amendment has made an "Extension Election" and constitutes an "Extending Lender" with respect to its 2014 Extended Revolving Credit Commitments and 2014 Extended Revolving Credit Loans (if any) and (iii) the First Revolver Extension Effective Date constitutes an "Extension Date" under Section 2.16 of the Credit Agreement.

(b) Subject to the terms and conditions set forth herein and the occurrence of the First Revolver Extension Effective Date (as defined below), each Extending Lender agrees to convert all of its Existing Revolving Credit Commitments (and related Existing Revolving Credit Loans) into 2014 Extended Revolving Credit Commitments and 2014 Extended Revolving Credit Loans, as applicable. The Existing Revolving Credit Commitments of Revolving Credit Lenders that are not Extending Lenders party hereto shall remain unaffected and outstanding pursuant to the Credit Agreement.

(c) Each of the parties to this Revolver Extension Amendment hereby agrees that on the First Revolver Extension Effective Date, (i) the Existing Revolving Credit Commitments (and related Existing Revolving Credit Loans (if any)) of each Extending Lender shall be converted into 2014 Extended Revolving Credit Commitments and 2014 Extended Revolving Credit Loans, as applicable, (ii) the 2014 Extended Revolving Credit Commitments shall constitute a new "Class" of Extended Revolving Credit Commitments for all purposes of the Credit Agreement and the other Loan Documents, (iii) the 2014 Extended Revolving Credit Loans shall constitute a new "Class" of Extended Revolving Credit Loans for all purposes of the Credit Agreement and the other Loan Documents, (iv) the 2014 Extended Revolving Credit Commitments of each Extending Lender shall become "Revolving Credit Commitments" of such Lender for all purposes of the Credit Agreement and the other Loan Documents and (v) the 2014 Extended Revolving Credit Loans of the Extending Lenders shall become "Revolving Credit Loans" for all purposes of the Credit Agreement and the other Loan Documents.

(d) Each of the parties to this Revolver Extension Amendment hereby agrees that the 2014 Extended Revolving Credit Commitments (and related 2014 Extended Revolving Credit Loans) established pursuant to this Revolver Extension Amendment shall have the "Interest Rates" and "Maturity Date" set forth on Annex I hereto and that all other terms and conditions applicable to the 2014 Extended Revolving Credit Commitments and related 2014 Extended Revolving Credit Loans shall be the same as the corresponding terms and conditions applicable to the Existing Revolving Credit Commitments and related Existing Revolving Credit Loans.

(e) Each of the parties to this Revolver Extension Amendment hereby agrees that (A) borrowings, voluntary prepayments and voluntary commitment reductions (other than in connection with a permanent repayment and termination of commitments at the final stated maturity of any shorter tenored Revolving Credit Commitment (including the Existing Revolving Credit Commitments)) of Loans with respect to any 2014 Extended Revolving Credit Commitments shall be made on a pro rata basis with all other Revolving Credit Commitments, (B) assignments and participations of the 2014 Extended Revolving Credit Commitments and the 2014 Extended Revolving Credit Loans shall be governed by Section 11.07 of the Credit Agreement and (C) subject to the provisions of Sections 2.03(l) and 2.04(a)(ii) of the Credit Agreement, all Swing Line Loans and Letters of Credit shall be participated on a pro rata basis by all Revolving Credit Lenders in accordance with their Pro Rata Share of the Revolving Credit Commitments.

(f) The Administrative Agent is hereby authorized to prepare, in consultation with the Borrower, the schedule of Revolving Credit Commitments, as Schedule 2.01A to the Credit Agreement, reflecting the 2014 Extended Revolving Credit Commitments and the then remaining Existing Revolving Credit Commitments, and the amounts reflected therein shall be conclusive absent demonstrable error. The Administrative Agent shall distribute to each Revolving Credit Lender such new Schedule 2.01A promptly following the First Revolver Extension Effective Date.

SECTION 3. **Amendments to Credit Agreement.** (a) Section 1.01 of the Credit Agreement is hereby amended by adding in the appropriate alphabetical order the following new definitions:

“Allocable Revolving Share” means, at any time, with respect to the Revolving Credit Commitments of any Class, the percentage of the total Revolving Credit Commitments represented at such time by such Class; *provided* that if any such Class of Revolving Credit Commitments has been terminated, then the Allocable Revolving Share of each applicable Lender shall be determined (except as otherwise provided in Section 2.06(e)) based on the Allocable Revolving Share of such Lender immediately prior to such termination and after giving effect to any subsequent assignments made pursuant to the terms hereof.

“Extended Revolving Credit Lender” means, at any time, any Revolving Credit Lender that has an Extended Revolving Credit Commitment and/or related Revolving Credit Exposure at such time.

“Non-Extended Revolving Credit Lender” means, at any time, each Revolving Credit Lender holding Existing Revolving Credit Commitments and/or Existing Revolving Credit Loans that does not constitute an Extended Revolving Credit Lender.

(b) Section 2.03(c)(vii) of the Credit Agreement is hereby restated in its entirety as follows:

“(vii) If, at any time after an L/C Issuer has made a payment under any Letter of Credit and has received from any Revolving Credit Lender such Lender’s L/C Advance in respect of such payment in accordance with this Section 2.03(c), the Administrative Agent receives for the account of such L/C Issuer any payment in respect of the related Unreimbursed Amount or interest thereon (whether directly from the Borrower or otherwise, including proceeds of Cash Collateral applied thereto by the Administrative Agent), the Administrative Agent will distribute to such Lender its Pro Rata Share thereof (appropriately adjusted, in the case of interest payments, to reflect the period of time during which such Lender’s L/C Advance was outstanding and any differential in the interest payable to such Lender attributable to the Applicable Rate for such Lender’s L/C Advance as an Extended Revolving Credit Lender or a Non-Extended Revolving Credit Lender, as applicable) in the same funds as those received by the Administrative Agent.”

(c) Section 2.03(h) of the Credit Agreement is hereby restated in its entirety as follows:

“(h) *Letter of Credit Fees.* The Borrower shall pay to the Administrative Agent for the account of each Revolving Credit Lender in accordance with its Pro Rata Share (subject to adjustment to reflect any differential in Applicable Rates for the various Lenders’ extensions of credit as Extended Revolving Credit Lenders and/or Non-Extended Revolving Credit Lenders) a Letter of Credit fee for each Letter of Credit issued pursuant to this Agreement equal to the Applicable Rate then in effect for the applicable Class or Classes of the respective Revolving Credit Lender’s Revolving Credit Commitments times the daily maximum amount then available to be drawn under such Letter of Credit (whether or not (1) such maximum amount is then in effect under such Letter of Credit, if such maximum amount increases periodically pursuant to the terms of such Letter of Credit or (2) the conditions to drawing under such Letter of Credit can then be satisfied) less the fronting fee paid with respect to such Letter of Credit under Section 2.03(i) below. Such letter of credit fees shall be computed on a quarterly basis in arrears. Such letter of credit fees shall be due and payable in Dollars on the first Business Day after the end of each March, June, September and December, commencing with the first such date to occur after the issuance of such Letter of Credit, on any relevant Maturity Date (for any applicable Revolving Credit Commitments then expiring) or the Letter of Credit Expiration Date and thereafter on demand. If there is any change in the Applicable Rate during any quarter, the daily maximum amount of each Letter of Credit shall be computed and multiplied by the Applicable Rate separately for each period during such quarter that such Applicable Rate was in effect.”

(d) Section 2.04(d) of the Credit Agreement is hereby restated in its entirety as follows:

“(d) *Repayment of Participations.*

(i) At any time after any Revolving Credit Lender has purchased and funded a risk participation in a Swing Line Loan, if the Swing Line Lender receives any payment on account of such Swing Line Loan, the Swing Line Lender will distribute to such Lender its Pro Rata Share of such payment (appropriately adjusted, in the case of interest payments, to reflect the period of time during which such Lender’s risk participation was funded and any differential in the interest payable to such Lender attributable to the Applicable Rate for such Lender’s risk participation as an Extended Revolving Credit Lender or a Non-Extended Revolving Credit Lender, as the case may be) in the same funds as those received by the Swing Line Lender.

(ii) If any payment received by the Swing Line Lender in respect of principal or interest on any Swing Line Loan is required to be returned by the Swing Line Lender under any of the circumstances described in Section 11.06 (including pursuant to any settlement entered into by the Swing Line Lender in its discretion), each Revolving Credit Lender shall pay to the Swing Line Lender its Pro Rata Share thereof (appropriately adjusted, in the case of interest payments to reflect any differential in the interest payable to such Lender attributable to the Applicable Rate for such Lender’s risk participation as an Extended Revolving Credit Lender or a Non-Extended Revolving Credit Lender, as the case may be) on demand of the Administrative Agent, plus interest thereon from the date of such demand to the date such amount is returned, at a rate per annum equal to the applicable Overnight Rate. The Administrative Agent will make such demand upon the request of the Swing Line Lender.”

(e) Section 2.08(a) of the Credit Agreement is hereby restated in its entirety as follows:

“(a) Subject to the provisions of Section 2.08(b), (i) each Eurocurrency Rate Loan shall bear interest on the outstanding principal amount thereof for each Interest Period at a rate per annum equal to the Eurocurrency Rate for such Interest Period plus the Applicable Rate plus (in the case of a Eurocurrency Rate Loan of any Lender which is lent from a Lending Office in the United Kingdom or a Participating Member State) the Mandatory Cost; (ii) each Base Rate Loan shall bear interest on the outstanding principal amount thereof from the applicable borrowing date at a rate per annum equal to the Base Rate plus the Applicable Rate and (iii) each Swing Line Loan shall bear interest on the outstanding principal amount thereof from the applicable borrowing date at a rate per annum equal to the Base Rate plus the Applicable Rate for Revolving Credit Loans (for such purpose, using the Applicable Rate for Revolving Credit Loans that do not constitute Extended Revolving Credit Loans with respect to that portion of the principal amount of such Swing Line Loan equal to the Allocable Revolving Share of the Non-Extended Revolving Credit Lenders of the total principal amount of such Swing Line Loan and the Applicable Rates for Extended Revolving Credit Loans of one or more Classes with respect to those portions of the principal amount of such Swing Line Loan equal to the Allocable Revolving Shares of the various Classes of Extended Revolving Credit Lenders of the total principal amount of such Swing Line Loan). For the avoidance of doubt, each Revolving Credit Loan denominated in an Alternative Currency shall be a Eurocurrency Rate Loan.”

SECTION 4. **Representations and Warranties.** To induce the other parties hereto to enter into this Revolver Extension Amendment, each Loan Party represents and warrants to each of the Lenders party hereto and the Administrative Agent that:

(a) the execution, delivery and performance by each Loan Party of this Revolver Extension Amendment has been duly authorized by all necessary corporate or other organizational action, as applicable, of such Loan Party;

(b) this Revolver Extension Amendment has been duly executed and delivered by such Loan Party;

(c) each of this Revolver Extension Amendment, the Credit Agreement and each other Loan Document to which each Loan Party is a party, after giving effect to the amendments pursuant to this Revolver Extension Amendment, constitutes a legal, valid and binding obligation of such Loan Party, enforceable against it in accordance with its terms, subject to (i) Debtor Relief Laws and to general principles of equity, (ii) the need for filings and registrations necessary to create or perfect the Liens on the Collateral granted by the Loan Parties in favor of the Secured Parties and (iii) the effect of foreign Laws, rules and regulations as they relate to pledges of Equity Interests in Foreign Subsidiaries (provided that, for the avoidance of doubt, no Loan Party shall have any obligation to create or perfect the Liens under foreign Laws);

(d) no material approval, consent, exemption, authorization, or other action by, or notice to, or filing with, any Governmental Authority is necessary or required in connection with the execution, delivery or performance by, or enforcement against, any Loan Party of this Revolver Extension Amendment or the Credit Agreement, after giving effect to the amendments pursuant to this Revolver Extension Amendment, or for the consummation of the transactions contemplated hereby;

(e) the execution, delivery and performance by each Loan Party of this Revolver Extension Amendment and the performance of the Credit Agreement, after giving effect to the amendments pursuant to this Revolver Extension Amendment, are within such Loan Party's corporate and other powers and do not and will not (i) contravene the terms of any of such Person's Organization Documents or (ii) violate any applicable material Law; except in the case of this clause (ii) to the extent that such violation or contravention would not reasonably be expected to have a Material Adverse Effect; and

(f) immediately before and after giving effect to this Revolver Extension Amendment and the transactions contemplated hereby (i) the representations and warranties set forth in Article V of the Credit Agreement and in the other Loan Documents are true and correct in all material respects on and as of the date hereof, except to the extent such representations and warranties expressly relate to an earlier date, in which case they were true and correct in all material respects as of such earlier date; *provided* that any representation or warranty that is qualified as to "materiality", "Material Adverse Effect" or similar language is true and correct (after giving effect to any qualification therein) in all respects on such respective dates, and (ii) no Default or Event of Default shall have occurred and be continuing as of the First Revolver Extension Effective Date, after giving effect to this Revolver Extension Amendment and the transactions contemplated hereby.

SECTION 5. **Effectiveness.** This Revolver Extension Amendment shall become effective as of the date (the "First Revolver Extension Effective Date") on which each of the following conditions shall have been satisfied:

(a) the Administrative Agent (or its counsel) shall have received counterparts of this Revolver Extension Amendment that, when taken together, bear the signatures of (i) Holdings, (ii) the Borrower, (iii) each other Loan Party (iv) the Administrative Agent and (iv) each Extending Lender;

(b) the Administrative Agent shall have received a certificate from the chief financial officer of the Borrower substantially in the form of the certificate delivered pursuant to Section 4.01(a)(vi) of the Credit Agreement (with appropriate modifications to reflect the consummation of the transactions contemplated by this Revolver Extension Amendment on the First Revolver Extension Effective Date) attesting to the Solvency of the Borrower and its Restricted Subsidiaries (taken as a whole) after giving effect to this Revolver Extension Amendment;

(c) the Administrative Agent shall have received a certificate signed by a Responsible Officer of the Borrower certifying that the conditions precedent set forth in Sections 4.02(a) and (b) of the Credit Agreement shall have been satisfied on and as of the First Extension Effective Date;

(d) the Administrative Agent shall have received such other documents and certificates as the Administrative Agent or its counsel may reasonably request relating to the organization, existence and good standing of each Loan Party and the authorization of this Revolver Extension Amendment and amendment of the Credit Agreement and the other transactions contemplated hereby, all in form and substance reasonably satisfactory to the Administrative Agent;

(e) the Administrative Agent shall have received favorable customary legal opinions of (i) Young Conaway Stargatt & Taylor LLP, Delaware counsel to the Loan Parties and (ii) Cleary Gottlieb Steen & Hamilton LLP, New York counsel to the Loan Parties, in each case, as to any matter reasonably requested by the Administrative Agent, addressed to the Lenders and the Administrative Agent, dated the First Revolver Extension Effective Date and in form and substance reasonably satisfactory to the Administrative Agent, which the Loan Parties hereby request such counsel to deliver; and

(f) the Administrative Agent and the arrangers of this Revolver Extension Amendment, as applicable, shall have received payment of all fees and other amounts due and payable on or prior to the First Revolver Extension Effective Date and, to the extent invoiced, reimbursement or payment of all reasonable and documented out-of-pocket costs and expenses required to be reimbursed or paid by the Borrower hereunder or under any other Loan Document, including the reasonable fees, charges and disbursements of counsel for the Administrative Agent.

The Administrative Agent shall notify the Borrower and the Lenders of the First Revolver Extension Effective Date, and such notice shall be conclusive and binding.

SECTION 6. *Reaffirmation of Guaranty and Security.* The Borrower and each other Loan Party, by its signature below, hereby (a) agrees that, notwithstanding the effectiveness of this Revolver Extension Amendment or the Credit Agreement, after giving effect to this Revolver Extension Amendment, the Collateral Documents continue to be in full force and effect and (b) affirms and confirms all of its obligations and liabilities under the Credit Agreement and each other Loan Document, in each case after giving effect to this Revolver Extension Amendment, including its guarantee of the Obligations and the pledge of and/or grant of a security interest in its assets as Collateral pursuant to the Collateral Documents to secure such Obligations, all as provided in the Collateral Documents as originally executed, and acknowledges and agrees that such obligations, liabilities, guarantee, pledge and grant continue in full force and effect in respect of, and to secure, such Obligations under the Credit Agreement and the other Loan Documents, in each case after giving effect to this Revolver Extension Amendment.

SECTION 7. *Reference to Agreement.* From and after the First Revolver Extension Effective Date, the terms “Agreement”, “this Agreement”, “herein”, “hereinafter”, “hereto”, “hereof” and words of similar import, as used in the Credit Agreement, shall, unless the context otherwise requires, refer to the Credit Agreement as amended hereby, and the term “Credit Agreement”, as used in the other Loan Documents, shall mean the Credit Agreement as amended

hereby and as may be further amended, supplemented or otherwise modified from time to time. For the avoidance of doubt, any references to “the date hereof” in the Credit Agreement shall refer to February 19, 2013.

SECTION 8. **Counterparts.** This Revolver Extension Amendment may be executed in any number of counterparts and by different parties hereto in separate counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument. Delivery by telecopy or other electronic image scan transmission of an executed counterpart of a signature page to this Revolver Extension Amendment shall be effective as delivery of an original executed counterpart of this Revolver Extension Amendment. The Administrative Agent may also require that any such documents and signatures delivered by telecopy or other electronic image scan transmission be confirmed by a manually signed original thereof; *provided* that the failure to request or deliver the same shall not limit the effectiveness of any document or signature delivered by telecopy or other electronic image scan transmission.

SECTION 9. **Governing Law.** THIS REVOLVER EXTENSION AMENDMENT SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAW OF THE STATE OF NEW YORK.

SECTION 10. **Jurisdiction.** ANY LEGAL ACTION OR PROCEEDING ARISING UNDER THIS REVOLVER EXTENSION AMENDMENT OR IN ANY WAY CONNECTED WITH OR RELATED OR INCIDENTAL TO THE DEALINGS OF THE PARTIES HERETO OR ANY OF THEM WITH RESPECT TO THIS REVOLVER EXTENSION AMENDMENT, OR THE TRANSACTIONS RELATED THERETO, IN EACH CASE WHETHER NOW EXISTING OR HEREAFTER ARISING, MAY BE BROUGHT IN THE COURTS OF THE STATE OF NEW YORK SITTING IN NEW YORK CITY (IN THE BOROUGH OF MANHATTAN) OR OF THE UNITED STATES FOR THE SOUTHERN DISTRICT OF SUCH STATE, AND BY EXECUTION AND DELIVERY OF THIS REVOLVER EXTENSION AMENDMENT, THE BORROWER, HOLDINGS, EACH OTHER GUARANTOR, THE ADMINISTRATIVE AGENT AND EACH LENDER CONSENTS, FOR ITSELF AND IN RESPECT OF ITS PROPERTY, TO THE EXCLUSIVE JURISDICTION OF THOSE COURTS AND AGREES NOT TO COMMENCE ANY SUCH LEGAL ACTION OR PROCEEDING IN ANY OTHER JURISDICTION, TO THE EXTENT PERMITTED BY APPLICABLE LAW. THE BORROWER, HOLDINGS, EACH OTHER GUARANTOR, THE ADMINISTRATIVE AGENT AND EACH LENDER IRREVOCABLY WAIVES ANY OBJECTION, INCLUDING ANY OBJECTION TO THE LAYING OF VENUE OR BASED ON THE GROUNDS OF FORUM NON CONVENIENS, WHICH IT MAY NOW OR HEREAFTER HAVE TO THE BRINGING OF ANY ACTION OR PROCEEDING IN SUCH JURISDICTION IN RESPECT OF THIS REVOLVER EXTENSION AMENDMENT OR OTHER DOCUMENT RELATED THERETO.

SECTION 11. **Headings.** The headings of this Revolver Extension Amendment are for purposes of reference only and shall not limit or otherwise affect the meaning hereof.

SECTION 12. **No Novation.** This Revolver Extension Amendment shall not extinguish the Obligations for the payment of money outstanding under the Credit Agreement or discharge or release the lien or priority of any Loan Document or any other security therefor or any

guarantee thereof, and the liens and security interests existing immediately prior to the First Revolver Extension Effective Date in favor of the Administrative Agent for the benefit of the Secured Parties securing payment of the Obligations are in all respects continuing and in full force and effect with respect to all Obligations. Nothing herein contained shall be construed as a substitution or novation, or a payment and reborrowing, or a termination, of the Obligations outstanding under the Credit Agreement or instruments guaranteeing or securing the same, which shall remain in full force and effect, except as modified hereby or by instruments executed concurrently herewith. Nothing expressed or implied in this Revolver Extension Amendment or any other document contemplated hereby or thereby shall be construed as a release or other discharge of the Borrower under the Credit Agreement or the Borrower or any other Loan Party under any Loan Document from any of its obligations and liabilities thereunder, and such obligations are in all respects continuing with only the terms being modified as provided in this Revolver Extension Amendment. The Credit Agreement and each of the other Loan Documents shall remain in full force and effect, until and except as modified hereby. This Revolver Extension Amendment shall constitute a "Loan Document" for all purposes of the Credit Agreement. Each Guarantor further agrees that nothing in the Credit Agreement, this Revolver Extension Amendment or any other Loan Document shall be deemed to require the consent of such Guarantor to any future amendment to the Credit Agreement.

SECTION 13. **Notices.** All communications and notices hereunder shall be given as provided in the Credit Agreement.

SECTION 14. **Severability.** If any provision of this Revolver Extension Amendment is held to be illegal, invalid or unenforceable, the legality, validity and enforceability of the remaining provisions of this Revolver Extension Amendment and the other Loan Documents shall not be affected or impaired thereby. The invalidity of a provision in a particular jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

SECTION 15. **Successors.** The terms of this Revolver Extension Amendment shall be binding upon, and shall inure for the benefit of, the parties hereto and their respective successors and assigns.

SECTION 16. **No Waiver.** Except as expressly set forth herein, this Revolver Extension Amendment shall not by implication or otherwise limit, impair, constitute a waiver of or otherwise affect the rights and remedies of the Lenders or the Agents under the Credit Agreement or any other Loan Document, and shall not alter, modify, amend or in any way affect any of the terms, conditions, obligations, covenants or agreements contained in the Credit Agreement or any other provision of the Credit Agreement or of any other Loan Document, all of which are ratified and affirmed in all respects and shall continue in full force and effect. Nothing herein shall be deemed to entitle the Borrower to receive a consent to, or a waiver, amendment, modification or other change of, any of the terms, conditions, obligations, covenants or agreements contained in the Credit Agreement or any other Loan Document in similar or different circumstances.

SUMMARY OF TERMS

Dated as of February 20, 2014

Interest Rates:

The Applicable Rate with respect to the 2014 Extended Revolving Credit Loans will be a percentage per annum equal to (a) until delivery of financial statements for the first full fiscal quarter ending after the First Revolver Extension Effective Date pursuant to Section 6.01 of the Credit Agreement, the percentages per annum listed in the table below, assuming a "Pricing Level" of "1", and (b) thereafter, the percentages per annum listed in the table below, based upon the Senior Secured First-Lien Net Leverage Ratio as set forth in the most recent Compliance Certificate received by the Administrative Agent pursuant to Section 6.02(a) of the Credit Agreement:

<u>Applicable Rate</u>				
<u>Pricing Level</u>	<u>Senior Secured First-Lien Net Leverage Ratio</u>	<u>Eurocurrency Rate for 2014 Extended Revolving Credit Loans and Letter of Credit Fees</u>	<u>Base Rate for 2014 Extended Revolving Credit Loans</u>	
1	>3.25:1.0	3.00%	2.00%	
2	≤3.25:1.0	2.75%	1.75%	

Any increase or decrease in the Applicable Rate resulting from a change in the Senior Secured First-Lien Net Leverage Ratio shall become effective as of the first Business Day immediately following the date a Compliance Certificate is delivered pursuant to Section 6.02(a) of the Credit Agreement; *provided* that at the option of the Required Lenders (and if exercised with respect to this Class of 2014 Extended Revolving Credit Loans), Pricing Level 1 shall apply (x) as of the first Business Day after the date on which a Compliance Certificate was required to have been delivered but was not delivered, and shall continue to so apply to and including the date on which such Compliance Certificate is so delivered (and thereafter the Pricing Level otherwise determined in accordance with the definition of Applicable Rate shall apply) and (y) as of the

first Business Day after an Event of Default under Section 9.01(a) of the Credit Agreement shall have occurred and be continuing, and shall continue to so apply to but excluding the date on which such Event of Default is cured or waived (and thereafter the Pricing Level otherwise determined in accordance with this definition shall apply).

Notwithstanding anything to the contrary contained above in this definition or elsewhere in the Credit Agreement, if it is subsequently determined that the Senior Secured First-Lien Net Leverage Ratio set forth in any Compliance Certificate delivered to the Administrative Agent is inaccurate for any reason and the result thereof is that the Lenders of the 2014 Extended Revolving Credit Loans received interest or fees for any period based on an Applicable Rate that is less than that which would have been applicable had the Senior Secured First-Lien Net Leverage Ratio been accurately determined, then, for all purposes of this Agreement, the "Applicable Rate" for any day occurring within the period covered by such Compliance Certificate shall retroactively be deemed to be the relevant percentage as based upon the accurately determined Senior Secured First-Lien Net Leverage Ratio for such period, and any shortfall in the interest or fees theretofore paid by the Borrower for the relevant period pursuant to Sections 2.08 and 2.09 of the Credit Agreement as a result of the miscalculation of the Senior Secured First-Lien Net Leverage Ratio shall be deemed to be (and shall be) due and payable under the relevant provisions of Section 2.08 or 2.09 the Credit Agreement, as applicable, at the time the interest or fees for such period were required to be paid pursuant to said Section (and shall remain due and payable until paid in full, together with all amounts owing under said Section 2.08, in accordance with the terms of the Credit Agreement).

Maturity Date:

February 19, 2019; *provided* that if as of November 19, 2018 (or, in the case of any Permitted Refinancing of the Term B Loans, the date occurring three months prior to the maturity date thereof), any Term B Loans (or Permitted Refinancings (including successive Permitted Refinancings) thereof) remain outstanding with a maturity date occurring less than one year after the maturity date of the 2014 Extended Revolving Credit Loans, the Extended Revolving Credit Loans and Swing Line Loans will mature on November 19, 2018 (or, in the case of any such Permitted Refinancing of the Term B Loans, on the date occurring three months prior to the maturity date thereof).

FIRST INCREMENTAL REVOLVING CREDIT FACILITY AMENDMENT TO AMENDED AND RESTATED CREDIT AGREEMENT dated as of February 20, 2014 (this "Incremental RCF Amendment"), among Sabre GLBL Inc., a Delaware corporation (the "Borrower"), Sabre Holdings Corporation, a Delaware corporation ("Holdings"), each of the other Loan Parties, Bank of America, N.A., as administrative agent (the "Administrative Agent"), and the Revolving Credit Lenders party hereto (the "2014 Revolving Credit Commitment Increase Lenders").

WHEREAS, the Borrower, Holdings, the Lenders and the Administrative Agent are parties to that certain Amended and Restated Credit Agreement dated as of February 19, 2013 (as amended by the First Incremental Term Facility Amendment dated as of September 30, 2013, Amendment No. 1 to Amended and Restated Credit Agreement dated as of February 20, 2014 and the First Revolver Extension Amendment to Amended and Restated Credit Agreement dated as of February 20, 2014 (the "First Revolver Extension Amendment") and as further amended, amended and restated, modified and/or supplemented through and including the date hereof (but not including pursuant to this Incremental RCF Amendment), the "Credit Agreement"), pursuant to which the Lenders have extended credit to the Borrower;

WHEREAS, in accordance with the provisions of Section 2.14 of the Credit Agreement, the Borrower has notified the Administrative Agent and the Lenders that it is requesting a Revolving Credit Commitment Increase to the Class of Extended Revolving Credit Commitments created pursuant to the First Revolver Extension Amendment (the "2014 Extended Revolving Credit Commitments" and the related Class of revolving credit loans thereunder, the "2014 Extended Revolving Credit Loans") in the aggregate amount of \$53,000,000 (the "Incremental Request") on the terms and conditions set forth in this Incremental RCF Amendment;

WHEREAS, in accordance with the provisions of Section 2.14 of the Credit Agreement and the terms and conditions set forth herein, the Borrower, Holdings, each of the other Loan Parties, the 2014 Revolving Credit Commitment Increase Lenders and the Administrative Agent wish to effect this Incremental RCF Amendment with respect to the Incremental Request;

NOW, THEREFORE, in consideration of the mutual agreements herein contained and other good and valuable consideration, the sufficiency and receipt of which are hereby acknowledged, the parties hereto hereby agree as follows:

SECTION 1. *Defined Terms.* Capitalized terms used but not defined herein shall have the meanings assigned to such terms in the Credit Agreement.

SECTION 2. *Incremental RCF Amendment.* (a) For the avoidance of doubt, this Incremental RCF Amendment constitutes an "Incremental Revolving Credit Facility Amendment" pursuant to which an increase in the aggregate amount of the 2014 Extended Revolving Credit Commitments is established pursuant to Section 2.14 of the Credit Agreement.

(b) Subject to the terms and conditions set forth herein and the occurrence of the Incremental RCF Amendment Effective Date, each 2014 Revolving Credit Commitment Increase Lender severally agrees to provide an increase to its existing 2014 Extended Revolving

Credit Commitments on the Incremental RCF Amendment Effective Date in an amount equal to the amount set forth opposite its name under the column entitled "2014 Revolving Credit Commitment Increase" on Annex I hereto (each, a "2014 Revolving Credit Commitment Increase").

(c) Each of the parties to this Incremental RCF Amendment hereby acknowledges and agrees that on the Incremental RCF Amendment Effective Date (i) the 2014 Revolving Credit Commitment Increase of each 2014 Revolving Commitment Increase Lender shall be added to (and thereafter become a part of) the existing "2014 Extended Revolving Credit Commitments" of such 2014 Revolving Commitment Increase Lender for all purposes of the Credit Agreement and the other Loan Documents, (ii) after giving effect to the increase in the 2014 Extended Revolving Credit Commitment of each 2014 Revolving Commitment Increase Lender pursuant to this Section 2(c), the aggregate 2014 Extended Revolving Credit Commitments shall increase by the aggregate amount of the increases in the 2014 Extended Revolving Credit Commitments of the 2014 Revolving Commitment Increase Lenders (as set forth in Annex I hereto) effected hereby and (iii) the Borrower shall deliver to any 2014 Revolving Credit Commitment Increase Lender, upon its request, a new promissory note of the Borrower payable to such 2014 Revolving Credit Commitment Increase Lender or its registered assigns, in substantially the form of a Revolving Credit Note, in the amount of such 2014 Revolving Credit Commitment Increase Lender's 2014 Extended Revolving Credit Commitments.

(d) Each of the parties to this Incremental RCF Amendment hereby acknowledges and agrees that the 2014 Revolving Credit Commitment Increases established pursuant to this Incremental RCF Amendment shall be subject to the same terms and conditions applicable to the existing 2014 Extended Revolving Credit Commitments under the Credit Agreement and the other Loan Documents.

(e) Each of the parties to this Incremental RCF Amendment hereby acknowledges and agrees that on the Incremental RCF Amendment Effective Date (after giving effect to the 2014 Revolving Credit Commitment Increases effected hereby), each Revolving Credit Lender immediately prior to such increase will automatically and without further act be deemed to have assigned to each 2014 Revolving Credit Commitment Increase Lender, and each such 2014 Revolving Credit Commitment Increase Lender will automatically and without further act be deemed to have assumed, a portion of such Revolving Credit Lender's participations under the Credit Agreement in outstanding Letters of Credit and Swing Line Loans such that, after giving effect to the 2014 Revolving Credit Commitment Increases and each such deemed assignment and assumption of participations, the percentage of the aggregate outstanding (A) participations under the Credit Agreement in Letters of Credit and (B) participations under the Credit Agreement in Swing Line Loans held by each Revolving Credit Lender (including each 2014 Revolving Credit Commitment Increase Lender) will equal such Revolving Credit Lender's Pro Rata Share of the aggregate amount of Revolving Credit Commitments.

(f) The Administrative Agent is hereby authorized to prepare, in consultation with the Borrower, the schedule of Revolving Credit Commitments, as Schedule 2.01A to the Credit Agreement, reflecting the 2014 Revolving Credit Commitment Increases established pursuant to this Incremental RCF Amendment and the amounts reflected therein shall be conclusive absent demonstrable error. The Administrative Agent shall distribute to each Lender such new Schedule 2.01A promptly following the Incremental RCF Amendment Effective Date.

