II. GENERAL TERMS

Section 2.1. Loan Commitment; Disbursement to Borrower.

2.1.1 Agreement to Lend and Borrow. Subject to and upon the terms and conditions set forth herein, Lender hereby agrees to make and Borrower hereby agrees to accept the Loan on the Closing Date.

2.1.2 Single Disbursement to Borrower. Borrower may request and receive only one borrowing hereunder in respect of the Loan and any amount borrowed and repaid hereunder in respect of the Loan may not be reborrowed.

2.1.3 The Note, Mortgage and Loan Documents. The Loan shall be evidenced by the Note and secured by the Mortgage, the Assignment of Leases and the other Loan Documents.

2.1.4 Use of Proceeds. Borrower shall use the proceeds of the Loan to (a) acquire the Properties and/or repay and discharge any existing loans relating to the Properties, (b) pay all past-due Basic Carrying Costs, if any, with respect to the Properties, (c) make deposits into the Reserve Funds on the Closing Date in the amounts provided herein, (d) pay costs and expenses incurred in connection with the closing of the Loan, as approved by Lender, (e) fund any working capital requirements of the Properties and (f) distribute the balance, if any, to Borrower.

Section 2.2. Interest Rate.

2.2.1 Interest Rate. Interest on the outstanding principal balance of the Loan shall accrue from the Closing Date to but excluding the Maturity Date at the Applicable Interest Rate, unless the Default Rate shall then be in effect.

2.2.2 Interest Calculation. Interest on the outstanding principal balance of the Loan shall be calculated by multiplying (a) the actual number of days elapsed in the period for which the calculation is being made by (b) a daily rate based on a three hundred sixty (360) day year by (c) the outstanding principal balance.

2.2.3 Default Rate. In the event that, and for so long as, any Event of Default shall have occurred and be continuing, the outstanding principal balance of the Loan and, to the extent permitted by law, all accrued and unpaid interest in respect of the Loan and any other amounts due pursuant to the Loan Documents, shall accrue interest at the Default Rate, calculated from the date such payment was due without regard to any grace or cure periods contained herein.

2.2.4 Usury Sayings. This Agreement, the Note and the other Loan Documents are subject to the express condition that at no time shall Borrower be obligated or required to pay interest on the principal balance of the Loan at a rate which could subject Lender to either civil or criminal liability as a result of being in excess of the Maximum Legal Rate. If, by the terms of this Agreement or the other Loan Documents, Borrower is at any time required or obligated to pay interest on the principal balance due hereunder at a rate in excess of the Maximum Legal Rate, the Applicable Interest Rate or the Default Rate, as the case may be, shall be deemed to be immediately reduced to the Maximum Legal Rate and all previous payments in excess of the Maximum Legal Rate shall be deemed to have been payments in reduction of principal and not on account of the interest due hereunder. All sums paid or agreed to be paid to Lender for the use, forbearance, or detention of the sums due under the Loan, shall, to the extent permitted by applicable law, be amortized, prorated, allocated, and spread throughout the full stated term of the Loan until payment in full so that the rate or amount of interest on account of the Loan does not exceed the Maximum Legal Rate of interest from time to time in effect and applicable to the Loan for so long as the Loan is outstanding.

Section 2.3. Loan Payment.

2.3.1 Debt Service Payments. Borrower shall pay to Lender (a) on the Closing Date, an amount equal to interest only on the outstanding principal balance of the Loan from the Closing Date through and including the last day of the month in which the Closing Date occurs (unless the Closing Date is the first (1st) day of the month, in which case no such interest only payment shall be due), and (b) on each Payment Date thereafter up to and including the Maturity Date, Borrower shall make a payment to Lender in an amount equal to the Monthly Debt Service Payment Amount, which payments shall be applied first to accrued and unpaid interest and the balance, if any, to principal.

2.3.2 Payments Generally. The first interest accrual period hereunder shall commence on and include the Closing Date and end on the last day of the month in which the Closing Date occurs. Each interest accrual period thereafter shall commence on the first (1st) day of each calendar month during the term of the Loan and shall end on and include the last day of such calendar month. For purposes of making payments hereunder, but not for purposes of calculating interest accrual periods, if the day on which such payment is due is not a Business Day, then amounts due on such date shall be due on the immediately preceding Business Day and with respect to payments of principal due on the Maturity Date, interest shall be payable at the Applicable Interest Rate or the Default Rate, as the case may be, through and including the day immediately preceding such Maturity Date. (3%) of such unpaid sum or the maximum amount permitted by applicable law in order to defray the expense incurred by Lender in handling and processing such delinquent payment and to compensate Lender for the loss of the use of such delinquent payment. Any such amount shall be secured by the Mortgage and the other Loan Documents to the extent permitted by applicable law.

2.3.5 Method and Place of Payment. Except as otherwise specifically provided herein, all payments and prepayments under this Agreement and the Note shall be made to Lender not later than 2:00 P.M., New York City time, on the date when due and shall be made in lawful money of the United States of America in immediately available funds at Lender's office or as otherwise directed by Lender, and any funds received by Lender after such time shall, for all purposes hereof, be deemed to have been paid on the next succeeding Business Day.

2.3.6 Tax Withholding.

(a) All payments made under the Loan Documents shall be made free and clear of, and without deduction or withholding for or on account of, any present or future income, stamp or other taxes, levies, imposts, duties, charges, fees, deductions or withholdings, and all liabilities with respect thereto, now or hereafter imposed, levied, collected, withheld or assessed by any Governmental Authority, excluding (i) any deduction or withholding imposed by the United States of America, any state, commonwealth, protectorate territory or any political subdivision or taxing authority thereof or therein as a result of the failure of Lender to comply with the terms of Section 2.3.6(b) below and (ii) any deduction or withholding for Lender's Taxes or other amounts with respect to which Borrower has no payment obligation to Lender pursuant to this Agreement or any other Loan Document. If Borrower is required by law to deduct any of the foregoing from any sum payable under the Loan Documents, such sum shall be increased as necessary so that after making all required deductions (including deductions applicable to additional sums payable under this Section 2.3.6), Lender receives an amount equal to the sum Lender would have received had no such deductions been made.

(b) (i) In the event that Lender (and/or any Person that acquires an interest in the indebtedness evidenced by the Note) is not organized under the laws of the United States of America or a state thereof (a "Non-U.S. Lender") such Non-U.S. Lender agrees that, prior to the first date on which any payment is due such Non-U.S. Lender hereunder, it will deliver to Borrower two duly completed copies of United States Internal Revenue Service Form W-8BEN or W-8ECI or successor applicable form, as the case may be, certifying in each case that such Non-U.S. Lender is entitled to receive payments under the Loan Documents, without deduction or withholding of any United States federal income taxes. Each Non-U.S. Lender required to deliver to Borrower a Form W-8BEN or W-8ECI pursuant to the preceding sentence further undertakes to deliver to Borrower two further copies of such forms, or successor applicable forms, or other manner of certification, as the case may be, on or before the date that any such forms expires (which, in the case of the Form W-8ECI, is the last day of each U.S. taxable year of the Non-U.S. Lender) or becomes obsolete or after the occurrence of any event requiring a change in the most recent form previously delivered by it to Borrower, and such other extensions or renewals thereof as may reasonably be requested by Borrower, certifying in the case of a Form W-8BEN or W-8ECI that such Non-U.S. Lender is entitled to receive payments under the Loan Documents without deduction or withholding of any United States federal income taxes.

(ii) Each Non-U.S. Lender, to the extent it does not act or ceases to act for its own account with respect to any portion of any sums paid or payable to such Non-U.S. Lender under any of the Loan Documents (for example, in the case of a typical participation by such Non-U.S. Lender), shall deliver to Borrower on the date when such Non-U.S. Lender ceases to act for its own account with respect to any portion of any such sums paid or payable, and at such other times as may be necessary in the determination of Borrower (in the reasonable exercise of its discretion), (A) two duly signed completed copies of the forms or statements required to be provided by such Non-U.S. Lender pursuant to Section 2.3.6(b)(i), to establish the portion of any such sums paid or payable with respect to which such Non-U.S. Lender acts for its own account that is not subject to U.S. withholding tax, and (B) two duly signed completed copies of Internal Revenue Service Form in W-8IMY or successor applicable form, together with any information such Non-U.S. Lender chooses to transmit with such form, and any other certificate or statement of exemption required under the Code, to establish that such Non-U.S. Lender is not acting for its own account with respect to a portion of any such sums payable to such Non-U.S. Lender.

Section 2.4. Prepayments.

2.4.1 Voluntary Prepayments. The Loan may be prepaid in whole, but not in part, on any Business Day upon not less than fifteen (15) days prior written notice to Lender specifying the date on which prepayment is to be made provided no Event of Default exists and, if such prepayment is made prior the Open Date, upon payment of an amount equal to the greater of (a) one percent (1%) of the outstanding principal balance of the Debt at the time such payment or proceeds are received or (b) (x) the present value as of the date such payment or proceeds are received of the remaining scheduled payments of principal and interest from the date such payment or proceeds are received through the Maturity Date (including any balloon payment) determined by discounting such payments at the Discount Rate, less (y) the amount of the payment or proceeds received. Lender shall not be obligated to accept any such prepayment of the Debt unless it is accompanied by the prepayment consideration due in connection therewith. Additionally, on the Open Date, or on any Business Day thereafter, Borrower may, at its option and upon thirty (30) days prior notice to Lender, prepay the Debt in whole, but not in part, without payment of the Yield Maintenance Premium or any other prepayment premium or penalty. Except as otherwise provided herein, Borrower shall not have the right to prepay the Loan in whole or in part prior to the Maturity Date. Any notice of prepayment given pursuant to this Section 2.4.1 may be revoked by Borrower, provided that Borrower reimburses Lender for any reasonable out-of-pocket expenses incurred by Lender in connection therewith.

2.4.2 Mandatory Prepayments. On the next occurring Payment Date following the date on which Lender actually receives any Net Proceeds, if Lender is not obligated to make such Net Proceeds available to Borrower for the Restoration of any Individual Property, Borrower shall prepay, or authorize Lender to apply Net Proceeds as a prepayment of, the outstanding principal balance of the Note in an amount equal to one hundred percent (100%) of such Net Proceeds. Other than following an Event of Default, no Yield Maintenance Premium shall be due in connection with any prepayment made pursuant to this Section 2.4.2. The Release Amount with respect to such Individual Property shall be reduced in an amount equal to such prepayment. Any partial prepayment under this Section 2.4.2 shall be applied to the last payments of principal due under the Loan.

2.4.3 Prepayments After Default. If following an Event of Default, payment of all or any part of the Debt is tendered by Borrower or otherwise recovered by Lender (including through application of any Reserve Funds), such tender or recovery shall be (a) made on the next occurring Payment Date together with the Monthly Debt Service Payment Amount and (b) deemed a voluntary prepayment by Borrower in violation of the prohibition against prepayment set forth in Section 2.4.1 and Borrower shall pay, in addition to the Debt, an amount equal to the greater of (i) five percent (5%) of the outstanding principal balance of the Loan to be prepaid or satisfied, and (ii) the Yield Maintenance Premium that would be required if a Defeasance Event had occurred in an amount equal to the outstanding principal amount of the Loan to be prepaid or satisfied.

Section 2.5. Defeasance.

2.5.1 Voluntary Defeasance. (a) Provided no Event of Default shall then exist, from and after the earlier to occur of the Permitted Release Date and the Defeasance Lockout Date Borrower shall have the right at any time prior to the Maturity Date to voluntarily defease all or any portion of the Loan by and upon satisfaction of the following conditions (such event being a "**Defeasance Event**"):

(i) Borrower shall provide not less than thirty (30) days prior written notice to Lender specifying the date (the "**Defeasance Date**") on which the Defeasance Event and the principal amount of the Loan to be defeased;

(iii) Borrower shall pay to Lender all other sums, not including scheduled interest or principal payments, then due under the Note, this Agreement, the Mortgage and the other Loan Documents;

(iv) Borrower shall deliver to Lender the Defeasance Deposit applicable to the Defeasance Event;

The Defeased Note and Undefeased Note shall otherwise have terms identical to the Note, except that a Defeased Note cannot be the subject of any further Defeasance Event;

(vi) Borrower shall execute and deliver a pledge and security agreement, in form and substance that would be reasonably satisfactory to a prudent lender creating a

first priority lien on the Defeasance Deposit and the U.S. Obligations purchased with the Defeasance Deposit in accordance with the provisions of this Section 2.5 (the "**Security Agreement**");

(vii) Borrower shall deliver an opinion of counsel for Borrower that is standard in commercial lending transactions and subject only to customary qualifications, assumptions and exceptions opining, among other things, that Borrower has legally and validly transferred and assigned the U.S. Obligations and all obligations, rights and duties under and to the Note or Defeased Note (as applicable) to the Successor Borrower, that Lender has a perfected first priority security interest in the Defeasance Deposit and the U.S. Obligations delivered by Borrower and that any REMIC Trust formed pursuant to a Securitization will not fail to maintain its status as a "real estate mortgage investment conduit" within the meaning of Section 860D of the Code as a result of such Defeasance Event;

(viii) Borrower shall deliver confirmation in writing from the applicable Rating Agencies to the effect that such release will not result in a downgrade, withdrawal or qualification of the respective ratings in effect immediately prior to such Defeasance Event for the Securities issued in connection with the Securitization which are then outstanding. If required by the applicable Rating Agencies, Borrower shall also deliver or cause to be delivered a non-consolidation opinion with respect to the Successor Borrower in form and substance reasonably satisfactory to Lender and satisfactory to the applicable Rating Agencies;

(x) Borrower shall deliver a certificate of Borrower's independent certified public accountant certifying that the U.S. Obligations purchased with the Defeasance Deposit generate monthly amounts equal to or greater than the Scheduled Defeasance Payments;

(xi) Borrower shall deliver such other certificates, documents or instruments as Lender may reasonably request; and

(xii) Borrower shall pay all costs and expenses of Lender incurred in connection with the Defeasance Event, including (A) any costs and expenses associated with a release of the Lien of the Mortgage as provided in Section 2.6 hereof, (B) reasonable attorneys' fees and expenses incurred in connection with the Defeasance Event, (C) the costs and expenses of the Rating Agencies, (D) any revenue, documentary stamp or intangible taxes or any other tax or charge due in connection with the transfer of the Note, or otherwise required to accomplish the defeasance and (E) the costs and expenses of Servicer and any trustee, including reasonable attorneys' fees.

(b) In connection with each Defeasance Event, Borrower shall use the Defeasance Deposit to purchase U.S. Obligations which provide payments on or prior to, but as close as possible to, all successive scheduled Payment Dates after the Defeasance Date upon which

interest and principal payments are required under this Agreement and the Note, in the case of a Defeasance Event for the entire outstanding principal balance of the Loan, or the Defeased Note, in the case of a Defeasance Event for only a portion of the outstanding principal balance of the Loan, as applicable, and in amounts equal to the scheduled payments due on such Payment Dates under this Agreement and the Note or the Defeased Note, as applicable (including, without limitation, scheduled payments of principal, interest, servicing fees (if any), and any other amounts due under the Loan Documents on such dates) and assuming such Note or Defeased Note is prepaid in full on the Maturity Date (the "**Scheduled Defeasance Payments**"). Borrower, pursuant to the Security Agreement or other appropriate document, shall authorize and direct that the payments received from the U.S. Obligations may be made directly to the Lockbox Account (unless otherwise directed by Lender) and applied to satisfy the obligations of Borrower under this Agreement and the Note or the Defeased Note, as applicable. Any portion of the Defeasance Deposit in excess of the amount necessary to purchase the U.S. Obligations required by this Section 2.5 and satisfy Borrower's other obligations under this Section 2.5 and Section 2.6 shall be remitted to Borrower.

2.5.2 Collateral. Each of the U.S. Obligations that are part of the defeasance collateral shall be duly endorsed by the holder thereof as directed by Lender or accompanied by a written instrument of transfer in form and substance that would be satisfactory to a prudent lender (including, without limitation, such instruments as may be required by the depository institution holding such securities or by the issuer thereof, as the case may be, to effectuate book-entry transfers and pledges through the book-entry facilities of such institution) in order to perfect upon the delivery of the defeasance collateral a first priority security interest therein in favor of the Lender in conformity with all applicable state and federal laws governing the granting of such security interests.

2.5.3 Successor Borrower. In connection with any Defeasance Event, Borrower may at its option, or if so required by the applicable Rating Agencies shall, establish or designate a successor entity (the "**Successor Borrower**") which shall be a single purpose bankruptcy remote entity with one (1) Independent Director approved by the Rating Agencies, and Borrower shall transfer and assign all obligations, rights and duties under and to the Note or the Defeased Note, as applicable, together with the pledged U.S. Obligations to such Successor Borrower. Such Successor Borrower shall assume the obligations under the Note or the Defeased Note, as applicable, and the Security Agreement and Borrower shall be relieved of its obligations under such documents. Borrower shall pay $1,000 to any such Successor Borrower as consideration for assuming the obligations under the Note or the Defeased Note, as applicable, and the Security Agreement. Notwithstanding anything in this Agreement to the contrary, no other assumption fee shall be payable upon a transfer of the Note or the Defeased Note, as applicable, in accordance with this Section 2.5.3, but Borrower shall pay all costs and expenses incurred by Lender, including Lender's reasonable attorneys' fees and expenses and any fees and expenses of any Rating Agencies, incurred in connection therewith.

Section 2.6. Release of Property. Except as set forth in this Section 2.6, no repayment, prepayment or defeasance of all or any portion of the Loan shall cause, give rise to a right to require, or otherwise result in, the release of any Lien of any Mortgage on any Individual Property.

2.6.1 Release of all Properties.

(a) If Borrower has elected to defease the entire Loan and the requirements of Section 2.5 and this Section 2.6 have been satisfied, all of the Properties shall be released from the Lien of the Mortgage and the U.S. Obligations, pledged pursuant to the Security Agreement, shall be the sole source of collateral securing the Note.

(b) In connection with any release of the Mortgage, Borrower shall submit to Lender, not less than thirty (30) days prior to the Defeasance Date, a release of Lien (and related Loan Documents) for each Individual Property for execution by Lender. Such release shall be in a form appropriate in each jurisdiction in which an Individual Property is located and that would be satisfactory to a prudent lender. In addition, Borrower shall provide all other documentation Lender reasonably requires to be delivered by Borrower in connection with such release, together with an Officer's Certificate certifying that such documentation (i) is in compliance with all Legal Requirements, and (ii) will effect such releases in accordance with the terms of this Agreement.

2.6.2 Release of Individual Property. If Borrower has elected to defease a portion of the Loan and the requirements of Section 2.5 and this Section 2.6.2 have been satisfied, Borrower may obtain the release of an Individual Property from the Lien of the Mortgage thereon (and related Loan Documents) and the release of Borrower's obligations under the Loan Documents with respect to such Individual Property (other than those expressly stated to survive), upon the satisfaction of each of the following conditions:

(a) The principal balance of the Defeased Note shall equal or exceed the Release Amount for the applicable Individual Property; provided, however, if the undefeased portion of the Loan at the time a release is requested is less than the Release Amount, the Defeased Note shall equal the remaining undefeased portion of the Loan at the time of release;

(b) Borrower shall submit to Lender, not less than thirty (30) days prior to the date of such release, a release of Lien (and related Loan Documents) for such Individual Property for execution by Lender. Such release shall be in a form appropriate in each jurisdiction in which the Individual Property is located and that contains standard provisions, if any, protecting the rights of the releasing lender. In addition, Borrower shall provide all other documentation Lender reasonably requires to be delivered by Borrower in connection with such release, together with an Officer's Certificate certifying that such documentation (i) is in compliance with all Legal Requirements, (ii) will effect such release in accordance with the terms of this Agreement, and (iii) will not impair or otherwise adversely affect the Liens, security interests and other rights of Lender under the Loan Documents not being released (or as to the parties to the Loan Documents and Properties subject to the Loan Documents not being released);

(c) After giving effect to such release, the Debt Service Coverage Ratio for the Individual Property then remaining subject to the Lien of the Mortgage shall be equal to or greater than the greater of (i) 1.24 to 1.0 and (ii) the Debt Service Coverage Ratio for both Properties (taking into account the Debt evidenced by the Defeased Note in question) for the twelve (12) full calendar months immediately preceding the release of the Individual Property (provided, however, that if the Sabre Lease for the remaining Individual Property as in effect on the Closing Date remains in effect after the release, the requirements of this Section 2.6.2(c) shall be deemed satisfied);

(d) The Individual Property to be released shall be conveyed to a Person other than a Borrower or any of its Affiliates;

(e) The remaining Individual Property, after giving effect to the conveyance of the Individual Property to be released, will (i) be a legally subdivided parcel and comply with all zoning ordinances including without limitation those related to parking, lot size and density, or a variance with respect thereto shall have been obtained, (ii) be a separate tax parcel, and not be subject to any lien for taxes due or not yet due attributable to the Individual Property to be released, (iii) comply with all subdivision ordinances and regulations and (iv) to the extent necessary, have an appurtenant easement for utilities, parking and access currently crossing or located on the Individual Property to be released;

(f) Lender shall have received endorsements to the Title Insurance Policy for the Properties insuring each of the items set forth in clause (b) above reasonably satisfactory to Lender; and

(g) After giving effect to such release, the Loan-to-Value Ratio for the remaining Individual Property shall be equal to or less than the lesser of (i) the Loan-to-Value Ratio immediately preceding the Closing Date and (ii) the Loan-to-Value Ratio for both Properties (taking into the account the Debt evidenced by the Defeased Note in question) immediately preceding the release of the Individual Property (provided, however, that if the Sabre Lease for the remaining Individual Property as in effect on the Closing Date remains in effect after the release, the requirements of this Section 2.6.2(g) shall be deemed satisfied).

2.6.3 Release on Payment in Full. Lender shall, upon the written request and at the expense of Borrower, upon payment in full of all principal and interest due on the Loan and all other amounts due and payable under the Loan Documents in accordance with the terms and provisions of the Note and this Agreement, release the Lien of the Mortgage on each Individual Property not theretofore released.

2.6.4 Release Parcel. Lender shall, upon the written request of Borrower, release (without any prepayment of Debt or release fee other than the payment of expenses set forth below) from the Mortgage, the Assignment of Leases and Rents and the UCC Financing Statements of those parts of the Properties, more particularly described on Schedule V attached hereto as Future Construction Area Tract No. 1 and Future Construction Area Tract No. 2 (each, a "**Release Parcel**") upon satisfaction of each of the following conditions precedent:

(a) no Event of Default shall have occurred and be continuing, nor shall have there occurred any event which would, with the giving of notice or passage of time, or both, constitute an Event of Default;

(b) the Properties, after giving effect to the subdivision and conveyance of the Release Parcel, will (i) comply with all zoning ordinances including without limitation those related to parking, lot size and density, or a variance with respect thereto shall have been obtained, (ii) be a separate tax parcel, and not be subject to any lien for taxes due or not yet due

attributable to the Release Parcel, (iii) comply with all subdivision ordinances and regulations, and (iv) if necessary, have an appurtenant easement for utilities, parking and access currently crossing or located on the Release Parcel;

(c) receipt by Lender of endorsements to the Title Insurance Policy for the Properties insuring each of the items set forth in clause (b) above reasonably satisfactory to Lender;

(d) Borrower shall convey the Release Parcel, concurrently with the release, to an entity other than the Borrower;

(e) payment to the Lender by Borrower of its reasonable fees and expenses incurred in evaluating and documenting the release, including, without limitation, reasonable attorneys' fees and filing fees;

(f) Lender, at its election, may obtain, at Borrower's expense, an opinion that the release of the Release Parcel will not cause (i) any adverse tax consequences to the REMIC or any holders of any Securities, (ii) the Mortgage to fail to be a Qualifying Security Instrument under applicable federal law relating to REMICs or (iii) result in a taxation of the income of the loans to the REMIC or cause a loss of REMIC status;

(g) If requested by Lender, each Rating Agency shall have delivered written confirmation that any rating issued by such Rating Agency in connection with the securitization of any Securities will not, as a result of the proposed release of the Release Parcel, be downgraded from the then current ratings thereof, qualified or withdrawn;

(h) Borrower shall comply with any terms and conditions as the Rating Agencies shall require in connection with such release; and

(i) Borrower shall deliver or take, as the case may be, any other items or actions reasonably requested by Lender or Lender's counsel.

Section 2.7. Cash Management.

2.7.1 Lockbox Account. (a) Borrower shall establish and maintain a segregated account (the "**Lockbox Account**") with Lockbox Bank in trust for the benefit of Lender, which Lockbox Account shall be under the sole dominion and control of Lender (except that the Lockbox Bank shall effect transfers from the Lockbox Account to an account specified by Borrower prior to the receipt by Lockbox Bank that a Trigger Period exists and until such time thereafter as Lockbox Bank receives notice from Lender that a Trigger Period no longer exists). The Lockbox Account shall be entitled "Sabre Headquarters, LLC for the benefit of JPMorgan Chase Bank, N.A., as Lender, pursuant to Loan Agreement dated as of March 29, 2007 - Lockbox Account." Borrower hereby grants to Lender a first priority security interest in the Lockbox Account and all deposits at any time contained therein and the proceeds thereof and will take all actions necessary to maintain in favor of Lender a perfected first priority security interest in the Lockbox Account, including, without limitation, executing and filing UCC-1 Financing Statements and continuations thereof. Lender and Servicer shall have the sole right to make withdrawals from the Lockbox Account and all costs and expenses for establishing and maintaining the Lockbox Account shall be paid by Borrower.

(b) Borrower shall deliver written instructions to all tenants under Leases to deliver all Rents payable thereunder directly to the Lockbox Account. Borrower shall deposit all amounts received by Borrower constituting Rents into the Lockbox Account within one (1) Business Day after receipt.

(c) Borrower shall obtain from Lockbox Bank its agreement to transfer to the Cash Management Account in immediately available funds by federal wire transfer all amounts on deposit in the Lockbox Account once every Business Day during any Trigger Period.

2.7.2 Cash Management Account. (a) Pursuant to the Cash Management Agreement, Lender has established with a financial institution chosen by Lender an account (the "**Cash Management Account**"), which Cash Management Account shall be under the sole dominion and control of Lender. Borrower hereby grants to Lender a first priority security interest in the Cash Management Account and all deposits at any time contained therein and the proceeds thereof and will take all actions necessary to maintain in favor of Lender a perfected first priority security interest in the Cash Management Account. Lender and Servicer shall have the sole right to make withdrawals from the Cash Management Account and all costs and expenses for establishing and maintaining the Cash Management Account shall be paid by Borrower.

(b) All funds on deposit in the Cash Management Account shall be applied by Lender in accordance with the Cash Management Agreement. The insufficiency of funds on deposit in the Cash Management Account shall not relieve Borrower from the obligation to make any payments, as and when due pursuant to this Agreement and the other Loan Documents, and such obligations shall be separate and independent, and not conditioned on any event or circumstance whatsoever. All funds on deposit in the Cash Management Account during the existence of an Event of Default may be applied by Lender in such order and priority as Lender shall determine.

III. CONDITIONS PRECEDENT

Section 3.1. Conditions Precedent to Closing. The obligation of Lender to make the Loan hereunder is subject to the fulfillment by Borrower or waiver by Lender of the following conditions precedent no later than the Closing Date:

Lender shall have also received from Borrower fully executed counterparts of the other Loan Documents.

(b) **Title Insurance.** Lender shall have received the Title Insurance Policy issued by a title company acceptable to Lender and dated as of the Closing Date. The Title Insurance Policy shall (i) provide coverage in the amount of the Loan, (ii) insure Lender that the relevant Mortgage creates a valid lien on the Individual Property encumbered thereby of the requisite priority, free and clear of all exceptions from coverage other than Permitted Encumbrances and standard exceptions and exclusions from coverage (as modified by the terms of any endorsements), (iii) contain such endorsements and affirmative coverages as Lender may reasonably request, and (iv) name Lender as the insured. IV. REPRESENTATIONS AND WARRANTIES

Section 4.1. Borrower Representations. Borrower represents and warrants as of the date hereof and as of the Closing Date that:

4.1.1 Organization. Borrower has been duly organized and is validly existing and in good standing with requisite power and authority to own its properties and to transact the businesses in which it is now engaged. Borrower is duly qualified to do business and is in good standing in each jurisdiction where it is required to be so qualified in connection with its properties, businesses and operations. Borrower possesses all rights, licenses, permits and authorizations, governmental or otherwise, necessary to entitle it to own its properties and to transact the businesses in which it is now engaged, and the sole business of Borrower is the ownership, management and operation of the Properties. The ownership interests of Borrower are as set forth on the organizational chart attached hereto as Schedule IV.

4.1.2 Proceedings. Borrower has taken all necessary action to authorize the execution, delivery and performance of this Agreement and the other Loan Documents. This Agreement and such other Loan Documents have been duly executed and delivered by or on behalf of Borrower and constitute legal, valid and binding obligations of Borrower enforceable against Borrower in accordance with their respective terms, subject only to applicable bankruptcy, insolvency and similar laws affecting rights of creditors generally, and subject, as to enforceability, to general principles of equity (regardless of whether enforcement is sought in a proceeding in equity or at law).

4.1.3 No Conflicts. The execution, delivery and performance of this Agreement and the other Loan Documents by Borrower will not conflict with or result in a breach of any of the terms or provisions of, or constitute a default under, or result in the creation or imposition of any lien, charge or encumbrance (other than pursuant to the Loan Documents) upon any of the property or assets of Borrower pursuant to the terms of any indenture, mortgage, deed of trust, loan agreement, partnership agreement, management agreement or other agreement or instrument to which Borrower is a party or by which any of Borrower's property or assets is subject, nor will such action result in any violation of the provisions of any statute or any order, rule or regulation of any Governmental Authority having jurisdiction over Borrower or any of Borrower's properties or assets, and any consent, approval, authorization, order, registration or qualification of or with any such Governmental Authority required for the execution, delivery and performance by Borrower of this Agreement or any other Loan Documents has been obtained and is in full force and effect.

4.1.4 Litigation. There are no actions, suits or proceedings at law or in equity by or before any Governmental Authority or other agency now pending or threatened against or affecting Borrower, Principal, Guarantor or any Individual Property, which actions, suits or proceedings, if determined against Borrower, Principal, Guarantor or any Individual Property, might materially adversely affect the condition (financial or otherwise) or business of Borrower, Principal, Guarantor or the condition or ownership of any Individual Property.

4.1.5 Agreements. Borrower is not a party to any agreement or instrument or subject to any restriction which might materially and adversely affect Borrower or any Individual Property, or Borrower's business, properties or assets, operations or condition, financial or otherwise. Borrower is not in default in any material respect in the performance, observance or fulfillment of any of the obligations, covenants or conditions contained in any agreement or instrument to which it is a party or by which Borrower or any of the Properties are bound. Borrower has no material financial obligation under any indenture, mortgage, deed of trust, loan agreement or other agreement or instrument to which Borrower is a party or by which Borrower or the Properties is otherwise bound, other than (a) obligations incurred in the ordinary course of the operation of the Properties as permitted pursuant to clause (t) of the definition of "Special Purpose Entity" set forth in Section 1.1 hereof and (b) obligations under the Loan Documents.

4.1.6 Title. Borrower has good, indefeasible and insurable fee simple title to the real property comprising part of each Individual Property and good title to the balance of such

Individual Property, free and clear of all Liens whatsoever except the Permitted Encumbrances, such other Liens as are permitted pursuant to the Loan Documents and the Liens created by the Loan Documents. The Permitted Encumbrances in the aggregate do not materially and adversely affect the value, operation or use of the applicable Individual Property (as currently used) or Borrower's ability to repay the Loan. Each Mortgage, when properly recorded in the appropriate records, together with any Uniform Commercial Code financing statements required to be filed in connection therewith, will create (a) a valid, perfected first priority lien on the applicable Individual Property, subject only to Permitted Encumbrances and the Liens created by the Loan Documents and (b) perfected security interests in and to, and perfected collateral assignments of, all personalty (including the Leases), all in accordance with the terns thereof, in each case subject only to any applicable Permitted Encumbrances, such other Liens as are permitted pursuant to the Loan Documents and the Liens created by the Loan Documents. There are no claims for payment for work, labor or materials affecting the Properties which are or may become a Lien prior to, or of equal priority with, the Liens created by the Loan Documents.

4.1.7 Solvency. Borrower has (a) not entered into the transaction or executed the Note, this Agreement or any other Loan Documents with the actual intent to hinder, delay or defraud any creditor and (b) received reasonably equivalent value in exchange for its obligations under such Loan Documents. The fair saleable value of Borrower's assets exceeds and will, immediately following the making of the Loan, exceed Borrower's total liabilities, including, without limitation, subordinated, unliquidated, disputed and contingent liabilities. The fair saleable value of Borrower's assets is and will, immediately following the making of the Loan, be greater than Borrower's probable liabilities, including the maximum amount of its contingent liabilities on its debts as such debts become absolute and matured. Borrower's assets do not and, immediately following the making of the Loan will not, constitute unreasonably small capital to carry out its business as conducted or as proposed to be conducted. Borrower does not intend to, and does not believe that it will, incur debt and liabilities (including contingent liabilities and other commitments) beyond its ability to pay such debt and liabilities as they mature (taking into account the timing and amounts of cash to be received by Borrower and the amounts to be payable on or in respect of obligations of Borrower). No petition in bankruptcy has been filed against Borrower or any constituent Person, and neither Borrower nor any constituent Person has ever made an assignment for the benefit of creditors or taken advantage of any insolvency act for the benefit of debtors. Neither Borrower nor any of its constituent Persons are contemplating either the filing of a petition by it under any state or federal bankruptcy or insolvency laws or the liquidation of all or a major portion of Borrower's assets or properties, and Borrower has no knowledge of any Person contemplating the filing of any such petition against it or such constituent Persons.

4.1.8 Full and Accurate Disclosure. No statement of fact made by Borrower in this Agreement or in any of the other Loan Documents contains any untrue statement of a material fact or omits to state any material fact necessary to make statements contained herein or therein not misleading. There is no material fact presently known to Borrower which has not been disclosed to Lender which adversely affects, nor as far as Borrower can foresee, might adversely affect, any Individual Property or the business, operations or condition (financial or otherwise) of Borrower.

4.1.9 No Plan Assets. Borrower is not an "employee benefit plan," as defined in Section 3(3) of ERISA, subject to Title I of ERISA, and none of the assets of Borrower constitutes or will constitute "plan assets" of one or more such plans within the meaning of 29 C.F.R. Section 2510.3-101. In addition, (a) Borrower is not a "governmental plan" within the meaning of Section 3(32) of ERISA and (b) transactions by or with Borrower are not subject to any state statute regulating investments of, or fiduciary obligations with respect to, governmental plans similar to the provisions of Section 406 of ERISA or Section 4975 of the Code currently in effect, which prohibit or otherwise restrict the transactions contemplated by this Loan Agreement.

4.1.10 Compliance. Borrower and the Properties (including the use thereof) comply in all material respects with all applicable Legal Requirements, including, without limitation, building and zoning ordinances and codes and Prescribed Laws. Borrower is not in default or violation of any order, writ, injunction, decree or demand of any Governmental Authority. There has not been committed by Borrower or any other Person in occupancy of or involved with the operation or use of the Properties any act or omission affording the federal government or any other Governmental Authority the right of forfeiture as against any Individual Property or any part thereof or any monies paid in performance of Borrower's obligations under any of the Loan Documents.

4.1.11 Financial Information. All financial data, including, without limitation, the statements of cash flow and income and operating expense, that have been delivered to Lender in connection with the Loan (i) are true, complete and correct in all material respects, (ii) accurately represent the financial condition of the Properties as of the date of such reports, and (iii) to the extent prepared or audited by an independent certified public accounting firm, have been prepared in accordance with GAAP throughout the periods covered, except as disclosed therein. Except for Permitted Encumbrances, Borrower does not have any contingent liabilities, liabilities for taxes, unusual forward or long-term commitments or unrealized or anticipated losses from any unfavorable commitments that are known to Borrower and reasonably likely to have a materially adverse effect on any Individual Property or the operation thereof as an office building, except as referred to or reflected in said financial statements. Since the date of such financial statements, there has been no material adverse change in the financial condition, operation or business of Borrower from that set forth in said financial statements.

4.1.12 Condemnation. No Condemnation or other similar proceeding has been commenced or, to Borrower's best knowledge, is threatened or contemplated with respect to all or any portion of any Individual Property or for the relocation of roadways providing access to any Individual Property.

4.1.13 Federal Reserve Regulations. No part of the proceeds of the Loan will be used for the purpose of purchasing or acquiring any "margin stock" within the meaning of Regulation U of the Board of Governors of the Federal Reserve System or for any other purpose which would be inconsistent with such Regulation U or any other Regulations of such Board of Governors, or for any purposes prohibited by Legal Requirements or by the terms and conditions of this Agreement or the other Loan Documents.

4.1.14 Utilities and Public Access. The Properties collectively have rights of access to public ways and is served by water, sewer, sanitary sewer and storm drain facilities adequate to service such Individual Property for its respective intended uses. All public utilities necessary or convenient to the full use and enjoyment of each Individual Property are located either in the public right-of-way abutting such Individual Property (which are connected so as to serve such Individual Property without passing over other property) or in recorded easements serving such Individual Property and such easements are set forth in and insured by the Title Insurance Policy. All roads necessary for the use of each Individual Property for their current respective purposes have been completed and dedicated to public use and accepted by all Governmental Authorities (or Borrower has access to such public roads pursuant to recorded easements serving such Individual Property and such easements are set forth in and insured by the Title Insurance Policy).

After prior notice to Lender, Borrower, at its own expense, may contest by appropriate legal proceeding, promptly initiated and conducted in good faith and with due diligence, the amount or validity or application in whole or in part of any Taxes or Other Charges, provided that (a) [reserved]; (b) Borrower is permitted to do so under the provisions of any mortgage or deed of trust superior in lien to the applicable Mortgage; (c) such proceeding shall be permitted under and be conducted in accordance with the provisions of any other instrument to which Borrower is subject and shall not constitute a default thereunder and such proceeding shall be conducted in accordance with all applicable statutes, laws and ordinances; (d) no Individual Property nor any part thereof or interest therein will be in danger of being sold, forfeited, terminated, cancelled or lost; (e) Borrower shall promptly upon final determination thereof pay the amount of any such Taxes or Other Charges, together with all costs, interest and penalties which may be payable in connection therewith; (f) [reserved]; and (g) Borrower shall furnish such security as may be required in the proceeding, or, unless such Taxes or Other Charges have been paid under protest, as may be requested by Lender, to insure the payment of any such Taxes or Other Charges, together with all interest and penalties thereon. Lender may pay over any such cash deposit or part thereof held by Lender to the claimant entitled thereto at any time when, in the judgment of Lender, the entitlement of such claimant is established or any Individual Property (or part thereof or interest therein) shall be in danger of being sold, forfeited, terminated, cancelled or lost or there shall be any danger of the Lien of any Mortgage being primed by any related Lien.

Such statements shall set forth the financial condition and the results of operations for the Properties for such Fiscal Year, and shall include, but not be limited to, amounts representing annual Net Cash Flow, Net Operating Income, Gross Income from Operations and Operating Expenses. Borrower's annual financial statements shall be accompanied by (i) a comparison of the budgeted income and expenses and the actual income and expenses for the prior Fiscal Year, (ii) an unqualified opinion of an Acceptable Accounting Firm, (iii) a list of tenants, if any, occupying more than twenty (20%) percent of the total floor area of the Improvements, (iv) a breakdown showing the year in which each Lease then in effect expires and the percentage of total floor area of the Improvements and the percentage of base rent with respect to which Leases shall expire in each such year, each such percentage to be expressed on both a per year and cumulative basis, (v) a schedule audited by such independent certified public accountant reconciling Net Operating Income to Net Cash Flow (the "**Net Cash Flow Schedule**"), which shall itemize all adjustments made to Net Operating Income to arrive at Net Cash Flow deemed material by such independent certified public accountant and (vi) an Officer's Certificate certifying that each annual financial statement presents fairly the financial condition and the results of operations of Borrower and the Properties being reported upon and that such financial statements have been prepared in accordance with GAAP and as of the date thereof whether there exists an event or circumstance which constitutes a Default or Event of

Default under the Loan Documents executed and delivered by, or applicable to, Borrower, and if such Default or Event of Default exists, the nature thereof, the period of time it has existed and the action then being taken to remedy the same.

(c) Borrower will furnish, or cause to be furnished, to Lender on or before twenty (20) days after the end of each calendar quarter the following items, accompanied by an Officer's Certificate stating that such items are true, correct, accurate, and complete and fairly present the financial condition and results of the operations of Borrower and the Properties (subject to normal year-end adjustments) as applicable: (i) a rent roll for the subject quarter; (ii) quarterly and year-to-date operating statements (including Capital Expenditures) prepared for each calendar quarter, noting Net Operating Income, Gross Income from Operations, and Operating Expenses (not including any contributions to the Replacement Reserve Fund and the Rollover Reserve Fund), and, upon Lender's request, other information necessary and sufficient to fairly represent the financial position and results of operation of the Properties during such calendar month, and containing a comparison of budgeted income and expenses and the actual income and expenses together with a detailed explanation of any variances of five percent (5%) or more between budgeted and actual amounts for such periods, all in form satisfactory to Lender; (iii) a calculation reflecting the annual Debt Service Coverage Ratio for the immediately preceding twelve (12) month period as of the last day of such quarter; and (iv) a Net Cash Flow Schedule. Such security shall be in an amount equal to the excess of the total unpaid amounts with respect to alterations to the Improvements on the applicable Individual Property (other than such amounts to be paid or reimbursed by tenants under the Leases) over the Threshold Amount and Lender may apply such security from time to time at the option of Lender to pay for such alterations.

Additionally, Lender shall not unreasonably withhold its consent to any replatting of the Properties by Borrower in connection with the matters set forth in Sections 2.6.2, 2.6.4 and 5.1.23 of this Agreement.

5.2.7 Intentionally Omitted.

Upon Lender's request, Borrower shall execute and deliver additional financing statements, security agreements and other instruments which may be necessary to effectively evidence or perfect Lender's security interest in the Property as a result of such change of principal place of business or place of organization.

5.2.9 ERISA. (a) Borrower shall not engage in any transaction which would cause any obligation, or action taken or to be taken, hereunder (or the exercise by Lender of any of its rights under the Note, this Agreement or the other Loan Documents) to be a non-exempt (under a statutory or administrative class exemption) prohibited transaction under ERISA.

(b) Borrower further covenants and agrees to deliver to Lender such certifications or other evidence from time to time throughout the tem of the Loan, as requested by Lender in its sole discretion, that (i) Borrower is not an "employee benefit plan" as defined in Section 3(3) of ERISA, which is subject to Title I of ERISA, or a "governmental plan" within the meaning of Section 3(32) of ERISA; (ii) Borrower is not subject to any state statute regulating investments of, or fiduciary obligations with respect to, governmental plans; and (iii) one or more of the following circumstances is true:

(a) Borrower acknowledges that Lender has examined and relied on the experience of Borrower and its general partners, members, principals and (if Borrower is a trust) beneficial owners in owning and operating properties such as the Properties in agreeing to make the Loan, and will continue to rely on Borrower's ownership of the Properties as a means of maintaining the value of the Properties as security for repayment of the Debt and the performance of the obligations contained in the Loan Documents. Borrower acknowledges that Lender has a valid interest in maintaining the value of the Properties so as to ensure that, should Borrower default in the repayment of the Debt or the performance of the obligations contained in the Loan Documents, Lender can recover the Debt by a sale of the Properties.

(b) Without the prior consent of Lender and except to the extent otherwise set forth in this Section 5.2.10 or Section 2.6, Borrower shall not, and shall not permit any Restricted Party to, (i) sell, convey, mortgage, grant, bargain, encumber, pledge, assign, grant options with respect to, or otherwise transfer or dispose of (directly or indirectly, voluntarily or involuntarily, by operation of law or otherwise, and whether or not for consideration or of record) any Individual Property or any part thereof or any legal or beneficial interest therein or (ii) permit a Sale or Pledge of an interest in any Restricted Party (collectively, a "**Transfer**"), other than pursuant to Leases of space in the Improvements to tenants in accordance with the provisions of Section 5.1.20.

(c) A Transfer shall include, but not be limited to, (i) an installment sales agreement wherein Borrower agrees to sell an Individual Property or any part thereof for a price to be paid in installments; (ii) an agreement by Borrower leasing all or a substantial part of an Individual Property for other than actual occupancy by a space tenant thereunder or a sale, assignment or other transfer of, or the grant of a security interest in, Borrower's right, title and interest in and to any Leases or any Rents; (iii) if a Restricted Party is a corporation, any merger, consolidation or Sale or Pledge of such corporation's stock or the creation or issuance of new stock; (iv) if a Restricted Party is a limited or general partnership or joint venture, any merger or consolidation or the change, removal, resignation or addition of a general partner or the Sale or Pledge of the partnership interest of any general partner or any profits or proceeds relating to such partnership interest, or the Sale or Pledge of limited partnership interests or any profits or proceeds relating to such limited partnership interest or the creation or issuance of new limited partnership interests; (v) if a Restricted Party is a limited liability company, any merger or consolidation or the change, removal, resignation or addition of a managing member or non-member manager (or if no managing member, any member) or the Sale or Pledge of the membership interest of a managing member (or if no managing member, any member) or any profits or proceeds relating to such membership interest, or the Sale or Pledge of non-managing membership interests or the creation or issuance of new non-managing membership interests; (vi) if a Restricted Party is a trust or nominee trust, any merger, consolidation or the Sale or Pledge of the legal or beneficial interest in a Restricted Party or the creation or issuance of new legal or beneficial interests; or (vii) the removal or the resignation of the managing agent (including, without limitation, an Affiliated Manager).

(d) Notwithstanding the foregoing, the provisions of this Section 5.2.10 shall not restrict:

(i) the Transfer, in the aggregate, of less than forty-nine percent (49%) of the direct or indirect interests in Sabre;

(ii) the merger or consolidation of Sabre or Sabre Holdings Corporation or the sale of all or substantially all of the assets of, or interests in, Sabre or Sabre Holdings Corporation to a single transferee; provided that the surviving entity (if not Sabre) reaffirms all of the obligations under the Sabre Leases;

(iii) the Transfer of direct or indirect interests of Sabre to any entity that satisfies the Financial Criteria; or

(iv) the sale, transfer or issuance of stock in Sabre or Sabre Holdings Corporation (or any successor thereof); provided such stock is listed on the New York Stock Exchange or another nationally or internationally recognized stock exchange.

(e) Lender reserves the right to condition the Transfer of the Properties upon: (i) a modification of the terms hereof, the Note, the Mortgage or the other Loan Documents as may be required by Lender to reflect the new ownership of the Properties and assumption of the Loan; (ii) an assumption of this Agreement, the Note, the Mortgage and the other Loan Documents as so modified by the proposed transferee, subject to the provisions of Section 9.4 hereof; (iii) payment of all of actual, out-of-pocket fees and expenses incurred in connection with such Transfer including, without limitation, the cost of any third party reports, legal fees and expenses, Rating Agency fees and expenses or required legal opinions; (iv) the payment of a non-refundable $5,000 application fee and an assumption fee equal to $250,000 for each Transfer of the Properties; (v) the delivery of a nonconsolidation opinion reflecting the proposed transfer satisfactory in form and substance to Lender; (vi) the proposed transferee's continued compliance with the representations and covenants set forth in Section 4.1.30 and Section 5.2.9 hereof; (vii) the delivery of evidence satisfactory to Lender that the single purpose nature and bankruptcy remoteness of Borrower, its shareholders, partners or members, as the case may be, following such transfers are in accordance with the then current standards of Lender and the Rating Agencies; (viii) prior to any release of the Guarantor, a substitute guarantor reasonably acceptable to Lender (Lender agreeing that a Qualified Transferee or a Person that satisfies the Financial Criteria shall be satisfactory to Lender) shall have assumed the Guaranty executed by Guarantor or executed a replacement guaranty reasonably satisfactory to Lender (it being agreed that a guaranty in substantially the same form as is executed by the Guarantor on the Closing Date shall be satisfactory to Lender); and (ix) Lender's approval of the transferee's creditworthiness, reputation and qualifications of the transferee and, if the Loan has been included in a Securitization and if required by Lender, confirmation in writing from the Rating Agencies to the effect that such transfer will not result in a re-qualification, reduction or withdrawal of the then current rating assigned to the Securities or any class thereof in any applicable Securitization; provided that Lender shall be deemed to have approved the transferee and such confirmation shall not be required if (A) the transferee is a Qualified Transferee or (B) the transferee is wholly-owned, directly or indirectly, by a successor tenant under the Sabre Leases which satisfies the Financial Criteria. Lender shall not be required to demonstrate any

actual impairment of its security or any increased risk of default hereunder in order to declare the Debt immediately due and payable upon a Transfer without Lender's consent. This provision shall apply to every Transfer regardless of whether voluntary or not, or whether or not Lender has consented to any previous Transfer.

(f) If as a result of any direct or indirect Transfers of interests in Borrower or any Principal (regardless of whether Lender's consent is required in connection therewith) more than forty-nine percent (49%) in the aggregate of direct or indirect interests in Borrower or Principal is owned by any Person that owned less than a forty-nine percent (49%) direct or indirect interest in Borrower or Principal as of the Closing Date, Lender shall, as a condition to such Transfer receive a nonconsolidation opinion acceptable to it and the Rating Agencies (Lender agreeing that a nonconsolidation opinion in substantially the same form delivered on the Closing Date shall satisfactory to Lender). In addition, prior to any release of the Guarantor, a substitute guarantor reasonably acceptable to Lender (Lender agreeing that a Qualified Transferee or a Person that satisfies the Financial Criteria shall be an acceptable substitute guarantor) shall have assumed the Guaranty executed by Guarantor or executed a replacement guaranty reasonably satisfactory to Lender (it being agreed that a replacement guaranty in substantially the same form executed by Guarantor on the Closing Date shall be satisfactory to Lender).

Notwithstanding anything to the contrary in Section 2.7 hereof, all proceeds payable to Lender pursuant to this subsection shall be held by Lender and shall be applied at Lender's sole discretion to (I) the obligations secured by the Loan Documents from time to time due and payable hereunder and under the Note or (II) Operating Expenses approved by Lender in its sole discretion; provided, however, that nothing herein contained shall be deemed to relieve Borrower of its obligations to pay the obligations secured by the Loan Documents on the respective dates of payment provided for in the Note and the other Loan Documents except to the extent such amounts are actually paid out of the proceeds of such business income insurance;

(iv) at all times during which structural construction, repairs or alterations are being made with respect to the Improvements, and only if the Individual Property coverage form does not otherwise apply, (A) owner's contingent or protective liability insurance covering claims not covered by or under the terms or provisions of the above mentioned commercial general liability insurance policy; and (B) the insurance provided for in subsection (i) above written in a so-called builder's risk completed value form (1) on a non-reporting basis, (2) against all risks insured against pursuant to subsection (i) above, (3) including permission to occupy the Individual Property, and (4) with an agreed amount endorsement waiving co-insurance provisions;

(x) the commercial property and business income insurance required under Sections 6.1(a)(i) and (iii) above shall cover perils of terrorism and acts of terrorism and Borrower shall maintain commercial property and business income insurance for loss resulting from perils and acts of terrorism on terms (including amounts) consistent with those required under Sections 6.1(a)(i) and (iii) above at all times during the term of the Loan. Notwithstanding anything herein to the contrary, Borrower shall not be required to pay annual premiums in excess of the Required Amount for any coverage for perils of terrorism and acts of terrorism. If full coverage for perils of terrorism and acts of terrorism satisfying the requirements set forth herein is not available for an amount equal to or less than the Required Amount, Borrower shall be required to spend an amount equal to the Required Amount for coverage for perils of terrorism and acts of terrorism (to the extent all or a portion of such insurance is available at the Required Amount), and the scope, form, deductible and carrier with respect to such coverage shall be acceptable to Lender in its sole discretion; and

(xi) upon ninety (90) days' notice, such other reasonable insurance and in such reasonable amounts as Lender from time to time may reasonably request against such other insurable hazards which at the time are commonly insured against for property similar to the Individual Property located in or around the region in which the Individual Property is located.

(b) All insurance provided for in Section 6.1(a) shall be obtained under valid and enforceable policies (collectively, the "**Policies**" or in the singular, the "**Policy**"), and shall be subject to the reasonable approval of Lender as to insurance companies, amounts, deductibles, loss payees and insureds. The Policies shall be issued by financially sound and responsible insurance companies authorized to do business in the State and having a claims paying ability rating of "A" or better (and the equivalent thereof) by at least two (2) of the Rating Agencies rating the Securities (one of which shall be S&P if it is rating the Securities and one of which will be Moody's if it is rating the Securities), or if only one Rating Agency is rating the Securities, then only by such Rating Agency; provided that the policies of insurance may be issued by a syndicate of insurers through which (i) the first layer of coverage under such insurance shall be provided by carries with a minimum rating of "A" or better from S&P and equivalent ratings from one or more Rating Agencies acceptable to Lender, (ii) at least seventy-five percent (75%) of the coverage (if there are four (4) or fewer members of the syndicate) or at least sixty percent (60%) of the coverage (if there are five (5) or more members of the syndicate) shall be provided by carriers having a minimum investment grade rating of "A" from S&P and equivalent ratings from one or more Rating Agencies acceptable to Lender, and (iii) the balance of the courage shall be provided by carriers having a minimum investment grade rating of "BBB" from S&P and equivalent ratings from one or more Rating Agencies acceptable to Lender. Notwithstanding the foregoing, Factory Mutual shall be an acceptable insurance carrier so long as it maintains an S&P rating of at least "BBB" and an AM Best Rating of at least AXV. In the event such insurance carrier fails to satisfy each of the foregoing requirements, Borrower shall be required to obtain insurance from a carrier which satisfies the requirements set forth herein. The Policies described in Section 6.1(a) (other than those strictly limited to liability protection) shall designate Lender as loss payee. Not less than ten (10) days prior to the expiration dates of the Policies theretofore furnished to Lender, certificates of insurance evidencing the Policies accompanied by evidence reasonably satisfactory to Lender of payment of the premiums due thereunder (the "**Insurance Premiums**"), shall be delivered by Borrower to Lender.

(c) Any blanket insurance Policy shall specifically allocate to the Individual Property the amount of coverage from time to time required hereunder and shall otherwise provide the same protection as would a separate Policy insuring only the Properties in compliance with the provisions of Section 6.1(a).

(d) All Policies provided for or contemplated by Section 6.1(a), except for the Policy referenced in Section 6.1(a)(v), shall name Borrower as the insured and Lender as the additional insured, as its interests may appear, and in the case of property damage, boiler and machinery, flood and earthquake insurance, shall contain a so-called New York standard non-contributing mortgagee clause or its equivalent in favor of Lender providing that the loss thereunder shall be payable to Lender.

(e) All Policies provided for in Section 6.1 shall contain clauses or endorsements to the effect that:

(i) no act or negligence of Borrower, or anyone acting for Borrower, or of any tenant or other occupant, or failure to comply with the provisions of any Policy, which might otherwise result in a forfeiture of the insurance or any part thereof, shall in any way affect the validity or enforceability of the insurance insofar as Lender is concerned;

(ii) the Policies shall not be materially changed (other than to increase the coverage provided thereby) or canceled without at least thirty (30) days' notice to Lender and any other party named therein as an additional insured;

(iii) the issuers thereof shall give notice to Lender if the Policies have not been renewed fifteen (15) days prior to its expiration; and

(iv) Lender shall not be liable for any Insurance Premiums thereon or subject to any assessments thereunder.

(f) If at any time Lender is not in receipt of written evidence that all Policies are in full force and effect, Lender shall have the right, without notice to Borrower, to take such action as Lender deems necessary to protect its interest in the Properties, including, without limitation, the obtaining of such insurance coverage as Lender in its sole discretion deems appropriate. All premiums incurred by Lender in connection with such action or in obtaining such insurance and keeping it in effect shall be paid by Borrower to Lender upon demand and, until paid, shall be secured by the Mortgage and shall bear interest at the Default Rate.

Section 6.2. Casualty. If the Individual Property shall be damaged or destroyed, in whole or in part, by fire or other casualty (a "**Casualty**"), Borrower shall give prompt notice of such damage to Lender and shall promptly commence and diligently prosecute the completion of the Restoration of the Individual Property as nearly as possible to the condition the Individual Property was in immediately prior to such Casualty, with such alterations as may be reasonably approved by Lender and otherwise in accordance with Section 6.4. Borrower shall pay all costs of such Restoration whether or not such costs are covered by insurance. Lender may, but shall not be obligated to make proof of loss if not made promptly by Borrower. In addition, Lender may participate in any settlement discussions with any insurance companies with respect to any Casualty in which the Net Proceeds or the costs of completing the Restoration are equal to or greater than the Allocated Threshold Amount and Borrower shall deliver to Lender all instruments required by Lender to permit such participation.

Section 6.3. Condemnation. Borrower shall promptly give Lender notice of the actual or threatened commencement of any proceeding for the Condemnation of any Individual Property and shall deliver to Lender copies of any and all papers served in connection with such proceedings. Lender may participate in any such proceedings, and Borrower shall from time to time deliver to Lender all instruments requested by it to permit such participation. Borrower shall, at its expense, diligently prosecute any such proceedings, and shall consult with Lender, its attorneys and experts, and cooperate with them in the carrying on or defense of any such

proceedings. Notwithstanding any taking by any public or quasi-public authority through Condemnation or otherwise (including, but not limited to, any transfer made in lieu of or in anticipation of the exercise of such taking), Borrower shall continue to pay the Debt at the time and in the manner provided for its payment in the Note and in this Agreement and the Debt shall not be reduced until any Award shall have been actually received and applied by Lender, after the deduction of expenses of collection, to the reduction or discharge of the Debt. Lender shall not be limited to the interest paid on the Award by the condemning authority but shall be entitled to receive out of the Award interest at the rate or rates provided herein or in the Note. If any Individual Property or any portion thereof is taken by a condemning authority, Borrower shall promptly commence and diligently prosecute the Restoration of the applicable Individual Property and otherwise comply with the provisions of Section 6.4. If any Individual Property is sold, through foreclosure or otherwise, prior to the receipt by Lender of the Award, Lender shall have the right, whether or not a deficiency judgment on the Note shall have been sought, recovered or denied, to receive the Award, or a portion thereof sufficient to pay the Debt.

Section 6.4. Restoration. The following provisions shall apply in connection with the Restoration of any Individual Property:

(a) If the Net Proceeds shall be less than the Allocated Threshold Amount and the costs of completing the Restoration shall be less than the Allocated Threshold Amount, the Net Proceeds will be disbursed by Lender to Borrower upon receipt, provided that no Event of Default exists and Borrower delivers to Lender a written undertaking to expeditiously commence and to satisfactorily complete with due diligence the Restoration in accordance with the terms of this Agreement.

(b) If the Net Proceeds are equal to or greater than the Allocated Threshold Amount or the costs of completing the Restoration is equal to or greater than the Allocated Threshold Amount, the Net Proceeds will be held by Lender and Lender shall make the Net Proceeds available for the Restoration in accordance with the provisions of this Section 6.4. The term "**Net Proceeds**" for purposes of this Section 6.4 shall mean: (i) the net amount of all insurance proceeds received by Lender pursuant to Section 6.1(a)(i), (iv), (vi), (ix) and (x) as a result of such damage or destruction, after deduction of its reasonable costs and expenses (including, but not limited to, reasonable counsel fees), if any, in collecting same ("**Insurance Proceeds**"), or (ii) the net amount of the Award, after deduction of its reasonable costs and expenses (including, but not limited to, reasonable counsel fees), if any, in collecting same ("**Condemnation Proceeds**"), whichever the case may be.

(i) The Net Proceeds shall be made available to Borrower for Restoration upon the approval of Lender in its sole but reasonable discretion that the following conditions are met:

(A) no Event of Default shall have occurred and be continuing;

(B) (1) in the event the Net Proceeds are Insurance Proceeds, less than thirty-five percent (35%) of the total floor area of the Improvements on the Individual Property has been damaged, destroyed or rendered unusable as a result of such Casualty or (2) in the event the Net Proceeds are Condemnation Proceeds,

less than ten percent (10%) of the land constituting the Individual Property is taken, and such land is located along the perimeter or periphery of the Individual Property, and no portion of the Improvements is located on such land;

(C) The Sabre Leases shall remain in full force and effect during and after the completion of the Restoration, notwithstanding the occurrence of any such Casualty or Condemnation, whichever the case may be, and will make all necessary repairs and restorations thereto at their sole cost and expense;

(D) Borrower shall commence the Restoration as soon as reasonably practicable (but in no event later than seventy-five (75) days after such Casualty or Condemnation, whichever the case may be, occurs) and shall diligently pursue the same to satisfactory completion;

(E) Lender shall be satisfied that any operating deficits, including all scheduled payments of principal and interest under the Note, which will be incurred with respect to the Individual Property as a result of the occurrence of any such Casualty or Condemnation, whichever the case may be, will be covered out of (1) the Net Proceeds, (2) the insurance coverage referred to in Section 6.1(a)(iii), if applicable, or (3) by other funds of Borrower;

(F) Lender shall be satisfied that the Restoration will be completed on or before the earliest to occur of (1) six (6) months prior to the Maturity Date, (2) the earliest date required for such completion under the terms of any Leases, (3) such time as may be required under applicable Legal Requirements or (4) the expiration of the insurance coverage referred to in Section 6.1(a)(iii);

(G) the Individual Property and the use thereof after the Restoration will be in compliance with and permitted under all applicable Legal Requirements;

(H) the Restoration shall be done and completed by Borrower in an expeditious and diligent fashion and in compliance with all applicable Legal Requirements;

(I) such Casualty or Condemnation, as applicable, does not result in the loss of access to the Individual Property or the related Improvements;

(J) the Debt Service Coverage Ratio for the affected Individual Property, after giving effect to the Restoration, shall be equal to or greater than 1.24 to 1.0 (provided, however, that if the Sabre Lease for each remaining Individual Property as in effect on the Closing Date remains in effect after the Restoration, the requirements of this Section 6.4(b)(i)(J) shall be deemed satisfied);

(K) the Loan-to-Value Ratio, after giving effect to the Restoration, shall be equal to or less than eighty percent (80%) (provided, however, that if the Sabre Lease for each Individual Property as in effect on the Closing Date remains in effect after the Restoration, the requirements of this Section 6.4(b)(i)(K) shall be deemed satisfied);

(L) Borrower shall deliver, or cause to be delivered, to Lender a signed detailed budget approved in writing by Borrower's architect or engineer stating the entire cost of completing the Restoration, which budget shall be acceptable to Lender; and

(M) the Net Proceeds together with any cash or cash equivalent deposited by Borrower with Lender are sufficient in Lender's discretion to cover the cost of the Restoration.

(ii) The Net Proceeds shall be held by Lender in an interest-bearing account and, until disbursed in accordance with the provisions of this Section 6.4(b), shall constitute additional security for the Debt and other obligations under the Loan Documents. The Net Proceeds shall be disbursed by Lender to, or as directed by, Borrower from time to time during the course of the Restoration, upon receipt of evidence satisfactory to Lender that (A) all materials installed and work and labor performed (except to the extent that they are to be paid for out of the requested disbursement) in connection with the Restoration have been paid for in full, and (B) there exist no notices of pendency, stop orders, mechanic's or materialman's liens or notices of intention to file same, or any other liens or encumbrances of any nature whatsoever on the Individual Property which have not either been fully bonded to the satisfaction of Lender and discharged of record or in the alternative fully insured to the satisfaction of Lender by the title company issuing the Title Insurance Policy.

(iii) If the Net Proceeds are in excess of the Allocated Threshold Amount, all plans and specifications required in connection with the Restoration shall be subject to prior review and acceptance in all respects by Lender and by an independent consulting engineer selected by Lender (the "**Casualty Consultant**"). Lender shall have the use of the plans and specifications and all permits, licenses and approvals required or obtained in connection with the Restoration. The identity of the contractors, subcontractors and materialmen engaged in the Restoration, as well as the contracts under which they have been engaged, shall be subject to prior review and acceptance by Lender and the Casualty Consultant. All costs and expenses incurred by Lender in connection with making the Net Proceeds available for the Restoration including, without limitation, reasonable counsel fees and disbursements and the Casualty Consultant's fees, shall be paid by Borrower.

(iv) In no event shall Lender be obligated to make disbursements of the Net Proceeds in excess of an amount equal to the costs actually incurred from time to time for work in place as part of the Restoration, as certified by the Casualty Consultant, minus the Casualty Retainage. The term "**Casualty Retainage**" shall mean an amount equal to ten percent (10%) of the costs actually incurred for work in place as part of the Restoration, as certified by the Casualty Consultant, until the Restoration has been completed. The Casualty Retainage shall in no event, and notwithstanding anything to the contrary set forth above in this Section 6.4(b), be less than the amount actually held

back by Borrower from contractors, subcontractors and materialmen engaged in the Restoration. The Casualty Retainage shall not be released until the Casualty Consultant certifies to Lender that the Restoration has been completed in accordance with the provisions of this Section 6.4(b) and that all approvals necessary for the re-occupancy and use of the Individual Property have been obtained from all appropriate governmental and quasi-governmental authorities, and Lender receives evidence satisfactory to Lender that the costs of the Restoration have been paid in full or will be paid in full out of the Casualty Retainage; provided, however, that Lender will release the portion of the Casualty Retainage being held with respect to any contractor, subcontractor or materialman engaged in the Restoration as of the date upon which the Casualty Consultant certifies to Lender that the contractor, subcontractor or materialman has satisfactorily completed all work and has supplied all materials in accordance with the provisions of the contractor's, subcontractor's or materialman's contract, the contractor, subcontractor or materialman delivers the lien waivers and evidence of payment in full of all sums due to the contractor, subcontractor or materialman as may be reasonably requested by Lender or by the title company issuing the Title Insurance Policy, and Lender receives an endorsement to the Title Insurance Policy insuring the continued priority of the lien of the Mortgage and evidence of payment of any premium payable for such endorsement. If required by Lender, the release of any such portion of the Casualty Retainage shall be approved by the surety company, if any, which has issued a payment or performance bond with respect to the contractor, subcontractor or materialman.

(v) Lender shall not be obligated to make disbursements of the Net Proceeds more frequently than once every calendar month.

(vi) If at any time the Net Proceeds or the undisbursed balance thereof shall not, in the opinion of Lender in consultation with the Casualty Consultant, be sufficient to pay in full the balance of the costs which are estimated by the Casualty Consultant to be incurred in connection with the completion of the Restoration, Borrower shall deposit the deficiency (the "**Net Proceeds Deficiency**") with Lender before any further disbursement of the Net Proceeds shall be made. The Net Proceeds Deficiency deposited with Lender shall be held by Lender and shall be disbursed for costs actually incurred in connection with the Restoration on the same conditions applicable to the disbursement of the Net Proceeds, and until so disbursed pursuant to this Section 6.4(b) shall constitute additional security for the Debt and other obligations under the Loan Documents.

(vii) The excess, if any, of the Net Proceeds and the remaining balance, if any, of the Net Proceeds Deficiency deposited with Lender after the Casualty Consultant certifies to Lender that the Restoration has been completed in accordance with the provisions of this Section 6.4(b), and the receipt by Lender of evidence satisfactory to Lender that all costs incurred in connection with the Restoration have been paid in full, shall be remitted by Lender to Borrower, provided no Event of Default shall have occurred and shall be continuing.

(c) All Net Proceeds not required (i) to be made available for the Restoration or (ii) to be returned to Borrower as excess Net Proceeds pursuant to Section 6.4(b)(vii) may be retained and applied by Lender in accordance with Section 2.4.2 hereof toward the payment of the Debt

whether or not then due and payable in such order, priority and proportions as Lender in its sole discretion shall deem proper, or, at the discretion of Lender, the same may be paid, either in whole or in part, to Borrower for such purposes as Lender shall approve, in its discretion.

(d) In the event of foreclosure of the Mortgage with respect to the Individual Property, or other transfer of title to the Individual Property in extinguishment in whole or in part of the Debt all right, title and interest of Borrower in and to the Policies that are not blanket Policies then in force concerning the Individual Property and all proceeds payable thereunder shall thereupon vest in the purchaser at such foreclosure or Lender or other transferee in the event of such other transfer of title.

VII. RESERVE FUNDS

Section 7.1. [Intentionally Omitted].

Section 7.2. Tax and Insurance Escrow Fund. Borrower shall pay to Lender on each Payment Date during a Trigger Period (other than a Trigger Period caused solely by a Rollover Shortfall Event), (a) one-twelfth of the Taxes that Lender estimates will be payable during the next ensuing twelve (12) months in order to accumulate with Lender sufficient funds to pay all such Taxes at least thirty (30) days prior to their respective due dates, and (b) one-twelfth of the Insurance Premiums that Lender estimates will be payable for the renewal of the coverage afforded by the Policies upon the expiration thereof in order to accumulate with Lender sufficient funds to pay all such Insurance Premiums at least thirty (30) days prior to the expiration of the Policies (said amounts in (a) and (b) above hereinafter called the "**Tax and Insurance Escrow Fund**"). The Tax and Insurance Escrow Fund and the Monthly Debt Service Payment Amount, shall be added together and shall be paid as an aggregate sum by Borrower to Lender. Lender will apply the Tax and Insurance Escrow Fund to payments of Taxes and Insurance Premiums required to be made by Borrower pursuant to Section 5.1.2 hereof and under the Mortgage. In making any payment relating to the Tax and Insurance Escrow Fund, Lender may do so according to any bill, statement or estimate procured from the appropriate public office (with respect to Taxes) or insurer or agent (with respect to Insurance Premiums), without inquiry into the accuracy of such bill, statement or estimate or into the validity of any tax, assessment, sale, forfeiture, tax lien or title or claim thereof. If the amount of the Tax and Insurance Escrow Fund shall exceed the amounts due for Taxes and Insurance Premiums pursuant to Section 5.1.2 hereof, Lender shall, in its sole discretion, return any excess to Borrower or credit such excess against future payments to be made to the Tax and Insurance Escrow Fund. Any amount remaining in the Tax and Insurance Escrow Fund after the Debt has been paid in full shall be returned to Borrower. In allocating such excess, Lender may deal with the Person shown on the records of Lender to be the owner of the Properties. If at any time Lender reasonably determines that the Tax and Insurance Escrow Fund is not or will not be sufficient to pay Taxes and Insurance Premiums by the dates set forth in (a) and (b) above, Lender shall notify Borrower of such determination and Borrower shall increase its monthly payments to Lender by the amount that Lender estimates is sufficient to make up the deficiency at least thirty (30) days prior to the due date of the Taxes and/or thirty (30) days prior to expiration of the Policies, as the case may be.

Section 7.3. Replacements and Replacement Reserve.

7.3.1 Deposits to Replacement Reserve Fund. Borrower shall pay to Lender on each Payment Date during a Trigger Period (other than a Trigger Period caused solely by a Rollover Shortfall Event), the amount of $5,924.25 (which amount shall be reduced pro-rata pursuant to the related Allocated Percentage if an Individual Property is released pursuant to Section 2.6.2 hereof) as a reserve for replacements and repairs required to be made to the Properties (collectively, the "**Replacements**"). Amounts so deposited shall hereinafter be referred to as the "**Replacement Reserve Fund**". Lender may reassess its estimate of the amount necessary for the Replacement Reserve Fund from time to time based upon the recommendations of a third-party engineer, and may increase the monthly amounts required to be deposited into the Replacement Reserve Fund upon thirty (30) days notice to Borrower if such engineer determines that an increase is necessary to maintain the proper maintenance and operation of the Properties. Any Replacement Reserve Funds allocated for an Individual Property shall be retained by Lender and credited toward the future deposits to the Replacement Reserve Fund required by Lender hereunder in the event such Individual Property is released from the Lien of the Mortgage in accordance with Section 2.6 hereof.

7.3.2 Disbursements of Replacement Reserve Funds. Lender shall make disbursements from the Replacement Reserve Fund as requested by Borrower, and approved by Lender in its sole discretion, no more frequently than once in any thirty (30) day period of no less than $5,000.00 upon delivery by Borrower of Lender's standard form of draw request accompanied by copies of paid invoices for the amounts requested and, if required by Lender for requests in excess of $10,000.00 for a single item, lien waivers and releases from all parties furnishing materials and/or services in connection with the requested payment. Lender may require an inspection of the related Individual Property at Borrower's expense prior to making a monthly disbursement in order to verify completion of replacements and repairs of items in excess of $10,000.00 for which reimbursement is sought.

7.3.3 Insufficiency of Replacement Reserve Funds. The insufficiency of Replacement Reserve Funds shall not relieve Borrower from its obligation to fulfill all preservation and maintenance covenants in the Loan Documents.

Section 7.4. Rollover Reserve.

7.4.1 Deposits to Rollover Reserve Fund. Borrower shall pay to Lender on each Payment Date during a Trigger Period, all Excess Cash Flow, which amounts shall be deposited with and held by Lender for tenant improvement and leasing commission obligations incurred following the date hereof. In addition, Borrower shall pay to Lender for deposit with Lender all funds received by Borrower in connection with any cancellation, termination or surrender of any Lease, including, but not limited to, any surrender or cancellation fees, buy-out fees, or reimbursements for tenant improvements and leasing commissions. All such amounts so deposited shall hereinafter be referred to as the "**Rollover Reserve Fund**". The amount of the Rollover Reserve Funds on deposit with Lender are not required to exceed $8,500,000 (which amount shall be reduced pro-rata pursuant to the related Allocated Percentage if an Individual Property is released pursuant to Section 2.6.2 hereof) (the "**Rollover Reserve Cap**"). When the amount of Rollover Reserve Funds on deposit with Lender equals or exceeds the Rollover

Reserve Cap, Borrower may cease making monthly deposits to the Rollover Reserve Funds. If at any time thereafter during a Trigger Period the amount of Rollover Reserve Funds on deposit with Lender is less than the Rollover Reserve Cap, then Borrower shall recommence and continue making monthly deposits to the Rollover Reserve Funds as provided above.

7.4.2 Withdrawal of Rollover Reserve Funds. Lender shall make disbursements from the Rollover Reserve Fund for tenant improvement and leasing commission obligations incurred by Borrower. All such expenses shall be approved by Lender in its sole discretion. Lender shall make disbursements as requested by Borrower on a monthly basis in increments of no less than $5,000.00 upon delivery by Borrower of Lender's standard form of draw request accompanied by copies of paid invoices for the amounts requested and, if required by Lender for requests in excess of $10,000 for a single item, lien waivers and releases from all parties furnishing materials and/or services in connection with the requested payment. Lender may require an inspection of the Properties at Borrower's expense prior to making a monthly disbursement in order to verify completion of improvements in excess of $10,000 for which reimbursement is sought.

Section 7.5. Reserve Funds, Generally.

(a) Borrower grants to Lender a first-priority perfected security interest in each of the Reserve Funds and any and all monies now or hereafter deposited in each Reserve Fund as additional security for payment of the Debt. Until expended or applied in accordance herewith, the Reserve Funds shall constitute additional security for the Debt. Upon the occurrence of an Event of Default, Lender may, in addition to any and all other rights and remedies available to Lender, apply any sums then present in any or all of the Reserve Funds to the payment of the Debt in any order in its sole discretion. The Reserve Funds shall not constitute trust funds and may be commingled with other monies held by Lender.

(b) Borrower shall not, without obtaining the prior consent of Lender, further pledge, assign or grant any security interest in any Reserve Fund or the monies deposited therein or permit any lien or encumbrance to attach thereto, or any levy to be made thereon, or any UCC-1 Financing Statements, except those naming Lender as the secured party, to be filed with respect thereto.

(c) Borrower shall not be entitled to any earnings or interest on the Tax and Insurance Escrow Fund. The Reserve Funds, other than the Tax and Insurance Escrow Fund, shall bear interest at the thirty (30) day money market rate offered by the bank used by Lender for escrow deposits, and shall be held and released by Lender, and used by Borrower, in accordance with the terms and conditions of this Agreement. Lender shall be entitled to a servicing fee in the amount of .50% per annum multiplied by the average daily balance on deposit, and Lender is hereby authorized to deduct such servicing fee from the applicable Reserve Funds on deposit on a monthly basis. All interest or other income in connection with the deposit or placement of such funds, less the servicing fee, shall be reported under Borrower's tax identification number, and shall only be disbursed as set forth in this Agreement.

(d) Borrower shall indemnify Lender and hold Lender harmless from and against any and all actions, suits, claims, demands, liabilities, losses, damages, obligations and costs and

expenses (including litigation costs and reasonable attorneys fees and expenses) arising from or in any way connected with the Reserve Funds or the performance of the obligations for which the Reserve Funds were established. Borrower shall assign to Lender all rights and claims Borrower may have against all Persons supplying labor, materials or other services which are to be paid from or secured by the Reserve Funds; provided, however, that Lender may not pursue any such right or claim unless an Event of Default has occurred and remains uncured.

Section 7.6. Letter of Credit Rights. Borrower shall have the right to deliver to Lender a one or more Letters of Credit in lieu of making any deposits of Reserve Funds required under this Agreement. Any Letter of Credit delivered to Lender pursuant to this Agreement shall be held by Lender as additional security for the Loan. Lender shall have the right to draw upon any Letter of Credit immediately and without further notice:

(a) upon the occurrence and during the continuance of an Event of Default;

(b) if Borrower fails to deliver to Lender, no less than thirty (30) days prior to the expiration of any Letter of Credit (including any renewal or extension thereof), a renewal or extension of such Letter of Credit or a replacement Letter of Credit; or

(c) if the institution issuing the Letter of Credit ceases to be an Approved Bank and Borrower fails to deliver to Lender a replacement Letter of Credit from an Approved Bank within thirty (30) days of the date that such institution ceased to be an Approved Bank.

VIII. DEFAULTS

Section 8.1. Event of Default. (a) Each of the following events shall constitute an event of default hereunder (an "**Event of Default**"):

(i) if any portion of the Debt is not paid prior to the seventh (7th) calendar day after the same is due or if the entire Debt is not paid on the Maturity Date;

(ii) if any of the Taxes or Other Charges are not paid when the same are due and payable (unless such Taxes or Other Charges are being contested in accordance with Section 5.1.2 hereof);

(iii) if the Policies are not kept in full force and effect, or if certified copies of the Policies are not delivered to Lender upon request;

(iv) if Borrower Transfers or otherwise encumbers any portion of the Properties without Lender's prior consent in violation of the provisions of this Agreement or Article 6 of the Mortgage;

(v) if any representation or warranty made by Borrower herein or in any other Loan Document, or in any report, certificate, financial statement or other instrument, agreement or document furnished to Lender shall have been false or misleading in any material respect as of the date the representation or warranty was made;

(vi) if Borrower, Principal or any Guarantor shall make a general assignment for the benefit of creditors;

(vii) if a receiver, liquidator or trustee shall be appointed for Borrower, Principal or Guarantor, or if Borrower, Principal or Guarantor shall be adjudicated a bankrupt or insolvent, or if any petition for bankruptcy, reorganization or arrangement pursuant to federal bankruptcy law, or any similar federal or state law, shall be filed by or against, consented to, or acquiesced in by, Borrower, Principal or Guarantor, or if any proceeding for the dissolution or liquidation of Borrower, Principal or Guarantor shall be instituted; provided, however, if such appointment, adjudication, petition or proceeding was involuntary and not consented to by Borrower, Principal or Guarantor, upon the same not being discharged, stayed or dismissed within thirty (30) days;

(viii) if Borrower attempts to assign its rights under this Agreement or any of the other Loan Documents or any interest herein or therein in contravention of the Loan Documents;

(ix) if Borrower breaches any of its respective negative covenants contained in Section 5.2 or any covenant contained in Section 4.1.30 or Section 5.1.11 hereof;

(x) with respect to any term, covenant or provision set forth herein which specifically contains a notice requirement or grace period, if Borrower shall be in default under such term, covenant or condition after the giving of such notice or the expiration of such grace period;

(xi) if any of the assumptions contained in the Insolvency Opinion delivered to Lender in connection with the Loan, or in the Additional Insolvency Opinion delivered subsequent to the closing of the Loan, is or shall become untrue in any material respect;

(xiii) if Borrower fails to comply with the covenants as to Prescribed Laws set forth in Section 5.1.1 hereof;

(xiv) if Borrower shall continue to be in Default under any of the other terms, covenants or conditions of this Agreement not specified in subsections (i) to (xiii) above, for ten (10) days after notice to Borrower from Lender, in the case of any Default which can be cured by the payment of a sum of money, or for thirty (30) days after notice from Lender in the case of any other Default; provided, however, that if such non-monetary Default is susceptible of cure but cannot reasonably be cured within such thirty (30) day period and provided further that Borrower shall have commenced to cure such Default within such thirty (30) day period and thereafter diligently and expeditiously proceeds to cure the same, such thirty (30) day period shall be extended for such time as is reasonably necessary for Borrower in the exercise of due diligence to cure such Default, such additional period not to exceed sixty (60) days; or

(xv) if there shall be default under any of the other Loan Documents beyond any applicable cure periods contained in such documents, whether as to Borrower or any Individual Property, or if any other such event shall occur or condition shall exist, if the effect of such event or condition is to accelerate the maturity of any portion of the Debt or to permit Lender to accelerate the maturity of all or any portion of the Debt.

(b) Upon the occurrence of an Event of Default (other than an Event of Default described in clauses (vi), (vii) or (viii) above) and at any time thereafter, in addition to any other rights or remedies available to it pursuant to this Agreement and the other Loan Documents or at law or in equity, Lender may take such action, without notice or demand, that Lender deems advisable to protect and enforce its rights against Borrower and in and to all or any Individual Property, including, without limitation, declaring the Debt to be immediately due and payable, and Lender may enforce or avail itself of any or all rights or remedies provided in the Loan Documents against Borrower and any or all of the Properties, including, without limitation, all rights or remedies available at law or in equity; and upon any Event of Default described in clauses (vi), (vii) or (viii) above, the Debt and all other obligations of Borrower hereunder and under the other Loan Documents shall immediately and automatically become due and payable, without notice or demand, and Borrower hereby expressly waives any such notice or demand, anything contained herein or in any other Loan Document to the contrary notwithstanding.

Section 8.2. Remedies. (a) Upon the occurrence of an Event of Default, all or any one or more of the rights, powers, privileges and other remedies available to Lender against Borrower under this Agreement or any of the other Loan Documents executed and delivered by, or applicable to, Borrower or at law or in equity may be exercised by Lender at any time and from time to time, whether or not all or any of the Debt shall be declared due and payable, and whether or not Lender shall have commenced any foreclosure proceeding or other action for the enforcement of its rights and remedies under any of the Loan Documents with respect to all or any Individual Property. Any such actions taken by Lender shall be cumulative and concurrent and may be pursued independently, singularly, successively, together or otherwise, at such time and in such order as Lender may determine in its sole discretion, to the fullest extent permitted by law, without impairing or otherwise affecting the other rights and remedies of Lender permitted by law, equity or contract or as set forth herein or in the other Loan Documents. Without limiting the generality of the foregoing, Borrower agrees that if an Event of Default is continuing (i) Lender is not subject to any “one action” or “election of remedies” law or rule, and (ii) all liens and other rights, remedies or privileges provided to Lender shall remain in full force and effect until Lender has exhausted all of its remedies against the Properties and each Mortgage has been foreclosed, sold and/or otherwise realized upon in satisfaction of the Debt or the Debt has been paid in full.

