Item 1.01 Entry into a Material Definitive Agreement

Purchase Agreement

On November 4, 2015, Sabre GLBL Inc. (the “Issuer”), a wholly-owned subsidiary of Sabre Corporation (“Sabre,” the “Corporation,” “we,” “us,” or “our”), Sabre Holdings Corporation (“Holdings”) and the several guarantors thereunder entered into a purchase agreement (the “Purchase Agreement”) with Goldman, Sachs & Co., as representative of the several initial purchasers listed in Schedule I to the Purchase Agreement, relating to the offering (the “Offering”) by the Issuer of \$500 million aggregate principal amount of 5.250% senior secured notes due 2023 (the “2023 Notes”).

The foregoing description of the Purchase Agreement does not purport to be complete and is qualified in its entirety by reference to the Purchase Agreement, which is filed as Exhibit 1.1 herewith and incorporated by reference herein.

Indenture and Notes

On November 9, 2015, the Issuer, Holdings and certain of the Issuer’s subsidiaries, as guarantors (collectively, with Holdings, the “Guarantors”), and Wells Fargo Bank, National Association (“Wells Fargo”) as trustee and collateral agent, entered into an indenture (the “Indenture”) governing the Issuer’s newly issued 2023 Notes. The 2023 Notes were issued in an aggregate principal amount of \$500 million and will pay interest semiannually in arrears on May 15 and November 15 of each year, beginning on May 15, 2016, at a rate of 5.250% per year, and will mature on November 15, 2023.

The 2023 Notes are jointly and severally, irrevocably and unconditionally guaranteed by Holdings and all of the Issuer’s restricted subsidiaries that guarantee the Issuer’s credit facility, which consists of the incremental term loan facility entered into by the Issuer on September 30, 2013, the \$1,775 million term loan facility entered into by the Issuer on February 19, 2013, the \$425 million term loan facility entered into by the Issuer on February 19, 2013 and the \$405 million multi-currency revolver entered into by the Issuer on February 19, 2013, as subsequently amended (collectively, the “Credit Facility”). In addition, each future direct and indirect restricted subsidiary of the Issuer (other than a securitization subsidiary) that guarantees indebtedness under the Credit Facility, any additional first lien obligations, any junior lien obligations or any capital markets debt securities of the Issuer or a guarantor, will guarantee the 2023 Notes. The Credit Facility currently requires, subject to certain exceptions, newly formed or acquired domestic wholly-owned subsidiaries (other than unrestricted subsidiaries) to guarantee the obligations thereunder. Neither the 2023 Notes nor the Credit Facility will be guaranteed by any of the Issuer’s foreign subsidiaries or unrestricted subsidiaries.

The 2023 Notes and the guarantees are general senior secured obligations of the Issuer and each Guarantor, rank equally in right of payment to all existing and future unsubordinated indebtedness of the Issuer, rank effectively senior to all unsecured indebtedness of the Issuer, to the extent of the value of the collateral securing the 2023 Notes, which it shares pari passu with the Credit Facility and the Issuer’s \$530 million 5.375% senior secured notes due 2023 issued on April 14, 2015, are structurally subordinated to all existing and future indebtedness, claims of holders of preferred stock and other liabilities of subsidiaries of the Issuer that do not guarantee the 2023 Notes and are senior in right of payment to all existing and future subordinated indebtedness of the Issuer.

At any time prior to November 15, 2018, the Issuer may redeem all or part of the 2023 Notes at a price equal to 100% of the principal amount of the 2023 Notes redeemed plus accrued and unpaid interest to the redemption date and a “make-whole” premium. On or after November 15, 2018, 2019, 2020 and 2021, respectively, the Issuer may redeem some or all of the 2023 Notes at the redemption price of 103.938%, 102.625%, 101.313% and 100.000%, respectively, plus accrued and unpaid interest to the redemption date. At any time prior to November 15, 2018, the Issuer may redeem up to 40% of the original aggregate principal amount of the 2023 Notes, including any additional notes issued under the Indenture, at a redemption price equal to 105.250% of the aggregate principal amount thereof plus accrued and unpaid interest, if any, to the redemption date, with the net cash proceeds received by the Issuer in one or more equity offerings; provided that the aggregate principal amount of the 2023 Notes that remain outstanding immediately after such redemption is equal to or greater than 50% of the sum of the aggregate principal amount of the 2023 Notes originally issued under the Indenture on the issue date and any additional notes issued under the Indenture after the issue date (other than the 2023 Notes or additional notes held by the Issuer or any of its affiliates). The Issuer may redeem, in the aggregate, up to 10% of the original aggregate principal amount of the 2023 Notes, including any additional notes issued under the Indenture, at any time and from time to time on or prior to November 15, 2018, at a redemption price of 103.000% of the principal amount thereof, plus accrued and unpaid interest, if any, to the redemption date.

Upon the occurrence of specific kinds of changes of control, the holders of the 2023 Notes will have the right to cause the Issuer to repurchase some or all of the 2023 Notes at 101.000% of the aggregate principal amount thereof plus accrued and unpaid interest, if any, to the date of purchase.

The Indenture contains covenants that, among other things, limit the Issuer’s ability and the ability of its restricted subsidiaries to:

- incur additional indebtedness or issue disqualified stock or preferred stock of subsidiaries;

- pay dividends or make other distributions on, redeem, defease, repurchase or otherwise retire equity interests;
- create liens on certain assets to secure debt;
- make certain investments;
- sell certain assets;
- place restrictions on the ability of restricted subsidiaries to make payments to the Issuer, Holdings or the Corporation;
- consolidate, merge or sell all or substantially all of their assets; and
- enter into certain transactions with affiliates.

These covenants are subject to important exceptions, limitations and qualifications. These covenants will be suspended, and shall not apply at any time during which the 2023 Notes have been assigned an investment grade rating.

This description of the Indenture and the 2023 Notes does not purport to be complete and is qualified in its entirety by reference to the Indenture and the form of the 2023 Notes, which are attached to this Current Report on Form 8-K as Exhibits 4.1 and 4.2, respectively, and are incorporated herein by reference.

Security Agreement

In connection with the entry into the Indenture, on November 9, 2015, the Issuer, the Guarantors, and Wells Fargo, as collateral agent, entered into a pledge and security agreement (the “Security Agreement”), pursuant to which all of the Issuer’s and the Guarantors’ obligations under the Indenture are secured by first-priority liens on the same collateral securing, on a pari passu basis, the indebtedness owing under the Senior Credit Facilities (as defined in the Indenture) and the Issuer’s \$530 million 5.375% senior secured notes due 2023 issued on April 14, 2015, pursuant to certain security agreements and pledge agreements, as amended from time to time (collectively, the “Security Documents”) among Holdings, the Issuer and certain of its restricted subsidiaries.

The liens granted under the Security Documents constitute first-priority liens, subject to certain exceptions and permitted liens described therein, on:

- all equity interests of the Issuer, held by Holdings;
- substantially all personal property of the Issuer and the Guarantors, subject to certain exceptions (including, without limitation, exceptions for real property leases and immaterial real property; motor vehicles; with respect to perfection by control, deposit and securities accounts; LC Assets (as defined in the Indenture); assets subject to certain categories of permitted liens; all letter of credit rights; securitization assets; capital stock of unrestricted subsidiaries; certain capital stock of foreign subsidiaries; and assets subject to certain legal or contractual restrictions on assignment or granting of security interests);
- substantially all the equity interests of any of the Issuer’s restricted subsidiaries directly owned by the Issuer or any subsidiary Guarantor (or, in the case of a foreign subsidiary, 65% of the equity interests directly owned by the Issuer or a subsidiary Guarantor); and
- mortgages on all material real property owned by the Issuer or any subsidiary Guarantor, none of which existed on the issue date for the 2023 Notes,

except for, so long as such assets are not pledged to secure any other first lien obligations, Principal Domestic Properties and Domestic Subsidiaries, which include Headquarters and Headquarters SPV (each as defined in the Security Agreement).

This description of the Security Agreement does not purport to be complete and is qualified in its entirety by reference to the Security Agreement, which is attached to this Current Report on Form 8-K as Exhibit 10.1 and incorporated herein by reference.

Item 2.03 Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.

The disclosure set forth under Item 1.01 above is incorporated herein by reference.

Item 3.03 Material Modification to Rights of Security Holders.

The Indenture contains covenants that limit, among other things, the Issuer's ability to pay dividends on its capital stock, subject to certain exceptions, which may in turn, impact the ability of holders of the Corporation's common stock to receive dividends. For more information, see the Indenture, which is attached to this Current Report on Form 8-K as Exhibit 4.1 and is incorporated herein by reference.

Item 8.01 Other Events*Pricing Press Release*

On November 4, 2015, the Corporation issued a press release announcing the pricing of the Offering. A copy of this press release is filed as Exhibit 99.1 herewith and incorporated by reference herein.

Partial Redemption of 2016 Notes

On November 9, 2015, Holdings gave notice to U.S. Bank National Association (the "Trustee") of its election to redeem \$235 million aggregate principal amount of its 8.350% senior notes due 2016 outstanding (the "Redeemed Notes") on December 10, 2015 (the "Redemption Date"). On November 10, 2015, the Trustee will deliver to the holders of the Redeemed Notes a notice of redemption (the "Notice"), notifying those holders that pursuant to Section 1104 of the indenture, dated as of August 3, 2001 (the "Base Indenture"), as supplemented by a second supplemental indenture dated as of March 13, 2006 (the "Supplemental Indenture" and the Base Indenture, as supplemented by the Supplemental Indenture, the "2016 Notes Indenture"), by and between Holdings and the Trustee, governing Holdings' \$400 million 8.350% senior notes due 2016 (the "2016 Notes"), and paragraph 2 of the 2016 Notes, Holdings has elected to redeem the Redeemed Notes, in accordance with the terms of the 2016 Notes Indenture and the 2016 Notes (the "Redemption").

Pursuant to the Notice, the Redeemed Notes will be called for Redemption on the Redemption Date. The redemption price for the Redeemed Notes is equal to 100% of the principal amount of the Redeemed Notes or the sum of the present values of the remaining scheduled payments of principal and interest on the Redeemed Notes (not including any portion of such payments of interest accrued as of the Redemption Date) discounted to the Redemption Date on a semiannual basis (assuming a 360-day year consisting of twelve 30-day months) at the Adjusted Treasury Rate (as defined in the 2016 Notes), plus 30 basis points, as calculated by an Independent Investment Banker (as defined in the 2016 Notes), plus accrued and unpaid interest on the Redeemed Notes to the Redemption Date (together, the "Redemption Price").

On the Redemption Date, the Redemption Price will become due and payable on the 2016 Notes called for Redemption and, unless Holdings defaults in making payment of the Redemption Price, interest on the 2016 Notes called for Redemption shall cease to accrue on and after the Redemption Date. We intend to fund the Redemption Price with the proceeds of the Offering.

- (i) The Guarantees have been duly authorized by each Guarantor and, at the Time of Delivery, will have been duly executed and delivered by each Guarantor and, assuming that the Securities have theretofore been authenticated in the manner provided for in the Indenture and delivered against payment of the purchase price therefor, will constitute valid and legally binding obligations of each Guarantor, enforceable against each Guarantor in accordance with its terms, except as the enforcement thereof may be limited by bankruptcy, insolvency, reorganization, moratorium and other similar laws relating to or affecting the rights and remedies of creditors generally or by general equitable principles (regardless of whether enforceability is considered in a proceeding at law or in equity), and will be entitled to the benefits provided by the Indenture;
- (j) The Indenture has been duly authorized by the Company and each Guarantor and, at or prior to the Time of Delivery, will have been duly executed and delivered by

- (l) Upon the filing of Uniform Commercial Code (“**UCC**”) financing statements in the filing offices identified in the Security Agreement, the security interests of the Trustee in all Collateral (as defined in the Pricing Circular and the Offering Circular) that can be perfected by the filing of a UCC-1 financing statement under the UCC as in effect in any jurisdiction will constitute valid and perfected first-priority security interests in all such Collateral, securing the obligations of the Company and the Guarantors with respect to the Securities and the Guarantees. To the extent that perfection or priority of the security interest therein is not subject to Article 9 of the UCC, upon recordation of the IP Security Agreements with the U.S. Patent and Trademark Office and the U.S. Copyright Office, as applicable, the security interests granted to the Trustee in the property specifically identified in the schedules to the IP Security Agreements will constitute valid, perfected, first-priority security interests in such property. The filing of all necessary UCC-1 financing statements in the proper filing offices, the filing of the IP Security Agreements in the U.S. Patent and Trademark Office and the U.S. Copyright Office, as applicable, and other filings and actions contemplated by the Security Agreement and the IP Security Agreements, and all other filings and other actions necessary or desirable to perfect the security interest in the Collateral (except, in the case of Collateral consisting of Intellectual Property, only such Collateral that is a United States registered patent, trademark or copyright or application therefor), will have been duly made or taken and will be in full force and effect. As of the Time of Delivery, the Trustee (or the Administrative Agent, as bailee of the Trustee for purposes of perfecting its security interest in the Collateral) shall have possession and control of all Collateral for which the Collateral Documents require such possession or control as of the Time of Delivery;

- (m) None of the transactions contemplated by this Agreement (including, without limitation, the use of the proceeds from the sale of the Securities) will violate or result in a violation of Section 7 of the United States Securities Exchange Act of 1934, as amended (the “**Exchange Act**”), or any regulation promulgated thereunder, including, without limitation, Regulations T, U, and X of the Board of Governors of the Federal Reserve System;
- (n) Prior to the date hereof, none of the Company, the Guarantors or any of their respective affiliates has taken any action which is designed to or which has constituted or which would reasonably have been expected to cause or result in stabilization or manipulation of the price of any security of the Company or any Guarantor in connection with the offering of the Securities;

- (w) The Securities sold in reliance on Regulation S will be represented upon issuance by a temporary global security that may not be exchanged for definitive securities until the expiration of the 40-day distribution compliance period referred to in Rule 903(c)(3) of the Act and only upon certification of beneficial ownership of such Securities by non-U.S. persons or U.S. persons who purchased such Securities in transactions that were exempt from the registration requirements of the Act;

No "reportable event" (as defined under ERISA), other than a reportable event for which notice has been waived, has occurred or is reasonably expected to occur with respect to any "employee benefit plan" established or maintained by the Company, the Guarantors or any of their respective ERISA Affiliates. With respect to each “employee benefit plan” subject to Title IV of ERISA, there has been no failure to satisfy the minimum funding standard of Sections 302 and 303 of ERISA or Sections 412 and 430 of the Code (whether or not waived in accordance with Section 412(c) of the Code or Section 302(c) of ERISA) and no failure to make by its due date a required installment under Section 430(j) of the Code with respect to any “employee benefit plan” or the failure to make any required contribution to a “multiemployer plan” within the meaning of Section 4001(c)(3) of ERISA (“**Multiemployer Plan**”). - (c) Any Company Supplemental Disclosure Document or Purchaser Supplemental Disclosure Document the use of which has been consented to by the Company and Goldman, Sachs & Co. is listed on Schedule II(b) hereto;

8. The Company and each Guarantor, jointly and severally, covenants and agrees with the several Purchasers that the Company will pay or cause to be paid the following: (i) the fees, disbursements and expenses of the Company's counsel and accountants in connection with the issue of the Securities and all other expenses in connection with the preparation, printing and reproduction of the Preliminary Offering Circular and the Offering Circular and any amendments and supplements thereto and the mailing and delivering of copies thereof to the Purchasers and dealers; (ii) the cost of printing or producing any Agreement among Purchasers, this Agreement, the Indenture, the Collateral Documents, the Blue Sky Memorandum, closing documents (including any compilations thereof) and any other documents in connection with the offering, purchase, sale and delivery of the Securities; (iii) all expenses in connection with the qualification of the Securities for offering and sale under state securities laws as provided in Section 6(b) hereof, including the fees and disbursements of counsel for the Purchasers in connection with such qualification and in connection with the Blue Sky and legal investment surveys, not to exceed \$12,500; (iv) any fees charged by securities rating services for rating the Securities; (v) the cost of preparing the Securities; (vi) the fees and expenses of the Trustee and any agent of the Trustee and the fees and disbursements of counsel for the Trustee in connection with the Indenture, the Securities and the Collateral Documents; (vii) the filing fees and expenses associated with the assignment, creation and perfection of the security interests, including, without limitation, pursuant to the Collateral Documents and the related UCC-1 financing statements; (viii) the fees and expenses of Latham & Watkins LLP, local counsel and foreign counsel fees and expenses incurred in connection with the creation and negotiation of the security agreements, Collateral Documents (including the Intercreditor Agreement) and the related UCC-1 financing statements; (ix) expenses incurred by the several Purchasers associated with one or more road shows to market the Securities and (x) all other costs and expenses incident to the performance of its obligations hereunder which are not otherwise specifically provided for in this Section. It is understood, however, that, except as provided in this Section, and Sections 10 and 13 hereof, the Purchasers will pay all of their own costs and expenses, including the fees of their counsel, transfer taxes on resale of any of the Securities by them, and any advertising expenses connected with any offers they may make.
9. The obligations of the Purchasers hereunder shall be subject, in their discretion, to the condition that all representations and warranties and other statements of the Company and the Guarantors herein are, at and as of the Time of Delivery, true and correct, the condition that the Company shall have performed all of its obligations hereunder theretofore to be performed, and the following additional conditions:
 - (a) Latham & Watkins LLP, co-counsel for the Purchasers, shall have furnished to the Purchasers their written opinion and Ropes & Gray LLP, co-counsel for the Purchasers, shall have furnished to the Purchasers their negative assurance letter, in each case, dated as of the Time of Delivery, in each case in form and substance

reasonably satisfactory to the Purchasers, and such counsel shall have received such papers and information as they may reasonably request to enable them to pass upon such matters;

- (b) Cleary Gottlieb Steen & Hamilton LLP, counsel for the Company, shall have furnished to you their written opinion, dated as of the Time of Delivery, and their negative assurance letter, dated as of the Time of Delivery, in each case in form and substance reasonably satisfactory to the Purchasers;
- (c) Rachel Gonzalez, Executive Vice President and General Counsel of the Parent, shall have furnished to you her opinions concerning certain matters pertaining to certain of the Guarantors, dated as of the Time of Delivery, in each case, in form and substance reasonably satisfactory to the Purchasers;
- (d) Young Conaway Stargatt & Taylor, LLP, counsel for the Company, shall have furnished to you their written opinion concerning certain matters pertaining to the Company and certain of the Guarantors, dated as of the Time of Delivery, in form and substance reasonably satisfactory to the Purchasers;
- (e) On the date of the Offering Circular prior to the execution of this Agreement and also at the Time of Delivery, E&Y and KPMG LLC (“**KPMG**”) shall have each furnished to you a customary “cold comfort” letter or letters, dated the respective dates of delivery thereof, in form and substance satisfactory to you;
- (f) On the date of the Offering Circular prior to the execution of this Agreement and also at the Time of Delivery, the Company shall have furnished to you a letter of the chief financial officer of the Parent, certifying certain data presented in the Offering Circular and not included in the “cold comfort” letters furnished by E&Y and KPMG, dated the respective dates of delivery thereof, in form and substance satisfactory to you.
- (g) (i) Neither the Company nor any of its subsidiaries shall have sustained since the date of the latest audited financial statements included in the Pricing Circular any loss or interference with its business from fire, explosion, flood or other calamity, whether or not covered by insurance, or from any labor dispute or court or governmental action, order or decree, otherwise than as set forth or contemplated in the Pricing Circular, and (ii) since the respective dates as of which information is given in the Pricing Circular there shall not have been any change in the capital stock or long-term debt of the Company or any of its subsidiaries or any change, or any development involving a prospective change, in or affecting the general affairs, management, financial position, stockholders’ equity or results of operations of the Company and its subsidiaries, otherwise than as set forth or contemplated in the Pricing Circular, the effect of which, in any such case described in clause (i) or (ii), is in your judgment so material and adverse as to make it impracticable or inadvisable to proceed with the offering or the delivery of the Securities on the terms and in the manner contemplated in this Agreement and in the Offering Circular;

- (h) On or after the Applicable Time (i) no downgrading shall have occurred in the rating accorded the Company's debt securities by any "nationally recognized statistical rating organization", as that term is defined under Section 3(a)(62) under the Exchange Act, and (ii) no such organization shall have publicly announced that it has under surveillance or review, with possible negative implications, its rating of any of the Company's debt securities;
- (i) On or after the Applicable Time there shall not have occurred any of the following: (i) a suspension or material limitation in trading in securities generally on the New York Stock Exchange or on the NASDAQ; (ii) a general moratorium on commercial banking activities declared by either Federal or New York State authorities or a material disruption in commercial banking or securities settlement or clearance services in the United States; (iii) the outbreak or escalation of hostilities involving the United States or the declaration by the United States of a national emergency or war or (iv) the occurrence of any other calamity or crisis or any change in financial, political or economic conditions in the United States or elsewhere, if the effect of any such event specified in clause (iii) or (iv) in your judgment makes it impracticable or inadvisable to proceed with the offering or the delivery of the Securities on the terms and in the manner contemplated in the Offering Circular;
- (j) The Trustee shall have received and the Purchasers shall have received a copy at the Time of Delivery of:
 - (i) appropriately completed copies, which have been duly authorized for filing by the appropriate person, of UCC-1 financing statements or equivalent filings naming the Company and each Guarantor as a debtor and the Collateral Agent as the secured party, or other similar instruments or documents to be filed under the UCC of all jurisdictions as may be necessary or, in the reasonable opinion of the Collateral Agent and its counsel, desirable to perfect the security interests of the Collateral Agent for the benefit of the Secured Parties (as defined in the Security Agreement) in any Collateral held by the Company or the Guarantors;
 - (ii) appropriately completed copies, which have been duly authorized for filing by the appropriate person of UCC-3 termination statements or equivalent filings, if any, necessary to terminate all previously filed UCC-1 financing statements (other than those filed with respect to Permitted Liens, as defined in the Pricing Circular and the Offering Circular under the caption "Description of Notes") with respect to the lien of any person in any Collateral held by the Company or the Guarantors;
 - (iii) certified copies of UCC Requests for Information or Copies (Form UCC-11), or a similar search report certified by a party acceptable to the Collateral Agent, dated a date reasonably near to the Time of Delivery, listing all effective financing statements which name the Company or any Guarantor (under its present name and any previous names) as the debtor,

together with copies of such UCC-1 financing statements (none of which shall cover any collateral described in any Collateral Document, other than such financing statements that evidence Permitted Liens); and

- (iv) such other approvals, opinions, or documents with respect to any Collateral held by the Company or any of the Guarantors as the Collateral Agent may reasonably request in form and substance reasonably satisfactory to the Collateral Agent;
 - (k) The Collateral Agent and its counsel shall be satisfied that (A) the liens granted in favor of the Collateral Agent, for the benefit of the Secured Parties (as defined in the Security Agreement), in the Collateral are of the priority described in the Pricing Circular and the Offering Circular; and (B) no lien exists on any of the Collateral other than the liens created in favor of the Collateral Agent, for the benefit of the Secured Parties (as defined in the Security Agreement), and the Administrative Agent, for the benefit of the lenders under the Amended Credit Agreement, pursuant to a Collateral Document, in each case subject to the Permitted Liens; and
 - (l) The Company and the Guarantors shall have furnished or caused to be furnished to you at the Time of Delivery certificates of officers of the Company and the Guarantors satisfactory to you as to the accuracy of the representations and warranties of the Company and the Guarantors herein at and as of such Time of Delivery, as to the performance by the Company of all of its obligations hereunder to be performed at or prior to such Time of Delivery, as to the matters set forth in subsection (f) of this Section and as to such other matters as you may reasonably request.
10. (a) The Company and each Guarantor, jointly and severally, will indemnify and hold harmless each Purchaser against any losses, claims, damages or liabilities, joint or several, to which such Purchaser may become subject, under the Act or otherwise, insofar as such losses, claims, damages or liabilities (or actions in respect thereof) arise out of or are based upon an untrue statement or alleged untrue statement of a material fact contained in any Preliminary Offering Circular, the Pricing Circular, the Offering Circular, or any amendment or supplement thereto, any materials or information provided to investors by, or with the approval of, the Company in connection with the marketing of the Securities, including any road show presentation or investor presentations made to investors, Company Supplemental Disclosure Document, or arise out of or are based upon the omission or alleged omission to state therein a material fact necessary to make the statements therein not misleading, and will reimburse each Purchaser for any legal or other expenses reasonably incurred by such Purchaser in connection with investigating or defending any such action or claim as such expenses are incurred; provided, however, that the Company nor any Guarantor shall be liable in any such case to the extent that any such loss, claim, damage or liability arises out of or is based upon an untrue statement or alleged untrue statement or omission or alleged omission made in any Preliminary Offering Circular, the Pricing Circular, the

Offering Circular or any such amendment or supplement, or any Company Supplemental Disclosure Document, in reliance upon and in conformity with written information furnished to the Company by any Purchaser through Goldman, Sachs & Co. expressly for use therein.

- (b) Each Purchaser, severally and not jointly, will indemnify and hold harmless the Company and the Guarantors against any losses, claims, damages or liabilities to which the Company or the Guarantors may become subject, under the Act or otherwise, insofar as such losses, claims, damages or liabilities (or actions in respect thereof) arise out of or are based upon an untrue statement or alleged untrue statement of a material fact contained in any Preliminary Offering Circular, the Pricing Circular, the Offering Circular, or any amendment or supplement thereto, or any Company Supplemental Disclosure Document, or arise out of or are based upon the omission or alleged omission to state therein a material fact or necessary to make the statements therein not misleading, in each case to the extent, but only to the extent, that such untrue statement or alleged untrue statement or omission or alleged omission was made in any Preliminary Offering Circular, the Pricing Circular, the Offering Circular or any such amendment or supplement, or any Company Supplemental Disclosure Document in reliance upon and in conformity with written information furnished to the Company by such Purchaser through Goldman, Sachs & Co. expressly for use therein; and will reimburse the Company and the Guarantors for any legal or other expenses reasonably incurred by the Company and the Guarantors in connection with investigating or defending any such action or claim as such expenses are incurred.
- (c) Promptly after receipt by an indemnified party under subsection (a) or (b) above of notice of the commencement of any action, such indemnified party shall, if a claim in respect thereof is to be made against the indemnifying party under such subsection, notify the indemnifying party in writing of the commencement thereof; but the omission so to notify the indemnifying party shall not relieve it from any liability which it may have to any indemnified party otherwise than under such subsection. In case any such action shall be brought against any indemnified party and it shall notify the indemnifying party of the commencement thereof, the indemnifying party shall be entitled to participate therein and, to the extent that it shall wish, jointly with any other indemnifying party similarly notified, to assume the defense thereof, with counsel satisfactory to such indemnified party (who shall not, except with the consent of the indemnified party, be counsel to the indemnifying party), and, after notice from the indemnifying party to such indemnified party of its election so to assume the defense thereof, the indemnifying party shall not be liable to such indemnified party under such subsection for any legal expenses of other counsel or any other expenses, in each case subsequently incurred by such indemnified party, in connection with the defense thereof other than reasonable costs of investigation. No indemnifying party shall, without the written consent of the indemnified party, effect the settlement or compromise of, or consent to the entry of any judgment with respect to, any pending or threatened action or claim in respect of which indemnification or contribution may be sought hereunder (whether or not the

indemnified party is an actual or potential party to such action or claim) unless such settlement, compromise or judgment (i) includes an unconditional release of the indemnified party from all liability arising out of such action or claim and (ii) does not include a statement as to, or an admission of, fault, culpability or a failure to act, by or on behalf of any indemnified party. An indemnifying party shall not be required to indemnify an indemnified party for any amount paid or payable by the indemnified party in the settlement of any action, proceeding or investigation without the written consent of the indemnifying party, which consent shall not be unreasonably withheld.

- (d) If the indemnification provided for in this Section 10 is unavailable to or insufficient to hold harmless an indemnified party under subsection (a) or (b) above in respect of any losses, claims, damages or liabilities (or actions in respect thereof) referred to therein, then each indemnifying party shall contribute to the amount paid or payable by such indemnified party as a result of such losses, claims, damages or liabilities (or actions in respect thereof) in such proportion as is appropriate to reflect the relative benefits received by the Company and the Guarantors on the one hand and the Purchasers on the other from the offering of the Securities. If, however, the allocation provided by the immediately preceding sentence is not permitted by applicable law or if the indemnified party failed to give the notice required under subsection (c) above, then each indemnifying party shall contribute to such amount paid or payable by such indemnified party in such proportion as is appropriate to reflect not only such relative benefits but also the relative fault of the Company and the Guarantors on the one hand and the Purchasers on the other in connection with the statements or omissions which resulted in such losses, claims, damages or liabilities (or actions in respect thereof), as well as any other relevant equitable considerations. The relative benefits received by the Company and the Guarantors on the one hand and the Purchasers on the other shall be deemed to be in the same proportion as the total net proceeds from the offering (before deducting expenses) received by the Company and the Guarantors bear to the total underwriting discounts and commissions received by the Purchasers, in each case as set forth in the Offering Circular. The relative fault shall be determined by reference to, among other things, whether the untrue or alleged untrue statement of a material fact or the omission or alleged omission to state a material fact relates to information supplied by the Company and the Guarantors on the one hand or the Purchasers on the other and the parties' relative intent, knowledge, access to information and opportunity to correct or prevent such statement or omission. The Company, the Guarantors and the Purchasers agree that it would not be just and equitable if contribution pursuant to this subsection (d) were determined by pro rata allocation (even if the Purchasers were treated as one entity for such purpose) or by any other method of allocation which does not take account of the equitable considerations referred to above in this subsection (d). The amount paid or payable by an indemnified party as a result of the losses, claims, damages or liabilities (or actions in respect thereof) referred to above in this subsection (d) shall be deemed to include any legal or other expenses reasonably incurred by such indemnified party in connection with investigating or defending any such

action or claim. Notwithstanding the provisions of this subsection (d), no Purchaser shall be required to contribute any amount in excess of the amount by which the total price at which the Securities underwritten by it and distributed to investors were offered to investors exceeds the amount of any damages which such Purchaser has otherwise been required to pay by reason of such untrue or alleged untrue statement or omission or alleged omission. The Purchasers' obligations in this subsection (d) to contribute are several in proportion to their respective underwriting obligations and not joint.

- (e) The obligations of the Company and the Guarantors under this Section 10 shall be in addition to any liability which the Company and the Guarantors may otherwise have and shall extend, upon the same terms and conditions, to any affiliate of each Purchaser and each person, if any, who controls any Purchaser within the meaning of the Act; and the obligations of the Purchasers under this Section 10 shall be in addition to any liability which the respective Purchasers may otherwise have and shall extend, upon the same terms and conditions, to each officer and director of the Company and the Guarantors and to each person, if any, who controls the Company and the Guarantors within the meaning of the Act.
11. (a) If any Purchaser shall default in its obligation to purchase the Securities which it has agreed to purchase hereunder, you may in your discretion arrange for you or another party or other parties to purchase such Securities on the terms contained herein. If within thirty-six hours after such default by any Purchaser you do not arrange for the purchase of such Securities, then the Company shall be entitled to a further period of thirty-six hours within which to procure another party or other parties satisfactory to you to purchase such Securities on such terms. In the event that, within the respective prescribed periods, you notify the Company that you have so arranged for the purchase of such Securities, or the Company notifies you that it has so arranged for the purchase of such Securities, you or the Company shall have the right to postpone the Time of Delivery for a period of not more than seven days, in order to effect whatever changes may thereby be made necessary in the Offering Circular, or in any other documents or arrangements, and the Company agrees to prepare promptly any amendments to the Offering Circular which in your opinion may thereby be made necessary. The term "**Purchaser**" as used in this Agreement shall include any person substituted under this Section with like effect as if such person had originally been a party to this Agreement with respect to such Securities.
- (b) If, after giving effect to any arrangements for the purchase of the Securities of a defaulting Purchaser or Purchasers by you and the Company as provided in subsection (a) above, the aggregate principal amount of such Securities which remains unpurchased does not exceed one-eleventh of the aggregate principal amount of all the Securities, then the Company shall have the right to require each non-defaulting Purchaser to purchase the principal amount of Securities which such Purchaser agreed to purchase hereunder and, in addition, to require each non-defaulting Purchaser to purchase its pro rata share (based on the principal amount of Securities which such Purchaser agreed to purchase hereunder) of the

Securities of such defaulting Purchaser or Purchasers for which such arrangements have not been made; but nothing herein shall relieve a defaulting Purchaser from liability for its default.

(c) If, after giving effect to any arrangements for the purchase of the Securities of a defaulting Purchaser or Purchasers by you and the Company as provided in subsection (a) above, the aggregate principal amount of Securities which remains unpurchased exceeds one-eleventh of the aggregate principal amount of all the Securities, or if the Company shall not exercise the right described in subsection (b) above to require non-defaulting Purchasers to purchase Securities of a defaulting Purchaser or Purchasers, then this Agreement shall thereupon terminate, without liability on the part of any non-defaulting Purchaser or the Company, except for the expenses to be borne by the Company and the Purchasers as provided in Section 7 hereof and the indemnity and contribution agreements in Section 10 hereof; but nothing herein shall relieve a defaulting Purchaser from liability for its default.

12. The respective indemnities, agreements, representations, warranties and other statements of the Parent, the Company and the Guarantors and the several Purchasers, as set forth in this Agreement or made by or on behalf of them, respectively, pursuant to this Agreement, shall remain in full force and effect, regardless of any investigation (or any statement as to the results thereof) made by or on behalf of any Purchaser or any controlling person of any Purchaser, or the Parent, the Company and the Guarantors, or any officer or director or controlling person of the Parent, the Company and the Guarantors, and shall survive delivery of and payment for the Securities.
13. If this Agreement shall be terminated pursuant to Section 11 hereof, none of the Parent, the Company or the Guarantors shall then be under any liability to any Purchaser except, in the case of the Company and the Guarantors, as provided in Sections 8 and 10 hereof; but, if for any other reason, the Securities are not delivered by or on behalf of the Company as provided herein, the Company and the Guarantors will reimburse the Purchasers through you for all expenses approved in writing by you, including fees and disbursements of counsel, reasonably incurred by the Purchasers in making preparations for the purchase, sale and delivery of the Securities, but neither the Company nor the Guarantors shall then be under any further liability to any Purchaser except as provided in Sections 8 and 10 hereof.
14. In all dealings hereunder, you shall act on behalf of each of the Purchasers, and the parties hereto shall be entitled to act and rely upon any statement, request, notice or agreement on behalf of any Purchaser made or given by you. All statements, requests, notices and agreements hereunder shall be in writing, and if to the Purchasers shall be delivered or sent by mail, telex or facsimile transmission to you as the representative of the Purchasers at Goldman, Sachs & Co., at 200 West Street, New York, New York 10282-2198, Attention: Registration Department; and if to the Parent, the Company and the Guarantors shall be delivered or sent by mail, telex or facsimile transmission to the address of the Parent, the Company and the Guarantors set forth in the Offering Circular, Attention: Corporate Secretary; provided, however, that any notice to a Purchaser

pursuant to Section 11 hereof shall be delivered or sent by mail, telex or facsimile transmission to such Purchaser at its address set forth in its Purchasers' Questionnaire, or telex constituting such Questionnaire, which address will be supplied to the Company by you upon request. Any such statements, requests, notices or agreements shall take effect upon receipt thereof. In accordance with the requirements of the USA Patriot Act (Title III of Pub. L. 107-56 (signed into law October 26, 2001)), the Purchasers are required to obtain, verify and record information that identifies their respective clients, including the Company and the Guarantors, which information may include the name and address of their respective clients, as well as other information that will allow the Purchasers to identify their respective clients.

15. This Agreement shall be binding upon, and inure solely to the benefit of, the Purchasers, the Parent, the Company and the Guarantors and, to the extent provided in Sections 10 and 12 hereof, the officers and directors of the Parent, the Company and the Guarantors and each person who controls the Parent, the Company and the Guarantors or any Purchaser, and their respective heirs, executors, administrators, successors and assigns, and no other person shall acquire or have any right under or by virtue of this Agreement. No purchaser of any of the Securities from any Purchaser shall be deemed a successor or assign by reason merely of such purchase.
16. Time shall be of the essence of this Agreement.
17. The Company and the Guarantors acknowledge and agree that (i) the purchase and sale of the Securities pursuant to this Agreement is an arm's-length commercial transaction between the Company and the Guarantors, on the one hand, and the several Purchasers, on the other, (ii) in connection therewith and with the process leading to such transaction each Purchaser is acting solely as a principal and not the agent or fiduciary of the Company and the Guarantors, (iii) no Purchaser has assumed an advisory or fiduciary responsibility in favor of the Company and the Guarantors with respect to the offering contemplated hereby or the process leading thereto (irrespective of whether such Purchaser has advised or is currently advising the Company and the Guarantors on other matters) or any other obligation to the Company and the Guarantors except the obligations expressly set forth in this Agreement and (iv) the Company and the Guarantors have consulted their own legal and financial advisors to the extent it deemed appropriate. The Company and the Guarantors agree that they will not claim that the Purchaser, or any of them, has rendered advisory services of any nature or respect, or owes a fiduciary or similar duty to the Company and the Guarantors, in connection with such transaction or the process leading thereto.
18. This Agreement supersedes all prior agreements and understandings (whether written or oral) between the Parent, the Company and the Guarantors and the Purchasers, or any of them, with respect to the subject matter hereof.
19. **THIS AGREEMENT AND ANY MATTERS RELATED TO THIS TRANSACTION SHALL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF NEW YORK WITHOUT REGARD TO PRINCIPLES OF CONFLICT OF LAWS THAT**

WOULD RESULT IN THE APPLICATION OF ANY LAW OTHER THAN THE LAWS OF THE STATE OF NEW YORK. The Company agrees that any suit or proceeding arising in respect of this agreement or our engagement will be tried exclusively in the U.S. District Court for the Southern District of New York or, if that court does not have subject matter jurisdiction, in any state court located in The City and County of New York and the Company agrees to submit to the jurisdiction of, and to venue in, such courts.

20. The Parent, the Company and the Guarantors and each of the Purchasers hereby irrevocably waives, to the fullest extent permitted by applicable law, any and all right to trial by jury in any legal proceeding arising out of or relating to this Agreement or the transactions contemplated hereby.
21. This Agreement may be executed by any one or more of the parties hereto in any number of counterparts, each of which shall be deemed to be an original, but all such respective counterparts shall together constitute one and the same instrument.
22. Notwithstanding anything herein to the contrary, the Parent, the Company and the Guarantors (and the Parent's, the Company's and the Guarantors' employees, representatives, and other agents) are authorized to disclose to any and all persons, the tax treatment and tax structure of the potential transaction and all materials of any kind (including tax opinions and other tax analyses) provided to the Parent, the Company and the Guarantors relating to that treatment and structure, without the Purchasers' imposing any limitation of any kind. However, any information relating to the tax treatment and tax structure shall remain confidential (and the foregoing sentence shall not apply) to the extent necessary to enable any person to comply with securities laws. For this purpose, "tax treatment" means US federal and state income tax treatment, and "tax structure" is limited to any facts that may be relevant to that treatment.

If the foregoing is in accordance with your understanding, please sign and return to us one for the Company plus one for each counsel counterparts hereof, and upon the acceptance hereof by you, on behalf of each of the Purchasers, this letter and such acceptance hereof shall constitute a binding agreement between each of the Purchasers and the Parent, the Company and the Guarantors. It is understood that your acceptance of this letter on behalf of each of the Purchasers is pursuant to the authority set forth in a form of Agreement among Purchasers, the form of which shall be submitted to the Parent, the Company and the Guarantors for examination upon request, but without warranty on your part as to the authority of the signers thereof.

ARTICLE 2
THE NOTES

Section 2.01 *Form and Dating.*

(a) *General.* The Notes and the Trustee’s certificate of authentication will be substantially in the form of Exhibits A1 and A2 hereto. The Notes may have notations, legends or endorsements required by law, stock exchange rule or usage. Each Note will be dated the date of its authentication. The Notes shall be in denominations of \$2,000 and integral multiples of \$1,000 in excess thereof.

The terms and provisions contained in the Notes will constitute, and are hereby expressly made, a part of this Indenture and the Company, the Guarantors and the Trustee, by their execution and delivery of this Indenture, expressly agree to such terms and provisions and to be bound thereby. However, to the extent any provision of any Note conflicts with the express provisions of this Indenture, the provisions of this Indenture shall govern and be controlling.

(b) *Global Notes*. Notes issued in global form will be substantially in the form Exhibits A1 or A2 hereto (including the Global Note Legend thereon and the “Schedule of Exchanges of Interests in the Global Note” attached thereto). Notes issued in definitive form will be substantially in the form of Exhibit A1 hereto (but without the Global Note Legend thereon and without the “Schedule of Exchanges of Interests in the Global Note” attached thereto). Each Global Note will represent such of the outstanding Notes as will be specified therein and each shall provide that it represents the aggregate principal amount of outstanding Notes from time to time endorsed thereon and that the aggregate principal amount of outstanding Notes represented thereby may from time to time be reduced or increased, as appropriate, to reflect exchanges and redemptions. Any endorsement of a Global Note to reflect the amount of any increase or decrease in the aggregate principal amount of outstanding Notes represented thereby will be made by the Trustee or the Custodian, at the direction of the Trustee, in accordance with instructions given by the Holder thereof as required by Section 2.06 hereof.

(c) *Temporary Global Notes*. Notes offered and sold in reliance on Regulation S will be issued initially in the form of the Regulation S Temporary Global Note, which will be deposited on behalf of the purchasers of the Notes represented thereby with the Trustee, at its New York office, as custodian for the Depositary, and registered in the name of the Depositary or the nominee of the Depositary for the accounts of designated agents holding on behalf of Euroclear or Clearstream, duly executed by the Company and authenticated by the Trustee as hereinafter provided. The Restricted Period therefor will be terminated upon the receipt by the Trustee of:

(1) a written certificate from the Depositary, together with copies of certificates from Euroclear and Clearstream certifying that they have received certification of non-United States beneficial ownership of 100% of the aggregate principal amount of the Regulation S Temporary Global Note (except to the extent of any beneficial owners thereof who acquired an interest therein during the Restricted Period pursuant to another exemption from registration under the Securities Act and who will take delivery of a beneficial ownership interest in a 144A Global Note bearing a Private Placement Legend, all as contemplated by Section 2.06(b) hereof) or such other method of obtaining such non-United States beneficial ownership certification as the Company and the Trustee shall determine; and

(2) an Officer’s Certificate from the Company.

Following the termination of the Restricted Period, beneficial interests in the Regulation S Temporary Global Note will be exchanged for beneficial interests in the Regulation S Permanent Global Note pursuant to the Applicable Procedures. Simultaneously with the authentication of the Regulation S Permanent Global Note and the exchange of all beneficial interests in the Regulation S Temporary Global Note, the Trustee will cancel the Regulation S

Temporary Global Note. The aggregate principal amount of the Regulation S Temporary Global Note and the Regulation S Permanent Global Note may from time to time be increased or decreased by adjustments made on the records of the Trustee and the Depository or its nominee, as the case may be, in connection with transfers of interests therein as hereinafter provided.

(3) *Euroclear and Clearstream Procedures Applicable.* The provisions of the “Operating Procedures of the Euroclear System” and “Terms and Conditions Governing Use of Euroclear” and the “General Terms and Conditions of Clearstream Banking” and “Customer Handbook” of Clearstream will be applicable to transfers of beneficial interests in the Regulation S Temporary Global Note and the Regulation S Permanent Global Note that are held by Participants through Euroclear or Clearstream.

Section 2.02 *Execution and Authentication.*

At least one Officer must sign the Notes on behalf of the Company by manual or facsimile signature.

If an Officer whose signature is on a Note no longer holds that office at the time a Note is authenticated, the Note will nevertheless be valid.