SECTION 3. **Representations and Warranties.** To induce the other parties hereto to enter into this Incremental RCF Amendment, each Loan Party represents and warrants to each of the Lenders party hereto and the Administrative Agent that:

(a) the execution, delivery and performance by each Loan Party of this Incremental RCF Amendment has been duly authorized by all necessary corporate or other organizational action, as applicable, of such Loan Party;

(b) this Incremental RCF Amendment has been duly executed and delivered by such Loan Party;

(c) each of this Incremental RCF Amendment, the Credit Agreement and each other Loan Document to which each Loan Party is a party, after giving effect to the amendments pursuant to this Incremental RCF Amendment, constitutes a legal, valid and binding obligation of such Loan Party, enforceable against it in accordance with its terms, subject to (i) Debtor Relief Laws and to general principles of equity, (ii) the need for filings and registrations necessary to create or perfect the Liens on the Collateral granted by the Loan Parties in favor of the Secured Parties and (iii) the effect of foreign Laws, rules and regulations as they relate to pledges of Equity Interests in Foreign Subsidiaries (provided that, for the avoidance of doubt, no Loan Party shall have any obligation to create or perfect the Liens under foreign Laws);

(d) no material approval, consent, exemption, authorization, or other action by, or notice to, or filing with, any Governmental Authority is necessary or required in connection with the execution, delivery or performance by, or enforcement against, any Loan Party of this Incremental RCF Amendment or the Credit Agreement, after giving effect to the amendments pursuant to this Incremental RCF Amendment, or for the consummation of the transactions contemplated hereby;

(e) the execution, delivery and performance by each Loan Party of this Incremental RCF Amendment and the performance of the Credit Agreement, after giving effect to the amendments pursuant to this Incremental RCF Amendment, are within such Loan Party's corporate and other powers and do not and will not (i) contravene the terms of any of such Person's Organization Documents or (ii) violate any applicable material Law; except in the case of this clause (ii) to the extent that such violation or contravention would not reasonably be expected to have a Material Adverse Effect; and

(f) immediately before and after giving effect to this Incremental RCF Amendment and the transactions contemplated hereby (i) the representations and warranties set forth in Article V of the Credit Agreement and in the other Loan Documents are true and correct in all material respects on and as of the date hereof, except to the extent such representations and warranties expressly relate to an earlier date, in which case they were true and correct in all material respects as of such earlier date; *provided* that any representation or warranty that is qualified as to "materiality", "Material Adverse Effect" or similar language is true and correct (after giving effect to any qualification therein) in all respects on such respective dates, and (ii)

no Default or Event of Default shall have occurred and be continuing as of the Incremental RCF Amendment Effective Date, after giving effect to this Incremental RCF Amendment and the transactions contemplated hereby.

SECTION 4. **Effectiveness.** This Incremental RCF Amendment shall become effective as of the date (the "Incremental RCF Amendment Effective Date") on which each of the following conditions shall have been satisfied:

(a) the Administrative Agent (or its counsel) shall have received counterparts of this Incremental RCF Amendment that, when taken together, bear the signatures of (i) Holdings, (ii) the Borrower, (iii) each other Loan Party, (iv) the Administrative Agent and (v) the 2014 Revolving Credit Commitment Increase Lenders;

(b) the Administrative Agent shall have received a certificate signed by a Responsible Officer of the Borrower (A) certifying that the conditions precedent set forth in Sections 4.02(a) and (b) of the Credit Agreement shall have been satisfied on and as of the Incremental RCF Amendment Effective Date, (B) certifying compliance with clauses (A), (B) and (C) of Section 2.14(a)(i) of the Credit Agreement and (C) containing the true and complete calculations (in reasonable detail) required to show compliance with Section 2.14(a)(i)(B) and Section 2.14(a)(i)(C) of the Credit Agreement;

(c) the Administrative Agent shall have received a certificate from the chief financial officer of the Borrower substantially in the form of the certificate delivered pursuant to Section 4.01(a)(vi) of the Credit Agreement (with appropriate modifications to reflect the consummation of the transactions contemplated by this Incremental RCF Amendment on the Incremental RCF Amendment Effective Date) attesting to the Solvency of the Borrower and its Restricted Subsidiaries (taken as a whole) after giving effect to this Incremental RCF Amendment and the 2014 Revolving Credit Commitment Increases established pursuant hereto;

(d) the Administrative Agent shall have received such other documents and certificates as the Administrative Agent or its counsel may reasonably request relating to the organization, existence and good standing of each Loan Party and the authorization of this Incremental RCF Amendment and amendment of the Credit Agreement and the other transactions contemplated hereby, all in form and substance reasonably satisfactory to the Administrative Agent;

(e) the Administrative Agent shall have received favorable customary legal opinions of (i) Young Conaway Stargatt & Taylor LLP, Delaware counsel to the Loan Parties and (ii) Cleary Gottlieb Steen & Hamilton LLP, New York counsel to the Loan Parties, in each case, as to any matter reasonably requested by the Administrative Agent, addressed to the Lenders and the Administrative Agent, dated the Incremental RCF Amendment Effective Date and in form and substance reasonably satisfactory to the Administrative Agent, which the Loan Parties hereby request such counsel to deliver;

(f) all of the conditions specified in Section 2.14 of the Credit Agreement with respect to Revolving Credit Commitment Increases shall have been satisfied; and

(g) the Administrative Agent and the arrangers of this Incremental RCF Amendment, as applicable, shall have received payment of all fees and other amounts due and payable on or

prior to the Incremental RCF Amendment Effective Date and, to the extent invoiced, reimbursement or payment of all reasonable and documented out-of-pocket costs and expenses required to be reimbursed or paid by the Borrower hereunder or under any other Loan Document, including the reasonable fees, charges and disbursements of counsel for the Administrative Agent and the arrangers.

The Administrative Agent shall notify the Borrower and the Lenders of the Incremental RCF Amendment Effective Date, and such notice shall be conclusive and binding.

SECTION 5. *Reaffirmation of Guaranty and Security.* The Borrower and each other Loan Party, by its signature below, hereby (a) agrees that, notwithstanding the effectiveness of this Incremental RCF Amendment or the Credit Agreement, after giving effect to this Incremental RCF Amendment, the Collateral Documents continue to be in full force and effect and (b) affirms and confirms all of its obligations and liabilities under the Credit Agreement and each other Loan Document, in each case after giving effect to this Incremental RCF Amendment, including its guarantee of the Obligations and the pledge of and/or grant of a security interest in its assets as Collateral pursuant to the Collateral Documents to secure such Obligations, all as provided in the Collateral Documents as originally executed, and acknowledges and agrees that such obligations, liabilities, guarantee, pledge and grant continue in full force and effect in respect of, and to secure, such Obligations under the Credit Agreement and the other Loan Documents, in each case after giving effect to this Incremental RCF Amendment.

SECTION 6. *Reference to Agreement.* From and after the Incremental RCF Amendment Effective Date, the terms “Agreement”, “this Agreement”, “herein”, “hereinafter”, “hereto”, “hereof” and words of similar import, as used in the Credit Agreement, shall, unless the context otherwise requires, refer to the Credit Agreement as amended hereby, and the term “Credit Agreement”, as used in the other Loan Documents, shall mean the Credit Agreement as amended hereby and as may be further amended, supplemented or otherwise modified from time to time. For the avoidance of doubt, any references to “the date hereof” in the Credit Agreement shall refer to February 19, 2013.

SECTION 7. *Counterparts.* This Incremental RCF Amendment may be executed in any number of counterparts and by different parties hereto in separate counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument. Delivery by telecopy or other electronic image scan transmission of an executed counterpart of a signature page to this Incremental RCF Amendment shall be effective as delivery of an original executed counterpart of this Incremental RCF Amendment. The Administrative Agent may also require that any such documents and signatures delivered by telecopy or other electronic image scan transmission be confirmed by a manually signed original thereof; *provided* that the failure to request or deliver the same shall not limit the effectiveness of any document or signature delivered by telecopy or other electronic image scan transmission.

SECTION 8. *Governing Law.* THIS INCREMENTAL RCF AMENDMENT SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAW OF THE STATE OF NEW YORK.

SECTION 9. **Jurisdiction.** ANY LEGAL ACTION OR PROCEEDING ARISING UNDER THIS INCREMENTAL RCF AMENDMENT OR IN ANY WAY CONNECTED WITH OR RELATED OR INCIDENTAL TO THE DEALINGS OF THE PARTIES HERETO OR ANY OF THEM WITH RESPECT TO THIS INCREMENTAL RCF AMENDMENT, OR THE TRANSACTIONS RELATED THERETO, IN EACH CASE WHETHER NOW EXISTING OR HEREAFTER ARISING, MAY BE BROUGHT IN THE COURTS OF THE STATE OF NEW YORK SITTING IN NEW YORK CITY (IN THE BOROUGH OF MANHATTAN) OR OF THE UNITED STATES FOR THE SOUTHERN DISTRICT OF SUCH STATE, AND BY EXECUTION AND DELIVERY OF THIS INCREMENTAL RCF AMENDMENT, THE BORROWER, HOLDINGS, EACH OTHER LOAN PARTY, THE ADMINISTRATIVE AGENT AND EACH LENDER PARTY HERETO CONSENTS, FOR ITSELF AND IN RESPECT OF ITS PROPERTY, TO THE EXCLUSIVE JURISDICTION OF THOSE COURTS AND AGREES NOT TO COMMENCE ANY SUCH LEGAL ACTION OR PROCEEDING IN ANY OTHER JURISDICTION, TO THE EXTENT PERMITTED BY APPLICABLE LAW. THE BORROWER, HOLDINGS, EACH OTHER LOAN PARTY, THE ADMINISTRATIVE AGENT AND EACH LENDER PARTY HERETO IRREVOCABLY WAIVES ANY OBJECTION, INCLUDING ANY OBJECTION TO THE LAYING OF VENUE OR BASED ON THE GROUNDS OF FORUM NON CONVENIENS, WHICH IT MAY NOW OR HEREAFTER HAVE TO THE BRINGING OF ANY ACTION OR PROCEEDING IN SUCH JURISDICTION IN RESPECT OF THIS INCREMENTAL RCF AMENDMENT OR OTHER DOCUMENT RELATED THERETO.

SECTION 10. **Headings.** The headings of this Incremental RCF Amendment are for purposes of reference only and shall not limit or otherwise affect the meaning hereof.

SECTION 11. **No Novation.** This Incremental RCF Amendment shall not extinguish the Obligations for the payment of money outstanding under the Credit Agreement or discharge or release the lien or priority of any Loan Document or any other security therefor or any guarantee thereof, and the liens and security interests existing immediately prior to the Incremental RCF Amendment Effective Date in favor of the Administrative Agent for the benefit of the Secured Parties securing payment of the Obligations are in all respects continuing and in full force and effect with respect to all Obligations. Nothing herein contained shall be construed as a substitution or novation, or a payment and reborrowing, or a termination, of the Obligations outstanding under the Credit Agreement or instruments guaranteeing or securing the same, which shall remain in full force and effect, except as modified hereby or by instruments executed concurrently herewith. Nothing expressed or implied in this Incremental RCF Amendment or any other document contemplated hereby or thereby shall be construed as a release or other discharge of the Borrower under the Credit Agreement or the Borrower or any other Loan Party under any Loan Document from any of its obligations and liabilities thereunder, and such obligations are in all respects continuing with only the terms being modified as provided in this Incremental RCF Amendment. The Credit Agreement and each of the other Loan Documents shall remain in full force and effect, until and except as modified hereby. This Incremental RCF Amendment shall constitute a "Loan Document" for all purposes of the Credit Agreement. Each Guarantor further agrees that nothing in the Credit Agreement, this Incremental RCF Amendment or any other Loan Document shall be deemed to require the consent of such Guarantor to any future amendment to the Credit Agreement.

SECTION 12. **Notices.** All communications and notices hereunder shall be given as provided in the Credit Agreement.

SECTION 13. **Severability.** If any provision of this Incremental RCF Amendment is held to be illegal, invalid or unenforceable, the legality, validity and enforceability of the remaining provisions of this Incremental RCF Amendment and the other Loan Documents shall not be affected or impaired thereby. The invalidity of a provision in a particular jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

SECTION 14. **Successors.** The terms of this Incremental RCF Amendment shall be binding upon, and shall inure for the benefit of, the parties hereto and their respective successors and assigns.

SECTION 15. **No Waiver.** Except as expressly set forth herein, this Incremental RCF Amendment shall not by implication or otherwise limit, impair, constitute a waiver of or otherwise affect the rights and remedies of the Lenders or the Agents under the Credit Agreement or any other Loan Document, and shall not alter, modify, amend or in any way affect any of the terms, conditions, obligations, covenants or agreements contained in the Credit Agreement or any other provision of the Credit Agreement or of any other Loan Document, all of which are ratified and affirmed in all respects and shall continue in full force and effect. Nothing herein shall be deemed to entitle the Borrower to receive a consent to, or a waiver, amendment, modification or other change of, any of the terms, conditions, obligations, covenants or agreements contained in the Credit Agreement or any other Loan Document in similar or different circumstances.

**SECOND AMENDED AND RESTATED INFORMATION TECHNOLOGY
SERVICES AGREEMENT**

Dated January 31, 2012

among

SABRE INC.

and

**HP ENTERPRISE SERVICES, LLC F/K/A ELECTRONIC DATA SYSTEMS
CORPORATION**

CONFIDENTIAL TREATMENT HAS BEEN REQUESTED FOR PORTIONS OF THIS EXHIBIT. THE COPY FILED HERewith OMITs THE INFORMATION SUBJECT TO A CONFIDENTIALITY REQUEST. OMISSIONS ARE DESIGNATED [* * *]. A COMPLETE VERSION OF THIS EXHIBIT HAS BEEN FILED SEPARATELY WITH THE SECURITIES AND EXCHANGE COMMISSION.

This Second Amended and Restated Information Technology Services Agreement (the "Agreement") is entered into as of the Effective Date among HP Enterprise Services, LLC, a Delaware limited liability company ("Provider") (f/k/a Electronic Data Systems Corporation, a Delaware corporation ("EDS")), and Sabre Inc. (together with its Affiliates that procure Services under this Agreement, "Company") and amends and restates in its entirety that certain Amended and Restated Information Technology Services Agreement entered into by the Parties and EDS Information Services, LLC as of September 30, 2007 (the "Original Agreement"). The obligations of Provider set forth in this Agreement will be performed by Provider, itself and through its Affiliates. The Parties agree to the terms and conditions set forth in this Agreement including the Schedules referenced in this Agreement.

Background

Company desires that most of the information technology operations and functions currently performed by Provider for Company and Authorized Users, be performed and managed by a third party experienced in performing and managing such operations and functions. Company believes that it can achieve certain economic efficiencies, performance improvements and operational advantages if it outsources these services to an outside service provider rather than performing such services itself. Provider provides various types of information technology services to its customers, including those desired by Company. Company has selected Provider to continue to provide certain services during the term of this Agreement. This Agreement documents the terms and conditions under which Company agrees to purchase, and Provider agrees to provide, such services. For ease of reference, capitalized terms used in this Agreement are defined in the Glossary attached hereto as Appendix A.

The Parties intend to create a mutually beneficial business relationship, which creates value for both Parties. The Parties recognize that Company expects to be treated as a valued customer and Provider expects to be treated as a valued service provider. The Parties recognize that it will be necessary in order to establish such a relationship that the definition of customer satisfaction goes beyond Provider's performance against established service levels and requires that Provider exhibit a customer service attitude and that Company must view Provider as more than a mere vendor. Together the Parties must focus on (1) reducing Company's operations support costs, while still maintaining the value of the relationship to Provider, (2) improving service levels to the Company, (3) continuing and improving Company's innovation in the exploitation of information technology for business advantage within the Travel and Transportation Industry, and (4) enabling Company to act with speed and agility in adapting to changing business and operational needs, including evolution of legacy platforms and systems and adoption of new and different platforms and systems, with Provider being neutral in the evaluation and implementation of third party platforms and systems, as compared with its proprietary platforms and systems.

The provisions of this Background Section are intended as a statement of purpose of this Agreement and are not intended to alter the plain meaning of the terms and conditions of this Agreement or to require either Party to undertake specific performance obligations not required by this Agreement. To the extent that the terms and conditions of this Agreement are unclear or ambiguous, such terms and conditions are to be interpreted and construed consistent with the purposes set forth in this Background Section.

ARTICLE 1. RELATIONSHIP PROTOCOLS

1.1. Contracting Parties.

- (a) Sabre Inc. shall contract on behalf of and will be responsible for all obligations of Company and Authorized Users under this Agreement. Provider shall contract on behalf of and will be responsible for all obligations of Provider under this Agreement although some Services may be provided by a Provider Affiliate. Provider shall be responsible for each Provider Affiliate's compliance with the applicable provisions of this Agreement, and act for and on behalf of all Provider Affiliates with respect to all matters related to this Agreement. Sabre Inc. shall (i) be responsible for Company's and for each Authorized User's compliance with the applicable provisions of this Agreement, and (ii) act for and on behalf of all Authorized Users with respect to all matters related to this Agreement.

CONFIDENTIAL TREATMENT HAS BEEN REQUESTED FOR PORTIONS OF THIS EXHIBIT. THE COPY FILED HERewith OMITs THE INFORMATION SUBJECT TO A CONFIDENTIALITY REQUEST. OMISSIONS ARE DESIGNATED [* * *]. A COMPLETE VERSION OF THIS EXHIBIT HAS BEEN FILED SEPARATELY WITH THE SECURITIES AND EXCHANGE COMMISSION.

- (b) To implement this Agreement for Services provided by Provider outside the United States, as mutually agreed to by Company and Provider, and to implement changes as appropriate to reflect differences in local laws, regulations and taxes or customary business practices or the scope of Services provided in each such country in which the Agreement is to be implemented ("Local Differences"): (i) the respective Affiliates of Company and Provider in each such country may execute an agreement or, in the case of jurisdictions where such an agreement already exists in respect of the Original Agreement, an amendment (each, as amended from time to time, an "International Agreement") acceding to some or all of the terms and conditions of this Agreement in order to document agreed Local Differences and/or the performance of this Agreement between specific Affiliates of each of Company and Provider on a local level, and/or (ii) Company and Provider may adopt an amendment to this Agreement to be applicable for only specifically agreed countries in order to document agreed Local Differences to be applicable with respect to the performance of this Agreement in each such country. No such International Agreement is intended, nor shall any International Agreement be interpreted, to duplicate, enlarge, reduce or eliminate any responsibilities of either of the Parties under this Agreement except as required by local law or regulation. Performance or fulfillment by a Party or, on behalf of Provider by its delegate, of any obligation under this Agreement shall be considered performance or fulfillment of the corresponding obligation under the relevant International Agreement. Performance or fulfillment of any obligation by a party to the relevant International Agreement shall be considered performance or fulfillment of the corresponding obligation under this Agreement. Correspondingly, any defense, excuse or remedy available under this Agreement shall be available as a defense, excuse or remedy to the corresponding obligation under any International Agreement, provided that any such defenses, excuses or remedies and any and all claims under any International Agreement shall be exercised, invoked or asserted exclusively by the Parties to this Agreement under the procedures set forth in this Agreement. Any claim, defense, excuse or remedy available under any International Agreement shall be available to the Parties as a claim, defense, excuse or remedy to the corresponding obligation under this Agreement, provided, however, that the Parties hereby waive, to the fullest extent permitted by law, any claims, defenses, excuses or remedies available under local law of the country in which the International Agreement is to be performed and not set forth in this Agreement or the International Agreement at issue or otherwise provided by the laws of the United States or the State of Texas. Except as mandated by local laws or regulations, any International Agreements entered into are not intended to change in any substantive manner the terms and conditions of this Agreement, and any such purported changes shall not be effective without a written agreement between Company's Contract Manager and Provider's Client Executive.
- (c) After the Effective Date, if either Party perceives the need therefor, the Parties agree to discuss in good faith the implementation of additional International Agreements or additional amendments to this Agreement to document Local Differences. The Parties agree and acknowledge that references to the Original Agreement in each International Agreement shall be deemed to be references to this Agreement, and that the Parties will take any steps reasonably necessary to carry out this intent in the local jurisdictions (if any).

1.2. Evolving Nature of Relationship.

- (a) The Schedules to this Agreement will be updated by mutual agreement of the Parties as set forth in this Agreement as necessary or appropriate during the Term to accurately reflect the evolution of the Services and components and elements of the Services as described therein.

CONFIDENTIAL TREATMENT HAS BEEN REQUESTED FOR PORTIONS OF THIS EXHIBIT. THE COPY FILED HERewith OMITs THE INFORMATION SUBJECT TO A CONFIDENTIALITY REQUEST. OMISSIONS ARE DESIGNATED [* * *]. A COMPLETE VERSION OF THIS EXHIBIT HAS BEEN FILED SEPARATELY WITH THE SECURITIES AND EXCHANGE COMMISSION.

- (b) Both Company and Provider agree that the Services provided will require adjustments to reflect the evolving business and operations of Company and Provider, that the relationship memorialized by this Agreement is dynamic in nature and will evolve as the operating and business environment of the Company changes and evolves, and that the scope of the Services to be provided by Provider to the Company during the Term and corresponding fees charged by Provider will need to be changed and modified with the written agreement of the Parties pursuant to the Contract Change Control Process. Therefore, the Executive Steering Committee will, not less frequently than every six months, recommend modifications to, and evolution of, the Services (including the Service Levels) and determine the reasonable effect that any modifications of the Services may have on the fees chargeable by Provider under this Agreement, taking into account all relevant material facts and circumstances (including reasonable opportunities for Provider to use its scale, leverage and expertise to mitigate costs associated with such changes).
- (c) The Parties will work together to identify, develop and implement mutually beneficial initiatives in accordance with the terms and conditions set forth in the **Benefits Sharing Schedule**.
- 1.3. **Inherent Services**. The Parties acknowledge and agree that there are functions, responsibilities, activities and tasks not specifically described in this Agreement that are required for the proper performance and provision of the Services and are a necessary, customary part of the Company Business or an inherent part of, or a necessary sub-part included within (i) any New Service, or (ii) any Service as of the Effective Date that is consistent with historical practices. Such functions, responsibilities, activities and tasks, shall be deemed to be implied and included within the scope of the Services to the same extent and in the same manner as if specifically described in the Agreement, and shall include (without limitation) all of the services, functions, processes, and responsibilities performed by Provider under the Original Agreement at any time during the twelve (12) month period prior to the Effective Date unless and when (A) expressly changed in this Agreement or (B) clearly no longer applicable due to the changes in the Services under the Transformation Plan or other evolution of Services hereunder.
- 1.4. **Changing Nature of Services**. While the Parties will endeavor to update, modify and amend this Agreement and the Schedules as necessary or appropriate from time to time to reflect the changing nature of the Services and the requirements of Company, the Parties acknowledge that such activities may not always be documented with specificity. Therefore, the Parties agree to deal with each other in good faith to resolve all issues presented and any disputes that may arise.
- 1.5. **Conflicts of Interests**.
- (a) Each Party recognizes that Provider personnel providing Services to Company under this Agreement may perform similar services for others, except as specified in the **Restricted Personnel Schedule** or as otherwise agreed to by the Parties. This Agreement shall not prevent Provider from performing similar services for others, subject to the restrictions set forth in this Agreement, including without limitation the **Technology Governance Schedule**, and **Article 10** and **Article 11** hereof. Except as provided in the immediately following sentence, Provider shall not without the prior written consent of Company use any of the assets owned, licensed or leased by Company on or after the Effective Date to perform services for others. Provider may, subject to the **Technology Governance Schedule**, use (i) any Company asset in the Shared Systems to provide services to [* * *] under the [* * *] in the normal course of business, and (ii) any Company asset in the commercial MVS, VM Test or FOS Shared Systems (and any related Connectivity Software) (only) to provide services to [* * *] under the [* * *] in the normal course of business, in either case unless such activity results in a Change.

- (b) During the Term of this Agreement, neither Party shall knowingly solicit any employee or subcontractor of the other Party or its Affiliates who is or was actively involved in the performance, provision or use of any of the Services, or knowingly hire any employee or subcontractor of the other Party or its Affiliates who is or was actively involved in the performance, provision or use of any of the Services, unless otherwise agreed in writing by the Parties and except as permitted upon termination or expiration as provided for in Section 13.4. Notwithstanding the foregoing, the Parties acknowledge and agree that this Agreement will not prohibit (i) any executive search or similar business controlled by Provider or by any of Provider's Affiliates from engaging in its business in the ordinary course on behalf of clients other than Provider or any Affiliate of Provider involved in the performance of the Services, (ii) solicitations through general public advertisements or other publications of general public circulation not targeted directly or indirectly at the other Party's employees, or (iii) the solicitation for employment or employment by one Party of a former employee or an individual subcontractor of the other Party who, at the date of such solicitation or employment, was not an employee or an individual subcontractor of such Party at any time during the previous twelve (12) months.

1.6. Alternate Providers.

- (a) Subject to the restrictions set forth in this Agreement, Company shall have the right during the Term to retain third party suppliers to perform any service, function, responsibility or task that is within the scope of the Services or would constitute New Services pursuant to Section 2.14, or to perform any such services, functions, responsibilities or tasks internally. In the event Company solicits bids from more than one third party supplier to perform a New Service, Company will provide Provider an opportunity to bid and compete for such New Service; provided, however, Company shall not be obligated to select Provider as the supplier of such New Service. Provider shall cooperate with any such third party supplier and Company as requested from time to time. Such cooperation shall include, without limitation, (i) providing reasonable physical and electronic access to the Facilities, the Data Centers and the technical documentation in the possession of Provider regarding the Company Business and/or the Services; (ii) providing such information regarding the operating environment, system constraints and other operating parameters as is reasonably necessary for the work product of the third party supplier of Company to be compatible with the Services and New Services (if any); (iii) performing integration services with respect to integrating any third party software or hardware into the operating environment supporting the Services in accordance with Section 3.3; and (iv) such other reasonable cooperation as may be requested by Company.
- (b) Provider's obligations under Section 1.6(a) shall be subject to the third party suppliers' and Company's compliance with reasonable Facilities and Data Center data and physical security and other applicable standards and procedures, execution of appropriate confidentiality agreements, and reasonable scheduling of computer time and access to other resources to be furnished by Provider pursuant to this Agreement.

- 1.7 Trinity. The Parties acknowledge that on November 28, 2006, Company assigned the Trinity Easement to HP Enterprise Services LLC, f/k/a EDS Information Services, L.L.C. ("TE Holder") ("2006 Assignment"). Company has expressed interest in using the Trinity Easement after the Effective Date, and the Parties agree to explore alternatives to provide Company with the use of the Easement, including possible assignment of the easement to Company if Provider no longer requires its use. "Trinity Easement" means that certain Easement Agreement dated December 22, 1998 entered into among The Sabre Group, Inc., Centreport Venture, Inc. and The City of Fort Worth, as more particularly described therein and in the 2006 Assignment.

- 1.8. Market Watch. At Company's request and expense on a time and materials basis, but no more frequently than once a year during the Term, Provider shall, as part of the Services, provide support for Company's market watch activities.
- 1.9. Transformation.
- (a) Provider shall enhance delivery of Services through the migration of Company environments to an enhanced managed network and an enhanced storage solution. Provider transformational activities are included as part of the Services and shall include those initial transformation activities described in the **Transformation Schedule** ("Initial Transformation Plan") (together with such other activities as are specified in any subsequent detailed plans as discussed below). Unless directed otherwise by Company, Provider shall perform transformation activities in accordance with the timeframes provided in the Transformation Plan. Detailed plans describing how such activities will be performed and implemented shall be drafted and proposed by Provider within the time frames specified in the Initial Transformation Plan and are subject to approval by Company. The amounts due for Provider's performance of the activities in the Transformation Plan are specified in **Section 10.0** of the **Charges Schedule**. Milestones and other terms and conditions associated with transformational activities binding on the Parties are set forth in the **Transformation Schedule**.
- (b) Subject to **Section 1.9(c)**, each Party agrees that only the following provisions of the Original Agreement shall survive the Effective Date (to the extent such provisions relate to periods prior to the Effective Date): **Section 1.9** (excluding subsection (a) thereof), **Article 9**, **Article 10**, **Article 11**, **Article 16**, **Article 18** and **Article 20** (the "Surviving Provisions"). The Parties acknowledge and agree that the description (including **Services and Support Responsibilities Schedule**), and performance standards (including the **Service Levels and Service Credits Schedule**) and payment obligations (including the **Charges Schedule**) in respect of, services provided by Provider through December 31, 2011 shall be governed by the Original Agreement, and that the corresponding terms under this Agreement shall commence effective 12:01 a.m., C.D.T., January 1, 2012; for the avoidance of doubt, all other terms of this Agreement take effect as of the Effective Date, including any limitations of liability which shall be governed by the terms of this Agreement as of the Effective Date even for claims related to the surviving provisions of the Original Agreement discussed in this **Section 1.9(b)**.
- (c) Provider hereby acknowledges and agrees that Company has paid any and all amounts owing in respect of the provision of "Services" or otherwise under the Original Agreement prior to the Effective Date hereof (whether "Charges", expenses or otherwise), except for the following (the "Remaining Payments"):
- (i) Invoices previously issued by Provider in respect of services rendered in December 2011.
- The Parties agree and acknowledge that Company (as part of the Surviving Provisions) retains its rights to dispute payment of the Remaining Payments under the terms of the Original Agreement. In addition, for the avoidance of doubt, the Parties acknowledge and agree that (i) Company has invoiced Provider for \$[* * *] in connection with property taxes associated with the Trinity facility ("Trinity Tax Payment"), (ii) Provider remains responsible to pay the Trinity Tax Payment, and (iii) the Trinity Tax Payment shall be deemed to be a Remaining Payment for purposes of this Agreement.
- (d) In consideration of the other terms of this Agreement, and in full satisfaction of all billing disputes (for example, and not by way of limitation, historic disputes regarding payment of milestone amounts associated with the transformation plan under the Original

Agreement) and all other amounts owed (other than the Remaining Payments or amounts associated with Surviving Provisions), now or in the future, by either Party to the other Party under the Original Agreement, Company has agreed to pay \$[* * *] (the “Transition Payment”) to Provider in immediately available funds within 10 days of the execution of this Agreement (upon receipt of such funds, Provider will give Company a receipt for the Transition Payment). The Parties agree and acknowledge that the Transition Payment is a net amount that reflects individual claims between the Parties and the payments by Company for the Pre-Paid TN Devices and Transferred Voice Assets, all as set forth in Attachment 4-F to the Charges Schedule.

- (e) Provider does hereby release, acquit, and forever discharge Company and each of its present and former employees, officers, directors, shareholders, partners, joint venturers, members, attorneys, experts, consultants, contractors, insurers, alter egos, agents, representatives, and any Affiliate, and all of its predecessors, successors and assigns, and each of them, from any and all known or unknown, actual or potential, suspected or unsuspected, claims, demands, actions, causes of action, damages, debts, obligations, promises, representations, warranties, grievances, arbitrations, charges, claims for attorneys’ fees, interest, expenses, costs, contracts, judgments, awards, orders, acts, omissions, rights, executions and liabilities, of any nature whatsoever, whether based on tort, contract, or other legal or equitable theories of recovery, whether or not asserted to date (“HP Claims”), based upon or otherwise arising in connection with the Original Agreement; provided that Provider does not release, acquit or discharge any such HP Claims solely to the extent that they arise under any of the Surviving Provisions or are Remaining Payments. For the avoidance of doubt, the release in this Section 1.9(e) does not apply to rights or claims arising under any other agreements between the Parties.
- (f) Company does hereby release, acquit, and forever discharge Provider and each of its present and former employees, officers, directors, shareholders, partners, joint venturers, members, attorneys, experts, consultants, contractors, insurers, alter egos, agents, representatives, and any Affiliate, and all of its predecessors, successors and assigns, and each of them, from any and all known or unknown, actual or potential, suspected or unsuspected, claims, demands, actions, causes of action, damages, debts, obligations, promises, representations, warranties, grievances, arbitrations, charges, claims for attorneys’ fees, interest, expenses, costs, contracts, judgments, awards, orders, acts, omissions, rights, executions and liabilities, of any nature whatsoever, whether based on tort, contract, or other legal or equitable theories of recovery, whether or not asserted to date (“SH Claims”), based upon or otherwise arising in connection with the Original Agreement; provided that Company does not release, acquit or discharge any such SH Claims solely to the extent that they arise under any of the Surviving Provisions or are Remaining Payments. For the avoidance of doubt, the release in this Section 1.9(f) does not apply to rights or claims arising under any other agreements between the Parties.

1.10. Transferred Voice Assets.

- (a) On the Effective Date, and in consideration of \$[* * *] as set forth in Attachment 4-F to the Charges Schedule, Provider hereby transfers all of its right, title and interest in the Transferred Voice Assets to Sabre Inc. or its designee(s) (including those designees listed in Attachment 4-C to Charges Schedule), free and clear of all Liens. If requested by Company from time to time, Provider shall generate invoices or sign bills of sale for Company designated Transferred Voice Assets.
- (b) As soon as possible after the Effective Date, Provider shall transfer or assign all of its right, title and interest in any and all licenses of Core TVA Software to Sabre Inc. or its designee(s), free and clear of all Liens, such that the relevant Transferred Voice Assets may be used post-Effective Date in the same manner as prior to the Effective Date. In any event, Provider shall take all actions necessary to secure Company’s right to use such

Core TVA Software in connection with the Transferred Voice Assets in the same manner as prior to the Effective Date, until such transfer or assignment. Provider shall pay all costs and expenses (including transfer fees) incurred by either Company or Provider in connection with any such transfer or assignment.

- (c) Notwithstanding the transfer of the Transferred Voice Assets and the use, transfer and/or assignment of related Software, Provider acknowledges that it remains responsible to provide maintenance and other Services as specified in the **Services and Support Responsibilities Schedule** for the Transferred Voice Assets and related Software.
- (d) **Attachment 4-C** to the **Charges Schedule** sets out all costs and expenses associated with the Transferred Voice Assets (including refresh costs) during the Term. Provider shall indemnify and hold harmless Company from all costs and expenses, Liens and other claims of third parties, and associated Losses, arising out of the transfer and use of the Transferred Voice Assets and the use, transfer and/or assignment of any associated Software other than those set forth in **Attachment 4-C**. The Transferred Voice Assets are sold without any express or implied warranties except for the warranty of title that Provider hereby provides.