(b) With respect to Borrower and the Properties, nothing contained herein or in any other Loan Document shall be construed as requiring Lender to resort to any Individual Property for the satisfaction of any of the Debt in any preference or priority to any other Individual Property, and Lender may seek satisfaction out of all of the Properties or any part thereof, in its absolute discretion in respect of the Debt. In addition, Lender shall have the right from time to time to partially foreclose the Mortgage in any manner and for any amounts secured by the Mortgage then due and payable as determined by Lender in its sole discretion including, without limitation, the following circumstances: (i) in the event Borrower defaults beyond any applicable

grace period in the payment of one or more scheduled payments of principal and interest, Lender may foreclose the Mortgage to recover such delinquent payments, or (ii) in the event Lender elects to accelerate less than the entire outstanding principal balance of the Loan, Lender may foreclose the Mortgage to recover so much of the principal balance of the Loan as Lender may accelerate and such other sums secured by the Mortgage as Lender may elect. Notwithstanding one or more partial foreclosures, the Properties shall remain subject to the Mortgage to secure payment of sums secured by the Mortgage and not previously recovered.

(c) Lender shall have the right from time to time to sever the Note and the other Loan Documents into one or more separate notes, mortgages and other security documents (the "**Severed Loan Documents**") in such denominations as Lender shall determine in its sole discretion for purposes of evidencing and enforcing its rights and remedies provided hereunder. Borrower shall execute and deliver to Lender from time to time, promptly after the request of Lender, a severance agreement and such other documents as Lender shall request in order to effect the severance described in the preceding sentence, all in form and substance reasonably satisfactory to Lender. Borrower hereby absolutely and irrevocably appoints Lender as its true and lawful attorney, coupled with an interest, in its name and stead to make and execute all documents necessary or desirable to effect the aforesaid severance, Borrower ratifying all that its said attorney shall do by virtue thereof; provided, however, Lender shall not make or execute any such documents under such power until three (3) days after notice has been given to Borrower by Lender of Lender's intent to exercise its rights under such power. Except as may be required in connection with a Securitization pursuant to Section 9.1 hereof, (i) Borrower shall not be obligated to pay any costs or expenses incurred in connection with the preparation, execution, recording or filing of the Severed Loan Documents, and (ii) the Severed Loan Documents shall not contain any representations, warranties or covenants not contained in the Loan Documents and any such representations and warranties contained in the Severed Loan Documents will be given by Borrower only as of the Closing Date.

(d) Remedies Cumulative; Waivers. The rights, powers and remedies of Lender under this Agreement shall be cumulative and not exclusive of any other right, power or remedy which Lender may have against Borrower pursuant to this Agreement or the other Loan Documents, or existing at law or in equity or otherwise. Lender's rights, powers and remedies may be pursued singularly, concurrently or otherwise, at such time and in such order as Lender may determine in Lender's sole discretion. No delay or omission to exercise any remedy, right or power accruing upon an Event of Default shall impair any such remedy, right or power or shall be construed as a waiver thereof, but any such remedy, right or power may be exercised from time to time and as often as may be deemed expedient. A waiver of one Default or Event of Default with respect to Borrower shall not be construed to be a waiver of any subsequent Default or Event of Default by Borrower or to impair any remedy, right or power consequent thereon.

IX. SPECIAL PROVISIONS

Section 9.1. Sale of Notes and Securitization. Borrower acknowledges and agrees that the Lender may sell all or any portion of the Loan and the Loan Documents, or issue one or more participations therein, or consummate one or more private or public securitizations of rated single- or multi-class securities (the "**Securities**") secured by or evidencing ownership interests

in all or any portion of the Loan and the Loan Documents or a pool of assets that include the Loan and the Loan Documents (such sales, participations and/or securitizations, collectively, a "**Securitization**"). At the request of Lender, and to the extent not already required to be provided by Borrower under this Agreement, Borrower shall use reasonable efforts to provide information not in the possession of Lender or which may be reasonably required by Lender in order to satisfy the market standards to which Lender customarily adheres or which may be reasonably required by prospective investors and/or the Rating Agencies in connection with any such Securitization including, without limitation, to:

(a) provide additional and/or updated Provided Information, together with appropriate verification and/or consents related to the Provided Information through letters of auditors or opinions of counsel of independent attorneys reasonably acceptable to Lender and the Rating Agencies;

(b) assist in preparing descriptive materials for presentations to any or all of the Rating Agencies, and work with, and if requested, supervise, third-party service providers engaged by Borrower, the Principal and their respective affiliates to obtain, collect, and deliver information requested or required by Lender or the Rating Agencies;

(c) deliver (i) updated opinions of counsel as to non-consolidation, due execution and enforceability with respect to the Property, Borrower, the Principal and their respective Affiliates and the Loan Documents, including, without limitation, a so-called "10b-5" opinion and (ii) revised organizational documents for Borrower, which counsel opinions and organizational documents shall be reasonably satisfactory to Lender and the Rating Agencies;

(d) if required by any Rating Agency, use commercially reasonable efforts to deliver such additional tenant estoppel letters, subordination agreements or other agreements from parties to agreements that affect the Property, which estoppel letters, subordination agreements or other agreements shall be reasonably satisfactory to Lender and the Rating Agencies;

(e) make such representations and warranties as of the closing date of the Securitization with respect to the Property, Borrower, the Principal and the Loan Documents as may be reasonably requested by Lender or the Rating Agencies and consistent with the facts covered by such representations and warranties as they exist on the date thereof, including the representations and warranties made in the Loan Documents;

(f) execute such amendments to the Loan Documents as may be requested by Lender or the Rating Agencies to effect the Securitization and/or deliver one or more new component notes to replace the original note or modify the original note to reflect multiple components of the Loan (and such new notes or modified note shall have the same initial weighted average coupon of the original note, but such new notes or modified note may change the interest rate and amortization of the Loan) and modify the Cash Management Agreement with respect to the newly created components, such that the pricing and marketability of the Securities and the size of each class of Securities and the rating assigned to each such class by the Rating Agencies shall provide the most favorable rating levels and achieve the optimum rating levels for the Loan;

(g) if requested by Lender, review any information regarding the Property, Borrower, Principal, the Manager and the Loan which is contained in a preliminary or final private placement memorandum, prospectus, prospectus supplement (including any amendment or supplement to either thereof), or other disclosure document to be used by Lender or any affiliate thereof; and

(h) supply to Lender such documentation, financial statements and reports in form and substance required in order to comply with any applicable securities laws.

All reasonable third party costs and expenses incurred by Borrower in connection with Borrower's complying with requests made under this Section 9.1 shall be paid by Borrower.

Section 9.2. Securitization Indemnification. (a) Borrower understands that certain of the Provided Information may be included in Disclosure Documents in connection with the Securitization and may also be included in filings with the Securities and Exchange Commission pursuant to the Securities Act of 1933, as amended (the "**Securities Act**"), or the Securities and Exchange Act of 1934, as amended (the "**Exchange Act**"), or provided or made available to investors or prospective investors in the Securities, the Rating Agencies, and service providers relating to the Securitization. In the event that the Disclosure Document is required to be revised prior to the sale of all Securities, Borrower will reasonably cooperate with the holder of the Note in updating the Disclosure Document by providing all current information necessary to keep the Disclosure Document accurate and complete in all material respects.

(b) The Indemnifying Persons agree to provide, in connection with the Securitization, an indemnification agreement (i) certifying that (A) the Indemnifying Persons have carefully examined the Disclosure Documents, including, without limitation, the sections entitled "Risk Factors," "Special Considerations," "Description of the Mortgages," "Description of the Mortgage Loans and Mortgaged Property," "The Manager," "The Borrower" and "Certain Legal Aspects of the Mortgage Loan," and (B) such sections and such other information in the Disclosure Documents (to the extent such information relates to or includes any Provided Information or any information regarding the Properties, Borrower, Manager and/or the Loan) (collectively with the Provided Information, the "**Covered Disclosure Information**") do not contain any untrue statement of a material fact or omit to state a material fact necessary in order to make the statements made, in the light of the circumstances under which they were made, not misleading, (ii) jointly and severally indemnifying Lender, JPM (whether or not it is the Lender), any Affiliate of JPM that has filed any registration statement relating to the Securitization or has acted as the sponsor or depositor in connection with the Securitization, any Affiliate of JPM that acts as an underwriter, placement agent or initial purchaser of Securities issued in the Securitization, any other co-underwriters, co-placement agents or co-initial purchasers of Securities issued in the Securitization, and each of their respective officers, directors, partners, employees, representatives, agents and Affiliates and each Person or entity who controls any such Person within the meaning of Section 15 of the Securities Act or Section 20 of the Exchange Act (collectively, the "**Indemnified Persons**"), for any actual losses, claims, damages, liabilities, costs or expenses (including, without limitation, reasonable legal fees and expenses for enforcement of these obligations (collectively, the "**Liabilities**")) to which any such Indemnified Person becomes subject insofar as the Liabilities arise out of or are based upon any untrue statement or alleged untrue statement of any material fact contained in the Covered

Disclosure Information or arise out of or are based upon the omission or alleged omission to state in the Covered Disclosure Information a material fact required to be stated therein or necessary in order to make the statements in the Covered Disclosure Information, in light of the circumstances under which they were made, not misleading and (iii) agreeing to reimburse each Indemnified Person for any legal or other expenses incurred by such Indemnified Person, as they are incurred, in connection with investigating or defending the Liabilities. This indemnity agreement will be in addition to any liability which Borrower may otherwise have.

(c) In connection with any filing pursuant to the Exchange Act in connection with or relating to a Securitization, the Indemnifying Persons jointly and severally agree to indemnify (i) the Indemnified Persons for Liabilities to which any such Indemnified Person becomes subject insofar as the Liabilities arise out of or are based upon any untrue statement or alleged untrue statement of any material fact in the Covered Disclosure Information, or the omission or alleged omission to state in the Covered Disclosure Information a material fact required to be stated therein or necessary in order to make the statements in the Covered Disclosure Information, in light of the circumstances under which they were made, not misleading and (ii) reimburse each Indemnified Person for any legal or other expenses incurred by such Indemnified Persons, as they are incurred, in connection with defending or investigating the Liabilities.

(d) Promptly after receipt by an Indemnified Person of notice of any claim or the commencement of any action, the Indemnified Person shall, if a claim in respect thereof is to be made against any Indemnifying Person, notify such Indemnifying Person in writing of the claim or the commencement of that action; provided, however, that the failure to notify such Indemnifying Person shall not relieve it from any liability which it may have under the indemnification provisions of this Section 9.2 except to the extent that it has been materially prejudiced by such failure and, provided further that the failure to notify such Indemnifying Person shall not relieve it from any liability which it may have to an Indemnified Person otherwise than under the provisions of this Section 9.2. If any such claim or action shall be brought against an Indemnified Person, and it shall notify any Indemnifying Person thereof, such Indemnifying Person shall be entitled to participate therein and, to the extent that it wishes, assume the defense thereof with counsel reasonably satisfactory to the Indemnified Person. After notice from any Indemnifying Person to the Indemnified Person of its election to assume the defense of such claim or action, such Indemnifying Person shall not be liable to the Indemnified Person for any legal or other expenses subsequently incurred by the Indemnified Person in connection with the defense thereof except as provided in the following sentence; provided, however, if the defendants in any such action include both an Indemnifying Person, on the one hand, and one or more Indemnified Persons on the other hand, and an Indemnified Person shall have reasonably concluded that there are any legal defenses available to it and/or other Indemnified Persons that are different or in addition to those available to the Indemnifying Person, the Indemnified Person or Persons shall have the right to select separate counsel to assert such legal defenses and to otherwise participate in the defense of such action on behalf of such Indemnified Person or Persons. The Indemnified Person shall instruct its counsel to maintain reasonably detailed billing records for reasonable fees and disbursements for which such Indemnified Person is seeking reimbursement hereunder and shall submit copies of such detailed billing records to substantiate that such counsel’s fees and disbursements are solely related to the defense of a claim for which the Indemnifying Person is required hereunder to indemnify such Indemnified Person. No Indemnifying Person shall be liable for the expenses of more than one

(1) such separate counsel unless such Indemnified Person shall have reasonably concluded that there may be legal defenses available to it that are different from or additional to those available to another Indemnified Person.

(e) Without the prior consent of the Indemnified Person (which consent shall not be unreasonably withheld), no Indemnifying Person shall settle or compromise or consent to the entry of any judgment in any pending or threatened claim, action, suit or proceeding in respect of which indemnification may be sought hereunder (whether or not any Indemnified Person is an actual or potential party to such claim, action, suit or proceeding) unless the Indemnifying Person shall have given the Indemnified Person reasonable prior notice thereof and shall have obtained an unconditional release of each Indemnified Person hereunder from all liability arising out of such claim, action, suit or proceedings. As long as an Indemnifying Person has complied with its obligations to defend and indemnify hereunder, such Indemnifying Person shall not be liable for any settlement made by any Indemnified Person without the consent of such Indemnifying Person (which consent shall not be unreasonably withheld).

(f) The Indemnifying Persons agree that if any indemnification or reimbursement sought pursuant to this Section 9.2 is finally judicially determined to be unavailable for any reason or is insufficient to hold any Indemnified Person harmless (with respect only to the Liabilities that are the subject of this Section 9.2), then the Indemnifying Persons, on the one hand, and such Indemnified Person, on the other hand, shall contribute to the Liabilities for which such indemnification or reimbursement is held unavailable or is insufficient: (x) in such proportion as is appropriate to reflect the relative benefits to the Indemnifying Persons, on the one hand, and such Indemnified Person, on the other hand, from the transactions to which such indemnification or reimbursement relates; or (y) if the allocation provided by clause (x) above is not permitted by applicable law, in such proportion as is appropriate to reflect not only the relative benefits referred to in clause (x) but also the relative faults of the Indemnifying Persons, on the one hand, and all Indemnified Persons, on the other hand, as well as any other equitable considerations. Notwithstanding the provisions of this Section 9.2, (A) no party found liable for a fraudulent misrepresentation shall be entitled to contribution from any other party who is not also found liable for such fraudulent misrepresentation, and (B) the Indemnifying Persons agree that in no event shall the amount to be contributed by the Indemnified Persons collectively pursuant to this paragraph exceed the amount of the fees (by underwriting discount or otherwise) actually received by the Indemnified Persons in connection with the closing of the Loan or the Securitization.

(g) The Indemnifying Persons agree that the indemnification, contribution and reimbursement obligations set forth in this Section 9.2 shall apply whether or not any Indemnified Person is a formal party to any lawsuits, claims or other proceedings. The Indemnifying Persons further agree that the Indemnified Persons are intended third party beneficiaries under this Section 9.2.

(h) The liabilities and obligations of the Indemnified Persons and the Indemnifying Persons under this Section 9.2 shall survive the termination of this Agreement and the satisfaction and discharge of the Debt.

(i) Notwithstanding anything to the contrary contained herein, Borrower shall have no obligation to act as depositor with respect to the Loan or an issuer or registrant with respect to the Securities issued in any Securitization.

Section 9.3. Intentionally Omitted.

Section 9.4. Exculpation. Subject to the qualifications below, Lender shall not enforce the liability and obligation of Borrower to perform and observe the obligations contained in the Note, this Agreement, the Mortgage or the other Loan Documents by any action or proceeding wherein a money judgment shall be sought against Borrower, except that Lender may bring a foreclosure action, an action for specific performance or any other appropriate action or proceeding to enable Lender to enforce and realize upon its interest under the Note, this Agreement, the Mortgage and the other Loan Documents, or in the Properties, the Rents, or any other collateral given to Lender pursuant to the Loan Documents; provided, however, that, except as specifically provided herein, any judgment in any such action or proceeding shall be enforceable against Borrower only to the extent of Borrower's interest in the Properties, in the Rents and in any other collateral given to Lender, and Lender, by accepting the Note, this Agreement, the Mortgage and the other Loan Documents, agrees that it shall not sue for, seek or demand any deficiency judgment against Borrower in any such action or proceeding under, or by reason of, or in connection with, the Note, this Agreement, the Mortgage or the other Loan Documents. The provisions of this Section shall not, however, (a) constitute a waiver, release or impairment of any obligation evidenced or secured by any of the Loan Documents; (b) impair the right of Lender to name Borrower as a party defendant in any action or suit for foreclosure and sale under the Mortgage; (c) affect the validity or enforceability of or any Guaranty made in connection with the Loan or any of the rights and remedies of Lender thereunder; (d) impair the right of Lender to obtain the appointment of a receiver; (e) impair the enforcement of any of the Assignment of Leases; (f) constitute a prohibition against Lender to seek a deficiency judgment against Borrower in order to fully realize the security punted by the Mortgage or to commence any other appropriate action or proceeding in order for Lender to exercise its remedies against all of the Properties; or (g) constitute a waiver of the right of Lender to enforce the liability and obligation of Borrower, by money judgment or otherwise, to the extent of any loss, damage, cost, expense, liability, claim or other obligation incurred by Lender (including attorneys' fees and costs reasonably incurred) arising out of or in connection with the following:

(i) the misapplication or misappropriation of Rents;

(ii) the misapplication or misappropriation of Insurance Proceeds or any Award;

(iii) Borrower's failure to return or to reimburse Lender for all Personal Property taken from any Individual Property by or on behalf of Borrower and not replaced with Personal Property of the same utility and of the same or greater value;

(iv) any act of actual material waste or arson of any Individual Property by Borrower, any principal, affiliate, general partner or member thereof or by any Guarantor;

(v) any fees or commissions paid by Borrower to any principal, affiliate, general partner or member of Borrower, or any Guarantor in violation of the terms of this Agreement or the other Loan Documents;

(vi) any breach of the Environmental Indemnity; or

(vii) the failure of Borrower to pay the deductible under any insurance policy required hereunder.

Notwithstanding anything to the contrary in this Agreement, the Note or any of the Loan Documents, (A) Lender shall not be deemed to have waived any right which Lender may have under Section 506(a), 506(b), 1111(b) or any other provisions of the U.S. Bankruptcy Code to file a claim for the full amount of the Debt secured by the Mortgage or to require that all collateral shall continue to secure all of the Debt owing to Lender in accordance with the Loan Documents, and (B) the Debt shall be fully recourse to Borrower in the event: (1) of any fraud, willful misconduct or material misrepresentation by Borrower, its general partners, if any, its members, if any, its principals, its affiliates, or its employees or by any Guarantor in connection with the Loan, (2) of any breach or default under Section 5.2.10 or Section 4.1.30 of this Agreement or (3) any Individual Property or any part thereof becomes an asset in a voluntary bankruptcy or voluntary insolvency proceeding.

Section 9.5. Matters Concerning Manager. If Borrower enters into a Management Agreement and (a) an Event of Default occurs and is continuing, (b) the Manager shall become bankrupt or insolvent or (c) a material default occurs under the Management Agreement beyond any applicable grace and cure periods, Borrower shall, at the request of Lender, terminate any such Management Agreement and replace the Manager with a manager approved by Lender on terms and conditions satisfactory to Lender, it being understood and agreed that the management fee for such replacement manager shall not exceed then prevailing market rates.

Section 9.6. Servicer. At the option of Lender, the Loan may be serviced by a servicer/trustee (the "**Servicer**") selected by Lender and Lender may delegate all or any portion of its responsibilities under this Agreement and the other Loan Documents to the Servicer pursuant to a servicing agreement (the "**Servicing Agreement**") between Lender and Servicer. Borrower shall be responsible for any reasonable set-up fees or any other initial costs relating to or arising under the Servicing Agreement; provided, however, that Borrower shall not be responsible for payment of the monthly servicing fee due to the Servicer under the Servicing Agreement.

X. MISCELLANEOUS

Section 10.1. Survival. This Agreement and all covenants, agreements, representations and warranties made herein and in the certificates delivered pursuant hereto shall survive the making by Lender of the Loan and the execution and delivery to Lender of the Note, and shall continue in full force and effect so long as all or any of the Debt is outstanding and unpaid unless a longer period is expressly set forth herein or in the other Loan Documents. Whenever in this Agreement any of the parties hereto is referred to, such reference shall be deemed to include the legal representatives, successors and assigns of such party. All covenants, promises and agreements in this Agreement, by or on behalf of Borrower, shall inure to the benefit of the legal representatives, successors and assigns of Lender.

Section 10.2. Lender's Discretion. Whenever pursuant to this Agreement, Lender exercises any right given to it to approve or disapprove, or any arrangement or term is to be satisfactory to Lender, the decision of Lender to approve or disapprove or to decide whether arrangements or terms are satisfactory or not satisfactory shall (except as is otherwise specifically herein provided) be in the sole discretion of Lender and shall be final and conclusive. Whenever this Agreement expressly provides that Lender may not withhold its consent or its approval of an arrangement or term, such provisions shall also be deemed to prohibit Lender from delaying or conditioning such consent or approval.

Section 10.3. Governing Law; Jurisdiction. This Agreement, the Note and the other Loan Documents shall be governed by and construed in accordance with applicable federal law and the laws of the state where the Properties are located, without reference or giving effect to any choice of law doctrine. Borrower hereby irrevocably submits to the jurisdiction of any court of competent jurisdiction located in the state in which the Properties are located in connection with any proceeding arising out of or relating to the Loan.

Section 10.4. Modification, Waiver in Writing. No modification, amendment, extension, discharge, termination or waiver of any provision of this Agreement, or of the Note, or of any other Loan Document, nor consent to any departure by Borrower therefrom, shall in any event be effective unless the same shall be in a writing signed by the party against whom enforcement is sought, and then such waiver or consent shall be effective only in the specific instance, and for the purpose, for which given. Except as otherwise expressly provided herein, no notice to, or demand on Borrower, shall entitle Borrower to any other or future notice or demand in the same, similar or other circumstances.

Section 10.5. Delay Not a Waiver. Neither any failure nor any delay on the part of Lender in insisting upon strict performance of any term, condition, covenant or agreement, or exercising any right, power, remedy or privilege hereunder, or under the Note or under any other Loan Document, or any other instrument given as security therefor, shall operate as or constitute a waiver thereof, nor shall a single or partial exercise thereof preclude any other future exercise, or the exercise of any other right, power, remedy or privilege. In particular, and not by way of limitation, by accepting payment after the due date of any amount payable under this Agreement, the Note or any other Loan Document, Lender shall not be deemed to have waived any right either to require prompt payment when due of all other amounts due under this Agreement, the Note or the other Loan Documents, or to declare a default for failure to effect prompt payment of any such other amount.

Section 10.6. Notices. All notices, consents, approvals and requests required or permitted hereunder or under any other Loan Document shall be given in writing and shall be effective for all purposes if hand delivered or sent by (a) certified or registered United States mail, postage prepaid, return receipt requested or (b) expedited prepaid delivery service, either commercial or United States Postal Service, with proof of attempted delivery, and by telecopier (with answer back acknowledged), addressed as follows (or at such other address and Person as shall be designated from time to time by any party hereto, as the case may be, in a notice to the other parties hereto in the manner provided for in this Section 10.6):

Section 10.7. Trial by Jury.

BORROWER AND LENDER EACH HEREBY AGREES NOT TO ELECT A TRIAL BY JURY OF ANY ISSUE TRIABLE OF RIGHT BY JURY, AND WAIVES ANY RIGHT TO TRIAL BY JURY FULLY TO THE EXTENT THAT ANY SUCH RIGHT SHALL NOW OR HEREAFTER EXIST WITH REGARD TO THE LOAN DOCUMENTS, OR ANY CLAIM, COUNTERCLAIM OR OTHER ACTION ARISING IN CONNECTION THEREWITH. THIS WAIVER OF RIGHT TO TRIAL BY JURY IS GIVEN KNOWINGLY AND VOLUNTARILY BY BORROWER, AND IS INTENDED TO ENCOMPASS INDIVIDUALLY EACH INSTANCE AND EACH ISSUE AS TO WHICH THE RIGHT TO A TRIAL BY JURY WOULD OTHERWISE ACCRUE. LENDER AND BORROWER ARE EACH HEREBY AUTHORIZED TO FILE A COPY OF THIS PARAGRAPH IN ANY PROCEEDING AS CONCLUSIVE EVIDENCE OF THIS WAIVER BY THE OTHER PARTY.

Section 10.8. Headings. The Article and/or Section headings and the Table of Contents in this Agreement are included herein for convenience of reference only and shall not constitute a part of this Agreement for any other purpose.

Section 10.9. Severability. Wherever possible, each provision of this Agreement shall be interpreted in such manner as to be effective and valid under applicable law, but if any provision of this Agreement shall be prohibited by or invalid under applicable law, such provision shall be ineffective to the extent of such prohibition or invalidity, without invalidating the remainder of such provision or the remaining provisions of this Agreement.

Section 10.10. Preferences. Lender shall have the continuing and exclusive right to apply or reverse and reapply any and all payments by Borrower to any portion of the obligations of Borrower hereunder. To the extent Borrower makes a payment or payments to Lender, which payment or proceeds or any part thereof are subsequently invalidated, declared to be fraudulent or preferential, set aside or required to be repaid to a trustee, receiver or any other party under any bankruptcy law, state or federal law, common law or equitable cause, then, to the extent of such payment or proceeds received, the obligations hereunder or part thereof intended to be satisfied shall be revived and continue in full force and effect, as if such payment or proceeds had not been received by Lender.

Section 10.11. Waiver of Notice. Borrower hereby expressly waives, and shall not be entitled to, any notices of any nature whatsoever from Lender except with respect to matters for which this Agreement or the other Loan Documents specifically and expressly provide for the giving of notice by Lender to Borrower and except with respect to matters for which Borrower is not, pursuant to applicable Legal Requirements, permitted to waive the giving of notice.

Section 10.12. Remedies of Borrower. In the event that a claim or adjudication is made that Lender or its agents have acted unreasonably or unreasonably delayed acting in any case where by law or under this Agreement or the other Loan Documents, Lender or such agent, as the case may be, has an obligation to act reasonably or promptly, Borrower agrees that neither Lender nor its agents shall be liable for any monetary damages, and Borrower's sole remedies shall be limited to commencing an action seeking injunctive relief or declaratory judgment. The parties hereto agree that any action or proceeding to determine whether Lender has acted reasonably shall be determined by an action seeking declaratory judgment.

Section 10.13. Expenses; Indemnity. (a) Borrower covenants and agrees to pay or, if Borrower fails to pay, to reimburse, Lender upon receipt of notice from Lender for all reasonable costs and expenses (including reasonable attorneys' fees and disbursements) incurred by Lender in connection with (i) the preparation, negotiation, execution and delivery of this Agreement and the other Loan Documents and the consummation of the transactions contemplated hereby and thereby and all the costs of furnishing all opinions by counsel for Borrower (including without limitation any opinions requested by Lender as to any legal matters arising under this Agreement or the other Loan Documents with respect to the Properties); (ii) Borrower's ongoing performance of and compliance with Borrower's respective agreements and covenants contained

in this Agreement and the other Loan Documents on its part to be performed or complied with after the Closing Date, including, without limitation, confirming compliance with environmental and insurance requirements; (iii) Lender's ongoing performance and compliance with all agreements and conditions contained in this Agreement and the other Loan Documents on its part to be performed or complied with after the Closing Date; (iv) the negotiation, preparation, execution, delivery and administration of any consents, amendments, waivers or other modifications to this Agreement and the other Loan Documents and any other documents or matters requested by Lender; (v) securing Borrower's compliance with any requests made pursuant to the provisions of this Agreement; (vi) the filing and recording fees and expenses, title insurance and reasonable fees and expenses of counsel for providing to Lender all required legal opinions, and other similar expenses incurred in creating and perfecting the Liens in favor of Lender pursuant to this Agreement and the other Loan Documents; (vii) enforcing or preserving any rights, either in response to third party claims or in prosecuting or defending any action or proceeding or other litigation, in each case against, under or affecting Borrower, this Agreement, the other Loan Documents, the Properties, or any other security given for the Loan; and (viii) enforcing any obligations of or collecting any payments due from Borrower under this Agreement, the other Loan Documents or with respect to the Properties or in connection with any refinancing or restructuring of the credit arrangements provided under this Agreement in the nature of a "work-out" or of any insolvency or bankruptcy proceedings, in each case other than Lender's Taxes; provided, however, that Borrower shall not be liable for the payment of any such costs and expenses to the extent the same arise by reason of the gross negligence, illegal acts, fraud or willful misconduct of Lender. Any cost and expenses due and payable to Lender may be paid from any amounts in the Lockbox Account.

(b) Borrower shall indemnify, defend and hold harmless Lender from and against any and all other liabilities, obligations, losses, damages, penalties, actions, judgments, suits, claims, costs, expenses and disbursements of any kind or nature whatsoever (including, without limitation, the reasonable fees and disbursements of counsel for Lender in connection with any investigative, administrative or judicial proceeding commenced or threatened, whether or not Lender shall be designated a party thereto), that may be imposed on, incurred by, or asserted against Lender in any manner relating to or arising out of (i) any breach by Borrower of its obligations under, or any material misrepresentation by Borrower contained in, this Agreement or the other Loan Documents, or (ii) the use or intended use of the proceeds of the Loan, other than Lender's Taxes (collectively, the "**Indemnified Liabilities**"); provided, however, that Borrower shall not have any obligation to Lender hereunder to the extent that such Indemnified Liabilities arise from the gross negligence, illegal acts, fraud or willful misconduct of Lender. To the extent that the undertaking to indemnify, defend and hold harmless set forth in the preceding sentence may be unenforceable because it violates any law or public policy, Borrower shall pay the maximum portion that it is permitted to pay and satisfy under applicable law to the payment and satisfaction of all Indemnified Liabilities incurred by Lender.

(c) Borrower covenants and agrees to pay for or, if Borrower fails to pay, to reimburse Lender for, any fees and expenses incurred by any Rating Agency in connection with any consent, approval, waiver or confirmation obtained from such Rating Agency to the extent required pursuant to the terms and conditions of this Agreement or any other Loan Document and the Lender shall be entitled to require payment of such fees and expenses as a condition precedent to the obtaining of any such consent, approval, waiver or confirmation; provided that Borrower shall not be obligated to pay or reimburse Lender for any fees and expenses of Lender or any Rating Agency incurred in connection with a Securitization.

Section 10.14. Schedules Incorporated. The Schedules annexed hereto are hereby incorporated herein as a part of this Agreement with the same effect as if set forth in the body hereof.

Section 10.15. Offsets, Counterclaims and Defenses. Any assignee of Lender's interest in and to this Agreement, the Note and the other Loan Documents shall take the same free and clear of all offsets, counterclaims or defenses which are unrelated to such documents which Borrower may otherwise have against any assignor of such documents, and no such unrelated counterclaim or defense shall be interposed or asserted by Borrower in any action or proceeding brought by any such assignee upon such documents and any such right to interpose or assert any such unrelated offset, counterclaim or defense in any such action or proceeding is hereby expressly waived by Borrower.

Section 10.16. No Joint Venture or Partnership; No Third Party Beneficiaries. (a) Borrower and Lender intend that the relationships created hereunder and under the other Loan Documents be solely that of borrower and lender. Nothing herein or therein is intended to create a joint venture, partnership, tenancy-in-common, or joint tenancy relationship between Borrower and Lender nor to grant Lender any interest in the Properties other than that of mortgagee, beneficiary or lender.

(b) This Agreement and the other Loan Documents are solely for the benefit of Lender and Borrower and nothing contained in this Agreement or the other Loan Documents shall be deemed to confer upon anyone other than Lender and Borrower any right to insist upon or to enforce the performance or observance of any of the obligations contained herein or therein. All conditions to the obligations of Lender to make the Loan hereunder are imposed solely and exclusively for the benefit of Lender and no other Person shall have standing to require satisfaction of such conditions in accordance with their terms or be entitled to assume that Lender will refuse to make the Loan in the absence of strict compliance with any or all thereof and no other Person shall under any circumstances be deemed to be a beneficiary of such conditions, any or all of which may be freely waived in whole or in part by Lender if, in Lender's sole discretion, Lender deems it advisable or desirable to do so.

Section 10.17. Publicity. All news releases, publicity or advertising by Borrower or their Affiliates through any media intended to reach the general public which refers to the Loan Documents or the financing evidenced by the Loan Documents, to Lender, JPM, or any of their Affiliates shall be subject to the prior approval of Lender.

Section 10.18. Cross-Default; Cross-Collateralization; Waiver of Marshalling of Assets. (a) Borrower acknowledges that Lender has made the Loan to Borrower upon the security of its collective interest in the Properties and in reliance upon the aggregate of the Properties taken together being of greater value as collateral security than the sum of each Individual Property taken separately.

(b) To the fullest extent permitted by law, Borrower, for itself and its successors and assigns, waives all rights to a marshalling of the assets of Borrower, Borrower's partners and others with interests in Borrower, and of the Properties, or to a sale in inverse order of alienation in the event of foreclosure of all or any portion of the Mortgage, and agrees not to assert any right under any laws pertaining to the marshalling of assets, the sale in inverse order of alienation, homestead exemption, the administration of estates of decedents, or any other matters whatsoever to defeat, reduce or affect the right of Lender under the Loan Documents to a sale of the Properties for the collection of the Debt without any prior or different resort for collection or of the right of Lender to the payment of the Debt out of the net proceeds of the Properties in preference to every other claimant whatsoever. In addition, Borrower, for itself and its successors and assigns, waives in the event of foreclosure of any or all portion of the Mortgage, any equitable right otherwise available to Borrower which would require the separate sale of the Properties or require Lender to exhaust its remedies against any Individual Property or any combination of the Properties before proceeding against any other Individual Property or combination of Properties; and further in the event of such foreclosure Borrower does hereby expressly consent to and authorize, at the option of Lender, the foreclosure and sale either separately or together of any combination of the Properties.

Section 10.19. Waiver of Counterclaim. Borrower hereby waives the right to assert a counterclaim, other than a compulsory counterclaim, in any action or proceeding brought against it by Lender or its agents.

Section 10.20. Conflict; Construction of Documents; Reliance. In the event of any conflict between the provisions of this Loan Agreement and any of the other Loan Documents, the provisions of this Loan Agreement shall control. The parties hereto acknowledge that they were represented by competent counsel in connection with the negotiation, drafting and execution of the Loan Documents and that such Loan Documents shall not be subject to the principle of construing their meaning against the party which drafted same. Borrower acknowledges that, with respect to the Loan, Borrower shall rely solely on its own judgment and advisors in entering into the Loan without relying in any manner on any statements, representations or recommendations of Lender or any parent, subsidiary or Affiliate of Lender. Lender shall not be subject to any limitation whatsoever in the exercise of any rights or remedies available to it under any of the Loan Documents or any other agreements or instruments which govern the Loan by virtue of the ownership by it or any parent, subsidiary or Affiliate of Lender of any equity interest any of them may acquire in Borrower, and Borrower hereby irrevocably waives the right to raise any defense or take any action on the basis of the foregoing with respect to Lender's exercise of any such rights or remedies. Borrower acknowledges that Lender engages in the business of real estate financings and other real estate transactions and investments which may be viewed as adverse to or competitive with the business of Borrower or its Affiliates.

Section 10.21. Brokers and Financial Advisors. Borrower hereby represents that it has dealt with no financial advisors, brokers, underwriters, placement agents, agents or finders in connection with the transactions contemplated by this Agreement. Borrower hereby agrees to indemnify, defend and hold Lender harmless from and against any and all claims, liabilities, costs and expenses of any kind (including Lender's attorneys' fees and expenses) in any way relating to or arising from a claim by any Person that such Person acted on behalf of Borrower in connection with the transactions contemplated herein. The provisions of this Section 10.21 shall survive the expiration and termination of this Agreement and the payment of the Debt.

Section 10.22. Prior Agreements. This Agreement and the other Loan Documents contain the entire agreement of the parties hereto and thereto in respect of the transactions contemplated hereby and thereby, and all prior agreements among or between such parties, whether oral or written, including, without limitation, the Summary of Indicative Terms and Conditions dated February 12, 2007 (as amended) between Borrower and Lender are superseded by the terms of this Agreement and the other Loan Documents.

(d) the Fronting Term B Lender shall make new loans (the "**New Term B Loans**") to the Borrower on the Amendment Effective Date in the aggregate principal amount equal to the Initial Scheduled Term B Loan Commitment of the Fronting Term B Lender, which shall constitute the making available of a Term B Loan for the purposes of Section 2.01(a) of the Restated Credit Agreement;

(e) the proceeds of the New Term B Loans shall be used by the Borrower, inter alia, to repay in full in cash (i) the aggregate principal amount of the Existing 2007 Term Loans, (ii) the aggregate principal amount of the Existing 2012 Incremental Term Loans, (iii) the aggregate principal amount of the Existing February 2012 Term Loans and (iv) the aggregate principal amount of the Existing May 2012 Term Loans, in each case outstanding on the Amendment Effective Date immediately prior to giving effect to this Agreement, that are not subject to the Term Loan Conversion;

(f) For the purposes of clause (d) above, proceeds of the New Term B Loans shall be paid by the Fronting Term B Lender to the Original Administrative Agent who, upon receipt thereof shall repay the Existing Term Loans outstanding on the Amendment Effective Date, immediately prior to giving effect to this Agreement, as directed by the Successor Administrative Agent.

(g) On the Amendment Effective Date, the Borrower shall pay in cash: (i) all interest and fees accrued in relation to the Existing Term Loans to (but excluding) the Amendment Effective Date, whether or not otherwise due and payable under the Original Credit Agreement (including accrued and unpaid interest on all Existing Term Loans subject to the Term Loan Conversion) and (ii) to each Converting Lender and each Non-Converting Lender, all costs due pursuant to Section 3.05 of the Original Credit Agreement.

SECTION 4. ***Term C Loans***.

(a) The Fronting Term C Lender shall make available a new term loan facility to the Borrower on the Amendment Effective Date in the aggregate amount equal to $425,000,000, which shall constitute the making available of the Term C Loans for the purposes of Section 2.01(a) of the Restated Credit Agreement.

(b) The proceeds of the Term C Loans shall be used by the Borrower, together with the proceeds of the New Term B Loans, to, inter alia, repay in full in cash (i) the aggregate principal amount of the Existing 2007 Term Loans, (ii) the aggregate principal amount of the Existing 2012 Incremental Term Loans, (iii) the aggregate principal amount of the Existing February 2012 Term Loans and (iv) the aggregate principal amount of the Existing May 2012 Term Loans, in each case outstanding on the Amendment Effective Date immediately prior to giving effect to this Agreement, that are not subject to the Term Loan Conversion.

(c) For the purposes of clause (b) above, proceeds of the Term C Loans shall be paid by the Fronting Term C Lender to the Original Administrative Agent who, upon receipt thereof shall repay the Existing Term Loans outstanding on the Amendment Effective Date immediately prior to giving effect to this Agreement, that are not subject to the Term Loan Conversion as directed by the Successor Administrative Agent.

SECTION 5. ***Revolving Commitments***.

(a) On the Amendment Effective Date, the aggregate amount of the Existing Revolving Facility Commitments of the Existing Revolving Facility Lenders under the Original Credit Agreement shall be cancelled and the Borrower shall repay in full in cash the principal of all Existing Revolving Facility Loans outstanding on the Amendment Effective Date.

(b) Each of the parties hereto acknowledges and agrees that as of the Amendment Effective Date each of the Letters of Credit (as defined under the Original Credit Agreement) outstanding under the Original Credit Agreement shall be deemed to be issued under the Restated Credit Agreement as provided in Section 2.03(l) of the Restated Credit Agreement.

(c) Each New Revolving Facility Lender shall make available a new revolving facility commitment to the Borrower on the Amendment Effective Date in the aggregate amount equal to each such New Revolving Facility Lender's New Revolving Facility Commitment, which shall constitute the making available of the Revolving Credit Facility for the purposes of Section 2.01(b) of the Restated Credit Agreement.

(d) On the Amendment Effective Date, the Borrower shall pay in cash: (i) all interest and fees accrued in relation to the Existing Revolving Facilities to (but excluding) the Amendment Effective Date, whether or not otherwise due and payable under the Original Credit Agreement and (ii) all costs due to the Existing Revolving Facility Lenders pursuant to Section 3.05 of the Original Credit Agreement.

SECTION 6. ***Resignation and Appointment of Administrative Agent***.

(a) *Resignation of Original Administrative Agent:* The Original Administrative Agent hereby notifies the Existing Lenders and the Borrower (for itself and on behalf of the other Loan Parties) of its resignation from its appointment as Administrative Agent under the Loan Documents, pursuant to Section 10.09 of the Original Credit Agreement, such resignation to be effective on the Amendment Effective Date (concurrently with the appointment of the Successor Administrative Agent under Section 5(b) below and the repayment of Existing Term Loans and Existing Revolving Facility Loans as provided in Section 3 and Section 5 above, respectively, and the payment of all other amounts contemplated by Section 3(g) and Section 5(d). By virtue of the Original Administrative Agent's execution of this Agreement on its behalf, each Existing Lender accepts the resignation of the Original Administrative Agent under the Loan Documents on the terms set forth in this Agreement.

(b) *Appointment of Successor Administrative Agent;* The Original Administrative Agent, at the direction of the Existing Lenders constituting the Existing Required Lenders, hereby appoints the Successor Administrative Agent as Administrative Agent for the purpose of the Loan Documents pursuant to Section 10.09 of the Original Credit Agreement, such appointment to be effective on the Amendment Effective Date (concurrently with the repayment of Existing Term Loans and Existing Revolving Facility Loans as provided in Section 3 and Section 4 hereof, respectively, and the payment of all other amounts contemplated by Section 3(g) and Section 4(d), and the Borrower (on behalf of itself and each of the other Loan Parties) hereby acknowledges and agrees to such appointment. The Successor Administrative Agent hereby accepts such appointment and confirms and agrees that in its capacity as Administrative Agent it shall act, following the retirement of the Original Administrative Agent hereunder, as successor to the Original Administrative Agent as Administrative Agent with respect to the Restated Credit Agreement and other Loan Documents and that it shall have the same rights and obligations thereunder as it would have had if it had been an original party thereto as the Administrative Agent thereunder.

(c) *Liabilities of Original Administrative Agent and Successor Administrative Agent*; Each of the parties hereto acknowledges and agrees that:

(i) the Successor Administrative Agent shall not incur any liability to any Person by reason of its appointment hereunder as Administrative Agent for any loss suffered by any person prior to the effectiveness of its appointment on the Amendment Effective Date; and

(ii) the Original Administrative Agent shall not incur any liability to any Person by reason of its previous appointment as Administrative Agent for any loss suffered by any Person following the effectiveness of the Successor Administrative Agent's appointment on the Amendment Effective Date.

In addition, and notwithstanding anything to the contrary contained in the Original Credit Agreement, the Restated Credit Agreement and the other Loan Documents, the parties hereto acknowledge and agree that:

(i) the Successor Administrative Agent shall not be liable for:

(A) any actions taken or omitted to be taken by the Original Administrative Agent:

(I) while it was the Administrative Agent; or

(II) pursuant to this Agreement (unless such liability was caused by the gross negligence or willful misconduct of the Successor Administrative Agent in delivering any payment directions to the Original Administrative Agent on the Amendment Effective Date as contemplated by Section 3(f) hereof); or

(B) any actions taken or omitted to be taken, or any determinations made, by the Successor Administrative Agent based upon the information provided by the Original Administrative Agent with respect to any period ending prior to the effectiveness of the Successor Administrative Agent's appointment on the Effective Date; and

(ii) the Original Administrative Agent shall not be liable for any actions taken or omitted to be taken, or any determinations made, by the Original Administrative Agent based upon the directions provided by the Successor Administrative Agent as described in Section 3(f) or any other directions pursuant to the terms of this Agreement.

(d) *Discharge and Existing Indemnity.* Upon the appointment of the Successor Administrative Agent, the Original Administrative Agent shall be discharged from any obligations and liabilities (except to the extent arising from actions taken or omitted to be taken prior to the effectiveness of its resignation on the Amendment Effective Date and then only if directly caused by its gross negligence or wilful misconduct) under or in respect of the Loan Documents and the Original Administrative Agent shall remain entitled to the benefit of Section 10.07, Section 11.04 and Section 11.05 of the Credit Agreement in respect of any actions taken or omitted to be taken while the Original Administrative Agent acted as Administrative Agent under the Loan Documents up to and including the Amendment Effective Date or which arise as a result of the matters contemplated by this Agreement, including in relation to any action taken or not taken by the Original Administrative Agent in connection with entering into and performing any obligations under this Agreement.

(e) *Further Assurances of Original Administrative Agent.* The Original Administrative Agent agrees that, on or following the Amendment Effective Date, it shall promptly furnish, at the Borrower's and the Loan Parties' expense, additional releases, termination statements and such other documents, instruments and agreements as are customary and may be reasonably requested by the Successor Administrative Agent in order to effect and evidence more fully the matters covered hereby.

SECTION 7. ***Representations and Warranties***. To induce the other parties hereto to enter into this Agreement, each Loan Party represents and warrants to each of the Lenders, the Original Administrative Agent and the Successor Administrative Agent that:

(a) the execution, delivery and performance by each Loan Party of this Agreement has been duly authorized by all necessary corporate, limited liability company and/or partnership action, as applicable, of such Loan Party;

(b) this Agreement has been duly executed and delivered by such Loan Party;

(c) each of this Agreement, the Restated Credit Agreement and each other Loan Document to which each Loan Party is a party, constitutes a legal, valid and binding obligation of such Loan Party, enforceable against it in accordance with its terms, subject to Debtor Relief Laws and to general principles of equity;

(d) the execution, delivery and performance by each Loan Party of this Agreement and the performance of its obligations under the Restated Credit Agreement are within such Loan Party's corporate or other powers and do not and will not (i) contravene the terms of any of such Person's Organization Documents, (ii) conflict with or result in any breach or contravention of, or the creation of, any Lien under (other than as permitted by Section 7.01 of the Restated Credit Agreement), or require any payment to be made under (x) (A) any material indenture, mortgage, deed of trust or loan agreement (including the Existing Notes Indenture) or (B) any other Contractual Obligation to which such Person is a party or affecting such Person or the properties of such Person or any of its Subsidiaries or (y) any material order, injunction, writ or decree of any Governmental Authority or any arbitral award to which such Person or its property is subject; or (iii) violate any material Law; except with respect to any conflict, breach or contravention or payment (but not creation of Liens) referred to in clause (ii) or (iii) above, to the extent that such conflict, breach, contravention or payment could not reasonably be expected to have a Material Adverse Effect; and

(e) immediately before and after giving effect to this Agreement and the transactions contemplated hereby (i) the representations and warranties set forth in Article V of the Restated Credit Agreement and in the other Loan Documents are true and correct in all material respects on and as of the date hereof, except to the extent such representations and warranties expressly relate to an earlier date, in which case they were true and correct in all material respects as of such earlier date; *provided* that any representation or warranty that is qualified as to "materiality", "Material Adverse Effect" or similar language is true and correct (after giving effect to any qualification therein) in all respects on such respective dates, and (ii) no Default or Event of Default shall have occurred and be continuing as of the Amendment Effective Date, after giving effect to this Agreement and the transactions contemplated hereby.

SECTION 8. ***Effectiveness***. This Agreement shall become effective as of the date (the "Amendment Effective Date") on which each of the following conditions shall have been satisfied:

(a) the Successor Administrative Agent (or its counsel) shall have received counterparts of this Agreement that, when taken together, bear the signatures of (i) Holdings, (ii) the Borrower, (iii) each other Guarantor, (iv) the Existing Required Lenders, (v) the Swing Line Lender, (vi) each L/C Issuer, (vii) each Consenting Lender, (viii) the Fronting Term B Lender, (ix) the Fronting Term C Lender and (x) each New Revolving Lender; and

(b) each of the conditions set forth in Sections 4.01 and 4.02 of the Restated Credit Agreement shall have been satisfied or waived.

The Successor Administrative Agent shall notify the Borrower and the Lenders of the Amendment Effective Date, and such notice shall be conclusive and binding.

SECTION 9. ***Counterparts***. This Agreement may be executed in any number of counterparts and by different parties hereto in separate counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument. Delivery by telecopy or other electronic image scan transmission of an executed counterpart of a signature page to this Agreement shall be effective as delivery of an original executed counterpart of this Agreement. The Successor Administrative Agent may also require that any such documents and signatures delivered by telecopy or other electronic image scan transmission
be confirmed by a manually signed original thereof; *provided* that the failure to request or deliver the same shall not limit the effectiveness of any document or signature delivered by telecopy or other electronic image scan transmission.

SECTION 10. ***Governing Law***. THIS AGREEMENT SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAW OF THE STATE OF NEW YORK.

SECTION 11. ***Jurisdiction***. ANY LEGAL ACTION OR PROCEEDING ARISING UNDER THIS AGREEMENT OR IN ANY WAY CONNECTED WITH OR RELATED OR INCIDENTAL TO THE DEALINGS OF THE PARTIES HERETO OR ANY OF THEM WITH RESPECT TO THIS AGREEMENT, OR THE TRANSACTIONS RELATED THERETO, IN EACH CASE WHETHER NOW EXISTING OR HEREAFTER ARISING, MAY BE BROUGHT IN THE COURTS OF THE STATE OF NEW YORK SITTING IN NEW YORK CITY OR OF THE UNITED STATES FOR THE SOUTHERN DISTRICT OF SUCH STATE, AND BY EXECUTION AND DELIVERY OF THIS AGREEMENT, THE BORROWER, HOLDINGS, EACH OTHER GUARANTOR, THE ORIGINAL ADMINISTRATIVE AGENT, THE SUCCESSOR ADMINISTRATIVE AGENT AND EACH LENDER CONSENTS, FOR ITSELF AND IN RESPECT OF ITS PROPERTY, TO THE EXCLUSIVE JURISDICTION OF THOSE COURTS AND AGREES NOT TO COMMENCE ANY SUCH LEGAL ACTION OR PROCEEDING IN ANY OTHER JURISDICTION, TO THE EXTENT PERMITTED BY APPLICABLE LAW. THE BORROWER, HOLDINGS, EACH OTHER GUARANTOR, THE ORIGINAL ADMINISTRATIVE AGENT AND THE SUCCESSOR ADMINISTRATIVE AGENT AND EACH LENDER IRREVOCABLY WAIVES ANY OBJECTION, INCLUDING ANY OBJECTION TO THE LAYING OF VENUE OR BASED ON THE GROUNDS OF FORUM NON CONVENIENS, WHICH IT MAY NOW OR HEREAFTER HAVE TO THE BRINGING OF ANY ACTION OR PROCEEDING IN SUCH JURISDICTION IN RESPECT OF THIS AGREEMENT OR OTHER DOCUMENT RELATED THERETO.

SECTION 12. ***Headings***. The headings of this Agreement are for purposes of reference only and shall not limit or otherwise affect the meaning hereof.

SECTION 13. ***No Novation***. Neither this Agreement nor the effectiveness of the Restated Credit Agreement shall discharge or release the lien or priority of any Loan Document or any other security therefor or any guarantee thereof, and the liens and security interests existing immediately prior to the Amendment Effective Date in favor of the Original Administrative Agent for the benefit of the Secured Parties securing payment of the Obligations are in all respects continuing and in full force and effect with respect to all Obligations. Nothing herein contained shall be construed as a substitution or novation, or a payment and reborrowing, or a termination, of the Obligations outstanding under the Original Credit Agreement or instruments guaranteeing or securing the same, which shall remain in full force and effect, except as modified hereby (including by the Restated Credit Agreement) or by instruments executed concurrently herewith. Nothing expressed or implied in this Agreement, the Restated Credit Agreement or any other document contemplated hereby or thereby shall be construed as a release or other discharge of the Borrower under the Original Credit Agreement or the Borrower or any other Loan Party under any Loan Document from any of its obligations and liabilities thereunder except as provided herein, and such obligations are in all respects continuing with only the terms

being modified as provided in this Agreement and in the Restated Credit Agreement. The Original Credit Agreement and each of the other Loan Documents shall remain in full force and effect, until and except as modified hereby (including by the Restated Credit Agreement). This Agreement shall constitute a Loan Document for all purposes of the Original Credit Agreement and the Restated Credit Agreement. Each Guarantor further agrees that nothing in the Restated Credit Agreement, this Agreement or any other Loan Document shall be deemed to require the consent of such Guarantor to any future amendment to the Restated Credit Agreement.

SECTION 14. ***Notices***. All communications and notices hereunder shall be given as provided in the Restated Credit Agreement.

SECTION 15. ***Severability***. If any provision of this Agreement is held to be illegal, invalid or unenforceable, the legality, validity and enforceability of the remaining provisions of this Agreement and the other Loan Documents shall not be affected or impaired thereby. The invalidity of a provision in a particular jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

SECTION 16. ***Successors***. The terms of this Agreement shall be binding upon, and shall inure for the benefit of, the parties hereto and their respective successors and assigns.

SECTION 17. ***No Waiver***. Except as expressly set forth herein (including the Exhibits attached hereto), this Agreement shall not by implication or otherwise limit, impair, constitute a waiver of or otherwise affect the rights and remedies of the Lenders or the Agents under the Original Credit Agreement or any other Loan Document, and shall not alter, modify, amend or in any way affect any of the terms, conditions, obligations, covenants or agreements contained in the Original Credit Agreement or any other provision of the Original Credit Agreement or of any other Loan Document, all of which are ratified and affirmed in all respects and shall continue in full force and effect. Nothing herein shall be deemed to entitle the Borrower to receive a consent to, or a waiver, amendment, modification or other change of, any of the terms, conditions, obligations, covenants or agreements contained in the Original Credit Agreement or any other Loan Document in similar or different circumstances.

There were a clerical error in the sig pages, and you are partially correct in which funds should not convert. We no longer wish to covert the following funds:

SUFFIELD CLO LTD = $114,941.24
Mass Mutual Asia Limited = $122,981.01 VI NACASA CLO LTD = $467,205.00

The following fund should still covert:

NETT LOAN FUND LTD = $956,296.93

And yes, we are OK with the amendment.

Please let me know if there is anything else you need. Sorry for any confusion. Regards,

Classification: For internal use only

Jamie,

My comments are in blue. Please let me know if you have any questions.

1. The latter two documents are assignment forms for **Security Income Fund – Macro Opportunities Fund.** We need to update the records given the current holder file you provided to us references a fund name Security Income Fund Floating Rate Strategies Series ($737,016.03 holding in the Feb. 2012 Term Loan tranche).

Confirmed that "**Security Income Fund – Macro Opportunities Fund**" is the correct legal entity, not "Security Income Fund Floating Rate Strategies Series" as had been listed previously. You can update the tracker accordingly.

2. SEI Institutional Investment Trust - High Yield Bond Fund: DB's files show this fund listed as having a TL hold of $**2,244,375.00** instead of $**3,407,039.08**, as listed in Guggenheim's signature page. Does DB have assignment documentation to prove Guggenheim's position in this fund?

Our tracker shows $3,407,039.04 as the total position for SEI Institutional Investment Trust - High Yield Bond Fund, which is consistent with the sig pages. The position on the tracker is spilt as follows:

"GUGGENHEIM-SEI INS INV TR-HIGH" : $2,244,375.00 of the INCREMENTAL TERM LOAN (row 346)

"SEI INST INV TR HY BOND" : $1,162,664.04 of the EXTENDED TERM LOAN (row 588)

3. SEI Institutional Managed Trust - High Yield Bond Fund: DB's files show this fund listed as having a TL hold of $**643,175.84**, instead of $**1,929,527.62**, as listed on Guggenheim's signature page. Does DB have assignment documentation to prove Guggenheim's position in this fund?

Our tracker shows $1,929,527.56 as the total position for SEI Institutional Managed Trust - High Yield Bond Fund, which is consistent with the sig pages. The position on the tracker is spilt as follows:

"GUGGENHEIM-SEI INST MG TR HI Y" : $643,175.84 of the EXTENDED TERM LOAN (row 347)

"SEI INSTIT MGD TR" : $1,286,351.72 of the EXTENDED TERM LOAN (row 589)

Jamie,

My comments are in blue. Please let me know if you have any questions.

1. The latter two documents are assignment forms for **Security Income Fund – Macro Opportunities Fund.** We need to update the records given the current holder file you provided to us references a fund name Security Income Fund Floating Rate Strategies Series ($737,016.03 holding in the Feb. 2012 Term Loan tranche).

Confirmed that **"Security Income Fund – Macro Opportunities Fund"** is the correct legal entity, not "Security Income Fund Floating Rate Strategies Series" as had been listed previously. You can update the tracker accordingly.

2. SEI Institutional Investment Trust - High Yield Bond Fund: DB's files show this fund listed as having a TL hold of $**2,244,375.00** instead of $**3,407,039.08**, as listed in Guggenheim's signature page. Does DB have assignment documentation to prove Guggenheim's position in this fund?

Our tracker shows $3,407,039.04 as the total position for SEI Institutional Investment Trust - High Yield Bond Fund, which is consistent with the sig pages. The position on the tracker is spilt as follows:

"GUGGENHEIM-SEI INS INV TR-HIGH" : $2,244,375.00 of the INCREMENTAL TERM LOAN (row 346)

"SEI INST INV TR HY BOND" : $1,162,664.04 of the EXTENDED TERM LOAN (row 588)

3. SEI Institutional Managed Trust - High Yield Bond Fund: DB's files show this fund listed as having a TL hold of $**643,175.84**, instead of $**1,929,527.62**, as listed on Guggenheim's signature page. Does DB have assignment documentation to prove Guggenheim's position in this fund?

Our tracker shows $1,929,527.56 as the total position for SEI Institutional Managed Trust - High Yield Bond Fund, which is consistent with the sig pages. The position on the tracker is spilt as follows:

"GUGGENHEIM-SEI INST MG TR HI Y" : $643,175.84 of the EXTENDED TERM LOAN (row 347)

"SEI INSTIT MGD TR" : $1,286,351.72 of the EXTENDED TERM LOAN (row 589)

There were a clerical error in the sig pages, and you are partially correct in which funds should not convert. We no longer wish to covert the following funds:

SUFFIELD CLO LTD = $114,941.24
Mass Mutual Asia Limited =
$122,981.01 VI NACASA CLO LTD =
$467,205.00

The following fund should still covert:

NETT LOAN FUND LTD = $956,296.93

And yes, we are OK with the amendment.

Please let me know if there is anything else you need. Sorry for any confusion.

Jamie,

My comments are in blue. Please let me know if you have any questions.

1. The latter two documents are assignment forms for **Security Income Fund – Macro Opportunities Fund.** We need to update the records given the current holder file you provided to us references a fund name Security Income Fund Floating Rate

Strategies Series ($737,016.03 holding in the Feb. 2012 Term Loan tranche).

Confirmed that "**Security Income Fund – Macro Opportunities Fund**" is the correct legal entity, not "Security Income Fund Floating Rate Strategies Series" as had been listed previously. You can update the tracker accordingly.

2. SEI Institutional Investment Trust - High Yield Bond Fund: DB's files show this fund listed as having a TL hold of $**2,244,375.00** instead of $**3,407,039.08**, as listed in Guggenheim's signature page. Does DB have assignment documentation to prove Guggenheim's position in this fund?

Our tracker shows $3,407,039.04 as the total position for SEI Institutional Investment Trust - High Yield Bond Fund, which is consistent with the sig pages. The position on the tracker is spilt as follows:

"GUGGENHEIM-SEI INS INV TR-HIGH" : $2,244,375.00 of the INCREMENTAL TERM LOAN (row 346) "SEI INST INV TR HY BOND" : $1,162,664.04 of the EXTENDED TERM LOAN (row 588)

3. SEI Institutional Managed Trust—High Yield Bond Fund: DB's files show this fund listed as having a TL hold of $**643,175.84**, instead of $**1,929,527.62**, as listed on Guggenheim's signature page. Does DB have assignment documentation to prove Guggenheim's position in this fund?

Our tracker shows $1,929,527.56 as the total position for SEI Institutional Managed Trust - High Yield Bond Fund, which is consistent with the sig pages. The position on the tracker is spilt as follows:

“GUGGENHEIM-SEI INST MG TR HI Y” : $643,175.84 of the EXTENDED TERM LOAN (row 347) “SEI INSTIT MGD TR” : $1,286,351.72 of the EXTENDED TERM LOAN (row 589)

Deutsche Bank team—See attached. Three issues we need your help to resolve related to Sabre Holdings:

Receipt of your signature pages is confirmed. There are, however, issues with 3 of the signature pages submitted:

1) SEI Institutional Investment Trust - High Yield Bond Fund: We have this fund listed as having a TL hold of $**2,244,375.00** instead of $**3,407,039.08**, as listed on your signature page.

a. Please confirm that you intend to roll over your full position of $**2,244,375.00.**

2) SEI Institutional Managed Trust - High Yield Bond Fund: We have this fund listed as having a TL hold of $**643,175.84**, instead of $**1,929,527.62**, as listed on your signature page.

a. Please confirm that you intend to roll over your full position of $**643,175.84.**

3) Security Income Fund – Macro Opportunities Fund: We have this fund listed in our records as “Security Income Fund Floating Rate Strategies Series”

a. Please confirm in that you wish to consent to the amendment for and convert the full position ($737,016.03) of **Security Income Fund Floating Rate Strategies Series**.

Please contact Bank of America if you have any questions about the information above. Thank you,

My comments are in blue. Please let me know if you have any questions.

2. The latter two documents are assignment forms for **Security Income Fund – Macro Opportunities Fund.** We need to update the records given the current holder file you provided to us references a fund name Security Income Fund Floating Rate Strategies Series ($737,016.03 holding in the Feb. 2012 Term Loan tranche).

Confirmed that **"Security Income Fund – Macro Opportunities Fund"** is the correct legal entity, not "Security Income Fund Floating Rate Strategies Series" as had been listed previously. You can update the tracker accordingly.

3. SEI Institutional Investment Trust – High Yield Bond Fund: DB's files show this fund listed as having a TL hold of $**2,244,375.00** instead of $**3,407,039.08**, as listed in Guggenheim's signature page. Does DB have assignment documentation to prove Guggenheim's position in this fund?

Our tracker shows $3,407,039.04 as the total position for SEI Institutional Investment Trust - High Yield Bond Fund, which is consistent with the sig pages. The position on the tracker is spilt as follows:

"GUGGENHEIM-SEI INS INV TR-HIGH" : $2,244,375.00 of the INCREMENTAL TERM LOAN (row 346)
"SEI INST INV TR HY BOND" : $1,162,664.04 of the EXTENDED TERM LOAN (row 588)

4. SEI Institutional Managed Trust - High Yield Bond Fund: DB's files show this fund listed as having a TL hold of $**643,175.84**, instead of $**1,929,527.62**, as listed on Guggenheim's signature page. Does DB have assignment documentation to prove Guggenheim's position in this fund?

Our tracker shows $1,929,527.56 as the total position for SEI Institutional Managed Trust - High Yield Bond Fund, which is consistent with the sig pages. The position on the tracker is spilt as follows:

"GUGGENHEIM-SEI INST MG TR HI Y" : $643,175.84 of the EXTENDED TERM LOAN (row 347) "SEI INSTIT MGD TR" : $1,286,351.72 of the EXTENDED TERM LOAN (row 589)

	Applicable Rate							
Pricing Level	Senior Secured First-Lien Net Leverage Ratio	Eurocurrency Rate for Revolving Credit Loans and Letter of Credit Fees	Base Rate for Revolving Credit Loans	Commitment Fee Rate	Eurocurrency Rate for Term B Loans	Base Rate for Term B Loans	Eurocurrency Rate for Term C Loans	Base Rate for Term C Loans
1	> 4.0:1.0 £ 4.0:1.0, but >	3.75%	2.75%	0.500%	4.00%	3.00%	3.00%	2.00%
2	3.0:1.0	3.75%	2.75%	0.375%	4.00%	3.00%	3.00%	2.00%

Notwithstanding anything to the contrary contained above in this definition or elsewhere in this Agreement, if it is subsequently determined that the Senior Secured First-Lien Net Leverage Ratio set forth in any Compliance Certificate delivered to the Administrative Agent is inaccurate for any reason and the result thereof is that the Lenders received interest or fees for any period based on an Applicable Rate that is less than that which would have been applicable had the Senior Secured First-Lien Net Leverage Ratio been accurately determined, then, for all purposes of this Agreement, the "Applicable Rate" for any day occurring within the period covered by such Compliance Certificate shall retroactively be deemed to be the relevant percentage as based upon the accurately determined Senior Secured First-Lien Net Leverage Ratio for such period, and any shortfall in the interest or fees theretofore paid by the Borrower for the relevant period pursuant to Sections 2.08 and 2.09 as a result of the miscalculation of the Senior Secured First-Lien Net Leverage Ratio shall be deemed to be (and shall be) due and payable under the relevant provisions of Section 2.08 or 2.09, as applicable, at the time the interest or fees for such period were required to be paid pursuant to said Section (and shall remain due and payable until paid in full, together with all amounts owing under said Section 2.08, in accordance with the terms of this Agreement).

Subject to the terms and conditions set forth herein each Revolving Credit Lender severally agrees to make loans denominated in Dollars or any Alternative Currency to the Borrower as elected by it pursuant to Section 2.02 (each such loan, a "**Revolving Credit Loan**") from time to time, on any Business Day on and after the Closing Date until the Maturity Date , in an aggregate Dollar Amount not to exceed at any time outstanding the amount of such Lender's Revolving Credit Commitments; *provided* that after giving effect to any Revolving Credit Borrowing, the aggregate Outstanding Amount of the Revolving Credit Loans of any Lender, plus such Lender's Pro Rata Share of the Outstanding Amount of all L/C Obligations, plus such Lender's Pro Rata Share of the Outstanding Amount of all Swing Line Loans shall not exceed such Lender's Revolving Credit Commitments. Within the limits of each Lender's Revolving Credit Commitments, and subject to the other terms and conditions hereof, the Borrower may borrow under this Section 2.01(b), prepay under Section 2.05, and reborrow under this Section 2.01(b). Each such notice must be received by the Administrative Agent not later than 1:00 p.m. (New York time) (i) three (3) Business Days prior to the requested date of any Borrowing or continuation of Eurocurrency Rate Loans or any conversion of Base

Rate Loans to Eurocurrency Rate Loans, in each case, denominated in Dollars, Sterling, Euros and Canadian Dollars, (ii) four (4) Business Days prior to the requested date of any Borrowing or continuation of Eurocurrency Rate Loans or any conversion of Base Rate Loans to Eurocurrency Rate Loans, in each case, denominated in Australian Dollars and Yen, and (iii) one (1) Business Day before the requested date of any Borrowing of Base Rate Loans; *provided* that such notice may be delivered not later than 9:00 a.m. (New York time) on the Closing Date in the case of the initial Credit Extensions. Each telephonic notice by the Borrower pursuant to this Section 2.02(a) must be confirmed promptly by delivery to the Administrative Agent of a written Committed Loan Notice, appropriately completed and signed by a Responsible Officer of the Borrower. Each Borrowing of, conversion to or continuation of Eurocurrency Rate Loans shall be in a principal Dollar Amount of $2,500,000 or a whole multiple of the Dollar Amount of $500,000 in excess thereof in the case of Term Loans or Revolving Credit Loans. Except as provided in Sections 2.03(c) and 2.04(c), each Borrowing of or conversion to Base Rate Loans shall be in a principal amount of $500,000 or a whole multiple of $100,000 in excess thereof. Each Committed Loan Notice (whether telephonic or written) shall specify:

(iv) the currency in which the Loans to be borrowed are to be denominated,

(v) the Type of Loans to be borrowed or to which existing Loans are to be converted, and

(vi) if applicable, the duration of the Interest Period with respect thereto.

If, with respect to Loans denominated in Dollars, the Borrower fails to specify a Type of Loan in a Committed Loan Notice or fails to give a timely notice requesting a conversion or continuation, then the applicable Loans shall be made as, or converted to, Base Rate Loans. Any such automatic conversion to Base Rate Loans shall be effective as of the last day of the Interest Period then in effect with respect to the applicable Eurocurrency Rate Loans. If the Borrower requests a Borrowing of, conversion to, or continuation of Eurocurrency Rate Loans in any such Committed Loan Notice, but fails to specify an Interest Period (or fails to give a timely notice requesting a continuation of Eurocurrency Rate Loans denominated in an Alternative Currency), it will be deemed to have specified an Interest Period of one month. If no currency is specified, the requested Borrowing shall be in Dollars.

(b) Following receipt of a Committed Loan Notice, the Administrative Agent shall promptly notify each Lender of the amount of its Pro Rata Share of the applicable Class of Loans, and if no timely notice of a conversion or continuation is provided by the Borrower, the Administrative Agent shall notify each Lender of the details of any automatic conversion to Base

Rate Loans or continuation described in Section 2.02(a). In the case of each Borrowing, each Appropriate Lender shall make the amount of its Loan available to the Administrative Agent in Same Day Funds at the Administrative Agent's Office for the applicable currency not later than 1:00 p.m., in the case of any Loan denominated in Dollars, and not later than 1:00 p.m. (London time) in the case of any Loan denominated in an Alternative Currency, in each case on the Business Day specified in the applicable Committed Loan Notice. Upon satisfaction of the applicable conditions set forth in Section 4.02 (and if such Borrowing is the initial Credit Extension, Section 4.01), the Administrative Agent shall make all funds so received available to the Borrower in like funds as received by the Administrative Agent either by (i) crediting the account of the Borrower on the books of the Administrative Agent with the amount of such funds or (ii) wire transfer of such funds, in each case in accordance with instructions provided to (and reasonably acceptable to) the Administrative Agent by the Borrower; *provided* that if, on the date the Committed Loan Notice with respect to such Borrowing is given by the Borrower, there are Swing Line Loans or L/C Borrowings outstanding, then the proceeds of such Borrowing shall be applied, first, to the payment in full of any such L/C Borrowings, second, to the payment in full of any such Swing Line Loans, and third, to the Borrower as provided above.

(c) Except as otherwise provided herein, a Eurocurrency Rate Loan may be continued or converted only on the last day of an Interest Period for such Eurocurrency Rate Loan unless the Borrower pays the amount due, if any, under Section 3.05 in connection therewith. During the existence of an Event of Default, the Administrative Agent or the Required Lenders may require that no Loans may be converted to or continued as Eurocurrency Rate Loans.

(d) The Administrative Agent shall promptly notify the Borrower and the Lenders of the interest rate applicable to any Interest Period for Eurocurrency Rate Loans upon determination of such interest rate. The determination of the Eurocurrency Rate by the Administrative Agent shall be conclusive in the absence of manifest error. At any time that Base Rate Loans are outstanding, the Administrative Agent shall notify the Borrower and the Lenders of any change in the Administrative Agent's prime rate used in determining the Base Rate promptly following the public announcement of such change.

(e) After giving effect to all Borrowings, all conversions of Loans of a given Class from one Type to the other, and all continuations of Loans of a given Class as the same Type, there shall not be more than fifteen (15) Interest Periods in effect unless otherwise agreed between the Borrower and the Administrative Agent; *provided* that after the establishment of any new Class of Term Loans as permitted under this Agreement, the number of Interest Periods otherwise permitted by this Section 2.02(e) shall increase by three (3) for each applicable Class so established.

(f) The failure of any Lender to make the Loan to be made by it as part of any Borrowing shall not relieve any other Lender of its obligation, if any, hereunder to make its Loan on the date of such Borrowing, but no Lender shall be responsible for the failure of any other Lender to make the Loan to be made by such other Lender on the date of any Borrowing.

(g) Unless the Administrative Agent shall have received notice from a Lender prior to the date of any Borrowing that such Lender will not make available to the

Administrative Agent such Lender's portion of such Borrowing, the Administrative Agent may assume that such Lender has made such portion available to the Administrative Agent on the date of such Borrowing in accordance with paragraph (b) above, and the Administrative Agent may, in reliance upon such assumption, make available to the Borrower on such date a corresponding amount. If the Administrative Agent shall have so made funds available, then, to the extent that such Lender shall not have made such portion available to the Administrative Agent, each of such Lender and the Borrower severally agrees to repay to the Administrative Agent forthwith on demand such corresponding amount together with interest thereon, for each day from the date such amount is made available to the Borrower until the date such amount is repaid to the Administrative Agent at (i) in the case of the Borrower, the interest rate applicable at the time to the Loans comprising such Borrowing and (ii) in the case of such Lender, the greater of the Federal Funds Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation. A certificate of the Administrative Agent submitted to any Lender with respect to any amounts owing under this Section 2.02(g) shall be conclusive in the absence of manifest error. If such Lender's portion of such Borrowing is not made available to the Administrative Agent by such Lender within three Business Days after such the date of such Borrowing, the Administrative Agent shall also be entitled to recover such amount with interest thereon accruing from the date on which the Administrative Agent made the funds available to the Borrower at the rate per annum applicable to Base Rate Loans under the relevant Facility, on demand, from the Borrower. If such Lender shall repay to the Administrative Agent such corresponding amount, such amount shall constitute such Lender's Loan as part of such Borrowing for purposes of this Agreement, and the Borrower's obligation to repay the Administrative Agent such corresponding amount pursuant to this Section 2.02(g) shall cease.

SECTION 2.03 Letters of Credit.

(a) *The Letter of Credit Commitments*.

(i) Subject to the terms and conditions set forth herein, (A) each L/C Issuer agrees, in reliance upon the agreements of the other Revolving Credit Lenders set forth in this Section 2.03, (1) (x) from time to time on any Business Day during the period from the Closing Date until the Letter of Credit Expiration Date, in the case of any L/C Issuer other than Deutsche Bank, to issue Letters of Credit denominated in Dollars or any Alternative Currency, Singapore Dollars, HK Dollars, Danish Kroner or Norwegian Kroner, or any other freely tradable foreign currency reasonably requested by the Borrower from time to time and in which an L/C Issuer may, in accordance with its policies and procedures in effect at such time, issue Letters of Credit, for the account of the Borrower (*provided* that any Letter of Credit may be for the benefit of any Subsidiary of the Borrower or any Business Successor (so long as the Borrower is the applicant or co-applicant therefor and subject to compliance with Section 7.02)) and (y) from time to time on any Business Day during the period from the Closing Date until the Letter of Credit Expiration Date (except in the case of Existing Letters of Credit, from the Closing Date until the date that is forty-five (45) days after the Closing Date), to amend or renew Letters of Credit previously issued by it, in accordance with Section 2.03(b) (*provided* that no such amendment or renewal of an Existing Letter of Credit may increase the stated amount thereof), and (2) to honor drafts under the Letters of Credit and (B) the

Within the foregoing limits, and subject to the terms and conditions hereof, the Borrower's ability to obtain Letters of Credit shall be fully revolving, and accordingly the Borrower may, during the foregoing period, obtain Letters of Credit to replace Letters of Credit that have expired or that have been drawn upon and reimbursed. All Letters of Credit shall be issued on "sight-basis" only which, for the avoidance of doubt, means that any Letter of Credit shall be honored for payment by the relevant L/C Issuer at the time the Letter of Credit is presented for payment and not at a later date or time.

(ii) An L/C Issuer shall be under no obligation to issue any Letter of Credit if:

(A) any order, judgment or decree of any Governmental Authority or arbitrator shall by its terms purport to enjoin or restrain such L/C Issuer from issuing such Letter of Credit, or any Law applicable to such L/C Issuer or any directive (whether or not having the force of law) from any Governmental Authority with jurisdiction over such L/C Issuer shall prohibit, or direct that such L/C Issuer refrain from, the issuance of letters of credit generally or such Letter of Credit in particular or shall impose upon such L/C Issuer with respect to such Letter of Credit any restriction, reserve or capital requirement (for which such L/C Issuer is not otherwise compensated hereunder) not in effect on the Closing Date, or shall impose upon such L/C Issuer any unreimbursed loss, cost or expense which was not applicable on the Closing Date (for which such L/C Issuer is not otherwise compensated hereunder);

(B) subject to Section 2.03(b)(iii), the expiry date of such requested Letter of Credit (other than the Letters of Credit listed on Schedule 2.03(a)(ii)(B)) would occur more than twelve months after the date of issuance or last renewal, unless otherwise agreed by the L/C Issuer and the Administrative Agent;

(C) the expiry date of such requested Letter of Credit would occur after the applicable Letter of Credit Expiration Date, unless (x) all the Revolving Credit Lenders have approved such expiry date or (y) the Outstanding Amount of the L/C Obligations in respect of such requested Letter of Credit has been Cash Collateralized in an amount equal to at least 101% of the Outstanding Amount of such L/C Obligations;

(D) the issuance of such Letter of Credit would violate any Laws binding upon such L/C Issuer and/or the issuance of such Letters of Credit would violate any policies of the L/C Issuer applicable to Letters of Credit generally; or

(E) any Revolving Credit Lender, as applicable, is a Defaulting Lender at such time, unless such L/C Issuer has entered into arrangements reasonably satisfactory to it and the Borrower to eliminate such L/C Issuer's risk with respect to the participation in Letters of Credit by such Defaulting Lender, including by cash collateralizing such Defaulting Lender's Pro Rata Share of the L/C Obligations.

(iii) An L/C Issuer shall be under no obligation to amend any Letter of Credit if (A) such L/C Issuer would have no obligation at such time to issue such Letter of Credit in its amended form under the terms hereof, or (B) the beneficiary of such Letter of Credit does not accept the proposed amendment to such Letter of Credit.

(b) *Procedures for Issuance and Amendment of Letters of Credit; Auto-Renewal Letters of Credit*.

Such Letter of Credit Application must be received by the relevant L/C Issuer and the Administrative Agent not later than 12:00 p.m. at least three (3) Business Days prior to the proposed issuance date or date of amendment, as the case may be; or, in each case, such later date and time as the relevant L/C Issuer may agree in a particular instance in its sole discretion. In the case of a request for an initial issuance of a Letter of Credit, such Letter of Credit Application shall specify in form and detail reasonably satisfactory to the relevant L/C Issuer: (a) the proposed issuance date of the requested Letter of Credit (which shall be a Business Day); (b) the amount thereof; (c) the expiry date thereof; (d) the name and address of the beneficiary thereof; (e) the documents to be presented by such beneficiary in case of any drawing thereunder; (f) the full text of any certificate to be presented by such beneficiary in case of any drawing thereunder; (g) the currency in which the requested Letter of Credit will be denominated; and (h) such other matters as the relevant L/C Issuer may reasonably request. In the case of a request for an amendment of any outstanding Letter of Credit, such Letter of Credit Application shall specify in form and detail reasonably satisfactory to the relevant L/C Issuer (1) the Letter of Credit to be amended; (2) the proposed date of amendment thereof (which shall be a Business Day); (3) the nature of the proposed amendment; and (4) such other matters as the relevant L/C Issuer may reasonably request.

(ii) Promptly after receipt of any Letter of Credit Application, the relevant L/C Issuer will confirm with the Administrative Agent (by telephone or in writing) that the Administrative Agent has received a copy of such Letter of Credit Application from the Borrower and, if not, such L/C Issuer will provide the Administrative Agent with a copy thereof. Upon receipt by the relevant L/C Issuer of confirmation from the Administrative

Agent that the requested issuance or amendment is permitted in accordance with the terms hereof, then, subject to the terms and conditions hereof, such L/C Issuer shall, on the requested date, issue a Letter of Credit for the account of the Borrower (*provided* that any Letter of Credit may be for the benefit of any Subsidiary of the Borrower or any Business Successor (so long as the Borrower is the applicant or co-applicant therefor and subject to compliance with Section 7.02)) or enter into the applicable amendment, as the case may be. Immediately upon the issuance of (each Letter of Credit, each Revolving Credit Lender shall be deemed to, and hereby irrevocably and unconditionally agrees to, acquire from the relevant L/C Issuer a risk participation in such Letter of Credit in an amount equal to the product of such Revolving Credit Lender's Pro Rata Share times the amount of such Letter of Credit.

(iii) If the Borrower so requests in any applicable Letter of Credit Application, the relevant L/C Issuer shall agree to issue a Letter of Credit that has automatic renewal provisions (each, an "**Auto-Renewal Letter of Credit**"); *provided* that any such Auto-Renewal Letter of Credit must permit the relevant L/C Issuer to prevent any such renewal at least once in each twelve-month period (commencing with the date of issuance of such Letter of Credit) by giving prior notice to the beneficiary thereof not later than a day (the "**Non-Extension Notice Date**") in each such twelve-month period to be agreed upon at the time such Letter of Credit is issued. Unless otherwise directed by the relevant L/C Issuer, the Borrower shall not be required to make a specific request to the relevant L/C Issuer for any such renewal. Once an Auto-Renewal Letter of Credit has been issued, the applicable Lenders shall be deemed to have authorized (but may not require) the relevant L/C Issuer to permit the renewal of such Letter of Credit at any time to an expiry date not later than the applicable Letter of Credit Expiration Date; *provided* that the relevant L/C Issuer shall not permit any such renewal if (A) the relevant L/C Issuer has determined that it would have no obligation at such time to issue such Letter of Credit in its renewed form under the terms hereof (by reason of the provisions of Section 2.03(a) or otherwise), or (B) it has received notice (which may be by telephone or in writing) on or before the day that is five (5) Business Days before the Non-Extension Notice Date from the Administrative Agent or any Revolving Credit Lender, as applicable, or the Borrower that one or more of the applicable conditions specified in Section 4.02 is not then satisfied.

(iv) Promptly after its delivery of any Letter of Credit or any amendment to a Letter of Credit to an advising bank with respect thereto or to the beneficiary thereof, the relevant L/C Issuer will also deliver to the Borrower and the Administrative Agent a true and complete copy of such Letter of Credit or amendment.

(c) *Drawings and Reimbursements; Funding of Participations*.

(i) Upon receipt from the beneficiary of any Letter of Credit of any notice of a drawing under such Letter of Credit, the relevant L/C Issuer shall notify promptly the Borrower and the Administrative Agent thereof. No later than one Business Day following (x) the Business Day on which the Borrower shall have received notice of any payment by an L/C Issuer under a Letter of Credit or (y) if the Borrower shall have received such notice later than 10:00 a.m. on any Business Day, the immediately

following Business Day (each such date, a "**Required Reimbursement Date**"), the Borrower shall reimburse such L/C Issuer through the Administrative Agent in an amount equal to the amount of such drawing in Dollars, together with interest on the amount so paid or disbursed by such L/C Issuer, to the extent not reimbursed on the date of such payment of disbursement. Notwithstanding the foregoing, if on the date of any drawing on any Letter of Credit, a Default exists with respect to the Borrower under Section 9.01(f) or (g), the Required Reimbursement Date in respect of such Letter of Credit shall be the Business Day following such drawing without the requirement that any notice be delivered to the Borrower. If the Borrower fails to so reimburse such L/C Issuer by such time, the Administrative Agent shall promptly notify each Appropriate Lender of the Required Reimbursement Date, the amount of the unreimbursed drawing (expressed in Dollars in the Dollar Amount thereof in the case of an Alternative Currency) (the "**Unreimbursed Amount**"), and the amount of such Appropriate Lender's Pro Rata Share thereof. In such event, the Borrower shall be deemed to have requested a Revolving Credit Borrowing of Eurocurrency Rate Loans (or Base Rate Loans in the case of a Letter of Credit denominated in Dollars), in each case to be disbursed on the Required Reimbursement Date in an amount equal to the Unreimbursed Amount, without regard to the minimum and multiples specified in Section 2.02 for the principal amount of Eurocurrency Rate Loans or Base Rate Loans, but subject to the amount of the unutilized portion of the Revolving Credit Commitments of the Appropriate Lenders and subject to the conditions set forth in Section 4.02 (other than the delivery of a Committed Loan Notice). Any notice given by an L/C Issuer or the Administrative Agent pursuant to this Section 2.03(c)(i) may be given by telephone if immediately confirmed in writing; *provided* that the lack of such an immediate confirmation shall not affect the conclusiveness or binding effect of such notice.