A Note will not be valid until authenticated by the manual signature of the Trustee. The signature will be conclusive evidence that the Note has been authenticated under this Indenture.

The Trustee will, upon receipt of a written order of the Company signed by an Officer (an “*Authentication Order*”), authenticate Notes for original issue that may be validly issued under this Indenture, including any Additional Notes. The aggregate principal amount of Notes outstanding at any time may not exceed the aggregate principal amount of Notes authorized for issuance by the Company pursuant to one or more Authentication Orders, except as provided in Section 2.07 hereof.

The Trustee may appoint an authenticating agent acceptable to the Company to authenticate Notes. An authenticating agent may authenticate Notes whenever the Trustee may do so. Each reference in this Indenture to authentication by the Trustee includes authentication by such agent. An authenticating agent has the same rights as an Agent to deal with Holders or an Affiliate of the Company.

Section 2.03 *Registrar and Paying Agent.*

The Company will maintain an office or agency where Notes may be presented for registration of transfer or for exchange (“*Registrar*”) and an office or agency where Notes may be presented for payment (“*Paying Agent*”). The Registrar will keep a register of the Notes and of their transfer and exchange. The Company may appoint one or more co-registrars and one or more additional paying agents. The term “*Registrar*” includes any co-registrar and the term “*Paying Agent*” includes any additional paying agent. The Company may change any Paying Agent or Registrar without notice to any Holder. The Company will notify the Trustee in writing of the name and address of any Agent not a party to this Indenture. If the Company fails to appoint or maintain another entity as Registrar or Paying Agent, the Trustee shall act as such. The Company or any of its Subsidiaries may act as Paying Agent or Registrar.

The Company initially appoints The Depository Trust Company (“DTC”) to act as Depository with respect to the Global Notes.

The Company initially appoints the Trustee to act as the Registrar and Paying Agent and to act as Custodian with respect to the Global Notes.

Section 2.04 *Paying Agent to Hold Money in Trust.*

The Company will require each Paying Agent other than the Trustee to agree in writing that the Paying Agent will hold in trust for the benefit of Holders or the Trustee all money held by the Paying Agent for the payment of principal of, premium on, if any, or interest, if any, on, the Notes, and will notify the Trustee of any default by the Company in making any such payment. While any such default continues, the Trustee may require a Paying Agent to pay all money held by it to the Trustee. The Company at any time may require a Paying Agent to pay all money held by it to the Trustee. Upon payment over to the Trustee, the Paying Agent (if other than the Company or a Subsidiary) will have no further liability for the money. If the Company or a Subsidiary acts as Paying Agent, it will segregate and hold in a separate trust fund for the benefit of the Holders all money held by it as Paying Agent. Upon any bankruptcy or reorganization proceedings relating to the Company, the Trustee will serve as Paying Agent for the Notes.

Section 2.05 *Holder Lists.*

The Trustee will preserve in as current a form as is reasonably practicable the most recent list available to it of the names and addresses of all Holders. If the Trustee is not the Registrar, the Company will furnish to the Trustee at least seven Business Days before each interest payment date and at such other times as the Trustee may request in writing, a list in such form and as of such date as the Trustee may reasonably require of the names and addresses of the Holders of Notes.

Section 2.06 *Transfer and Exchange.*

(a) *Transfer and Exchange of Global Notes.* A Global Note may not be transferred except as a whole by the Depository to a nominee of the Depository, by a nominee of the Depository to the Depository or to another nominee of the Depository, or by the Depository or any such nominee to a successor Depository or a nominee of such successor Depository. All Global Notes will be exchanged by the Company for Definitive Notes if:

(1) the Company delivers to the Trustee notice from the Depository that it is unwilling or unable to continue to act as Depository or that it is no longer a clearing agency registered under the Exchange Act and, in either case, a successor Depository is not appointed by the Company within 120 days after the date of such notice from the Depository;

(2) the Company in its sole discretion determines that the Global Notes (in whole but not in part) should be exchanged for Definitive Notes and delivers a written notice to such effect to the Trustee; *provided* that in no event shall the Regulation S Temporary Global Note be exchanged by the Company for Definitive Notes prior to (A) the expiration of the Restricted Period and (B) the receipt by the Registrar of any certificates required pursuant to Rule 903(b)(3)(ii)(B) under the Securities Act.

Beneficial interests in Global Notes may be exchanged in whole or in part for Definitive Notes upon request of the Holders if there has occurred and is continuing an Event of Default with respect to the Notes.

Upon the occurrence of either of the events in clauses (1) or (2) of this Section 2.06(a), Definitive Notes shall be issued in such names as the Depository shall instruct the Trustee. Global Notes also may be exchanged or replaced, in whole or in part, as provided in Sections 2.07 and 2.10 hereof. Every Note authenticated and delivered in exchange for, or in lieu of, a Global Note or any portion thereof, pursuant to this Section 2.06 or Section 2.07 or 2.10 hereof, shall be authenticated and delivered in the form of, and shall be, a Global Note. A Global Note may not be exchanged for another Note other than as provided in this Section 2.06(a). However, beneficial interests in a Global Note may be transferred and exchanged as provided in Section 2.06(b) or (c) hereof.

(b) *Transfer and Exchange of Beneficial Interests in the Global Notes.* The transfer and exchange of beneficial interests in the Global Notes will be effected through the Depository, in accordance with the provisions of this Indenture and the Applicable Procedures. Beneficial interests in the Restricted Global Notes will be subject to restrictions on transfer comparable to those set forth herein to the extent required by the Securities Act. Transfers of beneficial interests in the Global Notes also will require compliance with either subparagraph (1) or (2) below, as applicable, as well as one or more of the other following subparagraphs, as applicable:

(1) *Transfer of Beneficial Interests in the Same Global Note.* Beneficial interests in any Restricted Global Note may be transferred to Persons who take delivery thereof in the form of a beneficial interest in the same Restricted Global Note in accordance with the transfer restrictions set forth in the Private Placement Legend; *provided, however,* that prior to the expiration of the Restricted Period, transfers of beneficial interests in the Regulation S Temporary Global Note may not be made to a U.S. Person or for the account or benefit of a U.S. Person (other than an Initial Purchaser). Beneficial interests in any Unrestricted Global Note may be transferred to Persons who take delivery thereof in the form of a beneficial interest in an Unrestricted Global Note. No written orders or instructions shall be required to be delivered to the Registrar to effect the transfers described in this Section 2.06(b) (1).

(2) *All Other Transfers and Exchanges of Beneficial Interests in Global Notes.* In connection with all transfers and exchanges of beneficial interests that are not subject to Section 2.06(b)(1) hereof, the transferor of such beneficial interest must deliver to the Registrar either:

(A) both:

(i) a written order from a Participant or an Indirect Participant given to the Depository in accordance with the Applicable Procedures directing the Depository to credit or cause to be credited a beneficial interest in another Global Note in an amount equal to the beneficial interest to be transferred or exchanged; and

(ii) instructions given in accordance with the Applicable Procedures containing information regarding the Participant account to be credited with such increase; or

(B) both:

(i) a written order from a Participant or an Indirect Participant given to the Depositary in accordance with the Applicable Procedures directing the Depositary to cause to be issued a Definitive Note in an amount equal to the beneficial interest to be transferred or exchanged; and

(ii) instructions given by the Depositary to the Registrar containing information regarding the Person in whose name such Definitive Note shall be registered to effect the transfer or exchange referred to in clause (1) above;

provided that in no event shall Definitive Notes be issued upon the transfer or exchange of beneficial interests in the Regulation S Temporary Global Note prior to (A) the expiration of the Restricted Period and (B) the receipt by the Registrar of any certificates required pursuant to Rule 903 under the Securities Act.

Upon satisfaction of all of the requirements for transfer or exchange of beneficial interests in Global Notes contained in this Indenture and the Notes or otherwise applicable under the Securities Act, the Trustee shall adjust the principal amount of the relevant Global Note(s) pursuant to Section 2.06(g) hereof.

(3) *Transfer of Beneficial Interests to Another Restricted Global Note.* A beneficial interest in any Restricted Global Note may be transferred to a Person who takes delivery thereof in the form of a beneficial interest in another Restricted Global Note if the transfer complies with the requirements of Section 2.06(b)(2) hereof and the Registrar receives the following:

(A) if the transferee will take delivery in the form of a beneficial interest in the 144A Global Note, then the transferor must deliver a certificate in the form of Exhibit B hereto, including the certifications in item (1) thereof; and

(B) if the transferee will take delivery in the form of a beneficial interest in the Regulation S Temporary Global Note or the Regulation S Permanent Global Note, then the transferor must deliver a certificate in the form of Exhibit B hereto, including the certifications in item (2) thereof.

(4) *Transfer and Exchange of Beneficial Interests in a Restricted Global Note for Beneficial Interests in an Unrestricted Global Note.* A beneficial interest in any Restricted Global Note may be exchanged by any holder thereof for a beneficial interest

in an Unrestricted Global Note or transferred to a Person who takes delivery thereof in the form of a beneficial interest in an Unrestricted Global Note if the exchange or transfer complies with the requirements of Section 2.06(b)(2) hereof and the Registrar receives the following:

(A) if the holder of such beneficial interest in a Restricted Global Note proposes to exchange such beneficial interest for a beneficial interest in an Unrestricted Global Note, a certificate from such holder in the form of Exhibit C hereto, including the certifications in item (1)(a) thereof; or

(B) if the holder of such beneficial interest in a Restricted Global Note proposes to transfer such beneficial interest to a Person who shall take delivery thereof in the form of a beneficial interest in an Unrestricted Global Note, a certificate from such holder in the form of Exhibit B hereto, including the certifications in item (4) thereof;

and, in each such case set forth in this subparagraph (4), if the Registrar so requests or if the Applicable Procedures so require, an Opinion of Counsel in form reasonably acceptable to the Registrar to the effect that such exchange or transfer is in compliance with the Securities Act and that the restrictions on transfer contained herein and in the Private Placement Legend are no longer required in order to maintain compliance with the Securities Act.

If any such transfer is effected at a time when an Unrestricted Global Note has not yet been issued, the Company shall issue and, upon receipt of an Authentication Order in accordance with Section 2.02 hereof, the Trustee shall authenticate one or more Unrestricted Global Notes in an aggregate principal amount equal to the aggregate principal amount of beneficial interests transferred.

Beneficial interests in an Unrestricted Global Note cannot be exchanged for, or transferred to Persons who take delivery thereof in the form of, a beneficial interest in a Restricted Global Note.

(c) Transfer or Exchange of Beneficial Interests for Definitive Notes.

(1) *Beneficial Interests in Restricted Global Notes to Restricted Definitive Notes.* If any holder of a beneficial interest in a Restricted Global Note proposes to exchange such beneficial interest for a Restricted Definitive Note or to transfer such beneficial interest to a Person who takes delivery thereof in the form of a Restricted Definitive Note, then, upon receipt by the Registrar of the following documentation:

the Trustee shall cause the aggregate principal amount of the applicable Global Note to be reduced accordingly pursuant to Section 2.06(g) hereof, and the Company shall execute and the Trustee shall authenticate and deliver to the Person designated in the instructions a Definitive Note in the appropriate principal amount. Any Definitive Note issued in exchange for a beneficial interest in a Restricted Global Note pursuant to this Section 2.06(c) shall be registered in such name or names and in such authorized denomination or denominations as the holder of such beneficial interest shall instruct the Registrar through instructions from the Depositary and the Participant or Indirect Participant. The Trustee will deliver such Definitive Notes to the Persons in whose names such Notes are so registered. Any Definitive Note issued in exchange for a beneficial interest pursuant to this Section 2.06(c)(4) will not bear the Private Placement Legend.

(d) *Transfer and Exchange of Definitive Notes for Beneficial Interests.*

(1) *Restricted Definitive Notes to Beneficial Interests in Restricted Global Notes.* If any Holder of a Restricted Definitive Note proposes to exchange such Note for a beneficial interest in a Restricted Global Note or to transfer such Restricted Definitive Notes to a Person who takes delivery thereof in the form of a beneficial interest in a Restricted Global Note, then, upon receipt by the Registrar of the following documentation:

(3) *Regulation S Temporary Global Note Legend.* The Regulation S Temporary Global Note will bear a legend in substantially the following form:

"THE RIGHTS ATTACHING TO THIS REGULATION S TEMPORARY GLOBAL NOTE, AND THE CONDITIONS AND PROCEDURES GOVERNING ITS EXCHANGE FOR DEFINITIVE NOTES, ARE AS SPECIFIED IN THE INDENTURE (AS DEFINED HEREIN). NEITHER THE HOLDER NOR THE BENEFICIAL OWNERS OF THIS REGULATION S TEMPORARY GLOBAL NOTE SHALL BE ENTITLED TO RECEIVE PAYMENT OF INTEREST HEREON."

(g) *Cancellation and/or Adjustment of Global Notes.* At such time as all beneficial interests in a particular Global Note have been exchanged for Definitive Notes or a particular Global Note has been redeemed, repurchased or canceled in whole and not in part, each such Global Note will be returned to or retained and canceled by the Trustee in accordance with Section 2.11 hereof. At any time prior to such cancellation, if any beneficial interest in a Global Note is exchanged for or transferred to a Person who will take delivery thereof in the form of a beneficial interest in another Global Note or for Definitive Notes, the principal amount of Notes represented by such Global Note will be reduced accordingly and an endorsement will be made on such Global Note by the Trustee or by the Depositary at the direction of the Trustee to reflect such reduction; and if the beneficial interest is being exchanged for or transferred to a Person who will take delivery thereof in the form of a beneficial interest in another Global Note, such other Global Note will be increased accordingly and an endorsement will be made on such Global Note by the Trustee or by the Depositary at the direction of the Trustee to reflect such increase.

(h) *General Provisions Relating to Transfers and Exchanges.*

(1) To permit registrations of transfers and exchanges, the Company will execute and the Trustee will authenticate Global Notes and Definitive Notes upon receipt of an Authentication Order in accordance with Section 2.02 hereof or at the Registrar's request.

(2) No service charge will be made to a Holder of a beneficial interest in a Global Note or to a Holder of a Definitive Note for any registration of transfer or exchange, but the Company may require payment of a sum sufficient to cover any transfer tax or similar governmental charge payable in connection therewith (other than any such transfer taxes or similar governmental charge payable upon exchange or transfer pursuant to Sections 2.10, 3.06, 3.09, 4.10, 4.15 and 9.05 hereof).

(3) The Registrar will not be required to register the transfer of or exchange of any Note selected for redemption in whole or in part, except the unredeemed portion of any Note being redeemed in part.

(4) All Global Notes and Definitive Notes issued upon any registration of transfer or exchange of Global Notes or Definitive Notes will be the valid obligations of the Company, evidencing the same debt, and entitled to the same benefits under this Indenture, as the Global Notes or Definitive Notes surrendered upon such registration of transfer or exchange.

(5) Neither the Registrar nor the Company will be required:

(A) to issue, to register the transfer of or to exchange any Notes during a period beginning at the opening of business 15 days before mailing of a notice of redemption of Notes for redemption under Section 3.02 hereof and ending at the close of business on the day of such mailing;

(B) to register the transfer of or to exchange any Note selected for redemption in whole or in part, except the unredeemed portion of any Note being redeemed in part; or

(C) to register the transfer of or to exchange a Note between a record date and the next succeeding interest payment date.

(6) Prior to due presentment for the registration of a transfer of any Note, the Trustee, any Agent and the Company may deem and treat the Person in whose name any Note is registered as the absolute owner of such Note for the purpose of receiving payment of principal of and interest on such Notes and for all other purposes, and none of the Trustee, any Agent or the Company shall be affected by notice to the contrary.

(7) The Trustee will authenticate Global Notes and Definitive Notes in accordance with the provisions of Section 2.02 hereof.

(8) All certifications, certificates and Opinions of Counsel required to be submitted to the Registrar pursuant to this Section 2.06 to effect a registration of transfer or exchange may be submitted by facsimile.

(9) The Trustee shall have no obligation or duty to monitor, determine or inquire as to compliance with any restrictions on transfer imposed under this Indenture or under applicable law with respect to any transfer of any interest in any Note (including any transfers between or among Participants or beneficial owners of interests in any Global Note) other than to require delivery of such certificates and other documentation or evidence as are expressly required by, and to do so if and when expressly required by the terms of, this Indenture, and to examine the same to determine substantial compliance as to form with the express requirements hereof.

(10) Neither the Trustee nor any Agent shall have any responsibility or liability for any actions taken or not taken by the Depository.

Section 2.07 *Replacement Notes.*

If any mutilated Note is surrendered to the Trustee or the Company and the Trustee receives evidence to its satisfaction of the destruction, loss or theft of any Note, the Company will issue and the Trustee, upon receipt of an Authentication Order, will authenticate a replacement Note if the Trustee's requirements are met. An indemnity bond must be supplied by the Holder that is sufficient in the judgment of the Trustee and the Company to protect the Company, the Trustee, any Agent and any authenticating agent from any loss that any of them may suffer if a Note is replaced. The Company may charge for its expenses in replacing a Note, including Trustee's expenses.

Every replacement Note is an additional obligation of the Company and will be entitled to all of the benefits of this Indenture equally and proportionately with all other Notes duly issued hereunder.

Section 2.08 *Outstanding Notes.*

The Notes outstanding at any time are all the Notes authenticated by the Trustee except for those canceled by it, those delivered to it for cancellation, those reductions in the interest in a Global Note effected by the Trustee in accordance with the provisions hereof, and those described in this Section 2.08 as not outstanding. Except as set forth in Section 2.09 hereof, a Note does not cease to be outstanding because the Company or an Affiliate of the Company holds the Note; however, Notes held by the Company or an Affiliate of the Company shall not be deemed to be outstanding for purposes of Section 3.07(a) hereof.

If a Note is replaced pursuant to Section 2.07 hereof, it ceases to be outstanding unless the Trustee receives proof satisfactory to it that the replaced Note is held by a protected purchaser.

If the principal amount of any Note is considered paid under Section 4.01 hereof, it ceases to be outstanding and interest on it ceases to accrue.

If the Paying Agent (other than the Company, a Subsidiary or an Affiliate of any thereof) holds, on a redemption date or maturity date, money sufficient to pay Notes payable on that date, then on and after that date such Notes will be deemed to be no longer outstanding and will cease to accrue interest.

Section 2.09 *Treasury Notes.*

In determining whether the Holders of the required principal amount of Notes have concurred in any direction, waiver or consent, Notes owned by the Company or any Guarantor, or by any Person directly or indirectly controlling or controlled by or under direct or indirect common control with the Company or any Guarantor, will be considered as though not outstanding, except that for the purposes of determining whether the Trustee will be protected in conclusively relying on any such direction, waiver or consent, only Notes that a Responsible Officer of the Trustee actually knows are so owned will be so disregarded.

Section 2.10 *Temporary Notes.*

Until certificates representing Notes are ready for delivery, the Company may prepare and the Trustee, upon receipt of an Authentication Order, will authenticate temporary Notes. Temporary Notes will be substantially in the form of certificated Notes but may have variations that the Company considers appropriate for temporary Notes and as may be reasonably acceptable to the Trustee. Without unreasonable delay, the Company will prepare and the Trustee will authenticate definitive Notes in exchange for temporary Notes.

Holders of temporary Notes will be entitled to all of the benefits of this Indenture.

Section 2.11 *Cancellation.*

The Company at any time may deliver Notes to the Trustee for cancellation. The Registrar and Paying Agent will forward to the Trustee any Notes surrendered to them for registration of transfer, exchange or payment. The Trustee and no one else will cancel all Notes surrendered for registration of transfer, exchange, payment, replacement or cancellation and will dispose of canceled Notes (subject to the record retention requirements of the Exchange Act) in accordance with its customary procedures. Certification of the disposition of all canceled Notes will be delivered to the Company upon its written request. The Company may not issue new Notes to replace Notes that it has paid or that have been delivered to the Trustee for cancellation.

Section 2.12 *Defaulted Interest.*

If the Company defaults in a payment of interest on the Notes, it will pay the defaulted interest in any lawful manner plus, to the extent lawful, interest payable on the defaulted interest, to the Persons who are Holders on a subsequent special record date, in each case at the rate provided in the Notes and in Section 4.01 hereof. The Company will notify the Trustee in writing of the amount of defaulted interest proposed to be paid on each Note and the date of the proposed payment. The Company will fix or cause to be fixed each such special record date and payment date; *provided* that no such special record date may be less than 10 days prior to the related payment date for such defaulted interest. At least 15 days before the special record date, the Company (or, upon the written request of the Company, the Trustee in the name and at the expense of the Company) will mail or cause to be mailed to Holders a notice that states the special record date, the related payment date and the amount of such interest to be paid.

Section 2.13 *CUSIP Numbers.*

The Company in issuing the Notes may use “CUSIP” numbers (if then generally in use), and, if so, the Trustee shall use “CUSIP” numbers in notices of redemption as a convenience to Holders; *provided* that the Trustee shall have no liability for any defect in the “CUSIP” numbers as they appear on any Note, notice or elsewhere, and, *provided further* that any such notice may state that no representation is made as to the correctness of such numbers either as printed on the Securities or as contained in any notice of a redemption and that reliance may be placed only on the other identification numbers printed on the Notes, and any such redemption shall not be affected by any defect in or omission of such numbers. The Company will promptly notify the Trustee in writing of any change in the “CUSIP” numbers.

ARTICLE 3
REDEMPTION AND PREPAYMENT

Section 3.01 *Notices to Trustee.*

If the Company elects to redeem Notes pursuant to the optional redemption provisions of Section 3.07 hereof, it must furnish to the Trustee, at least 30 days but not more than 60 days before a redemption date, an Officer’s Certificate setting forth:

- (1) the clause of this Indenture pursuant to which the redemption shall occur;
- (2) the redemption date;
- (3) the principal amount of Notes to be redeemed; and
- (4) the redemption price.

Section 3.02 *Selection of Notes to Be Redeemed or Purchased.*

If less than all of the Notes are to be redeemed or purchased in an offer to purchase at any time, the Trustee will select Notes for redemption or purchase (1) if the Notes are listed on an exchange, in compliance with the requirements of such exchange or in accordance with customary DTC procedures or (2) on a *pro rata* basis to the extent practicable, or, if the *pro rata* basis is not practicable for any reason, by lot or by such other method as most nearly approximates a *pro rata* basis subject to customary DTC procedures.

If any Notes are listed on an exchange, and the rules of such exchange so require, the Company will notify the exchange of any such notice of redemption. In addition, the Company will notify the exchange of the principal amount of any Notes outstanding following any partial redemption of Notes.

In the event of partial redemption or purchase by lot, the particular Notes to be redeemed or purchased will be selected, unless otherwise provided herein, not less than 30 nor more than 60 days prior to the redemption or purchase date by the Trustee from the outstanding Notes not previously called for redemption or purchase.

The Trustee will promptly notify the Company in writing of the Notes selected for redemption or purchase and, in the case of any Note selected for partial redemption or purchase, the principal amount thereof to be redeemed or purchased. Notes and portions of Notes selected will be in amounts of \$2,000 or whole multiples of \$1,000 in excess thereof; except that if all of the Notes of a Holder are to be redeemed or purchased, the entire outstanding amount of Notes held by such Holder shall be redeemed or purchased. Except as provided in the preceding sentence, provisions of this Indenture that apply to Notes called for redemption or purchase also apply to portions of Notes called for redemption or purchase.

Section 3.03 *Notice of Redemption.*

Subject to the provisions of Section 3.09 hereof, at least 30 days but not more than 60 days before a redemption date, the Company will mail or cause to be mailed, by first class mail, a notice of redemption to each Holder whose Notes are to be redeemed at its registered address, except that redemption notices may be mailed more than 60 days prior to a redemption date if the notice is issued in connection with a defeasance of the Notes or a satisfaction and discharge of this Indenture pursuant to Articles 8 or 12 hereof.

The notice will identify the Notes to be redeemed and will state:

- (1) the redemption date;
- (2) the redemption price;
- (3) if any Note is being redeemed in part, the portion of the principal amount of such Note to be redeemed and that, after the redemption date upon surrender of such Note, a new Note or Notes in principal amount equal to the unredeemed portion will be issued upon cancellation of the original Note;
- (4) the name and address of the Paying Agent;
- (5) that Notes called for redemption must be surrendered to the Paying Agent to collect the redemption price;
- (6) that, unless the Company defaults in making such redemption payment, interest on Notes called for redemption ceases to accrue on and after the redemption date;
- (7) the paragraph of the Notes and/or Section of this Indenture pursuant to which the Notes called for redemption are being redeemed; and
- (8) that no representation is made as to the correctness or accuracy of the CUSIP number, if any, listed in such notice or printed on the Notes.

At the Company's request, the Trustee will give the notice of redemption in the Company's name and at its expense; *provided, however*, that the Company has delivered to the

Trustee, at least 45 days prior to the redemption date (or such shorter period as agreed by the Trustee), an Officer's Certificate requesting that the Trustee give such notice and setting forth the information to be stated in such notice as provided in the preceding paragraph.

Section 3.04 Effect of Notice of Redemption.

Once notice of redemption is mailed in accordance with Section 3.03 hereof, Notes called for redemption become due and payable on the redemption date at the redemption price, subject to the following sentence. Notice of any redemption may, at the Company's discretion, be subject to one or more conditions precedent, including, without limitation, the consummation of an incurrence or issuance of debt or equity or a Change of Control.

Section 3.05 Deposit of Redemption or Purchase Price.

One Business Day prior to the redemption or purchase date, the Company will deposit with the Trustee or with the Paying Agent money sufficient to pay the redemption or purchase price of and accrued interest, if any, on all Notes to be redeemed or purchased on that date. The Trustee or the Paying Agent will promptly return to the Company any money deposited with the Trustee or the Paying Agent by the Company in excess of the amounts necessary to pay the redemption or purchase price of and accrued interest, if any, on all Notes to be redeemed or purchased.

If the Company complies with the provisions of the preceding paragraph, on and after the redemption or purchase date, interest will cease to accrue on the Notes or the portions of Notes called for redemption or purchase. If a Note is redeemed or purchased on or after an interest record date but on or prior to the related interest payment date, then any accrued and unpaid interest shall be paid to the Person in whose name such Note was registered at the close of business on such record date. If any Note called for redemption or purchase is not so paid upon surrender for redemption or purchase because of the failure of the Company to comply with the preceding paragraph, interest shall be paid on the unpaid principal, from the redemption or purchase date until such principal is paid, and to the extent lawful on any interest not paid on such unpaid principal, in each case at the rate provided in the Notes and in Section 4.01 hereof.

Section 3.06 Notes Redeemed or Purchased in Part.

Upon surrender of a Note that is redeemed or purchased in part, the Company will issue and, upon receipt of an Authentication Order, the Trustee will authenticate for the Holder at the expense of the Company a new Note equal in principal amount to the unredeemed or unpurchased portion of the Note surrendered.

Section 3.07 Optional Redemption.

(a) At any time prior to November 15, 2018, the Company may, at its option, on one or more occasions, redeem up to 40% of the original aggregate principal amount of Notes issued under this Indenture, including any Additional Notes, at a redemption price equal to 105.250% of the aggregate principal amount thereof plus accrued and unpaid interest, if any, to the Redemption Date, subject to the right of Holders of record on the relevant record date to receive interest due on the relevant interest payment date, with the net cash proceeds received by the Company from one or more Equity Offerings; *provided* that:

(1) at least 50% of the sum of the aggregate principal amount of Notes originally issued under this Indenture on the Issue Date and any Additional Notes issued under this Indenture after the Issue Date (other than Notes or Additional Notes held by the Company or any of its Affiliates) remains outstanding immediately after the occurrence of each such redemption and

(2) each such redemption occurs within 120 days of the date of closing of each such Equity Offering.

(b) At any time prior to November 15, 2018, the Company may redeem all or a part of the Notes, upon notice as described under Section 3.02, at a redemption price equal to 100% of the principal amount of the Notes redeemed plus the Applicable Premium as of, plus accrued and unpaid interest, if any, to the redemption date (the “*Redemption Date*”), subject to the right of Holders of record on the relevant record date to receive interest due on the relevant interest payment date

(c) At any time and from time to time on or prior to November 15, 2018, but not more than once in any twelve-month period, the Company may redeem, in the aggregate, up to 10% of the original aggregate principal amount of the Notes issued under the Indenture, including any Additional Notes, upon not less than 30 nor more than 60 days’ prior notice, at a redemption price of 103% of the principal amount thereof, plus accrued and unpaid interest to the applicable redemption date (subject to the rights of holders of the Notes on the relevant record date to receive interest due on the relevant interest payment date).

(d) Except pursuant to the preceding paragraphs (a) through (c), the Notes will not be redeemable at the Company’s option prior to November 15, 2018.

(e) On or after November 15, 2018, the Company may redeem the Notes, in whole or in part, upon notice as described under Section 3.02 at the redemption prices (expressed as percentages of principal amount of the Notes to be redeemed) set forth below, plus accrued and unpaid interest, if any, to the Redemption Date, subject to the right of Holders of record on the relevant record date to receive interest due on the relevant interest payment date, if redeemed during the twelve-month period beginning on November 15 of each of the years indicated below:

<u>Year</u>	<u>Percentage</u>
2018	103.938%
2019	102.625%
2020	101.313%
2021 and thereafter	100.000%

(f) Any redemption pursuant to this Section 3.07 shall be made pursuant to the provisions of Sections 3.01 through 3.06 hereof.

Section 3.08 *Mandatory Redemption.*

The Company is not required to make any mandatory redemption or sinking fund payments with respect to the Notes. However, under certain circumstances, the Company may be required to offer to purchase Notes as described under Sections 4.10 and 4.15 hereof. The Company may at any time and from time to time purchase Notes in the open market or otherwise.

Section 3.09 *Offer to Purchase by Application of Excess Proceeds.*

In the event that, pursuant to Section 4.10 hereof, the Company is required to commence an offer to all Holders to purchase Notes (an “*Asset Sale Offer*”), it will follow the procedures specified below.

The Asset Sale Offer shall be made to all Holders and if required by the terms of any Indebtedness that is *pari passu* in right of payment with the Notes (“*Pari Passu Indebtedness*”) to the Holders of such *Pari Passu* Indebtedness. The Asset Sale Offer will remain open for a period of at least 20 Business Days following its commencement and not more than 30 Business Days, except to the extent that a longer period is required by applicable law (the “*Offer Period*”). No later than three Business Days after the termination of the Offer Period (the “*Purchase Date*”), the Company will apply all Excess Proceeds (the “*Offer Amount*”) to the purchase of Notes and such *Pari Passu* Indebtedness (on a *pro rata* basis based on the principal amount of Notes and such *Pari Passu* Indebtedness surrendered, if applicable) or, if less than the Offer Amount has been tendered, all Notes and other Indebtedness tendered in response to the Asset Sale Offer. Payment for any Notes so purchased will be made in the same manner as interest payments are made.

If the Purchase Date is on or after an interest record date and on or before the related interest payment date, any accrued and unpaid interest, if any, will be paid to the Person in whose name a Note is registered at the close of business on such record date, and no additional interest will be payable to Holders who tender Notes pursuant to the Asset Sale Offer.

Upon the commencement of an Asset Sale Offer, the Company will send, by first class mail, a notice to the Trustee and each of the Holders, with a copy to the Trustee. The notice will contain all instructions and materials necessary to enable such Holders to tender Notes pursuant to the Asset Sale Offer. The notice, which will govern the terms of the Asset Sale Offer, will state:

- (1) that the Asset Sale Offer is being made pursuant to this Section 3.09 and Section 4.10 hereof and the length of time the Asset Sale Offer will remain open;
- (2) the Offer Amount, the purchase price and the Purchase Date;
- (3) that any Note not tendered or accepted for payment will continue to accrue interest;

(4) that, unless the Company defaults in making such payment, any Note accepted for payment pursuant to the Asset Sale Offer will cease to accrue interest after the Purchase Date;

(5) that Holders electing to have a Note purchased pursuant to an Asset Sale Offer may elect to have Notes purchased in denominations of \$2,000 or an integral multiple of \$1,000 in excess thereof;

(6) that Holders electing to have Notes purchased pursuant to any Asset Sale Offer will be required to surrender the Note, with the form entitled "Option of Holder to Elect Purchase" attached to the Notes completed, or transfer by book-entry transfer, to the Company, a Depositary, if appointed by the Company, or a Paying Agent at the address specified in the notice at least three days before the Purchase Date;

(7) that Holders will be entitled to withdraw their election if the Company, the Depositary or the Paying Agent, as the case may be, receives, not later than the expiration of the Offer Period, a facsimile transmission or letter setting forth the name of the Holder, the principal amount of the Note the Holder delivered for purchase and a statement that such Holder is withdrawing his election to have such Note purchased;

(8) that, if the aggregate principal amount of Notes and *Pari Passu* Indebtedness surrendered by holders thereof exceeds the Offer Amount, the Company will select the Notes and *Pari Passu* Indebtedness to be purchased on a *pro rata* basis based on the principal amount of Notes and such *Pari Passu* Indebtedness surrendered (with such adjustments as may be deemed appropriate by the Company so that only Notes in denominations of \$2,000, or an integral multiple of \$1,000 in excess thereof, will be purchased); and

(9) that Holders whose Notes were purchased only in part will be issued new Notes equal in principal amount to the unpurchased portion of the Notes surrendered (or transferred by book-entry transfer).

On or before the Purchase Date, the Company will, to the extent lawful, accept for payment, on a *pro rata* basis to the extent necessary, the Offer Amount of Notes or portions thereof tendered pursuant to the Asset Sale Offer, or if less than the Offer Amount has been tendered, all Notes tendered, and will deliver or cause to be delivered to the Trustee the Notes properly accepted together with an Officer's Certificate stating that such Notes or portions thereof were accepted for payment by the Company in accordance with the terms of this Section 3.09. The Company, the Depositary or the Paying Agent, as the case may be, will promptly (but in any case not later than five days after the Purchase Date) mail or deliver to each tendering Holder an amount equal to the purchase price of the Notes tendered by such Holder and accepted by the Company for purchase, and the Company will promptly issue a new Note, and the Trustee, upon written request from the Company, will authenticate and mail or deliver (or cause to be transferred by book entry) such new Note to such Holder, in a principal amount equal to any unpurchased portion of the Note surrendered. Any Note not so accepted shall be promptly mailed or delivered by the Company to the Holder thereof. The Company will publicly announce the results of the Asset Sale Offer on the Purchase Date.

Other than as specifically provided in this Section 3.09, any purchase pursuant to this Section 3.09 shall be made pursuant to the provisions of Sections 3.01 through 3.06 hereof.

ARTICLE 4 COVENANTS

Section 4.01 *Payment of Notes.*

The Company will pay or cause to be paid the principal of, premium on, if any, and interest, if any, on, the Notes on the dates and in the manner provided in the Notes. Principal, premium, if any, and interest, if any, will be considered paid on the date due if the Paying Agent, if other than the Company or a Subsidiary thereof, holds as of 10:00 a.m. Eastern Time on the due date money deposited by the Company in immediately available funds and designated for and sufficient to pay all principal, premium, if any, and interest, if any, then due.

The Company will pay interest (including post-petition interest in any proceeding under any Bankruptcy Law) on overdue principal at the then applicable interest rate on the Notes to the extent lawful; it will pay interest (including post-petition interest in any proceeding under any Bankruptcy Law) on overdue installments of interest, if any (without regard to any applicable grace period), at the same rate to the extent lawful.

Section 4.02 *Maintenance of Office or Agency.*

The Company will maintain in the Borough of Manhattan, the City of New York, an office or agency (which may be an office of the Trustee or an affiliate of the Trustee, Registrar or co-registrar) where Notes may be surrendered for registration of transfer or for exchange and where notices and demands to or upon the Company in respect of the Notes and this Indenture may be served. The Company will give prompt written notice to the Trustee of the location, and any change in the location, of such office or agency. If at any time the Company fails to maintain any such required office or agency or fails to furnish the Trustee with the address thereof, such presentations, surrenders, notices and demands may be made or served at the Corporate Trust Office of the Trustee.

The Company may also from time to time designate one or more other offices or agencies where the Notes may be presented or surrendered for any or all such purposes and may from time to time rescind such designations; *provided, however*, that no such designation or rescission will in any manner relieve the Company of its obligation to maintain an office or agency in the Borough of Manhattan, the City of New York for such purposes. The Company will give prompt written notice to the Trustee of any such designation or rescission and of any change in the location of any such other office or agency.

The Company hereby designates the Corporate Trust Office of the Trustee as one such office or agency of the Company in accordance with Section 2.03 hereof.

(b) Holdings shall provide S&P and Moody's (and their respective successors) with information on a periodic basis as S&P or Moody's, as the case may be, shall reasonably require in order to maintain public ratings of the Notes. (g) The delivery of such reports, information and documents to the Trustee is for informational purposes only and the Trustee's receipt of such shall not constitute constructive notice of any information contained therein or determinable from information contained therein, including the Company's compliance with any of its covenants hereunder (as to which the Trustee is entitled to rely exclusively on Officer's Certificates), nor shall the Trustee have any responsibility or liability for the content, filing or timeliness of any report required under this

(d) For purposes of determining compliance with this Section 4.09:

(1) in the event that an item of Indebtedness, Disqualified Stock or Preferred Stock (or any portion thereof) meets the criteria of more than one of the categories of Indebtedness, Disqualified Stock or Preferred Stock described in clauses (1) through (27) of Section 4.09(b) hereof or is entitled to be incurred pursuant to Section 4.09(a) hereof, the Company, in its sole discretion, will classify or reclassify such item of Indebtedness, Disqualified Stock or Preferred Stock (or any portion thereof) and will only be required to include the amount and type of such Indebtedness, Disqualified Stock or Preferred Stock in one of the clauses of Section 4.09(b) or in Section 4.09(a) hereof; *provided* that all Indebtedness outstanding under the Senior Credit Facilities on the Issue Date or any refinancing thereof that is secured by Liens on Collateral will at all times be treated as incurred on the Issue Date under clause (1) of Section 4.09(b) hereof;

(2) at the time of incurrence or reclassification, the Company will be entitled to divide and classify or reclassify an item of Indebtedness in more than one of the types of Indebtedness described in Section 4.09(a) and Section 4.09(b) hereof; and

(3) in the event that the Company or a Restricted Subsidiary enters into or increases commitments under a revolving credit facility that it elects to incur under Section 4.09(a) hereof, the Fixed Charge Coverage Ratio for borrowings and reborrowings (including the issuance of letters of credit) thereunder will be determined on the date of such revolving credit facility or such increase in commitments (assuming that the full amount thereof has been borrowed as of such date), and, if such Fixed Charge Coverage Ratio test is satisfied with respect thereto at such time, any borrowing

or reborrowing thereunder will be permitted under Section 4.09(a) irrespective of the Fixed Charge Coverage Ratio at the time of any borrowing or reborrowing (the committed amount permitted to be borrowed or reborrowed on a date pursuant to the operation of this paragraph shall be the “Reserved Indebtedness Amount” as of such date for purposes of the Fixed Charge Coverage Ratio).

Accrual of interest or dividends, the accretion of accreted value, the accretion or amortization of original issue discount and the payment of interest or dividends in the form of additional Indebtedness, Disqualified Stock or Preferred Stock, as the case may be, of the same class will not be deemed to be an incurrence or issuance of Indebtedness, Disqualified Stock or Preferred Stock for purposes of this Section 4.09.

For purposes of determining compliance with any U.S. dollar-denominated restriction on the incurrence of Indebtedness, the U.S. dollar-equivalent principal amount of Indebtedness denominated in a foreign currency shall be calculated based on the relevant currency exchange rate in effect on the date such Indebtedness was incurred, in the case of term debt, or first committed, in the case of revolving credit debt; *provided* that if such Indebtedness is incurred to refinance other Indebtedness denominated in a foreign currency, and such refinancing would cause the applicable U.S. dollar-denominated restriction to be exceeded if calculated at the relevant currency exchange rate in effect on the date of such refinancing, such U.S. dollar-denominated restriction shall be deemed not to have been exceeded so long as the principal amount of such refinancing Indebtedness does not exceed (i) the principal amount of such Indebtedness being refinanced plus (ii) the aggregate amount of fees, underwriting discounts, premiums and other costs and expenses incurred in connection with such refinancing.

The principal amount of any Indebtedness incurred to refinance other Indebtedness, if incurred in a different currency from the Indebtedness being refinanced, shall be calculated based on the currency exchange rate applicable to the currencies in which such respective Indebtedness is denominated that is in effect on the date of such refinancing.

The Company will not, and will not permit any Subsidiary Guarantor to, directly or indirectly, incur any Indebtedness (including Acquired Indebtedness) that is subordinated or junior in right of payment to any Indebtedness of the Company or such Subsidiary Guarantor, as the case may be, unless such Indebtedness is expressly subordinated in right of payment to the Notes or such Subsidiary Guarantor’s Guarantee to the extent and in the same manner as such Indebtedness is subordinated to other Indebtedness of the Company or such Subsidiary Guarantor, as the case may be. This Indenture will not treat (1) unsecured Indebtedness as subordinated or junior to Secured Indebtedness merely because it is unsecured or (2) Indebtedness as subordinated or junior to any other Indebtedness merely because it has a junior priority with respect to the same Collateral.

(a) The Company will not, and will not permit any of its Restricted Subsidiaries to, consummate an Asset Sale, unless:

(1) the Company or such Restricted Subsidiary, as the case may be, receives consideration at the time of such Asset Sale at least equal to the fair market value (such fair market value to be determined in good faith by the Company, including its board of directors if such fair market value is in excess of \$100,000,000, at the time of contractually agreeing to such Asset Sale) of the assets sold or otherwise disposed of; and

(2) except in the case of a Permitted Asset Swap, at least 75% of the consideration therefor received by the Company or such Restricted Subsidiary, as the case may be, is in the form of Cash Equivalents; *provided* that the amount of:

(A) any liabilities (as shown on the Company's or such Restricted Subsidiary's most recent balance sheet or in the footnotes thereto) of the Company or such Restricted Subsidiary, other than liabilities that are by their terms subordinated to the Notes or that are owed to the Company or a Restricted Subsidiary, that (x) are assumed by the transferee of any such assets or (y) are otherwise cancelled or terminated in connection with the transaction with such transferee (other than intercompany debt owed to the Company or its Restricted Subsidiaries) and, in each case, for which the Company and all of its Restricted Subsidiaries have been validly released by all creditors in writing,

(B) any securities, notes or other obligations or assets received by the Company or such Restricted Subsidiary from such transferee that are converted by the Company or such Restricted Subsidiary into Cash Equivalents (to the extent of the Cash Equivalents received) within 180 days following the closing of such Asset Sale, and

(C) Indebtedness of any Restricted Subsidiary that ceases to be a Restricted Subsidiary as a result of such Asset Sale (other than intercompany debt owed to the Company or any Restricted Subsidiary), to the extent that the Company and each other Restricted Subsidiary are released from any guarantee of payment of the principal amount of such Indebtedness in connection with such Asset Sale, and

(D) any (i) Designated Non-Cash Consideration received by the Company or such Restricted Subsidiary in such Asset Sale having an aggregate fair market value, as determined by the Company in good faith, taken together with all other Designated Non-Cash Consideration received pursuant to this clause (D)(i) that is at that time outstanding, not to exceed 5.0% of Total Assets at the time of the receipt of such Designated Non-Cash Consideration, or (ii) any Investment (not constituting a Permitted Asset Swap) received by the Company or a Restricted Subsidiary that is treated by the Company as a Restricted Payment under Section 4.07(a) or 4.07(b) hereof or a Permitted Investment under clause (8), (13) or (26) of the definition thereof, with the fair market value of each such item of Designated Non-Cash Consideration, Restricted Payment or Permitted Investment being measured pursuant to this clause (D) at the time received and without giving effect to subsequent changes in value,

shall be deemed to be Cash Equivalents for purposes of this provision and for no other purpose.