ARTICLE 2. THE SERVICES

2.1. **Obligation to Provide Services.** During the Term, Provider shall provide the Services to and perform the Services for Company. As part of the Services, Provider shall comply with the reporting requirements specified in the **Reports Schedule**. The Parties shall update the Procedures Manual in accordance with the **Policies and Procedures Manual Schedule**. In the event of any conflict between this Agreement and the Procedures Manual, the provisions of this Agreement shall control. Provider may provide to Company any additional services that fall outside the scope of the Services as Company may reasonably request in writing from time to time during the Term. The Parties shall reach agreement regarding the nature, scope and location of such services, the period of time during which such services will be provided, and the basis upon which Provider will be compensated therefor in accordance with the applicable provisions of this Agreement and the Contract Change Control Process. Provider would not be obligated to provide a Service in the case of (i) the inability or impracticality of providing such Service in a geographic area outside the United States in which Provider does not have sufficient presence, corporate infrastructure or information technology technical infrastructure to support effectively the requested Service (provided however that this provision shall not apply to Service Locations existing as of the Effective Date), or (ii) regulatory prohibitions or Force Majeure Events preventing Provider's performance of such Service.

2.2. **Affiliate Participation.**

- (a) If Company acquires any additional Affiliates or other operations or assets during the Term or elects to have Affiliates that are neither listed on the **Affiliates Schedule** nor receiving Services as of the Effective Date or other operations or assets procure Services under this Agreement after the Effective Date (each an "**Additional Affiliate**") and desires that Provider provide the Services for such Additional Affiliate, Provider will provide such Additional Affiliate with Services in substantially the same manner as specified in this Agreement, subject to additional reasonable charges if acceptance of such responsibilities by Provider would require Provider to incur additional one-time incremental costs agreed to by the Parties, including, without limitation, start-up costs, transition costs, software and hardware acquisition costs. Provider shall meet the Service Levels set forth in the **Service Levels and Service Credits Schedule** for Services provided to such Additional Affiliate, unless, with respect to a Service provided to such Additional Affiliate in a new location, (i) the Services provided to Company would be materially adversely impacted, or (ii) for good cause and reason, Provider cannot meet

such service levels. In such event, the Parties will negotiate in good faith a reasonable transition period (not to exceed one hundred eighty (180) days) during which such Service Levels will not apply to Services provided to such Additional Affiliate, but after which all the Service Levels will apply to such Services. With respect to any New Service to be provided by Provider to such Additional Affiliate, if two hundred seventy (270) days of historical data relating to such New Service exists (such data to be verified consistent with the procedures set forth in the **Service Levels and Service Credits Schedule**) and Provider acquires or has access to the assets and personnel required to properly operate and perform such New Service, Provider will meet any performance standards or other service levels previously met by such Additional Affiliate (or its service providers) for such New Service, unless for good cause and reason, Provider cannot meet such service levels. In such event, the Parties will negotiate in good faith a reasonable transition period (not to exceed two hundred seventy (270) days) during which such performance standards will not apply with respect to such New Service, but after which all such performance standards and other service levels will apply to such New Service.

- (b) If Company divests or no longer controls one or more Affiliates or other operations or assets that were receiving Services under the Agreement (each a "**Former Affiliate**"), at Company's request, Provider shall continue to provide the Services to Company and to such Former Affiliate during the Divestiture Period (as defined below) pursuant to a subcontract between Company and such Former Affiliate. The Parties agree that Company shall have the right to subcontract the Services to such Former Affiliate, provided that Company shall be responsible for such Former Affiliate's compliance with the provisions of this Agreement. Provider shall provide such Services on the same terms and conditions (including, but not limited to, the same pricing) as stated in this Agreement, subject solely to allocation of reasonable incremental charges (e.g., account management) agreed to by Company and Provider and the provision of any New Service agreed to by Company and Provider in accordance with **Section 2.14**. The amount of Services provided to Company on behalf of such Former Affiliate will be consolidated with the amount of other Services provided to Company for the purposes of calculating the Charges to be charged by Provider to Company for a period of time to be determined by Company not to exceed [* * *] after the closing date of such transaction (the "**Divestiture Period**"). During such Divestiture Period, Provider and such Former Affiliate shall negotiate in good faith a new contract between Provider and the Former Affiliate as soon as is reasonably practicable.

2.3. **Third Party Participation.** All Authorized Users, including Participating Third Parties, shall be entitled to use the Services to support the Company Business. Company shall use commercially reasonable efforts to assist Provider in gaining access to any Participating Third Party site where any Travel Network Billable Device is located solely to the extent such access is available to Company under a written agreement with such Participating Third Party (subject to any restrictions therein) and is necessary for Provider to perform the Services. A cessation of relationship between Company and a customer where a Travel Network Billable Device is located shall be deemed a request to de-install with respect to such Travel Network Billable Device.

2.4. **Service Levels; Reporting.** Provider agrees that its performance of the Services will meet or exceed each of the applicable Service Levels set forth in the **Service Levels and Service Credits Schedule** to this Agreement, subject to the limitations and in accordance with the provisions set forth in this Agreement. In addition, all Services without expressly defined Service Levels will meet or exceed acceptable industry standards for leading information technology services providers and will be performed at service levels that meet or exceed the level of service provided to Company during the twelve (12) month period immediately prior to the Effective Date. Provider will measure its performance of the Services relative to the Service Levels in accordance with the **Service Levels and Service Credits Schedule**.

2.5. Failure to Perform; Service Levels Remedies.

- (a) Provider's failure to meet any of the Service Levels shall entitle Company:
 - (i) to receive Service Credits in amounts and pursuant to the framework set forth in the **Service Levels and Service Credits Schedule** to this Agreement; and
 - (ii) to seek any non-financial remedies set forth in this Agreement.
- (b) Each time Provider fails to meet a Service Level, Provider shall:
 - (i) investigate, assemble and preserve pertinent information with respect to, and report on the causes of, the problem, including performing a root cause analysis of the problem(s);
 - (ii) advise Company, to the extent requested by Company, of the status of remedial efforts being undertaken with respect to such problem;
 - (iii) take action to minimize the impact of and correct the problem(s) in order to meet the Service Level; and
 - (iv) take appropriate preventative measures with the objective of ensuring the problem does not recur.

2.6. Non-exclusive Remedies. Provider acknowledges and agrees that (a) the Service Credits shall not be deemed or understood to be liquidated damages and (b) neither the Service Credits nor any express non-financial remedy hereunder shall be deemed or understood to be a sole and exclusive remedy or in derogation of any other rights and remedies Company has hereunder or otherwise at law or at equity.

2.7. Long-Range IT Plan. The Parties shall use the Long-Range IT Plan and monthly technology roadmap meetings described in **Exhibit 2.2** of the **Services and Support Responsibilities Schedule** to review Company's technical and operational strategies and technical architecture in light of the evolution of technology and the Company Business. In addition to other topics set forth elsewhere in this Agreement, during monthly technology roadmap meetings Provider will provide timely input to Company regarding industry trends with respect to the Services. In addition, Provider shall monitor new technology and business process evolutions that may be applicable to, or of interest to, Company and advise Company on such technology and business process evolutions at least semi-annually.

2.8. Disaster Recovery Services. Provider will provide Disaster Recovery Services in accordance with the **Services and Support Responsibilities Schedule** and will comply with the terms and conditions of the **Business Recovery Services Schedule** and the **Disaster Recovery Facilities Schedule**.

2.9. Audits. Provider will assist Company in meeting its audit and regulatory requirements as and to the extent described in the **Audit Procedures Schedule** to this Agreement.

2.10. Reduction or Increase in Requirements.

- (a) During the Term, Provider shall fulfill Company's resource requirements with respect to the Services. Company will not be obligated to provide Provider with a forecast of any of its resource requirements except as expressly set forth in any Schedule to this Agreement; provided, however, that Company will provide Provider with reasonable advance notice of changes that Company intends to make in its business model or business operations that could reasonably be expected to materially impact the Services or resource requirements to support such Services.
- (b) The Charges shall not be changed as a result of any deviation in Company's utilization of any billable Resource Unit from the relevant Resource Baselines, except to the extent provided in the **Charges Schedule**.

2.11. Regulatory Compliance.

- (a) As part of the Services, Provider will comply in all material respects with the laws and regulations applicable to Provider in its capacity as an information technology services provider and a processor of data, including those described in the **Data Privacy and Security Procedures Schedule**, (the "Provider Regulatory Requirements") to the extent that Provider is required to comply with the Provider Regulatory Requirements in the performance of its obligations under this Agreement. If Provider receives an official charge of non-compliance from a governmental entity with respect to the performance of Provider's obligations under this Agreement, Provider will promptly notify Company of such charge in writing. Company will comply in all material respects with the laws and regulations applicable to Company in its capacity as an information technology services user and as a CRS and a controller of data (the "Company Regulatory Requirements") to the extent that Company is required to comply with the Company Regulatory Requirements in its utilization of the Services. If Company receives an official charge of non-compliance from a governmental entity with respect to the Company Regulatory Requirements as they relate to Company's utilization of the Services, Company will promptly notify Provider of such charge in writing.
- (b) Provider will comply with all applicable laws and regulations regarding minimum wage, living conditions, overtime, working conditions, and all other applicable labor and environmental laws and regulations. Provider further agrees (i) that it will not use any child labor, prison inmates, convicted felons, or criminals, nor shall they contract with any prison system to perform any Services required under this Agreement, and (ii) the Equal Opportunity and Affirmative Action Clauses of 41 CFR 60-1.4, 60-250, 60-300.5, and 60-741 will be incorporated herein by reference. Provider will also agree to take the following actions as required or appropriate: file all forms and documents, including Standard Form 100 (EEO-1)(60-1.7) and prepare written affirmative action programs (60-1.40, 60-250.40, 60-300.40, 60-741.40).
- (c) Provider represents that it is an equal opportunity employer, as described in Section 202 of Executive Order 11246, dated September 24, 1976, as amended, and as such agrees to comply with the provisions of said Executive Order and its implementing regulations during the performance of this Agreement.
- (d) Provider will comply with the affirmative action requirements of Part 60-741.4 Title 41, Code of Federal Regulations, with respect to individuals with disabilities during the performance of this Agreement.
- (e) Provider will comply with the affirmative action requirements of Part 60-250.4 and-3004 Title 41, Code of Federal Regulations, with respect to Disabled Veterans and Veterans of the Vietnam Era, Recently Separated Veterans, and Other Protected Veterans during the performance of the Agreement.
- (f) Provider will comply with the provisions of Executive Order 11625 and its implementing regulations with respect to the utilization of minority business enterprises during the performance of the Agreement.
- (g) As part of the Services, and at no additional charge by Provider to Company, Provider and Company will cooperate to identify the impact of changes in applicable laws and regulations on Provider's ability to deliver the Services and Company's ability to use the Services. Company may submit to Provider findings and recommendations regarding compliance by Provider with applicable laws and regulations, which Provider will analyze and consider in good faith. Provider shall promptly respond to Company

regarding Provider's evaluation and activity plan for such findings and recommendations. Provider shall promptly make any resulting modifications to the Services, as reasonably necessary as a result of such changes through the Contract Change Control Process. With respect to any such modifications in applicable laws and regulations, (i) Company will bear all costs required by changes in applicable laws and regulations to the extent such changes impact Company's role as a CRS, controller of data or user of the Services and (ii) Provider will bear all costs required by changes in applicable laws and regulations to the extent such changes impact Provider's role as an information technology services provider or a processor of data. Provider shall be responsible for any fines and penalties imposed on Provider and Company arising from any noncompliance with such laws and regulations by Provider, its agents, subcontractors, or third party product or service providers, unless such noncompliance was caused by Company, its agents or Authorized Users. Company shall be responsible for any fines and penalties imposed on Provider and Company arising from any noncompliance with such laws and regulations by Company, its agents, Authorized Users, or third party product or service providers, unless such noncompliance was caused by Provider, its Affiliates, agents or subcontractors.

2.12. Use of Subcontractors.

- (a) Provider may not subcontract to one or more Third Parties (through one or more agreements) with respect to performance of Services:
- (i) In any one Service Tower (other than the Cross-Functional Service Tower) for fees in any [* * *] in excess of [* * *] of the Charges associated with such Service Tower (excluding amounts for Pass-Through Expenses and Re-Sale Expenses, taxes, any transition fees for any New Services, and Winddown Expenses (if any)) during such period; or
 - (ii) In the Cross-Functional Tower, for fees in excess of \$[* * *] in [* * *],

in either case, without the prior written approval of Company. Each subcontract in excess of such threshold shall require such Company approval; provided that with respect to the Project and Labor Service Tower, Independent Programmer Subcontracts shall not require prior Company approval. If Provider desires to enter into a subcontract with a Third Party in connection with the performance of the Services, Provider will give Company written notice specifying the identity, qualifications and scope of the proposed contractor. Subcontractors approved by Company as of the Effective Date and their permitted functions are set forth in the **Approved Subcontractors Schedule**. Company may withdraw its approval of a subcontractor upon Notice to Provider if Company determines that the subcontractor is, or will be, unable to effectively perform its responsibilities or if the subcontractor is in material breach of this Agreement. Upon any such withdrawal of approval, Provider shall transition all Services away from such subcontractor to Provider employees or an approved subcontractor(s) within 30 days of receipt of Notice of Company's withdrawal of approval.

- (b) Provider shall remain primarily liable and obligated to Company for the timely and proper performance of all of its obligations hereunder even if such obligations are subcontracted or otherwise delegated to third party subcontractors, and for the proper and timely performance and actions of any person or entity to which it delegates or subcontracts any such obligation. Provider will be responsible for making any and all payments to subcontractors. With respect to all subcontracts entered into, amended or renewed by Provider after the Effective Date, Provider will cause such subcontracts to include provisions equivalent to those in this Agreement between Company and Provider with respect to the Service Locations; intellectual property rights; audit rights; confidentiality; warranties, and any other material terms and conditions affecting or relating to the subcontractors' provision of Services. Provider will require all

subcontractors to adhere to the standards, policies, and procedures in effect at the time, whether these are Company's or Provider's. Provider shall not disclose Company's Confidential Information to a subcontractor until such subcontractor has executed an appropriate nondisclosure agreement approved by Company. With respect to any subcontracts for Services dedicated solely to Company, Provider shall, and with respect to all other subcontracts Provider shall use commercially reasonable efforts, in any new, amended or renewed agreement between Provider and a subcontractor to specifically provide that Company may take an assignment of the agreement from Provider without payment of a fee or other penalty in the event that (i) this Agreement is terminated or expires, or (ii) Provider is in material breach of this Agreement.

- 2.13. Projects. From time to time during the Term and in accordance with the Projects Schedule, Provider will perform any and all projects related to the Services for Company at Company's request at the rates and other charges set forth in the Charges Schedule. Company will require any development projects to be completed on time and in accordance with the statement of work for each such project.
- 2.14. New Services.
- (a) If Company requests Provider to perform an additional function, responsibility or task other than the Services that requires resources for which there is no current Resource Unit or charging methodology (i.e., such function, responsibility or task is not included in the Charges or is not charged separately under another methodology other than this New Services provision), such additional function, responsibility or task may be considered a "New Service".
 - (b) Promptly after receiving each request for New Services from Company, Provider will either (i) provide Notice to Company that Provider will not bid on the New Services or (ii) provide a written quote to Company, at no charge to Company, setting forth the net increase or decrease in the Charges and/or other charging methodologies, if any, that will be attributable to such New Services, and the ramifications and impacts of such New Services on the Services. The Parties agree that any labor component of any New Service charged on a time and materials basis will be charged to Company at the rates set forth in the Charges Schedule, provided that the appropriate skill sets are included in such Schedule. If the appropriate skill sets are not included in the Charges Schedule, the Parties will mutually agree upon an appropriate rate. Upon receipt of such quote and other documentation, Company may then elect to have Provider perform the New Services, and the charging methodologies will be established and/or adjusted to reflect such New Services. Notwithstanding the foregoing, nothing herein shall be deemed to obligate Company to provide Notice of New Services to, or obtain New Services from, Provider.
 - (c) The Parties agree that changes during the Term in functions, responsibilities and tasks that are within the scope of the Services will not be deemed to be New Services, if such functions, responsibilities and tasks evolved or were supplemented and enhanced during the Term by Provider in its sole discretion or pursuant to the provisions of the Agreement.
 - (d) If the Parties cannot agree that a function, responsibility or task is a New Service, Provider shall nevertheless perform the disputed function, responsibility or task if requested by Company and the Parties shall promptly initiate the Dispute Resolution Process. Notwithstanding the foregoing, if a good faith dispute exists between the Parties regarding whether such function, responsibility or task falls within the definition of a New Service, Provider shall not be required to incur any out-of-pocket expenses, acquire

assets, engage personnel, or otherwise expend capital in excess of [* * *] outstanding at any one time. If at the end of the Dispute Resolution Process such function, responsibility or task is deemed to be a New Service, Provider shall adjust the next invoice sent to Company to reflect the agreed upon pricing for such New Service from the date Provider began performing the New Service.

2.15. Location of Services.

- (a) Provider shall support, and provide Services to, Service Locations from Provider's Facilities.
- (b) All Services that will be provided from Off-Shore Facilities are listed on the **Off-Shore Facilities Schedule** together with the relevant Off-Shore Facilities where Services will be provided. No Services will be provided in any Off-Shore Facility without the prior consent of the Company, in its sole discretion, unless and to the extent specified on the **Off-Shore Facilities Schedule**. Provider will be responsible for obtaining any and all necessary approvals, and for complying with any and all necessary approvals, and for complying with any and all applicable laws, statutes, rules and regulations including any export and import control laws and regulations associated with providing Services from an Off-Shore Facility, in each case to the extent applicable to Provider. Company may withdraw its approval of an Off-Shore Facility upon Notice to Provider. Upon any such withdrawal of approval, (i) Provider may not increase the Services performed at such facility, and (ii) Provider and Company shall meet within 15 days of Company's Notice to discuss the potential transition of all Services away from such location to a Company approved site(s), including transition period and potential costs. After such meeting (but in no event later than 90 days after such meeting), Provider shall promptly prepare a transition plan that provides for such transition as rapidly and in a cost effective manner as practicable under the circumstances. Company acknowledges that any such transition period shall be a reasonable length of time, given the relevant Services and Provider's other obligations hereunder. If after review of Provider's transition plan, Company elects to proceed with such transition, the Parties will document a service request for such relocation and Company shall be responsible for all reasonable incremental costs of Provider incurred in connection with any such transition of facilities. If the Company elects not to proceed with such transition, such Off-Shore Facility shall continue to be permitted under this Section 2.15(b), but only to the extent of the Services provided on the date of Company's Notice to Provider withdrawing approval of such facility.
- (c) At any time during the Term, Company may add, change or remove a Service Location and, in accordance with the **Services and Support Responsibilities Schedule**, Provider shall assist Company with such addition, change or removal. Provider will not relocate any infrastructure, hardware, software and other system components used in connection with providing the Services from the Data Centers without the prior written consent of Company. In connection with any proposed relocation, Provider shall address in writing to Company the impact of any such move on Company (including cost and timing of any such move and any potential impact of such move on the Disaster Recovery Services). Provider shall be responsible for paying any costs to Company (including any Taxes) directly associated with the relocation of the resources outlined above used to provide the Services to Company (including any increase or change to the Taxes for which Company is responsible under this Agreement).
- (d) During the Term, and at no cost to Company, and upon reasonable request from an authorized Company representative, Provider will provide Company and Company's customers and prospective customers with reasonable access upon prior Notice to the portion of the Facilities used by Provider to provide and perform the Services (including, without limitation, the Data Centers) in order for Provider, in conjunction with a Company representative, to provide tours of such portion of the Facilities in support of Company, which tours shall be performed at the same level and in the same manner as provided by Provider to its customers and prospective customers.

- (e) Provider will operate and maintain the Data Centers during the Term in accordance with the following:
 - (i) Provider will (1) maintain the CDC Data Center as an HP Tier 3 Data Center (as defined herein) and (2) remediate the Mingo DC to an HP Tier 3 Data Center by December 31, 2012, and thereafter maintain the Mingo DC at that level.
 - (ii) In order for the Provider to successfully meet its obligations for operation and maintenance of the Data Centers as provided herein and the remediation of the Mingo DC, as set forth in the preceding subsection, Provider will provide Company with advance written Notice of the change windows reasonably necessary for Provider to complete such required changes (“Tier 3 Changes”) to the Data Center in accordance with the processes in Exhibit 2.1 of the **Services and Support Responsibilities Schedule**. If the Provider requested change windows for these Tier 3 Changes will not unreasonably disrupt Company operations (e.g., no Tier 3 Changes during a Company customer migration, material Application changes or annual disaster recovery drills), Provider will have sole discretion to implement these Tier 3 Changes within the specified change windows, after due consideration of concerns communicated to Provider by the Company.
 - (iii) Upon reasonable request from Company, Provider will provide Company with data to substantiate that the Data Centers are meeting the obligations set forth herein. Provider will not be obligated to certify compliance with the obligations.
 - (iv) If Provider decides (for its own purposes) to change its designation of any of the Data Centers to a level below tier 3, prior to effecting that change in designation, Provider will provide at least 90 days’ prior Notice to Company and an opportunity to discuss the rationale for the change.

2.16. **Technology Governance.** The Parties shall comply with the **Technology Governance Schedule**.

2.17. **Customer Satisfaction Survey.**

- (a) Within ninety (90) days after the Effective Date, Provider will select an independent Third-Party and finalize a process for conducting customer satisfaction surveys, both subject to Company’s approval. Such Third Party will conduct a baseline customer satisfaction survey within that ninety (90) day period. Additional customer satisfaction surveys will be performed in accordance with the **Customer Survey Schedule**; such surveys may be performed by Provider or an independent Third Party, at Company’s option.
- (b) Increasing measures of customer satisfaction will be used by Provider as a key performance factor in determining the incentive compensation of Provider’s Key Personnel and such other account personnel as appropriate.
- (c) Company may identify the customer satisfaction measure as part of a balanced scorecard of Provider’s performance under this Agreement.
- (d) Provider will be responsible for all costs associated with conducting the customer satisfaction surveys and the customer satisfaction survey process described in this **Section 2.17** and the **Customer Survey Schedule**.
- (e) From time to time and at the sole discretion of the Company, additional customer satisfaction surveys limited to particular divisions, units, or Affiliates may be requested

upon Notice to Provider, provided that Company shall bear the reasonable, incremental costs associated with such surveys to the extent Company requests more than one such additional surveys in any calendar year. Any such additional survey will be performed in accordance with the **Customer Survey Schedule**, and may be performed by Provider or an independent Third Party, at Company's option.

ARTICLE 3. TECHNOLOGY PLATFORMS

3.1. Third Party Agreements.

- (a) [Reserved.]
- (b) For Equipment leases, Software licenses or Third Party Agreements for which, under the FRM, Provider has financial responsibility but Company retains legal responsibility, Company shall exercise termination or extension rights as directed by Provider, after consultation with Company, provided that Provider shall be responsible for the costs, charges and fees associated with the exercise of such rights. To the extent that Company provides Provider with access to or use of leased Equipment, licensed Software or Third Party Agreements for which the Company retains legal responsibility, Provider will comply with all the obligations of such leases, licenses and Third-Party Agreements. Provider will cease use of such items upon expiration or termination of this Agreement.

3.2. No Consents. There are no assignments of any contracts requiring a consent in connection with this Agreement. If any required consent is subsequently identified after the Effective Date, the Parties shall cooperate with each other in obtaining such consent or achieving a reasonable alternative arrangement that will permit the Services to continue without interruption or degradation unless and until such consent is obtained.

3.3. Integration. Provider shall, as part of the Services:

- (a) Ensure, for any Provider initiated changes to Company's systems, the Services and/or how the Services are performed, that all Services, equipment, networks, Software, enhancements, upgrades, modifications, and other resources (collectively, the "**Resources**") utilized by Provider or approved by Provider for utilization by Company in connection with the Services, shall be successfully integrated and interfaced, and shall be compatible, with the services, systems, items, and other resources (collectively, the "**Third-Party Resources**") that are being provided to, recommended to, or approved for use by, the Company by third-party service providers. For Company initiated changes (either directly or through third party service providers) to Company's systems, the Services and/or how the Services are delivered, Provider has the same integration and interface obligations set forth above, provided that (i) the relevant Resources are compatible with Third-Party Resources, or (ii) if Company has instructed Provider to proceed with the changes after notification from Provider of incompatibility, Company shall compensate Provider on a time and materials basis for any incremental costs to address the incompatibility in accordance with the **Charges Schedule** (all other Services in this Section 3.3(a) are covered by the Base Charges).
- (b) Ensure, for any Provider initiated changes to Company's systems, the Services and/or how the Services are delivered, that none of the Services or other items provided to Company by Provider shall be adversely affected by, or shall adversely affect, those of any such third-party providers, whether as to functionality, speed, service levels, interconnectivity, reliability, availability, performance, response times, or similar measures. For Company initiated changes (either directly or through third party service providers) to Company's systems, the Services and/or how the Services are delivered, Provider has the same obligations set forth above to ensure nothing is adversely affected, provided that (i) the relevant Resources are compatible with Third-Party Resources, or

(ii) if Company has instructed Provider to proceed with the changes after notification from Provider of incompatibility, Company shall compensate Provider on a time and materials basis for any incremental costs to address the incompatibility in accordance with the **Charges Schedule** (all other Services in this **Section 3.3(b)** are covered by the Base Charges). Subject to the preceding sentence, to the extent that any interfaces need to be developed or modified in order for the Resources to integrate successfully, and be compatible, with the Third-Party Resources, Provider shall develop or modify such interfaces.

3.4. **Agency.**

- (a) Company appoints Provider as the agent of Company, and Provider accepts such appointment as a part of the Services, for the limited purposes of administering, managing, supporting and operating, billing and purchasing under the agreements listed on the **Managed Agreement Schedule** (the "**Managed Agreements**"). With respect to the Managed Agreements, Provider shall audit and reconcile all invoices provided by such third party service providers (which shall include determining Company's allocated portion of such invoice for any Managed Agreement that is used by Company or Provider to perform services for any third party) and provide such audited invoice to Company for payment within the timeframes provided in the applicable Managed Agreements.
- (b) Provider will perform its obligations and responsibilities as an agent under the Managed Agreements subject to the provisions of this Agreement. Upon Company's request, Provider will provide to Company all material information and documentation related to its activities as Company's agent with regard to the Managed Agreements.
- (c) Company may terminate or provide additional restrictions on Provider's agency appointment with respect to the Managed Agreements at any time in Company's discretion, provided that such action does not adversely affect Provider's provision of the Services or increase Provider's costs, unless, at Company's option, Company agrees to compensate Provider for any such increase in Provider's costs. Without limiting the generality of the foregoing, at any time and in accordance with the **Charges Schedule**, Company may add any third party agreement to the list of Managed Agreements in the **Managed Agreements Schedule**. Furthermore, subject to the first sentence in this subsection (c), at any time, Company may remove any third party agreement from the list of Managed Agreements, provided that such agreement is not used by Provider to provide services to any Assigned Customer.

3.5. **zTPF Migration.** Provider and Company will work together to complete the migration of the PSS (Passenger Services System) from TPF 4.1 to the zTPF environment ("**PSS zTPF Project**") as follows:

(a) **General.**

- (i) Provider and Company recognize the PSS zTPF Project has been in work for a significant period of time, with an established structure and PSS zTPF Project migration plan ("**zTPF Plan**"). The Parties also recognize due to the large and complex nature of the PSS zTPF Project, at times normal processes may need to be flexible to accommodate the nature of the PSS zTPF Project and will work together to accommodate the project needs.
- (ii) Throughout the remainder of the PSS zTPF Project, Provider and Company will agree on appropriate project information to be communicated to AA to ensure that AA understands its role in the completion of the migration of PSS to the zTPF environment in accordance with the zTPF Plan. In the event of any disagreement on schedules, approach or other matter between Company and AA regarding the PSS migration to zTPF, Company shall be responsible for obtaining AA's agreement, with assistance from Provider as required.

- (iii) Provider and Company will work together to optimize the scheduling process in connection with the zTPF Plan and the schedule changes that naturally occur with a large, complex program.
 - (iv) Where Company may be financially responsible for increased costs hereunder, Provider and Company will work together, and Provider will use all commercially reasonable measures to negotiate with vendors (e.g. IBM, EMC) to reduce potential costs and exposure of the Company associated with the migration and the use of the PSS infrastructure.
 - (v) Provider will be flexible and cooperative in order to maintain the schedule according to the zTPF Plan, including but not limited to modifying normal operating processes to accommodate the zTPF migration and associated activities. If accommodating the necessary flexibility will create substantial risk to the operational stability of the TPF 4.1 or zTPF infrastructure for PSS, Provider and Company shall negotiate in good faith to agree upon risk mitigation measures or accept the risk.
 - (vi) Issues and disputes between Company and Provider in connection with the zTPF migration for PSS will be escalated to program leaders as immediately as reasonably practical, and if leaders cannot resolve the issues in an expeditious manner, they will be escalated to executive levels in the Parties on an expedited basis under Section 2.2(d) of the **Dispute Resolution Schedule** in order to resolve issues with minimal or no impact to the schedule for the zTPF Plan.
 - (vii) If the schedule of completion slips from the schedule under the zTPF Plan, Provider will not impose migration blackout windows that would further delay the migration unless a migration blackout date is required to maintain the operational stability of the TPF 4.1 or zTPF infrastructure for PSS. In such event, Provider will notify Company of the need for a blackout period and the reasons it is required. Any such blackout periods shall be timed to minimize the impact on the overall schedule of the zTPF Plan to the extent feasible.
 - (viii) From March 30 through May 31, 2012, Provider and Company will manage the activities associated with the zTPF migration on an on-going dynamic basis so that, as necessary, activities under the zTPF Plan can be shifted between days as needed to complete the migration on schedule. If the PSS zTPF migration is not complete by May 31, 2012, this process will continue for the next migration period. If management of the activities in this fashion will create substantial risk to the operational stability of the TPF 4.1 or zTPF infrastructure for PSS, Provider and Company shall negotiate in good faith to agree upon risk mitigation measures or accept the risk.
- (b) Financial Responsibility. Without limiting the financial responsibilities of Provider and Company described elsewhere in the Agreement, in the event that the zTPF migration for PSS is not completed by June 1, 2012, then Company and Provider will have the following specific financial responsibilities associated with the continued use of TPF 4.1 from and after June 1, 2012:
- (i) Company shall be financially responsible for the following (in each case as needed after June 1, 2012 until the completion of the PSS zTPF migration for PSS):
 - (1) [* * *]
 - (2) [* * *]

(ii) Provider will be responsible for providing labor support required to complete all hardware and software upgrade activities and the remaining Provider PSS zTPF migration activities at no additional cost to Company.

[* * *]

(c) Duty to Mitigate. In order to minimize Company's financial responsibility as provided above, Provider will work with Company wherever feasible as follows:

(i) Provider will consult with Company in advance of purchases required, including consultation on type and amount to be acquired and appropriate vendor;

(ii) Provider will make every reasonable effort to acquire equipment that can be used on a go forward basis (i.e. rather than acquiring equipment that can only be used on a limited or short-term basis); in the event equipment can be used on a go-forward basis, Company will only be responsible for any incremental costs of this equipment versus equipment that would be purchased under the normal course of refresh activity;

(iii) To the extent applicable, Provider will provide Company with a choice of options on such purchases;

(iv) If Company disagrees with a Provider selection, Company may escalate the disagreement as a "Dispute" in accordance with the Agreement, and

(v) In event of disagreement between Provider and Company on equipment purchases, Provider must be able to demonstrate to Company that the Company's choice will have a material adverse impact on Provider's ability to perform the Services.

(d) Provider Responsibility for Failure to Complete Migration. If the Parties fail to complete the PSS zTPF migration by April 30, 2012, and the failure is the result of a HP Delay, then Provider will pay Company a one-time service credit of \$[* * *] on the May 15 bill. The amount of such service credit paid by Provider will be refunded by Company if the Parties are able to complete the PSS zTPF migration by June 1, 2012.

(e) Financial Responsibility of VM Test for Failure to Complete WNP Migration. In addition to the PSS zTPF Project, the Parties are migrating WNP from TPF 4.1 to zTPF. The Parties plan to complete that migration by March 31, 2013. Company acknowledges that Provider is required to maintain additional licenses for TPF 4.1 related to the use of the VM Test environment for WNP. Provider is bearing the cost of these additional

licenses through March 31, 2013, but if the migration is not complete by that date, except in the case of a HP Delay, Company will thereafter be responsible for Company's portion [* * *]

- (f) IBM TPF 4.1 Extended Support for FOS, FPC and WNP. In addition to the financial responsibilities related to PSS and VM Test for WNP as set forth above in this Section 3.5, starting in January 2012, Company shall be responsible for Company's share of [* * *]

3.6. Technology Refresh. Provider will refresh software and other technologies in accordance with the Technology Refresh Schedule; provided, however, that Company shall be entitled to direct Provider in Company's sole discretion to waive, delay or otherwise change the priority of any refresh otherwise required under the Technology Refresh Schedule. Company is not obligated to refresh technologies in accordance with the Technology Refresh Schedule (i.e., the refresh periods set forth in the FRM that are the responsibility of Company are non-binding recommendations, not contractual commitments). Company will reimburse Provider for reasonable labor charges to the extent incurred as a result of Company's waiver, delay, or other change in priority of any refresh that is allocated to Company under the FRM after Company has instructed Provider to take actions to prepare for such refresh.