(ii) Each Revolving Credit Lender (including any such Lender acting as an L/C Issuer) shall upon any notice pursuant to Section 2.03(c)(i) make funds available to the Administrative Agent for the account of the relevant L/C Issuer at the Administrative Agent's Office for payments in an amount equal to its Pro Rata Share of any Unreimbursed Amount in respect of a Letter of Credit not later than 1:00 p.m. on the Business Day specified in such notice by the Administrative Agent, whereupon, subject to the provisions of Section 2.03(c)(iii), each Revolving Credit Lender that so makes funds available shall be deemed to have made a Revolving Credit Loan in the form of a Eurocurrency Rate Loan (or Base Rate Loan in the case of a Letter of Credit denominated in Dollars) to the Borrower in such amount. The Administrative Agent shall remit the funds so received to the relevant L/C Issuer.

(iii) With respect to any Unreimbursed Amount in respect of a Letter of Credit that is not fully refinanced by a Revolving Credit Borrowing of Eurocurrency Rate Loans (or Base Rate Loans in the case of a Letter of Credit denominated in Dollars) because the conditions set forth in Section 4.02 cannot be satisfied or for any other reason, the Borrower shall be deemed to have incurred from the relevant L/C Issuer an L/C Borrowing in the amount of the Unreimbursed Amount that is not so refinanced, which L/C Borrowing shall be due and payable on demand (together with interest) and shall bear interest at the Default Rate. In such event, each Revolving Credit Lender's payment to the Administrative Agent for the account of the relevant L/C Issuer pursuant to

Section 2.03(c)(ii) shall be deemed payment in respect of its participation in such L/C Borrowing and shall constitute an L/C Advance from such Lender in satisfaction of its participation obligation under this Section 2.03.

(iv) Until each Revolving Credit Lender funds its Revolving Credit Loan or L/C Advance pursuant to this Section 2.03(c) to reimburse the relevant L/C Issuer for any amount drawn under any Letter of Credit, interest in respect of such Lender's Pro Rata Share of such amount shall be solely for the account of the relevant L/C Issuer.

(v) Each Revolving Credit Lender's obligation to make Revolving Credit Loans or L/C Advances to reimburse an L/C Issuer for amounts drawn under Letters of Credit, as contemplated by this Section 2.03(c), shall be absolute and unconditional and shall not be affected by any circumstance, including (A) any setoff, counterclaim, recoupment, defense or other right which such Lender may have against the relevant L/C Issuer, the Borrower or any other Person for any reason whatsoever; (B) the occurrence or continuance of a Default; or (C) any other occurrence, event or condition, whether or not similar to any of the foregoing; *provided* that, each Revolving Credit Lender's obligation to make Revolving Credit Loans pursuant to this Section 2.03(c) is subject to the conditions set forth in Section 4.02 (other than delivery by the Borrower of a Committed Loan Notice). No such making of an L/C Advance shall relieve or otherwise impair the obligation of the Borrower to reimburse the relevant L/C Issuer for the amount of any payment made by such L/C Issuer under any Letter of Credit, together with interest as provided herein.

(vi) If any Revolving Credit Lender fails to make available to the Administrative Agent for the account of the relevant L/C Issuer any amount required to be paid by such Lender pursuant to the foregoing provisions of this Section 2.03(c) by the time specified in Section 2.03(c)(ii), such L/C Issuer shall be entitled to recover from such Lender (acting through the Administrative Agent), on demand, such amount with interest thereon for the period from the date such payment is required to the date on which such payment is immediately available to such L/C Issuer at a rate per annum equal to the applicable Overnight Rate from time to time in effect. A certificate of the relevant L/C Issuer submitted to any Revolving Credit Lender (through the Administrative Agent) with respect to any amounts owing under this Section 2.03(c)(vi) shall be conclusive absent manifest error.

(vii) If, at any time after an L/C Issuer has made a payment under any Letter of Credit and has received from any Revolving Credit Lender such Lender's L/C Advance in respect of such payment in accordance with this Section 2.03(c), the Administrative Agent receives for the account of such L/C Issuer any payment in respect of the related Unreimbursed Amount or interest thereon (whether directly from the Borrower or otherwise, including proceeds of Cash Collateral applied thereto by the Administrative Agent), the Administrative Agent will distribute to such Lender its Pro Rata Share thereof (appropriately adjusted, in the case of interest payments, to reflect the period of time during which such Lender's L/C Advance was outstanding) in the same funds as those received by the Administrative Agent.

(viii) If any payment received by the Administrative Agent for the account of an L/C Issuer pursuant to Section 2.03(c)(i) is required to be returned under any of the circumstances described in Section 11.06 (including pursuant to any settlement entered into by such L/C Issuer in its discretion), each Revolving Credit Lender shall pay to the Administrative Agent for the account of such L/C Issuer its Pro Rata Share thereof on demand of the Administrative Agent, plus interest thereon from the date of such demand to the date such amount is returned by such Lender, at a rate per annum equal to the Federal Funds Rate from time to time in effect.

(d) *Obligations Absolute*. The Borrower's obligation to reimburse the relevant L/C Issuer for each drawing under each Letter of Credit issued by it and to repay each L/C Borrowing shall be absolute, unconditional and irrevocable, and shall be paid strictly in accordance with the terms of this Agreement under all circumstances, including the following:

(i) any lack of validity or enforceability of such Letter of Credit, this Agreement, or any other agreement or instrument relating thereto;

(ii) the existence of any claim, counterclaim, setoff, defense or other right that any Loan Party may have at any time against any beneficiary or any transferee of such Letter of Credit (or any Person for whom any such beneficiary or any such transferee may be acting), the relevant L/C Issuer or any other Person, whether in connection with this Agreement, the transactions contemplated hereby or by such Letter of Credit or any agreement or instrument relating thereto, or any unrelated transaction;

(iii) any draft, demand, certificate or other document presented under such Letter of Credit proving to be forged, fraudulent, invalid or insufficient in any respect or any statement therein being untrue or inaccurate in any respect; or any loss or delay in the transmission or otherwise of any document required in order to make a drawing under such Letter of Credit;

(iv) any payment by the relevant L/C Issuer under such Letter of Credit against presentation of a draft or certificate that does not strictly comply with the terms of such Letter of Credit; or any payment made by the relevant L/C Issuer under such Letter of Credit to any Person purporting to be a trustee in bankruptcy, debtor-in-possession, assignee for the benefit of creditors, liquidator, receiver or other representative of or successor to any beneficiary or any transferee of such Letter of Credit, including any arising in connection with any proceeding under any Debtor Relief Law;

(v) any exchange, release or nonperfection of any Collateral, or any release or amendment or waiver of or consent to departure from the Guaranty or any other guarantee, for all or any of the Obligations any Loan Party in respect of such Letter of Credit; or

(vi) any other circumstance or happening whatsoever, whether or not similar to any of the foregoing, including any other circumstance that might otherwise constitute a defense available to, or a discharge of, any Loan Party.

provided that the foregoing shall not excuse any L/C Issuer from liability to the Borrower to the extent of any direct damages (as opposed to consequential damages, claims in respect of which are waived by the Borrower to the extent permitted by applicable Law) suffered by the Borrower that are caused by acts or omissions by such L/C Issuer constituting gross negligence or willful misconduct when determining whether drafts and other documents presented under a Letter of Credit comply with the terms thereof on the part of such L/C Issuer.

(e) *Role of L/C Issuers*. Each Lender and the Borrower agree that, in paying any drawing under a Letter of Credit, the relevant L/C Issuer shall not have any responsibility to obtain any document (other than any sight draft, certificates and documents expressly required by the Letter of Credit) or to ascertain or inquire as to the validity or accuracy of any such document or the authority of the Person executing or delivering any such document. None of the L/C Issuers, any Agent-Related Person nor any of the respective correspondents, participants or assignees of any L/C Issuer shall be liable to any Lender for (i) any action taken or omitted in connection herewith at the request or with the approval of the Lenders or the Required Lenders, as applicable; (ii) any action taken or omitted in the absence of gross negligence or willful misconduct; or (iii) the due execution, effectiveness, validity or enforceability of any document or instrument related to any Letter of Credit or Letter of Credit Application. The Borrower hereby assumes all risks of the acts or omissions of any beneficiary or transferee with respect to its use of any Letter of Credit; *provided* that this assumption is not intended to, and shall not, preclude the Borrower's pursuing such rights and remedies as it may have against the beneficiary or transferee at law or under any other agreement. None of the L/C Issuers, any Agent-Related Person, nor any of the respective correspondents, participants or assignees of any L/C Issuer, shall be liable or responsible for any of the matters described in clauses (i) through (vi) of Section 2.03(d) or clauses (i) through (iii) of this Section 2.03(e); *provided* that anything in such clauses to the contrary notwithstanding, the Borrower may have a claim against an L/C Issuer, and such L/C Issuer may be liable to the Borrower, to the extent, but only to the extent, of any direct, as opposed to consequential or exemplary, damages suffered by the Borrower that were caused by such L/C Issuer's willful misconduct or gross negligence or such L/C Issuer's willful or grossly negligent failure to pay under any Letter of Credit after the presentation to it by the beneficiary of a sight draft and certificate(s) strictly complying with the terms and conditions of a Letter of Credit. In furtherance and not in limitation of the foregoing, each L/C Issuer may accept documents that appear on their face to be in order, without responsibility for further investigation, regardless of any notice or information to the contrary, and no L/C Issuer shall be responsible for the validity or sufficiency of any instrument transferring or assigning or purporting to transfer or assign a Letter of Credit or the rights or benefits thereunder or proceeds thereof, in whole or in part, which may prove to be invalid or ineffective for any reason.

(f) *Cash Collateral*. If (i) any Event of Default occurs and is continuing and the Required Lenders or the Required Revolving Credit Lenders, as the case may be, require the Borrower to Cash Collateralize its L/C Obligations pursuant to Section 9.02(a) or (ii) an Event of Default set forth under Section 9.01(f) occurs and is continuing, then the Borrower shall Cash Collateralize the then Outstanding Amount of all L/C Obligations (in an amount equal to such Outstanding Amount determined as of the date of such Event of Default), and shall do so not later than 2:00 p.m. New York City time on (x) in the case of the immediately preceding clause (i), (1) the Business Day that the Borrower receives notice thereof, if such notice is received on such day prior to 12:00 Noon New York City time or (2) if clause (1) above does not apply, the

Business Day immediately following the day that the Borrower receives such notice and (y) in the case of the immediately preceding clause (ii), the Business Day on which an Event of Default set forth under Section 9.01(f) occurs or, if such day is not a Business Day, the Business Day immediately succeeding such day. For purposes hereof, "**Cash Collateralize**" means to pledge and deposit with or deliver to the Administrative Agent, for the benefit of the relevant L/C Issuer and the Revolving Credit Lenders, as collateral for the L/C Obligations, cash or deposit account balances in the respective currency or currencies in which the applicable L/C Obligations are denominated ("**Cash Collateral**") pursuant to documentation in form and substance reasonably satisfactory to the Administrative Agent and the relevant L/C Issuer (which documents are hereby consented to by the Revolving Credit Lenders). Derivatives of such term have corresponding meanings. The Borrower hereby grants to the Administrative Agent, for the benefit of the L/C Issuers and the Revolving Credit Lenders, a security interest in all such cash, deposit accounts and all balances therein and all proceeds of the foregoing. Cash Collateral shall be maintained in blocked accounts at the Administrative Agent and may be invested in readily available Cash Equivalents. If at any time the Administrative Agent determines that any funds held as Cash Collateral are subject to any right or claim of any Person other than the Administrative Agent (on behalf of the Secured Parties) or that the total amount of such funds is less than the aggregate Outstanding Amount of all L/C Obligations, the Borrower will, forthwith upon demand by the Administrative Agent, pay to the Administrative Agent, as additional funds to be deposited and held in the deposit accounts at the Administrative Agent as aforesaid, an amount equal to the excess of (a) such aggregate Outstanding Amount over (b) the total amount of funds, if any, then held as Cash Collateral that the Administrative Agent reasonably determines to be free and clear of any such right and claim. Upon the drawing of any Letter of Credit for which funds are on deposit as Cash Collateral, such funds shall be applied, to the extent permitted under applicable Law, to reimburse the relevant L/C Issuer. To the extent the amount of any Cash Collateral exceeds the then Outstanding Amount of such L/C Obligations and so long as no Event of Default has occurred and is continuing, the excess shall be refunded to the Borrower. To the extent any Event of Default giving rise to the requirement to Cash Collateralize any Letter of Credit pursuant to this Section 2.03(f) is cured or otherwise waived by the Required Lenders or the Required Revolving Credit Lenders, as the case may be, then so long as no other Event of Default has occurred and is then occurring and continuing, the amount of any Cash Collateral pledged to Cash Collateralize such Letter of Credit shall be refunded to the Borrower.

(g) *Applicability of ISP and UCP*. Unless otherwise expressly agreed by the relevant L/C Issuer and the Borrower when a Letter of Credit is issued, (i) the rules of the ISP shall apply to each standby Letter of Credit, and (ii) the rules of the UCP shall apply to each commercial Letter of Credit.

(h) *Letter of Credit Fees*. The Borrower shall pay to the Administrative Agent (i) for the account of each Revolving Credit Lender in accordance with its Pro Rata Share a Letter of Credit fee for each Letter of Credit issued pursuant to this Agreement equal to the Applicable Rate times the daily maximum amount then available to be drawn under such Letter of Credit (whether or not (1) such maximum amount is then in effect under such Letter of Credit, if such maximum amount increases periodically pursuant to the terms of such Letter of Credit or (2) the conditions to drawing under such Letter of Credit can then be satisfied) less the fronting fee paid with respect to such Letter of Credit under Section 2.03(i) below. Such letter of credit

fees shall be computed on a quarterly basis in arrears. Such letter of credit fees shall be due and payable in Dollars on the first Business Day after the end of each March, June, September and December, commencing with the first such date to occur after the issuance of such Letter of Credit, on any relevant Maturity Date (for any applicable Revolving Credit Commitments then expiring) or the Letter of Credit Expiration Date and thereafter on demand. If there is any change in the Applicable Rate during any quarter, the daily maximum amount of each Letter of Credit shall be computed and multiplied by the Applicable Rate separately for each period during such quarter that such Applicable Rate was in effect.

(i) *Fronting Fee and Documentary and Processing Charges Payable to L/C Issuers*. The Borrower shall pay directly to each L/C Issuer for its own account a fronting fee with respect to each Letter of Credit issued by it equal to 0.125% per annum of the daily maximum amount then available to be drawn under such Letter of Credit (whether or not (1) such maximum amount is then in effect under such Letter of Credit, if such maximum amount increases periodically pursuant to the terms of such Letter of Credit or (2) the conditions to drawing under such Letter of Credit can then be satisfied); *provided* that in no event shall the annual amount of fronting fees payable with respect to any Letter of Credit be less than $500. Such fronting fees shall be computed on a quarterly basis in arrears. Such fronting fees shall be due and payable on the first Business Day after the end of each March, June, September and December, commencing with the first such date to occur after the issuance of such Letter of Credit, on the Letter of Credit Expiration Date and thereafter on demand. In addition, the Borrower shall pay directly to each L/C Issuer for its own account the customary issuance, presentation, amendment and other processing fees, and other standard costs and charges, of such L/C Issuer relating to letters of credit as from time to time in effect. Such customary fees and standard costs and charges are due and payable within ten (10) Business Days of demand and are nonrefundable.

(j) *Conflict with Letter of Credit Application*. Notwithstanding anything else to the contrary in this Agreement, in the event of any conflict between the terms hereof and the terms of any Letter of Credit Application, the terms hereof shall control.

(k) *Addition of an L/C Issuer*. A Revolving Credit Lender may become an additional L/C Issuer hereunder pursuant to a written agreement among the Borrower, the Administrative Agent and such Revolving Credit Lender. The Administrative Agent shall notify the Revolving Credit Lenders under the applicable Facility of any additional L/C Issuer under such Facility.

(l) *Multiple Classes of Revolving Credit Commitments*. If the Maturity Date in respect of any Class of Revolving Credit Commitments occurs prior to the expiration of any Letter of Credit, then (i) if one or more other Classes of Revolving Credit Commitments in respect of which the Maturity Date shall not have occurred are then in effect, such Letters of Credit shall automatically be deemed to have been issued (including for purposes of the obligations of the Revolving Credit Lenders to purchase participations therein and to make Revolving Credit Loans and payments in respect thereof pursuant to Section 2.03(c)) under (and ratably participated in by Lenders pursuant to) the Revolving Credit Commitments in respect of such non-terminating Revolving Credit Commitments up to an aggregate amount not to exceed the aggregate amount of the unutilized Revolving Credit Commitments thereunder at such time

(it being understood that no partial face amount of any Letter of Credit may be so reallocated) and (ii) to the extent not reallocated pursuant to immediately preceding clause (i), the Borrower shall Cash Collateralize any such Letter of Credit in accordance with Section 2.03(f).

(m) *Existing Letters of Credit*. The Borrower has provided to the Administrative Agent and the L/C Issuers a list of letters of credit that were originally issued by Deutsche Bank pursuant to the Original Credit Agreement and which remain outstanding on the Closing Date (the "**Existing Letters of Credit**") (and setting forth, with respect to each such letter of credit, (i) the name of the issuing lender, (ii) the letter of credit number, (iii) the name(s) of the account party or account parties, (iv) the stated amount, (v) the currency in which the letter of credit is denominated, (vi) the name of the beneficiary, (vii) the expiry date and (viii) whether such letter of credit constitutes a standby letter of credit or a commercial letter of credit). Each Existing Letter of Credit which remains outstanding on the Closing Date, including any extension or renewal thereof in accordance with Section 2.03(a)(i), shall constitute a Letter of Credit for all purposes of this Agreement and shall be deemed issued on the Closing Date for the account of the Borrower.

SECTION 2.04 Swing Line Loans.

(a) *The Swing Line*.

(i) Subject to the terms and conditions set forth herein, the Swing Line Lender agrees to make loans in Dollars (each such loan, a "**Swing Line Loan**") to the Borrower from time to time on any Business Day (other than the Closing Date) until the latest Maturity Date applicable to any Revolving Credit Facility as of the date the Swing Line Loan is drawn, in an aggregate amount not to exceed at any time outstanding the amount of the Swing Line Sublimit, notwithstanding the fact that such Swing Line Loans, when aggregated with the Pro Rata Share of the Outstanding Amount of Revolving Credit Loans and L/C Obligations of the Lender acting as Swing Line Lender, may exceed the amount of such Lender's Revolving Credit Commitment; *provided* that, (i) after giving effect to any Swing Line Loan, the aggregate Outstanding Amount of the Revolving Credit Loans of any Lender, plus such Lender's Pro Rata Share of the Outstanding Amount of all L/C Obligations plus such Lender's Pro Rata Share of the Outstanding Amount of all Swing Line Loans shall not exceed such Lender's Revolving Credit Commitment then in effect, and (ii) notwithstanding the foregoing, the Swing Line Lender shall not be obligated to make any Swing Line Loans at a time when a Revolving Credit Lender is a Defaulting Lender, unless the Swing Line Lender has entered into arrangements reasonably satisfactory to it and the Borrower to eliminate the Swing Line Lender's risk with respect to the Defaulting Lender's participation in such Swing Line Loans, including by Cash Collateralizing such Defaulting Lender's Pro Rata Share of the outstanding amount of Swing Line Loans; *provided, further* that, the Borrower shall not use the proceeds of any Swing Line Loan to refinance any outstanding Swing Line Loan. Within the foregoing limits, and subject to the other terms and conditions hereof, the Borrower may borrow under this Section 2.04, prepay under Section 2.05, and reborrow under this Section 2.04. Each Swing Line Loan shall be a Base Rate Loan. Swing Line Loans shall only be denominated in Dollars. Immediately upon the making of a Swing Line Loan, each Revolving Credit Lender shall be deemed to, and hereby irrevocably and

unconditionally agrees to, purchase from the Swing Line Lender a risk participation in such Swing Line Loan in an amount equal to the product of such Lender's Pro Rata Share times the amount of such Swing Line Loan.

(ii) If the Maturity Date shall have occurred in respect of any Class of Revolving Credit Commitments at a time when another Class of Revolving Credit Commitments is in effect with a later Maturity Date, then on the earliest occurring Maturity Date all then outstanding Swing Line Loans shall be repaid in full on such date (and there shall be no adjustment to the participations in such Swing Line Loans as a result of the occurrence of such Maturity Date); *provided*, *however*, that if on the occurrence of such earliest Maturity Date (after giving effect to any repayments of Revolving Credit Loans and any reallocation of Letter of Credit participations as contemplated in Section 2.03(l)), there shall exist sufficient unutilized Revolving Credit Commitments so that the respective outstanding Swing Line Loans could be incurred pursuant the Revolving Credit Commitments that will remain in effect after the occurrence of such Maturity Date, then there shall be an automatic adjustment on such date of the participations in such Swing Line Loans and same shall be deemed to have been incurred solely pursuant to the relevant Revolving Credit Commitments that will remain in effect, and such Swing Line Loans shall not be so required to be repaid in full on such earliest Maturity Date.

(b) *Borrowing Procedures*. Each Swing Line Borrowing shall be made upon the Borrower's irrevocable notice to the Swing Line Lender and the Administrative Agent, which may be given by telephone. Each such notice must be received by the Swing Line Lender and the Administrative Agent not later than 1:00 p.m. on the requested borrowing date, and shall specify (i) the amount to be borrowed, which shall be a minimum of $100,000 (and any amount in excess of $100,000 shall be an integral multiple of $25,000) and (ii) the requested borrowing date, which shall be a Business Day. Each such telephonic notice must be confirmed promptly by delivery to the Swing Line Lender and the Administrative Agent of a written Swing Line Loan Notice, appropriately completed and signed by a Responsible Officer of the Borrower. Promptly after receipt by the Swing Line Lender of any telephonic Swing Line Loan Notice, the Swing Line Lender will confirm with the Administrative Agent (by telephone or in writing) that the Administrative Agent has also received such Swing Line Loan Notice and, if not, the Swing Line Lender will notify the Administrative Agent (by telephone or in writing) of the contents thereof. Unless the Swing Line Lender has received notice (by telephone or in writing) from the Administrative Agent (including at the request of any Revolving Credit Lender) prior to 2:00 p.m. on the date of the proposed Swing Line Borrowing (A) directing the Swing Line Lender not to make such Swing Line Loan as a result of the limitations set forth in the first proviso to the first sentence of Section 2.04(a) or (B) that one or more of the applicable conditions specified in Section 4.02 is not then satisfied, then, subject to the terms and conditions hereof, the Swing Line Lender will, not later than 3:00 p.m. on the borrowing date specified in such Swing Line Loan Notice, make the amount of its Swing Line Loan available to the Borrower.

(c) *Refinancing of Swing Line Loans.*

(i) The Swing Line Lender at any time in its sole and absolute discretion may request, on behalf of the Borrower (who hereby irrevocably authorizes the applicable Swing Line Lender to so request on its behalf), that each Revolving Credit Lender make a Revolving Credit Loan in the form of a Base Rate Loan in an amount equal to such Lender's Pro Rata Share of the amount of Swing Line Loans then outstanding. Such request shall be made in writing (which written request shall be deemed to be a Committed Loan Notice for purposes hereof) and in accordance with the requirements of Section 2.02, without regard to the minimum and multiples specified therein for the principal amount of Base Rate Loans but subject to the unutilized portion of the aggregate Revolving Credit Commitments and the conditions set forth in Section 4.02. The Swing Line Lender shall furnish the Borrower with a copy of the applicable Committed Loan Notice promptly after delivering such notice to the Administrative Agent. Each Revolving Credit Lender shall make an amount equal to its Pro Rata Share of the amount specified in such Committed Loan Notice available to the Administrative Agent in Same Day Funds for the account of the Swing Line Lender at the Administrative Agent's Office not later than 1:00 p.m. on the day specified in such Committed Loan Notice, whereupon, subject to Section 2.04(c)(ii), each Revolving Credit Lender that so makes funds available shall be deemed to have made a Base Rate Loan to the Borrower in such amount. The Administrative Agent shall remit the funds so received to the Swing Line Lender.

(ii) If for any reason any Swing Line Loan cannot be refinanced by such a Revolving Credit Borrowing in accordance with Section 2.04(c)(i), the request for Base Rate Loans submitted by the Swing Line Lender as set forth herein shall be deemed to be a request by the Swing Line Lender that each of the Revolving Credit Lenders fund its risk participation in the Swing Line Loan and each Revolving Credit Lender's payment to the Administrative Agent for the account of the Swing Line Lender pursuant to Section 2.04(c)(i) shall be deemed payment in respect of such participation.

(iii) If any Revolving Credit Lender fails to make available to the Administrative Agent for the account of the Swing Line Lender any amount required to be paid by such Lender pursuant to the foregoing provisions of this Section 2.04(c) by the time specified in Section 2.04(c)(i), the Swing Line Lender shall be entitled to recover from such Lender (acting through the Administrative Agent), on demand, such amount with interest thereon for the period from the date such payment is required to the date on which such payment is immediately available to the Swing Line Lender at a rate per annum equal to the applicable Overnight Rate from time to time in effect. A certificate of the Swing Line Lender submitted to any Lender (through the Administrative Agent) with respect to any amounts owing under this clause (iii) shall be conclusive absent manifest error.

(iv) Each Revolving Credit Lender's obligation to make Revolving Credit Loans or to purchase and fund risk participations in Swing Line Loans pursuant to this Section 2.04(c) shall, subject to the express provisions of Section 2.06(e) (to the extent applicable), be absolute and unconditional and shall not be affected by any circumstance,

including (A) any setoff, counterclaim, recoupment, defense or other right which such Lender may have against the Swing Line Lender, the Borrower or any other Person for any reason whatsoever, (B) the occurrence or continuance of a Default, or (C) any other occurrence, event or condition, whether or not similar to any of the foregoing; *provided* that each Revolving Credit Lender's obligation to make Revolving Credit Loans (but not to purchase and fund risk participations in Swing Line Loans) pursuant to this Section 2.04(c) is subject to the conditions set forth in Section 4.02. No such funding of risk participations shall relieve or otherwise impair the obligation of the Borrower to repay Swing Line Loans, together with interest as provided herein.

(d) *Repayment of Participations*.

(i) At any time after any Revolving Credit Lender has purchased and funded a risk participation in a Swing Line Loan, if the Swing Line Lender receives any payment on account of such Swing Line Loan, the Swing Line Lender will distribute to such Lender its Pro Rata Share of such payment (appropriately adjusted, in the case of interest payments, to reflect the period of time during which such Lender's risk participation was funded) in the same funds as those received by the Swing Line Lender.

(ii) If any payment received by the Swing Line Lender in respect of principal or interest on any Swing Line Loan is required to be returned by the Swing Line Lender under any of the circumstances described in Section 11.06 (including pursuant to any settlement entered into by the Swing Line Lender in its discretion), each Revolving Credit Lender shall pay to the Swing Line Lender its Pro Rata Share thereof on demand of the Administrative Agent, plus interest thereon from the date of such demand to the date such amount is returned, at a rate per annum equal to the applicable Overnight Rate. The Administrative Agent will make such demand upon the request of the Swing Line Lender.

(e) *Interest for Account of Swing Line Lender*. The Swing Line Lender shall be responsible for invoicing the Borrower for interest on the Swing Line Loans. Until each Revolving Credit Lender funds its Base Rate Loan or risk participation pursuant to this Section 2.04 to refinance such Lender's Pro Rata Share of any Swing Line Loan, interest in respect of such Pro Rata Share shall be solely for the account of the Swing Line Lender.

(f) *Payments Directly to Swing Line Lender*. The Borrower shall make all payments of principal and interest in respect of its Swing Line Loans directly to the Swing Line Lender.

SECTION 2.05 Prepayments.

(a) *Optional*.

(i) *Term Loans; Revolving Credit Loans.* The Borrower may, upon irrevocable notice to the Administrative Agent, at any time or from time to time voluntarily prepay Term Loans of any Class and Revolving Credit Loans of any Class in whole or in part without premium or penalty (except as set forth in Section 2.05(c) below); *provided* that (1) such notice must be received by the Administrative Agent not

later than 12:00 p.m. (New York time) (A) two (2) Business Days prior to any date of prepayment of Eurocurrency Rate Loans denominated in Dollars, (B) three (3) Business Days prior to any date of prepayment of Eurocurrency Rate Loans denominated in an Alternative Currency and (C) on the date of prepayment of Base Rate Loans; (2) any prepayment of Eurocurrency Rate Loans shall be in a principal Dollar Amount of $2,500,000 or a whole multiple of the Dollar Amount of $500,000 in excess thereof in the case of Term Loans or Revolving Credit Loans; and (3) any prepayment of Base Rate Loans shall be in a minimum principal amount of $500,000 or a whole multiple of $100,000 in excess thereof or, in each case, if less, the entire principal amount thereof then outstanding (it being understood that Base Rate Loans shall be denominated in Dollars only). Each such notice shall specify the date and amount of such prepayment and the Class(es) and Type(s) of Loans to be prepaid and the payment amount specified in such notice shall be due and payable on the date specified therein. The Administrative Agent will promptly notify each Appropriate Lender of its receipt of each such notice, and of the amount of such Lender's Pro Rata Share of such prepayment. Any prepayment of a Eurocurrency Rate Loan shall be accompanied by all accrued interest thereon, together with any additional amounts required pursuant to Section 3.05. Each prepayment of principal of, and interest on, Revolving Credit Loans shall be made in Dollars or the relevant Alternative Currency, as applicable (even if the Borrower is required to convert currency to do so). Each prepayment of the Loans of a given Class pursuant to this Section 2.05(a) shall be paid to the Appropriate Lenders in accordance with their respective Pro Rata Shares.

(ii) *Swing Line Loans.* The Borrower may, upon notice to the Swing Line Lender (with a copy to the Administrative Agent), at any time or from time to time, voluntarily prepay Swing Line Loans in whole or in part without premium or penalty; *provided* that (1) such notice must be received by the Swing Line Lender and the Administrative Agent not later than 1:00 p.m. on the date of the prepayment, and (2) any such prepayment shall be in a minimum principal amount of $100,000 or a whole multiple of $100,000 in excess thereof or, if less, the entire principal amount thereof then outstanding. Each such notice shall specify the date and amount of such prepayment and the payment amount specified in such notice shall be due and payable on the date specified therein.

(iii) Notwithstanding anything to the contrary contained in this Agreement, any notice of prepayment of Term Loans or Revolving Credit Loans (unless denominated in an Alternative Currency) may state that it is conditioned on the occurrence or non-occurrence of any event specified therein (including the effectiveness of other credit facilities) and can be revoked if such condition is not satisfied.

(iv) Voluntary prepayments of Term Loans shall be applied to each Class of Term Loans at the discretion of the Borrower and within a Class of Term Loans to the remaining scheduled installments of principal of such Class of Term Loans thereof pursuant to Section 2.07(a) in a manner determined at the discretion of the Borrower (although in all cases on a pro rata basis to the respective Lenders of the relevant Class) and specified in the notice of prepayment; *provided* that, if the Borrower fails to give such notice at the time of such prepayment or in the event such notice fails to specify the

manner in which the respective prepayment of such Class of Term Loans shall be applied to repayments thereof required pursuant to Section 2.07(a), such prepayment of such Class of Term Loans shall be applied in direct order of maturity to repayments thereof required pursuant to Section 2.07(a). Notwithstanding the foregoing, the Borrower may not repay Extended Term Loans of any Class unless such prepayment is accompanied by a pro rata repayment of the Existing Term Loans from which such Extended Term Loans were converted (or such Existing Term Loans have otherwise been repaid in full).

(b) *Mandatory*.

(i) *Excess Cash Flow.* Within ten (10) Business Days after financial statements have been delivered pursuant to Section 6.01(a) and the related Compliance Certificate has been delivered pursuant to Section 6.02(a) (or, if later, after the date on which such financial statements and Compliance Certificate are required to be delivered), the Borrower shall offer to prepay, subject to clauses (vi) and (vii) of this Section 2.05(b), an aggregate principal amount of Term Loans equal to (A) 50% (such percentage as it may be reduced as described below, the "**ECF Percentage**") of Excess Cash Flow, if any, for the fiscal year covered by such financial statements (commencing with the fiscal year ended December 31, 2013) minus (B) the sum of (i) all voluntary prepayments of Term Loans during such fiscal year and (ii) all voluntary prepayments of Revolving Credit Loans during such fiscal year to the extent the Revolving Credit Commitments are permanently reduced by the amount of such payments, in the case of each of the immediately preceding clauses (i) and (ii), to the extent such prepayments are not funded with the proceeds of Indebtedness; *provided* that (x) the ECF Percentage shall be 25% if the Senior Secured First-Lien Net Leverage Ratio for the fiscal year covered by such financial statements was less than 4.0:1.0 and greater than or equal to 3.5:1.0 and (y) the ECF Percentage shall be 0% if the Senior Secured First-Lien Net Leverage Ratio for the fiscal year covered by such financial statements was less than 3.5:1.0.

(ii) *Dispositions and Casualty Events.*

If (1)(x) the Borrower or any of the Restricted Subsidiaries Disposes of any property or assets (other than any Disposition of any property or assets permitted by Section 7.05(a), (b), (c), (d), (e) (other than Section 7.05(e)(iii)), (f), (g), (j), (l), (n) and (o)) or (y) any Casualty Event occurs which results in the realization or receipt by the Borrower or such Restricted Subsidiary of Net Cash Proceeds and (2) the Senior Secured First-Lien Net Leverage Ratio for the Test Period immediately preceding such Disposition or Casualty Event is equal to greater than 4.0:1.0 (calculated on a Pro Forma Basis), the Borrower shall offer to prepay on or prior to the date which is ten (10) Business Days after the date of the realization or receipt of such Net Cash Proceeds, subject to clauses (v), (vi) and (vii) of this Section 2.05(b), an aggregate principal amount of Term Loans equal to 100% (such percentage as it may be reduced as described below, the "**Disposition Prepayment Percentage**") of all Net Cash Proceeds realized or received; *provided* that (x) the Disposition Prepayment Percentage shall be 50% if the Senior Secured First-Lien Net Leverage Ratio for the Test Period immediately preceding such Disposition or Casualty Event was less than 4.0:1.0 and greater

than or equal to 3.5:1.0 and (y) the Disposition Prepayment Percentage shall be 0% if the Senior Secured First-Lien Net Leverage Ratio for the Test Period immediately preceding such Disposition or Casualty Event was less than 3.5:1.0; *provided further* that no prepayment shall be required pursuant to this Section 2.05(b)(ii)(A) with respect to such portion of such Net Cash Proceeds that the Borrower shall have, on or prior to such date, given written notice to the Administrative Agent of its intent to reinvest in accordance with Section 2.05(b)(ii)(B) (which notice may be provided only if no Event of Default has occurred and is then continuing;

(A) With respect to any Net Cash Proceeds realized or received with respect to any Disposition (other than any Disposition specifically excluded from the application of Section 2.05(b)(ii)(A)) or any Casualty Event, at the option of the Borrower, the Borrower may reinvest all or any portion of such Net Cash Proceeds in assets useful for its business within (x) fifteen (15) months following receipt of such Net Cash Proceeds or (y) if the Borrower enters into a legally binding commitment to reinvest such Net Cash Proceeds within fifteen (15) months following receipt thereof, within the later of (1) fifteen (15) months following receipt thereof or (2) one hundred and eighty (180) days of the date of such legally binding commitment; *provided* that (i) so long as an Event of Default shall have occurred and be continuing, the Borrower (x) shall not be permitted to make any such reinvestments (other than pursuant to a legally binding commitment that the Borrower entered into at a time when no Event of Default is continuing) and (y) shall not be required to apply such Net Cash Proceeds which have been previously applied to prepay Revolving Credit Loans to the prepayment of Term Loans until such time as the relevant reinvestment period has expired and no Event of Default is continuing and (ii) if any Net Cash Proceeds are no longer intended to be or cannot be so reinvested at any time after delivery of a notice of reinvestment election, and subject to clauses (v) and (vii) of this Section 2.05, an amount equal to any such Net Cash Proceeds shall be applied within five (5) Business Days after the Borrower reasonably determines that such Net Cash Proceeds are no longer intended to be or cannot be so reinvested to the prepayment of the Term Loans as set forth in this Section 2.05.

(iii) *Incurrence of Indebtedness.* If the Borrower or any Restricted Subsidiary incurs or issues any Indebtedness not expressly permitted to be incurred or issued pursuant to Section 7.03 (but subject to Section 7.03(z)), the Borrower shall offer to prepay, subject to clauses (v) and (vii) of this Section 2.05(b), an aggregate principal amount of Term Loans equal to 100% of all Net Cash Proceeds received therefrom on or prior to the date which is five (5) Business Days after the receipt of such Net Cash Proceeds.

(iv) *Revolving Credit Exposure.* If for any reason the aggregate Revolving Credit Exposures at any time exceeds the aggregate Revolving Credit Commitments then in effect (including as a result of the termination of any Revolving Credit Commitments on the Maturity Date thereof), the Borrower shall at such time prepay Revolving Credit Loans, prepay Swing Line Loans and/or Cash Collateralize the L/C Obligations in an

aggregate amount equal to such excess; *provided* that the Borrower shall not be required to Cash Collateralize the L/C Obligations pursuant to this Section 2.05(b)(iv) unless after the prepayment in full of the Revolving Credit Loans and Swing Line Loans , such remaining aggregate Revolving Credit Exposure exceeds the aggregate Revolving Credit Commitments then in effect.

(v) (X) Each prepayment of Term Loans pursuant to this Section 2.05(b) shall, except as otherwise provided in following clause (viii), be applied pro rata to each Class of Term Loans and within each Class to the remaining scheduled installments of principal thereof pursuant to Section 2.07(a) in a manner determined at the discretion of the Borrower and specified to the Administrative Agent (it being understood that if the Borrower fails to specify such application at the time of such prepayment, then such prepayment shall be so applied to the remaining scheduled installments of principal in direct order of maturity); and (Y) each such prepayment shall be paid to the Lenders in accordance with their respective Pro Rata Shares subject to clause (vi) of this Section 2.05(b).

(vi) The Borrower shall notify the Administrative Agent in writing of any mandatory prepayment of Term Loans required to be made pursuant to clauses (i) through (iii) of this Section 2.05(b) at least three (3) Business Days prior to the date of such prepayment. Each such notice shall specify the date of such prepayment and provide a reasonably detailed calculation of the amount of such prepayment. The Administrative Agent will promptly notify each Appropriate Lender of the contents of the Borrower's prepayment notice and of such Appropriate Lender's Pro Rata Share of the prepayment. Each Appropriate Lender may reject all or a portion of its Pro Rata Share of any mandatory prepayment (such declined amounts, the "**Declined Proceeds**") of Term Loans required to be made pursuant to clauses (i) through (iii) of this Section 2.05(b) by providing written notice (each, a "**Rejection Notice**") to the Administrative Agent and the Borrower no later than 5:00 p.m. (New York time) one Business Day after the date of such Lender's receipt of notice from the Administrative Agent regarding such prepayment. Each Rejection Notice from a given Lender shall specify the principal amount of the mandatory repayment of Term Loans to be rejected by such Lender. If a Lender fails to deliver a Rejection Notice to the Administrative Agent within the time frame specified above or such Rejection Notice fails to specify the principal amount of the Term Loans to be rejected, any such failure will be deemed an acceptance of the total amount of such mandatory prepayment of Term Loans. Any Declined Proceeds shall be retained by the Borrower ("**Retained Declined Proceeds**"). Notwithstanding the foregoing, no Term Lender shall be permitted to issue a Rejection Notice with respect to any mandatory prepayment made pursuant to Section 2.05(b)(viii).

(vii) Notwithstanding any other provisions of this Section 2.05(b), (i) to the extent that any of or all the Net Cash Proceeds of any Disposition by a Foreign Subsidiary giving rise to a prepayment event pursuant to Section 2.05(b)(ii) (a "**Foreign Disposition**"), the Net Cash Proceeds of any Casualty Event from a Foreign Subsidiary (a "**Foreign Casualty Event**"), or Excess Cash Flow are prohibited, restricted or delayed by applicable local law from being repatriated to the United States, the portion of such Net Cash Proceeds or Excess Cash Flow so affected will not be required to be applied to

repay Term Loans at the times provided in this Section 2.05(b) but may be retained by the applicable Foreign Subsidiary so long, but only so long, as the applicable local law will not permit repatriation to the United States (the Borrower hereby agreeing to cause the applicable Foreign Subsidiary to promptly take all actions reasonably required by the applicable local law to permit such repatriation), and once such repatriation of any of such affected Net Cash Proceeds or Excess Cash Flow is permitted under the applicable local law, such repatriation will be immediately effected and such repatriated Net Cash Proceeds or Excess Cash Flow will be promptly (and in any event not later than two Business Days after such repatriation) applied (net of additional taxes payable or reserved against as a result thereof to the extent not taken into account in the definition of Net Cash Proceeds) to the repayment of the Term Loans pursuant to this Section 2.05(b) to the extent provided herein and (ii) to the extent that the Borrower has determined in good faith that repatriation of any of or all the Net Cash Proceeds of any Foreign Disposition, any Foreign Casualty Event or Excess Cash Flow would have a material adverse tax cost consequence with respect to such Net Cash Proceeds or Excess Cash Flow, the Net Cash Proceeds or Excess Cash Flow so affected may be retained by the applicable Foreign Subsidiary, *provided* that, in the case of this clause (ii), on or before the date on which any Net Cash Proceeds so retained would otherwise have been required to be applied to reinvestments or prepayments pursuant to this Section 2.05(b) (or such Excess Cash Flow would have been so required if it were Net Cash Proceeds), (x) the Borrower applies an amount equal to such Net Cash Proceeds or Excess Cash Flow to such reinvestments or prepayments as if such Net Cash Proceeds or Excess Cash Flow had been received by the Borrower rather than such Foreign Subsidiary, less the amount of additional taxes that would have been payable or reserved against (to the extent not taken into account in the definition of Net Cash Proceeds) if such Net Cash Proceeds or Excess Cash Flow had been repatriated (or, if less, the Net Cash Proceeds or Excess Cash Flow that would be calculated if received by such Foreign Subsidiary) or (y) such Net Cash Proceeds or Excess Cash Flow are applied to the repayment of Indebtedness of a Foreign Subsidiary.

(viii) If the Borrower incurs or issues any Credit Agreement Refinancing Indebtedness to refinance Term Loans, the Borrower shall prepay an aggregate principal amount of Term Loans in an amount equal to 100% of the Net Cash Proceeds of such Credit Agreement Refinancing Indebtedness within three (3) Business Days of the date such Credit Agreement Refinancing Indebtedness is incurred or issued; provided that each prepayment of Term Loans required by this clause (viii) shall be applied to any Class of Term Loans at the discretion of the Borrower and within a Class of Term Loans to the remaining scheduled installments of principal of such Class of Term Loans thereof pursuant to Section 2.07(a) in a manner determined at the discretion of the Borrower and specified in the notice of prepayment (but in any event, applied pro rata to the Lenders of such Class); *provided* that, if the Borrower fails to give such notice at the time of such prepayment or in the event such notice fails to specify the manner in which the respective prepayment of such Class of Term Loans shall be applied to repayments thereof required pursuant to Section 2.07(a), such prepayment of such Class of Term Loans shall be applied in direct order of maturity to repayments thereof required pursuant to Section 2.07(a)

(ix) Notwithstanding anything to the contrary contained in this Agreement, the Borrower may rescind or amend any notice of prepayment issued in connection with Section 2.05(b)(viii) if such prepayment is conditioned on an issuance of Credit Agreement Refinancing Indebtedness, which issuance shall not be consummated or shall otherwise be delayed.

(c) *Repricing Premium.* Any prepayment of the Term B Loans or the Term C Loans pursuant to Section 2.05(a)(i), Section 2.05(b)(iii) or Section 2.05(b)(viii) in connection with a Repricing Event shall be accompanied by the payment of the Repricing Premium, for the ratable account of the Appropriate Lenders with such Term B Loans or Term C Loans that are either repaid, converted or subjected to a pricing reduction in connection with such Repricing Event.

(d) *Interest, Funding Losses, Etc*. All prepayments under this Section 2.05 shall be accompanied by all accrued interest thereon, together with, in the case of any such prepayment of a Eurocurrency Rate Loan on a date other than the last day of an Interest Period therefor, any amounts owing in respect of such Eurocurrency Rate Loan pursuant to Section 3.05.

If all Term Lenders of a Class elect to accept a mandatory prepayment described above, then, with respect to such mandatory prepayment, the amount of such mandatory prepayment shall be applied first to Term Loans of such Class that are Base Rate Loans to the full extent thereof before application to Term Loans of such Class that are Eurocurrency Rate Loans and, in any event, in a manner that is designed to minimize the amount of any payments required to be made by the Borrower pursuant to Section 3.05; *provided*, *however*, that, if at the time of any prepayment pursuant to Section 2.05(b) there shall be Term Borrowings of different Types or Eurocurrency Rate Term Borrowings of the applicable Class with different Interest Periods, and if some but not all Term Lenders of the applicable Class shall have accepted such mandatory prepayment, then the aggregate amount of such mandatory prepayment shall be allocated ratably to each outstanding applicable Term Borrowing of the accepting Term Lenders.

Notwithstanding any of the other provisions of this Section 2.05, so long as no Event of Default shall have occurred and be continuing, if any prepayment of Eurocurrency Rate Loans is required to be made under this Section 2.05 prior to the last day of the Interest Period therefor, in lieu of making any payment pursuant to this Section 2.05 in respect of any such Eurocurrency Rate Loan prior to the last day of the Interest Period therefor, the Borrower may, in its sole discretion, deposit the amount of any such prepayment otherwise required to be made thereunder into a cash collateral account until the last day of such Interest Period, at which time the Administrative Agent shall be authorized (without any further action by or notice to or from the Borrower or any other Loan Party) to apply such amount to the prepayment of such Loans in accordance with this Section 2.05. Upon the occurrence and during the continuance of any Event of Default, the Administrative Agent shall also be authorized (without any further action by or notice to or from the Borrower or any other Loan Party) to apply such amount to the prepayment of the outstanding Loans in accordance with the relevant provisions of this Section 2.05.

SECTION 2.06 Termination or Reduction of Commitments.

(a) *Optional*. The Borrower may, upon written notice to the Administrative Agent, terminate the unused Commitments of any Class, or from time to time permanently reduce the unused Commitments of any Class, in each case without premium or penalty; *provided* that (i) any such notice shall be received by the Administrative Agent one (1) Business Day prior to the date of termination or reduction, (ii) any such partial reduction shall be in an aggregate amount of $500,000 or any whole multiple of $100,000 in excess thereof and (iii) if, after giving effect to any reduction of the Commitments, the Swing Line Sublimit exceeds the amount of the Revolving Credit Facility, then in any such case the Swing Line Sublimit shall be automatically reduced by the amount of such excess. Any such notice of termination or reduction of commitments pursuant to this Section 2.06(a) may state that it is conditioned upon the occurrence or non-occurrence of any event specified therein (including the effectiveness of other credit facilities), in which case such notice may be revoked by the Borrower if such condition is not satisfied.

(b) *Mandatory*. The Term Commitment of each Term Lender shall be automatically and permanently reduced to $0 upon the making of such Term Lender's Term Loans pursuant to Section 2.01(a). The Revolving Credit Commitments shall terminate on the applicable Maturity Date for each such Facility.

(c) *Application of Commitment Reductions; Payment of Fees*. The Administrative Agent will promptly notify the Revolving Credit Lenders of any termination or reduction of unused portions of the Swing Line Sublimit and all Lenders of the termination or reduction of unused Commitments of any Class under this Section 2.06. Upon any reduction of unused Commitments of any Class, the Commitment of each Lender of such Class shall be reduced by such Lender's Pro Rata Share of the amount by which such Commitments are reduced (other than the termination of the Commitment of any Lender as provided in Section 3.07). All commitment fees accrued until the effective date of any termination of any Revolving Credit Commitments shall be paid on the effective date of such termination.

(d) *Revolving Credit Commitment Terminations in connection with Refinancing Amendments*. On the date of the effectiveness of any Refinancing Amendment relating to Revolving Credit Commitments, the amount of the commitments which became so effective shall be required to reduce commitments pursuant to the then outstanding Revolving Credit Commitments, as elected by the Borrower, and at such time repayments of outstandings pursuant to the respective Revolving Credit Facilities shall be made to the extent needed so that the provisions Section 2.05(b)(iv) are complied with. In addition, at the time of any incurrence of Credit Agreement Refinancing Indebtedness in respect of existing Revolving Credit Commitments, an amount equal to the Net Cash Proceeds thereof (or, if greater, the total commitments with respect thereto) shall be applied to permanently reduce outstanding Revolving Credit Commitments and at such time repayments of outstandings pursuant to the respective Revolving Credit Facilities shall be made so that the provisions of Section 2.05(b)(iv) are complied with. All reductions to the Revolving Credit Commitments pursuant to this clause (d) shall be applied to any Class of Revolving Credit Commitments at the discretion of the Borrower and pro rata within a Class of Revolving Credit Commitments.

(e) *Termination of the Revolving Credit Commitments*. On the Maturity Date of any Class of Revolving Credit Commitments, such Revolving Credit Commitments will terminate and the respective Lenders who held such terminated Commitments will have no obligation to make, or participate in, extensions of credit (whether the making of Loans or the issuance of Letters of Credit) made pursuant to such Commitments after such Maturity Date; provided that, except as expressly provided in the immediately succeeding sentence, (x) the foregoing shall not release any Revolving Credit Lender from liability it may have for its failure to fund Revolving Credit Loans, L/C Advances or participations in Swing Line Loans that was required to be performed by it on or prior to such Maturity Date and (y) the foregoing will not release any Revolving Credit Lender from any obligation to fund its portion of L/C Advances or participations in Swing Line Loans with respect to Letters of Credit issued or Swing Line Loans made prior to such Maturity Date.

SECTION 2.07 Repayment of Loans.

(a) *Term Loans*. The Borrower shall repay to the Administrative Agent for the ratable account of the Appropriate Lenders:

(i) on the last Business Day of each March, June, September and December, commencing with the last Business Day of March 2013, an aggregate Dollar Amount equal to 0.25% of the aggregate Dollar Amount of all Term B Loans outstanding on the Closing Date (as such repayment amount shall be reduced as a result of the application of prepayments as directed by the Borrower pursuant to Section 2.05).

(ii) on each date set forth below (or, if not a Business Day, the immediately preceding Business Day), an aggregate Dollar Amount equal to (x) the percentage set forth below opposite such date multiplied by (y) the aggregate Dollar Amount of all Term C Loans outstanding on the Closing Date (as such repayment amount shall be reduced as a result of the application of prepayments as directed by the Borrower pursuant to Section 2.05):

(iii) on the Maturity Date for each Class of Term Loans, the aggregate principal amount of all such Term Loans outstanding on such date.

(b) *Revolving Credit Loans*. The Borrower shall repay to the Administrative Agent for the ratable account of the Appropriate Lenders on the relevant Maturity Date the aggregate principal amount of all of its Revolving Credit Loans of such Class outstanding on such date.

(c) *Swing Line Loans*. The Borrower shall repay each Swing Line Loan on the earlier to occur of (i) the date ten (10) Business Days after such Loan is made and (ii) the earliest Revolving Credit Maturity Date then in effect (although Swing Line Loans may thereafter be reborrowed in accordance with the terms and conditions hereof, if there are one or more Classes of Revolving Credit Commitments which remain in effect).

(d) For the avoidance of doubt, all Loans shall be repaid, whether pursuant to this Section 2.07 or otherwise, in the currency in which they were made.

SECTION 2.08 Interest.

(a) Subject to the provisions of Section 2.08(b), (i) each Eurocurrency Rate Loan shall bear interest on the outstanding principal amount thereof for each Interest Period at a rate per annum equal to the Eurocurrency Rate for such Interest Period plus the Applicable Rate plus (in the case of a Eurocurrency Rate Loan of any Lender which is lent from a Lending Office in the United Kingdom or a Participating Member State) the Mandatory Cost; (ii) each Base Rate Loan shall bear interest on the outstanding principal amount thereof from the applicable borrowing date at a rate per annum equal to the Base Rate plus the Applicable Rate and (iii) each Swing Line Loan shall bear interest on the outstanding principal amount thereof from the applicable borrowing date at a rate per annum equal to the Base Rate plus the Applicable Rate for Revolving Credit Loans. For the avoidance of doubt, each Revolving Credit Loan denominated in an Alternative Currency shall be a Eurocurrency Rate Loan.

(b) The Borrower shall pay interest on past due amounts hereunder at a fluctuating interest rate per annum at all times equal to the Default Rate to the fullest extent permitted by applicable Laws. Accrued and unpaid interest on past due amounts (including interest on past due interest) shall be due and payable upon demand.

(c) Interest on each Loan shall be due and payable in arrears on each Interest Payment Date applicable thereto and at such other times as may be specified herein. Interest hereunder shall be due and payable in accordance with the terms hereof before and after judgment, and before and after the commencement of any proceeding under any Debtor Relief Law.

(d) Interest on each Loan shall be payable in the currency in which each Loan was made.

(e) All computations of interest hereunder shall be made in accordance with Section 2.10.

SECTION 2.09 Fees. In addition to certain fees described in Sections 2.03(h) and (i):

(a) *Commitment Fee*. With respect to the Revolving Credit Facility, the Borrower shall pay to the Administrative Agent, for the account of each Revolving Credit Lender in accordance with its Pro Rata Share, a commitment fee equal to the Applicable Rate with respect to commitment fees then in effect for the applicable Class of Revolving Credit Commitments times the actual daily amount by which the aggregate Revolving Credit Commitments for such Facility exceed the sum of (x) the Outstanding Amount of Revolving Credit Loans under such Facility and (y) the Outstanding Amount of L/C Obligations for such Facility; *provided* that any commitment fee accrued with respect to any of the Revolving Credit Commitments under such Facility of a Defaulting Lender during the period prior to the time such Lender became a Defaulting Lender and unpaid at such time shall not be payable by the Borrower so long as such Lender shall be a Defaulting Lender except to the extent that such commitment fee shall otherwise have been due and payable by the Borrower prior to such time; and *provided further* that no commitment fee shall accrue on any of the Revolving Credit

Commitments of a Defaulting Lender so long as such Lender shall be a Defaulting Lender. The commitment fees for the Revolving Credit Facility shall accrue at all times from the Closing Date until the relevant Maturity Date, including at any time during which one or more of the conditions in Article IV is not met, and shall be due and payable quarterly in arrears on the last Business Day of each March, June, September and December, commencing with the first such date to occur after the Closing Date, and on the Maturity Date for such Facility. The commitment fee shall be calculated quarterly in arrears, and if there is any change in the Applicable Rate during any quarter, the actual daily amount shall be computed and multiplied by the Applicable Rate separately for each period during such quarter that such Applicable Rate was in effect.

(b) *Upfront Fees*.

(i) The Borrower agrees to pay on the Closing Date to each Term B Lender party to this Agreement as a Term B Lender on the Closing Date, as fee compensation for the funding of such Term B Lender's Term B Loan, a closing fee in an amount equal to 0.50% of the stated principal amount of such Term B Lender's Term B Loan. Such fees shall be payable to each Term B Lender out of the proceeds of such Term B Lender's Term Loan as and when funded on the Closing Date and shall be treated (and reported) by the Borrower and such Term B Lenders as a reduction in issue price of such Term B Loans for U.S. federal, state and local income tax purposes.

(ii) The Borrower agrees to pay on the Closing Date to each Term C Lender party to this Agreement as a Term C Lender on the Closing Date, as fee compensation for the funding of such Term C Lender's Term C Loan, a closing fee in an amount equal to 0.25% of the stated principal amount of such Term B Lender's Term C Loan. Such fees shall be payable to each Term C Lender out of the proceeds of such Term C Lender's Term Loan as and when funded on the Closing Date and shall be treated (and reported) by the Borrower and such Term C Lenders as a reduction in issue price of such Term C Loans for U.S. federal, state and local income tax purposes.

(c) *Other Fees*. The Borrower shall pay to the Agents such fees as shall have been separately agreed upon in writing in the amounts and at the times so specified. Such fees shall be fully earned when paid and shall not be refundable for any reason whatsoever (except as expressly agreed between the Borrower and the applicable Agent).

SECTION 2.10 Computation of Interest and Fees. All computations of interest for Base Rate Loans shall be made on the basis of a year of three hundred and sixty-five (365) days or three hundred and sixty-six (366) days, as applicable, and actual days elapsed. All computations of interest for Revolving Credit Loans denominated in Sterling shall be made on the basis of a year of three hundred and sixty-five (365) days and actual days elapsed. All other computations of fees and interest shall be made on the basis of a three hundred and sixty (360) day year and actual days elapsed. Interest shall accrue on each Loan for the day on which the Loan is made, and shall not accrue on a Loan, or any portion thereof, for the day on which the Loan or such portion is paid; *provided* that any Loan that is repaid on the same day on which it is made shall, subject to Section 2.12(a), bear interest for one (1) day. Each determination by the Administrative Agent of an interest rate or fee hereunder shall be conclusive and binding for all purposes, absent manifest error.

SECTION 2.11 Evidence of Indebtedness.

(a) The Credit Extensions made by each Lender shall be evidenced by one or more accounts or records maintained by such Lender and evidenced by one or more entries in the Register maintained by the Administrative Agent, acting solely for purposes of Treasury Regulation Section 5f.103-1(c), as agent for the Borrower, in each case in the ordinary course of business. The accounts or records maintained by the Administrative Agent and each Lender shall be prima facie evidence absent manifest error of the amount of the Credit Extensions made by the Lenders to the Borrower and the interest and payments thereon. Any failure to so record or any error in doing so shall not, however, limit or otherwise affect the obligation of the Borrower hereunder to pay any amount owing with respect to the Obligations. In the event of any conflict between the accounts and records maintained by any Lender and the accounts and records of the Administrative Agent in respect of such matters, the accounts and records of the Administrative Agent shall control in the absence of manifest error. Upon the request of any Lender made through the Administrative Agent, the Borrower shall execute and deliver to such Lender (through the Administrative Agent) a Note or Notes payable to such Lender, which shall evidence such Lender's Loans of the applicable Class or Classes in addition to such accounts or records. Each Lender may attach schedules to its Note and endorse thereon the date, Type (if applicable), amount and maturity of its Loans and payments with respect thereto.

(b) In addition to the accounts and records referred to in Section 2.11(a), each Lender and the Administrative Agent shall maintain in accordance with its usual practice accounts or records and, in the case of the Administrative Agent, entries in the Register, evidencing the purchases and sales by such Lender of participations in Letters of Credit and Swing Line Loans. In the event of any conflict between the accounts and records maintained by the Administrative Agent and the accounts and records of any Lender in respect of such matters, the accounts and records of the Administrative Agent shall control in the absence of manifest error.

(c) Entries made in good faith by the Administrative Agent in the Register pursuant to Sections 2.11(a) and (b), and by each Lender in its account or accounts pursuant to Sections 2.11(a) and (b), shall be prima facie evidence of the amount of principal and interest due and payable or to become due and payable from the Borrower to, in the case of the Register, each Lender and, in the case of such account or accounts, such Lender, under this Agreement and the other Loan Documents, absent manifest error; *provided* that the failure of the Administrative Agent or such Lender to make an entry, or any finding that an entry is incorrect, in the Register or such account or accounts shall not limit or otherwise affect the obligations of the Borrower under this Agreement and the other Loan Documents.

SECTION 2.12 Payments Generally.

(a) All payments to be made by the Borrower shall be made without condition or deduction for any counterclaim, defense, recoupment or setoff. Except as otherwise expressly provided herein and except with respect to payments in an Alternative Currency, all

payments by the Borrower hereunder shall be made to the Administrative Agent, for the account of the respective Lenders to which such payment is owed, at the applicable Administrative Agent's Office for payment in Dollars and in Same Day Funds not later than 2:00 p.m. on the date specified herein. Except as otherwise expressly provided herein, all payments by the Borrower hereunder in an Alternative Currency shall be made to the Administrative Agent, for the account of the respective Lenders to which such payment is owed, at the applicable Administrative Agent's Office in such Alternative Currency and in Same Day Funds not later than 2:00 p.m. (London time) on the dates specified herein. If, for any reason, the Borrower is prohibited by any Law from making any required payment hereunder in an Alternative Currency, the Borrower shall make such payment in Dollars in the Dollar Amount of the Alternative Currency payment amount. The Administrative Agent will promptly distribute to each Lender its Pro Rata Share (or other applicable share as provided herein) of such payment in like funds as received by wire transfer to such Lender's Lending Office. All payments received by the Administrative Agent (i) after 2:00 p.m., New York City time in the case of payments in Dollars, or (ii) after 2:00 p.m. (London time) in the case of payments in an Alternative Currency, shall in each case be deemed received on the next succeeding Business Day and any applicable interest or fee shall continue to accrue.

(b) If any payment to be made by the Borrower shall come due on a day other than a Business Day, payment shall be made on the next following Business Day, and such extension of time shall be reflected in computing interest or fees, as the case may be; *provided* that, if such extension would cause payment of interest on or principal of Eurocurrency Rate Loans to be made in the next succeeding calendar month, such payment shall be made on the immediately preceding Business Day.

(c) Unless the Borrower or any Lender has notified the Administrative Agent, prior to the date any payment is required to be made by it to the Administrative Agent hereunder, that the Borrower or such Lender, as the case may be, will not make such payment, the Administrative Agent may assume that the Borrower or such Lender, as the case may be, has timely made such payment and may (but shall not be so required to), in reliance thereon, make available a corresponding amount to the Person entitled thereto. If and to the extent that such payment was not in fact made to the Administrative Agent in Same Day Funds, then:

(i) if the Borrower failed to make such payment, each Lender shall forthwith on demand repay to the Administrative Agent the portion of such assumed payment that was made available to such Lender in Same Day Funds, together with interest thereon in respect of each day from and including the date such amount was made available by the Administrative Agent to such Lender to the date such amount is repaid to the Administrative Agent in Same Day Funds at the applicable Overnight Rate from time to time in effect; and

(ii) if any Lender failed to make such payment, such Lender shall forthwith on demand pay to the Administrative Agent the amount thereof in Same Day Funds, together with interest thereon for the period from the date such amount was made available by the Administrative Agent to the Borrower to the date such amount is recovered by the Administrative Agent (the "**Compensation Period**") at a rate per annum equal to the applicable Overnight Rate from time to time in effect. When such Lender makes

payment to the Administrative Agent (together with all accrued interest thereon), then such payment amount (excluding the amount of any interest which may have accrued and been paid in respect of such late payment) shall constitute such Lender's Loan included in the applicable Borrowing. If such Lender does not pay such amount forthwith upon the Administrative Agent's demand therefor, the Administrative Agent may make a demand therefor upon the Borrower, and the Borrower shall pay such amount to the Administrative Agent, together with interest thereon for the Compensation Period at a rate per annum equal to the rate of interest applicable to the applicable Borrowing. Nothing herein shall be deemed to relieve any Lender from its obligation to fulfill its Commitment or to prejudice any rights that the Administrative Agent or the Borrower may have against any Lender as a result of any default by such Lender hereunder.

A notice of the Administrative Agent to any Lender or the Borrower with respect to any amount owing under this Section 2.12(c) shall be conclusive, absent manifest error.

(d) If any Lender makes available to the Administrative Agent funds for any Loan to be made by such Lender as provided in the foregoing provisions of this Article II, and such funds are not made available to the Borrower by the Administrative Agent because the conditions to the applicable Credit Extension set forth in Article IV are not satisfied or waived in accordance with the terms hereof, the Administrative Agent shall return such funds (in like funds as received from such Lender) to such Lender, without interest.

(e) The obligations of the Lenders hereunder to make Loans and to fund participations in Letters of Credit and Swing Line Loans are several and not joint. The failure of any Lender to make any Loan or to fund any such participation on any date required hereunder shall not relieve any other Lender of its corresponding obligation to do so on such date, and no Lender shall be responsible for the failure of any other Lender to so make its Loan or purchase its participation.

(f) Nothing herein shall be deemed to obligate any Lender to obtain the funds for any Loan in any particular place or manner or to constitute a representation by any Lender that it has obtained or will obtain the funds for any Loan in any particular place or manner.

(g) Whenever any payment received by the Administrative Agent under this Agreement or any of the other Loan Documents is insufficient to pay in full all amounts due and payable to the Administrative Agent and the Lenders under or in respect of this Agreement and the other Loan Documents on any date, such payment shall be distributed by the Administrative Agent and applied by the Administrative Agent and the Lenders in the order of priority set forth in Section 9.03. If the Administrative Agent receives funds for application to the Obligations of the Loan Parties under or in respect of the Loan Documents under circumstances for which the Loan Documents do not specify the manner in which such funds are to be applied, the Administrative Agent may, but shall not be obligated to, elect to distribute such funds to each of the Lenders in accordance with such Lender's Pro Rata Share of the sum of (a) the Outstanding Amount of all Loans outstanding at such time and (b) the Outstanding Amount of all L/C Obligations outstanding at such time, in repayment or prepayment of such of the outstanding Loans or other Obligations then owing to such Lender.

SECTION 2.13 Sharing of Payments. If, other than as expressly provided elsewhere herein, any Lender shall obtain on account of the Loans made by it, or the participations in L/C Obligations and Swing Line Loans held by it, any payment (whether voluntary, involuntary, through the exercise of any right of setoff, or otherwise) in excess of its ratable share (or other share contemplated hereunder) thereof, such Lender shall immediately (a) notify the Administrative Agent of such fact, and (b) purchase from the other Lenders such participations in the Loans made by them and/or such subparticipations in the participations in L/C Obligations or Swing Line Loans held by them, as the case may be, as shall be necessary to cause such purchasing Lender to share the excess payment in respect of such Loans or such participations, as the case may be, pro rata with each of them; *provided* that if all or any portion of such excess payment is thereafter recovered from the purchasing Lender under any of the circumstances described in Section 11.06 (including pursuant to any settlement entered into by the purchasing Lender in its discretion), such purchase shall to that extent be rescinded and each other Lender shall repay to the purchasing Lender the purchase price paid therefor, together with an amount equal to such paying Lender's ratable share (according to the proportion of (i) the amount of such paying Lender's required repayment to (ii) the total amount so recovered from the purchasing Lender) of any interest or other amount paid or payable by the purchasing Lender in respect of the total amount so recovered, without further interest thereon. The Borrower agrees that any Lender so purchasing a participation from another Lender may, to the fullest extent permitted by applicable Law, exercise all its rights of payment (including the right of setoff, but subject to Section 11.09) with respect to such participation as fully as if such Lender were the direct creditor of the Borrower in the amount of such participation. The Administrative Agent will keep records (which shall be conclusive and binding in the absence of manifest error) of participations purchased under this Section 2.13 and will in each case notify the Lenders following any such purchases or repayments. Each Lender that purchases a participation pursuant to this Section 2.13 shall from and after such purchase have the right to give all notices, requests, demands, directions and other communications under this Agreement with respect to the portion of the Obligations purchased to the same extent as though the purchasing Lender were the original owner of the Obligations purchased.

SECTION 2.14 Incremental Credit Extensions. (i) At any time and from time to time after the Closing Date, subject to the terms and conditions set forth herein, the Borrower may, by notice to the Administrative Agent (whereupon the Administrative Agent shall promptly make such notice available to each of the Lenders), request to effect one or more additional tranches of revolving credit commitments ("**Incremental Revolving Credit Commitments**" and any related revolving credit loans thereunder, "**Incremental Revolving Credit Loans**") or increases in the aggregate amount of the Revolving Credit Commitments under any existing Class (each such increase, a "**Revolving Credit Commitment Increase**"; together with the Incremental Revolving Credit Loans, "**Incremental Revolving Credit Facilities**") from Additional Revolving Credit Lenders; *provided* that at the time of each such request and upon the effectiveness of each Incremental Revolving Credit Facility Amendment, (A) no Event of Default shall result therefrom, (B) the aggregate principal amount of all Incremental Revolving Credit Facilities, Incremental Term Facilities and Additional Notes incurred after the Closing Date would not exceed (x) $500,000,000 plus (y) an additional amount to the extent that the Senior Secured First-Lien Net Leverage Ratio (treating all such Incremental Revolving Credit Facilities, Incremental Term Facilities and Additional Notes as Senior

Secured First-Lien Indebtedness solely for purposes of calculating such Senior Secured First-Lien Net Leverage Ratio even if such Indebtedness would not otherwise constitute Senior Secured First-Lien Indebtedness) on a Pro Forma Basis after giving effect to the incurrence of any such proposed Incremental Revolving Credit Facilities and any related transactions (treating any proposed Incremental Revolving Credit Facilities and Additional Notes that are "revolving" in nature as fully drawn, but not including the proceeds of any proposed Incremental Revolving Credit Facilities, Incremental Term Facilities and Additional Notes in the amount of cash to be netted in calculating such ratio) would be less than or equal to 4.0:1.0 as of the end of the most recently ended Test Period, (C) the Borrower shall be in compliance on a Pro Forma Basis (treating any proposed Incremental Revolving Credit Facility as fully drawn, but not including the proceeds of any such deemed draw in the amount of cash to be netted in calculating such ratio) with the Financial Performance Covenant as of the end of the most recent Test Period (regardless of whether such Financial Performance Covenant is applicable at such time), (D) (i) in the case of any Incremental Revolving Credit Loans, the maturity date thereof shall be no earlier than the Revolving Credit Maturity Date, such Incremental Revolving Credit Loans shall require no scheduled amortization or mandatory commitment reduction prior to the Revolving Credit Maturity Date and (ii) any Revolving Credit Commitment Increase shall be on the same terms (and pursuant to the same documentation) governing the Revolving Credit Commitments pursuant to this Agreement (including upfront fees, but excluding customary arranger fees), (E) the interest rate margins and, subject to clause (D), the amortization schedule applicable to any Incremental Revolving Credit Loans shall be determined by the Borrower and the Lenders thereunder; *provided* that in the event that the Effective Yield for any Incremental Revolving Credit Loans is higher than the Effective Yield for the Revolving Credit Loans by more than 50 basis points, then the Effective Yield for the Revolving Credit Loans shall be increased to the extent necessary so that such Effective Yield is equal to the Effective Yield for such Incremental Revolving Credit Loans minus 50 basis points; *provided*, *further*, that, in determining the Effective Yield applicable to the Incremental Revolving Credit Loans incurred pursuant to such Incremental Revolving Credit Facility and the Revolving Credit Loans, (x) OID or upfront fees (which shall be deemed to constitute like amounts of OID for purposes of this determination) payable by the Borrower to the Revolving Credit Lenders or any Additional Revolving Credit Lenders (with OID being equated to interest based on assumed four-year life to maturity) shall be included, (y) customary arrangement or commitment fees payable to the Joint Bookrunners (or their Affiliates) in connection with this Agreement or to one or more arrangers (or their Affiliates) of any Incremental Revolving Credit Loans shall be excluded and (z) if the Incremental Revolving Credit Loan includes an interest rate floor greater than the interest rate floor applicable to the Revolving Credit Loans, such increased amount shall be equated to interest margin for purposes of determining whether an increase to the applicable interest margin for the Revolving Credit Loans shall be required, to the extent an increase in the interest rate floor in the Revolving Credit Loans would cause an increase in the interest rate then in effect, and in such case the interest rate floor applicable to the Revolving Credit Loans shall be increased by such increased amount and (F) any Incremental Revolving Credit Facility Amendment entered into after the Closing Date shall be on the terms and pursuant to documentation to be determined

by the Borrower and the Additional Revolving Credit Lenders with the applicable Incremental Revolving Credit Facilities; *provided* that to the extent such terms and documentation are not consistent with this Agreement (except to the extent permitted by clauses (D) and (E) above), they shall be reasonably satisfactory to the Administrative Agent; *provided further* that no L/C Issuer or Swing Line Lender shall be required to act as "issuing bank" or "swingline lender" under any such Incremental Revolving Credit Facility without its written consent. Each Incremental Revolving Credit Facility shall be in a minimum principal amount of $5,000,000 and integral multiples of $1,000,000 in excess thereof unless such amount represents all the remaining availability under the aggregate principal amount of Incremental Revolving Credit Facilities set forth above.

(ii) At any time and from time to time after the Closing Date, subject to the terms and conditions set forth herein, the Borrower may, by notice to the Administrative Agent (whereupon the Administrative Agent shall promptly make a copy of such notice available to each of the Lenders), request to effect one or more additional tranches of term loans hereunder ("**Incremental Term Loans**") or increases in the aggregate amount of the Term Commitments of any existing Class, which shall take the form of an additional tranche of term loans hereunder (each such increase, a "**Term Commitment Increase**"; together with the Incremental Term Loans, the "**Incremental Term Facilities**") from one or more Additional Term Lenders; *provided* that at the time of each such request and upon the effectiveness of each Incremental Term Facility Amendment, (A) no Event of Default shall result therefrom, (B) the aggregate principal amount of all Incremental Revolving Credit Facilities, Incremental Term Facilities and Additional Notes incurred after the Closing Date would not exceed (x) $500,000,000 plus (y) an additional amount to the extent that the Senior Secured First-Lien Net Leverage Ratio (treating all such Incremental Revolving Credit Facilities, Incremental Term Facilities and Additional Notes as Senior Secured First-Lien Indebtedness solely for purposes of calculating such Senior Secured First-Lien Net Leverage Ratio even if such Indebtedness would not otherwise constitute Senior Secured First-Lien Indebtedness) on a Pro Forma Basis after giving effect to the incurrence of any such proposed Incremental Term Facility and any related transactions (treating any proposed Incremental Revolving Credit Facilities and Additional Notes that are "revolving" in nature as fully drawn, but not including the proceeds of any proposed Incremental Revolving Credit Facilities, Incremental Term Facilities and Additional Notes in the amount of cash to be netted in calculating such ratio) would be less than or equal to 4.0:1.0 as of the end of the most recently ended Test Period, (C) the Borrower shall be in compliance on a Pro Forma Basis with the Financial Performance Covenant as of the end of the most recent Test Period (regardless of whether such Financial Performance Covenant is applicable at such time), (D) the maturity date of any such Incremental Term Facility shall not be earlier than the Term B Maturity Date, (E) the Weighted Average Life to Maturity of any such Incremental Term Facility shall not be shorter than the remaining Weighted Average Life to Maturity of the Term B Loans, (F) the interest rate margins and, subject to clause (E), the amortization schedule for any Incremental Term Facility shall be determined by the Borrower and the Additional Term Lenders thereunder; *provided* that in the event that the Effective Yield for any Incremental Term Facility is higher than the Effective Yield for the Term B Loans by more than 50 basis points, then the Effective Yield for the Term B Loans shall be increased to the extent necessary so that such Effective Yield is equal to

the Effective Yield for such Incremental Term Facility minus 50 basis points; *provided*, *further*, that, in determining the Effective Yield applicable to the Incremental Term Facility and the Term B Loans (x) OID or upfront fees (which shall be deemed to constitute like amounts of OID) payable by Borrower to the Term B Lenders or any Additional Term Lenders in the initial primary syndication thereof (with OID being equated to interest based on assumed four-year life to maturity) shall be included, (y) customary arrangement or commitment fees payable to the Joint Bookrunners (or their Affiliates) in connection with this Agreement or to one or more arrangers (or their Affiliates) of any Incremental Term Facility shall be excluded and (z) if the Incremental Term Facility includes an interest rate floor greater than the interest rate floor applicable to the Term B Loans, such increased amount shall be equated to interest margin for purposes of determining whether an increase to the applicable interest margin for the Term B Loans shall be required, to the extent an increase in the interest rate floor in the Term B Loans would cause an increase in the interest rate then in effect, and in such case the interest rate floor (but not the interest rate margin) applicable to the Term B Loans shall be increased by such increased amount and (G) any Incremental Term Facility Amendment entered into after the Closing Date shall be on the terms and pursuant to documentation to be determined by the Borrower and the Additional Term Lenders with the applicable Incremental Term Facilities; *provided* that to the extent such terms and documentation are not consistent with this Agreement (except to the extent permitted by clause (F) above), they shall be reasonably satisfactory to the Administrative Agent. Each Incremental Term Facility incurred after the Closing Date shall be in a minimum principal amount of $10,000,000 and, except with respect to the Term Commitment Increase, integral multiples of $1,000,000 in excess thereof unless such amount represents all the remaining availability under the aggregate principal amount of Incremental Term Facilities set forth above.

(b) (i) Each notice from the Borrower pursuant to this Section shall set forth the requested amount of the relevant Incremental Revolving Credit Loan, Revolving Credit Commitment Increase, Incremental Term Loan or Term Commitment Increase.

(ii) Commitments in respect of any Incremental Revolving Credit Loan or Revolving Credit Commitment Increase incurred after the Closing Date shall become Commitments (or in the case of any Revolving Credit Commitment Increase to be provided after the Closing Date by an existing Revolving Credit Lender, an increase in such Revolving Credit Lender's Revolving Credit Commitment) under this Agreement pursuant to an amendment (an "**Incremental Revolving Credit Facility Amendment**") to this Agreement and, as appropriate, the other Loan Documents, executed by the Borrower, such Additional Revolving Credit Lenders and the Administrative Agent. Incremental Revolving Credit Loans and Revolving Credit Commitment Increases may be provided, subject to the prior written consent of the Borrower (not to be unreasonably withheld), by any existing Lender (it being understood that no existing Lender shall have the right to participate in any Incremental Revolving Credit Facility or, unless it agrees, be obligated to provide any Incremental Revolving Credit Loan or Revolving Credit Commitment Increase) or by any other Additional Revolving Credit Lender. An Incremental Revolving Credit Facility Amendment may, without the consent of any other Lenders, effect such amendments to any Loan Documents as may be necessary or

appropriate, in the reasonable opinion of the Administrative Agent, to effect the provisions of this Section. The effectiveness of any Incremental Revolving Credit Facility Amendment shall, unless otherwise agreed to by the Administrative Agent and the Additional Revolving Credit Lenders, be subject to the satisfaction on the date thereof (each, an "**Incremental Revolving Credit Facility Closing Date**") of each of the conditions set forth in Section 4.02 (it being understood that all references to "the date of such Credit Extension" in Section 4.02 shall be deemed to refer to the Incremental Revolving Credit Facility Closing Date) and, to the extent reasonably requested by the Administrative Agent, receipt by the Administrative Agent of legal opinions, board resolutions, officers' certificates and/or reaffirmation agreements consistent with those delivered on the Closing Date under Section 4.01 (other than changes to such legal opinions resulting from a change in law, change in fact or change to counsel's form of opinion reasonably satisfactory to the Administrative Agent).

(iii) Commitments in respect of any Incremental Term Facility shall become Commitments under this Agreement pursuant to an amendment (an "**Incremental Term Facility Amendment**") to this Agreement and, as appropriate, the other Loan Documents, executed by the Borrower, such Additional Term Lenders and the Administrative Agent. Incremental Term Facilities may be provided, subject to the prior written consent of the Borrower (not to be unreasonably withheld), by any existing Lender (it being understood that no existing Lender shall have any right to participate in any Incremental Term Facility or, unless it agrees, be obligated to provide any Incremental Term Loan or Term Commitment Increase thereunder) or by any other Additional Term Lender. An Incremental Term Facility Amendment may, without the consent of any other Lenders, effect such amendments to any Loan Documents as may be necessary or appropriate, in the reasonable opinion of the Administrative Agent, to effect the provisions of this Section. The effectiveness of any Incremental Term Facility Amendment shall, unless otherwise agreed to by the Administrative Agent and the Additional Term Lenders, be subject to the satisfaction on the date thereof (each, an "**Incremental Term Facility Closing Date**") of each of the conditions set forth in Section 4.02 (it being understood that all references to "the date of such Borrowing" in Section 4.02 shall be deemed to refer to the Incremental Term Facility Closing Date) and, to the extent reasonably requested by the Administrative Agent, receipt by the Administrative Agent of legal opinions, board resolutions, officers' certificates and/or reaffirmation agreements consistent with those delivered on the Closing Date under Section 4.01 (other than changes to such legal opinions resulting from a change in law, change in fact or change to counsel's form of opinion reasonably satisfactory to the Administrative Agent).

(c) (i) Upon effectiveness of each Revolving Credit Commitment Increase pursuant to this Section, each Revolving Credit Lender immediately prior to such increase will automatically and without further act be deemed to have assigned to each Additional Revolving Credit Lender providing a portion of such Revolving Credit Commitment Increase (each a "**Revolving Credit Commitment Increase Lender**"), and each such Revolving Credit Commitment Increase Lender will automatically and without further act be deemed to have assumed, a portion of such Revolving Credit Lender's participations hereunder in outstanding Letters of Credit and Swing Line Loans such that,

after giving effect to such Revolving Credit Commitment Increase and each such deemed assignment and assumption of participations, the percentage of the aggregate outstanding (A) participations hereunder in Letters of Credit and (B) participations hereunder in Swing Line Loans held by each Revolving Credit Lender (including each such Revolving Credit Commitment Increase Lender) will equal such Revolving Credit Lender's Pro Rata Share. Any Revolving Credit Loans outstanding immediately prior to the date of such Revolving Credit Commitment Increase that are Eurocurrency Loans will (except to the extent otherwise repaid in accordance herewith) continue to be held by, and all interest thereon will continue to accrue for the accounts of, the Revolving Credit Lenders holding such Loans immediately prior to the date of such Revolving Credit Commitment Increase, in each case until the last day of the then-current Interest Period applicable to any such Loan, at which time it will be repaid or refinanced with new Revolving Credit Loans made pursuant to Section 2.01 in accordance with the Pro Rata Shares of the Revolving Credit Lenders after giving effect to the Revolving Credit Commitment Increase; *provided*, *however*, that upon the occurrence of any Event of Default, each Revolving Credit Commitment Increase Lender will promptly purchase (for cash at face value) assignments of portions of such outstanding Revolving Credit Loans of other Revolving Credit Lenders so that, after giving effect thereto, all Revolving Credit Loans that are Eurocurrency Loans are held by the Revolving Credit Lenders in accordance with their then-current Pro Rata Shares. Any such assignments shall be effected in accordance with the provisions of Section 11.07; *provided* that the parties hereto hereby consent to such assignments and the minimum assignment amounts and processing and recordation fee set forth in Section 11.07(b)(ii) shall not apply thereto. If there are any Base Rate Revolving Credit Loans outstanding on the date of such Revolving Credit Commitment Increase, such Loans shall either be prepaid by the Borrower on such date or refinanced on such date (subject to satisfaction of applicable borrowing conditions) with Revolving Credit Loans made on such date by the Revolving Credit Lenders (including the Revolving Credit Commitment Increase Lenders) in accordance with their Pro Rata Shares. In order to effect any such refinancing, (i) each Revolving Credit Commitment Increase Lender will make Base Rate Revolving Credit Loans to the Borrower by transferring funds to the Administrative Agent in an amount equal to the aggregate outstanding amount of such Loans of such Type times a percentage obtained by dividing the amount of such Revolving Credit Commitment Increase Lender's Revolving Credit Commitment Increase by the aggregate amount of the Revolving Credit Commitments (after giving effect to the Revolving Credit Commitment Increase on such date) and (ii) such funds will be applied to the prepayment of outstanding Base Rate Revolving Credit Loans held by the Revolving Credit Lenders other than the Revolving Credit Commitment Increase Lenders, and transferred by the Administrative Agent to the Revolving Credit Lenders other than the Revolving Credit Commitment Increase Lenders, in such amounts so that, after giving effect thereto, all Base Rate Revolving Credit Loans will be held by the Revolving Credit Lenders in accordance with their then-current Pro Rata Shares. On the date of such Revolving Credit Commitment Increase, the Borrower will pay to the Administrative Agent, for the accounts of the Revolving Credit Lenders receiving such prepayments, accrued and unpaid interest on the principal amounts of their Revolving Credit Loans being prepaid. The Administrative Agent and the Lenders hereby agree that the minimum borrowing, pro rata borrowing and pro rata payment requirements contained elsewhere in this Agreement shall not apply to the transactions effected pursuant to the immediately preceding sentence.