(b) Within 450 days after the receipt of any Net Proceeds of any Asset Sale, the Company or such Restricted Subsidiary, at its option, may apply the Net Proceeds from such Asset Sale:

(1) to permanently reduce:

(A) Obligations constituting First Lien Obligations and, if the Indebtedness repaid is revolving credit facilities or other similar Indebtedness, to correspondingly permanently reduce commitments with respect thereto (other than Obligations owed to the Company or a Restricted Subsidiary); *provided* that (x) to the extent that the terms of First Lien Obligations (other than Obligations under the Notes) require that such First Lien Obligations be repaid with the Net Proceeds of Asset Sales prior to repayment of other Indebtedness (including the Notes), the Company and its Restricted Subsidiaries shall be entitled to repay such other First Lien Obligations prior to repaying the Obligations under the Notes and (y) except as provided in the foregoing clause (x), if the Company or any Restricted Subsidiary shall so reduce First Lien Obligations, the Company will equally and ratably reduce Obligations under the Notes as provided in Section 3.07 hereof through open-market purchases (*provided* that such purchases are at or above 100% of the principal amount thereof) or by making an offer (in accordance with the procedures set forth herein for an Asset Sale Offer) to all Holders to purchase their Notes at a purchase price equal to 100% of the principal amount thereof, *plus* accrued and unpaid interest on the principal amount of Notes so purchased;

(B) Obligations ranking *pari passu* with the Notes other than First Lien Obligations so long as the relevant Net Proceeds are received with respect to non-Collateral; *provided* that if the Company or any Restricted Subsidiary shall so reduce any such *pari passu* Obligations, the Company will equally and ratably reduce Obligations under the Notes in any manner set forth in clause (A) above; or

(C) Indebtedness of a Restricted Subsidiary that is not a Guarantor, other than Indebtedness owed to the Company or another Restricted Subsidiary;

(2) to make (a) an Investment in any one or more businesses; *provided* that such Investment in any business is in the form of the acquisition of Capital Stock that results in the Company or any of its Restricted Subsidiaries, as the case may be, owning an amount of the Capital Stock of such business such that it constitutes a Restricted Subsidiary or increases the Company's direct or indirect percentage ownership of the Capital Stock of a Restricted Subsidiary, (b) capital expenditures or (c) acquisitions of other assets, in the case of each of (a), (b) and (c), used or useful in a Similar Business; *provided* that the assets (including Capital Stock) acquired with the Net Proceeds of a disposition of Collateral are pledged as Collateral to the extent required under the Security Documents (except to the extent the Lien thereon is released by the lenders under the Senior Credit Facilities); or

(3) to make an Investment in (a) any one or more businesses; provided that such Investment in any business is in the form of the acquisition of Capital Stock that results in the Company or any of its Restricted Subsidiaries, as the case may be, owning an amount of the Capital Stock of such business such that it constitutes a Restricted Subsidiary or increases the Company's direct or indirect percentage ownership of the Capital Stock of a Restricted Subsidiary, (b) properties or (c) acquisitions of other assets that, in the case of each of (a), (b) and (c), replace the businesses, properties or assets that are the subject of such Asset Sale; *provided* that the assets (including Capital Stock) acquired with the Net Proceeds of a disposition of Collateral are pledged as Collateral to the extent required under the Security Documents (except to the extent the Lien thereon is released by the lenders under the Senior Credit Facilities);

provided that, in the case of clauses (2) and (3) of this Section 4.10, a binding commitment entered into not later than such 450th day shall extend the period for such Investment or other payment for an additional 180 days after the end of such 450-day period so long as the Company or such other Restricted Subsidiary enters into such commitment with the good faith expectation that such Net Proceeds will be applied to satisfy such commitment within 180 days of such commitment (an "Acceptable Commitment") and, in the event any Acceptable Commitment is later cancelled or terminated for any reason before the Net Proceeds are applied in connection therewith, the Company or such Restricted Subsidiary enters into another Acceptable Commitment (a "Second Commitment") within such 180-day period; provided further that (x) if any Second Commitment is later cancelled or terminated for any reason before such Net Proceeds are applied or (y) such Net Proceeds are not actually so invested or paid in accordance with clauses (2) or (3) of this Section 4.10 by the end of such 180-day period, then such Net Proceeds shall constitute Excess Proceeds on the date of such cancellation or termination, or such 180th day, as applicable.

(c) Any Net Proceeds from the Asset Sale that are not invested or applied as provided and within the time period set forth in the preceding paragraph will be deemed to constitute "Excess Proceeds." When the aggregate amount of Excess Proceeds exceeds \$100,000,000, the Company shall make an offer to all Holders of the Notes and to the holders of the *Pari Passu* Indebtedness in accordance with Section 3.09 hereof, to purchase the maximum aggregate principal amount of the Notes and such *Pari Passu* Indebtedness that is in an amount equal to at least \$2,000, that may be purchased out of the Excess Proceeds at an offer price in cash in an amount equal to 100% of the principal amount thereof (or accreted value thereof, if less), plus accrued and unpaid interest, if any, to the date fixed for the closing of such offer, in accordance with the procedures set forth in this Indenture. The Company will commence an Asset Sale Offer with respect to Excess Proceeds within ten Business Days after the date that Excess Proceeds exceed \$100,000,000 by delivering the notice required pursuant to the terms of this Indenture, with a copy to the Trustee. The Company may satisfy the foregoing obligations with respect to any Net Proceeds from an Asset Sale by making an Asset Sale Offer with respect to such Net Proceeds prior to the expiration of the relevant 450 days (or such longer period provided above) or with respect to Excess Proceeds of \$100,000,000 or less in accordance with Section 3.09 hereof.

(d) To the extent that the aggregate principal amount of Notes and such *Pari Passu* Indebtedness tendered pursuant to an Asset Sale Offer is less than the Excess Proceeds, the Company may use any remaining Excess Proceeds for general corporate purposes, subject to the other covenants contained in this Indenture. If the aggregate principal amount of Notes or the *Pari Passu* Indebtedness surrendered by such holders thereof exceeds the amount of Excess Proceeds, the Trustee shall select the Notes and the Company shall select such *Pari Passu* Indebtedness to be purchased on a pro rata basis based on the accreted value or principal amount of the Notes or such *Pari Passu* Indebtedness tendered. Upon completion of any such Asset Sale Offer, the amount of Excess Proceeds that resulted in the Asset Sale Offer shall be reset to zero.

(e) Pending the final application of any Net Proceeds pursuant to this covenant, the holder of such Net Proceeds may apply such Net Proceeds temporarily to reduce Indebtedness outstanding under a revolving credit facility or otherwise invest such Net Proceeds in any manner not prohibited by this Indenture. The Company will comply with the requirements of Rule 14e-1 under the Exchange Act and any other securities laws and regulations thereunder to the extent such laws or regulations are applicable in connection with the repurchase of the Notes pursuant to an Asset Sale Offer. To the extent that the provisions of any securities laws or regulations conflict with the provisions of this Indenture, the Company will comply with the applicable securities laws and regulations and shall not be deemed to have breached its obligations under this Indenture by virtue of such compliance.

Section 4.11 *Transactions with Affiliates.*

(4) the payment of reasonable and customary fees and compensation paid to, and indemnities and reimbursements and employment and severance arrangements provided on behalf of or for the benefit of, current or former employees, directors, officers, managers, distributors or consultants of the Company, any of its direct or indirect parent companies or any of its Restricted Subsidiaries (to the extent attributable to the ownership of the Company and its Restricted Subsidiaries and related activities);

(6) any agreement as in effect as of the Issue Date, or any amendment thereto or replacement thereof (so long as any such amendment or replacement is not disadvantageous in any material respect in the good faith judgment of the board of directors of the Company to the Holders when taken as a whole as compared to the applicable agreement as in effect on the Issue Date) and any agreement with Headquarters SPV similar to the one in effect on the Issue Date entered into in connection with the refinancing or replacement of the Headquarters Financing, as modified to correspond to the terms of such refinancing or replacement;

(8) transactions with customers, clients, suppliers, contractors, joint venture partners or purchasers or sellers of goods or services that are Affiliates, in each case in the ordinary course of business and otherwise in compliance with the terms of this Indenture which are fair to the Company and its Restricted Subsidiaries, in the reasonable determination of the board of directors of the Company or the senior management thereof, or are on terms at least as favorable as might reasonably have been obtained at such time from an unaffiliated party;

(13) payments, Indebtedness and Disqualified Stock (and cancellation of any thereof) of the Company and its Restricted Subsidiaries and Preferred Stock (and cancellation of any thereof) of any Restricted Subsidiary to any future, current or former employee, director, officer, manager or consultant (or their respective Controlled Investment Affiliates or Immediate Family Members) of the Company, any of its Subsidiaries or any of its direct or indirect parent companies pursuant to any management equity plan or stock option plan or any other management or employee benefit plan or agreement or any stock subscription or shareholder agreement; and any employment agreements, stock option plans and other compensatory arrangements (and any successor plans thereto) and any supplemental executive retirement benefit plans or arrangements with any such employees, directors, officers, managers or consultants (or their respective Controlled Investment Affiliates or Immediate Family Members) that are, in each case, approved by the board of directors of the Company in good faith;

(14) investments by any of the Investors in securities of the Company or any of its Restricted Subsidiaries (and payment of reasonable out-of-pocket expenses incurred

by such Investors in connection therewith) so long as (a) the investment is being offered generally to other investors on the same or more favorable terms and (b) the investment constitutes less than 5.0% of the proposed or outstanding issue amount of such class of securities;

Section 4.12 *Liens.*

The Company will not, and will not permit any Subsidiary Guarantor to, directly or indirectly, create, incur, assume or permit any Lien (except Permitted Liens) that secures Obligations under any Indebtedness or any related guarantee of Indebtedness, upon any asset or property of the Company or any Subsidiary Guarantor, whether now or hereafter acquired.

provided, however, in the case clauses (1) and (2) above, that neither Holdings nor the Company shall be required to preserve any such right, license or franchise, or the corporate, partnership or other existence of any of its Subsidiaries, if Holdings or the Company shall determine that the preservation thereof is no longer desirable in the conduct of the business of Holdings, the Company and their Subsidiaries, taken as a whole.

Section 4.15 *Offer to Repurchase Upon Change of Control.*

(a) Upon the occurrence of a Change of Control, unless the Company has previously or concurrently delivered a redemption notice with respect to all the outstanding Notes as described under Section 3.07 hereof and all conditions precedent applicable to such redemption notice have been satisfied, the Company will make an offer to purchase all of the Notes pursuant to the offer described below (the “*Change of Control Offer*”) at a price in cash (the “*Change of Control Payment*”) equal to 101% of the aggregate principal amount thereof plus accrued and unpaid interest, if any, to the date of purchase, subject to the right of Holders of the Notes of record on the relevant record date to receive interest due on the relevant interest payment date. Within 30 days following any Change of Control, the Company will deliver notice of such Change of Control Offer by electronic transmission or by first-class mail, with a copy to the Trustee, to each Holder of Notes to the address of such Holder appearing in the security register or otherwise in accordance with applicable procedures, with the following information:

(6) that Holders will be entitled to withdraw their tendered Notes and their election to require the Company to purchase such Notes; *provided* that the paying agent receives, not later than the close of business on the expiration date of the Change of Control Offer, a facsimile transmission, electronic transmission or letter setting forth the name of the Holder of the Notes, the principal amount of Notes tendered for purchase, and a statement that such Holder is withdrawing its tendered Notes and its election to have such Notes purchased;

(7) that Holders whose Notes are being purchased only in part will be issued new Notes and such new Notes will be equal in principal amount to the unpurchased portion of the Notes surrendered. The unpurchased portion of the Notes must be equal to at least \$2,000 or any integral multiple of \$1,000 in excess thereof;

(8) if such notice is delivered prior to the occurrence of a Change of Control, stating that the Change of Control Offer is conditional on the occurrence of such Change of Control; and

(9) the other instructions, as determined by the Company, consistent with this Section 4.15, that a Holder must follow.

(b) The Company will comply with the requirements of Rule 14e-1 under the Exchange Act and any other securities laws and regulations thereunder to the extent such laws or regulations are applicable in connection with the repurchase of Notes pursuant to a Change of Control Offer. To the extent that the provisions of any securities laws or regulations conflict with the provisions of this Indenture, the Company will comply with the applicable securities laws and regulations and shall not be deemed to have breached its obligations under this Indenture by virtue of such compliance.

(c) On the Change of Control Payment Date, the Company will, to the extent permitted by law:

(1) accept for payment all Notes issued by it or portions thereof properly tendered pursuant to the Change of Control Offer;

(2) deposit with the Paying Agent an amount equal to the aggregate Change of Control Payment in respect of all Notes or portions thereof so tendered; and

(3) deliver, or cause to be delivered, to the Trustee for cancellation the Notes so accepted together with an Officer's Certificate to the Trustee stating that such Notes or portions thereof have been tendered to and purchased by the Company.

The Paying Agent will promptly mail (but in any case not later than five days after the Change of Control Payment Date) to each Holder of Notes properly tendered the Change of Control Payment for such Notes, and the Trustee will promptly authenticate and mail (or cause to be transferred by book entry) to each Holder a new Note equal in principal amount to any

unpurchased portion of the Notes surrendered, if any. The Company will publicly announce the results of the Change of Control Offer on or as soon as practicable after the Change of Control Payment Date.

(d) The Company will not be required to make a Change of Control Offer following a Change of Control if a third party makes the Change of Control Offer in the manner, at the times and otherwise in compliance with the requirements set forth in this Indenture applicable to a Change of Control Offer made by the Company and purchases all Notes validly tendered and not withdrawn under such Change of Control Offer.

(e) Notwithstanding anything to the contrary herein, a Change of Control Offer may be made in advance of a Change of Control, conditional upon such Change of Control, if a definitive agreement is in place for the Change of Control at the time of making of the Change of Control Offer.

Section 4.16 *Covenant Suspension.*

(a) If on any date following the Issue Date (i) the Notes have Investment Grade Ratings from two Rating Agencies and (ii) no Default has occurred and is continuing under this Indenture (the occurrence of the events described in the foregoing clauses (i) and (ii) being collectively referred to as a “*Covenant Suspension Event*”), the Company and its Restricted Subsidiaries will not be subject to Section 4.07, Section 4.08, Section 4.09, Section 4.10, Section 4.11, Section 4.17 and clause (4) of Section 5.01(a) hereof (collectively, the “*Suspended Covenants*”).

(b) In the event that the Company and its Restricted Subsidiaries are not subject to the Suspended Covenants under this Indenture for any period of time as a result of the foregoing, and on any subsequent date (the “*Reversion Date*”) two or more Rating Agencies have withdrawn their Investment Grade Rating or assigned to the Notes a rating below an Investment Grade Rating, then the Company and its Restricted Subsidiaries will thereafter again be subject to the Suspended Covenants under this Indenture with respect to future events.

(c) The period of time between the occurrence of a Covenant Suspension Event and the Reversion Date is referred to in this description as the “*Suspension Period*.” Additionally, upon the occurrence of a Covenant Suspension Event, the amount of Excess Proceeds from Net Proceeds shall be reset to zero. In the event of any such reinstatement, no action taken or omitted to be taken by the Company or any of its Restricted Subsidiaries prior to such reinstatement will give rise to a Default or Event of Default under this Indenture with respect to Notes; *provided* that (1) with respect to Restricted Payments made after any such reinstatement, the amount of Restricted Payments made will be calculated as though Section 4.07 hereof had been in effect prior to, but not during the Suspension Period (*provided* that any Subsidiaries designated as Unrestricted Subsidiaries during the Suspension Period shall automatically become Restricted Subsidiaries on the Reversion Date (subject to the Company’s right to subsequently designate them as Unrestricted Subsidiaries in compliance with Article 4 hereof) and (2) all Indebtedness incurred, or Disqualified Stock or Preferred Stock issued, during the Suspension Period will be classified as having been incurred or issued pursuant to clause (3) of Section 4.09(b) hereof.

(d) The Company shall provide a written notice to the Trustee upon the occurrence of a Covenant Suspension Event or a Reversion Date.

Section 4.17 *Limitation on Guarantees of Indebtedness by Restricted Subsidiaries.*

The Company will not permit any of its Restricted Subsidiaries, other than a Subsidiary Guarantor, or a Securitization Subsidiary, to guarantee the payment of any Indebtedness of the Company or any other Guarantor under the Senior Credit Facilities, any Additional First Lien Obligations, any Junior Lien Obligations or any capital markets debt securities of the Company or any Guarantor, unless such Restricted Subsidiary within 30 days executes and delivers a supplemental indenture to this Indenture providing for a Guarantee by such Restricted Subsidiary. The Company may elect, in its sole discretion, to cause any Subsidiary that is not otherwise required to be a Guarantor to become a Guarantor, in which case such Subsidiary shall not be required to comply with the 30 day period described above.

(B) the Fixed Charge Coverage Ratio for the Company would be greater than the Fixed Charge Coverage Ratio for the Company immediately prior to such transaction;

(5) each Guarantor, unless it is a Subsidiary Guarantor that is the other party to the transactions described above, in which case clause (1) of Section 5.01(b) hereof shall apply, shall have by supplemental indenture confirmed that its Guarantee shall apply to such Person's obligations under this Indenture, the Notes and the Security Documents; and

(6) the Company shall have delivered to the Trustee an Officer's Certificate and an Opinion of Counsel, each stating that such consolidation, merger, amalgamation or transfer and such supplemental indentures, if any, comply with this Indenture.

(b) The Successor Company will succeed to, and be substituted for the Company under this Indenture and the Notes. Notwithstanding the foregoing,

Notwithstanding clauses (3) and (4) of Section 5.01(a) hereof,

(2) Holdings may consolidate or amalgamate with or merge into the Company; *provided* that if the Company has a new direct holding company parent following such consolidation, amalgamation or consolidation that guarantees the Senior Credit Facilities, such parent company will, within 30 days of such guarantee, become a guarantor of the Notes on the same terms as Holdings.

Section 5.02 *Successor Corporation Substituted.*

Upon any consolidation or merger, or any sale, assignment, transfer, lease, conveyance or other disposition of all or substantially all of the properties or assets of the Company in a transaction that is subject to, and that complies with the provisions of, Section 5.01 hereof, the successor Person formed by such consolidation or into or with which the Company is merged or

to which such sale, assignment, transfer, lease, conveyance or other disposition is made shall succeed to, and be substituted for (so that from and after the date of such consolidation, merger, sale, assignment, transfer, lease, conveyance or other disposition, the provisions of this Indenture referring to the "Company" shall refer instead to the successor Person and not to the Company), and may exercise every right and power of the Company under this Indenture with the same effect as if such successor Person had been named as the Company herein; *provided, however*, that the predecessor Company shall not be relieved from the obligation to pay the principal of, premium on, if any, interest, if any, on, the Notes except in the case of a sale of all of the Company's assets in a transaction that is subject to, and that complies with the provisions of, Section 5.01 hereof.

 - (A) such default either results from the failure to pay any principal of such Indebtedness at its stated final maturity (after giving effect to any applicable grace periods) or relates to an obligation other than the obligation to pay principal of any such Indebtedness at its stated final maturity and results in the holder or holders of such Indebtedness causing such Indebtedness to become due prior to its stated maturity (a "*Payment Default*"); and
 - (B) the principal amount of such Indebtedness, together with the principal amount of any other such Indebtedness in default for failure to pay principal at stated final maturity (after giving effect to any applicable grace periods), or the maturity of which has been so accelerated, aggregate \$65,000,000 or more at any one time outstanding;

(5) failure by Holdings, the Company or any Significant Subsidiary (or any group of Restricted Subsidiaries that together (determined as of the most recent consolidated financial statements of the Company for a fiscal quarter end provided as required under Section 4.03 hereof would constitute a Significant Subsidiary) to pay final judgments aggregating in excess of \$65,000,000 (net of amounts covered by insurance policies issued by reputable insurance companies), which final judgments remain unpaid, undischarged and unstayed for a period of more than 60 days after such judgment becomes final, and in the event such judgment is covered by insurance, an enforcement proceeding has been commenced by any creditor upon such judgment or decree which is not promptly stayed;

(6) the Guarantee of Holdings or any Significant Subsidiary (or any group of Restricted Subsidiaries that together (determined as of the most recent consolidated financial statements of the Company for a fiscal quarter end provided as required under Section 4.03 hereof) would constitute a Significant Subsidiary) shall for any reason cease to be in full force and effect or be declared null and void or any responsible officer of Holdings or any Subsidiary Guarantor that is a Significant Subsidiary (or the responsible officers of any group of Restricted Subsidiaries that together (as of the most recent consolidated financial statement of the Company for a fiscal quarter end) would constitute a Significant Subsidiary), as the case may be, denies in writing that it has any further liability under its Guarantee or gives written notice to such effect, other than by reason of the termination of this Indenture or the release of any such Guarantee in accordance with this Indenture;

(7) with respect to any Collateral constituting more than \$80,000,000 individually or in the aggregate, any of the Security Documents ceases to be in full force and effect, or any of the Security Documents ceases to give the holders of the Notes the Liens purported to be created thereby, or any of the Security Documents is declared null and void or Holdings, the Company or any Restricted Subsidiary denies in writing that it has any further liability under any Security Document or gives written notice to such effect (in each case (i) other than in accordance with the terms of this Indenture or the terms of the Senior Credit Facilities or the Security Documents, (ii) except to the extent that any such cessation of the Liens results from the failure of the administrative agent under the Senior Credit Facilities or the Applicable Authorized Representative, as the case may be, to maintain possession of certificates actually delivered to it representing securities pledged under the Security Documents or to file Uniform Commercial Code continuation statements, (iii) except as to Collateral consisting of real property to the extent that such losses are covered by a lender's title insurance policy and such insurer has not denied or failed to acknowledge coverage or (iv) unless waived by the requisite lenders under the Senior Credit Facilities if, after that waiver, the Company is in compliance with Article 10 hereof); *provided* that if a failure of the sort described in this clause (7) is susceptible of cure, no Event of Default shall arise under this clause (7) with respect thereto until 30 days after notice of such failure shall have been given to the Company by the Trustee or the holders of at least 30% in principal amount of the then outstanding Notes issued under this Indenture;

(8) Holdings, the Company or any Significant Subsidiary (or any group of Restricted Subsidiaries that together (determined as of the most recent consolidated financial statements of the Company for a fiscal quarter end provided as required under Section 4.03 hereof) would constitute a Significant Subsidiary) pursuant to or within the meaning of Bankruptcy Law:

(A) commences a voluntary case,

(B) consents to the entry of an order for relief against it in an involuntary case,

(C) consents to the appointment of a custodian of it or for all or substantially all of its property,

(D) makes a general assignment for the benefit of its creditors, or

(E) generally is not paying its debts as they become due; or

(9) a court of competent jurisdiction enters an order or decree under any Bankruptcy Law that:

(A) is for relief against Holdings, the Company or any Significant Subsidiary (or any group of Restricted Subsidiaries that together (determined as of the most recent consolidated financial statements for a fiscal quarter end provided as required under Section 4.03 hereof) would constitute a Significant Subsidiary) in an involuntary case;

(B) appoints a custodian of Holdings, the Company or any Significant Subsidiary (or any group of Restricted Subsidiaries that together (determined as of the most recent consolidated financial statements for a fiscal quarter end provided as required under Section 4.03 hereof) would constitute a Significant Subsidiary) or for all or substantially all of the property of Holdings, the Company or any Significant Subsidiary (or any group of Restricted Subsidiaries that together (determined as of the most recent consolidated financial statements of the Company for a fiscal quarter end provided as required under Section 4.03 hereof) would constitute a Significant Subsidiary); or

(C) orders the liquidation of Holdings, the Company or any Significant Subsidiary (or any group of Restricted Subsidiaries that together (determined as of the most recent consolidated financial statements for a fiscal quarter end provided as required under Section 4.03 hereof) would constitute a Significant Subsidiary);

and the order or decree remains unstayed and in effect for 60 consecutive days.

Section 6.02 *Acceleration.*

In the case of an Event of Default specified in clause (8) or (9) of Section 6.01 hereof, with respect to Holdings, the Company or any Significant Subsidiary (or any group of Restricted Subsidiaries that together (determined as of the most recent consolidated financial statements for a fiscal quarter end provided as required under Section 4.03 hereof) would constitute a Significant Subsidiary), all outstanding Notes will become due and payable immediately without further action or notice. If any other Event of Default occurs and is continuing, the Trustee or the Holders of at least 30% in aggregate principal amount of the then outstanding Notes may declare all the Notes to be due and payable immediately. Upon the effectiveness of such declaration, the Notes shall become due and payable immediately. The Trustee shall have no obligation to accelerate the Notes if, in the best judgment of the Trustee, acceleration is not in the best interest of the Holders of the Notes.

The Holders of a majority in aggregate principal amount of the then outstanding Notes by written notice to the Trustee may on behalf of the Holders of all of the Notes waive any existing Default and its consequences under this Indenture (except a continuing Default in the payment of interest on, premium, if any, or the principal of any Note held by a non-consenting Holder) and rescind any acceleration with respect to the Notes and its consequences (except if such rescission would conflict with any judgment of a court of competent jurisdiction). In the event of any Event of Default specified in clause (4) of Section 6.01 hereof, such Event of Default and all consequences thereof (excluding any resulting payment default, other than as a result of acceleration of the Notes) shall be annulled, waived and rescinded, automatically and without any action by the Trustee or the Holders, if within 20 days after such Event of Default arose:

- (1) the Indebtedness or guarantee that is the basis for such Event of Default has been discharged; or
- (2) holders thereof have rescinded or waived the acceleration, notice or action (as the case may be) giving rise to such Event of Default; or
- (3) the default that is the basis for such Event of Default has been cured.

Section 6.03 *Other Remedies.*

If an Event of Default occurs and is continuing, the Trustee may pursue any available remedy to collect the payment of principal of, premium on, if any, or interest, if any, on the Notes or to enforce the performance of any provision of the Notes or this Indenture.

The Trustee may maintain a proceeding even if it does not possess any of the Notes or does not produce any of them in the proceeding. A delay or omission by the Trustee or any Holder of a Note in exercising any right or remedy accruing upon an Event of Default shall not impair the right or remedy or constitute a waiver of or acquiescence in the Event of Default. All remedies are cumulative to the extent permitted by law.

Section 6.04 *Waiver of Past Defaults.*

The Holders of a majority in aggregate principal amount of the then outstanding Notes by written notice to the Trustee may, on behalf of the Holders of all of the Notes waive any existing Default or Event of Default and its consequences hereunder, except a continuing Default or Event of Default in the payment of principal of, premium on, if any, or interest, if any, on, the Notes (including in connection with an offer to purchase); *provided, however*, that the Holders of a majority in aggregate principal amount of the then outstanding Notes may rescind an acceleration and its consequences, including any related payment default that resulted from such acceleration. Upon any such waiver, such Default shall cease to exist, and any Event of Default arising therefrom shall be deemed to have been cured for every purpose of this Indenture; but no such waiver shall extend to any subsequent or other Default or impair any right consequent thereon.

Section 6.05 *Control by Majority.*

Holders of a majority in aggregate principal amount of the then outstanding Notes may direct the time, method and place of conducting any proceeding for exercising any remedy available to the Trustee or exercising any trust or power conferred on it. However, the Trustee may refuse to follow any direction that conflicts with law or this Indenture or that the Trustee determines is unduly prejudicial to the rights of other Holders of Notes or that would involve the Trustee in personal liability.

Section 6.06 *Limitation on Suits.*

Except to enforce the right to receive payment of principal, premium (if any) or interest when due, no Holder of a Note may pursue any remedy with respect to this Indenture or the Notes unless:

- (1) such Holder has previously given the Trustee written notice that an Event of Default is continuing;
- (2) Holders of at least 30% in aggregate principal amount of the then outstanding Notes make a written request to the Trustee to pursue the remedy;
- (3) Holders of the Notes have offered the Trustee security or indemnity reasonably satisfactory to it against any loss, liability or expense;
- (4) the Trustee has not complied with such request within 60 days after the receipt thereof and the offer of security or indemnity; and
- (5) Holders of a majority in aggregate principal amount of the then total outstanding Notes have not given the Trustee a direction inconsistent with such request within such 60-day period.

A Holder of a Note may not use this Indenture to prejudice the rights of another Holder of a Note or to obtain a preference or priority over another Holder of a Note (it being understood that the Trustee does not have an affirmative duty to ascertain whether or not such actions or forbearance are unduly prejudicial to such Holders).

Section 6.07 Rights of Holders of Notes to Receive Payment.

Notwithstanding any other provision of this Indenture, the right of any Holder of a Note to receive payment of principal of, premium on, if any, or interest, if any, on the Note, on or after the respective due dates expressed in the Note (including in connection with an offer to purchase), or to bring suit for the enforcement of any such payment on or after such respective dates, shall not be impaired or affected without the consent of such Holder; *provided* that a Holder shall not have the right to institute any such suit for the enforcement of payment if and to the extent that the institution or prosecution thereof or the entry of judgment therein would, under applicable law, result in the surrender, impairment, waiver or loss of the Lien of this Indenture upon any property subject to such Lien.

Section 6.08 Collection Suit by Trustee.

If an Event of Default specified in Section 6.01(1) or (2) hereof occurs and is continuing, the Trustee is authorized to recover judgment in its own name and as trustee of an express trust against the Company for the whole amount of principal of, premium on, if any, and interest, if any, remaining unpaid on the Notes and interest on overdue principal and, to the extent lawful, interest and such further amount as shall be sufficient to cover the costs and expenses of collection, including the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel.

Section 6.09 Trustee May File Proofs of Claim.

The Trustee is authorized to file such proofs of claim and other papers or documents as may be necessary or advisable in order to have the claims of the Trustee (including any claim for the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel) and the Holders of the Notes allowed in any judicial proceedings relative to the Company (or any other obligor upon the Notes), its creditors or its property and shall be entitled and empowered to collect, receive and distribute any money or other property payable or deliverable on any such claims and any custodian in any such judicial proceeding is hereby authorized by each Holder to make such payments to the Trustee, and in the event that the Trustee shall consent to the making of such payments directly to the Holders, to pay to the Trustee any amount due to it for the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, and any other amounts due the Trustee under Section 7.06 hereof. To the extent that the payment of any such compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, and any other amounts due the Trustee under Section 7.06 hereof out of the estate in any such proceeding, shall be denied for any reason, payment of the same shall be secured by a Lien on, and shall be paid out of, any and all distributions, dividends, money, securities and other properties that the Holders may be entitled to receive in such proceeding whether in liquidation or under any plan of reorganization or arrangement or otherwise. Nothing herein contained shall be deemed to authorize the Trustee to authorize or consent to or accept or adopt on behalf of any Holder any plan of reorganization, arrangement, adjustment or composition affecting the Notes or the rights of any Holder, or to authorize the Trustee to vote in respect of the claim of any Holder in any such proceeding.

Section 6.10 *Priorities.*

If the Trustee collects any money pursuant to this Article 6, it shall pay out the money in the following order:

First: to the Trustee (acting in any capacity hereunder or in connection herewith, including, without limitation, in its capacity as Collateral Agent), its agents and attorneys for amounts due under Section 7.06 hereof, including payment of all compensation, expenses and liabilities incurred, and all advances made, by the Trustee and the costs and expenses of collection;

Second: to Holders of Notes for amounts due and unpaid on the Notes for principal, premium, if any, and interest, if any, ratably, without preference or priority of any kind, according to the amounts due and payable on the Notes for principal, premium, if any, and interest, if any, respectively; and

Third: to the Company or to such party as a court of competent jurisdiction shall direct.

The Trustee may fix a record date and payment date for any payment to Holders of Notes pursuant to this Section 6.10.

Section 6.11 *Undertaking for Costs.*

In any suit for the enforcement of any right or remedy under this Indenture or in any suit against the Trustee for any action taken or omitted by it as a Trustee, a court in its discretion may require the filing by any party litigant in the suit of an undertaking to pay the costs of the suit, and the court in its discretion may assess reasonable costs, including reasonable attorneys' fees and expenses, against any party litigant in the suit, having due regard to the merits and good faith of the claims or defenses made by the party litigant. This Section 6.11 does not apply to a suit by the Trustee, a suit by a Holder of a Note pursuant to Section 6.07 hereof, or a suit by Holders of more than 10% in aggregate principal amount of the then outstanding Notes.

ARTICLE 7
TRUSTEE

Section 7.01 *Duties of Trustee.*

(a) If an Event of Default has occurred and is continuing, the Trustee will exercise such of the rights and powers vested in it by this Indenture, and use the same degree of care and skill in its exercise, as a prudent person would exercise or use under the circumstances in the conduct of such person's own affairs.

(b) Except during the continuance of an Event of Default:

(1) the duties of the Trustee will be determined solely by the express provisions of this Indenture and the Trustee need perform only those duties that are specifically set forth in this Indenture and no others, and no implied covenants or obligations shall be read into this Indenture against the Trustee; and

(2) in the absence of bad faith on its part, the Trustee may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions furnished to the Trustee and conforming to the requirements of this Indenture. However, the Trustee will examine the certificates and opinions to determine whether or not they conform to the requirements of this Indenture (but need not confirm or investigate the accuracy of mathematical calculations or other facts stated therein).

(c) The Trustee may not be relieved from liabilities for its own negligent action, its own negligent failure to act, or its own willful misconduct, except that:

(1) this paragraph does not limit the effect of paragraph (b) of this Section 7.01;

(2) the Trustee will not be liable for any error of judgment made in good faith by a Responsible Officer, unless it is proved that the Trustee was negligent in ascertaining the pertinent facts; and

(3) the Trustee will not be liable with respect to any action it takes or omits to take in good faith in accordance with a direction received by it pursuant to Section 6.05 hereof.

(d) Whether or not therein expressly so provided, every provision of this Indenture that in any way relates to the Trustee is subject to paragraphs (a), (b), and (c) of this Section 7.01.

(e) No provision of this Indenture will require the Trustee to expend or risk its own funds or incur any liability. The Trustee will be under no obligation to exercise any of its rights or powers under this Indenture at the request of any Holders, unless such Holder has offered to the Trustee security and indemnity satisfactory to it against any loss, liability or expense.

(f) The Trustee will not be liable for interest on any money received by it except as the Trustee may agree in writing with the Company. Money held in trust by the Trustee need not be segregated from other funds except to the extent required by law.

Section 7.02 *Rights of Trustee.*

(a) The Trustee may conclusively rely upon any document believed by it to be genuine and to have been signed or presented by the proper Person. The Trustee need not investigate any fact or matter stated in the document.

(b) Before the Trustee acts or refrains from acting, it may require an Officer's Certificate or an Opinion of Counsel or both. The Trustee will not be liable for any action it

takes or omits to take in good faith in reliance on such Officer's Certificate or Opinion of Counsel. The Trustee may consult with counsel of its selection and the advice of such counsel or any Opinion of Counsel will be full and complete authorization and protection from liability in respect of any action taken, suffered or omitted by it hereunder in good faith and in reliance thereon.

(c) The Trustee may act through its attorneys and agents and will not be responsible for the misconduct or negligence of any agent appointed with due care.

(d) The Trustee will not be liable for any action it takes or omits to take in good faith that it believes to be authorized or within the rights or powers conferred upon it by this Indenture.

(e) Unless otherwise specifically provided in this Indenture, any demand, request, direction or notice from the Company will be sufficient if signed by an Officer of the Company.

(f) The Trustee will be under no obligation to exercise any of the rights or powers vested in it by this Indenture at the request or direction of any of the Holders unless such Holders have offered to the Trustee indemnity or security satisfactory to the Trustee against the losses, liabilities and expenses that might be incurred by it in compliance with such request or direction.

(g) In no event shall the Trustee be responsible or liable for special, indirect, punitive or consequential loss or damage of any kind whatsoever (including, but not limited to, loss of profit) irrespective of whether the Trustee has been advised of the likelihood of such loss or damage and regardless of the form of action.

(h) The Trustee shall not be deemed to have notice of any Default or Event of Default unless a Responsible Officer of the Trustee has actual knowledge thereof or unless written notice of any event which is in fact such a default is received by the Trustee at the Corporate Trust Office of the Trustee, and such notice references the Notes and this Indenture.

(i) The rights, privileges, protections, immunities and benefits given to the Trustee, including, without limitation, its right to be indemnified, are extended to, and shall be enforceable by, the Trustee in each of its capacities hereunder, the Collateral Agent and each agent, custodian and other Person employed to act hereunder.

(j) The Trustee shall not be required to give any bond or surety in respect of the performance of its powers and duties hereunder.

(k) The Trustee may request that the Company deliver a certificate setting forth the names of individuals and/or titles of officers authorized at such time to take specified actions pursuant to this Indenture.

(l) The Company will not, nor will the Trustee (in any of its capacities hereunder), have any responsibility or liability for any actions taken or not taken by DTC.

Section 7.03 *Individual Rights of Trustee.*

The Trustee in its individual or any other capacity may become the owner or pledgee of Notes and may otherwise deal with the Company or any Affiliate of the Company with the same rights it would have if it were not Trustee. However, in the event that the Trustee acquires any conflicting interest it must eliminate such conflict within 90 days or resign. Any Agent may do the same with like rights and duties. The Trustee is also subject to Section 7.09 hereof.

Section 7.04 *Trustee's Disclaimer.*

The Trustee will not be responsible for and makes no representation as to the validity or adequacy of this Indenture or the Notes, it shall not be accountable for the Company's use of the proceeds from the Notes or any money paid to the Company or upon the Company's direction under any provision of this Indenture, it will not be responsible for the use or application of any money received by any Paying Agent other than the Trustee, and it will not be responsible for any statement or recital herein or any statement in the Notes or any other document in connection with the sale of the Notes or pursuant to this Indenture other than its certificate of authentication.

Section 7.05 *Notice of Defaults.*

If a Default or Event of Default occurs and is continuing and if it is actually known to the Trustee, the Trustee will mail to Holders of Notes a notice of the Default or Event of Default within 90 days after it occurs. Except in the case of a Default or Event of Default in payment of principal of, premium on, if any, or interest, if any, on, any Note, the Trustee may withhold the notice if and so long as it determines that withholding the notice is in the interests of the Holders of the Notes.

Section 7.06 *Compensation and Indemnity.*

(a) The Company will pay to the Trustee from time to time such compensation for its acceptance of this Indenture and services hereunder as mutually agreed to in writing. The Trustee's compensation will not be limited by any law on compensation of a trustee of an express trust. The Company will reimburse the Trustee promptly upon request for all reasonable disbursements, advances and expenses incurred or made by it in addition to the compensation for its services. Such expenses will include the reasonable compensation, disbursements and expenses of the Trustee's agents and counsel.

(b) The Company and the Guarantors will indemnify the Trustee against any and all losses, liabilities or expenses incurred by it arising out of or in connection with the acceptance or administration of its duties under this Indenture, including the costs and expenses of enforcing this Indenture against the Company and the Guarantors (including this Section 7.06) and defending itself against any claim (whether asserted by the Company, the Guarantors, any Holder or any other Person) or liability in connection with the exercise or performance of any of its powers or duties hereunder, except to the extent any such loss, liability or expense may be attributable to its negligence or bad faith. The Trustee will notify the Company promptly of any claim for which it may seek indemnity. Failure by the Trustee to so notify the Company will not relieve the Company or any of the Guarantors of their obligations hereunder. The Company or such Guarantor will defend the claim and the Trustee will cooperate in the defense. The Trustee

may have separate counsel of its choosing and the Company will pay the reasonable fees and expenses of such counsel. Neither the Company nor any Guarantor need pay for any settlement made without its consent, which consent will not be unreasonably withheld.

(c) The obligations of the Company and the Guarantors under this Section 7.06 will survive the satisfaction and discharge of this Indenture.

(d) To secure the Company's and the Guarantors' payment obligations in this Section 7.06, the Trustee will have a Lien prior to the Notes on all money or property held or collected by the Trustee, except that held in trust to pay principal of, premium on, if any, or interest, if any, on, particular Notes. Such Lien will survive the satisfaction and discharge of this Indenture.

(e) When the Trustee incurs expenses or renders services after an Event of Default specified in clause (8) or (9) of Section 6.01 hereof occurs, the expenses and the compensation for the services (including the fees and expenses of its agents and counsel) are intended to constitute expenses of administration under any Bankruptcy Law.

Section 7.07 Replacement of Trustee.

(a) A resignation or removal of the Trustee and appointment of a successor Trustee will become effective only upon the successor Trustee's acceptance of appointment as provided in this Section 7.07.

(b) The Trustee may resign in writing at any time and be discharged from the trust hereby created by so notifying the Company. The Holders of a majority in aggregate principal amount of the then outstanding Notes may remove the Trustee by so notifying the Trustee and the Company in writing. The Company may remove the Trustee if:

- (1) the Trustee fails to comply with Section 7.09 hereof;
- (2) the Trustee is adjudged a bankrupt or an insolvent or an order for relief is entered with respect to the Trustee under any Bankruptcy Law;
- (3) a custodian or public officer takes charge of the Trustee or its property; or
- (4) the Trustee becomes incapable of acting.

(c) If the Trustee resigns or is removed or if a vacancy exists in the office of Trustee for any reason, the Company will promptly appoint a successor Trustee. Within one year after the successor Trustee takes office, the Holders of a majority in aggregate principal amount of the then outstanding Notes may appoint a successor Trustee to replace the successor Trustee appointed by the Company.

(d) If a successor Trustee does not take office within 60 days after the retiring Trustee resigns or is removed, the retiring Trustee, the Company, or the Holders of at least 10% in aggregate principal amount of the then outstanding Notes may petition any court of competent jurisdiction at the expense of the Company for the appointment of a successor Trustee.

(e) If the Trustee, after written request by any Holder who has been a Holder for at least six months, fails to comply with Section 7.09 hereof, such Holder may petition any court of competent jurisdiction for the removal of the Trustee and the appointment of a successor Trustee.

(f) A successor Trustee will deliver a written acceptance of its appointment to the retiring Trustee and to the Company. Thereupon, the resignation or removal of the retiring Trustee will become effective, and the successor Trustee will have all the rights, powers and duties of the Trustee under this Indenture. The successor Trustee will mail a notice of its succession to Holders. The retiring Trustee will promptly transfer all property held by it as Trustee to the successor Trustee; *provided* all sums owing to the Trustee hereunder have been paid and subject to the Lien provided for in Section 7.06 hereof. Notwithstanding replacement of the Trustee pursuant to this Section 7.07, the Company's obligations under Section 7.06 hereof will continue for the benefit of the retiring Trustee. The retiring Trustee shall have no responsibility or liability for the action or inaction of any successor Trustee.

Section 7.08 *Successor Trustee by Merger, etc.*

If the Trustee consolidates, merges or converts into, or transfers all or substantially all of its corporate trust business to, another corporation, the successor corporation without any further act will be the successor Trustee.

Section 7.09 *Eligibility; Disqualification.*

There will at all times be a Trustee hereunder that is a corporation organized and doing business under the laws of the United States of America or of any state thereof that is authorized under such laws to exercise corporate trustee power, that is subject to supervision or examination by federal or state authorities and that has a combined capital and surplus of at least \$50,000,000 as set forth in its most recent published annual report of condition.

ARTICLE 8 LEGAL DEFEASANCE AND COVENANT DEFEASANCE

Section 8.01 *Option to Effect Legal Defeasance or Covenant Defeasance.*

The Company may, at its option and at any time, elect to have either Section 8.02 or 8.03 hereof be applied to all outstanding Notes upon compliance with the conditions set forth below in this Article 8.