3.7. Technology.

- (a) At least once per year or as requested by Company, Provider shall meet with Company to (i) explain how the systems Provider operates in connection with the Services work; (ii) explain how the Services are provided; and (iii) provide such training and documentation as Company may require for Company to understand and operate such systems, and understand and provide the Services after the expiration or termination of this Agreement.
- (b) Provider shall, as part of the Services, support Company's technical and operational strategies, which responsibilities shall include (i) monitoring, identifying, evaluating and counseling Company at monthly technology roadmap meetings with respect to emerging and leading edge technologies, platforms and architectures and implementation and utilization of the same in Company's environments and/or the Services, (ii) using commercially reasonable efforts to share information, opportunities and access with Company to conferences, engagements and other avenues relating to such emerging technologies, platforms and architectures (including corporate partnerships, reseller arrangements and Provider arrangements in which Company could participate), and (iii) complying with Company's product requirements, and Company's technological and operational architectures, as each may be amended by Company from time to time.
- (c) Other than as set forth in the FRM, Provider will be neutral in evaluating and implementing third party platforms and systems, as compared with its proprietary

platforms and systems. Without limiting the generality of the foregoing, whenever Provider submits a proposal for use of new platforms or systems that are proprietary to Provider, unless otherwise agreed by Company, Provider shall also submit proposals contemplating the use of alternative platforms or systems of at least two other vendors, and will fairly represent the merits of all of the solutions presented with the objective of finding the right solution for Company.

- (d) Provider shall perform the Services using generally acknowledged technological advancements and improvements in the methods of delivering the Services, and to the extent required by the **Charges Schedule**, continue to evolve and change over time its current technologies and business processes used to provide the Services such that, at a minimum, such technologies and processes are consistent with the best practices of a leading information technology outsourcing provider. Provider shall be responsible for the effort and costs (including capital costs) associated with the implementation of such technological advancements and improvements unless and to the extent (a) any such technological advancement and/or improvement constitutes a New Service, or (b) Company requests that an item covered by the **Technology Refresh Schedule** be refreshed/implemented more quickly than provided in the **Technology Refresh Schedule**, and in each case, only if and to the extent additional Provider personnel and/or other resources are required to do so in the desired timeframe.
- (e) At Company's request, no more than once per calendar year during the Term, Provider will conduct an audit of its technology and business processes in relation to leading information technology outsourcing industry practices. If the audit reveals that Provider's technologies and business processes are not at the level of industry best practice, Provider will implement a plan, subject to Company's prior approval, to implement the identified best practices within a timeframe acceptable to Company.
- (f) Provider will support all infrastructure and other tools that are necessary to support the Services. Without limiting generality of foregoing, Provider agrees to implement applicable tool upgrades for use in providing Services to Company once such upgrades are part of any of Provider's standard service offerings.
- (g) Provider shall notify Company of all known backwards compatibility constraints and obtain approval from Company prior to implementation. If Company has instructed Provider to proceed with an upgrade after notification from Provider of a compatibility constraint, and either (i) the upgrade was initiated by Company, or (ii) to the extent the compatibility constraint arises in connection with Company Supported Software, Company shall compensate Provider on a time and materials basis for incremental costs incurred to ensure such compatibility in accordance with the **Charges Schedule** (all other Services in this Section 3.7(g) are covered by the Base Charges). Backwards compatibility shall include, without limitation, compatibility with the associated Hardware, Software and cabling infrastructure (including without limitation any cables, connectors, sockets, patch panels and distribution points) as configured at the end of the upgrade. If required by Company, Provider shall provide (at Company's expense) additional transition aids and tools to improve forwards/backwards compatibility in key areas.
- (h) Pursuant to the **Benefits Sharing Schedule**, Provider will identify and, if applicable, share savings in the cost of delivery of the Services.
- (i) Provider will comply with its commitments in Attachment 4-L to the **Charges Schedule**.

3.8. **Viruses.** Provider will take commercially reasonable measures to prevent a Virus or similar items from being coded or introduced into the systems and the operating environments used to provide the Services. Provider will continue to perform the Virus protection and correction procedures and processes in place at Company prior to the Effective Date, and will continue to review, analyze and implement improvements to and upgrades of such Virus prevention and correction

programs and processes that are consistent with the **Technology Refresh Schedule**. If a Virus is found to have been introduced into the systems and/or the operating environments used to provide the Services, Provider shall use commercially reasonable efforts and diligently work to eliminate the effects of the Virus; provided, however, Provider shall take immediate action if required due to the nature or severity of the Virus' proliferation. Provider's efforts in respect to any such Virus shall be provided at no additional charge to Company, unless such Virus is introduced by an employee or third party contractor of Company and, at the time of such introduction, there is no commercially available remedy to eliminate the effects of such Virus. Under such circumstances, Company shall compensate Provider on a time and materials basis for incremental costs incurred in accordance with the **Charges Schedule**.

3.9. **Currency Denominations.**

- (a) Provider covenants that any Software developed by Provider, its Affiliates or their subcontractors under this Agreement will accurately process and retrieve data regarding currency, currency denominations or currency calculations at all times, provided that in the case of currency calculations involving the Euro, Provider's responsibilities will include the Software being Euro Compliant.
- (b) Provider will not be liable under this Section for any inaccuracies, delays, interruptions or errors caused by (i) data that is inaccurate or non-compliant when received by Provider, (ii) the inability to retrieve necessary data from an interface not operated by Provider, when such non-availability precludes normal operation or (iii) changes, modifications, updates or enhancements made to the Software by parties other than Provider, its Affiliates or their subcontractors and the nature of such change prevented normal operation and handling of currencies.
- (c) Provider shall promptly modify such Software and reperform the affected Services, at Provider's expense, and such modification and reperformance shall be Company's sole and exclusive remedy for any breach of this Section.

ARTICLE 4. CHANGE MANAGEMENT

- 4.1. **Change Control Procedures.** Except as otherwise expressly provided in the Procedures Manual or the **Services Support and Responsibility Schedule**, Provider shall not implement any Change to the infrastructure, hardware, software and other system components used in connection with providing the Services without Company's prior written consent. Notwithstanding the foregoing, with respect to a Shared Systems Change, the Parties shall comply with the provisions of the **Technology Governance Schedule**. Except as otherwise set forth in this Agreement, all changes and approval procedures for performance under this Agreement shall be made in accordance with the Change Management Process; provided, however that any amendment to this Agreement required by such change or approval shall be effected in accordance with the Contract Change Control Process. Subject to **Section 2.15**, the Parties' intent with respect to this **Section 4.1** is that Provider shall have the right, at Provider's cost and expense, so long as there is no adverse impact to Company, to manage all of its resources used in providing the Services as Provider deems appropriate, including relocating Provider equipment, Provider personnel and other Provider resources.

ARTICLE 5. RESOURCES

5.1. Resources.

- (a) Except as expressly set forth in this Agreement as Company's responsibility and obligation, Provider will have the responsibility and obligation to provide and administer, operate, manage, support, and maintain all resources (including, without limitation, personnel, Hardware, Software, facilities and services) necessary or appropriate for Provider to provide, perform and deliver the Services as described in the Agreement.
- (b) Provider will provide and have on site its Client Executive as of the Effective Date and for the duration of the Term and will provide on a timely basis trained and qualified personnel as necessary or appropriate for the timely and proper definition (together with Company), provision, performance and delivery of the Services in accordance with this Agreement.
- (c) Each Party shall be responsible for the risk of loss of and damage to, any Equipment, Software, facilities and Materials in its possession or under its control except to the extent that such loss or damage is caused by the other Party.

ARTICLE 6. SERVICE STAFFING

6.1. Account Governance. The Parties shall comply with the principles and protocols set forth in the **Account Governance Schedule**.

6.2. Project Executives.

- (a) Prior to the Effective Date, Provider and Company will each designate an individual who has the authority to act for the appointing Party and its subcontractors in connection with all aspects of this Agreement (in the case of Company, its Contract Manager and, in the case of Provider, its Client Executive).
- (b) Provider will give Company at least ninety (90) days advance Notice of a change of the person appointed as the Provider Client Executive, unless the Client Executive resigns or is unable to work due to his or her death, disability or any other reason beyond Provider's reasonable control (such as relocation due to bona fide personal reasons) or is removed at Company's request. In any such event, Provider will provide Company with Notice of such event as promptly as reasonably possible. Company shall promptly provide Provider with Notice of any concerns that it may have with the proposed change and Provider and Company shall discuss such concerns. Company shall have the right after such discussion to require that its concerns be resolved on a basis to be mutually determined by the Parties. Provider shall not reassign or replace any person assigned as the Client Executive during the first two (2) years of his or her assignment to the Company service team, unless the Provider employee voluntarily resigns from Provider, is unable to work due to his or her death or disability or any other reason beyond Provider's reasonable control or in consultation with the Company is removed from the Company account for non-performance.

6.3. Restrictions on Provider Personnel. The Parties shall comply with the provisions of the **Restricted Personnel Schedule**.

6.4. Company's Replacement of Personnel. Company shall have the right at any time, in its sole discretion and at no cost to Company to give Provider Notice requiring that any Provider or subcontractor employee not be appointed, or be removed from, the Provider or subcontractor employee group servicing Company, and be replaced with another Provider subcontractor or employee. Promptly after its receipt of such a Notice, Provider shall remove the personnel identified in Company's Notice.

- 6.5. **Retention of Experienced Resources.** If Provider fails to meet the Service Levels persistently or continuously and if Company reasonably believes such failure is attributable in whole or in part to Provider's reassignment, movement, or other changes in the human resources allocated by Provider to the performance and delivery of the Services and/or to the Provider subcontractors assigned to the Company service team, Company will notify Provider of such belief and the basis for such belief. Upon receipt of such Notice from Company, Provider (a) will promptly provide to Company a report setting forth Provider's position regarding the matters raised by Company in its Notice; (b) will meet with Company to discuss the matters raised by Company in its Notice and Provider's positions with regard to such matters; and (c) will promptly and diligently take commercially reasonable action to address any Provider human resource practices and/or processes identified by Company as adversely impacting the performance and delivery of the Services by Provider.
- 6.6. **Efficient Use of Resources.** Provider shall take commercially reasonable actions, consistent with the **Service Levels and Service Credits Schedule**, to efficiently administer, manage, operate and use the resources employed by Provider to provide and perform the Services that are chargeable to Company under this Agreement.

ARTICLE 7. CHARGES AND DISBURSEMENTS

- 7.1. **Disbursements.** Provider will pay as part of the Services third party providers for the provision of Hardware, Software, other products and services required for the delivery of the Services, except as specifically set forth in the FRM as the responsibility of Company. In addition, Provider will reimburse Company in a timely manner for payments to such third party providers by Company.
- 7.2. **Charges.** In consideration of Provider's performance of the Services, Company will pay Provider the Charges as set forth in the **Charges Schedule** in accordance with **Section 8.1**. The Charges and other amounts expressly stated in this Agreement as the responsibility of Company shall be the only amounts chargeable to Company for the Services and other resources to be provided to Company under this Agreement, except Taxes for which Company is liable pursuant to **Section 7.3**. Except for reductions provided for herein, no periodic adjustments to the fees will be allowed except for the adjustments for inflation and deflation explicitly defined in the **Charges Schedule**.
- 7.3. **Taxes.**
- (a) Company shall be responsible and liable for Taxes arising from any provision of services or any transfer or lease of property by Provider to Company, or imposed on any charges, pursuant to this Agreement. Provider shall be responsible for all Taxes that are imposed on acquisition, ownership, or use of property or services by Provider or a Provider Affiliate in the course of providing property or services to Company, it being understood and agreed that this provision shall not relieve the Company of its responsibility and liability for Taxes under this **Section 7.3(a)** which are imposed upon any transfer or lease of such property from Provider to Company. Company shall not be responsible for any Taxes (i) on Taxes previously paid or incurred by Provider or a Provider Affiliate, (ii) on Taxes imposed by a third party where Provider or a Provider Affiliate is acting as an agent and Company has the responsibility to pay Taxes on charges associated with Managed Agreements; (iii) that are nonrecoverable by Company based on failure by Provider or a Provider Affiliate to register in foreign jurisdictions or provide an invoice in compliance with applicable law; or (iv) arising from the provision of services or the transfer or lease of property that are erroneously charged by Provider or a Provider Affiliate or third party provider where Provider or a Provider Affiliate serves as a pass through agent and are otherwise nontaxable or exempt under applicable Tax law. Company shall be responsible and liable for all customs fees, duties and tariffs imposed on the importation of any goods provided by Provider or any Provider Affiliate to Company or any Company Affiliate hereunder. Provider shall be responsible and liable

for all value added taxes, goods and services taxes, and similar types of taxes in the nature of a value added or goods and services tax, which are imposed upon the importation into any taxing jurisdiction of any property by Provider or a Provider Affiliate.

- (b) If a member of the Company (i) receives notice or other instructions from a taxing authority that such Company member is required to withhold Withholding Taxes or (ii) otherwise reasonably believes that it is required under applicable law to withhold Withholding Taxes from payments to Provider or any Affiliate of Provider, Company (or such Company member) may withhold Withholding Taxes from such payments, in which case it will timely (a) remit such Withholding Taxes to the appropriate taxing authority and (b) provide to Provider copies of official tax receipts or other evidence sufficient to establish that any such Withholding Taxes have been remitted to appropriate taxing authorities. Provider may provide to Company an exemption certificate acceptable to Company and to the relevant taxing authority, in which case Company will not withhold the Withholding Taxes covered by such certificate. Provider acknowledges that it will be responsible for all Withholding Taxes.
- (c) Company and each member of Company shall pay or reimburse Provider for any Taxes for which it is responsible or liable under this Agreement that are invoiced by Provider or charged under a Managed Agreement by Provider to Company or a member of Company, or that are otherwise determined to be due and payable by a relevant taxing authority, unless Company or the Company member provides Provider or a Provider Affiliate with a valid and applicable exemption certificate, multi-state benefit certificate, or resale certificate or written explanation explaining why Company or the Company member believes the Tax is not applicable. In the event that Company provides such a written explanation to Provider or a Provider Affiliate, Provider may at any time require Company to deliver an opinion letter from outside counsel, selected by Company and reasonably acceptable to Provider, that Company's position is reasonable under the applicable tax law. The cost of such letter shall be paid by Company. If such a letter is not delivered within thirty (30) days of the request, Company must pay the Taxes invoiced. Such certificate or written explanation does not relieve Company or the Company member of ultimate liability for the Tax to the extent the taxing authority disagrees with the Company or the Company member's position that no such Tax is due; provided, that Company shall have no liability for Taxes either not yet due and payable or Taxes being contested (unless payment is a condition to contest) in accordance with subsection (e) of this Section.
- (d) Provider shall be responsible for reporting and payment of any real or personal property or ad valorem taxes due on property Provider or a Provider Affiliate owns and property taxes Provider or a Provider Affiliate otherwise has a responsibility to remit, and Company and each member of the Company shall be responsible for reporting and payment of any real or personal property or ad valorem taxes due on property it owns and property taxes it otherwise has a responsibility to remit.
- (e) If Provider or a Provider Affiliate receives notice from any taxing authority with respect to an assessment or potential assessment or imposition of any Tax that Company would be responsible for paying pursuant to Section 7.3(a) or (c) of this Agreement, Provider shall immediately send Notice to Company of such notice. To the extent directed by Company in a Notice sent to Provider within thirty (30) days of Company's receipt of the Notice from Provider (as described above), Provider and any relevant Provider Affiliate shall timely contest at Company's direction relating to all actions to be taken to contest such proposed Tax and with Company's participation, or, if Company so directs and it is feasible for Provider and any relevant Provider Affiliate to segregate out the portion of the Tax claim that relates solely to Company, permit Company to contest, to the extent permissible under applicable Tax law and procedures, such proposed Tax, at Company's

expense and in a forum selected by Company and with counsel selected by Company and reasonably acceptable to Provider, until such assessment has been upheld by the decision of an appellate court; except that prior to any judicial contest Provider may require (as a condition to such judicial contest) an opinion letter from counsel selected by Company and reasonably acceptable to Provider that there is a reasonable tax basis for such contest. Any Notice to a Party under this Section 7.3(e) shall also be copied directly to the tax department of that Party, in care of the Vice President-Tax Administration. To the extent Provider or a Provider Affiliate contests a proposed Tax at Company's direction, and such contest involves claims with respect to Taxes for which Company would not be responsible under Section 7.3(a) or (c), Company shall be responsible only for that portion of expenses of Provider and any relevant Provider Affiliate as are reasonably allocable to the contest of Taxes for which Company would be responsible under Section 7.3(a) or (c). Provider and any relevant Provider Affiliate may compromise, settle, or resolve such a Tax contest under this Section 7.3(e) without Company's consent (provided such compromise, settlement, or resolution is limited only to the Taxes for the tax period involved) if Provider waives any indemnity rights Provider and any relevant Provider Affiliate has against Company with respect to the Taxes being contested. Otherwise, neither Provider nor any relevant Provider Affiliate may compromise, settle, or resolve such Tax contest without Company's consent. Notwithstanding the foregoing, should Company (i) not direct Provider either to contest or permit Company to contest, a proposed Tax within thirty (30) days of Company's receipt of the Notice from Provider described in the first sentence of this paragraph or (ii) revoke its Notice directing Provider to either contest or permit Company to contest a proposed Tax, Provider shall be entitled to contest such proposed Tax at Provider's expense or compromise, settle, or resolve any contest with respect to such proposed Tax and Company will be responsible for and liable for such Tax, as otherwise provided for in Section 7.3(a) or (c).

- (f) Company and each member of the Company shall be entitled to any Tax refunds or rebates granted to the extent such refunds or rebates are of Taxes that were borne by Company or a Company member. Company or each Company member may require Provider and any relevant Provider Affiliate, at the sole expense of Company, to (i) apply for and diligently pursue a refund of Taxes otherwise payable by Company or the Company member, or (ii) if permitted by law, assign its rights to a refund claim for such Taxes to Company or the Company member.
- (g) The Parties agree to reasonably cooperate with each other to enable each to more accurately determine its own tax liability (including Taxes, Withholding Taxes and property taxes) and to minimize such liability to the extent legally possible. Invoices issued by Provider or a Provider Affiliate shall separately state the amounts of any Taxes Provider or a Provider Affiliate is collecting from Company. In the case of Company, such cooperation shall include providing Provider or any relevant Provider Affiliate any applicable exemption or resale certificates, and information regarding out-of-province or out-of-country sales and use of equipment. In the case of Provider, such cooperation shall include providing Company, at the reasonable and written request of Company, with applicable information regarding delivery or use of materials, services, or sales, and taking reasonable additional steps to minimize Taxes, examples of which include providing Company with thorough invoices and/or additional billing information that may be reasonably requested in order to determine the taxability of specific goods and services provided under this Agreement. If any Taxes are assessed on the provision of any of the Services, including telecommunications, or any portion of the Services that is treated as a sale or rental of tangible personal property to Company, the Parties will work together to segregate all payments under this Agreement into three (3) payment streams: (i) those for taxable Services (separated into types of taxable Services) and taxable sale or rental of tangible personal property; (ii) those for nontaxable services; and (iii) those in which Provider or a Provider Affiliate functions merely as a payment agent for Company in receiving goods, supplies or services (including telecommunications) that otherwise are nontaxable or have previously been subject to tax.

- (h) Responsibility for any stamp taxes (in all cases including any interest and penalties thereon) incurred with respect to International Agreements shall be as follows:
- (i) Except as otherwise provided in Section 7.3(h)(ii) below or as otherwise specified in an International Agreement, Company shall be responsible for any stamp taxes incurred with respect to International Agreements.
 - (ii) Provider shall be responsible for any stamp taxes incurred with respect to an International Agreement if such stamp taxes arise in connection with any of the following actions by Provider or any Provider Affiliate.
 - (A) Provider or any Provider Affiliate argues or raises the point, or fails to take reasonable care to ensure that any person under its control does not argue or raise the point, in any civil or arbitration proceedings involving or arising from or relating to any International Agreement, that a certified copy of an International Agreement cannot be produced as evidence; or
 - (B) Provider or Provider Affiliate brings the International Agreement into the country under whose laws the stamp taxes are imposed in circumstances involving gross negligence on the part of Provider or Provider Affiliate; provided, however, that if Provider and Provider Affiliates use reasonable efforts to avoid any requirement or necessity by production of certified copies of the International Agreements so far as it is lawful and proper to do so, Provider shall not be responsible for stamp taxes under this Section 7.3(h)(ii)(B) by reason of Provider or Provider Affiliate bringing the International Agreement into the country under whose laws the stamp taxes are imposed if the International Agreement is brought into such country for any of the following reasons:
 - (1) if it is necessary to produce the International Agreement, or it is required by any Provider Affiliate, to be used as evidence in court, arbitration, taxation or administrative proceedings in the country under whose laws the stamp taxes are imposed, or it is required by any Provider Affiliate for any registration process;
 - (2) if it is so required by any court, tribunal or competent tax authority or any regulatory body, authority or agency or it is so required prior to it being relied upon by any Provider Affiliate;
 - (3) if it is required by law or any competent authority to be brought into the country under whose laws the stamp taxes are imposed for any other reason;
 - (4) if the International Agreement was first signed in the country under whose laws the stamp taxes are imposed;
 - (5) if any counterpart or duplicate of the International Agreement has previously been brought into the country under whose laws the stamp taxes are imposed; or
 - (6) if the non-production of the International Agreement would bring about a materially adverse effect to Provider's legal or financial position.

7.4. Service Credits. Each Service Credit shall be applied against the Charges in accordance with the Service Levels and Service Credits Schedule.

7.5. Benchmarking.

- (a) At the election of Company, Company and Provider shall engage in an objective measurement and comparison process provided for in this Section 7.5 in order to measure the technology, pricing and Service Levels provided by Provider to Company as compared to other organizations receiving similar services (the "Benchmarking Process"). At the option of Company, for each Benchmarking Process, Company may Benchmark all Services provided under this Agreement, an individual Service Tower, or any grouping of the Service Towers.
- (b) At the option of Company, (i) Company may select the Benchmarker, provided that such Benchmarker is an independent third-party benchmarker known within the industry as a benchmarker of information technology services and is not a Specified Provider Competitor of Provider, and Company shall pay all costs associated with the Benchmarking Process; or (ii) the Company and Provider shall mutually agree upon a Benchmarker from among the Approved Benchmarkers and Company and Provider shall share all costs associated with the shared Benchmarking Process. In the event Company selects the Benchmarker in accordance with (i) above, Provider, at its option, may retain a separate benchmarker and Provider shall pay all costs associated with use of such benchmarker. In the event that Company and Provider select a Benchmarker in accordance with (ii) above, the Parties will jointly engage and instruct the Benchmarker, and shall jointly budget for such Benchmarker.
- (c) It is understood that pursuant to this Agreement Provider is undertaking a transformation of certain aspects of the Services, as further set forth in the Transformation Schedule. The Parties agree that as condition of such transformation, Company shall not conduct a Benchmarking Process (i) for the Midrange and Network Service Towers, until twelve months following the earlier of (A) the completion by Provider of such transformation of Services under the Transformation Plan for such affected Service Tower(s), and (B) January 1, 2014, and (ii) for all other Service Towers, until twelve months following the Effective Date. Thereafter, the Benchmarking Process shall be conducted no more frequently than once per twelve (12) month period.
- (d) The Benchmarking Process shall be based upon and consistent with, in all material respects, the benchmarking methodology, principles and approach agreed to by the Parties, in consultation with the Benchmarker, which shall include:
 - (i) a representative sampling of a sufficient number of receivers of services comparable to the Services from third-party providers or, subject to subsection (iii) below, from internal service providers (the "Comparators");
 - (ii) any appropriate adjustments due to differences between the Comparators and Company, such as differences in the nature or type of services received by the Comparators and Company, their respective service environments, relative performance standards, volumes, term of agreement, location of services, amount of investments made pursuant to or in connection with the agreement with their respective service provider, and other similar terms and conditions; and
 - (iii) with respect to internal service providers, any appropriate adjustments to reflect any cost of administration, overhead charges or cost allocations to other internal departments and market-based margins that are not otherwise included in such data.

- (e) The Parties shall cooperate with each other and the Benchmarker to facilitate the Benchmarking Process, which shall include providing reasonable information as is necessary to conduct the Benchmarking Process; provided, however, that Provider will not be required to (i) disclose any Confidential or trade secret information, (ii) disclose details of other customers' confidential information without such customers' consent, or (iii) provide any information relating to Provider's margins or costs.
- (f) Within thirty (30) days after the completion of any Benchmarking Process, the Benchmarker shall deliver the results of the Benchmark (the "Benchmark Results") in a written report, including identification of the figures and supporting documentation, to the Company's Contract Manager and the Provider Client Executive. If Provider retains a separate benchmarker in accordance with Section 7.5(b), at the time the Benchmark Results are delivered to Provider, Provider will deliver to Company the results of the Provider's separate benchmark, together with copies of all supporting documentation provided to Provider by such benchmarker.
- (g) For a period of sixty (60) days following delivery of the Benchmark Results from the Benchmarker (the "Benchmark Review Period"), Company and Provider shall review the Benchmark Results, and schedule one or more meetings (which shall include the Benchmarker) to address any issues either Party may have with the Benchmark information or the Benchmark Results.
- (h) A "Benchmarking Condition" will be deemed to exist if the Benchmarking Results reflect that the Services or Service Towers reviewed are not Best in Class with respect to (i) the aggregate price paid by Company for a Service Tower(s) based upon the Service Levels provided by Provider under this Agreement for such Service Tower(s), or (ii) Service Levels for a Service Tower(s) provided by Provider under this Agreement based upon the aggregate price charged by Provider for Services within such Service Tower under this Agreement. For purposes of this Section 7.5, "Best in Class" shall mean that the price of a Service (with respect to (i) above) and/or the Service Levels for such Service (with respect to (ii) above) are within the top quartile (i.e., the most favorable to customers) identified by the Benchmarker in the Benchmarking Results (excluding "outliers"). If a Benchmarking Condition exists, the Parties shall promptly meet and enter into good faith negotiations to determine what adjustments to the Services, the pricing and/or the Service Levels are required to confirm that the Services provided under this Agreement are "Best in Class."
- (i) Either Company or Provider may in good faith dispute the Benchmark Results, or whether a Benchmarking Condition exists, within sixty-five (65) days of receipt of the Benchmark Results. Any such Notice of dispute shall include a description of the nature of such dispute in sufficient detail so as to enable the Benchmarker and the other Party to assess the motive and merit of the dispute. The Benchmarker shall promptly issue a written response addressing the dispute, and if such dispute requires a change to any of the Benchmark Results, the Benchmarker shall issue the revised Benchmark Results.
- (j) In the event Company and Provider in good faith dispute the revised Benchmark Results or whether a Benchmarking Condition exists or if the Company and Provider have not reached agreement after the Benchmark Review Period, Company may elect to cause the Parties to elevate the Benchmark Results to senior management of each Party who are not directly responsible for this Agreement and such senior management of Company and Provider shall review the Benchmark Results for a period of thirty (30) days (the

If after the Oversight Review Period the Parties have not reached agreement as to any adjustments to this Agreement, Company may submit such dispute to binding arbitration in accordance with the Dispute Resolution Process.

ARTICLE 8. INVOICING AND PAYMENT

8.1. Invoicing Procedures.

- (a) Provider shall issue to Company on the fifteenth day of each month, beginning on February 15, 2012, an invoice issued pursuant to Section 8.1(e), local invoices issued for certain foreign services pursuant to Section 8.1(f), and invoices issued pursuant to any International Agreements. Such invoices shall be prepared and issued in accordance with this Section 8.1.
- (b) The sum of the amounts invoiced on all of the invoices issued for a month will be equal to (i) the Charges determined in accordance with the **Charges Schedule** for the previous month, (ii) increased or decreased by any Service Credits, (iii) increased by any other allocable amounts that are expressly set forth in this Agreement as the responsibility of Company, (iv) increased by any Taxes that are the responsibility of Company under this Agreement and the International Agreements and (v) adjusted for errors or omissions in prior months' invoices solely to the extent expressly permitted in Section 1.6 of the **Charges Schedule**; provided that, prior to reflecting any such adjustment on an invoice, Provider shall have reviewed such adjustment with Company and, if requested by Company, provided Company with reasonable supporting documentation. Except as otherwise agreed by the Parties or provided in the **Charges Schedule**, no invoice for any amount shall be delivered to Company until after the Services which are the subject of such invoice have been provided to Company; provided, however, any Services that are expressly stated in this Agreement as prepaid or paid in advance shall be excluded from the limitation of this sentence to the extent expressly set forth in this Agreement and the **Charges Schedule**.
- (c) The Charges determined in accordance with the **Charges Schedule**, Service Credits, and similar items shall be determined as if a single consolidated invoice were being issued for all Services performed pursuant to this Agreement and the International Agreements. The Charges shall be allocated within and among the invoices to be issued pursuant to Section 8.1(e), Section 8.1(f), and the International Agreements as follows:
 - (i) In the case of an invoice issued pursuant to Section 8.1(e), the invoice shall reflect the product of the Actual Resource Unit Volumes of relevant Resource Units used by Company in each applicable taxing jurisdiction and the Base Unit Rates applicable to such Resource Units, in each case plus or minus the relevant RRC Adjustments or the ARC Adjustments, respectively. In the case of an invoice issued pursuant to Section 8.1(f) or an International Agreement, the invoice shall reflect the product of the Actual Resource Unit Volumes of relevant Resource Units used by the member of Company or Company branch receiving such invoice and the Base Unit Rates applicable to such Resource Units (adjusted, in connection with certain End User Computing Resource Units, for any applicable desktop regional multiplier as set forth in the **Charges Schedule**).
 - (ii) At such time as the amount of the ARC Adjustments or the RRC Adjustments that would be allocated to Resource Units used by Company outside the U.S. are material, Company and Provider will mutually determine an acceptable alternative solution for allocating the ARC Adjustments and/or the RRC Adjustments among the various jurisdictions, including making any necessary changes to this Agreement.
 - (iii) The Parties may agree from time to time to modify the allocation of Charges set forth in this Section 8.1(c).

- (d) The invoice issued pursuant to Section 8.1(e) shall be accompanied by (i) a spreadsheet (A) consolidating, in U.S. Dollars, all of the invoices required to be issued pursuant to Sections 8.1(e) and 8.1(f) and the International Agreements, and (B) detailing the determination and allocation of the Charges in respect of the actual Services performed for the previous month (including, if applicable, any ARCs and RRCs, labor charges, and management fees associated with Pass-Through Expenses and Re-Sale Expenses), and Service Credits, (ii) copies of all such local invoices and International Agreement invoices incorporated in such spreadsheet (translated into English in the case of any invoices not issued in English and detailing translations into U.S. Dollars in the case of any invoices not issued in U.S. Dollars), and (iii) sufficient supporting documentation for all Charges to document the basis for and calculation and allocation of the Charges (including, but not limited to, ARCs, RRCs and any ARC Adjustments or RRC Adjustments) and any reimbursements and such other supporting data underlying the Charges as shall have been reasonably requested by Company. The foregoing items shall be provided as soon as reasonably practicable after consolidation and reconciliation, but in no event later than ten (10) business days after the invoice date. Provider shall also provide to Company, within ten (10) business days after the invoice date, an electronic file that reflects all of the U.S. monthly invoices, charged back to Company internal users as mutually agreed to pursuant to the "Charges Reconciliation Spreadsheet and Charge Back File" used by the Parties immediately prior to the Effective Date or as otherwise mutually agreed to by the Parties.
- (e) Provider or such other U.S. Affiliate as Provider may designate from time to time during the Term, will issue a single invoice to Sabre Inc., or such other U.S. Affiliate as Sabre Inc. may designate from time to time during the Term, on the fifteenth day of each month for all Charges not invoiced in local invoices issued pursuant to Section 8.1(f) or International Agreements. Such invoice will set forth (i) the allocable Charges in respect of the actual Services performed for the previous month, including, if applicable, any ARCs and RRCs, labor charges, and management fees associated with Pass-Through Expenses and Re-Sale Expenses, and allocable Service Credits, (ii) any other allocable amounts that are expressly set forth in this Agreement as the responsibility of Company, (iii) any and all Taxes on the amounts invoiced that are the responsibility of Company under this Agreement, and (iv) any adjustments resulting from errors or omissions in prior months' invoices solely to the extent expressly permitted in Section 1.6 of the **Charges Schedule**; provided that, prior to reflecting any such adjustments on such invoice, Provider shall have reviewed such adjustments with Company and, if requested by Company, provided Company with reasonable supporting documentation. All Charges will be invoiced in U.S. Dollars. The invoice, or a report accompanying the invoice that is deemed to be part of the invoice for applicable statutory purposes, will separately state applicable Taxes by tax jurisdiction for which Provider is collecting, the Service to which each Tax relates, and charges for other elements as determined by the Parties. Any ARC Adjustments or RRC Adjustments shall be allocated to the U.S. tax jurisdictions in the invoice issued pursuant to Section 8.1(e) (at the same level of detail as the Base Charges are invoiced) in proportion to the ratio of the number of such Resource Units billed to a particular U.S. tax jurisdiction within such invoice to the total number of all such Resource Units billed to all U.S. tax jurisdictions for such period, and, subject to Section 8.1(c)(iii), no portion thereof shall be allocated to the invoices issued pursuant to Section 8.1(f) or the International Agreements or to any Charges in the invoice issued pursuant to Section 8.1(e) that are attributable to Actual Resource Unit Volumes used by Company outside the U.S. Company will pay each invoice issued pursuant to this

- (f) In the case of Services that are performed by Provider or an Affiliate of Provider outside of the United States and are provided to Service Locations in the same country outside of the United States to Company, unless Provider and Company agree on a different invoicing arrangement, on the fifteenth day of each month, Provider or the Affiliate of Provider that performed such Services shall issue local invoices to the member of Company or Company branch that has a presence in the country where the Services are performed and provided and where the member of Company or Company branch received such Services. Such invoice will set forth (i) the allocable Charges (including, if applicable, labor charges, and management fees associated with Pass-Through Expenses and Re-Sale Expenses) and Service Credits in respect of the actual Services performed for the previous month outside of the United States and provided to Service Locations outside of the United States to Company, (ii) any other allocable amounts that are expressly set forth in this Agreement as the responsibility of Company, (iii) any and all Taxes thereon that are the responsibility of Company under this Agreement, and (iv) any adjustments resulting from errors or omissions in prior months' invoices solely to the extent expressly permitted in Section 1.6 of the **Charges Schedule**; provided that, prior to reflecting any such adjustments on such invoice, Provider shall have reviewed such adjustments with Company and, if requested by Company, provided Company with reasonable supporting documentation. The invoices, or reports accompanying the invoices which are deemed to be part of the invoices for statutory purposes, will separately state applicable Taxes by tax jurisdiction for which Provider is collecting, the Service to which each Tax relates, and charges for other elements as determined by the Parties. All charges, credits, Taxes, and other amounts set forth in such invoice shall be in local currency (or such other currency as may be agreed to by the Parties from time to time), translating the Charges established in accordance with the **Charges Schedule** based on the mechanism set forth in Section 8.1(i). If Services are provided by Provider or an Affiliate of Provider in one country but are provided to a Service Location in a different country ("**Cross Border Services**"), invoicing and payment shall be effected on a case-by-case basis in a manner which is mutually agreed to by Provider and Company and which attempts to minimize Taxes for which Company is responsible, Withholding Taxes for which Provider is responsible, taxes on intercompany charges among Company and its Affiliates, and taxes on intercompany charges among Provider and its Affiliates; provided, however, that in the absence of such mutual agreement, Charges for such Cross Border Services shall be included in the invoice provided by Provider pursuant to Section 8.1(e). The member of Company or the Company branch to which such invoice was sent will pay each invoice to Provider or the Affiliate of Provider specified on the invoice within thirty (30) days after the date of Company's receipt of the invoice; provided, however, that, in the event Company does not receive the spreadsheet and charge back file described in Section 8.1(d) within ten (10) business days after the invoice date, then Company shall not be obligated to pay such invoiced amounts until the following month's invoice due date.
- (g) Except as expressly provided otherwise in an International Agreement, all invoicing and payment terms and conditions for Services provided pursuant to such International Agreement shall be as specified in Section 8.1(f) with respect to local-to-local invoicing.
- (h) The Parties shall make reasonable efforts to adopt mutually agreeable invoicing and payment methods and procedures to minimize Withholding Taxes for which Provider would be liable and Taxes for which Company would be liable.