(ii) Upon effectiveness of each Incremental Term Facility pursuant to this Section, each Additional Term Lender shall make an additional term loan to the Borrower in a principal amount equal to such Lender's Incremental Term Facility. Any such term loan shall be a "Term Loan" for all purposes of this Agreement and the other Loan Documents.

(d) This Section 2.14 shall supersede any provisions in Section 2.13 or Section 11.01 to the contrary.

SECTION 2.15 Refinancing Amendments.

(a) At any time after the Closing Date, the Borrower may obtain, from any Lender or any Additional Lender, Credit Agreement Refinancing Indebtedness in respect of (i) all or any portion of the Term Loans then outstanding under this Agreement (which for purposes of this clause (i) will be deemed to include any then outstanding Other Term Loans) or (ii) all or any portion of the Revolving Credit Loans (or unused Revolving Credit Commitments) under this Agreement (which for purposes of this clause (ii) will be deemed to include any then outstanding Other Revolving Credit Loans and Other Revolving Credit Commitments), in each case, in the form of either (x) Other Term Loans or Other Term Commitments or (y) Other Revolving Credit Loans or Other Revolving Credit Commitments and, in each case, pursuant to a Refinancing Amendment; *provided* that such Credit Agreement Refinancing Indebtedness (i) will be unsecured or will rank pari passu or junior (and subordinate) in right of payment and of security with the other Loans and Commitments hereunder, (ii) will have such pricing and optional prepayment terms as may be agreed by the Borrower and the Lenders thereof, (iii) (x) with respect to any Other Revolving Credit Loans or Other Revolving Credit Commitments, will have a maturity date that is not prior to the maturity date of Loans (or unused Commitments) being refinanced and (y) with respect to any Other Term Loans or Other Term Commitments, will have a maturity date that is not prior to the maturity date of, and will have a Weighted Average Life to Maturity that is not shorter than, the Loans being refinanced and (iv) will have terms and conditions (other than pricing, optional prepayment and subordination terms) that are, taken as a whole, not materially more favorable to the investors providing such Credit Agreement Refinancing Indebtedness than, the Refinanced Debt (except for covenants or other provisions applicable exclusively to periods commencing after the Latest Maturity Date at the time such Indebtedness is incurred); *provided*, *further*, that the terms and conditions applicable to such Credit Agreement Refinancing Indebtedness may provide for any additional or different financial or other covenants or other provisions that are agreed between the Borrower and the Lenders thereof and applicable only during periods after the Latest Maturity Date that is in effect on the date such Credit Agreement Refinancing Indebtedness is issued, incurred or obtained. The effectiveness of any Refinancing Amendment shall be subject to the satisfaction on the date thereof of each of the conditions set forth in Section 4.02 and, to the extent reasonably requested by the Administrative Agent, receipt by the Administrative Agent of legal opinions, board resolutions, officers' certificates and/or reaffirmation agreements consistent with those delivered on the Closing Date under Section 4.01 (other than changes to such legal opinions resulting from a change in law, change in fact or change to counsel's form of opinion reasonably satisfactory to

the Administrative Agent). Each Class of Credit Agreement Refinancing Indebtedness incurred under this Section 2.15 shall be in an aggregate principal amount that is (x) not less than $25,000,000 in the case of Other Term Loans or $10,000,000 in the case of Other Revolving Credit Loans and (y) an integral multiple of $1,000,000 in excess thereof unless such amount represents the total outstanding amount of the Refinanced Debt. Any Refinancing Amendment may provide for the issuance of Letters of Credit, or the provision to the Borrower of Swing Line Loans, pursuant to any Other Revolving Credit Commitments established thereby, in each case on terms substantially equivalent to the terms applicable to Letters of Credit and Swing Line Loans under the Revolving Credit Commitments. The Administrative Agent shall promptly notify each Lender as to the effectiveness of each Refinancing Amendment. Each of the parties hereto hereby agrees that, upon the effectiveness of any Refinancing Amendment, this Agreement shall be deemed amended to the extent (but only to the extent) necessary to reflect the existence and terms of the Credit Agreement Refinancing Indebtedness incurred pursuant thereto (including any amendments necessary to treat the Loans and Commitments subject thereto as Other Term Loans, Other Revolving Credit Loans, Other Revolving Credit Commitments and/or Other Term Commitments). Any Refinancing Amendment may, without the consent of any other Lenders, effect such amendments to this Agreement and the other Loan Documents as may be necessary or appropriate, in the reasonable opinion of the Administrative Agent and the Borrower, to effect the provisions of this Section. In addition, if so provided in the relevant Refinancing Amendment and with the consent of each L/C Issuer, participations in Letters of Credit expiring on or after the Revolving Credit Maturity Date shall be reallocated from Lenders holding Revolving Credit Commitments to Lenders holding extended revolving commitments in accordance with the terms of such Refinancing Amendment; *provided*, *however*, that such participation interests shall, upon receipt thereof by the relevant Lenders holding Revolving Credit Commitments, be deemed to be participation interests in respect of such Revolving Credit Commitments and the terms of such participation interests (including, without limitation, the commission applicable thereto) shall be adjusted accordingly.

(b) This Section 2.15 shall supersede any provisions in Section 2.13 or Section 11.01 to the contrary.

SECTION 2.16 Extended Loans.

(a) The Borrower may at any time and from time to time, by making an offer on a pro rata basis to each of the Lenders of the applicable Class, request that all or a portion of the Term Loans of any Class (for any such Class, the "**Existing Term Loans**") be converted to extend the scheduled maturity date(s) of any payment of principal with respect to all or a portion of any principal amount of such Existing Term Loans (any such Existing Term Loans which have been so converted, the "**Extended Term Loans**") and to provide for other terms consistent with this Section 2.16. In order to establish any Extended Term Loans, the Borrower shall provide a notice to the Administrative Agent (whereupon the Administrative Agent shall promptly make a copy of such notice available to each of the Lenders of such Existing Term Loans) (a "**Term Extension Request**") setting forth the proposed terms of the Extended Term Loans to be established, which shall be substantially similar to the Existing Term Loans from which they are to be converted, except that (i) the scheduled final maturity date shall be extended and all or any of the scheduled amortization payments of principal of the Extended Term Loans may be delayed to dates later than the scheduled amortization date of such Existing Term Loans

(with any such delay resulting in a corresponding adjustment to the scheduled amortization payments reflected in Section 2.07, the Incremental Term Facility Amendment, or the Refinancing Amendment, as the case may be, with respect to such Existing Term Loans, in each case as set forth in paragraph (d) of this Section 2.16 below), (ii) the interest margins with respect to the Extended Term Loans may be higher or lower than the interest margins for such Existing Term Loans and (iii) additional fees may be payable to the Lenders providing such Extended Term Loans in addition to or in lieu of any increased margins contemplated by the preceding clause (ii), in each case, to the extent provided in the applicable Extension Amendment. No Lender shall have any obligation to agree to have any of its Existing Term Loans converted into Extended Term Loans pursuant to any Extension Request. The Extended Term Loans shall constitute a separate Class of Term Loans from the Existing Term Loans from which they were converted.

(b) The Borrower may at any time and from time to time request, by making an offer on a pro rata basis to each of the Lenders of the applicable Class, that all or a portion of the Revolving Credit Commitments of any Class (for any such Class, the "**Existing Revolving Credit Commitments**" and any related Class of revolving credit loans thereunder, the "**Existing Revolving Credit Loans**") be converted to extend the termination date thereof and the scheduled maturity date(s) of any payment of principal with respect to all or a portion of any principal amount of Loans related to such Existing Revolving Credit Commitments (any such Existing Revolving Credit Commitments which have been so extended, "**Extended Revolving Credit Commitments**" and any related Loans, "**Extended Revolving Credit Loans**") and to provide for other terms consistent with this Section 2.16. In order to establish any Extended Revolving Credit Commitments, the Borrower shall provide a notice to the Administrative Agent (whereupon the Administrative Agent shall promptly make a copy of such notice available to each of the Lenders of such Existing Revolving Credit Commitments) (a "**Revolving Credit Extension Request**") setting forth the proposed terms of the Extended Revolving Credit Commitments to be established, which terms shall be substantially similar to those applicable to the Existing Revolving Credit Commitments from which they are to be converted, except that (i) all or any of the final maturity dates of the Extended Revolving Credit Commitments may be delayed to dates later than the final maturity dates of such Existing Revolving Credit Commitments, (ii) the interest margins with respect to the Extended Revolving Credit Commitments may be higher or lower than the interest margins for such Existing Revolving Credit Commitments, (iii) additional fees may be payable to the Lenders providing such Extended Revolving Credit Commitments in addition to or in lieu of any increased margins contemplated by the preceding clause (ii) and (iv) the commitment fee with respect to the Extended Revolving Credit Commitments may be higher or lower than the commitment fee for such Existing Revolving Credit Commitments, in each case, to the extent provided in the applicable Extension Amendment; *provided* that, notwithstanding anything to the contrary in this Section 2.16 or otherwise, (A) borrowings, voluntary prepayments and voluntary commitment reductions (other than in connection with a permanent repayment and termination of commitments at the final stated maturity of any shorter tenored Revolving Credit Commitment) of Loans with respect to any Extended Revolving Credit Commitments shall be made on a pro rata basis with all other Revolving Credit Commitments, (B) assignments and participations of the Extended Revolving Credit Commitments and the Extended Revolving Credit Loans shall be governed by Section 11.07 and (C) subject to the provisions of Section 2.03(l) and Section 2.04(a)(ii), all Swing Line Loans and Letters of Credit shall be participated on a pro rata basis by

all Revolving Credit Lenders in accordance with their Pro Rata Share of the Revolving Credit Commitments. No Lender shall have any obligation to agree to have any of its Existing Revolving Credit Loans or Existing Revolving Credit Commitments converted into Extended Revolving Credit Loans or Extended Revolving Credit Commitments pursuant to any Revolving Credit Extension Request. Any Extended Revolving Credit Commitments shall constitute a separate Class of Revolving Credit Commitments from the Existing Revolving Credit Commitments from which they were converted.

(c) The Borrower shall provide the applicable Extension Request at least three (3) Business Days (or such shorter time period as the Administrative Agent shall reasonably agree) prior to the date on which Lenders under the applicable Existing Loans are requested to respond. Any Lender (an "**Extending Lender**") wishing to have all or a portion of its Existing Loans subject to such Extension Request converted into Extended Loans shall notify the Administrative Agent (an "**Extension Election**") on or prior to the date specified in such Extension Request of the amount of such Existing Loans that it has elected to convert into Extended Loans. In the event that the aggregate amount of any Class of Existing Loans subject to such Extension Election exceeds the amount of the applicable Extended Loans requested pursuant to the Extension Request, such Existing Loans shall be converted to Extended Loans on a pro rata basis (subject to rounding by the Administrative Agent, which shall be conclusive) based on the aggregate amount of Existing Loans included in each such Extension Election.

(d) Extended Loans shall be established pursuant to an amendment (an "**Extension Amendment**") to this Agreement among the Borrower, the Loan Parties, the Administrative Agent and each Extending Term Lender providing an Extended Loan thereunder (which, except to the extent expressly contemplated by the last sentence of this Section 2.16(d) and notwithstanding anything to the contrary set forth in Section 11.01, shall not require the consent of any Lender other than the Extending Lenders with respect to the Extended Loans, as applicable, established thereby) executed by the Borrower, the Administrative Agent and the Extending Lenders. No Extension Amendment shall provide for any tranche of Extended Loans in an aggregate principal amount that is less than $50,000,000 unless such amount represents the total outstanding amount of the Existing Loans of the applicable Class. In addition to any terms and changes required or permitted by Section 2.16(a), each Extension Amendment (x) with respect to the Existing Term Loans from which the Extended Term Loans were converted, shall amend the scheduled amortization payments required pursuant to Section 2.07, the Incremental Term Facility Amendment or the Refinancing Amendment, as applicable, to reduce each scheduled repayment amount for such Existing Term Loans in the same proportion as the amount of such Existing Term Loans to be converted pursuant to such Extension Amendment (it being understood that any repayment amount with respect to any such individual Existing Term Loan that is not an Extended Term Loan shall not be reduced as a result thereof), (y) may, but shall not be required to, impose additional requirements (not inconsistent with the provisions of this Agreement in effect at such time) with respect to the final maturity and weighted average life to maturity of Incremental Term Loans incurred following the Extension Date for such Extension Amendment and (z) effect such other amendments to this Agreement and the other Loan Documents as may be necessary or appropriate, in the reasonable opinion of the Administrative Agent and the Borrower, to effect the provisions of this Section 2.16 and the terms and conditions applicable to the Extended Loans.

(e) Notwithstanding anything to the contrary contained herein, (i) on any date on which any Existing Loans are converted to Extended Loans (each such date, an "**Extension Date**"), (A) in the case of any Class of Existing Term Loans of each Extending Term Lender of such Class, the aggregate principal amount of such Existing Term Loans of such Class shall be deemed reduced by an amount equal to the aggregate principal amount of Extended Term Loans so converted by such Lender on such date, and the Extended Term Loans shall be established as a separate Class of Term Loans from such Existing Term Loans and (B) in the case of any Class of Existing Revolving Credit Commitments of each Extending Revolving Lender, the aggregate principal amount of such Existing Revolving Credit Commitments of such Class shall be deemed reduced by an amount equal to the aggregate principal amount of Extended Revolving Credit Commitments so converted by such Lender on such date, and such Extended Revolving Credit Commitments shall be established as a separate Class of Revolving Credit Commitments from such Existing Revolving Credit Commitments and (ii) if, on any Extension Date, any Existing Revolving Credit Loans of any Extending Lender are outstanding under the applicable Existing Revolving Credit Commitments, such Existing Revolving Credit Loans (and any related participations) shall be deemed to be allocated as Extended Revolving Credit Loans (and related participations) and Existing Revolving Credit Loans (and related participations) in the same proportion as such Extending Lender's Existing Revolving Credit Commitments to Extended Revolving Credit Commitments.

(f) At any time following the establishment of any Extended Loans, the Borrower may offer to any Lender (without being required to make the same offer to any or all other Lenders) holding the Existing Loans from which such Extended Loans were converted and who did not to make a Extension Election in respect of any portion of such Existing Loans on or prior to the date specified in the Extension Request relating to such Extended Loans the right to convert all or any portion of such Existing Loans into Extended Loans of the same Class; *provided* that (A) such offer and any related acceptance (x) shall be in accordance with such procedures, if any, as may be reasonably requested by, or acceptable to, the Administrative Agent and (y) shall be on identical terms (including as to the proposed interest rates and fees payable, but excluding any arrangement, structuring or other fees payable in connection therewith that are not generally shared with other Extending Lenders) to those previously offered to the Extending Lenders who agreed to convert their Existing Loans into Extended Loans of such Class, (B) any Lender which agrees to an extension pursuant to this clause (f) shall enter into a joinder agreement to the respective Extension Amendment in form and substance reasonably satisfactory to the Administrative Agent and executed by such Lender, the Administrative Agent and the Borrower (and the Required Lenders hereby irrevocably authorize the Administrative Agent to enter into any such joinder agreement) and (C) the Existing Loans of any such Lender that are converted pursuant to this clause (f) shall be in an aggregate principal amount that is not less than a Dollar Amount of $1,000,000 (or, if such Lender's outstanding Loans of such Class amount to less than a Dollar Amount of $1,000,000, such lesser amount), unless each of the Borrower and the Administrative Agent otherwise consents.

(g) In the event that the Administrative Agent determines in its sole discretion that the allocation of Extended Revolving Credit Commitments to a given Lender was incorrectly determined as a result of manifest administrative error in the receipt and processing of an Extension Election by any Lender to extend all or a portion of its Existing Revolving Credit Commitments timely submitted by any such Lender in accordance with the procedures set

forth in the Revolving Credit Extension Request, then the Administrative Agent, the Borrower and such affected Lender may (and hereby are authorized to), in their sole discretion and without the consent of any other Lender, enter into an amendment to this Agreement and, if necessary, the other Loan Documents (each, a "**Corrective Revolving Credit Extension Amendment**") within 15 days following the applicable Extension Date, which Corrective Revolving Credit Extension Amendment shall (i) provide for the conversion and extension of the applicable Extended Revolving Credit Commitments in the amount such Lender would have held had such administrative error not occurred and had such Lender received the minimum allocation of the applicable Loans or Commitments to which it was entitled under the terms of such Extension in the absence of such error, (ii) be subject to the satisfaction of such conditions as the Administrative Agent, the Borrower and such Lender may agree, and (iii) effect such other amendments to this Agreement and the other Loan Documents as may be necessary or appropriate, in the reasonable opinion of the Administrative Agent and the Borrower, to effect the provisions of this Section 2.16.

(h) In the event that the Administrative Agent determines in its sole discretion that the allocation of Extended Term Loans to a given Lender was incorrectly determined as a result of manifest administrative error in the receipt and processing of an Extension Election by any Lender to extend all or a portion of its Existing Term Loans timely submitted by any such Lender in accordance with the procedures set forth in the Term Extension Request, then the Administrative Agent, the Borrower and such affected Lender may (and hereby are authorized to), in their sole discretion and without the consent of any other Lender, enter into an amendment to this Agreement and, if necessary, the other Loan Documents (each, a "**Corrective Term Loan Extension Amendment**") within 15 days following the applicable Extension Date, which Corrective Term Loan Extension Amendment shall (i) provide for the conversion and extension of the applicable Extended Term Loans in the amount such Lender would have held had such administrative error not occurred and had such Lender received the minimum allocation of the applicable Loans or Commitments to which it was entitled under the terms of such Extension in the absence of such error, (ii) be subject to the satisfaction of such conditions as the Administrative Agent, the Borrower and such Lender may agree, and (iii) effect such other amendments to this Agreement and the other Loan Documents as may be necessary or appropriate, in the reasonable opinion of the Administrative Agent and the Borrower, to effect the provisions of this Section 2.16.

(i) This Section 2.16 shall supersede any provisions in Section 2.13 or Section 11.01 to the contrary. For the avoidance of doubt, no conversion of Existing Loans pursuant to any Extension Amendment in accordance with this Section 2.16 shall constitute a voluntary or mandatory payment or prepayment for purposes of this Agreement.

SECTION 2.17 Currency Equivalents.

(a) The Administrative Agent shall determine the Dollar Amount of each Revolving Credit Loan and L/C Obligation in respect of Letters of Credit denominated in an Alternative Currency (i) as of the first day of each Interest Period applicable thereto and (ii) as of the end of each fiscal quarter of the Borrower, and shall promptly notify the Borrower and the Lenders of each Dollar Amount so determined by it. Each such determination shall be based on the Exchange Rate (x) on the date of the related Committed Loan Notice for purposes of the

initial such determination for any applicable Revolving Credit Loan and (y) on the fourth Business Day prior to the date as of which such Dollar Amount is to be determined, for purposes of any subsequent determination.

(b) If after giving effect to any such determination of a Dollar Amount, the sum of the aggregate Outstanding Amount of the Revolving Credit Loans and the L/C Obligations exceeds the aggregate Revolving Credit Commitments then in effect by 5% or more, the Borrower shall, within five (5) Business Days of receipt of notice thereof from the Administrative Agent setting forth such calculation in reasonable detail, prepay the applicable outstanding Revolving Credit Loans or take other action as the Administrative Agent, in its discretion, may direct (including Cash Collateralization of the applicable L/C Obligations in amounts from time to time equal to such excess) to the extent necessary to eliminate any such excess.

SECTION 2.18 Defaulting Lenders. *Adjustments*. Notwithstanding anything to the contrary contained in this Agreement, if any Lender becomes a Defaulting Lender, then, until such time as that Lender is no longer a Defaulting Lender, to the extent permitted by applicable Law:

(i) Waivers and Amendments. That Defaulting Lender's right to approve or disapprove any amendment, waiver or consent with respect to this Agreement shall be restricted as set forth in Section 11.01.

(ii) Reallocation of Payments. Any payment of principal, interest, fees or other amounts received by the Administrative Agent for the account of that Defaulting Lender (whether voluntary or mandatory, at maturity, pursuant to Article IX or otherwise), shall be applied at such time or times as may be determined by the Administrative Agent as follows: *first*, to the payment of any amounts owing by that Defaulting Lender to the Administrative Agent hereunder; *second*, to the payment on a pro rata basis of any amounts owing by that Defaulting Lender to the L/C Issuers or Swing Line Lender hereunder; *third*, if so determined by the Administrative Agent or requested by an L/C Issuer or Swing Line Lender, to be held as Cash Collateral for future funding obligations of that Defaulting Lender of any participation in any Swing Line Loan or Letter of Credit; *fourth*, as the Borrower may request (so long as no Default or Event of Default has occurred and is continuing), to the funding of any Loan in respect of which that Defaulting Lender has failed to fund its portion thereof as required by this Agreement, as determined by the Administrative Agent; *fifth*, if so determined by the Administrative Agent and the Borrower, to be held in a non-interest bearing deposit account and released in order to satisfy obligations of that Defaulting Lender to fund Loans under this Agreement; *sixth*, to the payment of any amounts owing to the Lenders, the L/C Issuer or Swing Line Lender as a result of any judgment of a court of competent jurisdiction obtained by any Lender, the L/C Issuers or Swing Line Lender against that Defaulting Lender as a result of that Defaulting Lender's breach of its obligations under this Agreement; *seventh*, so long as no Default or Event of Default has occurred and is continuing, to the payment of any amounts owing to the Borrower as a result of any judgment of a court of competent jurisdiction obtained by the Borrower against that Defaulting Lender as a result of that Defaulting Lender's breach of its obligations under

this Agreement; and *eighth*, to that Defaulting Lender or as otherwise directed by a court of competent jurisdiction; *provided* that if (x) such payment is a payment of the principal amount of any Loans or L/C Borrowings in respect of which that Defaulting Lender has not fully funded its appropriate share and (y) such Loans or L/C Borrowings were made at a time when the conditions set forth in Section 4.02 were satisfied or waived, such payment shall be applied solely to pay the Loans of, and L/C Borrowings owed to, all Non-Defaulting Lenders on a pro rata basis prior to being applied to the payment of any Loans of, or L/C Borrowings owed to, that Defaulting Lender. Any payments, prepayments or other amounts paid or payable to a Defaulting Lender that are applied (or held) to pay amounts owed by a Defaulting Lender or to post Cash Collateral pursuant to this Section 2.18(a)(ii) shall be deemed paid to and redirected by that Defaulting Lender, and each Lender irrevocably consents hereto.

(iii) Certain Fees. That Defaulting Lender (x) shall not be entitled to receive any commitment fee pursuant to Section 2.09(a) for any period during which that Lender is a Defaulting Lender (and the Borrower shall not be required to pay any such fee that otherwise would have been required to have been paid to that Defaulting Lender) and (y) shall be limited in its right to receive Letter of Credit fees as provided in Section 2.03(h).

(iv) Reallocation of Pro Rata Share to Reduce Fronting Exposure. During any period in which there is a Defaulting Lender, for purposes of computing the amount of the obligation of each Non-Defaulting Lender to acquire, refinance or fund participations in Letters of Credit or Swing Line Loans pursuant to Sections 2.03 and 2.04, the "Pro Rata Share" of each Non-Defaulting Lender's Revolving Credit Loans and L/C Obligations shall be computed without giving effect to the Commitment of that Defaulting Lender; *provided* that (i) each such reallocation shall be given effect only if, at the date the applicable Lender becomes a Defaulting Lender, no Default or Event of Default has occurred and is continuing; and (ii) the aggregate obligation of each Non-Defaulting Lender to acquire, refinance or fund participations in Letters of Credit and Swing Line Loans shall not exceed the positive difference, if any, of (1) the Commitment of that Non-Defaulting Lender minus (2) the aggregate Outstanding Amount of the Loans of that Non-Defaulting Lender.

(b) *Defaulting Lender Cure*. If the Borrower, the Administrative Agent, Swing Line Lender and the L/C Issuers agree in writing in their sole discretion that a Defaulting Lender should no longer be deemed to be a Defaulting Lender, the Administrative Agent will so notify the parties hereto, whereupon as of the effective date specified in such notice and subject to any conditions set forth therein (which may include arrangements with respect to any Cash Collateral), that Lender will, to the extent applicable, purchase that portion of outstanding Loans of the other Lenders or take such other actions as the Administrative Agent may determine to be necessary to cause the Revolving Credit Loans of the applicable Facility and funded and unfunded participations in Letters of Credit and Swing Line Loans to be held on a pro rata basis by the Lenders in accordance with their Pro Rata Share of the applicable Facility (without giving effect to Section 2.18(a)(iv)), whereupon that Lender will cease to be a Defaulting Lender; *provided* that no adjustments will be made retroactively with respect to fees accrued or payments made by or on behalf of the Borrower while that Lender was a Defaulting Lender; and *provided*

further that except to the extent otherwise expressly agreed by the affected parties, no change hereunder from Defaulting Lender to Lender will constitute a waiver or release of any claim of any party hereunder arising from that Lender's having been a Defaulting Lender.

ARTICLE III

Taxes, Increased Costs Protection and Illegality

SECTION 3.01 Taxes.

(a) Except as required by law, any and all payments by the Borrower (the term Borrower under Article III being deemed to include any Subsidiary for whose account a Letter of Credit is issued) or any Guarantor to or for the account of any Agent or any Lender under any Loan Document shall be made free and clear of and without deduction for any and all present or future taxes, duties, levies, imposts, deductions, assessments, fees, withholdings or similar charges, and all liabilities (including additions to tax, penalties and interest) with respect thereto, excluding, in the case of each Agent and each Lender, (i) taxes imposed on or measured by its net income (however denominated, and including branch profits and similar taxes), (ii) taxes imposed solely by reason of any connection between it and any jurisdiction other than by executing or entering into any Loan Document, receiving payments thereunder or having been a party to, performed its obligations under, or enforced, any Loan Document, (iii) franchise (and similar) taxes imposed on it in lieu of net income taxes, (iv) any taxes imposed in respect of an Assignee or other transferee pursuant to an assignment, participation or other transfer under Section 11.07 to the extent that, under applicable Laws in effect on the date of transfer, such tax is in excess of the tax that would have been applicable and indemnifiable by Borrower hereunder had such transferor not assigned its interest arising under any Loan Document (unless such assignment, transfer or participation is at the express written request of the Borrower), (v) U.S. federal withholding tax imposed pursuant to FATCA, (vi) amounts excluded pursuant to Section 3.01(f) hereto and (vii) any taxes imposed as a result of the failure of any Agent or Lender to comply with either the provisions of Section 3.01(b) and (c) (in the case of any Foreign Lender, as defined below) or the provisions of Section 3.01(e) (in the case of any U.S. Lender, as defined below) (all such non-excluded taxes, duties, levies, imposts, deductions, assessments, fees, withholdings or similar charges and liabilities being hereinafter referred to as "**Taxes**"). If the Borrower is required by any Laws to deduct any Taxes or Other Taxes (as defined below) from or in respect of any sum payable under any Loan Document to any Agent or any Lender, (i) the sum payable shall be increased as necessary so that after making all required deductions (including deductions applicable to additional sums payable under this Section 3.01(a)), each of such Agent and such Lender receives an amount equal to the sum it would have received had no such deductions been made, (ii) the Borrower shall make such deductions, (iii) the Borrower shall pay the full amount deducted to the relevant taxing authority, and (iv) within thirty (30) days after the date of such payment (or, if receipts or evidence are not available within thirty (30) days, as soon as practicable thereafter), the Borrower shall furnish to such Agent or Lender (as the case may be) the original or a facsimile copy of a receipt evidencing payment thereof to the extent such a receipt has been made available to the Borrower, or such other evidence of payment as is reasonably acceptable to such Agent or Lender. If the Borrower fails to pay any

Taxes or Other Taxes when due to the appropriate taxing authority or fails to remit to any Agent or any Lender the required receipts or other required documentary evidence that has been made available to the Borrower, the Borrower shall indemnify such Agent and such Lender for any incremental taxes, interest or penalties that may become payable by such Agent or such Lender arising out of such failure (excluding, however, any such incremental taxes, interest or penalties incurred as a result of the gross negligence or willful misconduct of the relevant Agent or Lender (as determined by a court of competent jurisdiction in a final and non-appealable judgment)). If the Borrower reasonably believes that any Taxes or Other Taxes it pays under this Section 3.01(a) were not correctly or legally imposed, the Agent and/or each affected Lender will use reasonable efforts to cooperate with the Borrower in pursuing a refund of such Taxes or Other Taxes so long as such efforts would not, in the sole determination of the Administrative Agent or affected Lender exercised in good faith, result in any additional costs, expenses or risks or be otherwise disadvantageous to it.

(b) Each Agent or Lender (including an Assignee to which a Lender assigns its interest in accordance with Section 11.07) that is not a "United States person" within the meaning of Section 7701(a)(30) of the Code (each a "**Foreign Lender**") agrees to complete and deliver to the Borrower and the Administrative Agent prior to the date on which the first payment is due to it hereunder, unless it is unable to do so solely as a result of a change in applicable Law after the initial Credit Extension on the Closing Date, an accurate, complete and original signed (i) Internal Revenue Service Form W-8BEN or successor form certifying that it is entitled to benefits under an income tax treaty to which the United States is a party that reduces the rate of withholding tax on payments of interest to zero; (ii) Internal Revenue Service Form W-8ECI or successor form certifying that the income receivable pursuant to any Loan Document is effectively connected with the conduct of a trade or business in the United States; or (iii) if the Foreign Lender is not (A) a bank described in Section 881(c)(3)(A) of the Code, (B) a 10-percent shareholder described in Section 871(h)(3)(B) of the Code, or (C) a controlled foreign corporation related to the Borrower within the meaning of Section 864(d) of the Code, an Internal Revenue Service Form W-8BEN or successor form certifying that the Foreign Lender is not a United States person and a separate certification in the form attached hereto at Exhibit J that interest received by the Foreign Lender under any Loan Document qualifies as "portfolio interest" within the meaning of Section 881(c)(2) of the Code.

(c) Thereafter and from time to time, each such Foreign Lender shall, unless it is unable to do so solely as a result of a change in applicable Law after the initial Credit Extension on the Closing Date (other than in the case of clause (B) below) (i) promptly submit to the Borrower and the Administrative Agent such additional duly completed and signed copies of one or more of such forms or certificates (or such successor forms or certificates as shall be adopted from time to time by the relevant United States taxing authorities) as may then be available to secure an exemption from or reduction in the rate of U.S. withholding tax (A) on or before the date that any such form, certificate or other evidence expires or becomes obsolete, (B) after the occurrence of a change in the Foreign Lender's circumstances requiring a change in the most recent form, certificate or evidence previously delivered by it to the Borrower and the Administrative Agent, and (C) from time to time thereafter if reasonably requested by the Borrower or the Administrative Agent, and (ii) promptly notify the Borrower and the Administrative Agent of any change in the Foreign Lender's circumstances which would modify or render invalid or inaccurate any claimed exemption or reduction.

(d) Each Agent and Lender (including, for the avoidance of doubt, "U.S. Lenders," as defined below) agrees to all reasonable requests of the Borrower that each comply with any certification, identification, information, documentation or other reporting requirement if such compliance is required by Law, regulation, administrative practice or an applicable treaty as a precondition to exemption from, or reduction in the rate of deduction or withholding of any Taxes or Other Taxes for which a Lender or Agent receives indemnity payments or additional amounts pursuant to this Section 3.01; *provided* that no such Agent or Lender shall be required to comply unless (i) it is not prohibited by any applicable Law from complying, (ii) such compliance will not result in any prejudice to its interest (other than any *de minimis* prejudice), (iii) Borrower has provided the required forms or documentation to such Agent or Lender reasonably in advance of the deadline for the filing or submission of such forms or other documentation with such forms duly completed by the Borrower with such information available to the Borrower, and (iv) Borrower shall be responsible for all reasonable costs and expenses incurred by such Agent or Lender in connection with such compliance.

(e) Each Agent or Lender (including an Assignee to which a Lender assigns its interest in accordance with Section 11.07) that is a "United States person" (within the meaning of Section 7701(a)(3) of the Code) (each a "**U.S. Lender**") agrees to complete and deliver to the Borrower and the Administrative Agent an accurate, complete and original signed Internal Revenue Service Form W-9 or successor form certifying that such Agent or Lender is not subject to United States federal backup withholding tax (i) on or prior to the Closing Date (or on or prior to the date on which it becomes a party to this Agreement), (ii) on or before the date on which such form expires or becomes obsolete, (iii) after the occurrence of a change in the Agent's or Lender's circumstances requiring a change in the most recent form previously delivered by it to the Borrower and the Administrative Agent, and (iv) from time to time thereafter if reasonably requested by the Borrower or the Administrative Agent.

(f) Notwithstanding anything else herein to the contrary and for the avoidance of doubt, if a Lender or an Agent is subject to United States federal withholding tax at a rate in excess of zero percent at the time when such Lender or such Agent first becomes a party to this Agreement (or changes its place of organization or its place of doing business, or designates a new Lending Office other than at the written request of the Borrower to change such Lending Office), such withholding tax (including additions to tax, penalties and interest imposed with respect to such withholding tax) shall be considered excluded from Taxes. Further, the Borrower shall not be required pursuant to this Section 3.01 to pay any additional amount to, or to indemnify, any Lender or Agent, as the case may be, to the extent that such Lender or such Agent becomes subject to Taxes subsequent to the Closing Date (or, if later, the date such Lender or Agent becomes a party to this Agreement) as a result of a change in the place of organization or place of doing business of such Lender or Agent or a change in the Lending Office of such Lender (other than at the written request of the Borrower to change such Lending Office).

(g) Notwithstanding anything else herein, the Borrower shall not be required pursuant to this Section 3.01 to pay any additional amount for or on an account of any United States tax imposed under FATCA, in respect of a payment made hereunder after December 31, 2013 that would not have been imposed but for a failure by the Lender or any other legal or beneficial holder or any foreign financial institution through which payments under this Agreement are made to comply with any applicable certification, documentation, information or other reporting requirement if such compliance is required by FATCA as a precondition to relief or exemption from such United States tax.

(h) The Borrower agrees to pay any and all present or future stamp, court or documentary taxes and any other excise, property, intangible or mortgage recording taxes or charges or similar levies which arise from any payment made under any Loan Document or from the execution, delivery, performance, enforcement or registration of, or otherwise with respect to, any Loan Document excluding, in each case, such amounts that result from an Assignment and Assumption, grant of a Participation, transfer or assignment to or designation of a new applicable Lending Office or other office for receiving payments under any Loan Document, except to the extent that any such change is requested or required in writing by the Borrower (all such non-excluded taxes described in this Section 3.01(h) being hereinafter referred to as "**Other Taxes**").

(i) If any Taxes or Other Taxes are directly asserted against any Agent or Lender with respect to any payment received by such Agent or Lender in respect of any Loan Document, such Agent or Lender may pay such Taxes or Other Taxes and the Borrower will promptly pay such additional amounts so that each of such Agent and such Lender receives an amount equal to the sum that it would have received had no such Taxes or Other Taxes been asserted. Payments under this Section 3.01(i) shall be made within fifteen (15) Business Days after the date on which the Borrower receives written demand for payment from such Agent or Lender, such written demand shall include a copy of the notice of assessment or other evidence of the requirement to pay such amount received from the relevant taxing authority.

(j) An Assignee or Participant shall not be entitled to receive any greater payment under Section 3.01 than the applicable Lender would have been entitled to receive with respect to the interest subject to the Assignment or the participation sold to such Participant at the time of the Assignment or the sale of the Participation, unless the Assignment or the sale of the participation to such Participant is made with the Borrower's prior written consent.

(k) If any Lender or Agent determines, in its sole good faith discretion, that it has received or realized any refund, whether directly or through any reduction of, or credit against its tax liabilities due to such refund, which refund, reduction or credit is attributable to (in the good faith judgment of such Lender or Agent) Taxes or Other Taxes as to which indemnification or additional amounts have been paid to it pursuant to this Section 3.01, such Lender of Agent shall promptly remit an amount equal to such refund or reduction or credit(but only to the extent of indemnity payments made, or additional amounts paid to the Lender or Agent under this Section 3.01 with respect to the Taxes or Other Taxes giving rise to such refund, reduction or credit plus any interest included in such amount by the relevant taxing authority attributable thereto) to the Borrower, net of all reasonable, documented out of pocket expenses of the Lender or Agent, as the case may be, and without interest (other than any interest paid by the relevant taxing authority with respect to such amount); *provided* that the Borrower, upon the request of the Lender or Agent, as the case may be, agrees promptly to return such amount to such party in the event such party is required to repay such amount to the relevant taxing authority. Such Lender or Agent, as the case may be, shall provide the Borrower with a copy of any notice of assessment or other evidence of the requirement to repay such amount received from the relevant taxing authority (*provided* that such Lender or Agent may delete any

information therein that such Lender or Agent deems confidential in its reasonable discretion). The parties hereto agree that any position taken on the tax returns of the Lender and Agent shall be within their sole good faith discretion and neither the Lender nor Agent shall be under any obligation to disclose any tax return or filing or related document to anyone as a result of this Section 3.01(k).

(l) Each Lender agrees that, upon the occurrence of any event giving rise to the operation of Section 3.01(a) or (h) with respect to such Lender it will, if requested by the Borrower, use commercially reasonable efforts (subject to legal and regulatory restrictions) to mitigate the effect of any such event, including by designating another Lending Office for any Loan or Letter of Credit affected by such event and by completing and delivering or filing any tax related forms which would reduce or eliminate any amount of Taxes or Other Taxes required to be deducted or withheld or paid by Borrower; *provided* that such efforts are made on terms that, in the sole good faith judgment of such Lender, cause such Lender and its Lending Office(s) to suffer no economic, legal or regulatory disadvantage unless such disadvantage is *de minimis*, and *provided further* that nothing in this Section 3.01(l) shall affect or postpone any of the Obligations of the Borrower or the rights of such Lender pursuant to Section 3.01(a) or (h).

(m) The Borrower and Administrative Agent may deduct and withhold any taxes required by any Laws to be deducted and withheld from any payment under any of the Loan Documents.

(n) The agreements in this Section 3.01 shall survive the termination of this Agreement and the payment of the Loans and all other amounts payable hereunder.

SECTION 3.02 Illegality. If after the Closing Date, any Lender reasonably determines that any Law has made it unlawful, or that any Governmental Authority has asserted that it is unlawful, for any Lender or its applicable Lending Office to make, maintain or fund any Eurocurrency Rate Loans, or to determine or charge interest rates based upon the applicable Eurocurrency Rate, then, on notice thereof by such Lender to the Borrower through the Administrative Agent, any obligation of such Lender to make or continue any affected Eurocurrency Rate Loans or to convert Base Rate Loans to such Eurocurrency Rate Loans shall be suspended until such Lender notifies the Administrative Agent and the Borrower that the circumstances giving rise to such determination no longer exist. Upon receipt of such notice, the Borrower may revoke any pending request for a Borrowing of, conversion to or continuation of Eurocurrency Rate Loans (subject to Section 3.05) and shall upon demand from such Lender (with a copy to the Administrative Agent), prepay or, (i) if applicable, convert all then outstanding affected Eurocurrency Rate Loans of such Lender to Base Rate Loans (the interest rate on which Base Rate Loans of such Lender shall, if necessary to avoid such illegality, be determined by the Administrative Agent without reference to the Eurocurrency Rate component of the Base Rate) or (II) if applicable and such Loans are denominated in an Alternative Currency, to the extent the applicable Borrower and all Appropriate Lenders agree, convert such Loans to Loans bearing interest at an alternative rate mutually acceptable to the applicable Borrower and all of the Appropriate Lenders, in each case, either on the last day of the Interest Period therefor, if such Lender may lawfully continue to maintain such Eurocurrency Rate Loans to such day, or promptly, if such Lender may not lawfully continue to maintain such Eurocurrency Rate Loans. Upon any such prepayment or conversion, the Borrower shall also

pay accrued interest on the amount so prepaid or converted and all amounts due, if any, in connection with such prepayment or conversion under Section 3.05. Each Lender agrees to designate a different Lending Office if such designation will avoid the need for such notice and will not, in the good faith judgment of such Lender, otherwise be materially disadvantageous to such Lender.

SECTION 3.03 Inability to Determine Rates. If the Required Lenders reasonably determine, in connection with any request for a Eurocurrency Rate Loan or a conversion to or continuation thereof, that by reason of any changes affecting the applicable interbank Eurocurrency market adequate and fair means do not exist for determining the Eurocurrency Rate for any requested Interest Period with respect to a proposed Eurocurrency Rate Loan, or that the Eurocurrency Rate for any requested Interest Period with respect to a proposed Eurocurrency Rate Loan does not adequately and fairly reflect the cost to such Lenders of funding such Loan, or that deposits are not being offered to banks in the relevant interbank market for the applicable amount and the Interest Period of such Eurocurrency Rate Loan, in each case due to circumstances arising on or after the date hereof, the Administrative Agent will promptly so notify the Borrower and each Lender. Thereafter, the obligation of the Lenders to make or maintain any affected Eurocurrency Rate Loans in the affected currency or currencies shall be suspended until the Administrative Agent (upon the instruction of the Required Lenders) revokes such notice. Upon receipt of such notice, subject to Section 3.05, the Borrower may revoke any pending request for a Borrowing of, conversion to or continuation of Eurocurrency Rate Loans or, failing that, will be deemed to have converted such request into a request for a Borrowing of Base Rate Loans in the amount specified therein (or, in the case of a pending request for a Loan denominated in an Alternative Currency, the Borrower and the Lenders may establish a mutually acceptable alternative rate).

SECTION 3.04 Increased Cost and Reduced Return; Capital Adequacy; Reserves on Eurocurrency Rate Loans.

(a) If any Lender reasonably determines that as a result of the introduction of or any change in or in the interpretation of any Law, in each case after the date hereof, or such Lender's compliance therewith, there shall be any increase in the cost to such Lender of make or making, funding or maintaining Eurocurrency Rate Loans or issuing or participating in Letters of Credit, or a reduction in the amount received or receivable by such Lender in connection with any of the foregoing (excluding for purposes of this Section 3.04(a) any such increased costs or reduction in amount resulting from (i) Taxes or Other Taxes covered by Section 3.01, or which would have been so covered but for an exclusion included therein, (ii) the imposition of, or any change in the rate of, any taxes payable by such Lender, (iii) reserve requirements contemplated by Section 3.04(c) and (iv) the requirements of the Bank of England and the Financial Services Authority or the European Central Bank reflected in the Mandatory Cost, other than as set forth below) or the Mandatory Cost, as calculated hereunder, does not represent the cost to such Lender of complying with the requirements of the Bank of England and/or the Financial Services Authority or the European Central Bank in relation to its making, funding or maintaining of Eurocurrency Rate Loans, then from time to time within fifteen (15) days after demand by such Lender setting forth in reasonable detail such increased costs (with a copy of such demand to the Administrative Agent given in accordance with Section 3.06), the Borrower shall pay to such Lender such additional amounts as will compensate such Lender for such increased costs

actually incurred or reduction actually suffered or, if applicable, the portion of such cost that is not represented by the Mandatory Cost. At any time that any Eurocurrency Rate Loan is affected by the circumstances described in this Section 3.04(a), the Borrower may, subject to Section 3.05, either (i) if the affected Eurocurrency Rate Loan is then being made pursuant to a Borrowing, cancel such Borrowing by giving the Administrative Agent telephonic notice (confirmed promptly in writing) thereof on the same date that the Borrower receives any such demand from such Lender or (ii) if the affected Eurocurrency Rate Loan is then outstanding, upon at least three Business Days' notice to the Administrative Agent, require the affected Lender to convert such Eurocurrency Rate Loan into a Base Rate Loan, if applicable.

(b) If any Lender reasonably determines that the introduction of any Law regarding capital adequacy or any change therein or in the interpretation thereof, in each case after the date hereof, or compliance by such Lender (or its Lending Office) therewith, has the effect of reducing the rate of return on the capital of such Lender or any corporation controlling such Lender as a consequence of such Lender's obligations hereunder to a level below that which such Lender or such corporation controlling such Lender could have achieved but for such introduction or change (taking into consideration its policies with respect to capital adequacy), then from time to time upon demand of such Lender setting forth in reasonable detail the charge and the calculation of such reduced rate of return (with a copy of such demand to the Administrative Agent given in accordance with Section 3.06), the Borrower shall promptly pay to such Lender such additional amounts as will reasonably compensate such Lender for such reduction actually suffered.

(c) The Borrower shall pay to each Lender, (i) as long as such Lender shall be required to maintain reserves with respect to liabilities or assets consisting of or including Eurocurrency funds or deposits, additional interest on the unpaid principal amount of each Eurocurrency Rate Loan equal to the actual costs of such reserves allocated to such Loan by such Lender (as determined by such Lender in good faith, which determination shall be conclusive in the absence of manifest error), and (ii) as long as such Lender shall be required to comply with any reserve ratio requirement or analogous requirement of any other central banking or financial regulatory authority imposed in respect of the maintenance of the Commitments or the funding of the Eurocurrency Rate Loans, such additional costs (expressed as a percentage per annum and rounded upwards, if necessary, to the nearest five decimal places) equal to the actual costs allocated to such Commitment or Loan by such Lender (as determined by such Lender in good faith, which determination shall be conclusive absent manifest error) which in each case shall be due and payable on each date on which interest is payable on such Loan, *provided* that the Borrower shall have received at least fifteen (15) days' prior notice (with a copy to the Administrative Agent) of such additional interest or cost from such Lender. If a Lender fails to give notice fifteen (15) days prior to the relevant Interest Payment Date, such additional interest or cost shall be due and payable fifteen (15) days from receipt of such notice. Notwithstanding the foregoing, the Borrower shall not be required to compensate a Lender pursuant to this Section 3.04 for any increased costs incurred or reductions suffered more than one-hundred and twenty (120) days prior to the date that such Lender notifies the Borrower of such increased costs or reductions; *provided* that, if the Law giving rise to such increased costs or reductions is retroactive, then the one-hundred and twenty-day (120-day) period referred to above shall be extended to include the period of retroactive effect thereof.

(d) If any Lender requests compensation under this Section 3.04, then such Lender will, if requested by the Borrower, use commercially reasonable efforts to designate another Lending Office for any Loan or Letter of Credit affected by such event; *provided* that such efforts are made on terms that, in the reasonable judgment of such Lender, cause such Lender and its Lending Office(s) to suffer no material economic, legal or regulatory disadvantage, and *provided further* that nothing in this Section 3.04(d) shall affect or postpone any of the Obligations of the Borrower or the rights of such Lender pursuant to Section 3.04(a), (b), (c) or (d).

(e) Notwithstanding any other provision of this Section 3.04, no Lender shall demand compensation for any increased costs under this Section 3.04 if it shall not be the general policy or practice of such Lender to demand such compensation in similar circumstances and unless such demand is generally consistent with such Lender's treatment of comparable borrowers of such Lender in the United States with respect to similarly affected commitments or loans.

(f) Notwithstanding anything in this Agreement to the contrary, (x) the Dodd-Frank Wall Street Reform and Consumer Protection Act and all requests, rules, guidelines or directives thereunder or issued in connection therewith and (y) all requests, rules, guidelines or directives promulgated by the Bank for International Settlements, the Basel Committee on Banking Supervision (or any successor or similar authority) or the United States regulatory authorities, in each case pursuant to Basel III, shall in each case be deemed to be a change after the Closing Date in a requirement or interpretation of law or governmental rule, regulation or order, regardless of the date enacted, adopted, issued or implemented for all purposes under or in connection with this Agreement (including this Section 3.04 and Section 3.05).

SECTION 3.05 Funding Losses. Upon written demand of any Lender (with a copy to the Administrative Agent) from time to time, which demand shall set forth in reasonable detail the basis for requesting such amount, the Borrower shall promptly compensate such Lender for and hold such Lender harmless from any loss, cost or expense incurred by it as a result of:

(a) any continuation, conversion, payment or prepayment of any Eurocurrency Rate Loan on a day other than the last day of the Interest Period for such Loan; or

(b) any failure by the Borrower (for a reason other than the failure of such Lender to make a Loan) to prepay, borrow, continue or convert any Eurocurrency Rate Loan on the date or in the amount notified by the Borrower;

including any loss or expense (excluding loss of anticipated profits) actually incurred by reason of the liquidation or reemployment of funds obtained by it to maintain such Eurocurrency Rate Loan or from fees payable to terminate the deposits from which such funds were obtained.

SECTION 3.06 Matters Applicable to All Requests for Compensation.

(a) Any Agent or Lender claiming compensation under this Article III shall deliver a certificate to the Borrower setting forth the additional amount or amounts to be paid to it hereunder which shall be conclusive in the absence of manifest error. In determining such amount, such Agent or Lender may use any reasonable averaging and attribution methods.

(b) With respect to any Lender's claim for compensation under Sections 3.01, 3.02, 3.03 or 3.04, the Borrower shall not be required to compensate such Lender for any amount incurred more than one hundred and eighty (180) days prior to the date that such Lender notifies the Borrower of the event that gives rise to such claim; *provided* that, if the circumstance giving rise to such claim is retroactive, then such 180-day period referred to above shall be extended to include the period of retroactive effect thereof. If any Lender requests compensation by the Borrower under Section 3.04, the Borrower may, by notice to such Lender (with a copy to the Administrative Agent), suspend the obligation of such Lender to make or continue from one Interest Period to another Eurocurrency Rate Loans, or to convert Base Rate Loans into Eurocurrency Rate Loans, until the event or condition giving rise to such request ceases to be in effect (in which case the provisions of Section 3.06(c) shall be applicable); *provided* that such suspension shall not affect the right of such Lender to receive the compensation so requested.

(c) If the obligation of any Lender to make or continue from one Interest Period to another any Eurocurrency Rate Loan, or to convert Base Rate Loans into Eurocurrency Rate Loans shall be suspended pursuant to Section 3.06(b) hereof, such Lender's Eurocurrency Rate Loans shall be automatically converted into Base Rate Loans on the last day(s) of the then current Interest Period(s) for such Eurocurrency Rate Loans (or, in the case of an immediate conversion required by Section 3.02, on such earlier date as required by Law) and, unless and until such Lender gives notice as provided below that the circumstances specified in Section 3.01, 3.02, 3.03 or 3.04 hereof that gave rise to such conversion no longer exist:

(i) to the extent that such Lender's Eurocurrency Rate Loans have been so converted, all payments and prepayments of principal that would otherwise be applied to such Lender's Eurocurrency Rate Loans shall be applied instead to its Base Rate Loans; and

(ii) all Loans that would otherwise be made or continued from one Interest Period to another by such Lender as Eurocurrency Rate Loans shall be made or continued instead as Base Rate Loans, and all Base Rate Loans of such Lender that would otherwise be converted into Eurocurrency Rate Loans shall remain as Base Rate Loans.

(d) If any Lender gives notice to the Borrower (with a copy to the Administrative Agent) that the circumstances specified in Section 3.01, 3.02, 3.03 or 3.04 hereof that gave rise to the conversion of such Lender's Eurocurrency Rate Loans pursuant to this Section 3.06 no longer exist (which such Lender agrees to do promptly upon such circumstances ceasing to exist) at a time when Eurocurrency Rate Loans made by other Lenders are outstanding, such Lender's Base Rate Loans shall be automatically converted, on the first day(s) of the next succeeding Interest Period(s) for such outstanding Eurocurrency Rate Loans, to the extent necessary so that, after giving effect thereto, all Loans held by the Lenders holding Eurocurrency Rate Loans and by such Lender are held pro rata (as to principal amounts, interest rate basis, and Interest Periods) in accordance with their respective Commitments.

SECTION 3.07 Replacement of Lenders under Certain Circumstances.

(a) If at any time (i) any Lender requests reimbursement for amounts owing pursuant to Section 3.01 or 3.04 as a result of any condition described in such Sections or any Lender ceases to make Eurocurrency Rate Loans as a result of any condition described in Section 3.02 or Section 3.04, (ii) any Lender becomes a Defaulting Lender or (iii) any Lender becomes a Non-Consenting Lender, then the Borrower may, on ten (10) Business Days' prior written notice to the Administrative Agent and such Lender, replace such Lender by causing such Lender to (and such Lender shall be obligated to) assign pursuant to Section 11.07(b) (at the sole cost and expense of the Borrower, including the payment of any processing or recordation fee by the Borrower in each instance) all of its rights and obligations under this Agreement (or, with respect to clause (iii) above, all of its rights and obligations with respect to the Class of Loans or Commitments that is the subject of the related consent, waiver or amendment) to one or more Eligible Assignees; *provided* that neither the Administrative Agent nor any Lender shall have any obligation to the Borrower to find a replacement Lender or other such Person; and *provided further* that (A) in the case of such assignment resulting from a claim for compensation under Section 3.04 or payments required to be made pursuant to Section 3.01, such assignment will result in a reduction in such compensation or payment and (B) in the case of any such assignment resulting from a Lender becoming a Non-Consenting Lender, the applicable Eligible Assignees shall have agreed to the applicable departure, waiver or amendment of the Loan Documents. No such replacement shall be deemed to be a waiver of any rights that the Borrower, the Administrative Agent or any other Lender shall have against the replaced Lender.

(b) Any Lender being replaced pursuant to Section 3.07(a) above shall (i) execute and deliver an Assignment and Assumption with respect to such Lender's Commitment and outstanding Loans and participations in L/C Obligations and Swing Line Loans, and (ii) deliver any Notes evidencing such Loans to the Borrower or Administrative Agent (or a lost or destroyed note indemnity in lieu thereof). Pursuant to such Assignment and Assumption, (A) the assignee Lender shall acquire all or a portion, as the case may be, of the assigning Lender's Commitment and outstanding Loans and participations in L/C Obligations and Swing Line Loans, (B) all obligations of the Borrower owing to the assigning Lender relating to the Loans and participations so assigned shall be paid in full by the assignee Lender to such assigning Lender concurrently with such assignment and assumption and (C) upon such payment and, if so requested by the assignee Lender, delivery to the assignee Lender of the appropriate Note or Notes executed by the Borrower, the assignee Lender shall become a Lender hereunder and the assigning Lender shall cease to constitute a Lender hereunder with respect to such assigned Loans, Commitments and participations, except with respect to indemnification provisions under this Agreement, which shall survive as to such assigning Lender.

(c) Notwithstanding anything to the contrary contained above, any Lender that acts as a L/C Issuer may not be replaced hereunder at any time that it has any Letter of Credit outstanding hereunder unless arrangements reasonably satisfactory to such L/C Issuer (including the furnishing of a back-up standby letter of credit in form and substance, and issued by an issuer reasonably satisfactory to such L/C Issuer or the depositing of cash collateral into a cash collateral account in amounts and pursuant to arrangements reasonably satisfactory to such L/C Issuer) have been made with respect to each such outstanding Letter of Credit and the Lender that acts as the Administrative Agent may not be replaced hereunder except in accordance with the terms of Section 10.09.

(d) In the event that (i) the Borrower or the Administrative Agent has requested that the Lenders consent to a departure or waiver of any provisions of the Loan Documents or agree to any amendment thereto, (ii) the consent, waiver or amendment in question requires the agreement of all affected Lenders in accordance with the terms of Section 11.01 or all the Lenders with respect to a certain Class or Classes of the Loans and (iii) the Required Lenders (or, in the case of any such consent, waiver or amendment requiring the agreement of all the Lenders with respect to a certain Class of Loans, the Majority Lenders with respect to such Class) have agreed to such consent, waiver or amendment, then any Lender who does not agree to such consent, waiver or amendment shall be deemed a "**Non-Consenting Lender**"; *provided* that the term "Non-Consenting Lender" shall also include (x) any Lender that rejects (or is deemed to reject) an Extension Request under Section 2.16, which Extension Request has been accepted under Section 2.16 by at least the Majority Lenders of the respective Class of Existing Loans which are to be extended pursuant to such Extension Request and (y) any Lender that does not elect to become a Lender in respect of any Credit Agreement Refinancing Indebtedness pursuant to Section 2.15.

SECTION 3.08 Survival. All of the Borrower's obligations under this Article III shall survive termination of the Aggregate Commitments and repayment of all other Obligations hereunder.

ARTICLE IV

(v) (i) an opinion from Cleary Gottlieb Steen & Hamilton LLP, New York counsel to the Loan Parties substantially in the form of Exhibit H-1 and (ii) an opinion from Young Conaway Stargatt & Taylor, LLP, Delaware counsel to the Loan Parties substantially in the form of Exhibit H-2;

(c) The Joint Lead Arrangers shall have received on or prior to the Closing Date all documentation and other information reasonably requested in writing by them at least five Business Days prior to the Closing Date in order to allow the Arrangers and the Lenders to comply with applicable "know your customer" and anti-money laundering rules and regulations, including the USA PATRIOT Act.

SECTION 4.02 Conditions to All Credit Extensions. The obligation of each Lender to honor any Request for Credit Extension (other than a Committed Loan Notice requesting only a conversion of Loans to the other Type, or a continuation of Eurocurrency Rate Loans) is subject to the following conditions precedent:

(a) The representations and warranties of the Borrower and each other Loan Party contained in Article V or any other Loan Document shall be true and correct in all material respects on and as of the date of such Credit Extension; *provided* that, to the extent that such representations and warranties specifically refer to an earlier date, they shall be true and correct in all material respects as of such earlier date; *provided*, *further* that, any representation and warranty that is qualified as to "materiality," "Material Adverse Effect" or similar language shall be true and correct (after giving effect to any qualification therein) in all respects on such respective dates.

(b) No Default shall exist, or would result from such proposed Credit Extension or from the application of the proceeds therefrom.

(c) The Administrative Agent and, if applicable, the relevant L/C Issuer or the Swing Line Lender shall have received a Request for Credit Extension in accordance with the requirements hereof.

Each Request for Credit Extension (other than a Committed Loan Notice requesting only a conversion of Loans to the other Type or a continuation of Eurocurrency Rate Loans) submitted by a Borrower shall be deemed to be a representation and warranty that the conditions specified in Sections 4.02(a) and (b) have been satisfied on and as of the date of the applicable Credit Extension.

ARTICLE V

Representations and Warranties

The Borrower represents and warrants to the Agents and the Lenders that:

SECTION 5.01 Existence, Qualification and Power; Compliance with Laws. SECTION 9.03 Application of Funds. (a) After any exercise of remedies provided for in Section 9.02 (or after the Loans have automatically become immediately due and payable and the L/C Obligations have automatically been required to be Cash Collateralized as set forth in the proviso to Section 9.02(a)), any amounts received on account of the Secured Obligations shall be applied by the Administrative Agent in the following order:

First, to payment of that portion of the Secured Obligations constituting fees, indemnities, expenses and other amounts (other than principal and interest, but including Attorney Costs payable under Section 11.04 and amounts payable under Article III) payable to the Administrative Agent in its capacity as such;

Second, to payment of that portion of the Secured Obligations constituting fees, indemnities and other amounts (other than principal and interest) payable to the Lenders (including Attorney Costs payable under Section 11.05 and amounts payable under Article III), ratably among them in proportion to the amounts described in this clause Second payable to them;

Sixth, to the payment of all other Secured Obligations of the Loan Parties and Guarantors that are due and payable to the Administrative Agent and the other Secured Parties on such date, ratably based upon the respective aggregate amounts of all such Secured Obligations owing to the Administrative Agent and the other Secured Parties on such date; and

Last, the balance, if any, after all of the Secured Obligations have been indefeasibly paid in full, to the Borrower or as otherwise required by Law; provided, in each case, that for the avoidance of doubt, in no event shall the proceeds of any Collateral pledged by a Guarantor be applied to payment of any Excluded Swap Obligations (as defined in the Security Agreement) of such Guarantor.

(b) Subject to Section 2.03(c), amounts used to Cash Collateralize the aggregate undrawn amount of Letters of Credit pursuant to clause Fifth in Section 9.03(a) above shall be applied to satisfy drawings under such Letters of Credit as they occur. If any amount remains on deposit as Cash Collateral after all Letters of Credit have either been fully drawn or expired, such remaining amount shall be applied to the other Obligations, if any, in the order set forth in Section 9.03(a) above and, if no Obligations remain outstanding, to the Borrower.

SECTION 9.04. Right to Cure. (a) Notwithstanding anything to the contrary contained in Section 9.01, in the event that the Borrower fails (or, but for the operation of this Section 9.04, would fail) to comply with the financial covenant set forth in Article VIII and until the expiration of the tenth (10th) Business Day after the date on which financial statements are required to be delivered pursuant to Section 6.01(a) or (b), as applicable, with respect to the applicable fiscal quarter (or the fiscal year ended on the last day of such fiscal quarter) hereunder (such date, the "**Cure Expiration Date**"), the Borrower may engage in a Permitted Equity Issuance and apply the amount of the net cash proceeds thereof to increase Consolidated EBITDA with respect to such applicable quarter; *provided* that such net cash proceeds (i) are actually received by the Borrower no later than ten (10) Business Days after the date on which financial statements are required to be delivered with respect to such fiscal quarter hereunder, (ii) are Not Otherwise Applied and disregarded for purposes of calculating the Available Amount, (iii) do not exceed the aggregate amount necessary to comply with Article VIII for any applicable period, and (iv) shall not result in any *pro forma* reduction in Indebtedness for the purposes of determining compliance with the financial covenant set forth in Article VIII for the fiscal quarter in which such Permitted Equity Issuance is made. If, after giving effect to the foregoing increase to Consolidated EBITDA, the Borrower shall then be in compliance with the requirements of Article VIII, the Borrower shall be deemed to have satisfied such requirements as of the relevant date of determination with the same effect as though there had been (or would have been) no failure to comply therewith at such date, and the failure to comply that occurred (or would have occurred) shall be deemed cured for purposes of this Agreement. The parties hereby acknowledge that this Section 9.04(a) may not be relied on for purposes of calculating any financial ratios other than as applicable to Article VIII and shall not result in any adjustment to any amounts (including, without limitation, Consolidated Senior Secured First-Lien Indebtedness) other than the amount of the Consolidated EBITDA referred to in the immediately preceding sentence.

(b) In each period of four fiscal quarters, (i) there shall be at least two (2) fiscal quarters in which no cure set forth in Section 9.04(a) is made and (ii) during the term of this Agreement, the cure set forth in Section 9.04(a) shall not be exercised more than five times.

(c) Notwithstanding anything to the contrary contained in Section 9.01, in the event that the Borrower fails (or, but for the operation of this Section 9.04, would fail) to comply with the financial covenant set forth in Article VIII, the Borrower may cure such failure by repaying Revolving Credit Loans and Swing Line Loans and Cash Collateralizing 101% of the Outstanding Amount of all L/C Obligations no later than ten (10) Business Days after the date on which financial statements are required to be delivered with respect to such fiscal quarter hereunder. Upon the effectiveness of such repayment and/or Cash Collateralization (i) the failure to comply with the financial covenant set forth in Article VIII that occurred (or would have occurred) shall be deemed cured for purposes of this Agreement and (ii) if prior to such time the Revolving Credit Lenders have declared all outstanding obligations under the Revolving Credit Facilities to be immediately due and payable solely as a result of such failure to comply with Article VIII, such declaration shall be deemed to be automatically rescinded at such time.

(a) Each Lender and each L/C Issuer hereby irrevocably appoints, designates and authorizes the Administrative Agent to take such action on its behalf under the provisions of this Agreement and each other Loan Document and to exercise such powers and perform such duties as are expressly delegated to it by the terms of this Agreement or any other Loan Document, together with such powers as are reasonably incidental thereto. Notwithstanding any provision to the contrary contained elsewhere herein or in any other Loan Document, the Administrative Agent shall have no duties or responsibilities, except those expressly set forth herein, nor shall the Administrative Agent have or be deemed to have any fiduciary relationship with any Lender or participant, and no implied covenants, functions, responsibilities, duties, obligations or liabilities shall be read into this Agreement or any other Loan Document or otherwise exist against the Administrative Agent. Without limiting the generality of the foregoing sentence, the use of the term "agent" herein and in the other Loan Documents with reference to any Agent is not intended to connote any fiduciary or other implied (or express) obligations arising under agency doctrine of any applicable Law. Instead, such term is used merely as a matter of market custom, and is intended to create or reflect only an administrative relationship between independent contracting parties.

(b) Each L/C Issuer shall act on behalf of the Lenders with respect to any Letters of Credit issued by it and the documents associated therewith, and each such L/C Issuer shall have all of the benefits and immunities (i) provided to the Agents in this Article X with respect to any acts taken or omissions suffered by such L/C Issuer in connection with Letters of Credit issued by it or proposed to be issued by it and the applications and agreements for letters of credit pertaining to such Letters of Credit as fully as if the term "Agent" as used in this Article X and in the definition of "Agent-Related Person" included such L/C Issuer with respect to such acts or omissions, and (ii) as additionally provided herein with respect to such L/C Issuer.

(c) The Administrative Agent shall also act as the "collateral agent" under the Loan Documents, and each of the Lenders (in its capacities as a Lender, Swing Line Lender (if applicable), L/C Issuer (if applicable) and a potential Hedge Bank and/or Cash Management Bank) hereby irrevocably appoints and authorizes the Administrative Agent to act as the agent of (and to hold any security interest created by the Collateral Documents for and on behalf of or on trust for) such Lender for purposes of acquiring, holding and enforcing (if then in effect, subject to the terms of any Intercreditor Agreement) any and all Liens on Collateral granted by any of the Loan Parties to secure any of the Obligations, together with such powers and discretion as are reasonably incidental thereto. In this connection, the Administrative Agent, as "collateral agent" (and any co-agents, sub-agents and attorneys-in-fact appointed by the Administrative Agent pursuant to Section 10.02 for purposes of holding or enforcing any Lien on the Collateral (or any portion thereof) granted under the Collateral Documents, or for exercising any rights and remedies thereunder at the direction of the Administrative Agent), shall be entitled to the benefits of all provisions of this Article X (including Section 10.07, as though such co-agents, sub-agents and attorneys-in-fact were the "collateral agent" under the Loan Documents) as if set forth in full

herein with respect thereto. Without limiting the generality of the foregoing, the Lenders hereby expressly authorize the Agents to execute any and all documents (including releases) with respect to the Collateral and the rights of the Secured Parties with respect thereto, as contemplated by and in accordance with the provisions of this Agreement and the Collateral Documents and acknowledge and agree that any such action by any Agent shall bind the Lenders.

SECTION 10.02 Delegation of Duties. The Administrative Agent may execute any of its duties under this Agreement or any other Loan Document (including for purposes of holding or enforcing any Lien on the Collateral (or any portion thereof) granted under the Collateral Documents or of exercising any rights and remedies thereunder) by or through agents, employees or attorneys-in-fact including for the purpose of any Borrowing or payment in Alternative Currencies, such sub-agents as shall be deemed necessary by the Administrative Agent and shall be entitled to advice of counsel and other consultants or experts concerning all matters pertaining to such duties. The exculpatory provisions of this Article shall apply to any such sub-agent and to any Agent-Related Person, and shall apply to their respective activities in connection with the syndication of the credit facilities provided for herein as well as activities as Administrative Agent. The Administrative Agent shall not be responsible for the negligence or misconduct of any agent or sub-agent or attorney-in-fact that it selects in the absence of gross negligence or willful misconduct (as determined in the final judgment of a court of competent jurisdiction).

SECTION 10.03 Liability of Agents.

(a) No Agent-Related Person shall (x) be liable for any action taken or omitted to be taken by any of them under or in connection with this Agreement or any other Loan Document or the transactions contemplated hereby (except for its own gross negligence or willful misconduct, as determined by the final judgment of a court of competent jurisdiction, in connection with its duties expressly set forth herein), (y) be liable for any action taken or not taken by it with the consent or at the request of the Required Lenders (or such other number or percentage of the Lenders as shall be necessary, or as the Administrative Agent shall believe in good faith shall be necessary, under the circumstances as provided in Section 11.01 or (z) be responsible in any manner to any Lender or participant for any recital, statement, representation or warranty made by any Loan Party, any Guarantor or any officer thereof, contained herein or in any other Loan Document, or in any certificate, report, statement or other document referred to or provided for in, or received by the Administrative Agent under or in connection with, this Agreement or any other Loan Document, or the validity, effectiveness, genuineness, enforceability or sufficiency of this Agreement or any other Loan Document, or the perfection or priority of any Lien or security interest created or purported to be created under the Collateral Documents, or for any failure of any Loan Party or any other party to any Loan Document to perform its obligations hereunder or thereunder.

(b) No Agent-Related Person shall be under any obligation to any Lender or participant to ascertain or to inquire as to the observance or performance of any of the agreements contained in, or conditions of, this Agreement or any other Loan Document, or to inspect the properties, books or records of any Loan Party or any Affiliate thereof.

(c) No Agent-Related Person shall have any duty to take any discretionary action or exercise any discretionary powers, except discretionary rights and powers expressly contemplated hereby or by the other Loan Documents that the Administrative Agent is required to exercise as directed in writing by the Required Lenders (or such other number or percentage of the Lenders as shall be expressly provided for herein or in the other Loan Documents), *provided* that the Administrative Agent shall not be required to take any action that, in its opinion or the opinion of its counsel, may expose the Administrative Agent to liability or that is contrary to any Loan Document or applicable law, including for the avoidance of doubt any action that may be in violation of the automatic stay under any Debtor Relief Law or that may effect a forfeiture, modification or termination of property of a Defaulting Lender in violation of any Debtor Relief Law.

(d) No Agent-Related Person shall, except as expressly set forth herein and in the other Loan Documents, have any duty to disclose, and shall not be liable for the failure to disclose, any information relating to any of the Borrower or any of their respective Affiliates that is communicated to or obtained by the Person serving as the Administrative Agent or any of its Affiliates in any capacity.

(e) No Agent-Related Person shall be subject to any fiduciary or other implied duties, regardless of whether a Default has occurred and is continuing.

SECTION 10.04 Reliance by Agents.

(a) Each Agent shall be entitled to rely, and shall be fully protected in relying, upon any writing, communication, signature, resolution, representation, notice, consent, certificate, affidavit, letter, telegram, facsimile, telex or telephone message, electronic mail message, statement or other document or conversation believed by it to be genuine and correct and to have been signed, sent or made by the proper Person or Persons, and upon advice and statements of legal counsel (including counsel to any Loan Party), independent accountants and other experts selected by such Agent. Each Agent shall be fully justified in failing or refusing to take any action under any Loan Document unless it shall first receive such advice or concurrence of the Required Lenders as it deems appropriate and, if it so requests, it shall first be indemnified to its satisfaction by the Lenders against any and all liability and expense which may be incurred by it by reason of taking or continuing to take any such action. Each Agent shall in all cases be fully protected in acting, or in refraining from acting, under this Agreement or any other Loan Document in accordance with a request or consent of the Required Lenders (or such greater number of Lenders as may be expressly required hereby in any instance) and such request and any action taken or failure to act pursuant thereto shall be binding upon all the Lenders.

(b) For purposes of determining compliance with the conditions specified in Section 4.01, each Lender that has signed this Agreement shall be deemed to have consented to, approved or accepted or to be satisfied with, each document or other matter required thereunder to be consented to or approved by or acceptable or satisfactory to a Lender unless the Administrative Agent shall have received notice from such Lender prior to the proposed Closing Date specifying its objection thereto.

SECTION 10.05 Notice of Default. The Administrative Agent shall not be deemed to have knowledge or notice of the occurrence of any Default, except with respect to defaults in the payment of principal, interest and fees required to be paid to the Administrative Agent for the account of the Lenders, unless the Administrative Agent shall have received written notice from a Lender or the Borrower referring to this Agreement, describing such Default and stating that such notice is a "notice of default." The Administrative Agent will notify the Lenders of its receipt of any such notice. The Administrative Agent shall take such action with respect to any Event of Default as may be directed by the Required Lenders in accordance with Article IX; *provided* that unless and until the Administrative Agent has received any such direction, the Administrative Agent may (but shall not be obligated to) take such action, or refrain from taking such action, with respect to such Event of Default as it shall deem advisable or in the best interest of the Lenders.

SECTION 10.06 Credit Decision; Disclosure of Information by Agents. Each Lender acknowledges that no Agent-Related Person has made any representation or warranty to it, and that no act by any Agent hereafter taken, including any consent to and acceptance of any assignment or review of the affairs of any Loan Party or any Affiliate thereof, shall be deemed to constitute any representation or warranty by any Agent-Related Person to any Lender as to any matter, including whether Agent-Related Persons have disclosed material information in their possession. Each Lender represents to each Agent that it has, independently and without reliance upon any Agent-Related Person and based on such documents and information as it has deemed appropriate, made its own appraisal of an investigation into the business, prospects, operations, property, financial and other condition and creditworthiness of the Loan Parties and their respective Subsidiaries, and all applicable bank or other regulatory Laws relating to the transactions contemplated hereby, and made its own decision to enter into this Agreement and to extend credit to the Borrower and the other Loan Parties hereunder. Each Lender also represents that it will, independently and without reliance upon any Agent-Related Person and based on such documents and information as it shall deem appropriate at the time, continue to make its own credit analysis, appraisals and decisions in taking or not taking action under this Agreement and the other Loan Documents, and to make such investigations as it deems necessary to inform itself as to the business, prospects, operations, property, financial and other condition and creditworthiness of the Borrower and the other Loan Parties. Except for notices, reports and other documents expressly required to be furnished to the Lenders by any Agent herein, such Agent shall not have any duty or responsibility to provide any Lender with any credit or other information concerning the business, prospects, operations, property, financial and other condition or creditworthiness of any of the Loan Parties or any of their respective Affiliates which may come into the possession of any Agent-Related Person.

SECTION 10.07 Indemnification of Agents. Whether or not the transactions contemplated hereby are consummated, the Lenders shall indemnify upon demand each Agent-Related Person (to the extent not reimbursed by or on behalf of any Loan Party and without limiting the obligation of any Loan Party to do so), pro rata, and hold harmless each Agent- Related Person from and against any and all Indemnified Liabilities incurred by it; *provided* that no Lender shall be liable for the payment to any Agent-Related Person of any portion of such Indemnified Liabilities resulting from such Agent-Related Person's own gross negligence or willful misconduct, as determined by the final judgment of a court of competent jurisdiction; *provided* that no action taken in accordance with the directions of the Required Lenders (or such

other number or percentage of the Lenders as shall be required by the Loan Documents) shall be deemed to constitute gross negligence or willful misconduct for purposes of this Section 10.07. In the case of any investigation, litigation or proceeding giving rise to any Indemnified Liabilities, this Section 10.07 applies whether any such investigation, litigation or proceeding is brought by any Lender or any other Person. Without limitation of the foregoing, each Lender shall reimburse the Administrative Agent upon demand for its ratable share of any costs or out-of-pocket expenses (including Attorney Costs) incurred by the Administrative Agent in connection with the preparation, execution, delivery, administration, modification, amendment or enforcement (whether through negotiations, legal proceedings or otherwise) of, or legal advice in respect of rights or responsibilities under, this Agreement, any other Loan Document, or any document contemplated by or referred to herein, to the extent that the Administrative Agent is not reimbursed for such expenses by or on behalf of the Borrower, *provided* that such reimbursement by the Lenders shall not affect the Borrower's continuing reimbursement obligations with respect thereto. The undertaking in this Section 10.07 shall survive termination of the Aggregate Commitments, the payment of all other Obligations and the resignation of the Administrative Agent.

SECTION 10.08 Agents in their Individual Capacities. Bank of America and its Affiliates may make loans to, issue letters of credit for the account of, accept deposits from, acquire Equity Interests in and generally engage in any kind of banking, trust, financial advisory, underwriting or other business with each of the Loan Parties, the Guarantors and their respective Affiliates as though Bank of America were not the Administrative Agent or an L/C Issuer hereunder and without notice to or consent of the Lenders. The Lenders acknowledge that, pursuant to such activities, Bank of America or its Affiliates may receive information regarding any Loan Party, any Guarantor or any of their Affiliates (including information that may be subject to confidentiality obligations in favor of such Loan Party, such Guarantor or such Affiliate) and acknowledge that the Administrative Agent shall be under no obligation to provide such information to them. With respect to its Loans, Bank of America shall have the same rights and powers under this Agreement as any other Lender and may exercise such rights and powers as though it were not the Administrative Agent or an L/C Issuer, and the terms "Lender" and "Lenders" include Bank of America in its individual capacity.

SECTION 10.09 Successor Agents. The Administrative Agent may resign as the Administrative Agent upon at least thirty (30) days' prior written notice to the Lenders and the Borrower. If the Administrative Agent is in material breach of its obligations hereunder as Administrative Agent, then the Administrative Agent may be removed as the Administrative Agent at the request of the Required Lenders. If at any time, the Administrative Agent is a Defaulting Lender, the Administrative Agent may be removed as the Administrative Agent hereunder by the Borrower upon fifteen (15) days' notice to the Lenders. Such removal shall take effect upon the appointment of a successor Administrative Agent as provided below.

Upon receipt of any such notice of resignation or upon such removal, the Required Lenders shall appoint from among the Lenders a successor agent for the Lenders, which successor agent shall be (a) a bank with an office in the United States or an Affiliate of any such bank with an office in the United States, and (b) consented to by the Borrower at all times other than during the existence of an Event of Default under Section 9.01(f) or (g) (which consent of the Borrower shall not be unreasonably withheld or delayed).

If no successor agent is appointed prior to the effective date of the resignation of the Administrative Agent, then the retiring Administrative Agent may appoint, after consulting with the Lenders and with the consent of the Borrower (which consent shall not be unreasonably withheld or delayed, provided that the Borrower's consent shall not be required during the existence of an Event of Default under Section 9.01(f) or (g)), a successor agent, which shall be a bank with an office in the United States or an Affiliate of any such bank with an office in the United States, from among the Lenders.

Upon the acceptance of its appointment as successor agent hereunder, the Person acting as such successor agent shall succeed to all the rights, powers and duties of the retiring Administrative Agent (except for any indemnity payments or other amounts then owed to the retiring or removed Administrative Agent) and the term "Administrative Agent," shall mean such successor administrative agent and/or supplemental administrative agent, as the case may be, and the retiring Administrative Agent's appointment, powers and duties as the Administrative Agent shall be terminated. After the retiring Administrative Agent's resignation hereunder as the Administrative Agent, the provisions of this Article X and Sections 11.04 and 11.05 shall inure to its benefit as to any actions taken or omitted to be taken by it while it was the Administrative Agent under this Agreement.

If no successor agent has accepted appointment as the Administrative Agent by the date which is thirty (30) Business Days following the retiring Administrative Agent's notice of resignation, the retiring Administrative Agent's resignation shall nevertheless thereupon become effective (except that in the case of any collateral security held by the Administrative Agent on behalf of the Lenders or the L/C Issuer under any of the Loan Documents, the retiring Administrative Agent shall continue to hold such collateral security as nominee until such time as a successor Administrative Agent is appointed) and the Required Lenders shall perform all of the duties of the Administrative Agent hereunder until such time, if any, as the Required Lenders appoint a successor agent as provided for above.

Upon the acceptance of any successor's appointment as the Administrative Agent hereunder and upon the execution and filing or recording of such financing statements, or amendments thereto, and such amendments or supplements to the Mortgages, and such other instruments or notices, as may be necessary or desirable, or as the Required Lenders may request, in order to (a) continue the perfection of the Liens granted or purported to be granted by the Collateral Documents or (b) otherwise ensure that the Collateral and Guarantee Requirement is satisfied, such successor shall thereupon succeed to and become vested with all the rights, powers, discretion, privileges, and duties of the retiring Administrative Agent, and the retiring (or retired) Administrative Agent shall be discharged from its duties and obligations under the Loan Documents.

The fees payable by the Borrower to a successor Administrative Agent shall be the same as those payable to its predecessor unless otherwise agreed between the Borrower and such successor. After the retiring Administrative Agent's resignation hereunder as the Administrative Agent, the provisions of this Article X shall continue in effect for its benefit, its sub-agents and their respective Agent-Related Persons in respect of any actions taken or omitted to be taken by it while it was acting as the Administrative Agent.

Any resignation by Bank of America as Administrative Agent pursuant to this Section 10.09 shall also constitute its resignation as L/C Issuer and Swing Line Lender. Upon the acceptance of a successor's appointment as Administrative Agent hereunder, (i) such successor shall succeed to and become vested with all of the rights, powers, privileges and duties of the retiring L/C Issuer and Swing Line Lender, (ii) the retiring L/C Issuer and Swing Line Lender shall be discharged from all of their respective duties and obligations hereunder or under the other Loan Documents, and (iii) the successor L/C Issuer shall issue letters of credit in substitution for the Letters of Credit, if any, outstanding at the time of such succession or make other arrangements satisfactory to the retiring L/C Issuer to effectively assume the obligations of the retiring L/C Issuer with respect to such Letters of Credit.

SECTION 10.10 Administrative Agent May File Proofs of Claim. In case of the pendency of any receivership, insolvency, liquidation, bankruptcy, reorganization, arrangement, adjustment, composition or other judicial proceeding relative to any Loan Party, the Administrative Agent (irrespective of whether the principal of any Loan or L/C Obligation shall then be due and payable as herein expressed or by declaration or otherwise and irrespective of whether the Administrative Agent shall have made any demand on the Borrower) shall be entitled and empowered, by intervention in such proceeding or otherwise:

(a) to file and prove a claim for the whole amount of the principal and interest owing and unpaid in respect of the Loans, L/C Obligations and all other Obligations that are owing and unpaid and to file such other documents as may be necessary or advisable in order to have the claims of the Lenders and the Administrative Agent (including any claim for the reasonable compensation, expenses, disbursements and advances of the Lenders and the Administrative Agent and their respective agents and counsel and all other amounts due the Lenders and the Administrative Agent under Sections 2.03(h) and (i), 2.09 and 11.04) allowed in such judicial proceeding; and

(b) to collect and receive any monies or other property payable or deliverable on any such claims and to distribute the same;

and any custodian, receiver, assignee, trustee, liquidator, sequestrator or other similar official in any such judicial proceeding is hereby authorized by each Lender to make such payments to the Administrative Agent and, in the event that the Administrative Agent shall consent to the making of such payments directly to the Lenders, to pay to the Administrative Agent any amount due for the reasonable compensation, expenses, disbursements and advances of the Agents and their respective agents and counsel, and any other amounts due the Administrative Agent under Sections 2.09 and 11.04.