Section 8.02 *Legal Defeasance and Discharge.*

Upon the Company's exercise under Section 8.01 hereof of the option applicable to this Section 8.02, the Company and each of the Guarantors will, subject to the satisfaction of the conditions set forth in Section 8.04 hereof, be deemed to have been discharged from their obligations with respect to all outstanding Notes (including the Guarantees) on the date the conditions set forth below are satisfied (hereinafter, "*Legal Defeasance*"). For this purpose, Legal Defeasance means that the Company and the Guarantors will be deemed to have paid and discharged the entire Indebtedness represented by the outstanding Notes (including the Guarantees), which will thereafter be deemed to be "outstanding" only for the purposes of

Section 8.05 hereof and the other Sections of this Indenture referred to in clauses (1) and (4) below, and to have satisfied all their other obligations under such Notes, the Guarantees and this Indenture (and the Trustee, on demand of and at the expense of the Company, shall execute proper instruments acknowledging the same), except for the following provisions which will survive until otherwise terminated or discharged hereunder:

- (1) the rights of Holders of outstanding Notes to receive payments in respect of the principal of, premium on, if any, or interest, if any, on such Notes when such payments are due from the trust referred to in Section 8.04 hereof;
- (2) the Company's obligations with respect to such Notes under Article 2 and Section 4.02 hereof;
- (3) the rights, powers, trusts, duties and immunities of the Trustee hereunder and the Company's and the Guarantors' obligations in connection therewith; and
- (4) this Article 8.

Subject to compliance with this Article 8, the Company may exercise its option under this Section 8.02 notwithstanding the prior exercise of its option under Section 8.03 hereof.

Section 8.03 *Covenant Defeasance.*

Upon the Company's exercise under Section 8.01 hereof of the option applicable to this Section 8.03, the Company and each of the Guarantors will, subject to the satisfaction of the conditions set forth in Section 8.04 hereof, be released from each of their obligations under the covenants contained in Sections 4.03, 4.05, 4.07, 4.08, 4.09, 4.10, 4.11, 4.12, 4.13, 4.15, 4.16, 4.17 and 5.01 hereof and Article 10 hereof with respect to the outstanding Notes on and after the date the conditions set forth in Section 8.04 hereof are satisfied (hereinafter, "*Covenant Defeasance*"), and the Notes will thereafter be deemed not "outstanding" for the purposes of any direction, waiver, consent or declaration or act of Holders (and the consequences of any thereof) in connection with such covenants, but will continue to be deemed "outstanding" for all other purposes hereunder (it being understood that such Notes will not be deemed outstanding for accounting purposes). For this purpose, *Covenant Defeasance* means that, with respect to the outstanding Notes and Guarantees, the Company and the Guarantors may omit to comply with and will have no liability in respect of any term, condition or limitation set forth in any such covenant, whether directly or indirectly, by reason of any reference elsewhere herein to any such covenant or by reason of any reference in any such covenant to any other provision herein or in any other document and such omission to comply will not constitute a Default or an Event of Default under Section 6.01 hereof, but, except as specified above, the remainder of this Indenture and such Notes and Guarantees will be unaffected thereby. In addition, upon the Company's exercise under Section 8.01 hereof of the option applicable to this Section 8.03, subject to the satisfaction of the conditions set forth in Section 8.04 hereof, Sections 6.01(3), (4), (5), (6) and (7) hereof will not constitute Events of Default.

In order to exercise either Legal Defeasance or Covenant Defeasance under either Section 8.02 or 8.03 hereof:

(1) the Company must irrevocably deposit with the Trustee, in trust, for the benefit of the Holders, cash in U.S. dollars, U.S. dollar-denominated Government Securities, or a combination thereof, in such amounts as will be sufficient, in the opinion of a nationally recognized investment bank, appraisal firm, or firm of independent public accountants, to pay the principal of, premium, if any, on and interest, if any, on the outstanding Notes on the stated date for payment thereof or on the applicable redemption date, as the case may be, and the Company must specify whether the Notes are being defeased to such stated date for payment or to a particular redemption date;

(2) in the case of an election under Section 8.02 hereof, the Company must deliver to the Trustee an Opinion of Counsel reasonably acceptable to the Trustee confirming that, subject to customary assumptions and exclusions:

(A) the Company has received from, or there has been published by, the Internal Revenue Service a ruling; or

(B) since the date of this Indenture, there has been a change in the applicable federal income tax law,

in either case to the effect that, and based thereon such Opinion of Counsel shall confirm that, subject to customary assumptions and exclusions, the Holders of the outstanding Notes will not recognize income, gain or loss for federal income tax purposes as a result of such Legal Defeasance and will be subject to federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such Legal Defeasance had not occurred;

(3) in the case of an election under Section 8.03 hereof, the Company must deliver to the Trustee an Opinion of Counsel reasonably acceptable to the Trustee confirming that, subject to customary assumptions and exclusions, the Holders of the outstanding Notes will not recognize income, gain or loss for federal income tax purposes as a result of such Covenant Defeasance and will be subject to federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such Covenant Defeasance had not occurred;

(4) no Default (other than that resulting from borrowing funds to be applied to make such deposit and any similar and simultaneous deposit relating to other Indebtedness and, in each case, the granting of Liens in connection therewith) shall have occurred and be continuing on the date of such deposit;

(5) such Legal Defeasance or Covenant Defeasance will not result in a breach or violation of, or constitute a default under the Senior Credit Facilities, or any other material agreement or instrument (other than this Indenture) to which, the Company or any Guarantor is a party or by which the Company or any Guarantor is bound (other than

that resulting from any borrowing of funds to be applied to make the deposit required to effect such Legal Defeasance or Covenant Defeasance and any similar and simultaneous deposit relating to other Indebtedness, and, in each case, the granting of Liens in connection therewith);

(6) the Company must deliver to the Trustee an Opinion of Counsel to the effect that, as of the date of such opinion and subject to customary assumptions and exclusions following the deposit, the trust funds will not be subject to the effect of Section 547 of Title 11 of the United States Code;

(7) the Company must deliver to the Trustee an Officer's Certificate stating that the deposit was not made by the Company with the intent of defeating, hindering, delaying or defrauding any creditors of the Company or any Guarantor or others; and

(8) the Company must deliver to the Trustee an Officer's Certificate and an Opinion of Counsel (which Opinion of Counsel may be subject to customary assumptions and exclusions) each stating that all conditions precedent provided for or relating to the Legal Defeasance or the Covenant Defeasance, as the case may be, have been complied with.

Section 8.05 Deposited Money and Government Securities to be Held in Trust; Other Miscellaneous Provisions.

Subject to Section 8.06 hereof, all money and Government Securities (including the proceeds thereof) deposited with the Trustee (or other qualifying trustee, collectively for purposes of this Section 8.05, the "Trustee") pursuant to Section 8.04 hereof in respect of the outstanding Notes will be held in trust and applied by the Trustee, in accordance with the provisions of such Notes and this Indenture, to the payment, either directly or through any Paying Agent (including the Company acting as Paying Agent) as the Trustee may determine, to the Holders of such Notes of all sums due and to become due thereon in respect of principal, premium, if any, and interest, if any, but such money need not be segregated from other funds except to the extent required by law.

The Company will pay and indemnify the Trustee against any tax, fee or other charge imposed on or assessed against the cash or Government Securities deposited pursuant to Section 8.04 hereof or the principal and interest received in respect thereof other than any such tax, fee or other charge which by law is for the account of the Holders of the outstanding Notes.

Notwithstanding anything in this Article 8 to the contrary, the Trustee will deliver or pay to the Company from time to time upon the request of the Company any money or Government Securities held by it as provided in Section 8.04 hereof which, in the opinion of a nationally recognized firm of independent public accountants expressed in a written certification thereof delivered to the Trustee (which may be the opinion delivered under Section 8.04(1) hereof), are in excess of the amount thereof that would then be required to be deposited to effect an equivalent Legal Defeasance or Covenant Defeasance.

Section 8.06 *Repayment to Company.*

Any money deposited with the Trustee or any Paying Agent, or then held by the Company, in trust for the payment of the principal of, premium on, if any, or interest, if any, on any Note and remaining unclaimed for two years after such principal, premium, if any, or interest, if any, has become due and payable shall be paid to the Company on its request or (if then held by the Company) will be discharged from such trust; and the Holder of such Note will thereafter be permitted to look only to the Company for payment thereof, and all liability of the Trustee or such Paying Agent with respect to such trust money, and all liability of the Company as trustee thereof, will thereupon cease.

Section 8.07 *Reinstatement.*

If the Trustee or Paying Agent is unable to apply any U.S. dollars or Government Securities in accordance with Section 8.02 or 8.03 hereof, as the case may be, by reason of any order or judgment of any court or governmental authority enjoining, restraining or otherwise prohibiting such application, then the Company's and the Guarantors' obligations under this Indenture and the Notes and the Guarantees will be revived and reinstated as though no deposit had occurred pursuant to Section 8.02 or 8.03 hereof until such time as the Trustee or Paying Agent is permitted to apply all such money in accordance with Section 8.02 or 8.03 hereof, as the case may be; *provided, however*, that, if the Company makes any payment of principal of, premium on, if any, or interest, if any, on, any Note following the reinstatement of its obligations, the Company will be subrogated to the rights of the Holders of such Notes to receive such payment from the money held by the Trustee or Paying Agent.

ARTICLE 9
AMENDMENT, SUPPLEMENT AND WAIVER

Section 9.01 *Without Consent of Holders of Notes.*

Notwithstanding Section 9.02 of this Indenture, the Company, any Guarantor (with respect to a Guarantee, this Indenture, the Intercreditor Agreement or the Security Documents to which it is a party) and the Trustee (or the Collateral Agent, as applicable) may amend or supplement this Indenture or any Guarantee, Note, Security Document, the Intercreditor Agreement or the Junior Lien Intercreditor Agreement without the consent of any Holder:

- (1) to cure any ambiguity, omission, mistake, defect or inconsistency;
- (2) to provide for uncertificated Notes of such series in addition to or in place of certificated Notes;
- (3) to comply with Section 5.01 hereof;
- (4) to provide for the assumption of the Company's or any Guarantor's obligations to the Holders;
- (5) to make any change that would provide any additional rights or benefits to the Holders or that does not materially and adversely affect the legal rights of any such Holder under this Indenture, the Notes, the Guarantee, the Security Documents, the Intercreditor Agreement or the Junior Lien Intercreditor Agreement;

(6) to add covenants for the benefit of the Holders or to surrender any right or power conferred upon the Company or any Guarantor;

(7) to evidence and provide for the acceptance and appointment under this Indenture of a successor Trustee hereunder pursuant to the requirements hereof;

(8) to provide for the issuance of Additional Notes in accordance with this Indenture or exchange notes or private exchange notes with respect hereof;

(9) to add a Guarantor under this Indenture, the Security Documents, the Intercreditor Agreement or the Junior Lien Intercreditor Agreement;

(10) to conform the text of this Indenture, Guarantees, the Intercreditor Agreement, the Junior Lien Intercreditor Agreement, the Security Documents or the Notes to any provision of the "Description of Notes" section of the Company's Offering Circular dated November 4, 2015, relating to the initial offering of the Notes, to the extent that such provision in the "Description of Notes" was intended to be a verbatim recitation of a provision of this Indenture, Guarantee, the Intercreditor Agreement, the Junior Lien Intercreditor Agreement, the Security Documents or Notes as set forth in an Officer's Certificate;

(11) to make any amendment to the provisions of this Indenture relating to the transfer and legending of Notes, including, without limitation to facilitate the issuance and administration of the Notes and to comply with applicable securities laws, including in connection with the issuance of additional notes;

(12) to add or release Collateral from, or subordinate, the Lien of this Indenture and the Security Documents when permitted or required by the Security Documents, this Indenture the Intercreditor Agreement or the Junior Lien Intercreditor Agreement;

(13) to mortgage, pledge, hypothecate or grant any other Lien in favor of the Collateral Agent for the benefit of itself, the Trustee and the Holders of the Notes, as additional security for the payment and performance of all or any portion of the Notes Obligations, on any property or assets, including any which are required to be mortgaged, pledged or hypothecated, or on which a Lien is required to be granted to or in favor of the Collateral Agent for the benefit of itself, the Trustee and the Holders of the Notes pursuant to this Indenture, any of the Security Documents or otherwise; and

(14) to add Additional First Lien Secured Parties or Junior Lien Secured Parties to any Security Documents, the Intercreditor Agreement or the Junior Lien Intercreditor Agreement.

Upon the request of the Company accompanied by a resolution of its board of directors authorizing the execution of any such amended or supplemental indenture, and upon receipt by the Trustee of the documents described in Section 7.02 hereof, the Trustee will join with the

Company and the Guarantors in the execution of any amended or supplemental indenture authorized or permitted by the terms of this Indenture and to make any further appropriate agreements and stipulations that may be therein contained, but the Trustee will not be obligated to enter into such amended or supplemental indenture that affects its own rights, duties or immunities under this Indenture or otherwise. Notwithstanding anything to the contrary herein, the Guarantors that are Guarantors at the time of the execution and delivery of any supplemental indenture, the sole purpose of which is to add one or more Guarantors, need not be a party to such supplemental indenture.

Section 9.02 With Consent of Holders of Notes.

Except as provided in this Section 9.02, the Company and the Trustee may amend or supplement this Indenture (including, without limitation, Section 3.09, 4.10 and 4.15 hereof) and the Notes and the Guarantees with the consent of the Holders of at least a majority in aggregate principal amount of the then outstanding Notes (including, without limitation, Additional Notes, if any) voting as a single class (including, without limitation, consents obtained in connection with a tender offer or exchange offer for, or purchase of, the Notes), and, subject to Sections 6.04 and 6.07 hereof, any existing Default or Event of Default (other than a Default or Event of Default in the payment of the principal of, premium on, if any, or interest, if any, on, the Notes, except a payment default resulting from an acceleration that has been rescinded) or compliance with any provision of this Indenture or the Notes or the Guarantees may be waived with the consent of the Holders of a majority in aggregate principal amount of the then outstanding Notes (including, without limitation, Additional Notes, if any) voting as a single class (including, without limitation, consents obtained in connection with a tender offer or exchange offer for, or purchase of, the Notes. Section 2.08 hereof shall determine which Notes are considered to be “outstanding” for purposes of this Section 9.02.

Upon the request of the Company accompanied by a resolution of its board of directors authorizing the execution of any such amended or supplemental indenture, and upon the filing with the Trustee of evidence satisfactory to the Trustee of the consent of the Holders of Notes as aforesaid, and upon receipt by the Trustee of the documents described in Section 7.02 hereof, the Trustee will join with the Company and the Guarantors in the execution of such amended or supplemental indenture unless such amended or supplemental indenture directly affects the Trustee’s own rights, duties or immunities under this Indenture or otherwise, in which case the Trustee may in its discretion, but will not be obligated to, enter into such amended or supplemental Indenture.

It is not necessary for the consent of the Holders of Notes under this Section 9.02 to approve the particular form of any proposed amendment, supplement or waiver, but it is sufficient if such consent approves the substance thereof.

After an amendment, supplement or waiver under this Section 9.02 becomes effective, the Company will mail to the Holders of Notes affected thereby a notice briefly describing the amendment, supplement or waiver. Any failure of the Company to mail such notice, or any defect therein, will not, however, in any way impair or affect the validity of any such amended or supplemental indenture or waiver. Subject to Sections 6.04 and 6.07 hereof, the Holders of a majority in aggregate principal amount of the Notes then outstanding voting as a single class

may waive compliance in a particular instance by the Company with any provision of this Indenture, the Notes or the Guarantees. However, without the consent of each Holder affected, an amendment, supplement or waiver under this Section 9.02 may not (with respect to any Notes held by a non-consenting Holder):

- (1) reduce the principal amount of such Notes whose Holders must consent to an amendment, supplement or waiver;
- (2) reduce the principal of or change the fixed final maturity of any such Note or alter or waive the provisions with respect to the redemption of such Notes (except as provided above with respect to Sections 3.09, 4.10 and 4.15 hereof);
- (3) reduce the rate of or change the time for payment of interest on any Note;
- (4) waive a Default in the payment of principal of or premium, if any, or interest on the Notes, except a rescission of acceleration of the Notes by the Holders of at least a majority in aggregate principal amount of the Notes and a waiver of the payment default that resulted from such acceleration, or in respect of a covenant or provision contained in this Indenture or any Guarantee which cannot be amended or modified without the consent of all Holders;
- (5) make any Note payable in money other than that stated in the Notes;
- (6) make any change in the provisions of this Indenture relating to waivers of past Defaults or the rights of Holders to receive payments of principal of or premium, if any, or interest on the Notes;
- (7) make any change in these amendment and waiver provisions;
- (8) impair the right of any Holder to receive payment of principal of, or premium, if any, or interest on such Holder's Notes on or after the due dates therefor or to institute suit for the enforcement of any payment on or with respect to such Holder's Notes;
- (9) make any change to, or modification of, the ranking of the Notes that would adversely affect the Holders; or
- (10) except as expressly permitted by this Indenture, modify the Guarantees of Holdings or any Significant Subsidiary in any manner materially adverse to the Holders of the Notes.

In addition, without the consent of at least two-thirds in aggregate principal amount of Notes then outstanding, an amendment, supplement or waiver may not modify any Security Document or the provisions of this Indenture dealing with the Security Documents or application of trust moneys in any manner, in each case, that would subordinate the Lien of the Collateral Agent to the Liens securing any other Obligations (other than as contemplated under clause (13) of Section 9.01 hereof) or otherwise release all or substantially all of the Collateral, in each case other than in accordance with this Indenture, the Security Documents and the Intercreditor Agreement.

Section 9.03 *Revocation and Effect of Consents.*

Until an amendment, supplement or waiver becomes effective, a consent to it by a Holder of a Note is a continuing consent by the Holder of a Note and every subsequent Holder of a Note or portion of a Note that evidences the same debt as the consenting Holder's Note, even if notation of the consent is not made on any Note. However, any such Holder of a Note or subsequent Holder of a Note may revoke the consent as to its Note if the Trustee receives written notice of revocation before the date the amendment, supplement or waiver becomes effective. An amendment, supplement or waiver becomes effective in accordance with its terms and thereafter binds every Holder.

Section 9.04 *Notation on or Exchange of Notes.*

The Trustee may place an appropriate notation about an amendment, supplement or waiver on any Note thereafter authenticated. The Company in exchange for all Notes may issue and the Trustee shall, upon receipt of an Authentication Order, authenticate new Notes that reflect the amendment, supplement or waiver.

Failure to make the appropriate notation or issue a new Note will not affect the validity and effect of such amendment, supplement or waiver.

Section 9.05 *Trustee to Sign Amendments, etc.*

The Trustee will sign any amended or supplemental indenture authorized pursuant to this Article 9 if the amendment or supplement does not adversely affect the rights, duties, liabilities or immunities of the Trustee. The Company may not sign an amended or supplemental indenture until the board of directors of the Company approves it. In executing any amended or supplemental indenture, the Trustee shall receive and (subject to Section 7.01 hereof) will be fully protected in conclusively relying upon, in addition to the documents required by Section 13.03 hereof, an Officer's Certificate and an Opinion of Counsel (which Opinion of Counsel may be subject to customary assumptions and exclusions) stating that the execution of such amended or supplemental indenture is authorized or permitted by this Indenture and that such amended or supplemental indenture is the legal, valid and binding obligation of the Company and the Guarantors enforceable against them in accordance with its terms.

ARTICLE 10
COLLATERAL AND SECURITY

Section 10.01 *Security Interest.*

The due and punctual payment of the principal of, premium on, if any, and interest, if any, on, the Notes when and as the same shall be due and payable, whether on an interest payment date, at maturity, by acceleration, repurchase, redemption or otherwise, and interest on the overdue principal of, premium on, if any, and interest, if any (to the extent permitted by law), on the Notes and performance of all other obligations of the Company and the Guarantors to the

Holders of Notes or the Trustee under this Indenture and the Notes (including, without limitation, the Guarantees), according to the terms hereunder or thereunder, are secured as provided in the Security Documents. Each Holder of Notes, by its acceptance thereof, consents and agrees to the terms of the Security Documents (including, without limitation, the provisions providing for foreclosure and release of Collateral), the Intercreditor Agreement and the Junior Lien Intercreditor Agreement, in each case as the same may be in effect or may be amended from time to time in accordance with its terms, and authorizes and directs the Collateral Agent to enter into the Security Documents and the Trustee and the Collateral Agent to enter into the Intercreditor Agreement and, when effective, the Junior Lien Intercreditor Agreement and to perform their respective obligations and exercise their respective rights thereunder in accordance therewith. The Trustee and the Collateral Agent, each in its capacity as an Additional Senior Class Debt Representative (under and as defined in the Intercreditor Agreement) and each Holder of the Notes acknowledges and agrees that upon the Additional Senior Class Debt Representatives' entry into the Intercreditor Joinder Agreement, the Additional Senior Class Debt Representatives and each Holder of the Notes, by its acceptance thereof, will be subject to and bound by the provisions of the Intercreditor Agreement as Additional First-Lien Secured Parties (as defined therein). The Company will deliver to the Trustee copies of all documents delivered to the Collateral Agent pursuant to the Security Documents, the Intercreditor Agreement or, when effective, the Junior Lien Intercreditor Agreement, and will do or cause to be done all such acts and things as may be necessary or proper, or as may be required by the provisions of the Security Documents, to assure and confirm to the Trustee and the Collateral Agent the security interest in the Collateral contemplated hereby, by the Security Documents or any part thereof, as from time to time constituted, so as to render the same available for the security and benefit of this Indenture and of the Notes secured hereby, according to the intent and purposes herein expressed. The Company will take, and will cause its Subsidiaries to take any and all actions reasonably required to cause the Security Documents to create and maintain, as security for the Obligations of the Company hereunder, a valid and enforceable perfected first priority Lien in and on all the Collateral, in favor of the Collateral Agent for the benefit of itself, the Trustee and the Holders of Notes, equally and ratably with all Indebtedness owing under the Senior Credit Facilities and the 2023 Notes, superior to and prior to the rights of all third Persons and subject to no other Liens than Permitted Liens.

Section 10.02 *Recording and Opinions.*

(a) The Company will furnish to the Trustee and the Collateral Agent simultaneously with the execution and delivery of this Indenture an Opinion of Counsel either:

(1) stating that, in the opinion of such counsel, upon the filing of the applicable financing statements in the office of the Secretary of State of Delaware, all action will have been taken with respect to the recording, registering and filing of this Indenture, financing statements or other instruments necessary to make effective and perfect the Lien intended to be created by the Security Documents, and reciting with respect to the security interests in the Collateral, the details of such action; or

(2) stating that, in the opinion of such counsel, no such action is necessary to make such Lien effective and/or perfected.

(b) The Company will furnish to the Collateral Agent and the Trustee on May 15 in each year beginning with May 15, 2016, an Opinion of Counsel, dated as of such date, either:

(1) (A) stating that, in the opinion of such counsel, action has been taken with respect to the recording, registering, filing, re-recording, re-registering and re-filing of all supplemental indentures, financing statements, continuation statements or other instruments of further assurance as is necessary to maintain and/or perfect the Lien of the Security Documents and reciting with respect to the security interests in the Collateral the details of such action or referring to prior Opinions of Counsel in which such details are given, and (B) stating that, in the opinion of such counsel, based on relevant laws as in effect on the date of such Opinion of Counsel, all financing statements and continuation statements have been executed and filed that are necessary as of such date and during the succeeding 12 months fully to preserve, protect and perfect, to the extent such protection, preservation and perfection are possible by filing, the rights of the Holders of Notes and the Collateral Agent and the Trustee hereunder and under the Security Documents with respect to the security interests in the Collateral;

(2) stating that, in the opinion of such counsel, no such action is necessary to maintain such Lien and assignment.

Section 10.03 *After-Acquired Property*

(a) As long as the Senior Credit Facilities have not been repaid and all commitments terminated, subject to certain exceptions provided in the Security Documents, the Company and the Guarantors shall grant to the Collateral Agent, for the benefit of itself, the Trustee and the Holders of the Notes, a lien equally and ratably with any lien granted on additional assets (other than LC Assets) to secure the holders of Indebtedness under the Senior Credit Facilities subsequent to the Issue Date.

(b) Following termination of the Senior Credit Facilities, the Company and the Guarantors shall grant to the Collateral Agent, for the benefit of itself, the Trustee and the Holders of the Notes, a lien on assets or property (other than LC Assets) acquired by the Company or a Guarantor after the Issue Date, which would have constituted Collateral had such assets and property been owned by the Company or such Guarantor on the Issue Date, as provided in the Security Documents.

Section 10.04 *Release of Collateral*

(a) As long as the Senior Credit Facilities have not been repaid and all commitments terminated, the Notes will automatically cease to be secured by Liens on the Collateral if and when those liens no longer secure the Senior Credit Facilities as provided below:

(1) the liens on any particular Collateral (but not all or substantially all of the Collateral) will be released if a release of the liens on such Collateral that secure the Senior Credit Facilities were approved by the requisite lenders under the Senior Credit Facilities (except in the context of the repayment and termination of the Senior Credit Facilities), and the consent of the Holders would not be required for such a release; and

(2) the liens on any particular Collateral (but not all or substantially all of the Collateral) will be released automatically if the lien on such Collateral that secures the Senior Credit Facilities is released pursuant to the terms of the Senior Credit Facilities (except in the context of the repayment and termination of the Senior Credit Facilities).

(b) If the Senior Credit Facilities are repaid in full and the related commitments terminated thereunder without being replaced, the Liens on the Collateral in favor of the Collateral Agent for the benefit of itself, the Trustee and the Holders of the Notes will not be released at such time, except to the extent the Collateral or any portion thereof was disposed of in order to repay the Obligations under the Senior Credit Facilities secured by the Collateral in compliance with Section 4.10 hereof. Thereafter, until any new Senior Credit Facilities are entered into, the following provisions will apply:

(1) Liens securing the Notes will be released in certain circumstances as provided for in the Security Documents and upon the receipt of an Officer's Certificate and, at the reasonable request of the Trustee and the Collateral Agent, an Opinion of Counsel certifying that all conditions precedent under this Indenture have been met, including under the following circumstances:

(A) upon payment in full of principal, interest and all other Obligations on the Notes issued under this Indenture or upon Legal Defeasance, Covenant Defeasance or satisfaction and discharge of this Indenture in accordance with Article 12 hereof;

(B) upon release of a Subsidiary Guarantee (with respect to the Liens securing such Guarantee granted by such Guarantor); or

(C) in connection with any disposition of Collateral to any Person other than the Company or any of its Restricted Subsidiaries (but excluding any transaction subject to Section 5.01(a)) that is not prohibited by this Indenture (with respect to the Lien on such Collateral).

(2) Each of these releases shall be effected by the Collateral Agent at the direction of the Trustee without the consent of the Holders. Upon receipt of such Officer's Certificate and Opinion of Counsel the Collateral Agent shall execute, deliver or acknowledge any necessary or proper instruments of termination, satisfaction or release to evidence the release of any Collateral permitted to be released pursuant to this Indenture or the Security Documents.

(c) At any time when a Default or Event of Default has occurred and is continuing and the maturity of the Notes has been accelerated (whether by declaration or otherwise) and the Trustee has delivered a notice of acceleration to the Collateral Agent, no release of Collateral pursuant to the provisions of the Security Documents will be effective as against the Holders of Notes.

(d) Neither the Company nor any of its Restricted Subsidiaries is permitted to assert that any security interest in the Collateral is not a valid and perfected security interest or to take any action, or knowingly or negligently omit to take any action, which action or omission would

have the result of impairing the security interest with respect to a material portion of the Collateral. The release of any Collateral from the terms of this Indenture and the Security Documents will not be deemed to impair the security under this Indenture in contravention of the provisions hereof if and to the extent the Collateral is released pursuant to the terms of the Security Documents thereof.

Section 10.05 Authorization of Actions to Be Taken by the Trustee Under the Security Documents.

(a) Subject to the provisions of Section 7.01 and 7.02 hereof, the Trustee may, in its sole discretion and without the consent of the Holders of Notes, direct, on behalf of the Holders of Notes, the Collateral Agent to, take all actions it deems necessary or appropriate in order to:

- (1) enforce any of the terms of the Security Documents; and
- (2) collect and receive any and all amounts payable in respect of the Obligations of the Company hereunder.

The Trustee will have power to institute and maintain such suits and proceedings as it may deem expedient to prevent any impairment of the Collateral by any acts that may be unlawful or in violation of the Security Documents or this Indenture, and such suits and proceedings as the Trustee may deem expedient to preserve or protect its interests and the interests of the Holders of Notes in the Collateral (including power to institute and maintain suits or proceedings to restrain the enforcement of or compliance with any legislative or other governmental enactment, rule or order that may be unconstitutional or otherwise invalid if the enforcement of, or compliance with, such enactment, rule or order would impair the security interest hereunder or be prejudicial to the interests of the Holders of Notes or of the Trustee).

(b) The Trustee or the Collateral Agent shall not be responsible for the existence, genuineness or value of any of the Collateral or for the validity, perfection, priority or enforceability of the Liens in any of the Collateral, whether impaired by operation of law or by reason of any action or omission to act on its part hereunder, except to the extent such action or omission constitutes negligence (or gross negligence in the case of the Collateral Agent) or willful misconduct on the part of the Trustee or the Collateral Agent, for the validity or sufficiency of the Collateral or any agreement or assignment contained therein, for the validity of the title of the Company to the Collateral, for insuring the Collateral or for the payment of taxes, charges, assessments or Liens upon the Collateral or otherwise as to the maintenance of the Collateral. Notwithstanding the foregoing, neither the Trustee nor the Collateral Agent shall have responsibility for recording, filing, re-recording or re-filing any financing statement, continuation statement, document, instrument or other notice in any public office at any time or times or to otherwise take any action to perfect or maintain the perfection of any security interest granted to it under the Security Documents relating to the Notes or otherwise.

(c) Where any provision of the Security Documents relating to the Notes requires that additional property or assets be provided as Collateral, the Company shall, or shall cause the applicable Guarantors to, take any and all actions reasonably required to cause such additional property or assets to be provided as Collateral and to create and perfect a valid and enforceable

first-priority security interest in such property or assets (subject to Permitted Liens and other exceptions in the Security Documents relating to the Notes) in favor of the Collateral Agent for the benefit of itself, the Trustee and the Holders of the Notes in accordance with and to the extent required under the Security Documents relating to the Notes.

(d) The Trustee, in giving any consent or approval under this Indenture or the Security Documents relating to the Notes, shall (unless it otherwise agrees) receive, as a condition to such consent or approval, an Officer's Certificate or an Opinion of Counsel (which Opinion of Counsel may be subject to customary assumptions and exclusions) or both to the effect that the action or omission for which consent or approval is to be given does not violate this Indenture or the Security Documents relating to the Notes, and the Trustee shall be fully protected in giving such consent or approval on the basis of such Officer's Certificate or Opinion of Counsel.

Section 10.06 Authorization of Receipt of Funds by the Trustee Under the Security Documents.

The Trustee is authorized to receive any funds for the benefit of the Holders of Notes distributed under the Security Documents, and to make further distributions of such funds to the Holders of Notes according to the provisions of this Indenture.

Section 10.07 Termination of Security Interest.

Upon the full and final payment and performance of all Obligations of the Company under this Indenture and the Notes or upon Legal Defeasance, Covenant Defeasance or satisfaction and discharge of this Indenture in accordance with Article 12 hereof, the Trustee will, at the request of the Company, deliver a certificate to the Collateral Agent stating that such Obligations have been paid in full, and instruct the Collateral Agent to release the Liens pursuant to this Indenture and the Security Documents.

Section 10.08 Junior Lien Intercreditor Agreement.

Upon request of the Company in connection with the incurrence of any Liens securing Junior Lien Obligations permitted to be incurred under Sections 4.09 and 4.12 hereof, the Trustee and the Collateral Agent shall enter into the Junior Lien Intercreditor Agreement.

ARTICLE 11
GUARANTEES

Section 11.01 Guarantee.

(a) Subject to this Article 11, each of the Guarantors hereby, jointly and severally, unconditionally guarantees to each Holder of a Note authenticated and delivered by the Trustee and to the Trustee and its successors and assigns, irrespective of the validity and enforceability of this Indenture, the Notes or the obligations of the Company hereunder or thereunder, that:

(1) the principal of, premium, if any, on, and interest, if any, on the Notes will be promptly paid in full when due, whether at maturity, by acceleration, redemption or otherwise, and interest on the overdue principal of, premium on, if any, and interest, if

any, on, the Notes, if lawful, and all other obligations of the Company to the Holders or the Trustee hereunder or thereunder will be promptly paid in full or performed, all in accordance with the terms hereof and thereof; and

(2) in case of any extension of time of payment or renewal of any Notes or any of such other obligations, that same will be promptly paid in full when due or performed in accordance with the terms of the extension or renewal, whether at stated maturity, by acceleration or otherwise.

Failing payment when due of any amount so guaranteed or any performance so guaranteed for whatever reason, the Guarantors will be jointly and severally obligated to pay the same immediately. Each Guarantor agrees that this is a guarantee of payment and not a guarantee of collection.

(b) The Guarantors hereby agree that their obligations hereunder are unconditional, irrespective of the validity, regularity or enforceability of the Notes or this Indenture, the absence of any action to enforce the same, any waiver or consent by any Holder of the Notes with respect to any provisions hereof or thereof, the recovery of any judgment against the Company, any action to enforce the same or any other circumstance which might otherwise constitute a legal or equitable discharge or defense of a guarantor. Each Guarantor hereby waives diligence, presentment, demand of payment, filing of claims with a court in the event of insolvency or bankruptcy of the Company, any right to require a proceeding first against the Company, protest, notice and all demands whatsoever and covenant that this Guarantee will not be discharged except by complete performance of the obligations contained in the Notes and this Indenture.

(c) If any Holder or the Trustee is required by any court or otherwise to return to the Company, the Guarantors or any custodian, trustee, liquidator or other similar official acting in relation to either the Company or the Guarantors, any amount paid by either to the Trustee or such Holder, this Note Guarantee, to the extent theretofore discharged, will be reinstated in full force and effect.

(d) Each Guarantor agrees that it will not be entitled to any right of subrogation in relation to the Holders in respect of any obligations guaranteed hereby until payment in full of all obligations guaranteed hereby. Each Guarantor further agrees that, as between the Guarantors, on the one hand, and the Holders and the Trustee, on the other hand, (1) the maturity of the obligations guaranteed hereby may be accelerated as provided in Article 6 hereof for the purposes of this Note Guarantee, notwithstanding any stay, injunction or other prohibition preventing such acceleration in respect of the obligations guaranteed hereby, and (2) in the event of any declaration of acceleration of such obligations as provided in Article 6 hereof, such obligations (whether or not due and payable) will forthwith become due and payable by the Guarantors for the purpose of this Note Guarantee. The Guarantors will have the right to seek contribution from any non-paying Guarantor so long as the exercise of such right does not impair the rights of the Holders under the Note Guarantee.

Section 11.02 *Limitation on Guarantor Liability.*

Each Guarantor, and by its acceptance of Notes, each Holder, hereby confirms that it is the intention of all such parties that the Guarantee of such Guarantor not constitute a fraudulent transfer or conveyance for purposes of Bankruptcy Law, the Uniform Fraudulent Conveyance Act, the Uniform Fraudulent Transfer Act or any similar federal or state law to the extent applicable to any Note Guarantee. To effectuate the foregoing intention, the Trustee, the Holders and the Guarantors hereby irrevocably agree that the obligations of such Guarantor will be limited to the maximum amount that will, after giving effect to such maximum amount and all other contingent and fixed liabilities of such Guarantor that are relevant under such laws, and after giving effect to any collections from, rights to receive contribution from or payments made by or on behalf of any other Guarantor in respect of the obligations of such other Guarantor under this Article 11, result in the obligations of such Guarantor under its Guarantee not constituting a fraudulent transfer or conveyance.

Section 11.03 *Execution and Delivery of Guarantee.*

To evidence its Guarantee set forth in Section 11.01 hereof, each Guarantor hereby agrees that this Indenture will be executed on behalf of such Guarantor by one of its Officers.

Each Guarantor hereby agrees that its Guarantee set forth in Section 11.01 hereof will remain in full force and effect notwithstanding any failure to endorse on each Note a notation of such Note Guarantee.

If an Officer whose signature is on this Indenture or on the Guarantee no longer holds that office at the time the Trustee authenticates the Note on which a Guarantee is endorsed, the Guarantee will be valid nevertheless.

The delivery of any Note by the Trustee, after the authentication thereof hereunder, will constitute due delivery of the Guarantee set forth in this Indenture on behalf of the Guarantors.

If required by Section 4.17 hereof, the Company will cause such Subsidiary to comply with the provisions of Section 4.17 hereof and this Article 11, to the extent applicable.

Section 11.04 *Guarantors May Consolidate, etc., on Certain Terms.*

Except as otherwise provided in Section 11.05 hereof, no Guarantor will, and the Company will not permit any Subsidiary Guarantor to, consolidate, amalgamate or merge with or into or wind up into (whether or not such Guarantor is the surviving Person), or sell, assign, transfer, lease, convey or otherwise dispose of all or substantially all of its consolidated properties or assets taken as a whole, in one or more related transactions, to any Person (other than the Company or a Guarantor) unless:

(1) (a) such Guarantor is the surviving Person or the Person formed by or surviving any such consolidation, amalgamation or merger (if other than such Guarantor) or to which such sale, assignment, transfer, lease, conveyance or other disposition will have been made is a Person organized or existing under the laws of the jurisdiction of organization of such Guarantor, as applicable, or the laws of the United States, any state thereof, the District of Columbia, or any territory thereof (such surviving Guarantor or such Person, as the case may be, being herein called the “*Successor Guarantor*”);

(b) the Successor Guarantor, if other than such Guarantor, expressly assumes all the obligations of such Guarantor under this Indenture and such Guarantor's related Guarantee pursuant to supplemental indentures or other documents or instruments;

(c) immediately after such transaction, no Default exists; and

(d) the Company shall have delivered to the Trustee an Officer's Certificate and an Opinion of Counsel, each stating that such consolidation, merger, amalgamation or transfer and such supplemental indentures, if any, comply with this Indenture; or

(2) with respect to the Subsidiary Guarantors, the transaction is not prohibited by Section 4.10(a) hereof.

Subject to certain limitations described in this Indenture, the Successor Guarantor will succeed to, and be substituted for, such Guarantor under this Indenture and such Guarantor's Guarantee. Notwithstanding the foregoing, any Subsidiary Guarantor may (1) merge or consolidate with or into, wind up into or transfer all or part of its properties and assets to another Subsidiary Guarantor or the Company, (2) merge with an Affiliate of the Company solely for the purpose of reincorporating the Subsidiary Guarantor in the United States, any state thereof, the District of Columbia or any territory thereof or (3) convert into a corporation, partnership, limited partnership, limited liability corporation or trust organized or existing under the laws of the jurisdiction of organization of such Subsidiary Guarantor.

In case of any such consolidation, merger, sale or conveyance and upon the assumption by the Successor Guarantor, by supplemental indenture, executed and delivered to the Trustee and satisfactory in form to the Trustee, of the Guarantee set forth in this Article 11 and the due and punctual performance of all of the covenants and conditions of this Indenture to be performed by the Guarantor, such Successor Guarantor will succeed to and be substituted for the Guarantor with the same effect as if it had been named herein as a Guarantor. Such Successor Guarantor thereupon may cause to be signed any or all of the Guarantees to be endorsed upon all of the Notes issuable hereunder which theretofore shall not have been signed by the Company and delivered to the Trustee. All the Guarantees so issued will in all respects have the same legal rank and benefit under this Indenture as the Guarantees theretofore and thereafter issued in accordance with the terms of this Indenture as though all of such Guarantees had been issued at the date of the execution hereof.

Except as set forth in Articles 4 and 5 hereof, and notwithstanding clauses 1(a) and (b) of this Section 11.04, nothing contained in this Indenture or in any of the Notes will prevent any consolidation or merger of a Guarantor with or into the Company or another Guarantor, or will prevent any sale or conveyance of the property of a Guarantor as an entirety or substantially as an entirety to the Company or another Guarantor.

Each Guarantee by a Subsidiary Guarantor will provide by its terms that it will be automatically and unconditionally released and discharged under its Guarantee upon:

(1) (a) any sale, exchange or transfer (by merger, amalgamation, consolidation or otherwise) of (i) the Capital Stock of such Subsidiary Guarantor, after which the applicable Subsidiary Guarantor is no longer a Restricted Subsidiary or (ii) all or substantially all the assets of such Subsidiary Guarantor, in each case if such sale, exchange or transfer is made in compliance with this applicable provisions of this Indenture;

(b) the release or discharge by such Subsidiary Guarantor of Indebtedness under (i) the Senior Credit Facilities, except a discharge or release in connection with the repayment in full and termination of commitments under the Senior Credit Facilities without being replaced with another Senior Credit Facility or (ii) in the case of a Guarantee made by a Subsidiary Guarantor (each, an "Other Guarantee") as a result of its guarantee of Additional First Lien Obligations, Junior Lien Obligations or capital markets debt securities of the Company or a Guarantor pursuant to Section 4.17 hereof, the relevant Additional First Lien Obligations, Junior Lien Obligations or capital markets debt securities, except, in the case of clause (i) or (ii), a discharge or release by or as a result of payment by such Subsidiary Guarantor under the Indebtedness specified in such clause (i) or (ii) (it being understood that a release subject to a contingent reinstatement is still a release, and if any such Indebtedness of such Subsidiary Guarantor under the Senior Credit Facilities or any Other Guarantee is so reinstated, such Guarantee shall also be reinstated);

(c) the designation of any Restricted Subsidiary that is a Subsidiary Guarantor as an Unrestricted Subsidiary in accordance with the terms of this Indenture; or

(d) the exercise by the Company of its legal defeasance option or covenant defeasance option as described under Article 8 hereof or the satisfaction and discharge of the Company's obligations under this Indenture in accordance with Article 12 hereof; and

(2) delivery by the Company to the Trustee of an Officer's Certificate and an Opinion of Counsel, each stating that all conditions precedent provided for in this Indenture relating to such transaction have been complied with.

The Guarantee by Holdings will be automatically and unconditionally released and discharged upon (1) the exercise by the Company of its legal defeasance option or covenant defeasance option as described under Article 8 hereof or the satisfaction and discharge of the Company's obligations under this Indenture in accordance with Article 12 hereof and (2) Holdings delivering to the Trustee an Officer's Certificate and an Opinion of Counsel, each stating that all conditions precedent provided for in this Indenture relating to such transaction have been complied with.

Any Guarantor not released from its obligations under its Guarantee as provided in this Section 11.05 will remain liable for the full amount of principal of, premium on, if any, and interest, if any, on, the Notes and for the other obligations of any Guarantor under this Indenture as provided in this Article 11.

ARTICLE 12
SATISFACTION AND DISCHARGE SECTION

Section 12.01 *Satisfaction and Discharge.*

This Indenture will be discharged and will cease to be of further effect as to all Notes issued hereunder, when either:

(1) all Notes that have been authenticated and delivered, except lost, stolen or destroyed Notes that have been replaced or paid and Notes for whose payment money has been deposited in trust and thereafter repaid to the Company, have been delivered to the Trustee for cancellation; or

(2) (a) all Notes not theretofore delivered to the Trustee for cancellation have become due and payable by reason of the making of a notice of redemption or otherwise, will become due and payable within one year or are to be called for redemption within one year under arrangements satisfactory to the Trustee for the giving of notice of redemption by the Trustee in the name, and at the expense, of the Company and the Company or any Guarantor have irrevocably deposited or caused to be deposited with the Trustee as trust funds in trust solely for the benefit of the Holders of the Notes, cash in U.S. dollars, U.S. dollar-denominated Government Securities, or a combination thereof, in such amounts as will be sufficient without consideration of any reinvestment of interest to pay and discharge the entire indebtedness on the Notes not theretofore delivered to the Trustee for cancellation for principal, premium, if any, and accrued interest to the date of maturity or redemption;

(b) such deposit will not result in a breach or violation of, or constitute a default under the Senior Credit Facilities, or any other material agreement or instrument (other than this Indenture) to which the Company or any Guarantor is a party or by which the Company or any Guarantor is bound (other than resulting from any borrowing of funds to be applied to make such deposit and any similar and simultaneous deposit relating to other Indebtedness and, in each case, the granting of Liens in connection therewith);

(c) the Company has paid or caused to be paid all sums payable by it under this Indenture;

(d) the Company has delivered irrevocable instructions to the Trustee under this Indenture to apply the deposited money toward the payment of the Notes at maturity or on the redemption date, as the case may be; and

(e) if U.S. dollar-denominated Government Obligations shall have been deposited in connection with such satisfaction and discharge, then as a further condition to such satisfaction and discharge, the Trustee shall have received a certificate from a nationally recognized investment bank, appraisal firm or firm of independent accountants to the effect set forth in Section 8.04(1).