Such Initial Rate of Exchange shall be used, as necessary, for local invoicing until March 31, 2012. The local currency Charges shall be calculated each calendar quarter thereafter during the Term, as necessary, using the applicable Rate of Exchange. In the event the Quarterly Reference Source becomes unavailable or unreliable during the Term, a new quarterly rate source, to be mutually agreed upon by Provider and Company, shall be used thereafter.

For purposes of this Section 8.1(i):

- (j) For the avoidance of doubt, any amounts payable to any third party pursuant to a Managed Agreement shall not be included in any invoice provided by Provider to Company in accordance with this Section 8.1. Invoices for such amounts payable by Company under such Managed Agreements will be validated by Provider and provided to Company in accordance with Section 3.4 of this Agreement.

8.2. Disputed Charges/Credits/Set-off.

- (a) In the event Company disputes the accuracy or applicability of a charge or credit or other financial arrangement described in this Agreement, Company shall notify Provider of such dispute as soon as practicable after the discrepancy has been discovered. Any undisputed amounts will be paid by Company. In the event Company disputes an invoice in good faith, Company may withhold payment of particular Charges that Company disputes, subject to the following: (i) Company providing to Provider concurrently with the withholding of the disputed Charges a reasonably detailed explanation of the basis of the dispute and initiating the Dispute Resolution Process; and (ii) the amount Company may withhold at any one time pursuant to this Section 8.2 shall not in the aggregate exceed [* * *] (the “Aggregate Disputed Amount”), subject to the Transformation Schedule.

Company shall promptly furnish evidence of any escrow deposit to Provider. The escrow account will be established pursuant to an escrow agreement with a major national bank that provides that (i) the costs of such escrow account will be shared equally by the Parties, and (ii) the funds therein (including Charges and Taxes), including the accrued interest, will be disbursed to Company or Provider, as applicable, in accordance with the results of the Dispute Resolution Process or by mutual agreement of the Parties.

- (c) If Company fails to escrow disputed amounts within thirty (30) days after Notice from Provider of Company's failure to escrow such amounts in accordance with this Section 8.2, Provider (i) may, after giving Company at least fifteen (15) days prior Notice, apply to a court of competent jurisdiction (subject to Section 20.2) to seek injunctive relief for such failure, or (ii) will have the right to terminate this Agreement pursuant to Section 12.6.
- (d) Company shall have the right to set off against amounts owed by the Company under this Agreement any amount that Provider is obligated to pay or credit the Company under this Agreement, except to the extent such setoffs occur across different countries. Any such set-off shall not be treated as disputed under Section 8.2(a) or otherwise count towards the Aggregate Disputed Amount unless it is in fact the subject of a dispute.

- 8.3. Late Fees. Any amount owed by a Party under this Agreement and not paid when due (other than amounts properly disputed in accordance with Section 8.2) will bear interest until paid at a rate equal to the lesser of (i) [* * *] % plus the prime rate established from time to time by Citibank, N.A. (or its successor) or (ii) the maximum rate of interest allowed by applicable law.

For the avoidance of doubt, (i) references in the Technology License Agreement to the Outsourcing Agreement and any defined terms in the Outsourcing Agreement shall, from and after January 1, 2012, be deemed references to this Agreement and such terms as they are defined herein, and (ii) references within the Technology License Agreement to terms defined in the Commercial Agreement shall continue to have the same meanings originally ascribed to them notwithstanding the termination of the Commercial Agreement. "Commercial Agreement" means that certain Commercial Agreement between Sabre and Provider effective as of July 1, 2001.

Upon such termination, Company shall pay [* * *] of the Winddown Expenses applicable to the terminated Services.

- 12.8. Mitigation of Winddown Expenses. Provider shall use all reasonable efforts to mitigate and minimize any and all Winddown Expenses. Provider shall provide a breakdown of all Winddown Expenses in detail reasonably acceptable to Company and all invoices for Winddown Expenses will be subject to audit by Company in accordance with the Audit Procedures Schedule.

ARTICLE 13. EFFECT OF TERMINATION

- 13.1. Survival of Selected Provisions. Notwithstanding the expiration or earlier termination of the Services or this Agreement for any reason however described, the following Sections of this Agreement shall survive any such expiration or termination: Article 8, Article 9, Article 10, Article 13 (including any associated obligations for payment under Article 7 with respect to Termination Assistance Services and Services provided by Provider prior to any expiration or termination), Article 14, Article 16, Article 18 and Article 20.
- 13.2. Extension. Upon any termination or expiration of this Agreement by either Party, Company may extend the Termination Assistance Period for a period not to exceed one (1) year after the otherwise effective date of termination or expiration, except that, solely with respect to the Services related to the operation of the Distribution System, Company may extend the Termination Assistance Period for a period up to twenty-four (24) months after a termination or expiration. The provisions of this Agreement will remain in effect during such extension. Company may exercise such option by providing Provider Notice of its wish to extend at least sixty (60) days prior to the otherwise effective date of termination.
- 13.3. Termination Assistance.
- (a) Commencing (i) six (6) months prior to the expiration of the Agreement; (ii) upon any notice of termination or non-renewal of the Agreement; or (iii) six (6) months prior to any other ceasing of Services under the Agreement and continuing through the effective date of expiration, termination or cessation (the "Termination Assistance Period"), the Provider will provide to the Company or to its designee (severally and collectively, "Successor"), Termination Assistance Services. Provider will perform the Termination Assistance Services in accordance with the Termination Assistance Plan, which the parties shall update in accordance with the Termination Assistance Schedule within 180 days after the Effective Date.  - (b) The provisions of this Agreement will remain in effect during the Termination Assistance Period. The Provider shall provide the Termination Assistance Services regardless of the reason for termination or expiration; provided that, solely in the event that Provider has terminated this Agreement in accordance with Section 12.6, (i) Provider's obligation to perform Termination Assistance Services shall be conditioned upon monthly receipt of payment from Company in advance of estimated monthly amounts due for such services, and (ii) at the end of each month during the Termination Assistance Period the Parties will reconcile any estimated amounts actually paid against the Charges for Termination Assistance Services actually performed during such month. Regardless of the reason for termination or expiration, the quality of the Services provided by the Provider, and the Provider's performance otherwise will not be degraded during the Termination Assistance Period.

Successor or Company will have the right to extend offers of employment to all Provider personnel primarily assigned to or working on Company account. Provider will provide reasonable access to these employees and will not interfere with the Successor's and/or Company's efforts to hire them (e.g., by making counteroffers).
- (d) For a period of twelve (12) months following the Termination Assistance Period, the Provider will provide, at Company's request, any or all of the Services being performed by the Provider prior to the effective date of the relevant termination or expiration, including Termination Assistance Services. Such Services will be provided subject to the provisions of the Agreement as such provisions would have been applicable to the Services prior to the relevant effective date of termination or expiration.
- (e) To the extent that the Provider has incorporated Company's network into a Provider proprietary network, the Provider will provide up to two (2) years of continued network services at the then current contract rates for such service, in order to permit the Company to establish its own network in an orderly manner.
- (f) At Company's request, Provider will obtain any required consents from Third Parties and (i) assign to the Successor leases for some or all of the Hardware used primarily to provide the Services as of the date of termination or expiration of this Agreement; (ii) assign any contracts for services provided by Third Parties to Provider and used by the Provider to provide Services; and (iii) sell to the Successor, at Provider's then-current book value, some or all of the Hardware owned by the Provider and used primarily to provide the Services.

- (b) Upon Company's request, Provider will sell to Company all other Hardware and other equipment that is owned by Provider and which on the date of expiration or termination of this Agreement in its entirety or by Service Tower is used primarily to perform the Services (or the Services then being terminated). Company will pay Provider the net book value for such Hardware and other equipment. In the case of Hardware or other equipment that Provider is leasing and which on the date of expiration or termination of this Agreement in its entirety or by Service Tower that is used primarily to perform the Services (or the Services then being terminated), Provider agrees to permit Company or

Company shall be responsible for any sales, use or similar taxes associated with such purchase of such hardware or the assumption of such leases.

- (c) Provider will grant to Company a nonexclusive, worldwide, royalty-free, perpetual, paid-up source and object code license to use, execute, operate, reproduce, display, perform, modify, develop, and personalize all Software proprietary to Provider (excluding HP Commercially Available Software) and Materials which on the date of expiration or termination of this Agreement in its entirety or by Service Tower Provider is using to perform the Services (or the Services then being terminated). Provider will grant substantially equivalent access rights to such Software and Materials to any Successor. Company shall not be obligated to reimburse Provider for any one-time fees that may otherwise be chargeable for such Software or Materials. Notwithstanding the foregoing, with respect to proprietary tools that are not HP Commercially Available Software which on the date of expiration or termination of this Agreement in its entirety or by Service Tower Provider is using to provide the Services (or the Services then being terminated), such license shall not be perpetual but shall only be for a reasonable commercial period for Company to obtain comparable replacement tools, but in any event not greater than eighteen (18) months.

Provider will grant to Company a nonexclusive, worldwide, object code license to use, execute, operate, reproduce, display, and perform all HP Commercially Available Software which on the date of expiration or termination of this Agreement in its entirety or by Service Tower Provider is using to perform the Services (or the Services then being terminated). The license terms will be consistent with the terms generally applicable to the public for such Software (including without limitation term and termination, and rights to source code, if any); provided that notwithstanding the other terms of this Section 13.4(c), the license for tools included in HP Commercially Available Software will be royalty free and fully paid up for the first 18 months. Provider will work with Company to minimize any one-time license fees that may be due for such license (with respect to tools, at the end of the initial 18 month period). Provider will grant substantially equivalent access rights to such HP Commercially Available Software to any Successor.

Provider acknowledges and agrees that as of the Effective Date, Provider does not use any of its proprietary Software to provide the Services, except for its proprietary tools.

The licenses to be granted pursuant to this subsection (c) shall be subject to the following terms and conditions:

- (i) such license shall be granted (A) solely to the extent necessary for Company, or a Successor, to continue providing the Services (and other similar services or portions thereof) to Company and Authorized Users, (B) solely for the normal business purposes and practices of Company as such existed prior to the effective date of termination or expiration, as the same may evolve in the ordinary course of business, and (C) not as part of any commercial exploitation as a stand-alone product or separately from the Services for which it is a part. Such license shall be provided "As Is"; provided, however, that such license shall be subject to any warranties generally provided to other users of such Software or Materials. Such license shall be non-assignable and non-transferable.
- (ii) Provider hereby reserves all rights not expressly granted in this subsection (c) to Company with respect to such Software and Materials.
- (iii) Unless mutually agreed otherwise, Provider shall not be required to maintain, which includes correcting any defects or providing any upgrades to, such Software and Materials; provided, however, that if Provider is then making maintenance available to other customers with respect to any such item of Software or Materials, then Provider will offer maintenance with respect to such item on commercially reasonable terms and conditions (including pricing terms and conditions).

- (d) For third party Software and Materials which on the date of expiration or termination of this Agreement in its entirety or by Service Tower Provider is using:
 - (i) solely to provide the Services (or the Services then being terminated) to Company (other than any Provider or Provider Affiliate corporate master agreement), upon Company's request and to the extent permissible under the applicable third party agreement, Provider will assign or transfer its license, if any, to such Software and Materials to Company or its designee upon Company's reimbursement to Provider of any initial, one-time license or purchase charges in an amount equal to the remaining unamortized value, if any, for the Software and Materials, depreciated over a five-year life, and any transfer fees imposed by the applicable third party; and
 - (ii) to provide Services (or the Services then being terminated) to Company and other customers, Provider will provide reasonable assistance to Company in obtaining licenses for such Software and Materials (and, failing that, in obtaining a mutually agreeable commercially available substitute, if available, to perform the same functions).
- (e) For third party agreements (such as machine maintenance, disaster recovery or other such services) applicable as of the date of expiration or termination of this Agreement in its entirety or by Service Tower which Provider is using:
 - (i) solely to provide the Services (or the Services then being terminated) to Company (other than any Provider or Provider Affiliate corporate master agreement), upon Company's request and to the extent permissible under the applicable third party agreement, Provider will assign or transfer such third party agreements to Company or Successor on mutually acceptable terms and conditions, and Company or Successor shall pay any transfer fee or charge imposed by the applicable third party; and
 - (ii) to provide Services (or the Services then being terminated) to Company and other customers, Provider will provide reasonable assistance to Company in obtaining the services covered by such third party agreements (and, failing that, in obtaining a mutually agreeable commercially available substitute, if available, to perform the same services).
- (f) During the Term, Provider will use commercially reasonable efforts to negotiate arrangements with third parties that will minimize the amount of license, maintenance, lease, service (including network service), transfer, assignment and other fees to be paid by Company under this Section 13.4 or in connection payments by Company of Winddown Expenses. Company may participate in the negotiation of arrangements. Provider shall provide reasonable advance Notice to Company of such anticipated negotiations.
- (g) Company and Successor(s) shall have the right to make offers of employment to any or all Provider employees who are primarily assigned to perform or performing Services for

Company hereunder (the “Services Employees”). Promptly after either Party sends the other Party Notice of termination or expiration with the prior consent of each Services Employee (each of whom Provider will notify of Company’s interest), Provider shall promptly inform all Service Employees of Company’s rights under this Section 13.4(g) and (at the same time) solicit each Service Employee to consent to Provider’s provision of their name and resume to Company for purposes of permitting Company to exercise its rights hereunder. Upon receiving any such consent, Provider agrees to supply Company with the relevant name and resume, at no charge. Provider will provide reasonable access to Services Employees that have consented to providing their name and resume to Company and will not interfere with Company’s or Successor’s efforts to hire them. Company’s rights under this Section 13.4 will take precedence over any Provider/employee employment contract or covenant that may otherwise limit an employee’s right to accept employment with Company or a Successor; provided however, that Provider and Company shall cooperate in good faith to mitigate the potential for any negative impact to the Services created by Company’s rights hereunder.

- (h) Provider will provide reasonable, appropriate training for the employees of Company or a Successor who will be assuming responsibility for operating the Software and Hardware then used by Provider in performing the Services.
- (i) During the Termination Assistance Period, Provider will provide Company and its third parties supporting the Company Business, such as contractors and subcontractors, as necessary, with reasonable access to the Hardware, Software and other resources used by Provider to deliver the Services, provided that (i) any such access does not interfere with Provider’s ability to provide the Services or Termination Assistance Services; and (ii) such third parties and Company comply with Provider’s security and confidentiality requirements, including execution of a confidentiality agreement reasonably acceptable to Provider.
- (j) Upon Company’s request, Provider will provide Company reasonably detailed specifications for the Hardware, Software, network engineering diagrams and network device configurations needed by Company to properly provide the Services (subject to Section 13.3 hereof).

13.5. Additional Other Rights for Shared Systems. In addition to and without limiting the terms set forth in Section 13.4 above, Provider agrees that:

- (a) at the expiration of this Agreement or early termination of this Agreement for any reason, at Company’s election, Provider will sell to Company all Hardware or similar Hardware of equal functionality and performance that as of the date of expiration or termination of this Agreement Provider is using to perform the Services on the Shared Systems. Company will pay Provider the net book value for such Hardware. In the case of Hardware that Provider is leasing for the Shared Systems, Provider agrees either to (i) permit Company or its designee to either buy-out the lease on such hardware and purchase the hardware from the lessor or assume the lease(s) and secure the release of Provider thereon or (ii) to use commercially reasonable efforts to assist the Company to obtain similar leases on similar terms. Company shall be responsible for any sales, use or similar Taxes associated with such purchase of such Hardware or the assumption of such leases;
- (b) immediately upon termination of this Agreement by Company pursuant to Section 12.3(a)(ii) with respect to an SLA Termination Event (as that term is defined in the Glossary under (b) of the term of “SLA Termination Event”) (the “Termination Event”) Company may, in its discretion, exercise its rights under this Section 13.5(b). For a period not to exceed one (1) week after the Termination Event, Provider agrees to allow Company, or a third party (other than a Specified Provider Competitor) on behalf of

Company, to have reasonable and necessary access to personnel, and access to, and the use of, the portion of the Facilities, data, documentation and procedures then used by Provider to perform the Services associated with the Distribution System (the "Covered Services"), for the limited purpose of assessing and analyzing the Covered Services. During the two week period after expiration of such access, Company may review and analyze the results of its investigation and, in its discretion, develop a management recovery plan (the "Management Recovery Plan"). For a period not to exceed one (1) week thereafter, if Company elects to implement the Management Recovery Plan, Provider shall allow Company to manage, as Company deems reasonably appropriate, the day to day operations of the Covered Services and those employees and subcontractors of Provider supporting the Covered Services; provided that:

- (i) Company shall have satisfied all requirements and procedures for effecting the Termination Event;
- (ii) Company shall have obtained in advance all necessary consents in writing associated with its management (as described in this Section 13.5(b)) of the Covered Services from all customers of Provider who receive the Covered Services, and if applicable, any third party providers;
- (iii) Company shall have obtained in advance a release from each of Provider's customers who receive the Covered Services, which release shall expressly release Provider from any and all liability to the extent such liability is attributable to Company's actions or inactions with respect to management (as described in this Section 13.5(b)) of the Covered Services;
- (iv) Company shall maintain the operating capacity of the Covered Services in existence at the time of Company's assumption of management of the Covered Services; and Company shall use commercially reasonable efforts to restore the performance of the Covered Services up to the service levels contracted for in the agreements between Provider and its customers of the Covered Services (including Company); and
- (v) Company shall permit observation rights of and access to the Covered Services by Provider.

13.6. Facilities Access. For up to sixty (60) days after the effective date of termination or completion of Termination Assistance Services, whichever is later, Provider will permit Company to have reasonable access to the portion of the Facilities that were used by Provider to provide the Services solely to the extent necessary to effect an orderly transition of resources to the extent that such access does not materially impact or interfere with Provider's business.

13.7. Required Hardware. Notwithstanding the provisions of Section 13.4, at the expiration of this Agreement, Company will purchase from Provider, and Provider will sell to Company, all Required Hardware that is owned by Provider and which on the date of expiration of this Agreement is used primarily to perform the Services. Company will pay Provider the net book value for such Required Hardware. In the case of Required Hardware that Provider is leasing and which on the date of expiration of this Agreement that is used primarily to perform the Services, Company agrees to, and Provider agrees to permit Company or its designee to, either buy-out the lease on such Required Hardware and purchase the Required Hardware from the lessor or assume the lease(s) on the terms and conditions provided in such lease. Company shall be responsible for any sales, use or similar taxes associated with such purchase of such Required Hardware or the assumption of such leases. This Section 13.7 does not apply to any termination of this Agreement (in its entirety or by Service Tower).

- (a) Notice shall be given to the Party that is obligated to provide indemnification under Sections 16.1 and 16.2 (the "Indemnifying Party"), if any civil, criminal, administrative or investigative action or proceeding is commenced or threatened by a third party (any of the above being a "Claim") against any party indemnified under Sections 16.1 and 16.2 (the "Indemnified Party"). Such Notice shall be given as promptly as practicable but in all events, within a period that will not prejudice the rights of the Indemnifying Party under this Agreement or to defend the Claim. After such Notice, if the Indemnifying Party acknowledges in writing to the Indemnified Party that this Agreement applies with respect to such Claim, then the Indemnifying Party shall be entitled to take control of the defense and investigation of such Claim and to employ and engage attorneys reasonably acceptable to the Indemnified Party to handle and defend the same, at the Indemnifying Party's sole cost and expense. The Indemnifying Party must deliver Notice of its election to take such control of the claim to the Indemnified Party not fewer than ten (10) days prior to the date on which a response to such Claim is due or such lesser period as is reasonable given the nature of the Claim and the Notice and response time permitted by law or the facts and circumstances.

In such event, without the consent of the Indemnifying Party, the Indemnified Party may enter a settlement of a Claim only to the extent that it involves the payment of money by the Indemnifying Party, unless the Indemnified Party fails to provide Notice to the Indemnifying Party in accordance with this Section 16.3.
- 16.4. Clarification. In the event and to the extent that a Claim is made against an Indemnitee by an employee of the Indemnifying Party or its contractors or subcontractors, the Parties agree that the Indemnifying Party shall indemnify and hold harmless the Indemnitee to the same extent as if the Claim were made by a non-employee of the Indemnifying Party, its contractors or subcontractors.
- 16.5. Primary Indemnification. The indemnification provided by each Indemnifying Party hereunder shall be primary and immediate. Accordingly, in addition to other provisions herein, and in order to render the Parties' intent and this indemnification agreement fully enforceable, each Indemnifying Party, in an indemnification claim hereunder, expressly and without reservation waives any defense or immunity it may have under any statute or judicial decision disallowing or limiting such indemnification and consents to a cause of action for indemnity. This waiver and consent to indemnification is made irrespective of and specifically waiving any defense or immunity under any statute or judicial decision.
- 16.6. Mutual Waiver of Subrogation.
- (a) To the extent permitted by law, Provider, its contractors, subcontractors, and their respective insurers hereby waive their rights of subrogation against Company and its respective directors, officers, employees and agents for any loss or damage to the Provider provided machines, Provider software, and other tangible and intangible, real and personal property of Provider, its contractors and subcontractors resulting from operations in connection with this Agreement. ARTICLE 17. INSURANCE

- 17.1. Provider Insurance. Provider will maintain insurance in accordance with industry practice, providing sufficient coverage for Provider's liabilities under the Agreement, including the coverage types and amounts specifically provided for in the Insurance Schedule. All such policies of insurance of Provider and its contractors and subcontractors shall provide notice of

cancellation in accordance with the policy provisions; and Provider will provide Company with prompt Notice of any such cancellation. No such cancellation shall affect Provider's obligation to maintain the insurance coverages required by this Agreement. Company shall be named as an additional insured on the Commercial General Liability, Comprehensive Automobile Liability and Umbrella policies. The Company shall be named as a Loss Payee as their interests may appear, in respect to the Employee Dishonesty and Corporate Fraud policy. However, losses otherwise payable to Company thereunder shall be reduced by fifty percent (50%) in the event any covered losses result from collusion between the employees of both Provider and Company. The Coverage afforded under any insurance policy obtained by Provider pursuant to this Agreement shall be primary coverage regardless of whether or not Company has similar coverage. Provider and its contractors and subcontractors shall not perform under this Agreement without the prerequisite insurance. Upon Company's request, Provider shall provide Company with certificates of such insurance including renewals, as requested. Unless previously agreed to in writing by Company, Provider shall require its contractors and subcontractors to maintain insurance appropriate to their activities under this Agreement. The limits of coverage required by this Agreement may be satisfied by a combination of primary and excess or umbrella insurance policies. If Provider or any of its contractors or subcontractors fail to maintain insurance policies with the limits provided in this Section 17.1 and the **Insurance Schedule**, upon Notice to Provider by Company and a 10 day cure period, Company may, without any obligation to do so, procure similar insurance to meet the limits specified under this Section 17.1 and the **Insurance Schedule**, and Provider shall pay Company the cost thereof. The maintenance of the insurance coverages required under this Agreement shall in no way operate to limit or expand the liability of Provider to Company under the provisions of this Agreement. The Parties do not intend to shift all risk of loss to insurance. The naming of Company as additional insured is not intended to be a limitation nor an expansion of Provider's liability and shall in no event be deemed to, or serve to, limit Provider's liability to Company to available insurance coverage or to the policy limits specified in this **Section 17.1**, nor to limit Company's rights to exercise any and all remedies available to Company under contract, at law or in equity. All such insurance as required above shall be maintained by Provider for the life of the Agreement, so long as the coverages are commercially available.

ARTICLE 18. DISPUTE RESOLUTION

- 18.1. **Dispute Resolution Procedures.** All disputes will be subject to the dispute resolution procedures set forth in the **Dispute Resolution Schedule**.
- 18.2. **Continued Performance.** The Parties agree to continue performing their respective obligations under this Agreement, including, without limitation, the obligation of Provider to perform its obligations in accordance with **Section 13.4**, while the dispute is being resolved unless and until such obligations are terminated or expire in accordance with the provisions of this Agreement.

ARTICLE 19. FORCE MAJEURE

19.1. **Force Majeure.**

- (a) Neither Party shall be liable for any default or delay in the performance of its obligations hereunder if and to the extent and while such default or delay is caused, directly or indirectly, by fire, flood, earthquake, explosions, catastrophic weather conditions or other elements of nature or acts of God, acts of war, terrorism, riots, civil disorders, rebellions or revolutions in the United States, strikes, lockouts, or labor difficulties or any other similar cause beyond the reasonable control of such Party other than strikes, lockouts, or labor difficulties initiated by such Party's or its subcontractors' employees; and provided such default or delay could not have been prevented by reasonable precautions and cannot reasonably be circumvented by the non-performing Party through the use of commercially reasonable alternate sources, work-around plans or other means, (individually, each being a "**Force Majeure Event**").

- (b) If a Force Majeure Event occurs, the non-performing Party will be excused from any further performance or observance of the obligation(s) so affected for as long as such circumstances prevail and such Party continues to use commercially reasonable efforts to recommence performance or observance whenever and to whatever extent reasonably possible without delay. Any Party so delayed in its performance will immediately notify the other by telephone and describe at a reasonable level of detail the circumstances causing such delay (to be confirmed in writing within forty-eight (48) hours after the inception of such delay).
- (c) If any Force Majeure Event substantially prevents, hinders, or delays performance of the Services necessary for the performance of Company's critical functions for more than three (3) consecutive days or a total of five (5) days within any 30-day period, then Company may:
 - (i) procure such Services from an alternate source until Provider is able to provide the Services. During the Force Majeure Event, Company shall not be obligated to pay the Charges or any other amounts to Provider for the relevant Services, and, to the extent that payments charged by the alternate source for such replacement services exceed what Provider's Charges hereunder for the Services so provided would have been, Provider and Company will equally share such incremental charges until such time as Provider is able to restore the Services and meet the Service Levels, but in no event for more than one hundred eighty (180) days; or
 - (ii) terminate as of a date specified by Company in a Notice of termination to Provider, (A) the Service(s) so affected by the Force Majeure Event, or (B) the minimum portion of the Services that Company reasonably and in good faith determines must be terminated in order for Company to procure the Services on reasonable terms and conditions from an alternate source, and Company will pay all Charges due and payable through the termination date. If Company elects such termination, Company shall pay [* * *] of Provider's Winddown Expenses associated with such terminated Services.
- (d) Both Parties shall use commercially reasonable efforts to minimize any charges to be incurred from an alternate source. At such time as Provider is able to restore the Services and meet the Service Levels, (i) Provider shall no longer be obligated to pay an alternate source for the provision of Services to Company, and (ii) the unexercised termination right described in Section 19.1(c)(ii) shall expire with respect to the applicable Force Majeure Event.

19.2. Exceptions. Section 19.1 does not limit or otherwise affect Provider's obligation to provide Disaster Recovery Services in accordance with Section 2.8, except to the extent, and then only to the extent that a Force Majeure Event precludes Provider from providing Services from CDC, in which case the provisions of Section 19.1 shall also apply to CDC. In the event of a Force Majeure Event affecting Company, Section 19.1 will not limit or otherwise relieve Company's obligation to pay any monies due Provider or Provider's Assignee under the terms of this Agreement.

- 20.2. Choice of Forum. Subject to the Dispute Resolution Process, the Parties hereby (a) agree that the courts sitting in Dallas, Texas shall have exclusive jurisdiction over the actions arising out of or related to or in connection with this Agreement and the subject matter of this Agreement, whether in contract tort, or any other form of action (“Action”); (b) agree to initiate any such Action against the other Party only in such courts; (c) agree that they shall not raise any defense to the lawful jurisdiction of such courts; and (d) agree that they shall not attempt the removal of any Action to any other court, whether local, state or federal courts of the United States or the courts of any other country.
- 20.3. Relationship of the Parties. This Agreement shall not be construed as constituting either Party as partner of the other or to create any other form of legal association that would impose liability upon one Party for the act or failure to act of the other or as providing either Party with the right, power or authority (express or implied) to create any duty or obligation of the other Party. Each Party shall be responsible for the management, direction and control of its employees and such employees shall not be employees of the other Party. It is the mutual intent and understanding of the Parties that Provider shall be an independent contractor engaged in the business of providing Services.
- 20.4. Publicity. Each Party will submit to the other Party all advertising, written sales promotion, press releases and other publicity matters relating to this Agreement in which the other Party’s name or mark is mentioned or language from which the connection of said name or mark may be inferred or implied, and will not publish or use such advertising, sales promotion, press releases, or publicity matters without prior written approval of the other Party. However, either Party may include the other Party’s name and a factual description of the work performed under this Agreement on employee bulletin boards, in its list of references and in the experience section of proposals to third parties, in internal business planning documents and in its annual report to stockholders, and whenever required by reason of legal, accounting or regulatory requirements.
- 20.5. Entire Agreement, Updates, Amendments and Modifications. This Agreement, including all Schedules attached hereto, constitute the entire agreement of the Parties with regard to the Services and matters addressed therein, and all prior agreements, letters, proposals, discussions and other documents regarding the Services and the matters addressed in this Agreement (including the Schedules) are superseded and merged into this Agreement (including the Schedules), except for the avoidance of doubt, the Technology License Agreement and any other matters expressly referred to in this Agreement and the Schedules hereto. Updates, amendments and modifications to this Agreement may not be made orally, but shall only be made by a written document signed by both Parties. Any terms and conditions varying from this Agreement (including the Schedules) on any order or written notification from either Party shall not be effective or binding on the other Party.
- 20.6. Waiver. No waiver of any breach of any provision of this Agreement shall constitute a waiver of any prior, concurrent or subsequent breach of the same or any other provisions hereof.
- 20.7. Severability. If any provision of this Agreement shall be held to be invalid, illegal or unenforceable by any court or other tribunal with jurisdiction over any proceeding relating to such provision, the validity, legality and enforceability of the remaining provisions shall not in any way be affected or impaired thereby, and such provision shall be deemed to be restated to reflect the Parties’ original intentions as nearly as possible in accordance with applicable law(s).
- 20.8. Counterparts. This Agreement shall be executed in counterparts. Each such counterpart shall be an original and together shall constitute but one and the same document.
- 20.9. Binding Nature and Assignment. This Agreement will be binding on the Parties and their respective successors and permitted assigns. For the avoidance of doubt, the Parties acknowledge that Provider may assign its rights to payments hereunder (as well as its rights to enforce the obligations to make such payments) only with Company's prior written consent, which shall not be unreasonably withheld. The assigning Party shall remain fully liable for and shall not be relieved from the full performance of all obligations under this Agreement. Any attempted assignment that does not comply with the terms of this Section shall be null and void. In connection with any assignment in accordance with this Agreement, the assigning Party shall provide Notice thereof to the other Party together with a copy of the assignment document within five (5) business days of such assignment.