Nothing contained herein shall be deemed to authorize the Administrative Agent to authorize or consent to or accept or adopt on behalf of any Lender any plan of reorganization, arrangement, adjustment or composition affecting the Obligations or the rights of any Lender or to authorize the Administrative Agent to vote in respect of the claim of any Lender in any such proceeding.

SECTION 10.11 [Reserved]

SECTION 10.12 Other Agents; Arrangers and Managers. None of the Lenders or other Persons identified on the facing page or signature pages of this Agreement as a "syndication agent," "co-documentation agent", "joint bookrunner", "joint lead arranger" or "co-manager" shall have any right, power, obligation, liability, responsibility or duty under this Agreement other than those applicable to all Lenders as such. Without limiting the foregoing, none of the Lenders or other Persons so identified shall have or be deemed to have any fiduciary relationship with any Lender. Each Lender acknowledges that it has not relied, and will not rely, on any of the Lenders or other Persons so identified in deciding to enter into this Agreement or in taking or not taking action hereunder.

SECTION 10.13 Appointment of Supplemental Administrative Agents.

(a) It is the purpose of this Agreement and the other Loan Documents that there shall be no violation of any Law of any jurisdiction denying or restricting the right of banking corporations or associations to transact business as agent or trustee in such jurisdiction. It is recognized that in case of litigation under this Agreement or any of the other Loan Documents, and in particular in case of the enforcement of any of the Loan Documents, or in case the Administrative Agent deems that by reason of any present or future Law of any jurisdiction it may not exercise any of the rights, powers or remedies granted herein or in any of the other Loan Documents or take any other action which may be desirable or necessary in connection therewith, the Administrative Agent is hereby authorized to appoint an additional individual or institution selected by the Administrative Agent in its sole discretion as a separate trustee, co-trustee, administrative agent, collateral agent, administrative sub-agent or administrative co-agent (any such additional individual or institution being referred to herein individually as a "**Supplemental Administrative Agent**" and collectively as "**Supplemental Administrative Agents**").

(b) In the event that the Administrative Agent appoints a Supplemental Administrative Agent with respect to any Collateral, (i) each and every right, power, privilege or duty expressed or intended by this Agreement or any of the other Loan Documents to be exercised by or vested in or conveyed to the Administrative Agent with respect to such Collateral shall be exercisable by and vest in such Supplemental Administrative Agent to the extent, and only to the extent, necessary to enable such Supplemental Administrative Agent to exercise such rights, powers and privileges with respect to such Collateral and to perform such duties with respect to such Collateral, and every covenant and obligation contained in the Loan Documents and necessary to the exercise or performance thereof by such Supplemental Administrative Agent shall run to and be enforceable by either the Administrative Agent or such Supplemental Administrative Agent, and (ii) the provisions of this Article X and of Sections 11.04 and 11.05 that refer to the Administrative Agent shall inure to the benefit of such Supplemental Administrative Agent and all references therein to the Administrative Agent shall be deemed to be references to the Administrative Agent and/or such Supplemental Administrative Agent, as the context may require.

(c) Should any instrument in writing from any Loan Party be required by any Supplemental Administrative Agent so appointed by the Administrative Agent for more fully and certainly vesting in and confirming to him or it such rights, powers, privileges and duties, the Borrower or Holdings, as applicable, shall, or shall cause such Loan Party to, execute, acknowledge and deliver any and all such instruments promptly upon request by the Administrative Agent. In case any Supplemental Administrative Agent, or a successor thereto, shall die, become incapable of acting, resign or be removed, all the rights, powers, privileges and duties of such Supplemental Administrative Agent, to the extent permitted by Law, shall vest in and be exercised by the Administrative Agent until the appointment of a new Supplemental Administrative Agent.

ARTICLE XI

Miscellaneous

SECTION 11.01 Amendments, Etc. Except as otherwise set forth in this Agreement, no amendment, modification, supplement or waiver of any provision of this Agreement or any other Loan Document, and no consent to any departure by the Borrower or any other Loan Party therefrom, shall be effective unless in writing signed by the Required Lenders (or, with the written consent of the Required Lenders, the Administrative Agent) and the Borrower or the applicable Loan Party, as the case may be, and acknowledged by the Administrative Agent and each such waiver, amendment, modification, supplement or consent shall be effective only in the specific instance and for the specific purpose for which given; *provided* that, no such amendment, modification, supplement, waiver or consent shall:

(a) extend or increase the Commitment of any Lender without the written consent of such Lender (it being understood that a waiver of any condition precedent set forth in Section 4.02 or the waiver of any Default, mandatory prepayment or mandatory reduction of the Commitments shall not constitute an extension or increase of any Commitment of any Lender);

(b) postpone any date scheduled for, or reduce the amount of, any payment of principal or interest under Section 2.07 or 2.08 to any Lender without the written consent of such Lender directly and adversely affected thereby, it being understood that the waiver of (or amendment to the terms of) any mandatory prepayment of the Term Loans shall not constitute a postponement of any date scheduled for the payment of principal or interest;

(c) reduce or forgive the principal of, or the rate of interest specified herein on, any Loan or L/C Borrowing, or (subject to clause (iii) of the second proviso to this Section 11.01) any fees or other amounts payable hereunder or under any other Loan Document to any Lender without the written consent of such Lender directly and adversely affected thereby, it being understood that any change to the definitions of Interest Coverage Ratio, Total Net Leverage Ratio, Senior Secured Net Leverage Ratio or Senior Secured First-Lien Net Leverage Ratio or, in each case, in the component definitions thereof shall not constitute a reduction in the rate of interest; *provided* that, only the consent of the Required Lenders shall be necessary to amend the definition of "Default Rate" or to waive any obligation of the Borrower to pay interest at the Default Rate;

(d) change the definition of "Required Lenders" without the written consent of each Lender; change any provision of this Section 11.01, the definition of "Pro Rata Share" or Section 2.05(b)(v)(Y), 2.06(c), 2.13 or 9.03 without the written consent of each Lender directly and adversely affected thereby;

(e) other than in a transaction permitted under Section 7.04 or Section 7.05, or as permitted under Section 11.15 or any Collateral Document, release all or substantially all of the Collateral in any transaction or series of related transactions, without the written consent of each Lender (other than a Defaulting Lender);

(f) other than in a transaction permitted under Section 7.04 or Section 7.05, or as permitted under Section 11.15 or any Collateral Document, release all or substantially all of the aggregate value of the Guarantees without the written consent of each Lender (other than a Defaulting Lender);

(g) change the currency in which any Loan is denominated without the written consent of the Lender holding such Loans; or

(h) require any Lender to make available Interest Periods longer than six months without the written consent of each Lender.

and *provided further* that (i) no amendment, waiver or consent shall, unless in writing and signed by each L/C Issuer in addition to the Lenders required above, affect the rights or duties of an L/C Issuer under this Agreement or any Letter of Credit Application relating to any Letter of Credit issued or to be issued by it; (ii) no amendment, waiver or consent shall, unless in writing and signed by the Swing Line Lenders in addition to the Lenders required above, affect the rights or duties of the Swing Line Lenders under this Agreement; (iii) no amendment, waiver or consent shall, unless in writing and signed by the Administrative Agent in addition to the Lenders required above, affect the rights or duties of, or any fees or other amounts payable to, the Administrative Agent under this Agreement or any other Loan Document; (iv) Section 11.07(h) may not be amended, waived or otherwise modified without the consent of each Granting Lender all or any part of whose Loans are being funded by an SPC at the time of such amendment, waiver or other modification; (v) the consent of Lenders holding more than 50% of any Class of Commitments shall be required with respect to any amendment that by its terms adversely affects the rights of such Class in respect of payments hereunder in a manner different than such amendment affects other Classes; and (vi) only the consent of the Required Revolving Credit Lenders shall be necessary to amend the definition of "Required Revolving Credit Lenders" or amend or waive the terms and provisions (and related definitions) of Article VIII or waive, amend, terminate or otherwise modify Article VIII with respect to the occurrence of an Event of Default. Any such waiver and any such amendment, modification or supplement in accordance with the terms of this Section 11.01 shall apply equally to each of the Lenders and shall be binding on the Loan Parties, the Lenders, the Agents and all future holders of the Loans and Commitments. Notwithstanding anything to the contrary herein, no Defaulting Lender shall have any right to approve or disapprove any amendment, waiver or consent hereunder, except that the Commitment of such Lender may not be increased or extended without the consent of such Lender (it being understood that any Commitments or Loans held or deemed held by any Defaulting Lender shall be excluded for a vote of the Lenders hereunder requiring any consent of the Lenders).

Notwithstanding the foregoing, this Agreement may be amended (or amended and restated) with the written consent of the Required Lenders, the Administrative Agent and the Borrower (a) to add one or more additional credit facilities to this Agreement and to permit the extensions of credit from time to time outstanding thereunder and the accrued interest and fees in respect thereof to share ratably in the benefits of this Agreement and the other Loan Documents with the Term Loans and the Revolving Credit Loans and the accrued interest and fees in respect thereof and (b) to include appropriately the Lenders holding such credit facilities in any determination of the Required Lenders. Furthermore, notwithstanding anything to the contrary contained in this Section 11.01, the Administrative Agent and the Borrower may amend any Loan Document to correct technical administrative or manifest errors or omissions, or to effect administrative changes that are not adverse to any Lender; *provided*, *however*, that no such amendment shall become effective until the fifth Business Day after it has been posted to the Lenders, and then only if the Required Lenders have not objected in writing thereto within such five (5) Business Day period.

Notwithstanding the foregoing, any Intercreditor Agreement may be amended (or amended and restated, with only the written consent of the Administrative Agent, any Senior Representatives thereunder and the Borrower, and without the consent of any Lenders to add the Senior Representatives of any Permitted First Priority Refinancing Debt or any Permitted Second Priority Refinancing Debt as parties to such Intercreditor Agreement, it being understood that any such amendment, modification or supplement may make such other changes to the applicable Intercreditor Agreement as, in the good faith determination of the Administrative Agent, are required to effectuate the foregoing; provided, that such other changes are not adverse, in any material respect, to the interests of the Lenders, and provided further that no such agreement shall amend, modify or otherwise affect the rights or duties of the Administrative Agent hereunder or under any other Loan Document without the prior written consent of the Administrative Agent.

Notwithstanding anything to the contrary contained in Section 11.01, guarantees, collateral security documents and related documents executed by Subsidiaries in connection with this Agreement may be in a form reasonably determined by the Administrative Agent and may be, together with this Agreement, amended and waived with the consent of the Administrative Agent at the request of the Borrower without the need to obtain the consent of any other Lender if such amendment or waiver is delivered in order (i) to comply with local Law or advice of local counsel, (ii) to cure ambiguities or defects, (iii) to cause such guarantee, collateral security document or other document to be consistent with this Agreement and the other Loan Documents, (iv) to include “parallel debt” or similar provisions, and any authorizations or granting of powers by the Lenders and the other Secured Parties in favor of the Administrative Agent, in each case required to create in favor of the Administrative Agent any security interest contemplated to be created under this Agreement, or to perfect any such security interest, where the Administrative Agent shall have been advised by its counsel that such provisions are necessary or advisable under local law for such purpose.

SECTION 11.02 Notices and Other Communications; Facsimile Copies.

Unless otherwise expressly provided herein, all notices and other communications provided for hereunder or under any other Loan Document shall be in writing (including by facsimile transmission). (i) if to the Borrower, the Administrative Agent, an L/C Issuer or the Swing Line Lender, to the address, facsimile number, electronic mail address or telephone number specified for such Person on Schedule 11.02 or to such other address, facsimile number, electronic mail address or telephone number as shall be designated by such party in a notice to the other parties; and

(ii) if to any other Lender, to the address, facsimile number, electronic mail address or telephone number specified in its Administrative Questionnaire or to such other address, facsimile number, electronic mail address or telephone number as shall be designated by such party in a notice to the Borrower, the Administrative Agent, the L/C Issuers and the Swing Line Lender.

All such notices and other communications shall be deemed to be given or made upon the earlier to occur of (i) actual receipt by the relevant party hereto and (ii) (A) if delivered by hand or by courier, when signed for by or on behalf of the relevant party hereto; (B) if delivered by mail, four (4) Business Days after deposit in the mails, postage prepaid; (C) if delivered by facsimile, when sent and receipt has been confirmed by telephone; and (D) if delivered by electronic mail (which form of delivery is subject to the provisions of Section 11.02(c)), when delivered; *provided* that notices and other communications to the Administrative Agent, the L/C Issuers and the Swing Line Lender pursuant to Article II shall not be effective until actually received by such Person. In no event shall a voice mail message be effective as a notice, communication or confirmation hereunder.

(b) *Effectiveness of Facsimile Documents and Signatures*. Loan Documents may be transmitted and/or signed by facsimile or other electronic communication. The effectiveness of any such documents and signatures shall, subject to applicable Law, have the same force and effect as manually signed originals and shall be binding on all Loan Parties, the Agents and the Lenders.

(c) *Reliance by Agents and Lenders*. The Administrative Agent and the Lenders shall be entitled to rely and act upon any notices (including telephonic Committed Loan Notices and Swing Line Loan Notices) purportedly given by or on behalf of the Borrower even if (i) such notices were not made in a manner specified herein, were incomplete or were not preceded or followed by any other form of notice specified herein, or (ii) the terms thereof, as understood by the recipient, varied from any confirmation thereof. The Borrower shall indemnify each Agent-Related Person and each Lender from all losses, costs, expenses and liabilities resulting from the reliance by such Person on each notice purportedly given by or on behalf of the Borrower in the absence of gross negligence or willful misconduct. All telephonic notices to the Administrative Agent may be recorded by the Administrative Agent, and each of the parties hereto hereby consents to such recording.

SECTION 11.03 No Waiver; Cumulative Remedies. No failure by any Lender or the Administrative Agent to exercise, and no delay by any such Person in exercising, any right, remedy, power or privilege hereunder or under any other Loan Document shall operate as a waiver thereof; nor shall any single or partial exercise of any right, remedy, power or privilege hereunder preclude any other or further exercise thereof or the exercise of any other right, remedy, power or privilege. The rights, remedies, powers and privileges herein provided, and provided under each other Loan Document, are cumulative and not exclusive of any rights, remedies, powers and privileges provided by Law.

SECTION 11.04 Attorney Costs and Expenses. The Borrower agrees (a) if the Closing Date occurs, to pay or reimburse the Administrative Agent, the Syndication Agent, each Co-Documentation Agent and the Joint Lead Arrangers for all reasonable and documented out of pocket costs and expenses incurred in connection with the preparation, negotiation, syndication and execution of this Agreement and the other Loan Documents and any amendment, waiver, consent or other modification of the provisions hereof and thereof (whether or not the transactions contemplated thereby are consummated), and the consummation and administration of the transactions contemplated hereby and thereby, including all Attorney Costs of White & Case LLP and one local and foreign counsel in each relevant jurisdiction and, in the case of an actual conflict of interest, one additional counsel to the affected parties taken as a whole, and (b) to pay or reimburse the Administrative Agent, each other Agent and each Lender for all reasonable and documented out-of-pocket costs and expenses incurred in connection with the enforcement of any rights or remedies under this Agreement or the other Loan Documents (including all such costs and expenses incurred during any legal proceeding, including any proceeding under any Debtor Relief Law, and including all Attorney Costs of counsel to the Administrative Agent). The foregoing costs shall include all reasonable search, filing, recording and title insurance charges and fees related thereto, and other documented out-of-pocket expenses incurred by any Agent. The agreements in this Section 11.04 shall survive the termination of the Aggregate Commitments and repayment of all other Obligations. All amounts due under this Section 11.04 shall be paid promptly following receipt by the Borrower of an invoice relating thereto setting forth such expenses in reasonable detail. If any Loan Party fails to pay when due any costs, expenses or other amounts payable by it hereunder or under any Loan Document, such amount may be paid on behalf of such Loan Party or such Guarantor by the Administrative Agent in its sole discretion.

SECTION 11.05 Indemnification by the Borrower. The Borrower shall indemnify and hold harmless the Administrative Agent, each Lender, the Joint Lead Arrangers, the Joint Bookrunners and their respective Affiliates, directors, officers, employees, agents, trustees or advisors (collectively the "**Indemnitees**") from and against any and all liabilities, obligations, losses, damages, penalties, claims, demands, actions, judgments, suits, costs, reasonable and documented or invoiced out-of-pocket fees and expenses, and disbursements (including Attorney Costs) of any kind or nature whatsoever which may at any time be imposed on, incurred by or asserted against any such Indemnitee in any way relating to or arising out of or in connection with (but limited, in the case of Attorney Costs, to the reasonable and documented out-of-pocket fees, disbursements and other charges of one counsel to all Indemnitees taken as a

whole and, if reasonably necessary, a single local counsel for all Indemnitees taken as a whole in each relevant jurisdiction, and solely in the case of a conflict of interest, one additional counsel in each relevant jurisdiction to each group of affected Indemnitees similarly situated taken as a whole) (a) the execution, delivery, enforcement, performance or administration of any Loan Document or any other agreement, letter or instrument delivered in connection with the transactions contemplated thereby or the consummation of the transactions contemplated thereby, including the Administrative Agent's performance of duties under Section 2.11, (b) any Commitment, Loan or Letter of Credit or the use or proposed use of the proceeds therefrom (including any refusal by an L/C Issuer to honor a demand for payment under a Letter of Credit if the documents presented in connection with such demand do not strictly comply with the terms of such Letter of Credit), or (c) any actual or alleged presence or release of Hazardous Materials on or from any property currently or formerly owned or operated by the Borrower, any Subsidiary or any other Loan Party, or any Environmental Liability arising out of the activities or operations of the Borrower, any Subsidiary or any other Loan Party, or (d) any actual or prospective claim, litigation, investigation or proceeding relating to any of the foregoing, whether based on contract, tort or any other theory (including any investigation of, preparation for, or defense of any pending or threatened claim, investigation, litigation or proceeding) (all the foregoing, collectively, the "**Indemnified Liabilities**"); *provided* that such indemnity shall not, as to any Indemnitee, be available to the extent that such liabilities, obligations, losses, damages, penalties, claims, demands, actions, judgments, suits, costs, expenses or disbursements resulted from (x) the gross negligence, bad faith or willful misconduct of such Indemnitee or Related Indemnified Person, as determined by a court of competent jurisdiction in a final and non-appealable judgment, (y) a material breach of any obligations under any Loan Document by such Indemnitee or Related Indemnified Person, as determined by a court of competent jurisdiction in a final and non-appealable judgment, or (z) any dispute that is among Indemnitees (other than any dispute involving claims against the Administrative Agent, any Arranger or any other Agent, the Swing Line Lender or any L/C Issuer, in each case in their respective capacities as such) that a court of competent jurisdiction has determined in a final and non-appealable judgment did not involve actions or omissions of any direct or indirect parent or controlling person of the Borrower or their Subsidiaries. No Indemnitee shall be liable for any damages arising from the use by others of any information or other materials obtained through IntraLinks or other similar information transmission systems in connection with this Agreement unless determined by a court of competent jurisdiction in a final and non-appealable judgment to have resulted from the gross negligence, bad faith or willful misconduct of such Indemnitee, nor shall any Indemnitee or any Loan Party have any liability for any special, punitive, indirect or consequential damages relating to this Agreement or any other Loan Document or arising out of its activities in connection herewith or therewith (whether before or after the Closing Date). In the case of an investigation, litigation or other proceeding to which the indemnity in this Section 11.05 applies, such indemnity shall be effective whether or not such investigation, litigation or proceeding is brought by any Loan Party, its directors, stockholders or creditors or an Indemnitee or any other Person, whether or not any Indemnitee is otherwise a party thereto and whether or not any of the transactions contemplated hereunder or under any of the other Loan Documents is consummated. All amounts due under this Section 11.05 shall be paid within 30 days after written demand therefor; *provided, however*, that such Indemnitee shall promptly refund such amount to the extent that there is a final, non-appealable judgment of a court of competent jurisdiction that such Indemnitee was not entitled to indemnification or contribution rights with respect to such

payment pursuant to the express terms of this Section 11.05. The agreements in this Section 11.05 shall survive the resignation of the Administrative Agent, the replacement of any Lender, the termination of the Aggregate Commitments and the repayment, satisfaction or discharge of all the other Obligations.

SECTION 11.06 Payments Set Aside. To the extent that any payment by or on behalf of the Borrower is made to any Agent or any Lender, or any Agent or any Lender exercises its right of setoff, and such payment or the proceeds of such setoff or any part thereof is subsequently invalidated, declared to be fraudulent or preferential, set aside or required (including pursuant to any settlement entered into by such Agent or such Lender in its discretion) to be repaid to a trustee, receiver or any other party, in connection with any proceeding under any Debtor Relief Law or otherwise, then (a) to the extent of such recovery, the obligation or part thereof originally intended to be satisfied shall be revived and continued in full force and effect as if such payment had not been made or such setoff had not occurred, and (b) each Lender severally agrees to pay to the Administrative Agent upon demand its applicable share of any amount so recovered from or repaid by any Agent, plus interest thereon from the date of such demand to the date such payment is made at a rate per annum equal to the applicable Overnight Rate from time to time in effect.

SECTION 11.07 Successors and Assigns.

(a) The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns permitted hereby, except that neither the Borrower nor Holdings may, except as permitted by Section 7.04, assign or otherwise transfer any of its rights or obligations hereunder without the prior written consent of each Lender and no Lender may assign or otherwise transfer any of its rights or obligations hereunder except in accordance with this Section 11.07 (and any other attempted assignment or transfer by any party hereto shall be null and void); *provided*, *however*, that notwithstanding the foregoing, no Lender may assign or transfer by participation any of its rights or obligations hereunder to (i) any Person that is a Defaulting Lender, or any Person who, upon becoming a Lender hereunder, would constitute any of the foregoing Persons described in this clause (i) or (ii) a natural person. Nothing in this Agreement, expressed or implied, shall be construed to confer upon any Person (other than the parties hereto, their respective successors and assigns permitted hereby, Participants to the extent provided in Section 11.07(e) and, to the extent expressly contemplated hereby, the Indemnitees) any legal or equitable right, remedy or claim under or by reason of this Agreement.

(b) (i) Subject to the conditions set forth in paragraph (b)(ii) below, any Lender may assign to one or more assignees ("**Assignees**") all or a portion of its rights and obligations under this Agreement (including all or a portion of its Commitment and the Loans (including for purposes of this Section 11.07(b), participations in L/C Obligations and in Swing Line Loans) at the time owing to it) with the prior written consent (such consent (except with respect to assignments to competitors of the Borrower) not to be unreasonably withheld or delayed, it being understood that the Borrower shall have the right to delay or withhold its consent if, in order for such assignment to comply with applicable Law, the Borrower would be required to obtain the consent of, or make a filing or registration with, a Governmental Agency) of:

(A) the Borrower, *provided* that no consent of the Borrower shall be required (i) for an assignment of all or a portion of the Term Loans to a Lender, an Affiliate of a Lender, an Approved Fund or (ii) if an Event of Default under Section 9.01(a) or, solely with respect to the Borrower, Section 9.01(f) or (g) has occurred and is continuing, any Assignee;

(B) the Administrative Agent; *provided* that no consent of the Administrative Agent shall be required for an assignment of all or any portion of a Term Loan to another Lender, an Affiliate of a Lender or an Approved Fund;

(C) each Principal L/C Issuer at the time of such assignment, *provided* that no consent of the Principal L/C Issuers shall be required for any assignment not related to Revolving Credit Commitments or Revolving Credit Exposure or any assignment to an Agent or an Affiliate of an Agent; and

(D) in the case of any assignment of any of the Revolving Credit Facility, the Swing Line Lender; provided that no consent of the Swing Line Lender shall be required for any assignment to an Agent or an Affiliate of an Agent.

Notwithstanding anything in this Section 11.07 to the contrary, if the Borrower has not given the Administrative Agent written notice of its objection to an assignment within ten (10) Business Days after written notice of such assignment, the Borrower shall be deemed to have consented to such assignment.

(ii) Assignments shall be subject to the following additional conditions:

(A) except in the case of an assignment to a Lender or an Affiliate of a Lender or an Approved Fund or an assignment of the entire remaining amount of the assigning Lender's Commitment or Loans of any Class, the amount of the Commitment or Loans of the assigning Lender subject to each such assignment (determined as of the date the Assignment and Assumption with respect to such assignment is delivered to the Administrative Agent) shall not be less than a Dollar Amount of $5,000,000 (in the case of the Revolving Credit Facilities) or a Dollar Amount of $1,000,000 (in the case of a Term Loan) unless each of the Borrower and the Administrative Agent otherwise consents; *provided* that (i) simultaneous assignments to or by two or more Approved Funds shall be aggregated for purposes of complying with such minimum assignment amount and (ii) such amounts shall be aggregated in respect of each Lender and its Affiliates or Approved Funds, if any;

(B) the parties to each assignment shall execute and deliver to the Administrative Agent an Assignment and Assumption, together with a processing and recordation fee of $3,500; *provided* that only one such fee shall be payable in the event of simultaneous assignments from any Lender or its Approved Funds to one or more other Approved Funds; provided further that the Administrative Agent, in its sole discretion, may elect to waive such processing and recordation fee in the case of any assignment;

(C) the Assignee, if it shall not be a Lender, shall deliver to the Administrative Agent an Administrative Questionnaire;

(D) the Assignee shall comply with Section 3.01(b) and (c) or Section 3.01(d) and (e), as applicable; and

(E) any assignment to Holdings, the Borrower, any Subsidiary or an Affiliated Lender shall also be subject to the requirements of Section 11.07(k).

This paragraph (b) shall not prohibit any Lender from assigning all or a portion of its rights and obligations among separate Classes of Loans or Commitments on a non-pro rata basis.

(c) Subject to acceptance and recording thereof by the Administrative Agent pursuant to Section 11.07(d), from and after the effective date specified in each Assignment and Assumption, the Eligible Assignee thereunder shall be a party to this Agreement and, to the extent of the interest assigned by such Assignment and Assumption, have the rights and obligations of a Lender under this Agreement, and the assigning Lender thereunder shall, to the extent of the interest assigned by such Assignment and Assumption, be released from its obligations under this Agreement (and, in the case of an Assignment and Assumption covering all of the assigning Lender's rights and obligations under this Agreement, such Lender shall cease to be a party hereto but shall continue to be entitled to the benefits of Sections 3.01, 3.04, 3.05, 11.04 and 11.05 with respect to facts and circumstances occurring prior to the effective date of such assignment). Upon request, and the surrender by the assigning Lender of its Note, the Borrower (at its expense) shall execute and deliver a Note to the assignee Lender. In no event shall any assignment be effective if the assigning Lender is the payee of any Note and such Note is not assigned and delivered to the Assignee or surrendered to the Borrower unless, in the event such Note is lost, the assigning Lender affirms in writing to the Borrower that such Note is lost. Any assignment or transfer by a Lender of rights or obligations under this Agreement that does not comply with this clause (c) shall be treated for purposes of this Agreement as a sale by such Lender of a participation in such rights and obligations in accordance with Section 11.07(e).

(d) The Administrative Agent, acting solely for this purpose as an agent of the Borrower, shall maintain at the Administrative Agent's Office a copy of each Assignment and Assumption delivered to it and a register for the recordation of the names and addresses of the Lenders, and the Commitments of, and principal amounts (and related interest amounts) of the Loans, L/C Obligations (specifying the Unreimbursed Amounts), L/C Borrowings and amounts due under Section 2.03, owing to, each Lender pursuant to the terms hereof from time to time (the "**Register**"). The entries in the Register shall be conclusive, absent manifest error, and the Borrower, the Agents and the Lenders shall treat each Person whose name is recorded in the Register pursuant to the terms hereof as a Lender hereunder for all purposes of this Agreement, notwithstanding notice to the contrary. The Register shall be available for inspection by the Borrower, any Agent and, with respect to its own Loans, any Lender, at any reasonable time and from time to time upon reasonable prior notice.

(e) Any Lender may at any time, without the consent of, or notice to, the Borrower or the Administrative Agent, sell participations to any Person (other than a natural person, a Person that the Administrative Agent has identified in a notice to the Lenders as a Defaulting Lender) (each, a "**Participant**") in all or a portion of such Lender's rights and/or obligations under this Agreement (including all or a portion of its Commitment and/or the Loans (including such Lender's participations in L/C Obligations and/or Swing Line Loans) owing to it); *provided* that (i) such Lender's obligations under this Agreement shall remain unchanged, (ii) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations and (iii) the Borrower, the Agents and the other Lenders shall continue to deal solely and directly with such Lender in connection with such Lender's rights and obligations under this Agreement. Any agreement or instrument pursuant to which a Lender sells such a participation shall provide that such Lender shall retain the sole right to enforce this Agreement and the other Loan Documents and to approve any amendment, modification or waiver of any provision of this Agreement or the other Loan Documents; *provided* that such agreement or instrument may provide that such Lender will not, without the consent of the Participant, agree to any amendment, waiver or other modification described in the first proviso to Section 11.01 that directly affects such Participant. Subject to Section 11.07(f), the Borrower agrees that each Participant shall be entitled to the benefits of Sections 3.01 (and for the avoidance of doubt, shall have no direct rights against the Borrower) (subject to the requirements of Section 3.01(b) and (c) or Section 3.01(d), as applicable, as though it were a Lender), 3.04 and 3.05 to the same extent as if it were a Lender and had acquired its interest by assignment pursuant to Section 11.07(c) . To the extent permitted by applicable Law, each Participant also shall be entitled to the benefits of Section 11.09 as though it were a Lender; *provided* that such Participant agrees to be subject to Section 2.13 as though it were a Lender. If a Lender (or any of its registered assigns) sells a participation pursuant to this Section 11.07(e), the Lender (or its registered assign, as the case may be), acting solely for this purpose as a non-fiduciary agent of the Borrower, shall maintain a register on which it enters the name and address of each participant and the principal amounts (and stated interest) of each participant's interest under this Agreement or any Loans or other obligations under the Loan Documents (the "**Participant Register**"); *provided* that such Lender (or its registered assign, as the case may be) shall have no obligation to disclose all or any portion of the Participant Register (including the identity of any participant or any information relating to a participant's interest in any commitments, loans, letters of credit or its other obligations under any Loan Document) to any Person except to the extent that such disclosure is necessary to establish that such commitment, loan, letter of credit or other obligation is in registered form under Section 5f.103-1(c) of the United States Treasury Regulations. The entries in the Participant Register shall be conclusive absent manifest error, and such Lender (or the registered assign, as the case may be) shall treat each Person whose name is recorded in the Participant Register as the owner of such participation for all purposes of this Agreement notwithstanding any notice to the contrary.

(f) An Assignee or a Participant shall not be entitled to receive any greater payment under Section 3.01, 3.04 or 3.05 than the applicable Lender would have been entitled to receive with respect to the interest subject to the Assignment or the participation sold to such Participant at the time of the Assignment or sale of the participation, unless the sale of the participation to such Participant is made with the Borrower's prior written consent. A Participant shall not be entitled to the benefits of Section 3.01 unless such Participant agrees, for the benefit of the Borrower, to comply with Section 3.01 as though it were a Lender and deliver the forms required by Section 3.01 to such Participant's participating Lender unless the sale of the participation to such Participant is made with the prior written consent of the Borrower.

(g) Any Lender may at any time pledge or assign a security interest in all or any portion of its rights under this Agreement (including under its Note, if any) (other than to a natural person) to secure obligations of such Lender, including any pledge or assignment to secure obligations to a Federal Reserve Bank or any central bank having jurisdiction over such Lender; *provided* that no such pledge or assignment shall release such Lender from any of its obligations hereunder or substitute any such pledgee or assignee for such Lender as a party hereto.

(h) Notwithstanding anything to the contrary contained herein, any Lender (a "**Granting Lender**") may grant to a special purpose funding vehicle identified as such in writing from time to time by the Granting Lender to the Administrative Agent and the Borrower (an "**SPC**") the option to provide all or any part of any Loan that such Granting Lender would otherwise be obligated to make pursuant to this Agreement; provided that (i) nothing herein shall constitute a commitment by any SPC to fund any Loan, (ii) if an SPC elects not to exercise such option or otherwise fails to make all or any part of such Loan, the Granting Lender shall be obligated to make such Loan pursuant to the terms hereof and (iii) such SPC and the applicable Loan or any applicable part thereof shall be appropriately reflected in the Participant Register. Each party hereto hereby agrees that (i) neither the grant to any SPC nor the exercise by any SPC of such option shall increase the costs or expenses or otherwise increase or change the obligations of the Borrower under this Agreement (including its obligations under Section 3.01, 3.04 or 3.05), (ii) no SPC shall be liable for any indemnity or similar payment obligation under this Agreement for which a Lender would be liable, and (iii) the Granting Lender shall for all purposes, including the approval of any amendment, waiver or other modification of any provision of any Loan Document, remain the lender of record hereunder. Other than as expressly provided in this Section 11.07(h), (A) such Granting Lender's obligations under this Agreement shall remain unchanged, (B) such Granting Lender shall remain solely responsible to the other parties hereto for the performance of such obligations and (C) the Borrower, the Agents and the other Lenders shall continue to deal solely and directly with such Granting Lender in connection with such Granting Lender's rights and obligations under this Agreement. The making of a Loan by an SPC hereunder shall utilize the Commitment of the Granting Lender to the same extent, and as if, such Loan were made by such Granting Lender. Notwithstanding anything to the contrary contained herein, any SPC may (i) with notice to, but without prior consent of the Borrower and the Administrative Agent and with the payment of a processing fee of $3,500 (which processing fee may be waived by the Administrative Agent in its sole discretion), assign all or any portion of its right to receive payment with respect to any Loan to the Granting Lender and (ii) disclose on a confidential basis any non-public information relating to its funding of Loans to any rating agency, commercial paper dealer or provider of any surety or Guarantee or credit or liquidity enhancement to such SPC.

(i) Notwithstanding anything to the contrary contained herein, (1) any Lender may in accordance with applicable Law create a security interest in all or any portion of the Loans owing to it and the Note, if any, held by it and (2) any Lender that is a Fund may create a security interest in all or any portion of the Loans owing to it and the Note, if any, held by it to the trustee for holders of obligations owed, or securities issued, by such Fund as security

for such obligations or securities; *provided* that unless and until such trustee actually becomes a Lender in compliance with the other provisions of this Section 11.07, (i) no such pledge shall release the pledging Lender from any of its obligations under the Loan Documents and (ii) such trustee shall not be entitled to exercise any of the rights of a Lender under the Loan Documents even though such trustee may have acquired ownership rights with respect to the pledged interest through foreclosure or otherwise.

(j) Notwithstanding anything to the contrary contained herein, any L/C Issuer or the Swing Line Lender may, upon thirty (30) days' notice to the Borrower and the Lenders, resign as a L/C Issuer or the Swing Line Lender, respectively; *provided* that on or prior to the expiration of such 30-day period with respect to such resignation, the relevant L/C Issuer or the Swing Line Lender shall have identified, in consultation with the Borrower, a successor L/C Issuer or Swing Line Lender willing to accept its appointment as successor L/C Issuer or Swing Line Lender, as applicable, and the effectiveness of such resignation shall be conditioned upon such successor assuming the rights and duties of the L/C Issuer or Swing Line Lender, as applicable. In the event of any such resignation of a L/C Issuer or the Swing Line Lender, the Borrower shall be entitled to appoint from among the Lenders willing to accept such appointment a successor L/C Issuer or Swing Line Lender hereunder; *provided* that no failure by the Borrower to appoint any such successor shall affect the resignation of the relevant L/C Issuer or Swing Line Lender, as the case may be. If a L/C Issuer resigns as a L/C Issuer, it shall retain all the rights and obligations of a L/C Issuer hereunder with respect to all Letters of Credit outstanding as of the effective date of its resignation as a L/C Issuer and all L/C Obligations with respect thereto (including the right to require the Lenders to make Loans or fund risk participations in Unreimbursed Amounts pursuant to Section 2.03(c)) . If the Swing Line Lender resigns as the Swing Line Lender, it shall retain all the rights of the Swing Line Lender provided for hereunder with respect to Swing Line Loans made by it and outstanding as of the effective date of such resignation, including the right to require the Lenders to make Loans or fund risk participations in outstanding Swing Line Loans pursuant to Section 2.04(c) . Upon the appointment of a successor L/C Issuer and/or Swing Line Lender, (A) such successor shall succeed to and become vested with all of the rights, powers, privileges and duties of the retiring L/C Issuer or Swing Line Lender, as the case may be, and (B) the successor L/C Issuer shall issue letters of credit in substitution for the Letters of Credit, if any, outstanding at the time of such succession or make other arrangements satisfactory to the retiring L/C Issuer to effectively assume the obligations of the retiring L/C Issuer with respect to such Letters of Credit.

(k) Notwithstanding anything to the contrary contained herein, (x) any Lender may, at any time, assign all or a portion of its rights and obligations under this Agreement in respect of its Term Loans to Holdings, the Borrower, any Subsidiary or an Affiliated Lender and (y) so long as no Default or Event of Default exists, Holdings, the Borrower and any Subsidiary may, from time to time, purchase or prepay Term Loans, in each case, on a non-pro rata basis through (x) Dutch auction procedures open to all applicable Lenders on a pro rata basis in accordance with customary procedures to be agreed between Holdings or the Borrower and the Administrative Agent (or other applicable agent managing such auction) or (y) open market purchases; *provided* that:

(i) any Term Loans acquired by Holdings, the Borrower or any Subsidiary shall be retired and cancelled promptly upon the acquisition thereof;

(ii) such Term Loans are not acquired with the proceeds of a Borrowing under the Revolving Credit Facility;

(iii) by its acquisition of Term Loans, an Affiliated Lender shall be deemed to have acknowledged and agreed that:

(A) it shall not have any right to (i) attend (including by telephone) any meeting or discussions (or portion thereof) among the Administrative Agent or any Lender to which representatives of the Borrower are not then present, (ii) receive any information or material prepared by the Administrative Agent or any Lender or any communication by or among Administrative Agent and one or more Lenders, except to the extent such information or materials have been made available to the Borrower or its representatives (and in any case, other than the right to receive notices of prepayments and other administrative notices in respect of its Loans required to be delivered to Lenders pursuant to Article II), or (iii) make or bring (or participate in, other than as a passive participant in or recipient of its pro rata benefits of) any claim, in its capacity as a Lender, against Administrative Agent, the Collateral Agent or any other Lender with respect to any duties or obligations or alleged duties or obligations of such Agent or any other such Lender under the Loan Documents;

(B) except with respect to any amendment, waiver, modification of any Loan Document or any plan of reorganization pursuant to the U.S. Bankruptcy Code, that in either case requires the consent of each Lender or each affected Lenders or that adversely affects such Affiliated Lender in any material respect as compared to other Lenders that are not Affiliated Lenders, Affiliated Lenders will be deemed to have voted in respect to its Loans in the same proportion as the Lenders that are not Affiliated Lenders voting on such matter; and

(C) if a case under Title 11 of the United States Code is commenced against any Credit Party, such Credit Party shall seek (and each Affiliated Lender shall consent) to provide that the vote of any Affiliated Lender (in its capacity as a Lender) with respect to any plan of reorganization of such Credit Party shall not be counted except that such Affiliated Lender's vote (in its capacity as a Lender) may be counted to the extent any such plan of reorganization proposes to treat the Obligations held by such Affiliated Lender in a manner that is less favorable to such Affiliated Lender than the proposed treatment of similar Obligations held by Lenders that are not Affiliates of the Borrower; each Affiliated Lender hereby irrevocably appoints the Administrative Agent (such appointment being coupled with an interest) as such Affiliated Lender's attorney-in-fact, with full authority in the place and stead of such Affiliated Lender and in the name of such Affiliated Lender (solely in respect of Loans and participations therein and not in respect of any other claim or status such Affiliated Lender may otherwise have), from time to time in the Administrative Agent's discretion to take any action and to execute any instrument that the Administrative Agent may deem reasonably necessary to carry out the provisions of this clause (C);

(iv) the aggregate principal amount of Term Loans held at any one time by Affiliated Lenders may not exceed 25% of the aggregate principal amount of all Term Loans outstanding at such time under this Agreement;

(v) any such Term Loans acquired by an Affiliated Lender may, with the consent of the Borrower, be contributed to the Borrower and exchanged for debt or equity securities that are otherwise permitted to be issued at such time and any such Term Loans contributed to the Borrower shall be retired and cancelled promptly;

(vi) Affiliated Lenders will be required to identify themselves as such to the respective assignor or seller in the relevant assignment documentation; and

(vii) as a condition to each assignment pursuant to this subsection (k), the Administrative Agent and the Borrower shall have been provided a notice from the respective assignee or purchaser in the form of Exhibit E-2 to this Agreement in connection with each assignment to an Affiliated Lender or a Person that upon effectiveness of such assignment would constitute an Affiliated Lender, pursuant to which such assignee or purchaser shall waive any right to bring any action in connection with such Term Loans against the Administrative Agent, in its capacity as such.

For avoidance of doubt, the foregoing limitations shall not be applicable to Debt Fund Affiliates; *provided* that for any "Required Lender" vote, Debt Fund Affiliates may not, in the aggregate, account for more than 49.99% of the amounts included in determining whether the "Required Lenders" have consented to any amendment, waiver or other action pursuant to Section 11.01.

SECTION 11.08 Confidentiality. Each of the Agents, the Lenders, the Joint Lead Arrangers and the Joint Bookrunners agrees to maintain the confidentiality of the Information and to not use or disclose such information, except that Information may be disclosed (a) to its Affiliates and its and its Affiliates' directors, officers, employees, trustees, investment advisors and agents, including accountants, legal counsel and other advisors (it being understood that the Persons to whom such disclosure is made will be informed of the confidential nature of such Information and instructed to keep such Information confidential); (b) to the extent requested by any Governmental Authority or any self-regulatory authority; (c) to the extent required by applicable Laws or regulations or by any subpoena or similar legal process; (d) to any other party to this Agreement; (e) subject to an agreement containing provisions substantially the same as those of this Section 11.08 (or as may otherwise be reasonably acceptable to the Borrower), to any pledgee referred to in Section 11.07(g), counterparty to a Swap Contract, Eligible Assignee of or Participant in, or any prospective Eligible Assignee of or Participant in, any of its rights or obligations under this Agreement; (f) with the written consent of the Borrower; (g) to the extent such Information becomes publicly available other than as a result of a breach of this Section 11.08; (h) to any Governmental Authority or examiner (including the National Association of Insurance Commissioners or any other similar organization) regulating any Lender or its Affiliates; (i) to any rating agency when required by it (it being understood that, prior to any such disclosure, such rating agency shall

undertake to preserve the confidentiality of any Information relating to the Loan Parties received by it from such Lender); or (j) in connection with the exercise of any remedies hereunder or under any other Loan Document or any action or proceeding relating to this Agreement or any other Loan Document or the enforcement of rights hereunder or thereunder. For the purposes of this Section 11.08, "**Information**" means all information received from any Loan Party or its Affiliates or its Affiliates' directors, officers, employees, trustees, investment advisors or agents, relating to Holdings, the Borrower or any of their subsidiaries or its business, other than any such information that is publicly available to any Agent or any Lender prior to disclosure by any Loan Party other than as a result of a breach of this Section 11.08; *provided* that, in the case of information received from a Loan Party after the date hereof, such information is clearly identified at the time of delivery as confidential or (ii) is delivered pursuant to Section 6.01, 6.02 or 6.03 hereof. Each of the Agents, the Lenders, the Joint Lead Arrangers and the Joint Bookrunners acknowledges that (a) the Information may include material non-public information concerning the Borrower or a Subsidiary, as the case may be, (b) it has developed compliance procedures regarding the use of material non-public information and (c) it will handle such material non-public information in accordance with applicable Law, including United States Federal and state securities Laws.

SECTION 11.09 Setoff. In addition to any rights and remedies of the Lenders provided by Law, upon the occurrence and during the continuance of any Event of Default, each Lender and its Affiliates and each L/C Issuer and its Affiliates is authorized at any time and from time to time, without prior notice to the Borrower or any other Loan Party, any such notice being waived by the Borrower (on its own behalf and on behalf of each Loan Party and its Subsidiaries) to the fullest extent permitted by applicable Law, to set off and apply any and all deposits (general or special, time or demand, provisional or final) at any time held by, and other Indebtedness at any time owing by, such Lender and its Affiliates or such L/C Issuer and its Affiliates, as the case may be, to or for the credit or the account of the respective Loan Parties and their Subsidiaries against any and all Obligations owing to such Lender and its Affiliates or such L/C Issuer and its Affiliates hereunder or under any other Loan Document, now or hereafter existing, irrespective of whether or not such Agent or such Lender or Affiliate shall have made demand under this Agreement or any other Loan Document and although such Obligations may be contingent or unmatured or denominated in a currency different from that of the applicable deposit or Indebtedness. Notwithstanding anything to the contrary contained herein, no Lender or its Affiliates and no L/C Issuer or its Affiliates shall have a right to set off and apply any deposits held or other Indebtedness owing by such Lender or its Affiliates or such L/C Issuer or its Affiliates, as the case may be, to or for the credit or the account of any Subsidiary of a Loan Party which is not a "United States person" within the meaning of Section 7701(a)(30) of the Code unless such Subsidiary is not a direct or indirect subsidiary of Holdings. Each Lender and L/C Issuer agrees promptly to notify the Borrower and the Administrative Agent after any such set off and application made by such Lender or L/C Issuer, as the case may be; *provided* that the failure to give such notice shall not affect the validity of such setoff and application. The rights of the Administrative Agent, each Lender and each L/C Issuer under this Section 11.09 are in addition to other rights and remedies (including other rights of setoff) that the Administrative Agent, such Lender and such L/C Issuer may have.

SECTION 11.10 Interest Rate Limitation. Notwithstanding anything to the contrary contained in any Loan Document, the interest paid or agreed to be paid under the Loan Documents shall not exceed the maximum rate of non-usurious interest permitted by applicable Law (the "**Maximum Rate**"). If any Agent or any Lender shall receive interest in an amount that exceeds the Maximum Rate, the excess interest shall be applied to the principal of the Loans or, if it exceeds such unpaid principal, refunded to the Borrower. In determining whether the interest contracted for, charged, or received by an Agent or a Lender exceeds the Maximum Rate, such Person may, to the extent permitted by applicable Law, (a) characterize any payment that is not principal as an expense, fee, or premium rather than interest, (b) exclude voluntary prepayments and the effects thereof, and (c) amortize, prorate, allocate, and spread in equal or unequal parts the total amount of interest throughout the contemplated term of the Obligations hereunder.

SECTION 11.11 Counterparts. This Agreement and each other Loan Document may be executed in one or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument. Delivery by telecopier of an executed counterpart of a signature page to this Agreement and each other Loan Document shall be effective as delivery of an original executed counterpart of this Agreement and such other Loan Document. The Agents may also require that any such documents and signatures delivered by telecopier be confirmed by a manually signed original thereof; *provided* that the failure to request or deliver the same shall not limit the effectiveness of any document or signature delivered by telecopier.

SECTION 11.12 Integration. This Agreement, together with the other Loan Documents, comprises the complete and integrated agreement of the parties on the subject matter hereof and thereof and supersedes all prior agreements, written or oral, on such subject matter. In the event of any conflict between the provisions of this Agreement and those of any other Loan Document, the provisions of this Agreement shall control; *provided* that the inclusion of supplemental rights or remedies in favor of the Agents or the Lenders in any other Loan Document shall not be deemed a conflict with this Agreement.

SECTION 11.13 Survival of Representations and Warranties. All representations and warranties made hereunder and in any other Loan Document or other document delivered pursuant hereto or thereto or in connection herewith or therewith shall survive the execution and delivery hereof and thereof. Such representations and warranties have been or will be relied upon by each Agent and each Lender, regardless of any investigation made by any Agent or any Lender or on their behalf and notwithstanding that any Agent or any Lender may have had notice or knowledge of any Default at the time of any Credit Extension and shall continue in full force and effect as long as any Loan or any other Obligation hereunder shall remain unpaid or unsatisfied or any Letter of Credit shall remain outstanding (unless the Outstanding Amount of the L/C Obligations related thereto has been Cash Collateralized).

SECTION 11.14 Severability. If any provision of this Agreement or the other Loan Documents is held to be illegal, invalid or unenforceable, the legality, validity and enforceability of the remaining provisions of this Agreement and the other Loan Documents shall not be affected or impaired thereby. The invalidity of a provision in a particular jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

SECTION 11.15 Termination and Release of Collateral. The Lenders hereby irrevocably agree that (i) the Liens on any Collateral granted to the Administrative Agent by the Loan Parties shall be released as permitted under and pursuant to the Security Agreement and (ii) any Guarantor shall be released from its obligations under the applicable Guaranty as permitted under and pursuant to the applicable Guaranty.

(b) Any such release under clause (a) shall not in any manner discharge, affect, or impair the Obligations or any Liens (other than those being released) upon (or obligations (other than those being released) of the Loan Parties in respect of) all interests retained by the Loan Parties, including the proceeds of any sale, all of which shall continue to constitute part of the Collateral except to the extent otherwise released in accordance with the provisions of the Loan Documents.

(c) The Lenders hereby authorize the Administrative Agent to execute and deliver any instruments, documents, and agreements necessary or desirable to evidence and confirm the release of any Guarantor or Collateral pursuant to the foregoing provisions of this Section 11.15, all without the further consent or joinder of any Lender.

SECTION 11.16 GOVERNING LAW.

(a) THIS AGREEMENT AND EACH OTHER LOAN DOCUMENT SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAW OF THE STATE OF NEW YORK (EXCEPT AS OTHERWISE EXPRESSLY PROVIDED THEREIN).

(b) ANY LEGAL ACTION OR PROCEEDING ARISING UNDER ANY LOAN DOCUMENT OR IN ANY WAY CONNECTED WITH OR RELATED OR INCIDENTAL TO THE DEALINGS OF THE PARTIES HERETO OR ANY OF THEM WITH RESPECT TO ANY LOAN DOCUMENT, OR THE TRANSACTIONS RELATED THERETO, IN EACH CASE WHETHER NOW EXISTING OR HEREAFTER ARISING, MAY BE BROUGHT IN THE COURTS OF THE STATE OF NEW YORK SITTING IN NEW YORK CITY (IN THE BOROUGH OF MANHATTAN) OR OF THE UNITED STATES FOR THE SOUTHERN DISTRICT OF SUCH STATE, AND BY EXECUTION AND DELIVERY OF THIS AGREEMENT, THE BORROWER, HOLDINGS, EACH AGENT AND EACH LENDER CONSENTS, FOR ITSELF AND IN RESPECT OF ITS PROPERTY, TO THE EXCLUSIVE JURISDICTION OF THOSE COURTS AND AGREES NOT TO COMMENCE ANY SUCH LEGAL ACTION OR PROCEEDING IN ANY OTHER JURISDICTION, TO THE EXTENT PERMITTED BY APPLICABLE LAW. THE BORROWER, HOLDINGS, EACH AGENT AND EACH LENDER IRREVOCABLY WAIVES ANY OBJECTION, INCLUDING ANY OBJECTION TO THE LAYING OF VENUE OR BASED ON THE GROUNDS OF FORUM NON CONVENIENS, WHICH IT MAY NOW OR HEREAFTER HAVE TO THE BRINGING OF ANY ACTION OR PROCEEDING IN SUCH JURISDICTION IN RESPECT OF ANY LOAN DOCUMENT OR OTHER DOCUMENT RELATED THERETO.

SECTION 11.17 WAIVER OF RIGHT TO TRIAL BY JURY. EACH PARTY TO THIS AGREEMENT HEREBY EXPRESSLY WAIVES ANY RIGHT TO TRIAL BY JURY OF ANY CLAIM, DEMAND, ACTION OR CAUSE OF ACTION ARISING UNDER ANY LOAN DOCUMENT OR IN ANY WAY CONNECTED WITH OR RELATED OR INCIDENTAL TO THE DEALINGS OF THE PARTIES HERETO OR ANY OF THEM WITH RESPECT TO ANY LOAN DOCUMENT, OR THE TRANSACTIONS RELATED THERETO, IN EACH CASE WHETHER NOW EXISTING OR HEREAFTER ARISING, AND WHETHER FOUNDED IN CONTRACT OR TORT OR OTHERWISE; AND EACH PARTY HEREBY AGREES AND CONSENTS THAT ANY SUCH CLAIM, DEMAND, ACTION OR CAUSE OF ACTION SHALL BE DECIDED BY COURT TRIAL WITHOUT A JURY, AND THAT ANY PARTY TO THIS AGREEMENT MAY FILE AN ORIGINAL COUNTERPART OR A COPY OF THIS SECTION 11.17 WITH ANY COURT AS WRITTEN EVIDENCE OF THE CONSENT OF THE SIGNATORIES HERETO TO THE WAIVER OF THEIR RIGHT TO TRIAL BY JURY.

SECTION 11.18 Binding Effect. This Agreement shall become effective when it shall have been executed by the Borrower and Holdings and the Administrative Agent shall have been notified by each Lender, Swing Line Lender and L/C Issuer that each such Lender, Swing Line Lender and L/C Issuer has executed it and thereafter shall be binding upon and inure to the benefit of the Borrower and Holdings, each Agent and each Lender and their respective successors and assigns.

SECTION 11.19 Judgment Currency. If, for the purposes of obtaining judgment in any court, it is necessary to convert a sum due hereunder or any other Loan Document in one currency into another currency, the rate of exchange used shall be that at which in accordance with normal banking procedures the Administrative Agent could purchase the first currency with such other currency on the Business Day preceding that on which final judgment is given. The obligation of the Borrower in respect of any such sum due from it to the Administrative Agent or the Lenders hereunder or under the other Loan Documents shall, notwithstanding any judgment in a currency (the "**Judgment Currency**") other than that in which such sum is denominated in accordance with the applicable provisions of this Agreement (the "**Agreement Currency**"), be discharged only to the extent that on the Business Day following receipt by the Administrative Agent of any sum adjudged to be so due in the Judgment Currency, the Administrative Agent may in accordance with normal banking procedures purchase the Agreement Currency with the Judgment Currency. If the amount of the Agreement Currency so purchased is less than the sum originally due to the Administrative Agent from the Borrower in the Agreement Currency, the Borrower agrees, as a separate obligation and notwithstanding any such judgment, to indemnify the Administrative Agent or the Person to whom such obligation was owing against such loss. If the amount of the Agreement Currency so purchased is greater than the sum originally due to the Administrative Agent in such currency, the Administrative Agent agrees to return the amount of any excess to the Borrower (or to any other Person who may be entitled thereto under applicable Law).

SECTION 11.20 Lender Action. Each Lender agrees that it shall not take or institute any actions or proceedings, judicial or otherwise, for any right or remedy against any Loan Party or any other obligor under any of the Loan Documents or the Secured Hedge Agreements (including the exercise of any right of setoff, rights on account of any banker's lien

or similar claim or other rights of self-help), or institute any actions or proceedings, or otherwise commence any remedial procedures, with respect to any Collateral or any other property of any such Loan Party, without the prior written consent of the Administrative Agent. The provision of this Section 11.20 are for the sole benefit of the Lenders and shall not afford any right to, or constitute a defense available to, any Loan Party.

SECTION 11.21 USA PATRIOT Act. Each Lender hereby notifies the Borrower that pursuant to the requirements of the USA PATRIOT Act, it is required to obtain, verify and record information that identifies the Borrower, which information includes the name and address of the Borrower and other information that will allow such Lender to identify the Borrower in accordance with the USA PATRIOT Act.

SECTION 11.22 Intercreditor Agreements. EACH LENDER AUTHORIZES AND INSTRUCTS THE ADMINISTRATIVE AGENT TO ENTER INTO ANY INTERCREDITOR AGREEMENT ON BEHALF OF SUCH LENDER, AND TO TAKE ALL ACTIONS (AND EXECUTE ALL DOCUMENTS) REQUIRED (OR DEEMED ADVISABLE) BY IT IN ACCORDANCE WITH THE TERMS OF ANY INTERCREDITOR AGREEMENT.

(b) THE LENDERS HEREBY ACKNOWLEDGE THAT (A) NOTWITHSTANDING ANYTHING TO THE CONTRARY IN THE COLLATERAL DOCUMENTS, THE RIGHTS, OBLIGATIONS AND REMEDIES OF THE ADMINISTRATIVE AGENT AND THE SECURED PARTIES UNDER SUCH COLLATERAL DOCUMENTS WILL BE, UPON EXECUTION BY THE ADMINISTRATIVE AGENT, SUBJECT TO THE PROVISIONS OF EACH INTERCREDITOR AGREEMENT AND (B) IN THE EVENT OF ANY CONFLICT OR INCONSISTENCY BETWEEN THE PROVISIONS OF ANY INTERCREDITOR AGREEMENT AND THIS AGREEMENT, THE PROVISIONS OF SUCH INTERCREDITOR AGREEMENT SHALL CONTROL. THE LENDERS HEREBY AUTHORIZE THE ADMINISTRATIVE AGENT, AS APPLICABLE, TO TAKE SUCH ACTIONS, INCLUDING MAKING FILINGS AND ENTERING INTO AGREEMENTS AND ANY AMENDMENTS OR SUPPLEMENTS TO ANY COLLATERAL DOCUMENT, AS MAY BE NECESSARY OR DESIRABLE TO REFLECT THE INTENT OF THIS SECTION 11.22(b).

(c) THE PROVISIONS OF THIS SECTION 11.22 ARE NOT INTENDED TO SUMMARIZE ALL RELEVANT PROVISIONS OF ANY INTERCREDITOR AGREEMENT, WHICH WILL BE IN THE FORM APPROVED BY AND REASONABLY SATISFACTORY TO THE ADMINISTRATIVE AGENT AND THE BORROWER AS PERMITTED BY THIS AGREEMENT. REFERENCE MUST BE MADE TO ANY INTERCREDITOR AGREEMENT ITSELF TO UNDERSTAND ALL TERMS AND CONDITIONS THEREOF. EACH LENDER IS RESPONSIBLE FOR MAKING ITS OWN ANALYSIS AND REVIEW OF ANY INTERCREDITOR AGREEMENT AND THE TERMS AND PROVISIONS THEREOF, AND NO AGENT (AND NONE OF ITS AFFILIATES) MAKES ANY REPRESENTATION TO ANY LENDER AS TO THE SUFFICIENCY OR ADVISABILITY OF THE PROVISIONS CONTAINED IN ANY INTERCREDITOR AGREEMENT.

SCHEDULE 1.01D

Mandatory Cost Formulae

1. The Mandatory Cost is an addition to the interest rate to compensate Lenders for the cost of compliance with (a) the requirements of the Bank of England and/or the Financial Services Authority (or, in either case, any other authority which replaces all or any of its functions) or (b) the requirements of the European Central Bank.

2. On the first day of each Interest Period (or as soon as possible thereafter) the Administrative Agent shall calculate, as a percentage rate, a rate (the "Additional Cost Rate") for each Lender, in accordance with the paragraphs set out below. The Mandatory Cost will be calculated by the Administrative Agent as a weighted average of the Lenders' Additional Cost Rates (weighted in proportion to the percentage participation of each Lender in the relevant Loan) and will be expressed as a percentage rate per annum.

3. The Additional Cost Rate for any Lender lending from a Facility Office in a Participating Member State will be the percentage notified by that Lender to the Administrative Agent. This percentage will be certified by that Lender in its notice to the Administrative Agent to be its reasonable determination of the cost (expressed as a percentage of that Lender's participation in all Loans made from that Facility Office) of complying with the minimum reserve requirements of the European Central Bank in respect of loans made from that Facility Office.

4. The Additional Cost Rate for any Lender lending from a Facility Office in the United Kingdom will be calculated by the Administrative Agent as follows:

(a) in relation to a sterling Loan:

$$\frac{AB + C(B - D) + E \times 0.01}{100 - (A + C)}$$ percent per annum

(b) in relation to a Loan in any currency other than sterling:

$$\frac{E \times 0.01}{300}$$ percent per annum.

Where:

A is the percentage of Eligible Liabilities (assuming these to be in excess of any stated minimum) which that Lender is from time to time required to maintain as an interest free cash ratio deposit with the Bank of England to comply with cash ratio requirements.

B is the percentage rate of interest (excluding the Applicable Rate and the Mandatory Cost and, if the Loan is an Unpaid Sum, the additional rate of interest specified in paragraph (b) of Section 2.08) payable for the relevant Interest Period on the Loan.

C is the percentage (if any) of Eligible Liabilities which that Lender is required from time to time to maintain as interest bearing Special Deposits with the Bank of England.

D is the percentage rate per annum payable by the Bank of England to the Administrative Agent on interest bearing Special Deposits.

E is designed to compensate Lenders for amounts payable under the Fees Rules and is calculated by the Administrative Agent as being the average of the most recent rates of charge supplied by the Reference Banks to the Administrative Agent pursuant to paragraph 7 below and expressed in pounds per £1,000,000.

5. For the purposes of this Schedule:

(a) "Eligible Liabilities" and "Special Deposits" have the meanings given to them from time to time under or pursuant to the Bank of England Act 1998 or (as may be appropriate) by the Bank of England;

(b) "Facility Office" means the office or offices notified by a Lender to the Administrative Agent in writing on or before the date that it becomes a Lender (or, following that date, by not less than five Business days' written notice) as the office or offices through which it will perform its obligations under the Agreement.

(c) "Fees Rules" means the rules on periodic fees contained in the FSA Supervision Manual or such other law or regulation as may be in force from time to time in respect of the payment of fees for the acceptance of deposits;

(d) "Fee Tariffs" means the fee tariffs specified in the Fees Rules under the activity group A.1 Deposit acceptors (ignoring any minimum fee or zero rated fee required pursuant to the Fees Rules but taking into account any applicable discount rate); and

(e) "Participating Member State" means any member state of the European Communities that adopts or has adopted the Euro as its lawful currency in accordance with legislation of the European Community relating to Economic and Monetary Union.

(f) "Reference Banks" means such banks or other financial institutions the Administrative Agent may select from time to time.

(g) "Tariff Base" has the meaning given to it in, and will be calculated in accordance with, the Fees Rules.

6. In application of the above formulae, A, B, C and D will be included in the formulae as percentages (i.e. 5 percent will be included in the formula as 5 and not as 0.05). A negative result obtained by subtracting D from B shall be taken as zero. The resulting figures shall be rounded to four decimal places.

7. If requested by the Administrative Agent, each Reference Bank shall, as soon as practicable after publication by the Financial Services Authority, supply to the Administrative Agent, the rate of charge payable by that Reference Bank to the Financial Services Authority pursuant to the Fees Rules in respect of the relevant financial year of the Financial Services Authority (calculated for this purpose by that Reference Bank as being the average of the Fee Tariffs applicable to that Reference Bank for that financial year) and expressed in pounds per £1,000,000 of the Tariff Base of that Reference Bank.

8. Each Lender shall supply any information required by the Administrative Agent for the purpose of calculating its Additional Cost Rate. In particular, but without limitation, each Lender shall supply the following information on or prior to the date on which it becomes a Lender:

(h) the jurisdiction of its Facility Office; and

(i) any other information that the Administrative Agent may reasonably require for such purpose.

Each Lender shall promptly notify the Administrative Agent of any change to the information provided by it pursuant to this paragraph.

9. The percentages of each Lender for the purpose of A and C above and the rates of charge of each Reference Bank for the purpose of E above shall be determined by the Administrative Agent based upon the information supplied to it pursuant to paragraphs 7 and 8 above and on the assumption that, unless a Lender notifies the Administrative Agent to the contrary, each Lender's obligations in relation to cash ratio deposits and Special Deposits are the same as those of a typical bank from its jurisdiction of incorporation with a Facility Office in the same jurisdiction as its Facility Office.

10. The Administrative Agent shall have no liability to any person if such determination results in an Additional Cost Rate which over or under compensates any Lender and shall be entitled to assume that the information provided by any Lender or Reference Bank pursuant to paragraphs 3, 7 and 8 above is true and correct in all respects.

11. The Administrative Agent shall distribute the additional amounts received as a result of the Mandatory Cost to the Lenders on the basis of the Additional Cost Rate for each Lender based on the information provided by each Lender and each Reference Bank pursuant to paragraphs 3, 7 and 8 above.

12. Any determination by the Administrative Agent pursuant to this Schedule in relation to a formula, the Mandatory Cost, an Additional Cost Rate or any amount payable to a Lender shall, in the absence of manifest error, be conclusive and binding on all Parties.

13. The Administrative Agent may from time to time, after consultation with the Borrower and the Lenders, determine and notify to all Parties any amendments which are required to be made to this Schedule in order to comply with any change in law, regulation or any requirements from time to time imposed by the Bank of England, the Financial Services Authority or the European Central Bank (or, in any case, any other authority which replaces all or any of its functions) and any such determination shall, in the absence of manifest error, be conclusive and binding on all Parties.

WHEREAS, each of Holdings and each Subsidiary party hereto is an affiliate of the Borrower and will derive substantial benefits from the extension of credit to the Borrower pursuant to the Credit Agreement and is willing to execute and deliver this Agreement in order to induce the Lenders to extend such credit; and

WHEREAS, as an inducement to and as one of the conditions precedent to the obligation of the Lenders and the L/C Issuers to make their respective extensions of credit to the Borrower under the Credit Agreement, the Administrative Agent, the Lenders and the L/C Issuers have required the amendment and restatement of the Existing Guaranty in the form of this Agreement and that the Guarantors shall have executed and delivered this Agreement to the Administrative Agent;

NOW, THEREFORE, in consideration of the premises and to induce the Lenders, the L/C Issuers and the Administrative Agent to enter into the Credit Agreement and to induce the Lenders and the L/C Issuers to make their respective extensions of credit to the Borrower thereunder, each Guarantor hereby agrees with the Administrative Agent that the Existing Guaranty shall be and is hereby amended and restated in its entirety as follows:

ARTICLE II

GUARANTY

SECTION 2.01. Guaranty. Each Guarantor irrevocably, absolutely and unconditionally guaranties, jointly with the other Guarantors and severally, the due and punctual payment and performance of the Guaranteed Obligations, in each case, whether such Guaranteed Obligations are now existing or hereafter incurred under, arising out of any Loan Document whether at stated maturity or earlier, by reason of acceleration, mandatory prepayment or otherwise in accordance herewith or with any other Loan Documents. Each of the Guarantors further agrees that the Guaranteed Obligations may be extended, increased or renewed, in whole or in part, without notice to or further assent from it, and that it will remain bound upon its guaranty notwithstanding any extension, increase or renewal, in whole or in part, of any Guranteed Obligation. Each of the Guarantors waives presentment to, demand of payment from and protest to any Guaranty Party of any of the Guaranteed Obligations, and also waives notice of acceptance of its guaranty and notice of protest for nonpayment.

SECTION 2.02. Guaranty of Payment. Each of the Guarantors further agrees that its guaranty hereunder constitutes a guaranty of payment when due and not of

collection, and waives any right to require that any resort be had by the Administrative Agent or any other Secured Party to any security held for the payment of the Guaranteed Obligations, or to any balance of any deposit account or credit on the books of the Administrative Agent or any other Secured Party in favor of the Borrower or any other Person.

SECTION 2.03. No Limitations. (a) Except for termination of a Guarantor's obligations hereunder as expressly provided in Section 4.12, the obligations of each Guarantor hereunder shall not be subject to any reduction, limitation, impairment or termination for any reason, including any claim of waiver, release, surrender, alteration or compromise, and shall not be subject to any defense or set-off, counterclaim, recoupment or termination whatsoever by reason of the invalidity, illegality or unenforceability of the Guaranteed Obligations, or otherwise. Without limiting the generality of the foregoing, the obligations of each Guarantor hereunder shall not be discharged or impaired or otherwise affected by (i) the failure of the Administrative Agent or any other Secured Party to assert any claim or demand or to enforce any right or remedy under the provisions of any Loan Document or otherwise; (ii) any rescission, waiver, amendment or modification of, or any release from any of the terms or provisions of, any Loan Document or any other agreement, including with respect to any other Guarantor under this Agreement; (iii) the release of any security held by the Collateral Agent or any other Secured Party for the Guaranteed Obligations; (iv) any default, failure or delay, willful or otherwise, in the performance of the Guaranteed Obligations; or (v) any other act or omission that may or might in any manner or to any extent vary the risk of any Guarantor or otherwise operate as a discharge of any Guarantor as a matter of law or equity (other than the indefeasible payment in full in cash of all the Guaranteed Obligations). Each Guarantor expressly authorizes the Secured Parties to take and hold security for the payment and performance of the Guaranteed Obligations, to exchange, waive or release any or all such security (with or without consideration), to enforce or apply such security and direct the order and manner of any sale thereof in their sole discretion or to release or substitute any one or more other guarantors or obligors upon or in respect of the Guaranteed Obligations, all in accordance with the Security Agreement and other Loan Documents and all without affecting the obligations of any Guarantor hereunder.

(b) To the fullest extent permitted by applicable law, each Guarantor waives any defense based on or arising out of any defense of any Guaranty Party or the unenforceability of the Guaranteed Obligations, or any part thereof from any cause, or the cessation from any cause of the liability of any Guaranty Party, other than the indefeasible payment in full in cash of all the Guaranteed Obligations. The Administrative Agent and the other Secured Parties may, in accordance with the terms of the Collateral Documents and at their election, foreclose on any security held by one or more of them by one or more judicial or nonjudicial sales, accept an assignment of any such security in lieu of foreclosure, compromise or adjust any part of the Guaranteed Obligations, make any other accommodation with any Guaranty Party or exercise any other right or remedy available to them against any Guaranty Party, without affecting or impairing in any way the liability of any Guarantor hereunder except to the extent the Guaranteed Obligations have been fully and indefeasibly paid in full in cash. To the fullest extent permitted by applicable law, each Guarantor waives any defense arising out of any such election even though such election operates, pursuant to applicable law, to impair or to extinguish any right of reimbursement or subrogation or other right or remedy of such Guarantor against any Guaranty Party, as the case may be, or any security.

SECTION 2.04. Reinstatement. Each of the Guarantors agrees that its guaranty hereunder shall continue to be effective or be reinstated, as the case may be, if at any time payment, or any part thereof, of any Guaranteed Obligation, is rescinded, invalidated or must otherwise be restored by the Administrative Agent or any other Secured Party upon the bankruptcy or reorganization of any Guaranty Party or otherwise.

SECTION 2.05. Agreement To Pay; Subrogation. In furtherance of the foregoing and not in limitation of any other right that the Administrative Agent or any other Secured Party has at law or in equity against any Guarantor by virtue hereof, upon the failure of any Guaranty Party to pay any Guaranteed Obligation when and as the same shall become due, whether at maturity, by acceleration, after notice of prepayment or otherwise, each Guarantor hereby promises to and will forthwith pay, or cause to be paid, to the Administrative Agent for distribution to the Secured Parties in cash the amount of such unpaid Guaranteed Obligation. Upon payment by any Guarantor of any sums to the Administrative Agent as provided above, all rights of such Guarantor against any Guaranty Party arising as a result thereof by way of right of subrogation, contribution, reimbursement, indemnity or otherwise shall in all respects be subject to Article III herein.

SECTION 2.06. Information. Each Guarantor assumes all responsibility for being and keeping itself informed of each Guaranty Party's financial condition and assets, and of all other circumstances bearing upon the risk of nonpayment of the Guaranteed Obligations, and the nature, scope and extent of the risks that such Guarantor assumes and incurs hereunder, and agrees that none of the Administrative Agent or the other Secured Parties will have any duty to advise such Guarantor of information known to it or any of them regarding such circumstances or risks.

SECTION 2.07. Keepwell. Each Qualified ECP Guarantor hereby jointly and severally absolutely, unconditionally and irrevocably undertakes to provide such funds or other support as may be needed from time to time by each other Guarantor to honor all of its obligations under this Agreement in respect of Swap Obligations (provided, however, that each Qualified ECP Guarantor shall only be liable under this Section 2.07 for the maximum amount of such liability that can be hereby incurred without rendering its obligations under this Section 2.07, or otherwise under this Agreement, voidable under applicable law relating to fraudulent conveyance or fraudulent transfer, and not for any greater amount). The obligations of each Qualified ECP Guarantor under this Section 2.07 shall remain in full force and effect until the termination of this Agreement and the Guaranties made hereunder pursuant to Section 4.12. Each Qualified ECP Guarantor intends that this Section 2.07 constitute, and this Section 2.07 shall be deemed to constitute, a "keepwell, support, or other agreement" for the benefit of each other Loan Party for all purposes of Section 1a(18)(A)(v)(II) of the Commodity Exchange Act.

ARTICLE III

INDEMNITY, SUBROGATION AND SUBORDINATION

SECTION 3.01. Indemnity and Subrogation. In addition to all such rights of indemnity and subrogation as the Guarantors may have under applicable law (but subject to Section 3.03), the Borrower agrees that in the event a payment of an obligation shall be made by any Guarantor under this Agreement, the Borrower shall indemnify such Guarantor for the full amount of such payment and such Guarantor shall be subrogated to the rights of the Person to whom such payment shall have been made to the extent of such payment.

SECTION 3.02. Contribution and Subrogation. Each Guarantor (a "**Contributing Party**") agrees (subject to Section 3.03) that, in the event a payment shall be made by any other Guarantor hereunder in respect of any Guaranteed Obligation and such other Guarantor (the "**Claiming Party**") shall not have been fully indemnified by the Borrower as provided in Section 3.01, the Contributing Party shall indemnify the Claiming Party in an amount equal to the amount of such payment, in each case multiplied by a fraction of which the numerator shall be the net worth of the Contributing Party on the date hereof and the denominator shall be the aggregate net worth of all the Contributing Parties together with the net worth of the Claiming Party on the date hereof (or, in the case of any Guarantor becoming a party hereto pursuant to Section 4.13, the date of the Guaranty Supplement hereto executed and delivered by such Guarantor). Any Contributing Party making any payment to a Claiming Party pursuant to this Section 3.02 shall be subrogated to the rights of such Claiming Party to the extent of such payment. Each Guarantor recognizes and acknowledges that the rights to contribution arising hereunder shall constitute an asset in favor of the party entitled to such contribution. In this connection, each Guarantor has the right to waive, to the fullest extent permitted by applicable law, its contribution right against any other Guarantor to the extent that after giving effect to such waiver such Guarantor would remain solvent, in the determination of the Lenders.

SECTION 3.03. Subordination. (a) Notwithstanding any provision of this Agreement to the contrary, all rights of the Guarantors under Sections 3.01 and 3.02 and all other rights of indemnity, contribution or subrogation under applicable law or otherwise shall be fully subordinated to the indefeasible payment in full in cash of the Guaranteed Obligations; *provided* that if any amount shall be paid to such Guarantor on account of such subrogation rights at any time prior to the irrevocable payment in full of the Guaranteed Obligations, such amount shall be held in trust for the benefit of the Secured Parties and shall forthwith be paid to the Administrative Agent to be credited and applied against the Guaranteed Obligations, whether matured or unmatured, in connection with Section 9.03 of the Credit Agreement. No failure on the part of the Borrower or any Guarantor to make the payments required by Sections 3.01 and 3.02 (or any other payments required under applicable law or otherwise) shall in any respect limit the obligations and liabilities of any Guarantor with respect to its obligations hereunder, and each Guarantor shall remain liable for the full amount of the obligations of such Guarantor hereunder.

ARTICLE IV

MISCELLANEOUS

SECTION 4.01. Notices. All communications and notices hereunder shall (except as otherwise expressly permitted herein) be in writing and given as provided in Section 11.02 of the Credit Agreement. All communications and notices hereunder to any Guarantor shall be given to it in care of the Borrower as provided in Section 11.02 of the Credit Agreement.

SECTION 4.02. Waivers; Amendment. (a) No failure or delay by the Administrative Agent, any L/C Issuer or any Lender in exercising any right or power hereunder or under any other Loan Document shall operate as a waiver thereof, nor shall any single or partial exercise of any such right or power, or any abandonment or discontinuance of steps to enforce such a right or power, preclude any other or further exercise thereof or the exercise of any other right or power. The rights and remedies of the Administrative Agent, the L/C Issuers and the Lenders hereunder and under the other Loan Documents are cumulative and are not exclusive of any rights or remedies that they would otherwise have. No waiver of any provision of this Agreement or consent to any departure by any Guaranty Party therefrom shall in any event be effective unless the same shall be permitted by paragraph (b) of this Section 4.02, and then such waiver or consent shall be effective only in the specific instance and for the purpose for which given. Without limiting the generality of the foregoing, the making of a Loan or issuance of a Letter of Credit shall not be construed as a waiver of any Default, regardless of whether the Administrative Agent, any Lender or any L/C Issuer may have had notice or knowledge of such Default at the time. No notice or demand on any Guaranty Party in any case shall entitle any Guaranty Party to any other or further notice or demand in similar or other circumstances.

(b) Neither this Agreement nor any provision hereof may be waived, amended or modified except pursuant to an agreement or agreements in writing entered into by the Administrative Agent and the Guaranty Party or Guaranty Parties with respect to which such waiver, amendment or modification is to apply, subject to any consent required in accordance with Section 11.01 of the Credit Agreement.

SECTION 4.03. Administrative Agent's Fees and Expenses, Indemnification. (a) The parties hereto agree that the Administrative Agent shall be entitled to reimbursement of its expenses incurred hereunder as provided in Section 11.04 of the Credit Agreement.

(b) Without limitation of its indemnification obligations under the other Loan Documents, the Borrower agrees to indemnify the Administrative Agent and the other Indemnitees (as defined in Section 11.05 of the Credit Agreement) against, and hold each Indemnitee harmless from, any and all losses, claims, damages, liabilities and related expenses, including the reasonable fees, charges and disbursements of any counsel for any Indemnitee, incurred by or asserted against any Indemnitee arising out of, in connection with, or as a result of, the execution, delivery or performance of this Agreement or any claim, litigation, investigation or proceeding relating to any of the foregoing agreements or instruments contemplated hereby, whether or not any Indemnitee is a party thereto; *provided* that such

indemnity shall not, as to any Indemnitee, be available to the extent that such losses, claims, damages, liabilities or related expenses are determined by a court of competent jurisdiction by final and nonappealable judgment to have resulted from the gross negligence or wilful misconduct of such Indemnitee or Related Indemnified Person of such Indemnitee.

(c) Any such amounts payable as provided hereunder shall be additional Guaranteed Obligations secured hereby and by the other Collateral Documents. The provisions of this Section 4.03 shall remain operative and in full force and effect regardless of the termination of this Agreement or any other Loan Document, the consummation of the transactions contemplated hereby, the repayment of any of the Guaranteed Obligations, the invalidity or unenforceability of any term or provision of this Agreement or any other Loan Document, or any investigation made by or on behalf of the Administrative Agent or any other Secured Party. All amounts due under this Section 4.03 shall be payable within 10 days of written demand therefor.

SECTION 4.04. Survival of Agreement. All representations and warranties made hereunder and in any other Loan Document or other document delivered pursuant hereto or thereto or in connection herewith or therewith shall survive the execution and delivery hereof and thereof. Such representations and warranties have been or will be relied upon by the Administrative Agent and each Lender, regardless of any investigation made by the Administrative Agent or any Lender or on their behalf and notwithstanding that the Administrative Agent or any Lender may have had notice or knowledge of any Default at the time of any Credit Extension and shall continue in full force and effect as long as any Loan or any other Guaranteed Obligation hereunder shall remain unpaid or unsatisfied or any Letter of Credit shall remain outstanding (unless the Outstanding Amount of the L/C Obligations related thereto has been Cash Collateralized).

SECTION 4.05. Counterparts; Effectiveness; Successors and Assigns; Several Agreement. This Agreement may be executed in one or more counterparts, each of which shall be deemed an original, but all of which together shall constitute a one and the same instrument. Delivery by facsimile transmission or other electronic communication of an executed counterpart of a signature page to this Agreement shall be effective as delivery of an original executed counterpart of this Agreement. The Agents may also require that any such documents and signatures delivered by facsimile transmission or other electronic communication be confirmed by a manually signed original thereof; *provided* that the failure to request or deliver the same shall not limit the effectiveness of any document or signature delivered by facsimile transmission or other electronic communication. This Agreement shall become effective as to any Guaranty Party when a counterpart hereof executed on behalf of such Guaranty Party shall have been delivered to the Administrative Agent and a counterpart hereof shall have been executed on behalf of the Administrative Agent, and thereafter shall be binding upon such Guaranty Party and the Administrative Agent and their respective successors and assigns permitted thereby, and shall inure to the benefit of such Guaranty Party, the Administrative Agent and the other Secured Parties and their respective successors and assigns permitted thereby, except that no Guaranty Party shall have the right to assign or transfer its rights or obligations hereunder or any interest herein (and any such assignment or transfer shall be void) except as expressly contemplated by this Agreement or the other Loan Documents. This Agreement shall be construed as a separate agreement with respect to each Guaranty Party and

may be amended, restated, modified, supplemented, waived or released with respect to any Guaranty Party without the approval of any other Guaranty Party and without affecting the obligations of any other Guaranty Party hereunder.

SECTION 4.06. Severability. If any provision of this Agreement or the other Loan Documents is held to be illegal, invalid or unenforceable, the legality, validity and enforceability of the remaining provisions of this Agreement and the other Loan Documents shall not be affected or impaired thereby. The invalidity of a provision in a particular jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

SECTION 4.07. Right of Set-Off. In addition to any rights and remedies of the Lenders provided by Law, upon the occurrence and during the continuance of any Event of Default, each Lender and its Affiliates and each L/C Issuer and its Affiliates is authorized at any time and from time to time, without prior notice to any Guarantor, any such notice being waived by the Borrower (on its own behalf and on behalf of each Guarantor and its Subsidiaries) to the fullest extent permitted by applicable Law, to set off and apply any and all deposits (general or special, time or demand, provisional or final) at any time held by, and other Indebtedness at any time owing by, such Lender and its Affiliates or such L/C Issuer and its Affiliates, as the case may be, to or for the credit or the account of the respective Loan Parties and their Subsidiaries against any and all Guaranteed Obligations owing to such Lender and its Affiliates or such L/C Issuer and its Affiliates hereunder or under any other Loan Document, now or hereafter existing, irrespective of whether or not such Agent or such Lender or Affiliate shall have made demand under this Agreement or any other Loan Document and although such Guaranteed Obligations may be contingent or unmatured or denominated in a currency different from that of the applicable deposit or Indebtedness. Notwithstanding anything to the contrary contained herein, no Lender or its Affiliates and no L/C Issuer or its Affiliates shall have a right to set off and apply any deposits held or other Indebtedness owing by such Lender or its Affiliates or such L/C Issuer or its Affiliates, as the case may be, to or for the credit or the account of any Subsidiary of a Loan Party which is not a “United States person” within the meaning of Section 7701(a)(30) of the Code unless such Subsidiary is not a direct or indirect subsidiary of Holdings. Each Lender and L/C Issuer agrees promptly to notify the Borrower and the Administrative Agent after any such set off and application made by such Lender or L/C Issuer, as the case may be; *provided*, that the failure to give such notice shall not affect the validity of such set off and application. The rights of the Administrative Agent, each Lender and each L/C Issuer under this Section 4.07 are in addition to other rights and remedies (including other rights of set off) that the Administrative Agent, such Lender and such L/C Issuer may have.

SECTION 4.08. Governing Law; Jurisdiction; Consent to Service of Process. (a) THIS AGREEMENT SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAW OF THE STATE OF NEW YORK.