In addition, the Company must deliver an Officer's Certificate and an Opinion of Counsel to the Trustee stating that all conditions precedent to satisfaction and discharge have been satisfied.

Notwithstanding the satisfaction and discharge of this Indenture, if money has been deposited with the Trustee pursuant to subclause (a) of clause (2) of this Section 12.01, the provisions of Sections 12.02 and 8.06 hereof will survive. In addition, nothing in this Section 12.01 will be deemed to discharge those provisions of Section 7.06 hereof, that, by their terms, survive the satisfaction and discharge of this Indenture.

Section 12.02 Application of Trust Money.

Subject to the provisions of Section 8.06 hereof, all money deposited with the Trustee pursuant to Section 12.01 hereof shall be held in trust and applied by it, in accordance with the provisions of the Notes and this Indenture, to the payment, either directly or through any Paying Agent (including the Company acting as its own Paying Agent) as the Trustee may determine, to the Persons entitled thereto, of the principal, premium, if any, and interest, if any, for whose payment such money has been deposited with the Trustee; but such money need not be segregated from other funds except to the extent required by law.

If the Trustee or Paying Agent is unable to apply any money or Government Securities in accordance with Section 12.01 hereof by reason of any legal proceeding or by reason of any order or judgment of any court or governmental authority enjoining, restraining or otherwise prohibiting such application, the Company's and any Guarantor's obligations under this Indenture and the Notes shall be revived and reinstated as though no deposit had occurred pursuant to Section 12.01 hereof; *provided* that if the Company has made any payment of principal of, premium on, if any, or interest, if any, on, any Notes because of the reinstatement of its obligations, the Company shall be subrogated to the rights of the Holders of such Notes to receive such payment from the money or Government Securities held by the Trustee or Paying Agent.

(1) *INTEREST*. Sabre GBLB Inc., a Delaware corporation (the “*Company*”), promises to pay or cause to be paid interest on the principal amount of this Note at 5.250% per annum from November 9, 2015 until maturity. The Company will pay interest, if any, semi-annually in arrears on May 15 and November 15 of each year, or if any such day is not a Business Day, on the next succeeding Business Day (each, an “*Interest Payment Date*”). Interest on the Notes will accrue from the most recent date to which interest has been paid or, if no interest has been paid, from the date of issuance; *provided* that, if this Note is authenticated between a record date referred to on the face hereof and the next succeeding Interest Payment Date, interest shall accrue from such next succeeding Interest Payment Date; *provided further* that the first Interest Payment Date shall be May 15, 2016. The Company will pay interest (including post-petition interest in any proceeding under any Bankruptcy Law) on overdue principal at the then applicable interest rate on the Notes to the extent lawful; it will pay interest (including post-petition interest in any proceeding under any Bankruptcy Law) on overdue installments of interest, if any (without regard to any applicable grace period), at the same rate to the extent lawful.

Interest will be computed on the basis of a 360-day year comprised of twelve 30-day months.

(2) *METHOD OF PAYMENT*. The Company will pay interest on the Notes (except defaulted interest), if any, to the Persons who are registered Holders of Notes at the close of business on May 1 or November 1 next preceding the Interest Payment Date, even if such Notes are canceled after such record date and on or before such Interest Payment Date, except as provided in Section 2.12 of the Indenture with respect to defaulted interest. The Notes will be payable as to principal, premium, if any, and interest, if any, at the office or agency of the Paying Agent and Registrar within the City and State of New York, or, at the option of the Company, payment of interest, if any, may be made by check mailed to the Holders at their addresses set forth in the register of Holders; *provided* that payment by wire transfer of immediately available funds will be required with respect to principal of, premium on, if any, and interest, if any, on, all Global Notes and all other Notes the Holders of which will have provided wire transfer instructions to the Company or the Paying Agent. Such payment will be in such coin or currency of the United States of America as at the time of payment is legal tender for payment of public and private debts.

(3) *PAYING AGENT AND REGISTRAR*. Initially, Wells Fargo Bank, National Association, the Trustee under the Indenture, will act as Paying Agent and Registrar. The Company may change the Paying Agent or Registrar without prior notice to the Holders of the Notes. The Company or any of its Subsidiaries may act as Paying Agent or Registrar.

(4) *INDENTURE AND SECURITY DOCUMENTS*. The Company issued the Notes under an Indenture dated as of November 9, 2015 (the “*Indenture*”) among the Company, the Guarantors and the Trustee. The terms of the Notes include those stated in the Indenture. The Notes are subject to all such terms, and Holders are referred to the Indenture for a statement of such terms. To the extent any provision of this Note conflicts with the express provisions of the Indenture, the provisions of the Indenture shall govern and be controlling. The Notes are secured obligations of the Company. The Notes are secured by a lien equally and ratably with all indebtedness owing under the Senior Credit Facilities and the 2023 Notes pursuant to the Security Documents referred to in the Indenture. The Indenture does not limit the aggregate principal amount of Notes that may be issued thereunder.

(5) *OPTIONAL REDEMPTION*.

(a) At any time prior to November 15, 2018, the Company may, at its option, on one or more occasions redeem up to 40% of the original aggregate principal amount of Notes issued under the Indenture, including any Additional Notes, at a redemption price equal to 105.250% of the aggregate principal amount thereof plus accrued and unpaid interest, if any, to the Redemption Date, subject to the right of Holders of record on the relevant record date to receive interest due on the relevant interest payment date, with the net cash proceeds received by the Company from one or more Equity Offerings; *provided that*:

(i) at least 50% of the sum of the aggregate principal amount of Notes originally issued under the Indenture on the Issue Date and any Additional Notes issued under the Indenture after the Issue Date (other than Notes or Additional Notes held by the Company or any of its Affiliates) remains outstanding immediately after the occurrence of each such redemption; and

(ii) each such redemption occurs within 120 days of the date of closing of each such Equity Offering.

(b) At any time and from time to time prior to November 15, 2018, the Company may redeem all or a part of the Notes, upon notice as described in the Indenture, at a redemption price equal to 100% of the principal amount of the Notes redeemed plus the Applicable Premium as of, plus accrued and unpaid interest, if any, to the redemption date (the “*Redemption Date*”), subject to the right of Holders of record on the relevant record date to receive interest due on the relevant interest payment date.

(c) At any time and from time to time prior to November 15, 2018, but not more than once in any twelve-month period, the Company may redeem, in the aggregate, up to 10% of the original aggregate principal amount of the Notes issued under the Indenture, including any Additional Notes, upon not less than 30 nor more than 60 days' prior notice, at a redemption price of 103% of the principal amount thereof, plus accrued and unpaid interest to the applicable redemption date (subject to the rights of holders of the Notes on the relevant record date to receive interest due on the relevant interest payment date).

(d) Except pursuant to the preceding paragraphs (a) through (c), the Notes will not be redeemable at the Company's option prior to November 15, 2018.

(e) On or after November 15, 2018, the Company may on any one or more occasions redeem all or a part of the Notes, upon not less than 30 nor more than 60 days' notice, at the redemption prices (expressed as percentages of principal amount) set forth below, plus accrued and unpaid interest, if any, on the Notes redeemed, to the applicable date of redemption, if redeemed during the twelve-month period beginning on November 15 of each of the years indicated below, subject to the rights of Holders on the relevant record date to receive interest on the relevant Interest Payment Date:

Unless the Company defaults in the payment of the redemption price, interest will cease to accrue on the Notes or portions thereof called for redemption on the applicable redemption date.

(6) **MANDATORY REDEMPTION.** The Company is not required to make mandatory redemption or sinking fund payments with respect to the Notes.

(7) **REPURCHASE AT THE OPTION OF HOLDER.**

(a) Upon the occurrence of a Change of Control, the Company will be required to make an offer (a "*Change of Control Offer*") to each Holder to repurchase all or any part (equal to \$2,000 or an integral multiple of \$1,000 in excess thereof) of that Holder's Notes at a purchase price in cash equal to 101% of the aggregate principal amount of Notes repurchased, plus accrued and unpaid interest, if any, on the Notes repurchased to the date of purchase, subject to the rights of Holders of Notes on the relevant record date to receive interest due on the relevant interest payment date (the "*Change of Control Payment*"). Within 30 days following any Change of Control, the Company will mail a notice to each Holder setting forth the procedures governing the Change of Control Offer as required by the Indenture.

(b) If the Company or a Restricted Subsidiary of the Company consummates any Asset Sales, within ten Business Days of each date on which the aggregate amount of Excess Proceeds exceeds \$100,000,000, the Company will make an Asset Sale Offer to all Holders of Notes and if required by the terms of any Indebtedness that is *pari passu* in right of payment with the Notes, to holders of such *Pari Passu* Indebtedness, to purchase the maximum principal amount of Notes and such *Pari Passu* Indebtedness that is in an amount equal to at least \$2,000, that may be purchased out of the Excess Proceeds at an offer price in cash in an amount equal to 100% of the principal amount thereof (or accreted value thereof, if less), *plus* accrued and unpaid interest, if any, to the date fixed for the closing of such offer, in accordance with the procedures set forth in the Indenture. If any Excess Proceeds remain after consummation of an Asset Sale Offer, the Company may use those Excess Proceeds for general corporate purposes, subject to the other covenants contained in the Indenture. If the aggregate principal amount of Notes or the *Pari Passu* Indebtedness surrendered by such holders thereof exceeds the amount of Excess Proceeds, the Trustee shall select the Notes and the Company shall select such *Pari Passu* Indebtedness to be purchased on a *pro rata* basis based on the accreted value or principal amount of the Notes or such *Pari Passu* Indebtedness tendered. Upon completion of each Asset Sale Offer, the amount of Excess Proceeds will be reset at zero. Holders of Notes that are the subject of an offer to purchase will receive an Asset Sale Offer from the Company prior to any related purchase date and may elect to have such Notes purchased by completing the form entitled “*Option of Holder to Elect Purchase*” attached to the Notes.

(8) *NOTICE OF REDEMPTION*. At least 30 days but not more than 60 days before a redemption date, the Company will mail or cause to be mailed, by first class mail, a notice of redemption to each Holder whose Notes are to be redeemed at its registered address, except that redemption notices may be mailed more than 60 days prior to a redemption date if the notice is issued in connection with a defeasance of the Notes or a satisfaction and discharge of the Indenture pursuant to Articles 8 or 12 thereof. Notes and portions of Notes selected will be in amounts of \$2,000 or whole multiples of \$1,000 in excess thereof; except that if all of the Notes of a Holder are to be redeemed or purchased, the entire outstanding amount of Notes held by such Holder shall be redeemed or purchased.

(9) *DENOMINATIONS, TRANSFER, EXCHANGE*. The Notes are in registered form in denominations of \$2,000 and integral multiples of \$1,000 in excess thereof. The transfer of Notes may be registered and Notes may be exchanged as provided in the Indenture. The Registrar and the Trustee may require a Holder, among other things, to furnish appropriate endorsements and transfer documents and the Company may require a Holder to pay any taxes and fees required by law or permitted by the Indenture. The Company need not exchange or register the transfer of any Note or portion of a Note selected for redemption, except for the unredeemed portion of any Note being redeemed in part. Also, the Company need not exchange or register the transfer of any Notes for a period of 15 days before the mailing of a notice of redemption of Notes to be redeemed or during the period between a record date and the next succeeding Interest Payment Date.

(10) *PERSONS DEEMED OWNERS*. The registered Holder of a Note may be treated as the owner of it for all purposes. Only registered Holders have rights under the Indenture.

(11) *AMENDMENT, SUPPLEMENT AND WAIVER*. Subject to certain exceptions, the Indenture, the Notes or the Guarantees may be amended or supplemented with the consent of the Holders of at least a majority in aggregate principal amount of the then outstanding Notes including Additional Notes, if any, voting as a single class, and any existing Default or Event of Default or compliance with any provision of the Indenture or the Notes or the Guarantees may be waived with the consent of the Holders of a majority in aggregate principal amount of the then outstanding Notes including Additional Notes, if any, voting as a single class. Without the consent of any Holder of Notes, the Indenture, the Notes or the Guarantees may be amended or supplemented to cure any ambiguity, omission, mistake, defect or inconsistency, to provide for uncertificated Notes in addition to or in place of certificated Notes, to provide for the assumption of the Company's or a Guarantor's obligations to Holders of the Notes and Guarantees by a successor to the Company or such Guarantor pursuant to the Indenture, to make any change that would provide any additional rights or benefits to the Holders of the Notes or that does not materially and adversely affect the legal rights under the Indenture of any Holder, to conform the text of the Indenture, the Notes, or the Guarantees or the Security Documents to any provision of the "Description of Notes" section of the Company's Offering Circular dated November 4, 2015, relating to the initial offering of the Notes, to the extent that such provision in that "Description of Notes" was intended to be a verbatim recitation of a provision of the Indenture, the Notes, or the Guarantees or the Security Documents, which intent may be evidenced by an Officer's Certificate to that effect, to enter into additional or supplemental Security Documents, to release Collateral in accordance with the terms of this Indenture and the Security Documents, to provide for the issuance of Additional Notes in accordance with the limitations set forth in the Indenture, or to allow any Guarantor to execute a supplemental indenture to the Indenture and/or a Guarantee with respect to the Notes.

(12) *DEFAULTS AND REMEDIES*. Events of Default include: (i) default in the payment when due (at maturity, upon redemption or otherwise) of the principal of, or premium on, if any, the Notes, (ii) default for 30 days in the payment when due of interest, if any, on, the Notes; (iii) failure by the Company or any of its Restricted Subsidiaries for 60 days after receipt of notice to the Company by the Trustee or the Holders of at least 30% in aggregate principal amount of the Notes then outstanding voting as a single class to comply with any of its obligations, covenants or agreements in the Indenture or the Security Documents; (iv) default under certain other agreements relating to Indebtedness of Holdings, the Company or any of the Company's Restricted Subsidiaries which default is a Payment Default or results in the acceleration of such Indebtedness prior to its express maturity, the principal amount of such Indebtedness aggregating in excess of \$65,000,000; (v) failure by Holdings, the Company or any of the

Company's Restricted Subsidiaries to pay certain final judgments aggregating in excess of \$65,000,000, which judgments are not paid, discharged or stayed, for a period of 60 days; (vi) any Guarantee of Holdings or any Significant Subsidiary ceases to be in full force and effect or to be declared null and void or the repudiation in writing by any responsible officer of Holdings or any Subsidiary Guarantor that is a Significant Subsidiary; (vii) with respect to any Collateral constituting more than \$80,000,000 individually or in the aggregate, any Security Document ceases to be in full force and effect, or the repudiation in writing by Holdings, the Company or any of its Restricted Subsidiaries of any of its material obligations under the Security Documents; and (viii) certain events of bankruptcy or insolvency with respect to Holdings, the Company or any of its Restricted Subsidiaries that is a Significant Subsidiary or any group of Restricted Subsidiaries that, taken together, would constitute a Significant Subsidiary. In the case of an Event of Default arising from certain events of bankruptcy or insolvency with respect to Holdings, the Company, any Restricted Subsidiary of the Company that is a Significant Subsidiary or any group of Restricted Subsidiaries of the Company that, taken together, would constitute a Significant Subsidiary, all outstanding Notes will become due and payable immediately without further action or notice. If any other Event of Default occurs and is continuing, the Trustee or the Holders of at least 30% in aggregate principal amount of the then outstanding Notes may declare all the Notes to be due and payable immediately. Holders may not enforce the Indenture or the Notes except as provided in the Indenture. Subject to certain limitations, Holders of a majority in aggregate principal amount of the then outstanding Notes may direct the time, method and place of conducting any proceeding for exercising any remedy available to the Trustee or exercising any trust or power conferred on it. The Trustee may withhold from Holders of the Notes notice of any continuing Default or Event of Default (except a Default or Event of Default relating to the payment of principal, premium, if any, or interest, if any) if it determines that withholding notice is in their interest. The Holders of a majority in aggregate principal amount of the then outstanding Notes by notice to the Trustee may, on behalf of all the Holders of Notes, rescind an acceleration or waive an existing Default or Event of Default and its respective consequences under the Indenture except a continuing Default or Event of Default in the payment of principal of, premium on, if any, or interest, if any, on, the Notes (including in connection with an offer to purchase). The Company is required to deliver to the Trustee annually a statement regarding compliance with the Indenture, and the Company is required, within five Business Days of becoming aware of any Default or Event of Default, to deliver to the Trustee a statement specifying such Default or Event of Default.

(13) *TRUSTEE DEALINGS WITH COMPANY.* The Trustee, in its individual or any other capacity, may make loans to, accept deposits from, and perform services for the Company or its Affiliates, and may otherwise deal with the Company or its Affiliates, as if it were not the Trustee.

(14) *NO RECOURSE AGAINST OTHERS.* No past, present or future director, officer, employee, incorporator, member, partner or stockholder of the Company or any Guarantor or any of their direct or indirect parent companies (other than the Company and any Guarantor), as such, will have any liability for any obligations of the Company

or the Guarantors under the Notes, the Indenture, the Guarantees or the Security Documents or for any claim based on, in respect of, or by reason of, such obligations or their creation. Each Holder of Notes by accepting a Note waives and releases all such liability. The waiver and release are part of the consideration for issuance of the Notes.

(15) *AUTHENTICATION*. This Note will not be valid until authenticated by the manual signature of the Trustee or an authenticating agent.

No representation is made as to the accuracy of such numbers either as printed on the Notes or as contained in any notice of redemption, and reliance may be placed only on the other identification numbers placed thereon.

(18) *GOVERNING LAW*. THE INDENTURE, THIS NOTE AND THE GUARANTEES WILL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF NEW YORK.

Until the Discharge of First-Lien Obligations has occurred, whether or not an Insolvency or Liquidation Proceeding has been commenced by or against any Grantor, the First-Lien Secured Parties shall have the exclusive right to take and continue any Enforcement Action with respect to the Shared Collateral, without any consultation with or consent of any Junior-Lien Secured Party, but subject to the provisos set forth in Section 3.2 and Section 6.1. Upon the occurrence and during the continuance of a default or an event of default under the First-Lien Debt Documents, the First-Lien Collateral Agents and the other First-Lien Secured Parties shall control all decisions related to the exercise and continuance of any Enforcement Action with respect to the First-Lien Obligations and the Shared Collateral and shall do so in such order and manner as they may determine in their sole discretion without any consultation with, or the consent of any of the Junior-Lien Secured Parties.

Section 4.2 Standstill and Waivers. Each Junior-Lien Authorized Representative and each Junior-Lien Collateral Agent, on behalf of itself and the other Junior-Lien Secured Parties, agrees that, until the Discharge of First-Lien Obligations has occurred, subject to the proviso set forth in this Section 3.2:

- (a) they will not take or cause to be taken any Enforcement Action with respect to the Shared Collateral;

(b) they will not take or cause to be taken any action, the purpose or effect of which is to make any Lien in respect of any Junior-Lien Obligation pari passu with or senior to, or to give any Junior-Lien Secured Party any preference or priority relative to, the Liens with respect to the First-Lien Obligations or the First-Lien Secured Parties with respect to any of the Shared Collateral;

(c) they will not contest, oppose, object to, interfere with, hinder or delay, in any manner, whether by judicial proceedings (including without limitation the filing (including on the basis of a deficiency claim, unsecured claim or otherwise) of an Insolvency or Liquidation Proceeding) or otherwise, any foreclosure, sale, lease, exchange, transfer or other disposition of the Shared Collateral by any First-Lien Secured Party or any other Enforcement Action taken with respect to the Shared Collateral (or any forbearance from taking any Enforcement Action with respect to the Shared Collateral) by or on behalf of any First-Lien Secured Party;

(d) they have no right to (i) direct either any First-Lien Collateral Agent or any other First-Lien Secured Party to exercise any right, remedy or power with respect to the Shared Collateral or pursuant to the First-Lien Collateral Documents or (ii) consent or object to the exercise by any First-Lien Collateral Agent or any other First-Lien Secured Party of any right, remedy or power with respect to the Shared Collateral or pursuant to the First-Lien Collateral Documents or to the timing or manner in which any such right is exercised or not exercised (or, to the extent they may have any such right described in this clause (d), whether as a Junior-Lien creditor or otherwise, they hereby irrevocably waive such right);

(e) they will not institute any suit or other proceeding or assert in any suit, Insolvency or Liquidation Proceeding or other proceeding any claim against any First-Lien Secured Party seeking damages from or other relief by way of specific performance, injunction or otherwise, with respect to, and no First-Lien Secured Party shall be liable for, any action taken or omitted to be taken by any First-Lien Secured Party with respect to the Shared Collateral or pursuant to the First-Lien Debt Documents;

(f) they will not make any judicial or nonjudicial claim or demand or commence any judicial or non-judicial proceedings against any Grantor or any of their respective subsidiaries or affiliates under or with respect to any Junior-Lien Collateral Document seeking payment or damages from or other relief by way of specific performance, instructions or otherwise under or with respect to any Junior-Lien Collateral Document (other than filing a proof of claim) or exercise any right, remedy or power under or with respect to, or otherwise take any action to enforce, other than filing a proof of claim, any Junior-Lien Collateral Document; and

(g) they will not commence judicial or nonjudicial foreclosure proceedings with respect to, seek to have a trustee, receiver, liquidator or similar official appointed for or over, attempt any action to take possession of any Shared Collateral,

exercise any right, remedy or power with respect to, or otherwise take any action to enforce their interest in or realize upon, the Shared Collateral or pursuant to the Junior-Lien Collateral Documents;

provided that, notwithstanding the foregoing, the Junior-Lien Secured Parties may exercise their rights and remedies in respect of the Shared Collateral under the Junior-Lien Collateral Documents or applicable law after the passage of a period of 180 days (the "Standstill Period") from the date of delivery of a notice in writing to the First-Lien Collateral Agents certifying that an acceleration of the Junior-Lien Obligations has occurred (and so long as such acceleration has not been rescinded); provided, further, however, that, notwithstanding the foregoing, in no event shall any Junior-Lien Secured Party exercise or continue to exercise any such rights or remedies if, notwithstanding the expiration of the Standstill Period, (i) any First-Lien Secured Party shall have commenced the exercise of any of its rights and remedies with respect to any material portion of the Shared Collateral (or attempted to commence such exercise and are stayed by an Insolvency or Liquidation Proceeding) or (ii) an Insolvency or Liquidation Proceeding in respect of any Grantor shall have been commenced; and provided, further, that in any Insolvency or Liquidation Proceeding commenced by or against any Grantor, the Junior-Lien Authorized Representative, the Junior-Lien Collateral Agents and the Junior-Lien Secured Parties may take any action expressly permitted by Section 6.1. Without limiting the generality of the foregoing, unless and until the Discharge of First-Lien Obligations has occurred, except as expressly provided in Section 6.1, the sole right of the Junior-Lien Authorized Representatives, the Junior-Lien Collateral Agents and the Junior-Lien Secured Parties with respect to the Shared Collateral or any other Collateral is to hold a Lien on the Shared Collateral or such other Collateral in respect of the applicable Junior-Lien Obligations pursuant to the Junior-Lien Debt Documents, as applicable, for the period and to the extent granted therein and to receive a share of the proceeds thereof, if any, after the Discharge of First-Lien Obligations has occurred. For the avoidance of doubt, nothing in this Agreement prohibits the acceleration of the Junior-Lien Obligations in accordance with the terms of the Junior-Lien Debt Documents.

Section 4.3 Judgment Creditors. In the event that any Junior-Lien Secured Party becomes a judgment lien creditor in respect of Shared Collateral as a result of its enforcement of its rights as an unsecured creditor, any such judgment lien shall be subject to the terms of this Agreement for all purposes (including in relation to the First-Lien and the First-Lien Obligations) to the same extent as other Liens securing the Junior-Lien Obligations are subject to the terms of this Agreement.

Section 4.4 Cooperation. Each Junior-Lien Authorized Representative and each Junior-Lien Collateral Agent, on behalf of itself and the other Junior-Lien Secured Parties under the Junior-Lien Debt Facility to which it is a party, agrees that each of them shall take such actions as any First-Lien Authorized Representative or First-Lien Collateral Agent shall request in connection with the exercise by the First-Lien Secured Parties of their rights set forth herein. Each Junior-Lien Authorized Representative and each Junior-Lien Collateral Agent hereby acknowledges and agrees that no covenant, agreement or restriction contained in any applicable Junior-Lien Debt Document shall be deemed to restrict in any way the rights and remedies of the First-Lien Authorized Representatives, First-Lien Collateral Agents or First-Lien Secured Parties with respect to the First-Lien Collateral as set forth in this Agreement and the First-Lien Debt Documents.

Section 4.5 No Additional Rights for the Grantors Hereunder. Except as provided in Section 3.6, if any First-Lien Secured Party or Junior-Lien Secured Party shall enforce its rights or remedies in violation of the terms of this Agreement, no Grantor shall be entitled to use such violation as a defense to any action by any First-Lien Secured Party or Junior-Lien Secured Party, nor to assert such violation as a counterclaim or basis for set off or recoupment against any First-Lien Secured Party or Junior-Lien Secured Party.

Section 4.6 Actions upon Breach. (a) If any Junior-Lien Secured Party, contrary to this Agreement, commences, participates or supports any Person commencing or participating in any action or proceeding against or with respect to any Grantor or the Shared Collateral, such Grantor, with the prior written consent of the Applicable First-Lien Collateral Agent, may interpose as a defense or dilatory plea the making of this Agreement, and any First-Lien Secured Party may intervene and interpose such defense or plea in its or their name or in the name of such Grantor.

(b) Should any Junior-Lien Authorized Representative, any Junior-Lien Collateral Agent or any Junior-Lien Secured Party, contrary to this Agreement, in any way take, attempt to take or threaten to take any action with respect to the Shared Collateral (including any attempt to realize upon or enforce any remedy with respect to this Agreement) or fail to take any action required by this Agreement, any First-Lien Collateral Agent or any First-Lien Authorized Representative or other First-Lien Secured Party (in its or their own name or in the name of the Company or any other Grantor) or the Company or any other Grantor may obtain relief against such Junior-Lien Authorized Representative, such Junior-Lien Collateral Agent or such Junior-Lien Secured Party by injunction, specific performance and/or other appropriate equitable relief. Each Junior-Lien Authorized Representative and each Junior-Lien Collateral Agent, on behalf of itself and each Junior-Lien Secured Party under its Junior-Lien Debt Facility, hereby (i) agrees that the First-Lien Secured Parties' damages from the actions of any Junior-Lien Authorized Representatives, any Junior-Lien Collateral Agent or any Junior-Lien Secured Party may at that time be difficult to ascertain and may be irreparable and waives any defense that the Company, any other Grantor or the First-Lien Secured Parties cannot demonstrate damage or be made whole by the awarding of damages and (ii) irrevocably waives any defense based on the adequacy of a remedy at law and any other defense that might be asserted to bar the remedy of specific performance in any action that may be brought by any First-Lien Collateral Agent, any First-Lien Authorized Representative or and First-Lien Secured Party.

Section 4.7 Option to Purchase. (a) The Applicable First-Lien Collateral Agent agrees that it will give the Designated Junior-Lien Collateral Agent written notice (the "Enforcement Notice") promptly following (i) its commencement of any Enforcement Action with respect to Shared Collateral (which notice shall be effective for all Enforcement Actions taken after the date of such notice so long as the Applicable First-Lien Collateral Agent is diligently pursuing in good faith the exercise of its default or enforcement rights or remedies against, or diligently attempting in good faith to vacate any stay of enforcement rights of its First-Liens on a material portion of the Shared Collateral, including, without limitation, all Enforcement Actions identified in such notice), (ii) its acceleration of the First-Lien Obligations

in accordance with the terms of the First-Lien Debt Documents; or (iii) its commencement of an Insolvency or Liquidation Proceeding. Any Junior-Lien Secured Party shall have the option, by irrevocable written notice (the "Purchase Notice") delivered by the Designated Junior-Lien Collateral Agent to each First-Lien Collateral Agent no later than thirty days after the earlier to occur of (a) the Designated Junior-Lien Collateral Agent's receipt of the Enforcement Notice and (b) the Designated Junior-Lien Collateral Agent becoming aware of the Enforcement Action, to purchase all (but not less than all) of the First-Lien Obligations from the First-Lien Secured Parties. Notwithstanding anything to the contrary contained herein, neither the Applicable First-Lien Collateral Agent nor any other First-Lien Secured Party shall have any liability to any party hereto for any failure or delay on the part of the Applicable First-Lien Collateral Agent in delivering any Enforcement Notice or terminating any existing Enforcement Action.

(b) On the date specified by the Designated Junior-Lien Collateral Agent in the Purchase Notice (which shall be a Business Day not less than five days, nor more than ten days, after receipt by the Applicable First-Lien Collateral Agent of the Purchase Notice), the First-Lien Secured Parties shall, subject to any required approval of any court or other governmental authority then in effect, sell to the Junior-Lien Secured Parties electing to purchase pursuant to Section 3.7(a) (the "Purchasing Parties"), and the Purchasing Parties shall purchase (the "Purchase") from the First-Lien Secured Parties, all the First-Lien Obligations; provided that the First-Lien Obligations purchased shall not include any rights of First-Lien Secured Parties with respect to indemnification and other obligations of the Grantors under the First-Lien Debt Documents that are expressly stated to survive the termination of the First-Lien Debt Documents (the "Surviving Obligations").

(c) Without limiting the obligations of the Grantors under the First-Lien Debt Documents to the First-Lien Secured Parties with respect to the Surviving Obligations (which shall not be transferred in connection with the Purchase), on the date of the Purchase, the Purchasing Parties shall (i) pay in cash to the First-Lien Secured Parties as the purchase price (the "Purchase Price") therefor the full amount of all First-Lien Obligations then outstanding and unpaid at par (including principal, any prepayment premiums, accrued but unpaid interest and fees and any other unpaid amounts, including, breakage costs, attorneys' fees and expenses, and, in the case of any Secured Hedge Agreement, the amount that would be payable by the relevant Grantors thereunder if it were to terminate such Secured Hedge Agreement on the date of the Purchase or, if not terminated, an amount determined by the relevant First-Lien Secured Party to be necessary to collateralize its credit risk arising out of such Secured Hedge Agreement, (ii) furnish cash collateral (the "LC Cash Collateral") to the First-Lien Secured Parties in such amounts as the relevant First-Lien Secured Parties determine is reasonably necessary to secure such First-Lien Secured Parties in connection with any outstanding Letters of Credit, (iii) agree in writing in form and substance satisfactory to the Applicable First-Lien Collateral Agent to reimburse the First-Lien Secured Parties for any loss, cost, damage or expense (including attorneys' fees and expenses) in connection with any fees, costs or expenses related to any checks or other payments provisionally credited to the First-Lien Obligations and/or as to which the First-Lien Secured Parties have not yet received final payment and (iv) agree in writing in form and substance satisfactory to the Applicable First-Lien Collateral Agent, after written request from the

Applicable First-Lien Collateral Agent, to reimburse the First-Lien Secured Parties in respect of indemnification obligations of the Grantors under the First-Lien Debt Documents as to matters or circumstances known to the Purchasing Parties at the time of the Purchase which could reasonably be expected to result in any loss, cost, damage or expense to any of the First-Lien Secured Parties; provided that in no event shall any Purchasing Party have any liability for such amounts in excess of proceeds of Shared Collateral received by the Purchasing Parties.

(d) The Purchase Price and LC Cash Collateral shall be remitted by wire transfer in immediately available funds to such account of the Applicable First-Lien Collateral Agent as it shall designate to the Purchasing Parties. The Applicable First-Lien Collateral Agent shall, promptly following its receipt thereof, distribute the amounts received by it in respect of the Purchase Price to the First-Lien Secured Parties in accordance with the First-Lien Debt Documents. Interest shall be calculated to but excluding the day on which the Purchase occurs if the amounts so paid by the Purchasing Parties to the account designated by the Applicable First-Lien Collateral Agent are received in such account prior to 12:00 noon, New York City time, and interest shall be calculated to and including such day if the amounts so paid by the Purchasing Parties to the account designated by the Applicable First-Lien Collateral Agent are received in such account later than 12:00 noon, New York City time.

(e) The Purchase shall be made without representation or warranty of any kind by the First-Lien Secured Parties as to the First-Lien Obligations, the Shared Collateral or otherwise and without recourse to the First-Lien Secured Parties, except that the First-Lien Secured Parties shall represent and warrant: (i) the amount of the First-Lien Obligations being purchased, (ii) that the First-Lien Secured Parties own the First-Lien Obligations free and clear of any liens or encumbrances and (iii) that the First-Lien Secured Parties have the right to assign the First-Lien Obligations and the assignment is duly authorized.

(f) For the avoidance of doubt, the parties hereto hereby acknowledge and agree that in no event shall the Designated Junior-Lien Collateral Agent (i) be deemed to be a Purchasing Party for purposes of this Section 3.7, (ii) be subject to or liable for any obligations of a Purchasing Party pursuant to this Section 3.7 or (iii) incur any liability to any First-Lien Secured Party or any other Person in connection with any Purchase pursuant to this Section 3.7.

ARTICLE V Payments

Section 5.1 Application of Proceeds. All Shared Collateral and Proceeds thereof received in connection with the Disposition or collection of the Shared Collateral in connection with an Enforcement Action, whether or not pursuant to an Insolvency or Liquidation Proceeding, shall be distributed as follows: FIRST, to the First-Lien Obligations in accordance with the terms of the First-Lien Debt Documents and the First-Lien Intercreditor Agreement (if and to the extent the First-Lien Intercreditor Agreement is applicable in accordance with its terms) until the Discharge of First-Lien Obligations has occurred; SECOND, to the Designated

Junior-Lien Collateral Agent for application in accordance with the Junior-Lien Debt Documents until the discharge of the Junior-Lien Obligations has occurred; and THIRD, the balance, if any, to the Grantors, their successors or assigns or to whomsoever may be lawfully entitled to receive the same or as writ of competent jurisdiction may direct. Upon the Discharge of First-Lien Obligations, the Applicable First-Lien Collateral Agent shall deliver promptly to the Designated Junior-Lien Collateral Agent any Shared Collateral or Proceeds thereof held by it in the same form as received, with any necessary endorsements, or as a court of competent jurisdiction may otherwise direct, to be applied by the Designated Junior-Lien Collateral Agent to the Junior-Lien Obligations in such order as specified in the relevant Junior-Lien Debt Documents.

Section 5.2 Payments Over. So long as the Discharge of First-Lien Obligations has not occurred, any Shared Collateral or Proceeds thereof received by any Junior-Lien Authorized Representative, any Junior-Lien Collateral Agent or any Junior-Lien Secured Party shall be segregated and held in trust for the benefit of and forthwith paid over to the Applicable First-Lien Collateral Agent for the benefit of the First-Lien Secured Parties in the same form as received, with any necessary endorsements and each Junior-Lien Secured Party hereby authorizes the Applicable First-Lien Collateral Agent to make any such endorsements as agent for each of the Junior-Lien Authorized Representatives, the Junior-Lien Collateral Agents and the Junior-Lien Secured Parties (which authorization, being coupled with an interest, is irrevocable).

ARTICLE VI
Other Agreements

Section 6.1 Releases. (a) If, at any time any Grantor or any First-Lien Secured Party delivers notice to the Designated Junior-Lien Collateral Agent with respect to any specified Shared Collateral (including for such purpose, in the case of the sale or other disposition of all or substantially all of the equity interests in any Subsidiary, any Shared Collateral held by such Subsidiary or any direct or indirect Subsidiary thereof) that:

(i) such specified Shared Collateral has been or is being sold, transferred or otherwise disposed of in connection with a Disposition by the owner of such Shared Collateral in a transaction permitted under the First-Lien Debt Documents; or

(ii) the First-Liens thereon have been or are being released in connection with a Subsidiary that is released from its guarantee under the First-Lien Debt Documents; or

(iii) the First-Liens thereon have been or are being otherwise released as permitted by the First-Lien Debt Documents or by the Applicable First-Lien Collateral Agent on behalf of the First-Lien Secured Parties (unless, in the case of clause (ii) or (iii) of this Section 5.1(a) such release occurs in connection with, and after giving effect to, a Discharge of First-Lien Obligations, which discharge is not in connection with a foreclosure of, or other exercise of remedies with respect to, Shared Collateral by the First-Lien Secured Parties (such discharge not in connection with any such foreclosure or exercise of remedies or a sale or other disposition generating sufficient proceeds to cause the Discharge of First-Lien Obligations, a "Payment Discharge")),

then the Junior-Lien upon such Shared Collateral will automatically be released and discharged as and when, but only to the extent, such Liens on such Shared Collateral securing First-Lien Obligations are released and discharged (provided that in the case of a Payment Discharge, the Liens on any Shared Collateral disposed of in connection with the satisfaction in whole or in part of First-Lien Obligations shall be automatically released but any proceeds thereof not used for purposes of the Discharge of First-Lien Obligations or otherwise in accordance with the Junior-Lien Debt Documents shall be subject to Junior-Liens and shall be applied pursuant to Section 4.1). Upon delivery to the Designated Junior-Lien Collateral Agent of a notice from the Applicable First-Lien Collateral Agent stating that any such release of Liens securing or supporting the First-Lien Obligations has become effective (or shall become effective upon the Designated Junior-Lien Collateral Agent's release), the Designated Junior-Lien Collateral Agent will promptly, at the Company's expense, execute and deliver such instruments, releases, termination statements or other documents confirming such release on customary terms, which instruments, releases and termination statements shall be substantially identical to the comparable instruments, releases and termination statements executed by the Applicable First-Lien Collateral Agent in connection with such release (and shall be prepared by the Applicable First-Lien Collateral Agent). In the case of the sale of capital stock of a Subsidiary or any other transaction resulting in the release of such Subsidiary's guarantee under the First-Lien Debt Documents in accordance with the Credit Agreement, the guarantee in favor of the Junior-Lien Secured Parties, if any, made by such Subsidiary will automatically be released and discharged as and when, but only to the extent, the guarantee by such Subsidiary of First-Lien Obligations is released and discharged.

(b) If, at any time any Grantor or any First-Lien Secured Party delivers notice to the Designated Junior-Lien Collateral Agent with respect to any Grantor that is a Subsidiary that:

(i) all or substantially all of the equity interests in such Grantor have been or are being sold, transferred or otherwise disposed of in connection with a Disposition by the owner of such Grantor in a transaction permitted under the First-Lien Debt Documents; or

(ii) such Grantor is released from its guarantee under the First-Lien Debt Documents (unless, such release occurs in connection with, and after giving effect to, a Discharge of First-Lien Obligations, which discharge is a Payment Discharge),

then such Grantor will automatically be released and discharged under its guaranty of the Junior-Lien Obligations as and when, but only to the extent, such Grantor is also released and discharged under its guaranty of the First-Lien Obligations. Upon delivery to the Designated Junior-Lien Collateral Agent of a notice from the Applicable First-Lien Collateral Agent stating that any such release of Subsidiary that is a Grantor guarantying the First-Lien Obligations has become effective (or shall become effective upon the Designated Junior-Lien Collateral Agent's release), the Designated Junior-Lien Collateral Agent will promptly, at the Company's expense, execute and deliver such instruments, releases, termination statements or other documents confirming such release on customary terms, which instruments, releases and termination statements shall be substantially identical to the comparable instruments, releases and termination statements executed by the Applicable First-Lien Collateral Agent in connection with such release (and shall be prepared by the Applicable First-Lien Collateral Agent).

(c) Each Junior-Lien Authorized Representative and each Junior-Lien Collateral Agent, for itself and on behalf of each Junior-Lien Secured Party under its Junior-Lien Debt Facility, hereby irrevocably constitutes and appoints the Applicable First-Lien Collateral Agent and any officer or agent of the Applicable First-Lien Collateral Agent, with full power of substitution, as its true and lawful attorney-in-fact with full irrevocable power and authority in the place and stead of such Junior-Lien Authorized Representative, such Junior-Lien Collateral Agent or such Junior-Lien Secured Party or in the Applicable First-Lien Collateral Agent's own name, from time to time in the Applicable First-Lien Collateral Agent's discretion, for the purpose of carrying out the terms of this Section 5.1, to take any and all appropriate action and to execute any and all documents and instruments that may be necessary or desirable to accomplish the purposes of this Section 5.1, including any termination statements, endorsements or other instruments of transfer or release (which appointment, being coupled with an interest, is irrevocable); provided that such appointment shall terminate automatically, without any action by the Applicable First-Lien Collateral Agent or any Junior-Lien Secured Party, upon the Discharge of First-Lien Obligations, and provided, further, that the Applicable First-Lien Collateral Agent shall notify such Junior-Lien Authorized Representative, such Junior-Lien Collateral Agent or such Junior-Lien Secured Party of any action taken by such Applicable First-Lien Collateral Agent as attorney-in-fact for such Junior-Lien Authorized Representative, such Junior-Lien Collateral Agent or such Junior-Lien Secured Party pursuant to this clause (c).

(d) Unless and until the Discharge of First-Lien Obligations has occurred, each Junior-Lien Authorized Representative and each Junior-Lien Collateral Agent, for itself and on behalf of each Junior-Lien Secured Party under its Junior-Lien Debt Facility, hereby consents to the application, whether prior to or after an Event of Default under any First-Lien Debt Document, of Deposit Account Collateral or proceeds of Shared Collateral to the repayment of First-Lien Obligations pursuant to the First-Lien Debt Documents.

(e) Notwithstanding anything to the contrary in any Junior-Lien Collateral Document, in the event the terms of a First-Lien Collateral Document and a Junior-Lien Collateral Document each require any Grantor to (i) make payment in respect of any item of Shared Collateral to, (ii) deliver or afford control over any item of Shared Collateral to, or deposit any item of Shared Collateral with, (iii) register ownership of any item of Shared Collateral in the name of or make an assignment of ownership of any Shared Collateral or the rights thereunder to, (iv) cause any securities intermediary, commodity intermediary or other Person acting in a similar capacity to agree to comply, in respect of any item of Shared Collateral, with instructions or orders from, or to treat, in respect of any item of Shared Collateral, as the entitlement holder, (v) hold any item of Shared Collateral in trust for (to the extent such item of Shared Collateral cannot be held in trust for multiple parties under applicable law), (vi) obtain the agreement of a bailee or other third party to hold any item of Shared Collateral for the benefit of or subject to the control of or, in respect of any item of Shared Collateral, to follow the instructions of, or (vii) obtain the agreement of a landlord with respect to access to leased premises where any item of Shared Collateral is located or waives or subordination of rights with respect to any item of Shared Collateral in favor of, in any case, both any First-Lien Collateral Agent and any Junior-Lien Authorized Representative, any Junior-Lien

Collateral Agent or Junior-Lien Secured Party, such Grantor may, until the applicable Discharge of First-Lien Obligations has occurred, comply with such requirement under the Junior-Lien Collateral Document as it relates to such Shared Collateral by taking any of the actions set forth above only with respect to, or in favor of, the First-Lien Collateral Agents (or the Applicable First-Lien Collateral Agent, subject to the terms of the First-Lien Intercreditor Agreement).