- 20.11. **No Third Party Beneficiaries.** This Agreement is entered into solely between, and may be enforced only by Sabre Inc., Provider and, solely as to **Article 16.** Indemnified Parties, and this Agreement will not be deemed to create any rights in any third party, including suppliers and customers of Company or Provider, or to create any obligations of Company or Provider to any third party (except in respect of Indemnified Parties under **Article 16).**
- 20.12. **Other Documents.** Upon request of the other Party, on or after the Effective Date and the date(s) of any amendments or revisions hereto, each Party shall furnish to the other a certificate of an executive officer confirming that this Agreement and any amendment or revision hereto has been duly executed and delivered on behalf of such Party.
- 20.13. **Reasonableness.** As concerns every provision of this Agreement, the Parties agree to act reasonably and in good faith unless a provision expressly states that a Party may act in its sole discretion.
- 20.14. **Nonperformance.** Provider will not be held in breach of this Agreement if it fails to perform its obligations under this Agreement solely to the extent that after conducting root cause analysis the Parties determine that such nonperformance is directly attributable to acts, errors or omissions by Company or a third party supplier independently hired by Company in respect of an express obligation set forth in this Agreement or any act necessary for the performance of such express obligation by Company or a third party supplier independently hired by Company; provided, however, that Provider shall use commercially reasonable efforts to mitigate such nonperformance and to recommence performance whenever and to whatever extent possible without delay. Provider shall promptly or as soon as reasonably practicable notify Company verbally (to be confirmed in writing to Company's Contract Manager within five (5) business days after the inception of the nonperformance) of the obligations of Provider that are being prevented by Company's or such third party supplier's nonperformance. It is the Parties' intent that a failure to notify Company in writing in accordance with this Section shall not be deemed to be an excuse for non-performance by Company or a third party supplier independently hired by Company.
- 20.15. **Consents and Approvals.** The Parties agree that in any instance where consent, approval or agreement is required of a Party in order for the other Party to perform under or comply with the terms and conditions of this Agreement, then, unless a provision expressly states that a Party may act in its sole discretion, such Party will not unreasonably withhold or delay such consent, approval or agreement and where consent, approval or agreement cannot be provided, the Party shall notify the other Party in a timely manner.

- 20.18. Further Assurances. The Parties agree themselves, and to cause their Affiliates, to cooperate with and assist each other and the Affiliates of the other in good faith and upon reasonable request take such action as may be necessary or appropriate to implement and carry into effect this Agreement to its full intent, including executing and delivering such other instruments and documents, including, without limitation, notices to third parties regarding the agency appointment of Provider under Section 3.3 and similar matters, as either Party may reasonably request to evidence or effect the transactions contemplated by this Agreement. All such instruments and documents shall be in form and content reasonably acceptable to each of Company and Provider.
- 20.19. Export Regulations. This Agreement is expressly made subject to any United States and other applicable laws, regulations, orders or other restrictions regarding export (or reexport) from the United States or another country, and import into any country, of computer hardware, software, technical data or other items, or derivatives of such hardware, software, technical data or other items. Notwithstanding anything to the contrary in this Agreement, neither Party will directly or indirectly export (or re-export) any computer hardware, software, technical data or any other item provided to or by it for purposes of this Agreement, or any derivative of the same, or permit the shipment of the same: (a) into (or to a national or resident of) Cuba, North Korea, Iran, Sudan, Syria or any other country subject to sanctions or an embargo imposed by the United States; (b) to anyone on the U.S. Treasury Department's List of Specially Designated Nationals, List of Specially Designated Terrorists or List of Specially Designated Narcotics Traffickers, or the U.S. Commerce Department's Entity List or Denied Persons List; or (c) to any person, country or destination for which the United States or another country with jurisdiction, or any agency of the same, requires an export license or other authorization for export, without first having obtained such license or other authorization required. Company will provide to Provider not less than 10 days' prior written notice in the event that any of technical data, hardware, software or other items provided by Company that will be used or accessed by Provider in providing the Services is controlled for export under the International Traffic in Arms Regulations or other applicable laws (unless such items are controlled for export under United States law only as ECCN EAR99) and, if requested by Provider, will provide the ECCN classification of any such item, or the similar classification as appropriate under other applicable law. Unless otherwise expressly agreed, the Parties shall continue their current practice under the Original Agreement with respect to which Party (or Party Affiliate) is identified as the importer or exporter of record of any items for which import or export is required for delivery of any portion of the Services outside the United States. Each Party will reasonably cooperate with the other and will provide to the other promptly upon request any end-user certificates, affidavits regarding re-export or other certificates or documents as are reasonably requested to obtain authorizations, consents, licenses and/or permits required for any payment or any export or import of items or services under this Agreement. The provisions of this Section 20.19 will survive the expiration or termination of this Agreement for any reason.
- 20.20. When Provider procures Software, hardware, or equipment from a Third Party Vendor at Company's request pursuant to a Service Request and resells such to Company, Provider will, to the extent it is specifically authorized to do so in its contract with the Third Party Vendor, flow down to Company any warranties and intellectual property indemnities that it can pursuant to the terms of the Third Party Vendor contract. Nothing in the preceding sentence is meant to expand or limit Provider's existing indemnification obligations to Company as set forth in the Agreement.

The disclosing Party acknowledges that the receiving Party may currently, or in the future, be developing information internally, or receiving information from other Persons, that is similar to the Confidential Information. Accordingly, nothing in this Confidentiality Schedule will be construed as a representation or agreement that the receiving Party will not develop or have developed for it products, concepts, systems or techniques that are similar to or compete with the products, concepts, systems or techniques contemplated by or embodied in the Confidential Information provided that the receiving Party does not violate any of its obligations under the Agreement in connection with such development. Further, Provider shall be free to use for any purpose the residuals residing in employees transitioned to Provider, and either Party shall be free to use for any purpose residuals resulting from access to or work with any Confidential Information other than information related to the Airline PSS Software, CIO Systems Software, Connectivity Software and TMD Software (as those terms are defined in the Technology License Agreement), provided that such Party shall maintain the confidentiality of the Confidential Information as provided herein and provided such use does not infringe or otherwise violate any patent, trademark, trade secret or copyright of the other Party. The term "residuals" means information in non-tangible form which may be retained in the "unaided memory" by Persons who have had access to the Confidential Information, including ideas, concepts, know-how or techniques contained therein, provided such Confidential Information is not expressly incorporated in a tangible form provided by the disclosing Party. For purposes of this schedule, "unaided memory" means to be remembered by an individual without reference to, use of, or the aid of information in any tangible form, and purposefully or intentionally memorized or retained by such individual prior to or after the Effective Date. Nothing in this Confidentiality Schedule shall be construed as giving the Provider any rights in or to information related to Airline PSS Software, CIO Systems Software, Connectivity Software and TMD Software.

1.0 Defined Terms

Capitalized terms not otherwise defined herein have the meanings ascribed to them in the Glossary.

“Complex Dispute List” means the Complex Dispute List maintained by J*A*M*S/Endispute (“JAMS”) or another list of individuals having similar qualifications maintained by JAMS.

“Dispute” means any dispute, controversy or claim of any kind or nature arising under or in connection with the Agreement, including without limitation, disputes as to the creation, validity, interpretation, breach or termination of this Agreement.

“Executive Steering Committee” has the meaning set forth in the Account Governance Schedule.

“Qualifications” means extensive knowledge or experience regarding the subject of the Dispute.

2.0 Dispute Resolution Process

2.1 General. Except as otherwise stated in the Agreement (including, without limitation, as set forth in Section 7.5 of the Agreement entitled “Benchmarking”), all Disputes arising between the Parties shall be resolved in accordance with the process set forth in this Dispute Resolution Schedule (the “Dispute Resolution Process”). Notwithstanding the foregoing, in the event of any inconsistency in the Dispute Resolution Process set forth in this Schedule and any other process to resolve Disputes set forth elsewhere in this Agreement (other than the process set forth in Section 7.5 of the Agreement, which must be completed before the Parties resort to this Dispute Resolution Process) or otherwise used by the Parties to resolve Disputes without referring the Dispute to a third party, either Party may elect that both Parties adhere to this Dispute Resolution Process (it being acknowledged that such other processes generally contemplate that the Parties can resolve a Dispute without the need for mediation or arbitration, whereas the Dispute Resolution Process in this Schedule generally contemplates the potential need for the parties to resort to mediation or arbitration to resolve a particular Dispute). Company and Provider shall at all times exercise reasonable, good faith efforts to resolve all Disputes in a timely, amicable and efficient manner.

2.2 Escalation Procedure.

- (a) All Disputes shall initially be escalated in accordance with the provisions of Section 8 of the Account Governance Schedule. If a reasonable amount of time has elapsed without resolution, or if either Party believes that resolution is not possible without further escalation, the issue may be further escalated as provided herein.
- (b) Non-binding Mediation. If the Executive Steering Committee does not resolve the Dispute within ten (10) Business Days (or such longer period as that Committee may agree) after the date of referral to it, either Party may submit the Dispute to non-binding mediation in accordance with Section 2.3 below.
- (c) Binding Arbitration. If the Dispute is not resolved by any of the preceding steps and is not resolved by mediation, either Party may submit the Dispute to binding arbitration in accordance with Section 2.4 below.
- (d) Acceleration. Notwithstanding the foregoing, in the event either Party determines at any time and in its sole discretion that the Dispute relates to such a critical matter that the Escalation Procedure set forth in this Section 2.2 will not resolve the Dispute in a timely

or satisfactory manner, such Party may accelerate the Dispute directly to the Executive Steering Committee. If the Executive Steering Committee does not resolve the accelerated Dispute within ten (10) Business Days after the date of referral of such Dispute to such committee (or if either Party fails to designate its member(s) of the Executive Steering Committee for a particular Dispute within five Business Days from the date it receives notice from the other Party that such Party elects to proceed under this Section (d) (or the Parties otherwise fail to agree on the Executive Steering Committee for a particular Dispute within such five Business Days)), either Party may submit the Dispute to binding arbitration in accordance with Section 2.4 below. In the event either Party determines to accelerate a Dispute subsequent to the Executive Steering Committee's review of the Dispute pursuant to Section 2.2(b) above, such Party may accelerate the Dispute directly to binding arbitration in accordance with Section 2.4 below; provided, however, that any Dispute currently under review by the Executive Steering Committee may not be accelerated directly to arbitration until the Executive Steering Committee's review has been concluded.

- (e) **Miscellaneous.** If the Parties act pursuant to another process set forth elsewhere in this Agreement (other than Section 7.5 of the Agreement) or as otherwise agreed to in their attempt to resolve a particular Dispute without referral of the Dispute to a third party (e.g., the parties utilize dispute resolution procedures pursuant to the **Account Governance Schedule**), the Parties shall be deemed to have completed the steps in Sections 2.2(a) and 2.2(b) of this Dispute Resolution Process if the substance of those steps have been taken and those timeframes have been met by the Parties in such other process, such that either Party may then elect to proceed directly to either non-binding mediation in accordance with Section 2.3 below or to binding arbitration in accordance with Section 2.4 below.

2.3 **Mediation.** Mediation of an unresolved Dispute shall be conducted in the following manner:

- (a) Either Party may submit the Dispute to mediation by giving Notice of mediation to the other Party. The Parties shall thereafter attempt to promptly agree upon and appoint a sole mediator who has the Qualifications.
- (b) If the Parties are unable to agree upon a mediator within ten (10) days after the date the Dispute is submitted to mediation, either Party may request the Dallas office of JAMS to appoint a mediator who has the Qualifications. The mediator so appointed shall be deemed to have the Qualifications and to be accepted by the Parties.
- (c) The mediation shall be conducted in the Dallas metropolitan area at a place and a time agreed by the Parties with the mediator, or if the Parties cannot agree, as designated by the mediator. The mediation shall be held as soon as practicable, considering the schedules of the mediator and the Parties.
- (d) If either Party has substantial need for information from the other Party in order to prepare for the mediation, the Parties shall attempt to agree on procedures for the formal exchange of information. If the Parties cannot agree, the mediator's determination shall become effective.
- (e) Each Party shall be represented in the mediation by at least its Contract Manager or Account Manager as applicable or another natural Person with authority to settle the Dispute on behalf of that Party and, if desired by that Party, by counsel for that Party. The Parties' representatives in the mediation shall continue with the mediation as long as the mediator requests.

- (f) Unless otherwise agreed by the Parties, each Party shall pay one-half of the mediator's fees and expenses and shall bear all of its own expenses in connection with the mediation. Neither Party may employ or use the mediator as a witness, consultant, expert, or counsel regarding the Dispute or any related matters.

2.4 Arbitration. Arbitration of an unresolved Dispute shall be conducted in the following manner:

- (a) Either Party may initiate arbitration by filing a demand for arbitration (the "Demand") in accordance with the American Rules of Arbitration (the "Arbitration Rules"). The Parties shall thereafter attempt to promptly agree upon and appoint a Panel of three arbitrators (the "Panel"). Each of those arbitrators must have the Qualifications, and at least two of those arbitrators must be included in the Complex Dispute List.
- (b) If the Parties are unable to agree upon any or all of the arbitrators within ten (10) days after the filing of the Demand (and do not agree to an extension of that ten-day period), either Party may request the Dallas office of JAMS to appoint the arbitrator or arbitrators, who have the Qualifications (and at least two of whom must be included in the Complex Dispute List), necessary to complete the Panel in accordance with the Arbitration Rules. Each arbitrator so appointed shall be deemed to have the Qualifications and to be accepted by the Parties as part of the Panel.
- (c) The arbitration shall be conducted in the Dallas metropolitan area at a place and a time agreed by the Parties with the Panel, or if the Parties cannot agree, as designated by the Panel. The Panel may, however, call and conduct hearings and meetings at such other places as the Parties may agree or as the Panel may, on the motion of one Party, determine to be necessary to obtain significant testimony or evidence.
- (d) The Parties shall attempt to agree upon the scope and nature of any discovery for the arbitration. If the Parties do not agree, the Panel may authorize any and all forms of discovery, including depositions, interrogatories, and document production, upon a showing of particularized need that the requested discovery is likely to lead to material evidence needed to resolve the Dispute.
- (e) The arbitration shall be subject to the Federal Arbitration Act and conducted in accordance with the Arbitration Rules to the extent they do not conflict with this Section 2.4. The Parties and the Panel may, however, agree to vary the provisions of this Section 2.4 or the matters otherwise governed by the Arbitration Rules.
- (f) The Panel has no power to:
 - (i) rule upon or grant any extension, renewal, or continuance of the Agreement; or
 - (ii) award remedies or relief either expressly prohibited by the Agreement or under circumstances not permitted by the Agreement.
- (g) Unless the Parties otherwise agree, all Disputes regarding or related to the same topic or event that are subject to arbitration during the same time period shall be consolidated in a single arbitration proceeding.
- (h) A Party or other Person involved in an arbitration under this Section 2.4 may join in that arbitration any Person other than a Party if:
 - (i) the Person to be joined agrees to resolve the particular Dispute or controversy in accordance with this Section 2.4 and the other provisions of this Dispute Resolution Schedule applicable to arbitration; and

- (ii) the Panel determines, upon application of the Person seeking joinder, that the joinder of that other Person will promote the efficiency, expediency and consistency of the result of the arbitration and will not unfairly prejudice any other party to the arbitration.
- (i) The arbitration hearing shall be held within sixty (60) days after the appointment of the Panel unless the Parties agree otherwise. Upon request of either Party, the Panel shall arrange for a transcribed record of the arbitration hearing, to be made available to both Parties.
- (j) The Panel's final decision or award shall be made within thirty (30) days after the hearing. That final decision or award shall be made by unanimous or majority vote or consent of the arbitrators constituting the Panel, and shall be deemed issued at the place of arbitration. The Panel shall issue a reasoned written final decision or award based on the Agreement and Texas law.
- (k) The Panel's final decision or award may include:
 - (i) recovery of Damages to the extent permitted by the Agreement; or
 - (ii) injunctive relief in response to any actual or threatened breach of the Agreement or any other actual or threatened action or omission of a Party under or in connection with the Agreement.
- (l) The Panel's final decision or award shall be final and binding upon the Parties, and judgment upon that decision or award may be entered in any court having jurisdiction over either or both of the Parties or their respective assets. The Parties specifically waive any right they may have to apply or appeal to any court for relief from the preceding sentence or from any decision of the Panel, or any question of law arising from or related to the Dispute, before or after the final decision or award.
- (m) Each Party shall pay one-half of the arbitrators' fees and expenses, and shall bear all of its own expenses in connection with the arbitration. The Panel has the authority, however, to award recovery of all costs and fees (including attorneys' fees, administrative fees and the Panel's fees and expenses) to the prevailing Party in the arbitration.

3.0 Exceptions

- 3.1 Recourse to Courts. Nothing in the Agreement, this Dispute Resolution Schedule or otherwise shall limit the right of either Party to apply to a court or other tribunal having jurisdiction to:
- (a) enforce the Dispute Resolution Process;
 - (b) seek provisional or temporary injunctive relief, in response to an actual or impending breach of the Agreement or otherwise so as to avoid irreparable damage or maintain the status quo, until a final arbitration decision or award is rendered or the Dispute is otherwise resolved; or
 - (c) take any other action to resolve the Dispute, whether or not permitted by or in conflict with the Dispute Resolution Process, if the action is specifically agreed to in writing by the Parties.

4.0 Miscellaneous

- 4.1 Submission to Jurisdiction. Each Party irrevocably submits to the jurisdiction of the United States Federal Courts and the Texas State Courts located in Dallas/Fort Worth, Texas regardless of the governing law of the Agreement. Each Party waives any defense or challenge to that jurisdiction based on lack of personal jurisdiction, improper venue, or inconvenience of forum.
- 4.2 Confidentiality. The proceedings of all negotiations, mediations, and arbitrations as part of the Dispute Resolution Process shall at all times be privately conducted. The Parties agree that all information, materials, statements, conduct, communications, negotiations, mediations, arbitrations, offers of settlement, documents, decisions, and awards of either Party, in whatever form and however disclosed or obtained in connection with the Dispute Resolution Process:

 - (c) will not constitute an admission or waiver of rights.
- 4.3 Continued Performance. - 4.4 Termination Assistance. For the avoidance of doubt, if Provider fails or threatens not to provide Company with Termination Assistance Services, Company will be irreparably harmed and may proceed directly to court pursuant to Section 3.1(b). If a court or arbitration panel should find that Provider has breached any of its Termination Assistance Service obligations, Provider agrees that it shall not oppose any final order compelling its performance.
- 4.5 Notice. Any referral or acceleration required or permitted herein shall be made by Notice to the applicable Persons designated herein. The date of referral is the effective date of the Notice to the Persons to whom the Dispute must have been referred.

1.0 Introduction

Company and Provider will develop and follow specific policies and procedures during the Term, which are to be set out in a Procedures Manual. This **Procedures Manual Schedule** sets out the process by which the Procedures Manual developed in accordance with the Original Agreement will be updated and finalized, the requirements for the Procedures Manual and the manner for addressing procedural matters that arise prior to the completion of the updated Procedures Manual.

2.0 Procedures Manual

- 2.1 **Development.** Provider and Company will jointly develop and update the Procedures Manual to accommodate changes to the Services and/or the tools and methodologies used to perform the Services. Provider will deliver designated portions of the Procedures Manual to Company; provided that, no later than seventy-five (75) days following the Effective Date, Provider will:
- (a) Fully review Company's procedures manual and written process and policy documentation in accordance with **Section 2.2** below;
 - (b) Deliver to Company a draft of the policies and procedures to be reviewed or added to the Procedures Manual; and
 - (c) Subject to the detailed Transformation Plan, deliver to Company a Project Plan for final completion of the Procedures Manual, which completion schedule shall not exceed, including reasonable time allocated for Company's approval of the Procedures Manual, one hundred and eighty (180) days from delivery of the Project Plan.
- 2.2 **Interim Obligations.** Until such time as the updated Procedures Manual becomes effective, Provider will use the existing Procedures Manual to the extent that the procedures and processes are applicable to the applicable operating environment or component.
- 2.3 **Scope.** The updated Procedures Manual will describe in detail:
- (a) Processes and procedures outlined or referenced in the Agreement or the **Services and Support Responsibilities Schedule**, including, without limitation, the Change Management Process, security procedures, security request procedures and the Project Management Process;
 - (b) Processes and procedures for all required or permitted interactions between Provider and Company and/or Participating Third Parties as described in the Agreement or the **Services and Support Responsibilities Schedule** (e.g., escalation procedures);
 - (c) The time periods that apply for the purposes of the above; and
 - (d) Any other pertinent information as mutually agreed upon by the Parties.
- 2.4 **Form.** Provider will provide a hard copy of, and make available on-line an electronic version of, the Procedures Manual to Company in a structure and form which is suitable for use by Company.
- 2.5 **Mutual Responsibilities.** Each Party agrees to perform its responsibilities set forth in the Procedures Manual as mutually agreed upon by the Parties.

- 2.6 Conflicts. In the event of a conflict between the provisions of the Agreement and the Procedures Manual, the provisions of the Agreement will control unless the Parties expressly agree otherwise in writing.
- 2.7 Updates and Amendments. During the Term, Provider will further update and amend the Procedures Manual to the extent deemed necessary by the Parties to reflect new Services, changes in the operating environment or changes in the operations or procedures described in the Procedures Manual. 1.0 Introduction

This **Projects Schedule** describes the Project Management Process and the process applicable to Critical Projects.

2.0 Definitions

“**Acceptance Test Criteria**” means the criteria agreed upon in writing by Company and Provider for validating the proper delivery of a Project or any Deliverables thereunder. Acceptance Test Criteria applicable to a Project or Deliverable thereunder will be stated in the Project Plan for such Project.

“**Completion Criteria**” means the criteria agreed upon in writing by Company and Provider by which completion of a Project or Deliverable thereunder will be measured and evaluated. Completion Criteria applicable to a Project or Deliverable thereunder will be stated in the Project Plan for such Project. Projects and Deliverables may be subject to Acceptance Test Criteria and Completion Criteria.

“**Critical Projects**” means Projects deemed critical by Company in accordance with Section 5.0 below.

“**Deliverable**” means any item to be delivered to Company by Provider or to Provider by Company in accordance with a Project Plan.

“**Non-Critical Project**” means any Project which is not a Critical Project.

“**Project**” means any project, undertaking or assignment designated by Company and to be performed by Provider in accordance with this schedule and the Project Management Process.

“**Project Management Process**” means the procedures, standards and guidelines governing Projects as set forth in this Schedule, Project Plans, the **Services and Support Responsibilities Schedule** and the Procedures Manual.

3.0 Projects

3.1 **Project Performance.** Provider shall perform certain Projects for Company or on Company’s behalf as requested by Company in accordance with the Project Management Process. The terms and conditions of this **Projects Schedule** and the Project Management Process shall apply to all existing and future Projects. All Projects will be initiated via the service request process.

3.2 **In Progress and Planned Projects.** The in progress Projects as of the Effective Date will continue under and be paid for in accordance with the pre-existing Project Plans and their applicable Project agreements. The Parties will jointly review the Project Plans for in progress Projects in accordance with the Transformation Plan. Notwithstanding the foregoing, the Charges for Projects from and after the Effective Date will be governed by the **Charges Schedule** except for Projects (i) that were included in the Resource Unit pricing prior to the Effective Date and which shall not be subject to incremental Charges after the Effective Date and (ii) that were billed on a time and materials basis will be continued to be billed on that basis. For Projects that have both time and materials and Resource Unit billing components the billing shall continue under the pre-existing structure.

4.0 Project Management Process

- 4.1 **Project Manager.** Provider will assign a manager to each Project who has the authority to represent Provider for that Project and who will have specific operational roles as described below and further delineated in any Project Plan (a “**Project Manager**”). A single Project Manager may be assigned to oversee more than one Project at a time. Provider will notify Company of a change to the Project Manager. For each Project, Company will assign a named owner or sponsor responsible for direct interaction with the Provider’s Project Manager.
- 4.2 **Governance.** All Projects will be governed by the Project Management Process.
- 4.3 **Project Change Requests.** Either Company or Provider may request a change to a Project, which request and change shall be subject to change control procedures described in the Project Management Process.
- 4.4 **Sign Off.** Company approval and sign off on completed Projects or Deliverables will be carried out and documented in accordance with Project Management Process, or other mutually agreed upon process.

5.0 Critical Projects

- 5.1 **General.** Company may from time to time and in its sole discretion identify certain opportunities as a Critical Project. Critical Projects are those projects that Company believes arise from a unique challenge, threat or opportunity to Company’s business and will, as deemed necessary by Company, supersede other, lower priority activities.
- 5.2 **Designation of Critical Projects.** Company will identify Critical Projects to Provider using an appropriate high level of designation as agreed between Provider and Company to differentiate these from normal service requests and project requests. Company may request that Provider perform services related to a Critical Project in advance of the designation of the Critical Project. The purpose of the Critical Project designation is to alert all Parties that the Critical Project is to be highly prioritized and may disrupt normal business flows.
- 5.3 **Critical Project Implications.** To the extent performance of a Critical Project will disrupt the performance of the Services described in the **Services and Support Responsibilities Schedule**, the allocation of resources or the performance of other Projects, the Parties will work together in good faith to allocate resources and assign priorities in a manner consistent with Company’s business objectives. Company agrees to compensate Provider for reasonable costs associated with the re-assignment or re-prioritization of activities provided that Provider actually incurs those costs and the costs are not avoidable, except as otherwise specified in the Agreement. In the event Company reallocates resources assigned to Non-Critical Projects in order to service Critical Projects, the Parties will mutually re-examine target pricing commitments and baselines for such Non-Critical Projects as necessary.
- 5.4 **Critical Project Activities.** The responsibilities of and activities to be performed with respect to a Critical Project includes, without limitation:
 - (a) **Support for Investigation.** Provider will provide resources to assist in the early stages of the engagement to determine the specific details of the opportunity or threat for which Company will request support.
 - (b) **Resource Provisioning.** Company may, without penalty (other than Service Level relief to the extent set forth in the **Service Levels and Service Credits Schedule** and costs paid to Provider as set forth in Section 5.3), (i) reallocate priorities among existing Company projects to secure the necessary resource(s) to service Critical Projects and (ii) secure additional resources necessary to staff any remaining resource deficiencies related to the Critical Project, including hiring scarce skill contractors as the need dictates.
 - (c) **Project Team.** Provider will supply Project and account related head count as requested by Company, including “Project Persons” (as such term is defined in the **Restricted Personnel Schedule**).

- (e) Location Support. In accordance with the **Services and Support Responsibilities Schedule**, Provider will assist and support Company in establishing a location for the Critical Project if it requires a location separate from a current Company location.
- (f) Legal/Consulting Support. Provider will engage and consult with Company's designated legal, financial and other advisors as necessary.

REPORTS SCHEDULE

1.0 Introduction

This **Reports Schedule** outlines the reports pertaining to the Services that Provider will provide to Company. Unless otherwise agreed by Company, Provider will provide reports in printable electronic format, as well as access to databases and data warehouses for reporting, report validation and informational purposes. Except as otherwise set forth herein, the specific details regarding Provider's preparation, development and delivery of reports will be set forth in the Procedures Manual.

This Schedule does not address reports that are generated by internal Company systems that are operated, maintained, and developed by Provider. During the Term, those systems will continue to operate and produce reports as they do as of the Effective Date, and Company will continue to have access to the same information.

Provider will provide Company with (a) the same reports, customer billing and operational data to which Company has access as of the Effective Date, (b) the reports identified below, (c) the reports described in the Agreement, the **Services and Support Responsibilities Schedule** and any other schedule to the Agreement, (d) ad-hoc reports and data access required on a near real-time and/or ongoing basis to diagnose and resolve operational incidents, and (e) such other reports as Company may request from time to time, including up to [* * *]. As Provider goes through transition and transformation and changes occur to the existing environment, data, or systems, Company and Provider must mutually agree to any subsequent changes, additions, or deletions to or of affected reports and/or data sources prior to the implementation thereof and Provider will allow for additions or change to reporting needs as identified from time to time.

Provider will save performance and other non-financial historical data (online or archived) in accordance with the time frames established by Company's data and document retention policies. Financial data, including invoices and the associated detail, will be stored for [* * *] or as tax and other governmental laws dictate, whichever time period is longer, unless otherwise agreed between Company and Provider. All archived reports, customer billing and operational data shall be accessible on operating systems that enable Company to reasonably satisfy its obligations under federal, state and foreign document retention laws.

With respect to the report "METHODs" labeled "TBD" below, the Parties will agree upon a delivery method reasonably acceptable to both Parties [* * *] of the Effective Date. Failure to agree within the [* * *] period is, at the election of either Party, a Dispute.

1.0 Introduction

This **Restricted Personnel Schedule** sets forth the procedures and restrictions the Parties will comply with during the Term regarding certain Provider employees and contractors performing the Services and Projects.

2.0 Key Personnel

- 2.1 **General.** Company has designated [* * *] of Provider as persons who either (i) will devote substantially all of their full time and effort to the performance of the Services, or (ii) are leveraged employees who will devote the same or greater amount of time and effort to supporting Company as provided immediately prior to being designated by Company (each, a “**Key Person**”, together “**Key Personnel**”). Provider may not substantially change the job description or function of a Key Person without Company’s prior consent. The list of Key Personnel (and whether they are dedicated or leveraged employees) as of the Effective Date is attached hereto as **Exhibit A** (the “**Key Personnel List**”). Provider may not redeploy a dedicated Key Person into a leveraged employee without the prior consent of Company.
- 2.2 **Term of Key Personnel.** Unless earlier removed in accordance with this Schedule, a Key Person will retain his or her status as a Key Person and remain on the Key Personnel List (i) for a Key Person as of the Effective Date, for the [* * *] period after the Effective Date, and (ii) for an individual named as a Key Person after the Effective Date, for the [* * *] period commencing on the date such individual commences work on the Company account as a Key Person. For those individuals who were named as Key Persons under the Original Agreement at least [* * *] prior to the Effective Date, and who remain as Key Persons under this Agreement, upon Provider request, Company agrees to release such Key Persons following at least [* * *] prior Notice and fulfillment of any reasonably requested transition activities to a Provider named successor. In addition, for any individuals who were named as Key Persons under the Original Agreement less than [* * *] prior to the Effective Date, and who remain as Key Persons under this Agreement (“Carry Over Key Persons”), during the first [* * *] after the Effective Date, Provider will discuss with such Carry Over Key Persons their inclusion as a “Key Person” under this Schedule. If any such Carry Over Key Person initiates a request (within the [* * *] after the Effective Date) that they not be included as a Key Person for more than their original [* * *] assignment, and Provider gives Notice to Company of such request within [* * *] of the Effective Date, Company agrees it will release such Key Persons on and after the date which is [* * *] months from the date such Carry Over Key Person commenced work as a Key Person under the Original Agreement, following at least [* * *] prior Notice and fulfillment of any reasonably requested transition activities to a Provider named successor. For [* * *] following each Key Person leaving the Company account, Provider will not utilize such Key Person to provide services to any Company Specified Competitor, unless such Company Specified Competitor system resides in the Data Centers and the Key Person is leveraged.
- 2.3 **Replacement and Removal of Key Personnel.** Provider will not remove or replace any employee or contractor of Provider who is a Key Person unless (i) after the relevant [* * *] period specified in **Section 2.2** above, (ii) agreed to by Company, (iii) Provider terminates the employment of such employee or contractor for cause, or (iv) the Provider employee or contractor voluntarily resigns, is unable to work due to his or her death or disability or any other reason beyond Provider’s reasonable control. In the event Provider reasonably believes that the designation or continued designation of any employee or contractor as a Key Person will result in the resignation of such employee or contractor, Provider will promptly notify Company of such fact and remove such employee or contractor only as agreed upon between the Parties. In cases other than resignation, death or disability, or other cause beyond Provider’s control, Provider and

Company shall agree on a replacement Key Person pursuant to Section 2.4 below prior to the removal of the replaced/removed Key Person. In cases of resignation, death or disability, or other cause beyond Provider's control, Provider shall appoint a replacement Key Person pursuant to Section 2.4 as soon as practicable.

2.4 New Key Personnel. In the event of the removal of a Key Person (for whatever reason), Provider shall designate in writing a replacement (which must be dedicated to Company if the removed employee was dedicated) with reasonably comparable skills and experience at least [* * *] prior to the departure of the relevant Key Person (except in cases of death or disability, or other cause beyond Provider's control) who, subject to the following sentence, shall be added to the Key Personnel list on Exhibit A (and indicated as leveraged or dedicated). The Company reserves the right to interview and approve proposed Key Personnel prior to or after their assignment to the Company's account. If Company rejects a proposed Key Person, Provider shall designate another replacement in accordance with this Section 2.4.

3.0 Projects Personnel

3.1 General. Company may designate any Provider employees or contractors who are or will be staffed on Projects (who may or may not be designated as Key Personnel) as persons who will devote substantially all of his or her full time and effort to the performance of the Project to which he or she has been assigned ("Project Persons"), [* * * .]

3.2 Assignment.

(a) A list of Project Persons as of the Effective Date is attached hereto as Exhibit B (the "Projects Personnel List").