(b) ANY LEGAL ACTION OR PROCEEDING ARISING UNDER THIS AGREEMENT OR IN ANY WAY CONNECTED WITH OR RELATED OR INCIDENTAL TO THE DEALINGS OF THE PARTIES HERETO OR ANY OF THEM WITH RESPECT TO THIS AGREEMENT, OR THE TRANSACTIONS RELATED THERETO, IN EACH CASE WHETHER NOW EXISTING OR HEREAFTER ARISING, MAY BE BROUGHT IN THE COURTS OF THE STATE OF NEW YORK SITTING IN NEW YORK CITY OR OF THE

UNITED STATES FOR THE SOUTHERN DISTRICT OF SUCH STATE, AND BY EXECUTION AND DELIVERY OF THIS AGREEMENT, EACH OF HOLDINGS, EACH OTHER GUARANTOR AND THE ADMINISTRATIVE AGENT CONSENTS, FOR ITSELF AND IN RESPECT OF ITS PROPERTY, TO THE EXCLUSIVE JURISDICTION OF THOSE COURTS. EACH OF HOLDINGS, EACH OTHER GUARANTOR AND THE ADMINISTRATIVE AGENT IRREVOCABLY WAIVES ANY OBJECTION, INCLUDING ANY OBJECTION TO THE LAYING OF VENUE OR BASED ON THE GROUNDS OF FORUM NON CONVENIENS, WHICH IT MAY NOW OR HEREAFTER HAVE TO THE BRINGING OF ANY ACTION OR PROCEEDING IN SUCH JURISDICTION IN RESPECT OF ANY LOAN DOCUMENT OR OTHER DOCUMENT RELATED THERETO.

(c) Each party to this Agreement irrevocably consents to service of process in the manner provided for notices in Section 4.01. Nothing in this Agreement will affect the right of any party to this Agreement to serve process in any other manner permitted by law.

SECTION 4.09. WAIVER OF JURY TRIAL. EACH PARTY TO THIS AGREEMENT HEREBY EXPRESSLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT TO TRIAL BY JURY OF ANY CLAIM, DEMAND, ACTION OR CAUSE OF ACTION ARISING UNDER THIS AGREEMENT OR IN ANY WAY CONNECTED WITH OR RELATED OR INCIDENTAL TO THE DEALINGS OF THE PARTIES HERETO OR ANY OF THEM WITH RESPECT TO THIS AGREEMENT, OR THE TRANSACTIONS RELATED THERETO, IN EACH CASE WHETHER NOW EXISTING OR HEREAFTER ARISING, AND WHETHER FOUNDED IN CONTRACT OR TORT OR OTHERWISE; AND EACH PARTY HEREBY AGREES AND CONSENTS THAT ANY SUCH CLAIM, DEMAND, ACTION OR CAUSE OF ACTION SHALL BE DECIDED BY COURT TRIAL WITHOUT A JURY, AND THAT ANY PARTY TO THIS AGREEMENT MAY FILE AN ORIGINAL COUNTERPART OR A COPY OF THIS SECTION 4.09 WITH ANY COURT AS WRITTEN EVIDENCE OF THE CONSENT OF THE SIGNATORIES HERETO TO THE WAIVER OF THEIR RIGHT TO TRIAL BY JURY.

SECTION 4.10. Headings. Article and Section headings and the Table of Contents used herein are for convenience of reference only, are not part of this Agreement and are not to affect the construction of, or to be taken into consideration in interpreting, this Agreement.

SECTION 4.11. Guaranty Absolute. To the fullest extent permitted by applicable law, all rights of the Administrative Agent hereunder and all obligations of each Guarantor hereunder shall be absolute and unconditional irrespective of (a) any lack of validity or enforceability of the Credit Agreement, any other Loan Document, any agreement with respect to any of the Guaranteed Obligations or any other agreement or instrument relating to any of the foregoing, (b) any change in the time, manner or place of payment of, or in any other term of, all or any of the Guaranteed Obligations, or any other amendment or waiver of or any consent to any departure from the Credit Agreement, any other Loan Document, or any other agreement or instrument, (c) any exchange, release or non-perfection of any Lien on other collateral, or any release or amendment or waiver of or consent under or departure from any guaranty securing or guaranteeing all or any of the Guaranteed Obligations or (d) any other circumstance that might otherwise constitute a defense available to, or a discharge of, any Guarantor in respect of the Guaranteed Obligations or this Agreement.

SECTION 4.12. Termination or Release. (a) This Agreement and the Guaranties made herein shall terminate with respect to all Guaranteed Obligations when all the outstanding Guaranteed Obligations (other than (x) obligations under Secured Hedge Agreements not yet due and payable, (y) Cash Management Obligations not yet due and payable and (z) contingent indemnification obligations not yet accrued and payable) have been indefeasibly paid in full and the Lenders have no further commitment to lend under the Credit Agreement, the Outstanding Amount of L/C Obligations have been either reduced to zero or Cash Collateralized and the L/C Issuers have no further obligations to issue Letters of Credit under the Credit Agreement.

(b) A Guarantor shall automatically be released from its obligations hereunder upon the consummation of any transaction permitted by the Credit Agreement as a result of which such Guarantor ceases to be a Subsidiary or is designated as an Unrestricted Subsidiary of Borrower pursuant to the terms of the Credit Agreement; *provided* that the Lenders shall have consented to such transaction (to the extent required by the Credit Agreement) and the terms of such consent did not provide otherwise.

(c) A Guarantor (other than Holdings) shall automatically be released from its obligations hereunder if such Guarantor ceases to be a Restricted Subsidiary pursuant to the terms of the Credit Agreement.

(d) In connection with any termination or release pursuant to paragraph (a), (b) or (c) of this Section 4.12, the Administrative Agent shall execute and deliver to any Guarantor, at such Guarantor's expense, all documents that such Guarantor shall reasonably request to evidence such termination or release. Any execution and delivery of documents pursuant to this Section 4.12 shall be without recourse to or warranty by the Administrative Agent.

(e) At any time that the Borrower desires that the Administrative Agent take any of the actions described in immediately preceding paragraph (d), it shall, upon request of the Administrative Agent, deliver to the Administrative Agent an officer's certificate certifying that the release of the respective Guarantor is permitted pursuant to paragraph (a), (b) or (c). The Administrative Agent shall have no liability whatsoever to any Guarantor as a result of any release of any Guarantor by it as permitted (or which the Administrative Agent in good faith believes to be permitted) by this Section 4.12.

(f) Notwithstanding anything to the contrary set forth in this Agreement, each Cash Management Bank and each Hedge Bank, by the acceptance of the benefits under this Agreement hereby acknowledge and agree that (i) the obligations of the Borrower or any Subsidiary under any Secured Hedge Agreement and the Cash Management Obligations (in each case, other than any Excluded Swap Obligation) shall be guaranteed pursuant to this Agreement only to the extent that, and for so long as, the other Guaranteed Obligations are so guaranteed and (ii) any release of a Guarantor effected in the manner permitted by this Agreement shall not require the consent of any Hedge Bank or Cash Management Bank.

SECTION 4.13. Additional Restricted Subsidiaries. Pursuant to Section 6.11 of the Credit Agreement, certain Restricted Subsidiaries of Borrower that were not in existence, not Restricted Subsidiaries or were Excluded Subsidiaries on the date of the Credit Agreement are required to enter in this Agreement as Guarantors upon becoming Restricted Subsidiaries or upon ceasing to be Excluded Subsidiaries by execution and delivery of a Guaranty Supplement by the Administrative Agent and such Restricted Subsidiary shall become a Guarantor hereunder with the same force and effect as if originally named as a Guarantor herein. The execution and delivery of any such instrument shall not require the consent of any other Guaranty Party hereunder. The rights and obligations of each Guaranty Party hereunder shall remain in full force and effect notwithstanding the addition of any new Guaranty Party as a party to this Agreement.

SECTION 4.14. Limitation on Guaranteed Obligations. Each Guarantor and each Secured Party (by its acceptance of the benefits of this Agreement) hereby confirms that it is its intention that this Agreement not constitute a fraudulent transfer or conveyance for purposes of any Debtor Relief Laws (including the Bankruptcy Code, the Uniform Fraudulent Conveyance Act or any similar Federal or state law). To effectuate the foregoing intention, each Guarantor and each Secured Party (by its acceptance of the benefits of this Agreement) hereby irrevocably agrees that the Guaranteed Obligations owing by such Guarantor under this Agreement shall be limited to such amount as will, after giving effect to such maximum amount and all other (contingent or otherwise) liabilities of such Guarantor that are relevant under such Debtor Relief Laws and after giving effect to any rights to contribution and/or subrogation pursuant to any agreement providing for an equitable contribution and/or subrogation among such Guarantor and the other Guarantors, result in the Guaranteed Obligations of such Guarantor in respect of such maximum amount not constituting a fraudulent transfer or conveyance.

Section 4.13 of the Guaranty provides that additional Restricted Subsidiaries of the Borrower that are not Excluded Subsidiaries may become Guarantors under the Guaranty by execution and delivery of an instrument in the form of this Supplement. The undersigned Restricted Subsidiary (the "**New Subsidiary**") is executing this Supplement in accordance with the requirements of the Credit Agreement to become a Guarantor under the Guaranty in order to induce (x) the Lenders to make additional Loans and the L/C Issuers to issue additional Letters of Credit, (y) the Hedge Banks to enter into and/or maintain Secured Hedge Agreements and (z) the Cash Management Banks to provide Cash Management Services and as consideration for (x) Loans previously made and Letters of Credit previously issued, (y) Secured Hedge Agreements previously entered into and/or maintained and (z) Cash Management Services previously provided.

successors and assigns, irrevocably, absolutely and unconditionally guaranty, jointly with the other Guarantors and severally, the due and punctual payment and performance of the Guaranteed Obligations. Each reference to a "**Guarantor**" in the Guaranty shall be deemed to include the New Subsidiary. The Guaranty is hereby incorporated herein by reference.

SECTION 2. SECTION 3. This Supplement may be executed in counterparts (and by different parties hereto on different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract. This Supplement shall become effective when the Administrative Agent shall have received a counterpart of this Supplement that bears the signature of the New Subsidiary, and the Administrative Agent has executed a counterpart hereof. Delivery of an executed signature page to this Supplement by facsimile transmission or other electronic communication shall be as effective as delivery of a manually signed counterpart of this Supplement.

SECTION 4. Except as expressly supplemented hereby, the Guaranty shall remain in full force and effect.

SECTION 5. THIS SUPPLEMENT SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF NEW YORK.

SECTION 6. If any provision contained in this Supplement is held to be invalid, illegal or unenforceable, the legality, validity, and enforceability of the remaining provisions contained herein and in the Guaranty shall not be affected or impaired thereby. The invalidity of a provision in a particular jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

SECTION 7. All communications and notices hereunder shall be in writing and given as provided in Section 4.01 of the Guaranty.

SECTION 8. The New Subsidiary agrees to reimburse the Administrative Agent for its reasonable out-of-pocket expenses in connection with the execution and delivery of this Supplement, including the reasonable fees, other charges and disbursements of counsel for the Administrative Agent.

SECTION 2.02. Delivery of the Pledged Collateral. (a) Each Grantor agrees to deliver or cause to be delivered as promptly as practicable to the Administrative Agent, for the benefit of the Secured Parties, any and all Pledged Securities (other than any uncertificated securities, but only for so long as such securities remain uncertificated) to the extent such Pledged Securities, in the case of promissory notes or other instruments evidencing Indebtedness, are required to be delivered pursuant to paragraph (b) of this Section 2.02.

(b) Each Grantor will cause (i) any Indebtedness for borrowed money owed to such Grantor by any Person (other than intercompany Indebtedness between Credit Parties and intercompany Indebtedness referred to in the following clause (ii)) having an aggregate principal amount in excess of the Dollar Amount of $5,000,000, to be evidenced by a duly executed promissory note, and (ii) any intercompany Indebtedness made by such Grantor to a Non-Loan Party to be evidenced by (x) a duly executed global promissory note to which such Non-Loan Party is a signatory, or (y) at the option of the Grantor, to the extent such Indebtedness is in an aggregate principal amount in excess of the Dollar Amount of $15,000,000, a duly executed promissory note; in each case (i) and (ii) that is delivered to the Administrative Agent, for the benefit of the Secured Parties, pursuant to the terms hereof.

(d) except for restrictions and limitations imposed by the Loan Documents or securities laws generally and except as described in the Perfection Certificate, the Pledged Collateral is and will continue to be freely transferable and assignable, and none of the Pledged Collateral is or will be subject to any option, right of first refusal, shareholders agreement, charter or by-law provisions or contractual restriction of any nature that might prohibit, impair, delay or otherwise affect in any manner material and adverse to the Secured Parties the pledge of such Pledged Collateral hereunder, the sale or disposition thereof pursuant hereto or the exercise by the Administrative Agent of rights and remedies hereunder;

(e) each of the Grantors has the power and authority to pledge the Pledged Collateral pledged by it hereunder in the manner hereby done or contemplated;

(f) no consent or approval of any Governmental Authority, any securities exchange or any other Person was or is necessary to the validity of the pledge effected hereby (other than such as have been obtained and are in full force and effect);

(h) the pledge effected hereby is effective to vest in the Administrative Agent, for the benefit of the Secured Parties, the rights of the Administrative Agent in the Pledged Collateral as set forth herein.

SECTION 2.04. Certification of Limited Liability Company and Limited Partnership Interests. Any limited liability company and any limited partnership controlled by any Grantor shall either (a) not have in its operative documents any provision that any Equity Interests in such limited liability company or such limited partnership be a “security” as defined under Article 8 of the Uniform Commercial Code, or (b) certificate any Equity Interests in any such limited liability company or such limited partnership. To the extent an interest in any limited liability company or limited partnership controlled by any Grantor and pledged under Section 2.01 is certificated or becomes certificated, each such certificate shall be delivered to the Administrative Agent, pursuant to Section 2.02(a) and such Grantor shall fulfill all other requirements under Section 2.02 applicable in respect thereof.

SECTION 2.05. Registration in Nominee Name; Denominations. If an Event of Default shall occur and be continuing, (a) the Administrative Agent, on behalf of the Secured Parties, shall have the right (in its sole and absolute discretion) to hold the Pledged Securities in its own name as pledgee, the name of its nominee (as pledgee or as sub-agent) or the name of the applicable Grantor, endorsed or assigned in blank or in favor of the Administrative Agent, and each Grantor will promptly give to the Administrative Agent copies of any notices or other communications received by it with respect to Pledged Securities registered in the name of such Grantor and (b) the Administrative Agent shall have the right to exchange the certificates representing Pledged Securities for certificates of smaller or larger denominations for any purpose consistent with this Agreement; provided, that the Administrative Agent shall give the Borrower prior notice of its intent to exercise such rights unless a Bankruptcy Event of Default shall have occurred and be continuing in which case no notice shall be required.

SECTION 2.06. Voting Rights; Dividends and Interest. (a) Unless and until an Event of Default shall have occurred and be continuing and the Administrative Agent shall have notified the Borrower that the rights of the Grantors under this Section 2.06 are being suspended:

(i) Each Grantor shall be entitled to exercise any and all voting and/or other consensual rights and powers inuring to an owner of Pledged Securities or any part thereof for any purpose consistent with the terms of this Agreement, the Credit Agreement and the other Loan Documents; *provided* that such rights and powers shall not be exercised in any manner, except as may be expressly permitted under this Agreement, the Credit Agreement or the other Loan Documents, that would materially and adversely affect the rights inuring to a holder of any Pledged Securities or the rights and remedies of any of the Administrative Agent or the other Secured Parties under this Agreement, the Credit Agreement or any other Loan Document or the ability of the Secured Parties to exercise the same.

(ii) The Administrative Agent shall execute and deliver to each Grantor, or cause to be executed and delivered to each Grantor, all such proxies, powers of attorney and other instruments as each Grantor may reasonably request for the purpose of enabling such Grantor to exercise the voting and/or consensual rights and powers it is entitled to exercise pursuant to subparagraph (i) above.

(iii) Each Grantor shall be entitled to receive and retain any and all dividends, interest, principal and other distributions paid on or distributed in respect of the Pledged Securities to the extent and only to the extent that such dividends, interest, principal and other distributions are permitted by, and otherwise paid or distributed in accordance with, the terms and conditions of the Credit Agreement, the other Loan Documents and applicable Laws; *provided* that any non-cash (and non-cash equivalent) dividends, interest, principal or other distributions that would constitute Pledged Equity or Pledged Debt, whether resulting from a subdivision, combination or reclassification of the outstanding Equity Interests of the issuer of any Pledged Securities or received in exchange for Pledged Securities or any part thereof, or in redemption thereof, or as a result of any merger, consolidation, acquisition or other exchange of assets to which such issuer may be a party or otherwise, shall be and become part of the Pledged Collateral, and, if received by any Grantor, shall not be commingled by such Grantor with any of its other funds or property but shall be held separate and apart therefrom, shall be held in trust for the benefit of the Administrative Agent and the Secured Parties and shall be forthwith delivered to the Administrative Agent in the same form as so received (with any necessary endorsement reasonably requested by the Administrative Agent).

(b) Upon the occurrence and during the continuance of an Event of Default, after the Administrative Agent shall have notified the Borrower of the suspension of the rights of the Grantors under paragraph (a)(iii) of this Section 2.06, then all rights of any Grantor to dividends, interest, principal or other distributions that such Grantor is authorized to receive pursuant to paragraph (a)(iii) of this Section 2.06 shall cease, and all such rights shall thereupon become vested in the Administrative Agent, which shall have the sole and exclusive right and authority to receive and retain such dividends, interest, principal or other distributions. All dividends, interest, principal or other distributions received by any Grantor contrary to the provisions of this Section 2.06 shall be held in trust for the benefit of the Administrative Agent, shall be segregated from other property or funds of such Grantor and shall be forthwith delivered to the Administrative Agent upon demand in the same form as so received (with any necessary endorsement reasonably requested by the Administrative Agent). Any and all money and other property paid over to or received by the Administrative Agent pursuant to the provisions of this paragraph (b) shall be retained by the Administrative Agent in an account to be established by the Administrative Agent upon receipt of such money or other property and shall be applied in accordance with the provisions of Section 4.02 hereof. After all Events of Default have been cured or waived, the Administrative Agent shall promptly repay to each Grantor (without interest) all dividends, interest, principal or other distributions that such Grantor would otherwise be permitted to retain pursuant to the terms of paragraph (a)(iii) of this Section 2.06 and that remain in such account.

(c) Upon the occurrence and during the continuance of an Event of Default, after the Administrative Agent shall have notified the Borrower of the suspension of the rights of the Grantors under paragraph (a)(i) of this Section 2.06, then all rights of any Grantor to exercise the voting and consensual rights and powers it is entitled to exercise pursuant to paragraph (a)(i) of this Section 2.06, and the obligations of the Administrative Agent under paragraph (a)(ii) of this Section 2.06, shall cease, and all such rights shall thereupon become vested in the Administrative Agent, which shall have the sole and exclusive right and authority to exercise such voting and consensual rights and powers; *provided* that, unless otherwise directed by the Required Lenders, the Administrative Agent shall have the right from time to time following and during the continuance of an Event of Default to permit the Grantors to exercise such rights at the discretion of the Administrative Agent. After all Events of Default have been cured or waived, each Grantor shall have the exclusive right to exercise the voting and/or consensual rights and powers that such Grantor would otherwise be entitled to exercise pursuant to the terms of paragraph (a)(i) of this Section 2.06.

(d) Any notice given by the Administrative Agent to the Borrower suspending the rights of the Grantors under paragraph (a) of this Section 2.06 (i) shall be given in writing, (ii) may be given with respect to one or more of the Grantors at the same or different times and (iii) may suspend the rights of the Grantors under paragraph (a)(i) or paragraph (a)(iii) of this Section 2.06 in part without suspending all such rights (as specified by the Administrative Agent in its sole and absolute discretion) and without waiving or otherwise affecting the Administrative Agent's rights to give additional notices from time to time suspending other rights so long as an Event of Default has occurred and is continuing.

SECTION 2.07. Administrative Agent Not a Partner or Limited Liability Company Member. Nothing contained in this Agreement shall be construed to make the Administrative Agent or any other Secured Party liable as a member of any limited liability company or as a partner of any partnership and neither the Administrative Agent nor any other Secured Party by virtue of this Agreement or otherwise (except as referred to in the following sentence) shall have any of the duties, obligations or liabilities of a member of any limited liability company or as a partner in any partnership. The parties hereto expressly agree that, unless the Administrative Agent shall become the absolute owner of Pledged Equity consisting of a limited liability company interest or a partnership interest pursuant hereto or to any other Loan Document, this Agreement shall not be construed as creating a partnership or joint venture among the Administrative Agent, any other Secured Party, any Grantor and/or any other Person.

ARTICLE III

Security Interests in Personal Property

SECTION 3.01. Security Interest. (a) As security for the payment or performance, as the case may be, in full of the Secured Obligations, including the Guaranteed Obligations, each Grantor hereby grants to the Administrative Agent, its successors and assigns, for the benefit of the Secured Parties, a security interest (the "**Security Interest**") in all right, title or interest in or to any and all of the following assets and properties now owned or at any time hereafter acquired by such Grantor or in which such Grantor now has or at any time in the future may acquire any right, title or interest (collectively, the "**Article 9 Collateral**"):

(i) all Accounts;

(ii) all Chattel Paper;

(iii) all Commercial Tort Claims listed on Schedule II hereto;

(iv) all Deposit Accounts;

(v) all Documents;

(vi) all Equipment;

(vii) all General Intangibles;

(viii) all Goods;

(ix) all Instruments;

(x) all Inventory;

(xi) all Investment Property;

(xii) all books and records pertaining to the Article 9 Collateral; and

(xiii) to the extent not otherwise included, all Proceeds and products of any and all of the foregoing and all supporting obligations, collateral security and guarantees given by any Person with respect to any of the foregoing;

provided that notwithstanding anything to the contrary in this Agreement, this Agreement shall not constitute a grant of a security interest in any Excluded Asset.

(b) Each Grantor hereby irrevocably authorizes the Administrative Agent for the benefit of the Secured Parties at any time and from time to time to file in any relevant jurisdiction any initial financing statements (including fixture filings) with respect to the Article 9 Collateral or any part thereof and amendments thereto that (i) indicate the Collateral as all assets of such Grantor or words of similar effect as being of an equal or lesser scope or with greater detail, and (ii) contain the information required by Article 9 of the Uniform Commercial Code or the analogous legislation of each applicable jurisdiction for the filing of any financing statement or amendment, including (A) whether such Grantor is an organization, the type of organization and, if required, any organizational identification number issued

to such Grantor and (B) in the case of a financing statement filed as a fixture filing, a sufficient description of the real property to which such Article 9 Collateral relates. Each Grantor agrees to provide such information to the Administrative Agent promptly upon any reasonable request.

(c) The Security Interest is granted as security only and shall not subject the Administrative Agent or any other Secured Party to, or in any way alter or modify, any obligation or liability of any Grantor with respect to or arising out of the Article 9 Collateral.

(d) The Administrative Agent is authorized to file with the USPTO or the USCO (or any successor office or any similar office in any other country) such documents as may be necessary or advisable for the purpose of perfecting, confirming, continuing, enforcing or protecting the Security Interest in United States Intellectual Property granted by each Grantor, without the signature of any Grantor, and naming any Grantor or the Grantor as debtors and the Administrative Agent as secured party.

(e) Notwithstanding anything to the contrary in the Loan Documents, none of the Grantors shall be required to enter into any deposit account control agreement or securities account control agreement with respect to any deposit account or securities account.

SECTION 3.02. Representations and Warranties. Holdings and the Borrower jointly and severally represent and warrant, as to themselves and the other Grantors, to the Administrative Agent and the Secured Parties that:

(a) Each Grantor has good and valid rights in and title to the material Article 9 Collateral with respect to which it has purported to grant a Security Interest hereunder and has full power and authority to grant to the Administrative Agent the Security Interest in such Article 9 Collateral pursuant hereto and to execute, deliver and perform its obligations in accordance with the terms of this Agreement, without the consent or approval of any other Person other than any consent or approval that has been obtained.

(b) The information set forth in the Perfection Certificate, including the exact legal name of each Grantor, is correct and complete in all material respects as of the Closing Date. The Uniform Commercial Code financing statements (including fixture filings, as applicable) or other appropriate filings, recordings or registrations prepared by the Administrative Agent based upon the information provided to the Administrative Agent in the Perfection Certificate for filing in each governmental, municipal or other office specified in Schedule 6 to the Perfection Certificate (or specified by notice from the Borrower to the Administrative Agent after the Closing Date in the case of filings, recordings or registrations (other than filings required to be made in the USPTO and the USCO in order to perfect the Security Interest in Article 9 Collateral consisting of United States Patents, Trademarks and Copyrights) required by Section 6.11 of the Credit Agreement), are all the filings, recordings and registrations that are necessary to establish a legal, valid and perfected security interest in favor of the Administrative Agent (for the benefit of the Secured Parties) in respect of all Article 9 Collateral in which the Security Interest may be perfected by filing, recording or registration in the United States (or any political subdivision thereof) and its territories and possessions, and no further or subsequent filing, refiling, recording, rerecording, registration or reregistration is necessary in any such jurisdiction, except as provided under applicable law with respect to the filing of continuation statements.

(c) Each Grantor represents and warrants that short-form Intellectual Property Security Agreements containing a description of all Article 9 Collateral consisting of United States Patents, United States registered Trademarks (and Trademarks for which United States registration applications are pending, unless it constitutes an Excluded Asset) and United States registered

Copyrights, respectively, have been delivered to the Administrative Agent for recording by the USPTO and the USCO pursuant to 35 U.S.C. § 261, 15 U.S.C. § 1060 or 17 U.S.C. § 205 and the regulations thereunder, as applicable, as may be necessary to establish a valid and perfected security interest in favor of the Administrative Agent (for the benefit of the Secured Parties) in respect of all Article 9 Collateral consisting of Patents, Trademarks and Copyrights in which a security interest may be perfected by filing, recording or registration in the United States (or any political subdivision thereof) and its territories and possessions under the Federal intellectual property laws, and no further or subsequent filing, refiling, recording, rerecording, registration or reregistration is necessary (other than (i) such filings and actions as are necessary to perfect the Security Interest with respect to any Article 9 Collateral consisting of Patents, Trademarks and Copyrights (or registration or application for registration thereof) acquired or developed by any Grantor after the date hereof, (ii) as may be required under the laws of jurisdictions outside the United States with respect to Article 9 Collateral created under such laws, and (iii) the UCC financing and continuation statements contemplated in Section 3.02(b)).

(d) The Security Interest constitutes (i) a legal and valid security interest in all the Article 9 Collateral securing the payment and performance of the Secured Obligations; (ii) subject to the filings described in Section 3.02(b), a perfected security interest in all Article 9 Collateral in which a security interest may be perfected by filing, recording or registering a financing statement or analogous document in the United States (or any political subdivision thereof) and its territories and possessions pursuant to the Uniform Commercial Code in the relevant jurisdiction and (iii) subject to the filings described in Section 3.02(c), a perfected security interest in all Intellectual Property in which a security interest may be perfected upon the receipt and recording of fully executed short-form Intellectual Property Security Agreements with the USPTO and the USCO, as applicable. The Security Interest is and shall be prior to any other Lien on any of the Article 9 Collateral, other than (i) any nonconsensual Lien that is expressly permitted pursuant to Section 7.01 of the Credit Agreement and has priority as a matter of law and (ii) Liens expressly permitted pursuant to Section 7.01 of the Credit Agreement.

(e) The material Article 9 Collateral is owned by the Grantors free and clear of any Lien, except for Liens permitted pursuant to Section 7.01 of the Credit Agreement. None of the Grantors has filed or consented to the filing of (i) any financing statement or analogous document under the New York UCC or any other applicable United States laws covering any Article 9 Collateral, (ii) any assignment in which any Grantor assigns any Article 9 Collateral or any security agreement or similar instrument covering any Article 9 Collateral with the USPTO or the USCO or (iii) any assignment in which any Grantor assigns any Article 9 Collateral or any security agreement or similar instrument covering any Article 9 Collateral with any foreign governmental, municipal or other office, which financing statement or analogous document, assignment, security agreement or similar instrument is still in effect, except, in each case, for Liens permitted pursuant to Section 7.01 of the Credit Agreement.

SECTION 3.03. Covenants. (a)The Borrower agrees promptly (and in any event within 60 days of such change) to notify the Administrative Agent in writing of any change in (i) the legal name, (ii) the identity or type of organization or corporate structure, (iii) the jurisdiction of organization, (iv) the chief executive office or (v) the organizational identification number, of any Grantor. In addition, if any Grantor does not have an organizational identification number on the Closing Date (or the date such Grantor becomes a party to this Agreement) and later obtains one, the Borrower shall promptly (and in any event within 60 days of such change) thereafter notify the Administrative Agent of such organizational identification number and shall take all actions reasonably requested by the Administrative Agent to the extent necessary to maintain the security interests (and the priority thereof) of the Administrative Agent in the Article 9 Collateral intended to be granted hereby fully perfected and in full force and effect.

(b) Upon becoming aware of any defect in the security interests (and the priority thereof, except as expressly permitted pursuant to Section 7.01 of the Credit Agreement) of the Administrative Agent in the Article 9 Collateral intended to be granted hereby, the Borrower agrees promptly (and in any event within 60 days of such knowledge) to notify the Administrative Agent in writing of such defect.

(c) Each year, at the time of delivery of annual financial statements with respect to the preceding fiscal year pursuant to Section 6.01 of the Credit Agreement, the Borrower shall deliver to the Administrative Agent an updated Perfection Certificate executed by the chief financial officer or the chief legal officer of each of Holdings and the Borrower, setting forth any information required therein that has changed or confirming that there has been no change in such information since the date of such certificate or the date of the most recent certificate delivered pursuant to this Section 3.03(c) and certifying that all UCC financing statements, Intellectual Property Security Agreements and other appropriate filings, recordings or registrations have been filed of record in each governmental, municipal or other appropriate office in each jurisdiction necessary to protect and perfect the Security Interests and Liens in the United States under this Agreement.

(d) The Borrower agrees, on its own behalf and on behalf of each other Grantor, at its own expense, to execute, acknowledge, deliver and cause to be duly filed all such further instruments and documents and take all such actions as the Administrative Agent may from time to time reasonably request to better assure, preserve, protect and perfect the Security Interest and the rights and remedies created hereby, including the payment of any fees and taxes required in connection with the execution and delivery of this Agreement, the granting of the Security Interest and the filing of any financing statements (including fixture filings) or other documents in connection herewith or therewith.

(e) At its option, the Administrative Agent may discharge past due taxes, assessments, charges, fees, Liens, security interests or other encumbrances at any time levied or placed on the Article 9 Collateral and not permitted pursuant to Section 7.01 of the Credit Agreement, and may pay for the maintenance and preservation of the Article 9 Collateral to the extent any Grantor fails to do so as required by the Credit Agreement or this Agreement and within a reasonable period of time after the Administrative Agent has requested that it do so, and each Grantor jointly and severally agrees to reimburse the Administrative Agent within 10 Business Days after demand for any payment made or any reasonable expense incurred by the Administrative Agent pursuant to the foregoing authorization; *provided*, *however*, Grantors shall not be obligated to reimburse the Administrative Agent with respect to any Article 9 Collateral consisting of Intellectual Property which any Grantor has failed to maintain or pursue, or otherwise allowed to lapse, terminate or be put into the public domain, in accordance with Section 3.03(i)(ix). Nothing in this paragraph shall be interpreted as excusing any Grantor from the performance of, or imposing any obligation on the Administrative Agent or any Secured Party to cure or perform, any covenants or other promises of any Grantor with respect to taxes, assessments, charges, fees, Liens, security interests or other encumbrances and maintenance as set forth herein, in the other Loan Documents.

(f) If at any time any Grantor shall take a security interest in any property of an Account Debtor or any other Person, the value of which is in excess of $10,000,000, to secure payment and performance of an Account, such Grantor shall promptly assign such security interest to the Administrative Agent for the benefit of the Secured Parties. Such assignment need not be filed of public record unless necessary to continue the perfected status of the security interest against creditors of and transferees from the Account Debtor or other Person granting the security interest.

(g) Each Grantor (rather than the Administrative Agent or any Secured Party) shall remain liable (as between itself and any relevant counterparty) to observe and perform all the conditions

and obligations to be observed and performed by it under each contract, agreement or instrument relating to the Article 9 Collateral, all in accordance with the terms and conditions thereof, and each Grantor jointly and severally agrees to indemnify and hold harmless the Administrative Agent and the Secured Parties from and against any and all liability for such performance.

(h) If any Grantor shall at any time hold or acquire a Commercial Tort Claim with a value in excess of $10,000,000 and for which such Grantor (or predecessor in interest) has filed a complaint in a court of competent jurisdiction, such Grantor shall promptly notify the Administrative Agent in writing signed by such Grantor of the brief details thereof and grant to the Administrative Agent a security interest therein and in the Proceeds thereof, all upon the terms of this Agreement pursuant to a document in form and substance reasonably satisfactory to the Administrative Agent.

(i) Intellectual Property Covenants, Representations and Warranties:

(i) Other than to the extent permitted herein or in the Credit Agreement or with respect to registration and applications no longer used, and except to the extent failure to act would not, as deemed by the Borrower in its reasonable business judgment, be reasonably expected to have a Material Adverse Effect, with respect to registration or pending application of each item of its Article 9 Collateral consisting of Intellectual Property for which such Grantor has standing to do so, each Grantor agrees to take, at its expense, all reasonable steps, including, without limitation, in the USPTO, the USCO and any other governmental authority located in the United States, to diligently pursue the registration and maintenance of each Patent, Trademark, or Copyright registration or application and shall not abandon any such application prior to exhaustion of all administrative and judicial remedies, now or hereafter included in such Article 9 Collateral consisting of Intellectual Property of such Grantor where reasonable to do so. Each Grantor shall take all reasonable steps to maintain its trade secrets under applicable law and to preserve the secrecy of its confidential information.

(ii) Other than to the extent permitted herein or in the Credit Agreement, or with respect to registration and applications no longer used, or except as would not, as deemed by the Borrower in its reasonable business judgment, be reasonably expected to have a Material Adverse Effect, no Grantor shall do or permit any act or knowingly omit to do any act whereby any of its Article 9 Collateral consisting of Intellectual Property may lapse, be terminated, or become invalid or unenforceable or placed in the public domain (or in the case of a trade secret, becomes publicly known).

(iii) Other than as excluded or as permitted herein or in the Credit Agreement, or with respect to Patents, Copyrights or Trademarks which are no longer used or useful in the Grantor's business operations or except where failure to do so would not, as deemed by the applicable Grantor in its reasonable business judgment, be reasonably expected to have a Material Adverse Effect, each Grantor shall take all reasonable steps to preserve and protect each item of its Article 9 Collateral consisting of Intellectual Property, including, without limitation, maintaining the quality of any and all products or services used or provided in connection with any of the Trademarks, consistent with the quality of the products and services as of the date hereof, and taking all reasonable steps necessary to ensure that all licensed users of any of the Trademarks abide by the applicable license's terms with respect to the standards of quality and using the Trademarks which are material to such Grantor's business in interstate commerce during the time in which this Agreement is in effect and to take all reasonable steps to preserve such Trademarks under the laws of relevant jurisdiction. Each Grantor agrees to renew those of its domain name registrations that are material to such Grantor's business.

(iv) Each Grantor represents and warrants that it is the lawful owner of all material Article 9 Collateral consisting of Intellectual Property, including (i) the Patents listed in the Perfection Certificate for such Grantor and that said Patents include all the material United States patents and applications that such Grantor owns as of the date hereof, and (ii) the Copyrights listed in the Perfection Certificate for such Grantor and that said Copyrights include all the United States copyrights registered and applied for with the USCO for material United States copyrights that such Grantor owns as of the date hereof.

(v) Each Grantor further represents and warrants that the Trademarks and domain names listed in the Perfection Certificate include all material United States registered marks and applications for United States registered marks in the USPTO and all material domain names that such Grantor owns in connection with its business as of the date hereof. Each Grantor represents and warrants that it is the lawful owner of all U.S. trademark registrations and applications and domain name registrations listed in the Perfection Certificate and that said registrations are subsisting and have not been canceled, and that such Grantor has not received any written third-party claim that any of said registrations is invalid or unenforceable, other than as would not, either individually or in the aggregate, in the Grantor's reasonable opinion, be reasonably expected to have a Material Adverse Effect.

(vi) Each Grantor agrees, promptly upon learning thereof, to notify the Collateral Agent in writing of the name and address of, and to furnish such pertinent information that may be available with respect to, any party who such Grantor learns is likely to be infringing, contributorily infringing, actively inducing infringement, misappropriating or otherwise violating any of such Grantor's rights in and to any Intellectual Property in any manner that would, in the Grantor's reasonable opinion, reasonably be expected to have a Material Adverse Effect, or with respect to any party claiming that such Grantor's use of any Intellectual Property material to such Grantor's business violates in any material respect any property right of such party. Each Grantor further agrees to take appropriate actions diligently against, including, but not limited to prosecution of, in accordance with reasonable business practices, any Person infringing any Intellectual Property right in any manner that would, in the Grantor's reasonable opinion, reasonably be expected to, either individually or in the aggregate, have a Material Adverse Effect.

(vii) If any Grantor acquires, makes an application for, or is issued a registration for Intellectual Property before the USPTO, the USCO, or an equivalent thereof in any state of the United States, such Grantor shall, at its own expense, deliver to the Administrative Agent a grant of a security interest in such application or registration, within sixty (60) days of the submission of such application or receipt of registration (twenty (20) days in the case of Copyrights) confirming the grant of a security interest in such Intellectual Property to the Administrative Agent hereunder. Such security interest must be substantially in the form of Exhibit III hereto in the case of Patents, Exhibit IV hereto in the case of Trademarks, or Exhibit V hereto in the case of Copyrights, or in such other form as may be reasonably satisfactory to the Administrative Agent.

(viii) Concurrently with the delivery of the Perfection Certificate pursuant to Section 3.03(c), and upon reasonable request by the Administrative Agent (but in any event, not more than three times per fiscal year), if a United States Patent or an application for a United States Patent, a registered Copyright, or an application for a United States Copyright is issued or acquired by a Grantor, the relevant Grantor shall deliver to the Administrative Agent a copy of said Copyright or Patent, or certificate or registration of, or application therefor, as the case may be, and shall update, through amendment or by other written document executed by and reasonably acceptable to Administrative Agent and such Grantor, the relevant schedules of any Intellectual Property Security Agreement filed with the USPTO pursuant to this Agreement, such that any such update may be filed with the USPTO.

(ix) Nothing in this Agreement or any other Loan Document prevents any Grantor from disposing of, discontinuing the use or maintenance of, failing to pursue, or otherwise allowing to lapse, terminate or be put into the public domain, any of its Article 9 Collateral consisting of Intellectual Property to the extent permitted by the Credit Agreement if such Grantor determines in its reasonable business judgment that such discontinuance is desirable in the conduct of its business.

(x) Subject to Sections 3.02 and 3.03(i) above, the Grantors shall use commercially reasonable efforts to correct all currently known chain of title issues regarding the Article 9 Collateral constituting Intellectual Property collateral listed on Schedule 12 of the Perfection Certificate within sixty (60) days following the Closing Date (or such later date as agreed by the Administrative Agent in its sole discretion) and; provided, however, that if despite such efforts, Grantors cannot correct these issues within sixty (60) days, they shall remain obligated to continue such efforts until the issues are resolved or it is reasonably determined by the Administrative Agent that it is no longer commercially reasonable to continue such efforts.

SECTION 3.04. Other Actions. In order to further insure the attachment, perfection and priority of, and the ability of the Administrative Agent to enforce, the Security Interest, each Grantor agrees, in each case at such Grantor's own expense, to take the following actions with respect to the following Article 9 Collateral:

(a) *Instruments*. If any Grantor shall at any time hold or acquire any Instruments constituting Article 9 Collateral and evidencing an amount in excess of $10,000,000, such Grantor shall forthwith endorse, assign and deliver the same to the Administrative Agent for the benefit of the Secured Parties, accompanied by such instruments of transfer or assignment duly executed in blank as the Administrative Agent may from time to time reasonably request.

(b) *Investment Property*. Except to the extent otherwise provided in Article II, if any Grantor shall at any time hold or acquire any certificated securities, such Grantor shall forthwith endorse, assign and deliver the same to the Administrative Agent for the benefit of the Secured Parties, accompanied by such instruments of transfer or assignment duly executed in blank as the Administrative Agent may from time to time reasonably request. If any securities now or hereafter acquired by any Grantor are uncertificated and are issued to such Grantor or its nominee directly by the issuer thereof, following the occurrence of an Event of Default such Grantor shall promptly notify the Administrative Agent thereof and, at the Administrative Agent's reasonable request, pursuant to an agreement in form and substance reasonably satisfactory to the Administrative Agent, either (i) cause the issuer to agree to comply with instructions from the Administrative Agent as to such securities, without further consent of any Grantor or such nominee, or (ii) arrange for the Administrative Agent to become the registered owner of such securities. If any securities, whether certificated or uncertificated, or other investment property are held by any Grantor or its nominee through a securities intermediary or commodity intermediary, following the occurrence of an Event of Default, such Grantor shall immediately notify the Administrative Agent thereof and at the Administrative Agent's request and option, pursuant to an agreement in form and substance reasonably satisfactory to the Administrative Agent shall either (i) cause such securities intermediary or (as the case may be) commodity intermediary to agree to comply with entitlement orders or other instructions from the Administrative Agent to such securities intermediary as to such security entitlements, or (as the case may be) to apply any value distributed on account of any commodity contract as directed by the Administrative Agent to such commodity intermediary, in each case without further consent of any Grantor or such nominee, or (ii) in the case of financial assets or other

Investment Property held through a securities intermediary, arrange for the Administrative Agent to become the entitlement holder with respect to such Investment Property, with the Grantor being permitted, only with the consent of the Administrative Agent, to exercise rights to withdraw or otherwise deal with such Investment Property. The Administrative Agent agrees with each of the Grantors that the Administrative Agent shall not give any such entitlement orders or instructions or directions to any such issuer, securities intermediary or commodity intermediary, and shall not withhold its consent to the exercise of any withdrawal or dealing rights by any Grantor, unless an Event of Default has occurred and is continuing. The provisions of this paragraph shall not apply to any financial assets credited to a securities account for which the Administrative Agent is the securities intermediary.

ARTICLE IV

Remedies

SECTION 4.01. Remedies upon Default. Upon the occurrence and during the continuance of an Event of Default, it is agreed that the Administrative Agent shall have the right to exercise any and all rights afforded to a secured party with respect to the Secured Obligations under the Uniform Commercial Code or other applicable law and also may (i) require each Grantor to, and each Grantor agrees that it will at its expense and upon request of the Administrative Agent forthwith, assemble all or part of the Collateral as directed by the Administrative Agent and make it available to the Administrative Agent at a place and time to be designated by the Administrative Agent that is reasonably convenient to both parties; (ii) occupy any premises owned or, to the extent lawful and permitted, leased by any of the Grantors where the Collateral or any part thereof is assembled or located for a reasonable period in order to effectuate its rights and remedies hereunder or under law, without obligation to such Grantor in respect of such occupation; *provided* that the Administrative Agent shall provide the applicable Grantor with notice thereof prior to or promptly after such occupancy; (iii) declare the entire right, title, and interest of such Grantor in each of the Patents, Trademarks, domain names and Copyrights vested in the Administrative Agent for the benefit of the Secured Parties (in which event such right, title, and interest shall immediately vest in the Administrative Agent for the benefit of the Secured Parties, and the Administrative Agent shall be entitled to exercise the power of attorney referred to below in Section 4.03 hereof to execute, cause to be acknowledged and notarized and to record said absolute assignment with the applicable agency); (iv) exercise any and all rights and remedies of any of the Grantors under or in connection with the Collateral, or otherwise in respect of the Collateral; *provided* that the Administrative Agent shall provide the applicable Grantor with notice thereof prior to or promptly after such exercise; and (v) subject to the mandatory requirements of applicable law and the notice requirements described below, sell or otherwise dispose of all or any part of the Collateral securing the Secured Obligations at a public or private sale or at any broker’s board or on any securities exchange, for cash, upon credit or for future delivery as the Administrative Agent shall deem appropriate. The Administrative Agent shall be authorized at any such sale of securities (if it deems it advisable to do so) to restrict the prospective bidders or purchasers to Persons who will represent and agree that they are purchasing the Collateral for their own account for investment and not with a view to the distribution or sale thereof, and upon consummation of any such sale the Administrative Agent shall have the right to assign, transfer and deliver to the purchaser or purchasers thereof the Collateral so sold. Each such purchaser at any sale of Collateral shall hold the property sold absolutely, free from any claim or right on the part of any Grantor, and each Grantor hereby waives (to the extent permitted by law) all rights of redemption, stay and appraisal which such Grantor now has or may at any time in the future have under any rule of law or statute now existing or hereafter enacted. Upon the occurrence and during the continuance of an Event of Default, the Grantors agree to execute such further documents as the Administrative Agent may reasonably request to transfer ownership of the Patents, Trademarks, domain names and Copyrights to the Administrative Agent for the benefit of the Secured Parties.

The Administrative Agent shall give the applicable Grantors 10 days' written notice (which each Grantor agrees is reasonable notice within the meaning of Section 9-611 of the New York UCC or its equivalent in other jurisdictions) of the Administrative Agent's intention to make any sale of Collateral. Such notice, in the case of a public sale, shall state the time and place for such sale and, in the case of a sale at a broker's board or on a securities exchange, shall state the board or exchange at which such sale is to be made and the day on which the Collateral, or portion thereof, will first be offered for sale at such board or exchange. Any such public sale shall be held at such time or times within ordinary business hours and at such place or places as the Administrative Agent may fix and state in the notice (if any) of such sale. At any such sale, the Collateral, or portion thereof, to be sold may be sold in one lot as an entirety or in separate parcels, as the Administrative Agent may (in its sole and absolute discretion) determine. The Administrative Agent shall not be obligated to make any sale of any Collateral if it shall determine not to do so, regardless of the fact that notice of sale of such Collateral shall have been given. The Administrative Agent may, without notice or publication, adjourn any public or private sale or cause the same to be adjourned from time to time by announcement at the time and place fixed for sale, and such sale may, without further notice, be made at the time and place to which the same was so adjourned. In case any sale of all or any part of the Collateral is made on credit or for future delivery, the Collateral so sold may be retained by the Administrative Agent until the sale price is paid by the purchaser or purchasers thereof, but the Administrative Agent shall not incur any liability in case any such purchaser or purchasers shall fail to take up and pay for the Collateral so sold and, in case of any such failure, such Collateral may be sold again upon like notice. At any public (or, to the extent permitted by law, private) sale made pursuant to this Agreement, any Secured Party may bid for or purchase, free (to the extent permitted by law) from any right of redemption, stay, valuation or appraisal on the part of any Grantor (all said rights being also hereby waived and released to the extent permitted by law), the Collateral or any part thereof offered for sale and may make payment on account thereof by using any claim then due and payable to such Secured Party from any Grantor as a credit against the purchase price, and such Secured Party may, upon compliance with the terms of sale, hold, retain and dispose of such property without further accountability to any Grantor therefor. For purposes hereof, a written agreement to purchase the Collateral or any portion thereof shall be treated as a sale thereof; the Administrative Agent shall be free to carry out such sale pursuant to such agreement and no Grantor shall be entitled to the return of the Collateral or any portion thereof subject thereto, notwithstanding the fact that after the Administrative Agent shall have entered into such an agreement all Events of Default shall have been remedied and the Secured Obligations paid in full. As an alternative to exercising the power of sale herein conferred upon it, the Administrative Agent may proceed by a suit or suits at law or in equity to foreclose this Agreement and to sell the Collateral or any portion thereof pursuant to a judgment or decree of a court or courts having competent jurisdiction or pursuant to a proceeding by a court appointed receiver. Any sale pursuant to the provisions of this Section 4.01 shall be deemed to conform to the commercially reasonable standards as provided in Section 9-610(b) of the New York UCC or its equivalent in other jurisdictions.

Each Grantor irrevocably makes, constitutes and appoints the Administrative Agent (and all officers, employees or agents designated by the Administrative Agent) as such Grantor's true and lawful agent (and attorney-in-fact) during the continuance of an Event of Default and after notice to the Borrower of its intent to exercise such rights, for the purpose of (i) making, settling and adjusting claims in respect of Article 9 Collateral under policies of insurance, endorsing the name of such Grantor on any check, draft, instrument or other item of payment for the proceeds of such policies of insurance, (ii) making all determinations and decisions with respect thereto and (iii) obtaining or maintaining the policies of insurance required by Section 6.07 of the Credit Agreement or paying any premium in whole or in part relating thereto.

SECTION 4.02. Application of Proceeds. (a) The Administrative Agent shall apply the proceeds of any collection or sale of Collateral, including any Collateral consisting of cash, in accordance with Section 9.03 of the Credit Agreement.

(b) The Administrative Agent shall have absolute discretion as to the time of application of any such proceeds, moneys or balances in accordance with this Agreement and the Credit Agreement. Upon any sale of Collateral by the Administrative Agent (including pursuant to a power of sale granted by statute or under a judicial proceeding), the receipt of the Administrative Agent or of the officer making the sale shall be a sufficient discharge to the purchaser or purchasers of the Collateral so sold and such purchaser or purchasers shall not be obligated to see to the application of any part of the purchase money paid over to the Administrative Agent or such officer or be answerable in any way for the misapplication thereof.

(c) In making the determinations and allocations required by this Section 4.02, the Administrative Agent may conclusively rely upon information supplied by the Administrative Agent as to the amounts of unpaid principal and interest and other amounts outstanding with respect to the Secured Obligations, and the Administrative Agent shall have no liability to any of the Secured Parties for actions taken in reliance on such information, *provided* that nothing in this sentence shall prevent any Grantor from contesting any amounts claimed by any Secured Party in any information so supplied. All distributions made by the Administrative Agent pursuant to this Section 4.02 shall be (subject to any decree of any court of competent jurisdiction) final (absent manifest error), and the Administrative Agent shall have no duty to inquire as to the application by the Administrative Agent of any amounts distributed to it. It is understood and agreed that the Grantors shall remain jointly and severally liable to the extent of any deficiency between the amount of the proceeds of the Collateral and the aggregate amount of the Secured Obligations.

SECTION 4.03. Grant of License to Use Intellectual Property; Power of Attorney. For the exclusive purpose of enabling the Administrative Agent to exercise rights and remedies under this Agreement at such time as the Administrative Agent shall be lawfully entitled to exercise such rights and remedies, each Grantor shall, upon prior written request by the Administrative Agent at any time after and during the continuance of an Event of Default, grant to the Administrative Agent a non-exclusive, irrevocable, royalty-free, limited license (until the termination or cure of the Event of Default) to use, license or sublicense any of the Article 9 Collateral consisting of Intellectual Property now owned or hereafter acquired by such Grantor, and wherever the same may be located, and including in such license reasonable access to all media in which any of the licensed items may be recorded or stored and to all computer software and programs used for the compilation or printout thereof; *provided*, *however*, that nothing in this Section 4.03 shall require Grantors to grant any license that is prohibited by any rule of law, statute or regulation, or is prohibited by, or constitutes a breach or default under or results in the termination of any contract, license, agreement, instrument or other document evidencing, giving rise to or theretofore granted, to the extent permitted by the Credit Agreement, with respect to such property or otherwise unreasonably prejudices the value thereof to the relevant Grantor; *provided*, *further*, that such licenses to be granted hereunder with respect to Trademarks shall be subject to the maintenance of quality standards with respect to the goods and services on which such Trademarks are used sufficient to preserve the validity of such Trademarks. For the avoidance of doubt, the use of such license by the Administrative Agent may be exercised, at the option of the Administrative Agent, only during the continuation of an Event of Default. Furthermore, each Grantor hereby grants to the Administrative Agent an absolute power of attorney to sign, upon the occurrence and during the continuance of any Event of Default, any document which may be required by the USPTO or the USCO in order to effect an absolute assignment of all right, title and interest in each Patent, Trademark or Copyright, and to record the same.

ARTICLE V

Indemnity, Subrogation and Subordination

SECTION 5.01. Indemnity. In addition to all such rights of indemnity and subrogation as the Grantors may have under applicable law (but subject to Section 5.03), the Borrower agrees that, in the event any assets of any Grantor shall be sold pursuant to this Agreement or any other Collateral Document to satisfy in whole or in part a Secured Obligation owed to any Secured Party, the Borrower shall indemnify such Grantor in an amount equal to the greater of the book value or the fair market value of the assets so sold.

SECTION 5.02. Contribution and Subrogation. Each Grantor (a "**Contributing Party**") agrees (subject to Section 5.03) that, in the event assets of any other Grantor shall be sold pursuant to any Collateral Document to satisfy any Secured Obligation owed to any Secured Party, and such other Grantor (the "**Claiming Party**") shall not have been fully indemnified by the Borrower as provided in Section 5.01, the Contributing Party shall indemnify the Claiming Party in an amount equal to the greater of the book value or the fair market value of such assets, in each case multiplied by a fraction of which the numerator shall be the net worth of the Contributing Party on the date hereof and the denominator shall be the aggregate net worth of all the Contributing Parties together with the net worth of the Claiming Party on the date hereof (or, in the case of any Grantor becoming a party hereto pursuant to Section 6.15, the date of the Security Agreement Supplement hereto executed and delivered by such Grantor). Any Contributing Party making any payment to a Claiming Party pursuant to this Section 5.02 shall be subrogated to the rights of such Claiming Party to the extent of such payment.

SECTION 5.03. Subordination. Notwithstanding any provision of this Agreement to the contrary, all rights of the Grantors under Sections 5.01 and 5.02 and all other rights of indemnity, contribution or subrogation under applicable law or otherwise shall be fully subordinated to the indefeasible payment in full in cash of the Secured Obligations, *provided* that if any amount shall be paid to such Grantor on account of such subrogation rights at any time prior to the irrevocable payment in full in cash of all the Secured Obligations, such amount shall be held in trust for the benefit of the Secured Parties and shall forthwith be paid to the Administrative Agent to be credited and applied against the Secured Obligations, whether matured or unmatured, in accordance with Section 9.03 of the Credit Agreement. No failure on the part of the Borrower or any Grantor to make the payments required by Sections 5.01 and 5.02 (or any other payments required under applicable law or otherwise) shall in any respect limit the obligations and liabilities of any Grantor with respect to its obligations hereunder, and each Grantor shall remain liable for the full amount of the obligations of such Grantor hereunder.

ARTICLE VI

Miscellaneous

SECTION 6.01. Notices. All communications and notices hereunder shall (except as otherwise expressly permitted herein) be in writing and given as provided in Section 11.02 of the Credit Agreement. All communications and notices hereunder to any Grantor shall be given to it in care of the Borrower as provided in Section 11.02 of the Credit Agreement.

SECTION 6.02. Waivers; Amendment. (a) No failure or delay by the Administrative Agent, any L/C Issuer or any Lender in exercising any right or power hereunder or under any other Loan Document shall operate as a waiver thereof, nor shall any single or partial exercise of any such right or power, or any abandonment or discontinuance of steps to enforce such a right or power, preclude any other or further exercise thereof or the exercise of any other right or power. The rights and

remedies of the Administrative Agent, the L/C Issuers and the Lenders hereunder and under the other Loan Documents are cumulative and are not exclusive of any rights or remedies that they would otherwise have. No waiver of any provision of this Agreement or consent to any departure by any Grantor therefrom shall in any event be effective unless the same shall be permitted by paragraph (b) of this Section 6.02, and then such waiver or consent shall be effective only in the specific instance and for the purpose for which given. Without limiting the generality of the foregoing, the making of a Loan or issuance of a Letter of Credit shall not be construed as a waiver of any Default, regardless of whether the Administrative Agent, any Lender or any L/C Issuer may have had notice or knowledge of such Default at the time. No notice or demand on any Grantor in any case shall entitle any Grantor to any other or further notice or demand in similar or other circumstances.

(b) Neither this Agreement nor any provision hereof may be waived, amended or modified except pursuant to an agreement or agreements in writing entered into by the Administrative Agent and the Grantor or Grantors with respect to which such waiver, amendment or modification is to apply, subject to any consent required in accordance with Section 11.01 of the Credit Agreement.

SECTION 6.03. Administrative Agent's Fees and Expenses. (a) The parties hereto agree that the Administrative Agent shall be entitled to reimbursement of its expenses incurred hereunder as provided in Section 11.04 of the Credit Agreement.

(b) Without limitation of its indemnification obligations under the other Loan Documents, the Borrower agrees to indemnify the Administrative Agent and the other Indemnitees (as defined in Section 11.05 of the Credit Agreement) against, and hold each Indemnitee harmless from, any and all losses, claims, damages, liabilities and related expenses, including the reasonable fees, charges and disbursements of any counsel for any Indemnitee, incurred by or asserted against any Indemnitee arising out of, in connection with, or as a result of, the execution, delivery or performance of this Agreement or any claim, litigation, investigation or proceeding relating to any of the foregoing agreements or instruments contemplated hereby, whether or not any Indemnitee is a party thereto; *provided* that such indemnity shall not, as to any Indemnitee, be available to the extent that such losses, claims, damages, liabilities or related expenses are determined by a court of competent jurisdiction by final and nonappealable judgment to have resulted from the gross negligence or wilful misconduct of such Indemnitee or Related Indemnified Person of such Indemnitee.

(c) Any such amounts payable as provided hereunder shall be additional Secured Obligations secured hereby and by the other Collateral Documents. The provisions of this Section 6.03 shall remain operative and in full force and effect regardless of the termination of this Agreement or any other Loan Document, the consummation of the transactions contemplated hereby, the repayment of any of the Secured Obligations, the invalidity or unenforceability of any term or provision of this Agreement or any other Loan Document, or any investigation made by or on behalf of the Administrative Agent or any other Secured Party. All amounts due under this Section 6.03 shall be payable within 10 days of written demand therefor.

SECTION 6.04. Successors and Assigns. Whenever in this Agreement any of the parties hereto is referred to, such reference shall be deemed to include the permitted successors and assigns of such party; and all covenants, promises and agreements by or on behalf of any Grantor or the Administrative Agent that are contained in this Agreement shall bind and inure to the benefit of their respective successors and assigns, to the extent permitted under Section 11.07 of the Credit Agreement.

SECTION 6.05. Survival of Agreement. All representations and warranties made hereunder and in any other Loan Document or other document delivered pursuant hereto or thereto or in connection herewith or therewith shall survive the execution and delivery hereof and thereof. Such

representations and warranties have been or will be relied upon by the Administrative Agent and each Lender, regardless of any investigation made by the Administrative Agent or any Lender or on their behalf and notwithstanding that the Administrative Agent or any Lender may have had notice or knowledge of any Default at the time of any Credit Extension and shall continue in full force and effect as long as any Loan or any other Secured Obligation hereunder shall remain unpaid or unsatisfied or any Letter of Credit shall remain outstanding (unless the Outstanding Amount of the L/C Obligations related thereto has been Cash Collateralized).

SECTION 6.06. Counterparts; Effectiveness; Successors and Assigns; Several Agreement. This Agreement and each other Loan Document may be executed in one or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument. Delivery by facsimile transmission or other electronic communication of an executed counterpart of a signature page to this Agreement and each other Loan Document shall be effective as delivery of an original executed counterpart of this Agreement and such other Loan Document. The Agents may also require that any such documents and signatures delivered by facsimile transmission or other electronic communication be confirmed by a manually signed original thereof; *provided* that the failure to request or deliver the same shall not limit the effectiveness of any document or signature delivered by facsimile transmission or other electronic communication. This Agreement shall become effective as to any Grantor when a counterpart hereof executed on behalf of such Grantor shall have been delivered to the Administrative Agent and a counterpart hereof shall have been executed on behalf of the Administrative Agent, and thereafter shall be binding upon such Grantor and the Administrative Agent and their respective successors and assigns permitted thereby, and shall inure to the benefit of such Grantor, the Administrative Agent and the other Secured Parties and their respective successors and assigns permitted thereby, except that no Grantor shall have the right to assign or transfer its rights or obligations hereunder or any interest herein or in the Collateral (and any such assignment or transfer shall be void) except as expressly contemplated by this Agreement or the other Loan Documents. This Agreement shall be construed as a separate agreement with respect to each Grantor and may be amended, modified, supplemented, waived or released with respect to any Grantor without the approval of any other Grantor and without affecting the obligations of any other Grantor hereunder.

SECTION 6.07. Severability. If any provision of this Agreement or the other Loan Documents is held to be illegal, invalid or unenforceable, the legality, validity and enforceability of the remaining provisions of this Agreement and the other Loan Documents shall not be affected or impaired thereby. The invalidity of a provision in a particular jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

SECTION 6.08. Right of Set-Off. In addition to any rights and remedies of the Lenders provided by Law, upon the occurrence and during the continuance of any Event of Default, each Lender and its Affiliates and each L/C Issuer and its Affiliates is authorized at any time and from time to time, without prior notice to any Grantor, any such notice being waived by the Borrower (on its own behalf and on behalf of each Grantor and its Subsidiaries) to the fullest extent permitted by applicable Law, to set off and apply any and all deposits (general or special, time or demand, provisional or final) at any time held by, and other Indebtedness at any time owing by, such Lender and its Affiliates or such L/C Issuer and its Affiliates, as the case may be, to or for the credit or the account of the respective Loan Parties and their Subsidiaries against any and all Secured Obligations owing to such Lender and its Affiliates or such L/C Issuer and its Affiliates hereunder or under any other Loan Document, now or hereafter existing, irrespective of whether or not such Agent or such Lender or Affiliate shall have made demand under this Agreement or any other Loan Document and although such Secured Obligations may be contingent or unmatured or denominated in a currency different from that of the applicable deposit or Indebtedness. Notwithstanding anything to the contrary contained herein, no Lender or its Affiliates and no L/C Issuer or its Affiliates shall have a right to set off and apply any deposits held or other

Indebtedness owing by such Lender or its Affiliates or such L/C Issuer or its Affiliates, as the case may be, to or for the credit or the account of any Subsidiary of a Loan Party which is not a "United States person" within the meaning of Section 7701(a)(30) of the Code unless such Subsidiary is not a direct or indirect subsidiary of Holdings. Each Lender and L/C Issuer agrees promptly to notify the Borrower and the Administrative Agent after any such set off and application made by such Lender or L/C Issuer, as the case may be; *provided*, that the failure to give such notice shall not affect the validity of such setoff and application. The rights of the Administrative Agent, each Lender and each L/C Issuer under this Section 6.08 are in addition to other rights and remedies (including other rights of setoff) that the Administrative Agent, such Lender and such L/C Issuer may have.

SECTION 6.09. Governing Law; Jurisdiction; Consent to Service of Process. (a) THIS AGREEMENT AND EACH OTHER LOAN DOCUMENT SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAW OF THE STATE OF NEW YORK (EXCEPT AS OTHERWISE EXPRESSLY PROVIDED THEREIN).

(b) ANY LEGAL ACTION OR PROCEEDING ARISING UNDER ANY LOAN DOCUMENT OR IN ANY WAY CONNECTED WITH OR RELATED OR INCIDENTAL TO THE DEALINGS OF THE PARTIES HERETO OR ANY OF THEM WITH RESPECT TO ANY LOAN DOCUMENT, OR THE TRANSACTIONS RELATED THERETO, IN EACH CASE WHETHER NOW EXISTING OR HEREAFTER ARISING, MAY BE BROUGHT IN THE COURTS OF THE STATE OF NEW YORK SITTING IN NEW YORK CITY OR OF THE UNITED STATES FOR THE SOUTHERN DISTRICT OF SUCH STATE, AND BY EXECUTION AND DELIVERY OF THIS AGREEMENT, EACH OF THE BORROWER, HOLDINGS, EACH GRANTOR AND THE ADMINISTRATIVE AGENT CONSENTS, FOR ITSELF AND IN RESPECT OF ITS PROPERTY, TO THE EXCLUSIVE JURISDICTION OF THOSE COURTS. EACH OF THE BORROWER, HOLDINGS, EACH GRANTOR AND THE ADMINISTRATIVE AGENT IRREVOCABLY WAIVES ANY OBJECTION, INCLUDING ANY OBJECTION TO THE LAYING OF VENUE OR BASED ON THE GROUNDS OF FORUM NON CONVENIENS, WHICH IT MAY NOW OR HEREAFTER HAVE TO THE BRINGING OF ANY ACTION OR PROCEEDING IN SUCH JURISDICTION IN RESPECT OF ANY LOAN DOCUMENT OR OTHER DOCUMENT RELATED THERETO.

(c) Each party to this Agreement irrevocably consents to service of process in the manner provided for notices in Section 6.01. Nothing in this Agreement or any other Loan Document will affect the right of any party to this Agreement to serve process in any other manner permitted by law.

SECTION 6.10. WAIVER OF RIGHT TO TRIAL BY JURY. EACH PARTY TO THIS AGREEMENT HEREBY EXPRESSLY WAIVES ANY RIGHT TO TRIAL BY JURY OF ANY CLAIM, DEMAND, ACTION OR CAUSE OF ACTION ARISING UNDER ANY LOAN DOCUMENT OR IN ANY WAY CONNECTED WITH OR RELATED OR INCIDENTAL TO THE DEALINGS OF THE PARTIES HERETO OR ANY OF THEM WITH RESPECT TO ANY LOAN DOCUMENT, OR THE TRANSACTIONS RELATED THERETO, IN EACH CASE WHETHER NOW EXISTING OR HEREAFTER ARISING, AND WHETHER FOUNDED IN CONTRACT OR TORT OR OTHERWISE; AND EACH PARTY HEREBY AGREES AND CONSENTS THAT ANY SUCH CLAIM, DEMAND, ACTION OR CAUSE OF ACTION SHALL BE DECIDED BY COURT TRIAL WITHOUT A JURY, AND THAT ANY PARTY TO THIS AGREEMENT MAY FILE AN ORIGINAL COUNTERPART OR A COPY OF THIS SECTION 6.10 WITH ANY COURT AS WRITTEN EVIDENCE OF THE CONSENT OF THE SIGNATORIES HERETO TO THE WAIVER OF THEIR RIGHT TO TRIAL BY JURY.

SECTION 6.11. Headings. Article and Section headings and the Table of Contents used herein are for convenience of reference only, are not part of this Agreement and are not to affect the construction of, or to be taken into consideration in interpreting, this Agreement.

SECTION 6.12. Security Interest Absolute. All rights of the Administrative Agent hereunder, the Security Interest, the grant of a security interest in the Collateral and all obligations of each Grantor hereunder shall be absolute and unconditional irrespective of (a) any lack of validity or enforceability of the Credit Agreement, any other Loan Document, any agreement with respect to any of the Secured Obligations or any other agreement or instrument relating to any of the foregoing, (b) any change in the time, manner or place of payment of, or in any other term of, all or any of the Secured Obligations, or any other amendment or waiver of or any consent to any departure from the Credit Agreement, any other Loan Document or any other agreement or instrument, (c) any exchange, release or non-perfection of any Lien on other collateral, or any release or amendment or waiver of or consent under or departure from any guarantee, securing or guaranteeing all or any of the Secured Obligations or (d) any other circumstance that might otherwise constitute a defense available to, or a discharge of, any Grantor in respect of the Secured Obligations or this Agreement.

SECTION 6.13. Collateral Sharing. Pursuant to Sections 7.01(ee) and 7.01(ii) of the Credit Agreement, the Administrative Agent acknowledges and agrees that it shall execute and deliver any collateral sharing agreements with one or more of the Grantors and other secured parties that may extend indebtedness thereunder to such Grantor or Grantors. Notwithstanding anything herein to the contrary, the lien and security interest granted to the Administrative Agent, for the benefit of the Secured Parties, pursuant to this Agreement and the exercise of any right or remedy by the Administrative Agent and the other Secured Parties hereunder shall be subject to the provisions of any collateral sharing agreement executed in furtherance of Sections 7.01(ee) and 7.01(ii) of the Credit Agreement. In the event of any conflict or inconsistency between a provision of such collateral sharing agreement and this Agreement relating to the foregoing in this Section 6.13, the provisions of such collateral sharing agreement shall control; *provided* that, for the avoidance of doubt, in no event shall the proceeds of any Collateral pledged by a Guarantor or any payments made by a Guarantor be applied to payment of any Excluded Swap Obligations of such Guarantor.

SECTION 6.14. Termination or Release. (a) This Agreement, the Security Interest and all other security interests granted hereby shall terminate with respect to all Secured Obligations and any Liens arising therefrom shall be automatically released when all the outstanding Secured Obligations (in each case other than (x) obligations under Secured Hedge Agreements not yet due and payable, (y) Cash Management Obligations not yet due and payable and (z) contingent indemnification obligations not yet accrued and payable) have been indefeasibly paid in full and the Lenders have no further commitment to lend under the Credit Agreement, the Outstanding Amount of L/C Obligations have been either reduced to zero or Cash Collateralized and the L/C Issuers have no further obligations to issue Letters of Credit under the Credit Agreement.

(b) A Grantor shall automatically be released from its obligations hereunder and the Security Interest in the Collateral of such Grantor shall be automatically released upon the consummation of any transaction permitted by the Credit Agreement as a result of which such Grantor ceases to be a Subsidiary or is designated as an Unrestricted Subsidiary of Borrower.

(c) Upon any disposition by any Grantor of any Collateral that is not prohibited by the Credit Agreement or upon the effectiveness of any written consent to the release of the security interest granted hereby in any Collateral pursuant to Section 11.01 of the Credit Agreement, the security interest of such Grantor in such Collateral shall be automatically released.

(d) A Grantor (other than Holdings and the Borrower) shall automatically be released from its obligations hereunder and the Security Interest in the Collateral of such Grantor shall be automatically released if such Grantor ceases to be a Restricted Subsidiary pursuant to the terms of the Credit Agreement.

(e) In connection with any termination or release pursuant to paragraph (a), (b), (c) or (d) of this Section 6.14, the Administrative Agent shall execute and deliver to any Grantor, at such Grantor's expense, all documents that such Grantor shall reasonably request to evidence such termination or release. Any execution and delivery of documents pursuant to this Section 6.14 shall be without recourse to or warranty by the Administrative Agent.

(f) At any time that the respective Grantor desires that the Administrative Agent take any action described in the immediately preceding paragraph (e), it shall, upon request of the Administrative Agent, deliver to the Administrative Agent an officer's certificate certifying that the release of the respective Collateral is permitted pursuant to paragraph (a), (b), (c) or (d). The Administrative Agent shall have no liability whatsoever to any Secured Party as a result of any release of Collateral by it as permitted (or which the Administrative Agent in good faith believes to be permitted) by this Section 6.14.

(g) Notwithstanding anything to the contrary set forth in this Agreement, each Cash Management Bank and each Hedge Bank by the acceptance of the benefits under this Agreement hereby acknowledge and agree that (i) the obligations of the Borrower or any Subsidiary under any Secured Hedge Agreement and the Cash Management Obligations (in each case, other than any Excluded Swap Obligation) shall be secured pursuant to this Agreement only to the extent that, and for so long as, the other Secured Obligations are so secured and (ii) any release of Collateral effected in the manner permitted by this Agreement shall not require the consent of any Hedge Bank or Cash Management Bank.

SECTION 6.15. Additional Restricted Subsidiaries. Pursuant to Section 6.11 of the Credit Agreement, certain Restricted Subsidiaries of Borrower that were not in existence, were not Restricted Subsidiaries or were Excluded Subsidiaries on the date of the Credit Agreement are required to enter in this Agreement as Grantors upon becoming Restricted Subsidiaries or upon ceasing to be Excluded Subsidiaries by execution and delivery of a Security Agreement Supplement in the form of Exhibit I hereto by the Administrative Agent and such Restricted Subsidiary. Upon such execution and delivery, such Restricted Subsidiary shall become a Grantor hereunder with the same force and effect as if originally named as a Grantor herein. The execution and delivery of any such instrument shall not require the consent of any other Grantor hereunder. The rights and obligations of each Grantor hereunder shall remain in full force and effect notwithstanding the addition of any new Grantor as a party to this Agreement.

SECTION 6.16. Administrative Agent Appointed Attorney-in-Fact. Each Grantor hereby appoints the Administrative Agent the attorney-in-fact of such Grantor for the purpose of carrying out the provisions of this Agreement and taking any action and executing any instrument that the Administrative Agent may deem necessary or advisable to accomplish the purposes hereof at any time after and during the continuance of an Event of Default, which appointment is irrevocable (until termination of the Credit Agreement) and coupled with an interest. Without limiting the generality of the foregoing, the Administrative Agent shall have the right, upon the occurrence and during the continuance of an Event of Default and notice by the Administrative Agent to the Borrower of its intent to exercise such rights, with full power of substitution either in the Administrative Agent's name or in the name of such Grantor (a) to receive, endorse, assign and/or deliver any and all notes, acceptances, checks, drafts, money orders or other evidences of payment relating to the Collateral or any part thereof; (b) to demand, collect, receive payment of, give receipt for and give discharges and releases of all or any of the

Collateral; (c) to sign the name of any Grantor on any invoice or bill of lading relating to any of the Collateral; (d) to send verifications of Accounts to any Account Debtor; (e) to commence and prosecute any and all suits, actions or proceedings at law or in equity in any court of competent jurisdiction to collect or otherwise realize on all or any of the Collateral or to enforce any rights in respect of any Collateral; (f) to settle, compromise, compound, adjust or defend any actions, suits or proceedings relating to all or any of the Collateral; (g) to notify, or to require any Grantor to notify, Account Debtors to make payment directly to the Administrative Agent; (h) to make, settle and adjust claims in respect of Article 9 Collateral under policies of insurance, including endorsing the name of any Grantor on any check, draft, instrument or other item of payment for the proceeds of such policies of insurance, making all determinations and decisions with respect thereto and obtaining or maintaining the policies of insurance required by Section 6.07 of the Credit Agreement or paying any premium in whole or in part relating thereto; and (i) to use, sell, assign, transfer, pledge, make any agreement with respect to or otherwise deal with all or any of the Collateral, and to do all other acts and things necessary to carry out the purposes of this Agreement, as fully and completely as though the Administrative Agent were the absolute owner of the Collateral for all purposes; *provided* that nothing herein contained shall be construed as requiring or obligating the Administrative Agent to make any commitment or to make any inquiry as to the nature or sufficiency of any payment received by the Administrative Agent, or to present or file any claim or notice, or to take any action with respect to the Collateral or any part thereof or the moneys due or to become due in respect thereof or any property covered thereby. The Administrative Agent and the other Secured Parties shall be accountable only for amounts actually received as a result of the exercise of the powers granted to them herein, and neither they nor their officers, directors, employees or agents shall be responsible to any Grantor for any act or failure to act hereunder, except for their own gross negligence or willful misconduct or that of any of their Affiliates, directors, officers, employees, counsel, agents or attorneys-in-fact. All sums disbursed by the Administrative Agent in connection with this paragraph, including reasonable attorneys' fees, court costs, expenses and other charges relating thereto, shall be payable, within 10 days of demand, by the Grantors to the Administrative Agent and shall be additional Secured Obligations secured hereby.

SECTION 6.17. General Authority of the Administrative Agent. By acceptance of the benefits of this Agreement and any other Collateral Documents, each Secured Party (whether or not a signatory hereto) shall be deemed irrevocably (a) to consent to the appointment of the Administrative Agent as its agent hereunder and under such other Collateral Documents, (b) to confirm that the Administrative Agent shall have the authority to act as the exclusive agent of such Secured Party for the enforcement of any provisions of this Agreement and such other Collateral Documents against any Grantor, the exercise of remedies hereunder or thereunder and the giving or withholding of any consent or approval hereunder or thereunder relating to any Collateral or any Grantor's obligations with respect thereto, (c) to agree that it shall not take any action to enforce any provisions of this Agreement or any other Collateral Document against any Grantor, to exercise any remedy hereunder or thereunder or to give any consents or approvals hereunder or thereunder except as expressly provided in this Agreement or any other Collateral Document and (d) to agree to be bound by the terms of this Agreement and any other Collateral Documents.

SECTION 6.18. Recourse; Limited Obligations. This Agreement is made with full recourse to each Grantor and pursuant to and upon all the warranties, representations, covenants and agreements on the part of such Grantor contained herein, in the Loan Documents and the Secured Hedge Agreements and otherwise in writing in connection herewith or therewith. It is the desire and intent of each Grantor and the Secured Parties that this Agreement shall be enforced against each Grantor to the fullest extent permissible under the laws applied in each jurisdiction in which enforcement is sought. Notwithstanding anything to the contrary contained herein, and in furtherance of the foregoing, it is noted that the obligations of each Grantor that is a Guarantor have been limited as expressly provided in the Guaranty and are limited hereunder as and to the same extent provided therein.

C. Capitalized terms used herein and not otherwise defined herein shall have the meanings assigned to such terms in the Credit Agreement and the Security Agreement, as applicable.

D. The Grantors have entered into the Security Agreement in order to induce (x) the Lenders to make Loans and the L/C Issuers to issue Letters of Credit, (y) the Hedge Banks to enter into and/or maintain Secured Hedge Agreements and (z) the Cash Management Banks to provide Cash Management Services. Section 6.15 of the Security Agreement provides that additional Restricted Subsidiaries of the Borrower may become Grantors under the Security Agreement by execution and delivery of an instrument in the form of this Supplement. The undersigned Restricted Subsidiary (the "**New Subsidiary**") is executing this Supplement in accordance with the requirements of the Credit Agreement to become a Grantor under the Security Agreement in order to induce (x) the Lenders to make additional Loans and the L/C Issuers to issue additional Letters of Credit, (y) the Hedge Banks to enter into and/or maintain Secured Hedge Agreements and (z) the Cash Management Banks to provide Cash Management Services and as consideration for (x) Loans previously made and Letters of Credit previously issued, (y) Secured Hedge Agreements previously entered into and/or maintained and (z) Cash Management Services previously provided.

Accordingly, the Administrative Agent and the New Subsidiary agree as follows:

SECTION 1. In accordance with Section 6.15 of the Security Agreement, the New Subsidiary by its signature below becomes a Grantor under the Security Agreement with the same force and effect as if originally named therein as a Grantor and the New Subsidiary hereby (a) agrees to all the terms and provisions of the Security Agreement applicable to it as a Grantor and Grantor thereunder and (b) represents and warrants that the representations and warranties made by it as a Grantor thereunder are true and correct on and as of the date hereof. In furtherance of the foregoing, the New Subsidiary, as security for the payment and performance in full of the Secured Obligations does hereby create and grant to the Administrative Agent, its successors and assigns, for the benefit of the Secured Parties, their successors and assigns, a security interest in and lien on all of the New Subsidiary's right, title and interest in and to the Collateral (as defined in the Security Agreement) of the New Subsidiary. Each reference to a "**Grantor**" in the Security Agreement shall be deemed to include the New Subsidiary. The Security Agreement is hereby incorporated herein by reference.

SECTION 2. SECTION 3. This Supplement may be executed in counterparts (and by different parties hereto on different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract. This Supplement shall become effective when the Administrative Agent shall have received a counterpart of this Supplement that bears the signature of the New Subsidiary, and the Administrative Agent has executed a counterpart hereof. Delivery of an executed signature page to this Supplement by facsimile transmission or other electronic communication shall be as effective as delivery of a manually signed counterpart of this Supplement.

SECTION 6. THIS SUPPLEMENT SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF NEW YORK.

SECTION 7. If any provision of this Supplement is held to be illegal, invalid or unenforceable, the legality, validity and enforceability of the remaining provisions of this Supplement and the other Loan Documents shall not be affected or impaired thereby. The invalidity of a provision in a particular jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

SECTION 8. All communications and notices hereunder shall be in writing and given as provided in Section 6.01 of the Security Agreement.

SECTION 9. The New Subsidiary agrees to reimburse the Administrative Agent for its reasonable out-of-pocket expenses in connection with the execution and delivery of this Supplement, including the reasonable fees, other charges and disbursements of counsel for the Administrative Agent.

to the Restated Credit Agreement referred to below

Ladies and Gentlemen:

We have acted as special counsel to Sabre Inc., a Delaware corporation (the "Borrower"), Sabre Holdings Corporation, a Delaware corporation ("Holdings"), and each of the parties listed in Exhibit A attached hereto (the "Subsidiary Guarantors"), in connection with that certain Amendment and Restatement Agreement dated as of the date hereof (the "Amendment Agreement") among the Borrower, Holdings, the Subsidiary Guarantors, the Lenders party thereto, Deutsche Bank AG New York Branch, as Original Administrative Agent and L/C Issuer, and Bank of America, N.A., as Successor Administrative Agent, Swing Line Lender, L/C Issuer, Fronting Term B Lender and Fronting Term C Lender, which, upon satisfaction of the conditions to effectiveness thereto, amends and restates that certain Credit Agreement dated as of March 30, 2007 (as amended and restated prior to the date hereof, the "Original Credit Agreement") among the Borrower, Holdings, Deutsche Bank AG New York Branch, as administrative agent, swing line lender and L/C issuer, and the Lenders party thereto. Capitalized terms used but not defined herein shall have the meanings ascribed to them in the Amendment Agreement or the Restated Credit Agreement (as defined below), as applicable. Each of the Borrower, Holdings and the Subsidiary Guarantors is referred to as a "Credit Party" herein, and they are referred to collectively herein as the "Credit Parties." This opinion letter is furnished pursuant to Section 8(b) of the Amendment Agreement and Section 4.01(a)(v)(i) of the Restated Credit Agreement.

In arriving at the opinions expressed below, we have reviewed the following documents:

(a) an executed copy of the Amendment Agreement, including the amended and restated Original Credit Agreement attached thereto as Annex A (the "Restated Credit Agreement");

(b) an executed copy of the Amended and Restated Pledge and Security Agreement, dated as of the date hereof (the "Restated Security Agreement") among Bank of America, N.A., as Administrative Agent, the Borrower, Holdings and certain Subsidiary Guarantors party thereto;

(c) an executed copy of the Amended and Restated Guaranty, dated as of the date hereof (the "Restated Guaranty") among Bank of America, N.A., as Administrative Agent, the Borrower, Holdings and certain Subsidiary Guarantors party thereto;

(d) an executed copy of the Amendment of Security Interest in Copyrights dated as of the date hereof (the "Copyright Amendment") among Deutsche Bank AG New York Branch, Bank of America, N.A., Holdings, the Borrower and certain Subsidiary Guarantors party thereto;

(e) an executed copy of the Amendment of Security Interest in Trademarks dated as of the date hereof (the "Trademark Amendment") among Deutsche Bank AG New York Branch, Bank of America, N.A., Holdings, the Borrower and certain Subsidiary Guarantors party thereto;

(j) an executed copy of the Officer's Certificate of the Borrower attached as Exhibit B hereto in connection with the opinion expressed in numbered paragraph 4 below; and

(k) the agreements identified in Exhibit C hereto.

In addition, we have made such investigations of law, as we have deemed appropriate as a basis for the opinions expressed below.

In rendering the opinions expressed below, we have assumed the authenticity of all documents submitted to us as originals and the conformity to the originals of all documents submitted to us as copies. In addition, we have assumed and have not verified the accuracy as to factual matters of each document we have reviewed (including, without limitation, the accuracy of the representations and warranties of the Credit Parties in the Amendment Documents or the Restated Credit Agreement).