Section 6.2 Inspection; Insurance and Condemnation Awards. (a) Any First-Lien Secured Party and its Authorized Representatives and invitees may at any time inspect, repossess, remove and otherwise deal with the Shared Collateral, and any First-Lien Collateral Agent may advertise and conduct public auctions or private sales of the Shared Collateral, in each case without notice to, the involvement of or interference by any Junior-Lien Secured Party or liability to any Junior-Lien Secured Party.

(b) Unless and until the Discharge of First-Lien Obligations has occurred, the First-Lien Collateral Agents and the First-Lien Secured Parties shall have the sole and exclusive right, subject to the rights of the Grantors under the First-Lien Debt Documents, (i) to be named as additional insured and loss payee under any insurance policies maintained from time to time by any Grantor (except that to the extent provided for in the Junior-Lien Debt Documents, the Junior-Lien Collateral Agents shall have the right to be named as additional insureds and loss payees so long as their Junior-Lien status is identified in a manner satisfactory to the First-Lien Collateral Agents), (ii) to adjust settlement for any insurance policy covering the Shared Collateral in the event of any loss thereunder, and to make, adjust or settle any claim under any title insurance policy covering any Shared Collateral (including any such policy issued in favor of any Junior-Lien Collateral Agents, any Junior-Lien Authorized Representative and/or any Junior-Lien Secured Party (and each Junior-Lien Secured Party hereby authorizes the First-Lien Collateral Agents to make, adjust or settle any such claim with respect thereto as agent for each of the Junior-Lien Authorized Representatives, Junior-Lien Collateral Agents or Junior-Lien Secured Parties, which authorization, being coupled with an interest, is irrevocable) and (iii) to approve any award granted in any condemnation or similar proceeding affecting the Shared Collateral. Unless and until the Discharge of First-Lien Obligations has occurred, all proceeds of any such policy and any such award, if in respect of the Shared Collateral, shall be paid (A) first, prior to the occurrence of the Discharge of First-Lien Obligations, to the First-Lien Collateral Agents for the benefit of First-Lien Secured Parties pursuant to the terms of the First-Lien Debt Documents (and subject to the First-Lien Intercreditor Agreement to the extent applicable), (B) second, after the occurrence of the Discharge of First-Lien Obligations, to the Designated Junior-Lien Collateral Agent for the benefit of the Junior-Lien Secured Parties pursuant to the terms of the applicable Junior-Lien Debt Documents and (C) third, if no Junior-Lien Obligations are outstanding, to the owner of the subject property, such other Person as may be entitled thereto or as a court of competent jurisdiction may otherwise direct. So long as the Discharge of First-Lien Obligations has not occurred, if any Junior-Lien Authorized Representative, any Junior-Lien Collateral Agent or any Junior-Lien Secured Party shall, at any time, receive any proceeds of any such policy or any such award in contravention of this Agreement, it shall pay such proceeds over to the Applicable First-Lien Collateral Agent in accordance with the terms of Section 4.2.

Section 6.3 Junior-Lien Collateral Documents. (a) Each Junior-Lien Authorized Representative and each Junior-Lien Collateral Agent, for itself and on behalf of

each Junior-Lien Secured Party under its Junior-Lien Debt Facility, agrees that, unless otherwise agreed in writing by the First-Lien Collateral Agents, each Junior-Lien Collateral Document under its Junior-Lien Debt Facility shall include the following language (or language to a similar effect reasonably approved by the First-Lien Collateral Agents):

“Notwithstanding anything herein to the contrary, (i) the liens and security interests granted to the [*Junior-Lien Collateral Agent*] pursuant to this Agreement are expressly subject and subordinate to the liens and security interests granted in favor of the First-Lien Secured Parties (as defined in the Intercreditor Agreement referred to below), including, without limitation, liens and security interests granted to Bank of America, N.A., as administrative agent, pursuant to or in connection with the Amended and Restated Credit Agreement, dated as of February 19, 2013, as the same has been or may from time to time in the future be, further amended, amended and restated, supplemented or otherwise modified from time to time, among Holdings, the Company, the other guarantors party thereto, the lenders from time to time parties thereto and Deutsche Bank AG New York Branch, as administrative agent and collateral agent, and to the liens and security interests granted to Wells Fargo Bank, National Association, as collateral agent, pursuant to the Indenture dated as of May 9, 2012, among the Company, Holdings, the Guarantors identified therein, Wells Fargo Bank, National Association, as trustee and as collateral agent (as amended, supplemented or otherwise modified from time to time) and (ii) the exercise of any right or remedy by the [*Junior-Lien Collateral Agent*] hereunder is subject to the limitations and provisions of the Junior-Lien Intercreditor Agreement dated as of [], 20[] (as amended, restated, supplemented or otherwise modified from time to time, the “Intercreditor Agreement”), among the Company, Holdings, the other Grantors party thereto, Bank of America, N.A., as Credit Agreement Administrative Agent and Authorized Representative for the Credit Agreement Secured Parties, Wells Fargo Bank, National Association, as Initial Additional First-Lien Collateral Agent and Initial Additional First-Lien Authorized Representative, [], as Initial Junior-Lien Collateral Agent, [], as Initial Junior-Lien Authorized Representative and each additional Authorized Representative that becomes party thereto from time to time. In the event of any conflict between the terms of the Intercreditor Agreement and the terms of this Agreement, the terms of the Intercreditor Agreement shall govern.”

In addition, each Junior-Lien Authorized Representative and each Junior-Lien Collateral Agent, on behalf of the Junior-Lien Secured Parties, agree that each mortgage, if applicable, covering any Shared Collateral shall contain such other language as the Applicable First-Lien Collateral Agent may reasonably request to reflect the subordination of such mortgage to the First-Liens in respect of such Shared Collateral.

(b) In the event any First-Lien Collateral Agent enters into any amendment, waiver or consent in respect of any of the First-Lien Collateral Documents for the purpose of adding to, or deleting from, or waiving or consenting to any departures from any provisions of, any First-Lien Collateral Document or changing in any manner the rights of any parties thereunder, in each case solely with respect to any Shared Collateral, then such amendment, waiver or consent shall apply automatically to any comparable provision of the Junior-Lien Collateral Document without the consent of or action by any Junior-Lien Secured Party;

provided that notice of such amendment, waiver or consent shall be given to the Designated Junior-Lien Authorized Representative no later than 30 days after its effectiveness and, provided, further, that the failure to give such notice shall not affect the effectiveness and validity thereof.

(a) Anything contained herein to the contrary notwithstanding, until the Discharge of First-Lien Obligations has occurred, no Junior-Lien Collateral Document shall be entered into unless the Collateral covered thereby is also subject to a perfected first-priority interest in favor of each First-Lien Collateral Agent for the benefit of the First-Lien Secured Parties pursuant to the First-Lien Collateral Documents (other than with respect to Additional First-Lien Debt Obligations that, by their terms, are not intended to be secured by all of the First-Lien Collateral and, in particular, are not intended to be secured by such Collateral).

Section 6.4 Amendments to First-Lien Debt Documents; First-Lien Obligations. Each Junior-Lien Authorized Representative and each Junior-Lien Collateral Agent, on behalf of itself and the Junior-Lien Secured Parties, agrees that, without affecting the obligations of the Junior-Lien Secured Parties hereunder, the First-Lien Collateral Agents, the First-Lien Authorized Representatives and the First-Lien Secured Parties represented thereby may, at any time and from time to time, in their sole discretion without the consent of or notice to any such Junior-Lien Secured Party, and without incurring any liability to such Junior-Lien Secured Party or impairing or releasing the subordination provided for herein, amend, restate, supplement, replace, refinance, extend, consolidate, restructure or otherwise modify any of the First-Lien Debt Documents in any manner whatsoever, including to (i) change the manner, place, time or terms of payment, or renew, alter or increase, all or any of the First-Lien Obligations, or otherwise amend, restate, supplement or otherwise modify in any manner, or grant any waiver or release with respect to, all or any part of the First-Lien Obligations or any of the First-Lien Debt Documents, (ii) retain or obtain a Lien on any Property of any Person to secure any of the First-Lien Obligations, and in connection therewith to enter into any additional First-Lien Debt Documents, (iii) amend, or grant any waiver, compromise or release with respect to, or consent to any departure from, any guaranty or other obligation of any Person obligated in any manner under or in respect of the First-Lien Obligations, (iv) release its Lien on any Shared Collateral or other Property, (v) exercise or refrain from exercising any rights against any Grantor or any other Person, (vi) retain or obtain the primary or secondary obligation of any other Person with respect to any of the First-Lien Obligations, and (vii) otherwise manage and supervise the First-Lien Obligations as the applicable First-Lien Collateral Agents or First-Lien Authorized Representatives shall deem appropriate.

Section 6.5 Amendments to Junior-Lien Debt Documents. Each Junior-Lien Authorized Representative and each Junior-Lien Collateral Agent, on behalf of themselves and the Junior-Lien Secured Parties, agree that they shall not at any time execute or deliver any amendment or other modification to any of the Junior-Lien Debt Documents inconsistent with or in violation of this Agreement or any then effective First-Lien Debt Document. Subject to the immediately preceding sentence, each First-Lien Collateral Agent, on behalf of itself and the First-Lien Secured Parties represented thereby, agrees that, without affecting the obligations of the First-Lien Secured Parties hereunder, the Junior-Lien Authorized Representatives, the Junior-Lien Collateral Agents and the Junior-Lien Secured Parties may, at any time and from time to time, in their sole discretion without the consent of or notice to any First-Lien Secured Party (except to the extent such notice or consent is required pursuant to the express provisions

of this Agreement), and without incurring any liability to such First-Lien Secured Party or impairing or releasing the priority provided for herein, amend, restate, supplement, replace, refinance, extend, consolidate, restructure or otherwise modify any of the Junior-Lien Debt Documents in any manner whatsoever, including to (i) change the manner, place, time or terms of payment, or renew, alter or increase, all or any of the Junior-Lien Obligations, or otherwise amend, restate, supplement or otherwise modify in any manner, or grant any waiver or release with respect to, all or any part of the Junior-Lien Obligations or any of the Junior-Lien Debt Documents, (ii) retain or obtain a Lien on any Property of any Person to secure any of the Junior-Lien Obligations, and in connection therewith to enter into any additional Junior-Lien Debt Documents, (iii) amend, or grant any waiver, compromise or release with respect to, or consent to any departure from, any guaranty or other obligation of any Person obligated in any manner under or in respect of the Junior-Lien Obligations, (iv) release its Lien on any Shared Collateral or other Property, (v) exercise or refrain from exercising any rights against any Grantor or any other Person, (vi) retain or obtain the primary or secondary obligation of any other Person with respect to any of the Junior-Lien Obligations, and (vii) otherwise manage and supervise the Junior-Lien Obligations as the relevant Junior-Lien Authorized Representative shall deem appropriate.

Section 6.6 Copies of Amendment Documentation. The Company agrees to promptly deliver to the First-Lien Collateral Agents copies of (i) any amendments, supplements or other modifications to the Junior-Lien Collateral Documents and (ii) any new Junior-Lien Collateral Documents promptly after effectiveness thereof.

Section 6.7 Rights as Unsecured Creditors. Subject to Section 3.2 and Articles VI and VIII, the Junior-Lien Authorized Representatives, the Junior-Lien Collateral Agents and the Junior-Lien Secured Parties may exercise rights and remedies as unsecured creditors against the Company and any other Grantor in accordance with the terms of the Junior-Lien Debt Documents, applicable law and this Agreement. Nothing in this Agreement shall prohibit the receipt by any Junior-Lien Authorized Representative, any Junior-Lien Collateral Agent or any Junior-Lien Secured Party of the required payments of interest and principal so long as such receipt is not the direct or indirect result of (a) the exercise in contravention of this Agreement by any Junior-Lien Authorized Representative, any Junior-Lien Collateral Agent or any Junior-Lien Secured Party of rights or remedies as a secured creditor in respect of Shared Collateral or other Collateral or (b) enforcement in contravention of this Agreement of any Lien in respect of Junior-Lien Obligations held by any of them. Nothing in this Agreement shall impair or otherwise adversely affect any rights or remedies the First-Lien Collateral Agents, the First-Lien Authorized Representatives or the First-Lien Secured Parties may have with respect to the First-Lien Collateral.

Section 6.8 Gratuitous Bailee for Perfection. (a) Each First-Lien Collateral Agent acknowledges and agrees that if it shall at any time hold a Lien securing any First-Lien Obligations on any Shared Collateral that can be perfected by the possession or control of such Shared Collateral or of any account in which such Shared Collateral is held, and if such Shared Collateral or any such account is in fact in the possession or under the control of such First-Lien Collateral Agent, or of agents or bailees of such First-Lien Collateral Agent (such Shared Collateral being referred to herein as the "Pledged or Controlled Collateral"), or if it shall any time obtain any landlord waiver or bailee's letter or any similar agreement or arrangement

granting it rights or access to Shared Collateral, such First-Lien Collateral Agent shall also hold such Pledged or Controlled Collateral, or take such actions with respect to such landlord waiver, bailee's letter or similar agreement or arrangement, as sub-agent or gratuitous bailee for the relevant Junior-Lien Collateral Agent, in each case solely for the purpose of perfecting the Liens granted under the relevant Junior-Lien Collateral Documents and subject to the terms and conditions of this Section 5.8.

(b) In the event that any First-Lien Collateral Agent (or its agents or bailees) has Lien filings against Intellectual Property that is part of the Shared Collateral that are necessary for the perfection of Liens in such Shared Collateral, such First-Lien Collateral Agent agrees to hold such Liens as sub-agent and gratuitous bailee for the relevant Junior-Lien Collateral Agent and any assignee thereof, solely for the purpose of perfecting the security interest granted in such Liens pursuant to the relevant Junior-Lien Collateral Documents, subject to the terms and conditions of this Section 5.8 (such bailment being intended, among other things, to satisfy the requirements of Sections 8-106(d)(3), 8-301(a)(2) and 9-313(c) of the UCC).

(c) Except as otherwise specifically provided herein, until the Discharge of First-Lien Obligations has occurred, the First-Lien Collateral Agents shall be entitled to deal with the Pledged or Controlled Collateral in accordance with the terms of the First-Lien Debt Documents as if the Liens under the Junior-Lien Collateral Documents did not exist. The rights of the Junior-Lien Authorized Representatives, the Junior-Lien Collateral Agents and the Junior-Lien Secured Parties with respect to the Pledged or Controlled Collateral shall at all times be subject to the terms of this Agreement.

(d) No First-Lien Collateral Agent shall have any obligation whatsoever to any Junior-Lien Authorized Representative, any Junior-Lien Collateral Agent or any Junior-Lien Secured Party to assure that any of the Pledged or Controlled Collateral is genuine or owned by the Grantors or to protect or preserve rights or benefits of any Person or any rights pertaining to the Shared Collateral, except as expressly set forth in this Section 5.8. The duties or responsibilities of the First-Lien Collateral Agents under this Section 5.8 shall be limited solely to holding or controlling the Shared Collateral and the related Liens referred to in paragraphs (a) and (b) of this Section 5.8 as sub-agent and gratuitous bailee for the relevant Junior-Lien Collateral Agent for purposes of perfecting the Lien held by such Junior-Lien Collateral Agent.

(e) No First-Lien Collateral Agent shall have by reason of the Junior-Lien Collateral Documents or this Agreement, or any other document, a fiduciary relationship in respect of any Junior-Lien Authorized Representative, any Junior-Lien Collateral Agent or any Junior-Lien Secured Party, and each Junior-Lien Authorized Representative and each Junior-Lien Collateral Agent, for itself and on behalf of each Junior-Lien Secured Party under its Junior-Lien Debt Facility, hereby waives and releases each First-Lien Collateral Agent from all claims and liabilities arising pursuant to such First-Lien Collateral Agent's role under this Section 5.8 as sub-agent and gratuitous bailee with respect to the Shared Collateral.

(f) Upon the Discharge of First-Lien Obligations, the Applicable First-Lien Collateral Agent shall, at the Grantors' sole cost and expense, (A) deliver to the Designated Junior-Lien Collateral Agent all Shared Collateral, including all proceeds thereof, held or

controlled by the Applicable First-Lien Collateral Agent or any of its agents or bailees, including the transfer of possession and control, as applicable, of the Pledged or Controlled Collateral, together with any necessary endorsements and notices to depository banks, securities intermediaries and commodities intermediaries, and assign its rights under any landlord waiver or bailee's letter or any similar agreement or arrangement granting it rights or access to Shared Collateral (including pursuant to the delivery of change of agent notices under deposit account control agreements and similar agreements) or (B) if the Junior-Lien Obligations are not outstanding at such time, direct and deliver such Shared Collateral to the respective Grantors or as a court of competent jurisdiction may otherwise direct. The Company and the other Grantors shall take such further action as is required to effectuate the transfer contemplated hereby and shall indemnify each First-Lien Collateral Agent for loss or damage suffered by such First-Lien Collateral Agent as a result of such transfer, except to the extent such loss or damage is determined by a court of competent jurisdiction by a final and non appealable judgment to have been suffered by such First-Lien Collateral Agent as a result of its own willful misconduct, gross negligence or bad faith. No First-Lien Collateral Agent has any obligation to follow instructions from the Designated Junior-Lien Collateral Agent in contravention of this Agreement.

(g) None of the First-Lien Collateral Agents nor any of the First-Lien Authorized Representatives or First-Lien Secured Parties shall be required to marshal any present or future collateral security for any obligations of the Company or any Subsidiary or other Grantor to any First-Lien Collateral Agent, any First-Lien Authorized Representative or any First-Lien Secured Party under the First-Lien Debt Documents or any assurance of payment in respect thereof, or to resort to such collateral security or other assurances of payment in any particular order, and all of their rights in respect of such collateral security or any assurance of payment in respect thereof shall be cumulative and in addition to all other rights, however existing or arising.

Section 6.9 When Discharge of First-Lien Obligations Deemed to Not Have Occurred. If, in connection with the Discharge of First-Lien Obligations, the Company or any other Grantor enters into any substantially concurrent Refinancing of any First-Lien Obligations, then such Discharge of First-Lien Obligations shall automatically be deemed not to have occurred for all purposes of this Agreement and the applicable agreement governing such First-Lien Obligations shall automatically be treated as a First-Lien Debt Document for all purposes of this Agreement, including for purposes of the Lien priorities and rights in respect of Shared Collateral set forth herein and the granting by the Applicable First-Lien Collateral Agent of amendments, waivers and consents hereunder and the agent, representative or trustee for the holders of such First-Lien Obligations shall be a First-Lien Collateral Agent for all purposes of this Agreement. Upon receipt of notice that the Company has entered into a new First-Lien Debt Document (which notice shall include the identity of a new First-Lien Collateral Agent), each Junior-Lien Authorized Representative and each Junior-Lien Collateral Agent shall promptly (a) enter into such documents and agreements (at the expense of the Company), including amendments or supplements to this Agreement, as the Company or such new First-Lien Collateral Agent shall reasonably request in writing in order to provide the new First-Lien Collateral Agent the rights of a First-Lien Collateral Agent contemplated hereby, in each case consistent in all material respects with this Agreement, (b) to the extent required pursuant to the terms of the First-Lien Intercreditor Agreement, deliver to the new First-Lien Collateral Agent all Shared Collateral, including all proceeds thereof, held or controlled by such Junior-Lien

Authorized Representative or such Junior-Lien Collateral Agent or any of its agents or bailees, including the transfer of possession and control, as applicable, of the Pledged or Controlled Collateral, together with any necessary endorsements and notices to depositary banks, securities intermediaries and commodities intermediaries, and assign its rights under any landlord waiver or bailee's letter or any similar agreement or arrangement granting it rights or access to Shared Collateral, (c) notify any applicable insurance carrier that it is no longer entitled to be a loss payee or additional insured under the insurance policies of any Grantor issued by such insurance carrier and (d) notify any governmental authority involved in any condemnation or similar proceeding involving a Grantor that the new First-Lien Collateral Agent is entitled to approve any awards granted in such proceeding.

ARTICLE VII
Insolvency or Liquidation Proceedings

Section 7.1 Filing of Motions. Until the Discharge of First-Lien Obligations has occurred, each Junior-Lien Authorized Representative and each Junior-Lien Collateral Agent agrees on behalf of itself and the other Junior-Lien Secured Parties that no Junior-Lien Secured Party shall, in or in connection with any Insolvency or Liquidation Proceeding, file any pleadings or motions, take any position at any hearing or proceeding of any nature, join with or support any other Person doing so, or otherwise take any action whatsoever, including without limitation any such action that (a) violates, or is prohibited by, this Article VI (or, in the absence of an Insolvency or Liquidation Proceeding, otherwise would violate or be prohibited by this Agreement), (b) asserts any right, benefit or privilege that arises in favor of the Junior-Lien Authorized Representative, the Junior-Lien Collateral Agents or Junior-Lien Secured Parties, in whole or in part, as a result of their interest in the Shared Collateral (unless the assertion of such right is expressly permitted by this Agreement) or (c) challenges the validity, priority, enforceability or voidability of any Liens or claims held by any First-Lien Collateral Agent or any other First-Lien Secured Party with respect to the Shared Collateral, or the extent to which the First-Lien Obligations constitute secured claims or the value thereof under Section 506(a) of the Bankruptcy Code or otherwise; provided that the Designated Junior-Lien Authorized Representative or the Designated Junior-Lien Collateral Agent may (i) file a proof of claim in an Insolvency or Liquidation Proceeding and (ii) file any necessary responsive or defensive pleadings in opposition of any motion or other pleadings made by any Person objecting to or otherwise seeking the disallowance of the claims of the Junior-Lien Secured Parties on the Shared Collateral, subject to the limitations contained in this Agreement and only if consistent with the terms and the limitations on the Junior-Lien Authorized Representatives and Junior-Lien Collateral Agents imposed hereby.

Section 7.2 Financing Issues. Until the Discharge of First-Lien Obligations has occurred, if the Company or any other Grantor shall be subject to any Insolvency or Liquidation Proceeding, and if any First-Lien Secured Parties (or their respective Authorized Representative) or the Controlling First-Lien Parties (or the Applicable First-Lien Authorized Representative), shall desire to consent (or not object) to the sale, use or lease of collateral under the Bankruptcy Code or to provide financing to any Grantor under the Bankruptcy Code or to consent (or not object) to the provision of such debtor-in-possession financing to any Grantor by any third party (any such financing, "DIP Financing"), then each Junior-Lien Authorized Representative and each Junior-Lien Collateral Agent agrees, on behalf of itself and the other

Junior-Lien Secured Parties, that each Junior-Lien Secured Party (a) will be deemed to have consented to, will raise no objection to, nor support any other Person objecting to, and will not otherwise contest, the sale, use or lease of such collateral or to such DIP Financing, (b) will not request or accept adequate protection or any other relief in connection with the use of such cash collateral or such DIP Financing except as set forth in Section 6.4 and (c) will subordinate (and will be deemed hereunder to have subordinated) the Junior-Liens on any Shared Collateral (i) to such DIP Financing on the same terms as the First-Liens are subordinated thereto (and such subordination will not alter in any manner the terms of this Agreement), (ii) to any adequate protection provided to the First-Lien Secured Parties or the Junior-Lien Secured Parties, (iii) to any “carve-out” for professional and United States Trustee fees agreed to by the Applicable First-Lien Collateral Agent or the other First-Lien Secured Parties, and (iv) agrees that notice received two (2) calendar days prior to the entry of an order approving such usage of cash collateral or approving such financing shall be adequate notice. Nothing herein shall prohibit the Junior-Lien Secured Parties from (A) proposing any post-petition financing so long as the First-Lien Secured Parties are receiving post-petition interest in at least the same form being requested by the Junior-Lien Secured Parties or (B) other than with respect to any DIP Financing, objecting to any provision in any post-petition financing.

Section 7.3 Relief from the Automatic Stay. Until the Discharge of First-Lien Obligations has occurred, each Junior-Lien Authorized Representative and each Junior-Lien Collateral Agent, for itself and on behalf of each Junior-Lien Secured Party under its Junior-Lien Debt Facility, agrees that (a) none of them shall seek relief from the automatic stay or any other stay in any Insolvency or Liquidation Proceeding or take any action in derogation thereof, in each case in respect of any Shared Collateral, without the prior written consent of the Applicable First-Lien Collateral Agent and (b) it will raise no objection to, and will not support any objection to, and will not otherwise contest any motion for relief from the automatic stay or from any injunction against foreclosure or enforcement in respect of First-Lien Obligations made by any First-Lien Collateral Agent or any holder of First-Lien Obligations.

Section 7.4 Adequate Protection. Each Junior-Lien Authorized Representative and each Junior-Lien Collateral Agent, for itself and on behalf of each Junior-Lien Secured Party under its Junior-Lien Debt Facility, agrees that none of them shall object, contest, support or join with any other Person objecting to or contesting (a) any request by any First-Lien Collateral Agent, First-Lien Authorized Representative or First-Lien Secured Party for adequate protection, (b) any objection by any First-Lien Collateral Agent, First-Lien Authorized Representative or First-Lien Secured Party to any motion, relief, action or proceeding based on any First-Lien Collateral Agent’s or any First-Lien Authorized Representative’s or First-Lien Secured Party’s claiming a lack of adequate protection or (c) the payment of interest, fees, expenses or other amounts of any First-Lien Collateral Agent, any First-Lien Authorized Representative or any other First-Lien Secured Party. Each Junior-Lien Authorized Representative and each Junior-Lien Collateral Agent, on behalf of itself and the other Junior-Lien Secured Parties, further agrees that, prior to the Discharge of First-Lien Obligations, none of them shall (i) assert or enforce any claim under Section 506(b) or 506(c) of the Bankruptcy Code or otherwise that is senior to or on a parity with the First-Liens for costs or expenses of preserving or disposing of any Shared Collateral or (ii) seek or accept any form of adequate protection under any of Sections 362, 363 and/or 364 of the Bankruptcy Code. Notwithstanding anything contained in this Section 6.4 or Section 6.2, in any Insolvency or Liquidation Proceeding, (i) the Junior-Lien

Authorized Representatives, the Junior-Lien Collateral Agents and the Junior-Lien Secured Parties may seek, support, accept or retain adequate protection (A) only if the First-Lien Secured Parties are granted adequate protection that includes replacement liens on additional collateral and superpriority claims and the First-Lien Collateral Agents do not object to the adequate protection being provided to the First-Lien Secured Parties and (B) solely in the form of (1) a replacement Lien on such additional collateral, subordinated to the Liens securing the First-Lien Obligations and such DIP Financing on the same basis as the other Liens securing the Junior-Lien Obligations are so subordinated to the First-Lien Obligations under this Agreement and (2) superpriority claims junior in all respects to the superpriority claims granted to the First-Lien Secured Parties; provided, however, that the relevant Junior-Lien Authorized Representative or relevant Junior-Lien Collateral Agent, as applicable, shall have irrevocably agreed, pursuant to Section 1129(a)(9) of the Bankruptcy Code, on behalf of itself and the Junior-Lien Secured Parties for which it is acting, in any stipulation and/or order granting such adequate protection, that such junior superpriority claims may be paid, under any plan of reorganization under Chapter 11 of the Bankruptcy Code that the First-Lien Secured Parties and First-Lien Agent support, in any combination of cash, debt, equity or other property, and (ii) in the event any Junior-Lien Authorized Representative or any Junior-Lien Collateral Agent, on behalf of itself and the Junior-Lien Secured Parties, receives adequate protection, including in the form of additional collateral, then such Junior-Lien Authorized Representative or Junior-Lien Collateral Agent, on behalf of itself and the Junior-Lien Secured Parties, agrees that the First-Lien Secured Parties shall have a senior Lien and claim on such adequate protection as security for the First-Lien Obligations and that any Lien on any additional collateral securing the Junior-Lien Obligations shall be subordinated to the Liens on such Collateral securing the First-Lien Obligations and any DIP Financing (and all Obligations relating thereto) and any other Liens granted to the First-Lien Secured Parties as adequate protection, with such subordination to be on the same terms that the other Liens securing the Junior-Lien Obligations are subordinated to such First-Lien Obligations under this Agreement.

Section 7.5 Avoidance Issues. If any First-Lien Secured Party is required in any Insolvency or Liquidation Proceeding or otherwise to disgorge, turn over or otherwise pay to the estate of any Grantor, because such amount was avoided or ordered to be paid or disgorged for any reason, including without limitation because it was found to be a fraudulent or preferential transfer, any amount (a "Recovery"), whether received as proceeds of security, enforcement of any right of set-off or otherwise, then the First-Lien Obligations shall be reinstated to the extent of such Recovery and deemed to be outstanding as if such payment had not occurred and the Discharge of First-Lien Obligations shall be deemed not to have occurred. If this Agreement shall have been terminated prior to such Recovery, this Agreement shall be reinstated in full force and effect, and such prior termination shall not diminish, release, discharge, impair or otherwise affect the obligations of the parties hereto. The Junior-Lien Secured Parties agree that none of them shall be entitled to benefit from any avoidance action affecting or otherwise relating to any distribution or allocation made in accordance with this Agreement, whether by preference or otherwise, it being understood and agreed that the benefit of such avoidance action otherwise allocable to them shall instead be allocated and turned over for application in accordance with the priorities set forth in this Agreement. Any Shared Collateral or proceeds thereof received by any Junior-Lien Secured Party prior to the time of such Recovery shall be deemed to have been received prior to the Discharge of First-Lien Obligations and subject to the provisions of Section 4.2.

Section 7.6 Application. This Agreement shall be applicable prior to and after the commencement of any Insolvency or Liquidation Proceeding. All references herein to any Grantor shall apply to any trustee for such Person and such Person as debtor in possession. The relative rights as to the Shared Collateral and other Collateral and proceeds thereof shall continue after the filing thereof on the same basis as prior to the date of the petition, subject to any court order approving the financing of, or use of cash collateral by, any Grantor.

Section 7.7 Waivers. Until the Discharge of First-Lien Obligations has occurred, each Junior-Lien Authorized Representative and each Junior-Lien Collateral Agent, on behalf of itself and each applicable Junior-Lien Secured Party, (a) will not assert or enforce any claim under Section 506(c) of the Bankruptcy Code or seek to recover any amounts that any Grantor may obtain by virtue of any claim under such Section 506(c) for costs or expenses of preserving or disposing of any Shared Collateral or other Collateral, and (b) will not seek to exercise any rights under Section 1111(b) of the Bankruptcy Code and waives any claim it may now or hereafter have against any First-Lien Secured Party arising out of the election by any First-Lien Secured Parties of the application to the claims of any First-Lien Secured Party of Section 1111(b)(2) of the Bankruptcy Code.

Section 7.8 Asset Dispositions in an Insolvency Proceeding. In an Insolvency or Liquidation Proceeding or otherwise, neither the Junior-Lien Authorized Representatives, the Junior-Lien Collateral Agents nor any other Junior-Lien Secured Party shall oppose any sale or disposition of any Shared Collateral that is consented to or supported by the requisite First-Lien Secured Parties (or their respective Authorized Representative), and each Junior-Lien Authorized Representative, each Junior-Lien Collateral Agent and each other Junior-Lien Secured Party will be deemed to have consented under Section 363 of the Bankruptcy Code (and otherwise) to any sale supported by the requisite First-Lien Secured Parties and to have released their Liens on such assets.

Section 7.9 Separate Grants of Security and Separate Classifications. Each party to this Agreement acknowledges and agrees that (a) the grants of Liens pursuant to the First-Lien Collateral Documents and the Junior-Lien Collateral Documents constitute two separate and distinct grants of Liens and (b) because of, among other things, their differing rights in the Shared Collateral, the Junior-Lien Obligations are fundamentally different from the First-Lien Obligations and must be separately classified in any plan of reorganization proposed or adopted in an Insolvency or Liquidation Proceeding, and the First-Lien Secured Parties and the Junior-Lien Secured Parties shall be entitled to vote as separate classes on any plan of reorganization. To further effectuate the intent of the parties as provided in the immediately preceding sentence, if it is held that the claims of the First-Lien Secured Parties and the Junior-Lien Secured Parties in respect of the Shared Collateral constitute only one secured claim (rather than separate classes of senior and junior secured claims), then each Junior-Lien Authorized Representative and each Junior-Lien Collateral Agent, for itself and on behalf of each Junior-Lien Secured Party under its Junior-Lien Debt Facility, hereby acknowledges and agrees that all distributions shall be made as if there were separate classes of senior and junior secured claims against the Grantors in respect of the Shared Collateral (with the effect being that, to the extent that the aggregate value of the Shared Collateral is sufficient (for this purpose ignoring all claims held by the Junior-Lien Secured Parties), the First-Lien Secured Parties shall be entitled to receive, in addition to amounts distributed to them in respect of principal,

pre-petition interest and other claims, all amounts owing in respect of post-petition interest (whether or not allowed or allowable) before any distribution is made in respect of the Junior-Lien Obligations, with each Junior-Lien Authorized Representative and each Junior-Lien Collateral Agent, for itself and on behalf of each Junior-Lien Secured Party under its Junior-Lien Debt Facility, hereby acknowledging and agreeing to turn over to the Applicable First-Lien Collateral Agent amounts otherwise received or receivable by them to the extent necessary to effectuate the intent of this Section 6.9, even if such turnover has the effect of reducing the claim or Recovery of the Junior-Lien Secured Parties. Neither any Junior-Lien Authorized Representative, any Junior-Lien Collateral Agent nor any Junior-Lien Secured Party shall oppose or seek to challenge any claim by any First-Lien Collateral Agent or any First-Lien Secured Party for allowance in any Insolvency or Liquidation Proceeding of First-Lien Obligations consisting of post-petition interest, fees or expenses to the extent of the value of the First-Lien Secured Party's Lien, without regard to the existence of the Lien of any Junior-Lien Authorized Representative or any Junior-Lien Collateral Agent on behalf of the Junior-Lien Secured Parties on the Shared Collateral.

Section 7.10 No Waivers of Rights of First-Lien Secured Parties. Nothing contained herein shall prohibit or in any way limit any First-Lien Collateral Agent, any First-Lien Authorized Representative or any other First-Lien Secured Party from objecting in any Insolvency or Liquidation Proceeding or otherwise to any action taken by any Junior-Lien Secured Party, any Junior-Lien Collateral Agent or any Junior-Lien Authorized Representative, including the seeking by any Junior-Lien Secured Party of adequate protection or the assertion by any Junior-Lien Secured Party of any of its rights and remedies under the Junior-Lien Debt Documents or otherwise.

Section 7.11 Plans of Reorganization. No Junior-Lien Secured Party shall file, propose, support or vote in favor of any plan of reorganization (and each shall vote and shall be deemed to have voted to reject any plan of reorganization) that is inconsistent with the terms of this Agreement. To the extent that any Junior-Lien Secured Party attempts to vote or votes in favor of any plan of reorganization in a manner inconsistent with this Section 6.11, such Junior-Lien Secured Party irrevocably agrees that the Applicable First-Lien Collateral Agent may be, and may be deemed, an "authorized agent" of such party under Bankruptcy Rules 3018(c) and 9010, and that the Applicable First-Lien Collateral Agent shall be authorized and entitled to submit a superseding ballot on behalf of such Junior-Lien Secured Party that is consistent herewith.

Section 7.12 Other Matters. Except as set forth in Sections 6.1, 6.2, 6.4 and 6.8 hereof, to the extent that any Junior-Lien Authorized Representative, any Junior-Lien Collateral Agent or any Junior-Lien Secured Party has or acquires rights under Section 363 or Section 364 of the Bankruptcy Code or any similar provision of any other Bankruptcy Law with respect to any of the Shared Collateral, such Junior-Lien Authorized Representative or Junior-Lien Collateral Agent, on behalf of itself and each Junior-Lien Secured Party under its Junior-Lien Debt Facility, agrees not to assert any such rights without the prior written consent of the Applicable First-Lien Collateral Agent; provided that if requested by the First-Lien Collateral Agent, such Junior-Lien Authorized Representative or such Junior-Lien Collateral Agent, as applicable, shall timely exercise such rights in the manner requested by the Applicable First-Lien Collateral Agent, including any rights to payments in respect of such rights. Notwithstanding the

foregoing, nothing in this Section 6.12 shall be interpreted to broaden or expand the rights provided in, or waive any limitations, restrictions or prohibitions contained in, Sections 6.1, 6.2, 6.4 or 6.8 hereof.

Section 7.13 Reorganization Securities. If, in any Insolvency or Liquidation Proceeding, debt obligations of any reorganized debtor secured by Liens upon any property of such reorganized debtor are distributed, pursuant to a plan of reorganization or similar dispositive restructuring plan, on account of both the First-Lien Obligations and the Junior-Lien Obligations, then, to the extent the debt obligations distributed on account of the First-Lien Obligations and on account of the Junior-Lien Obligations are secured by Liens upon the same assets or property, the provisions of this Agreement will survive the distribution of such debt obligations pursuant to such plan and will apply with like effect to the Liens securing such debt obligations.

Section 7.14 Effectiveness in Insolvency Proceeding. This Agreement, which the parties hereto expressly acknowledge is a “subordination agreement” under Section 510(a) of the Bankruptcy Code or any similar provision of any other Bankruptcy Law, shall be effective before, during and after the commencement of any Insolvency or Liquidation Proceeding.

ARTICLE VIII Reliance; etc.

Section 8.1 Reliance. All loans and other extensions of credit made or deemed made on and after the date hereof by the First-Lien Secured Parties to Holdings, the Company or any other Grantor shall be deemed to have been given and made in reliance upon this Agreement. Each Junior-Lien Authorized Representative and each Junior-Lien Collateral Agent, on behalf of itself and each Junior-Lien Secured Party under its Junior-Lien Debt Facility, acknowledges that it and such Junior-Lien Secured Parties have, independently and without reliance on any First-Lien Collateral Agent or any First-Lien Authorized Representative or other First-Lien Secured Party, and based on documents and information deemed by them appropriate, made their own credit analysis and decision to enter into the Junior-Lien Debt Documents to which they are party or by which they are bound, this Agreement and the transactions contemplated hereby and thereby, and they will continue to make their own credit decision in taking or not taking any action under the Junior-Lien Debt Documents or this Agreement.

Section 8.2 No Warranties or Liability. Each Junior-Lien Authorized Representative and each Junior-Lien Collateral Agent, on behalf of itself and each Junior-Lien Secured Party under its Junior-Lien Debt Facility, acknowledges and agrees that neither any First-Lien Collateral Agent nor any First-Lien Authorized Representative or other First-Lien Secured Party has made any express or implied representation or warranty, including with respect to the execution, validity, legality, completeness, collectibility or enforceability of any of the First-Lien Debt Documents, the ownership of any Shared Collateral or the perfection or priority of any Liens thereon. The First-Lien Secured Parties will be entitled to manage and supervise their respective loans and extensions of credit under the First-Lien Debt Documents in accordance with law and as they may otherwise, in their sole discretion, deem appropriate, and the First-Lien Secured Parties may manage their loans and extensions of credit without regard to any rights or interests that the Junior-Lien Authorized Representatives, the Junior-Lien Collateral

Agents and the Junior-Lien Secured Parties have in the Shared Collateral or otherwise, except as otherwise provided in this Agreement. Neither any First-Lien Collateral Agent nor any First-Lien Authorized Representative or other First-Lien Secured Party shall have any duty to any Junior-Lien Authorized Representative, any Junior-Lien Collateral Agent or Junior-Lien Secured Party to act or refrain from acting in a manner that allows, or results in, the occurrence or continuance of an event of default or default under any agreement with the Company or any other Grantor (including the Junior-Lien Debt Documents), regardless of any knowledge thereof that they may have or be charged with.

Except as expressly set forth in this Agreement, the First-Lien Collateral Agents, the First-Lien Authorized Representatives, the First-Lien Secured Parties, the Junior-Lien Authorized Representatives, the Junior-Lien Collateral Agents and the Junior-Lien Secured Parties have not otherwise made to each other, nor do they hereby make to each other, any warranties, express or implied, nor do they assume any liability to each other with respect to (a) the enforceability, validity, value or collectibility of any of the First-Lien Obligations, the Junior-Lien Obligations or any guarantee or security which may have been granted to any of them in connection therewith, (b) any Grantor's title to or right to transfer any of the Shared Collateral or (c) any other matter except as expressly set forth in this Agreement.

Section 8.3 Obligations Unconditional. All rights, interests, agreements and obligations of the First-Lien Collateral Agents, the First-Lien Authorized Representatives, the First-Lien Secured Parties, the Junior-Lien Authorized Representatives, the Junior-Lien Collateral Agents and the Junior-Lien Secured Parties hereunder shall remain in full force and effect irrespective of:

(a) any lack of validity or enforceability of any First-Lien Debt Document or any Junior-Lien Debt Document;

(b) any change in the time, manner or place of payment of, or in any other terms of, all or any of the First-Lien Obligations or Junior-Lien Obligations, or any amendment or waiver or other modification, including any increase in the amount thereof, whether by course of conduct or otherwise, of the terms of the Credit Agreement or any other First-Lien Debt Document or of the terms of any Junior-Lien Debt Document;

ARTICLE IX
Miscellaneous

Section 9.1 Conflicts. Subject to Section 8.17, in the event of any conflict between the provisions of this Agreement and the provisions of any First-Lien Debt Document or any Junior-Lien Debt Document, the provisions of this Agreement shall govern. In the event of any conflict between this Agreement and the First-Lien Intercreditor Agreement, the provisions of the First-Lien Intercreditor Agreement shall govern.

Section 9.2 Continuing Nature of this Agreement; Severability. Subject to Section 6.5, this Agreement shall continue to be effective until Discharge of First-Lien Obligations and the indefeasible payment in full of the Junior-Lien Obligations shall have occurred. This is a continuing agreement of Lien subordination, and the First-Lien Secured Parties may continue, at any time and without notice to the Junior-Lien Authorized Representatives, the Junior-Lien Collateral Agents or any Junior-Lien Secured Party, to extend credit and other financial accommodations and lend monies to or for the benefit of the Company or any other Grantor constituting First-Lien Obligations in reliance hereon. The terms of this Agreement shall survive and continue in full force and effect in any Insolvency or Liquidation Proceeding. Any provision of this Agreement that is prohibited or unenforceable in any jurisdiction shall not invalidate the remaining provisions hereof, and any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction. The parties shall endeavor in good-faith negotiations to replace the invalid, illegal or unenforceable provisions with valid provisions the economic effect of which comes as close as possible to that of the invalid, illegal or unenforceable provisions.

Section 9.3 Amendments; Waivers. (a) No failure or delay on the part of any party hereto in exercising any right or power hereunder shall operate as a waiver thereof, nor shall any single or partial exercise of any such right or power, or any abandonment or discontinuance of steps to enforce such a right or power, preclude any other or further exercise thereof or the exercise of any other right or power. The rights and remedies of the parties hereto are cumulative and are not exclusive of any rights or remedies that they would otherwise have. No waiver of any provision of this Agreement or consent to any departure by any party therefrom shall in any event be effective unless the same shall be permitted by paragraph (b) of this Section 8.3, and then such waiver or consent shall be effective only in the specific instance and for the purpose for which given. No notice or demand on any party hereto in any case shall entitle such party to any other or further notice or demand in similar or other circumstances.

(b) Each First-Lien Authorized Representative and each Junior-Lien Authorized Representative may from time to time amend, modify, supplement or waive any provision hereof. Any such amendment, modification supplement or waiver shall be in writing and shall be binding upon the First-Lien Secured Parties and the Junior-Lien Secured Parties and their respective successors and assigns; provided that (x) the Applicable First-Lien Authorized Representative may, without the written consent of any other First-Lien Authorized Representative or any Junior-Lien Authorized Representative, modify this Agreement for the purpose of securing Additional First-Lien Debt Obligations and (y) additional Grantors may be added as parties to this Agreement in accordance with Section 8.7 hereof without the consent of any First-Lien Authorized Representative or Junior-Lien Authorized Representative; provided

further that such amendment, modification, supplement or waiver (other than as provided in the immediately preceding proviso) will require the Company's consent if it amends, modifies, supplements or waives the rights, interests or liabilities, or directly affects the privileges of, any Grantor.