(b) Upon Company's request that Provider perform a Project, Provider will deliver a Project Plan in accordance with the **Services and Support Responsibilities Schedule** which identifies the positions, skill sets, timelines, and activities required to complete such Project. Company will then identify certain key positions described in the Project Plan, which are to be staffed with Project Persons. Provider will be entitled to select the employees or contractors necessary to fill all positions with respect to a Project. Those employees or contractors staffed in the key positions identified by Company shall constitute a Project Person. Provider will update the Projects Personnel List as set forth in Section 3.5 below with all Project Persons. In staffing Projects, Provider will use commercially reasonable efforts to support the continuity of Projects based on the historical staffing used by Company.

3.3 Term and Restrictions. Once staffed on a Project, Provider will not re-assign a Project Person until after the completion of such Project, unless Company requests or consents to such re-assignment. [* * *]

- 3.5 **Projects Personnel List.** Provider will be responsible for maintaining and keeping current the Projects Personnel List with all Project Persons designated by Company, which will indicate (a) the Project Persons currently assigned to a Project, (b) the Project to which each Project Person is assigned and (c) the classification of each such Project as a Critical or non-Critical Project. Provider will provide Company with a copy of the Projects Personnel List at any other time upon Company's request. Following the processes outlined in the **Account Governance Schedule**, Company and Provider will meet as frequently as Company deems reasonably necessary during the Term of the Agreement, but in any event no less than annually, to review and update the Projects Personnel List and address any issues or concerns related thereto.
- 3.6 **Removal of a Projects Person.** Provider will not remove any employee or contractor of Provider who is a Project Person (i) unless and until Provider has notified Company of its intentions to remove such Project Person and has consulted with Company regarding the reasons therefor or (ii) unless (A) the Provider employee or contractor voluntarily resigns, is unable to work due to his or her death or disability or any other reason beyond Provider's reasonable control, or (B) Provider terminates the employment of such employee or contractor for cause. In the event Provider reasonably believes that the designation or continued designation of any employee or contractor as a Project Person will result in the resignation of such employee or contractor, Provider will, prior to removing such employee or subcontractor as a Project Person, promptly notify Company of such fact and remove such employee or contractor only as agreed upon between the Parties.

4.0 Restrictions on Competition

4.1 Company may, from time to time throughout the Term of the Agreement, restrict for [* * *] any Provider employee who is currently providing, or has provided [* * *], services to Company from providing [* * *]

1.0 GENERAL

As of January 1, 2012, unless otherwise set forth in Attachment A, the Provider will perform the Services to which Service Levels apply so that the Service Level Performance will, in each month of the Term, meet, or exceed, the Service Levels.

The achievement of the Service Levels by the Provider may require the coordinated, collaborative effort of the Provider with other Third Party Vendors. The Provider shall provide a single point of contact for the prompt resolution of all Service Level Defaults and all failures to provide high-quality Services to Company, regardless of whether the reason for such Service Level Defaults, or failure to provide high quality Services to Company, was caused by the Provider.

2.0 ATTACHMENTS

The following Attachments are provided with this Schedule.

Attachment A: Service Levels Matrix. This Attachment sets forth the quantitative measurements associated with Critical Service Levels and Key Measurements.

Attachment B: Critical Service Levels and Key Measurements.

Exhibit A to Attachment B: Contains a list of systems in the Midrange environment that have been designated as Critical Systems. These Critical Systems shall be subject to Critical Service Levels and Key Measurements.

3.0 MEASUREMENT

1. Service Level Performance shall commence being measured by the Provider on January 1, 2012. Service Level Credits shall apply with effect from January 1, 2012, or as otherwise stated in Attachment A (Service Levels Matrix) to this Schedule. Service Level Performance will be measured on a monthly basis unless otherwise specified in Attachment A (Service Levels Matrix).
2. Tools for new Service Levels and changes to tools for existing Service Levels will be implemented in accordance with the Change Management Process. If a tool changes, the Parties may, by written agreement, adjust the Service Level measurements as necessary to account for any increased or decreased sensitivity in the new measuring tool. However, it is not anticipated that changes in the monitoring tools will drive changes in Service Levels; rather, the need to collect and accurately reflect the performance data should drive the development or change in monitoring tools.
3. If there are any Critical Service Levels for which the measuring tools and methodologies have not been agreed upon by the Effective Date (including new Critical Service Levels) and the Provider fails to propose a measuring tool for such Critical Service Level that is acceptable to Company prior to the date when Service Level Credits apply to such Critical Service Level, such failure shall be deemed a Minimum Service Level Default until the Provider proposes and implements an acceptable measuring tool.
4. As of January 1, 2012, or as otherwise specified in Attachment A (Service Levels Matrix) to this Schedule referencing the column “# of Months**”, if the Service Provider fails to measure Service Level Performance for a Critical Service Level so that it is not possible to

confirm whether the Critical Service Level has been achieved then, unless such failure to measure was excused in writing by Company or Provider can otherwise prove that a Service Level Default did not occur, the Service Level Performance for the Service Level shall be deemed to be zero point one percent (0.1%) less than the Minimum Service Level value for that Critical Service Level and that value will be used in all Earnback calculations.

4.0 REPORTING

The Provider shall provide to Company, as part of the Provider's monthly performance reports, a set of hard- and soft-copy reports to verify the Provider's performance and compliance with the Service Levels.

The Provider shall provide detailed supporting information for each report to Company in machine-readable form suitable for use on a personal computer. The data and detailed supporting information shall be Confidential Information, and Provider will have the ability to use the data for purposes of internal performance analysis. Company may access such information online and in real-time, where technically feasible, at any time during the Term.

Service Level Performance is reported to Company by Rounding to two (2) digits after the decimal point for each calculation. The two (2) digits after the decimal point are based upon Rounding the four (4) digits after the decimal point that appear in the data collection tool. A Service Level Default will be evaluated based upon the resulting two (2) digits as reported to Company in Provider's monthly performance reports.

5.0 SERVICE LEVEL CREDITS

In the event of a Service Level Default, the Provider shall provide Company credits as defined below:

1. Subject to Item 5 of this Section 5, Section 6, and Section 7, a Service Level Credit shall be payable if the Provider's level of performance for a Critical Service Level either:
 - 1.1. [* * *]
 - 1.2. [* * *]
2. Service Level Credits shall not apply to failures to meet Key Measurements. However, if the Provider fails to meet the applicable Minimum Service Level for a Key Measurement, the Provider shall provide Company with a written plan for improving the Provider's performance to satisfy the Key Measurement within thirty (30) calendar days of the failure to meet Minimum Service Level. The plan shall be subject to Company's approval, not to be unreasonably withheld. The Provider shall promptly implement such plan once it has been approved by Company.
3. Attachment A (Service Levels Matrix) to this Schedule sets forth the information required to calculate the Service Level Credit in the event of a Service Level Default. For each Service Level Default, the Provider shall pay to Company, subject to Item 5 below, a Service Level Credit that will be computed in accordance with the following formula:

CONFIDENTIAL TREATMENT HAS BEEN REQUESTED FOR PORTIONS OF THIS EXHIBIT. THE COPY FILED HERewith OMITs THE INFORMATION SUBJECT TO A CONFIDENTIALITY REQUEST. OMISSIONS ARE DESIGNATED [* * *]. A COMPLETE VERSION OF THIS EXHIBIT HAS BEEN FILED SEPARATELY WITH THE SECURITIES AND EXCHANGE COMMISSION.

Service Level Credit = A x B x C

Where:

- A** = The Allocation of the Pool Percentage specified for the Performance Category in which the Service Level Default occurred as shown in Attachment A to this Schedule.
- B** = The Service Level Credit Allocation Percentage for which the Service Level Default occurred as shown in Attachment A to this Schedule.
- C** = The At-Risk Amount.

For example, assume that the Provider fails to meet the Minimum Service Level for a Critical Service Level, the Provider's Monthly Invoice Amount for the month in which the Service Level Default occurred was \$100,000 and that the At-Risk Amount was 12% of the Monthly Invoice Amount.

Additionally, assume that the Allocation of Pool Percentage for the Performance Category of such Critical Service Level is 50% and that its Service Level Credit Allocation Percentage is 40%. The Service Level Credit due to Company for such Service Level Default would be computed as follows:

A = 50% (the Allocation of Pool Percentage)

Multiplied by

B = 40% (the Service Level Credit Allocation)

Multiplied by

C = \$12,000 (12 percent (12%) of \$100,000 (Provider's Monthly Invoice Amount for the month during which the Service Level Default occurred)).

= \$2,400 (the amount of the Service Level Credit).

4. Subject to Item 5, if more than one Service Level Default has occurred in a single month, the sum of the corresponding Service Level Credits shall be credited to Company.
5. In no event shall the amount of Service Level Credits credited to Company with respect to all Service Level Defaults occurring in a single month exceed, in total, the At-Risk Amount.
6. The total amount of Service Level Credits that the Provider shall be obliged to pay to Company, with respect to Service Level Defaults occurring each month (subject to Earnback), shall be reflected on the invoice that contains charges for the month during which the Service Level Default(s) giving rise to such credit(s) occurred. Service Level Credits shall be shown as a credit on the applicable monthly invoice. The amount paid by Company shall be the invoice amount less the applicable Service Level Credit(s).
7. If a single incident results in more than one Service Level Default, Company shall have the right to select any one of such multiple Service Level Defaults for which it will be entitled to receive a Service Level Credit; i.e., Company shall not be entitled to receive a Service Level Credit for all such multiple Service Level Defaults resulting from such single incident.

CONFIDENTIAL TREATMENT HAS BEEN REQUESTED FOR PORTIONS OF THIS EXHIBIT. THE COPY FILED HERewith OMITs THE INFORMATION SUBJECT TO A CONFIDENTIALITY REQUEST. OMISSIONS ARE DESIGNATED [* * *]. A COMPLETE VERSION OF THIS EXHIBIT HAS BEEN FILED SEPARATELY WITH THE SECURITIES AND EXCHANGE COMMISSION.

8. The Provider acknowledges and agrees that the Service Level Credits shall not be deemed or construed to be liquidated damages or a sole and exclusive remedy or in derogation of any other rights and remedies Company has hereunder, under the Agreement, or at law or equity.

6.0 EXCEPTIONS

1. If any Service Level is not successfully achieved in accordance with the relevant performance standard specified in the Service Level and the Provider demonstrates that such failure is directly caused by any of the following, then such events or periods shall be disregarded for the purpose of calculating the relevant Service Level (and shall be excluded from both the numerator and the denominator for the purposes of calculating whether the Service Level has been achieved):
 - 1.1. Company's or a Company Third Party Vendor's breaches of this Agreement.
 - 1.2. Infringement of Third Party proprietary rights by Company or a Company Third Party Vendor.
 - 1.3. Willful misconduct, violations of law, or other acts or omissions by Company or a Company Third Party Vendor.
 - 1.4. Service or resource reductions requested or approved by Company (including but not limited to those resource reductions referenced in Section 5.4(b) of the **Projects Schedule**) and agreed to by the Parties through the Change Control Procedures; provided that the Provider has previously notified Company in writing as part of such Change Control Procedures that the implementation of such request would result in such failure to meet the Service Level.
 - 1.5. Failure by the Company or a Company Third Party Vendor to conduct repair on Equipment that has been identified and agreed in writing by Company to be unserviceable Equipment. Such agreement shall have been made identifying the Equipment Resource Unit as unserviceable Equipment prior to any failure incident qualifying as an exception.
 - 1.6. Services performed during the execution of the Disaster Recovery Plan, the execution of which is in support of a Company-declared disaster (but failure to execute a Disaster Recovery Plan may constitute a breach of the Agreement).
 - 1.7. The failure of uncertified Software introduced into the Company's environment other than by Provider.
 - 1.8. With respect to Software that is no longer supported by the applicable Third Party Vendor, a failure of such Software directly attributable to the absence of such support.
 - 1.9. With respect to Software where the applicable Third Party Vendor does not provide 24 x 7 support, or where the Company has elected not to purchase 24 x 7 support for such Software from the applicable Third Party Vendor, a failure of such Software directly attributable to the absence of such support.
 - 1.10. With respect to a particular item of Equipment for which the Company requests Provider discontinue providing hardware maintenance, a hardware failure directly attributable to the Company's discontinuance of such hardware maintenance.
 - 1.11. With respect to a particular item of Equipment for which the Company has refresh responsibility (and with respect to an item of Equipment for which Provider has refresh responsibility, but Company has requested not be refreshed), a hardware failure directly attributable to the age of any component(s) of such Equipment that have not been refreshed or refurbished by the Company (or Provider, as applicable) within the applicable refresh interval, provided that Provider has used commercially reasonable efforts to obtain replacement part(s) for such failed component(s).

CONFIDENTIAL TREATMENT HAS BEEN REQUESTED FOR PORTIONS OF THIS EXHIBIT. THE COPY FILED HERewith OMITs THE INFORMATION SUBJECT TO A CONFIDENTIALITY REQUEST. OMISSIONS ARE DESIGNATED [* * *]. A COMPLETE VERSION OF THIS EXHIBIT HAS BEEN FILED SEPARATELY WITH THE SECURITIES AND EXCHANGE COMMISSION.

- 1.12. Provider's inability to access any Service Location as a result of evacuation or prevention of access ordered by competent authorities which was not caused by an act, error, or omission of the Provider.
2. For purposes of calculating Actual Uptime and Availability, the Scheduled Uptime and Downtime shall not include any period of Downtime that is the result of scheduled time required to perform system maintenance, as outlined in the Procedures Manual (for example, preventive maintenance, system upgrades, etc.), provided that such time has been mutually agreed between the Parties and is scheduled so as to minimize the impact to Company's business. The Provider shall maintain Availability during such periods to the extent reasonably practicable.

7.0 EARNBACK

7.1 Earnback (Monthly Measurement Window)

The Provider shall have Earnback opportunities with respect to Service Level Credits associated with Service Levels having a monthly measurement window as follows:

1. Within forty-five (45) business days after each Earnback Period, the Provider shall provide a report to Company that will include, with respect to each Critical Service Level for which there was a Service Level Default during the preceding Earnback Period, the following:
 - 1.1. Data from Provider's data collection tool that reflects Provider's average monthly performance during the preceding Earnback Period with such data Rounded to four (4) digits after the decimal point for each month's performance.
 - 1.2. The Yearly Performance Average during the preceding Earnback Period with such Yearly Performance Average Rounded to two (2) digits after the decimal point for each calculation. The two (2) digits after the decimal point are based upon Rounding the four (4) digits after the decimal point that appear in the Providers data collection tool for each month's average monthly performance during the Earnback Period;
 - 1.3. The total amount of Service Level Credits imposed for Service Level Defaults, and
 - 1.4. The total amount of Service Level Credits to be reimbursed in accordance with Section 7.1.2.
2. If, during the preceding Earnback Period, the Provider achieved a Yearly Performance Average (Rounded to two (2) digits) for a Critical Service Level covered by Item 1 above that was [* * *] then the Provider shall be [* * *]
3. If, during the preceding Earnback Period, Company deletes a Critical Service Level, then the Provider shall [* * *]

7.2 Earnback (Annual Measurement Window)

The Provider shall have Earnback opportunities with respect to Service Level Credits associated with Service Levels having an annual measurement window as follows:

1. Within forty-five (45) business days after each Annual Measure Earnback Period, the Provider shall provide a report to Company that will include, with respect to each annual measure for which there is a Critical Service Level that resulted in a Service Level Default, the following:
 - 1.1. The Service Level Performance for the Annual Measure Earnback Period rounded to two (2) digits;
 - 1.2. The Service Level Performance for the Annual Measurement Period rounded to two (2) digits;
 - 1.3. The amount of each Service Level Credit imposed for each Service Level Default, and

5. In the event the Company’s production environments are negatively impacted as the result of Application Install Ready advisory changes, Company may retract its permission to allow Provider to complete an advisory change and if such retraction results in a Service Level failure, Provider shall be granted sixty (60) days to remedy the problem, during which time Provider shall be excused from the Service Level.
6. In the event of a second occurrence of the problem within 365 days of the original occurrence, the Provider will not be excused from the Service Level.

3.0 Transformation Plans

3.1 Critical Milestones; Responsibilities

The Critical Milestones set forth in this Schedule for each Category 2 Project and for certain Category 1 Projects take into account the Baselines for such Projects. Exhibit 1 to this Schedule sets forth certain high level responsibilities of the Parties with respect to the Projects. The Detailed Transformation Plans will set forth detailed responsibilities of the Parties.

3.2 Detailed Transformation Plans

3.2.1 **Generally.** Except with respect to [* * *] for each Project the Parties will develop Detailed Transformation Plans. Each Detailed Transformation Plan shall include (i) a project definition document; and (ii) a detailed project plan. The detailed project plan shall address in detail the following: (a) how the Project is to be implemented in order to achieve the Critical Milestones for that Project, including documenting the sequence, schedule, and volumes to be migrated for the systems in scope of each Category 2 Project in order to achieve the Critical Milestones for each such Project; and (b) all milestones that pertain to the foregoing, which include, without limitation, the Critical Milestones that pertain to the foregoing.

3.2.2 Development.

- (i) The Detailed Transformation Plans shall be developed by the Parties with the Parties working in a collaborative, iterative fashion, until such time the plan is agreed upon by the Parties and will be subject to approval by the most senior members of the TOC for each Party. The Parties agree that for Category 2 Projects, the work will be paced such that the overall body of work for a Project will be completed in an equitable and balanced fashion across the entire Project timeline, unless otherwise agreed in the Detailed Transformation Plan.
- (ii) With respect to each Category 1 Project, the initial Detailed Transformation Plan will be agreed upon in writing within the applicable time set forth in for that Project in this Schedule (each a “**Category 1 DTP Development Period**”). This clause (ii) does not apply to [* * *] Detailed Transformation Plans for Category 1C Projects will include high level milestones for Provider work to be completed prior to Company involvement, as well as the schedule of the Company applications to be migrated, as applicable and agreed to by the Parties.

- (iii) With respect to Category 2 Projects, the initial Detailed Transformation Plans: [* * *] and (B) shall be jointly developed and agreed upon in writing no later than thirty (30) days prior to the date migration of data is to commence under a Project. Thereafter, the Parties shall develop and agree upon in writing each subsequent Detailed Transformation Plan (covering the following four (4) month period) no later than thirty (30) days prior to the expiration of the then current Detailed Transformation Plan (each a “**Category 2 DTP Development Period**”).
- (iv) Agreement on the Detailed Transformation Plans shall not be unreasonably withheld or delayed. If the Parties are unable to agree to a Detailed Transformation Plan for a Project within thirty (30) days prior to the end of the DTP Development Period for that Project, the Parties will escalate to the TOC a list of all unresolved disputes between the Parties that are preventing completion and execution of the Detailed Transformation Plan. The TOC will engage in negotiations during the remainder of the DTP Development Period (“**Escalation Period**”) to resolve all such disputes. The Escalation Period can be extended by mutual agreement between the Parties. If the Detailed Transformation Plan is not executed by the end of the Escalation Period, any unresolved disputes shall be submitted to dispute resolution in accordance with the **Dispute Resolution Schedule**.

3.3 Changes to the Detailed Transformation Plans.

 - (i) The change requested and rationale for the change;
 - (ii) Any impact on the Project, including scope, timing, and impact on cost and savings; and
 - (iii) To the extent known, whether such change will result in a delay (including a Company Delay or Provider Delay (or partly a Company Delay and partly a Provider Delay)), together with an explanation in reasonable detail of such delay and the basis for its characterization set forth in the request, as well as the extent of such delay.
- 3.3.2 Each change request will be reviewed by the TOC to determine if such change will result in a delay, and if so, whether the delay is a Company Delay or Provider Delay (or partly a Company Delay and partly a Provider Delay) and the extent to which the delay will affect the achievement of the applicable Critical Milestones. If the Parties working through the TOC are unable to agree regarding

REPORTS SCHEDULE

1.0 Introduction

This **Reports Schedule** outlines the reports pertaining to the Services that Provider will provide to Company. Unless otherwise agreed by Company, Provider will provide reports in printable electronic format, as well as access to databases and data warehouses for reporting, report validation and informational purposes. Except as otherwise set forth herein, the specific details regarding Provider's preparation, development and delivery of reports will be set forth in the Procedures Manual.

This Schedule does not address reports that are generated by internal Company systems that are operated, maintained, and developed by Provider. During the Term, those systems will continue to operate and produce reports as they do as of the Effective Date, and Company will continue to have access to the same information.

Provider will provide Company with (a) the same reports, customer billing and operational data to which Company has access as of the Effective Date, (b) the reports identified below, (c) the reports described in the Agreement, the **Services and Support Responsibilities Schedule** and any other schedule to the Agreement, (d) ad-hoc reports and data access required on a near real-time and/or ongoing basis to diagnose and resolve operational incidents, and (e) such other reports as Company may request from time to time, including up to [* * *]. As Provider goes through transition and transformation and changes occur to the existing environment, data, or systems, Company and Provider must mutually agree to any subsequent changes, additions, or deletions to or of affected reports and/or data sources prior to the implementation thereof and Provider will allow for additions or change to reporting needs as identified from time to time.

Provider will save performance and other non-financial historical data (online or archived) in accordance with the time frames established by Company's data and document retention policies. Financial data, including invoices and the associated detail, will be stored for [* * *], or as tax and other governmental laws dictate, whichever time period is longer, unless otherwise agreed between Company and Provider. All archived reports, customer billing and operational data shall be accessible on operating systems that enable Company to reasonably satisfy its obligations under federal, state and foreign document retention laws.

With respect to the report "METHODs" labeled "TBD" below, the Parties will agree upon a delivery method reasonably acceptable to both Parties [* * *] of the Effective Date. Failure to agree within the [* * *] period is, at the election of either Party, a Dispute.

CONFIDENTIAL TREATMENT HAS BEEN REQUESTED FOR PORTIONS OF THIS EXHIBIT. THE COPY HEREWITH OMITTS THE INFORMATION SUBJECT TO A CONFIDENTIALITY REQUEST. OMISSIONS ARE DESIGNATED [* * *]. A COMPLETE VERSION OF THIS EXHIBIT HAS BEEN FILED SEPARATELY WITH THE SECURITIES AND EXCHANGE COMMISSION.

RESTRICTED PERSONNEL SCHEDULE

1.0 Introduction

This **Restricted Personnel Schedule** sets forth the procedures and restrictions the Parties will comply with during the Term regarding certain Provider employees and contractors performing the Services and Projects.

2.0 Key Personnel

- 2.1 **General.** Company has designated [* * *] of Provider as persons who either (i) will devote substantially all of their full time and effort to the performance of the Services, or (ii) are leveraged employees who will devote the same or greater amount of time and effort to supporting Company as provided immediately prior to being designated by Company (each, a “**Key Person**”, together “**Key Personnel**”). Provider may not substantially change the job description or function of a Key Person without Company’s prior consent. The list of Key Personnel (and whether they are dedicated or leveraged employees) as of the Effective Date is attached hereto as **Exhibit A** (the “**Key Personnel List**”). Provider may not redeploy a dedicated Key Person into a leveraged employee without the prior consent of Company.
- 2.2 **Term of Key Personnel.** Unless earlier removed in accordance with this Schedule, a Key Person will retain his or her status as a Key Person and remain on the Key Personnel List (i) for a Key Person as of the Effective Date, for the [* * *] period after the Effective Date, and (ii) for an individual named as a Key Person after the Effective Date, for the [* * *] commencing on the date such individual commences work on the Company account as a Key Person. For those individuals who were named as Key Persons under the Original Agreement at least [* * *] to the Effective Date, and who remain as Key Persons under this Agreement, upon Provider request, Company agrees to release such Key Persons following at least [* * *] prior Notice and fulfillment of any reasonably requested transition activities to a Provider named successor. In addition, for any individuals who were named as Key Persons under the Original Agreement less than [* * *] to the Effective Date, and who remain as Key Persons under this Agreement (“**Carry Over Key Persons**”), during the first [* * *] after the Effective Date, Provider will discuss with such Carry Over Key Persons their inclusion as a “**Key Person**” under this Schedule. If any such Carry Over Key Person initiates a request (within the [* * *] after the Effective Date) that they not be included as a Key Person for more than their original [* * *] assignment, and Provider gives Notice to Company of such request within [* * *] of the Effective Date, Company agrees it will release such Key Persons on and after the date which is [* * *] months from the date such Carry Over Key Person commenced work as a Key Person under the Original Agreement, following at least [* * *] prior Notice and fulfillment of any reasonably requested transition activities to a Provider named successor. For [* * *] following each Key Person leaving the Company account, Provider will not utilize such Key Person to provide services to any Company Specified Competitor, unless such Company Specified Competitor system resides in the Data Centers and the Key Person is leveraged.

7. **Availability – FEP – (OFEP, MFE)**

Calculated by taking the (number of seconds times the number of lines impacted by the outage – number of lines in use ten (10) minutes prior on J0 Sabre record –) added together for each outage divided by the (total number of seconds in a day times the total number of physical lines) times the number of days in month expressed as a percentage.

8. **Intentionally deleted**

9. **Intentionally deleted**

10. **Server Installation within 10 Business Days**

The number of servers that are installed and ready for use within ten (10) business days divided by the total number of servers requested to be installed expressed as a percentage. Measured from the time Provider has physical access to server to the time server is Infrastructure ready, fully configured at the Operating System level with all tools and utilities installed and complete FSE Gen 1 and FSE Gen 2 network and storage connectivity. This Service Level assumes that there is available rack space for the server and that it is being attached to the FSE Gen 1 or FSE Gen 2 network. This Service Level is limited to thirty (30) new servers installed per calendar month. However, neither this thirty (30) server limit, this Service Level nor the calculation thereof shall apply to idle servers of the same type. In the event of a low volume for the number of installed servers subject to this Service Level, Provider shall not incur a Service Level Default due to a single server that has not been installed and made ready for use by Provider within the required time frame as described above. This Service Level will expire when the Application Install Ready Service Level has been implemented.

11. **Availability – Air Centre**

Calculated by taking the (number of minutes in month) – (total Severity Level 1 minutes (longest duration per incident) of systems in the group that were impacted) attributed to Provider for the systems in the group divided by the number of minutes in month expressed as a percentage. 12. **Availability – Air Vision**

Calculated by taking the (number of minutes in month) – (total Severity Level 1 minutes (longest duration per incident) of systems in the group that were impacted) attributed to Provider for the systems in the group divided by the number of minutes in month expressed as a percentage. The Critical Systems that comprise this group are set forth in Exhibit A to this Attachment and are identified by the system grouping labeled “Air Vision”.

13. **Availability – SaaS Leveraged**

Calculated by taking the (number of minutes in month) – (total Severity Level 1 minutes (longest duration per incident) of systems in the group that were impacted) attributed to Provider for the systems in the group divided by the number of minutes in month expressed as a percentage. The Critical Systems that comprise this group are set forth in Exhibit A to this Attachment and are identified by the system grouping labeled “SaaS Leveraged”.

14. **Application Install Ready for FSE Gen 2**

(1) Measured monthly, the total number of (i) Application Install Ready requests on new FSE Gen 2 physical and virtual servers (including, without limitation, COD and repurposed servers) and, (ii) Application Install Ready requests on existing servers that have completed Application Install Ready, within the agreed upon number of days, as of the completion of the then current month and the prior month, divided by the total number of corresponding requests completed over the corresponding time period, expressed as a percentage.

(a) For FSE Gen 2 capacity on demand (COD) servers and repurposed servers, measurement of performance will commence as follows: (i) upon the later to occur of (a) receipt of the Completed Requirements; and (b) the time such server is physically reconfigured to the new specifications (if applicable), or if the server needs to be relocated, one day after the server is available for relocation.

(b) For all other new servers in FSE Gen 2 (that do not fall in (a) above), the measurement of performance will commence upon the later to occur of (a) Provider’s receipt of Completed Requirements, and (b) one day after Provider has access to the physical server.

(c) For Application Install Ready requests on existing servers, measurement of performance will commence upon Provider’s receipt of Completed Requirements.

(2) The Parties will begin tracking performance under this Service Level on March 1, 2012. Benchmarking of this Service Level will begin when the Process Improvements have been implemented and the FSE Gen 2 network is in production and will continue for a period of nine (9) calendar months thereafter:

(3) Until such time as the Application Install Ready for FSE Gen 2 Service Level is in place, the Service Level set forth in Section 10 below (Server Installation within 10 Business Days) shall govern the installation of new servers in FSE Gen 2.

(4) At the end of the benchmark period, regardless of the benchmark data, the time period to achieve Application Install Ready shall fall within the range of [* * * *] business days with a [* * * *]. For purposes of clarity, the number of days will be agreed to by the Parties at the conclusion of the benchmark period but will not be less than [* * * *]. Following the completion of the benchmark period, if the benchmark demonstrates that Provider will not meet the MSL or ESL, Provider shall have ninety (90) additional calendar days to make the necessary changes to meet the MSL and ESL. Upon conclusion of such ninety (90) calendar days, the time period to achieve Application Install Ready will not be less than [* * * *].

(5) With respect to Application Install Ready requests on new FSE Gen 2 physical and virtual servers (including, without limitation, COD and repurposed servers) this Service Level is limited each month to [* * * *]. The [* * * *] limitation shall be measured each (i) January and applied for the time period of the following March through August; and (ii) July and applied for the time period of the following September through February. With respect to those Application Install Ready requests that are excluded as a result of the [* * * *] limitation, Provider shall complete such requests within a commercially reasonable time.

(6) With respect to Application Install Ready requests on existing servers, this Service Level is limited each month to [* * * *]. The [* * * *] limitation shall be measured each (i) January and applied for the time period of the following March through August; and (ii) July and applied for the time period of the following September through February. With respect to those Application Install Ready requests that are excluded as a result of the [* * * *] limitation, Provider shall complete such requests within a commercially reasonable time.

(a) This Service Level (i) shall exclude days that are subject to Sabre dedicated system freeze dates or unanticipated Change freezes in effect; and (ii) shall exclude weekends and seven Provider nationally recognized holidays a list of which shall be provided to Company no later than November 30 of each calendar year for the following year; and (iii) shall only apply to Software and Hardware on the then current Standards List (Exhibit B of Attachment 4(L)), provided, however, Provider shall

exercise commercially reasonable efforts to make Software and/or Hardware not on the then current Standards List Application Install Ready within the Service Level.

(b) The Parties further agree that in any given month, if Provider fails to achieve an MSL or ESL and there are no more than [* * * *] in such month, then Provider shall not be deemed to have failed this Service Level.

(c) For each month during the first six (6) months after this Service Level becomes effective, Service Level Credits owed to Company under this Section shall not exceed [* * * *]

(7) The Parties agree that a separate Service Level for Application Install Ready for virtual servers will be developed within twenty four (24) months of the Effective Date. Until such time, virtual servers will be included within the scope of this Service Level.

1.2 Performance Category – Cross Functional

1. Help Desk First Call Problem Resolution

Calculated as the total number of Calls resolved on the first Call by the Help Desk without escalation to Level 2 or Level 3 Support, divided by the total number of Calls received by the Help Desk during the month, with the result expressed as a percentage. Reporting will show measure by region (North America, South America, EMEA, APAC).

3. **Number of Severity Level 1 Incidents – All Critical Systems and Key Network and Mainframe Systems**

Calculated by taking (the number of Severity Level 1 incidents across all Critical Systems **and the Key Network and Mainframe Systems** in the preceding year minus the number of Severity Level 1 incidents across the same Critical Systems **and the Key Network and Mainframe Systems** in the current year) divided by the number of Severity Level 1 incidents across all Critical Systems **and Key Network and Mainframe Systems** in the preceding year expressed as a percentage. If the resulting percentage is [* * * *]. If the resulting percentage is [* * * *]

1.3 **Performance Category – Mainframe**

1. **Availability – PSS**

PSS daily availability for 1 outage:

= 1 minus (outage impact (based on number of weighted lines in use in the prior 10 minutes on the J0 Sabre record) / total possible impact (total line seconds in day))

OR:

= 1 minus (number of seconds of outage X number of weighted lines affected) / (total number of seconds in day X total number of weighted lines)

PSS daily availability for multiple single outages or single complex:

= 1 minus ((outage 1 impact + outage 2 impact + outage N impact) / total possible impact)

OR:

= 1 minus (outage 1 (number of seconds X number of weighted lines) + outage 2 (number of seconds X number of weighted lines) + outage N (number of seconds X number of weighted lines)) / (total number of seconds in day X total number of weighted lines)).

For month-to-date (“MTD”) availability, the daily impacts are added together and the daily possible impacts are added together.

Weighted Lines = A line is “in the system” from the time it is first recorded for the day until it goes off for the day.

2. **Availability – PNR**

$\% \text{ Availability} = (\text{DDD} - (\text{CCC} \times \text{minutes of outages})) / \text{DDD}$

Legend:

DDD = maximum messages per day (MMM x 1440); what the day's message rate would have been like without outage.

CCC = total complex message rate averaged for [* * * *] prior to outage (adjusted for utility impact) for complex outages. Or, for partial outages, the average number of messages lost per minute of partial outage.

MMM = maximum messages per minute (developed using weighted average messages per day).