Based on the foregoing, and subject to the further assumptions and qualifications set forth below, it is our opinion that:

1. Each of the Amendment Documents to which any Credit Party is a party has been duly executed and delivered by such Credit Party.

2. Each of the Amendment Documents and the Restated Credit Agreement to which any Credit Party is a party is a valid, binding and enforceable agreement of such Credit Party.

3. Except for such filings and other actions as may be required to perfect the Liens in favor of the Administrative Agent that the Amendment Documents and the Restated Credit Agreement purport to create, the execution and delivery of the Amendment Documents by each of the Credit Parties do not, and the performance by each of the Credit Parties of its obligations in each of the Amendment Documents and the Restated Credit Agreement to which it is a party will not, (a) require any consent, approval, authorization, registration or qualification of or with any governmental authority of the United States of America or the State of New York that in our experience normally would be applicable to general business entities with respect to such execution, delivery and performance (but we express no opinion relating to the United States federal securities laws or any state securities or Blue Sky laws), (b) result in a breach of any of the terms and provisions of, or constitute a default under, any of the agreements of such Credit Party identified in Exhibit C hereto, or (c) result in a violation of any United States federal or New York State law or published rule or regulation that in our experience normally would be applicable to general business entities with respect to such execution, delivery and performance (but we express no opinion relating to the United States federal securities laws or any state securities or Blue Sky laws).

4. The Borrower is not required to be registered as an investment company under the U.S. Investment Company Act of 1940, as amended.

5. The Restated Security Agreement creates in favor of the Administrative Agent, for the benefit of the Secured Parties as security for the Secured Obligations, a valid security interest in each Grantor's (as defined in the Restated Security Agreement) rights in the Collateral described therein to the extent that a security interest in such Collateral can be created under Article 9 of the Uniform Commercial Code as in effect in the State of New York (the "NYUCC") (the "Article 9 Collateral"), except that a security interest in any Collateral constituting a Commercial Tort Claim (as defined in the Restated Security Agreement) will only be created when a sufficient description thereof (within the meaning of Section 9-108 of the NYUCC) is provided on Schedule II of the Restated Security Agreement in accordance with Section 3.01 of the Restated Security Agreement.

6. With respect to that portion of the Collateral consisting of Pledged Collateral (as defined in the Restated Security Agreement) constituting "securities" or "instruments" within the meaning of the New York UCC, upon delivery of certificates or instruments representing such Pledged Collateral to the Administrative Agent in the State of New York, the Administrative Agent for the benefit of the Secured Parties will have a perfected security interest in such Pledged Collateral, which will remain a perfected security interest for as long as the Administrative Agent continuously maintains possession of such certificates and instruments in the State of New York.

In arriving at the opinion expressed above in numbered paragraph 5, we have assumed that the relevant Credit Parties have rights in the subject Collateral (and we express no opinion with respect thereto) and we note that, with respect to Collateral in which such Credit Parties have no present rights, the Restated Security Agreement will create the security interest referred to in numbered paragraph 5 only when such Credit Parties acquire such rights.

We have also assumed compliance with any restrictions on or procedures applicable to any transfer of interests in the Collateral.

Insofar as the foregoing opinions relate to the validity, binding effect or enforceability of any agreement or obligation of any of the Credit Parties or the creation or transfer of an interest in property, (a) we have assumed that such Credit Party and each other party to such agreement or obligation has satisfied those legal requirements that are applicable to it to the extent necessary to make such agreement or obligation enforceable against it (except that no such assumption is made as to any of the Credit Parties regarding matters of the federal law of the United States of America or the law of the State of New York that in our experience normally would be applicable to general business entities with respect to such agreement or obligation) and (b) such opinions are subject to applicable bankruptcy, insolvency and similar laws affecting creditors' rights generally and to general principles of equity.

In addition, certain of the remedial provisions of the Collateral Documents may be further limited or rendered unenforceable by other applicable laws or judicially adopted principles which, however, in our judgment do not make the remedies provided for therein (taken as a whole) inadequate for the practical realization of the principal benefits purported to be afforded thereby (except for the economic consequences of procedural or other delay). Insofar as provisions contained in any of the Amendment Documents or the Restated Credit Agreement provide for indemnification, the enforcement thereof may be limited by public policy considerations.

With respect to Section 11 of the Amendment Agreement, Section 11.16(b) of the Restated Credit Agreement, Section 6.09(b) of the Restated Security Agreement and Section 4.08(b) of the Restated Guaranty, we express no opinion as to the subject matter jurisdiction of any United States federal court to adjudicate any action relating to such agreements where jurisdiction based on diversity of citizenship under 28 U.S.C. §1332 does not exist.

We note that the designation in Section 11 of the Amendment Agreement, Section 11.16(b) of the Restated Credit Agreement, Section 6.09(b) of the Restated Security Agreement and Section 4.08(b) of the Restated Guaranty of the U.S. federal courts for the Southern District of New York as the venue for actions or proceedings relating to such agreements is (notwithstanding the waivers in Section 11 of the Amendment Agreement, Section 11.16(b) of the Restated Credit Agreement, Section 6.09(b) of the Restated Security Agreement and Section 4.08(b) of the Restated Guaranty Agreement) subject to the power of such courts to transfer actions pursuant to 28 U.S.C. §1404(a) or to dismiss such actions or proceedings on the grounds that such a federal court is an inconvenient forum for such an action or proceeding.

We note that by statute New York provides that a judgment or decree rendered in a currency other than the currency of the United States shall be converted into U.S. dollars at the rate of exchange prevailing on the date of entry of the judgment or decree. There is no corresponding Federal statute and no controlling Federal court decision on this issue. Accordingly, we express no opinion as to whether a Federal court would award a judgment in a currency other than U.S. dollars or, if it did so, whether it would order conversion of the judgment into U.S. dollars. In addition, we express no opinion as to the enforceability of Section 11.19 of the Restated Credit Agreement relating to currency indemnity.

The foregoing opinions are limited to the federal law of the United States of America and the law of the State of New York.

We are furnishing this opinion letter to you solely for your benefit in connection with the Amendment Documents and the Restated Credit Agreement. This opinion letter is not to be relied on by or furnished to any other person or used, circulated, quoted or otherwise referred to for any other purpose. Notwithstanding the foregoing, a copy of this opinion letter may be furnished to, and relied upon by, any of your permitted assignees of the Loans under the Restated Credit Agreement that becomes a Lender on or prior to the 45th day after the date of this opinion letter. The opinions expressed herein are, however, rendered on and as of the date hereof, and we assume no obligation to advise you or any such assignee or any other person, or to make any investigations, as to any legal developments or factual matters arising subsequent to the date hereof that might affect the opinions expressed herein.

Very truly yours,

CLEARY GOTTLIEB STEEN & HAMILTON LLP

ANNEX A
TO
INTERCOMPANY NOTE

Section 1.01. Subordination of Liabilities. Each Person set forth on Schedule A to the promissory note (the "Note") to which this Annex A is attached in its capacity as a payor (each such party a "Payor"), for itself, its successors and assigns, covenants and agrees, and each holder of the Note by its acceptance thereof likewise covenants and agrees, that the payment of the principal of, and interest on, and all other amounts owing in respect of, the Note is hereby expressly subordinated, to the extent and in the manner hereinafter set forth, to the prior payment in full in cash of all Senior Indebtedness (as defined in Section 1.07 of this Annex A). The provisions of this Annex A shall constitute a continuing offer to all Persons or other entities who, in reliance upon such provisions, become holders of, or continue to hold, Senior Indebtedness, and such provisions are made for the benefit of the holders of Senior Indebtedness, and such holders are hereby made obligees hereunder the same as if their names were written herein as such, and they and/or each of them may proceed to enforce such provisions.

Section 1.02. Payors Not to Make Payments with Respect to Note in Certain Circumstances. (a) Upon the maturity of any Senior Indebtedness (including interest thereon or fees or any other amounts owing in respect thereof), whether at stated maturity, by acceleration or otherwise, all Obligations (as defined in Section 1.07 of this Annex A) due and owing in respect thereof shall first be paid in full in cash before any payment of any kind or character (whether in cash, property, securities or otherwise) is made on account of the principal of (including installments thereof), or interest on, or any other amount otherwise owing in respect of, the Note. No Payor may, directly or indirectly (and no Person or other entity on behalf of any Payor may), make any payment of any principal of, and interest on, or any other amount owing in respect of, the Note and may not acquire all or any part of the Note for cash, property or securities until all Senior Indebtedness has been paid in full in cash if any Default or Event of Default (each as defined below) is then in existence or would result therefrom. Each holder of the Note hereby agrees that, so long as any Default or Event of Default in respect of any Senior Indebtedness exists, it will not ask, demand, sue for, or otherwise take, accept or receive, any amounts owing in respect of the Note. As used herein, the terms "Default" and "Event of Default" shall mean any Default or Event of Default (or similar term), respectively, under and as defined in, the relevant documentation governing any Senior Indebtedness and in any event shall include any payment default with respect to any Senior Indebtedness.

(b) In the event that, notwithstanding the provisions of the preceding subsection (a) of this Section 1.02, any payment shall be made (or any holder of the Note shall receive any payment) on account of the principal of, or interest on, or other amounts otherwise owing in respect of, the Note, at a time when payment is not permitted by the terms of the Note or by said subsection (a), such payment shall be held by such holder of the Note, in trust for the benefit of, and shall be paid forthwith over and delivered to, the holders of Senior Indebtedness or their representative or representatives under the agreements pursuant to which the Senior Indebtedness may have been issued, as their respective interests may appear, for application pro rata to the payment of all Senior Indebtedness remaining unpaid, to the extent necessary to pay all Senior Indebtedness in full in cash in accordance with the terms of such Senior Indebtedness, after giving effect to any

concurrent payment or distribution to or for the holders of Senior Indebtedness. Without in any way modifying the provisions of this Annex A or affecting the subordination effected hereby if such notice is not given, each Payor shall give each holder of the Note prompt written notice of any maturity of Senior Indebtedness after which such Senior Indebtedness remains unsatisfied.

Section 1.03. Note Subordinated to Prior Payment of All Senior Indebtedness on Dissolution, Liquidation or Reorganization of any Payor. Upon any distribution of assets of any Payor upon any dissolution, winding up, liquidation or reorganization of such Payor (whether in bankruptcy, insolvency or receivership proceedings or upon an assignment for the benefit of creditors or otherwise), except as otherwise permitted or provided under the Credit Agreement:

(a) the holders of all Senior Indebtedness shall first be entitled to receive payment in full in cash of all Senior Indebtedness (including, without limitation, post-petition interest at the rate provided in the documentation with respect to the respective Senior Indebtedness, whether or not such post-petition interest is an allowed claim against the debtor in any bankruptcy or similar proceeding) before any holder of the Note is entitled to receive any payment of any kind or character on account of the principal of or interest on or any other amount owing in respect of the Note;

(b) any payment or distribution of assets of any Payor of any kind or character, whether in cash, property or securities, to which any holder of the Note would be entitled except for the provisions of this Annex A, shall be paid by the liquidating trustee or agent or other Person making such payment or distribution, whether a trustee in bankruptcy, a receiver or liquidating trustee or other trustee or agent, directly to the holders of Senior Indebtedness or their representative or representatives under the agreements pursuant to which the Senior Indebtedness may have been issued, to the extent necessary to make payment in full in cash of all Senior Indebtedness remaining unpaid after giving effect to any concurrent payment or distribution to the holders of such Senior Indebtedness; and

(c) in the event that, notwithstanding the foregoing provisions of this Section 1.03, any payment or distribution of assets of any Payor of any kind or character, whether in cash, property or securities, shall be received by any holder of the Note on account of principal of, or interest or other amounts due on, the Note before all Senior Indebtedness is paid in full in cash, such payment or distribution shall be received and held in trust for and shall forthwith be paid over to the holders of the Senior Indebtedness remaining unpaid or their representative or representatives under the agreements pursuant to which the Senior Indebtedness may have been issued, for application to the payment of such Senior Indebtedness until all such Senior Indebtedness shall have been paid in full in cash, after giving effect to any concurrent payment or distribution to the holders of such Senior Indebtedness.

If any holder of the Note does not file a proper claim or proof of debt in the form required in any proceeding or other action referred to in the introduction paragraph of this Section 1.03 prior to 30 days before the expiration of the time to file such claim or claims, then any of the holders of the Senior Indebtedness or their representative is hereby authorized to file an appropriate claim for and on behalf of any holder of the Note.

Without in any way modifying the provisions of this Annex A or affecting the subordination effected hereby if such notice is not given, each Payor shall give prompt written notice to each holder of the Note of any dissolution, winding up, liquidation or reorganization of such Payor (whether in bankruptcy, insolvency or receivership proceedings or upon assignment for the benefit of creditors or otherwise).

Section 1.04. Subrogation. Subject to the prior payment in full in cash of all Senior Indebtedness, each holder of the Note shall be subrogated to the rights of the holders of Senior Indebtedness to receive payments or distributions of assets of each Payor applicable to the Senior Indebtedness until all amounts owing on the Note shall be paid in full, and for the purpose of such subrogation no payments or distributions to the holders of the Senior Indebtedness by or on behalf of any Payor or by or on behalf of any holder of the Note by virtue of this Annex A which otherwise would have been made to any holder of the Note shall, as between each Payor, its creditors other than the holders of Senior Indebtedness, and each holder of the Note, be deemed to be payment by such Payor to or on account of the Senior Indebtedness, it being understood that the provisions of this Annex A are and are intended solely for the purpose of defining the relative rights of each holder of the Note, on the one hand, and the holders of the Senior Indebtedness, on the other hand.

Section 1.05. Obligation of the Payor Unconditional. Nothing contained in this Annex A or in the Note is intended to or shall impair, as between each Payor and each holder of the Note, the obligation of such Payor, which is absolute and unconditional, to pay to such holder of the Note the principal of and interest on the Note as and when the same shall become due and payable in accordance with their terms, or is intended to or shall affect the relative rights of any holder of the Note and creditors of each Payor, other than the holders of the Senior Indebtedness, nor shall anything herein or therein, except as expressly provided herein, prevent any holder of the Note from exercising all remedies otherwise permitted by applicable law, subject to the rights, if any, under this Annex A of the holders of Senior Indebtedness in respect of cash, property, or securities of any Payor received upon the exercise of any such remedy. Upon any distribution of assets of any Payor referred to in this Annex A, each holder of the Note shall be entitled to rely upon any order or decree made by any court of competent jurisdiction in which such dissolution, winding up, liquidation or reorganization proceedings are pending, or a certificate of the liquidating trustee or agent or other Person making any distribution to any holder of the Note, for the purpose of ascertaining the Persons entitled to participate in such distribution, the holders of the Senior Indebtedness and other indebtedness of each Payor, the amount thereof or payable thereon, the amount or amounts paid or distributed thereon and all other facts pertinent thereto or to this Annex A.

Section 1.06. Subordination Rights Not Impaired by Acts or Omissions of any Payor or Holders of Senior Indebtedness. No right of any present or future holders of any Senior Indebtedness to enforce subordination as herein provided shall at any time in any way be prejudiced or impaired by any act or failure to act on the part of any Payor or by any act or failure to act by any such holder, or by any noncompliance by any Payor with the terms and provisions of the Note, regardless of any knowledge thereof which any such holder may have or be otherwise charged with. The holders of the Senior Indebtedness may, without in any way affecting the obligations of any holder of the Note with respect hereto, at any time or from time to time and in their absolute discretion, change the manner, place or terms of payment of, change or extend the time

of payment of, or renew or alter, any Senior Indebtedness, or amend, modify or supplement any agreement or instrument governing or evidencing such Senior Indebtedness or any other document referred to therein, or exercise or refrain from exercising any other of their rights under the Senior Indebtedness including, without limitation, the waiver of default thereunder and the release of any collateral securing such Senior Indebtedness, all without notice to or assent from any holder of the Note.

Section 1.07. Definitions. As used in this Annex, the terms set forth below shall have the respective meanings provided below:

CREDIT AGREEMENT SECURED PARTIES:	The Secured Parties (the "**Credit Agreement Secured Parties**").
ADDITIONAL FIRST LIEN SECURED PARTIES:	The agents, issuing banks, trustees, debtholders and lenders under the Additional First Lien Debt Documents that are entitled to the benefit of a pari passu Lien on the Collateral (the "**Additional First Lien Secured Parties**").

CREDIT AGREEMENT OBLIGATIONS:	All Obligations from time to time owed to the Credit Agreement Secured Parties under the Obligations Documents (including any post-petition interest, whether or not allowed or allowable in any insolvency proceeding) (the "**Credit Agreement Obligations**").
ADDITIONAL FIRST LIEN DEBT OBLIGATIONS:	All obligations of every nature of the Loan Parties from time to time owed to the Additional First Lien Secured Parties under the Additional First Lien Debt Documents (including any post-petition interest, whether or not allowed or allowable in any insolvency proceeding) (the "**Additional First Lien Debt Obligations**" and, together with the Credit Agreement Obligations, the "**First Lien Obligations**").

FIRST LIEN OBLIGATIONS	The Credit Agreement Obligations and the Additional First Lien Debt Obligations described above.
PRIORITY OF LIENS:	The Liens securing the Credit Agreement Obligations and the Liens securing the Additional First Lien Debt Obligations shall be of equal priority.

REMEDIES:

The Applicable Collateral Agent (as defined below), acting only on the instructions of the Applicable Authorized Representative (as defined below), shall control all decisions related to the exercise of remedies with respect to all or any portion of the Collateral and so long as the Administrative Agent is the Applicable Collateral Agent, no Additional First Lien Secured Party shall seek to exercise any right or remedy with respect to the Collateral.

Notwithstanding the equal priority of the Liens securing each series of the First Lien Obligations, until the Discharge of Credit Agreement Obligations Date (as defined below), the Applicable Collateral Agent may deal with the Collateral as if the Credit Agreement Secured Parties have a Lien senior to the Additional First Lien Secured Parties.

"**Applicable Collateral Agent**" means, until the earlier of (x) the Discharge of Credit Agreement Obligations Date and (y) the Non-Controlling Authorized Representative Enforcement Date, the Administrative Agent, and thereafter, a collateral agent representing the Additional First Lien Secured Parties at such time.

"**Applicable Authorized Representative**" means, until the earlier of (x) the Discharge of Credit Agreement Obligations Date and (y) the Non-Controlling Authorized Representative Enforcement Date, the Administrative Agent and thereafter, an authorized representative of the series of the Additional First Lien Debt Obligations constituting the largest outstanding principal amount of any then outstanding series of Additional First Lien Debt Obligations (such series, the "**Largest Additional First Lien Debt Obligations**").

"**Discharge of Credit Agreement Obligations Date**" means the date on which the Credit Agreement Obligations are no longer secured by any of the Collateral.

"**Non-Controlling Authorized Representative Enforcement Date**" means a period to be agreed (but in any event not less than 90 days) after the acceleration of the Largest Additional First Lien Debt Obligations; provided that such date shall be stayed and shall not occur if (1) the Administrative Agent has commenced and is diligently pursuing any enforcement action with respect to the Collateral or (2) the Loan Party which has granted a security interest in the Collateral is then a debtor subject to an insolvency or liquidation proceedings.

PROHIBITION ON CONTESTING LIENS:

No First Lien Secured Party will contest, or support any other person in contesting the priority, validity or enforceability of a Lien on Collateral held by or on behalf of any of the First Lien Secured Parties.

ADDITIONAL FIRST LIEN DEBT OBLIGATIONS GUARANTIES AND COLLATERAL:	If for any reason, the guaranties of, or Collateral securing, Additional First Lien Debt Obligations are less extensive than those guarantying or securing, as the case may be, the Credit Agreement Obligations, then (a) with regard to Collateral securing Credit Agreement Obligations only, such Collateral shall not be shared with the Additional First Lien Secured Parties and the provisions below under the heading "Application of Proceeds/Turnover" shall not apply to such Collateral or the proceeds thereof and (b) with regard to any amounts received by the Credit Agreement Secured Parties pursuant to the respective guaranties, such amounts shall not be shared with the Additional First Lien Secured Parties and the provisions below under the heading "Application of Proceeds/Turnover" shall not apply to such amounts.
APPLICATION OF PROCEEDS/TURN- OVER:	The proceeds of any liquidation, foreclosure, enforcement or similar action related to the Collateral will be applied in the following order of priority: *First*, to pay agent fees, expenses and indemnities; *Second*, on a pro rata basis, to pay the First Lien Obligations in accordance with the terms of the applicable documents relating to each series of such First Lien Obligations; and *Third*, to the Borrower or as a court of competent jurisdiction may direct. Until the discharge of each of the First Lien Obligations, any Collateral or proceeds thereof received by any First Lien Secured Party shall be segregated and held in trust and shall be transferred to the Applicable Collateral Agent for the benefit of the First Lien Secured Parties in the same form as received, with any necessary endorsements. Notwithstanding the foregoing and in addition to the provisions described above under the heading "Additional First Lien Debt Obligations Guaranties and Collateral", each First Lien Secured Party shall bear the risk of (x) any failure to perfect (or to create) any Liens securing its respective First Lien Obligations and (y) any intervening Liens created after the perfection of Liens securing prior perfected First Lien Obligations and before the perfection of Liens securing subsequently incurred First Lien Obligations.

RELEASES: In the event that the Applicable Collateral Agent exercises remedies against all or a portion of the Collateral resulting in a sale or disposition thereof, then Liens on such Collateral in favor of any First Lien Secured Party shall be automatically released.

BANKRUPTCY: In connection with any insolvency proceeding of any Loan Party:

DIP Financing: If (1) such Loan Party, as debtor-in-possession, moves for approval of debtor-in-possession financing (a "**DIP Financing**") and (2) the Applicable Authorized Representative does not object to such DIP Financing, then (i) to the extent such DIP Financing Liens are senior to the Liens on any Collateral for the benefit of the First Lien Secured Parties, each of the Non-Controlling Secured Parties (as defined below) shall subordinate its Liens with respect to such Collateral on the same terms as the Liens of the Controlling Secured Parties (as defined below) (other than any Liens of any First Lien Secured Party constituting DIP Financing Liens) are subordinated thereto and (ii) to the extent that such DIP Financing Liens rank pari passu with the Liens on any Collateral, each Non-Controlling Secured Party will confirm the priorities with respect to such Collateral, in each case so long as (A) the First Lien Secured Parties retain the benefit of their Liens on such Collateral pledged to the DIP Financing lenders, (B) the First Lien Secured Parties are granted Liens on any additional collateral pledged to any other First Lien Secured Party as adequate protection or otherwise, (C) if any amount of such DIP Financing or cash collateral is applied to repay any of the First Lien Obligations, such amount is applied in accordance with the terms of the First Lien Intercreditor Agreement and (D) if any First Lien Secured Parties are granted adequate protection, in connection with such DIP Financing or cash collateral, the proceeds of such adequate protection are applied in accordance with the terms of the First Lien Intercreditor Agreement.

"**Controlling Secured Parties**" means, at any time when the Administrative Agent is the Applicable Collateral Agent, the Credit Agreement Secured Parties, and at any other time, the First Lien Secured Parties whose authorized representative is the Applicable Authorized Representative at such time.

"**Non-Controlling Secured Parties**" means, at any time, the First Lien Secured Parties which are not at such time Controlling Secured Parties.

Adequate Protection: no First Lien Secured Party receiving adequate protection shall object to any other First Lien Secured Party receiving adequate protection comparable to any adequate protection granted to such First Lien Secured Party in connection with a DIP Financing or use of cash collateral.

NO PAYMENT SUBORDINATION:	The Junior Lien Intercreditor Agreement affects only the relative priority of the Liens on the Collateral (and the application of proceeds therefrom as described below under the heading “Application of Proceeds/Turnover”) securing the First Lien Obligations and the Junior Lien Obligations and does not subordinate the Junior Lien Obligations in right of payment to the First Lien Obligations.
PROHIBITION ON CONTESTING LIENS:	No Secured Party will contest, or support any other person in contesting, the priority, validity or enforceability of a Lien on Collateral held by or on behalf of any of the First Lien Secured Parties or the Junior Lien Secured Parties.

RELEASES: In the event that the First Lien Secured Parties release their Liens on all or any portion of the Collateral or any Guarantor from its obligations under its guaranty of the First Lien Obligations, the comparable Lien on such Collateral or guaranty, if any, in respect of the Junior Lien Obligations shall be automatically released.

RIGHTS AS UNSECURED CREDITORS: The Junior Lien Secured Parties may exercise rights and remedies as unsecured creditors against the Loan Parties in accordance with the terms of the applicable Junior Lien Debt Documents and applicable law and subject to the terms of the Junior Lien Intercreditor Agreement.

AMENDMENTS: The First Lien Credit Documents may be amended, refinanced etc. without notice to, or the consent of, any Junior Lien Secured Party.

No Junior Lien Debt Documents may be amended, modified or supplemented to the extent such amendment, modification or supplement would be prohibited by or inconsistent with the terms of the Junior Lien Intercreditor Agreement or any then effective First Lien Credit Document.

Any amendments, modifications or waivers of the Junior Lien Intercreditor Agreement must be signed in writing by each representative of the First Lien Secured Parties and the Junior Lien

Secured Parties; provided that (x) each representative of the First Lien Secured Parties may, without the written consent of any representative of the Junior Lien Secured Parties, agree to modifications of the Junior Lien Intercreditor Agreement for the purpose of securing additional First Lien Obligations and adding new creditors as First Lien Secured Parties and (y) additional Loan Parties may be added as parties to the First Lien Intercreditor Agreement in accordance with the provisions thereof without consent of any representative of the Junior Lien Secured Parties; provided further that such amendment, modification or waiver will require the Borrower's consent if it amends, modifies or waives the rights, interests or liabilities, or directly affects the privileges of, the Borrower or any Loan Party.

BANKRUPTCY:

In connection with any insolvency proceeding of any Loan Party:

Filing of Motions: The Junior Lien Secured Parties shall not file any motion, take any position in any proceeding, or take any other action in respect of the Collateral (including any motion seeking relief from the automatic stay) except filing of a proof of claim or responsive or defensive pleadings in opposition to any motion or pleading seeking the disallowance of the claims of the Junior Lien Secured Parties.

DIP Financing: If the First Lien Secured Parties (or their respective authorized representative as provided in Exhibit K to the Credit Agreement) desire to permit the sale or use of any collateral, or to permit any Loan Party to obtain debtor-in-possession financing (a "**DIP Financing**"), then the Junior Lien Secured Parties shall: (i) be deemed to accept and will not object or support any objection to, such sale or use or any such DIP Financing, (ii) not request or accept any form of adequate protection or any other relief in connection therewith except as set forth below and (iii) subordinate its Liens to such DIP Financing, any adequate protection provided to the First Lien Secured Parties and any "carve-out" for fees agreed to by the Collateral Agent; provided that nothing shall prohibit the Junior Lien Secured Parties from (a) exercising their rights to vote in favor of or against a plan of reorganization, (b) proposing any post-petition financing so long as the First Lien Secured Parties are receiving post-petition interest in at least the same form being requested by the Junior Lien Secured Parties or (c) other than with respect to a DIP Financing as described above, objecting to any provision in any post-petition financing.

Sales: None of the Junior Lien Secured Parties shall oppose any sale that is supported by the First Lien Secured Parties (or their respective authorized representative as provided in Exhibit K to the Credit Agreement), and the Junior Lien Secured Parties will be deemed to have consented to any such sale and to have released their Liens in such assets.

Adequate Protection: No Junior Lien Secured Party shall (i) contest any request by the First Lien Secured Parties (or their respective authorized representative as provided in Exhibit K to the Credit Agreement) for adequate protection, (ii) contest any objection by the First Lien Secured Parties (or their respective authorized representative as provided in Exhibit K to the Credit Agreement) to any motion, etc. based on the First Lien Secured Parties' (or their respective authorized representative as provided in Exhibit K to the Credit Agreement) claiming a lack of adequate protection, (iii) seek or accept any form of adequate protection under any of Sections 362, 363 and/or 364 of the Bankruptcy Code with respect to the Collateral or (iv) contest the payment of interest, fees, expenses or other amounts to any First Lien Secured Party (or their respective authorized representative as provided in Exhibit K to the Credit Agreement). However, (a) if the First Lien Secured Parties are granted adequate protection in the form of additional collateral in connection with any DIP Financing, then the Junior Lien Secured Parties may seek adequate protection in the form of a Lien on such additional collateral (subordinated to the Liens securing the First Lien Obligations and such DIP Financing), (b) in the event the any Junior Lien Secured Party is granted adequate protection in the form of additional collateral, then the First Lien Secured Parties shall have a senior Lien and claim on such additional collateral and (c) in the event the First Lien Secured Parties are granted adequate protection in the form of a superpriority claim, then the Junior Lien Secured Parties may seek adequate protection in the form of a junior superpriority claim, subordinated to the superpriority claim granted to the First Lien Secured Parties.

Avoidance Issues: If any First Lien Secured Party is required to disgorge or otherwise pay any amount to the estate of any Loan Party for any reason (a "**Recovery**"), then the First Lien Obligations shall be reinstated to the extent of such Recovery and the Discharge of First Lien Obligations shall be deemed not to have occurred.

Separate Grants of Security and Classifications: The grants of Liens pursuant to the First Lien Credit Documents and the Junior Lien Debt Documents constitute two separate and distinct grants of Liens. If it is held that the claims constitute only one secured claim, then all distributions shall be made as if there were separate classes of secured claims. The First Lien Secured Parties and the Junior Lien Secured Parties shall be entitled to vote as a separate class on any plan of reorganization.

Post-Petition Interest: The Junior Secured Lien Parties shall not oppose or challenge any claim of the First Lien Secured Parties for post-petition interest, fees or expenses.

No Waiver by First Lien Secured Parties: No First Lien Secured Party shall be prohibited from objecting to any action taken by the Junior Lien Secured Parties (or any agent on their behalf).

Plan of Reorganization. No Junior Lien Secured Party shall support or vote in favor of any plan of reorganization that is inconsistent with the terms of the Junior Lien Intercreditor Agreement.

Section 506(c). Until the Discharge of First Lien Obligations has occurred, no Junior Lien Secured Party shall assert any claim under Section 506(c) of the Bankruptcy Code or seek to recover any amounts that any Loan Party may obtain by virtue of any claim under such Section 506(c).

Section 1111(b). Until the Discharge of First Lien Obligations has occurred, no Junior Lien Secured Party shall seek to exercise any rights under Section 1111(b) of the Bankruptcy Code. Each Junior Lien Secured Party waives any claim it may have against any First Lien Secured Party arising out of the election by any First Lien Secured Party of the application to the claims of any First Lien Secured Party of Section 1111(b)(2) of the Bankruptcy Code.

PURCHASE OPTION: Upon acceleration, bankruptcy or commencement of enforcement proceedings, the Junior Lien Secured Parties shall have a one-time right to purchase, within 30 days of such event, at par plus any prepayment premiums and accrued but unpaid interest and fees and any other unpaid amounts (and full cash collateralization of all letter of credit and related obligations), the First Lien Obligations.

collection, and waives any right to require that any resort be had by the Administrative Agent or any other Secured Party to any security held for the payment of the Guaranteed Obligations, or to any balance of any deposit account or credit on the books of the Administrative Agent or any other Secured Party in favor of the Borrower or any other Person.

SECTION 2.03. No Limitations. (a) Except for termination of a Guarantor's obligations hereunder as expressly provided in Section 4.12, the obligations of each Guarantor hereunder shall not be subject to any reduction, limitation, impairment or termination for any reason, including any claim of waiver, release, surrender, alteration or compromise, and shall not be subject to any defense or set-off, counterclaim, recoupment or termination whatsoever by reason of the invalidity, illegality or unenforceability of the Guaranteed Obligations, or otherwise. Without limiting the generality of the foregoing, the obligations of each Guarantor hereunder shall not be discharged or impaired or otherwise affected by (i) the failure of the Administrative Agent or any other Secured Party to assert any claim or demand or to enforce any right or remedy under the provisions of any Loan Document or otherwise; (ii) any rescission, waiver, amendment or modification of, or any release from any of the terms or provisions of, any Loan Document or any other agreement, including with respect to any other Guarantor under this Agreement; (iii) the release of any security held by the Collateral Agent or any other Secured Party for the Guaranteed Obligations; (iv) any default, failure or delay, willful or otherwise, in the performance of the Guaranteed Obligations; or (v) any other act or omission that may or might in any manner or to any extent vary the risk of any Guarantor or otherwise operate as a discharge of any Guarantor as a matter of law or equity (other than the indefeasible payment in full in cash of all the Guaranteed Obligations). Each Guarantor expressly authorizes the Secured Parties to take and hold security for the payment and performance of the Guaranteed Obligations, to exchange, waive or release any or all such security (with or without consideration), to enforce or apply such security and direct the order and manner of any sale thereof in their sole discretion or to release or substitute any one or more other guarantors or obligors upon or in respect of the Guaranteed Obligations, all in accordance with the Security Agreement and other Loan Documents and all without affecting the obligations of any Guarantor hereunder.

(b) To the fullest extent permitted by applicable law, each Guarantor waives any defense based on or arising out of any defense of any Guaranty Party or the unenforceability of the Guaranteed Obligations, or any part thereof from any cause, or the cessation from any cause of the liability of any Guaranty Party, other than the indefeasible payment in full in cash of all the Guaranteed Obligations. The Administrative Agent and the other Secured Parties may, in accordance with the terms of the Collateral Documents and at their election, foreclose on any security held by one or more of them by one or more judicial or nonjudicial sales, accept an assignment of any such security in lieu of foreclosure, compromise or adjust any part of the Guaranteed Obligations, make any other accommodation with any Guaranty Party or exercise any other right or remedy available to them against any Guaranty Party, without affecting or impairing in any way the liability of any Guarantor hereunder except to the extent the Guaranteed Obligations have been fully and indefeasibly paid in full in cash. To the fullest extent permitted by applicable law, each Guarantor waives any defense arising out of any such election even though such election operates, pursuant to applicable law, to impair or to extinguish any right of reimbursement or subrogation or other right or remedy of such Guarantor against any Guaranty Party, as the case may be, or any security.

SECTION 2.04. Reinstatement. Each of the Guarantors agrees that its guaranty hereunder shall continue to be effective or be reinstated, as the case may be, if at any time payment, or any part thereof, of any Guaranteed Obligation, is rescinded, invalidated or must otherwise be restored by the Administrative Agent or any other Secured Party upon the bankruptcy or reorganization of any Guaranty Party or otherwise.

SECTION 2.05. Agreement To Pay; Subrogation. In furtherance of the foregoing and not in limitation of any other right that the Administrative Agent or any other Secured Party has at law or in equity against any Guarantor by virtue hereof, upon the failure of any Guaranty Party to pay any Guaranteed Obligation when and as the same shall become due, whether at maturity, by acceleration, after notice of prepayment or otherwise, each Guarantor hereby promises to and will forthwith pay, or cause to be paid, to the Administrative Agent for distribution to the Secured Parties in cash the amount of such unpaid Guaranteed Obligation. Upon payment by any Guarantor of any sums to the Administrative Agent as provided above, all rights of such Guarantor against any Guaranty Party arising as a result thereof by way of right of subrogation, contribution, reimbursement, indemnity or otherwise shall in all respects be subject to Article III herein.

SECTION 2.06. Information. Each Guarantor assumes all responsibility for being and keeping itself informed of each Guaranty Party's financial condition and assets, and of all other circumstances bearing upon the risk of nonpayment of the Guaranteed Obligations, and the nature, scope and extent of the risks that such Guarantor assumes and incurs hereunder, and agrees that none of the Administrative Agent or the other Secured Parties will have any duty to advise such Guarantor of information known to it or any of them regarding such circumstances or risks.

SECTION 2.07. Keepwell. Each Qualified ECP Guarantor hereby jointly and severally absolutely, unconditionally and irrevocably undertakes to provide such funds or other support as may be needed from time to time by each other Guarantor to honor all of its obligations under this Agreement in respect of Swap Obligations (provided, however, that each Qualified ECP Guarantor shall only be liable under this Section 2.07 for the maximum amount of such liability that can be hereby incurred without rendering its obligations under this Section 2.07, or otherwise under this Agreement, voidable under applicable law relating to fraudulent conveyance or fraudulent transfer, and not for any greater amount). The obligations of each Qualified ECP Guarantor under this Section 2.07 shall remain in full force and effect until the termination of this Agreement and the Guaranties made hereunder pursuant to Section 4.12. Each Qualified ECP Guarantor intends that this Section 2.07 constitute, and this Section 2.07 shall be deemed to constitute, a "keepwell, support, or other agreement" for the benefit of each other Loan Party for all purposes of Section 1a(18)(A)(v)(II) of the Commodity Exchange Act.

ARTICLE III

INDEMNITY, SUBROGATION AND SUBORDINATION

SECTION 3.01. Indemnity and Subrogation. In addition to all such rights of indemnity and subrogation as the Guarantors may have under applicable law (but subject to Section 3.03), the Borrower agrees that in the event a payment of an obligation shall be made by any Guarantor under this Agreement, the Borrower shall indemnify such Guarantor for the full amount of such payment and such Guarantor shall be subrogated to the rights of the Person to whom such payment shall have been made to the extent of such payment.

SECTION 3.02. Contribution and Subrogation. Each Guarantor (a "**Contributing Party**") agrees (subject to Section 3.03) that, in the event a payment shall be made by any other Guarantor hereunder in respect of any Guaranteed Obligation and such other Guarantor (the "**Claiming Party**") shall not have been fully indemnified by the Borrower as provided in Section 3.01, the Contributing Party shall indemnify the Claiming Party in an amount equal to the amount of such payment, in each case multiplied by a fraction of which the numerator shall be the net worth of the Contributing Party on the date hereof and the denominator shall be the aggregate net worth of all the Contributing Parties together with the net worth of the Claiming Party on the date hereof (or, in the case of any Guarantor becoming a party hereto pursuant to Section 4.13, the date of the Guaranty Supplement hereto executed and delivered by such Guarantor). Any Contributing Party making any payment to a Claiming Party pursuant to this Section 3.02 shall be subrogated to the rights of such Claiming Party to the extent of such payment. Each Guarantor recognizes and acknowledges that the rights to contribution arising hereunder shall constitute an asset in favor of the party entitled to such contribution. In this connection, each Guarantor has the right to waive, to the fullest extent permitted by applicable law, its contribution right against any other Guarantor to the extent that after giving effect to such waiver such Guarantor would remain solvent, in the determination of the Lenders.

SECTION 3.03. Subordination. (a) Notwithstanding any provision of this Agreement to the contrary, all rights of the Guarantors under Sections 3.01 and 3.02 and all other rights of indemnity, contribution or subrogation under applicable law or otherwise shall be fully subordinated to the indefeasible payment in full in cash of the Guaranteed Obligations; *provided* that if any amount shall be paid to such Guarantor on account of such subrogation rights at any time prior to the irrevocable payment in full of the Guaranteed Obligations, such amount shall be held in trust for the benefit of the Secured Parties and shall forthwith be paid to the Administrative Agent to be credited and applied against the Guaranteed Obligations, whether matured or unmatured, in connection with Section 9.03 of the Credit Agreement. No failure on the part of the Borrower or any Guarantor to make the payments required by Sections 3.01 and 3.02 (or any other payments required under applicable law or otherwise) shall in any respect limit the obligations and liabilities of any Guarantor with respect to its obligations hereunder, and each Guarantor shall remain liable for the full amount of the obligations of such Guarantor hereunder.

ARTICLE IV

MISCELLANEOUS

SECTION 4.01. Notices. All communications and notices hereunder shall (except as otherwise expressly permitted herein) be in writing and given as provided in Section 11.02 of the Credit Agreement. All communications and notices hereunder to any Guarantor shall be given to it in care of the Borrower as provided in Section 11.02 of the Credit Agreement.

SECTION 4.02. Waivers; Amendment. (a) No failure or delay by the Administrative Agent, any L/C Issuer or any Lender in exercising any right or power hereunder or under any other Loan Document shall operate as a waiver thereof, nor shall any single or partial exercise of any such right or power, or any abandonment or discontinuance of steps to enforce such a right or power, preclude any other or further exercise thereof or the exercise of any other right or power. The rights and remedies of the Administrative Agent, the L/C Issuers and the Lenders hereunder and under the other Loan Documents are cumulative and are not exclusive of any rights or remedies that they would otherwise have. No waiver of any provision of this Agreement or consent to any departure by any Guaranty Party therefrom shall in any event be effective unless the same shall be permitted by paragraph (b) of this Section 4.02, and then such waiver or consent shall be effective only in the specific instance and for the purpose for which given. Without limiting the generality of the foregoing, the making of a Loan or issuance of a Letter of Credit shall not be construed as a waiver of any Default, regardless of whether the Administrative Agent, any Lender or any L/C Issuer may have had notice or knowledge of such Default at the time. No notice or demand on any Guaranty Party in any case shall entitle any Guaranty Party to any other or further notice or demand in similar or other circumstances.

(b) Neither this Agreement nor any provision hereof may be waived, amended or modified except pursuant to an agreement or agreements in writing entered into by the Administrative Agent and the Guaranty Party or Guaranty Parties with respect to which such waiver, amendment or modification is to apply, subject to any consent required in accordance with Section 11.01 of the Credit Agreement.

SECTION 4.03. Administrative Agent’s Fees and Expenses, Indemnification. (a) The parties hereto agree that the Administrative Agent shall be entitled to reimbursement of its expenses incurred hereunder as provided in Section 11.04 of the Credit Agreement.

(b) Without limitation of its indemnification obligations under the other Loan Documents, the Borrower agrees to indemnify the Administrative Agent and the other Indemnitees (as defined in Section 11.05 of the Credit Agreement) against, and hold each Indemnitee harmless from, any and all losses, claims, damages, liabilities and related expenses, including the reasonable fees, charges and disbursements of any counsel for any Indemnitee, incurred by or asserted against any Indemnitee arising out of, in connection with, or as a result of, the execution, delivery or performance of this Agreement or any claim, litigation, investigation or proceeding relating to any of the foregoing agreements or instruments contemplated hereby, whether or not any Indemnitee is a party thereto; *provided* that such

indemnity shall not, as to any Indemnitee, be available to the extent that such losses, claims, damages, liabilities or related expenses are determined by a court of competent jurisdiction by final and nonappealable judgment to have resulted from the gross negligence or wilful misconduct of such Indemnitee or Related Indemnified Person of such Indemnitee.

(c) Any such amounts payable as provided hereunder shall be additional Guaranteed Obligations secured hereby and by the other Collateral Documents. The provisions of this Section 4.03 shall remain operative and in full force and effect regardless of the termination of this Agreement or any other Loan Document, the consummation of the transactions contemplated hereby, the repayment of any of the Guaranteed Obligations, the invalidity or unenforceability of any term or provision of this Agreement or any other Loan Document, or any investigation made by or on behalf of the Administrative Agent or any other Secured Party. All amounts due under this Section 4.03 shall be payable within 10 days of written demand therefor.

SECTION 4.04. Survival of Agreement. All representations and warranties made hereunder and in any other Loan Document or other document delivered pursuant hereto or thereto or in connection herewith or therewith shall survive the execution and delivery hereof and thereof. Such representations and warranties have been or will be relied upon by the Administrative Agent and each Lender, regardless of any investigation made by the Administrative Agent or any Lender or on their behalf and notwithstanding that the Administrative Agent or any Lender may have had notice or knowledge of any Default at the time of any Credit Extension and shall continue in full force and effect as long as any Loan or any other Guaranteed Obligation hereunder shall remain unpaid or unsatisfied or any Letter of Credit shall remain outstanding (unless the Outstanding Amount of the L/C Obligations related thereto has been Cash Collateralized).

SECTION 4.05. Counterparts; Effectiveness; Successors and Assigns; Several Agreement. This Agreement may be executed in one or more counterparts, each of which shall be deemed an original, but all of which together shall constitute a one and the same instrument. Delivery by facsimile transmission or other electronic communication of an executed counterpart of a signature page to this Agreement shall be effective as delivery of an original executed counterpart of this Agreement. The Agents may also require that any such documents and signatures delivered by facsimile transmission or other electronic communication be confirmed by a manually signed original thereof; *provided* that the failure to request or deliver the same shall not limit the effectiveness of any document or signature delivered by facsimile transmission or other electronic communication. This Agreement shall become effective as to any Guaranty Party when a counterpart hereof executed on behalf of such Guaranty Party shall have been delivered to the Administrative Agent and a counterpart hereof shall have been executed on behalf of the Administrative Agent, and thereafter shall be binding upon such Guaranty Party and the Administrative Agent and their respective successors and assigns permitted thereby, and shall inure to the benefit of such Guaranty Party, the Administrative Agent and the other Secured Parties and their respective successors and assigns permitted thereby, except that no Guaranty Party shall have the right to assign or transfer its rights or obligations hereunder or any interest herein (and any such assignment or transfer shall be void) except as expressly contemplated by this Agreement or the other Loan Documents. This Agreement shall be construed as a separate agreement with respect to each Guaranty Party and

may be amended, restated, modified, supplemented, waived or released with respect to any Guaranty Party without the approval of any other Guaranty Party and without affecting the obligations of any other Guaranty Party hereunder.

SECTION 4.06. Severability. If any provision of this Agreement or the other Loan Documents is held to be illegal, invalid or unenforceable, the legality, validity and enforceability of the remaining provisions of this Agreement and the other Loan Documents shall not be affected or impaired thereby. The invalidity of a provision in a particular jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

SECTION 4.07. Right of Set-Off. In addition to any rights and remedies of the Lenders provided by Law, upon the occurrence and during the continuance of any Event of Default, each Lender and its Affiliates and each L/C Issuer and its Affiliates is authorized at any time and from time to time, without prior notice to any Guarantor, any such notice being waived by the Borrower (on its own behalf and on behalf of each Guarantor and its Subsidiaries) to the fullest extent permitted by applicable Law, to set off and apply any and all deposits (general or special, time or demand, provisional or final) at any time held by, and other Indebtedness at any time owing by, such Lender and its Affiliates or such L/C Issuer and its Affiliates, as the case may be, to or for the credit or the account of the respective Loan Parties and their Subsidiaries against any and all Guaranteed Obligations owing to such Lender and its Affiliates or such L/C Issuer and its Affiliates hereunder or under any other Loan Document, now or hereafter existing, irrespective of whether or not such Agent or such Lender or Affiliate shall have made demand under this Agreement or any other Loan Document and although such Guaranteed Obligations may be contingent or unmatured or denominated in a currency different from that of the applicable deposit or Indebtedness. Notwithstanding anything to the contrary contained herein, no Lender or its Affiliates and no L/C Issuer or its Affiliates shall have a right to set off and apply any deposits held or other Indebtedness owing by such Lender or its Affiliates or such L/C Issuer or its Affiliates, as the case may be, to or for the credit or the account of any Subsidiary of a Loan Party which is not a “United States person” within the meaning of Section 7701(a)(30) of the Code unless such Subsidiary is not a direct or indirect subsidiary of Holdings. Each Lender and L/C Issuer agrees promptly to notify the Borrower and the Administrative Agent after any such set off and application made by such Lender or L/C Issuer, as the case may be; *provided*, that the failure to give such notice shall not affect the validity of such set off and application. The rights of the Administrative Agent, each Lender and each L/C Issuer under this Section 4.07 are in addition to other rights and remedies (including other rights of set off) that the Administrative Agent, such Lender and such L/C Issuer may have.

SECTION 4.08. Governing Law; Jurisdiction; Consent to Service of Process. (a) THIS AGREEMENT SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAW OF THE STATE OF NEW YORK.

(b) ANY LEGAL ACTION OR PROCEEDING ARISING UNDER THIS AGREEMENT OR IN ANY WAY CONNECTED WITH OR RELATED OR INCIDENTAL TO THE DEALINGS OF THE PARTIES HERETO OR ANY OF THEM WITH RESPECT TO THIS AGREEMENT, OR THE TRANSACTIONS RELATED THERETO, IN EACH CASE WHETHER NOW EXISTING OR HEREAFTER ARISING, MAY BE BROUGHT IN THE COURTS OF THE STATE OF NEW YORK SITTING IN NEW YORK CITY OR OF THE

UNITED STATES FOR THE SOUTHERN DISTRICT OF SUCH STATE, AND BY EXECUTION AND DELIVERY OF THIS AGREEMENT, EACH OF HOLDINGS, EACH OTHER GUARANTOR AND THE ADMINISTRATIVE AGENT CONSENTS, FOR ITSELF AND IN RESPECT OF ITS PROPERTY, TO THE EXCLUSIVE JURISDICTION OF THOSE COURTS. EACH OF HOLDINGS, EACH OTHER GUARANTOR AND THE ADMINISTRATIVE AGENT IRREVOCABLY WAIVES ANY OBJECTION, INCLUDING ANY OBJECTION TO THE LAYING OF VENUE OR BASED ON THE GROUNDS OF FORUM NON CONVENIENS, WHICH IT MAY NOW OR HEREAFTER HAVE TO THE BRINGING OF ANY ACTION OR PROCEEDING IN SUCH JURISDICTION IN RESPECT OF ANY LOAN DOCUMENT OR OTHER DOCUMENT RELATED THERETO.

(c) Each party to this Agreement irrevocably consents to service of process in the manner provided for notices in Section 4.01. Nothing in this Agreement will affect the right of any party to this Agreement to serve process in any other manner permitted by law.

SECTION 4.09. WAIVER OF JURY TRIAL. EACH PARTY TO THIS AGREEMENT HEREBY EXPRESSLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT TO TRIAL BY JURY OF ANY CLAIM, DEMAND, ACTION OR CAUSE OF ACTION ARISING UNDER THIS AGREEMENT OR IN ANY WAY CONNECTED WITH OR RELATED OR INCIDENTAL TO THE DEALINGS OF THE PARTIES HERETO OR ANY OF THEM WITH RESPECT TO THIS AGREEMENT, OR THE TRANSACTIONS RELATED THERETO, IN EACH CASE WHETHER NOW EXISTING OR HEREAFTER ARISING, AND WHETHER FOUNDED IN CONTRACT OR TORT OR OTHERWISE; AND EACH PARTY HEREBY AGREES AND CONSENTS THAT ANY SUCH CLAIM, DEMAND, ACTION OR CAUSE OF ACTION SHALL BE DECIDED BY COURT TRIAL WITHOUT A JURY, AND THAT ANY PARTY TO THIS AGREEMENT MAY FILE AN ORIGINAL COUNTERPART OR A COPY OF THIS SECTION 4.09 WITH ANY COURT AS WRITTEN EVIDENCE OF THE CONSENT OF THE SIGNATORIES HERETO TO THE WAIVER OF THEIR RIGHT TO TRIAL BY JURY.

SECTION 4.10. Headings. Article and Section headings and the Table of Contents used herein are for convenience of reference only, are not part of this Agreement and are not to affect the construction of, or to be taken into consideration in interpreting, this Agreement.

SECTION 4.11. Guaranty Absolute. To the fullest extent permitted by applicable law, all rights of the Administrative Agent hereunder and all obligations of each Guarantor hereunder shall be absolute and unconditional irrespective of (a) any lack of validity or enforceability of the Credit Agreement, any other Loan Document, any agreement with respect to any of the Guaranteed Obligations or any other agreement or instrument relating to any of the foregoing, (b) any change in the time, manner or place of payment of, or in any other term of, all or any of the Guaranteed Obligations, or any other amendment or waiver of or any consent to any departure from the Credit Agreement, any other Loan Document, or any other agreement or instrument, (c) any exchange, release or non-perfection of any Lien on other collateral, or any release or amendment or waiver of or consent under or departure from any guaranty securing or guaranteeing all or any of the Guaranteed Obligations or (d) any other circumstance that might otherwise constitute a defense available to, or a discharge of, any Guarantor in respect of the Guaranteed Obligations or this Agreement.

SECTION 4.12. Termination or Release. (a) This Agreement and the Guaranties made herein shall terminate with respect to all Guaranteed Obligations when all the outstanding Guaranteed Obligations (other than (x) obligations under Secured Hedge Agreements not yet due and payable, (y) Cash Management Obligations not yet due and payable and (z) contingent indemnification obligations not yet accrued and payable) have been indefeasibly paid in full and the Lenders have no further commitment to lend under the Credit Agreement, the Outstanding Amount of L/C Obligations have been either reduced to zero or Cash Collateralized and the L/C Issuers have no further obligations to issue Letters of Credit under the Credit Agreement.

(b) A Guarantor shall automatically be released from its obligations hereunder upon the consummation of any transaction permitted by the Credit Agreement as a result of which such Guarantor ceases to be a Subsidiary or is designated as an Unrestricted Subsidiary of Borrower pursuant to the terms of the Credit Agreement; *provided* that the Lenders shall have consented to such transaction (to the extent required by the Credit Agreement) and the terms of such consent did not provide otherwise.

(c) A Guarantor (other than Holdings) shall automatically be released from its obligations hereunder if such Guarantor ceases to be a Restricted Subsidiary pursuant to the terms of the Credit Agreement.

(d) In connection with any termination or release pursuant to paragraph (a), (b) or (c) of this Section 4.12, the Administrative Agent shall execute and deliver to any Guarantor, at such Guarantor's expense, all documents that such Guarantor shall reasonably request to evidence such termination or release. Any execution and delivery of documents pursuant to this Section 4.12 shall be without recourse to or warranty by the Administrative Agent.

(e) At any time that the Borrower desires that the Administrative Agent take any of the actions described in immediately preceding paragraph (d), it shall, upon request of the Administrative Agent, deliver to the Administrative Agent an officer's certificate certifying that the release of the respective Guarantor is permitted pursuant to paragraph (a), (b) or (c). The Administrative Agent shall have no liability whatsoever to any Guarantor as a result of any release of any Guarantor by it as permitted (or which the Administrative Agent in good faith believes to be permitted) by this Section 4.12.

(f) Notwithstanding anything to the contrary set forth in this Agreement, each Cash Management Bank and each Hedge Bank, by the acceptance of the benefits under this Agreement hereby acknowledge and agree that (i) the obligations of the Borrower or any Subsidiary under any Secured Hedge Agreement and the Cash Management Obligations (in each case, other than any Excluded Swap Obligation) shall be guaranteed pursuant to this Agreement only to the extent that, and for so long as, the other Guaranteed Obligations are so guaranteed and (ii) any release of a Guarantor effected in the manner permitted by this Agreement shall not require the consent of any Hedge Bank or Cash Management Bank.

SECTION 4.13. Additional Restricted Subsidiaries. Pursuant to Section 6.11 of the Credit Agreement, certain Restricted Subsidiaries of Borrower that were not in existence, not Restricted Subsidiaries or were Excluded Subsidiaries on the date of the Credit Agreement are required to enter in this Agreement as Guarantors upon becoming Restricted Subsidiaries or upon ceasing to be Excluded Subsidiaries by execution and delivery of a Guaranty Supplement by the Administrative Agent and such Restricted Subsidiary shall become a Guarantor hereunder with the same force and effect as if originally named as a Guarantor herein. The execution and delivery of any such instrument shall not require the consent of any other Guaranty Party hereunder. The rights and obligations of each Guaranty Party hereunder shall remain in full force and effect notwithstanding the addition of any new Guaranty Party as a party to this Agreement.

SECTION 4.14. Limitation on Guaranteed Obligations. Each Guarantor and each Secured Party (by its acceptance of the benefits of this Agreement) hereby confirms that it is its intention that this Agreement not constitute a fraudulent transfer or conveyance for purposes of any Debtor Relief Laws (including the Bankruptcy Code, the Uniform Fraudulent Conveyance Act or any similar Federal or state law). To effectuate the foregoing intention, each Guarantor and each Secured Party (by its acceptance of the benefits of this Agreement) hereby irrevocably agrees that the Guaranteed Obligations owing by such Guarantor under this Agreement shall be limited to such amount as will, after giving effect to such maximum amount and all other (contingent or otherwise) liabilities of such Guarantor that are relevant under such Debtor Relief Laws and after giving effect to any rights to contribution and/or subrogation pursuant to any agreement providing for an equitable contribution and/or subrogation among such Guarantor and the other Guarantors, result in the Guaranteed Obligations of such Guarantor in respect of such maximum amount not constituting a fraudulent transfer or conveyance.

ANNEX A

SUPPLEMENT NO. dated as of [ ], to the Amended and Restated Guaranty dated as of February 19, 2013 among SABRE HOLDINGS CORPORATION ("**Holdings**"), certain Subsidiaries of SABRE INC. from time to time party thereto and BANK OF AMERICA, N.A., as Administrative Agent.

A. Reference is made to (i) the Amended and Restated Credit Agreement dated as of February 19, 2013 (as amended, restated, supplemented or otherwise modified from time to time, the "**Credit Agreement**"), among SABRE INC. (the "**Borrower**"), Holdings, BANK OF AMERICA, N.A., as Administrative Agent, Swing Line Lender and L/C Issuer, DEUTSCHE BANK AG NEW YORK BRANCH, as an L/C Issuer and each lender from time to time party thereto (collectively, the "**Lenders**" and individually, a "**Lender**"), (ii) the Amended and Restated Guaranty dated as of February 19, 2013 among Holdings, certain Subsidiaries of the Borrower from time to time party thereto and BANK OF AMERICA, N.A., as Administrative Agent (as amended, restated, supplemented or otherwise modified from time to time, the "**Guaranty**"), (iii) each Secured Hedge Agreement (as defined in the Credit Agreement) and (iv) the Cash Management Obligations (as defined in the Credit Agreement).

B. Capitalized terms used herein and not otherwise defined herein shall have the meanings assigned to such terms in the Credit Agreement.

C. The Guarantors have entered into the Guaranty in order to induce (x) the Lenders to make Loans and the L/C Issuers to issue Letters of Credit, (y) the Hedge Banks to enter into and/or maintain Secured Hedge Agreements and (z) the Cash Management Banks to provide Cash Management Services. Section 4.13 of the Guaranty provides that additional Restricted Subsidiaries of the Borrower that are not Excluded Subsidiaries may become Guarantors under the Guaranty by execution and delivery of an instrument in the form of this Supplement. The undersigned Restricted Subsidiary (the "**New Subsidiary**") is executing this Supplement in accordance with the requirements of the Credit Agreement to become a Guarantor under the Guaranty in order to induce (x) the Lenders to make additional Loans and the L/C Issuers to issue additional Letters of Credit, (y) the Hedge Banks to enter into and/or maintain Secured Hedge Agreements and (z) the Cash Management Banks to provide Cash Management Services and as consideration for (x) Loans previously made and Letters of Credit previously issued, (y) Secured Hedge Agreements previously entered into and/or maintained and (z) Cash Management Services previously provided.

Accordingly, the Administrative Agent and the New Subsidiary agree as follows:

SECTION 1. In accordance with Section 4.13 of the Guaranty, the New Subsidiary by its signature below becomes a Guarantor under the Guaranty with the same force and effect as if originally named therein as a Guarantor and the New Subsidiary hereby (a) agrees to all the terms and provisions of the Guaranty applicable to it as a Guarantor and Guarantor thereunder and (b) represents and warrants that the representations and warranties made by it as a Guarantor thereunder are true and correct on and as of the date hereof. In furtherance of the foregoing, the New Subsidiary, as security for the payment and performance in full of the Guaranteed Obligations does hereby, for the benefit of the Secured Parties, their

successors and assigns, irrevocably, absolutely and unconditionally guaranty, jointly with the other Guarantors and severally, the due and punctual payment and performance of the Guaranteed Obligations. Each reference to a "**Guarantor**" in the Guaranty shall be deemed to include the New Subsidiary. The Guaranty is hereby incorporated herein by reference.

SECTION 2. The New Subsidiary represents and warrants to the Administrative Agent and the Secured Parties that this Supplement has been duly authorized, executed and delivered by it and constitutes its legal, valid and binding obligation, enforceable against it in accordance with its terms, except as such enforceability may be limited by Debtor Relief Laws and by general principles of equity.

SECTION 3. This Supplement may be executed in counterparts (and by different parties hereto on different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract. This Supplement shall become effective when the Administrative Agent shall have received a counterpart of this Supplement that bears the signature of the New Subsidiary, and the Administrative Agent has executed a counterpart hereof. Delivery of an executed signature page to this Supplement by facsimile transmission or other electronic communication shall be as effective as delivery of a manually signed counterpart of this Supplement.

SECTION 4. Except as expressly supplemented hereby, the Guaranty shall remain in full force and effect.

SECTION 5. THIS SUPPLEMENT SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF NEW YORK.

SECTION 6. If any provision contained in this Supplement is held to be invalid, illegal or unenforceable, the legality, validity, and enforceability of the remaining provisions contained herein and in the Guaranty shall not be affected or impaired thereby. The invalidity of a provision in a particular jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

SECTION 7. All communications and notices hereunder shall be in writing and given as provided in Section 4.01 of the Guaranty.

SECTION 8. The New Subsidiary agrees to reimburse the Administrative Agent for its reasonable out-of-pocket expenses in connection with the execution and delivery of this Supplement, including the reasonable fees, other charges and disbursements of counsel for the Administrative Agent.

IN WITNESS WHEREOF, the New Subsidiary and the Administrative Agent have duly executed this Supplement to the Guaranty as of the day and year first above written.

SECTION 2.02. Delivery of the Pledged Collateral. (a) Each Grantor agrees to deliver or cause to be delivered as promptly as practicable to the Administrative Agent, for the benefit of the Secured Parties, any and all Pledged Securities (other than any uncertificated securities, but only for so long as such securities remain uncertificated) to the extent such Pledged Securities, in the case of promissory notes or other instruments evidencing Indebtedness, are required to be delivered pursuant to paragraph (b) of this Section 2.02.

(b) Each Grantor will cause (i) any Indebtedness for borrowed money owed to such Grantor by any Person (other than intercompany Indebtedness between Credit Parties and intercompany Indebtedness referred to in the following clause (ii)) having an aggregate principal amount in excess of the Dollar Amount of $5,000,000, to be evidenced by a duly executed promissory note, and (ii) any intercompany Indebtedness made by such Grantor to a Non-Loan Party to be evidenced by (x) a duly executed global promissory note to which such Non-Loan Party is a signatory, or (y) at the option of the Grantor, to the extent such Indebtedness is in an aggregate principal amount in excess of the Dollar Amount of $15,000,000, a duly executed promissory note; in each case (i) and (ii) that is delivered to the Administrative Agent, for the benefit of the Secured Parties, pursuant to the terms hereof.

(d) except for restrictions and limitations imposed by the Loan Documents or securities laws generally and except as described in the Perfection Certificate, the Pledged Collateral is and will continue to be freely transferable and assignable, and none of the Pledged Collateral is or will be subject to any option, right of first refusal, shareholders agreement, charter or by-law provisions or contractual restriction of any nature that might prohibit, impair, delay or otherwise affect in any manner material and adverse to the Secured Parties the pledge of such Pledged Collateral hereunder, the sale or disposition thereof pursuant hereto or the exercise by the Administrative Agent of rights and remedies hereunder;

(e) each of the Grantors has the power and authority to pledge the Pledged Collateral pledged by it hereunder in the manner hereby done or contemplated;

(f) no consent or approval of any Governmental Authority, any securities exchange or any other Person was or is necessary to the validity of the pledge effected hereby (other than such as have been obtained and are in full force and effect);

(g) by virtue of the execution and delivery by the Grantors of this Agreement, when any Pledged Securities are delivered to the Administrative Agent in accordance with this Agreement, the Administrative Agent will obtain a legal, valid and perfected lien upon and security interest in such Pledged Securities as security for the payment and performance of the Secured Obligations, to the extent such perfection is governed by the Uniform Commercial Code; and

(h) the pledge effected hereby is effective to vest in the Administrative Agent, for the benefit of the Secured Parties, the rights of the Administrative Agent in the Pledged Collateral as set forth herein.

SECTION 2.04. Certification of Limited Liability Company and Limited Partnership Interests. Any limited liability company and any limited partnership controlled by any Grantor shall either (a) not have in its operative documents any provision that any Equity Interests in such limited liability company or such limited partnership be a “security” as defined under Article 8 of the Uniform Commercial Code, or (b) certificate any Equity Interests in any such limited liability company or such limited partnership. To the extent an interest in any limited liability company or limited partnership controlled by any Grantor and pledged under Section 2.01 is certificated or becomes certificated, each such certificate shall be delivered to the Administrative Agent, pursuant to Section 2.02(a) and such Grantor shall fulfill all other requirements under Section 2.02 applicable in respect thereof.

SECTION 2.05. Registration in Nominee Name; Denominations. If an Event of Default shall occur and be continuing, (a) the Administrative Agent, on behalf of the Secured Parties, shall have the right (in its sole and absolute discretion) to hold the Pledged Securities in its own name as pledgee, the name of its nominee (as pledgee or as sub-agent) or the name of the applicable Grantor, endorsed or assigned in blank or in favor of the Administrative Agent, and each Grantor will promptly give to the Administrative Agent copies of any notices or other communications received by it with respect to Pledged Securities registered in the name of such Grantor and (b) the Administrative Agent shall have the right to exchange the certificates representing Pledged Securities for certificates of smaller or larger denominations for any purpose consistent with this Agreement; provided, that the Administrative Agent shall give the Borrower prior notice of its intent to exercise such rights unless a Bankruptcy Event of Default shall have occurred and be continuing in which case no notice shall be required.

SECTION 2.06. Voting Rights; Dividends and Interest. (a) Unless and until an Event of Default shall have occurred and be continuing and the Administrative Agent shall have notified the Borrower that the rights of the Grantors under this Section 2.06 are being suspended:

(i) Each Grantor shall be entitled to exercise any and all voting and/or other consensual rights and powers inuring to an owner of Pledged Securities or any part thereof for any purpose consistent with the terms of this Agreement, the Credit Agreement and the other Loan Documents; *provided* that such rights and powers shall not be exercised in any manner, except as may be expressly permitted under this Agreement, the Credit Agreement or the other Loan Documents, that would materially and adversely affect the rights inuring to a holder of any Pledged Securities or the rights and remedies of any of the Administrative Agent or the other Secured Parties under this Agreement, the Credit Agreement or any other Loan Document or the ability of the Secured Parties to exercise the same.

(ii) The Administrative Agent shall execute and deliver to each Grantor, or cause to be executed and delivered to each Grantor, all such proxies, powers of attorney and other instruments as each Grantor may reasonably request for the purpose of enabling such Grantor to exercise the voting and/or consensual rights and powers it is entitled to exercise pursuant to subparagraph (i) above.

(iii) Each Grantor shall be entitled to receive and retain any and all dividends, interest, principal and other distributions paid on or distributed in respect of the Pledged Securities to the extent and only to the extent that such dividends, interest, principal and other distributions are permitted by, and otherwise paid or distributed in accordance with, the terms and conditions of the Credit Agreement, the other Loan Documents and applicable Laws; *provided* that any non-cash (and non-cash equivalent) dividends, interest, principal or other distributions that would constitute Pledged Equity or Pledged Debt, whether resulting from a subdivision, combination or reclassification of the outstanding Equity Interests of the issuer of any Pledged Securities or received in exchange for Pledged Securities or any part thereof, or in redemption thereof, or as a result of any merger, consolidation, acquisition or other exchange of assets to which such issuer may be a party or otherwise, shall be and become part of the Pledged Collateral, and, if received by any Grantor, shall not be commingled by such Grantor with any of its other funds or property but shall be held separate and apart therefrom, shall be held in trust for the benefit of the Administrative Agent and the Secured Parties and shall be forthwith delivered to the Administrative Agent in the same form as so received (with any necessary endorsement reasonably requested by the Administrative Agent).

(b) Upon the occurrence and during the continuance of an Event of Default, after the Administrative Agent shall have notified the Borrower of the suspension of the rights of the Grantors under paragraph (a)(iii) of this Section 2.06, then all rights of any Grantor to dividends, interest, principal or other distributions that such Grantor is authorized to receive pursuant to paragraph (a)(iii) of this Section 2.06 shall cease, and all such rights shall thereupon become vested in the Administrative Agent, which shall have the sole and exclusive right and authority to receive and retain such dividends, interest, principal or other distributions. All dividends, interest, principal or other distributions received by any Grantor contrary to the provisions of this Section 2.06 shall be held in trust for the benefit of the Administrative Agent, shall be segregated from other property or funds of such Grantor and shall be forthwith delivered to the Administrative Agent upon demand in the same form as so received (with any necessary endorsement reasonably requested by the Administrative Agent). Any and all money and other property paid over to or received by the Administrative Agent pursuant to the provisions of this paragraph (b) shall be retained by the Administrative Agent in an account to be established by the Administrative Agent upon receipt of such money or other property and shall be applied in accordance with the provisions of Section 4.02 hereof. After all Events of Default have been cured or waived, the Administrative Agent shall promptly repay to each Grantor (without interest) all dividends, interest, principal or other distributions that such Grantor would otherwise be permitted to retain pursuant to the terms of paragraph (a)(iii) of this Section 2.06 and that remain in such account.

(c) Upon the occurrence and during the continuance of an Event of Default, after the Administrative Agent shall have notified the Borrower of the suspension of the rights of the Grantors under paragraph (a)(i) of this Section 2.06, then all rights of any Grantor to exercise the voting and consensual rights and powers it is entitled to exercise pursuant to paragraph (a)(i) of this Section 2.06, and the obligations of the Administrative Agent under paragraph (a)(ii) of this Section 2.06, shall cease, and all such rights shall thereupon become vested in the Administrative Agent, which shall have the sole and exclusive right and authority to exercise such voting and consensual rights and powers; *provided* that, unless otherwise directed by the Required Lenders, the Administrative Agent shall have the right from time to time following and during the continuance of an Event of Default to permit the Grantors to exercise such rights at the discretion of the Administrative Agent. After all Events of Default have been cured or waived, each Grantor shall have the exclusive right to exercise the voting and/or consensual rights and powers that such Grantor would otherwise be entitled to exercise pursuant to the terms of paragraph (a)(i) of this Section 2.06.

(d) Any notice given by the Administrative Agent to the Borrower suspending the rights of the Grantors under paragraph (a) of this Section 2.06 (i) shall be given in writing, (ii) may be given with respect to one or more of the Grantors at the same or different times and (iii) may suspend the rights of the Grantors under paragraph (a)(i) or paragraph (a)(iii) of this Section 2.06 in part without suspending all such rights (as specified by the Administrative Agent in its sole and absolute discretion) and without waiving or otherwise affecting the Administrative Agent's rights to give additional notices from time to time suspending other rights so long as an Event of Default has occurred and is continuing.

SECTION 2.07. Administrative Agent Not a Partner or Limited Liability Company Member. Nothing contained in this Agreement shall be construed to make the Administrative Agent or any other Secured Party liable as a member of any limited liability company or as a partner of any partnership and neither the Administrative Agent nor any other Secured Party by virtue of this Agreement or otherwise (except as referred to in the following sentence) shall have any of the duties, obligations or liabilities of a member of any limited liability company or as a partner in any partnership. The parties hereto expressly agree that, unless the Administrative Agent shall become the absolute owner of Pledged Equity consisting of a limited liability company interest or a partnership interest pursuant hereto or to any other Loan Document, this Agreement shall not be construed as creating a partnership or joint venture among the Administrative Agent, any other Secured Party, any Grantor and/or any other Person.

ARTICLE III

Security Interests in Personal Property

SECTION 3.01. Security Interest. (a) As security for the payment or performance, as the case may be, in full of the Secured Obligations, including the Guaranteed Obligations, each Grantor hereby grants to the Administrative Agent, its successors and assigns, for the benefit of the Secured Parties, a security interest (the "**Security Interest**") in all right, title or interest in or to any and all of the following assets and properties now owned or at any time hereafter acquired by such Grantor or in which such Grantor now has or at any time in the future may acquire any right, title or interest (collectively, the "**Article 9 Collateral**"):

(i) all Accounts;

(ii) all Chattel Paper;

(iii) all Commercial Tort Claims listed on Schedule II hereto;

(iv) all Deposit Accounts;

(v) all Documents;

(vi) all Equipment;

(vii) all General Intangibles;

(viii) all Goods;

(ix) all Instruments;

(x) all Inventory;

(xi) all Investment Property;

(xii) all books and records pertaining to the Article 9 Collateral; and

(xiii) to the extent not otherwise included, all Proceeds and products of any and all of the foregoing and all supporting obligations, collateral security and guarantees given by any Person with respect to any of the foregoing;

provided that notwithstanding anything to the contrary in this Agreement, this Agreement shall not constitute a grant of a security interest in any Excluded Asset.

(b) Each Grantor hereby irrevocably authorizes the Administrative Agent for the benefit of the Secured Parties at any time and from time to time to file in any relevant jurisdiction any initial financing statements (including fixture filings) with respect to the Article 9 Collateral or any part thereof and amendments thereto that (i) indicate the Collateral as all assets of such Grantor or words of similar effect as being of an equal or lesser scope or with greater detail, and (ii) contain the information required by Article 9 of the Uniform Commercial Code or the analogous legislation of each applicable jurisdiction for the filing of any financing statement or amendment, including (A) whether such Grantor is an organization, the type of organization and, if required, any organizational identification number issued

to such Grantor and (B) in the case of a financing statement filed as a fixture filing, a sufficient description of the real property to which such Article 9 Collateral relates. Each Grantor agrees to provide such information to the Administrative Agent promptly upon any reasonable request.

(c) The Security Interest is granted as security only and shall not subject the Administrative Agent or any other Secured Party to, or in any way alter or modify, any obligation or liability of any Grantor with respect to or arising out of the Article 9 Collateral.

(d) The Administrative Agent is authorized to file with the USPTO or the USCO (or any successor office or any similar office in any other country) such documents as may be necessary or advisable for the purpose of perfecting, confirming, continuing, enforcing or protecting the Security Interest in United States Intellectual Property granted by each Grantor, without the signature of any Grantor, and naming any Grantor or the Grantor as debtors and the Administrative Agent as secured party.

(e) Notwithstanding anything to the contrary in the Loan Documents, none of the Grantors shall be required to enter into any deposit account control agreement or securities account control agreement with respect to any deposit account or securities account.

SECTION 3.02. Representations and Warranties. Holdings and the Borrower jointly and severally represent and warrant, as to themselves and the other Grantors, to the Administrative Agent and the Secured Parties that:

(a) Each Grantor has good and valid rights in and title to the material Article 9 Collateral with respect to which it has purported to grant a Security Interest hereunder and has full power and authority to grant to the Administrative Agent the Security Interest in such Article 9 Collateral pursuant hereto and to execute, deliver and perform its obligations in accordance with the terms of this Agreement, without the consent or approval of any other Person other than any consent or approval that has been obtained.

(b) The information set forth in the Perfection Certificate, including the exact legal name of each Grantor, is correct and complete in all material respects as of the Closing Date. The Uniform Commercial Code financing statements (including fixture filings, as applicable) or other appropriate filings, recordings or registrations prepared by the Administrative Agent based upon the information provided to the Administrative Agent in the Perfection Certificate for filing in each governmental, municipal or other office specified in Schedule 6 to the Perfection Certificate (or specified by notice from the Borrower to the Administrative Agent after the Closing Date in the case of filings, recordings or registrations (other than filings required to be made in the USPTO and the USCO in order to perfect the Security Interest in Article 9 Collateral consisting of United States Patents, Trademarks and Copyrights) required by Section 6.11 of the Credit Agreement), are all the filings, recordings and registrations that are necessary to establish a legal, valid and perfected security interest in favor of the Administrative Agent (for the benefit of the Secured Parties) in respect of all Article 9 Collateral in which the Security Interest may be perfected by filing, recording or registration in the United States (or any political subdivision thereof) and its territories and possessions, and no further or subsequent filing, refiling, recording, rerecording, registration or reregistration is necessary in any such jurisdiction, except as provided under applicable law with respect to the filing of continuation statements.

(c) Each Grantor represents and warrants that short-form Intellectual Property Security Agreements containing a description of all Article 9 Collateral consisting of United States Patents, United States registered Trademarks (and Trademarks for which United States registration applications are pending, unless it constitutes an Excluded Asset) and United States registered

Copyrights, respectively, have been delivered to the Administrative Agent for recording by the USPTO and the USCO pursuant to 35 U.S.C. § 261, 15 U.S.C. § 1060 or 17 U.S.C. § 205 and the regulations thereunder, as applicable, as may be necessary to establish a valid and perfected security interest in favor of the Administrative Agent (for the benefit of the Secured Parties) in respect of all Article 9 Collateral consisting of Patents, Trademarks and Copyrights in which a security interest may be perfected by filing, recording or registration in the United States (or any political subdivision thereof) and its territories and possessions under the Federal intellectual property laws, and no further or subsequent filing, refiling, recording, rerecording, registration or reregistration is necessary (other than (i) such filings and actions as are necessary to perfect the Security Interest with respect to any Article 9 Collateral consisting of Patents, Trademarks and Copyrights (or registration or application for registration thereof) acquired or developed by any Grantor after the date hereof, (ii) as may be required under the laws of jurisdictions outside the United States with respect to Article 9 Collateral created under such laws, and (iii) the UCC financing and continuation statements contemplated in Section 3.02(b)).

(d) The Security Interest constitutes (i) a legal and valid security interest in all the Article 9 Collateral securing the payment and performance of the Secured Obligations; (ii) subject to the filings described in Section 3.02(b), a perfected security interest in all Article 9 Collateral in which a security interest may be perfected by filing, recording or registering a financing statement or analogous document in the United States (or any political subdivision thereof) and its territories and possessions pursuant to the Uniform Commercial Code in the relevant jurisdiction and (iii) subject to the filings described in Section 3.02(c), a perfected security interest in all Intellectual Property in which a security interest may be perfected upon the receipt and recording of fully executed short-form Intellectual Property Security Agreements with the USPTO and the USCO, as applicable. The Security Interest is and shall be prior to any other Lien on any of the Article 9 Collateral, other than (i) any nonconsensual Lien that is expressly permitted pursuant to Section 7.01 of the Credit Agreement and has priority as a matter of law and (ii) Liens expressly permitted pursuant to Section 7.01 of the Credit Agreement.

(e) The material Article 9 Collateral is owned by the Grantors free and clear of any Lien, except for Liens permitted pursuant to Section 7.01 of the Credit Agreement. None of the Grantors has filed or consented to the filing of (i) any financing statement or analogous document under the New York UCC or any other applicable United States laws covering any Article 9 Collateral, (ii) any assignment in which any Grantor assigns any Article 9 Collateral or any security agreement or similar instrument covering any Article 9 Collateral with the USPTO or the USCO or (iii) any assignment in which any Grantor assigns any Article 9 Collateral or any security agreement or similar instrument covering any Article 9 Collateral with any foreign governmental, municipal or other office, which financing statement or analogous document, assignment, security agreement or similar instrument is still in effect, except, in each case, for Liens permitted pursuant to Section 7.01 of the Credit Agreement.

SECTION 3.03. Covenants. (a) The Borrower agrees promptly (and in any event within 60 days of such change) to notify the Administrative Agent in writing of any change in (i) the legal name, (ii) the identity or type of organization or corporate structure, (iii) the jurisdiction of organization, (iv) the chief executive office or (v) the organizational identification number, of any Grantor. In addition, if any Grantor does not have an organizational identification number on the Closing Date (or the date such Grantor becomes a party to this Agreement) and later obtains one, the Borrower shall promptly (and in any event within 60 days of such change) thereafter notify the Administrative Agent of such organizational identification number and shall take all actions reasonably requested by the Administrative Agent to the extent necessary to maintain the security interests (and the priority thereof) of the Administrative Agent in the Article 9 Collateral intended to be granted hereby fully perfected and in full force and effect.

(b) Upon becoming aware of any defect in the security interests (and the priority thereof, except as expressly permitted pursuant to Section 7.01 of the Credit Agreement) of the Administrative Agent in the Article 9 Collateral intended to be granted hereby, the Borrower agrees promptly (and in any event within 60 days of such knowledge) to notify the Administrative Agent in writing of such defect.

(c) Each year, at the time of delivery of annual financial statements with respect to the preceding fiscal year pursuant to Section 6.01 of the Credit Agreement, the Borrower shall deliver to the Administrative Agent an updated Perfection Certificate executed by the chief financial officer or the chief legal officer of each of Holdings and the Borrower, setting forth any information required therein that has changed or confirming that there has been no change in such information since the date of such certificate or the date of the most recent certificate delivered pursuant to this Section 3.03(c) and certifying that all UCC financing statements, Intellectual Property Security Agreements and other appropriate filings, recordings or registrations have been filed of record in each governmental, municipal or other appropriate office in each jurisdiction necessary to protect and perfect the Security Interests and Liens in the United States under this Agreement.

(d) The Borrower agrees, on its own behalf and on behalf of each other Grantor, at its own expense, to execute, acknowledge, deliver and cause to be duly filed all such further instruments and documents and take all such actions as the Administrative Agent may from time to time reasonably request to better assure, preserve, protect and perfect the Security Interest and the rights and remedies created hereby, including the payment of any fees and taxes required in connection with the execution and delivery of this Agreement, the granting of the Security Interest and the filing of any financing statements (including fixture filings) or other documents in connection herewith or therewith.

(e) At its option, the Administrative Agent may discharge past due taxes, assessments, charges, fees, Liens, security interests or other encumbrances at any time levied or placed on the Article 9 Collateral and not permitted pursuant to Section 7.01 of the Credit Agreement, and may pay for the maintenance and preservation of the Article 9 Collateral to the extent any Grantor fails to do so as required by the Credit Agreement or this Agreement and within a reasonable period of time after the Administrative Agent has requested that it do so, and each Grantor jointly and severally agrees to reimburse the Administrative Agent within 10 Business Days after demand for any payment made or any reasonable expense incurred by the Administrative Agent pursuant to the foregoing authorization; *provided*, *however*, Grantors shall not be obligated to reimburse the Administrative Agent with respect to any Article 9 Collateral consisting of Intellectual Property which any Grantor has failed to maintain or pursue, or otherwise allowed to lapse, terminate or be put into the public domain, in accordance with Section 3.03(i)(ix). Nothing in this paragraph shall be interpreted as excusing any Grantor from the performance of, or imposing any obligation on the Administrative Agent or any Secured Party to cure or perform, any covenants or other promises of any Grantor with respect to taxes, assessments, charges, fees, Liens, security interests or other encumbrances and maintenance as set forth herein, in the other Loan Documents.

(f) If at any time any Grantor shall take a security interest in any property of an Account Debtor or any other Person, the value of which is in excess of $10,000,000, to secure payment and performance of an Account, such Grantor shall promptly assign such security interest to the Administrative Agent for the benefit of the Secured Parties. Such assignment need not be filed of public record unless necessary to continue the perfected status of the security interest against creditors of and transferees from the Account Debtor or other Person granting the security interest.

(g) Each Grantor (rather than the Administrative Agent or any Secured Party) shall remain liable (as between itself and any relevant counterparty) to observe and perform all the conditions

and obligations to be observed and performed by it under each contract, agreement or instrument relating to the Article 9 Collateral, all in accordance with the terms and conditions thereof, and each Grantor jointly and severally agrees to indemnify and hold harmless the Administrative Agent and the Secured Parties from and against any and all liability for such performance.

(h) If any Grantor shall at any time hold or acquire a Commercial Tort Claim with a value in excess of $10,000,000 and for which such Grantor (or predecessor in interest) has filed a complaint in a court of competent jurisdiction, such Grantor shall promptly notify the Administrative Agent in writing signed by such Grantor of the brief details thereof and grant to the Administrative Agent a security interest therein and in the Proceeds thereof, all upon the terms of this Agreement pursuant to a document in form and substance reasonably satisfactory to the Administrative Agent.