(c) Notwithstanding the foregoing, without the consent of any Secured Party, any Authorized Representative may become a party hereto by execution and delivery of a Joinder Agreement in accordance with Section 8.8 and upon such execution and delivery, such Authorized Representative and the Secured Parties and First-Lien Obligations or Junior-Lien Obligations of the Debt Facility for which such Authorized Representative is acting shall be subject to the terms hereof. The parties hereto agree that, notwithstanding any failure by any First-Lien Authorized Representative to take the actions described in the immediately preceding sentence, each Person which becomes a New Credit Agreement Agent or an Additional Senior Class Debt Representative, as applicable, under, and as defined in, the First-Lien Intercreditor Agreement shall automatically benefit from the provisions hereof as fully as if same constituted an Additional First-Lien Debt Representative party hereto and had complied with the requirements of the immediately preceding sentence.

Section 9.4 Information Concerning Financial Condition of the Company and the Subsidiaries. Neither any First-Lien Collateral Agent, any First-Lien Authorized Representative nor any other First-Lien Secured Party shall have any obligation to any Junior-Lien Authorized Representative, any Junior-Lien Collateral Agent or any other Junior-Lien Secured Party to keep the Junior-Lien Authorized Representative, any Junior-Lien Collateral Agent or any Junior-Lien Secured Party informed of, and the Junior-Lien Authorized Representatives, the Junior-Lien Collateral Agents and the Junior-Lien Secured Parties shall not be entitled to rely on the First-Lien Collateral Agents, the First-Lien Authorized Representatives or the First-Lien Secured Parties with respect to, (a) the financial condition of the Grantors or any endorsers or guarantors of the First-Lien Obligations or the Junior-Lien Obligations or (b) any other circumstances bearing upon the risk of nonpayment of the First-Lien Obligations or the Junior-Lien Obligations. The First-Lien Collateral Agents, the First-Lien Authorized Representatives, the First-Lien Secured Parties, the Junior-Lien Authorized Representatives, the Junior-Lien Collateral Agents and the Junior-Lien Secured Parties shall have no duty to advise any other party hereunder of information known to it or them regarding such condition or any such circumstances or otherwise. In the event that any First-Lien Collateral Agent, any First-Lien Authorized Representative, any First-Lien Secured Party, any Junior-Lien Authorized Representative, any Junior-Lien Collateral Agent or any Junior-Lien Secured Party, in its sole discretion, undertakes at any time or from time to time to provide any such information to any other party, it shall be under no obligation to (i) make, and the First-Lien Collateral Agents, the First-Lien Authorized Representatives, the First-Lien Secured Parties, the Junior-Lien Authorized Representatives, the Junior-Lien Collateral Agents and the Junior-Lien Secured Parties shall not make or be deemed to have made, any express or implied representation or warranty, including with respect to the accuracy, completeness, truthfulness or validity of any such information so provided, (ii) provide any additional information or to provide any such information on any subsequent occasion, (iii) undertake any investigation or (iv) disclose any information that, pursuant to accepted or reasonable commercial finance practices, such party wishes to maintain confidential or is otherwise required to maintain confidential.

Section 9.5 Subrogation. Each Junior-Lien Authorized Representative and each Junior-Lien Collateral Agent, on behalf of itself and each Junior-Lien Secured Party under its Junior-Lien Debt Facility, hereby waives any rights of subrogation it may acquire as a result of any payment hereunder until the Discharge of First-Lien Obligations has occurred.

Section 9.6 Application of Payments. Except as otherwise provided herein, all payments received by the First-Lien Secured Parties may be applied, reversed and reapplied, in whole or in part, to such part of the First-Lien Obligations as the First-Lien Secured Parties, in their sole discretion, deem appropriate, consistent with the terms of the First-Lien Debt Documents and Section 4.1. Each Junior-Lien Authorized Representative and each Junior-Lien Collateral Agent, on behalf of itself and each applicable Junior-Lien Secured Party, assents to any such extension or postponement of the time of payment of the First-Lien Obligations or any part thereof and to any other indulgence with respect thereto, to any substitution, exchange or release of any security that may at any time secure any part of the First-Lien Obligations and to the addition or release of any other Person primarily or secondarily liable therefor.

Section 9.7 Additional Grantors. It is understood and agreed that Holdings, the Company and each other Grantor on the date of this Agreement shall constitute the original Grantors party hereto. The original Grantors hereby covenant and agree to cause each Subsidiary of the Company which becomes a Loan Party after the date hereof to contemporaneously become a party hereto (as a Grantor) by executing and delivering to the then Applicable First-Lien Authorized Representative and Designated Junior-Lien Authorized Representative an assumption agreement substantially in the form of Annex II hereto (with such changes as may be reasonably approved by then Applicable First-Lien Authorized Representative, Designated Junior-Lien Authorized Representative and the Company). The parties hereto further agree that, notwithstanding any failure to take the actions required by the immediately preceding sentence, each Person which becomes a Grantor at any time (and any security granted by any such Person) shall be subject to the provisions hereof as fully as if same constituted a Grantor party hereto and had complied with the requirements of the immediately preceding sentence.

Section 9.8 Additional Debt Facilities. (a) To the extent, but only to the extent, permitted by the provisions of the First-Lien Debt Documents and the Junior-Lien Debt Documents which are then in effect, the Company may incur or issue and sell one or more series or classes of Junior-Lien Debt after the date hereof. Any such additional class or series of Junior-Lien Debt (the "Additional Junior-Lien Debt") may be secured by a junior Lien on Shared Collateral, in each case under and pursuant to the relevant Junior-Lien Collateral Documents for such Additional Junior-Lien Debt, if and subject to the condition that the Junior-Lien Authorized Representative and the Junior-Lien Collateral Agent of any such Additional Junior-Lien Debt (such Junior-Lien Authorized Representative and such Junior-Lien Collateral Agent, each an "Additional Junior-Lien Debt Representative"), acting on behalf of the holders of such Additional Junior-Lien Debt (such Additional Junior-Lien Debt Representatives and holders in respect of any Additional Junior-Lien Debt being referred to as the "Additional Junior-Lien Secured Parties"), becomes a party to this Agreement by satisfying conditions (i) through (iii), of the immediately succeeding paragraph.

In order for an Additional Junior-Lien Debt Representative to become a party to this Agreement:

(i) each Additional Junior-Lien Debt Representative of the respective class or series of Additional Junior-Lien Debt and each Grantor then party hereto shall have executed and delivered to the Applicable First-Lien Authorized Representative a Joinder Agreement substantially in the form of Annex III hereto (with such changes as may be reasonably approved by the Applicable First-Lien Authorized Representative and such Additional Junior-Lien Debt Representative) pursuant to which such Additional Junior-Lien Debt Representative (or each such Additional Junior-Lien Debt Representative, as appropriate) becomes an Authorized Representative hereunder, and the Additional Junior-Lien Debt in respect of which such Additional Junior-Lien Debt Representative is the Authorized Representative and the related Additional Junior-Lien Secured Parties become subject hereto and bound hereby;

(ii) the Company shall have delivered to the Applicable First-Lien Collateral Agent (x) true and complete copies of each of the Junior-Lien Debt Documents relating to such Additional Junior-Lien Debt (which shall be secured by all or any portion of Shared Collateral), certified as being true and correct by a Responsible Officer of the Company, and (y) a certificate of an authorized officer (A) identifying the obligations to be designated as additional Junior-Lien Obligations and the initial aggregate principal amount or face amount thereof and (B) certifying that the incurrence of such Junior-Lien Obligations, the creation of the Liens securing such Junior-Lien Obligations and the designation of such Junior-Lien Obligations as “Junior-Lien Obligations” hereunder do not violate or result in a default under any provision of any First-Lien Debt Document or Junior-Lien Debt Document in effect at such time; and

(iii) the Junior-Lien Debt Documents, as applicable, relating to such Additional Junior-Lien Debt shall provide, in a manner reasonably satisfactory to the Applicable First-Lien Authorized Representative, that each Additional Junior-Lien Secured Party with respect to such Additional Junior-Lien Debt will be subject to and bound by the provisions of this Agreement in its capacity as a holder of such Additional Junior-Lien Debt.

(b) Any class or series of Additional First-Lien Debt or any replacement Credit Agreement (and the related First-Lien Obligations) may be secured by a senior Lien on Shared Collateral, in each case under and pursuant to the relevant First-Lien Collateral Documents and the First-Lien Intercreditor Agreement. The First-Lien Authorized Representative and the First-Lien Collateral Agent of any such First-Lien Facilities (such First-Lien Authorized Representative and such First-Lien Collateral Agent, each an “Additional First-Lien Debt Representative”), acting on behalf of the holders of such First-Lien Facilities, may become a party to this Agreement by satisfying the conditions set forth in the immediately succeeding sentence. In order for an Additional First-Lien Debt Representative to become a party to this Agreement, such Additional First-Lien Debt Representative shall have executed and delivered to the Applicable First-Lien Authorized Representative a Joinder Agreement substantially in the form of Annex IV hereto (with such changes as may be reasonably approved by the Applicable First-Lien Authorized Representative and such Additional First-Lien Debt Representative) pursuant to which such Additional First-Lien Debt Representative becomes a First-Lien Authorized Representative and/or First-Lien Collateral Agent hereunder.

NOTWITHSTANDING ANYTHING TO THE CONTRARY CONTAINED ABOVE IN THIS SECTION 8.8(b) OR ELSEWHERE IN THIS AGREEMENT, EACH FIRST-LIEN AUTHORIZED REPRESENTATIVE WHICH AT ANY TIME IS AN "AUTHORIZED REPRESENTATIVE" UNDER, AND AS DEFINED IN, THE FIRST-LIEN INTERCREDITOR AGREEMENT, AND ALL "FIRST LIEN SECURED PARTIES" AS DEFINED IN THE FIRST-LIEN INTERCREDITOR AGREEMENT (WITH RESPECT TO THE FIRST LIEN OBLIGATIONS HELD BY THEM FROM TIME TO TIME), SHALL AUTOMATICALLY BE ENTITLED TO THE BENEFIT OF ALL PROVISIONS OF THIS AGREEMENT (AND SHALL CONSTITUTE THIRD-PARTY BENEFICIARIES HEREOF) WHETHER OR NOT THEIR RESPECTIVE AUTHORIZED REPRESENTATIVES (AS DEFINED IN THE FIRST-LIEN INTERCREDITOR AGREEMENT) SHALL HAVE BECOME PARTY HERETO OR TAKEN THE ACTIONS DESCRIBED ABOVE IN THIS SECTION 8.8(b). THE PROVISIONS OF THIS AGREEMENT (INCLUDING WITHOUT LIMITATION THE PROVISIONS OF THIS PARAGRAPH) ARE ENTERED INTO FOR THE EXPRESS BENEFIT OF THE FIRST-LIEN SECURED PARTIES AND MAY NOT BE MODIFIED TO THEIR DETRIMENT WITHOUT THE CONSENT OF THE AUTHORIZED REPRESENTATIVES FOR EACH CLASS OF FIRST-LIEN OBLIGATIONS THEN OUTSTANDING.

Section 9.9 Consent to Jurisdiction; Waivers. Each First-Lien Collateral Agent and each Authorized Representative irrevocably and unconditionally:

(a) submits for itself and its property in any legal action or proceeding relating to this Agreement and the Collateral Documents, or for recognition and enforcement of any judgment in respect thereof, to the exclusive general jurisdiction of the courts of the State of New York, the courts of the United States of America for the Southern District of New York, and appellate courts from any thereof;

(b) consents that any such action or proceeding may be brought in such courts and waives any objection that it may now or hereafter have to the venue of any such action or proceeding in any such court or that such action or proceeding was brought in an inconvenient court and agrees not to plead or claim the same;

(c) agrees that service of process in any such action or proceeding may be effected by mailing a copy thereof by registered or certified mail (or any substantially similar form of mail), postage prepaid, to such Person at the address referred to in Section 8.10;

(d) agrees that nothing herein shall affect the right of any other party hereto (or any Secured Party) to effect service of process in any other manner permitted by law; and

(e) waives, to the maximum extent not prohibited by law, any right it may have to claim or recover in any legal action or proceeding referred to in this Section 8.9 any special, exemplary, punitive or consequential damages.

Section 9.12 Governing Law; Waiver of Jury Trial. (A) THIS AGREEMENT SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF NEW YORK.

(B) EACH PARTY HERETO HEREBY IRREVOCABLY AND UNCONDITIONALLY WAIVES TRIAL BY JURY IN ANY LEGAL ACTION OR PROCEEDING RELATING TO THIS AGREEMENT AND FOR ANY COUNTERCLAIM THEREIN.

Section 9.13 Binding on Successors and Assigns. This Agreement shall be binding upon the First-Lien Collateral Agents, the First-Lien Authorized Representatives, the First-Lien Secured Parties, the Junior-Lien Authorized Representatives, the Junior-Lien Collateral Agents, the Junior-Lien Secured Parties, the Company, the other Grantors party hereto and their respective successors and assigns. Any successor of any Collateral Agent or Authorized Representative will automatically succeed to and become vested with all the rights, powers, privileges and duties of a Collateral Agent or Authorized Representative hereunder, as applicable. Notwithstanding the immediately preceding sentence, any successor of any Collateral Agent or Authorized Representative will execute and deliver any documents and instruments as shall be reasonably requested by the Applicable First-Lien Authorized Representative to evidence its succession as a Collateral Agent or Authorized Representative, as applicable, and its becoming party to this Agreement.

Section 9.14 Specific Performance. The First-Lien Collateral Agents may demand specific performance of this Agreement. Each Junior-Lien Authorized Representative and each Junior-Lien Collateral Agent hereby irrevocably waives any defense based on the adequacy of a remedy at law and any other defense that might be asserted to bar the remedy of specific performance in any action that may be brought by any First-Lien Collateral Agent.

Section 9.15 Section Titles. The section titles contained in this Agreement are and shall be without substantive meaning or content of any kind whatsoever and are not a part of this Agreement.

Section 9.16 Counterparts. This Agreement may be executed in one or more counterparts, including by means of facsimile, each of which shall be an original and all of which shall together constitute one and the same document. Delivery of an executed signature page to this Agreement by facsimile or electronic transmission shall be as effective as delivery of a manually signed counterpart of this Agreement.

Section 9.17 Authorization. By its signature, each Person executing this Agreement on behalf of a party hereto represents and warrants to the other parties hereto that it is duly authorized to execute this Agreement. Each of the Initial Junior-Lien Authorized Representative and the Initial Junior-Lien Collateral Agent represents and warrants that this Agreement is binding upon the Initial Junior-Lien Authorized Representative, the Initial Junior-Lien Collateral Agent and the Initial Junior-Lien Secured Parties.

Section 9.18 No Third Party Beneficiaries; Successors and Assigns. The lien priorities set forth in this Agreement and the rights and benefits hereunder in respect of such lien

priorities shall inure solely to the benefit of the First-Lien Collateral Agents, the First-Lien Authorized Representatives, the First-Lien Secured Parties, the Junior-Lien Authorized Representatives, the Junior-Lien Collateral Agents and the Junior-Lien Secured Parties, and their respective permitted successors and assigns, and no other Person (including the Grantors, or any trustee, receiver, debtor in possession or bankruptcy estate in a bankruptcy or like proceeding) shall have or be entitled to assert such rights.

Section 9.19 Effectiveness. This Agreement shall become effective when executed and delivered by the original parties hereto listed in the introductory paragraph hereto. This Agreement shall be effective both before and after the commencement of any Insolvency or Liquidation Proceeding. All references to the Company or any other Grantor shall include the Company or any other Grantor as debtor and debtor-in-possession and any receiver or trustee for the Company or any other Grantor (as the case may be) in any Insolvency or Liquidation Proceeding.

It is understood and agreed that (a) the Credit Agreement Administrative Agent is entering into this Agreement in its capacities as administrative agent and collateral agent under the Credit Agreement and the provisions of Article X of the Credit Agreement applicable to it as administrative agent and collateral agent thereunder shall also apply to it as a First-Lien Collateral Agent hereunder, (b) the Initial Additional First-Lien Collateral Agent is entering into this Agreement in its capacities as trustee and collateral agent under the Initial Additional First-Lien Agreement and the provisions of Sections 7 and 10 thereunder shall also apply to it as a First-Lien Collateral Agent hereunder and (c) the Initial Junior-Lien Collateral Agent is entering into this Agreement in its capacity as [trustee and collateral agent] under the indenture referred to the definition of "Initial Junior-Lien Debt Documents" and the provisions of [] of such indenture applicable to such [trustee] thereunder shall also apply to such [trustee] hereunder.

Section 9.21 Relative Rights. Notwithstanding anything in this Agreement to the contrary (except to the extent contemplated by Section 5.1(a) or 5.1(d)), nothing in this Agreement is intended to or will (a) permit the Company or any other Grantor to take any action, or fail to take any action, to the extent such action or failure would otherwise constitute a breach of, or default under, the Credit Agreement or any other First-Lien Debt Document or any Junior-Lien Debt Documents, (b) change the relative priorities of the First-Lien Obligations or the Liens granted under the First-Lien Collateral Documents on the Shared Collateral (or any other assets) as among the First-Lien Secured Parties, (c) otherwise change the relative rights of the First-Lien Secured Parties in respect of the Shared Collateral as among such First-Lien Secured Parties or (d) obligate the Company or any other Grantor to take any action, or fail to take any action, that would otherwise constitute a breach of, or default under, the Credit Agreement or any other First-Lien Debt Document or any Junior-Lien Debt Document.

Section 9.22 Intercreditor Agreements. Each party hereto agrees that the First-Lien Secured Parties (as among themselves) and the Junior-Lien Secured Parties (as among themselves) may each enter into intercreditor agreements (or similar arrangements) with (x) in the case of First-Lien Obligations, the applicable First-Lien Collateral Agents and applicable First-Lien Authorized Representatives, or (y) in the case of Junior-Lien Obligations, the applicable Junior-Lien Authorized Representatives and applicable Junior-Lien Collateral

In any event, if a respective intercreditor agreement (or similar arrangement) exists (except for the First-Lien Intercreditor Agreement), the provisions thereof shall not be (or be construed to be) an amendment, modification or other change to this Agreement or any other First-Lien Collateral Document or Junior-Lien Collateral Document, and the provisions of this Agreement and the other First-Lien Collateral Documents and Junior-Lien Collateral Documents shall remain in full force and effect in accordance with the terms hereof and thereof (as such provisions may be amended, modified or otherwise supplemented from time to time in accordance with the terms thereof, including to give effect to any intercreditor agreement (or similar arrangement))

Section 9.23 Acknowledgement. Each Junior-Lien Authorized Representative and each Junior-Lien Collateral Agent hereby acknowledges that there are assets of the Company, the other Grantors and their Subsidiaries which are subject to Liens in favor of the First-Lien Secured Parties or other creditors but which do not constitute Shared Collateral, and nothing in this Agreement shall grant or imply the grant of any Lien or other security interest in such assets in favor of any Junior-Lien Secured Party to secure any Junior-Lien Obligations.

(l) any assets the pledge of which is prohibited by law or by agreements containing anti-assignment clauses not overridden by the Uniform Commercial Code or other applicable law; and

(m) any asset with respect to which the Company has reasonably determined in writing that the costs of providing a security interest in such asset or perfection thereof is excessive in view of the benefits to be obtained by the Collateral Agent (but only to the extent that and for so long as any such asset is not subject to a Lien securing any other First Lien Obligations).

SECTION 2.05. Registration in Nominee Name; Denominations. If an Event of Default shall occur and be continuing, (a) the Collateral Agent, on behalf of the Secured Parties, shall have the right (in its sole and absolute discretion) to hold the Pledged Securities in its own name as pledgee, the name of its nominee (as pledgee or as sub-agent) or the name of the applicable Grantor, endorsed or assigned in blank or in favor of the Collateral Agent, and each Grantor will promptly give to the Collateral Agent copies of any notices or other communications received by it with respect to Pledged Securities registered in the name of such Grantor and (b) the Collateral Agent shall have the right to exchange the certificates representing Pledged Securities for certificates of smaller or larger denominations for any purpose consistent

with this Agreement; *provided*, that the Collateral Agent shall give the Company prior notice of its intent to exercise such rights unless an Event of Default under paragraphs 8 or 9 of Section 6.01 of the Indenture shall have occurred and be continuing in which case no notice shall be required.

SECTION 2.06. Voting Rights; Dividends and Interest. (a) Unless and until an Event of Default shall have occurred and be continuing and the Collateral Agent shall have notified the Company that the rights of the Grantors under this Section 2.06 are being suspended:

(i) Each Grantor shall be entitled to exercise any and all voting and/or other consensual rights and powers inuring to an owner of Pledged Securities or any part thereof for any purpose consistent with the terms of the Indenture, this Agreement and the other Security Documents; *provided* that such rights and powers shall not be exercised in any manner, except as may be expressly permitted under the Indenture, this Agreement or the other Security Documents, that would materially and adversely affect the rights inuring to a holder of any Pledged Securities or the rights and remedies of any of the Collateral Agent or the other Secured Parties under the Indenture, this Agreement or any other Security Document or the ability of the Secured Parties to exercise the same.

(ii) The Collateral Agent shall execute and deliver to each Grantor, or cause to be executed and delivered to each Grantor, all such proxies, powers of attorney and other instruments as each Grantor may reasonably request in writing for the purpose of enabling such Grantor to exercise the voting and/or consensual rights and powers it is entitled to exercise pursuant to subparagraph (i) above.

(iii) Each Grantor shall be entitled to receive and retain any and all dividends, interest, principal and other distributions paid on or distributed in respect of the Pledged Securities to the extent and only to the extent that such dividends, interest, principal and other distributions are permitted by, and otherwise paid or distributed in accordance with, the terms and conditions of the Indenture, the Security Documents and applicable Laws; *provided* that any noncash (and non-cash equivalent) dividends, interest, principal or other distributions that would constitute Pledged Equity or Pledged Debt, whether resulting from a subdivision, combination or reclassification of the outstanding Equity Interests of the issuer of any Pledged Securities or received in exchange for Pledged Securities or any part thereof, or in redemption thereof, or as a result of any merger, consolidation, acquisition or other exchange of assets to which such issuer may be a party or otherwise, shall be and become part of the Pledged Collateral, and, if received by any Grantor, shall not be commingled by such Grantor with any of its other funds or property but shall be held separate and apart therefrom, shall be held in trust for the benefit of the Collateral Agent and the Secured Parties and shall be forthwith delivered to the Collateral Agent in the same form as so received (with any necessary endorsement reasonably requested by the Collateral Agent).

(b) Upon the occurrence and during the continuance of an Event of Default, after the Collateral Agent shall have notified the Company of the suspension of the rights of the Grantors under paragraph (a)(iii) of this Section 2.06, then all rights of any Grantor to dividends, interest, principal or other distributions that such Grantor is authorized to receive pursuant to

paragraph (a)(iii) of this Section 2.06 shall cease, and all such rights shall thereupon become vested in the Collateral Agent, which shall have the sole and exclusive right and authority to receive and retain such dividends, interest, principal or other distributions. All dividends, interest, principal or other distributions received by any Grantor contrary to the provisions of this Section 2.06 shall be held in trust for the benefit of the Collateral Agent, shall be segregated from other property or funds of such Grantor and shall be forthwith delivered to the Collateral Agent upon demand in the same form as so received (with any necessary endorsement reasonably requested by the Collateral Agent). Any and all money and other property paid over to or received by the Collateral Agent pursuant to the provisions of this paragraph (b) shall be retained by the Collateral Agent in an account to be established by the Collateral Agent upon receipt of such money or other property and shall be applied in accordance with the provisions of Section 4.02 hereof. After all Events of Default have been cured or waived, the Collateral Agent shall promptly repay to each Grantor (without interest) all dividends, interest, principal or other distributions that such Grantor would otherwise be permitted to retain pursuant to the terms of paragraph (a)(iii) of this Section 2.06 and that remain in such account.

(c) Upon the occurrence and during the continuance of an Event of Default, after the Collateral Agent shall have notified the Company of the suspension of the rights of the Grantors under paragraph (a)(i) of this Section 2.06, then all rights of any Grantor to exercise the voting and consensual rights and powers it is entitled to exercise pursuant to paragraph (a)(i) of this Section 2.06, and the obligations of the Collateral Agent under paragraph (a)(ii) of this Section 2.06, shall cease, and all such rights shall thereupon become vested in the Collateral Agent, which shall have the sole and exclusive right and authority to exercise such voting and consensual rights and powers; *provided* that, unless otherwise directed by Holders of a majority in aggregate principal amount of the then outstanding Notes, the Collateral Agent shall have the right from time to time following and during the continuance of an Event of Default to permit the Grantors to exercise such rights at the discretion of the Collateral Agent. After all Events of Default have been cured or waived, each Grantor shall have the exclusive right to exercise the voting and/or consensual rights and powers that such Grantor would otherwise be entitled to exercise pursuant to the terms of paragraph (a)(i) of this Section 2.06.

(d) Any notice given by the Collateral Agent to the Company suspending the rights of the Grantors under paragraph (a) of this Section 2.06 (i) shall be given in writing, (ii) may be given with respect to one or more of the Grantors at the same or different times and (iii) may suspend the rights of the Grantors under paragraph (a)(i) or paragraph (a)(iii) of this Section 2.06 in part without suspending all such rights (as specified by the Collateral Agent in its sole and absolute discretion) and without waiving or otherwise affecting the Collateral Agent's rights to give additional notices from time to time suspending other rights so long as an Event of Default has occurred and is continuing.

SECTION 2.07. Collateral Agent Not a Partner or Limited Liability Company Member. Nothing contained in this Agreement shall be construed to make the Collateral Agent or any other Secured Party liable as a member of any limited liability company or as a partner of any partnership and neither the Collateral Agent nor any other Secured Party by virtue of this Agreement or otherwise (except as referred to in the following sentence) shall have any of the duties, obligations or liabilities of a member of any limited liability company or as a partner in any partnership. The parties hereto expressly agree that this Agreement shall not be construed as creating a partnership or joint venture among the Collateral Agent, any other Secured Party, any Grantor and/or any other Person.

ARTICLE III

Security Interests in Personal Property

SECTION 3.01. Security Interest. (a) As security for the payment or performance, as the case may be, in full of the Obligations, including the Guarantees, each Grantor hereby grants to the Collateral Agent, its successors and assigns, for the benefit of the Secured Parties, a security interest (the “**Security Interest**”) in and lien on all right, title or interest in or to any and all of the following assets and properties now owned or at any time hereafter acquired by such Grantor or in which such Grantor now has or at any time in the future may acquire any right, title or interest (collectively, the “**Article 9 Collateral**”):

- (i) all Accounts;
- (ii) all Chattel Paper;
- (iii) all Commercial Tort Claims listed on Schedule II hereto;
- (iv) all Deposit Accounts;
- (v) all Documents;
- (vi) all Equipment;
- (vii) all General Intangibles;
- (viii) all Goods;
- (ix) all Instruments;
- (x) all Inventory;
- (xi) all Investment Property;
- (xii) all books and records pertaining to the Article 9 Collateral; and

(xiii) to the extent not otherwise included, all Proceeds and products of any and all of the foregoing and all supporting obligations, collateral security and guarantees given by any Person with respect to any of the foregoing;

provided that notwithstanding anything to the contrary in this Agreement, this Agreement shall not constitute a grant of a security interest in any Excluded Asset (which Excluded Assets, for the avoidance of doubt, shall not constitute “Article 9 Collateral”).

(b) Each Grantor hereby irrevocably authorizes the Collateral Agent for the benefit of the Secured Parties at any time and from time to time to file in any relevant

jurisdiction any initial financing statements (including fixture filings) with respect to the Article 9 Collateral or any part thereof and amendments thereto that (i) indicate the Collateral as all assets of such Grantor or words of similar effect as being of an equal or lesser scope or with greater detail, and (ii) contain the information required by Article 9 of the Uniform Commercial Code or the analogous legislation of each applicable jurisdiction for the filing of any financing statement or amendment, including (A) whether such Grantor is an organization, the type of organization and, if required, any organizational identification number issued to such Grantor and (B) in the case of a financing statement filed as a fixture filing, a sufficient description of the real property to which such Article 9 Collateral relates; *provided, however*, that the right of the Collateral Agent to file financing statements hereunder shall not be construed as a duty to do so. Each Grantor agrees to provide such information to the Collateral Agent promptly upon any reasonable request. Each Grantor shall file on behalf of the Collateral Agent, for the benefit of the Secured Parties, any financing statements in the relevant jurisdiction necessary to perfect the security interests in the Article 9 Collateral granted hereunder.

(c) The Security Interest is granted as security only and shall not subject the Collateral Agent or any other Secured Party to, or in any way alter or modify, any obligation or liability of any Grantor with respect to or arising out of the Article 9 Collateral.

(d) The Collateral Agent is authorized to file with the USPTO or the USCO (or any successor office in the United States or any applicable office in any other country) such documents as may be necessary or advisable for the purpose of perfecting, confirming, continuing, enforcing or protecting the Security Interest in United States Intellectual Property that constitutes Article 9 Collateral granted by each Grantor, without the signature of any Grantor, and naming any Grantor or the Grantor as debtors and the Collateral Agent as a secured party; *provided, however*, that such authorization shall not be construed as a duty on the part of the Collateral Agent to file such documents.

(e) Notwithstanding anything to the contrary in the Indenture, none of the Grantors shall be required to enter into any deposit account control agreement or securities account control agreement with respect to any deposit account or securities account.

SECTION 3.02. Representations and Warranties. Holdings and the Company jointly and severally represent and warrant, as to themselves and the other Grantors, to the Collateral Agent and the Secured Parties that:

(a) Each Grantor has good and valid rights in and title to the material Article 9 Collateral with respect to which it has purported to grant a Security Interest hereunder and has full power and authority to grant to the Collateral Agent the Security Interest in such Article 9 Collateral pursuant hereto and to execute, deliver and perform its obligations in accordance with the terms of this Agreement, without the consent or approval of any other Person other than any consent or approval that has been obtained.

(b) The information set forth in the Perfection Certificate, including the exact legal name of each Grantor, is correct and complete in all material respects as of the date hereof. The Uniform Commercial Code financing statements (including fixture filings, as applicable) or other appropriate filings, recordings or registrations prepared based upon the information

provided to the Collateral Agent in the Perfection Certificate for filing in each governmental, municipal or other office specified in Schedule 6 to the Perfection Certificate (or specified by notice from the Company to the Collateral Agent after the date hereof in the case of filings, recordings or registrations (other than filings required to be made in the USPTO and the USCO in order to perfect the Security Interest in Article 9 Collateral consisting of United States Patents, Trademarks and Copyrights) required by Section 10.03 of the Indenture), are all the filings, recordings and registrations that are necessary to establish a legal, valid and perfected security interest in favor of the Collateral Agent (for the benefit of the Secured Parties) in respect of all Article 9 Collateral (other than Article 9 Collateral consisting of Intellectual Property) in which the Security Interest may be perfected by filing, recording or registration in the United States (or any political subdivision thereof) and its territories and possessions, and no further or subsequent filing, refiling, recording, rerecording, registration or reregistration is necessary in any such jurisdiction, except as provided under applicable law with respect to the filing of continuation statements.

(c) Each Grantor represents and warrants that short-form Intellectual Property Security Agreements containing a description of all Article 9 Collateral consisting of United States Patents, United States registered Trademarks (and Trademarks for which United States registration applications are pending, unless it constitutes an Excluded Asset) and United States registered Copyrights, respectively, have been delivered to the Collateral Agent for recording by the USPTO and the USCO pursuant to 35 U.S.C. § 261, 15 U.S.C. § 1060 or 17 U.S.C. § 205 and the regulations thereunder, as applicable, as may be necessary to establish a valid and perfected security interest in favor of the Collateral Agent (for the benefit of the Secured Parties) in respect of all Article 9 Collateral consisting of Patents, Trademarks and Copyrights in which a security interest may be perfected by filing, recording or registration in the USPTO and the USCO, as applicable, in the United States (or any political subdivision thereof) and its territories and possessions under the Federal intellectual property laws, and no further or subsequent filing, refiling, recording, rerecording, registration or reregistration is necessary (other than (i) such filings and actions as are necessary to perfect the Security Interest with respect to any Article 9 Collateral consisting of Patents, Trademarks and Copyrights (or registration or application for registration thereof) acquired or developed by any Grantor after the date hereof, (ii) as may be required under the laws of jurisdictions outside the United States with respect to Article 9 Collateral created under such laws, and (iii) the UCC financing and continuation statements contemplated in Section 3.02(b)).

(d) The Security Interest constitutes (i) a legal and valid security interest in all the Article 9 Collateral securing the payment and performance of the Obligations; (ii) subject to the filings described in Section 3.02(b), a perfected security interest in all Article 9 Collateral in which a security interest may be perfected by filing, recording or registering a financing statement or analogous document in the United States (or any political subdivision thereof) and its territories and possessions pursuant to the Uniform Commercial Code in the relevant jurisdiction and (iii) subject to the filings described in Section 3.02(c), a perfected security interest in all Intellectual Property in which a security interest may be perfected upon the receipt and recording of fully executed short-form Intellectual Property Security Agreements with the USPTO and the USCO, as applicable. The Security Interest is and shall be prior to any other Lien on any of the Article 9 Collateral, other than (i) any nonconsensual Lien that is permitted pursuant to Section 4.12 of the Indenture and has priority as a matter of law and (ii) Liens permitted pursuant to Section 4.12 of the Indenture.

(e) The material Article 9 Collateral is owned by the Grantors free and clear of any Lien, except for Liens permitted pursuant to Section 4.12 of the Indenture. None of the Grantors has filed or consented to the filing of (i) any financing statement or analogous document under the New York UCC or any other applicable United States laws covering any Article 9 Collateral, (ii) any assignment in which any Grantor assigns any Article 9 Collateral or any security agreement or similar instrument covering any Article 9 Collateral with the USPTO or the USCO or (iii) any assignment in which any Grantor assigns any Article 9 Collateral or any security agreement or similar instrument covering any Article 9 Collateral with any foreign governmental, municipal or other office, which financing statement or analogous document, assignment, security agreement or similar instrument is still in effect, except, in each case, for Liens permitted pursuant to Section 4.12 of the Indenture.

SECTION 3.03. Covenants. (a) The Company agrees promptly (and in any event within 60 days of such change) to notify the Collateral Agent in writing of any change in (i) the legal name, (ii) the identity or type of organization or corporate structure, (iii) the jurisdiction of organization, (iv) the chief executive office or (v) the organizational identification number, of any Grantor. In addition, if any Grantor does not have an organizational identification number on the date hereof (or the date such Grantor becomes a party to this Agreement) and later obtains one, the Company shall promptly (and in any event within 60 days of such change) thereafter notify the Collateral Agent of such organizational identification number and shall take all actions reasonably requested by the Collateral Agent to the extent necessary to maintain the security interests (and the priority thereof) of the Collateral Agent in the Article 9 Collateral intended to be granted hereby fully perfected and in full force and effect.

(b) Upon becoming aware of any defect in the security interests (and the priority thereof, except as permitted pursuant to Section 4.12 of the Indenture) of the Collateral Agent in the Article 9 Collateral intended to be granted hereby, the Company agrees promptly (and in any event within 60 days of such knowledge) to notify the Collateral Agent in writing of such defect.

(c) Each year, at the time of delivery of annual financial statements with respect to the preceding fiscal year pursuant to Section 4.03 of the Indenture, the Company shall deliver to the Collateral Agent an updated Perfection Certificate executed by the chief financial officer or the chief legal officer of each of Holdings and the Company, setting forth any information required therein that has changed or confirming that there has been no change in such information since the date of such certificate or the date of the most recent certificate delivered pursuant to this Section 3.03(c) and certifying that all UCC financing statements, Intellectual Property Security Agreements and other appropriate filings, recordings or registrations have been filed of record in each governmental, municipal or other appropriate office in each jurisdiction necessary to protect and perfect the Security Interests and Liens in the United States under this Agreement.

(d) The Company agrees, on its own behalf and on behalf of each other Grantor, at its own expense, to execute, acknowledge, deliver and cause to be duly filed all such

further instruments and documents and take all such actions required from time to time to assure, preserve, protect and perfect the Security Interest and the rights and remedies created hereby, including the payment of any fees and taxes required in connection with the execution and delivery of this Agreement, the granting of the Security Interest and the filing of any financing statements (including fixture filings) or other documents in connection herewith or therewith.

(e) At its option, the Collateral Agent may discharge past due taxes, assessments, charges, fees, Liens, security interests or other encumbrances at any time levied or placed on the Article 9 Collateral and not permitted pursuant to Section 4.12 of the Indenture, and may pay for the maintenance and preservation of the Article 9 Collateral to the extent any Grantor fails to do so as required by the Indenture or this Agreement and within a reasonable period of time after the Collateral Agent has requested that it do so, and each Grantor jointly and severally agrees to reimburse the Collateral Agent within 10 Business Days after demand for any payment made or any reasonable expense incurred by the Collateral Agent pursuant to the foregoing authorization; *provided, however*, Grantors shall not be obligated to reimburse the Collateral Agent with respect to any Article 9 Collateral consisting of Intellectual Property which any Grantor has failed to maintain or pursue, or otherwise allowed to lapse, terminate or be put into the public domain, in accordance with Section 3.03(i)(ix). Nothing in this paragraph shall be interpreted as excusing any Grantor from the performance of, or imposing any obligation on the Collateral Agent or any Secured Party to cure or perform, any covenants or other promises of any Grantor with respect to taxes, assessments, charges, fees, Liens, security interests or other encumbrances and maintenance as set forth herein, in the Indenture or in any other Security Document.

(f) If at any time any Grantor shall take a security interest in any property of an Account Debtor or any other Person, the value of which is in excess of \$10,000,000, to secure payment and performance of an Account, such Grantor shall promptly assign such security interest to the Collateral Agent for the benefit of the Secured Parties. Such assignment need not be filed of public record unless necessary to continue the perfected status of the security interest against creditors of and transferees from the Account Debtor or other Person granting the security interest.

(g) Each Grantor (rather than the Collateral Agent or any Secured Party) shall remain liable (as between itself and any relevant counterparty) to observe and perform all the conditions and obligations to be observed and performed by it under each contract, agreement or instrument relating to the Article 9 Collateral, all in accordance with the terms and conditions thereof, and each Grantor jointly and severally agrees to indemnify and hold harmless the Collateral Agent and the Secured Parties from and against any and all liability for such performance.

(h) If any Grantor shall at any time hold or acquire a Commercial Tort Claim with a value in excess of \$10,000,000 and for which such Grantor (or predecessor in interest) has filed a complaint in a court of competent jurisdiction, such Grantor shall promptly notify the Collateral Agent in writing signed by such Grantor of the brief details thereof and grant to the Collateral Agent a security interest therein and in the Proceeds thereof, all upon the terms of this Agreement pursuant to a document in form and substance reasonably satisfactory to the Collateral Agent.

(i) Intellectual Property Covenants, Representations and Warranties:

(i) Other than to the extent permitted herein or in the Indenture or with respect to registration and applications no longer used, and except to the extent failure to act would not, as deemed by the Company in its reasonable business judgment, be reasonably expected to have a Material Adverse Effect, with respect to registration or pending application of each item of its Article 9 Collateral consisting of Intellectual Property for which such Grantor has standing to do so, each Grantor agrees to take, at its expense, all reasonable steps, including, without limitation, in the USPTO, the USCO and any other governmental authority located in the United States, to diligently pursue the registration and maintenance of each Patent, Trademark, or Copyright registration or application and shall not abandon any such application prior to exhaustion of all administrative and judicial remedies, now or hereafter included in such Article 9 Collateral consisting of Intellectual Property of such Grantor where reasonable to do so. Each Grantor shall take all reasonable steps to maintain its trade secrets under applicable law and to preserve the secrecy of its confidential information.

(ii) Other than to the extent permitted herein or in the Indenture, or with respect to registration and applications no longer used, or except as would not, as deemed by the Company in its reasonable business judgment, be reasonably expected to have a Material Adverse Effect, no Grantor shall do or permit any act or knowingly omit to do any act whereby any of its Article 9 Collateral consisting of Intellectual Property may lapse, be terminated, or become invalid or unenforceable or placed in the public domain (or in the case of a trade secret, become publicly known).

(iii) Other than as excluded or as permitted herein or in the Indenture, or with respect to Patents, Copyrights or Trademarks which are no longer used or useful in the Grantor's business operations or except where failure to do so would not, as deemed by the applicable Grantor in its reasonable business judgment, be reasonably expected to have a Material Adverse Effect, each Grantor shall take all reasonable steps to preserve and protect each item of its Article 9 Collateral consisting of Intellectual Property, including, without limitation, (A) maintaining the quality of any and all products or services used or provided in connection with any of the Trademarks of such Grantor, at least consistent with the quality of such products and services as of the date hereof, (B) taking all reasonable steps necessary to ensure that all licensed users of any of the Trademarks abide by the applicable license's terms with respect to standards of quality and (C) using the Trademarks which are material to such Grantor's business in interstate commerce during the time in which this Agreement is in effect and taking all reasonable steps to preserve such Trademarks under the laws of the relevant jurisdiction. Each Grantor agrees to renew those of its domain name registrations that are material to such Grantor's business.

(iv) Each Grantor represents and warrants that it is the lawful owner of all of its material Article 9 Collateral consisting of Intellectual Property (excluding Intellectual

Property granted pursuant to Licenses), including (i) the Patents listed in the Perfection Certificate for such Grantor, and that said Patents include all the material United States patents and applications that such Grantor owns as of the date hereof, and (ii) the Copyrights listed in the Perfection Certificate for such Grantor, and that said Copyrights include all the United States copyrights registered and applied for with the USCO for material United States copyrights that such Grantor owns as of the date hereof.

(v) Each Grantor further represents and warrants that the Trademarks and domain names listed in the Perfection Certificate include all material United States registered marks and applications for United States registered marks in the USPTO and all material domain names that such Grantor owns in connection with its business as of the date hereof. Each Grantor represents and warrants that it is the lawful owner of all U.S. trademark registrations and applications and domain name registrations listed in the Perfection Certificate and that said registrations are subsisting and have not been canceled, and that such Grantor has not received any written third-party claim that any of said registrations is invalid or unenforceable, other than as would not, either individually or in the aggregate, in the Grantor's reasonable opinion, be reasonably expected to have a Material Adverse Effect.

(vi) Each Grantor agrees, promptly upon learning thereof, to notify the Collateral Agent in writing of the name and address of, and to furnish such pertinent information that may be available with respect to, any party who such Grantor learns is likely to be infringing, contributorily infringing, actively inducing infringement, misappropriating or otherwise violating any of such Grantor's rights in and to any Intellectual Property in any manner that would, in the Grantor's reasonable opinion, reasonably be expected to have a Material Adverse Effect, or with respect to any party claiming that such Grantor's use of any Intellectual Property material to such Grantor's business violates in any material respect any property right of such party. Each Grantor further agrees to take appropriate actions diligently against, including but not limited to prosecution of, in accordance with reasonable business practices, any Person infringing any of such Grantor's Intellectual Property rights in any manner that would, in the Grantor's reasonable opinion, reasonably be expected to, either individually or in the aggregate, have a Material Adverse Effect.