3. **Availability – WNP**

Wall Clock Availability:

$\% \text{ Available} = \text{Scheduled Availability} - \text{Unscheduled Downtime} \times 100 / \text{Scheduled Availability}$

Where Scheduled Availability = (1440 minutes X number of days in the month) – (Scheduled Downtime)

4. **Response Time – WNP**

Response Time:

$\% \text{ Met} = \text{number of messages less than or equal to [* * * *]} / \text{Total number of messages}$

5. **Availability – FPC**

• Legend:

CCC = total complex message rate prior to outage

MMM = maximum messages per minute (provided by Performance Management)

DDD = maximum messages per day

1440 = total minutes in a day

- Total message capacity for a twenty-four (24) hour period is:

$\text{MMM} \times 1440 = \text{DDD}$

- To measure performance against benchmarked tolerances:

$(\text{DDD} - (\text{CCC} \times \text{minutes of outages})) / \text{DDD}$

Scheduled Outages:

- The total FPC message rate (CCC) used in the calculation can be found on the FPC console.
- The rate is then multiplied by the number of minutes the system was unavailable and divided by the maximum messages for the day. This calculates the percentage availability for the day.

Unscheduled Outages: Partial Outages:

A processor will be considered down if the complex message rate (CCC) on the FPC console indicates a message rate drop of [* * * *].

Operations will display the message counts by processor, then take the difference in the total in counts ("TTL IN") before and after the outage to calculate the number of unaccepted messages for the impact calculation.

To calculate the unscheduled outage message counts, take the difference in the before TTL IN count minus the during TTL IN count. Only minutes that decreased by [* * * *]

Complex Outages:

To measure the impact of a complex outage, determine the total input message (CCC) on the FPC console for the minute prior to outage, times the duration of the outage in minutes to calculate the number of unaccepted messages (same as for scheduled outages).

1.4 Performance Category – Network

1. Internet Service Provider ("ISP") Availability

For the ISP Availability Service Level, Actual Uptime will be measured for the ISP environment and shall mean the period when the ISP environment is fully functional (allowing for workarounds within the system that are acceptable to Company) and providing Services to the entire population of Authorized Users. Calculated as Actual Uptime divided by Scheduled Uptime on a 24 x 7 basis with the result expressed as a percentage.

The ISP environment includes the Internet connections, autonomous system infrastructure (DNS, BGP, etc.), routers, firewalls, and switches supporting Internet services in the data center.

2. DataCenter Network Response Time

End-to-end Data Center Network response time is the percentage of test packets sent on the FSE Gen 1 Network and FSE Gen 2 Network, inclusive of the open systems adapter (OSA) interface that connect the FSE Gen 1 Network and FSE Gen 2 Network to PSS, within the physical data center location which meets a round trip response of less than [* * * *]. The calculation shall consist of the aggregate average round trip propagation delay from the FSE network access switch thru FSE distribution switch and, if applicable, load balancers to FSE network access switch.

These measurements will be taken [* * * *] and calculated on an hourly basis, 24 x 7. For each possible [* * * *] sample during the hour, subtract the send timestamp from receive timestamp. The total number of aggregate measures within the hour which are lower than or equal to [* * * *].

3. DataCenter Network Availability

This Service Level considers the Data Center network system (inclusive) of FSE Gen 1 Network and FSE Gen 2 Network) as a single entity for the Network Availability measurement calculation. This means that the maximum available production minutes are 1440 per day. Scheduled Availability is computed by multiplying the number of days in a given month by the number of minutes in each day.

Any Severity Level 1 SnapShot record that meets the following data criteria will be considered for inclusion in the system availability calculation:

SnapShot Field: SnapShot_CausedBy equal to "EDS"

SnapShot Field: SnapShot_SDCCI equal to "Network"

SnapShot Field: SnapShot_Sev1Dur greater than zero

SnapShot Field: SnapShot_SLA_Count equal to "Y"

Note: The criteria for classifying Severity Level 1 outages is documented in the Procedures Manual.

SnapShot Record Review Process

The SnapShot records must be reviewed and approved by Company and Provider before being included in the Service Level performance measurement. The records are reviewed on a daily basis and then a final review is performed by Provider and Company by the fifth business day of the month for the previous month. Records that meet the above Service Level measurement data criteria will be marked for inclusion in the Service Level by placing a 'Y' in the SnapShot_SLA_Count field. The SnapShot_SLA_Count field will default to 'N' when a SnapShot record is created.

Calculated as the number of ACL Soft MACs (firewall changes included) in a month with ACL Soft MAC correctly configured and completed divided by the total number of Company-approved ACL Soft MAC requests submitted during the month with the result expressed as the Soft MAC accurately completed percentage.

MACs that are performed as part of a Project are not considered for this Service Level calculation.

46. Performance Measure 2 for ENAS

The Parties agree that within sixty (60) days from completion of the Category 2 Oracle backups to Nearline Project (as described in the Transformation Schedule) and when at least one NAS device has been upgraded with the performance upgrades, the Parties will establish a new ENAS Service Level to measure spikes in read/write requests. The response time will be measured from the host interface on the storage array, through the array cache and backend disk handling equipment. The following measure of performance is required:

1. [* * * *] of all read and write requests are serviced [* * * *]

The calculation basis for these measurements will be a summary total over a calendar monthly period of all read and write requests to each individual storage array. Each storage array must meet the measures for the reporting period.

If one or more of the following events causes the Provider to miss this Service Level, the missed Service Level will not be counted against the Provider:

- Company declines to procure new ESAN array when Provider communicates the need for additional equipment;

**Re: Sabre Corporation
Registration Statement on Form S-1
Filed January 21, 2014
File No. 333-193438**

Dear Mr. Shuman:

On behalf of our client, Sabre Corporation (the "Company"), set forth below are responses to the comments of the staff (the "Staff") of the Securities and Exchange Commission (the "SEC") in its letter dated February 14, 2014, with respect to the above referenced Registration Statement on Form S-1 filed on January 21, 2014 (the "Registration Statement").

The Company has filed today Amendment No. 1 ("Amendment No. 1") to the Registration Statement, together with this letter via EDGAR correspondence. Capitalized terms used but not defined in this letter are used as defined in Amendment No. 1.

For your convenience, the text of the Staff's comments is set forth in bold below, followed in each case by the Company's response. Unless otherwise indicated, all page references in the responses set forth below are to the pages of Amendment No. 1.

CLEARY GOTTlieb STEEN & HAMILTON LLP OR AN AFFILIATED ENTITY HAS AN OFFICE IN EACH OF THE CITIES LISTED ABOVE.

General

- 1. We will process your amendments without price ranges. Since the price range you select will affect disclosure in several sections of the filing, we will need sufficient time to process your amendments once a price range is included and the material information now appearing blank throughout the document has been provided. Please understand that the effect of the price range on disclosure throughout the document may cause us to raise issues in areas on which we have not previously commented.**

The Company acknowledges the Staff's comment and respectfully advises the Staff that it will update its Registration Statement to include a price range and the material information now appearing blank throughout the Registration Statement. The Company also acknowledges that all such information is subject to the Staff's review and understands that the Staff will need a reasonable period of time to review the disclosures prior to effectiveness of the Registration Statement.

- 2. Please supplementally provide us with copies of any graphical materials or artwork you intend to use in your prospectus. Upon review of such materials, we may have further comments. See Question 101.02 of our Securities Act Forms Compliance and Disclosure Interpretations, available on our website.**

The Company acknowledges the Staff's comment and confirms that it will supplementally provide the Staff with any graphical materials or artwork it intends to use in the prospectus. The Company also acknowledges that all such materials are subject to the Staff's review and understands that the Staff will need a reasonable period of time to review the materials prior to effectiveness of the Registration Statement.

- 3. You state on page 144 of the registration statement that your "largest Travel Network suppliers include... United, Air Canada, Lufthansa, Air France... and Emirates." Websites for Air Canada, Lufthansa, Air France and Emirates indicate that each of those airlines operates flights serving Cuba, Iran or Syria. A website for United indicates that its airline partners operate routes serving Iran, Sudan or Syria. You state on pages 17, 81 and 99 of the registration statement that you hold a 40% interest in Sabre Travel Network Middle East. The Sabre Travel Network website states that Sabre Travel Network Middle East serves Syria. Cuba, Iran, Sudan and Syria are designated by the Department of State as state sponsors of terrorism and are subject to U.S. economic sanctions and export controls. Please describe to us the nature and extent of your past, current, and anticipated contacts with Cuba, Iran, Sudan and Syria, whether through subsidiaries, affiliates, partners, joint ventures or other direct or indirect arrangements. Your response should describe any services, products, information or technology you have provided to Cuba, Iran, Sudan or Syria, directly or indirectly, and any agreements, commercial arrangements, or other contacts you have had with the governments of those countries or entities controlled by their governments.**

The Company has no agreements, commercial arrangements or other contacts with the governments of Cuba, Iran, Sudan or Syria, or, to the Company's knowledge, with entities controlled by those governments. The Company does not provide these governments or, to the Company's knowledge, entities controlled by such governments with any services, products, information or technology.

In the past, the Company previously had GDS contracts with Syrian Arab Airlines and Iran Air, which were terminated in August 2011 and July 2013, respectively. As a result, Syrian Arab Airlines and Iran Air cannot currently distribute their travel content through the Sabre GDS.

The Company has GDS contracts with carriers that fly to Cuba, Iran, Sudan and Syria that are based outside of those countries and are not owned by those governments. With respect to Cuba, the Company has no contracts directly with any Cuban airlines; however, services of non-Cuban airlines that offer service to Cuba may be displayed in the Sabre GDS, with restrictions on pricing and ticketing for points of sale within the United States. For example, if a travel agent in the United States attempts to book travel to or from Cuba in the Sabre GDS, he or she receives the following message: "PRICING AND TICKETING FOR TRAVEL TO/FROM CUBA NOT PERMITTED." With respect to Iran, Sudan and Syria, the Company believes that its activities fall within the travel related exceptions to regulations prohibiting the sale of travel to or from such countries, to the extent that such regulations apply in certain jurisdictions. In addition, the Company has a license for GDS technology for travel agents in Syria.

4. **Please discuss the materiality of any contacts with Cuba, Iran, Sudan and Syria described in response to the foregoing comment, and whether those contacts constitute a material investment risk for your security holders. You should address materiality in quantitative terms, including the approximate dollar amounts of any associated revenues, assets, and liabilities for the last three fiscal years and the subsequent interim period. Also, address materiality in terms of qualitative factors that a reasonable investor would deem important in making an investment decision, including the potential impact of corporate activities upon a company's reputation and share value. Various state and municipal governments, universities, and other investors have proposed or adopted divestment or similar initiatives regarding investment in companies that do business with U.S.- designated state sponsors of terrorism. Your materiality analysis should address the potential impact of the investor sentiment evidenced by such actions directed toward companies that have operations associated with Cuba, Iran, Sudan and Syria.**

The Company does not believe that the activities described above are material to investors or represent a material investment risk. On a quantitative basis, the Company's revenue attributable to the activities described above is immaterial. The total revenue attributable to travel booked through the Sabre GDS to or from these countries for the period between January 2012 and January 2014 was approximately \$7,700,000, which is 0.123% of the Company's overall revenue for the same period.

Based on the *de minimis* quantitative nature of the activity, the fact that U.S. sanctions rules provide a number of exceptions treating certain travel transactions more leniently as a matter of U.S. policy, and the absence of any public criticism or scrutiny of these activities known to the Company, on a qualitative basis, the Company does not believe that a reasonable investor would consider the activities described above to have a material impact on making an investment decision regarding the Company's securities.

5. **Please relocate all of the information provided on pages ii through iv so that it appears after the risk factor section. Avoid a specialized vocabulary, which makes the text inaccessible to the ordinary investor. Consider whether acronyms can be replaced with short descriptive phrases. When specialized terms are informative, please define them when they first appear in the prospectus.**

In response to the Staff's comment, the Company has relocated the information referenced in the Staff's comment to pages 55 and 56 and has amended its disclosure throughout the Registration Statement to define specialized terms when they first appear.

Market and Industry Data and Forecasts, page iii

6. **You state that the industry publications, surveys and forecasts from which information in the prospectus have been derived "generally state that the information contained therein has been obtained from sources believed to be reliable, but there can be no assurance as to the accuracy or completeness of the included information" and that "we have not independently verified such third-party information nor have we ascertained the underlying economic assumptions relied upon in those sources, and neither we, the selling stockholders nor the underwriters can assure you of the accuracy or completeness of such information contained in this prospectus." Statements in the filing are made by the company, and material assumptions or limitations to those statements should be concisely described. Please eliminate language that can be interpreted as a disclaimer of the information contained in the filing. Eliminate text implying that you are not responsible for the accuracy of information you elect to include in your prospectus.**

In response to the Staff's comment, the Company has amended its disclosure on page 56 of the Registration Statement to eliminate language that can be interpreted as a disclaimer of the information contained in the filing.

Summary

7. **The summary should provide a balanced presentation of your company and its operations. As currently written, your summary emphasizes your strengths and growth strategy. Please balance your disclosure by providing an equally prominent overview of the material risks to, and weaknesses in, your business. For example, disclose on the cover page that you will be a "controlled company" and provide in the summary a discussion of the ramifications of this status for investors. Also, disclose in the summary that your principal stockholders will continue to have**

substantial control over the company after the offering, and disclose the percentage of your voting power to be held by your affiliates following the offering. Finally, address in the summary your significant amount of indebtedness.

In response to the Staff's comment, the Company has amended its disclosure on the cover page to disclose that it will be a "controlled company" and on pages 10 and 11 of the Registration Statement to include a summary of the material risks to its business, including the fact that the Company will be a "controlled company" and the ramifications for investors, the substantial control its Principal Stockholders will continue to have after the offering, with the percentage of its voting power to be held by its affiliates following the offering, and its significant amount of indebtedness.

Our Company, page 1

- 8. We note the reference in this section to the compound annual growth rate of your Adjusted EBITDA from 2009 through 2012 and the increase in Adjusted EBITDA margins. Revise to disclose the same information for your net loss for the same periods.**

In response to the Staff's comment, the Company has amended its disclosure with respect to the non-GAAP measures on pages 2 - 4, 72 and 132 - 133 of the Registration Statement to disclose the same information for the most directly comparable GAAP measure.

Our Business, page 3

- 9. With respect to third-party statements in this section and throughout the prospectus, such as the data attributed to WTTC, Euromonitor, Airbus and Gartner, supplementally provide us with support for such statements. To expedite our review, please clearly mark each report to highlight the applicable portion or section containing the information and cross-reference it to the appropriate location in the prospectus. Also, please tell us if you or any offering participants commissioned any of the reports you cite.**

The Company advises the Staff that the third-party reports cited in the prospectus have been marked and cross-referenced as requested and are being provided supplementally to the Staff on the date hereof. The Company also advises the Staff that none of these third-party reports have been commissioned by the Company or any offering participants.

Our Growth Strategy

Expand Our Global Travel Marketplace Leadership, page 8

- 10. Please summarize the meaning and significance of the phrase "virtuous cycle" that you use to describe your travel network business. We note you provide a description on page 138.**

In response to the Staff's comment, the Company has amended its disclosure on page 8 of the Registration Statement to summarize the meaning and significance of the phrase "virtuous cycle."

Risk Factors, page 18

- 11. Please revise the introductory paragraph to clarify that all known, material risks have been disclosed in this section. Eliminate unnecessary text such as references to immaterial risks that you do not describe.**

In response to the Staff's comment, the Company has amended its disclosure on page 20 of the Registration Statement to clarify that all known, material risks have been disclosed in the Risk Factors section and to eliminate the language referencing immaterial risks.

"Maintaining and improving our financial controls and..." page 42

- 12. We note your disclosures that the Sarbanes-Oxley Act requires you to maintain effective disclosure controls and procedures and internal control over financial reporting. Please tell us how effectiveness is required by the Act or revise your disclosure.**

In response to the Staff's comment, the Company has amended its disclosure on page 46 of the Registration Statement.

"Conflicts of interest may exist..." page 47

- 13. We note your statements regarding possible conflicts of interest on the part of the underwriters in this offering. Briefly describe the types of any conflicts of interest the underwriters may face as a result of also being lenders under your credit agreements. Also, tell us if you are subject to FINRA rules requiring the participation of a Qualified Independent Underwriter who would be involved in the underwriters' due diligence process. Please disclose, if applicable, that FINRA rules will require the participation of such person, the reasons therefore, who has been designated as such and what their role is in the offering.**

The Company advises the Staff that certain affiliates of Sanford C. Bernstein & Co., LLC hold a portion of the Company's 2019 Notes. Because the Company intends to repay a portion of the principal amount of the 2019 Notes and the accrued and unpaid interest thereunder, such affiliates of Sanford C. Bernstein & Co., LLC are expected to receive more than 5% of the net proceeds of the offering. Also, affiliates of TPG Capital BD, LLC, an underwriter of this offering, will own in excess of 10% of our issued and outstanding common stock following this offering. In addition, the TPG Funds are affiliates of TPG Capital BD, LLC and, as holders of a portion of our Series A Preferred Stock, we estimate they will receive more than 5% of the net proceeds of this offering.

As a result of the foregoing relationships, each of Sanford C. Bernstein & Co., LLC and TPG Capital BD, LLC is deemed to have a “conflict of interest” within the meaning of FINRA Rule 5121. Accordingly, this offering will be made in compliance with FINRA Rule 5121. Pursuant to that rule, the appointment of a qualified independent underwriter is not necessary for this offering.

The Company has amended its disclosure on pages 15, 51 and 254 to describe these conflicts.

Use of Proceeds, page 51

- 14. After you have finalized the indebtedness you intend to repay with the net proceeds of this offering, please provide the information called for by Instruction 4 to Item 504 of Regulation S-K. Also, please revise the disclosure in this section to provide more details regarding what constitutes “general corporate purposes.” In this regard, consider disclosing the amount of proceeds that you plan to use to implement your growth strategy. This section does not require disclosure of definitive plans and it is acceptable to provide a quantitative discussion of preliminary plans. Refer to Item 504 of Regulation S-K and Instruction 7 to Item 504. We note on pages 7 and 135 you describe your growth strategy but do not indicate if it will be funded with offering proceeds.**

In response to the Staff’s comment, the Company has amended its disclosure on pages 57 and 58 of the Registration Statement to clarify the use of proceeds from this offering and to provide the information called for by Instruction 4 to Item 504 of Regulation S-K.

Management’s Discussion and Analysis of Financial Condition and Results of Operations

Growing demand for continued technology improvements in the fragmented hotel market, page 67

- 15. You disclose in this section that you expect to develop and launch an integrated hospitality management suite. To the extent the costs to launch this product represent known trends, provide quantitative information regarding the impact of these development and marketing expenses.**

The Company acknowledges the Staff’s comment and respectfully advises the Staff that the investment in its integrated hospitality management suite is comprised of two main components: (i) tighter integration of the Company’s existing CRS and PMS and (ii) adding and integrating additional products and services to the Company’s portfolio through internal development, acquisitions or joint ventures. The Company believes that the expense associated with (i) is not material on a quantitative basis and respectfully advises the staff that the Company is currently evaluating a range of alternatives with respect to (ii) and that quantitative information regarding the impact of the development and marketing expenses is not yet available.

Travelocity, page 67

- 16. You state in this section that reduction in hotel transaction volumes and the loss of a key TPN customer in 2012 have led to a loss of media relevance. Please explain what you mean by “loss of media relevance.”**

In response to the Staff’s comment, the Company has amended its disclosure on page 75 of the Registration Statement to explain “loss of media relevance.”

- 17. You indicate that as a result of the implementation of the Expedia SMA, your costs will significantly decrease as you wind down certain internal processes and you will incur various restructuring costs. Revise to quantify the reasonably expected decrease in expenses and total restructuring charges. Refer to Item 303(a)(3)(ii) of Regulation S-K and Sections III.A and III.B.3 of SEC Release 33-8350, Commission Guidance Regarding Management’s Discussion and Analysis of Financial Condition and Results of Operations. We also refer you to SAB Topic 5P(4).**

In response to the Staff’s comment, the Company has amended its disclosure on pages 76 and 77 of the Registration Statement to quantify the reasonably expected decrease in expenses and total restructuring charges in connection with the implementation of the Expedia SMA.

Components of Revenues and Expenses

Cost of Revenue, page 74

- 18. You indicate that cost of revenue includes costs related to implementation and application development. However, we note from your discussion of results of operations that amortization of purchased software, internally developed software, and capitalized implementation costs are included in a separate line item within operating expenses and that you are presenting gross margins. Please explain what consideration you gave to classifying these items as costs of revenue. In this regard, explain why you believe presenting gross margins that excludes certain charges is appropriate. Refer to the authoritative accounting literature relied upon.**

The Company respectfully submits that its presentation of gross margin and the classification of operating expenses within cost of revenue were intended to assist investors in company-to-company comparisons and to align with the Company’s internal analysis. In addition, the Company believes that such presentation was in compliance with SAB Topic 11, in particular SAB Topic 11.B, Depreciation and Depletion Excluded from Cost of Sales (S99-8), as the cost of revenue line item contained the disclosure that it was exclusive of depreciation and amortization on the face of the income statement.

The Company acknowledges that a similar disclosure was not included in Management's Discussion and Analysis of Results of Operations. Notwithstanding the foregoing, to address the Staff's comment, the Company has amended its disclosure throughout the Registration Statement to revise gross margin to include depreciation and amortization, to the extent associated with cost of revenue, on a consolidated basis for all periods presented, including amortization of purchased software, internally developed software and capitalized implementation costs.

Results of Operations, page 82

- 19. We note from disclosures throughout your filing that revenue is influenced by a number of key metrics, including the percentage of recurring revenue for each of your segments, the number of reservations processed for passengers boarded (PBs) by the Airline Solutions business, and the number of hotel room reservations processed by the Hospitality Solutions business. In your discussion of results of operations, you should address key variables and other qualitative and quantitative factors which are peculiar to and necessary for an understanding and evaluation of your company. Revise to include an analysis of the qualitative and quantitative changes in these factors during each of the periods presented. Refer to Item 303(a)(3)(iii) of Regulation S-K and Section III.B.1 of SEC Release No. 33-8350, Commission Guidance Regarding Management's Discussion and Analysis of Financial Condition and Results of Operations.**

In response to the Staff's comment, the Company has amended its disclosure on pages 86 - 95 of the Registration Statement to include key metrics and other qualitative and quantitative factors that influenced changes in revenue in the discussion of results of operations.

Years ended December 31, 2012, 2011 and 2010, page 88

- 20. In your discussion of the changes in gross margin for Travel Network, you refer to customer incentive expenses. Tell us whether these costs represent subscriber incentive expenses. Revise your terminology, accordingly.**

In response to the Staff's comment, the Company has amended its disclosure on pages 88 and 90 and throughout the Registration Statement to reflect that the costs described as "customer incentive expenses" and "subscriber incentive expenses" represent "incentive consideration." Incentive consideration is provided in two ways, according to the terms of the contract: (i) on a periodic basis over the term of the contract and (ii) in some cases, upfront at the inception or modification of contracts, which is capitalized and amortized over the expected life of the contract (which is referred to as "upfront incentive consideration").

Critical Accounting Policies

Equity-Based Compensation, page 115

- 21. Revise to describe the specific methods you used to determine the fair market value of your common stock, the nature of the material assumptions involved, and the extent to which the estimates are considered highly complex and subjective.**

In response to the Staff's comment, the Company has amended its disclosure on pages 112 -115 of the Registration Statement to describe the specific methods used to determine the fair market value of its common stock, the nature of the material assumptions involved, and the extent to which the estimates are considered highly complex and subjective.

Business, page 130

22. **In regard to the awards and industry-wide recognition that you reference in this section, please put the disclosure in context by providing information about the award process. For example, disclose if you were independently chosen or nominated for the award or if you applied for consideration, if you paid to compete for the award, the criteria used in conferring the award, the number of companies considered for the award and the number of awards made.**

In response to the Staff's comment, the Company has amended its disclosure on pages 130 - 131 and 140 - 141 of the Registration Statement to provide information about the award processes.

23. **We note the chart on page 131 and your statement that you have current or in development solutions that address the six major technology investment priorities highlighted in a recent SITA survey. It does not appear from the chart, however, that you have any solutions that address passenger services via social media. Please advise.**

In response to the Staff's comment, the Company has amended its disclosure on page 131 of the Registration Statement to reflect that it has current or in-development solutions that address five of the six major technology investment priorities highlighted in the recent SITA Survey.

Research, Development and Technology, page 162

24. **If material, please revise to disclose the amounts spent during each of the last three fiscal years on research and development pursuant to Item 101(c)(1)(xi) of Regulation S-K.**

The majority of the Company's development-related costs is focused on maintaining, developing and enhancing its software for internal use, including the GDS and its software-as-a-service and hosted systems. As disclosed in Note 2 to our audited consolidated financial statements, research and development costs approximated \$6 million, \$4 million and \$3 million for the years ended December 31, 2013, 2012 and 2011, respectively. The Company believes these amounts are not material and therefore did not revise the section titled Research, Development and Technology on page 161. Notwithstanding the foregoing, in response to the Staff's comment, the Company revised its discussion of capitalized and expensed development cost on pages 103 and 104 to include the amounts expensed for research and development activities.

Intellectual Property, page 164

25. Please clarify the importance to your business and the duration of your patents and trademarks. Refer to Item 101(c)(1)(iv) of Regulation S-K.

In response to the Staff's comment, the Company has amended its disclosure on pages 163 - 164 of the Registration Statement to clarify the importance and duration of its patents and trademarks.

Management and Board of Directors, page 176

26. For Messrs. Simonson, Jones, Sparks and Robinson, please revise the individual discussions of business experience to provide specific dates of service for both present and past occupations held during the past five years.

In response to the Staff's comment, the Company has amended its disclosure on pages 176 and 177 of the Registration Statement to provide the specific dates of service for the present and past occupations Messrs. Simonson, Jones, Sparks and Robinson held during the past five years.

Principal and Selling Stockholders, page 226

27. In footnotes two and three, you disclaim beneficial ownership with respect to all shares except to the extent of respective pecuniary interests. Please note that Instruction 2 to Item 403 of Regulation S-K states that beneficial ownership pursuant to Item 403 is determined in accordance with Exchange Act Rule 13d-3, which states that beneficial ownership is based on voting and/or investment power, not pecuniary interest. Please revise.

In response to the Staff's comment, the Company has amended its disclosure on page 226 of the Registration Statement.

Notes to Consolidated Financial Statements

Note 5. Restructuring Charges, page F-10

28. Revise to disclose the total amount expected to be incurred in connection with your restructuring for each major type of cost associated with the activity. Refer to 420-10-50- 1(b)(1).

In response to the Staff's comment, the Company has amended its disclosure on pages F-20 and F-21 of the Registration Statement to disclose total expected restructuring charges for each major type of cost associated with the activity.

Note 19. Commitments and Contingencies

Legal Proceedings, page F-28

29. **If there is at least a reasonable possibility that a loss exceeding amounts already recognized may have been incurred, you should either disclose an estimate of the additional loss or range of loss (or, if true, state that the estimate is immaterial in lieu of providing quantified amounts), or state that such an estimate cannot be made. Please ensure that you address this disclosure for each of your legal proceedings, individually or on an aggregated basis. Refer to ASC 450-20-50 and SAB Topic 5Y.**

In response to the Staff's comment, the Company has amended its disclosure on page F-58 of the Registration Statement to state that such estimates of loss or range of loss cannot be made for its legal proceedings on an aggregate basis. In addition, the Company respectfully submits that, in accordance with ASC 450-20-50, when there is a reasonable possibility (i.e., more than remote) that a loss will be incurred related to litigation or other claims, it provides additional disclosure related to such litigation and other claims.

Note 12. Debt

Publicly Issued Senior Unsecured Notes, page F-71

30. **We note your statement that "On March 31, 2007, in connection with the acquisition of Sabre Corporation, [you] terminated the reporting obligations of [y]our 2011 Notes and 2016 Notes under Section 12(g) of the Securities Exchange Act of 1934, as amended, by providing a guarantee of the 2011 Notes and 2016 Notes by Sabre Inc." Clarify whether you assumed the guarantee or are providing a guarantee of those Notes. Tell us what consideration you gave to requirements outlined in Rule 3-10 of Regulation S-X.**

The Company acknowledges the Staff's comment and respectfully submits that the statement referred to by the Staff does not clearly reflect the state of facts at that time. Accordingly, the Company has provided disclosure on page F-39 as follows:

"On March 30, 2007, in connection with the acquisition of Sabre Holdings by Sabre Corporation, Sabre Holdings filed Form 15 with the Securities and Exchange Commission and terminated its reporting obligations with respect to its common stock, the 2011 Notes and the 2016 Notes under the Securities Exchange Act of 1934, as amended. In connection with the acquisition of Sabre Holdings, we also amended and restated the guarantee by Sabre GLBL of the 2011 Notes and the 2016 Notes in response to a request from the rating agencies so that the 2011 Notes and the 2016 Notes would not be structurally subordinated to Sabre GLBL's obligations under its senior secured credit facilities. Sabre Corporation has not assumed this guarantee and is not otherwise guaranteeing the 2011 Notes, which have since been repaid, or the 2016 Notes."

In connection with the termination of registration by Sabre Holdings, the 2016 Notes are no longer registered securities. Accordingly, the guarantee of the 2016 Notes by Sabre GBLB (formerly known as Sabre Inc.) does not trigger the requirements outlined in Rule 3-10 of Regulation S-X.

Grants of Equity-Based Awards

Time-Based Equity Awards, page F-84

31. **In the table of time-based share activity for the year ended December 31, 2012 for Travelocity Equity 2012 Tandem SARs, you disclose the amount of shares that are vested and exercisable as of December 31, 2012. In your description of the plan, we note that Tandem SARs are only exercisable upon a liquidity event. Please clarify your disclosures.**

In response to the Staff's comment, the Company has amended its disclosure on page F-54 to clarify that that no shares are vested and exercisable with respect to the Travelocity Equity 2012 Tandem SARs for any of the periods presented.

Note 19. Earnings Per Share, page F-87

32. **We note your disclosure on page 51 that you will use a portion of the proceeds to repay outstanding indebtedness. Once you determine the amount of debt to be repaid, please revise to include pro forma earnings per share information giving effect to the number of shares issued in the offering whose proceeds will be used to extinguish a portion of your outstanding debt. Please ensure that the footnotes to your pro forma disclosures clearly support your calculations of both the numerator and denominator used in your pro forma disclosures. We refer you to SAB Topic 3A by analogy and Rule 11-01(a)(8) and Rule 11-02(b)(7) of Regulation S-X.**

The Company acknowledges the Staff's comment and respectfully advises the Staff that, once the Company has finalized the indebtedness it intends to repay with the net proceeds of this offering, the redemption of the Preferred Stock and the impact of the Tax Receivable Agreement, it will update its disclosure to provide pro forma earnings per share information giving effect to the number of shares issued in the offering, the proceeds of which will be used to extinguish a portion of its outstanding indebtedness. The Company will also provide a pro forma balance sheet reflecting the impacts of these items.

Exhibit Index, page II-7

33. **Please file the following agreements as exhibits to your registration statement or advise why you do not believe the agreements are required to be filed. Refer to Item 601(b)(10) of Regulation S-K.**

- **Strategic Marketing Agreement with Expedia;**

The Company acknowledges the Staff's comment and respectfully advises the Staff that, since our initial filing of the Registration Statement, the parties to the Expedia SMA have amended and restated the agreement to reflect changed commercial terms. As part of those negotiations, the parties have also entered into a separate Put/Call Acquisition Agreement that supersedes the previous put/call arrangement, which had been included as a schedule to the original Expedia SMA. The Company believes the amended and restated Expedia SMA is not required to be filed pursuant to Item 601(b)(10)(i) because it is not a contract that is material to the Company's business. Travelocity is not a meaningful contributor to the Company's financial performance. For the year ended December 31, 2013, Travelocity's contribution to the Company's gross margin was almost completely offset by its selling, general and administrative expenses. For the same period, the Company derived approximately 3% of its total Adjusted EBITDA from Travelocity, which includes Adjusted EBITDA derived from Travelocity businesses not affected by the Expedia SMA such as lastminute.com. However, the Company does agree that the Put/Call Acquisition Agreement is an arrangement that should be filed by the Company and has therefore filed this agreement as an exhibit to Amendment No. 1, subject to a request for confidential treatment.

- **Agreement with HP relating to management of your computer data centers and network systems;**

In response to the Staff's comment, the Company has filed its Agreement with HP relating to management of its computer data centers and network systems as an exhibit to Amendment No. 1, subject to a request for confidential treatment.

- **Agreements with Travel Network's joint venture and distribution partners; and**

The Company respectfully submits that it does not believe its agreements with Travel Network's joint venture and distribution partners are required to be filed because the Company believes these contracts are made in the ordinary course of business and are therefore excluded from Item 601(b)(10)'s filing requirements. Joint ventures and distribution partnerships are typical methods through which GDSs extend their services to new markets. The Company frequently negotiates and enters into these types of agreements to establish partnerships with key suppliers and grow its distribution reach in local markets with lower risk. In addition, the Company does not believe these contracts fall within Item 601(b)(10)(ii)(B)'s exception for contracts on which the Company is substantially dependent. For example, for the year ended December 31, 2013, the Company derived approximately 3% of its total revenue and approximately 6% of its total Adjusted EBITDA from Abacus.

- **Agreements with your principal stockholders, including the Stockholder's Agreement, Registration Rights Agreement and Management Services Agreement.**

The Company further respectfully submits that it does not believe that the Management Services Agreement is required to be filed pursuant to Item 601(b)(10)(i) because it was entered into on March 30, 2007, more than two years before the filing of this Registration Statement, and the Company will not have any continuing obligations following this offering because the parties will terminate the Management Services Agreement in connection with this offering.

The Company respectfully advises the Staff that it will file the Stockholders' Agreement and the Registration Rights Agreement in a subsequent amendment to the Registration Statement.