(i) Intellectual Property Covenants, Representations and Warranties:

(i) Other than to the extent permitted herein or in the Credit Agreement or with respect to registration and applications no longer used, and except to the extent failure to act would not, as deemed by the Borrower in its reasonable business judgment, be reasonably expected to have a Material Adverse Effect, with respect to registration or pending application of each item of its Article 9 Collateral consisting of Intellectual Property for which such Grantor has standing to do so, each Grantor agrees to take, at its expense, all reasonable steps, including, without limitation, in the USPTO, the USCO and any other governmental authority located in the United States, to diligently pursue the registration and maintenance of each Patent, Trademark, or Copyright registration or application and shall not abandon any such application prior to exhaustion of all administrative and judicial remedies, now or hereafter included in such Article 9 Collateral consisting of Intellectual Property of such Grantor where reasonable to do so. Each Grantor shall take all reasonable steps to maintain its trade secrets under applicable law and to preserve the secrecy of its confidential information.

(ii) Other than to the extent permitted herein or in the Credit Agreement, or with respect to registration and applications no longer used, or except as would not, as deemed by the Borrower in its reasonable business judgment, be reasonably expected to have a Material Adverse Effect, no Grantor shall do or permit any act or knowingly omit to do any act whereby any of its Article 9 Collateral consisting of Intellectual Property may lapse, be terminated, or become invalid or unenforceable or placed in the public domain (or in the case of a trade secret, becomes publicly known).

(iii) Other than as excluded or as permitted herein or in the Credit Agreement, or with respect to Patents, Copyrights or Trademarks which are no longer used or useful in the Grantor's business operations or except where failure to do so would not, as deemed by the applicable Grantor in its reasonable business judgment, be reasonably expected to have a Material Adverse Effect, each Grantor shall take all reasonable steps to preserve and protect each item of its Article 9 Collateral consisting of Intellectual Property, including, without limitation, maintaining the quality of any and all products or services used or provided in connection with any of the Trademarks, consistent with the quality of the products and services as of the date hereof, and taking all reasonable steps necessary to ensure that all licensed users of any of the Trademarks abide by the applicable license's terms with respect to the standards of quality and using the Trademarks which are material to such Grantor's business in interstate commerce during the time in which this Agreement is in effect and to take all reasonable steps to preserve such Trademarks under the laws of relevant jurisdiction. Each Grantor agrees to renew those of its domain name registrations that are material to such Grantor's business.

(iv) Each Grantor represents and warrants that it is the lawful owner of all material Article 9 Collateral consisting of Intellectual Property, including (i) the Patents listed in the Perfection Certificate for such Grantor and that said Patents include all the material United States patents and applications that such Grantor owns as of the date hereof, and (ii) the Copyrights listed in the Perfection Certificate for such Grantor and that said Copyrights include all the United States copyrights registered and applied for with the USCO for material United States copyrights that such Grantor owns as of the date hereof.

(v) Each Grantor further represents and warrants that the Trademarks and domain names listed in the Perfection Certificate include all material United States registered marks and applications for United States registered marks in the USPTO and all material domain names that such Grantor owns in connection with its business as of the date hereof. Each Grantor represents and warrants that it is the lawful owner of all U.S. trademark registrations and applications and domain name registrations listed in the Perfection Certificate and that said registrations are subsisting and have not been canceled, and that such Grantor has not received any written third-party claim that any of said registrations is invalid or unenforceable, other than as would not, either individually or in the aggregate, in the Grantor's reasonable opinion, be reasonably expected to have a Material Adverse Effect.

(vi) Each Grantor agrees, promptly upon learning thereof, to notify the Collateral Agent in writing of the name and address of, and to furnish such pertinent information that may be available with respect to, any party who such Grantor learns is likely to be infringing, contributorily infringing, actively inducing infringement, misappropriating or otherwise violating any of such Grantor's rights in and to any Intellectual Property in any manner that would, in the Grantor's reasonable opinion, reasonably be expected to have a Material Adverse Effect, or with respect to any party claiming that such Grantor's use of any Intellectual Property material to such Grantor's business violates in any material respect any property right of such party. Each Grantor further agrees to take appropriate actions diligently against, including, but not limited to prosecution of, in accordance with reasonable business practices, any Person infringing any Intellectual Property right in any manner that would, in the Grantor's reasonable opinion, reasonably be expected to, either individually or in the aggregate, have a Material Adverse Effect.

(vii) If any Grantor acquires, makes an application for, or is issued a registration for Intellectual Property before the USPTO, the USCO, or an equivalent thereof in any state of the United States, such Grantor shall, at its own expense, deliver to the Administrative Agent a grant of a security interest in such application or registration, within sixty (60) days of the submission of such application or receipt of registration (twenty (20) days in the case of Copyrights) confirming the grant of a security interest in such Intellectual Property to the Administrative Agent hereunder. Such security interest must be substantially in the form of Exhibit III hereto in the case of Patents, Exhibit IV hereto in the case of Trademarks, or Exhibit V hereto in the case of Copyrights, or in such other form as may be reasonably satisfactory to the Administrative Agent.

(viii) Concurrently with the delivery of the Perfection Certificate pursuant to Section 3.03(c), and upon reasonable request by the Administrative Agent (but in any event, not more than three times per fiscal year), if a United States Patent or an application for a United States Patent, a registered Copyright, or an application for a United States Copyright is issued or acquired by a Grantor, the relevant Grantor shall deliver to the Administrative Agent a copy of said Copyright or Patent, or certificate or registration of, or application therefor, as the case may be, and shall update, through amendment or by other written document executed by and reasonably acceptable to Administrative Agent and such Grantor, the relevant schedules of any Intellectual Property Security Agreement filed with the USPTO pursuant to this Agreement, such that any such update may be filed with the USPTO.

(ix) Nothing in this Agreement or any other Loan Document prevents any Grantor from disposing of, discontinuing the use or maintenance of, failing to pursue, or otherwise allowing to lapse, terminate or be put into the public domain, any of its Article 9 Collateral consisting of Intellectual Property to the extent permitted by the Credit Agreement if such Grantor determines in its reasonable business judgment that such discontinuance is desirable in the conduct of its business.

(x) Subject to Sections 3.02 and 3.03(i) above, the Grantors shall use commercially reasonable efforts to correct all currently known chain of title issues regarding the Article 9 Collateral constituting Intellectual Property collateral listed on Schedule 12 of the Perfection Certificate within sixty (60) days following the Closing Date (or such later date as agreed by the Administrative Agent in its sole discretion) and; provided, however, that if despite such efforts, Grantors cannot correct these issues within sixty (60) days, they shall remain obligated to continue such efforts until the issues are resolved or it is reasonably determined by the Administrative Agent that it is no longer commercially reasonable to continue such efforts.

SECTION 3.04. Other Actions. In order to further insure the attachment, perfection and priority of, and the ability of the Administrative Agent to enforce, the Security Interest, each Grantor agrees, in each case at such Grantor's own expense, to take the following actions with respect to the following Article 9 Collateral:

(a) *Instruments*. If any Grantor shall at any time hold or acquire any Instruments constituting Article 9 Collateral and evidencing an amount in excess of $10,000,000, such Grantor shall forthwith endorse, assign and deliver the same to the Administrative Agent for the benefit of the Secured Parties, accompanied by such instruments of transfer or assignment duly executed in blank as the Administrative Agent may from time to time reasonably request.

(b) *Investment Property*. Except to the extent otherwise provided in Article II, if any Grantor shall at any time hold or acquire any certificated securities, such Grantor shall forthwith endorse, assign and deliver the same to the Administrative Agent for the benefit of the Secured Parties, accompanied by such instruments of transfer or assignment duly executed in blank as the Administrative Agent may from time to time reasonably request. If any securities now or hereafter acquired by any Grantor are uncertificated and are issued to such Grantor or its nominee directly by the issuer thereof, following the occurrence of an Event of Default such Grantor shall promptly notify the Administrative Agent thereof and, at the Administrative Agent's reasonable request, pursuant to an agreement in form and substance reasonably satisfactory to the Administrative Agent, either (i) cause the issuer to agree to comply with instructions from the Administrative Agent as to such securities, without further consent of any Grantor or such nominee, or (ii) arrange for the Administrative Agent to become the registered owner of such securities. If any securities, whether certificated or uncertificated, or other investment property are held by any Grantor or its nominee through a securities intermediary or commodity intermediary, following the occurrence of an Event of Default, such Grantor shall immediately notify the Administrative Agent thereof and at the Administrative Agent's request and option, pursuant to an agreement in form and substance reasonably satisfactory to the Administrative Agent shall either (i) cause such securities intermediary or (as the case may be) commodity intermediary to agree to comply with entitlement orders or other instructions from the Administrative Agent to such securities intermediary as to such security entitlements, or (as the case may be) to apply any value distributed on account of any commodity contract as directed by the Administrative Agent to such commodity intermediary, in each case without further consent of any Grantor or such nominee, or (ii) in the case of financial assets or other

Investment Property held through a securities intermediary, arrange for the Administrative Agent to become the entitlement holder with respect to such Investment Property, with the Grantor being permitted, only with the consent of the Administrative Agent, to exercise rights to withdraw or otherwise deal with such Investment Property. The Administrative Agent agrees with each of the Grantors that the Administrative Agent shall not give any such entitlement orders or instructions or directions to any such issuer, securities intermediary or commodity intermediary, and shall not withhold its consent to the exercise of any withdrawal or dealing rights by any Grantor, unless an Event of Default has occurred and is continuing. The provisions of this paragraph shall not apply to any financial assets credited to a securities account for which the Administrative Agent is the securities intermediary.

ARTICLE IV

Remedies

SECTION 4.01. Remedies upon Default. Upon the occurrence and during the continuance of an Event of Default, it is agreed that the Administrative Agent shall have the right to exercise any and all rights afforded to a secured party with respect to the Secured Obligations under the Uniform Commercial Code or other applicable law and also may (i) require each Grantor to, and each Grantor agrees that it will at its expense and upon request of the Administrative Agent forthwith, assemble all or part of the Collateral as directed by the Administrative Agent and make it available to the Administrative Agent at a place and time to be designated by the Administrative Agent that is reasonably convenient to both parties; (ii) occupy any premises owned or, to the extent lawful and permitted, leased by any of the Grantors where the Collateral or any part thereof is assembled or located for a reasonable period in order to effectuate its rights and remedies hereunder or under law, without obligation to such Grantor in respect of such occupation; *provided* that the Administrative Agent shall provide the applicable Grantor with notice thereof prior to or promptly after such occupancy; (iii) declare the entire right, title, and interest of such Grantor in each of the Patents, Trademarks, domain names and Copyrights vested in the Administrative Agent for the benefit of the Secured Parties (in which event such right, title, and interest shall immediately vest in the Administrative Agent for the benefit of the Secured Parties, and the Administrative Agent shall be entitled to exercise the power of attorney referred to below in Section 4.03 hereof to execute, cause to be acknowledged and notarized and to record said absolute assignment with the applicable agency); (iv) exercise any and all rights and remedies of any of the Grantors under or in connection with the Collateral, or otherwise in respect of the Collateral; *provided* that the Administrative Agent shall provide the applicable Grantor with notice thereof prior to or promptly after such exercise; and (v) subject to the mandatory requirements of applicable law and the notice requirements described below, sell or otherwise dispose of all or any part of the Collateral securing the Secured Obligations at a public or private sale or at any broker’s board or on any securities exchange, for cash, upon credit or for future delivery as the Administrative Agent shall deem appropriate. The Administrative Agent shall be authorized at any such sale of securities (if it deems it advisable to do so) to restrict the prospective bidders or purchasers to Persons who will represent and agree that they are purchasing the Collateral for their own account for investment and not with a view to the distribution or sale thereof, and upon consummation of any such sale the Administrative Agent shall have the right to assign, transfer and deliver to the purchaser or purchasers thereof the Collateral so sold. Each such purchaser at any sale of Collateral shall hold the property sold absolutely, free from any claim or right on the part of any Grantor, and each Grantor hereby waives (to the extent permitted by law) all rights of redemption, stay and appraisal which such Grantor now has or may at any time in the future have under any rule of law or statute now existing or hereafter enacted. Upon the occurrence and during the continuance of an Event of Default, the Grantors agree to execute such further documents as the Administrative Agent may reasonably request to transfer ownership of the Patents, Trademarks, domain names and Copyrights to the Administrative Agent for the benefit of the Secured Parties.

The Administrative Agent shall give the applicable Grantors 10 days' written notice (which each Grantor agrees is reasonable notice within the meaning of Section 9-611 of the New York UCC or its equivalent in other jurisdictions) of the Administrative Agent's intention to make any sale of Collateral. Such notice, in the case of a public sale, shall state the time and place for such sale and, in the case of a sale at a broker's board or on a securities exchange, shall state the board or exchange at which such sale is to be made and the day on which the Collateral, or portion thereof, will first be offered for sale at such board or exchange. Any such public sale shall be held at such time or times within ordinary business hours and at such place or places as the Administrative Agent may fix and state in the notice (if any) of such sale. At any such sale, the Collateral, or portion thereof, to be sold may be sold in one lot as an entirety or in separate parcels, as the Administrative Agent may (in its sole and absolute discretion) determine. The Administrative Agent shall not be obligated to make any sale of any Collateral if it shall determine not to do so, regardless of the fact that notice of sale of such Collateral shall have been given. The Administrative Agent may, without notice or publication, adjourn any public or private sale or cause the same to be adjourned from time to time by announcement at the time and place fixed for sale, and such sale may, without further notice, be made at the time and place to which the same was so adjourned. In case any sale of all or any part of the Collateral is made on credit or for future delivery, the Collateral so sold may be retained by the Administrative Agent until the sale price is paid by the purchaser or purchasers thereof, but the Administrative Agent shall not incur any liability in case any such purchaser or purchasers shall fail to take up and pay for the Collateral so sold and, in case of any such failure, such Collateral may be sold again upon like notice. At any public (or, to the extent permitted by law, private) sale made pursuant to this Agreement, any Secured Party may bid for or purchase, free (to the extent permitted by law) from any right of redemption, stay, valuation or appraisal on the part of any Grantor (all said rights being also hereby waived and released to the extent permitted by law), the Collateral or any part thereof offered for sale and may make payment on account thereof by using any claim then due and payable to such Secured Party from any Grantor as a credit against the purchase price, and such Secured Party may, upon compliance with the terms of sale, hold, retain and dispose of such property without further accountability to any Grantor therefor. For purposes hereof, a written agreement to purchase the Collateral or any portion thereof shall be treated as a sale thereof; the Administrative Agent shall be free to carry out such sale pursuant to such agreement and no Grantor shall be entitled to the return of the Collateral or any portion thereof subject thereto, notwithstanding the fact that after the Administrative Agent shall have entered into such an agreement all Events of Default shall have been remedied and the Secured Obligations paid in full. As an alternative to exercising the power of sale herein conferred upon it, the Administrative Agent may proceed by a suit or suits at law or in equity to foreclose this Agreement and to sell the Collateral or any portion thereof pursuant to a judgment or decree of a court or courts having competent jurisdiction or pursuant to a proceeding by a court appointed receiver. Any sale pursuant to the provisions of this Section 4.01 shall be deemed to conform to the commercially reasonable standards as provided in Section 9-610(b) of the New York UCC or its equivalent in other jurisdictions.

Each Grantor irrevocably makes, constitutes and appoints the Administrative Agent (and all officers, employees or agents designated by the Administrative Agent) as such Grantor's true and lawful agent (and attorney-in-fact) during the continuance of an Event of Default and after notice to the Borrower of its intent to exercise such rights, for the purpose of (i) making, settling and adjusting claims in respect of Article 9 Collateral under policies of insurance, endorsing the name of such Grantor on any check, draft, instrument or other item of payment for the proceeds of such policies of insurance, (ii) making all determinations and decisions with respect thereto and (iii) obtaining or maintaining the policies of insurance required by Section 6.07 of the Credit Agreement or paying any premium in whole or in part relating thereto.

SECTION 4.02. Application of Proceeds. (a) The Administrative Agent shall apply the proceeds of any collection or sale of Collateral, including any Collateral consisting of cash, in accordance with Section 9.03 of the Credit Agreement.

(b) The Administrative Agent shall have absolute discretion as to the time of application of any such proceeds, moneys or balances in accordance with this Agreement and the Credit Agreement. Upon any sale of Collateral by the Administrative Agent (including pursuant to a power of sale granted by statute or under a judicial proceeding), the receipt of the Administrative Agent or of the officer making the sale shall be a sufficient discharge to the purchaser or purchasers of the Collateral so sold and such purchaser or purchasers shall not be obligated to see to the application of any part of the purchase money paid over to the Administrative Agent or such officer or be answerable in any way for the misapplication thereof.

(c) In making the determinations and allocations required by this Section 4.02, the Administrative Agent may conclusively rely upon information supplied by the Administrative Agent as to the amounts of unpaid principal and interest and other amounts outstanding with respect to the Secured Obligations, and the Administrative Agent shall have no liability to any of the Secured Parties for actions taken in reliance on such information, *provided* that nothing in this sentence shall prevent any Grantor from contesting any amounts claimed by any Secured Party in any information so supplied. All distributions made by the Administrative Agent pursuant to this Section 4.02 shall be (subject to any decree of any court of competent jurisdiction) final (absent manifest error), and the Administrative Agent shall have no duty to inquire as to the application by the Administrative Agent of any amounts distributed to it. It is understood and agreed that the Grantors shall remain jointly and severally liable to the extent of any deficiency between the amount of the proceeds of the Collateral and the aggregate amount of the Secured Obligations.

SECTION 4.03. Grant of License to Use Intellectual Property; Power of Attorney. For the exclusive purpose of enabling the Administrative Agent to exercise rights and remedies under this Agreement at such time as the Administrative Agent shall be lawfully entitled to exercise such rights and remedies, each Grantor shall, upon prior written request by the Administrative Agent at any time after and during the continuance of an Event of Default, grant to the Administrative Agent a non-exclusive, irrevocable, royalty-free, limited license (until the termination or cure of the Event of Default) to use, license or sublicense any of the Article 9 Collateral consisting of Intellectual Property now owned or hereafter acquired by such Grantor, and wherever the same may be located, and including in such license reasonable access to all media in which any of the licensed items may be recorded or stored and to all computer software and programs used for the compilation or printout thereof; *provided*, *however*, that nothing in this Section 4.03 shall require Grantors to grant any license that is prohibited by any rule of law, statute or regulation, or is prohibited by, or constitutes a breach or default under or results in the termination of any contract, license, agreement, instrument or other document evidencing, giving rise to or theretofore granted, to the extent permitted by the Credit Agreement, with respect to such property or otherwise unreasonably prejudices the value thereof to the relevant Grantor; *provided*, *further*, that such licenses to be granted hereunder with respect to Trademarks shall be subject to the maintenance of quality standards with respect to the goods and services on which such Trademarks are used sufficient to preserve the validity of such Trademarks. For the avoidance of doubt, the use of such license by the Administrative Agent may be exercised, at the option of the Administrative Agent, only during the continuation of an Event of Default. Furthermore, each Grantor hereby grants to the Administrative Agent an absolute power of attorney to sign, upon the occurrence and during the continuance of any Event of Default, any document which may be required by the USPTO or the USCO in order to effect an absolute assignment of all right, title and interest in each Patent, Trademark or Copyright, and to record the same.

ARTICLE V

Indemnity, Subrogation and Subordination

SECTION 5.01. Indemnity. In addition to all such rights of indemnity and subrogation as the Grantors may have under applicable law (but subject to Section 5.03), the Borrower agrees that, in the event any assets of any Grantor shall be sold pursuant to this Agreement or any other Collateral Document to satisfy in whole or in part a Secured Obligation owed to any Secured Party, the Borrower shall indemnify such Grantor in an amount equal to the greater of the book value or the fair market value of the assets so sold.

SECTION 5.02. Contribution and Subrogation. Each Grantor (a "**Contributing Party**") agrees (subject to Section 5.03) that, in the event assets of any other Grantor shall be sold pursuant to any Collateral Document to satisfy any Secured Obligation owed to any Secured Party, and such other Grantor (the "**Claiming Party**") shall not have been fully indemnified by the Borrower as provided in Section 5.01, the Contributing Party shall indemnify the Claiming Party in an amount equal to the greater of the book value or the fair market value of such assets, in each case multiplied by a fraction of which the numerator shall be the net worth of the Contributing Party on the date hereof and the denominator shall be the aggregate net worth of all the Contributing Parties together with the net worth of the Claiming Party on the date hereof (or, in the case of any Grantor becoming a party hereto pursuant to Section 6.15, the date of the Security Agreement Supplement hereto executed and delivered by such Grantor). Any Contributing Party making any payment to a Claiming Party pursuant to this Section 5.02 shall be subrogated to the rights of such Claiming Party to the extent of such payment.

SECTION 5.03. Subordination. Notwithstanding any provision of this Agreement to the contrary, all rights of the Grantors under Sections 5.01 and 5.02 and all other rights of indemnity, contribution or subrogation under applicable law or otherwise shall be fully subordinated to the indefeasible payment in full in cash of the Secured Obligations, *provided* that if any amount shall be paid to such Grantor on account of such subrogation rights at any time prior to the irrevocable payment in full in cash of all the Secured Obligations, such amount shall be held in trust for the benefit of the Secured Parties and shall forthwith be paid to the Administrative Agent to be credited and applied against the Secured Obligations, whether matured or unmatured, in accordance with Section 9.03 of the Credit Agreement. No failure on the part of the Borrower or any Grantor to make the payments required by Sections 5.01 and 5.02 (or any other payments required under applicable law or otherwise) shall in any respect limit the obligations and liabilities of any Grantor with respect to its obligations hereunder, and each Grantor shall remain liable for the full amount of the obligations of such Grantor hereunder.

ARTICLE VI

Miscellaneous

SECTION 6.01. Notices. All communications and notices hereunder shall (except as otherwise expressly permitted herein) be in writing and given as provided in Section 11.02 of the Credit Agreement. All communications and notices hereunder to any Grantor shall be given to it in care of the Borrower as provided in Section 11.02 of the Credit Agreement.

SECTION 6.02. Waivers; Amendment. (a) No failure or delay by the Administrative Agent, any L/C Issuer or any Lender in exercising any right or power hereunder or under any other Loan Document shall operate as a waiver thereof, nor shall any single or partial exercise of any such right or power, or any abandonment or discontinuance of steps to enforce such a right or power, preclude any other or further exercise thereof or the exercise of any other right or power. The rights and

remedies of the Administrative Agent, the L/C Issuers and the Lenders hereunder and under the other Loan Documents are cumulative and are not exclusive of any rights or remedies that they would otherwise have. No waiver of any provision of this Agreement or consent to any departure by any Grantor therefrom shall in any event be effective unless the same shall be permitted by paragraph (b) of this Section 6.02, and then such waiver or consent shall be effective only in the specific instance and for the purpose for which given. Without limiting the generality of the foregoing, the making of a Loan or issuance of a Letter of Credit shall not be construed as a waiver of any Default, regardless of whether the Administrative Agent, any Lender or any L/C Issuer may have had notice or knowledge of such Default at the time. No notice or demand on any Grantor in any case shall entitle any Grantor to any other or further notice or demand in similar or other circumstances.

(b) Neither this Agreement nor any provision hereof may be waived, amended or modified except pursuant to an agreement or agreements in writing entered into by the Administrative Agent and the Grantor or Grantors with respect to which such waiver, amendment or modification is to apply, subject to any consent required in accordance with Section 11.01 of the Credit Agreement.

SECTION 6.03. Administrative Agent's Fees and Expenses. (a) The parties hereto agree that the Administrative Agent shall be entitled to reimbursement of its expenses incurred hereunder as provided in Section 11.04 of the Credit Agreement.

(b) Without limitation of its indemnification obligations under the other Loan Documents, the Borrower agrees to indemnify the Administrative Agent and the other Indemnitees (as defined in Section 11.05 of the Credit Agreement) against, and hold each Indemnitee harmless from, any and all losses, claims, damages, liabilities and related expenses, including the reasonable fees, charges and disbursements of any counsel for any Indemnitee, incurred by or asserted against any Indemnitee arising out of, in connection with, or as a result of, the execution, delivery or performance of this Agreement or any claim, litigation, investigation or proceeding relating to any of the foregoing agreements or instruments contemplated hereby, whether or not any Indemnitee is a party thereto; *provided* that such indemnity shall not, as to any Indemnitee, be available to the extent that such losses, claims, damages, liabilities or related expenses are determined by a court of competent jurisdiction by final and nonappealable judgment to have resulted from the gross negligence or wilful misconduct of such Indemnitee or Related Indemnified Person of such Indemnitee.

(c) Any such amounts payable as provided hereunder shall be additional Secured Obligations secured hereby and by the other Collateral Documents. The provisions of this Section 6.03 shall remain operative and in full force and effect regardless of the termination of this Agreement or any other Loan Document, the consummation of the transactions contemplated hereby, the repayment of any of the Secured Obligations, the invalidity or unenforceability of any term or provision of this Agreement or any other Loan Document, or any investigation made by or on behalf of the Administrative Agent or any other Secured Party. All amounts due under this Section 6.03 shall be payable within 10 days of written demand therefor.

SECTION 6.04. Successors and Assigns. Whenever in this Agreement any of the parties hereto is referred to, such reference shall be deemed to include the permitted successors and assigns of such party; and all covenants, promises and agreements by or on behalf of any Grantor or the Administrative Agent that are contained in this Agreement shall bind and inure to the benefit of their respective successors and assigns, to the extent permitted under Section 11.07 of the Credit Agreement.

SECTION 6.05. Survival of Agreement. All representations and warranties made hereunder and in any other Loan Document or other document delivered pursuant hereto or thereto or in connection herewith or therewith shall survive the execution and delivery hereof and thereof. Such

representations and warranties have been or will be relied upon by the Administrative Agent and each Lender, regardless of any investigation made by the Administrative Agent or any Lender or on their behalf and notwithstanding that the Administrative Agent or any Lender may have had notice or knowledge of any Default at the time of any Credit Extension and shall continue in full force and effect as long as any Loan or any other Secured Obligation hereunder shall remain unpaid or unsatisfied or any Letter of Credit shall remain outstanding (unless the Outstanding Amount of the L/C Obligations related thereto has been Cash Collateralized).

SECTION 6.06. Counterparts; Effectiveness; Successors and Assigns; Several Agreement. This Agreement and each other Loan Document may be executed in one or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument. Delivery by facsimile transmission or other electronic communication of an executed counterpart of a signature page to this Agreement and each other Loan Document shall be effective as delivery of an original executed counterpart of this Agreement and such other Loan Document. The Agents may also require that any such documents and signatures delivered by facsimile transmission or other electronic communication be confirmed by a manually signed original thereof; *provided* that the failure to request or deliver the same shall not limit the effectiveness of any document or signature delivered by facsimile transmission or other electronic communication. This Agreement shall become effective as to any Grantor when a counterpart hereof executed on behalf of such Grantor shall have been delivered to the Administrative Agent and a counterpart hereof shall have been executed on behalf of the Administrative Agent, and thereafter shall be binding upon such Grantor and the Administrative Agent and their respective successors and assigns permitted thereby, and shall inure to the benefit of such Grantor, the Administrative Agent and the other Secured Parties and their respective successors and assigns permitted thereby, except that no Grantor shall have the right to assign or transfer its rights or obligations hereunder or any interest herein or in the Collateral (and any such assignment or transfer shall be void) except as expressly contemplated by this Agreement or the other Loan Documents. This Agreement shall be construed as a separate agreement with respect to each Grantor and may be amended, modified, supplemented, waived or released with respect to any Grantor without the approval of any other Grantor and without affecting the obligations of any other Grantor hereunder.

SECTION 6.07. Severability. If any provision of this Agreement or the other Loan Documents is held to be illegal, invalid or unenforceable, the legality, validity and enforceability of the remaining provisions of this Agreement and the other Loan Documents shall not be affected or impaired thereby. The invalidity of a provision in a particular jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

SECTION 6.08. Right of Set-Off. In addition to any rights and remedies of the Lenders provided by Law, upon the occurrence and during the continuance of any Event of Default, each Lender and its Affiliates and each L/C Issuer and its Affiliates is authorized at any time and from time to time, without prior notice to any Grantor, any such notice being waived by the Borrower (on its own behalf and on behalf of each Grantor and its Subsidiaries) to the fullest extent permitted by applicable Law, to set off and apply any and all deposits (general or special, time or demand, provisional or final) at any time held by, and other Indebtedness at any time owing by, such Lender and its Affiliates or such L/C Issuer and its Affiliates, as the case may be, to or for the credit or the account of the respective Loan Parties and their Subsidiaries against any and all Secured Obligations owing to such Lender and its Affiliates or such L/C Issuer and its Affiliates hereunder or under any other Loan Document, now or hereafter existing, irrespective of whether or not such Agent or such Lender or Affiliate shall have made demand under this Agreement or any other Loan Document and although such Secured Obligations may be contingent or unmatured or denominated in a currency different from that of the applicable deposit or Indebtedness. Notwithstanding anything to the contrary contained herein, no Lender or its Affiliates and no L/C Issuer or its Affiliates shall have a right to set off and apply any deposits held or other

Indebtedness owing by such Lender or its Affiliates or such L/C Issuer or its Affiliates, as the case may be, to or for the credit or the account of any Subsidiary of a Loan Party which is not a "United States person" within the meaning of Section 7701(a)(30) of the Code unless such Subsidiary is not a direct or indirect subsidiary of Holdings. Each Lender and L/C Issuer agrees promptly to notify the Borrower and the Administrative Agent after any such set off and application made by such Lender or L/C Issuer, as the case may be; *provided*, that the failure to give such notice shall not affect the validity of such setoff and application. The rights of the Administrative Agent, each Lender and each L/C Issuer under this Section 6.08 are in addition to other rights and remedies (including other rights of setoff) that the Administrative Agent, such Lender and such L/C Issuer may have.

SECTION 6.09. Governing Law; Jurisdiction; Consent to Service of Process. (a) THIS AGREEMENT AND EACH OTHER LOAN DOCUMENT SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAW OF THE STATE OF NEW YORK (EXCEPT AS OTHERWISE EXPRESSLY PROVIDED THEREIN).

(b) ANY LEGAL ACTION OR PROCEEDING ARISING UNDER ANY LOAN DOCUMENT OR IN ANY WAY CONNECTED WITH OR RELATED OR INCIDENTAL TO THE DEALINGS OF THE PARTIES HERETO OR ANY OF THEM WITH RESPECT TO ANY LOAN DOCUMENT, OR THE TRANSACTIONS RELATED THERETO, IN EACH CASE WHETHER NOW EXISTING OR HEREAFTER ARISING, MAY BE BROUGHT IN THE COURTS OF THE STATE OF NEW YORK SITTING IN NEW YORK CITY OR OF THE UNITED STATES FOR THE SOUTHERN DISTRICT OF SUCH STATE, AND BY EXECUTION AND DELIVERY OF THIS AGREEMENT, EACH OF THE BORROWER, HOLDINGS, EACH GRANTOR AND THE ADMINISTRATIVE AGENT CONSENTS, FOR ITSELF AND IN RESPECT OF ITS PROPERTY, TO THE EXCLUSIVE JURISDICTION OF THOSE COURTS. EACH OF THE BORROWER, HOLDINGS, EACH GRANTOR AND THE ADMINISTRATIVE AGENT IRREVOCABLY WAIVES ANY OBJECTION, INCLUDING ANY OBJECTION TO THE LAYING OF VENUE OR BASED ON THE GROUNDS OF FORUM NON CONVENIENS, WHICH IT MAY NOW OR HEREAFTER HAVE TO THE BRINGING OF ANY ACTION OR PROCEEDING IN SUCH JURISDICTION IN RESPECT OF ANY LOAN DOCUMENT OR OTHER DOCUMENT RELATED THERETO.

(c) Each party to this Agreement irrevocably consents to service of process in the manner provided for notices in Section 6.01. Nothing in this Agreement or any other Loan Document will affect the right of any party to this Agreement to serve process in any other manner permitted by law.

SECTION 6.10. WAIVER OF RIGHT TO TRIAL BY JURY. EACH PARTY TO THIS AGREEMENT HEREBY EXPRESSLY WAIVES ANY RIGHT TO TRIAL BY JURY OF ANY CLAIM, DEMAND, ACTION OR CAUSE OF ACTION ARISING UNDER ANY LOAN DOCUMENT OR IN ANY WAY CONNECTED WITH OR RELATED OR INCIDENTAL TO THE DEALINGS OF THE PARTIES HERETO OR ANY OF THEM WITH RESPECT TO ANY LOAN DOCUMENT, OR THE TRANSACTIONS RELATED THERETO, IN EACH CASE WHETHER NOW EXISTING OR HEREAFTER ARISING, AND WHETHER FOUNDED IN CONTRACT OR TORT OR OTHERWISE; AND EACH PARTY HEREBY AGREES AND CONSENTS THAT ANY SUCH CLAIM, DEMAND, ACTION OR CAUSE OF ACTION SHALL BE DECIDED BY COURT TRIAL WITHOUT A JURY, AND THAT ANY PARTY TO THIS AGREEMENT MAY FILE AN ORIGINAL COUNTERPART OR A COPY OF THIS SECTION 6.10 WITH ANY COURT AS WRITTEN EVIDENCE OF THE CONSENT OF THE SIGNATORIES HERETO TO THE WAIVER OF THEIR RIGHT TO TRIAL BY JURY.

SECTION 6.11. Headings. Article and Section headings and the Table of Contents used herein are for convenience of reference only, are not part of this Agreement and are not to affect the construction of, or to be taken into consideration in interpreting, this Agreement.

SECTION 6.12. Security Interest Absolute. All rights of the Administrative Agent hereunder, the Security Interest, the grant of a security interest in the Collateral and all obligations of each Grantor hereunder shall be absolute and unconditional irrespective of (a) any lack of validity or enforceability of the Credit Agreement, any other Loan Document, any agreement with respect to any of the Secured Obligations or any other agreement or instrument relating to any of the foregoing, (b) any change in the time, manner or place of payment of, or in any other term of, all or any of the Secured Obligations, or any other amendment or waiver of or any consent to any departure from the Credit Agreement, any other Loan Document or any other agreement or instrument, (c) any exchange, release or non-perfection of any Lien on other collateral, or any release or amendment or waiver of or consent under or departure from any guarantee, securing or guaranteeing all or any of the Secured Obligations or (d) any other circumstance that might otherwise constitute a defense available to, or a discharge of, any Grantor in respect of the Secured Obligations or this Agreement.

SECTION 6.13. Collateral Sharing. Pursuant to Sections 7.01(ee) and 7.01(ii) of the Credit Agreement, the Administrative Agent acknowledges and agrees that it shall execute and deliver any collateral sharing agreements with one or more of the Grantors and other secured parties that may extend indebtedness thereunder to such Grantor or Grantors. Notwithstanding anything herein to the contrary, the lien and security interest granted to the Administrative Agent, for the benefit of the Secured Parties, pursuant to this Agreement and the exercise of any right or remedy by the Administrative Agent and the other Secured Parties hereunder shall be subject to the provisions of any collateral sharing agreement executed in furtherance of Sections 7.01(ee) and 7.01(ii) of the Credit Agreement. In the event of any conflict or inconsistency between a provision of such collateral sharing agreement and this Agreement relating to the foregoing in this Section 6.13, the provisions of such collateral sharing agreement shall control; *provided* that, for the avoidance of doubt, in no event shall the proceeds of any Collateral pledged by a Guarantor or any payments made by a Guarantor be applied to payment of any Excluded Swap Obligations of such Guarantor.

SECTION 6.14. Termination or Release. (a) This Agreement, the Security Interest and all other security interests granted hereby shall terminate with respect to all Secured Obligations and any Liens arising therefrom shall be automatically released when all the outstanding Secured Obligations (in each case other than (x) obligations under Secured Hedge Agreements not yet due and payable, (y) Cash Management Obligations not yet due and payable and (z) contingent indemnification obligations not yet accrued and payable) have been indefeasibly paid in full and the Lenders have no further commitment to lend under the Credit Agreement, the Outstanding Amount of L/C Obligations have been either reduced to zero or Cash Collateralized and the L/C Issuers have no further obligations to issue Letters of Credit under the Credit Agreement.

(b) A Grantor shall automatically be released from its obligations hereunder and the Security Interest in the Collateral of such Grantor shall be automatically released upon the consummation of any transaction permitted by the Credit Agreement as a result of which such Grantor ceases to be a Subsidiary or is designated as an Unrestricted Subsidiary of Borrower.

(c) Upon any disposition by any Grantor of any Collateral that is not prohibited by the Credit Agreement or upon the effectiveness of any written consent to the release of the security interest granted hereby in any Collateral pursuant to Section 11.01 of the Credit Agreement, the security interest of such Grantor in such Collateral shall be automatically released.

(d) A Grantor (other than Holdings and the Borrower) shall automatically be released from its obligations hereunder and the Security Interest in the Collateral of such Grantor shall be automatically released if such Grantor ceases to be a Restricted Subsidiary pursuant to the terms of the Credit Agreement.

(e) In connection with any termination or release pursuant to paragraph (a), (b), (c) or (d) of this Section 6.14, the Administrative Agent shall execute and deliver to any Grantor, at such Grantor's expense, all documents that such Grantor shall reasonably request to evidence such termination or release. Any execution and delivery of documents pursuant to this Section 6.14 shall be without recourse to or warranty by the Administrative Agent.

(f) At any time that the respective Grantor desires that the Administrative Agent take any action described in the immediately preceding paragraph (e), it shall, upon request of the Administrative Agent, deliver to the Administrative Agent an officer's certificate certifying that the release of the respective Collateral is permitted pursuant to paragraph (a), (b), (c) or (d). The Administrative Agent shall have no liability whatsoever to any Secured Party as a result of any release of Collateral by it as permitted (or which the Administrative Agent in good faith believes to be permitted) by this Section 6.14.

(g) Notwithstanding anything to the contrary set forth in this Agreement, each Cash Management Bank and each Hedge Bank by the acceptance of the benefits under this Agreement hereby acknowledge and agree that (i) the obligations of the Borrower or any Subsidiary under any Secured Hedge Agreement and the Cash Management Obligations (in each case, other than any Excluded Swap Obligation) shall be secured pursuant to this Agreement only to the extent that, and for so long as, the other Secured Obligations are so secured and (ii) any release of Collateral effected in the manner permitted by this Agreement shall not require the consent of any Hedge Bank or Cash Management Bank.

SECTION 6.15. Additional Restricted Subsidiaries. Pursuant to Section 6.11 of the Credit Agreement, certain Restricted Subsidiaries of Borrower that were not in existence, were not Restricted Subsidiaries or were Excluded Subsidiaries on the date of the Credit Agreement are required to enter in this Agreement as Grantors upon becoming Restricted Subsidiaries or upon ceasing to be Excluded Subsidiaries by execution and delivery of a Security Agreement Supplement in the form of Exhibit I hereto by the Administrative Agent and such Restricted Subsidiary. Upon such execution and delivery, such Restricted Subsidiary shall become a Grantor hereunder with the same force and effect as if originally named as a Grantor herein. The execution and delivery of any such instrument shall not require the consent of any other Grantor hereunder. The rights and obligations of each Grantor hereunder shall remain in full force and effect notwithstanding the addition of any new Grantor as a party to this Agreement.

SECTION 6.16. Administrative Agent Appointed Attorney-in-Fact. Each Grantor hereby appoints the Administrative Agent the attorney-in-fact of such Grantor for the purpose of carrying out the provisions of this Agreement and taking any action and executing any instrument that the Administrative Agent may deem necessary or advisable to accomplish the purposes hereof at any time after and during the continuance of an Event of Default, which appointment is irrevocable (until termination of the Credit Agreement) and coupled with an interest. Without limiting the generality of the foregoing, the Administrative Agent shall have the right, upon the occurrence and during the continuance of an Event of Default and notice by the Administrative Agent to the Borrower of its intent to exercise such rights, with full power of substitution either in the Administrative Agent's name or in the name of such Grantor (a) to receive, endorse, assign and/or deliver any and all notes, acceptances, checks, drafts, money orders or other evidences of payment relating to the Collateral or any part thereof; (b) to demand, collect, receive payment of, give receipt for and give discharges and releases of all or any of the

Collateral; (c) to sign the name of any Grantor on any invoice or bill of lading relating to any of the Collateral; (d) to send verifications of Accounts to any Account Debtor; (e) to commence and prosecute any and all suits, actions or proceedings at law or in equity in any court of competent jurisdiction to collect or otherwise realize on all or any of the Collateral or to enforce any rights in respect of any Collateral; (f) to settle, compromise, compound, adjust or defend any actions, suits or proceedings relating to all or any of the Collateral; (g) to notify, or to require any Grantor to notify, Account Debtors to make payment directly to the Administrative Agent; (h) to make, settle and adjust claims in respect of Article 9 Collateral under policies of insurance, including endorsing the name of any Grantor on any check, draft, instrument or other item of payment for the proceeds of such policies of insurance, making all determinations and decisions with respect thereto and obtaining or maintaining the policies of insurance required by Section 6.07 of the Credit Agreement or paying any premium in whole or in part relating thereto; and (i) to use, sell, assign, transfer, pledge, make any agreement with respect to or otherwise deal with all or any of the Collateral, and to do all other acts and things necessary to carry out the purposes of this Agreement, as fully and completely as though the Administrative Agent were the absolute owner of the Collateral for all purposes; *provided* that nothing herein contained shall be construed as requiring or obligating the Administrative Agent to make any commitment or to make any inquiry as to the nature or sufficiency of any payment received by the Administrative Agent, or to present or file any claim or notice, or to take any action with respect to the Collateral or any part thereof or the moneys due or to become due in respect thereof or any property covered thereby. The Administrative Agent and the other Secured Parties shall be accountable only for amounts actually received as a result of the exercise of the powers granted to them herein, and neither they nor their officers, directors, employees or agents shall be responsible to any Grantor for any act or failure to act hereunder, except for their own gross negligence or willful misconduct or that of any of their Affiliates, directors, officers, employees, counsel, agents or attorneys-in-fact. All sums disbursed by the Administrative Agent in connection with this paragraph, including reasonable attorneys' fees, court costs, expenses and other charges relating thereto, shall be payable, within 10 days of demand, by the Grantors to the Administrative Agent and shall be additional Secured Obligations secured hereby.

SECTION 6.17. General Authority of the Administrative Agent. By acceptance of the benefits of this Agreement and any other Collateral Documents, each Secured Party (whether or not a signatory hereto) shall be deemed irrevocably (a) to consent to the appointment of the Administrative Agent as its agent hereunder and under such other Collateral Documents, (b) to confirm that the Administrative Agent shall have the authority to act as the exclusive agent of such Secured Party for the enforcement of any provisions of this Agreement and such other Collateral Documents against any Grantor, the exercise of remedies hereunder or thereunder and the giving or withholding of any consent or approval hereunder or thereunder relating to any Collateral or any Grantor's obligations with respect thereto, (c) to agree that it shall not take any action to enforce any provisions of this Agreement or any other Collateral Document against any Grantor, to exercise any remedy hereunder or thereunder or to give any consents or approvals hereunder or thereunder except as expressly provided in this Agreement or any other Collateral Document and (d) to agree to be bound by the terms of this Agreement and any other Collateral Documents.

SECTION 6.18. Recourse; Limited Obligations. This Agreement is made with full recourse to each Grantor and pursuant to and upon all the warranties, representations, covenants and agreements on the part of such Grantor contained herein, in the Loan Documents and the Secured Hedge Agreements and otherwise in writing in connection herewith or therewith. It is the desire and intent of each Grantor and the Secured Parties that this Agreement shall be enforced against each Grantor to the fullest extent permissible under the laws applied in each jurisdiction in which enforcement is sought. Notwithstanding anything to the contrary contained herein, and in furtherance of the foregoing, it is noted that the obligations of each Grantor that is a Guarantor have been limited as expressly provided in the Guaranty and are limited hereunder as and to the same extent provided therein.

(the "**Borrower**"), certain Subsidiaries of the Borrower from time to time party thereto and BANK OF AMERICA, N.A., as Administrative Agent for the Secured Parties.

A. C. Capitalized terms used herein and not otherwise defined herein shall have the meanings assigned to such terms in the Credit Agreement and the Security Agreement, as applicable.

D. The Grantors have entered into the Security Agreement in order to induce (x) the Lenders to make Loans and the L/C Issuers to issue Letters of Credit, (y) the Hedge Banks to enter into and/or maintain Secured Hedge Agreements and (z) the Cash Management Banks to provide Cash Management Services. Section 6.15 of the Security Agreement provides that additional Restricted Subsidiaries of the Borrower may become Grantors under the Security Agreement by execution and delivery of an instrument in the form of this Supplement. The undersigned Restricted Subsidiary (the "**New Subsidiary**") is executing this Supplement in accordance with the requirements of the Credit Agreement to become a Grantor under the Security Agreement in order to induce (x) the Lenders to make additional Loans and the L/C Issuers to issue additional Letters of Credit, (y) the Hedge Banks to enter into and/or maintain Secured Hedge Agreements and (z) the Cash Management Banks to provide Cash Management Services and as consideration for (x) Loans previously made and Letters of Credit previously issued, (y) Secured Hedge Agreements previously entered into and/or maintained and (z) Cash Management Services previously provided.

Accordingly, the Administrative Agent and the New Subsidiary agree as follows:

SECTION 1. In accordance with Section 6.15 of the Security Agreement, the New Subsidiary by its signature below becomes a Grantor under the Security Agreement with the same force and effect as if originally named therein as a Grantor and the New Subsidiary hereby (a) agrees to all the terms and provisions of the Security Agreement applicable to it as a Grantor and Grantor thereunder and (b) represents and warrants that the representations and warranties made by it as a Grantor thereunder are true and correct on and as of the date hereof. In furtherance of the foregoing, the New Subsidiary, as security for the payment and performance in full of the Secured Obligations does hereby create and grant to the Administrative Agent, its successors and assigns, for the benefit of the Secured Parties, their successors and assigns, a security interest in and lien on all of the New Subsidiary's right, title and interest in and to the Collateral (as defined in the Security Agreement) of the New Subsidiary. Each reference to a "**Grantor**" in the Security Agreement shall be deemed to include the New Subsidiary. The Security Agreement is hereby incorporated herein by reference.

SECTION 2. The New Subsidiary represents and warrants to the Administrative Agent and the other Secured Parties that this Supplement has been duly authorized, executed and delivered by it and constitutes its legal, valid and binding obligation, enforceable against it in accordance with its terms, except as such enforceability may be limited by Debtor Relief Laws and by general principles of equity.

SECTION 3. This Supplement may be executed in counterparts (and by different parties hereto on different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract. This Supplement shall become effective when the Administrative Agent shall have received a counterpart of this Supplement that bears the signature of the New Subsidiary, and the Administrative Agent has executed a counterpart hereof. Delivery of an executed signature page to this Supplement by facsimile transmission or other electronic communication shall be as effective as delivery of a manually signed counterpart of this Supplement.

The New Subsidiary hereby represents and warrants that (a) set forth on Schedule I attached hereto is a true and correct schedule of the location of any and all Collateral of the New Subsidiary and (b) set forth under its signature hereto is the true and correct legal name of the New Subsidiary, its jurisdiction of formation and the location of its chief executive office. Schedule I shall be incorporated into, and after the date hereof be deemed part of, the Perfection Certificate.

SECTION 5. Except as expressly supplemented hereby, the Security Agreement shall remain in full force and effect.

SECTION 6. THIS SUPPLEMENT SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF NEW YORK.

SECTION 7. If any provision of this Supplement is held to be illegal, invalid or unenforceable, the legality, validity and enforceability of the remaining provisions of this Supplement and the other Loan Documents shall not be affected or impaired thereby. The invalidity of a provision in a particular jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

SECTION 8. All communications and notices hereunder shall be in writing and given as provided in Section 6.01 of the Security Agreement.

SECTION 9. The New Subsidiary agrees to reimburse the Administrative Agent for its reasonable out-of-pocket expenses in connection with the execution and delivery of this Supplement, including the reasonable fees, other charges and disbursements of counsel for the Administrative Agent.

Notwithstanding the foregoing, with respect to any Shared Collateral upon which a third party (other than a First-Lien Secured Party) has a lien or security interest that is junior in priority to the security interest of any Series of First-Lien Obligations but senior (as determined by appropriate legal proceedings in the case of any dispute) to the security interest of any other Series of First-Lien Obligations (such third party, an "Intervening Creditor"), the value of any Shared Collateral or Proceeds which are allocated to such Intervening Creditor shall be deducted on a ratable basis solely from the Shared Collateral or Proceeds to be distributed in respect of the Series of First-Lien Obligations with respect to which such Impairment exists.

(c) Notwithstanding the date, time, method, manner or order of grant, attachment or perfection of any Liens securing any Series of First-Lien Obligations granted on the Shared Collateral and notwithstanding any provision of the Uniform Commercial Code of any jurisdiction, or any other applicable law or the Secured Credit Documents or any defect or deficiencies in the Liens securing the First-Lien Obligations of any Series or any other circumstance whatsoever (but, in each case, subject to Section 1.03), each First-Lien Secured Party hereby agrees that the Liens securing each Series of First-Lien Obligations on any Shared Collateral shall be of equal priority.

(d) Notwithstanding anything in this Agreement or any other First-Lien Security Documents to the contrary, Collateral consisting of cash and cash equivalents pledged to secure Credit Agreement Obligations consisting of reimbursement obligations in respect of Letters of Credit (solely to the extent pledged for the benefit of the relevant Letter of Credit issuer and any participants therein) shall be applied as specified in the Credit Agreement and will not constitute Shared Collateral.

(e) If for any reason, the guaranties of, or Collateral securing, Additional First-Lien Obligations are less extensive than those guarantying or securing, as the case may be, the Credit Agreement Obligations, then (i) with regard to Collateral securing Credit Agreement Obligations only, such Collateral shall not be shared with the Additional First-Lien Secured Parties and the provisions of this Section 2.01 shall not apply to such Collateral or the proceeds

thereof and (ii) with regard to any amounts received by the Credit Agreement Secured Parties pursuant to the respective guaranties, such amounts shall not be shared with the Additional First-Lien Secured Parties and the provisions of this Section 2.01 shall not apply to such amounts.

(c) Notwithstanding the equal priority of the Liens securing each Series of First-Lien Obligations, the Applicable Collateral Agent (in the case of any Additional First-Lien Collateral Agent, acting on the instructions of the Applicable Authorized Representative) may deal with the Shared Collateral as if such Applicable Collateral Agent had a senior Lien on such Collateral. No Non-Controlling Authorized Representative or Non-Controlling Secured Party will contest, protest or object to any foreclosure proceeding or action brought by the Applicable Collateral Agent, the Applicable Authorized Representative or the Controlling Secured Party or

any other exercise by the Applicable Collateral Agent, the Applicable Authorized Representative or the Controlling Secured Party of any rights and remedies relating to the Shared Collateral, or to cause the Applicable Collateral Agent to do so. (d) Each Additional First-Lien Collateral Agent agrees that it will not accept any Lien on any Collateral for the benefit of any Additional First-Lien Obligations (other than funds deposited for the discharge or defeasance of any Additional First-Lien Document in accordance with the terms thereof, so long as such fund deposits are not in violation of the terms of any then outstanding Credit Agreement) other than Liens on Collateral also granted pursuant to the Credit Agreement Collateral Documents.

(e) By executing this Agreement (or a Joinder Agreement), each Collateral Agent and the First-Lien Secured Parties for which it is acting hereunder agree to be bound by the provisions of this Agreement and the other First-Lien Security Documents applicable to it.

(f) Each of the First-Lien Secured Parties agrees that it will not (and hereby waives any right to) contest or support any other Person in contesting, in any proceeding (including any Insolvency or Liquidation Proceeding), the perfection, priority, validity or enforceability of a Lien held by or on behalf of any of the First-Lien Secured Parties on all or any part of the Collateral, or the provisions of this Agreement; provided that nothing in this Agreement shall be construed to prevent or impair the rights of any Collateral Agent or any Authorized Representative to enforce this Agreement.

Section 2.03 No Interference; Payment Over. (a) Subject to the last sentence of Section 1.03, each First-Lien Secured Party agrees that (i) it will not challenge or question in any proceeding the validity or enforceability of any First-Lien Obligations of any Series or any First-Lien Security Document or the validity, attachment, perfection or priority of any Lien under any First-Lien Security Document or the validity or enforceability of the priorities, rights or duties established by or other provisions of this Agreement, (ii) it will not take or cause to be taken any action the purpose or intent of which is, or could be, to interfere, hinder or delay, in any manner, whether by judicial proceedings or otherwise, any sale, transfer or other disposition of the Shared Collateral by the Applicable Collateral Agent, (iii) except as provided in Section 2.02, it shall have no right to (A) direct the Applicable Collateral Agent or any other First-Lien Secured Party to exercise any right, remedy or power with respect to any Shared Collateral (including pursuant to any intercreditor agreement) or (B) consent to the exercise by the Applicable Collateral Agent or any other First-Lien Secured Party of any right, remedy or power with respect to any Shared Collateral, (iv) it will not institute any suit or assert in any suit, bankruptcy, insolvency or other proceeding any claim against the Applicable Collateral Agent or any other First-Lien Secured Party seeking damages from or other relief by way of specific performance, instructions or otherwise with respect to any Shared Collateral, and none of the Applicable Collateral Agent, any Applicable Authorized Representative or any other First-Lien Secured Party shall be liable for any action taken or omitted to be taken by the Applicable Collateral Agent, such Applicable Authorized Representative or other First-Lien Secured Party with respect to any Shared Collateral in accordance with the provisions of this Agreement, (v) it will not seek, and hereby waives any right, to have any Shared Collateral or any part thereof marshalled upon any

foreclosure or other disposition of such Collateral and (vi) it will not attempt, directly or indirectly, whether by judicial proceedings or otherwise, to challenge the enforceability of any provision of this Agreement; provided that nothing in this Agreement shall be construed to prevent or impair the rights of the Applicable Collateral Agent or any other First-Lien Secured Party to enforce this Agreement.

(b) Each First-Lien Secured Party hereby agrees that if it shall obtain possession of any Shared Collateral or shall realize any proceeds or payment in respect of any such Shared Collateral, pursuant to any First-Lien Security Document or by the exercise of any rights available to it under applicable law or in any Insolvency or Liquidation Proceeding or through any other exercise of remedies (including pursuant to any intercreditor agreement), at any time prior to the Discharge of each of the First-Lien Obligations, then it shall hold such Shared Collateral, proceeds or payment segregated and in trust for the other First-Lien Secured Parties and promptly transfer such Shared Collateral, proceeds or payment, as the case may be, to the Applicable Collateral Agent in the same form as received, together with any necessary endorsements, to be distributed in accordance with the provisions of Section 2.01.

Section 2.04 Automatic Release of Liens; Amendments to First-Lien Security Documents. (a) If at any time the Applicable Collateral Agent forecloses upon or otherwise exercises remedies against any Shared Collateral resulting in a sale or disposition thereof, then (whether or not any Insolvency or Liquidation Proceeding is pending at the time) the Liens in favor of each other Collateral Agent for the benefit of each Series of First-Lien Secured Parties upon such Shared Collateral will automatically be released and discharged as and when, but only to the extent, such Liens of the Applicable Collateral Agent on such Shared Collateral are released and discharged; provided that any proceeds of any Shared Collateral realized therefrom shall be applied pursuant to Section 2.01.

(b) Each Collateral Agent and Authorized Representative agrees to execute and deliver (at the sole cost and expense of the Grantors) all such authorizations and other instruments as shall reasonably be requested by the Applicable Collateral Agent to evidence and confirm any release of Shared Collateral provided for in this Section 2.04.

Section 2.05 Certain Agreements with Respect to Bankruptcy or Insolvency Proceedings. (a) This Agreement shall continue in full force and effect notwithstanding the commencement of any proceeding under the Bankruptcy Code or any other federal, state or foreign bankruptcy, insolvency, receivership or similar law by or against Holdings, the Company or any of its Subsidiaries.

(b) If the Company and/or any other Grantor shall become subject to a case (a "Bankruptcy Case") under the Bankruptcy Code and shall, as debtor(s) in possession, move for approval of financing ("DIP Financing") to be provided by one or more lenders (the "DIP Lenders") under Section 364 of the Bankruptcy Code or any equivalent provision of any other Bankruptcy Law or the use of cash collateral under Section 363 of the Bankruptcy Code or any equivalent provision of any other Bankruptcy Law, each First-Lien Secured Party (other than any Controlling Secured Party or Authorized Representative of any Controlling Secured Party) agrees that it will raise no objection to any such financing or to the Liens on the Shared Collateral securing the same ("DIP Financing Liens") or to any use of cash collateral that

constitutes Shared Collateral, unless any Controlling Secured Party, or an Authorized Representative of any Controlling Secured Party, shall then oppose or object to such DIP Financing or such DIP Financing Liens or use of cash collateral (and (i) to the extent that such DIP Financing Liens are senior to the Liens on any such Shared Collateral for the benefit of the First-Lien Secured Parties, each Non-Controlling Secured Party will subordinate its Liens with respect to such Shared Collateral on the same terms as the Liens of the Controlling Secured Parties (other than any Liens of any First-Lien Secured Parties constituting DIP Financing Liens) are subordinated thereto, and (ii) to the extent that such DIP Financing Liens rank pari passu with the Liens on any such Shared Collateral granted to secure the First-Lien Obligations of the First-Lien Secured Parties, each Non-Controlling Secured Party will confirm the priorities with respect to such Shared Collateral as set forth herein), in each case so long as (A) the First-Lien Secured Parties of each Series retain the benefit of their Liens on all such Shared Collateral pledged to the DIP Lenders, including proceeds thereof arising after the commencement of such proceeding, with the same priority vis-à-vis all the other First-Lien Secured Parties (other than any Liens of the First-Lien Secured Parties constituting DIP Financing Liens) as existed prior to the commencement of the Bankruptcy Case, (B) the First-Lien Secured Parties of each Series are granted Liens on any additional collateral pledged to any First-Lien Secured Parties as adequate protection or otherwise in connection with such DIP Financing or use of cash collateral, with the same priority vis-à-vis the First-Lien Secured Parties as set forth in this Agreement, (C) if any amount of such DIP Financing or cash collateral is applied to repay any of the First-Lien Obligations, such amount is applied pursuant to Section 2.01, and (D) if any First-Lien Secured Parties are granted adequate protection (other than any Liens of any First-Lien Secured Parties constituting DIP Financing Liens), including in the form of periodic payments, in connection with such DIP Financing or use of cash collateral, the proceeds of such adequate protection are applied pursuant to Section 2.01; provided that the First-Lien Secured Parties of each Series shall have a right to object to the grant of a Lien to secure the DIP Financing over any Collateral subject to Liens in favor of the First-Lien Secured Parties of such Series or their Authorized Representative that shall not constitute Shared Collateral; and provided, further, that the First-Lien Secured Parties receiving adequate protection shall not object to any other First-Lien Secured Party receiving adequate protection comparable to any adequate protection granted to such First-Lien Secured Parties in connection with a DIP Financing or use of cash collateral.

Section 2.06 Reinstatement. In the event that any of the First-Lien Obligations shall be paid in full and such payment or any part thereof shall subsequently, for whatever reason (including an order or judgment for disgorgement of a preference under the Bankruptcy Code, or any similar law, or the settlement of any claim in respect thereof), be required to be returned or repaid, the terms and conditions of this Article II shall be fully applicable thereto until all such First-Lien Obligations shall again have been paid in full in cash.

Section 2.07 Insurance. As between the First-Lien Secured Parties, the Applicable Collateral Agent (and in the case of any Additional First-Lien Collateral Agent, acting at the direction of the Applicable Authorized Representative) shall have the right to adjust or settle any insurance policy or claim covering or constituting Shared Collateral in the event of any loss thereunder and to approve any award granted in any condemnation or similar proceeding affecting the Shared Collateral.

Section 2.08 Refinancings. The First-Lien Obligations of any Series may be Refinanced, in whole or in part, in each case, without notice to, or the consent (except to the extent a consent is otherwise required to permit the Refinancing transaction under any Secured Credit Document) of, any First-Lien Secured Party of any other Series, all without affecting the priorities provided for herein or the other provisions hereof; provided that the Authorized Representative of, and any Collateral Agent for, the holders of any such Refinancing indebtedness shall have executed an applicable Joinder Agreement on behalf of the holders of such Refinancing indebtedness. If at any time the Credit Agreement is Refinanced in part, then such Refinancing indebtedness may, so long as permitted by the then extant Secured Credit Documents, be designated as Additional Senior Class Debt in accordance with the definition of "Credit Agreement" and Section 5.13(a) hereto. If at any time the Credit Agreement is Refinanced in full (so long as the theretofore outstanding Credit Agreement has been Discharged), then the agreement documenting such Refinancing indebtedness may be designated as the "Credit Agreement" for purposes of this Agreement in accordance with the definition of "Credit Agreement" and Section 5.13(b) hereto.

Section 2.09 Possessory Collateral Agent as Gratuitous Bailee for Perfection. (a) The Possessory Collateral shall be delivered to the Credit Agreement Administrative Agent and the Credit Agreement Administrative Agent agrees to hold any Shared Collateral constituting Possessory Collateral that is part of the Collateral in its possession or control (or in the possession or control of its agents or bailees) as gratuitous bailee for the benefit of each other First-Lien Secured Party and any assignee solely for the purpose of perfecting the security interest granted in such Possessory Collateral, if any, pursuant to the applicable First-Lien Security Documents, in each case, subject to the terms and conditions of this Section 2.09; provided that at any time the Credit Agreement Administrative Agent is not the Applicable Collateral Agent, the Credit Agreement Administrative Agent shall, at the request of the Applicable Collateral Agent, promptly deliver all Possessory Collateral to the Applicable Collateral Agent together with any necessary endorsements (or otherwise allow the Applicable Collateral Agent to obtain control of such Possessory Collateral). The Company shall take such further action as is required to effectuate the transfer contemplated hereby and shall indemnify each Collateral Agent for loss or damage suffered by such Collateral Agent as a result of such transfer except for loss or damage suffered by such Collateral Agent as a result of its own willful misconduct, gross negligence or bad faith.

(b) Each Collateral Agent agrees to hold any Shared Collateral constituting Possessory Collateral that is part of the Collateral, from time to time in its possession or control (or in the possession or control of its agents or bailees), as gratuitous bailee for the benefit of each other First-Lien Secured Party and any assignee solely for the purpose of perfecting the security interest granted in such Possessory Collateral, if any, pursuant to the applicable First-Lien Security Documents, in each case, subject to the terms and conditions of this Section 2.09.

(c) The duties or responsibilities of each Collateral Agent under this Section 2.09 shall be limited solely to holding any Shared Collateral constituting Possessory Collateral as gratuitous bailee for the benefit of each other First-Lien Secured Party for purposes of perfecting the Lien held by such First-Lien Secured Parties thereon.

Section 2.10 Amendments to Security Documents. (a) Without the prior written consent of the Credit Agreement Administrative Agent, each Additional First-Lien Collateral Agent agrees that no Additional First-Lien Security Document may be amended, supplemented or otherwise modified or entered into to the extent such amendment, supplement or modification, or the terms of any new Additional First-Lien Security Document, would be prohibited by, or would require any Grantor to act or refrain from acting in a manner that would violate, any of the terms of this Agreement.

(b) Without the prior written consent of the Additional First-Lien Collateral Agent that would be the Applicable Collateral Agent if the Discharge of Credit Agreement Obligations had occurred, the Credit Agreement Administrative Agent agrees that no Credit Agreement Collateral Document may be amended, supplemented or otherwise modified or entered into to the extent such amendment, supplement or modification, or the terms of any new Credit Agreement Collateral Document, would be prohibited by, or would require any Grantor to act or refrain from acting in a manner that would violate, any of the terms of this Agreement.

(c) In making determinations required by this Section 2.10, each Collateral Agent may conclusively rely on an officer's certificate of the Company.

Section 2.11 Junior Lien Intercreditor Agreement. In the event that any Permitted Junior Priority Debt is incurred by the Company at any time after the date hereof, then so long as such Permitted Junior Priority Debt does not violate the terms set forth in the then extant Secured Credit Documents, each of the parties hereto agrees to enter into an intercreditor agreement substantially in the form of Exhibit E to the Initial Additional First-Lien Agreement, with such modifications thereto as the Applicable Authorized Representative may reasonably agree.

ARTICLE III

Existence and Amounts of Liens and Obligations

Section 3.01 Determinations with Respect to Amounts of Liens and Obligations. Whenever a Collateral Agent or any Authorized Representative shall be required, in connection with the exercise of its rights or the performance of its obligations hereunder, to determine the existence or amount of any First-Lien Obligations of any Series, or the Shared Collateral subject to any Lien securing the First-Lien Obligations of any Series, it may request that such information be furnished to it in writing by each other Authorized Representative or Collateral Agent and shall be entitled to make such determination or not make any determination on the basis of the information so furnished; provided, however, that if an Authorized Representative or a Collateral Agent shall fail or refuse reasonably promptly to provide the requested information, the requesting Collateral Agent or Authorized Representative shall be entitled to make any such determination by such method as it may, in the exercise of its good faith judgment, determine, including by reliance upon a certificate of the Company. Each Collateral Agent and each Authorized Representative may rely conclusively, and shall be fully protected in so relying, on any determination made by it in accordance with the provisions of the preceding sentence (or as otherwise directed by a court of competent jurisdiction) and shall have no liability to any Grantor, any First-Lien Secured Party or any other Person as a result of such determination.

ARTICLE IV

The Applicable Collateral Agent

ARTICLE 4.01 Authority. (a) Notwithstanding any other provision of this Agreement, nothing herein shall be construed to impose any fiduciary or other duty on any Applicable Collateral Agent or any Applicable Authorized Representative to any Non-Controlling Secured Party or give any Non-Controlling Secured Party the right to direct any Applicable Collateral Agent or any Applicable Authorized Representative, except that each Applicable Collateral Agent shall be obligated to distribute proceeds of any Shared Collateral in accordance with Section 2.01.

(b) In furtherance of the foregoing, each Non-Controlling Secured Party acknowledges and agrees that the Applicable Collateral Agent shall be entitled, for the benefit of the First-Lien Secured Parties, to sell, transfer or otherwise dispose of or deal with any Shared Collateral as provided herein and in the First-Lien Security Documents, as applicable, pursuant to which the Applicable Collateral Agent is the collateral agent for such Shared Collateral, without regard to any rights to which the Non-Controlling Secured Parties would otherwise be entitled as a result of the First-Lien Obligations held by such Non-Controlling Secured Parties. Without limiting the foregoing, each Non-Controlling Secured Party agrees that none of the Applicable Collateral Agent, the Applicable Authorized Representative or any other First-Lien Secured Party shall have any duty or obligation first to marshal or realize upon any type of Shared Collateral (or any other Collateral securing any of the First-Lien Obligations), or to sell, dispose of or otherwise liquidate all or any portion of such Shared Collateral (or any other Collateral securing any First-Lien Obligations), in any manner that would maximize the return to the Non-Controlling Secured Parties, notwithstanding that the order and timing of any such realization, sale, disposition or liquidation may affect the amount of proceeds actually received by the Non-Controlling Secured Parties from such realization, sale, disposition or liquidation. Each of the First-Lien Secured Parties waives any claim it may now or hereafter have against any Collateral Agent or the Authorized Representative of any other Series of First-Lien Obligations or any other First-Lien Secured Party of any other Series arising out of (i) any actions which any Collateral Agent, Authorized Representative or the First-Lien Secured Parties take or omit to take (including actions with respect to the creation, perfection or continuation of Liens on any Collateral, actions with respect to the foreclosure upon, sale, release or depreciation of, or failure to realize upon, any of the Collateral and actions with respect to the collection of any claim for all or any part of the First-Lien Obligations from any account debtor, guarantor or any other party) in accordance with the First-Lien Security Documents or any other agreement related thereto or to the collection of the First-Lien Obligations or the valuation, use, protection or release of any security for the First-Lien Obligations, (ii) any election by any Applicable Authorized Representative or any holders of First-Lien Obligations, in any proceeding instituted under the Bankruptcy Code, of the application of Section 1111(b) of the Bankruptcy Code or (iii) subject to Section 2.05, any borrowing by, or grant of a security interest or administrative expense priority under Section 364 of the Bankruptcy Code or any equivalent provision of any other Bankruptcy Law by Holdings, the Company or any of its Subsidiaries, as debtor-in-possession. Notwithstanding any other provision of this Agreement, the Applicable Collateral Agent shall not accept any Shared Collateral in full or partial satisfaction of any First-Lien Obligations pursuant to Section 9-620 of the Uniform Commercial Code of any jurisdiction, without the consent of each Authorized Representative representing holders of First-Lien Obligations for which such Collateral constitutes Shared Collateral.

Section 5.02 Waivers; Amendment; Joinder Agreements. (a) No failure or delay on the part of any party hereto in exercising any right or power hereunder shall operate as a waiver thereof, nor shall any single or partial exercise of any such right or power, or any abandonment or discontinuance of steps to enforce such a right or power, preclude any other or further exercise thereof or the exercise of any other right or power. The rights and remedies of the parties hereto are cumulative and are not exclusive of any rights or remedies that they would otherwise have. No waiver of any provision of this Agreement or consent to any departure by any party therefrom shall in any event be effective unless the same shall be permitted by Section 5.02(b), and then such waiver or consent shall be effective only in the specific instance and for the purpose for which given. No notice or demand on any party hereto in any case shall entitle such party to any other or further notice or demand in similar or other circumstances.

(b) Neither this Agreement nor any provision hereof may be terminated, waived, amended or modified (other than pursuant to any Joinder Agreement) except pursuant to an agreement or agreements in writing entered into by each Authorized Representative and each Collateral Agent and, with respect to any such termination, waiver, amendment or modification which by the terms of this Agreement requires the Company's consent or which increases the obligations or reduces the rights of the Company or any other Grantor, the Company.

(c) Notwithstanding the foregoing, without the consent of any First-Lien Secured Party, (i) any Authorized Representative and Additional First-Lien Collateral Agent may become a party hereto by execution and delivery of an applicable Joinder Agreement by such Authorized Representative and/or such Additional First-Lien Collateral Agent in accordance with Section 5.13(a) and upon such execution and delivery, such Authorized Representative, such Additional First-Lien Collateral Agent and the Additional First-Lien Secured Parties and Additional First-Lien Obligations of the Series for which such Authorized Representative and/or such Additional First-Lien Collateral Agent are acting shall be subject to the terms hereof and the terms of the Additional First-Lien Security Documents applicable thereto and (ii) any New Credit Agreement Agent may become a party hereto by execution and delivery of an applicable Joinder Agreement by such New Credit Agreement Agent in accordance with Section 5.13(b) and upon such execution and delivery, such New Credit Agreement Agent and the related Credit Agreement Secured Parties shall be subject to the terms hereof and the terms of the Credit Agreement Collateral Documents applicable thereto.

(d) It is understood and agreed that Holdings, the Company and each other Grantor on the date of this Agreement shall constitute the original Grantors party hereto. The original Grantors hereby covenant and agree to cause each Subsidiary of the Company which becomes a Loan Party after the date hereof to contemporaneously become a party hereto (as a Grantor) by executing and delivering to the Applicable Authorized Representative an assumption agreement substantially in the form of Annex IV hereto (with such changes as may be reasonably approved by the Applicable Authorized Representative and the Company). The parties hereto further agree that, notwithstanding any failure to take the actions required by the immediately preceding sentence, each Person which becomes a Grantor at any time (and any security granted by any such Person) shall be subject to the provisions hereof as fully as if same constituted a Grantor party hereto and had complied with the requirements of the immediately preceding sentence.

(e) Notwithstanding the foregoing, without the consent of any other Authorized Representative or First-Lien Secured Party, the Collateral Agents may effect amendments and modifications to this Agreement to the extent necessary to reflect any incurrence of any Additional First-Lien Obligations in compliance with the Credit Agreement and the other Secured Credit Documents.

Section 5.03 Parties in Interest. This Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns, as well as the other First-Lien Secured Parties, all of whom are intended to be bound by, and to be third

party beneficiaries of, this Agreement. Any successor of any Collateral Agent or Authorized Representative will automatically succeed to and become vested with all the rights, powers, privileges and duties of a Collateral Agent or Authorized Representative hereunder, as applicable. Notwithstanding the immediately preceding sentence, any successor of any Collateral Agent or Authorized Representative will execute and deliver any documents and instruments as shall be reasonably requested by the Applicable Authorized Representative to evidence its succession as a Collateral Agent or Authorized Representative, as applicable, and its becoming party to this Agreement.

Section 5.04 Survival of Agreement. All covenants, agreements, representations and warranties made by any party in this Agreement shall be considered to have been relied upon by the other parties hereto and shall survive the execution and delivery of this Agreement.

Section 5.05 Counterparts. This Agreement may be executed by one or more of the parties to this Agreement on any number of separate counterparts, and all of said counterparts taken together shall be deemed to constitute one and the same instrument. Delivery of an executed signature page of this Agreement by facsimile or other electronic transmission shall be as effective as delivery of a manually executed counterpart hereof.

Section 5.06 Severability. Any provision of this Agreement held to be invalid, illegal or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such invalidity, illegality or unenforceability without affecting the validity, legality and enforceability of the remaining provisions hereof; and the invalidity of a particular provision in a particular jurisdiction shall not invalidate such provision in any other jurisdiction. The parties shall endeavor in good faith negotiations to replace the invalid, illegal or unenforceable provisions with valid provisions the economic effect of which comes as close as possible to that of the invalid, illegal or unenforceable provisions.

Section 5.07 GOVERNING LAW. THIS AGREEMENT AND THE RIGHTS AND OBLIGATIONS OF THE PARTIES UNDER THIS AGREEMENT SHALL BE GOVERNED BY, AND CONSTRUED AND INTERPRETED IN ACCORDANCE WITH, THE LAW OF THE STATE OF NEW YORK.

Section 5.08 Submission to Jurisdiction Waivers; Consent to Service of Process. Each Collateral Agent and each Authorized Representative, on behalf of itself and the First-Lien Secured Parties of the Series for whom it is acting, irrevocably and unconditionally:

(a) submits for itself and its property in any legal action or proceeding relating to this Agreement, or for recognition and enforcement of any judgment in respect thereof, to the exclusive jurisdiction of the courts of the State of New York located in the Borough of Manhattan, the courts of the United States for the Southern District of New York, and appellate courts from any thereof;

(b) consents that any such action or proceeding may be brought in such courts and waives any objection that it may now or hereafter have to the venue of any such action or proceeding in any such court or that such action or proceeding was brought in an inconvenient forum and agrees not to plead or claim the same and agrees not to commence or support any such legal action or proceeding in any other jurisdiction;

(c) agrees that service of process in any such action or proceeding may be effected by mailing a copy thereof by registered or certified mail (or any substantially similar form of mail), postage prepaid, to such Person (or its Authorized Representative) at the address referred to in Section 5.01;

(d) agrees that nothing herein shall affect the right of any other party hereto (or any First-Lien Secured Party) to effect service of process in any other manner permitted by law; and

(e) waives, to the maximum extent not prohibited by law, any right it may have to claim or recover in any legal action or proceeding referred to in this Section 5.08 any special, indirect, exemplary, punitive or consequential damages.

Section 5.09 WAIVER OF JURY TRIAL. EACH PARTY HERETO HEREBY IRREVOCABLY AND UNCONDITIONALLY WAIVES TRIAL BY JURY IN ANY LEGAL ACTION OR PROCEEDING RELATING TO THIS AGREEMENT AND FOR ANY COUNTERCLAIM THEREIN.

Section 5.10 Headings. Article, Section and Annex headings used herein are for convenience of reference only, are not part of this Agreement and are not to affect the construction of, or to be taken into consideration in interpreting, this Agreement.

Section 5.11 Conflicts. In the event of any conflict or inconsistency between the provisions of this Agreement and the provisions of any of the First-Lien Security Documents or any of the other Secured Credit Documents, the provisions of this Agreement shall control.

Section 5.12 Provisions Solely to Define Relative Rights. The provisions of this Agreement are and are intended solely for the purpose of defining the relative rights of the First-Lien Secured Parties in relation to one another. None of the Company, any other Grantor or any creditor thereof shall have any rights or obligations hereunder, except as expressly provided in this Agreement and none of the Company or any other Grantor may rely on the terms hereof (other than Sections 2.04, 2.05, 2.08, 2.09 and Article V). Nothing in this Agreement is intended to or shall impair the obligations of any Grantor, which are absolute and unconditional, to pay the First-Lien Obligations as and when the same shall become due and payable in accordance with their terms.

Section 5.13 Additional Senior Debt and Refinancing Indebtedness. (a) To the extent, but only to the extent, permitted by the provisions of the Secured Credit Documents, the Company may incur additional indebtedness after the date hereof (other than pursuant to a New Credit Agreement where the joinder process described in following clause (b) is satisfied) that is permitted by the Secured Credit Documents and the Additional First-Lien Documents to be incurred and secured on an equal and ratable basis by the Liens securing the First-Lien Obligations (such indebtedness referred to as "Additional Senior Class Debt"). Any such Additional Senior Class Debt may be secured by a Lien and may be Guaranteed by the Grantors on a senior basis, in each case under and pursuant to the Additional First-Lien Documents, if and

subject to the condition that each of the Authorized Representative and the Additional First-Lien Collateral Agent of any such Additional Senior Class Debt (such Authorized Representative and such Additional First-Lien Collateral Agent, each an "Additional Senior Class Debt Representative"), acting on behalf of the holders of such Additional Senior Class Debt (such Additional Senior Class Debt Representatives and holders in respect of any Additional Senior Class Debt being referred to as the "Additional Senior Class Debt Parties"), becomes a party to this Agreement (and if the Authorized Representative of any such Additional Senior Class Debt is also acting as the Additional First-Lien Collateral Agent of such Additional Senior Class Debt, then such Authorized Representative shall become a party to this Agreement in both such capacities) by satisfying the conditions set forth in clauses (i) through (iv) of the immediately succeeding paragraph.

In order for an Additional Senior Class Debt Representative to become a party to this Agreement:

(i) each Additional Senior Class Debt Representative of the respective class or series of Additional Senior Class Debt and each Grantor then party hereto shall have executed and delivered to the Applicable Authorized Representative a Joinder Agreement substantially in the form of Annex II hereto (with such changes as may be reasonably approved by the Applicable Authorized Representative and such Additional Senior Class Debt Representative) pursuant to which such Additional Senior Class Debt Representative (or each such Additional Senior Class Debt Representative, as appropriate) becomes an Authorized Representative hereunder, and the Additional Senior Class Debt in respect of which such Additional Senior Class Debt Representative is the Authorized Representative and the related Additional Senior Class Debt Parties become subject hereto and bound hereby;

(ii) the Company shall have delivered to each Collateral Agent (x) true and complete copies of each of the Additional First-Lien Documents relating to such Additional Senior Class Debt (which shall be secured by all or any portion of Shared Collateral), certified as being true and correct by a Responsible Officer of the Company, and (y) a certificate of an authorized officer (A) identifying the obligations to be designated as Additional First-Lien Obligations and the initial aggregate principal amount or face amount thereof and (B) certifying that the incurrence of such Additional First-Lien Obligations, the creation of the Liens securing such Additional First-Lien Obligations and the designation of such Additional First-Lien Obligations as "Additional First-Lien Obligations" hereunder do not violate or result in a default under any provision of any Secured Credit Document in effect at such time;

(iii) all filings, recordations and/or amendments or supplements to the First-Lien Security Documents necessary or desirable in the reasonable judgment of the Additional First-Lien Collateral Agent that would be the Applicable Collateral Agent if the Discharge of Credit Agreement Obligations had occurred to confirm and perfect the Liens securing the relevant obligations relating to such Additional Senior Class Debt shall have been made, executed and/or delivered (or, with respect to any such filings or recordations, acceptable provisions to perform such filings or recordations shall have been taken in the reasonable judgment of such Additional First-Lien Collateral Agent),

and all fees and taxes in connection therewith shall have been paid (or acceptable provisions to make such payments shall have been taken in the reasonable judgment of such Additional First-Lien Collateral Agent); and

(iv) the Additional First-Lien Documents, as applicable, relating to such Additional Senior Class Debt shall provide, in a manner reasonably satisfactory to the Applicable Authorized Representative, that each Additional Senior Class Debt Party with respect to such Additional Senior Class Debt will be subject to and bound by the provisions of this Agreement in its capacity as a holder of such Additional Senior Class Debt.

(b) If at any time a then outstanding Credit Agreement is Refinanced in full (so long as each theretofore outstanding Credit Agreement has been Discharged), then the agreement documenting such Refinancing indebtedness may, in accordance with the provisions of this clause (b), be designated as the "New Credit Agreement" (a "New Credit Agreement"), in which case such New Credit Agreement shall be and become the "Credit Agreement" for purposes of this Agreement, if and subject to the condition that the administrative agent and collateral agent for such New Credit Agreement (collectively, the "New Credit Agreement Agent"), acting on behalf of the holders of the Credit Agreement Obligations pursuant to such Credit Agreement, becomes party to this Agreement as the Credit Agreement Administrative Agent and as Authorized Representative for itself and on behalf of the Credit Agreement Secured Parties relating to such New Credit Agreement, by satisfying the conditions set forth in clauses (i) through (iii) of the immediately succeeding paragraph.

In order for a New Credit Agreement Agent to become a party to this Agreement:

(i) such New Credit Agreement Agent and each Grantor shall have executed and delivered to the Applicable Authorized Representative a Joinder Agreement substantially in the form of Annex III hereto (with such changes as may be reasonably approved by the New Credit Agreement Agent and the Grantors) pursuant to which such New Credit Agreement Agent becomes the Credit Agreement Administrative Agent and Authorized Representative for the Credit Agreement Secured Parties hereunder and the related Credit Agreement Secured Parties become subject hereto and bound hereby;

(ii) the Company shall have delivered to each Collateral Agent true and complete copies of each of the documents relating to such New Credit Agreement, certified as being true and correct by a Responsible Officer of the Company; and

(iii) the respective New Credit Agreement shall provide that each Credit Agreement Secured Party with respect to such New Credit Agreement (and the related Credit Agreement Obligations) will be subject to and bound by the provisions of this Agreement in its capacity as a holder of such Credit Agreement Obligations.

Section 5.14 Agent Capacities. Except as expressly provided herein or in the Credit Agreement Collateral Documents, DBNY is acting in the capacity of Credit Agreement Administrative Agent solely for the Credit Agreement Secured Parties. Except as expressly provided herein or in the Additional First-Lien Security Documents, Wells Fargo Bank, National

Except as expressly set forth herein, none of the Credit Agreement Administrative Agent or the Initial Additional First-Lien Collateral Agent shall have any duties or obligations in respect of any of the Collateral, all of such duties and obligations, if any, being subject to and governed by the applicable Secured Credit Documents.

Section 5.15 Integration. This Agreement together with the other Secured Credit Documents and the First-Lien Security Documents represents the agreement of each of the Grantors and the First-Lien Secured Parties with respect to the subject matter hereof and there are no promises, undertakings, representations or warranties by any Grantor or any First-Lien Secured Party relative to the subject matter hereof not expressly set forth or referred to herein or in the other Secured Credit Documents or the First-Lien Security Documents.