(vii) If any Grantor acquires, makes an application for, or is issued a registration for Intellectual Property before the USPTO, the USCO, or an equivalent thereof in any state of the United States, such Grantor shall, at its own expense, deliver to the Collateral Agent a grant of a security interest in such application or registration, within sixty (60) days of the submission of such application or receipt of registration (twenty (20) days in the case of Copyrights) confirming the grant of a security interest in such Intellectual Property to the Collateral Agent hereunder. Such Security Interest must be substantially in the form of Exhibit III hereto in the case of Patents, Exhibit IV hereto in the case of Trademarks, or Exhibit V hereto in the case of Copyrights, or in such other form as may be reasonably satisfactory to the Collateral Agent.

(viii) Concurrently with the delivery of the Perfection Certificate pursuant to Section 3.03(c), and upon reasonable request by the Collateral Agent (but in any event,

not more than three times per fiscal year), if a United States Patent or an application for a United States Patent, a registered United States Copyright, or an application for a United States Copyright is issued or acquired by a Grantor, the relevant Grantor shall deliver to the Collateral Agent a copy of said Copyright or Patent, or certificate or registration of, or application therefor, as the case may be, and shall update, through amendment or by other written document executed by and reasonably acceptable to the Collateral Agent and such Grantor, the relevant schedules of any Intellectual Property Security Agreement filed with the USPTO or USCO, as applicable, pursuant to this Agreement, such that any such update may be filed with the USPTO or USCO, as applicable.

(ix) Nothing in this Agreement, in the Indenture or in any other Security Document prevents any Grantor from disposing of, discontinuing the use or maintenance of, failing to pursue, or otherwise allowing to lapse, terminating or putting into the public domain, any of its Article 9 Collateral consisting of Intellectual Property to the extent permitted by the Indenture if such Grantor determines in its reasonable business judgment that such discontinuance is desirable in the conduct of its business.

SECTION 3.04. Other Actions. In order to further insure the attachment, perfection and priority of, and the ability of the Collateral Agent to enforce, the Security Interest, each Grantor agrees, in each case at such Grantor's own expense, to take the following actions with respect to the following Article 9 Collateral:

(a) *Instruments*. If any Grantor shall at any time hold or acquire any Instruments constituting Article 9 Collateral and evidencing an amount in excess of \$10,000,000, such Grantor shall forthwith endorse, assign and deliver the same to the Collateral Agent for the benefit of the Secured Parties, accompanied by such instruments of transfer or assignment duly executed in blank as the Collateral Agent may from time to time reasonably request.

(b) *Investment Property*. Except to the extent otherwise provided in Article II, if any Grantor shall at any time hold or acquire any certificated securities, such Grantor shall forthwith endorse, assign and deliver the same to the Collateral Agent for the benefit of the Secured Parties, accompanied by such instruments of transfer or assignment duly executed in blank as the Collateral Agent may from time to time reasonably request. If any securities now or hereafter acquired by any Grantor are uncertificated and are issued to such Grantor or its nominee directly by the issuer thereof, following the occurrence of an Event of Default such Grantor shall promptly notify the Collateral Agent thereof and, at the Collateral Agent's reasonable request, pursuant to an agreement in form and substance reasonably satisfactory to the Collateral Agent, either (i) cause the issuer to agree to comply with instructions from the Collateral Agent as to such securities, without further consent of any Grantor or such nominee, or (ii) arrange for the Collateral Agent to become the registered owner of such securities. If any securities, whether certificated or uncertificated, or other investment property are held by any Grantor or its nominee through a securities intermediary or commodity intermediary, following the occurrence of an Event of Default, such Grantor shall immediately notify the Collateral Agent thereof and at the Collateral Agent's request and option, pursuant to an agreement in form and substance reasonably satisfactory to the Collateral Agent shall either (i) cause such securities intermediary or (as the case may be) commodity intermediary to agree to comply with entitlement orders or other instructions from the Collateral Agent to such securities

intermediary as to such security entitlements, or (as the case may be) to apply any value distributed on account of any commodity contract as directed by the Collateral Agent to such commodity intermediary, in each case without further consent of any Grantor or such nominee, or (ii) in the case of financial assets or other Investment Property held through a securities intermediary, arrange for the Collateral Agent to become the entitlement holder with respect to such Investment Property, with the Grantor being permitted, only with the consent of the Collateral Agent, to exercise rights to withdraw or otherwise deal with such Investment Property. The Collateral Agent agrees with each of the Grantors that the Collateral Agent shall not give any such entitlement orders or instructions or directions to any such issuer, securities intermediary or commodity intermediary, and shall not withhold its consent to the exercise of any withdrawal or dealing rights by any Grantor, unless an Event of Default has occurred and is continuing. The provisions of this paragraph shall not apply to any financial assets credited to a securities account for which the Collateral Agent is the securities intermediary.

ARTICLE IV

Remedies

SECTION 4.01. Remedies upon Default. Upon the occurrence and during the continuance of an Event of Default, it is agreed that the Collateral Agent shall have the right to exercise any and all rights afforded to a secured party with respect to the Obligations under the Uniform Commercial Code or other applicable law and also may (i) require each Grantor to, and each Grantor agrees that it will at its expense and upon request of the Collateral Agent forthwith, assemble all or part of the Collateral as directed by the Collateral Agent and make it available to the Collateral Agent at a place and time to be designated by the Collateral Agent that is reasonably convenient to both parties; (ii) occupy any premises owned or, to the extent lawful and permitted, leased by any of the Grantors where the Collateral or any part thereof is assembled or located for a reasonable period in order to effectuate its rights and remedies hereunder or under law, without obligation to such Grantor in respect of such occupation; *provided* that the Collateral Agent shall provide the applicable Grantor with notice thereof prior to or promptly after such occupancy; (iii) declare the entire right, title, and interest of such Grantor in each of the Patents, Trademarks, domain names and Copyrights vested in the Collateral Agent for the benefit of the Secured Parties (in which event such right, title, and interest shall immediately vest in the Collateral Agent for the benefit of the Secured Parties, and the Collateral Agent shall be entitled to exercise the power of attorney referred to below in Section 4.03 hereof to execute, cause to be acknowledged and notarized and to record said absolute assignment with the applicable agency); (iv) exercise any and all rights and remedies of any of the Grantors under or in connection with the Collateral, or otherwise in respect of the Collateral; *provided* that the Collateral Agent shall provide the applicable Grantor with notice thereof prior to or promptly after such exercise; and (v) subject to the mandatory requirements of applicable law and the notice requirements described below, sell or otherwise dispose of all or any part of the Collateral securing the Obligations at a public or private sale or at any broker's board or on any securities exchange, for cash, upon credit or for future delivery as the Collateral Agent shall deem appropriate. The Collateral Agent shall be authorized at any such sale of securities (if it deems it advisable to do so) to restrict the prospective bidders or purchasers to Persons who will represent and agree that they are purchasing the Collateral for their own account for investment and not with a view to the distribution or sale thereof, and upon

consummation of any such sale the Collateral Agent shall have the right to assign, transfer and deliver to the purchaser or purchasers thereof the Collateral so sold. Each such purchaser at any sale of Collateral shall hold the property sold absolutely, free from any claim or right on the part of any Grantor, and each Grantor hereby waives (to the extent permitted by law) all rights of redemption, stay and appraisal which such Grantor now has or may at any time in the future have under any rule of law or statute now existing or hereafter enacted. Upon the occurrence and during the continuance of an Event of Default, the Grantors agree to execute such further documents as the Collateral Agent may reasonably request to transfer ownership of the Patents, Trademarks, domain names and Copyrights to the Collateral Agent for the benefit of the Secured Parties.

The Collateral Agent shall give the applicable Grantors 10 days' written notice (which each Grantor agrees is reasonable notice within the meaning of Section 9-611 of the New York UCC or its equivalent in other jurisdictions) of the Collateral Agent's intention to make any sale of Collateral. Such notice, in the case of a public sale, shall state the time and place for such sale and, in the case of a sale at a broker's board or on a securities exchange, shall state the board or exchange at which such sale is to be made and the day on which the Collateral, or portion thereof, will first be offered for sale at such board or exchange. Any such public sale shall be held at such time or times within ordinary business hours and at such place or places as the Collateral Agent may fix and state in the notice (if any) of such sale. At any such sale, the Collateral, or portion thereof, to be sold may be sold in one lot as an entirety or in separate parcels, as the Collateral Agent may (in its sole and absolute discretion) determine. The Collateral Agent shall not be obligated to make any sale of any Collateral if it shall determine not to do so, regardless of the fact that notice of sale of such Collateral shall have been given. The Collateral Agent may, without notice or publication, adjourn any public or private sale or cause the same to be adjourned from time to time by announcement at the time and place fixed for sale, and such sale may, without further notice, be made at the time and place to which the same was so adjourned. In case any sale of all or any part of the Collateral is made on credit or for future delivery, the Collateral so sold may be retained by the Collateral Agent until the sale price is paid by the purchaser or purchasers thereof, but the Collateral Agent shall not incur any liability in case any such purchaser or purchasers shall fail to take up and pay for the Collateral so sold and, in case of any such failure, such Collateral may be sold again upon like notice. At any public (or, to the extent permitted by law, private) sale made pursuant to this Agreement, any Secured Party may bid for or purchase, free (to the extent permitted by law) from any right of redemption, stay, valuation or appraisal on the part of any Grantor (all said rights being also hereby waived and released to the extent permitted by law), the Collateral or any part thereof offered for sale and may make payment on account thereof by using any claim then due and payable to such Secured Party from any Grantor as a credit against the purchase price, and such Secured Party may, upon compliance with the terms of sale, hold, retain and dispose of such property without further accountability to any Grantor therefor. For purposes hereof, a written agreement to purchase the Collateral or any portion thereof shall be treated as a sale thereof; the Collateral Agent shall be free to carry out such sale pursuant to such agreement and no Grantor shall be entitled to the return of the Collateral or any portion thereof subject thereto, notwithstanding the fact that after the Collateral Agent shall have entered into such an agreement all Events of Default shall have been remedied and the Obligations paid in full. As an alternative to exercising the power of sale herein conferred upon it, the Collateral Agent may proceed by a suit or suits at law or in equity to foreclose this Agreement and to sell the Collateral or any

portion thereof pursuant to a judgment or decree of a court or courts having competent jurisdiction or pursuant to a proceeding by a court appointed receiver. Any sale pursuant to the provisions of this Section 4.01 shall be deemed to conform to the commercially reasonable standards as provided in Section 9-610(b) of the New York UCC or its equivalent in other jurisdictions.

Each Grantor irrevocably makes, constitutes and appoints the Collateral Agent (and all officers, employees or agents designated by the Collateral Agent) as such Grantor's true and lawful agent (and attorney-in-fact) during the continuance of an Event of Default and after notice to the Company of its intent to exercise such rights, for the purpose of (i) making, settling and adjusting claims in respect of Article 9 Collateral under policies of insurance, endorsing the name of such Grantor on any check, draft, instrument or other item of payment for the proceeds of such policies of insurance and (ii) making all determinations and decisions with respect thereto.

SECTION 4.02. Application of Proceeds. (a) The Collateral Agent shall apply the proceeds of any collection or sale of Collateral, including any Collateral consisting of cash, in accordance with Section 6.10 of the Indenture.

(b) The Collateral Agent shall have absolute discretion as to the time of application of any such proceeds, moneys or balances in accordance with this Agreement and the Indenture. Upon any sale of Collateral by the Collateral Agent (including pursuant to a power of sale granted by statute or under a judicial proceeding), the receipt of the Collateral Agent or of the officer making the sale shall be a sufficient discharge to the purchaser or purchasers of the Collateral so sold and such purchaser or purchasers shall not be obligated to see to the application of any part of the purchase money paid over to the Collateral Agent or such officer or be answerable in any way for the misapplication thereof.

(c) In making the determinations and allocations required by this Section 4.02, the Collateral Agent may conclusively rely upon information supplied by the Collateral Agent as to the amounts of unpaid principal and interest and other amounts outstanding with respect to the Obligations, and the Collateral Agent shall have no liability to any of the Secured Parties for actions taken in reliance on such information, *provided* that nothing in this sentence shall prevent any Grantor from contesting any amounts claimed by any Secured Party in any information so supplied. All distributions made by the Collateral Agent pursuant to this Section 4.02 shall be (subject to any decree of any court of competent jurisdiction) final (absent manifest error), and the Collateral Agent shall have no duty to inquire as to the application by the Collateral Agent of any amounts distributed by it. It is understood and agreed that the Grantors shall remain jointly and severally liable to the extent of any deficiency between the amount of the proceeds of the Collateral and the aggregate amount of the Obligations.

SECTION 4.03. Grant of License to Use Intellectual Property; Power of Attorney. For the exclusive purpose of enabling the Collateral Agent to exercise rights and remedies under this Agreement at such time as the Collateral Agent shall be lawfully entitled to exercise such rights and remedies, each Grantor shall, upon prior written request by the Collateral Agent at any time during the continuance of an Event of Default, grant to the

Collateral Agent a non-exclusive, irrevocable, royalty-free, limited license (until the termination or cure of the Event of Default) to use, license or sublicense any of the Intellectual Property Collateral now owned or hereafter acquired by such Grantor, and wherever the same may be located, and including in such license reasonable access to all media in which any of the licensed items may be recorded or stored and to all computer software and programs used for the compilation or printout thereof; *provided, however*, that nothing in this Section 4.03 shall require Grantors to grant any license that is prohibited by any rule of law, statute or regulation, or is prohibited by, or constitutes a breach or default under or results in the termination of any contract, license, agreement, instrument or other document with respect to such property or otherwise unreasonably prejudices the value thereof to the relevant Grantor; *provided, further*, that such licenses to be granted hereunder with respect to Trademarks shall be subject to the maintenance of quality standards with respect to the goods and services on which such Trademarks are used sufficient to preserve the validity of such Trademarks. For the avoidance of doubt, the use of such license by the Collateral Agent may be exercised, at the option of the Collateral Agent, only during the continuation of an Event of Default. Furthermore, each Grantor hereby grants to the Collateral Agent an absolute power of attorney to sign, upon the occurrence and during the continuance of any Event of Default, any document which may be required by the USPTO or the USCO in order to effect an absolute assignment of all right, title and interest in each Patent, Trademark or Copyright, and to record the same.

ARTICLE V

Indemnity, Subrogation and Subordination

SECTION 5.01. Indemnity. In addition to all such rights of indemnity and subrogation as the Grantors may have under applicable law (but subject to Section 5.03), the Company agrees that, in the event any assets of any Grantor shall be sold pursuant to this Agreement or any other Security Document to satisfy in whole or in part an Obligation owed to any Secured Party, the Company shall indemnify such Grantor in an amount equal to the greater of the book value or the fair market value of the assets so sold.

SECTION 5.02. Contribution and Subrogation. Each Grantor (a “**Contributing Party**”) agrees (subject to Section 5.03) that, in the event assets of any other Grantor shall be sold pursuant to any Security Document to satisfy any Obligation owed to any Secured Party, and such other Grantor (the “**Claiming Party**”) shall not have been fully indemnified by the Company as provided in Section 5.01, the Contributing Party shall indemnify the Claiming Party in an amount equal to the greater of the book value or the fair market value of such assets, in each case multiplied by a fraction of which the numerator shall be the net worth of the Contributing Party on the date hereof and the denominator shall be the aggregate net worth of all the Contributing Parties together with the net worth of the Claiming Party on the date hereof (or, in the case of any Grantor becoming a party hereto pursuant to Section 7.14, the date of the Security Agreement Supplement hereto executed and delivered by such Grantor). Any Contributing Party making any payment to a Claiming Party pursuant to this Section 5.02 shall be subrogated to the rights of such Claiming Party to the extent of such payment.

SECTION 5.03. Subordination. Notwithstanding any provision of this Agreement to the contrary, all rights of the Grantors under Sections 5.01 and 5.02 and all other rights of indemnity, contribution or subrogation under applicable law or otherwise shall be fully subordinated to the indefeasible payment in full in cash of the Obligations, *provided* that if any amount shall be paid to such Grantor on account of such subrogation rights at any time prior to the irrevocable payment in full in cash of all the Obligations, such amount shall be held in trust for the benefit of the Secured Parties and shall forthwith be paid to the Collateral Agent to be credited and applied against the Obligations, whether matured or unmatured, in accordance with Section 6.10 of the Indenture. No failure on the part of the Company or any Grantor to make the payments required by Sections 5.01 and 5.02 (or any other payments required under applicable law or otherwise) shall in any respect limit the obligations and liabilities of any Grantor with respect to its obligations hereunder, and each Grantor shall remain liable for the full amount of the obligations of such Grantor hereunder.

ARTICLE VI

Intercreditor Agreement

SECTION 6.01. Intercreditor Agreement. Notwithstanding anything herein to the contrary, the lien and security interest granted to the Collateral Agent pursuant to this Agreement and the exercise of any right or remedy by the Collateral Agent hereunder are subject to the provisions of the Intercreditor Agreement. In the event of any conflict between the terms of the Intercreditor Agreement and this Agreement, the terms of the Intercreditor Agreement shall govern and control. The Trustee, by its acceptance hereof, and the Collateral Agent, each in its capacity as an Additional Senior Class Debt Representative (under and as defined in the Intercreditor Agreement), and each Holder of the Notes, by its acceptance hereof, acknowledges and agrees that upon the Additional Senior Class Debt Representatives' entry into the Intercreditor Joinder Agreement, the Additional Senior Class Debt Representatives and each Holder of the Notes will be subject to and bound by the provisions of the Intercreditor Agreement as Additional First-Lien Secured Parties (as defined therein).

SECTION 6.02. Obligations of Grantors. To the extent that the obligations of any Grantor hereunder shall conflict, or shall be inconsistent, with the obligations of such Grantor under the Intercreditor Agreement, the provisions of the Intercreditor Agreement shall control.

SECTION 6.03. Delivery of Collateral. Notwithstanding anything herein to the contrary, prior to the Discharge of Credit Agreement Obligations (as defined in the Intercreditor Agreement), to the extent any Grantor is required hereunder to indorse, assign or deliver Collateral to the Collateral Agent for any purpose and is unable to do so as a result of having previously indorsed, assigned or delivered such Collateral to the Applicable Collateral Agent (as defined in the Intercreditor Agreement) in accordance with the terms of the Intercreditor Agreement, such Grantor's obligations hereunder with respect to such indorsement, assignment or delivery shall be deemed satisfied by the indorsement, assignment or delivery in favor of or to the Applicable Collateral Agent (as defined in the Intercreditor Agreement), acting as a gratuitous bailee of the Collateral Agent.

ARTICLE VII

Miscellaneous

SECTION 7.01. Notices. All communications and notices hereunder shall (except as otherwise expressly permitted herein) be in writing and given as provided in Section 13.01 of the Indenture. All communications and notices hereunder to any Grantor shall be given to it in care of the Company as provided in Section 13.01 of the Indenture.

SECTION 7.02. Waivers; Amendment. (a) No failure or delay by the Collateral Agent or any other Secured Party in exercising any right or power hereunder or under the Indenture shall operate as a waiver thereof, nor shall any single or partial exercise of any such right or power, or any abandonment or discontinuance of steps to enforce such a right or power, preclude any other or further exercise thereof or the exercise of any other right or power. The rights and remedies of the Collateral Agent and any other Secured Party hereunder and under the Indenture are cumulative and are not exclusive of any rights or remedies that they would otherwise have. No waiver of any provision of this Agreement or consent to any departure by any Grantor therefrom shall in any event be effective unless the same shall be permitted by paragraph (b) of this Section 7.02, and then such waiver or consent shall be effective only in the specific instance and for the purpose for which given. No notice or demand on any Grantor in any case shall entitle any Grantor to any other or further notice or demand in similar or other circumstances.

(b) Neither this Agreement nor any provision hereof may be waived, amended or modified except pursuant to an agreement or agreements in writing entered into by the Collateral Agent and the Grantor or Grantors with respect to which such waiver, amendment or modification is to apply, subject to any consent required in accordance with Article 9 of the Indenture.

SECTION 7.03. Collateral Agent's Fees and Expenses. (a) The parties hereto agree that the Collateral Agent shall be entitled to reimbursement of its expenses incurred hereunder as provided in Section 7.06 of the Indenture as if named therein.

(b) Without limitation of its indemnification obligations under the Indenture, the Company agrees to indemnify the Collateral Agent and the other Indemnitees against, and hold each Indemnitee harmless from, any and all losses, claims, damages, liabilities and related expenses, including the reasonable fees, charges and disbursements of any counsel for any Indemnitee, incurred by or asserted against any Indemnitee arising out of, in connection with, or as a result of, the execution, delivery or performance of this Agreement or any claim, litigation, investigation or proceeding relating to the Indenture or this Agreement or any of the instruments contemplated thereby or hereby, whether or not any Indemnitee is a party thereto; *provided* that such indemnity shall not, as to any Indemnitee, be available to the extent that such losses, claims, damages, liabilities or related expenses are determined by a court of competent jurisdiction by final and nonappealable judgment to have resulted from the gross negligence or willful misconduct of such Indemnitee or of any director, officer or employee thereof.

(c) Any such amounts payable as provided hereunder shall be additional Obligations secured hereby and by the other Security Documents. The provisions of this Section 7.03 shall remain operative and in full force and effect regardless of the termination of this Agreement pursuant to Section 7.13, the Indenture or any other Security Document, the consummation of the transactions contemplated hereby or thereby, the repayment of any of the Obligations, the invalidity or unenforceability of any term or provision of this Agreement, the Indenture or any other Security Document, or any investigation made by or on behalf of the Collateral Agent or any other Secured Party. All amounts due under this Section 7.03 shall be payable within 10 days of written demand therefor.

SECTION 7.04. Successors and Assigns. Whenever in this Agreement any of the parties hereto is referred to, such reference shall be deemed to include the permitted successors and assigns of such party; and all covenants, promises and agreements by or on behalf of any Grantor or the Collateral Agent that are contained in this Agreement shall bind and inure to the benefit of their respective successors and assigns, to the extent permitted under Article 5 of the Indenture.

SECTION 7.05. Survival of Agreement. All representations and warranties made hereunder and in the Indenture or other document delivered pursuant hereto or thereto or in connection herewith or therewith shall survive the execution and delivery hereof and thereof. Such representations and warranties have been or will be relied upon by the Collateral Agent and each other Secured Party, regardless of any investigation made by the Collateral Agent or any other Secured Party and shall continue in full force and effect as long as any Obligation under the Indenture or any Security Document shall remain unpaid or unsatisfied.

SECTION 7.06. Counterparts; Effectiveness; Successors and Assigns; Several Agreement. This Agreement may be executed in one or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument. Delivery by facsimile transmission or other electronic communication of an executed counterpart of a signature page to this Agreement shall be effective as delivery of an original executed counterpart of this Agreement. The Collateral Agent may also require that any such documents and signatures delivered by facsimile transmission or other electronic communication be confirmed by a manually signed original thereof; *provided* that the failure to request or deliver the same shall not limit the effectiveness of any document or signature delivered by facsimile transmission or other electronic communication. This Agreement shall become effective as to any Grantor when a counterpart hereof executed on behalf of such Grantor shall have been delivered to the Collateral Agent and a counterpart hereof shall have been executed on behalf of the Collateral Agent, and thereafter shall be binding upon such Grantor and the Collateral Agent and their respective successors and assigns permitted thereby, and shall inure to the benefit of such Grantor, the Collateral Agent and the other Secured Parties and their respective successors and assigns permitted thereby, except that no Grantor shall have the right to assign or transfer its rights or obligations hereunder or any interest herein or in the Collateral (and any such assignment or transfer shall be void) except as expressly contemplated by this Agreement or the Indenture. This Agreement shall be construed as a separate agreement with respect to each Grantor and may be amended, modified, supplemented, waived or released with respect to any Grantor without the approval of any other Grantor and without affecting the obligations of any other Grantor hereunder.

SECTION 7.07. Severability. If any provision of this Agreement, any other Security Document or the Indenture is held to be illegal, invalid or unenforceable, the legality, validity and enforceability of the remaining provisions thereof shall not be affected or impaired thereby. The invalidity of a provision in a particular jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

SECTION 7.08. Governing Law; Jurisdiction; Consent to Service of Process. (a) THIS AGREEMENT, THE INDENTURE AND EACH OTHER SECURITY DOCUMENT SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAW OF THE STATE OF NEW YORK (EXCEPT AS OTHERWISE EXPRESSLY PROVIDED THEREIN).

(b) ANY LEGAL ACTION OR PROCEEDING ARISING UNDER ANY SECURITY DOCUMENT OR IN ANY WAY CONNECTED WITH OR RELATED OR INCIDENTAL TO THE DEALINGS OF THE PARTIES HERETO OR ANY OF THEM WITH RESPECT TO THE INDENTURE, THE NOTES, OR THE TRANSACTIONS RELATED THERETO, IN EACH CASE WHETHER NOW EXISTING OR HEREAFTER ARISING, MAY BE BROUGHT IN THE COURTS OF THE STATE OF NEW YORK SITTING IN NEW YORK CITY OR OF THE UNITED STATES FOR THE SOUTHERN DISTRICT OF SUCH STATE, AND BY EXECUTION AND DELIVERY OF THIS AGREEMENT, EACH OF THE COMPANY, HOLDINGS, THE SUBSIDIARY GUARANTORS, THE TRUSTEE AND THE COLLATERAL AGENT CONSENTS, FOR ITSELF AND IN RESPECT OF ITS PROPERTY, TO THE NONEXCLUSIVE JURISDICTION OF THOSE COURTS. EACH OF THE COMPANY, HOLDINGS, THE SUBSIDIARY GUARANTORS, THE TRUSTEE AND THE COLLATERAL AGENT IRREVOCABLY WAIVES ANY OBJECTION, INCLUDING ANY OBJECTION TO THE LAYING OF VENUE OR BASED ON THE GROUNDS OF FORUM NON CONVENIENS, WHICH IT MAY NOW OR HEREAFTER HAVE TO THE BRINGING OF ANY ACTION OR PROCEEDING IN SUCH JURISDICTION IN RESPECT OF THE INDENTURE OR OTHER DOCUMENT RELATED THERETO.

(c) Each party to this Agreement irrevocably consents to service of process in the manner provided for notices in Section 7.01. Nothing in this Agreement or in the Indenture will affect the right of any party to this Agreement to serve process in any other manner permitted by law.

SECTION 7.09. WAIVER OF RIGHT TO TRIAL BY JURY. EACH PARTY TO THIS AGREEMENT HEREBY EXPRESSLY WAIVES ANY RIGHT TO TRIAL BY JURY OF ANY CLAIM, DEMAND, ACTION OR CAUSE OF ACTION ARISING UNDER THE INDENTURE OR IN ANY WAY CONNECTED WITH OR RELATED OR INCIDENTAL TO THE DEALINGS OF THE PARTIES HERETO OR ANY OF THEM WITH RESPECT TO THE INDENTURE, OR THE TRANSACTIONS RELATED THERETO, IN EACH CASE WHETHER NOW EXISTING OR HEREAFTER ARISING, AND WHETHER FOUNDED IN CONTRACT OR TORT OR OTHERWISE; AND EACH PARTY HEREBY AGREES AND CONSENTS THAT ANY SUCH CLAIM, DEMAND, ACTION OR CAUSE OF ACTION SHALL BE DECIDED BY COURT TRIAL WITHOUT A JURY, AND THAT ANY PARTY TO THIS AGREEMENT MAY FILE AN ORIGINAL COUNTERPART OR A COPY OF THIS SECTION 7.09 WITH ANY COURT AS WRITTEN EVIDENCE OF THE CONSENT OF THE SIGNATORIES HERETO TO THE WAIVER OF THEIR RIGHT TO TRIAL BY JURY.

SECTION 7.10. Headings. Article and Section headings and the Table of Contents used herein are for convenience of reference only, are not part of this Agreement and are not to affect the construction of, or to be taken into consideration in interpreting, this Agreement.

SECTION 7.11. Security Interest Absolute. All rights of the Collateral Agent hereunder, the Security Interest, the grant of a security interest in the Collateral and all obligations of each Grantor hereunder shall be absolute and unconditional irrespective of (a) any lack of validity or enforceability of the Indenture, any agreement with respect to any of the Obligations or any other agreement or instrument relating to any of the foregoing, (b) any change in the time, manner or place of payment of, or in any other term of, all or any of the Obligations, or any other amendment or waiver of or any consent to any departure from the Indenture or any other agreement or instrument, (c) any exchange, release or non-perfection of any Lien on other collateral, or any release or amendment or waiver of or consent under or departure from any guarantee, securing or guaranteeing all or any of the Obligations or (d) any other circumstance that might otherwise constitute a defense available to, or a discharge of, any Grantor in respect of the Obligations or this Agreement.

SECTION 7.12. Reserved.

SECTION 7.13. Termination or Release. (a) This Agreement, the Security Interest and all other security interests granted hereby shall terminate with respect to all Obligations and any Liens arising therefrom shall be automatically released when all the outstanding Obligations (in each case other than contingent indemnification obligations not yet accrued and payable) have been indefeasibly satisfied and discharged in accordance with Section 12.01 of the Indenture.

(b) A Grantor shall automatically be released from its obligations hereunder and the Security Interest in the Collateral of such Grantor shall be automatically released upon the consummation of any transaction permitted by the Indenture as a result of which such Grantor ceases to be a Subsidiary or is designated as an Unrestricted Subsidiary of the Company in accordance with the Indenture.

(c) Upon any disposition by any Grantor of any Collateral that is not prohibited by the Indenture, or upon the effectiveness of any written consent to the release of the Security Interest granted hereby in any Collateral pursuant to Section 10.04 of the Indenture, the Security Interest in such Collateral shall be automatically released.

(d) A Grantor (other than Holdings and the Company) shall automatically be released from its obligations hereunder and the Security Interest in the Collateral of such Grantor shall be automatically released if such Grantor ceases to be a Restricted Subsidiary pursuant to the terms of the Indenture.

(e) In connection with any termination or release pursuant to paragraph (a), (b), (c) or (d) of this Section 7.13, the Collateral Agent shall execute and deliver to any Grantor,

at such Grantor's expense, all documents that such Grantor shall reasonably request to evidence such termination or release. Any execution and delivery of documents pursuant to this Section 7.13 shall be without recourse to or warranty by the Collateral Agent.

(f) At any time that the respective Grantor desires that the Collateral Agent take any action described in the immediately preceding paragraph (e), it shall, upon request of the Collateral Agent, deliver to the Collateral Agent an officer's certificate certifying that the release of the respective Collateral is permitted pursuant to paragraph (a), (b), (c) or (d). The Collateral Agent shall have no liability whatsoever to any Secured Party as a result of any release of Collateral by it as permitted (or which the Collateral Agent in good faith believes to be permitted) by this Section 7.13.

SECTION 7.14. Additional Grantors. If at any time a Subsidiary of the Company executes and delivers a supplemental indenture to the Indenture to become a Guarantor in accordance with Section 4.17 of the Indenture, contemporaneously with the execution and delivery of any such supplemental indenture, such Subsidiary shall execute and deliver a Security Agreement Supplement in the form of Exhibit I hereto by the Collateral Agent and such Subsidiary. Upon such execution and delivery, such Subsidiary shall become a Grantor hereunder with the same force and effect as if originally named as a Grantor herein. The execution and delivery of any such instrument shall not require the consent of any other Grantor hereunder. The rights and obligations of each Grantor hereunder shall remain in full force and effect notwithstanding the addition of any new Grantor as a party to this Agreement.

SECTION 7.15. Collateral Agent Appointed Attorney-in-Fact. Each Grantor hereby appoints the Collateral Agent the attorney-in-fact of such Grantor for the purpose of carrying out the provisions of this Agreement and taking any action and executing any instrument that the Collateral Agent may deem necessary or advisable to accomplish the purposes hereof at any time after and during the continuance of an Event of Default, which appointment is irrevocable (until termination of the Indenture) and coupled with an interest. Without limiting the generality of the foregoing, the Collateral Agent shall have the right, upon the occurrence and during the continuance of an Event of Default and notice by the Collateral Agent to the Company of its intent to exercise such rights, with full power of substitution either in the Collateral Agent's name or in the name of such Grantor (a) to receive, endorse, assign and/or deliver any and all notes, acceptances, checks, drafts, money orders or other evidences of payment relating to the Collateral or any part thereof; (b) to demand, collect, receive payment of, give receipt for and give discharges and releases of all or any of the Collateral; (c) to sign the name of any Grantor on any invoice or bill of lading relating to any of the Collateral; (d) to send verifications of Accounts to any Account Debtor; (e) to commence and prosecute any and all suits, actions or proceedings at law or in equity in any court of competent jurisdiction to collect or otherwise realize on all or any of the Collateral or to enforce any rights in respect of any Collateral; (f) to settle, compromise, compound, adjust or defend any actions, suits or proceedings relating to all or any of the Collateral; (g) to notify, or to require any Grantor to notify, Account Debtors to make payment directly to the Collateral Agent; (h) subject to the terms of the Intercreditor Agreement, to make, settle and adjust claims in respect of Article 9 Collateral under policies of insurance, including endorsing the name of any Grantor on any check, draft, instrument or other item of payment for the proceeds of such policies of insurance, making all determinations and decisions with respect thereto and obtaining or maintaining

policies of insurance or paying any premium in whole or in part relating thereto; and (i) to use, sell, assign, transfer, pledge, make any agreement with respect to or otherwise deal with all or any of the Collateral, and to do all other acts and things necessary to carry out the purposes of this Agreement, as fully and completely as though the Collateral Agent were the absolute owner of the Collateral for all purposes; *provided* that nothing herein contained shall be construed as requiring or obligating the Collateral Agent to make any commitment or to make any inquiry as to the nature or sufficiency of any payment received by the Collateral Agent, or to present or file any claim or notice, or to take any action with respect to the Collateral or any part thereof or the moneys due or to become due in respect thereof or any property covered thereby. The Collateral Agent and the other Secured Parties shall be accountable only for amounts actually received as a result of the exercise of the powers granted to them herein, and neither they nor their officers, directors, employees or agents shall be responsible to any Grantor for any act or failure to act hereunder, except for their own gross negligence or willful misconduct or that of any of their Affiliates, directors, officers, employees, counsel, agents or attorneys-in-fact. All sums disbursed by the Collateral Agent in connection with this paragraph, including reasonable attorneys' fees, court costs, expenses and other charges relating thereto, shall be payable, within 10 days of demand, by the Grantors to the Collateral Agent and shall be additional Obligations secured hereby.

SECTION 7.16. General Authority of the Collateral Agent. By acceptance of the benefits of this Agreement and any other Security Documents, each Secured Party (whether or not a signatory hereto) shall be deemed irrevocably (a) to consent to the appointment of the Collateral Agent as its agent hereunder and under such other Security Documents, (b) to confirm that the Collateral Agent shall have the authority to act as the exclusive agent of such Secured Party for the enforcement of any provisions of this Agreement and such other Security Documents against any Grantor, the exercise of remedies hereunder or thereunder and the giving or withholding of any consent or approval hereunder or thereunder relating to any Collateral or any Grantor's obligations with respect thereto, (c) to agree that it shall not take any action to enforce any provisions of this Agreement or any other Security Document against any Grantor, to exercise any remedy hereunder or thereunder or to give any consents or approvals hereunder or thereunder except as expressly provided in this Agreement or any other Security Document and (d) to agree to be bound by the terms of this Agreement and any other Security Documents.

SECTION 7.17. Recourse; Limited Obligations. This Agreement is made with full recourse to each Grantor and pursuant to and upon all the warranties, representations, covenants and agreements on the part of such Grantor contained herein, in the Indenture and otherwise in writing in connection herewith or therewith. It is the desire and intent of each Grantor and the Secured Parties that this Agreement shall be enforced against each Grantor to the fullest extent permissible under the laws applied in each jurisdiction in which enforcement is sought. Notwithstanding anything to the contrary contained herein, and in furtherance of the foregoing, it is noted that the obligations of each Grantor that is a Guarantor have been limited as expressly provided in the Guarantee and are limited hereunder as and to the same extent provided therein.

Accordingly, the Collateral Agent and the New Subsidiary agree as follows:

SECTION 1. In accordance with Section 7.14 of the Security Agreement, the New Subsidiary by its signature below becomes a Grantor under the Security Agreement with the same force and effect as if originally named therein as a Grantor, and the New Subsidiary hereby (a) agrees to all the terms and provisions of the Security Agreement applicable to it as a Grantor and Grantor thereunder and (b) represents and warrants that the representations and warranties made by it as a Grantor thereunder are true and correct on and as of the date hereof. Accordingly, the parties hereto agree as follows:

Section 1. Terms. Capitalized terms used in this Agreement and not otherwise defined herein have the meanings specified in the Security Agreement. The rules of construction specified in Article I of the Indenture also apply to this Agreement.

As security for the payment or performance, as the case may be, in full of the Obligations, each Grantor, pursuant to and in accordance with the Security Agreement, did and hereby does grant to the Collateral Agent, its successors and assigns, for the benefit of the Secured Parties, a security interest in, all right, title and interest in or to any and all of the following assets and properties now owned or at any time hereafter acquired by such Grantor or in which such Grantor now has or at any time in the future may acquire any right, title or interest (collectively, the "**Patent Collateral**");

All letters Patent of the United States or the equivalent thereof in any other country, all registrations and recordings thereof, and all applications for letters Patent of the United States or the equivalent thereof in any other country in or to which any Grantor now or hereafter has any right, title or interest therein, including registrations, recordings and pending applications in the USPTO or any similar offices in any other country, and all reissues, continuations, divisions, continuations-in-part, renewals, improvements or extensions thereof.

Section 1. Terms. Capitalized terms used in this Agreement and not otherwise defined herein have the meanings specified in the Security Agreement. The rules of construction specified in Article I of the Indenture also apply to this Agreement.

Section 2. Grant of Security Interest. As security for the payment or performance, as the case may be, in full of the Obligations, each Grantor, pursuant to and in accordance with the Security Agreement, did and hereby does grant to the Collateral Agent, its successors and assigns, for the benefit of the Secured Parties, a security interest in, all right, title and interest in or to any and all of the following assets and properties now owned or at any time hereafter acquired by such Grantor or in which such Grantor now has or at any time in the future may acquire any right, title or interest (collectively, the “**Trademark Collateral**”); provided that no security interest shall attach to any such Trademark Collateral if and for so long as the grant of such security interest would result in the abandonment, invalidation, unenforceability or termination of such Trademark Collateral; and provided further that such security interest shall attach immediately at such time as the condition causing such abandonment, invalidation, unenforceability or termination shall be remedied:

(a) all trademarks, service marks, trade names, corporate names, trade dress, logos, designs, fictitious business names, other source or business identifiers, now existing or hereafter adopted or acquired, all registrations and recordings thereof, and all registration and recording applications filed in connection therewith, including registrations and registration applications in the USPTO or any similar offices in any State of the United States or any other country or any political subdivision thereof, and all extensions or renewals thereof, as well as any unregistered trademarks and service marks used by a Grantor, and (b) all goodwill connected with the use of and symbolized thereby.

It is the intent of the parties that this Agreement grants a security interest in the Trademark Collateral and is not intended to be, and shall not be deemed to be, an assignment of the Trademark Collateral.

Section 3. Termination. This Agreement is made to secure the satisfactory performance and payment of the Obligations. This Agreement and the security interest granted hereby shall terminate with respect to all of a Grantor’s Obligations and any Lien arising therefrom shall be automatically released upon termination of the Security Agreement or release of such Grantor’s obligations thereunder. The Collateral Agent shall, in connection with any termination or release herein or under the Security Agreement, execute and deliver to any Grantor as such Grantor may request, an instrument in writing

releasing the security interest in the Trademark Collateral acquired under this Agreement. Additionally, upon such satisfactory performance or payment, the Collateral Agent shall reasonably cooperate with any efforts made by a Grantor to make of record or otherwise confirm such satisfaction including, but not limited to, the release and/or termination of this Agreement and any security interest in, to or under the Trademark Collateral.

Section 4. Supplement to the Security Agreement. The security interests granted to the Collateral Agent herein are granted in furtherance, and not in limitation of, the security interests granted to the Collateral Agent pursuant to the Security Agreement. Each Grantor hereby acknowledges and affirms that the rights and remedies of the Collateral Agent with respect to the Trademark Collateral are more fully set forth in the Security Agreement, the terms and provisions of which are hereby incorporated herein by reference as if fully set forth herein. In the event of any conflict between the terms of this Agreement and the Security Agreement, the terms of the Security Agreement shall govern.

Section 5. Representations and Warranties. Holdings and the Company jointly and severally represent and warrant, as to themselves and the other Grantors, to the Collateral Agent and the Secured Parties, that a true and correct list of all of the existing material Trademark Collateral consisting of Trademark registrations or applications registered or filed with the USPTO owned by the Grantor, in whole or in part, is set forth in Schedule I.

Section 6. Miscellaneous. The provisions of Article VII of the Security Agreement are hereby incorporated by reference.

NOTWITHSTANDING ANYTHING HEREIN TO THE CONTRARY, THE LIEN AND SECURITY INTEREST GRANTED TO THE COLLATERAL AGENT, FOR THE BENEFIT OF THE SECURED PARTIES, PURSUANT TO THIS AGREEMENT AND THE EXERCISE OF ANY RIGHT OR REMEDY BY THE COLLATERAL AGENT AND THE OTHER SECURED PARTIES HEREUNDER ARE SUBJECT TO THE PROVISIONS OF THE INTERCREDITOR AGREEMENT. IN THE EVENT OF ANY CONFLICT OR INCONSISTENCY BETWEEN THE PROVISIONS OF THE INTERCREDITOR AGREEMENT AND THIS AGREEMENT, THE PROVISIONS OF THE INTERCREDITOR AGREEMENT SHALL CONTROL.

Sabre Corporation Announces Pricing of \$500 Million of Senior Secured Notes

SOUTHLAKE, Texas, November 4, 2015 — Sabre Corporation (“Sabre”) (Nasdaq: SABR) today announced the pricing of an offering by its wholly-owned subsidiary Sabre GLOB Inc. (“Sabre GLOB”) of \$500 million aggregate principal amount of 5.25% senior secured notes due 2023 (the “Notes”). The Notes and the related note guarantees will be offered in a private offering to qualified institutional buyers pursuant to Rule 144A under the Securities Act of 1933, as amended (the “Securities Act”) and to non-U.S. persons in accordance with Regulation S under the Securities Act. The Notes will carry a coupon of 5.25% per annum, payable semi-annually in arrears, commencing on May 15, 2016. The offering is expected to close on November 9, 2015, subject to customary closing conditions.

The net proceeds from the sale of the Notes will be used to redeem \$235 million aggregate principal amount of the \$400 million 8.35% senior unsecured notes due 2016 issued by Sabre Holdings Corporation, a subsidiary of Sabre and parent of Sabre GLOB, and to pay accrued interest, premiums, fees and expenses related thereto. The excess net proceeds will be available for general corporate purposes, including potential acquisitions and certain potential repurchases of shares of Sabre’s common stock. The foregoing does not constitute a notice of redemption for or an obligation to issue a notice of redemption for our outstanding notes.

The Notes will be guaranteed by Sabre Holdings Corporation and each subsidiary that guarantees Sabre GLOB’s senior secured credit facility (the “Credit Facility”). The Notes and the note guarantees will be secured, subject to permitted liens, by a first-priority security interest in substantially all present and hereafter acquired property and assets of Sabre GLOB and the guarantors, which also constitutes collateral securing indebtedness under the Credit Facility and Sabre GLOB’s \$530 million 5.375% senior secured notes due 2023 on a first-priority basis.

The Notes and the related note guarantees have not been registered under the Securities Act or any state securities laws. The Notes may not be offered or sold in the United States or to, or for the benefit of, U.S. persons absent registration under, or an applicable exemption from, the registration requirements of the Securities Act and applicable state securities laws.

This press release does not constitute an offer to sell or the solicitation of an offer to buy the Notes or any other security and shall not constitute an offer, solicitation or sale in any jurisdiction in which, or to any persons to whom, such offering, solicitation or sale would be unlawful. Any offers of the Notes will be made only by means of a private offering circular.
